What's the catch? There isn't any. \$1,639 is the suggested retail price at the port of entry for the Volkswagen Sedan. The price includes Federal excise tax and im-It includes the built-in heater/defroster, windshield washer, electric windshield wipers and dual padded sun visors.

It's the price of the real thing; not a stripped-

down economy model. What else do you have to pay for? The cost of getting the car from the port of entry. The dealer delivery charge. And local sales tax. There is one optional that makes a lot of sense: the matching leatherette upholstery, for \$30.00 extra. Nearly everyone orders it because it eliminates the need for slip covers. And that's it. (Unless, of course, you count the cost of gas and oil it takes you to get here in your present car.)

## Tourist Boost Needed

What does Sanford and Seminole industrial growth, it rounds out our County offer its tourists in the way of annual business here. attractions?

Dog Racing. A Jai-Alai Fronton. to Sanford's (and the region's) economy. Indeed, tourism progressively be- shadowed by other parts of the state. comes a smaller segment of the economy some nearby, which offer an abundance here. But it still is important. But being situated in a tourist state

in which virtually each community strives for the tourist dollar, lures must turn each year after year because they be offered. Oh, yes we know about the like what we already have. But we must fine fishing. In order to attract tourists, have more if we are to foster continued times called, Sanford must possess fa- The way to assure holding on to this

gion because it helps to provide a more

The Lake Monroe park is an imporbalanced economy. Together with stable tant asset . . . But we need more in agricultural production and increasing Sanford and in South Seminole.

## What Population Means

as one of the fastest growing counties

in Florida. Population is expected to increase steadily at the rate of 4,000 to 5,000 persons each year, indefinitely. Present residents of the county and particularly of municipal areas

pact each 1,000 new inhabitants will People who make it their business to study such things have presented the following graphic illustrations of

what growth means to a community. Each 1,000 new inhabitants means 270 families and that means 500 adults, in service; \$25.390 for economic assist-200 school children and 300 pre-school ance and social adjustment; \$39,000

These families will need 270 homes, and \$580 in planning and financing ser-400 cars, seven more classrooms, ten vice.

They will require 90 acres of residential land, 13 acres of streets, 12 acres of public land, three acres of service industry and two acres of retail stores. They will require 120,000 more gallons of water per day; \$8,100 per year for the fire department; \$75,000 for may be interested to know what imthe school budget; \$12,900 per year for the Police Department, 1,400 more li-brary books and \$1,900 in library ser-

Among those 1,000 new inhabitants will be 19 blind persons, 67 senior citizens, 11 juvenile delinquents, 16 alcoholics, 30 mentally retarded children. These 1,000 people will need \$69,650 in health services; \$4,000 in recreation

### **New Poinsettia** On Market

settia-has been undergoing a big change in recent years. New varieties are appearing among them Paul Mikkelsen, which holds up longer than the older kinds. This poinsettia is a cross white variety which has long been known to retain its fresh-But growing conditions have er to bring them into bloom at the proper time. Growers have learned that the plants must have 11 hours of complete darkness daily starting in October to Most grovers use a sterile potting mixture which prevents disease and also lessens the danger of over watering. Like

other plants it will not tolerate Honor Society New members will be tapped in an outdoor ceremony at 1:45 p.m., Friday, by the John Angel Chapter of the National Junior Honor Society at South Seminole Junior High School at Casselberry. A tea honoring the

PAINTING decorations for Spanish Club's Fiesta at Lyman High School cafeteria at 7:30 p.m., Friday, are (left to right) Carol Sullivan, Shellie Morrison, Terri Turner and Melenda Casselberry.

WORKS of Orlando artist Edith Peiter are on display through Jan. 8 at DeBary Mansion.

TUMBLING is a new sport at South Seminole Junior High School where a group of students have chosen it for weekly activity period under the direction of Mrs. Diane Thunhorst. Connie McCormick demonstrates her agility with a back extension.
