Miss Penton Marries Robert S. Herndon

The marriage of Miss Mary E. Penton, daughter of Mr. and Mrs. M. E. Penton of Marianna, to Robert S. Herndon, son of Mr. and Mrs. Robert E. Herndon, was solemnized at 5:00 o'clock Saturday afternoon in the First Presbyterian Church. Dr. E. D. Brownlee performed the double-ring ceremony.

Nuptial music was played preceding and during the ceremony by Mrs. F. S. Vernay and the traditional wedding marches were used.

The bride, given in marriage by her father, wore a gray linen dress with navy blue accessories and her corsage was made up of a single orchid surrounded with orange blossoms.

She was attended by Miss Catherine Barnes of Eustis who wore a blue linen gown with white accessories and her corsage was of sweetheart roses and pink carnations.

Emmett Herndon, brother of the groom, served as best man and ushers were W. S. Brumley, Jr. and Harry Brownlee.

Mrs. Herndon was graduated from Florida State College for Women in 1945 and has spent this past year teaching at the Bay County High School. Mrs. Herndon graduated from Stetson University in 1943, and spent 33 months as an engineering officer in the United States Navy on an aircraft carrier during the recent war. He is now attending the University of Florida where he will receive his Masters' degree this summer.

Mr. and Mrs. Herndon plan to attend summer school at the University of Florida in Gainesville.

Locals Snap Losing Streak With 5 To 4 Win Over I's

Revamped Feds Meet St. Augustine At Municipal Park At 8:15 Tonight

By ARTHUR BECKWITH, JR., Herald Sports Editor

The Sanford Celery Feds greeted their new manager, Don Murray, with their first victory in the past six starts last night at the Municipal park by nipping the Daytona Beach Islanders by a 5 to 4 margin.

Goose Kettles went the route for the locals and limited the Hartley men to nine scattered blows and issued no free passes. Kettles sent two Islet batters down by way of the strikeout route.

The Feds showed aggressiveness with the revamped lineup. Buddy Lake moved to third base, Johnny McManus shifted to short stop and Manager Murray took over at the keystone sack. Don Ricketson worked at the initial sack again last night while Jerry Silverman rests his ailing leg.

The game barely missed the possibility of going into extra innings when the Daytona shortstop, Osthoff, went scampering home and was thrown out by Johnny McManus as Osthoff was sliding across the platter.

Sanford tallied the first run in the second canto, Daytona Beach retained in the third with a pair to forge ahead in the contest. Sanford came back in the bottom of the fourth to punch across three

COMMENTS from the SIDELINES

By ARTHUR BECKWITH, JR.

Celery Feds

The Sanford Celery Feds really received a shot in the arm with the announcement of the change of the manager.

A tribute was paid to Buddy Lake's ability as a player and as a manager was clearly shown at the Municipal Park during the contest with the Daytona Beach Islanders. Every time the local "Feds" third sacker would come to the plate for his time to bat the fans would give him a heart warming welcome.

The complete change on the infield looked good last night. In fact there was more hustle shown by the local "Feds" than has been seen in a number of contests.

Johnny McManus showed up well at short stop, which is his regular position. Johnny came to Sanford as a short stop.

Lake handles the hot corner like a veteran and came up with several hot grounders that very few third sackers in the Florida State League would have handled.

The newly acquired "Feds" outfielder, displayed ability and proved to the local "Feds" solvers that he can really throw that ball. He has such a terrific arm that he overthrew Martin Zuba at the home plate in the contest.

Diamond Dust

Deland played without the services of Big Chuck Aleno last night and dropped the contest to the Gainesville G Men by a 4 to 0 margin. It certainly is true that the Red Hat defense and offense was built around the former Major Leaguer. . . . Jim Schenkel has signed to play with the Red Hat organization. St. Augustine trounced the Orlando Senators in a 12 to 1 game last night to forge one-half contest ahead of the Steinbeck men to gain the leadership. . . . By virtue of Osthoff's losing pitcher. . . . McManus' umpire. . . . Boell and Belbeck. Time of game—2:15. Attendance—722.

land's loss to the Saints and Leesburg's victory over the Palatka A's Orlando is now resting in the fifth slot in League standings, just four and one-half games ahead of the local "Feds." Umpire Winston found himself in hot water again last night when he called Desmond Salter's smash that hit the third base sack a foul ball. Every player on the Pirate team had to grab the busy right fielder to hold him and prevent his hobbling the arbiter. The Feds play the Saints here tonight and meet the Orlando Senators here Sunday afternoon.

