## Lighting Contest Judges Announced By Jaycees

Five judges have been named to choose the winning displays in the 1935 Jaycees Christmas Lighting Contest.

Those named to select the top entry in the five divisions of the Seminole County Junior Chamber of Commerce Christmas display competition are: Willis B. Jones of Jones Electric Co., A. F. Ramsey of Ramsey Florists, Lt. (jg) J. J. Sapitowicz of the Sanford Naval Air Station, Mrs. Elda Nichols of Nichols Studio, and Mrs. Frances Fisher, Art teacher at the Sanford Junior High School.

Names of the judges were announced today by John Alexander, chairman of the Jaycees Christmas Lighting Contest.

Judging of the entries will take place between 7:30 and 9:30 nightly for the duration of the contest in order that the judges will be allowed ample time to check all entries carefully. For this reason, the Jaycees committee urges those who plan to enter the competition to get their entries in as early as possible.

An entry blank will be found in the Sanford Herald three times each week for the convenience of residential Christmas lighting contest.

There are four divisions in the residential Christmas lighting contest. Each division first place winner will receive a \$25 U. S. Savings Bond. Each division second place winner will receive (Continued on Page 8)

WHOW! AND CHRISTMAS STILL three weeks away with the stack of packages mounting by the hour! Postmaster Joe Field mops a moist brow as he lends a hand in the sorting and routing of incoming parcels. (Staff Photo)

## Mailing Christmas Cards Early Stylish

Sanford's postmaster Joel Field, looking forward to one of the busiest seasons in local post office history, sounded a fashion note in Christmas card mailing.

It is stylish, he said, to mail Christmas cards early.

With Christmas only a little more than three weeks away, the Post Office is geared up right now to insure the delivery of all gift packages and Christmas cards by December 25th, but your cooperation is essential, Postmaster Field said.

The Postmaster said that there has been a continuing trend in the Sanford Post Office of the early posting of Yuletide greetings. It has been predominantly noticeable during the past five years, he said.

Pointing out that the style is growing, he said "The best people are doing it."

And, says the Sanford Postmaster, this year's Christmas rush at the post office is going to be the biggest yet. "An unprecedented volume of mail," is the way he explained it.

This year, said Field, all of the mail coming into Sanford and going out will be handled through the Post Office. There will be no substitution for the mailing of packages or the distribution of packages and mail.

"We found that the most popular gathering place in town has the line that forms at the package and stamp windows at the post office," he said. Delays now in getting your Christmas cards and gift packages to the Post Office may cause a slow-up all along the line. Then, there's always the danger that commercial shipments and incoming Christmas mail will conflict with the outgoing operations.

In conclusion the Postmaster said that he was glad so many people are getting their Christmas cards and gifts for distant points. Every Office may cause a slow-up all along the line. Then, there's always the danger that commercial shipments and incoming Christmas mail will conflict with the outgoing operations.

Postmaster Field directed his appeal especially to the "lady of the house" because she usually seals the Christmas cards, buys the gifts, and sees to it that the Christmas mailing list is up-to-date.

Questioned about the date by which Christmas cards should be mailed, he said: "Christmas cards should be posted by the 10th or 12th of December."

"To put off mailing Christmas cards until the last minute results in an extra burden being placed on postal employees and postal facilities."

"Every facility of the Sanford Post Office will be put to work so that this year as in the past, the Post Office will be cleared, if possible, of all Christmas cards by Christmas."

Predicting that this year's Christmas mail will set a new all time record, exceeding even the thousands upon thousands of pieces of mail handled here in

## 3 Auto Accidents Over Weekend; Charges Placed

Three accidents in Seminole County were investigated by Florida Highway Patrol Trooper T. Mark Mack over the weekend.

A 1917 Buick was found abandoned Saturday night about 9:45 on Red Bug Road. The car, turned over in the ditch, was a total loss.

Trooper Mack said the car is believed to be the property of an Oviedo Negro, David Robertson. George Lewis Burgess, 23-year-old Winter Park Negro, traveling west on Duval Hills Road west of Altamonte Springs at 1:35 p. m. yesterday, lost control of his 1937 Pontiac as he attempted to pass another car on a curve.

The car turned over causing damage estimated at \$100. Burgess received possible fractured ribs. FHP Trooper Mack says he will be charged with reckless driving and no drivers license.

In Lake Mary yesterday at approximately 4:30 a 1930 Chevrolet driven by Clarence Johnson, 22 came out of Washington Ave. into the path of a 1934 Willis station wagon driven by William John Hexamer, 19, at home on leave from the Air Force.

Damage to each car was estimated at \$100.

Mrs. Mildred Hexamer, mother of the driver of the Willis station wagon received contusions in the head and knee. She was taken to a Sanford doctor for examination.

Trooper Mack said charges of reckless driving and no drivers license will be placed against Johnson.

Weather  
Fair through Tuesday with slow warming trend but fairly cool again tonight; low tonight 50 to 60

# Target Practice Ends In Youth's Death

GARDEN OF THE MONTH, named Saturday by the Sanford Garden Club, is at the home of Mrs. R. T. Cowan, 118 North Summerlin Ave. Shown above is the picturesque home of Mrs. Cowan. At

far right Mrs. Cowan is shown as she stands surrounded by colorful blooms in her garden. Mrs. Cowan's home is the second to be chosen in the project of the local garden club. (Staff Photo)

## 3 Boys Shooting Tin Cans

A 15-year-old junior high school boy died late Saturday afternoon from a bullet wound in his head inflicted while "shooting tin cans" with two of his friends.

David McGuire, of 2431 E. Pine St., Orlando was hit in the back of the head with the bullet from a 22 rifle that possibly "glanced or ricocheted," according to Seminole County Deputy Sheriff Morgan McClelland.

Three boys, David McGuire, Carl Wells, 18, 1317 Portland Ave. and John Williams, 15, 111 Illinois Ave., all of Orlando, were shooting their 22 rifles in the rear of Sanlando Springs when the accident occurred about 3:10 Saturday.

"We were shooting at tin cans," John Williams told Deputy Sheriff McClelland and Ed Cowan who investigated the accident.

"I stooped over and shot," he said, "and I don't know whether the bullet glanced or what."

Deputy Sheriff McClelland said that Williams ran to Sanlando Springs where he reported the accident to L. B. Gross.

Gross called an ambulance and reported the incident to the Seminole County Sheriff's office.

McGuire was rushed to the Seminole Memorial Hospital but later was transferred to an Orlando (Continued on Page 8)

## Operation Of Blood Bank Told

The United Church Blood Appeal sponsored by the churches of Sanford, is designating Tuesday, Dec. 11 as "Blood Donor Day". This is planned as the first in a series of several such days when regular deposits of blood can be made, the donor receiving in exchange credit for the blood which can be later withdrawn or transferred — similar to the method by which money is withdrawn, or transferred by check, in a commercial bank.

The United Church Blood Appeal is operating in conjunction with the Central Florida Blood Bank, located in Orlando, which maintains, at all times, a supply of freshly drawn blood of all types — ready for instant use.

Mrs. F. S. McCall suggested the idea and Mrs. F. D. Scott, project chairman for that year, and Herold Heckenbach, principal of the school, agreed with the idea immediately.

It took only three weeks to prepare for the event last year as the project became official at a meeting on the second Thursday in November.

Then, on the first Friday night in December, the realization of the Peanut Bowl came to life. It was a success in every way; a large crowd was on hand to see the game; over \$500 was cleared as a result of the new idea.

Because it seemed to be a "natural," the PTA of Sanford Grammar School voted it as the permanent money-making project.

Ted Williams was the first chairman and Jim Buckler is the chairman of this year's event.

Since last year much progress has been made. The half-time show which has to be designed to include every child in the school was planned during the early summer months. After learning from past experience that three games were too much for the crowd, it was decided to have two games, a runner up and the championship game.

The unique part of the Peanut Bowl is that it includes the entire teaching staff (even the secretary has her part), all the pupils, and all of the parents. It is designed to be a cooperative project with all taking part and the children really the only gainers as the money earned will be spent for books and equipment so they can better learn.

It hasn't taken much time away from class periods to prepare for the Peanut Bowl. The boys in the game would be playing football during their physical education (Continued on Page 8)

## Peanut Bowl Game 2nd In School's History

The Peanut Bowl Game to be played Friday night at the Sanford Memorial Stadium is the second in the short history of the Sanford Grammar School sports project.

Idea of presenting the Peanut Bowl as the Sanford Grammar School's PTA money making project came out of a meeting during the latter part of October 1933.

Mrs. F. S. McCall suggested the idea and Mrs. F. D. Scott, project chairman for that year, and Herold Heckenbach, principal of the school, agreed with the idea immediately.

It took only three weeks to prepare for the event last year as the project became official at a meeting on the second Thursday in November.

Then, on the first Friday night in December, the realization of the Peanut Bowl came to life. It was a success in every way; a large crowd was on hand to see the game; over \$500 was cleared as a result of the new idea.

Because it seemed to be a "natural," the PTA of Sanford Grammar School voted it as the permanent money-making project.

