# Major Brown To Head 57 Red Cross Drive

## Indian Pageant To Be Presented At Half-Time Show

Chief Seminole will reign over a fantastic pageant to be presented by the Seminole High School Band and Pep Club during the Seminole-Lakeview Half-time tonight. During the pageant the entire field will be massed with an array of Indian regalia including 40 decorative tom toms, a large teepee standing 15 feet in the air, a burning stake, smoke that will be used for the peace pipe formation, 40 bows and arrows, an Indian chief on a prancing horse, 10 majorettes in warrior costume and 86 members dressed in Indian costume.

(Staff Photo)

Major Roy G. Brown, Lake Mary real estate man and retired Army major, was named General Chairman of the 1957 Seminole County Chapter, American Red Cross membership drive.

Announcement of the selection of Major Brown to head the important drive was made by Frank Evans, chairman of the board, at a meeting held this afternoon at the Sanford City Hall.

Major Brown has the distinction of serving in three wars, World War 1, World War 2, and the Korean conflict. He was in the U. S. Navy during the first world war and then received his commission in the U. S. Army in 1930. "I came up through the ranks," he said as he described the post he had held at Army installations throughout the world.

The retired Major, who came to Lake Mary in 1954 from Michigan, held administrative positions in Washington, D. C. during World War 2 when he had charge of terminating huge war contracts with such firms as General Electric and Western Electric as well as hundreds of similar industrial organizations engaged in the manufacture of war goods.

"Major Brown is a wonderful gentleman," Frank Evans said this afternoon, "and he has certainly become an asset to our country."

The executive board and interested citizens met this afternoon to further the planning of the 1957 American Red Cross membership drive in Seminole County.

Here to advise the group and talk over extensive plans were Donald Doyle, Field Representative for Central Florida and Gen. Eugene V. Elder, volunteer worker assigned to fund campaign work in this area.

## Dawsons Represent County At Civil Defense Session

Mr. and Mrs. C. R. Dawson attended a meeting of Florida Civil Defense, District Five, supervised by Mr. Fred Demotte of Daytona Beach, held at the Court House in Bunnell on Wednesday, A. B. Peterson, Civil Defense Director of Seminole County, had requested Mr. and Mrs. Dawson to represent Seminole County and the Director at this meeting.

Reports were given by representatives from the following counties: St. Johns, Flagler, Marion, Clay, Orange, Brevard, and Volusia.

Time was given to the discussion of activities of the State Defense Organization at Kissimmee and Melbourne during the recent floods. Don Doyle, American Red Cross, who was directly responsible for the relief of the people whose homes were involved, said that, as Kissimmee and Ocala County were unprepared for disaster either through Red Cross or Civil Defense, the cost to Red Cross was \$2500 while the previous preparation of Brevard County made the cost only \$300 to care for nearly twice as many families. He praised the cooperation of Civil Defense workers, Sheriffs and their deputies, Florida Power and Light Co. workers, who now according to Mr. Cole of Orlando, carry Civil Defense cards, especially the State Patrol workers.

## SHS Band To Be In DeLand Parade

The Seminole High School Band will participate in the colorful Christmas Parade in DeLand Saturday at 2:00 P. M. The band was commended by the DeLand town people for its display in last year's parade when the majorette corps donned reindeer outfits and pranced up the DeLand Boulevard. When the invitation was extended to the band they were informed that such an impression was made on the public in last year's parade that the townspeople specifically asked for a repeat performance by the 58 piece marching group. This will mark the third parade the band has participated in this week.

## Dance To Be Held Monday For Scouts

By Mrs. Marian Jones  
OVIEDO—Monday night, troop No. 243 of the Oviedo Boy Scouts will enjoy a party and dance to be held at Sweetwater Park from 7 to 10 p. m.

The boys have invited scouts for the affair and a good time is expected by all. Al Dawson is the leader of the Boy Scouts.

## Mentally Retarded Subject Official Says 7 Basic Needs In Education

Charles High, consultant for the State Department of Education, told the Seminole County Education Association last night that "there are seven basic needs in education."

High, of Tallahassee, was formerly director of education for exceptional children in Dade County, immediate past president of the council for exceptional children and received an appointment from President Eisenhower to serve the southeastern region for the planning meeting in 1950.

He listed the basic needs for education as: academic, psychological, cultural, moral, spiritual, vocational and emotional. He said "special emphasis should be placed on the special needs of children."

"It is economical for all if mentally retarded children can be taught to care for himself," High commented as he told the teachers at their regular meeting of a program proposed to the State Legislature for a guidance program for the entire state beginning next year.

"Some counties have guidance programs now but find it quite expensive to maintain," he said. High was introduced by Ed Christiansen, committee chairman.

Dr. J. Bernard Root opened last night's meeting with a devotion and advised teachers "The Advent season is approaching for the coming of Christ and we should all be preparing our selves."

During the business session of the meeting a letter from the National Education Association requesting an answer to the merit system was opposed until further study is given it.

## Parents, Teachers Will Participate In P-TA Program

The Parent Teacher Association of Seminole High School will meet next Tuesday at 8 p. m. in the school auditorium.

After the regular business meeting a program will be presented in which the teachers and parents will participate.

Those attending will be separated into four groups, each with a discussion leader and a recorder. In these groups many topics will be discussed concerning the student in the home, in the school and in the community.

The public is urged to attend as the meeting, according to P-TA officials, "will be a profitable one."

## To Train Engineer Commission Suggests Fair As City Planner

Fred Bair, secretary of the Florida Planning and Zoning Commission, of Auburndale was recommended last night by the Zoning and Planning Commission as the City of Sanford as the consultant to be employed by the city to train a local city engineer for future planning of Sanford.

A number of city planners had been interviewed by the Zoning and Planning Commission and of the number, Bair was chosen as the best, according to Bob Brown, chairman of the commission as he explained action of the board up to the present.

Bair was described as "down to earth with a practical approach."

The recommendation of the Zoning and Planning Commission was made at a joint meeting with the Board of Sanford City Commissioners.

Al Collins, a member of the Zoning and Planning group said "Bair appears to take what we have and build to it. Others seem to work from setting out a pattern with ideas of a hold in the city later. The Zoning and Planning Commission needs professional help to show the way to go."

Al Lee, another member of the Zoning and Planning Commission needs help. We are interested in the downtown area and we need to look out for it."

Howard Faville, another member of the Board commented that "Bair is the most logical and down to earth. We need help to get around some of our local problems that restrict us from growing."

However, no definite action was taken at last night's joint meeting. Commissioners believed that they should talk with and consult the various planners before taking any action at all.

## \$400,000 Ordinance Approved

The Capital Improvement Program of the City of Sanford was assured this morning when the Board of Sanford City Commissioners at a special meeting called for 10 o'clock approved a bond ordinance bringing the city \$400,000 to complete the 16 item program.

Leedy, Wheeler & Alleman, investment bankers, of Orlando will handle the bonds. The firm was represented at this morning's meeting by Loomis C. Leedy Jr.

An agreement, originally presented at the beginning of the meeting was discarded when commissioners unanimously agreed that a five year plan for recalling the bonds should be adopted.

Commissioner Earl Haginbotham offered the motion to accept the bid of Leedy, Wheeler & Alleman "and authorize the city attorney to draw up the necessary bond ordinance subject to changes to be approved by the attorney."

The bond ordinance will tie up all revenues from the Florida Power and Light Company franchise agreement until the bonds have been retired.

Director of Finance H. N. Sayer this morning estimated that the bonds would be retired in approximately nine years at an interest rate of 3.32 per cent.

Not until the agreement was acceptable that all FP&L Co. franchise revenues be used to retire the bonds would the commissioners agree to approve the bond issue.

The original proposal and bid on the bond issue received its first real objection from commissioner David Gatehel when he said "seems as if we are being tied with our hands behind our backs."

"I was thinking we could use the franchise money and not be (Continued on Page 3)

## Voters To Express Choice For Refuse, Garbage Pick-Up

BY MRS. RAYMOND MORRIS CASSELLBERRY—Voters will express their preference for garbage and refuse pick-up, on a weekly or twice weekly basis, next Monday. A low bid of \$1.10 per month per family, was submitted by the Ace Sanitary, Inc. for one a week service, and a low bid of \$1.50 per month per family for twice a week service from Edwin C. Logue of Logue Garbage Service.

