

Estes Case Becomes Major Issue Now

EDITORS NOTE: The Billie Sol Estes case in Texas suddenly has mushroomed into a national political issue. Republicans are accusing Democrats of trying to hush up the story of the collapse of Estes' business empire. Here is the first of three dispatches from Texas by the national reporter of United Press International.

DALLAS, Tex. (UPI)—The eyes of Texas are on Billie Sol Estes.

Estes is the boy wonder who is under federal indictment on fraud charges in connection with a business empire that once was estimated to be worth \$160 million. As if he didn't have enough trouble already, he has become in the last few days a national political issue. Republicans are beginning to talk as though they had found something which will swing millions of votes their way in this fall's congressional elections. What they are saying is that there is plenty of dirt in Estes' relationship with the U. S. Department of Agriculture and that the Kennedy administration is trying to sweep it under the rug.

Estes is a Democrat and a witness has testified he told him he contributed \$100,000 to the party over the years. Signed photographs of President Kennedy, Vice President Lyndon Johnson and Adlai Stevenson once hung on the walls of his office in the little town of Pecos, some 400 air-line miles southwest of here. Politics probably is the last thing Estes is thinking about these days. He and three of his business associates are under federal indictment on charges of committing \$7 overt acts of fraud. His bail was set at \$500,000 because federal attorneys insisted he was planning to flee to Brazil or Switzerland, and he spent four days in jail when he couldn't raise it. His lawyer succeeded in getting bail reduced to \$100,000. Estes made it and went back to Pecos to try to prop up the walls of his business empire.

The walls were all he could save, because he admitted the roof already had fallen in. He said he had debts of \$32 million. At his peak Estes controlled or had an interest in 30 companies, but the three business activities that interest federal and state investigators are his operations in fertilizer tanks, grain storage and cotton allotments. Cotton allotments involve the Department of Agriculture and this is where the political heat is being generated. There is a provision in federal law that when a farmer's land is condemned for certain purposes, such as building a dam, he sometimes can transfer his federal cotton allotment to another farm he purchases. The cotton allotment is a federal device to control production. You cannot plant cotton unless you have an acreage allotment which makes it extremely valuable.

In 1961 Estes succeeded in having 8,123 acres in cotton allotments transferred to land he formerly owned in Reeves and Pecos counties. His lawyers insisted the acquisition of the 8,123 acres was valid, but the Department of Agriculture took the position that it was a device to buy cotton allotments. That is illegal.

A witness has quoted Estes as saying he spent between \$100,000 and \$200,000 a year on pay-offs, but nobody was named as having received it. The Texas attorney general is trying to trace \$40,000 which Estes withdrew from the First National Bank of Pecos shortly before he flew to Washington in January to attend the Kennedy administration's first anniversary celebration.

Ravenna Park Parents Protest School Shift

Grammar Condition Criticized

A delegation of 20 Ravenna Park parents whose children have been redistricted from the Southside School to Sanford Grammar School appeared before the board of Public Instruction this morning to protest the condition of the old grammar school building.

Spokesman for the group, M. R. McClelland, pointed out to the board that the sanitation of the old Sanford Grammar School is deplorable, with dirt, writing on the rest-room walls, cracked plaster, fallen ceilings, dirty windows and other indications of improper custodial care being evident.

One of the most important points brought up by the parents concerned the location and condition of the fire escapes. It was pointed out that the escapes are too narrow and the railings are too low to provide safe descent, in the opinion of the parents.

Another point on the fire escapes was the fact that they are accessible only from windows with sills 34 inches from the floor, and this height is beyond the capabilities of a small child. It was also said that the windows opening on to the fire escapes have wooden blocks nailed at the top in such a way that the window cannot be opened without turning the blocks.

At the conclusion of the presentation, Supt. of Schools R. T. Milwee, was asked directly what was going to be done. He replied that all necessary steps would be taken to clean up the building during the summer including repairing the roof, doing needed painting and plastering and also that proper access to the fire escapes would be provided.

Concerning the condition and type of fire escape used at the Sanford Grammar building, Milwee said a state board inspector was due soon and the whole situation of fire safety would be one of the top matters on the agenda for his visit.

Among other things Milwee said he can't understand why the question of cleanliness should be so difficult in a school, but it seems to be one of the most difficult matters for the board to keep up to standard.

He pointed out it is the responsibility of the school principals to see to it that their custodial staffs keep the building clean and in good repair.

Criticism was also made of the lack of adequate playground equipment for youngsters in the lower grades, and also that there is no proper place for teachers during off periods, to go to relax, and this was thought by the Ravenna Park parents to be very important in keeping up proper teacher morale and providing an all-around good school climate.

Vote Tally

The Canvassing Election Board met Wednesday for four hours and certified the first primary election and counted some 60 absentee ballots.

The vote canvass disclosed that in the District 2 County Commission race John Alexander, who won the post, totaled 3,417, while Ted Williams collected 1,817.

In the district 4 county commission race, which will see Oviedo Mayor Lee Gary and W. Pitt Varnes square off in the second primary May 29, Gary polled 1,817 and Varnes, 1,206.

Other candidates were Walter Bondar, 865; Robert Cameron, 909 and George Holder, 421.

In the two school board races, where the incumbents were not candidates, A. W. Epps Jr. won the District 1 seat over Mrs. Kathleen Reynolds 2,710 to 2,359, and J. D. Wright Jr. polled 2,756 votes in District 5 to beat Clarence Clause, 2,092.

Major Blast Disaster Averted As Fire Hits Bulk Oil Plant

Fast work by city firemen stopped a major disaster by the lake front early this morning when the Standard Oil Co. bulk plant on W. Seminole Blvd. was hit by a raging inferno.

One of the men, Jimmy Bell, an employe of Standard Oil was listed in critical condition at Seminole Memorial

Hospital today suffering from severe burns.

Another man, Birdie Stanley was treated for shock.

Fire Chief Mack Cleveland Sr. reported that firemen were out at the blaze for three hours and it took 10 regular duty officers and nine off-duty men to control the flames which could

have ignited hundreds of thousands of gallons of gasoline.

According to Cleveland the fire started when maintenance men at the company were cleaning out one of the gas tanks when a gas motor by the tank ignited.

Total damage could not be determined at this time, Cleveland said.

Barge Canal Funds Asked

WASHINGTON (UPI) — Rep. Charles E. Bennett, (D-Fla.) asked Congress today for funds to begin construction on the long-awaited cross-Florida barge canal from the Gulf of Mexico to the Atlantic Ocean.

Six County Aid Plan Asked By Regional Board

The East Central Florida Regional Planning Council met at Cocoa Tuesday to consider a tentative application to HILFA for a grant of funds to begin work on a six-year comprehensive plan for the six county area of Seminole, Volusia, Orange, Brevard, Osceola and Indian River.

Don Thompson, member of the Council's Florida Development Commission, presented the tentative application to the Council.

Cafetorium Lack Protested

Representing a group of South Seminole County parents, whose children will be attending the new Seminole Junior High School, now building in Casselberry, R. E. Pope and Leonard Andrews, appeared before the school board this morning to inquire into the possibility of a cafetorium or just a cafeteria, for the new school.

The plans for a dining room had been canceled for financial reasons in the new building and the delegation was interested in finding out whether or not there was any possibility of having hot lunch facilities in the "for-sale future."

Supt. R. T. Milwee explained that there is \$327,000 up in Tallahassee that can be had if the money or part of it can be matched by the local board.

Bulletin

VIENTIANE, Laos (UPI) — Government troops retreating from the fallen provincial capital of Nam Tha were reported today to have fallen back to within 10 miles of the Thailand border.

news... BRIEFS

Marriage Ends
SANTA MONICA, Calif. (UPI) — A tearful Dinah Shore Wednesday ended her 18-year marriage to actor George Montgomery with a default divorce decree.

Calls For Rebirth
TALLAHASSEE (UPI) — Capt. Eddie Rickenbacker called for a rebirth of American patriotic national conservatism in a speech here Wednesday night.

Singled Out
ALGIERS, Algeria (UPI) — Secret Army Organization (OAS) gunmen today singled out Moslem women in terrorist attacks here and in the western part of Oran.

New Deployment
TOKYO (UPI) — The U. S. Air Force today announced it soon would deploy to the Far East jet fighters capable of flying almost twice the speed of sound and carrying a hydrogen bomb.

Illegal Sales
SALVADOR, Brazil (UPI) — Powdered milk furnished free by the U. S. government for the benefit of drought sufferers in northeastern Brazil is being sold illegally in supermarkets here, officials said today.

Reaffirms Move
WASHINGTON (UPI) — The Federal Communications Commission reaffirmed Wednesday its 1961 decision ordering station WCKT off the air on television Channel 7 in Miami and turning the channel over to another firm.

Yank Convicted
GARSRUHE, Germany (UPI) — American businessman Harold Noah Berger was convicted today of attempting to spy for Communist East Germany and sentenced to two and one-half years in prison.

Battling Blaze
TALLAHASSEE (UPI) — Fire fighters from the State Forestry Service continued battling a blaze today which has been threatening for the past two days to roar through a half-million acres of timberland.

VAH-5 CAME home after a five week cruise aboard the Forrestal Wednesday. Left, Heavy Attack Wing One commanding officer Capt. Joe Tully welcomes one of the flyers while pictured

on the right, one of the returnees being greeted by his family. Another wing, VAH-9 is expected in this afternoon.

'Anna' Satellite 'Fizzles'

CAPE CANAVERAL (UPI) — The United States attempted to put a blinking beacon satellite into an earth orbit today but the scientific project failed when the carrier rocket's second stage failed to fire.

It was the fourth failure in three days at the missile test center here. Tuesday a new Atlas Centaur rocket exploded less than a minute after liftoff and Wednesday the Army's Pershing missile blew up after launch and the

Navy's Polaris failed to complete a test flight.

None of the difficulties reflected, however, on the Atlas rocket expected to put astronaut Scott Carpenter into a three orbit trip around the earth next week and the man-shot still is scheduled for a week from today.

The 79-foot Thor-Able-Star booster rocket rumbled from launching pad at 7:06 a.m., but the Air Force announced that the rocket's second stage failed to fire.

The three military services and the Civilian Space Agency had planned to send the 350-pound satellite Anna into a 600-mile-high circular orbit,

but about 20 minutes after launch the Air Force said the geodesic satellite "has failed to go into orbit."

"The second stage ignition was not achieved. The exact reason for the failure is undetermined."

Scientists from all over the world had hoped to photograph Anna's flashing beacon against the background of the stars to help pinpoint more precisely any spot on earth.

The need for such exact data was established by early Vanguard satellites, which indicated the earth was more pear-shaped than round.

Other experiments disclosed that various islands—among

them Bermuda—were several hundred feet from where they were thought to be.

The United States has refined its knowledge of geography, vital in this age of ICBM's when a missileman must be able to pinpoint their targets with deadly accuracy, with its transit satellites. Anna's blinking beacons were expected to help refine that knowledge even more.

Anna is roughly the size of a large aluminum beach ball, 36 inches in diameter and wearing a six-inch thick belt of solar cells around her waist.

Rights Bill Junk Pile Bound?

WASHINGTON (UPI) — President Kennedy's voting rights bill, granted a temporary reprieve by the Senate, today appeared headed for the junk pile barring a big shift in legislative sentiment.

Senate Democratic Leader Mike Mansfield, Mont., who has led the administration's fight in the two-week-old controversy, said he would favor dropping the issue for this year unless a second attempt to limit debate picks up considerably more support by voting time Monday.

There were no immediate indications that it would.

The next — and probably final — test for the bill will come Monday on Mansfield's second motion to invoke cloture and curb a Southern talkathon against the measure.

"If we fall on Monday—and fall badly," he told the Senate late Wednesday it would be better to move on to other matters long delayed by the civil rights fight.

The bill is aimed at barring discrimination against Negro voters through state literacy tests. It would make a sixth-grade education proof of literacy for voting in federal elections.

Reds Yield To U.S. 'Pressure' On Arms

GENEVA (UPI) — The Soviet Union yielded to American and neutralist pressure today and agreed to go on negotiating in the 17-nation disarmament conference "without a break."

Deputy Foreign Minister Valerian Zorin told an informal session of the conference that the Soviets are ready to continue talking here through the summer. He did not make it clear, however, whether this means the Russians are against a three or four week break in mid-summer.