## Garden Of Month Is At Picturesque Cowan Residence

If ever you are seized with nostalgia for that glamorous city of New Orleans, take a drive along Summerlin Avenue in Sanford and pause before the beautiful grounds and home of Mrs. R. T. Cowan. The gracious lines of its architecture, with a gallery of fretted ironwork circling the second story (the hallmark of New Orleans homes of quality) would do that Louisiana street called the Vieux Carre proud.

The lawns, outlined with shrubbery and colorful crotons reflecting sun and sky gleams, has been chosen by the beautification committee of the federated Sanford Garden Club as the Garden of the Month. Moss hung, age old trees wave approval and clumps of azalea, hiding through the night from frosty fingers, are encouraged by the morning warmth of trust

## Lcdr. G. Tilley To Take Command Of USS Sussex

Friday, November 30, was the last day of duty aboard Sanford Naval Air Station for Lieutenant Commander George K. Tilley, USN, Security and Shore Patrol Officer of the Station for the past 32 months.

LCDR. Tilley has received orders to assume command of the cargo ship, USS Sussex, in the U. S. Pacific Fleet.

Replacing LCDR. Tilley as Security Officer of Sanford NAS, is LCDR. Lawrence Ems. (Continued on Page 8)

## Basketball Season Opens In Oviedo

By Marian Jones  
OVIEDO—Despite the intense cold we sallied forth to the first Oviedo basketball game Friday evening. Arriving at the school gymnasium we watched with interest as Marguerite Partin's lassies had their pictures taken, then as Paul Mikler's quintet did the same. Then it was game time.

Mrs. Partin seemed to be dubious over her girls' chances, but from the beginning such fears were soon dispelled.

The lassies soon jumped to the lead and maintained it throughout the entire one-sided fracas.

I took quite a bit of "ribbing" for having written that the Oviedo girls would face the powerful Pierson five. I could only console myself with the fact that they had been powerful in all of the 28 years I had been a spectator at their games.

The first quarter ended 13-20 in favor of Oviedo on the leading side. The team works in smooth precision and with such rapidity.

Substitutes were sent in so fast it was difficult to keep pace. Half-time score was 4-11.

Stalwart little Peg Fleming, alternate captain, was "right on the beam" with her shots Friday night, as were Melana Jackson, Kay Estes, captain, Katherine Mikler, Virginia Wrye, Mary Ann Slayton and Marlene Helburn.

We noticed how much Mary Ann had improved. She is the tallest girl on the team, way over six feet, and good on rebounding, too. It was our first time to see the Helburn girl in action, as she is only a Freshman this year. She shows a great deal of promise for the future, as does Virginia Wrye and Katherine Mikler, sophomores. They all seemed to be good on foul shots as well.

Ann Deshaio, a newcomer to the team, seems to have inherited some of her mother's qualifications as an All-American player. She is fast as lightning and can grab that ball when it seems almost impossible to do so. Georgia Dushman, a Junior, used her quickness and height to good advantage in wrestling the ball from the opponent.

In that line, Karen Boatwright, a sophomore, June Fleming and Pat Jackson, all freshmen and guards, displayed signs of being "good future teamers."

"We think Marguerite deserves a lot of credit for such a wonderful team."

The boys game got underway and moved rapidly forward. Coach Mikler's boys used speed and accuracy to supplant height. The first quarter ended 13-20, Oviedo.

Here again substitutes went in so rapidly we could hardly acquaint ourselves with the newcomers before they were pulled out again.

Luther Duda, captain of the (Continued on Page 8)

Garden Club To Stage  
Coffee At Mayfair

By MRS. RUTH ERICKSEN  
One of the outstanding social events of the year will be held Thursday at the Mayfair, beginning at 11:00 a. m. when the Sanford federated garden club will hold its annual coffee and reception. There will be two hours of festivities, with Mrs. Irwin Fleischer, chairman, greeting visitors and extending an invitation to everyone in this vicinity to attend this once-a-year program.

Mrs. L. P. Hagan and Mrs. Edward Lane will receive at the head of a list of hostesses, volunteering from each Circle. Tickets will be taken by Mrs. L. E. Spencer and Mrs. W. H. Stewart. Mrs. C. M. Flowers will supervise the beautifully decorated refreshment tables and pouring coffee from her barium silver loaned by members of the standing committees.

The Mary-Esther shop has gone all out in furnishing modish frocks and stylish ensembles for the svelte garden club models who will be shown in an hour's program of formal, beach and daytime offerings as described by Frank Mebane, commentator. Showing the creations will be: Mrs. George Hardin, Mrs. Charles Cole, Mrs. W. E. Kitchoff, Mrs. Fred Ganas, Mrs. Robert Stone, Mrs. George Baker, Mrs. John Morgan and Mrs. H. N. Sayer.

The Mayfair's reception rooms will be highlighted by Christmas arrangements and door decorations furnished by each Circle. There will be a prize for some fortunate guest and a special "pull of the day."

## What Is Football Player?

This is dedicated to the SHS Football Team. Between the innocence of boyhood and the dignity of man, we find a sturdy creature called the football player. Football players come in assorted weights, heights, Jersey colors and numbers, but all have the same crowd to play every second of every game to the best of their ability.

Football players are found everywhere—underneath, on top of, running around, jumping over, passing by, twisting from or driving through the enemy. Teammates rub them, officials penalize them, students cheer them, mothers idolize them, coaches criticize them, college girls adore them, alumni tolerate them, and mothers worry about them. A football player is courage in cleats, hope in a helmet, pride in pads and the best of Young Manhood in moccasins.

When your team is behind, a football player is incompetent, careless, indecisive, lazy, uncoordinated and stupid. Just when your team threatens to turn the tide of battle, he misses a block, fumbles the ball, drops a pass, jumps offside, falls down, runs the wrong way or completely forgets his assignment.

A football player is a composite—he eats like Notre Dame, sleeps like Notre Dame, but more often than not plays like Grand Canyon Grade School. To an opponent's publicity man, he has the speed of a gazelle, the strength of an ox, the size of an elephant, the cunning of a fox, the agility of an acrobat dancer, the quickness of a cat and the ability of Red Grange. Glen Davis, Bronko Nagurski and Jim Thorpe—combined.

To his own coach he has, for press purposes, the stability of a mule, the feistiness of a snail, the mentality of a mule, is held together by adhesive tape, hair, wire, sponge rubber and has about as much chance of playing on Saturday as would his own grandfather.

To all alumni a football player is someone who will never kick as well, run as far, block as viciously, tackle as hard, fight as fiercely, give as little ground, score as many points or generate nearly as much spirit as did the particular players of his own yesterday.

A football player is a wonderful creature—you can criticize him but you can't discourage him. You can defeat his team but never his spirit.

Might as well admit—be you alumnae, coach or fan—he is your personal representative on the field, your symbol of fair and hard play. He may not be an All-American but he is an example of the American Way. He is judged, not for his race, religion, social standing or finances, but by the democratic yardstick of how well he blocks, tackles and sacrifices individual glory for the overall success of his team.

He is a hard working, untiring, determined kid doing the very best he can for his school. And when you come out of the stadium, grousing and feeling upset that your team has lost, he can make you feel slightly ashamed with just two sincerely spoken words—"We tried!"

## 1956 Football Season Closes

By WANDA GILBERT

Yes, Friday night's game brought to a close the football season for '56, but a new one will be here soon.

Even though this was the last game it was the best by far. Maybe things seemed far better because of the enthusiasm shown. After sending smoke signals Thursday night, homecoming got off to a roaring start.

The Homecoming parade was the best ever. More spirit was put into the success of it. Feet of every size and description were seen bearing posters and signs of almost every club at SHS.

The game was the really important part of Homecoming. The boys put everything they had into it. The cheerleaders along with the "Pep Club" cheered them on all the way.

During half-time the band and "Pep Club" carried out the traditional pageant.

Complete with Indian feathers and fringed attire the "Pep Club" beat their tom toms while the majorette corps did an excellent job portraying chiefs. The Chief Seminoles, along with his warriors arrived on the grounds and decided to burn those "Red Devils" at the stake. Poor Devils! I to bad the "peace pipe" didn't bring peace for him. The bow and arrow must have really got him.

After the presentation of the sponsors the band and "Pep Club" made a joyous exit knowing the football season was over. Everyone was anxious for it to come again.

This half-time show was the best of the season. It was enjoyed by all.

So with this we bring to a close the happy times spent cheering and urging our own team on!

SHS HOMECOMING SPONSORS and their escorts as they reigned over the Homecoming festivities Friday night. The sponsors are (left to right) Dottie Matto, Carol Nutt, Sylvia Price and Bobbie Crutchfield. The escorts (left to right) Billy Bishop, Bill Kirchhoff, Al Stanley and Donald Mathieu. (Photo by Jameson)

## Meet SHS Faculty

Teacher of the week, Mrs. Mae Daly Fort is doing a superb job as Dean of Girls and Assistant to the Principal.

Mrs. Fort, along with Saidee has charge of all the girls helping out in the office.

Mrs. Fort, besides all her many other activities, teaches chemistry and can be found most anytime in the lab of the chemistry room trying to explain some chemical phenomenon.

