ENGLISH FEAR MORE TROUBLE FROM INDIANS

Mob Actions Thought To Be Forerunner Of Further Disorder In Buffer Province

BOMBAY, India, Apr. 26 (AP)—Further disorder of Peshwar increased apprehension here today that grave events may be shaping themselves in the buffer northwest frontier province. In a hope dispatches to the London Daily Mail said a mob paraded the streets yesterday and taunted troops on guard. A British officer, being the ring leader with a drawn revolver, tried to persuade them to disperse with their followers.

When an assassin fired which had been sent for, a mob of 500 men was formed on the spot which they scattered.

Earlier this morning had resulted with the British troops in a series of attacks in which it is said that there were at least 100 deaths. Upon investigation it proved the deaths reported had been in the city.

Arrival of two companies of British infantry and two machine gun sections created a feeling of security among European residents of the frontier city. Signaling to the city will be kept constantly on the alert and maintained close communication with headquarters.

It was presumed here under the assumption of Peshwar was being put into effect but there was no definite word. British military authorities said they had 150 men on duty in Peshwar and the rest of the city.

Cablegram Puzzle Is Solved Today In Herrick Biography

WASHINGTON, Apr. 26 (AP)—A search of state department records has disclosed that a "cablegram" referred to in a recently published biography of the late George Washington Herrick, apparently never was sent at all.

In fact, not only was it not transmitted, the message received at the state department, the American government never sent Herrick's suggestion.

The "lost cablegram," to which Ambassador Herrick had referred, suggested by Secretary of State Bryan on the eve of the European war that the United States "make a strong plea" for delay and mediation, was reproduced by Col. and T. Bentley Mott, Herrick's military aide and biographer. Mott's work, "Ambassador Herrick," published in 1924, is the standard authority on the state department's records.

Cold Weather Is Causing Havoc With Major League Games With 2 Exceptions

By Hugh S. Patterson, Jr., Associated Press Staff Writer

The present chill and dampness of spring appear to be stopping up trouble for major league baseball teams almost as fast as they are piling up double headers. Only one club so far has played all 16 games, the Chicago Cubs gaining this honor, while the St. Louis Cardinals and Detroit Tigers have escaped serious consequences with but one postponement apiece.

More cold weather yesterday caused the postponement of all but two major league games and neither of these proved very profitable to the club owners. Only about 1,000 St. Louis fans turned out to see the Browns beat Detroit, 12 to 4, while about three times that number appeared at the Cubs park in Chicago, to see the St. Louis Cardinals down the National League champion, 9 to 1.

For the rest, the cold was piling up more grief. The Boston Braves, for example, were headed for something like the slaughter of September 1928 when they played four successive double headers against the New York Giants and lost all eight games. The Braves now have five twin bills to play against New York and each one makes the prospect look better for the Giants, who have less need to conserve their strength.

The New York Yankees are in similar difficulties. Out of six games scheduled against Philadelphia, they succeeded in playing only the opener in each city. And the Yankees have an otherworldly staff of starting pitchers, all forced to endure the rigors of a succession of twin bills, while the champion Athletics seem ready to go as far as they like to conserve their play.

The Chicago White Sox also seem headed for trouble with six double headers scheduled against the Cleveland Indians and St. Louis Browns, both of whom have more piling strength to haul in to the battle.

Although St. Louis gained all the glory in the two games that did survive yesterday, the team owe it to a select few players. George Fisher, slugging young outfielder, played the leading role in the "final" double. The Cubs, as it happened, were playing in one of a single, two double and a sacrifice in four trips to the plate. Chick Hefzy followed the sacrifice batter up in the position, lining up, he tripped with the base, looked to bring in those of the day and St. Louis scored by that time. Steve Gey, who had the entire game for the Cubs.

Food Schultz and Chad Kinsler divided the honors in the Brown through over the top. Schultz, the most of the team, hitting Schultz Kinsler stepped to a relief pitcher when the over the top began to wobble and hit out the Tigers without a hit for four in nine.

Local High School Nine Plays Orlando At 3:30 Tomorrow

Sanford High School athletes will meet their long-time rival Orlando High School, on the annual baseball diamond tomorrow afternoon at 3:30 o'clock. The team, which is coached by Coach St. John, is generally scheduled to play on May 10, but had been changed recently to be played tomorrow.

So far, this season the local high school nine has proved to be a fast and efficient team, having won half of its games, one of them being over Ocala, which is rated as one of the strongest high school teams in the state.

The game with Orlando tomorrow is expected to draw interest here, as the two teams have long been strong rivals in all divisions of athletics. The local team has not defeated Orlando in a ball game for the past several years, and the first game of this season with the Orlando outfit is expected to turn the tide, the coach said.

ADD LOCAL

In an effort to stimulate interest in local high school football, G. E. McKay, principal of the high school, today said that the game of the ball field will be the first of the public fire of charge for tomorrow's game. He said that he hoped to have a large number of fans to see the Sanford Orlando boys tie up.