The Russian agreement to continue was a direct switch from their previous position and represented a victory for the United States and the eight neutral conferees — Brazil, Burma, Ethiopia, India,

Fire Destroys Behrens Barn

Fire of undetermined origin Wednesday night completely destroyed the large tool and storage barn at the Herbert Behrens Farm on Orange Blvd. just west of Lake Monroe.

Behrens said that he had no idea how the fire started and that when it was discovered by a neighbor boy at about 8:30 p.m., flames already were shooting from the roof.

A rough estimate would set equipment and building losses somewhere between \$20,000 and \$30,000, he said, excluding damages to the rear of his nearby home.

The Lake Mary Volunteer Fire Dept. answered the call and reported this morning that its motor and pump was in continuous use for more than an hour-and-a-half before the fire was brought under control.

Nuclear Sub, Freighter Collide

SAN FRANCISCO (UPI) — The nuclear submarine USS Permit with 90 men aboard and the freighter Hawaiian Citizen collided late Wednesday night about 40 miles southwest of the Golden Gate.

The Navy said there were no injuries on either vessel and both were proceeding to San Francisco. The Hawaiian Citizen, owned by Matson

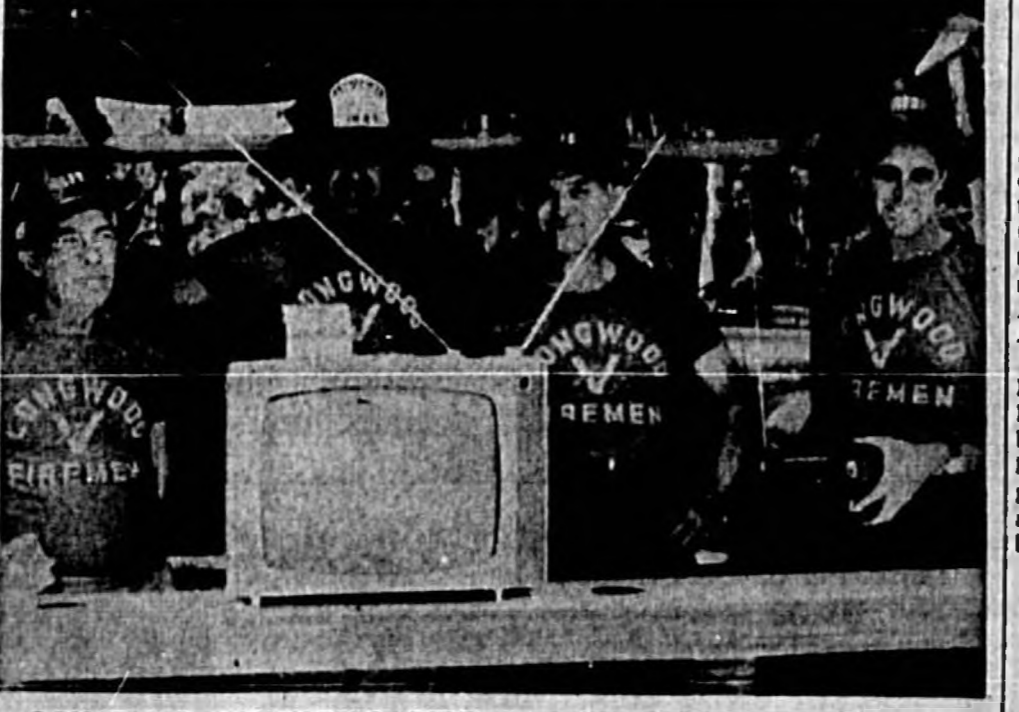

Navigation Company, carried 47 crewmen.

A Navy spokesman said the radio actual of the Permit was broken in the collision and she was unable to contact her base at Mare Island, inside San Francisco Bay. She is commanded by Lt. Cmdr. Ernest R. Barrett of Vicksburg, Va.

Communications were being

carried on through another submarine, the USS Archerfish, which was accompanying the newly-commissioned Permit on her sea trials.

A Portland, Ore., radio station monitoring calls said the freighter reported the hatches were jammed on the Permit — indicating that the men were not able to leave the submarine.

LONGWOOD VOLUNTEER FIREMEN, already working on their big three-day Fourth of July celebration, put prizes for the event on public display at the Fire Hall Wednesday afternoon. First prize will be a portable 19-inch TV, second prize, an AM-FM transistor radio and third prize, a pocket size transistor set. Meeting to set up the display booth were, from left, Maurice E. Rudolph, John Furina, Ted Waitz and Carl Lommler. (Herald Photo)

Work on renovating the stockade will be completed in from two to three weeks. . . That's the word from Zoning Director Robert Brown. Cost . . . \$5,600 . . . and then the long awaited rearranging job in the courthouse, says Mr. Brown.

Judge B. Vernon Mize's office will be the first to be expanded.

The Hospital Board Tuesday night gave administrator Bob Bessner the okay to "look around" for an x-ray machine.

And speaking of the hospital, is it true what I read in those hospital notes. "Abe Lincoln" admitted . . . Maybe the South will rise again.

P. S. This Lincoln is from DeBary . . . not Illinois.

Just for the record department . . . That giant shopping center south of Sanford will start going up in mid-June.

Atlas Gets 'A-Okay'

CAPE CANAVERAL (UPI) — Army and Navy missiles ran into problems Wednesday, but scientists gave an "A-okay" to the nation's astronaut booster—the mighty Atlas.

The normally reliable Army Pershing "quick go" missile was blown up by safety devices about 1½ minutes after launch because its second stage was wobbling off course.

A Navy Polaris, launched in secret about 30 miles off the Florida Coast by a submerged submarine, also apparently ran into some second stage problems which kept it from making a fully successful test.

But the Civilian Space Agency pronounced the Atlas booster—slated to hurl another Ameri-

can astronaut into orbit later this month—free of responsibility for the spectacular failure Tuesday of the revolutionary new Atlas-Centaur, high energy rocket.

The Atlas was especially suspect because the fireball finish of the Tuesday attempt occurred just 55 seconds after launch, well before the Centaur, as the rocket's second stage, was to take over.

There were fears that if the troubles were traced to the first stage Atlas booster, it could mean delays for astronaut Scott Carpenter's orbital mission on top later this month.

However, the space agency said preliminary study showed the missile failure was caused by structural collapse in the Centaur stage.

THE 1962 GREYHOUND, Lyman's year book, was formally dedicated to Sponsor Ray Pharr by Editor Gloria Lovell at the school's first "Autograph Dance" held Tuesday night in the gym. After the dedication ceremony students took the opportunity to get signatures of classmates and teachers during the dance which is expected to become an annual event at the school. (Herald Photo)

Mass Held For Former Sanford Civic Leader

Requiem Mass was held Wednesday at 10 a. m. at Holy Cross Episcopal Church for Mrs. Charlotte Watson, a former resident of Sanford, who died May 3rd in Davenport. Service was conducted by Fr. John R. Griffin.

Mrs. Watson was a resident of the Bishop Gray Inn at the time of her death. Services were held in the Chapel of the Inn and burial was in the Inn cemetery.

Mrs. Watson, who was a long-time resident of Sanford until she moved to Davenport after the death of her husband, was a charter member of the Sanford Federation of Garden Clubs and was credited with being responsible for the original idea of the creation of Fort Mellon Park. She was also a charter member of the Sanford Woman's Club.

She was a former Regent of the DAR in which she was active for many years. An early member of the Holy Cross Episcopal Church, she contributed her active support and participation to that organization for many years.

Bonham Sefried Dies Wednesday

Mr. Bonham Sefried, 62, died Wednesday at Seminole Memorial Hospital.

He came to Sanford from Warrensburg, Ill., in September, 1930, and made his home at 2634 Chase Ave. He was an auto parts machine operator; a member of the Methodist Church and of Orel Lodge 789, F and AM, Wayne City, Ill.

Survivors are his wife, Madeline of Sanford; three sons, John James of McLeansboro, Ill., and Paul and Irvin of Sanford; two daughters, Mrs. Phyllis Schaubert and Mrs. Josephine Switzer, both of Warrensburg; nine grandchildren; two brothers, William E. of Belle Prairie, Ill., and Leslie A. of Harvey, Ill., and a sister, Mrs. Grace Jones of Belle Prairie.

The body will be sent to McLeansboro for services and burial in Grankow Funeral Home, in charge of local arrangements.

DeBary Club Plans Display

The DeBary Arts and Crafts Club, organized recently with 30 charter members, will put its first exhibits on display early next month at the Mansion House headquarters of the Florida Federation of Art.

HANSEL AND GRETEL, the old fairy tale of how two children outwit a witch will be presented at Pinecrest School Friday at 7:30 p. m. by Miss Lucile Campbell's fourth grade. Shown here are Tommy Ratliff who plays Father; Kenneth Premo as Hansel; Charlotte Scruggs as Gretel and Katherine Bishop as Mother. Tickets will be on sale at the doors of the auditorium and all proceeds will be given toward the work of the Seminole County Juvenile Council. (Herald Photo)

'Can't Settle All Labor Disputes'—Kennedy

WASHINGTON (UPI) — President Kennedy has made it clear that the government will not "go from city to city" trying to solve every labor dispute that arises.

He told his news conference Wednesday the government "cannot settle labor matters in disputes across the country" that do not involve the health and safety of the nation.

To do so, Kennedy said, would change "the whole pattern of labor-management relations, and you get then into wage and price setting, which we are opposed to."

His statements came in response to a question on whether the government might get involved in a spreading strike of construction workers in northern California.

The President said he was unaware that building contractors in California had asked for administration "help."

He said the strike was a matter which the builders and unions involved would have to resolve.

"This is a free society, and these gentlemen finally have to make their agreement," he said.

"Now, if a shutdown occurs which involves the health and safety, then of course it involves the national government."

Other developments in the news conference: —Kennedy described Vice President Lyndon B. Johnson as "invaluable" and denied rumors that Johnson might be dropped from the Democratic ticket in 1964.

He refused to take sides in the run-off primary June 2 for the Democratic nomination for governor of Texas, and declared himself pleased with the results of primary elections in five states this week.

—He expressed hope that a "speedy solution can be reached" in the newspaper disputes affecting the Minneapolis Star and Tribune and the Detroit Free Press and News. Early today members of the Paper and Plate Handlers Union voted to withdraw

pickets lines at the Detroit News.

—Kennedy called southern efforts to send busloads of Negroes to the North "a rather cheap exercise" in publicity.

—He said many people were being "badly misled" by savings and loan associations and other opponents of his proposal to withhold taxes from interest and dividends. He emphasized it would not be a new tax, but merely a new method of collecting one.

Walter Camp, noted football coach, originated a series of simple physical exercises known as the "daily dozen" in 1921.

Lake Mary HD Club Has Annual Election

The May business and luncheon meeting of the Lake Mary Home Demonstration Club was held Tuesday in the Fire Hall with 14 members in attendance. Special guests for the occasion were Miss Myrtle Wilson, agent and Miss Hazel Stiles, daughter of Mrs. T. A. Stiles, newly elected president of the group.

Other officers at the meeting were Mrs. Charles Bracht, first vice president; Mrs. Edwin Kennedy, second vice president; Mrs. Helen Powell, secretary-treasurer; Mrs. Joe Wright, delegate and Mrs. Olan Boutwell, alternate.

Installation will be held at the County Dress Revue to be held on May 31 at the Home Demonstration Center in Sanford with 12 ladies from the Lake Mary club modeling garments.

Mrs. William Heinbuch, outgoing president, presented courages to all officers serving with her during the current term.

Plans were made to replace the picnic, usually held as the closing event of the club year, with a luncheon to be held on June 12 beginning at 12:30 p. m. at the Riksha Inn.

Tuesday's luncheon hostesses were Mrs. Ellis Bolton, Mrs. Carl Moss and Mrs. Boutwell.

Kiwanians Hear Noted Scientist Speak

The tremendous contributions of science to our way of living is God's way of showing down blessings on us, in the opinion of Dr. John Klots, head of the Science Dept. at Concordia Senior College in Ft. Wayne, Ind. who spoke to the Kiwanis Club Wednesday.

"Science has harnessed many natural forces that God has provided for us," Dr. Klots observed. "We marvel at the built structures of the ages, built by slaves, but we do not have human slaves, for now natural power is our slave."

"Atomic power promises great blessings if controlled," he said, pointing out that one cubic inch of uranium can do the work of 1000 tons of coal, and that biological and medical science have increased our life span from 30 years to 70 years in the past 200 years.

