

Snyder

(Continued from page five)

"A properly designed profits tax is essential for a balanced anti-inflation program since economic controls and higher taxes on individuals would be unfair unless high corporate profits carry their fair share of the tax load."

He argued that corporate profits and dividends are now running at record highs to that even \$4,000,000,000 of additional taxes would leave corporations in the aggregate, with high earnings and a high rate of return on investment.

Snyder said President Truman had three objectives in mind when he wrote the committee chairman Doughton (D-NC) yesterday asking the \$4,000,000,000 excess profits levy.

He ticked them off: "First, to contribute to meeting the increased cost of defense; second, to help check inflationary pressures; and enable the government to maintain a strong financial position; and third, to tax the high profits resulting from the defense program."

Snyder also presented the first public estimate by an Administration leader in months on the outlook for the government's budget in the current fiscal year ending next June 30.

He warned that military costs will rise sharply in later years, and that the necessary increase in revenues "to meet these expenditures on a pay-as-you-go basis is indeed sobering."

The alternative systems Snyder recommended for use in determining what corporate profits are to be subject to excess profits tax follow these lines:

1. Base period earnings: corporations would be allowed to average earnings for the last three out of four years 1946 through 1949, reduce the figures obtained by 25 per cent, and pay a 75 per cent rate on all earnings in excess of that amount. On earnings below it, they would, of course, pay the regular corporate income tax rate, which has a 45 per cent top.

2. Invested capital credit: this would allow corporations to pay the regular income tax rate on earnings below a specified percentage of investment; they pay the 75 per cent excess profits tax on all amounts above that allowance.

Snyder cited the allowances of that kind in the World War II excess profits tax, then said they should be "increased by about one-fourth to one-third."

The World War II allowances were listed as eight percent on the first \$5,000,000 of invested capital, six per cent on the next \$5,000,000 and five percent on amounts above \$10,000,000.

Snyder suggested a special provision for the benefit of small

Acheson

(Continued from page five)

Saying that in that part of the world, "we are in very considerable difficulties," he recalled how it had appeared that the United Nations would have the Korean fighting substantially ended in a few weeks when "this Chinese intervention occurred."

One of the first things necessary to do in this situation, Acheson went on, is to clear away any possible misunderstanding about United States and United Nations aims which might exist in the minds of the Chinese Communists.

"If they believe that the United States and the United Nations have ulterior designs with respect to Manchuria as their broadside has claimed, then everything which can be done must be done to remove that fear."

"If they feel the loss of their interests in the border areas, the Yalu River installations—everything possible must be done to make sure that they know their interests are being and will be carefully protected."

"If on the other hand, the Chinese have been led either by ignorance or by some other means to precipitate a really great crisis in the world, then that must be met with all the resolution and all the soberness and all the wisdom at our command."

"We hope that that is not the case. It would be a tragedy of the most colossal nature if that were so. And therefore we must endeavor carefully and wisely every possibility of ending this Korean negotiation in accordance with the principles of the Charter of the United Nations."

Before turning to the Far East Acheson discussed European reconstruction. He said that as a result of the war, "we should open a back door or side door to Communism through economic reconstruction."

He apparently meant that the United States must continue to give the European economic as well as military help.

Six Tie

reserve officers from Shreveport, La.

Parsons said the three officers from the Naval Air Station were: Lt. Comdr. Irvin H. McPherson, 36, of Glen Elyn, Ill., near Chicago. He is survived by his wife and two children living in New Orleans.

Lt. Comdr. Alfred G. Epp, 30, of New Orleans, survived by his wife and two children and by his mother, Mrs. Francis Epp, Stockton, Calif.

Lt. Norman K. Scheffer, 29, of Glen, La. He is survived by his wife and two children.

Parsons said he could not announce the identity of the two Shreveport officers until the next day. He said the two Shreveport victims were E. O. Phillips, and William W. Stroud, both officials of the VA office there.

The plane crashed in an area where many previous crashes have occurred—about 2,300 feet above sea level.

The plane was enroute from Lincoln, Neb., to New Orleans. Volunteers left this morning for the slow climb up the heavily wooded mountain to bring down the bodies. It may take all day.

D. D. Devert, district forest ranger at Heavener, provided details of the crash and search.

Two crews left Heavener, one reported near the top of Rich Mountain.

This puzzled rangers since rain had fallen during the day and still was falling intermittently.

The crew making the climb is composed of six men. They carry portable radios.

At the foot of the mountain on crew stopped while the other ascended.

The one at the bottom watched the flames and the lanterns of the climbing party and directed them to the scene.

It was reached at 1:30 A.M. The crew reported their findings.

The crew making the climb is composed of men from Heavener and Potomac and military police.

Editors

(Continued from page five)

Nobody in Tokyo considers Chinese in violation of Korea a Chinese decision. The Chinese hate the Koreans and here they are fighting, they say, to protect Korea," Brines continued.

"There might be an agreement with the Chinese or we might have to fight it out with them. The answer probably will not be clear for several weeks and possibly not until next spring."

"The Communists hope to tie us down with a winter stalemate. The American people must realize the war is not over—it has just begun."

Russia hasn't lost a man yet. We can continue killing a hundred Communists for every American we lose, and still Russia will be winning."

Lee Hills, managing editor of the Miami Herald and president of the AFME, told the convention he doubted "if any other organization would subject itself to such searching scrutiny by the men who use its product."

Where else in the world do the publishers and users of a product work so closely together to refine that product?"

James S. Pope, Louisville Courier-Journal, said the AP produces one million words of news a day and to compete for public interest must do with words "what the television glimmer girl does with makeup and the radio orchestra with a silken theme song."

Victor Hackler, assistant executive editor of the AP, and recent research showed that 93 per cent of newspaper editors reported that the AP has become easier to read in the past few years.

Government press releases are in for criticism from a sub-

Kiwanis

(Continued from page five)

building in crime and corruption of officials. A 25 percent tax on all gambling would be an excellent source of revenue, she stated, would stop bribery and result in cleaner government.

Miss Cole, for the negative, advised a crack down on illegal gambling, opposed its legalization on mercenary grounds, and told of the big cleanup in Youngstown, Ohio, where Mayor Henderson and Chief Allen swept the gamblers out of power. She pointed out the crooked angle of roulette wheels, where dice and roulette wheels are fixed. To legalize gambling would result in more temptation to gamble, she pointed out.