Both firms agreed to refund ten per cent of the fee to the town, for an excellent performance bond, carry liability insurance and use standard type equipment.

In the race for mayor, two new names will be on the ballot, challenging Joseph I. Laird, former mayor for two years and completing a two-year term as alderman. His opponents are Donald W. Willson and Joseph D. Bryant.

In a wide open race for alderman retiring, two-term mayor Junius J. Allen is the only one of seven candidates who formerly held that office. Of the six opponents, Mrs. Mary Hallett, a resident for nineteen years, lays claim to being the town's first clerk.

Others seeking office of alderman are: William D. Bridge, Ozden Reeves, Hubert Scharpf. (Continued on Page 3)

## Choir To Present Annual All Music Service Dec. 16

The annual all music service of the First Presbyterian church will be a vesper hour worship at 8:30 p. m. on Dec. 16. It was announced by the Rev. A. G. McInnis.

This presentation of the Christmas story sung by the Chancel choir is considered by many as a highlight of the Yule season, it was said, and in the past has been attended by over-flowing congregations.

This year Mrs. George Touhy, Minister of Music, says the 33 members of the choir who will participate in the candlelight carol service will sing 11 anthems and the usual responses.

There will be three organ numbers which Mrs. Touhy will play and one of the preludes will be a piano-organ duet with Mrs. Roy Mann at the piano.

Mrs. Mann as pianist also will join in the accomplishment of one of the anthems.

Several of the soloists of the choir will sing portions of the anthems and there will be one number by the male chorus, another in which the women's voices are featured.

The hour long service in the atmosphere of a candlelit church adds much to the true spirit of the season dedicated to the birth of Christ, it is said by those who have attended previous services.

## Madrigal Singers To Entertain Rotary At Parish House

Members of the Sanford Rotary Club will have the opportunity of hearing one of Central Florida's outstanding vocal groups next Monday noon when the Madrigal Singers of Rollins College, directed by Robert Hufstadler, will feature the program arranged by Robert Lamont.

In order that the singers may have the advantage of good acoustics, the meeting will be held at the Parish House of Holy Cross Episcopal Church. All Rotarians are asked by club president Dr. Charles L. Persons to make note of the change of location for this meeting.

FOREMAN PLUNGES TO DEATH  
TAMPA UP—Bricks at the top of a phosphate silo gave way, pulled a scaffolding down and plunged a foreman 70 feet to his death yesterday.

The victim was Dean Johnson, 32, of Marietta, Ohio. The silo was at the Tampa Ship Terminal.

## Season Of Prayer To Begin Monday; Schedule Told

BY MARIAN JONES  
OVIEDO—The Oviedo Baptist WMU will not have its regular scheduled individual meetings or collective business meetings on the first Monday, the usual date. Instead Monday starts the Season of Prayer, time 4 to 5 p. m. the Nettie Farnell Circle in charge.

On Tuesday it will be held from 10 to 11 a. m. the Katie Sue Circle in charge, Wednesday the time will be from 7:30 to 8:30 p. m. the Intermediate and Junior GA's in charge.

On Thursday the time will be 10 to 11 a. m. again, the Pearl Martin Circle in charge; and on Friday, 4 to 5 p. m. the Mary Lawton Circle in charge.

A large attendance is urged. One of the circles has planned a private Christmas party, preceded by a short business meeting for the following week. These will be announced later.

## Longwood Council Praised

### Much Needed Water System In Operation

Longwood's Town Council, the ever constant alert for the betterment of their town, realized in the summer of 1955 that the town was facing an acute water shortage and that action had to be taken to avert such an emergency.

The council contacted the State of Florida Geological Department requesting they survey the present well. The State Health Department also assisted with their many facilities. Services of the engineering firm of Albert O'Neill, Orlando, were employed to make a survey of the then existing water supply and system and advance their recommendations for the expansion of supply. Keeping in mind that the continued growth of the town would warrant remedial action and should be adequate for the needs of the town for some years hence as any other approach to the prob-

lem would result in economic loss to the town. On completion of the surveys and recommendations a contract was let to the Layne Atlantic Company, a national concern of high rating.

The new plant called for a new eight inch well, approximately, 420 feet deep with eight inch casing extending down 204 feet.

The new pump to be a Layne Atlantic turbine pump with a 30 H. P. motor and a water output of 500 gallons per minute. The new equipment to deliver 100% rated capacity even though the water level should drop many feet in the next decade. The total cost of the complete project to be approximately \$6,000.

The program has now been completed and in operation. Longwood has ample water supply and sufficient for normal population growth for some years to come. Also, Longwood can be very

proud of the high quality of her water, of which many of the state's communities can well be envious. A test run upon completion of the project was of a four-hour duration and a better than 500 gallon per minute average was maintained. The old pump was in constant operation at the same time and the water draw down was only twelve inches over the period and maintained constant. The old well and pumps have not been abandoned, nor will they, as the council is following the recommendation of the Fire Insurance Underwriters, with a view to further reductions in insurance rates.

Not only producing more than adequate water supply the new system provides a great financial saving to the town in operational cost. Whereas, the old system electric power bill averaged \$136.50 per month in the past the new systems cost for the first

full month of operation was \$31.20.

In addition to the improved water system the town council have approved laying of 15,000 feet of new water mains in the past two years. Also approximately five miles of new streets have been opened and contemplation of the paving of Church Street is now in progress. There have been a great many new homes constructed on the new opened street as well as on many of the others. "Progress" could well be called the theme of Longwood.

Longwoodites can well be proud of the town's administration of the past two years, members being: R. C. Carlson, Pres. of the Town Council; Samuel Johnson, Chairman of the Water Dept.; James Reiter, Chairman of Street Dept.; H. S. Low Arnold, Chairman Building, Playground and Parks; and John Reams, Chairman of Finance.

## THE NEXT STEP

The speed of modern life tempts us to think of our goals and to forget the importance of a single step. But the men who scale the highest peaks concentrate on one step at a time.

There seem to be plenty of folks with noble aspirations who rarely go to Church. Some of them may reach their goals; but legion are the others whose "one false step" starts an avalanche of broken hopes.

The steady, sincere, every-Sunday church-goer usually has noble aspirations and a far better chance of achieving them! He has learned to study each step by faith and prayer . . . to test the ground on which he treads . . . to climb with others in a common quest of the summits of life.

Destiny depends on the next step!

### THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For the sake of his children's sake. (2) For the sake of his community and nation. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## Drive To Get Caps For Oviedo Band Is Stated Soon

By MARIAN JONES  
OVIEDO—We have been informed that there will soon be a drive for funds for the Oviedo High School band to get caps. We are certain that the local citizens will be glad to help contribute for such a worthy cause.

Professor Michael Fisher, band director of the band has done quite a remarkable job with his students. They did a wonderful job in the Christmas parade Wednesday in Sanford, and we were quite proud of them. Many local citizens were on hand for the parade, as well as students of the local school.

Remember that many of these boys and girls were taken without any previous knowledge of music whatsoever and have trained for their positions in the band. We think Mr. Fisher deserves much credit.

He has been kind enough to furnish us with a list of band members and their positions, as follows: Percussion: "1", "2", "3", "4", "5", "6", "7", "8", "9", "10", "11", "12", "13", "14", "15", "16", "17", "18", "19", "20", "21", "22", "23", "24", "25", "26", "27", "28", "29", "30", "31", "32", "33", "34", "35", "36", "37", "38", "39", "40", "41", "42", "43", "44", "45", "46", "47", "48", "49", "50", "51", "52", "53", "54", "55", "56", "57", "58", "59", "60", "61", "62", "63", "64", "65", "66", "67", "68", "69", "70", "71", "72", "73", "74", "75", "76", "77", "78", "79", "80", "81", "82", "83", "84", "85", "86", "87", "88", "89", "90", "91", "92", "93", "94", "95", "96", "97", "98", "99", "100".

## Fund Raising Rally By Fire Department

By Mrs. Raymond Morris CASSELLBERRY—An announcement of a fund raising rally and chicken barbecue dinner by the Casselberry Fire Department on Sat. Dec. 1, beginning at 5 p.m., was made in a letter mailed to all citizens by chief Paul Bates.