MRS. MAE FORT  
(Staff Photo)

## Question Of Week

By DALE LEWIS

Perhaps it's a little early to be asking this question; however, Santa is so busy this time of year that it may be a good idea to get our orders in now!

What would you like Santa Claus to bring you for Christmas, and why???

Henry Cason...Terry Moore because she has "more" than Jim Warner... "Brains" to go to college.

Jean Ann Nelson...Jo Jo to put under my Christmas tree!

Miss Robn...Snow!! Because I only see it three weeks out of the year.

Faye Garner...Rock Hudson cause he's such a doll!

Sylvia Price...I want to know what Al's going to get me!

Shirley Anderson...Money! So I can have a ball.

Tommy Acker...You can't put what I want in the paper!

Edna Cowan...I'd like him to bring me a picture of my parents to take away to college next year.

Nancy Cash...Clothes, clothes, and more clothes!

Shirley Morgan...Edward Chenault, I've got my reason!

Sidney Vihlen...A pretty doll, 5' 3" tall, about 105 lbs., long dark hair, and big ol' brown eyes.

Tommy Waters...Natalie Wood, no comment!

Jeanette Dandridge...Someone tall, dark, and handsome that drives a Cadillac convertible with plenty of money in the trunk!!!

J. D. Stone...A winning football team next year!

Billy Bishop...A real cute present to give a real cute girl, E. Kay Ivey...Two jaw teeth cause I don't have any!

Duke Schrader...Santa Claus should bring Kay Ivey ten pounds of reducing candy!!!

## Program On Books Given At Assembly

I know that everyone enjoyed Tuesday's assembly. Miss Chittenden gave a program on books and their authors. It was something like a panel show.

There were two representatives from the Freshman, Sophomore, Junior and Senior class. The representatives were all supposed to be well versed on books. Miss Chittenden asked each couple a question, if they answered it, they would win 10 points. If they just answered half of it, they would get only five. The sophomores won by five points. Much to the Juniors sorrow.

Next on the program was the ever-famous music of the Seminole High School Dance Band!!! This was enjoyed by all. Oh, by the way, the dance band played for the dance Friday night after the Homecoming Football game.

Well that's it for this week, see ya' next week!

## Mystery Co-Ed

By PENNY MARIAN

Here I am with another mystery co-ed hoping I'll have "oodles" of answers. For those who did not read the "Smoke Signals" last week, our mystery co-ed was Pat Harrington and our wing was Juanita Wynn.

I've had trouble deciding who to describe but I've finally decided a cute senior girl will be the one. Even though she wasn't born in Sanford she is considered a native because she has lived here so long. She's a girl with drive behind her, a natural leader. She is quite active in the glee club, Tri-Hi-Y, rally staff, student council, and a cheerleader. Gracing the halls at the height of 5' 7 1/2". She weighs 125 lbs.

That is my description for the week. Place your answers with the time and day in the orange box outside of Miss Stevens room. Remember you win a free pass to the Ritz. Also you cannot win twice in succession.

Did you ever stop to think how many people a visiting nurse sees in the course of a day—with how many different ailments? And how does she stay so healthy herself, and avoid carrying one person's germs to another? Well, she puts as much importance on clean hands as hospitals do—and as much as every homemaker ought to do.

When you add ginger ale to a fruit drink, do so just before serving and stir lightly so as not to disipate the carbonation.

## Gossip Clouds

Why does Trezzy jump up and run to the phone every time it rings? Could it be she's expecting a call from Glynn?

Why do you think Lois is so lucky about the homecoming. Bet! C'mon, give! P. S. What's this we hear about your asking "Mr. Wonderful" to that church party?

Say, Jackson, who's that senior boy you've got such a crush on? Guess you won't be singing "that" song anymore, huh?

"Question of the week": Does Henry really like Audrey as much as she thinks he does?

Why does Una N. try to hold hands with Johnny during 3rd period English? Could it be those hands look like Jimmy's?

Congrats to Pat Harrington for being unanimously elected by the Majorettes as their head for homecoming! Don't give them too many pink cards, "Miss P."

Shirley A. and Johnny are really back on good terms again. We sure are glad, Shir!

Looks like Bill is after another steady. Better watch him. Evelin Nan's still looking forward to the postman's visit! P. S.: Why do you idolize "Miss P's" ex-ex-ex-so-o-o much, Cusi? H'mmmmmmm!

Say, Teddy, "The Great Pretender," Walker, why fo' you want you'r freedom?

What senior girl has been caught recently envying her B—R? We have no sympathy for you Mary. Grace—you should have known ELVIS wasn't so wonderful in the first place.

What senior girl in the 5th period English has a strong liking for trying to keep up with the Joneses.

What do we teenagers see in Elvis—He is young, he speaks our language, and he is different. If anyone gets vulgar thoughts from watching Elvis perform, I assure you it isn't Elvis; it's the person himself. The thing he does is for entertainment and laughs. Maybe Elvis will be a passing phase but why don't you give the guy a break. If you don't like him or don't approve of his act that is your privilege, but why make jokes about him and try to ruin it for the rest of us???

Thank you for reading this article—Cathy Carlos.

## Ann Crisholder

### Advice For Lovelorn

Dear Miss Crisholder, I am seventeen years old and a Jr. I want to get steady with a boy, but my mother says "no". How can I tell her how wrong she is??

Worried—NR

Dear N R, Before you begin to tell your Murray? She is about 5'5" and has blue eyes (kinda' like Bobby's).

For the first time in history the public was allowed to see Lois B. and Kaye J. without their masks. Did you see them Friday on the Glee Club float?

Jim W.—Why are you playing so hard to get? We know of a whole stack of girls who'd give their eye teeth to date you. Especially a certain majorette. C'mon Jim, give us a "twirl"!

How did Lee acquire the nickname of "B. P."?

It seems as if Fred Behrens has a terrific crush on Ann V. Oh Ann, what happened to Sonny?

Seen walking around the halls of SHS arm-in-arm were Ronnie Giles and Susan Waters. This could prove interesting!

A new couple around school is Richard Phagan and Penny Marion — "Pen" is a petite blonde and hails from Virginia. She is indeed one gal with a lot on the "ball" — Richard is outstanding in football and enjoys the sport very much, also Richard is president of the Junior Class and is a born leader. Congratulations to our "couple of the week"!

Johnny W. looks lonesome walking alone to class, without Mary Grace. Sorry you're sad Johnny.

Brantley says that Linda sure did look natural in that majorette uniform in the Christmas parade, horns and all! The only tribute—she should have had a pitch fork instead of a "baton".

Dear Miss Crisholder, My girl friend flirts with almost every boy in school. Is there anything that I can do about this? ? ? ? They call her Dotty! ! ! MS

Dear MS, Are you sure that you are not mistaking a natural tendency for friendliness with flirting? Jealousy does funny things to the imagination. Ask yourself if it isn't possible that she is just friendly? ? ?

## Teenager's Opinion Of Elvis Presley

Dear Public: I am a typical average American girl and this article is something I've wanted to write for a long time.

This is my sincere opinion of Elvis Presley. No, maybe he isn't the most talented person in the world, or the most intelligent or the best looking (although he Presley fans like to think so). What he possesses is far more important than these things. He has a great lasting ambition, which can't be lost or destroyed by a few criticisms or rude remarks.

Last time Elvis appeared on Ed Sullivan's TV show he closed with a heart warming phrase that will be remembered for a long time. He merely said "May the Lord bless you as he has blessed me." Any public figure could get up and speak the exact words, but how many could leave the same effect? I truly believe that those words were meant with great sincerity and appreciation.

Many people comment "Sure he is a lucky guy, look at all the money he has, why I would be doing good if I owned a fender to a Cadillac." He is lucky, but it is well-deserved luck. Things weren't always like this for Elvis. He did without many things before he became such a success, and I don't think he has forgotten. He doesn't parade around in million dollar clothes and an expression saying, "I'm Elvis Presley, and the world owes me a living." So he has four cadillacs, all his life it has been his desire to own a Cadillac. I say "more power to you Elvis." As long as he has his present attitude, I would like to see him have twice as many cars if that is what he wants.

What good is money and success if you can't enjoy it? This world would be a better place in which to live if more people had his attitude to spend money on the things he enjoys himself—instead

For Thou, Lord, wilt bless the righteous; with favor wilt Thou compass him as with a shield.—(Psalm 5, 12).

Those who love God and obey Him, who worship and glorify Him in all their thoughts and acts, are overwhelmingly filled with His love and His guidance; they know abundant joy and strength beyond all mortal compare—because the Almighty is with and within them.

IT'S NICE TO HAVE AN OVERNIGHT PASS. WE CAN STAY OUT AS LATE AS WE LIKE.

LET'S GET A ROOM AT THE HOTEL.

AM YOU KNOW HOW PACKED THE HOTEL IS ON WEEK ENDS!

IT WON'T BE A PROBLEM!

IT WON'T DO US MUCH GOOD, EITHER.

BEEBLE! I GAVE YOU THE WHOLE DAY TO DIG! AND STILL NO FOXHOLE!

WHAT DO YOU MEAN, NO FOXHOLE?

YOU'RE STANDING IN IT!