Miss Billheimer, while admitting that gambling is a bad thing, stated that some good would come from it being legalized. She quoted authorities favoring petty gambling as an outlet for people faced with life's harsh realities, and declared that the United States is the "gamblingest nation in the world."

Church lotteries are the most popular form of gambling, she said.

Miss Jones, stressed the moral side of the case against legalized gambling, and pointed to illicit activity in Cuba where gambling is popular. She declared that Rome's downfall was due to gambling, among other vices. If there were slot machines in all cities on domestic news.

This group, headed by V. M. Swanton, Jr., of the Tampa Tribune, called for more initiative in working behind handouts to get all the facts and just the information the government agencies want to publish.

INVESTMENT FOR BIDS

The Housing Authority of the City of Sanford, Florida, is hereby bidding for the furnishing of all labor, materials, equipment and services required for the construction of the following:

1. 121 units of one-story, one-bedroom, one-bath and one kitchen building containing one hundred twenty-one (121) dwelling units. Two (2) one-story non-dwelling unit buildings, outside utilities, filling, grading, walks, drives, fencing and miscellaneous structures, furniture, etc. and work until located at 11th Street, Sanford, Florida, to be completed by November 15, 1951.

2. Proposed form of contract documents including plans and specifications, are on file at the office of the Housing Authority of the City of Sanford, Florida, at Room 204 Match Building, Sanford, Florida, and at the office of Elton J. Wroughton, A.E.A. Architect at 311 Washington Building, National Bank Building, Sanford, Florida, and The Central Florida Builders' Exchange, 101-103 Chamber of Commerce Building, Orlando, Florida. The Tampa Builders' Exchange, Chamber of Commerce Building, Tampa, Florida. The Daytona Beach Builders' Exchange, Daytona Beach, Florida.

Copies of the documents may be obtained by depositing funds with the Housing Authority of the City of Sanford, Florida for each set of documents so obtained. Such deposit will be refunded to each person who returns the plans, specifications and other documents within the specified time in days after bid opening.

A certified check or bank draft, payable to the Housing Authority of the City of Sanford, Florida, in the amount equal to five per cent of the bid shall be submitted with each bid.

The successful bidder will be required to furnish and pay for satisfactory performance and payment bond or bonds.

Attention is called to the fact that not less than the minimum salary and wages as set forth in the specifications must be paid on this project.

The Housing Authority of the City of Sanford, Florida, reserves the right to reject any or all bids or to waive any informalities in the bidding.

No bid shall be withdrawn for a period of thirty (30) days subsequent to the opening of bids without the consent of the Housing Authority of the City of Sanford, Florida.

The fashion of wearing cravats was brought to a sudden end by the French Revolution from 1789-1795. Wearing of a cravat was sufficient to bring one suspected of being an aristocrat.

Clarence L. McKinsey, 727 South Ludlow Street, Dayton, Ohio, who is night supervisor of hospital attendants at the Ohio State Hospital in Dayton, says a man has trouble getting used to working nights and sleeping days. And if a man can't get the proper rest it not only makes him groggy on the job, but also makes him feel poorly the rest of the time. This will never happen to him again, says Mr. McKinsey—now that he is taking HADACOL. His system lacked those necessary vitamins B1, B2, Iron, and Nicotin, which HADACOL contains.

Here is Mr. McKinsey's own statement:

"Before I started taking HADACOL, I had a great deal of trouble with a nervous stomach. I had an awful hard time sleeping—I would just roll and toss all night. It affected me during my working hours, too—I was restless and nervous all the time. My nerves were so jumpy that the least little thing would put me on edge. I was just beside myself in knowing what to do. Then I heard how other folks that were nervous and rundown were being helped by HADACOL. I decided to try HADACOL. Now, after 10 bottles of HADACOL, I feel fine. In fact, I think so much of HADACOL, I would walk 5 miles for a bottle of HADACOL—I'm not exaggerating. Why, the way I sleep and the appetite I have are marvelous. The best thing is that my nerves are calm as they can be. I just can't praise HADACOL enough."

Thousands Have Been Helped by HADACOL whose systems lacked Vitamin B1, B2, Iron, and Nicotin. The HADACOL formula is so effective for stomach distress, certain nervous disorders, insomnia due to upset stomach, nagging aches and pains, and a general run-down condition when these troubles are caused by such deficiencies.

Give HADACOL A Chance . . . to help you, as it has helped thousands of others if you suffer such deficiencies. Remember, there are no substitutes for HADACOL. Always insist on the genuine HADACOL. No risk involved. Buy bottles of HADACOL, either the trial size \$1.25, or the large family or hospital size, \$2.50, and if HADACOL doesn't help you, you get your money back. If your druggist does not have HADACOL, write it direct from The L. L. Stine Corporation, Lafayette, Louisiana. © 1950, The L. L. Stine Corporation.

Air Defense Command To Move Inland

House Committee Refuse To Listen To Enemies Of Excess Profits Tax

WASHINGTON, Nov. 16—(AP)—The Air Force announced today that headquarters of its new Air Defense Command will be shifted from Long Island to Ent Air Force base, Colorado Springs, Colo., early in 1951.

Approximately 800 military and civilian personnel will be assigned to the new headquarters.

The Air Defense Command will be responsible for the air defense of the United States.

It is one of three separate major commands being formed by splitting the present continental air command, which has its headquarters at Mitchell Air Force base, Long Island, N. Y.

The Continental Air Command is being divided into the Air Defense Command, a tactical air command dealing with support for ground troops, and a reduced Continental Air Command administering and training civilian units of the Air Force.

Meanwhile foes of excess profits taxes were barred today from advocating before the House Ways and Means Committee any alternative tax to produce \$1,000,000,000.

By straight party votes of 15 Democrats to 10 Republicans, the committee refused three times to let witnesses suggest any tax plan as a substitute for the excess profits tax levy passed by the Truman Administration.

Witnesses as they testified that corporate income taxes were barred not only from talking about them but also from putting their prepared statements into the committee record.

Chairman Douglas (D-N.C.) said the committee has a mandate from Congress to draft an excess profits tax bill and just hasn't time to go into the entire field of taxation. The tax bill passed last session contained a clause limiting the committee's work on an excess profits tax.