The letter also stated that candidates for office in the local elections to be held Monday are expected to be on hand to meet their constituents.

The benefit affair is to raise funds to meet budget requirements according to Bates and, is not in any manner intended to become a political rally.

Another purpose of the rally is to acquaint residents with the progress and operation of the new seven and one-half horse power siren, recently erected atop the municipal building on a twenty-foot steel tower.

Members of the fire company will supervise the barbecue with Assistant Chief Herman R. Joyce in the role of head chef.

## City Assured

(Continued from Page One)  
The approval of the bid this morning brings to a close lengthy negotiations for the sale of the bonds through several firms.

City Manager Warren E. Knowles said this morning at the conclusion of the meeting that "We will now go ahead with the completion of the detailed construction plans for the Sanford Civic Center and the new Fire Station."

Only preliminary plans had been completed up to this morning on the two buildings by Architect John Burton IV.

Two new pumps for the Sanford Fire Department have already been ordered as a part of the program, the purchase of two new garbage trucks has been authorized by the Board of Commissioners, a bulldozer and loader has been ordered, a jerrycan and truck chassis has been received, air conditioning in the City Hall and Police Station has been installed, street lighting has been ordered and portions have been received, and the American Legion Building purchase has been completed.

Plans for the Colored Swimming Pool have not yet been

## Musical Program Revealed For Elks' Memorial Service

Sanford Lodge No. 1541 will act as host to three other Elks Lodges, Sunday afternoon at 2:30 o'clock on the occasion of the annual memorial service in honor of departed brothers.

Participating in the joint tribute will be DeLand, Daytona Beach and New Smyrna Beach Lodges.

A musical program in keeping with the event will consist of piano selections by Allyson Lee, a tenor solo: "The Lord's Prayer" sung by William Brown and a male quartette made up of Al Case, Brown, Warren Adams and Charlie Morrison who will offer "My Task" and "Heaven In My Home". Roger Harris will act as accompanist.

The officers of the local organization extend an invitation to the public to attend the service, which will be held in the lodge rooms, here.

Submitted for approval, the Boat Basin plans have not been stated, two dump trucks authorized for the program are yet to be ordered, and a new street sweeper has not yet been ordered.

All commissioners were present at this morning's special meeting when the bid for the sale of the bonds was accepted.

## Dawsons

(Continued from Page 1)  
for well trained personnel for disaster. He said that in any major disaster the "Civil Defense workers were a 'back-up' for the local Red Cross Disaster groups. He said that the War Department had designed, Tampa-St. Petersburg, Jacksonville, Tallahassee, West Palm Beach, Miami and Orlando as possible target areas and the surrounding counties should be prepared, as support areas, to feed, clothe and house refugees should war attack or natural disaster strike.

He highly praised Mr. Demotte for his efforts in organizing Area Five as the support Area for Orlando on a Volunteer basis. He had hopes of the other Areas using Area Five as a pattern for organization.

The State Civil Defense Office is asking the Legislature for \$200,000 so that Florida will be really prepared for any disaster within her boundaries.

Col. Tarkington told of a 300-bed Emergency Hospital which is being set up in Tallahassee for the training and Emergency Demonstration purposes. He said that there are a number of such hospitals available to Counties who can store them in a space of a freight car.

He announced meetings in Jacksonville, Miami and Gainesville in January covering various phases of Civil Defense.

Capt. Wright of Orlando begged that the "Support Areas" prepare themselves for the reception of 180,000 from Orange County should a bomb strike Pine Castle Air Base. He suggested meetings of coordinating groups from Civil Defense, Red Cross, Police and Sheriffs, Communications, Fire Departments and Doctors meet at intervals to perfect workable plans.

## Circles Announce Meeting Dates

By Mrs. Marian Jones, OVIEDO—The Bethany Circle of the W.C.S. will have their regular meeting on Monday night at the home of Mrs. James Pearson, which will be preceded by a covered dish supper at 6:30 p.m. and a Christmas party.

The Chapel Guild Circle will postpone their regular meeting until a later date to combine with a Christmas party.

The Mary Martha Circle of the Oviedo Methodist Church will meet Monday afternoon at 3:30 p.m. with Mrs. C. R. Clontz.

man Monday night corrected the registration list, which shows 461 eligible to cast their ballots on Dec. 3rd. Of that number, 128 new names were added during the past year.

## Retired Naval Officer Dies Here Today

Vice Admiral Leslie C. Stevens, USN Retired, passed away very suddenly at the local hospital at 7:30 a. m. this morning.

Admiral Stevens had made his home in Annapolis, Md. and was aboard his boat, the "Olga" at the Sanford Boat Works on a vacation.

He was a member of the Methodist Church, the New York Yacht Club, Explorers Club of New York, and the Washington D. C. Army and Navy Club.

Admiral Stevens was a Naval Attaché in the American Embassy in London and Moscow.

For a number of years he was a distinctive writer for Life Magazine, Time, and Readers Digest.

Survivors include his wife, Mrs. Leslie C. Stevens; one son, Leslie C. Stevens Jr., of New York; and one sister, Mrs. George Turle of Brownsville, Tex.

Remains will be shipped to Washington, D. C. for interment in Arlington National Cemetery.

Brisson Funeral Home is in charge.

# Life Expectancy In State Increasing At Rate Of Six Months Per Year

Folks can see many more gigantic parades like the one staged in Sanford Wednesday than they could have in years gone by—according to a State Board of Health spokesman recently.

Life expectancy in Florida has been increasing at the rate of six months a year. Robert G. Carter told the Association of Florida Hospital Auxiliaries meeting in Jacksonville.

However, there was a grim warning in the message. Circulatory diseases and cancer must be curbed if the life expectancy increase is to continue.

A comparison was made between the life expectancy in 1930 and 1950. From the figures showing expectancy of 56.8 years in 1930 and 67.7 for 1950 was the rate of increase determined.

Reasons for the increase were because of the contributions made by the State Board of Health and hospitals of the state which have assisted in the virtual elimination of

many contagious diseases which promoted high death rates.

Looking forward to longer life and added pleasures in the golden twilight years make living in Florida a "major dream" of many retired people in every section of the country.

## Progressive Planning

Power companies, railroads, large industries and other agencies interested in industrial development have been working on plans to provide more practical and convenient areas for factory locations, home building sites, shopping centers, and school facilities outside of the congested city centers.

This progressive planning is going on all over the country.

According to one of the companies making such plans there is a growing need for this type of high-class, close-in development suitable for industries whose investments and payrolls have a tremendous effect on the economic health of the community.

Thus, does a large industry make possible the development of a hundred smaller industries—one can't exist without the other.

This is the private enterprise way of building the nation.

All we are waiting for is the announcement that Sanford and Seminole County will become the center for one of the multi-million dollar developments which will bring more than a hundred various enterprises, all dependent upon one another.

## Income Taxes

In an earlier era, it seems clear, the advocates of the federal income tax had no conception of the extent to which it would grow—and the tremendous portion it would take from the earnings of the people.

In defending this tax, the late Senator Borah once said: "The great and honored lawyer, Joseph Choate, denounced such a tax as socialist. He said that if you can levy a tax or two per cent, you may lay a tax of fifty per cent or a hundred per cent."

"Who will lay the tax of fifty per cent or a hundred per cent?"

"Whose equity, sense of fairness, of justice, of patriotism, does he question?"

"Why the representatives of the American people—not only that, but the intelligence, the fairness, the justice of the people themselves, to whom their representatives are always answerable."

Senator Borah was a famous able man, but in this case he could hardly have been more wrong. An income tax of 50 per cent now applies at levels which are far from great wealth. And in the top bracket the tax is 91 per cent—only nine per cent short of total expropriation that Joseph Choate feared.

Moreover, even in relatively modest brackets, the tax collector hits very hard. Taxes, direct and indirect, account for about one-third of a \$7,500 annual income. And a man earning \$85 a week works more hours to pay his taxes than to pay for his food and clothing combined.

But to sum it all up—there's not a greater country in the world than the United States of America—and each citizen is proud to pay his or her fair share of the cost of government.

Just suppose we lived in another country—what would the bill be?