**FLASH GORDON**

I CAN ENDURE THE GUARDS TAUNTING US, FLASH, FOR THE SAKE OF PEACE! BUT DID YOU HEAR WHAT THEY SAID ABOUT THE CANNON?

YES, ROBB! MING IS BUILDING A PEACE-CANNON TO SUBDUCE HIS ENEMIES. HOW CAN WE STOP HIM WITHOUT USING FORCE?

I-I DON'T KNOW, FLASH! I GUESS THESE JUST ISN'T ANY WAY!

THEY KNOW WE CAN'T FIGHT! THEY DON'T EVEN BOTHER TO LOCK OUR CELL ANY MORE! WE JUST HAVE TO HOPE, ROBB! HOPE SOMETHING CAN STOP MING!

UMMM!

THE PEACE-CANNON IS TESTED AND READY, MIGHTY MING!

EXCELLENT! WE WILL MOVE IT AGAINST THE CITY OF THE PANTHERMEN... AND PUT AN END TO THEIR RESISTANCE FOREVER!

HA! THE GOLDEN CITY OF THE PANTHERMEN! FOR WEEKS THEY HAVE STUBBORNLY FOUGHT US OFF! NOW WE SHALL TAKE THE FIGHT OUT OF THEM! FIRE THE PEACE-BAY!

AYE, MIGHTY MING!

AND, WITHIN THE CITY...

YES! AN END TO VIOLENCE! PEACE WITH OUR BROTHER MING!

**MICKY MOUSE**

COME ON, MORTY... YOU MUST LEARN THE MAINLY ART OF SELF-DEFENSE!

BUT UNCA MICKY... I DON'T LIKE TO FIGHT!

HERE I COME! NOW DEFEND YOURSELF!

UNCA MICKY... SPEAK TO ME!

HYPNOTISM? YOU'D BETTER BE CAREFUL!

NAH! IT'S A GINCH!

ALL I GOT TO DO IS IMPOSE MY WILL ON SOME WEAKER-MINDED CREATURE!

LATER...

**THE LONE RANGER**

THEY FOUND GOLD IN THE CAVE, BUT THEY HAD BEEN ARRESTED IF THEY TRIED TO FILE A CLAIM.

THEY STAYED IN THE GULCH TO DIG AS MUCH GOLD AS THE CAMEL COULD CARRY BEFORE THEY FLED TO MEXICO.

AND SO THE CROOKS ARE IN JAIL, THE CAMEL IS BEING TURNED OVER TO THE ARMY AND THE GOLD IS WAITING FOR THE MAN WHO STAKES HIS CLAIM.

AN' I'LL SHARE THE CLAIM WITH THE FAMILIES OF MEN WHO WERE MURDERED IN THE GULCH.

THAT'S WHAT THE LONE RANGER HOPED YOU'D DO!

AAH! GOT HIM IN MY SIGHTS... SO HERE GOES!

GOT HIM!

DOWNED ON THE OWL 2!

# Airport To Serve Needs Of Entire Central Florida Area Is Must

The development of an airport to serve Sanford, Seminole County and Central Florida is vital to the entire region.

Already, planning is under way to create a new airport, which, in the past has served the most of Central Florida in a vague sort of way.

However, in the development of the new airport which is intended to supplant the present facilities, the air facilities have been moved away from the center of the activities into a spot which, from all indications, will be inaccessible and too distant from communities which depend on air travel for much of their contact with the business world and centers of the nation.

Intelligent planning now should be made for an airport which will be convenient to all of Central Florida, one that will serve their needs completely without undue hardship.

Placed in the midst of expressways, limited access highways, turnpikes, and a maze of crowded city streets, as well as in an over-developed area, the proposed "International Strip" will be out of reach to those who, because of business or pleasure, find the airways more convenient.

No doubt air line officials will agree with the theory that accessibility is one of the major factors in creating a greater use of their facilities. And such has been the theory of many cities in the south, expanding because of phenomenal growth, are moving their airports to areas undeveloped and away from industrial and residential buildings.

Months ago, The Sanford Herald proposed such a facility in a location which would have provided the ideal solution to "all of Central Florida" use without over-burdening the air traveler with bothersome traffic and cumbersome highways to cross, manipulate, and wind through, to reach with ease.

However, officials then attempted to deny that such a facility was needed. "We have sufficient room and there is no need for bigger and better airport facilities," was the answer.

But foresight, and an eye toward future planning and development, a need for a more centralized site, the necessity for twelve to fifteen thousand foot runways, led The Sanford Herald to lead the way toward the development of proper facilities for which airlines were asking.

Many communities are dependent upon a

centralized airport for their needs. Sanford, DeBary, Enterprise, DeLand, Leesburg, Eustis, Mt. Dora, Cocoa, Melbourne, Titusville and many others in the area need an easy-to-reach air center. Winter Park is another that would be hard pressed for a convenient airport which businessmen, Rollins College students, and visitors could use.

The wisest thing Seminole County planners, as well as civic leaders in Sanford and other Central Florida communities, should do would be to get together and pool their resources for the planning of such an airport.

If the economy of these communities is to be guarded—and if the economy of these communities mean anything to their leaders—the smart and intelligent move would be toward the establishment of an airport authority. This should be done without delay and with all speed ahead in order that the facilities could be ready for use when growth and expansion demand it.

Manufacturers and industrialists want these facilities so that their markets and sources can be easily reached. Military organizations need the centralized facilities for the use of their personnel for personal and social travel.

Visitors do not like to leave their cars (neither do permanent residents) at distant points to stay until their return.

An airport to serve the needs of the people can be acquired without additional taxes and with the sanction of authorities who approve the location of such sites.

Certainly the City of Sanford and Seminole County do not want their fast growing mushrooming communities to be left stranded and delegated to the title of "suburb."

The future holds too much for the commercial, industrial, tourist, and permanent resident potential of the area to let the planning of an airport be relegated to the files of "the unnecessary" or because some are fearful of tackling a problem that looks "too big"—or maybe because the feelings of a neighbor might be hurt.

This is an age of "live" or "die"—"Grow up" or "shrivel up"—and Sanford and Seminole County are both too big, too important, too necessary to take the latter of either.

An airport is necessary for the future of the entire area—and certainly it is a must for Sanford and Seminole County.

# Cost Of Living Is Rising Again

By SAM DAWSON  
 NEW YORK (AP)—The cost of living is up again with predictions for more of the same.

Government figures also put the average take home pay of factory workers at a new high. This is all to the good.

But more than half of the nation's bread earners don't work in factories. For those whose incomes haven't increased in line with the government's consumer price index the slow rise in the cost of goods and services is scarcely a cheerful prospect.

When the government announced its cost of living index had set another record, the pay of some where close to two million workers went up automatically. Each year more labor wage contracts include this escalator device.

The latest rise in the cost of living index was credited in large part to the nudge given by the higher price tags on the new model cars. The rise in the index gave a million auto and farm equipment industry workers a two-cent an hour pay boost. High-

er price tags on new cars sent the index up and automatically boosted the cost of making cars and tractors.

Much of the most recent rise in prices throughout industry has been credited to the hike in the price of steel that followed the wage boost at the end of last summer's strike.

The latest rise in the cost of living index also all but assures that steel workers will get a three cents an hour pay boost automatically the first of the year. And even before this latest prospect many steel mill owners were insisting that still higher steel prices are needed.

The rise in prices has been slow—it isn't a runaway affair. But it has been steady.

A rise in the cost of living index often is an entirely different thing than an actual rise in the cost of living. It may affect the family's standard of living but not its actual out of pocket spending.

Take the case of meat. The government is predicting less pork production next year and perhaps less beef, too. This will send the price of meat up—an unpleasant prospect.

But the government has also found that the average family goes right on spending a fairly stable percentage of its income on meat. If prices go up it buys other things, or less expensive cuts of meat. If prices go down, it may buy more meat or more choice cuts.

Tuberculosis has been known as far back as recorded history goes.

### WHAT'S THE COMBINATION?

# England's Pubs National Institutions

By HAL BOYLE  
 NEW YORK (AP)—In mid-Manhattan a number of fine old bars are being ruthlessly torn down to make way for another 60-story skyscraper—a mere office building.

The displaced bar patrons have submitted tamely. Not one has erected a barricade or led a protest march against City Hall in an attempt to save his favorite saloon.

In merry old England, a civilized country, such a thing—the replacement of a decent tavern by a mere commercial structure — could hardly happen, at least without a great public outcry.

"Our inns and pubs are national institutions," said Fred Esgen who, with his wife Kathleen, operates the Sussex tavern in jolly old London. "They can't tear a pub down, or build a new one, without government permission."

In a month-long tour of this country Fred and the misus have noted a number of similarities—and many differences—between tavern life here and in their homeland.

# This May Be Elvis Presley Century

By ED CREAGH  
 Associated Press Analysis  
 WASHINGTON (AP)—Maybe this will become known as the Elvis Presley Century.

It's whiz, soaring, trembly in the 1-2-3 and it makes a lot of music.

while singing popular songs was a symbol of this time — that this century does a lot of wiggling and squirmying without ever getting anywhere.