"But Science does not have all the answers," Dr. Klots said. "Modern science tends to depersonalize—we become numbers—the group is more important than the individual. Scientific philosophy is bleak,

emphasizing chance and denying purpose."

"Is man just an accident? Surely life is more than just a lump of clay?" he asked. Science becomes pre-occupied by that which can be demonstrated and forgets that which cannot be recognized by the senses, Dr. Klots remarked.

Dr. Klots spoke extensively on the question of evolution and the definitions of differences between man and animal. He questioned the validity and adequacy of the theory of evolution, stating that science rests too many of its statements on pre-suppositions and presumptions.

He pointed out that only man has an upright stance, a bridge and a definite tip to his nose, color in his lips, curly or wavy hair, and stated that the most significant difference between man and ape is that man can be educated, rather than merely trained.

Observing that two-thirds of the world goes to bed hungry every night, Dr. Klots said that all the surpluses of this country would only be a drop in the bucket to the monumental hunger of the world. He suggested that there is much riches and fertility in the oceans which may in time be cultivated for the production of food.

In answer to questions from the Kiwanians, Dr. Klots said that he did not feel that atomic testing had any effect on the weather; that he doubts that life span of man will advance much further; that the great age of Methuselah as recorded in the Bible was because man was much closer to the perfection in which he was created in that age; and that life might be possible on another planet of

another star, but that it would take us eleven light years to hear a sound from such a planet.

Dr. Klots said that he felt that the creation of the world was of the super-natural and could not be explained in any natural function. "Do not try to make God too small," he warned. "You cannot fit Him into your concept of cause and effect. God is not a glorified human-being."

Dr. Klots has been the featured speaker at the two-day meeting of Lutheran ministers of Florida and Georgia who have been holding a pastoral conference at the Lutheran Church of the Redeemer. Dr. Klots was introduced by Rev. Herbert Goetz, pastor of the host church.

CAB Opens Merger Hearings

WASHINGTON (UPI)—The Civil Aeronautics Board (CAB) opens hearings today on the biggest merger in airline history — the proposed "marriage" of American and Eastern airlines.

On the outcome may hinge the future course of U. S. commercial aviation. If the CAB eventually approves the merger of the nation's second and fourth largest air carriers, other airlines have warned they may be forced to follow the same consolidation route.

Examiner Ralph Wiser, the CAB legal expert who will preside, said he could not give even an offhand estimate of how long the hearings may last. The merger proceedings involving United Air Lines and Capital Airlines took seven days. The CAB approved that move.

Another New Business For Joe Gazil

Joe Gazil, who is opening his new Handy Food Store on South Sanford Ave. at the Onora Rd. intersection this weekend is also the owner of the Handy Store on Celery Ave., the new Thriftway Store

at Park Ave and 25th St. and two Tip-Top Supermarkets, one on Sanford Ave. and one on 13th St. Gazil opened his first store in Sanford in 1950. In 1958 the second Tip-Top Store began operation and in 1960 the Handy Store was opened. Shortly after this in 1961, Gazil bought out the former Foodmart Store and, after ex-

tensive remodeling renamed it the "Thriftway." Gazil has been in the food business "all his life," and makes his home here at 2012 Chase Ave. with his wife, Harriet and four children. Manager of the Thriftway store is Charlie Gazil with Mike Basila in charge of the two Tip-Top and two Handy Stores. Johnny Houston, formerly

with the Thriftway Store in Orlando is in charge of the meat department for the two Tip-Top Stores. He makes his home at 1411 Locust Ave. Charlie Newhart is manager of the Sanford Ave. store and Charlie Jackson of the 13th St. Store. Dan McIntyre has charge of the Celery Ave. Handy Store. Lee Muraski is manager of the 13th St. Tip-Top meat market.

Speirs Manager Of New Atlantic Service Station

Emory Speirs, owner-manager of the new Atlantic Service Station at 2990 South Sanford Ave., the intersection of Onora Rd., is born and raised in Sanford and attended local schools.

He has served as an engineer on the Atlantic Coast Line for the past 17 years, and is married to the former, Wilma Squires, who is also a Sanfordite. They have two children, Mrs. John LaRosa, (the former Amorette Speirs) who lives in N. Smyrna and Emory Jr., known as "Bo" an eighth grader at Sanford Junior High School. The Speirs live in Flora Heights.

Dalton Culberhouse, station attendant who will assist Speirs in the operation of the station is also a local man, attended schools here and lives with his wife, the former Betty McClelland and their three children on W. Third St.

The new Atlantic Station will feature complete auto servicing and a full line of auto accessories.

Elks Club Sets Mom's Day Fete

The Elks Club of Sanford will pay their annual Tribute to Mothers at a special program Sunday at 2:30 p. m. at the Lodge Hall on E. Second St.

The Tribute will be offered by Karlyle Houssholder, and will be followed by a musical entertainment program. Cake and coffee will be served during the social hour to Elks and their friends.

Co-chairmen for the event are Dick Mapez, Merle Foster, Pete Bowersox and Gene Walters.

JOE GAZIL

Industry Mishaps Are Explained

Dr. William Webb of Orlando and Dr. D. C. Dempsey of Winter Park, who work with the Industrial Relations Committee of the Florida Chiropractic Association spoke to a gathering of business leaders and employers of the area at a dinner at the Capri Restaurant recently.

The two men explained the workings of the treatment of industrial accidents by chiropractic methods, and introduced a survey which had been made, to determine the means of reducing expensive time loss of trained personnel as well as possibilities of insurance rate reductions.

The 65 year growth of chiropractic work was outlined and the requirements noted. Hosts for the meeting were Dr. A. W. Woodhall and Dr. Leo Kerwin.

UAW Expected To Call For Bigger Pay Hikes

ATLANTIC CITY, N. J. (UPI) — The United Auto Workers were expected to call for pay increases in excess of productivity gains today despite President Kennedy's appeal for a more moderate wage policy.

Walter P. Reuther, UAW president, said the difference between the union's attitude and the administration's wage guidelines boiled down to "a question of emphasis and not a conflict of basic policy."

Reuther stressed that the powerful, million-member UAW would negotiate in line with Kennedy's recommendation to seek pay boosts out of productivity improve-

ments and not by forcing up prices.

He predicted overwhelming approval for a resolution, declaring that wages should rise faster than the increase in output per man-hour to bring consumer demand into line with industry's capacity to produce.

The policy statement, approved by the resolutions committee, was to be submitted for ratification by 2,800 delegates at the closing session of the UAW's convention. Its main theme challenged the President's assertion that pay increases should be confined to productivity gains as a general rule.

Area Shopping Center Opening Set

A new area shopping center is opening in Sanford this weekend on the northwest corner of the Sanford Ave.-Onora Rd. intersection.

A new Handy Food Store, a new Atlantic Service Station and coin-operated laundry, will be open seven days a week for the convenience of area shoppers.

The Handy Food Store, the second in the city, and the fifth food store in the Joe Gazil chain of stores, will be open from 7 a. m. to 11 p. m. with a variety of food and household supplies in excess of 3,000 items. Included will be the grocery department, dairy department, drug department, frozen foods and meats. Bob Boradorff will be manager, assisted by Jack Goode.

Grand opening of the Handy Food Store and Atlantic Station is slated for Friday and Saturday, with the official opening of the laundry to be announced soon.

It will feature single and double load washers, dryers, and a large rug washer, as well as an extractor and laundry supplies.

Osteen Students In May Day School Program

By Mrs. Clarence Snyder. A number of children from the Osteen community participated in the annual May Day program at the Enterprise School last week.

May Day Queen this year was Iris Simmons, daughter of Mr. and Mrs. William J. Sans. Included in her court were Paul Allman and David Pell. All are eighth grade students.

Seventh graders taking part in the festivity were Lynn Jones, Doris Simmons and Deborah Tatum. May Pole Dance and Kirby Osteen, Michael Skinner, Eugene Lee, Steven Riggs and Barry Rutherford, Tumbling Act.

Area Groups Attend Dance In DeBary

By Mrs. Adam Muller. Last Saturday night's square dance, sponsored by the DeBary Fire Balls at the Fire Hall, was attended by guests from square dancing groups of New Smyrna Beach, Winter Park, Miami, Daytona Beach, DeLand and Sanford.

The Fire Balls meet on the first and third Saturdays of each month with Doc Hixen serving as caller. Refreshments were served after last week's dance and announcement was made that the group will meet for a fish fry at Juniper Springs on May 20.

Manager Set

Bob Boradorff, manager of the new Handy Store on South Sanford Ave. was formerly assistant manager of the Celery Ave. Handy Store. He has lived in Sanford 15 years and makes his home at 2557 Palmetto Ave. with his wife and two children.

Manager Set

Boradorff is well-known in Sanford as the manager of two top men's bowling leagues. He will be assisted by Jack Goode, former manager of K&L's. Goode resides in Prayer Homes with his wife and three children.

A Little Learning

The die is cast. The voters, in some measure shaped the future of the county by naming men to public office.

Many things are uncertain as the county enters a time which could bring more money, more jobs, more people... and more problems.

But one thing is certain: the leadership must be strong and fair. We compliment John Alexander, Dr. A. W. Epps Jr., J. D. Wright and S. J. Davis in their victories and wish Mayor Lee Gary and Pitt Varnes success in the second primary.

Our county, credited with being among the fastest growing in the state can be no stronger than its leaders.

A lot is being asked of the men who hold public office in this day and age. And they in turn must ask a lot

of their tax paying constituents because the officials can spend no more than their public provides or approves.

For this underwriting of public budgets, appropriations and expenditures the public is entitled to one thing above all else: it is entitled at all times to a clear and full understanding of the area problems, planned solutions, necessary negotiations and ultimate expenditures.

The man who has been campaigning for some time must bear this in mind when he becomes a public official.

The men and women who voted for him are the ones who will be interested in knowing how he is conducting the office to which they elected him.

The people have a right to vote... and then they have a right to know what is being done for them.

Whither The City?

The competing elements of the American system of government—the federal, the state and the local, are perhaps in a critical phase of their relationship these days.

A good many men not spurred on by mere party political slogans are actively concerned about the evident continued expansion of federal power.

Acutely symbolic of their worry is the actual or proposed enlargement of federal effort in the affairs of U. S. cities. Washington's interest in urban renewal, mass transit and similar matters is seen as threatening the last province of local control.

Norman Mason, a former federal housing administrator now in the private housing field, believes the cities have all the ingredients they need—leadership, wealth, government structure—to handle these problems themselves.

Not everyone who wants to curb Washington's role in local affairs goes quite that far. Wade Smith, a municipal research specialist, sides with the many who long have declared that the cities' worst handicap is their fragmentation into dozens—sometimes hundreds—of competing and overlapping government units.

This is an old story. Feeling help-

less in their fragmented condition, cities have turned first to the states and then to Washington to supply "overall" solutions.

Mason and Smith, deprecating this federal advance in the U. S. Chamber of Commerce panel review of the problem, think grave by-product of the trend is the dehumanizing of cities.

"We have forgotten about doing cities over for people," says Mason. "We are doing them over for planners."

Mason contends that in their "renewal" efforts planners "push small businessmen, ethnic groups and others" around.

Americans can perhaps readily accept such recitals of the bad effects of long-distance management of local affairs. It is not enough, however, to argue simply that local government can meet its community needs well.

If federal intrusion is to be checked, obviously the cities—and the states—have to prove the case by deeds, not words.

Cities' good intent in this effort may be accepted when they get up the money they need, co-operate with their neighbors where broad plans are required, modernize their activities and keep their mayors from running to Washington with hat in hand.

Dick West Says

Confusion Confounded

WASHINGTON (UPI)—Visitors to the U. S. Capitol frequently complain that the system of lettering and numbering the floors of the various buildings is confusing.

On the other hand, people who work in the Capitol contend that the system is logical but the visitors are confusing.

With a new tourist season now getting under way, I thought it might contribute to better understanding between the public and the Congress if I undertook to explain just how the system works.

It's simple, really, and once you get the hang of it you have no trouble finding your way around, particularly if there is a guard handy to give you directions.

For instance, if you enter the new House Office Building through the main door, you might think of ourselves as being on the ground floor.

Love and Old Lace

Dr. Crane's

Worry Clinic

Freddy's frogs should teach a valuable lesson to all of us. And we should quit acting apologetic about the gallant heroes who created this wonderful Republic. Instead, we should embrace such inspiring courage as that expressed in the words of John Paul Jones and see that every school child can recite them.