Yesterday, the committee voted 15 to 10 to close public hearings next Wednesday and to limit witnesses to 15 minutes each. This was after Secretary of the Treasury Snyder had outlined Administration suggestions for a 75 percent excess profits tax to take \$1,000,000,000 from corporation earnings.

Backers of the early shut-off (Continued on Page Two)

American Legion Drive Is Continuing

The American Legion membership drive has to date netted 318 members compared to a total membership of 465 last year, John Senkarik, campaign chairman, announced this morning.

Two teams of the Sanford Post 53 are competing in the drive, and the World War I team with 233 members signed up is ahead at present. An effort will be made to end the membership drive next Saturday.

Policemen Given Pistol Instruction

Steady firing yesterday afternoon and today at the range at the Municipal Airport indicated that Sanford policemen were getting some expert instruction in pistol firing.

The instructor was C. P. Adolph, retired Orlando member of the FBI who was giving the men a refresher course in shooting from various positions and behind barricades. The range was up to 50 yards. Lieut. Max Haas had the job of putting up the targets and measuring the range. Empty shells were reloaded with ammunition by Sgt. William Horne and Patrolman Joe Hickson, said Police Chief Williams.

MELTON MOVES

Melton's Used Car Lot has moved from its location on Second Street and Palmetta Avenue to Second Street and Sanford Avenue. Mr. Melton has operated his business in Sanford since the early part of 1948.

LONG MEMORY

WILKES-BARRE, Pa., Nov. 16—(AP)—John Prabovich has a mind like an elephant when he goes bear hunting—he seldom forgets.

Last winter, Prabovich and a companion became lost in the woods. Stumbling around in the darkness, he tripped over an object which he at first took for a log. The object grunted and walked away—it was a bear.

Yesterday, Prabovich went bear hunting at the spot where he had tripped over the bear last year.

He came back with a 450-pound specimen.

Taft Will Accept Nomination—If

AT ONE OF THE LARGEST news conferences ever held in Washington, Sen. Robert A. Taft (R-Ohio) declares flatly that he will accept the 1952 Republican Presidential nomination if it is offered him. Obviously happy over his recent landslide victory, "Mr. Republican" said his re-election proved that voters will not accept "labor dictation." (International)

Allied Forces In Berlin Increased By British Tanks

BERLIN, Nov. 16—(AP)—The Western powers brought British tanks and American troop reinforcements to Berlin today and announced they will arm German police here with submachine guns and automatic rifles.

As German school children waved welcome, eight 33-ton Comet tanks rolled from a freight train to the British armored force depot. Shortly afterward, 200 American soldiers also arrived by rail.

The soldiers were members of the headquarters company of the Sixth Infantry Regiment, which by January will reinforce the American troops here to the level of a powerfully armed regimental combat team.

At noon, the Allied Kommandatura (the three Western commandants) announced it would equip and train the 12,800 police force in West Berlin with submachine guns, automatic rifles and rifles.

This is "in the interests of Berlin security," the Kommandatura asserted. It described the weapons as "types normal to a modern police force."

"Most of them will be retained in Allied hands and issued to the police only in case of emergency," the Kommandatura continued. "It is felt that this re-equipping of the West Berlin police is long overdue, since the Soviets have long ignored Allied control." (Continued on Page Two)

Ferran Funeral Services Are Held

EUSTIS, Nov. 16—(AP)—Funeral services for E. L. (Curly) Ferran, prominent Central Florida builder who died in Miami yesterday, were held at 4 P. M. today in the First Presbyterian Church in Eustis, the Rev. Paul M. Edris, pastor of the Presbyterian Church of Daytona Beach, officiating. Burial will be in Eustis.

Besides his wife, Mrs. Laura F. (Morrow) Ferran, he is survived by his mother, Mrs. E. Elizabeth Ferran of Orlando, a son, Harry; three brothers, C. Harold, and Robert M., both of Eustis; and Dr. Harry H. of Nashville; a half brother, Lee Fallin, Eustis; two sisters, Mrs. Wilson Green Jr., Orlando and Mrs. J. C. Priest, Mobile, Ala.; two uncles, Harry A. and Carl L. Ferran, both of Eustis; and an aunt, Mrs. David L. Thraiber, Sanford.

Dr. Ruprecht Will Address Farm Bureau

The work of developing new strains of blight resistant corn at the Central Florida Experiment Station will be outlined Tuesday night by Dr. R. W. Ruprecht to members of the Seminole County Farm Bureau at a meeting at the High School Farm Building.

Mrs. Helen Johnson agreed to serve on the advisory board of the recently organized Home Shop Mrs. P. M. Gingles, club president reported on the meeting of the Seminole County Federation of Women's Clubs, held yesterday at the Woman's Club.

She announced also that a District No. 6 meeting of the organization will be held at the Masfair Inn on Jan. 28. A fashion show is being planned as part of the entertainment.

J. W. Wilson, program chairman, announced today. John Pierson will preside.

Soviet Plane Transporting Thorez Gives U. S. Radar Screen 1st Test

By WEA GALLAGHER
FRANKFURT, Germany, Nov. 16—(AP)—A previously secret American radar screen backed by jet fighter patrols to protect Western Europe against surprise attack has passed its first test, it was revealed today.

The first test came when a Soviet plane carrying French Communist leader Maurice Thorez to Moscow for medical treatment made an uncharted flight over Western Germany.

Radar picked up the plane and a jet patrol was sent to investigate.

General Vasily Chulov, chief of the Soviet high commission in east Germany, formally protested last night to U. S. High Commissioner John J. McCloy that the Russian plane was "at-

Life Jacket Of Mrs. Ecker Found In Sea

Wife Of Metropolitan Life Insurance Executive And Companion Feared Lost

CHARLESTON, S. C., Nov. 16—(AP)—Searchers sighted only a life jacket and an empty oilboat today as grim clues in a sea hunt for the wife of a wealthy insurance executive and her escort.

No trace was seen of Mrs. Frederick H. Ecker, 48-year-old cousin of former president Raymond Poincare of France, or James Merrill Herd, Jr., 39, head of a New York theatrical corporation. Both were pitched into the sea yesterday as their fishing boat capsized. Two companions survived.

Two planes and six coast guard boats hunted along the strand of Seabrook Island, 25 miles south of here.

"It looks like they're gone," said county police Lieut. Silas Welch, who has known the Ecker family for years.