MRS. HARVEY CLAUSON WILKINSON (Photo by Cox)

## Miss Yvonne Cullen Is Married Saturday To Harvey Wilkinson

Miss Gwendolyn Yvonne Cullen, daughter of Mr. and Mrs. James P. Cullen and Harvey Clauson Wilkinson, son of Mr. and Mrs. C. J. Wilkinson, were united in holy matrimony Saturday night at 8 p. m. in the First Baptist Church, with the Rev. Fred Fisher officiating at the candle-light, double ring ceremony.

The church was beautifully decorated for the occasion in a color scheme of gold and white. There were three arrangements of white full mums used with gold grapes, and in each of the widows was an unusual arrangement made of greenery, sprayed gold, and arranged to resemble a pipe organ. To complete the picture, white candles were used surrounded with gold leaves.

Potted palms were used throughout the church and in the rotunda were five seven-branched candelabra. On either side of the rotunda were white wrought-iron planters filled with tropical foliage.

Mrs. Evans McCoy, organist, played appropriate nuptial music and Roger Harris, soloist, sang "Because" "O Perfect Love" and "The Lord's Prayer".

The bride, given in marriage by her father, was beautiful in her formal gown of handclipped chantilly lace, worn over shimmering satin. The basque bodice was designed with a Sabrina neckline and long moulded sleeves ending in points over the hands. The voluminous skirt was of lace over several layers of tulle, with lace applique. Her detachable full cathedral train was of satin and was covered with small ruffles of tulle, and edged with lace. Her fingertip veil of illusion was attached to a scalloped halo of matching lace edged with pearls, and embroidered with iridescent paillettes and pearls. She carried a cascade bouquet of Eucharist lilies and lily of the valley, fashioned with loops of baby seed pearls.

The matron of honor, Mrs. Wendell Hirt, and the bridesmaids, Miss Connie Bule and Miss Glynn Sykes, wore identical dresses of pink taffeta, over which were worn overskirts of pink nylon net made in an apron effect scalloped around the bottom, with each of the scallops caught up with a pink velvet ribbon. The necklines were of matching effect with pink velvet ribbons. Their gloves of pink net came to a point over the hand and were caught at the wrist with pink velvet ribbons. They carried cres-

cent shaped arrangements of pink roses and small pink Christmas balls.

The flower girl, Miss Denise Cone, wore a dress made like those of the other attendants, but of blue. She carried a basket of pink sweetheart roses.

C. J. Wilkinson was best man for his son and ushers were Wendell Hirt, David Hosack and Earl Hatliff.

For her daughter's wedding, Mrs. Cullen chose a light green satin sheath dress, worn with matching accessories and a white orchid corsage. Mrs. Wilkinson, mother of the groom, wore a blue lace sheath dress with a matching lace jacket and pink accessories. Her corsage was a white orchid.

Following the wedding, a reception was held at the Woman's Club, which was very attractively decorated for the event. In the entrance was a madonna arrangement with white loquat leaves behind white berries sprayed with glitter. Also used in the arrangement were two rope candles. Across the mantel and the front of the stage were used nosegays, fashioned of silver and net and frosted white lace wedding bells.

On the guest book table was an arrangement of white pom-poms and a flowing fountain.

The bride's table featured a four-tiered cake topped with miniature bride and groom.

Elsewhere around the room were arrangements of white camellias and pom-poms.

Serving at the reception were Mrs. Bob Steele, Mrs. Chal Harkey, Mrs. E. B. Smith, Mrs. James Wright, Mrs. Denver Cordell, and Mrs. Earl Dosey. Miss Shirley Anderson kept the bride's book and Miss Kay Jenkins was floating introducer. Mrs. Henry McLaughlin introduced the guests to a receiving line composed of Mr. and Mrs. J. P. Cullen, Mr. and Mrs. C. J. Wilkinson, the bride and groom, Mrs. Wendell Hirt, Miss Connie Bule, Miss Glynn Sykes and Miss Denise Cone.

For a honeymoon trip to Miami, Mrs. Wilkinson chose a tan wool suit, worn with a brown suede blouse and brown accessories.

Upon their return the couple will make their home at 121 W. 19th St.

The bride was born in Sanford and attended local schools, where she was a member of the Glee Club, the Triple Trio and the Latin Club. She is employed by Hunt McRoberts. The groom

## Limelight On Lyman

By Elmy Kimball

After a four day vacation last week it was hard getting back in the swing of things at school. Everyone had a wonderful time, especially the girls who saw "Love Me Tender." They really had a ball!

The students are quite happy this week as over \$400. worth of new books have come into the Library. These were made possible through the W. J. Hudson Memorial Fund. They were on display for several days for everyone to see, but as soon as they were catalogued every book was checked out and there is a long waiting list.

On Nov. 21, Lyman closed out the football season with an exciting game at Hastings. Even though we were beaten 13-7 Lyman played about the best ball they've played all season. Howard Judah made the Greyhound's one touchdown on a sneak from the four yard line. The week before, at our Homecoming game, the Mt. Dora Hurricanes slipped by us 13-7. In this game Kenneth Miller received a pass from David Stevens and ran sixty yards for our lone touchdown. The Greyhound squad will be greatly hampered next season as eight senior boys will graduate. They are Moe Helms, David Stevens, David Redwine, Ralph Durning, Pete Van Horn, Jimmy Hopkins, Ronnie Gosette, and Bob McCleod.

The girls basketball team consists of thirteen players, Lynne Joyce, Judy Hines, Marion Bates, Donna Smith, Doris Rabies, Bonnie Allen, Patay Hollis, Janet Hines, Nancy Whitehead, Kitty Kimball, Donna Lou Barnes and Judy Bowersox. Their first game is Dec. 14, when they travel to Mt. Dora.

In the girls' volleyball tournament the sophomores remained unbeaten through the entire tournament. In the final game they triumphed over the seniors 41-30, making them the official champs.

The boys have been diligently practicing for their first basketball game on Dec. 7, when they play Apopka. Coach Payne has not as yet selected the A Squad. Coach Proctor is coaching the B Squad and Junior High Team.

On Nov. 17, the Varsity Club sponsored a bake sale in Longwood which netted \$38. The money will be used to help pay for the football jackets which have been ordered and should arrive before too long. They are planning another sale for Dec. 8. The Varsity

was born in Daytona Beach and attended schools there and in Sanford. He is employed by the Coca Cola Bottling Co.

## Conning The News

BY VIRGINIA CONN

The Station wives enjoyed a luncheon at the B.O.Q. Thursday, and played bridge afterwards. Geneva Quikert was the hostess. Attending were Muriel Hawkins, Della Hibbard, Mary Gobel, Lucille Mitchell, Dot Leary, Sally Love, and Joy Webber. Joy won high at bridge, Della was second, and Dot had a poor run of cards.

A lovely tea party was given Thursday afternoon for Diana Miller. Hostess Lil Gray had arranged for her tea table ruffled and yellow chrysanthemums flanked by cypress knees. Cat tails completed this unusually handsome centerpiece and on her porch was a cornucopia overflowing with vegetables and fruit. Anita Hadden poured tea. Diana received as a farewell gift from the girls in HATU a large tote bag. Each girl in turn brought a gift to fill in for her trip across country. Attending were Mae Edwards, Betty Mountcastle, Anita Hadden, Marty Millsaps, Betty Lemoe, Mar Libbey, Mildred Loper, Polly Savage, Katie Jackson (looking lovely after her illness), Ruth Horvella, Betty Guy, Geneva Quikert, Millie Barlow, Virginia Johnston, Gay Brown, Helen Griffin, Betty McLean, Ida Radtke, Spook Hook, Camilla Metzger and myself.

Betta and Doc Linker had a dinner party Thursday night. Betta served a variety of delicious casseroles. Those present were Jane and John Miller, Paul and Retta Speltz, Tom Blackburn, Andy and Helen Garraway, Joyce Baker, and Treeta and Mike Michel.

"Bell, Book, and Candle" by John Van Druten has been selected as the first play to be done by the Sanford Little Theatre Guild. Betty McBrainie will direct it, and needs anyone interested in acting or helping backstage. Casting will start tonight at 7:30 in the auditorium of the city hall. If you would like to try out, please come down at this

Club Project for this year is to disk, fertilize and plant new grass on the football field. By next year the field should be in tiptop shape.

The School's fine Triple Trio will entertain the Altamonte Springs Women's Club on Nov. 5. The girls in this group are Lynne Joyce, Karen Dudley, Marilyn Mack, soprano, and Dianna Simonell, Audrey Dudley, Prudy Buell, Janelle Hitecock, altos.

That's all that's happening around here this week. Next Friday we'll be back with more Limelight on Lyman's shivering students!!!

time. The play calls for five people, three men and two women. So many have asked about the resumption of the Little Theatre, that I hope there will be a big turnout. And I'm sure most of you are familiar with this particular play, which enjoyed much success on Broadway, starring Rex Harrison and Lilli Palmer.

Louise Parker is now in the set of cleaning my house. We are having a farewell party for Beryl and Walt Swinson tonight and things are in a frantic uproar. We are going very native and it is strictly Hawaiian.

## Nell Meredith, Gerald Smith Betrothal Told

Mr. and Mrs. Edmund Evans Meredith of Richmond, Va. announce the engagement of their daughter, Nell Pendleton, to Gerald Lester Smith of Sanford. Mr. Smith is the son of Mr. Willis Henry Stone of Ocala, Ala. and the late Lester Henderson Smith.

