

Robinson Punches Out Easy Victory Over Challenger

PHILADELPHIA, July 22.—(AP)—Ray Robinson's high explosive dynamite couldn't dent Sammy Angott's concrete chin Monday night, but the skinny slugger from Harlem packed enough powder to punch out a slashing 13-round decision over the National Boxing association's world lightweight champion.

Both fighters weighed 136 1/2. Before a howling crowd estimated at 20,000 fans who packed all but the grandstand ends of Ebbets Park, the slim Negro remained undefeated in a year of professional punch tossing by flooring sturdy Sammy twice in the second round and then going on to hang out a clear-cut, but hard-fought verdict.

At the finish, the game little Italian who fights variously out of Washington, Pa., and Louisville, was still on his feet and punching against the 1 to 2 favorite, but he knew he was a beaten warrior.

The Associated Press says Robinson gave Angott seven of the 13 rounds.

Pimlico Special To Include Only Racing Winners

By MASON BRUNSON
BALTIMORE, July 22.—(AP)—An exclusive group of horses, headed by Whirlaway, the 3-year-old champion, is slowly admitting new members for the Maryland Jockey Club's dream race—the Pimlico Special.

Membership in this "specialists club" is restricted to the successful upcrust of turfdom and just now there are only twelve horses enrolled, but the list reads like the who's who of racing.

War Relie qualified by winning the Massachusetts Handicap.

Another eligible was Hugh Nesbitt 3-year-old colt, Starator, who ran second to Warren Wright's Whirlaway in the Kentucky Derby and became eligible by winning the Hollywood Derby. These races are on the list of 24 whose winners automatically qualify for the Pimlico Special, Nov. 1, for a winner-take-all purse of \$10,000.

Whirlaway's complete domination of the 3-year-olds to win bids, but three, in addition to the Calumet Comet and Starator, have made the grade.

They are C. S. Howard's Porter's Cap, winner of the Santa Anita Derby; King Ranch's Hippo, winner of the Flamingo Stakes, and Louis Tufano's Market Wise winner of the Wood Memorial.

Six handicap horses also are in. They are:

Mrs. Tony Palleri's Bay View, winner of the Santa Anita Handicap; Circle M. Ranch's Big Pebble, the Widener Cup; Woodvale Farm's Hissal, the Dixie Handicap; Mrs. George D. Widener's Your Chance, the Suburban Handicap, and William Woodward's entry of Fenelon, the Brooklyn Handicap, Foxbrough, the Butler Handicap.

Other candidates will be the winners of the Arlington Classic, the Travers, the Whitney Stakes, the American Derby, the Washington Park Handicap, the Narragansett Special, the Lawrence Realization and the Washington Handicap.

Notable among the absentees to date are C. S. Howard's Mioland, current leader of the handicap division, whose imposing list of stakes victories doesn't include any races on the Special list, and W. L. Brann's Chaledon, winner of the event in 1929 and 1940, but unable to get going this year.

The Jockey Club reserves the right, however, to send a special invitation to horses of outstanding merit.

The Special is a weight-for-age affair to be run over a mile and

Power And Light To Help Relieve Power Shortages

The interconnected system of Florida Power & Light Company, of which Sanford is a part, will soon be tied in with power lines that stretch throughout the southeastern states, H. H. Coleman, power company manager here, said yesterday. The power lines are being connected so that the Florida company can help relieve the shortage of power caused by the drought in the Southeastern area.

Mr. Coleman said the connection would be made with the Florida Public Service Company lines near Sanford, and with the Florida Power Corporation's lines near Lake City. Connection of Florida Power Corporation's lines will also be made with other power companies in Georgia, which in turn supply power to the grid of lines extending throughout other states.

Federal Power Commission officials recently directed that the interconnections be made to assist in the national defense program. Engineers at the Sanford plant are working as fast as possible on plans to connect the transmission lines as soon as possible.

Pigeon Hitches Ride In 300 Mile Contest

DENVER, July 22.—(AP)—He had to hitch a ride to do it but a Denver racing pigeon finally has reached his home estate—3 weeks late across the finish line.

Released at Gillette, Wyo., for a 300-mile race against other birds, he turned up several days later near a highway at Scottsbluff, Neb., apparently tired of the race. A band on his leg identified him and a motorist brought him on to Denver.