The fishing party put out yesterday from the home of Mrs. Victor Morawetz, owner of Seabrook Beach. Mrs. Ecker, wife of Metropolitan Life Insurance Company's board chairman, arrived last Friday to be a guest at the palatial home of Mrs. Morawetz, wealthy widow of a New York railroad lawyer and financier.

Head, head of Herd Theatrical Corp., which backs theatrical productions, had been a house guest at the Morawetz estate since Mrs. Ecker's arrival.

A deputy sheriff died in an automobile crash near Shelbyville, Tenn., last night while driving to the home of a daughter to tell her of the accident. His car hit a bridge pier.

A shrimp trawler picked up the (Continued on Page Two)

B. & P. W. Group Hears Address On Public Speaking

Plans for a class in public speaking were outlined last night by Lloyd Hoover Gallagher, Orlando to members of the Sanford Business and Professional Women's Club at a meeting at the Yacht Club.

Mr. Gallagher, a landscape architect, is a graduate of the Duke Carnegie School of Public Speaking, and a member of the Toastmaster's Club International.

He was introduced by Mrs. Carl P. O'Connell, chairman of the Educational and Vocational Committee of the B. & P. W. Club.

Mrs. McKinnon was appointed club librarian. Mrs. C. E. Hough, public affairs chairman, called on volunteers to aid the Lions in making blood donations at the clinic today.

Mrs. Robert Zeltrow, secretary of the County Tabernacle Association, asked for aid in folding and mailing Christmas seals.

Mrs. Helen Johnson agreed to serve on the advisory board of the recently organized Home Shop Mrs. P. M. Gingles, club president reported on the meeting of the Seminole County Federation of Women's Clubs, held yesterday at the Woman's Club.

She announced also that a District No. 6 meeting of the organization will be held at the Masfair Inn on Jan. 28. A fashion show is being planned as part of the entertainment.

C. Of C. Manager Talks To Jaycees; Miss Partin To Represent Sanford

Ed Whitney, new Chamber of Commerce manager, told today's Jaycees meeting that Sanford may well be suited for both industry and tourists. Miss Betty Lou Partin, Jaycee entrant in the Winter Haven Tangerine Festival beauty pageant, was also introduced at the meeting.

Miss Partin will be escorted at the festival by B. F. Ganas and

speech of the necessity of deciding exactly what Sanford wants in the way of industry and tourists before attempting to plan for the future. He pointed out that industrial concerns take into consideration the general attitude of a community toward expansion as well as the natural advantages of a site.

He added that the economy of the state is considerably more in balance with regard to winter and summer trade today than at any time in the past. The summer trade in Florida is now more than in the pre-war winter months, he said.

Mr. Whitney concluded his remarks by expressing the hope that all Sanford's civic groups would be able to decide on a common goal and work toward them.

President W. H. Stomper announced that Governor Warren has accepted our invitation to address the Jaycees.

Malcolm MacNeill, The beauty contest is scheduled to begin at 8:00 P. M. Sunday. Miss Partin won the Sanford beauty contest last August.

Mr. Whitney emphasized in his

Injunction Is Asked Against Phone Pickets

Telephone Company Seeks Court Order To Halt Mass Picketing Strategy

Philadelphia, Nov. 16—(AP)—The nationwide telephone strike—mocked by flaring tempers on the picket line and a legal tug-of-war over injunctions—entered the second week today with no immediate prospect of peace.

The Bell Telephone Company of Pennsylvania applied for a court injunction that would prevent picketing of the company's exchanges in Philadelphia, scene of picket line battles Tuesday and Wednesday. A hearing on the injunction request was scheduled for tomorrow before presiding Judge Frank Smith of common pleas court.

In New York City, an A. T. & T. spokesman said that long distance service was normal at the 14 traffic points of the long lines division. He said the only office being picketed this morning was in Pittsburgh.

The walkout of Western Electric Company employees was called by the CIO-Communication Workers Union in 44 states last Thursday. Bell Telephone Company of Pennsylvania and other subsidiaries of the parent American Telephone and Telegraph Company are not directly involved in the strike.

The injunction request and 200 police officers dispersed today the strikers' third effort at mass picketing of a Pennsylvania Bell exchange, where members of an independent union have refused to honor the CIO picket lines.

Some 200 pickets appeared before 11 A. M. at the 17th and Pine streets exchange building in North Philadelphia. There were more than 100 uniformed police officers on duty, but no pickets.

Bell Telephone operators working for work stand aside for a short time while the pickets circled the sidewalk. The strikers' first effort at mass picketing of a Pennsylvania Bell exchange, where members of an independent union have refused to honor the CIO picket lines.

"Russian Roulette" Player Loses Life

INDIANAPOLIS, Pa., Nov. 16—(AP)—The Indiana county coroner said a young hospital orderly was wounded fatally by the third time he pulled the trigger of a revolver while playing "Russian Roulette" last night.

Dr. Edward L. Fleming gave the following account of the death of Fred Chapla, 20, of nearby Josephine, an employee at the Torrance State Hospital.

Chapla went to the home of Austin Darned, of Josephine and borrowed a .22 caliber pistol to take bear hunting. After being given the gun, Chapla asked Darned and his wife:

"Do you know how to play Russian Roulette?"

Neither Darned nor his wife answered. Chapla inserted one bullet in the weapon's chamber and placed the muzzle against his head.

He pulled the trigger and there was a click—once more and another click.

The third time, the bullet tore into his brain.

U.S. Force Advances To Within 20 Miles Of Manchurian Frontier

Warm Clothes For Korean Winter

STYLES FOR THE COLD MONTHS ahead in North Korea are modeled here by two U. S. Marines. At left, Pfc. Richard Maxwell wears a heavy sweater, but he'll need more than that before long. At right, Pfc. Houston D. Marzine tries on a parka. Both are from Exton, Md. (International)

French Assembly Wants Stronger European Council

Two Thousand Attend Red Peace Meeting In Polish Capital

ROME, Nov. 16—(AP)—Violent time bomb explosions wrecked the mid-town Rome headquarters of two separate anti-Communist, anti-Fascist political parties today. No one was injured. No one was injured. No one was injured.

Police said both bombs apparently were controlled by clockwork mechanism. They destroyed both political party offices, smashed walls of adjoining apartments, and hurled debris into the streets. The two heavy blasts came only 20 minutes apart.