NEEL HAD LOST 35 LBS. GAINS 25 ON RETONGA

"If People Knew What Retonga Did For Me They Couldn't Make It Fast Enough," Declares Well Known Home Owner. Tells About His Case.

Every day brings new praises for Retonga. Among the latest to give this famous medicine his strong public endorsement is Mr. W. M. Neel, well known home owner of 804 East Lake Ave., Tampa, Fla.

"If people knew what Retonga did for me they could not make it fast enough," declares Mr. Neel. "It seemed to me that every meal I would belch up a hot liquid as sour as vinegar. I dreaded meal-time and confined myself to soft foods, but so much gas formed in my stomach I sometimes felt like I would choke. I felt high strung and I got little sleep. I had to take a strong laxative every day, and often my muscles felt sore from head to foot. I lost 35 pounds and it looked like I was at my row's end."

"Retonga brought me wonderful relief. My appetite is fine. I eat everything and have regained 25 pounds. The constipation and aches in my muscles are relieved. My friends say I look like a different man. If anyone wants to know about Retonga, tell them to see me."

Retonga is intended to relieve distress due to insufficient flow of gastric juices in the stomach, loss of appetite, Vitamin B-1 deficiency and constipation. Accept no substitute. Retonga may be obtained at Touchtons. —Adv.

Every man who knows pipes likes the look of a Sportsman. That unique natural-burl finish is partly the reason. But mostly it's the way a Sportsman is shaped—with its extra thickness in bowl and shank. All fine imported buyere, of course—in generous quantity where you need it most—to absorb the heat and cool your smoke. If you want a long smoke—and a sweet, mellow one—put your tobacco in a Sportsman.

J. P. A. Merritt, Sheriff of Seminole County, Florida.

DIVIDENDS

Do you get dividends on your fire and automobile insurance? You can and you should!

Policyholders who pay their premiums in advance provide the money with which insurance companies operate and should share in the profits.

All successful insurance companies pay dividends. It is just a question of who gets them—with a mutual company the dividends go to the policyholders.

Place your insurance with us and enjoy dividends on your fire and automobile insurance.

Forrestal Warns

(Continued from Page One)

sparked with a full peace-time program of parades, parades, parades, and the bestowing of honors. Old Dahlgren was packed with dotting parents, seethearts, and the gold braid of high rank as 471 graduates rose in a body and took their oath of office from Vice Admiral W. H. P. Blandy, director of last summer's atomic bomb experiments at Bikini and now Atlantic Fleet Commander. Among the middies was his son, William Purnell Blandy.

Secretary of the Navy Forrestal said today the United States, to avoid another war, must solve "political, economic and security problems such as the nation has never faced."

This country is the "principal core of stability in a world shaken by six years of bitter and destructive fighting," Forrestal said in an address prepared for the graduating class of the Naval Academy.

He predicted that the years ahead will be "more deeply vexed and troubled" than those which have confronted any generation since the start of the Civil War.

"Today the foundations of control and authority are shaken," Forrestal continued.

"Economic stagnation of Germany and Japan enforces a substantial drain upon our own economy. We cannot exterminate, nor permit to starve, these millions of human beings.

"But we shall have to watch most carefully against a rejuvenation of the conditions which were Hitler, conditions which were largely the result of divergent policies among the victors after World War I had been won.

"In all of the great continents there are vast areas of unrest and of hunger which can develop into political chaos.

"There is no formula, no magic blueprint which can provide the solution to problems that have been centuries in the making and come from bitterness, from friction between races, and hatreds that have existed over the centuries.