## Money Campaign's Life Blood

By ED CREAGH

Associated Press News Analysis WASHINGTON (AP)—Money, or the love of it, has been called the root of all evil.

It's also the life blood of a political campaign.

So, for the umpteenth time, Congress is trying to figure out how campaigns can be financed without monetary evil.

This is one of the tougher problems a democracy faces. And if Senate committees looking into the question can come up with an answer, they will deserve a national vote of thanks.

On the one hand you have the candidate or his party, why shouldn't I be allowed to contribute anything I can afford to the cause?

And on the other hand: Should anybody be allowed to help "buy" an election? What favors do big contributors expect when they kick in to a campaign fund, and are they going to get them?

President Eisenhower dug into this question at a news conference last February and admitted he didn't know the answer.

A big contribution by a wealthy man "could be a very large one for me or for you," the President said, even though it might be small potatoes for the man making it. The President went on to say there must be constant study of this problem.

This is far from a new problem. Huge contributions were routine in the past. It's a matter of record that Dupont people chipped in a million dollars to Alfred E. Smith's campaign for President in

1928, even though the family has not been cordial toward the Democrats in late years.

Well, in 1940 Congress decided to act, but it accomplished little so far as doing anything about the situation was concerned. The 1940 law says no individual may contribute more than \$5,000 to a campaign, and no party organization may spend more than three million dollars on a campaign.

This law has proved to be as full of holes as a rusty screen door. If a rich man wants to endow a candidate, all he has to do is make a flock of \$5,000 contributions in the name of as many different persons—his wife, his grandmother and even his infant children.

Two-Month-Old Girl Burns LARGO (AP)—Two months old Kathy Marie Adeock died yesterday when her home burned near here. She was one of nine Adeock children.

Letters To The Editor

We the people of Sanford wish to congratulate Herman (Butch) Rembert in his new office. He has been elected assistant manager of the Stone Brothers Funeral Home of Sanford. We are very proud of him and honored to have him serve in our community.

We believe that he will do all in his power to make the business a great success. He was born in Florida, reared here in Sanford and attended school at Crooms Academy. He is a member of the New Salem Primitive Baptist Church, belongs to the choir, the ACL Club, serves on the trustee board, a member of Mount Olive Lodge, No. 79, Royal Arch Degree, Knights of the Temple, member of the Noble of Mystic Shriners and assistant scout master, Troop 117.

He is presently employed by the Sanford Housing Authority. He owns his own home at 1508 West 17th St., where he resides with his wife and three children.

# Canadian Dollars Worth More

By SAM DAWSON

NEW YORK (AP)—The Canadian dollar is worth about four cents more in today's market than the American dollar.

This doesn't mean that the American dollar is losing any of its prestige in other lands—it is still the most sought after currency in the world today.

It does mean that Canada's vast post-war expansion is catching its second breath—that American dollars are flowing northward.

The flow has been particularly large in recent days because Canadians have been borrowing in the U. S. capital market—interest rates are even higher north of the border.

As these borrowed American dollars are exchanged for Canadian dollars to go to work there, the exchange rates reflect this large supply and the Canadian dollar Monday rose to \$1.0417, just a shade under the high of \$1.0434 in August 1953 when a previous great spurt in investment in Canada was under way.

Some American businessmen watch this rise nervously. They wonder if the more expensive Canadian dollar may put any pressure for still higher prices on the things they buy from Canada—such as newspaper, woodpulp, metals, oil and chemicals.

Some Canadians also watch this rush of American dollars northward with concern. They know that investment funds are needed to develop Canada's vast natural resources. But they fret because the profits from this development may flow southward in future years. For a time last summer this was a prime political issue in Canada. Many contended that U. S. corporations should let Canadians buy into their subsidiaries there.

Americans aren't the only ones investing in Canada these days. There has been a flight of capital from Europe. Investors there feel the money will be safe in Canada than in troubled Europe.

In the first spurt of investment in Canada, in the first part of this century, it was British capital that financed Canadian expansion.

But since the mid 1920s American capital has been taking over. In the early 1930s when the British Commonwealth companies set up a preference system, U. S. corporations began getting up Canadian subsidiaries so they could export to preference areas from Canada rather than from the United States.

Another great spurt started after World War II when Canada was found to have vast resources needed to supplement those in this country—uranium, nickel, copper, oil.

There has been some investment in Canadian stocks and bonds—Canadian bonds, for example, have a higher yield than U. S. bonds. But most of the American dollars have gone into leases, plants, mines, wells and facilities.

The U. S. Department of Commerce puts U. S. direct investments in Canada at the end of 1952 at \$4 billion dollars—a sizable chunk of the total of 19 billion throughout the world.

Canada's dollar owes its present high rating largely to this investment. This year our northern neighbor is running a commodity trade deficit, imports top-

MAN GETS PRISON TERM TAMPA (AP)—Joseph Francis Drapeau, 46, who admitted sending a threatening letter to Mayor Nick Nuccio asking money, was sentenced by Federal Judge William J. Barker yesterday to 2½ years in prison.

The itinerant worker, who had been a janitor here briefly threatened to blow up Nuccio's house unless Nuccio mailed him a check for \$5,000.

## Commission Protest Plan

PALATKA (AP)—Taking Putnam County woodland property for Navy bombing targets would deprive the county of some tax money, county commissioners said yesterday. They voted to protest the federal government plan to acquire 8,500 acres for that purpose. Rep. Bennett D-Fla. announced the plan last week.

MR. and MRS. ROBERT HARMON STINE

## Miss Eugenie Engels Is Wed Nov. 23 To Robert H. Stine

Miss Eugenie Callender Engels, daughter of Mr. and Mrs. John Lettau Engels, of Sarasota, became the bride of Robert Harmon Stine, son of Mr. and Mrs. Paul Joseph Stine, of Orlando, on Nov. 23 at the Church of the Redeemer in Sarasota. The Rev. Charles H. Ricker performed the double ring ceremony.

Miss Joanne Ramsay played traditional organ music for the small family wedding. The church was decorated in autumn colors with a profusion of chrysanthemums. Beige satin ribbon and chrysanthemums marked the pews. The bride, given in marriage by her father, was lovely in a gown of beige peau de soie, fashioned with empire waistline, full skirt, bateau neck and three-quarter length sleeves. She wore a matching cap and shoulder-length veil, and carried a bouquet of orchids.

Her sister, Mrs. Penny Engels Shaw, served as matron of honor and chose an empire sheath of desert tan peau de soie, featuring a cowl neckline. She wore a matching satin headband and veil and her bouquet was of fragrant fuchsia mums.

Jon C. Stine, of Orlando, brother of the groom, served as best man, and ushers were John L. Engels Jr. and Frederick L. Engels II, brothers of the bride; John Gilliam of Fort Myers, a Sigma Chi fraternity brother of the groom; and Tedford Edson of Orlando.

Mrs. Engels chose, for her daughter's wedding, a gown of Dior blue lace, worn with a beige feather hat and corsage of pale brown orchids.

The groom's mother wore a gown of pale pink satin and chiffon with matching hat and a corsage of white orchids.

Following the ceremony a reception and buffet supper were held at The Colony, St. Armands Key. The bride's table was beautifully decorated in white and green. Miss Geraldine Vaughan and Miss Joan Clewis were in charge of the bride's book.

For a wedding trip to Redington Beach, the bride wore a navy blue sheer wool dress, with touches of white at the neck. Her accessories were of navy and white and she wore a corsage of white baby mums.

Mr. and Mrs. Stine will make their home at 318 Northwest 14th St., Gainesville.

## Bethany Class Holds Annual Dinner Nov. 27

Members of the Bethany Class of the First Baptist Church and their husbands enjoyed a Thanksgiving dinner on Tuesday night, Nov. 27, in the Educational Building of the church. Even though it was a return engagement for the "Thanksgiving Bird" everyone agreed the turkey, dressing, beans, yams, salad, rolls and several different kinds of pies and cakes, made for delicious eating.

The food committee, including Mrs. Dorothy Odham, Mrs. Marilyn Forrest, Mrs. Bobby Robbins and Mrs. Margaret Ashley, were certainly deserving of the praise given them. Appreciation is also expressed for all the help voluntarily given.