Nell Meredith is a student of Longwood College, where she is a member of Delta Zeta Sorority. Mr. Smith attended the University of North Carolina, was graduated from the University of Alabama, and is presently enrolled in the School of Law at the University of Florida at Gainesville.

## Miss Ora Ray Reveals Final Wedding Plans

Miss Ora Dec Ray, daughter of Mr. and Mrs. Quintus Ray, has announced final plans for her wedding to James Francis Feltner, son of Mr. and Mrs. Ralph Feltner, of Pell City, Ind.

The ceremony will take place on Sunday, Dec. 9, at 3 p. m. at the Congregational Christian Church, with the Rev. J. B. Root officiating.

Miss Barbara Lillian Smith will be maid of honor and only attendant to the bride. Dean Marshall will serve as best man.

Following the wedding, a reception will be held at the church. All friends of the couple are invited.

## Progress Report Is Given On Follies At Auxiliary Meet

The Hospital Auxiliary Board met at 10 a. m., Nov. 29. A report was made on the progress of High Fever Follies. Members of the Auxiliary would like to thank the merchants for their cooperation in making possible the success of the High Fever Follies.

The Sunshine committee has been combined with the Hospitality committee and will endeavor to increase the comfort of the patients.

Plans for decorating the hospital at Christmas were discussed. The following circles of the Sanford Garden Club will take care of the following places. Dirt Gardeners Circle will place a tree at the 2nd floor nurses' station, Camella Circle will place a tree at the third floor nurses' station. The Azalea Circle will place arrangements in the solariums and also place favors on the food trays of the patients. Hemerocallis will decorate a Christmas tree in the dining room and Isora Circle will decorate a Christmas tree to be placed in the lobby. Five wreaths will also be made and placed in the windows at the ends of the halls.

## Cullens Entertain With Coffee Friday

Mr. and Mrs. J. P. Cullen entertained Friday night with a coffee following the rehearsal for their daughter's wedding.

The coffee was in honor of the wedding attendants and out-of-town guests.

On the buffet and coffee table were beautiful arrangements of white wedding bells and mimosas and white chrysanthemums.

The dining table was overlaid with a white cutwork cloth centered with white wedding rings and orange blossoms. These were beautifully set off by the burning tapers in candelabra on either side. Mrs. C. P. Harkey poured from the lovely coffee service used to further enhance the table.

Served with the coffee was a white wedding cake decorated with double gold wedding rings, also mints and nuts.

Present at this affair were the bride and groom, Miss Yvonne Cullen and Harvey Wilkinson, Mr. and Mrs. C. P. Harkey, the Rev. and Mrs. Fred Fisher, Mr. and Mrs. C. J. Wilkinson, Mr. and Mrs. Jim Lumberman, Mr. and Mrs. Wendell Hirt, Miss Connie Bule, Miss Glynn Sykes, Miss Denise Cone, Earl Hatliff, David Hosack, Ray Johnson and Jimmy Blythe. Also, from out-of-town, Mr. and Mrs. Nelson Alligood, Mr. J. S. Payne, W. A. Right, and Mr. and Mrs. Jack Dawkins, all of Dublin, Ga., and Mr. and Mrs. James R. Cone, of Atlanta, Ga.

# Calendar

**MONDAY**  
The Catholic Women's Club will hold its regular meeting at 8 p. m. at the Elks Club annex. The short business meeting will be followed by the annual Christmas party.

The Boy Scouts of the First Presbyterian Church will meet in the Scout Room at 7 p. m.

# The Sanford Herald SPORTS

# Seminoles End Season With 7-0 Homecoming Win Over Lakeview

## Stanley, Schirard Star In Tilt

David Stanley, on his first assignment as starting defensive guard, teamed with Brantley Schirard and sparked the upstart Seminoles to a brilliant defensive victory as the Seminoles closed out the season in a blaze of glory by upsetting fourth place Lakeview at Winter Garden 7-0 to assure themselves of a perfect homecoming.

The Schirard-Stanley combination made a playoff in the second quarter when both gridirers cracked through the Lakeview offensive line on a fourth down punt. Stanley raced through to block the kick and Schirard gathered in the pigskin on the fly and ploughed through to carry the victory mail for 15 yards and the Seminoles score. Ronnie Giles kept his almost perfect placement record alive by adding the extra point.

The revitalized and reshuffled defensive unit was outstanding throughout the game. In the first half they kept the Devils from penetrating in the back yard, and in the second half repelled everything Lakeview could muster, while chilling the Devil attempts to capitalize on serious Seminoles mistakes.

In the first quarter the Seminoles threatened consistently but breaks took the starch out of the scoring punch. Behind the first quarterback Cecil Dandrige and the brilliant offensive-defensive playing of Schirard, Eddie Barbour, and Terry Goebel, the first quarter of the game was

played inside the Lakeview 35 yard line.

After a late first quarter Seminoles drive that penetrated to the Devil 18 before fullback Goebel was shaken loose from the ball, Lakeview was unable to move against the fired up Seminoles defensive. The Devil attempt to punt out of the hole provided the opportunity for the blocked punt score.

The Devils sparked a momentary drive in the fading minutes of the first half but it was halted on the Seminoles 31 when Stanley pounced on a Lakeview fumble.

In the second half the Lakeview defense stiffened and their offense clicked in spurts. The most impressive Lakeview drive came early in the third stanza when the Devils moved 50 yards on a sustained drive that was halted by the Seminoles defense on the Sanford 21.

From their own 21 the Seminoles were unable to move against the stiffened Lakeview defense, and on a punting situation Joe Russi got off the only punt of the evening. The ball was blown dead on the Seminoles 32.

At the 32 the Devils took advantage of the break and moved down to the Seminoles nine yard line behind a passing and running attack. With a first and goal on the Seminoles nine at the end of the third quarter, the Devils moved into the final stanza with a serious threat. Meredith Scott spelled the end of that drive when he gathered in a Devil pass and returned the interception 21 yards to the Seminoles 30.

The Devils had another scoring opportunity in the dying seconds of the game when Seminoles safety Phil Byrd intercepted a long Lakeview pass on his own side, where he fumbled and Lakeview recovered. Again the stubborn Seminoles defense refused to allow the Devils to take advantage of a break, and Lakeview ran out of downs as the game ended.

It was a definite and decisive victory for the Seminoles. Tom Brown, Scott Stanley, Fred Behrens, Claude Hittell, Allen Swain, Schirard, Barbour, Goebel, and Byrd comprised the defensive unit that made its best impression of the season and meant the difference in the game.

Stanley was particularly outstanding. The sophomore was called up to the varsity after an excellent season with the JV's. All during the game he was hampered by a profuse nose bleed and periodically was sidelined so that ice packs could be applied to temporarily halt the flow. The desire of the boy to play football was tremendous. He played shoulder to shoulder with Schirard and Barbour to spark the magnificent defense.

The Varsityist

JOHNNY WILLIAMS leaps high to receive a Johnson pass in the second half of the homecoming game against Lakeview Friday night but couldn't hang onto it because one arm is trapped by Lakeview defender. The Seminoles threw only two passes in upsetting Lakeview 7-0. (Photo by Jameson)

## Lyman Opens Cage Season Friday

The Lyman Greyhounds will open their cage season Friday night with a trip to Apopka, taking with them four lettermen as a nucleus for the team.

Coach Jim Payne says he has been cramped for time with an early season opener. "We have only had a few days practice, so it's impossible to tell just how we will do," Payne said. "We usually get off to a slow start because we have to hold practices outside, but we usually progress as the year goes on and we get into games in gymnasiums."

As a proponent of the season opener with the Blue Darters, Payne said, "Apopka is always a very tough opener and always comes up with a good ball club."

This year 35 boys turned out for the A and B teams for the cage season, and 20 youngsters turned out for the Greyhound junior high team. Bill Procter is mentoring the B squad and Frank Gore is behind the guiding help of the junior high boys.

Frances Cobb will bring a veteran girls team into action this year.

The Greyhound attack will be built around Lamar Helms, 5' 9" senior; Dave Stevens, 5' 10" senior; Jim Hopkins, 6' senior and Ken Miller, 6' 3" junior. All four of the boys are lettermen. Payne says the fifth man is yet to be selected and the competition is wide open, with six boys pushing hard for the nod; they are, Mike Farley, 6' 0" junior; Dave Redwing, 6' 10" senior; Ronnie Gossett, 6' senior; Bill Selgrist, 5' 11" senior; Bob MacLeod, 5' 11" senior and Martin Barwick, 5' 9" freshman.

## Golf Gossip

By EUGEN ANSLEY SPORTS EDITOR

**300 Go Golfing Sunday**

The Mayfair Inn Seminole County Country Club reached a new high yesterday when over 300 players enjoyed the sport of the fairways. The boast of the excellence of the condition of the course was borne out when many of the gigantic turnout were visitors from other clubs in the central Florida area. Several of the visitors said the course was in the finest shape in the area.