Programs Listed For Dairymen Of Florida In July
GAINESVILLE, July 22 (Special)—Three interesting and important sessions for Florida dairymen are slated for Wednesday, Thursday and Friday, July 23, 24 and 25, it was stated today by Hamlin L. Brown, dairyman with the State Agricultural Extension Service.

Annual Georgia-Florida Jersey Field Day is scheduled for Malrose Plantation in Thomasville, July 23, the day's activities opening at 10:00 A. M. President J. J. Harris of the Georgia Jersey Cattle Club has extended an invitation to all Florida dairymen to attend this event.

On Thursday the annual dairy field day at the University of Florida in Gainesville is expected to draw a large number of the state's producers. Sessions of the State Dairymen's Association are slated for Thursday evening and Friday, with Governor Holland scheduled as one of the speakers. V. T. Oxer of Miami will preside over this group's discussions.

Program for the field day, arranged by Dr. R. B. Becker, dairy husbandman with the Experiment Station opens at 1:30 P. M. and includes visits to pasture and large crops plots, the dairy products laboratory, and other points of interest on the University of Florida grounds. The association's annual banquet will be staged in Florida Union at 7:00 P. M. followed by a special 4-H Club boy's program and a meeting of the directors.

Mr. Brown says Friday morning's session, beginning at 8:30 o'clock, will be held in the P. K. Long School auditorium. In addition to Governor Holland, speakers will include Dr. William Newell, director of the Experiment Station and Extension Service, Dr. E. L. Fouts, Dr. T. E. Freeman, and L. B. Mehl of the dairy products laboratory staff, Dr. D. A. Sanders, veterinarian, Dr. L. E. Swanson, parasitologist with the Experiment Station, and Dr. Becker.

A business session of the association, following lunch served by students of the Block and Bridge Club will conclude the day's activities.

A display of labor-saving equipment and machinery used in the production of milk on the farm will be staged during the session.

Ducks Walk On Fish In Greenville Lake

GREENVILLE, Pa., July 22.—(AP)—Ducks walk on fish in nearby Pymatuning Lake.

Here's how: Thousands of fish congregate at the spillway which separates the main body of the big lake from the state game refuge. Crowds gather to watch and throw bread.

And in the mad scramble to grab this food fish surging to the surface sometimes push those on top a half foot or more out of the water. Across this almost solid mass of carp and game fish, the always hungry mallards fight their way for their share of the spoils.

Pay Their Way With Pieces Of Aluminum

SIoux CITY, Iowa, July 22.—(AP)—Any old pans today, lady! The Sioux City Western League baseball team asked woman fans that question Monday and admitted free each one who brought along a piece of aluminum.

A total of 311 women took advantage of the offer, included in the contribution was a brightly polished, new cocktail shaker.

Detroit Options \$45,000 Rookie

DETROIT, July 22.—(AP)—The Detroit Tigers Monday optioned Dick Wakefield, high-priced rookie from the University of Michigan, to Winston-Salem, N. C., subject to 24-hour recall.

The Tigers signed Wakefield an outfielder, who had played but one year of college baseball, four weeks ago after spirited bidding in which eight other clubs participated. Wakefield's bonus paid to have been \$45,000, was called the largest ever paid any player.

Moscow Is Attacked For Second Time By Nazi Bomb Squadrons

Soviet Belittles Assault, Saying Ten Percent Of Planes Brought To Earth

Ukraine Thrust Makes Progress

Roosevelt Accused Of Plotting Against Reich In Bolivia

Held In Slaying

Woodward, Jr., 16, was arrested after Constable Shipp, 15, a junior high school classmate, was stabbed to death in the passage of the Reading Baptist Church. The minister and his family were on vacation at the time.

Germany hurled her bomb squadrons against Moscow from dusk to dawn today in the second successive attack aimed at the government centers around the towering Kremlin, but the Russians termed the raid a fizzle, with most of the attackers beaten off and 10 percent shot down.

The Germans claimed to have stormed the key defenses of Polotak in a grenade and flame-throwing assault, widening the hole of the Smolensk wedge to the north.

The Russians acknowledged German-Finnish penetrations on the northern front, together with a deepening of the Nazi thrust into the Ukraine, but asserted that fighting continued yesterday on the same shallow front with the German onslaught still checked.

Attacks on President Roosevelt were intensified again in the German news, publishing war news off the front page. Newspapers charged Roosevelt with intriguing against Germany in Bolivia.