CASE M-416: Freddy, aged 10, had captured two large frogs one morning at the pond on his grandfather's dairy farm.

He had them imprisoned in his pockets when he returned home. Then he heard his mother irritably calling for him to get ready for Sunday School, so Freddy decided he better dispose of his frogs quickly.

The handiest place was a large metal milk can sitting beside the kitchen door. It was empty and very deep, so Freddy figured the frogs couldn't get out.

A little later, however, the hired man filled the can with 6 inches of the top with the morning's milk.

Both frogs eagerly came to the top and tried to leap out. But there was nothing solid enough to give them the proper anchorage for a jump.

So they kicked and kicked, but all in vain. Finally, one of them said to the other:

"Pal, we might as well give up, for it's no use."

And with that, he sank to the bottom and drowned. But the other frog had spunk. He had more of the proper masculine spirit, so he refused to give up the fight.

Instead, he kept on kicking and kicking. Though it seemed a hopeless battle for freedom, he never quit.

And what happened? Well, the cream began to rise to the top of the can. As this spunky frog kept kicking in the cream, he finally churned a large pat of butter.

Then he hopped upon the floating island that was formed by the butter.

He sat there a few moments till he got his breath; then made a mighty leap clear over the side of the milk can and landed out on the grass.

It didn't take him many more hops till he was back at the edge of the farm pond, where he joined his family.

So we human beings should

take a good lesson from the behavior of these two frogs.

Don't give up the fight if you are battling for a good cause.

"Yes, Dr. Crane," somebody may protest, "but suppose it looks as if our cause is actually hopeless?"

Well, don't give up, anyway. Go down with the ship!

Abraham Lincoln gave us some splendid advice in this type of situation when he stated:

"The probability that we may fall in the struggle ought not to deter us from the support of a cause we believe to be just."

Teach Children Spunk
 Here in America it is high time we taught our children the proud history of our patriotic ancestors.

Every American boy and girl should know by heart the courageous words of John Paul Jones, whose ship was aflame and sinking, after being shattered by the gunfire of a larger British warship.

When the British captain finally asked if Jones was ready to surrender, the spunky American hero replied:

"Sir, I have not yet begun to fight!"

Then he lashed his ship to the side of the British warship and boarded the latter as his own vessel sank. And he won for the U. S. A.

So teach your children to reverse our gallant history and to stick to just causes, regardless!

(Always write to Dr. Crane in care of this newspaper, enclosing a long 4 cent stamped, addressed envelope and 20 cents to cover typing and printing costs when you send for one of his booklets.)

Letters

Sanford Herald
 Dear Sir:
 Seems to me Judge Misa should be commended very highly for his treatment of drunken drivers in your article in the paper, you spoke of a new age of martyrs has come to Seminole County.

The martyrs are the ones who get killed or injured with these DWI's, why should people on the highways have to put up with them? Don't think your attitude very commendable.

Peter Edson Political Notebook

WASHINGTON—(NEA)—There is growing realization that if any progress at all is to be made in "holding a line" against inflation, "fringe benefit" payments to employees must be included in labor costs, the same as wages or as a part of wages.

Labor, management and government spokesmen all gave the public a line that the new contract between 11 major steel companies and the steel workers union was noninflationary just because it granted no increase of the basic wage rate.

But this contract, effective next July 1, calls for increases in seniority payments, pensions, vacations and supplemental unemployment benefits.

It also introduces a new "savings and vacation plan" which will provide new job opportunities to workers by giving older employees longer vacations and encouraging them to retire at earlier ages.

U. S. Steel Corp. estimated that these new fringe benefits would add 2.5 per cent a year to labor costs—equal to 10 cents an hour—even though it was not counted as a wage increase.

This was justified as below productivity increases averaging 3.5 per cent a year for all U. S. industry, although U. S. Steel claims its increased steel tonnage sold per worker is only 1.7 per cent a year average.

Anyway, this fringe benefit increase on top of a 3.5 per cent a year increase in actual wage costs under the existing contract was said to justify a 3.5 per cent price increase on principal grades of steel.

This brought down the wrath of the President on the grounds that it might be inflationary, so it was withdrawn. The increase in fringe benefits was not inflationary, but the subsequent price increase was, if you get the distinction.

Subsequently, American Iron and Steel Institute put out figures on what average wage and fringe benefit payments are for the entire industry.

They show that a average hourly earnings in steel, including overtime and premium pay for Sunday and holiday work is \$3.24 an hour. Bureau of Labor Statistics figures it at \$3.19 an hour, five cents less.

That is the steel industry's side of the story.

When the value of fringe benefits is added, however, total employment cost to the companies is \$3.99 an hour, or \$3.94 by BLS figures. The 75 cents an hour differential for fringe benefits includes, in rounded figures, 26 cents an hour for holidays not worked and vacation pay, 40 cents an hour for pensions, supplementary unemployment benefits, Social Security, hospitalization and medical care. This makes fringe benefits 18.8 per cent of total employment costs.

The labor side of the fringe benefit story was given in last month's "Federationist," magazine of the American Federation of Labor-Congress of Industrial Organizations. It was based on BLS figures of fringe benefits paid all U. S. industrial production workers.

Fringe benefits are of course higher in union than in non-union plants, 27 cents to 13 cents an hour average. The average for all industries is given as 9.0 cents an hour for pensions, 13.9 cents for paid vacations and holidays, 6.4 cents for health benefits; the total equivalent to 28.3 cents an hour.

Representative industry totals are given in rounded numbers as textiles 14 cents an hour, apparel makers 10, furniture 2, food 20, printing and publishing 31, machinery 32, primary metals 39 and petroleum refining 49.

The Federationist maintains it is wrong to add up all these benefits and claim that workers are receiving far more income than shown by the basic wage rates. This is said to be inaccurate because, "Much of the fringe benefit payments are already part of regular hourly wages, while other benefit payments mean additional security and not extra hourly pay."

Three Officials Attend Village Council Meeting

By Ginny Skisak
 The North Orlando Village Council met Tuesday night for its monthly business session with councilmen W. W. Anderson and Robert S. Stephenson and Mayor Frank Fasula in attendance.

Anderson, offering an alternate suggestion to the proposed utility tax to provide the village with a permanent police force, recommended that a number of responsible men of the community, who could be bonded, organize as a volunteer department. No action was taken on the suggestion at this time.

In other business, the council approved Fasula's recommendation of James Simmerman of Orlando as village engineer.

Went on record in favor of the proposed cigarette and gasoline tax increase backed by the Florida League of Municipalities pending approval of the 1963 legislature; "Proclaimed next week as 'Military Appreciation Week' in honor of all service families living in the village; Announced that plat approval had been given for the development of eight lots on the north side of North Orlando Blvd. between N. Edgemoor and N. Fairfax; Approved the announcement from F. Stewart Helmly, zoning board chairman, appointing Frank Gore as a member of the board.

Agent In Charge Of Program For Oviedo Club Meet

ATTRACTIVE LOG PLANTERS were made from oil cans and plaster of Paris by members of the Oviedo Home Demonstration Club at the May meeting. Circled around the completed planters, from left, are Mrs. E. G. Cross, Mrs. Lynn Mosier, Mrs. R. C. Miller, Mrs. W. P. Carter, Mrs. Arthur Richter, Mrs. Richard Smithson, Mrs. Dee Anderson, who instructed the group, Mrs. Roxie Evans and Mrs. William Dietrick. (Herald Photo)

By Jean Lyles
 County Home Demonstration Agent Miss Myrtle Wilson presented a program on "Small Electrical Equipment" at the May meeting of the Oviedo Home Demonstration Club.
 The agent gave many helpful pointers on purchasing the equipment and for its care and use. To demonstrate the value of such appliances, she cooked a chicken and vegetable one-dish casserole and whipped up a "no-bake" lemon ice box pie for lunch.
 Mrs. Arthur Richter, president of the club, appointed Mrs. E. G. Cross and Mrs. W. P. Carter to serve on the nominating committee during the monthly business session. Announcement was made that the management of the canning kitchen has been offered to the group for a token annual fee. Mrs. Richter and Mrs. William Dietrick were advised to check on facilities in the building before accepting the facility.
 Announcement was made that five members of the Oviedo Club will participate in the annual County Dress Re-

vue to be held May 31 beginning at 2 p. m. at the Home Demonstration Center in Sanford. Mrs. Richter and Mrs. Bill Kovack will bake cookies for the event at which time officers of all clubs also will be installed.
 Mrs. Richter was requested to represent the club at the annual Short course scheduled this year from July 9 through July 13 at the University of Florida in Gainesville.
 For the afternoon workshop, Mrs. Dee Anderson led the group in making log planters from oil cans and plaster of Paris.

TONIGHT
**3 HOUR

REMEMBER! 2 nights only... 6 to 9 P. M. NIGHT SALE.

Lake Monroe Jottings...

Mrs. H. L. Johnson
 Hello again. How has your week been? Well we can say a little rain has fallen but oh how badly it is still needed. And of course it has been hot but we just don't kick about it at all, because after all we wanted warm weather didn't we?
 Happy Birthday to Ruthie Bullard. She is the daughter of Merlene and Ben Bullard.
 Also a Happy Birthday to Mary Allison. That reminds me of something the Allison children told me the other day. I asked them what they did during the two day holiday last week. The whole family went to Hobe Sound for the weekend. "Nothing MUCH happened tho", except when we went to get a new speedometer cable we went across the railroad track and broke several gadgets under the car. Kenneth got bit by a scorpion, Stephen ran his teeth through his lip and Forrestine's mother broke her watch and (excitedly) we saw a sea cow." You know I think they really did have a good time though.
 The Brotherhood and R. A. members of the Monroe Baptist Church had an enjoyable

evening at the Elder Springs Baptist Church last week. Seventeen members and chaperones ate their fill of chicken and everything that goes with it.
 Did you go out and vote. Hope you weren't like the person that Larry Vershe wrote about in his column. I voted and while at the polls I saw some friends that I hadn't seen in quite a while. It was nice to see them again.
 I want to make a correction on a mistake from last week's column. It was Jim Giles and his sister winning the honors at the Horse Show last week.
 The Monroe Home Demonstration Club had a very nice meeting last Thursday evening. New officers were nominated for the coming year. Several will enter the Dress Revue to be held on the 31st of this month. Also the club officers will be installed at this time. Miss Myrtle Wilson gave an interesting demonstration on New Fabrics.
 Mr. and Mrs. George Poff had a surprise visit from Mr. Poff's granddaughter and her brand new husband. The Wilson Haynes were married in Roanoke, Va. and told every-

one they were going north but look where they came. South of course. They seem to like it here. Maybe some more southern recruits. Huh!
 A former young Monroe resident who is residing on Grapeville Ave. had his picture and a story in the Junior High school paper. Maynard Crebs, alias "Eddie Harper" is Maynard up and down. As you know he is on the Dobbie Gillis T.V. Show. Eddie could be his double alright. He is one of my bus riders and he answers to the name of Maynard and seems to enjoy it.
 Well this Sunday is Mother's Day. Wonder if I will have to prepare dinner and then stand over a sink full of dishes and wash them? My kiddies asked me what I would like to have. Of course I told them I was still waiting for an organ. According to the looks on their faces I will still be waiting. Oh well, I tried.
 The Scout Building down at the Monroe School is beginning to look a little different these days. Some of the P-TO members have been coming down on Monday evenings and painting and doing other odd jobs. According to Herbert Muse they are going to continue every Monday. Anyone wishing to go down and join them can do so. They start at 7 p. m. Last Monday they painted the living room where the polling booths were placed for the voters. It certainly looked very nice. So go down and give them a big helping hand.
 One more month of school. Aren't you kids thrilled? But, Oh, you poor mothers. They are the ones who are dreading for the term to end. I think they are for this 12 month school that is being talked about. I was talking to some of the children about it the other day and they said "they wouldn't dare."
 Our thought this week is by Dr. Charles P. Ketterling, General Motors Executive. He said "You never stub your toe standing still. The faster you go, the more chance you have of getting somewhere."
 See you next week.