**Judge Housholder Buys First Ticket To Mayfair Open**

Tickets to the Second Annual \$15,000 PGA Mayfair Inn Open went on sale last week at the very reasonable price of \$5, which not only entitles the purchaser to witness the tourney, but also this year for the first time, a Clinic and Exhibition sponsored by the PGA and conducted by Sanford's own traveling pro, Jay Hebert. The Women's Golf Association is handling ticket sales both prior to and during the event.

Jeanne Fouk was the first of the lady golfers to get an issue of tickets. She rushed to the country club, arriving at about the same time that Judge Housholder was about to tee off. A sale was made and Judge Housholder was the purchase of the first ticket to the PGA Open.

Jeanne Fouk on a Winning Spree

Jeanne Fouk is not only a fireballer in the sales department, but she also plays an excellent game. Playing in the weekly tourneys of the Women's Golf Assn., Jeanne has won five balls in as many weeks.

**Lib Cleaveland Back in Top Form**

Lib Cleaveland has come into her own again during the past weeks. Lib was ill last year, but this season she has already copped three balls in ladies' tourney play and heralds a welcome from all as she returns to the course in top form.

**Monthly Inter-City Meet To Be Held in Leesburg**

The Inter-City Women's Golf League of Central Florida is made up of 12 clubs in the area. Sanford being one of the members. On Dec. 4, the Inter-City monthly meet is in Leesburg at

the Lake Country Club, and many of the ladies from Sanford will go for the game and luncheon. **Frank, Ring Score Best Ball 63**

The current chatter around the club house largely concerns the round played by Bill Fouk and Dr. Ring last week. Partners in a best ball foursome, they teamed to make 12 birdies between them and finish with a fine eight under par 62 for the best ball. **Carfagno's Skill Waiting On Work**

Most all the ladies are still waiting for Pro Junior to arrive. The Carfagno family has been expecting an addition for the last week and Jerry says she hopes the stork will get to work early enough that little Carfagno will see part of the PGA Open. "This is going to be a wonderful Christmas," she said.

**GNAS Challenge Orlando**

The Orlando Naval Air Base has been challenged to battle last week the Sanford Naval Air Station challenged and the ONAR accepted. The match is to be held next Saturday at the Mayfair C.C. The two stations will bring 18 men each, comprising four teams. The losing four teams will have to foot the bill of meals for the victors.

**Hubbell Visits Briefly**

Carl Hubbell returned to Sanford briefly Saturday but took out time enough to play a round over the beautifully conditioned course. In the round-robin four some that made up the party, Harry Tooke and Al Bryant both came with 76's, Hubbell scored a 74, and Mario Carfagno continued sharpening his game with a one under par 68.

**Mario Takes A Breather**

Mario is presently taking a pedagogical breather, having completed the ladies' refresher course and having a few days before the Children's Class and the High School Starting Class begins.

## Oviedo Lions Roar To 75-28 Victory Over Pierson Team

The Oviedo Lions roared like the north winds Friday night when they opened the cage season on their home court, playing host to Pierson. The Lions roared past the visitors 75-28 in an early season indicator of things to come out Oviedo way. The girls' game results made it a clean sweep for the double-header and the girls from Oviedo also marched to a smothering win 62-33.

Carl Fabry paced the aggressive Lions by firing true on 111 occasions, outscoring the entire Pierson squad with 25 points. Charlie Robinson made it a one man combat for the losers as he had led the way for Pierson with 20 points.

Watch **V-C** grow meat and milk

Your dairy cows greatly increase milk production and your beef cattle rapidly put on valuable weight, when V-C Fertilizer helps your pasture to produce big yields of low-cost, high-quality grazing.

Your V-C Agent can supply you with the right V-C Fertilizer for your particular pasture program. This better fertilizer contains the plant foods your grazing crops need to make quick, vigorous growth, rich in proteins, minerals, vitamins and other nutrients.

Your livestock convert this succulent, nutritious, appetizing, green feed and harvest it into low-cost, high-quality milk and meat.

You get more and better grazing—and extra grazing days, early and late—for extra profits. Start now to use V-C Fertilizer on your pastures!

Nation's Traffic  
Death Toll Takes  
'Amazing' Drop

CHICAGO, Mo.—The nation's traffic death toll has taken a sharp drop — a turn the National Safety Council calls "amazing."  
The council reported that motor vehicle fatalities slumped 12 per cent in October.

It stated that the abrupt downturn halted a rise that had extended through 12 consecutive months. Completely reversed the normal seasonal trend, the 1936 total would top the record of 32,098 killed in 1931. But he added "We are almost certain now that the toll will be well under 41,000. A couple of months ago it looked as if it might reach 42,000."

The council noted that the October decrease was spread out through all regions of the country.

Use Found For Played Out  
Oil Wells  
TAMPA (AP)—Played out oil wells may serve a vital purpose in the future as ash cans for radioactive rubbish.  
A nuclear scientist told the Florida Academy of Sciences yesterday that disposal of radioactive waste will become an urgent problem when commercial atomic energy plants really get into production. Dr. Walter H. Zonn of Dundee said ocean beds and old oil wells are possible dumping spots, but he said that only research will provide a satisfactory solution.

## State's Biggest Golfing Event Opens Here Tuesday

### Wekiva Is Being Worked On

Game Commission officials of the Hyacinth Control Division indicated today that they will complete the job of eradicating hyacinths in the Wekiva River by the end of this week.

"We hope to have the river navigable all the way up to the St. Johns," said W. R. Holley, Field Supervisor of the Hyacinth Control Division.

Starting last Monday, Holley explained, and after finding that the use of outboards, airboats, and airplanes were not successful, the Game and Fresh Water Fish Commission, through its Hyacinth Control Division, contracted for the use of helicopter service from appropriations by the state for St. Johns, Lake and Orange counties to spread 2-4D over the hyacinth infested areas.

Jack DeJean, Director of the Hyacinth Control Division stated that "Weather permitting, we hope to complete the project. At this date, hyacinths are dead to both forks, and we will continue until it is clear all the way to the St. Johns."

Field Supervisor Holley said that the County Commissioners of

Orange County had indicated the would clear the block at State Road 46.

The entire operation will be followed up by a boat crew, said Holley, however, no date has been set for this phase of the work.

Helicopters have been spraying the 2-4D mixture daily. This method allows the low flying machine to glide down between trees, hover, and even back up to get to the "hard-to-get" places we have not been able to reach otherwise, Holley explained.

"This has been a tough job," Holley said, "it is one of the most difficult rivers in the state to reach."

Efforts to eradicate the hyacinths in this particular river were instigated by a joint meeting of sportsmen, boards of county commissioners, and officials of the Hyacinth Control Division a number of weeks ago.

Boards of county commissions agreed to pool their efforts to eliminate one of the bad hazards in our streams and lakes, at the joint meeting.

THE NEW POST OFFICE at De Bary which will be dedicated on Saturday, Dec. 15. New furniture and fixtures are now being installed, getting in readiness for the "heaviest Christmas season in village history." (Staff Photo)

### Noted Pros To Be Here For PGA

Golfers from every section of the country will converge on Sanford next Tuesday to take part in Florida's biggest golfing event, the Mayfair Inn \$15,000 PGA Open.

Four of the nation's outstanding and leading golfers have indicated that they will be in Sanford for the forthcoming tournament.

Doug Ford, national PGA Champion in 1933 who finished second to Sam Snead in the Vardon Trophy race, will be among those at the Mayfair Inn's \$15,000 PGA Open. He was named PGA golfer of the year and finished in third place with \$33,000 winnings in 1935.

Dardner Dickinson Jr., of Panama City, who just won the Palm Beach open Sunday, will not drop in to Sanford for the next week's event. Dickinson tied for seventh place in the Mayfair Inn Open last year. He won the Miami Beach Open early in 1956. Dickinson has been under the tutelage of Ben Hogan.

Bob Toski, who has indicated he will be in Sanford for the Mayfair Inn Open, won the World Championship of Golf in 1954. He got a "birdie" three on the 18th hole which brought him \$50,000. In 1954 Toski also won the Balon Rouge Open, the Eastern Open and the Azalea Open and finished that year with the total earnings of \$65,819.21.

Dow Finsterwald is another top golfer to be here for the Mayfair Inn event. He is the second leading money winner for 1956. Finsterwald finished here last year in a tie for fifth place. He won the Ft. Wayne Open in 1955 and placed second in the Colonial Invitational which was played in Ft. Worth, Tex.

Four of the winners of the Palm Beach Open which finished (Continued on Page Four)

"EYES AS DEEP AS THE SEA" are those of Captain Red Beard, skipper of the Trotramundus, docked at the Sanford Bandshell. He is shown as he searched Lake Monroe from aboard his 23-foot ketch before taking off to visit the entire length of the St. Johns River. (Staff Photo)

### Captain Red Beard:

## Sailing Is Lonesome But Interesting Life

A rather youngish looking, full bearded man, who prefers to be known as "Captain Red Beard," dropped anchor along the seawall at the bandshell yesterday to spend a while around Sanford.

His small cabin sailboat isn't the gleaming white and shiny brass that one might expect of a man of the sea, but Archibald "Yow" seems to like to loll about his stony deck which, no doubt, he knows inch by inch.