Germany's second air raid of Moscow began at 3:00 P. M. yesterday and lasted five hours. The Luftwaffe returned at exactly the same time German planes attacked the city Monday night and the attack was apparently substantially identical. Incendiary and explosive bombs were rained on the city. Soviet defenses and anti-aircraft guns were intensively active.

Kiwanis Hears Rosasco Tell Of Navy Activities

Officer Describes Effectiveness Of Submarine Bombs

Leut. Rosasco, U. S. Navy, of the Naval Air Station at Jacksonville, answered questions concerning the United States Navy and its activities today at a meeting of the Kiwanis Club at the Valdes Hotel. He also passed around official photographs of naval planes and ships.

Submarines usually operate at a depth of about 60 to 90 feet, Leut. Rosasco said, depending on the type of activity in which they are engaged.

Leut. Rosasco has been in the Navy since 1934. He was introduced by Walter S. Coleman, who had charge of Coleman's program. G. P. Harrison presided over the meeting. The meeting was held at the Valdes Hotel, at which time Leut. Rosasco presented a report on the activities of the United States Navy.

Petitions Of Draftees Are Denounced

Outside Forces Are Charged With Organizing Opposition To Extension

WASHINGTON, July 23.—(AP)—General George C. Marshall today denounced as sabotage of a dangerous character what he said were "outside forces" efforts to have draftees petition Congress to extend the service of selectees and national guardsmen.

The chief of staff, testifying before the House Military Committee in behalf of the extension, asserted there'd been an organized effort by "countless outside forces" to have members of the first army sign petitions against the proposal.

"We cannot have a political club and call it an army," Marshall said.

A proposal that draftees, guardsmen and reservists be kept on active duty for 16 months instead of the present 12 months was offered by Senator Taft, Republican, Ohio, yesterday as a substitute for President Roosevelt's recommendation of Monday.

Roosevelt urged Congress to approve the extension of a national emergency so the citizen soldiers might be retained in service beyond a year. He did not, however, suggest a specific time limit for their tour of active duty.

Japan Reported Granted French Indo-China Bases

Nazi Soldiers Examine Blitzed Stalin Line

Nazi troops peer curiously and carefully into entrances of Stalin Line bunkers somewhere on the Eastern Front. Their caution is due to a common practice of leaving concealed mines in deserted fortifications.

Coleman Finds Little War Talk But Lots Of Activity In New England

New England is busy these days with defense activity, but there is less talk of the war than in the South, H. H. Coleman, manager of the Florida Power and Light Company branch here, said yesterday on his return from a trip to Rockport, Me.

Mr. Coleman made the trip by automobile to Rockport, which is his wife's home town. Mrs. Coleman was retained for a longer visit.

"I was surprised to find that the New England people do not discuss the war in Europe as much as Southerners, though geographically speaking they are closer to it than we are," Mr. Coleman commented.

Shipbuilding activity is proceeding rapidly in Maine, the power official declared. At Bath and Portland, wooden bottom ships are being built for fisheries. Some of whose boats have been acquired by the government for its use.

Wilkinson Dies At Home Early This Morning

World War Veteran Was Prominent In Sports, Civic Life

Samuel A. B. Wilkinson, Sanford, died at his home, 506 West Third Street, at 10:15 A. M. today.

Mr. Wilkinson was born in Ilbuc Springs, Alabama, May 26, 1894, and was a graduate of the Geneva County High School, Alabama, in 1916. After being graduated from high school, he went to Auburn University at Auburn, Ala., for two years.

He then enrolled at the University of Florida at Gainesville, where he was in law school and the teachers college. He was graduated in law in 1916 and obtained his degree in teaching in 1918. He spent the year 1918-19 in teaching in the University of Florida.

Mr. Wilkinson served in the United States Army and became a lieutenant. Following the war he was principal of the State Agricultural School at Pensaicola in 1919. At Perry, where he lived before coming to Sanford, he was principal of all the schools.

Florida Book Week in Ireland

TALLAHASSEE, July 22.—(AP)—The Florida Industrial Commission has advised a lot of people to work in North Florida.

The commission has advised that it is now possible to get a job in North Florida. It has advised that it is now possible to get a job in North Florida.

Mrs. Gunter Has Party For Friends

Mrs. A. L. Gunter, entertained for a group of friends at her home in Lily Court last evening. Roses and marigolds were used to decorate the living room of Mrs. Gunter's home where the guests enjoyed several glasses of Polish rummy.

A lawn and jelly set was won by Miss Thelma Turner, who received low score, and the screen prize, a new pitcher, was awarded to Mrs. Gibson Bates.

