All of us cannot look at a picture and get -"I'm selling averything I can get held of." the news begins to circulate.

Certainly, those who hear such exclamations are led to think in those channels and the result -people don't get panicky; instead they buy and shop with confidence,

But on the otherhand, suppose we hear "Husiness is rotten!" -- "can't sell a thing I've got" -"things are so terrible I don't know what's going to happen" and again the news begins to circulate.

What are the results in this instance? People become panicky, refuse to buy or shop, won't pay their bills -and in better words, actually upset and ruin the economy just because someone grouchy and himself washington See-Saw somewhat panicky didn't use the right kind

One grows so accustomed to seeing them in the paper that the lesson they teach is sometimes obscured by familiarity.

One of these recurrent stories is that of a person dying in a fire that started in a mattreas or chair. Often there is no blaze at all, merely an outpouring of noxious smoke that kills the victim without even awakening him.

The lessons to be learned are simple ones, but they hear repeating. The first lesson is that smoker dreps off to sleep with a lighted cigaret in his hand, the chances are good that he will never awaken. Intercollegiate Soccer League Dinner Feb. 25

The annual business meeting and recognition dinner of the Florida Intercollegiate Soccer League will he held Tuesday, Feb. 28, at the Statson Union.

In an afternoon session attended by coaches and athletic directors of Jacksonville University, Rollins College, Florida Southern College and Statson University, plans and schedules for the coming year will be discussed.

President Hugh McKean, of Reilins College, a staunch advocate of the game, will speak at the dinner. Dr. J. Ollie Edmunds, president of Stetson University, has been asked to bring greetings to the officials and the all-conference team.

Four players from each of the four teams will be designated as members of the all-conference team. Names of these players will not be announced until the night of the dinner.

THE CARD OF THANKS Very often a Card of Thanks in The Sanford Herald meets a need which is difficult to fill in any other way. Not only is it a gracious expression of gratitude to those who have sent floral tributes but also courteously acknowledges the services and kind-nesses of the many to whom a personal note of thanks cannot well

Newspaper Cards of Thanks are accepted as socially correct. Emily Post, the noted authority on etiquette, feels they serve many gund uses.

There is no prescribed form for a Card of Thanks, it can be as brief or as detailed as you desire. When the occasion comes you will find a sympathetically understanding member of our staff to assist you. THE "IN MEMORIUM" NOTICE

It is the custom of many families in this country to commemorate a hereavement by an "in Memorium" notice in newspaper classified columns. They find a real solace therein. Preparation or selection of a suitable verse brings back to them tender, pleasant recollections. As Eliza Cook, the English poet has so beautifully

expressed it:

"How cruelly sweet are the echoes
that start
that start What memory plays an old tune on the heart. Biost frequently an in Memorium is inserted on the anniver-sary of death. However, other dates, which it is felt are appropriate or meaningful are also selected. The birthday of the departed, the wedding anniversary, Memorial Day, even Christmas are among other significant occasions chosen.

If you are hesitant to express your tender thoughts in poetic form, you may avail yourself of the ilerald's collection of original verses. These express in poetic beauty the emotions of the heart-strings. Among them are verses appropriate to any circumstance.

Cards of Thanks and in Memorium notices, due to the fact they may run to considerable length, are billed at \$1.00 per column inch.

Adjustment Board Reverses Zoning Board Decision

Commissioners, sitting as a Board of Adjustment, reversed a decision of the Zoning Commission and or-dered a permit issued for the construction of an Assembly of God Church in the Pinecrest area.

The appeal was made by Rev. H. M. Snow of 1118 Laurel Ave. who related the history of negotiations for the church to be located at the corner of 27th St. and Elm