Bas fishermen, duck hunters, boat captains and others plying the St. Johns River may have seen this rather strange red bearded sailor. And once you see the beard, as hefty a one as might be expected on a sailor, it is readily understandable why he has been dubbed "Captain Red Beard."

Yow, casually leaning back against the cabin of his boat said "Having knocked about the Atlantic, Caribbean, and Pacific for seven years, off an on, gathering a bit of salt in my beard by the time I reached the mouth of the St. Johns early in November, I was ready to try fresh water for a change."

"I'm off to cruise the full length of this beautiful river, all the way to its headwaters," said Captain Red Beard as he waved his arms out across the lake.

"This will be no easy feat of navigation," he said, "because my 23-foot ketch 'Trotramundus' has no motor."

Even the sails, he said, which are its chief means of propulsion, are ineffectual along the narrow, twisting stretches of the stream, where the thick stands of trees on each side blanket off the wind.

"A frequent use of a 14-foot oar for sculling through deep water and poling around the edges of shore to avoid the swift down stream current is necessary," Yow said. And he exclaimed "That is hard work."

In maneuvering his cabin sailboat around for photos to be made, he demonstrated the use of the oars (and he has several of them) powered by huge silver arms that swell as he manipulates the only power he has other than the sails.

"What is the speed of your boat while traveling, he was asked.

"Of course, my speed will not be great, particularly on the upstream trip," he commented.

"Sometimes I go along at a quarter of a knot and at the most when struggling against the strong current I make only three knots."

"On my return trip downstream I will have the current with me and I can go faster," he said.

"Captain Red Beard was rather quick to comment, however, that "speed is not important. I am out to see the river and meet the people who live and work along its shores. I have found from previous experiences in faster ves-

"I USED THIS METHOD of moving more than anyone would think," Captain Red Beard yelled from his ketch as he maneuvered around for this picture. (Staff Photo)

### Edwards Kennel Running Away With SOKC Wins

LONGWOOD—J. M. Edwards' greyhounds are running away with victory honors this season at the Sanford-Orlando Kennel Club.

During the first three weeks of the track's highly successful campaign, such speedsters as Susy Choossey, Ed's Deacon Jones and Ed's Carbon Copy have given Edwards' powerful string a wide edge in purse money earned.

The Edwards Kennel was also a big winner at the Daytona Beach track last spring.

Susy Choossey, a vastly underrated Edwards greyhound, turned in the most sparkling performance of the season Saturday night as she equalled the Sanford-Orlando track's five sixteenths mile record.

The beautiful dark brindie miss toured the track's standard racing course in 30.8 seconds to tie the mark set by the famous Stish Bumb three seasons ago.

Mutual play and attendance continue to boom at Jerry Collins track despite an unfortunate streak of freezing weather. Saturday was the best day of the meet as mutual handle topped \$73,000 and attendance hit 1,000.

### Christian Church Congregational Meet Wednesday

The annual congregational business meeting of the First Christian Church will be held Wednesday, beginning with a potluck supper at 6:30 p. m. Reports on the activities of the church during the past 12 months will be heard from Pastor Perry L. Stone, treasurer, W. H. Young, Sunday School Superintendent Clyde E. Feathers, CWF President, Mrs. O. T. Pearson, and functional committee chairmen. The 1957 budget proposed by the board of officers will be considered for adoption. George W. Morgan will make an inspirational talk.

The report of the nominating committee will be presented by Lester Sharp. New officers will be elected for a two-year term; the nominees being: Earl Evans and Belt S. Purvis for elders; E. C. Dobson, Chandler Vall and John Ross, deacons; and Mrs. Harlow S. Hinson Jr., as a deaconess.

It was announced that rolls and coffee will be provided for the supper with attending families asked to bring the rest. In order to keep the women out of the kitchen families are asked to bring their own dishes and silverware.

A large crowd is expected for the occasion, the minister indicated today.

### Ministerial Assn. To Elect Officers

The Seminole County Ministerial Association will meet tomorrow morning at the School Administration Building on Commercial Ave.

Myron A. Reck, owner and manager of Radio Station WTRR is slated to speak to the ministers on "religious broadcasting."

A nominating committee headed by the Rev. W. P. Brooks Jr. will make its report and officers for 1957 will be elected.

The Rev. Milton Wyatt will preside.

### Farm Bureau Seeks Lot For Proposed New Building

"We will finance the building ourselves," said W. W. Lutz, president of the Seminole County Farm Bureau when he appealed to the Board of County Commissioners this morning for property on which to construct a Seminole County Agricultural Building.

"Don't you think an agricultural building is important to Seminole County?" Lutz asked the commissioners.

Commissioner John Melach said "I think the building is important but not important enough to use our most valuable lot."

The lot referred to is a section of property located on Commercial Ave. on which a bid was expected from a local firm.

Commissioner Olin Foraker asked Lutz, "What part did you want the county to play in this?"

Lutz replied, "We would like to buy the lot."

Explaining that it would be necessary to hold a public sale for the property involved in the request, Commissioner Fred Dyson said "It looks like you will have to be at the sale if the property is to be bought legally."

Clerk O. P. Herndon explained to the commissioners that "at present the lot is dedicated as a public park. The county does not have to sell."

Seminole County Attorney Mack N. Cleveland Jr. said "We had the same situation on Park Ave. property. The city has indicated that they will go along on the same plan in regards to this property."

Commissioners agreed that no definite answer could be given to the Farm Bureau in regards to their proposed building.

### American Legion Post To Join FHP Auxiliary

The Campbell-Lossing Post of the American Legion last night unanimously agreed to participate in the Florida Highway Patrol Auxiliary and will become a part of Troop D.

Overwhelming response to an appeal made by Florida Highway Patrol Trooper T. Mark Mack and Capt. Ralph Breckenridge of Troop D, resulted in 20 applications filed for participation in the program and to become part of the organization.

Commander Lynn Lyon of the local American Legion Post said that "Trooper Mack and Capt. Breckenridge outlined the program and what the needs are in this county, and how the efforts of the legionnaires would fit into the community traffic problem and in national emergencies."

Chief duties of the FHP Auxiliary members are to ride with the Trooper to assist him in automobile accidents, directing traffic, and to take part in national emergency efforts, it was explained.

Since the program has been approved by all members of our post, said Commander Lyon, we expect to have at least 20 men trained within a short time.

"There will be eight men to the squad, and we hope to have our own squad to assist in these emergencies," said Lyon.

"With as many as 20 applications, classes will be held here in Sanford twice each month," he said.

"I urge any veteran with an honorable discharge, that is interested in taking part in the program, please get in touch with George Maybury by phoning 33 to make arrangements for an application blank," said the local American Legion post commander. Jerry Collins, operator of the Sanford-Orlando Kennel Club was also a guest speaker at last night's American Legion Meeting where he outlined "the program to participate in Charity Night along with other civic organizations on Thursday night Dec. 20."

"We will have a bigger and better program than last year's for the second Annual Charity Night," said Collins.

The American Legion Post No. 33, at 8 p. m. on Charity Night will present an American Flag to the Sanford-Orlando Kennel Club for their new flagpole which will be dedicated at that time.

Next meeting of the local American Legion Post will be an Annual Christmas Party on Monday Dec. 17 when admission will be one toy to be turned over to the Sanford Kilks Club Underprivileged Childrens Christmas Tree.

### Post Cards, ColC's Aid Help Couple Complete Vacation

A few post cards, a bit of perseverance, and the "know-how" of where to turn for information and assistance, helped a visiting Illinois couple round out their Florida vacation as they had anticipated.

Ernest Otter and his wife of Lovington, Ill. recently stopped off in Sanford for a visit with his brother, Lowell Otter and Mrs. Otter at their home on Summerlin Ave.

The visiting Otters were enjoying their trip through Florida but their gaiety was somewhat dampened when they discovered the loss of the address of their daughter and son-in-law, Mr. and Mrs. Joe Cooper who were also in Florida.

Before leaving Illinois on their trip, Ernest Otter had a card had been misplaced and the Florida town in which the Coopers were stopping could not be recalled.

What to do?

They turned their problem over to Mrs. Lowell Otter.

She knew that since the Coopers were traveling by trailer their card would have been mailed from a trailer court. She also knew that the Coopers had planned to confine their trip to the East Coast and was reasonably sure that they would choose a court in Daytona Beach, Hollywood, or Miami.

Mrs. Otter contacted the Seminole County Chamber of Commerce for a registry of trailer courts which were supplied from the Chamber's file of Florida City directories.

A total of 63 post cards were sent to trailer courts in the three chosen areas by Mrs. Otter asking that "if Joe Coopers are parked there, please have them get in touch with Sanford telephone 1350."

Two days later, the astounded Joe Coopers called from Miami where they had settled down for the winter.

Of course, a meeting was arranged between the Ernest Otters and the Joe Coopers. The Florida vacation had the very famous fairy story ending "They visited happily soon after."

A HELICOPTER BEING loaded from Hyacinth Division trucks of the State Game and Fresh Water Fish Commission. A 2-4D mixture is being used for spray along the Wekiva River all the way to the St. Johns. The job will be completed by the end of the week, according to officials of the Hyacinth Control Division. (Photo by W. R. Holley)