The dining room was very beautifully decorated with colored leaves and a floral arrangement of yellow and white chrysanthemums. The flowers were later presented to Mrs. Margaret Reynolds, teacher of the class. The decorating committee included Mrs. Rue King, Mrs. Connie Williams and Mrs. Florence Stenstrom.

Irving Pryor, Superintendent of the Adult Number One Department, and his lovely wife Stella, were guests of the class and expressed their enjoyment of the dinner and appreciation of the invitation.

Mrs. Lenora Green, president, introduced Mrs. Margaret Reynolds who welcomed all guests and gave a brief devotional after which the program was turned over to Mrs. Margaret Ashley, program chairman. With the assistance of Mrs. Bobby Robbins and Volie Williams everyone enjoyed an old-fashioned group singing. Then Mrs. Ashley showed some moving pictures taken at previous meetings.

Mrs. Marie Lewis headed the "cleanup" committee and thanks is offered for all assistance given her.

Approximately fifty people enjoyed this annual, social dinner of the Bethany Class.

## 3 New Members Initiated Tuesday Into Local Circle

Mrs. Verner Nelson, Mrs. Charles E. Karraker and Mrs. Betty Spencer were initiated into the Anna Miller Circle Tuesday night at the Elks Club.

Mrs. Edward Cox, president, presided over the ceremony, and routine reports were given by standing committee chairman.

Plans were made for purchasing Christmas gifts to be sent to the Harry Anna Crippled Children's Home in Umatilla. This is a project carried out every year.

Refreshments were served by the hostesses Mrs. James Blankenship, Mrs. H. F. Hale, Mrs. B. G. Caruthers and Mrs. J. W. Childre.

Members present were Mrs. Peter Baker, Mrs. Erving Felburg, Mrs. E. W. Jackson, Mrs. W. J. Clarke, Mrs. Marcel Fulle, Mrs. Harold Kastner, Mrs. H. F. Hale, Mrs. B. G. Caruthers, Mrs. J. W. Childre, Mrs. James Blankenship, Mrs. Wesley Fillmon, Mrs. S. P. Griffin, Mrs. J. D. McNeill, Mrs. W. C. Pratt Jr., Mrs. H. L. Foley, Mrs. James Thompson, Mrs. Garfield Walker, Mrs. J. C. Disbrow, Mrs. Gene Walker, Mrs. B. E. Rogers, Mrs. Al Lango, Mrs. Gregory Kinlaw, Mrs. Peggy Marrs, Mrs. John Griffin, Mrs. Betty Spencer, Mrs. Verner Nelson, Mrs. Charles E. Karraker, Mrs. Marie Moses, Mrs. L. G. Skates, Mrs. Charles Stafford, Mrs. Harry Adair, Mrs. Pete Bowersox, Mrs. Roy Chorpensing, Mrs. Ed Cox, and Mrs. Richard Maps.

## Conning The News

BY VIRGINIA CONN

The wives of VAH-5 had a luncheon at the Mar Lou restaurant Wednesday. Hostesses were Sonya Blackwood and Kitty Walker. After lunch there were several tables of bridge, and a good time was had by all. Speaking of VAH-5, Joe Tully called to tell me that Roy Calton will be coming home on sick leave the fifteenth of December. He will be flown down from Bethesda Naval Hospital where he has been recovering from a serious accident. It is reported that he is much improved, and I'm sure being back in Sanford will help tremendously in speeding recuperation.

Punca and Hank Coles have orders to San Juan, Porto Rico. Since Punca is a native Porto Rican things are very rosy for them. Hate to see them. However, the Coles, are hoping to spend Christmas in this area, if not in Sanford. Punca and the children will stay in New Smyrna with Hank's family, while Hank attends a school in Norfolk. Then they will board a plane in Miami and be off.

Attention! There will be a very fine bake sale in Lake Mary Saturday in front of the Post Office. The time will be eleven thirty, and there will be lots of goodies on hand. Louise Parker, president of the Lake Mary P-TA, announced that the

sale will be sponsored by the home room mothers, and they will use the funds for Christmas parties throughout the school.

Muriel Glidewell entertained Thursday morning in honor of Gay Brown, who is leaving for San Diego next week. Coffee and pastries were served, and the house was gay with chrysanthemums. Attending were Ruth Norvelle, Diana Miller, Polly Brubaker, Betty Lemos, Betty Hazlett, Nancy Morgan, Nancy Martin, Griffin, and Lil Gray. Rosemary Duncan was unable to come, as her little boy, Bliff, is quite ill.

Air Station officers and their wives will tote their box suppers to the Hawkins Friday night for an old fashioned auction and a lot of fun. Next Tuesday the Station wives will have a luncheon at the B.O.Q. The theme will of course be Christmas, and hostesses will be Dolores Guidrey and Dorothy Dohne. Each member will bring a toy for a needy child, and clothes for the welfare office.

I was in such a rush to get to the parade Wednesday, I didn't finish all I wanted to say about the golf luncheon, but before I get to that, I'd like to mention the parade. To me, they are always stirring, but this one

seemed particularly so. The bands strutted along, the floats were well thought out and mounted and proved how much in the past few years the emphasis on Christmas is returning to religion. I think, too, that Sanford should be proud of its colored citizens for their excellent part in the parade. We came home with merriment in our voices and Christmas in our hearts.

## SHS On Warpath At Full Power

The sport minded Sanford Seminoles tapered off early yesterday as they finished final preparation for the homecoming tilt against Lakeview tonight in an Orange Belt Conference tilt.

The fourth place Devils will have revitalized Seminoles on the warpath. The Seminoles have an edge, are at full power, and perhaps more important, they want to win this one.

The Seminoles hopes for marbling the final game of the season for the Devils from Winter Garden began to steamroll Wednesday when it was learned that Shantley Schirard would be in running form for the backfield. Also expected to be turning in a fine performance is Jim Warner, the Seminole speedster who just recently came out for football.

Warner has been troubled with a sprained knee and a bruised kidney, but doctors released him for the game this morning.

Jack Stotky completed the list of returnees for the final game of the season when he ran at top speed during the final three days of practice. Stotky has been considerably hampered with leg injuries since midseason and has been a continual question mark with recurring bruises.

Stotky's return made it possible for the Seminoles to start Cecil Dandridge, JV ace brought up to the varsity. The young 120 pounder can handle the ball with Stotky at the pivot post, but Schirard is top fast on his centers for Dandridge to use with his lack of experience. Until it was learned that Stotky would be able to start for the Seminoles, it was feared that they would have to call on the aging Bob Johnson for top billing. Johnson is reported ill in bed and has not been out for practice since Tuesday.

At last night's Seminole Chiefs meeting head mentor Bill Fleming was confident that his charges were ready for the tilt. "Ordinarily the Devils would be heavily favored," he said, "but I feel certain that if we get any sort of decent breaks during the game we will be able to close out the season with a win."

All week the grinders have been reminded how well they did against powerful Leeburg. During that game the Seminoles reached the peak of their season performance. Another display akin to that one could spell a win for the Seminoles.

The Seminoles will throw their unimpressive 1-7-1 record into the ring as they seek their second win of the season. In OBC standings little difference will be determined by the outcome of the game. The Seminoles will have to be content with a cellar rating, but with a display of power enough to upset the Lakeview Devils the Seminoles will be able to erase the brand of "weak sister" and finish the season in a blaze of glory.

Game time is 8 p. m. tonight in Memorial Stadium.

## Panthers Lose Last Game Of Season 6-0 To Jones High 11

The Jones High Tigers of Orlando edged out the battling Panthers from Crooms Academy 6-0 in a hard fought defensive battle that closed out the season for both teams.

The Crooms offensive unit failed to move the ball effectively during the first half, but scored back strong in the final bracket to threaten seriously to tie the game only to be beat by the clock.

The Tigers moved ruthlessly during the first quarter to give the Panthers a deficit that they were never able to overcome, but after the mid-way point of the second quarter the Crooms defense, sparked by the outstanding performance of Joe King and Julius Johnson, began to turn the tide in favor of the Panthers. By the mid-way point of the third stanza the Panthers were dominating the play.

The Jones Tigers, heavily favored over the Panthers, made their jobs tally early in the first stanza after a sustained drive of 47 yards. The score came from a tackle plunge from six yards out.