PARIS, Nov. 16—(AP)—France's National Assembly voted 531-184 yesterday in favor of strengthening the Council of Europe, an unofficial parliament of West European nations.

One Billion Dollar GI Insurance Dividend To Be Distributed In 1951

By ROWLAND EVANS, JR.
WASHINGTON, Nov. 16—(AP)—Putting an estimated \$1,000,000,000 into circulation next year as the second GI insurance dividend will barely ripple the national economy, a government economist said today.

The exact amount of the dividend is still a Veterans Administration secret. It is expected to total around \$1,000,000,000, only a little more than a third the size of the first insurance dividend, paid this year.

The economist, a high level official who asked not to be named, said the first dividend of \$2,000,000,000 made a definite impact on the overall purchase of durable goods, like refrigerators, during the first six months. Next year's dividend, he added, will make only a very small impact, even if production of peace goods (Continued on Page Two)

American Naval Guns Aid In Repulse Of North Korean Amphibious Landing

WASHINGTON, Nov. 16—(AP)—The Army said today, under a cloak that has been lifted on bulk to divisions in Korea, between Oct. 1 and Oct. 15, that was about a month before reports began coming in from the Korean front that many American soldiers were fighting in freezing weather without winter clothing. Since then, the Army here and in Korea has said the frontline troops should have their winter outfits by the end of this week. It was explained that American forces, outgun their supply lines and that coupled with transportation difficulties, had prevented earlier deliveries.

By ASSOCIATED PRESS
SEOUL, Nov. 16—(AP)— Allied forces forced ahead today all along the rugged 250 miles North Korean front toward the Manchurian border. Resistance was spotty.

Park's—led infantrymen of the U. S. 17th Regiment knifed through the frost-covered Pungok hills in the northeast to within 20 miles of the Red Manchurian border.

It was the day's biggest gain. In sharp contrast, the entire U. S. First Corps advanced along a 30 miles front in the northwest, virtually unopposed. Temperatures rose, but a dust storm made the going rough. Gains ranged up to four miles.

American naval guns helped South Koreans turn the tables on attacking Reds on the opposite coast in the extreme northwest.

U. S. Marines, aided with a mobile Communist force in the peninsula, they advanced as much as three miles along the west side of so-called Changjin reservoir.

Troops of the 10th (Amphibious) Division, Second Corps, displayed the urging bottom of the first assault during Red opposition.

Here's what happened Thursday, look over at this month's map, the front starting from west to east:

The 10th (Amphibious) Division, Second Corps, displayed the urging bottom of the first assault during Red opposition.

TODAY'S BIBLE VERSE

If we are thankful proportion to our blessing that we forget all about them: I will give thanks unto Jehovah.—Psalm 103:30

The British Socialists are highly flattered over the results of last Tuesday's election in this country.

When we want to know how many people read the Herald all we have to do is announce that Miss America will visit Sanford Monday.

Governor Warren has reinstated Alex Littlefield as sheriff of Volusia county in what the Tampa Tribune calls a "white wash."

The little Himalayan kingdom of Tibet appeals to the United Nations to protect it against the invasion of Chinese Communists.

The City Commissioners deserve the highest praise for their willingness to make an initial investment of \$2,500 for the purpose of adding sodium fluoride to the City's water supply in order to protect the teeth of children from decay.

The Intestate Commerce Commission whose members are appointed by President Truman, orders the Southern Railway to stop segregating passengers on dining cars for racial reasons.

Complaints have been received against garden lovers who hesitate to take those which belong to others, and the police have been alerted to be on the lookout for them.

Several other units of the Sixth Infantry Regiment still training in Western Germany are due in Berlin soon.

Until today a few French light tanks of various American manufacturers were all the armored units the West possessed in Berlin.

The Allied combat strength here is about 8,000 troops at present. Under its expanding defense program, the West may increase its garrison to 12,000 by next year.

U. S. troops and French tanks were involved in a training exercise in Germany last week.

The U. S. 3rd Infantry Division is now in the process of being reorganized as a combat division.

The U. S. 3rd Infantry Division is now in the process of being reorganized as a combat division.

The U. S. 3rd Infantry Division is now in the process of being reorganized as a combat division.

Honoring The Great

The Hall of Fame for Great Americans has had some important additions. Every five years a group of notable Americans chooses additional names for the hall.

This year the six names chosen are unusually prominent. Woodrow Wilson and Theodore Roosevelt enter together, an association which both would have loathed in their lifetimes.

No choice may be made except of someone dead 25 years or more. Wilson thus got in at the earliest possible moment.

Life On Mars

Is there life on Mars? This question has been asked at least since the last century when Giovanni Schiaparelli, an Italian astronomer, announced that he had found "canals" on Mars.

Now a new summary of the world's knowledge on the subject has been published, "The Planet Mars," by Gerard de Vaucouleurs, a French astronomer.

In 1950 Mars will be nearer the earth than it has been for many years. Perhaps the astronomers can then get some new information.

Prophets And Future

The fact that predictions sometimes influence events was brought out recently by Dr. Julius Hirsch, economist, commenting on the statement from the Department of Agriculture which embodied a forecast of rising food prices for next year.

Drawing on his experiences as an Office of Price Administration consultant, Dr. Hirsch claimed that the natural result of such a prediction would be a holding back of produce, to take advantage of the expected higher prices.

There may be a temptation sometimes to think that predictions, like comparisons, are odious, to argue that the columns of figures so laboriously compiled by the statisticians might better be used as measuring sticks for past and present accomplishments and trends, leaving the future in the future.

Crime

(Continued from Page One) 600 and \$400,000, although Sedway now owns only 7 1/2 percent of the Flamingo.

Setway himself told how he and Siegel prospered in Las Vegas after they got a race wire by making a deal with Tony Corica of the Washoe Publishing Co., Phoenix, Ariz., distributors of the Continental Press Service out of Chicago.

Setway said that after Siegel was killed in Beverly Hills, Calif., he came out from New York and they went mostly on with the dollar accumulation.

Meanwhile in New York Frank Erickson, who is serving a life sentence for racketeering, was called back before a grand jury today under threat of further punishment for contempt.

Erickson removed from River Island Penitentiary for the national building was questioned particularly about his present dealings with big-time gambler Frank Costello.

Erickson twice was taken before Judge Robert W. W. Bohan when he talked at answering questions of assistant district attorney Alfred J. Scott before the grand jury.