Refreshments of punch and sandwiches were served by Mrs. Gunter to the following: Mrs. Pat Lindsey, Mrs. Gibson Bates, Mrs. Max Lindsey, Miss Thelma Turner, Miss Helen Lee, Miss Theo. Vickery and Miss Mary Williams.

Pilot Club Meets At Hunt Residence

Mrs. Al Hunt was hostess at her home on Palmetto Avenue last evening to members of the Pilot Club for their regular monthly social meeting. A picnic supper was served after which a social hour was enjoyed.

Those present were: Mrs. W. C. Erickson, Mrs. W. L. Morgan, Mrs. Helen Schultz, Mrs. M. E. Smith, Mrs. R. E. Pippin, Mrs. R. H. Eisnerford of Valdosta, Ga., Miss Gussie Hinton and Mrs. Hunt.

Shortage Of Skilled Labor Is Reported

TALLAHASSEE, July 23.—(AP)—Shortages of skilled men in most of the crafts were reported Monday by the State Advisory Council for national defense training.

As a result, Governor Holland joined the council in plans for a uniform system of military draft deferments so that vital defense industries will not be crippled by having key men called into the Army.

It is just as important to have men skilled in making guns and planes as it is to have men shoot the guns and fly the planes, said W. T. Conner, personnel director of the WPA.

Intensification Of War Is Predicted

LONDON, July 23.—(AP)—All signs pointed Tuesday night to great intensification of the war now raging from the North Sea to the Black Sea.

Illustrating the relief here for the summer campaign, reports of hurried mail efforts to improve their channel defenses, and the expressed view of authorities gathered in London that the German forces driving on Leningrad and Moscow have been halted by a Russian defense of continuing stubbornness.

Politics Said Out In Parole Board

TALLAHASSEE, July 23.—(AP)—A five-member examining committee declared Tuesday there would be "no political considerations in choosing the new three-member Probation and Parole Commission established by the 1941 Legislature.

Governor Holland assured the committee that merit alone would be considered in picking the three commissioners after a rating examination is conducted.

Dismisses Motions

NEW YORK, July 23.—(AP)—Motions to quash an indictment charging George E. Browne, president of the A. F. L. International Alliance of Theatrical Stage Employees, and William Burke, leader of the organization, with extortion were dismissed Tuesday by Federal Judge Strum of Florida, here on assignment.

The two men are accused of extorting \$550,000 from film producing companies.

Turks Down Nazi Plane

NEW YORK, July 23.—(AP)—Turkish anti-aircraft batteries shot down a German plane apparently reconnoitering near the Turkish border with Greece and Bulgaria, the NBC correspondent in Ankara reported Tuesday night. The three German crew members were killed.

Commission Cites Compensation Law Changes In State

TALLAHASSEE, July 18.—(Special)—After holding numerous conferences with leaders of industry and labor throughout the state, the Florida Industrial Commission recommended to the recent Legislature certain changes in the State unemployment compensation law.

The amended bill as it finally passed the Legislature represented the combined effort of legislative committees, industry, labor, and the Industrial Commission.

One of the changes of interest to a large number of employers and employees is the amendment affecting the citrus industry.

The Florida law as originally passed by the 1937 legislature covered workers engaged in practically all phases of the citrus packing industry due to the fact that these workers were covered by the federal unemployment insurance act, which is the law of the social security act.

The federal act was amended effective January, 1940, to provide for the exclusion of most of the workers engaged in the citrus industry. The Florida Industrial Commission, as a matter of policy, accepted the definition of "agricultural labor" as established by Congress and during 1940 and the first half of 1941 the citrus workers of this state were ruled to be employed in non-covered employment and could not participate in the State unemployment compensation program. This ruling did not affect the status of clerical workers, machinists, and cannery house workers in this industry who have enjoyed the protection of "jobless benefits" since the inception of the law.

The 1941 Legislature has defined "agricultural labor" as used in the State unemployment compensation law, and the new definition includes those workers engaged in the hauling, grading, packaging, and packing of fresh citrus fruit although these workers are still exempted under the federal act.

This means that on and after July 1, 1941, citrus workers in Florida will receive credit for their earnings in this industry and will be protected by the State unemployment compensation program.

Director Fred B. Bradshaw of the unemployment compensation division estimates that this change will extend the protection of the law to some 15,000 workers.