Two very serious threats of the Panthers were halted by the clock.

In the fading seconds of the first half the Panthers were on the prowl behind the excellent running of Grady Roberson. Roberson cracked the line consistently to spark the drive, then dashed off his own right tackle, cut to the sidelines and raced 45 yards before he was finally brought down from behind. The Panthers were unable to push the threat across for a score before the end of the first half, and the whistle blew for intermission with the Panthers trailing 6-0.

In the dying minutes of the final stanza the Panthers again went on the move, with Roberson consistently cracking the line. The Panthers moved from their own ten to the mid-field stripe, then, with only 27 seconds remaining in the game, Sammy Nesbit fired to L. J. McFadden who gathered in the pass and rambled 45 yards to the Tiger 5 yard line before he was finally dragged down. The Panthers went to the air in an attempt to go the rest of the way, but were again unable to beat the clock.

Melvin Ruth was also outstanding on the offense of the Panthers as they closed their season with a 3-4 record against some of the most powerful football teams in Florida.

## MAN CONVICTED OF SECOND DEGREE MURDER

MIAMI (AP)—A Circuit Court jurist last night convicted Robert H. Hathaway former of Westley, R. I., of second degree murder for killing a Miami bartender, Charles Perry.

Hathaway, 35-year-old used car salesman, testified that he killed Perry in self defense after Perry threatened to kill Hathaway and his wife if they told the police Perry had boasted he helped in a \$20,000 burglary of a wealthy Miami Beach physician's home.

## SHS Will Sponsor Invitational Tourney

Fred Ganas, athletic director of Seminole High School, told the Seminole Chiefs meeting last night that Seminole High School would sponsor a Seminole County Invitational Tournament here in Sanford, to be held Dec. 20-21 in the high school gym.

Ganas said that the event would mark another first in the athletic program of Sanford and called on the Seminole Chiefs for support. "All the high schools in Seminole County, Orlando, Lyman, and Seminole including DeLand will take place in the events, and the Sanford Herald will award trophies to the winner and runner-up," he said.

The Seminole Chiefs offered to man the concession stands during the two night, four game event and agreed to help with the advance sales.

Bud Loyer, Sanford Seminole basketball coach, told the group they would witness an interesting brand of cage play this year. "We'll be slow starting," he told the group, "due to the length of football season this year. We aren't sure just what we'll have in the way of potential as yet, but we'll do a lot of running with the ball."

"We'll open the season on our own home courts against Florida Military Academy on Dec. 6," Loyer told the group, "and we'll put on an interesting game for the fans."

The Seminole Chiefs launched a program of fund raising for the payment of outfitting of junior high football that would include an auction. A committee was designated to study the event and recommend a date for the auction to be held.

## Stevens Brothers To Handle Seating For PGA Tourney

Frank Mobase Jr. executive manager of the Mayfair Inn, announced today that he had contracted the Stevens Brothers to handle seating for the coming Mayfair Inn \$10,000 Open PGA GOLF Tournament to be played here Dec. 12-14.

The Stevens Brothers is one of the largest catering companies in the country and handle such events as the Kentucky Derby, Polo Grounds, Hialeah, and many others.

Mobase said a unit from Hialeah would move into Sanford to accommodate the expected new high in attendance as the Tournament would feature a Clinic and Exhibition this year with the top pros in the golfing world taking part in the PGA sponsored event to be held prior to the tournament on Dec. 12. One of the Stevens Brothers managers will come to Sanford prior to the tournament and will handle the stands and spectator equipment prior to and during all the events.

**STATE WAITING FOR BREAK IN BOND MARKET**  
FORT LAUDERDALE (AP)—Gov. Collins says the state is waiting for a break in the bond market before offering a 100 million dollar bond issue for the Jacksonville For Pierce turnpikes.

"They tell us there are good prospects that the market will improve. If however interest rates continue high, it would be my disposition to go ahead and offer the bonds for sale to see what kind of bids we get," he said in an interview yesterday.

# Gay Musical Starts Sunday At Ritz

The gayest and most glamorous musical Hollywood has made in years begins Sunday at the Ritz Theatre. It is M-G-M's "High Society" with Bing Crosby, Grace Kelly and Frank Sinatra, as illustrious a stellar trio as ever graced a movie cast, capering through a witty, sophisticated comedy-musical, sparked by a brand-new Cole Porter score and hot licks by Louis Armstrong and His Band.

Newport, Rhode Island, last claret of America's dwindling millionaires, with its imposing Bellevue Avenue and its marble palaces facing the sea, offers an eye-filling setting in Vista-Vision and color for this laugh-loaded story of Tracy Samantha Lord, young and beautiful socialite who has shed one husband because she has no regard for human frailty and who is about to take on another. Bing Crosby plays the amiable playboy and amateur songwriter whom she has divorced. John Lund is the stuffy, self-made success whom Tracy (Grace Kelly) picks for Husband Number Two.

Unfortunately, no one agrees with her choice and everyone, including philanthropist Papa, forgiving Mams, gay-blade Uncle Willie, conviving younger sister Caroline, puts obstacles in Tracy's path. But it takes Frank Sinatra, as a sniping reporter from Spy Magazine, and Celeste Holm, his photographer, to clinch the deal. Sinatra starts the softening-up process when he sings "You're Sensational" to Tracy in a scene in which he makes her realize that she could have made her first marriage a success had she stepped down from her lofty pedestal. In a later sequence, he follows up with "Mind If I Make Love To You." In the meantime, Crosby, with every intention of re-winning his ex-wife, has also fired some musical ammunition with "True Love" and "I Love You, Samantha." Small wonder that romantically dizzy Tracy winds up in a cloud of champagne, falls into a swimming pool and comes close to making the scandal headlines. As her shocked fiance bows out of the match, Celeste Holm grabs Sinatra while the getting is good, the wedding ceremony goes through as planned, except that Crosby once again is the groom.

Everyone knows what the famous Bing and the equally famous Frankie can do with a song, but now you will hear Grace Kelly sing on the screen for the first time when she joins Crosby in "True Love" and parodies "You're Sensational" with "I'm Sensational." Louis Armstrong entitles the musical fun fest with "High Society Calypso" as his musicians warm up for their appearance in the Newport Jazz Festival. And a little later Crosby and "Sachmo" join up for "Now You Has Jazz," Cole Porter's initial venture into the field of jive.

All of Porters songs lift the plot like a glove and include "Little One," a captivating number sung by Crosby to Lydia Reed, playing the precocious Caroline, "Who Wants To Be A Millionaire," a tongue-in-cheek musical satire dueted by Sinatra and Miss Holm, and the hilarious "Well, Did You Evah," sung by Crosby and Sinatra.

When you get Crosby, Miss Kelly and Sinatra, each an Academy Award winner, together you have the top in showmanship, but Producer Sol C. Siegel also scored in his selection of the picture's other principals. Together with Celeste Holm and John Lund, the cast has Louis Calhern as Uncle Willie and Sidney Blackmer and Margalo Gilmore as Tracy's all-too-human parents—and they are all very funny.

"High Society" directed by Charles ("Tender Trap") Walters. It marks a new high in star-studded screen entertainment.

**VICTOR BORGE HAS BEEN SIGNED** for another hour-long show on CBS which will be similar to the one-man rouser he performed last year. No specific time has yet been set... a gentleman who usually holds all the aces in the deck is stymied by a personal problem in launching a TV series. Goodman Ace cannot find the right actor to play himself in the TV version of Easy Aces. He'd be more than satisfied with either Nanette Fabray or Jeff Donnell as his wife, Jane... Recall Harvey, the pickled rabbit? The long-running Broadway hit of several years back is being whipped into an hour-long spectacular... A new series, Primrose, based on the Western short stories of Luke Short, will be turned out by producers Frank La Tourette and Jim Moser. Their last series: Medic.

**Nanette Fabray SONGWRITER IRVING BERLIN GAVE PERLE** an Easy Ace! MESTA permission to title her TV biography Hostess With the Mostest. The show is scheduled for March with Shirley Booth in the title role... Frank Sinatra, who was a solid smash as Dinah Shore's guest, is scheduled to appear on Walter Winchell's December 7 show. Winchell will originate from Hollywood that week... Judy Garland's live show for Ford Star Jubilee is now penciled in for a Saturday night in January... George Burns has completed the new Marie Wilson series test film and is now at work on a test for a Leo McCarey-produced series based on McCarey's old Gary Cooper starer, Good Sam.