One Billion

(Continued from Page One) time durable goods is sharply reduced.

The second dividend probably will go to holders of National Life Insurance who bought or bought their insurance any time before Dec. 31, 1950.

The dividend will cover the three-year period, 1947, 1948 and 1949. Dividends on unpaid bills will be paid only if the insurance was kept in force by payment of premiums for some minimum period.

French Assembly

(Continued from Page One) house endorsed recommendations for a declaration of basic human rights, adoption of a European social security code and revision of the statute governing the Council of Europe to give its Constituent Assembly more power.

The Council consists of an Assembly with a committee of foreign ministers which has the power to veto action taken by the Assembly. If the recommendations are adopted, this veto power would be curtailed.

Meanwhile, in Rome, Italy's Senate gave solid endorsement last night to the formation of a parliament and a federal council in a union of the Democratic nations of Europe.

The Communists hotly opposed the motion which authorized the 18-member delegation to the Council of Europe at Strasbourg to support moves toward a European federation.

McRae Is Released

(Continued from Page One) husband who ended the candle-lit romance of his wife and Jackie's safety Commission.

The husband, J. P. McRae, 34, head of a trucking company, entered Sutton's lonely but well-furnished lakeside cabin 25 miles from here and found the Jacksonville official and Mrs. McRae in a nude embrace about 11 A. M. yesterday.

Mrs. McRae's head was blown off. Sutton's was almost severed. She was 33; Sutton 39. McRae used a shotgun he brought from Jacksonville.

The husband was jailed, but to Glendale Hospital in Palatka, Fla., where he was taken under guard. The guard was withdrawn, and Walter McRae, Jr., a nephew of the husband, said his uncle had been "removed to a larger hospital," presumably Jacksonville.

Coroner C. S. Green, who ordered the guard removed, said his jury would study the evidence and return a verdict in a week or so.

Mr. McRae's head was blown off. Sutton's was almost severed. She was 33; Sutton 39. McRae used a shotgun he brought from Jacksonville.

Arkansas, Texas Will Have Double Thanksgiving Day

(Continued from Page One) Two states—Arkansas and Texas—will have two Thanksgivings this year.

They will observe both the Nov. 22 date proclaimed by President Truman as the national day of Thanksgiving and also their own Nov. 30 holiday. In Florida the 4th Thursday is observed.

Mr. Truman fixed the Nov. 23 date in line with a congressional resolution calling for Thanksgiving on the fourth Thursday.

But in Arkansas, the law listing the state's legal holidays sets the last Thursday in November this year, that means Nov. 30.

There'll be a little bit of confusion in Arkansas over the double holiday. Some federal workers in the state will observe the earlier date, other the later.

The situation is different in Texas. Governor Allan Shivers proclaimed the last Thursday as the state's Thanksgiving day.

Also, Shivers pointed out, late and other businesses would close on Nov. 23 and many of the state's traditional colleges and high school football games are set for Nov. 30.

Thanksgiving days began in 1950, when the late President Franklin D. Roosevelt decided to make the next-to-last Thursday as the date for celebrating.

Mr. Roosevelt reasoned that it would help business to have a longer interval between Thanksgiving and Christmas. His idea wasn't helped by the chance as a clincher, Congress stepped into the controversy in December, 1941, with its resolution calling for Thanksgiving on the fourth Thursday thereafter.

Mr. Roosevelt and, later, President Truman turned their proclamations to congressional wishes. That pretty well settled the matter. The date can and will pick different dates.

Mr. Roosevelt and, later, President Truman turned their proclamations to congressional wishes. That pretty well settled the matter. The date can and will pick different dates.

Social And Personal Activities

PHONE 148

Social Calendar

THURSDAY
The Brotherhood of the First Baptist Church will have their supper and program meeting tonight at 7:30 P.M.
The Royal Ambassadors of the First Baptist Church will meet this evening at 7:00 P.M.
Mrs. Blake Sawyer and Mrs. Max Fandom will be Thrift Shop markers.
The Seminole Chapter No. 2 O.E.S. will meet at the Masonic Lodge at 8:00 P.M.
Under the sponsorship of Beta Sigma Phi, the receptionist at the Fernald-Laughton Memorial Hospital in Mrs. Floyd Palmer.
FRIDAY
Philathen Class of the First Baptist Church will have its annual Thanksgiving Supper at the Educational Building at 7:00 P.M.
SATURDAY
The Tourist Club is having a social at the Tourist Center at 8:00 P.M. The public is cordially invited to attend.
SUNDAY
The Dependable Class of the First Methodist Church will meet with Mrs. A. L. Ekinner at 8:08 Magnolia Avenue at 8:00 P.M.
The Woman's Missionary Union of the First Baptist Church will meet as follows:
Prayer Band at 1:00 P.M. and committee meeting at 1:30 P.M. and district meetings at 2:00 P.M.
November meeting of the Seminole County Audubon Society will meet at the Garden Center at 7:30 P.M.
TUESDAY
The Ladies Auxiliary of the BRT social meeting has been postponed until further notice.

Mrs. Rucker Hostess For Baptist Class

Mrs. H. W. Rucker was hostess to the Woman's Bible Class of the First Baptist Church on Tuesday night, where an old-fashioned quilting party took place. Mrs. W. A. Cagle acted as co-hostess. The quilt was made for the Baptist Children's home.
Mrs. B. C. Moore presided over the meeting and it was decided that another quilting party would be held the fourth Monday in November at the Educational Building at 11:00 A.M.
Those present were Mrs. Pearl Haniel, Mrs. Moore, Mrs. J. T. Newby, Mrs. C. J. Watts, Mrs. J. N. Wilson, Mrs. F. E. Holt, Mrs. R. P. Culler, Mrs. A. J. Walker, Mrs. J. A. Strang, Mrs. O. G. Hasty, Mrs. R. T. Hunt, Mrs. Fred Myers, Mrs. A. L. Barrin, Mrs. G. F. Louis, Mrs. Ouida Wilson, Mrs. Cagle and Mrs. Rucker.
A new handy key candle can be attached to the inside of the bag so that the key is available and easy to find.