"But we have made a beginning in the Charter of the United Nations and the meetings of the council of foreign ministers. However, acrimonious these discussions may be or become, they are better than resort to arms.

"It took 150 years before the concept of our federal government became fixed. Should we despair because the ideals contained in the United Nations Charter and the sincere aspirations of the statesmen who participated in its framing are not realized by Monday morning?"

Indian Situation

(Continued from Page One)

concerned but, at the moment, inconclusive study in Washington. Nobody knows what may happen. Some people hope nothing sensational will. But there is apprehension behind the State Department's calm facade.

As the Americans see it, the potential trouble arises from the relationship of Russia to India, the fact that they are Asiatic neighbors. The questions being asked by authorities are these:

1. Months hence, when India's links with Britain are cut to a minimum and Britain's direct responsibility for India slacks off, will the Soviets try by political or other means to take over?

2. If they do try, can the United States afford to let them succeed?

3. Might India become on a huge scale another Greece or Turkey?

4. If so, under what circumstances might the Truman Doctrine apply?

Most responsible officials here believe that at a strategic time the Soviets may enter the Indian situation just as they are already politically active in all their neighboring countries.

In general the American government is reported quite pleased with Britain's moves for India's freedom. There is some disappointment at what appears to be the need for dividing India. But authorities here say if that's the way the Indians want it, that's the way it has to be.

Nonetheless it is a reverse for American policy insofar as America had any Indian policy other than encouraging the freedom idea.

The American government has always talked in terms of a strong India and a strong China stabilizing peace in Asia. China at the moment is anything but strong, India divided will be far weaker than India united would have been.

The most authoritative American estimate is that the period of local and not snowball into anything like civil war.

Communists, of course, can aggravate natural conditions of unrest at such a time. American Party numbers about 50,000 members, not large among India's millions, but energetic and resourceful.

In the American view, what India needs is an uninterrupted opportunity to work out her own destiny. This means the outset rapidly decreasing interference in Indian affairs by Britain; no interference by America and none by Russia.

U. S. Note To Russia

(Continued from Page One)

Rovlet involvement in the ousting of Nagy become of great importance, since these might be made the basis for a broader charge of Russian political aggression against Hungary.

The second point is the belief

Arrested Students In China To Be Freed

SHANGHAI, June 6 (AP)—Hsiao Tieh-Wu, commander of the Woon-sung garrison, promised today to release shortly Shanghai students and newspaper reporters arrested in a recent roundup if there was no substantial evidence they were Communist agents.

Several colleges and universities already had resumed classes following a four-week strike for more food, curriculum changes and an end to the civil war, which led to the arrests. Other schools were expected to reopen within a few days.

Nationalists Start Counterdrive In China

PEIPING, June 6 (AP)—The government poured new reinforcements into Manchuria by rail and sea today, and one Chinese press report said nationalist troops had launched a counterdrive in a strategic sector of the battle with Chinese Communists.

Red troops continued to menace Mukden, but Chinese dispatches reported a noticeable slackening of pressure on Kaiyuan and Changtu, 50 and 70 miles northeast.

WHY CARRY INSURANCE?

If you drive an automobile and carry insurance you should remember that the company taking your risk makes a profit on the premium you pay, or at least expects to make a profit, so why not carry your own insurance and save the premium? Suppose you do meet with an accident (hundreds do every day) involving liability and property damage, possibly serious injury or death to one or more persons, all that is necessary for you to do is to employ a good lawyer, take the case to court and enjoy a good verbal fight, and if you lose pay your lawyer, court costs and the judgment (seldom over \$25,000). In that way you will save the profit the insurance company expected to make on your policy. B. U. T. If you do not like this idea of saving money and the right to operate your car, phone 104, and find out about our profit-sharing policies for careful drivers.

CITATION

THE STATE OF FLORIDA TO THE HONORABLE H. W. WARD, County Judge of Seminole County, Florida, on the 8th day of July, 1947, for approval of same and for final discharge as Executrix of the estate of Little S. Beasley, deceased, on this 8th day of June, 1947.
