In Memory Of O. Henry

A movement has been mangurated by the Burder Weekly, a magazine nublished at Fort Worth, Laure, to convert the county fail at Austin into a monorial lineary as a monument to the most tamous prisoner ever mean crated behind its walls. William Sedney Porter, beace known to the world as O'Henry. In a recont is no, the magazine out fines plans for the movement, and pledice its support to a plan to raise money all over the nation measury out all project.

There is an interesting story about to Heme a continue ment in the Texas pail. He had hved in Texa come filtern years, and when he left it was to enter pri on ter committing a crime, of which he steadfastly defined any knowledge. Regarding the author's term in prison, Editor Molyneaux Transactive be compelled to give of Bunkers Magazine save, the should have noter been consuming obscorer than he antices fined in that pail, nor any other prices. He lets the federal prison at Columbus. Ohio, after serving three years and three months.

While an inmate of the penitentiary, Porter embarked upon his writing career and by the time he was released a introductial candidate, whom the was already well known as O. Henry. He want to New they believe can beat the Republic York but lived for only only the state of the west to be they believe they believe they believe the state of the state York but lived for only mine year ... However, in their brief period of years he became the best snown and the most wide ly read story teller in the world,

In conclusion to his proposal, the editor of the Texas Magazine says, "Texas owes O. Henry something, and it would go a long way toward removing the preson tigma from his name if the very fact that he occupied a cell in a jail should immortalize that building
