(Besides The Great Atlantic and Pacific Re Co. Inc.) Fairness, honesty, dependability and quality.

Our founder established these business saides for AAP over 100 years ago.

It is from this basic foundation that so many of our current-day policies have grown:

Our Raincheck policy, for example, which seems you that you will never miss out on an advertised hom.

Our policy of packaging meets, that guarantees that the side you can't see is equal to or botter than the side you can can

Our complete and unconditional guarantee of anything you buy at AAP, no insider who makes it.

Our dedication to quality in the production of our own human. Quality standards so high that we guarantee my product bouring the A&P Scal is equal to or better than the nationally famous bounds.

You can probably sum it up in one word, "CARE. We can short you.

When you think about it ... shouldn't AP be your should

military authorities, hard-nosed comments from on the snot observors and radio TV analysis. It is a time for the most careful sifting of all these happenings, an unusual alertness to the propagandists who find the climate one hich grows rumors and half-truths with ease. In Florida, in Sanford, awareness of this claise is a first step towards a cure. What road the solution will travel is not definable. But what is definable and logical is that no other issue—domestic or foreign—should be allowed to obscure the fact that these are grave days and our eyes should be on Vietnam.

### Praise Parents

Modern living seems to most of us to be a better complex affair. When all is running smoothly—the mechanical marvels which have reduced the old-time challenges of providing heat, cold, water or air for our families doing their accepted part-life is very nice.

But come a comparatively small break-down and phones ring, help is summoned before normal, easy living resumes its pleasant pace. But when something happens, when a major element of our family life is disrupted by outside events, then the family has to re-adjust more than a timing switch or repair a leaking faucet.

Here in Florida many families with young.

meeting tomorrow at 1:30 p.m. and firing tear gas. tifled its customers some two bill. SCL To Hike Passenger

passenger train will serve the Sanford area under a proposal made by the Seaboard Coast Line Railroad to the Florida Public Service Commission, W. Thomas Rice, Seaboard Coast Line president, said today. This will be in addition to the Champion between New York and Florida and the City of

Miami and South Wind between Chicago and Florida, he stated. The new train, the Silver Star, will leave New York at 10:30 a.m. and arrive Sanford at 6:45 a.m., Tampa 10:05 a.m., and St. Petersburg at 11:45

a.m. Northbound the Silver Star will leave St. Petersburg at 3:10 p.m., Tampa at 4:50 p.m., and Sanford at 7:30 p.m. It will arrive Washington the following day at 12:30 p.m. and New York at 4:45 p.m.

The Silver Star will have Pullman, reserved seat coaches and dining and lounge car service. It will provide for the first time through passenger service from the Sanford area to such cities as Columbia, S. C., and Raleigh, N. C., because it will use the former Seaboard Air Line route north of Jackson-

The Champion will leave New York at 3:10 p.m. southbound arriving Sanford at 11:45 a.m., Tampa at 2:45 p.m., and St. Petersburg at 4:25 p.m. Northbound will leave St. Petersburg at 9:45 a.m., Tampa at 11:35 a.m., and Sanford at 2:15 p.m., and arrive Washington.

D. C., at 6:40 a.m. and New York at 11:10 a.m. the follow-The City of Miaml and South Wind will arrive Sanford from Chicago at 11:50 a.m. and will provide through service to Miami with a 6:20 p.m. arrival. Northbound will leave Miami 9:55 a.m., leave Sanford at 3:30 p.m., arriving Chicago the following afternoon. These proposed improvement

in passenger service were made possible as a direct result of the merger last July of the Seaboard Air Line and Atlantic Cost Line, Rice said. This rearrangement of train service was the result of six months study has been presented to the Florida Public Service Commission. It is hoped to begin the new service April 28, with the change to Daylight Saving Time, the Seaboard