**JOSE FERRER IN PAL JOEY** is on the Producers' Showcase list of upcoming events, and Humphrey Bogart and Lauren Bacall are interested in doing The Last Tycoon for Playhouse 90... Jimmy Durante's season will consist of four spectaculars and four guest spots, all for NBC... Desilu Productions filmed 20 half-hour shows in single week recently. That's the equivalent in film footage of almost seven feature-length pictures... Bob Hope has a certain feeling about the Chevy Chase being called instead of the Bob Hope Show. He's sore calling that instead of the Bob Hope Show. He's sore calling that instead of the Bob Hope Show. He's sore calling that instead of the Bob Hope Show.

**GREER GARSON'S** next TV stint will be as star of The Little Foxes, set for December 16 on NBC's Hallmark Hall of Fame... Marian and Jim Jordan, better known as Fibber McGee and Molly, will return to their long-awaited TV debut — in a filmed commercial... Some of the episode titles for forthcoming Hiram Holiday shows seem to us well worth reporting. Set so far are The Sea Cucumber, Gibraltar, Hawaiian Hamam, Monaco Hermit, Swiss Timonius and Christmas Fruchtbrod. Your translation of some of these is as good as ours, but wasn't "fruchtbrod" one of the pastries Captain McCutcheon was asked to identify on the \$64,000 Question?

**YOU'RE TELLING ME!**  
By WILLIAM RITT  
Central Press Writer

ONCE AGAIN this column is the field with its All-American team for the football season. Here it is. You don't have to pay any money and you don't have to take our choice!

!!!  
Milt, the sterling printer—He picked a winning nine-teamer in his football pool for games of Saturday, Nov. 10—but forgot to put in his ticket.

!!!  
Horace Giggles, radio sports-caster—For 12 consecutive Saturday nights he rattled off the football results so fast no listener could determine who played who or why.

!!!  
Elwood J. Shotgun—He broke his own sobriety record for distance. At the game against Car-

JUNE ALLYSON'S signal comes too late to prevent Ann Sheridan from letting the cat out of the bag regarding an item of considerable interest to Ann Miller. The scene is from MGM's sophisticated comedy-drama with music, 'The Opposite Sex.' Others in the all-star cast are Joan Collins, Dolores Gray, Leslie Nielsen and Jeff Richards.

## Comedy, Opposite Sex To Be Seen At Drive-In

Such aspects of the ladies, little known to their male admirers, as backstabbing, hair pulling, reputation ruining and husband stealing, are hilariously presented in the Prairie Lake screen in M-G-M's "The Opposite Sex."

A stand-out group of Hollywood headliners holds the center of the stage in this malicious, merry and musical expose of the foibles and frolics of the female of the species, headed by June Allyson, Joan Collins, Dolores Gray, Ann Sheridan and Ann Miller, with Leslie Nielsen and Jeff Richards as the men around whom the rumpus revolves.

Others in the Green-A cast include Charlotte Greenwood, Agnes Moorehead, Joan Blondell, Sam Levene, with "guest star" Harry James, Art Mooney, Dick Shawn and Jim Backus.

## Lighting Contest Judges Announced By Jaycees

WHOW! AND CHRISTMAS STILL three weeks away with the stack of packages mounting by the hour! Postmaster Joe Field mops a moist brow as he lends a hand in the sorting and routing of incoming parcels. (Staff Photo)

Five judges have been named to choose the winning displays in the 1935 Jaycees Christmas Lighting Contest.

Those named to select the top entry in the five divisions of the Seminole County Junior Chamber of Commerce Christmas display competition are: Willis B. Jones of Jones Electric Co., A. F. Ramsey of Ramsey Florists, Lt. (jg) J. J. Sapitowicz of the Sanford Naval Air Station, Mrs. Elda Nichols of Nichols Studio, and Mrs. Frances Fisher, Art teacher at the Sanford Junior High School.

Names of the judges were announced today by John Alexander, chairman of the Jaycees Christmas Lighting Contest.

Judging of the entries will take place between 7:30 and 9:30 nightly for the duration of the contest in order that the judges will be allowed ample time to check all entries carefully. For this reason, the Jaycees committee urges those who plan to enter the competition to get their entries in as early as possible.

An entry blank will be found in the Sanford Herald three times each week for the convenience of residential Christmas lighting contest.

There are four divisions in the residential Christmas lighting contest. Each division first place winner will receive a \$25 U. S. Savings Bond. Each division second place winner will receive (Continued on Page 8)

## Mailing Christmas Cards Early Stylish

Sanford's postmaster Joel Field, looking forward to one of the busiest seasons in local post office history, sounded a fashion note in Christmas card mailing.

It is stylish, he said, to mail Christmas cards early.

With Christmas only a little more than three weeks away, the Post Office is geared up right now to insure the delivery of all gift packages and Christmas cards by December 25th, but your cooperation is essential, Postmaster Field said.

The Postmaster said that there has been a continuing trend in the Sanford Post Office of the early posting of Yuletide greetings. It has been predominantly noticeable during the past five years, he said.

Pointing out that the style is growing, he said "The best people are doing it."

And, says the Sanford Postmaster, this year's Christmas rush at the post office is going to be the biggest yet. "An unprecedented volume of mail" is the way he explained it.

This year, said Field, all of the mail coming into Sanford and going out will be handled through the Post Office. There will be no substitution for the mailing of packages or the distribution of packages and mail. "We found that the most popular gathering place in town has the line that forms at the package and stamp windows at the post office."

Speaking about his plans, the Postmaster said, "There's about 187 million people in this country today. More than ever before. More people means more Christmas mail. That's why it's so important to have a helping hand from the public to 'Mail Early For Christmas.'"

Postmaster Field directed his appeal especially to the "lady of the house" because she usually seals the Christmas cards, buys the gifts, and sees to it that the Christmas mailing list is up-to-date.

Questioned about the date by which Christmas cards should be mailed, he said: "Christmas cards should be posted by the 10th or 12th of December."

"To put off mailing Christmas cards until the last minute results in an extra burden being placed on postal employees and postal facilities."

"Every facility of the Sanford Post Office will be put to work so that this year as in the past, the Post Office will be cleared, if possible, of all Christmas cards by Christmas."

Predicting that this year's Christmas mail will set a new all-time record, exceeding even the thousands upon thousands of pieces of mail handled here in

## 3 Auto Accidents Over Weekend; Charges Placed

Three accidents in Seminole County were investigated by Florida Highway Patrol Trooper T. Mark Mack over the weekend.

A 1917 Buick was found abandoned Saturday night about 9:45 on Red Bug Road. The car, turned over in the ditch, was a total loss.

Trooper Mack said the car is believed to be the property of an Oviedo Negro, David Robertson. George Lewis Burgess, 23-year-old Winter Park Negro, traveling west on Duval Hills Road west of Altamonte Springs at 1:35 p. m. yesterday, lost control of his 1937 Pontiac as he attempted to pass another car on a curve.

The car turned over causing damage estimated at \$100. Burgess received possible fractured ribs. FHP Trooper Mack says he will be charged with reckless driving and no drivers license.

In Lake Mary yesterday at approximately 4:30 a 1930 Chevrolet driven by Clarence Johnson, 22 came out of Washington Ave. into the path of a 1934 Willis station wagon driven by William John Hexamer, 19, at home on leave from the Air Force.

Damage to each car was estimated at \$100.

Mrs. Mildred Hexamer, mother of the driver of the Willis station wagon received contusions in the head and knee. She was taken to a Sanford doctor for examination.

Trooper Mack said charges of reckless driving and no drivers license will be placed against Johnson.

Weather  
Fair through Tuesday with slow warming trend but fairly cool again tonight; low tonight 50 to 60

## Operation Of Blood Bank Told

The United Church Blood Appeal sponsored by the churches of Sanford, is designating Tuesday, Dec. 11 as "Blood Donor Day".

This is planned as the first in a series of several such days when regular deposits of blood can be made, the donor receiving in exchange credit for the blood which can be later withdrawn or transferred — similar to the method by which money is withdrawn, or transferred by check, in a commercial bank.