Tiger Tales

By Lt. Dick Cleveland, USN
 We arrived in the quiet bay of Porto Conte, Sardinia this morning at 0700. Two thousand yards off the starboard bow sits the USS Saratoga (CVA-60). The "Sara" has been in the Mediterranean for 4 1/2 long months. In her Air Group is our sister squadron the "Hoot Owls" of Heavy Nine. Now it's time for a much deserved relief.
 "Relax, 'I' is here" read the signs painted on the side of the "Big 'I'" two helicopters and on a 50 foot high banner lifted into space by two giant weather balloons.
 By 0900 we were aboard the "Sara" in Ready Room Three. To greet us was Cdr. Ted Wagner, Commanding Officer of the "Hoot Owls." They were all dressed sort of casual with their housecoats on, green French berets and carrying long stem cigarette holders. It was time to relax. There are very comfortable seats in Ready Three. After a few songs and a couple of skits, we all got down to business.
 By 1300, we had completed the turnover and the Hoot Owls were on their way stateside. It's not hard to understand how you can be a "welcome sight" coming

and going! The "Tigers" wish the Hoot Owls a Von Voyage home and extend their congratulations for a job well done. Having relieved the Hoot Owls, the "Tigers" are now officially carrying the ball in the Heavy Department. We are proud to be a member of this tremendously powerful force of fighting ships, planes and men called the Sixth Fleet.

BRAKE SERVICE 8 A. M. TO 6 P. M.

Lyman Loses 6-0

Lyman was eliminated from the sub-group baseball tournament in DeLand Wednesday night when the Bulldogs blanked the locals, 6-0.

DeLand broke up a pitching duel between Jim Williams and Derfus with a three run outburst in the last of the fifth inning.

Tonight DeLand plays Ovidio at 7:30 p.m. in the semi-finals.

Bankers Stop Baptists, 10-3

City Softball League action saw Florida State Bank down First Baptist 10-3. The Bankers scored in all but one inning as Nelson pitched his team to the win. Thomas was the losing hurler. Cooper and Grady had home runs for the bankers' team.

Other action saw Nazarene romp over Pinecrest Baptist 22-12. Nazarene had a total of 27 hits. Estridge was the winning pitcher and Moncrief was the loser. Watrows and Estridge had home runs for Nazarene.

Tempests Still Pace Loop

In the Hemphill Motorette League this week, the Tempests continue their winning streak by taking four points from the Catalinas to bring their total to 56 wins and 28 losses.

The LeSabres are in second with a 49-35 and the Invictas are in third with 48 1/2-35 1/2.

Splits converted were the 4-5-7 by Dolores Todd, 2-5-7 by Ann Huff, 3-10 by Mabel Duggan and Jo Watson and last, but far from the least, the 2-7, 5-10 and 5-7-8 by Flo Buck!

Mabel Duggan rolled a 177 for high game. Other high games were 172 by Yvette Hunter, 167 by Doris Bell, 168 by Flo Buck, 160 by Lois Jackson.

Doris Bell rolled a 460 for high series.

Purkey Becoming Strong Man For Redlegs This Season

By United Press International

The man who threw the pitch that started the Cincinnati Reds to their World Series downfall is firing the ones that are keeping the National League champions "in the league" this season.

He's tough, hard-bitten Bob Purkey and he's the new strong man of a Cincinnati pitching staff that has been hobbled by the slow starts of nominal ace Joey Jay and Jim O'Toole. Jay stands 3-3 and O'Toole is 2-4 but Purkey has reeled off five straight victories in which he has allowed a total of 14 runs.

Purkey, whose nine-inning gopher pitch to Roger Maris gave the New York Yankees a 2-2 win in the third game of the 1961 World Series and was called the turning point of the classic, survived five errors Wednesday night to beat the Philadelphia Phillies, 7-4. As the new "stopper" of the Cincinnati staff, Purkey has ended losing streaks of two, three and four games this year.

The win lifted the Reds' season record to 13-12—placing them in a position to overtake several of the teams bunched closely together behind the first-place San Francisco Giants.

The St. Louis Cardinals chopped the Giants' lead to three games with a 7-3 win, the Milwaukee Braves beat the Pittsburgh Pirates, 4-2, and the Los Angeles Dodgers routed the Houston Colts, 9-2, in other NL games.

The New York Yankees' late-inning "lightning" topped the Boston Red Sox, 4-1, the Baltimore Orioles defeated the Kansas City A's, 6-3, the Minnesota Twins shaded the Cleveland Indians, 2-1, the Chicago White Sox scored a

7-6 decision after losing, 9-3, to the Washington Senators, and the Detroit Tigers whipped the Los Angeles Angels, 6-3, in American League activity.

The Reds backed Purkey with a 15-hit attack that included three singles by Frank Robinson and Wally Post's seventh homer. Eddie Kasko and Johnny Edwards also had three hits each for Cincinnati and Wes Covington homered for the Phillies.

Curt Simmons, only 9-3 last season, pitched his fifth straight complete-game victory of the season with a nine-hit effort against the Giants. Carl Sawatski drove in four runs with a homer and two singles. Curt Flood weighed in with a triple and two singles and Stan Musial had two singles in the Cardinals' 12-hit attack. Musial's hits raised his lifetime total to 3,425—one behind Hans Wagner's all-time NL lifetime record.

Joe Adcock's fifth homer and a single knocked in two runs as Ron Fliche won his second game for the Braves. Bob Friend, routed in 4 2/3 innings, suffered his second defeat for the Pirates against four victories.

Johnny Podres' eight-hit pitching behind a 16-hit attack enabled the Dodgers to hand Houston's Dean Stone his second defeat. Jim Gilliam and Wally Moon had three hits each for the Dodgers and Merritt Raney had three for the Colts.

Elston Howard's bases-filled double was the big blow of a four-run seventh inning after Boston's Bill Monbouquette held the Yankees hitless for 6 1/3 innings. Whitey Ford went the distance for the Yankees, yielding seven hits and striking out seven for his third win.

Swimming Pool Built At Casselberry Club

By Bob Thompson

The much-heralded new swimming pool at the Casselberry Country Club is now under construction, and the final nine holes of the golf course are well along toward

completion, according to an announcement by Ralph Park, club owner and manager.

A big gaping hole on the east side of the clubhouse has appeared in the last two days and the men that install swimming pools are busy with the job of completing the new 42' x 75' natatorium.

The back nine on the golf course, which has been in the talk stage for years, and is now finally coming to pass, will be a layout of fiendish ingenuity, winding through the woods to the south and east of the clubhouse.

Replete with water holes, none of which are strictly man-made, being necessary ditches and ponds for drainage purposes, will fill the duffer with horror, and tax the skills of the hardest professional.

The 11th hole, a par five, 465 yard terror, will have water lacing both sides of the fairway which doglegs to the left. The curve to the left will be some help to the slicing golfer, but the water will be a big mental hazard and no doubt will encourage the slicer and hooker to do more of it.

Number 12, is another dogleg to the left, and has its water hazards, to say nothing of the heavy rough flanking the fairways.

Among the holes that will

Champ Gets Offer
LOS ANGELES (UPI) — Eder Jofre of Brazil, the world bantamweight champion, has been offered \$60,000 to defend his title against Jose Medel of Mexico City, the No. 1 contender, by promoter George Parnassus. The probable site of the bout is either San Francisco or Los Angeles in July.

Dear Abby:

By Abigail Van Buren

DEAR ABBY: My problem is a 6'4", 220-pound husband who loves to "twist" at every party we attend. For the short time he has been "twisting," he has already torn to shreds one white dress shirt, one pair of dress slacks and three pairs of shorts. Have you any solution, Abby? ALEXANDRIA

DEAR ALEXANDRIA: Your husband is putting too much enthusiasm into "the dance." He needs a sedative.

DEAR ABBY: I have been going steady with Claude for 6 months. I am 17 and he is 19. He started college (in this city where we live) but quit because he couldn't see any future in it. His mother blames me. She told him if he didn't stop seeing me she would take his car away. He works as a painter and that is good enough for him, but his mother thinks he should go back to college. I think he should do what he wants to do. His mother has called me and told me to leave him alone. Abby, I love him and don't intend to leave

him alone. We can't afford to get married yet. What should I do? HEAVY HEART

DEAR HEAVY: Claude's mother knows her son better than you do. If you can't encourage him to continue his education while he is young and able to, do him a favor and leave him alone.

DEAR ABBY: I am getting married soon and the question of who should give me showers has come up. Someone told me showers shouldn't be given by a relative—only by a friend. My problem is, I don't have any friends. All I have is relatives. Now, who gives me the showers? SUMMER BRIDE

DEAR BRIDE: A shower should not be given by a CLOSE relative (a mother or sister). But a cousin may give one.

CONFIDENTIAL TO MRS. J. H.: Why don't you tell Jimmy the truth: From the questions he has been asking, I think he would be able to understand perfectly.

These are the facts, Ma'am--and Mister--

Come this fall, Jack Webb, of "Dragnet" fame, returns to television, but not as Sgt. Friday. He'll be host-narrator and occasional actor in a CBS-TV anthology of factual adventures based on magazine stories. The weekly series starts Sunday, Sept. 30.

The Sanford Herald May 10, 1962 - Page 7

Palmer Set For Colonial

FORT WORTH, Tex. (UPI)—Golf's current wonder boy, Arnold Palmer, set out today on the first leg of a journey he hoped would carry him to his third successive tournament triumph, his sixth of the season, and break the hex of the Colonial National Invitation.

Palmer, fresh from an \$11,000 victory in the Tournament of Champions and a \$4,300 pickup in the Texas Open the past two weeks, was in the second of 29 twosomes to tee off in the opening round of the \$40,400 Colonial Classic.

He was paired with South African Gary Player, who was the only man to top Palmer in money earnings last year, but who hasn't won a title since the Masters in 1961 and currently ranks No. 8 on this season's tour.

Jacoby On Bridge By Oswald Jacoby

Look only at the North and South hands while you plan your play as declarer at three no-trump.

The spade opening is not what you had hoped for and you will want to keep East out of the lead if possible.

East plays the ten of spades on West's opening lead. You note that you cannot afford to let it hold, and you win the trick and must try to find eight more.

You must go after one of the red suits and because you have eight diamonds as a gain in seven hearts you attack the diamonds.

When dummy's jack holds

and just overtaking. You are going to need as many entries as possible.

A second diamond lead is won by the jack and East shows out, but this is just a minor irritation. You can now count nine tricks. You cash the ace of diamonds; return to your hand with a second club, carefully preserving a third club entry, and give West his king of diamonds.

If West leads a heart you cannot afford the luxury of a finesse in that suit. Instead you must rise with the ace, return to your hand with the third club and cash that last diamond.

the first diamond trick business is looking up. You return to your hand by leading a club

We The Women: By Ruth Millet

Are you tired of being a working wife and wish that you could give up your job but you are afraid your family couldn't make it on your husband's income?

Well, maybe, if you kept careful books for six months, you would find out that your pay check isn't helping as much as you think.

Studies made by the Department of Agriculture show that working wives spend more on food than do nonworking wives. This is because the working wife, having less time to prepare meals, goes in heavily for convenience foods, and also because the working wife's family eats out more often than families that have a full-time homemaker.

Your own study would probably show you that you spend more money than the stay-at-home wife for many other items, too. You pay extra for baby-sitters, perhaps; for clothes, since a working woman has to dress well; for the replacement of many things

around the house that could be fixed up and made to serve if you had the time to wield a paint brush, make slip covers, mend and alter clothes and so on; for entertainment, if you find it easier to take friends out than to entertain at home; for transportation to and from your job; and for increased taxes.

Few wives who earn checks ever bother to keep books to find out just how much of the money they earn goes for hidden costs that are a direct result of their working. Few who have grown used to earning

money, rather than trying to save money, realize how far a thrifty, industrious, full-time homemaker can make her husband's pay check go.

Don't be so sure you can't give up your pay check until you figure just how much of it is really going to give your family a better life.

If you really want to quit your job, keep careful books and maybe you will discover that you can—if you are willing to work as hard at home as you have been working outside it, that is.

Highlights TV Time Previews

7:30-8 p. m. (CBS) Oh! These Balls! The Humbling Bell Brothers (Harry, Herbie and Sylvia Wiers) seem to be constantly proving how easy isn't the best policy. A few weeks ago, they got knocked around for returning a lost wallet to a gangster. This time, they get little thanks for returning an overcharge to a gambler. Some funny sight gags, however, in the bookie parlor, with typical Damon Runyon characters nicely played by Jesse White, Teddy Hart, Murray Vye and Norman Willis.