Rescued Nurses Dock At Norfolk

NORFOLK, Va., July 23.—(AP)—Four American Red Cross nurses and a Marine corporal, rescued from an open boat in the North Atlantic by a U. S. destroyer after their ship had been torpedoed, arrived at the Norfolk Navy Yard Tuesday night aboard a Navy transport.

They were on route from New Orleans to Great Britain on a 7000-ton vessel which they said was a member of a 14-ship convoy. The ship carried 10 nurses as the only passengers, the nurses said.

Politics Said Out In Parole Board

TALLAHASSEE, July 23.—(AP)—A five-member examining committee declared Tuesday there would be "no political considerations in choosing the new three-member Probation and Parole Commission established by the 1941 Legislature.

Governor Holland assured the committee that merit alone would be considered in picking the three commissioners after a rating examination is conducted.

Dismisses Motions

NEW YORK, July 23.—(AP)—Motions to quash an indictment charging George E. Browne, president of the A. F. L. International Alliance of Theatrical Stage Employees, and William Burke, leader of the organization, with extortion were dismissed Tuesday by Federal Judge Strum of Florida, here on assignment.

The two men are accused of extorting \$550,000 from film producing companies.

Turks Down Nazi Plane

NEW YORK, July 23.—(AP)—Turkish anti-aircraft batteries shot down a German plane apparently reconnoitering near the Turkish border with Greece and Bulgaria, the NBC correspondent in Ankara reported Tuesday night. The three German crew members were killed.

Grocery Store

TALLAHASSEE, July 23.—(AP)—Peter T. McElroy, who operated an independent grocery store for about 45 years, died Monday. He will be buried to-

Post War Group Of Nations Suggested

WASHINGTON, July 23.—(AP)—Summer Welles, acting secretary of state, said tonight a post war association of nations, strong enough to guarantee disarmament and equal economic opportunities, was the ideal for which "people of good will" should strive as a foundation of permanent peace.

In an address at a cornerstone laying of a new wing of the Norwegian legation, Welles declared that free governments and peace-loving people should not be preparing for "the better day" that would come with the crushing defeat of those who are sacrificing mankind to their own lust for power and for loot.

Takes Senate Seat

WASHINGTON, July 23.—(AP)—Reverend the procedure of his passing on Federal Judge George W. Sullivan of South Carolina put aside to become a member of the Senate.

Justice William O. Douglas resigned Tuesday to become a member of the Supreme Court. He was appointed by Governor M. Frank Phillips of Oregon until a successor is named in a special election in September.

To Christen Ship

TAMPA, July 23.—(AP)—Miss Sally Johnston, president of the first Nation 1 Bank, and Mrs. Talaforno was selected yesterday to christen the USS Bollatraz, navy ship to be launched August 23 by the Tampa Shipbuilding Company.

Senate Passes Bill For Tick Program

WASHINGTON, July 23.—(AP)—The Senate passed and sent to the House yesterday a bill by Senator Pepper to compel Secretary of the Interior Ickes to co-operate in the Agriculture Department's deer slaughter campaign in the Florida tick eradication program.

Ickes has blocked the slaughter on Indian land in the Florida Everglades, despite assertions by the federal and State Agriculture Departments that it was essential in the eradication effort.

Defense Bond Quiz

Q. Does an album filled with stamps automatically become a bond that will pay interest and mature in 10 years?

A. No. The completed album must be exchanged for a bond. Regardless of the amount of money you have invested in stamps, it will not be a bond until it is in the form of a bond or bonds.

Q. Why should children be encouraged to buy savings stamps?

A. Because by buying stamps they write their names on a roll of honor of Americans who are doing their part to show the dictators that untold America will never flinch to preserve her sacred liberty.

Note: To buy defense bonds and stamps, go to the nearest post office or bank or write to the Treasurer of the United States, Washington, D. C., for an order form.

Meade Has Field Day At Empire City Race Track

NEW YORK, July 23. —(P)—Don Meade put in quite an afternoon at Empire City race track Tuesday.

First the veteran jockey rode Salrus, a failure in six previous trials, to victory at \$35.50 for \$2 in the opening race; then, aboard the favored old Rosebush in the second race, missed by a neck riding both ends of the daily double figured in a spectacular four-horse, four-jockey spill in the fourth race, and then came back from that shaking-up to capture the main event aboard Mrs. O. C. Winfrey's Hard Jester.