Luncheon Is Held By Women's Groups

Mrs. Helen Schultz was guest speaker at the covered dish luncheon of the Civic Club and the Seminole County Federation of Women's Clubs held yesterday at the Club House. Mrs. Schultz spoke in the place of Mrs. Troy Ray, who was called out of town unexpectedly. Adoption Laws and Old Age Pensions were explained by Mrs. Schultz who also outlined the various activities of the State Welfare Board. Mrs. George McCall introduced Mrs. Schultz.
The Civic Department, hostess to the Seminole County Federation of Women's Clubs, folded 2500 Tuberculosis Seals for mailing.
Mrs. Miriam Russell, chairman of the Civic Department of the Woman's Club, presided over the meeting and Mrs. H. J. Lehman presented the devotionals.

Christmas Dance Planned By IFC

The Inter-fraternity Council met Tuesday night at the Tourist Center to continue plans for the Christmas dance to be held at the Mayfair Inn on Dec. 23.
Mrs. Lester Guthrie, president presided and the following committee chairmen were appointed: Miss Daphne Connelly, decorations; Ed Higgins, orchestra; and Mrs. Ed Higgins, invitations.
The next meeting will be on Dec. 5 and representatives may pick up their invitations at that meeting. Those present were Mrs. B. L. Perkins, Jr., Mrs. Guthrie, Mrs. A. B. Duxbury, Mrs. Dale Scott, Jr., Mrs. Ralph Austin Smith, Mr. and Mrs. Robert Kains, Mrs. Daphne Connelly and Miss Betty Jo Brock.
Also Ed Higgins, Donald Jones, Robert Billhimer, Volie Williams, Jr. and Jack Woodruff.

Happy Abney Leads In Wild Life Contest

W. W. Johns spoke to members of the Junior High School during chapel exercises yesterday morning on Florida Wild Life and explained the contest which is being sponsored by the Florida Wild Life Magazine.
The prize, a round trip to Cuba, will be presented to a member of the Florida Chapter Future Farmers of America for selling the most subscriptions during the period from Nov. 15 through Dec. 31.
Happy Abney, a Seminole High School student, now leads in the contest in the county. He was highly commended by R. E. True, principal of Junior High School, for his work. Other members of the Future Farmers who accompanied Mr. Johns were: Hubert Abney, Banks Register and David Van Ness.

South Side Primary Presents Program

The South Side Primary School presented a program in observance of American Education Week on Friday in the school auditorium. The program consisted of a huge book for story book characters to walk through. Mrs. C. C. Welsh was accompanist for the program. The whole school sang "Oh, Come Join Our Show" and "Just a Story of Mother Goose Land", led by Diana Haynes and Glenda Collins. Story book characters were as follows:
Little Beth, Barbara Knudsen; Chinese boy, John Henry Perry; Indian girl, Peggy David; Robin Hood, George Harriott; Pinocchio, Larry Fields; Snow White, Dorothy McAlexander; and the seven dwarfs, Bruce Anderson, Bill Wright, Arthur Blanton, Robert Huges, Al Ing, Hank Morgan and Mikie Davis.
Tim Tadpole, Leslie Jones; Johnny Applesed, Buddy Kirk; Dutch Twins, Susan Skinner and Billy Johnson; Bo-Peep and Boy Blue, Mary Lynn Heare and Bobby Williams; Goldilocks, Sandra Kader; Father Bear, Tim Richards; Mother Bear, Margie Duvy; Baby Bear, Gene Malone; Alice, Sally King; Jerry, Larry Wood; Uncle

Personals

Mrs. James Ridge of Sarasota is visiting friends in this city.
Friends will regret to learn that Mrs. Fred Dyson is confined to her home with a broken ankle.
Mrs. Ralph Went of Orlando and daughter Susan are visiting Mr. and Mrs. Leslie Went.
Mr. and Mrs. Len R. Leaser are vacationing in Baltimore and points of interest in Pennsylvania.
Mrs. J. P. Cullen has returned to her home on 119 West Ninth Street, after being confined to the Fernald-Laughton Memorial Hospital.

Elizabeth Lautz To Wed Mr. Hasty

Mr. and Mrs. Otto John Lautz of Lancaster, Pa. announced today the engagement of their daughter, Elizabeth Irene to Norman Hasty, son of Mr. and Mrs. R. G. Hasty of this city.
Miss Lautz is a graduate of the Lancaster County High School and Harlow Junior College. She also attended the University of Miami.
Mr. Hasty is a graduate of the University of Florida and is a member of Phi Kappa Phi fraternity. He is associated with the Florida Power and Light Company in Miami.
The wedding will take place in December.

Miss Elizabeth Irene Lautz whose engagement was announced today to Norman Hasty, is the daughter of Mr. and Mrs. Otto John Lautz of Lancaster, Pa. Mr. Hasty is the son of Mr. and Mrs. R. G. Hasty of this city.

Miller Acres By ROSE OPPEL

Dorothy Schriener, the first girl baby born in Dellary was honored on Nov. 2, her first birthday. A committee of the Civic Association surprised her and her mother on that afternoon and presented her with a beautiful gift.
Mr. and Mrs. Jens Mortensen of Dellary entertained Mr. and Mrs. Emil P. Christensen of DeLand, on Monday afternoon. Mr. and Mrs. H. Hafferker, their daughter and son-in-law from Burbank, Cal., arrived Thursday to celebrate Mr. Christensen's birthday today, with a picnic in his garden. Those invited are Mr. and Mrs. Paul Anderson, Mr. and Mrs. Jens Mortensen, Mr. and Mrs. Emil Hedegren, Sanford, Mr. and Mrs. Henry Madson, DeLand, Mr. and Mrs. C. Post, DeLand, Mr. and Mrs. Sam Monahan, DeLand, Mr. and Mrs. Douglas Amundson, Vero, Mr. and Mrs. Alex Patterson, Orange City, Mr. and Mrs. W. Lund, DeLand.
We have received word that Mrs. Pete Brown is in the Mather Memorial Hospital, 1001 E. Palmetto, Long Island, N. Y. She went north to visit her daughter and while there was suddenly taken ill. We hope she will be able to return to Dellary soon, in good health.
Mrs. Robert Scott and Dr. D. Wilson of Miller Acres are on the sick list also.
Mr. and Mrs. Charles Youman are visiting Mr. and Mrs. Harvey Hale in Clearwater. Mr. Hale is an executive of a chain of stores. He recently built one in Clearwater.
Mr. and Mrs. Youman were in Geneva.