8:30-9:30 p. m. (NBC) Dr. Kildare. "A Distant Thunder." Dean Jagger adds the spice to this episode as a former general who doesn't believe "old soldiers should fade away." After breaking down in an amusement park, he is taken to Blair, where Dr. Gillespie supervises his care. Kildare is

assigned around-the-clock duty because of the general's suicidal intentions. Richard Chamberlain and Raymond Massey star with Elisabeth Hush and Nellie Burt featured.

9:30-10 p. m. (CBS) Zane Grey Theatre. "Legacy of a Legend." A noteworthy repeat in the performance of its star, Lee J. Cobb, and story of an old man's self-imposed frustrations. Cobb plays a drifter who arrives in a small town, claiming to be a legendary lawman, believed killed in a gunfight years ago. The ridicule of the townspeople pricks his pride, forcing him to attempt the six-gun feats of the town's hero. John Dehner, J. Pat O'Malley and Joan Banks are featured.

More than 300 persons filled the auditorium seats to hear this third concert of

Spring Serenade A Success

By Dottie Higginbotham

The Spring Serenade of the Sanford Male Chorus was a great success Tuesday, as the 28 local men sang to a full house at the Civic Center.

Giving definite evidence of experience in singing together and offering a fine repertoire of well-known songs, the Chorus was in fine voice and the audience expressed their appreciation of the efforts of the group with hearty applause.

Solist Dick Aiken, who sang Sanctus from the St. Cecilia Mass by Gounod and Stanley Brumley who sang the lead in the story of the "Blue Tail Fly" were both well-received by the Sanford music lovers.

A fine addition to the cultural music of Sanford is the considerable talent of Violinist W. M. Cooke, who made his violin sing and dance as he played the Polish Dance by Severn and then held the audience spellbound with the sweet clear tones of the Ave Marie.

The Finale from Symphony VII by Mozart was presented by Mrs. Betty Smith, chorus accompanist and Director Robert Carnie as they played rhythmically together.

The chorus opened their varied program with the hymn, "Let All Give Thanks To Thee" and closed with the stirring "Battle Hymn of the Republic."

Graduate Honored At Splash Party

Miss Kae Adams, a member of the Seminole High School senior class was guest of honor at a splash party Monday night at the home of Mrs. J. H. Pigott, 203 Ridge Road in Loch Arbor.

Co-hostesses were Mrs. W. W. Tyre, Mrs. A. G. Jones, and Mrs. L. E. Forguson.

The class colors were carried out in refreshment decorations. Following a splash in the torch lighted pool, the guests were served chips, dips, cake and cold drinks on the patio of the Pigott home.

Invited guests were Sandy Leeds, Bonnie Gielow, Desta Horner, Sharron Riser, Joanne Ziegler, Vida Sue Smith, Linda Sue and Linda Allen Williams, Sharon Poff, Loretta Fore, Pat Wight, Leslie and Frankie Jones,

Frankie Ballard, Anne Crapps, Merritt Phillips, Mary Helene Washburn, Rose Kratzert, Mary Licks, Sheryl Robson, Ann Schumacher, Al Chandler, Carol Sue Higginson Blake, Ruthi Carlton botham, Debbie Scott, Jeanne and Sherrile Lee.

HOSTESSES AND HONOREE at the splash party honoring Kae Adams are from left, front row, Mrs. J. T. Adams, mother of the honoree, Kae and Mrs. L. E. Forguson. Back row, Mrs. J. H. Pigott, Mrs. A. G. Jones and Mrs. W. W. Tyre. (Herald Photo)

Gleaners Class Meets At Messenger Home

Mrs. V. C. Messenger and her group were hostesses for the monthly meeting of the Gleaners Class of the First Baptist Church at the Messenger home on Elliott Ave.

Mrs. Ella Ellis presided at the business session and Mrs. Sue Hutchison led the devotions.

Mrs. Messenger showed two groups of colored slides. One was scenes from Greece, narrated by Vincent Price and the other was from the Holy Land, narrated by David Wayne.

Refreshments of ginger floats, cookies and nuts were served by the hostesses. Twenty members and the hostesses were present for the meeting.

League Parents Plan Bake Sale

The Sunland parents organization of the Seminole Baseball Little League will sponsor a bake sale this Saturday in front of the Food Fair starting at 9 a.m.

The proceeds will be used for equipment for the team.

If you plan to call on someone you don't know very well, telephone first to find out if it is convenient.

Installation Planned By Oviedo Club

The Oviedo Woman's Club will meet Friday for the final session of the season. Luncheon will be served at 12 noon, followed by the business meeting and installation of officers at 1 p.m.

Mrs. R. A. Smith of Sanford will install the officers. Members are reminded of the District 7 workshop in Apopka.

Enterprise

Personals

Glenda Williford Honored At Tea

A graduation tea, honoring Miss Glenda Williford, was given Saturday afternoon at the home of Mrs. John T. O'Donnell, 1953 Magnolia Ave.

The party rooms were decorated with arrangements of multi-colored flowers, including snapdragons, sweet peas, carnations, mums and gladioli.

The refreshment table, covered with a white linen cloth, held an arrangement of calla lilies, yellow gladioli, delphinium and pink and white carnations, flanked by white candles in crystal holders.

Refreshments of open faced sandwiches, petit fours, rose bud mints, nuts and punch in a large crystal bowl were served to guests who called during the appointed hours of 3 to 4:30 p.m.

Mrs. Leon Wilson assisted Mrs. O'Donnell with the serving and entertainment. Miss Williford and her mother, Mrs. Joseph Hofecker, received corsages from the hostess.

Invited guests included the honoree's mother, Mrs. Wilson and Charlie Caudle, Carolyn Gillyard, Nelle King, Carole Cleveland, Carole Hol-

loway, Carolyn Rice, Janet Bostwick, Jeanne Bridges, Patti Smith, Sally King, Sarah Edmonds, Sandee Lee d.s., Mary House, Virginia Warfel,

Jean Crews, Ruby Cohen, Marie Dunn, Betty Ann Stanton, La Rue Jones, Kathy Pelty, Pat Place, Payllis Spencer, Carol Ann Carroll,

Suzanne Maxwell, Sandy Wright, Jean Henson, Alice Busby, Sarah Priest, Carol Diehl, Carol Wheeler, Sharon Riser and Linda Griffith.

Mrs. Hilda Wray Honor Guest At Pink Tea

Mrs. Hilda Wray, Seminole High School social studies teacher who is retiring at the end of this school year was guest of honor at a pink tea given for her by Miss Ethel Riser, Miss Edna Chittenden, and Mrs. Mae Fort, Saturday, at Miss Chittenden's home.

More than 60 county teachers called during the appointed hours and were greeted by the hostesses and honoree in the receiving line. Mrs. Wray was presented with a corsage of pink carnations and a gift of lingerie by her friends.

The rooms at Miss Chittenden's home were attractively decorated with arrangements of spring flowers, featuring pink carnations in many shades of the chosen color. A striking arrangement of calla lilies graced the mantelpiece while the Florida room was brightened with a colorful array of gerbera daisies.

An assortment of dainty sandwiches, cookies, nuts and mints were served from the attractive tea table, where

MRS. HILDA WRAY, guest of honor at a Pink Tea Saturday smiles happily as she contemplates her coming retirement and the fellowship of good friends. From left are the hostesses, Miss Ethel Riser, Miss Edna Chittenden, Mrs. Wray and Mrs. Mae Fort. (Herald Photo)

Mrs. Alicia Schmidt and Mrs. Katherine Teague poured pink punch for the guests.

Floating hostesses were Miss Barbara Ruprecht, Miss Rebecca Stevens, Mrs. Nancy Brock and Mrs. Bob Fleischer.

Girl Scout Diary

GIRL SCOUT TROOP 102 Girl Scout Troop 102 met Wednesday afternoon in their clubroom at the Enterprise Methodist Church. They are quite busy now getting ready to make a visit to Savannah, Ga., on July 9 to 11 where they will visit the Juliette Lewis birthplace, the founder of girl scouts.

Each troop is asked to make something to sell in their novelty gift shop and the girls are busy making shell

collection cards. They are also gathering recipes which they plan to try out at home and will decide the one the troop will present at this meeting. Each troop is also asked to bring a favorite recipe of their own locale during 1970.

The girls are working hard to earn their \$15 which will be the cost of this three day trip. They will have a wonderful time as well as enjoy their planning for this big event in their lives.

Supper Honors Three Graduates

Graduates Ruthi Carlton, James Williams and Bob Williams, were guests of honor at a spaghetti supper given by Mr. and Mrs. John D. Carlton and son Doyle at their home, 2641 Myrtle Ave.

The supper was served buffet style and the menu consisted of Italian spaghetti, tossed salad, homemade rye

bread, punch and wedges of chocolate cake.

Miss Linda Williams assisted the hosts with the serving. Tables set up in the yard were covered with red and white cloths and decorated in an Italian theme. They were illuminated with multicolored candles in straw-covered wine bottles. A large red and white

striped awning was overhead.

Following the supper, the group danced in the carport which was covered with sawdust. A twist contest was held, during the evening, and a clever silver trophy awarded to the winners, Mary Helene Washburn and Ashton Asenalo.

Gifts were presented to the honorees, Ruthi received jewelry and travel kits were given to James and Bob.

LINDA WILLIAMS, right and Doyle Carlton, left watch the three honorees as they open gifts presented to them by the hosts, Mr. and Mrs. John D. Carlton. From left they are, James Williams, Ruthi Carlton and Bob Williams. (Herald Photo)

Fires Burn 814.3 Acres In April

Comparison reports of forest fires in Seminole County for the month of April, 1961, as opposed to April, 1962, have been released by Ranger Jerry Laws of the Longwood Tower Station.

Last year 16 fires burned a total of 357.6 acres while this year there were 22 fires which burned a total of 814.3 acres. There were three incendiary and 13 careless fires last year while this year, nine were incendiary and 13 were careless. To date this year a total of 3,776 acres have burned as compared to a total of 1,733.4 acres in 1961. This year's total fires to date number 113, in 1961 the total was 83.

Laws calls attention to the fact that the number of careless fires are the same as for last April although the county this year has experienced an extremely dry month.

"This shows that the citizens of Seminole County are using more care in burning of lots, debris, etc.," Laws said, "and we would like to thank them for their continued cooperation."

According to the ranger, incendiary fires are believed to be set from automobiles and the forestry service officers ask that anyone witnessing a fire being set in such a manner, get the tag number, make and color of the vehicle and immediately place a collect call to Longwood TE 8-1229.

Oviedo Student Proves To Be Real Showman

Oviedo fifth grader Andy Jepson of Chuluota proved to be a real showman at last Thursday night's Spring Music Festival when he appeared to sing his solo, "The Wayfarer Stranger," in spite of a personal catastrophe which occurred only two days before the program.

On Tuesday Andy met head-on with a flying baseball bat which knocked out two front teeth and chipped several others. The youngster's first thought, voiced through falling teeth, was that the accident would prevent his appearance on the program. However, the solo was sung even though a distinct lisp could be detected at times.

Students from grades one through six presented a delightful variety of folk games and American folk songs and dances with the girls dressed in billowing skirts of red, orange or yellow, matching hair ribbons and white blouses. Boys wore stiffly starched dungarees, white shirts and bow ties to match the girls' skirts.

Finale for the evening was a trumpet duet by Donn Berny and Sheldon Keller, accompanied at the piano by Beth Gore.

LYMAN SCIENCE FAIR WINNERS received awards at a program held last Thursday night in the school auditorium. In the senior division, top photo front from left, Barbara Hart, second place, biological; David Smith, best overall project; Ginger Harrison, third place, biological. Back from left, William Johnson, first, physical; Tony Ponticelli, first, biological; Richard Grant, third, physical and Glen Huber, second, physical. Junior High winners, bottom photo front from left, Janet Lavelle, second, physical; Karen Schoelles, second, biological; Caroline Thomas, first, biological. Back from left, Terry Layman, third, biological; Charles Stewart, third, physical. Earl Rishell, first prize winner in the physical science division, was not present for the picture. (Herald Photos)

Casselberry area Cancer Crusade winners. Top photo front from left, Mrs. L. E. Swope, Mrs. Al Grimwood, co-chairmen of the Cancer Crusade for the Casselberry area, reported today that \$375.74 was collected in the annual drive for funds sponsored locally by the Women's Club.

According to Mrs. G. W. Pettit, South Seminole County chairman, this is the largest amount turned in by any single area in her territory. Mrs. Swope and Mrs. Grimwood today expressed their appreciation to the 21 workers helping with the drive and to the residents who gave so generously.