The other jockeys hurt in the spill were Lab Torres, 22-year-old Puerto Rican; 27-year-old Johnny Gilbert, from Pittsburgh, Pa.; and Allan Gray, 22, from Gracia, Idaho, whose mount, Schuylerville, was the first to fall creating a lam which the owner, Mr. J. J. ...

Frankie Parker Nearly Misses In Seabright Tourney

SEABRIGHT, N. J., July 23. —(P)—Frankie Parker, the club court master, almost missed the boat Tuesday as the seeded stars coated into the third round of the 54th annual Seabright Invitation Tennis Tournament.

Winner of eight out of nine clay court tournaments, Parker found himself on grass for the first time this year, and the change forced him to go all out for a three-set victory over Edwin G. Amark, of San Francisco, 7-5, 3-6, 6-2.

While the third-seeded Parker was having his hands full, the other seeded performers in the men's field scarcely had to draw a deep breath in going through the second round, which saw only such minor upsets as the eliminations of the former Irish Davis cupper, George Lytle Rogers, and the top-seeded ...

Bettina Switches To Southpaw And Beats Burman

BROOKLYN, July 23. —(P)—Southpaw style of Mello Bettina was too puzzling for Red Burman to solve last night and the former light-heavyweight champion punched out a ten-round decision over the Baltimore head before a crowd of 10,167 in Ebbets Field. Betting weighed 155-1-4; Burman 139-5-2.

In this home hall park of the Brooklyn Dodgers, where just about everything happens in this tough tussle.

There was one moment, in the fourth round, when both fighters fell out of the ring. There was another, in the eighth, when Burman, unable to do anything, using an orthodox stance, switched to a southpaw style and for a couple of minutes had Mello on the run.

And finally, you had the somewhat startling picture of Burman, who, looking somewhat dazed with his Sunday shoes, twice being staggered by Bettina's left hand pokes, which hitherto never had been regarded as needing a sign writing the unwary of high explosive content.

All in all, however, it was an important, and upset triumph for the determined little Italian from Bayside, N. Y., who quit the light-heavyweight ranks nearly a year ago to campaign among the big boys.

The Associated Press score card gave Mello eight rounds, and Burman two.

Milestone Wins In Trotting Race

OLD ORCHARD BEACH, Maine, July 23. —(P)—Wayne "Curley" Smart rode Joseph Neville's boy gelding Milestone to victory in the grand circuit's feature 2.12 stakes trot Tuesday after finishing third in the first heat.

The Delaware, Ohio, horses bested Flora Hanover in stretch duels to take the second heat, 15-16ths of a mile, in 1:54.1-2 and the third, an even first dash in 2:04.

In the 2:08 bar pace, the Abbott, a converted trotter from the Machias stables of Sullivan and Mahoney, scored his second victory of the current meeting on the Old Orchard "Kite" track. The Abbott won all three heats easily.

Welfare Commission To Get More Funds

MIAMI, July 23. —(P)—Governor Holland has told the State Welfare Commission that increased funds should be made available for old age pensions and aid to the blind "as of July 1."

His views were set forth in a letter to Commissioner Clayton C. Codrington, made public here by Senator Ernest H. Graham.

Chalcedon To Take Up Swimming Cure

LOS ANGELES, July 23. —(P)—Chalcedon is going to forget about racing for awhile and go swimming in the Pacific.

Owner William L. Brann of Maryland said Tuesday the ex-stake champion would be sent to Harry Unna's surf-side ranch near San Diego this week.

There is nothing wrong with Chalcedon, he added, that a good rest wouldn't correct.

A feature of the Unna ranch is that horses are taken for daily dips in the ocean at Imperial Beach.

Clinton, S. C., 6-3, 6-0. Second-seeded Bobby Rigg, the defending tournament finalist, was easily over William Canning of Hidden Valley, Calif., 6-2, 6-1, and Frank Kovacs, of Oakland, Calif., seeded fourth, trounced Henry Butler of Dallas, 6-1, 6-1, to join Parker in the third round.

Mako fell before Seymour Greenberg of Chicago, 6-3, 6-3; Rhields bowed to William Crosby of Oakland, Calif., 7-6, 6-0, and Lytleton-Rogers went down 6-3, 6-4 before Joe Fahsbeck of New York.

Second round competition in the women's division produced the tournament's first major upset as Virginia Wolfenden, the fourth-seeded star, from San Francisco, was eliminated by Mrs. Millicent Hirsch Lane, of New York, in a two-hour battle, 6-4, 1-6, 10-8.