The United Church Blood Appeal is operating in conjunction with the Central Florida Blood Bank, located in Orlando, which maintains, at all times, a supply of freshly drawn blood of all types — ready for instant use.

Blood is available to anyone in the area served by the Blood Bank upon request of a qualified physician, and through its membership in the national clearing house program, Central Florida Blood Bank is able to secure stocks of needed types from banks throughout the country.

The bank is likewise able to transfer credits for patients in other cities and states. It is a great step forward in improving the blood service all over the United States as well as a convenience for persons wishing to replace many miles from the patient.

Interesting persons desiring additional information about the UNITED CHURCH BLOOD APPEAL, and the Tuesday, Dec. 11 "Blood Donor Day" may contact the Rev. A. C. McInnis, the Rev. David Carmel, the Rev. Robert Spear, United Church Blood Appeal Committee, appointed by Rev. Milton A. Wyatt, president of the Seminole County Ministerial Association.

## Peanut Bowl Game 2nd In School's History

The Peanut Bowl Game to be played Friday night at the Sanford Memorial Stadium is the second in the short history of the Sanford Grammar School sports project.

Idea of presenting the Peanut Bowl as the Sanford Grammar School's PTA money making project came out of a meeting during the latter part of October 1935.

Mrs. F. S. McCall suggested the idea and Mrs. F. D. Scott, project chairman for that year, and Herold Heckenbach, principal of the school, agreed with the idea immediately.

It took only three weeks to prepare for the event last year as the project became official at a meeting on the second Thursday in November.

Then, on the first Friday night in December, the realization of the Peanut Bowl came to life. It was a success in every way; a large crowd was on hand to see the game; over \$500 was cleared as a result of the new idea.

Because it seemed to be a "natural", the PTA of Sanford

Grammar School voted it as the permanent money-making project.

Ted Williams was the first chairman and Jim Buckler is the chairman of this year's event.

Since last year much progress has been made. The half-time show which has to be designed to include every child in the school was planned during the early summer months. After learning from past experience that three games were too much for the crowd, it was decided to have two games, a runner up and the championship game.

The unique part of the Peanut Bowl is that it includes the entire teaching staff (even the secretary has her part), all the pupils, and all of the parents. It is designed to be a cooperative project with all taking part and the children really the only gainers as the money earned will be spent for books and equipment so they can better learn.

It hasn't taken much time away from class periods to prepare for the Peanut Bowl. The boys in the game would be playing football during their physical education

## Garden Of Month Is At Picturesque Cowan Residence

By Ruth Erickson

If ever you are seized with nostalgia for that glamorous city of New Orleans, take a drive along Sumnerlin Avenue in Sanford and pause before the beautiful grounds and home of Mrs. R. T. Cowan. The gracious lines of its architecture, with a gallery of fretted ironwork circling the second story (the hallmark of New Orleans homes of quality) would do that Louisiana street called the Vieux Carre proud. The Cowan home does Sanford proud.

The lawns, outlined with shrubbery and colorful crotons reflecting sun and sky gleams, has been chosen by the beautification committee of the federated Sanford Garden Club as the Garden of the Month. Moss hung, age old trees wave approval and clumps of azalea, hiding through the night from frosty fingers, are encouraged by the morning warmth of trust

## Basketball Season Opens In Oviedo

By Marian Jones  
OVIEDO—Despite the intense cold we sallied forth to the first Oviedo basketball game Friday evening. Arriving at the school gymnasium we watched with interest as Marguerite Partin's lassies had their pictures taken, then as Paul Mikler's quintet did the same. Then it was game time.

Mrs. Partin seemed to be dubious over her girls' chances, but from the beginning such fears were soon dispelled. The lassies soon jumped to the lead and maintained it throughout the entire one-sided fracas.

I took quite a bit of "ribbing" for having written that the Oviedo girls would face the powerful Pierson five. I could only console myself with the fact that they had been powerful in all of the 28 years I had been a spectator at their games.

The first quarter ended 13-20 in favor of Oviedo on the leading side. The team works in smooth precision and with such rapidity. Substitutes were sent in so fast it was difficult to keep pace. Half-time score was 4-11.

Stalwart little Peg Fleming, alternate captain, was "right on the beam" with her shots Friday night, as were Melana Jackson, Kay Estes, captain, Katherine Mikler, Virginia Wrye, Mary Ann Slayton and Marlene Helburn.

We noticed how much Mary Ann had improved. She is the tallest girl on the team, way over six feet, and good on rebounding, too. It was our first time to see the Helburn girl in action, as she is only a Freshman this year. She shows a great deal of promise for the future, as does Virginia Wrye and Katherine Mikler, sophomores. They all seemed to be good on foul shots as well.

Ann Deshaio, a newcomer to the team, seems to have inherited some of her mother's qualifications as an All-American player. She is fast as lightning and can grab that ball when it seems almost impossible to do so. Georgia Dushman, a Junior, used her quickness and height to good advantage in wresting the ball from the opponent.

The final score—82-33—Oviedo. Peg led in the scoring field with 24 points, paced by Melana Jackson with 17, Kay Estes with 14 and Mary Ann Slayton with 13.

Betty Stevenson, a senior and a guard, showed her usual ability

in that line. Karen Boatwright, a sophomore, June Fleming and Pat Jackson, all freshmen and guards, displayed signs of being "good future teamers."

"We think Marguerite deserves a lot of credit for such a wonderful team."

The boys game got underway and moved rapidly forward. Coach Mikler's boys used speed and accuracy to supplant height. The first quarter ended 13-2. Oviedo. Here again substitutes went in so rapidly we could hardly acquaint ourselves with the newcomers before they were pulled out again.

## 3 Boys Shooting Tin Cans

A 15-year-old junior high school boy died late Saturday afternoon from a bullet wound in his head inflicted while "shooting tin cans" with two of his friends.

David McGuire, of 2431 E. Pine St., Orlando was hit in the back of the head with the bullet from a 22 rifle that possibly "glanced or ricocheted," according to Seminole County Deputy Sheriff Morgan McClelland.

Three boys, David McGuire, Carl Wells, 18, 1317 Portland Ave. and John Williams, 15, 111 Illinois Ave., all of Orlando, were shooting their 22 rifles in the rear of Sanlando Springs when the accident occurred about 3:10 Saturday.

"We were shooting at tin cans," John Williams told Deputy Sheriff McClelland and Ed Cowan who investigated the accident.

"I stooped over and shot," he said, "and I don't know whether the bullet glanced or what."

Deputy Sheriff McClelland said that Williams ran to Sanlando Springs where he reported the accident to L. B. Gross.

Gross called an ambulance and reported the incident to the Seminole County Sheriff's office.

McGuire was rushed to the Seminole Memorial Hospital but later was transferred to an Orlando (Continued on Page 8)

## Garden Club To Stage Coffee At Mayfair

By MRS. RUTH ERICKSEN

One of the outstanding social events of the year will be held Thursday at the Mayfair, beginning at 11:00 a. m. when the Sanford federated garden club will hold its annual coffee and reception. There will be two hours of festivities, with Mrs. Irwin Fleischer, chairman, greeting visitors and extending an invitation to everyone in this vicinity to attend this once-a-year program.

Mrs. L. P. Hagan and Mrs. Edward Lane will receive at the head of a list of hostesses, volunteering from each Circle. Tickets will be taken by Mrs. L. E. Spencer and Mrs. W. H. Stewart. Mrs. C. M. Flowers will supervise the beautifully decorated refreshment tables and pouring coffee from her barium silver loaned by mem-

bers of the standing committees. The Mary-Esther shop has gone all out in furnishing modish frocks and stylish ensembles for the svelte garden club models who will be shown in an hour's program of formal, beach and daytime offerings as described by Frank Mcbane, commentator.

Showing the creations will be Mrs. George Hardin, Mrs. Charles Cole, Mrs. W. E. Kitchoff, Mrs. Fred Ganas, Mrs. Robert Stone, Mrs. George Baker, Mrs. John Morgan and Mrs. H. N. Sayer. The Mayfair's reception rooms will be highlighted by Christmas arrangements and door decorations furnished by each Circle. There will be a prize for some fortunate guest and a special "out of the day."