Casselberry Nets \$375.74 For Cancer

By Jane Casselberry
Mrs. L. E. Swope and Mrs. Al Grimwood, co-chairmen of the Cancer Crusade for the Casselberry area, reported today that \$375.74 was collected in the annual drive for funds sponsored locally by the Women's Club.

According to Mrs. G. W. Pettit, South Seminole County chairman, this is the largest amount turned in by any single area in her territory. Mrs. Swope and Mrs. Grimwood today expressed their appreciation to the 21 workers helping with the drive and to the residents who gave so generously.

Major Frank Fasula read a list of damages noted on a recent inspection of the area by John Swartz, vice president and general manager of the North Orlando Co. which built and donated the center to the village.

Included on the list were broken blocks on the shuffleboard courts, baskets pulled off the backboards at the basketball courts and iron bars bent on the volleyball courts.

Helmly asked today that parents interested in assisting with organized recreation and supervision at the center contact him for further planning.

"I have ideas for several tournaments which could be staged in the village and would like to get started on organizing them immediately," he said. George Sommer was appointed to take charge of the community building. However, Helmly said many more volunteer workers will be needed to efficiently supervise and control the area.

Invitation to attend the program has been extended to all parents and friends of the girls by Mrs. Frank Russell and Miss Ganna Stone, co-leaders of the troop.

By Jane Casselberry
The Lion's Club of Casselberry observed its Tenth Charter Night Anniversary last Thursday with a smorgasbord dinner for the members, their ladies and guests at the College Park Lions Clubhouse on Lake Fairview in Orlando.

Seven active charter members of the club were awarded ten year charter chevrons which were presented by International Counselor William Wallace of Winter Park and Milton Freeman, president of the Casselberry club. Receiving the honor were Hibbard Casselberry, Leonard Casselberry, William Diggle, Ben Evans, D. Miller Evans, C. K. Fisher and Raymond Morris.

Rev. E. P. Richards, a transfer charter member from the Aston, Pa., club was honored in this capacity and Old Monarch chevrons were presented to Paul C. Altman and Joseph Weimer who have been members of the organization for ten years although they are not charter members.

Perfect attendance chevrons were given to Hibbard Casselberry, eight years; Carl Jack, seven years; Thomas Houston, four years; Richard E. Murphy, three years; Leonard Casselberry, Ralph Diggs, and Milton Freeman, two years and A. J. Berdahl, Frank C. Morris and Joseph Murasko, one year.

International Counselor Howard Jernigan of College Park presented certificates of appreciation to Leonard Casselberry, Ben Evans, Frank Rademacher, Hibbard Casselberry, Raymond Morris, Paul Altman, Thomas Houston and Milton Freeman.

Master of ceremonies for the occasion was Floy Edgar, deputy district governor at large from Daytona Beach.

The invocation was given by Rev. Richards. Four new members inducted into the club by Myrl Kicklighter, district governor, 25-0 from Daytona Beach were Charles Goodman, James Myers, Hyllon Millett and Daniel Hoarlie.

Guest speaker was John Henderson of Winter Park who as district governor presented the Casselberry Club charter ten years ago.

During the dinner hour background music was provided by Louise Stevens at the organ. Victor B. Viner, first vice president elect, was chairman for the dinner.

Guest at Saturday's meeting was Wallace Lynch of Chuluota.

Ray Pentz and Wallace Adkins were elected as delegates to the State Legion Convention which will be held in Miami, June 5 through June 7.

Installation will be held in the near future.

EDITORIAL COMMENT

Give A Hand

Last year members of the Lake Monroe P-T-O, with assistance from many residents and Boy Scouts of the community, bought and moved a building onto the school grounds to provide the area with a public civic and social hall. Throughout the year, as time was available, Lake Monroe's men and women have quietly gone about the task of putting the structure, now known as "The Scout Building," into attractive and usable condition.

Monday night a group of devoted workers succeeded in getting the main room painted so that it would present a bright appearance to voters of the precinct who came to cast their ballots in Tuesday's primary elections.

As usual, one thing calls for another, and now an appeal for help is being sounded for volunteers to come each Monday evening until the entire interior is painted and needed partitions have been added to complete the Hall. All hands will be welcomed.

Civic Association Committees Appointed In North Orlando

By Ginny Skisalak
The North Orlando Civic Assn. met for the first time under its new slate of officers Monday night at the Community Building in the recreation center.

A complete list of recommendations for various committee chairmen and members was presented by F. Stewart Helmly, president.

Included were membership, Harry Reinecker, chairman and William Wolf, Mrs. Mary Martin and North Orlando Mayor Frank Fasula; way and means, Don Nall, chairman and George Worth, Margo Stephenson and Roy Burk. Welfare and welcoming, Mrs. Doris Dean, chairman and Mrs. Betsy Nall, Mrs. Maude Worth and Mrs. Sam Turner;

recreation, building and house, chairman to be appointed at next meeting; recreation and social activities, Bob Stephenson, chairman and Bill Skisalak, Mrs. Beverly Kreck, Mrs. Robert Davis, Mrs. Myra Stodden and Mrs. Art Rhodes; public relations, Dave Tilson, chairman and Mrs. Mary Campbell.

Helmly suggested that members of the ways and means and recreation and social activities committee work together on planning a Fourth of July fund raising event. W. W. Anderson, George Sommer and Wolf also will assist in the planning. All proceeds from the celebration will be turned over to the North Orlando Volunteer Fire Dept. for the building fund of the proposed Fire Hall.

The meeting was closed with the resolution that each member present try to bring at least one new member to the next meeting.

Chuluota Club Directors Meet

A meeting of the board of directors of the Greater Chuluota Community Club was held last Friday. Due to the resignation of J. E. Carpenter it was decided that those nominated at the semi-annual election meeting held recently would be considered in the order of their total votes to fill the vacancy.

Mrs. Maurice Walker, with highest number of votes, was contacted and has consented to serve on the board.

It was announced that the emergency oxygen equipment purchased by the club is now ready for installation throughout the community and ideally located residents from each block will be contacted to obtain permission for the installation of the equipment on their property.

Mrs. Carol Jepson volunteered and was appointed publicity chairman for the Club by President Fred Stumpf.

Permission was granted by the board for use of the Community Building on May 29 by the Intermediate North Vol. Fellowship of the Chuluota Community Church for the presentation of a play.

Named were Milana Crawford, Tom Hatchett, Bobbie Murr, Jo Ann Zwolsa and John Gillespie for the fourth grade and Linda Duncan, Nancy Hopper, Linda Laine and Sharlee Laughlin for the fifth.

Sixth graders were Gary Hopper, Jimmy Wells, Gary Dehr, Caris Hatchett, Dianne Huber, Patty Urban, Louise Zavinaki, Jane Vaught and Carolyn Watson.

Seventh grade honor students for the period were Marcia Berringer, Jane Conway, Donna Dunlap, Lynn Jones, Sharon Redman, Deborah Tatum, Pamela Walasek and Doris Simmons and from the eighth grade were Mickey Scott, Mickey Thorsam, Matt Thorsam, Evelyn Carlton and Lyvonne Evans.

Honor Roll Announced For Enterprise
By Helen Sandgrass
L. O. Hayman, principal of the Enterprise School, has announced honor roll students for the fifth six-week grading period.

Named were Milana Crawford, Tom Hatchett, Bobbie Murr, Jo Ann Zwolsa and John Gillespie for the fourth grade and Linda Duncan, Nancy Hopper, Linda Laine and Sharlee Laughlin for the fifth.

Sixth graders were Gary Hopper, Jimmy Wells, Gary Dehr, Caris Hatchett, Dianne Huber, Patty Urban, Louise Zavinaki, Jane Vaught and Carolyn Watson.

4-H CLUB GIRLS, in their County Dress Revue last Saturday night, showed styles ranging from the very dressy model worn by Carla Lommler of the Longwood Club at left to the sports outfit shown by Suzette Beard of the Sanford Club at right. Eleanor Hein of Slavia, center, modeled a youthful party dress. More than 30 girls from all clubs in the county participated in the event which was held at the Carl Lommler home in Longwood. (Herald Photos)

Lake Mary C Of C Okays Project Needs

Recommended projects and committee needs were presented to the general membership of the Lake Mary Chamber of Commerce at last Thursday night's monthly meeting of the organization.

Suggested changes in the by-laws worked out during the past month by the board of directors will be voted upon at the June meeting. Cliff Nelson, president, announced that complete copies of the proposed changes will be mailed to all members prior to the meeting in order that they may study and become thoroughly familiar with the recommendations before a vote is taken.

Approval was given for the formation of committees on street lighting, sidewalks, traffic lights and school blinker signals. Appointments to each committee will be made by the nominating committee headed by W. C. Hopkins and will be announced at the next meeting.

In other business, the chamber donated \$50 to Little League and \$5 towards a new community sign to be erected by the newly organized Lake Mary Women's Club near the business intersection.

Al Case, past president of the group, volunteered and was approved as chaplain.

Chuluota Legion Holds Elections

Chuluota's American Legion Post 225 held its annual election meeting last Saturday at the Lake Catherine Inn.

Elected were Wendell M. Jepson, commander; Harold McBride, first vice commander; Roscoe Morrison, second vice commander; Fred Stumpf, sergeant-at-arms; Lucius B. Nichols, chaplain; Manuel Mello, finance officer and Lucius B. Nichols, historian.

Installation will be held in the near future.

Ray Pentz and Wallace Adkins were elected as delegates to the State Legion Convention which will be held in Miami, June 5 through June 7.

Guest at Saturday's meeting was Wallace Lynch of Chuluota.

Blood Unit To Visit Lake Mary

The mobile unit of the Seminole County Blood Bank will be at the Scout Hut in Lake Mary between the hours of 4:30 p. m. and 7:30 p. m. next Thursday.

Blood received at this time will be credited to the Lake Mary Bank.

Nurses To Meet

This month's meeting of District 37, Florida Nurses Assn., will be held at the Seminole County Health Center on French Ave. in Sanford at 8 p. m. Monday. All registered nurses in the area are invited to attend.

DeBary GOP To Meet

The May meeting of the DeBary Republican Club will be held at 7:30 p. m. next Thursday at the Community Center.

Dr. Joseph L. Connolly of Daytona Beach, a native of Antrim, Ireland, will be guest speaker. Ralph Withersell will preside.

Entertainment and refreshments have been planned for the meeting which is open to the public.

A CONVERSATION WITH
S. J. DAVIS, DEMOCRATIC
WINNER IN THE GROUP 2
LEGISLATIVE RACE.
Reporter: Pat McKinney re-
signed from the race today.
Do you have any comment?
Davis: Are you kidding?
Are you pulling my leg?

A CONVERSATION WITH
JUDGE VERNON MIZE.
Reporter: The Florida High-
way Patrol has just published
a survey which states that
speeding, reckless driving and
failure to yield the right of
way has caused more deaths
than driving while intoxicated.
Any comment?
Judge Mize: No, I've given
fall sentences to persons
charged with those traffic
offenses as well as DWI.
Reporter: Well, why did you
decide on mandatory jail sen-
tences for DWI's?
Judge Mize: No Comment.

We read with interest the
school board story yesterday
about Sanford Grammar
School being inadequate.
Nothing new around here. Re-
member we quoted the 1960
State survey on schools which
stated that the grammar
school was "obsolescent."
We spoke to a 63-year-old man
recently who told us that he
attended the school and things
haven't changed much.

A CONVERSATION WITH
COUNTY ATTORNEY HAR-
OLD JOHNSON.
Reporter: What's this I
hear about the county may
lose the Ocala Air strip?
Johnson: No possibility of
that yet.
Reporter: What do you
mean?
Johnson: Well, the attorney
general ruled we can't carry
on the agreement on this
deed note basis. We'll have
to work something else out.
Reporter: Didn't the county
give a \$7,500 down payment
on the site?
Johnson: Yes, we'll have to
work something else out.

It seems the City Commis-
sion and Civil Service Board
just can't seem to get their
meeting dates straight.

A CONVERSATION WITH
JOE BAKER.
Reporter: On April 23 you
suggested a joint meeting
with the Civil Service Board
for the night of May 10. How
come you weren't there last
night?
Baker: I forgot about it.

A CONVERSATION WITH
MAYOR J. H. (JIMMY)
CRAPPS.
Reporter: Mr. Crapps how
come you weren't at the city-
civil service board meeting
last night?
Crapps: What would be ac-
complished?

Earlier during the week we
had contacted Earl Higgin-
botham and asked him when
he would attend the
meeting. Earl said "absolutely
no" and hinted something
about politics.

The city has started clean-
ing out those vacant lots . . .
Pete Knowles tells us the one
behind the Herald at Fulton
and Myrtle will be bulldozed.

City Commissioner Tom Mc-
Donald mentioned today that
he is looking into the possi-
bility of the city refinancing
the Florida Power and Light
Co. franchise bonds to help
finance that \$600,000 water
improvement program that
Knowles recommended.

The city will consider the
program Monday night.

A special meeting of the
Forest City Community Assn.
has had to be called for 8
p.m. Monday due to lack of
attendance at this week's
session on the scheduled date.
Meeting will be at the Forest
City Baptist Church.

THINGS TO COME DEPT.:
Look for the Longwood Plaza
to develop into a really gi-
gantic shopping center . . .
construction scheduled to be-
gin any day now on several
additions including a national
chain store.

GOP's McKinney Withdraws From Race

Cleveland Denies Civil Board Pre-Judged Lee Case

Leaving Town, Candidate Says

By Jane Casselberry
Republicans who hoped to gain a foothold in Seminole County politics received a setback today when Patrick McKinney Jr. of Casselberry, party candidate for the State Legislature in group two, regretfully announced his withdrawal from the race.
McKinney, personable young insurance man, was forced to make the decision Wednesday when his immediate transfer to the insurance company's Atlanta, Ga., offices was confirmed. McKinney's withdrawal from the race assures Democrat S. J. Davis a seat in the Legislature next year. Davis defeated Democratic opponent Al Lormann in the first primary earlier in the week.
McKinney said this morning that he extends his sincere appreciation and gratitude to the many staunch Republicans who supported and encouraged him to enter the legislative race. Earlier this year McKinney came to the foreground in the Seminole County political field as president of the South Seminole County Young Republicans Club which he was instrumental in organizing.
The club was chartered late in February with 31 members at a state meeting held in Gainesville and within a month sported a roster of 47 members.

Inspections Coming Up For Schools

As a result of the complaints by Ravenna Park parents Thursday to the Board of Public Instruction on the lack of cleanliness at the Sanford Grammar School, the board has decided to undertake a series of inspections of all Seminole County Schools.
While the dates for the inspections were not divulged, it was declared by board members that it was necessary for drastic steps to be taken to insure clean schools for children in the county to attend.
It was remarked by Superintendent R. T. Milwee, that there is no reason for a school to be dirty and ill-kept, especially when cleanliness is one of the things "we attempt to teach children in health and sanitation classes."

Two Hurt In Car Collision

James Anderson Wright of 445 Elliot Ave. was charged with failure to yield the right of way after his car collided with another vehicle at Sanford Ave. and 20th St. Thursday night, police reported.
Wright and the driver of the other car, Rev. Thomas Makin, of 2408 Grandview Ave. suffered minor injuries in the mishap.
Damage to both cars was estimated at over \$2,000.

It's Police Day In Sanford Monday

It will be Police Day in Sanford Monday.
Open house of the city's sparkling newly renovated jail will be held from 1 p.m. to 8 p.m. and at the same time memorial services will be held at the Sanford Benevolent Association Building on Seminole Blvd. for law officers who have died.
The new jail will be ready for occupancy by June 1, according to Police Chief Roy Williams but the second floor of the present facility will still be utilized for prisoners.
City Manager W. E. Knowles reported that the ground floor of the jail will be vacant until the City Commission decides what they want to do with it.
The new jail will have dou-

PAT McKINNEY . . . Withdraws From Race

Krider Meets With C Of C In Casselberry

By Jane Casselberry
John Krider, director of the Seminole County Chamber of Commerce, met Thursday night with the newly reactivated Casselberry C of C to assist in laying foundation plans for a continuing and growing organization.
He advised the group to "start small and build a good, solid organization if you want to assure future success and growth."
Krider was accompanied by Richard Deas, president of the county chamber.

Fight To Go On

WASHINGTON (UPI) — Northern liberals served notice today they would fight to keep literacy test legislation before the Senate regardless of the outcome of Monday's scheduled vote on curbing debate.

CHIEF ROY WILLIAMS . . . Welcomes All

The Sanford Herald

WEATHER: Cloudy through Saturday. High today, 90-95. Low tonight, 70-75.
VOL. 53 United Press Leased Wire Established 1908 SAT. MAY 11, 1962 SANFORD, FLORIDA NO. 450

Bulletin

The Association of American Railroads, testifying before the Senate subcommittee claimed that the cross-Florida barge canal would cost between \$350 and \$400 million, rather than \$166 million as stated by the Corps of Engineers.

news... BRIEFS

Earth Tremors
MEXICO CITY (UPI) — A series of at least three earth tremors shook Mexico City early today and sent thousands of fear-stricken persons running into the streets.

Armed Robbery
CHICAGO (UPI) — Roger Scott Touhy Jr., whose father, gangster Roger "The Terrible" Touhy was shot and killed in 1959, was found guilty today of armed robbery.

Special Hearing
WASHINGTON (UPI) — Georgia asked the Supreme Court today to hold a special hearing at an early date on the constitutionality of the state's county unit election system.

Bid Turned Down
WASHINGTON (UPI) — The Interstate Commerce Commission today turned down a request for cancellation of Southern Railway's proposed two-thirds rate cut on grain shipments to the South.

Airstrip Gone
VIENTIANE, Laos (UPI) — Royal Laotian Army forces blew up the airstrip at Ban Houei Sai early today and fled across the border into Thailand in the face of a relentless Communist drive south from Nam Tha.

Being Held
WASHINGTON (UPI) — Harvey J. Brudner, the New Jersey physicist who hired the first Negro sent north by the New Orleans Citizens Council, was held today in District of Columbia Hospital for mental observation.

Roundup
ALGIERS (UPI) — French authorities announced today they have rounded up some 50 Europeans in Algeria, including a number of prominent community leaders, and are planning to expel them in a new move to crush Secret Army (OAS) terrorism.

Estes Scandal To Make Tea Pot Dome Small Stuff

WASHINGTON (UPI) — Tower said, "I feel that he got favored treatment."
The senator said he was new on the job and did not turn the complaints over to the Justice or Agriculture de-
partments. But he said he was sure the information also was brought to the attention of government investigative agencies.
Earlier, Chairman John L. McClellan said his senate investigations subcommittee has subpoenaed records of Estes which are said to include the name of officials not yet publicly identified with the case.

War Surplus Bombers Seized

NEWARK, N. J. (UPI) — Two U. S. war surplus medium attack bombers headed for "a foreign destination" have been seized by order of the State Department and two more are expected to be seized later today.
Lawrence Fleishman, supervising customs agent for New Jersey and New York, said the planes were seized to "prevent their illegal export from the United States to a foreign destination." State Department officials in Washington said no export license had been issued for the planes, but they would not identify the sellers or the buyers or say where the planes were headed.

Douglass To Help

TALLAHASSEE (UPI) — Attorney Dexter Douglass, who missed by 88 votes being second man in the Ninth Congressional District Democratic run-off, threw his support to Hal Davis of Quincy Thursday and said he would not contest the election.

Five Day Delay In Carpenter Shot

CAPE CANAVERAL (UPI) — Control problems in the space capsule have forced a delay of at least five days in America's next manned orbital flight, informed sources said today.
The National Aeronautics and Space Administration (NASA) had been hoping to send astronaut Scott Carpenter on a three-orbit trip around the earth May 17.

Fire Victim Still Victim

JIMMY BELL, Standard Oil employe who suffered severe burns early Thursday morning in the fire at the bulk plant on the lakefront, is still listed in critical condition at Seminole Memorial Hospital today.

Raps Baker On Statement Of Integrity

Civil Service Board Chairman Mack Cleveland Jr. Thursday night vehemently denied any pre-judging in the Emory Lee case and denied that the board had questioned the integrity of any department head in the city.
Cleveland also leveled a verbal attack on City Commissioner Joe Baker for not attending the meeting after "he had proposed this meeting between the Civil Service Board and City Commission."
On April 23, after the regular City Commission meeting was over Baker asked for a joint meeting for May 10 and although the board agreed that nothing could be accomplished, agreed to sit in on the regular civil service board meeting.
At that time, Baker was quoted as saying he felt the civil service board had questioned the integrity of some of the city employes.
However, Thursday night, only one commissioner, Tom McDonald, was present.
"Maybe I got my wires crossed," said McDonald after not seeing the other four commissioners.
"You didn't get mixed up at all," said Civil Service Board member Denver Cordell.
Cleveland Thursday night said "we never questioned the integrity of any department head. However, it was brought out at the hearing there was some laxity on their part."
"I wish Commissioner Baker were here tonight. It seems or were here tonight. It seems this meeting and I wish he would clarify some of those statements he made face to face," Cleveland said.
"He should have shown us the courtesy of coming here," Cleveland added.
Cleveland said the board would be willing to meet with the City Commission anytime or place but "we will not justify our decision. If the purpose of any joint meeting is to justify what we did in a public hearing, then I for one would not be any party to it."
"We gave everyone a chance at the hearing on Lee to have his say," Cleveland added.
Cordell said there were a lot of things that were not brought out in the case at the hearing but "why go into that." He didn't elaborate.
Early last month the Civil Service Board held a hearing on Lee, who was fired by the city. The Civil Service Board had mitigated the dismissal of Lee to a 30 day suspension without pay.
However, soon afterwards, Lee resigned.
At the meeting Thursday night, another member of the Civil Service Board Dr. Vincent Roberts said "if the city is not satisfied with my job they can reappoint someone else."
Dr. Roberts as well as Denver Cordell's term expires in June.
Cordell said "there will be some new faces around here I'll bet." Roberts was appointed by the city board while Cordell was elected by city employes.

NEW KIWANIS CLUB the South Seminole, North Orange Club, received its charter at Charter Night ceremonies held Thursday at the Altamonte Springs school. From left are President Ed Kirchhoff of the Sanford Kiwanis; President Pitt Varney of the new club; Dr. James W. Parrish, Kiwanis Governor from Stetson University in DeLand and President Mike Zimmerman of the Winter Park Kiwanis. The Winter Park and Sanford Clubs sponsored the new club. (Herald Photo)

Longwood OK's Water Ordinance

Longwood passed its second new ordinance in as many weeks Thursday night when the council unanimously approved the long studied water ordinance to become effective July 1.
The ordinance, also hanging fire for the past several months, was passed last week.
Primary changes in water department operations affected by the new rules and regulations center around the billing and responsibility of payment for water.
Bills will be mailed quarterly on Jan. 15, April 15, July 15 and Oct. 15 and will be delinquent by the 10th of the following month after each billing.
Rates will be \$6 for the first 15,000 gallons. Beyond this point, 30 cents per thousand gallons will be charged up to 45,000 gallons, 25 cents per thousand up to 115,000. Any amount from thereon will be charged at 20 cents per thousand.
Twenty-five per cent of each quarterly billing will be added for dwellings outside the city limits which are serviced by the city water department.
A \$10 permit for all water connections will be required and will be returned if all bills have been paid in full. Meter installation will require a \$50 fee.

Baptists Continue Effort To Oust Pastor

Another step in the fight to have the Rev. Mr. Lewis D. Haines removed from the pulpit of Altamonte Springs' First Baptist Church was taken Wednesday with the dispatch of a petition signed by the heads of 40 families to Maurice Barnes, Winter Park, moderator of the Wekiva Baptist Association.

US Studies Rout Of Lao Forces

WASHINGTON (UPI)—U.S. officials expressed concern today over the rapid and apparently disorganized retreat of royal Lao army forces from the Communists in northern Laos.
President Kennedy discussed the situation with top military, diplomatic and intelligence officials at the White House late Thursday, and there was another meeting at the State Department Thursday night.
A letter was also mailed to Haines, signed by the recipients of the "dismissal" note, requesting him to resign from his pulpit.
According to one member of the congregation, "the charge and recent conduct of the minister make his continued occupancy of our pulpit impossible."

Federal Control?

TALLAHASSEE (UPI)—A special committee of the Florida Educational Television Association was ordered Thursday to find out whether acceptance of federal funds would result in federal control of programming.

'WELCOME HOME DADDY' says this youngster to his dad who arrived with VAH-9 Thursday afternoon after a five month deployment with the sixth fleet in the Mediterranean.