GENEVA NEWS BY VALLEEN PREVATT

June McGill spent the weekend with her parents, Mr. and Mrs. Raymond McGill and family. She is attending Florida State University in Tallahassee.
Mr. and Mrs. Joe S. Mays of Virginia visited the Misses Rogers Thursday. They came from Daytona Beach where they were spending their honeymoon.
Rev. Leo Jantjes pastor of the Geneva Baptist Church took dinner with Mr. and Mrs. Kader Sunday.
Mrs. Gertrude Wesson arrived home Saturday after spending some time with her son-in-law and daughter in Hillsdale.
Mr. and Mrs. Luther Boyd and family, and Mr. and Mrs. Fred Patena of Detroit, Mich., are spending this week with their parents, Mr. and Mrs. Joe Adams.
Mr. and Mrs. E. T. Summers and daughter, Mrs. Richard W. Summers and daughter, Mrs. St. Augustine Sunday to bring back Charles Summers from the hospital where he has been since his accident.
Mr. E. N. Sutton and the Misses Rogers and Holly guests Mr. and Mrs. Joe S. Mays went on a fishing trip Saturday at Julian River. They enjoyed a picnic lunch.
Mr. Ode Roy who has been in the Bay Pines Hospital is home with his parents here, Mr. and Mrs. Joe Adams.
Mr. and Mrs. Lewis Bradmyer have as their guests this week Mr. Bradmyer's sister, Mrs. Elizabeth Brown from Dayton, Ohio.
The Home Demonstration Club held its meeting Tuesday night twelve present. The Home Demonstration Club will give a fund-raising demonstration at the home of Mrs. Ed Hamill and Mrs. Jessie Prevatt were evening callers of Mr. and Mrs. T. W. Prevatt and family Tuesday.
Mr. and Mrs. Harry Votts left Monday morning for California where they will make their home.

Miller Acres

They also are stopping to see Mr. and Mrs. T. Hader in St. Petersburg. Mr. Hader before retiring was General Foreman of the Edison Company in Brooklyn, N. Y.
Mr. and Mrs. Emil Hantz formerly of Long Island, now residents of Lake Helen, spent a few days with the Govey family on West First Street, Delray, when their new home was being completed.
Sunday evening, Mr. and Mrs. Edward Wagner and Mr. and Mrs. Wm. Newell had a pleasant hour of music. Mrs. Newell accompanied the vocal talent on the accordion.
The Welcoming Committee of the Dellary Civic Association called on Mr. and Mrs. Henry Stiehl, Mrs. Mary Allen and Mr. and Mrs. N. Torrell and presented each of them with a plant for their new homes. They recently moved to Miller Acres and are very happy with the reception they have received.
Charles Fisher, Joseph Davis and Elliot Locken from New York stopped to see Mr. and Mrs. Joseph Schriener on their way to Fort Pierce. Mr. Fisher has been to Dellary a number of times and is well acquainted with many people here. He was surprised at how the place has grown.
The Wicksburgs are back to Dellary for good. They are one of the pioneer families and each spring returned North for the summer. This year they decided after many months of traveling, that they were going to stay here permanently. When up North they stopped at Ocean City, Long Island, N. Y.
Mrs. H. Rotunda from Yankers, N. Y. is staying at Mr. and Mrs. Wm. Sanders for the winter. Mrs. Rotunda is Mrs. Sanders' sister of Orlando Road.
Last week we forgot to mention what a good job of decorating Mr. H. Miller of Sumner Drive, did for the Civic Association, Halloween party. He drew and painted several large witches, goblins and caricatures and the costumes worn the night we have seen in some time. Thanks Mr. Miller for help.

Delary Civic Association at Miller Acres

Delary Civic Association at Miller Acres offices at 2 P. M. Tuesday.
Next time you serve mince-meat tarts, try putting a thin slice of quick-melting yellow cheese over each, then put the tart in a moderate oven until the cheese is melted and browned away.
Delicious baked apples result when you fill each apple cavity with 2 tablespoons of sugar, a teaspoon of butter or margarine and some small round cinnamon candies. Bake the apples by your usual method, adding a little hot water to the bottom of the pan and basting often.
To make window panes extra shiny, add a liberal pinch of lime and couple of drops of borax to a quart of hot soap-suds.

Legal Notice

IN THE CIRCUIT COURT OF THE NINTH JUDICIAL CIRCUIT IN AND FOR SEMINOLE COUNTY, FLORIDA...

THE CITY OF SANFORD, FLORIDA, a Municipal Corporation, et al., Defendants.

NOTICE: You are hereby commanded to appear in the above-entitled case...

Another officer predicted the war would be over by Dec. 1. A third said that if the Reds cannot achieve a decisive diplomatic victory...

The situation was a puzzle throughout the Army, with a guessing game going on over the outcome.

Col. Ernest V. Holmes of Do-fiance, Ohio, said he believed the war would be ended during the first week in December...

"I doubt that we ever will go near the Manchurian border," he said. "Some damn fool might cross it and cause trouble."

Then he added: "I will see you in Hawaii on Christmas day."

Lt. Col. Jacob Shacter of August, Ga., said dryly: "Let me collapse your bridge of optimism."

"There is the possibility the Chinese are shifting to the center of our line for a drive on Pyongyang and a full-scale effort to outflank the western half of our front."

He said the Reds may be holding positions on the Chongchon front merely to give time for an offensive drive. There were signs that the Reds were taking defensive positions by digging new trenches, laying mines and setting up roadblocks.

The enemy are withdrawing in some sectors and putting up heavy resistance in others.

Many military men feel the war has now become a diplomatic battle which easily could develop into World War III—if the Chinese come into North Korea in full force.

A general said he believes the Americans on the Chongchon River front could drive forward 10 to 15 miles without meeting material enemy resistance. Then he

added: "The Reds have nothing to lose and all to gain by keeping the Chinese fighting us."

He concluded that if the Russians and Chinese Reds can achieve a decisive diplomatic victory then "We will close the war amiably."

Shacter said if the U. N. forces continued the drive north they would fight their way out of the narrow neck of the Korean peninsula.

"Then we would have a front that is 570 miles long. The present front is about 110 miles long."

"We should have five times as many troops if we want to have the same impact on a 570-mile front as we now have on a 110-mile front," Shacter said.

He pointed out that a short length of the North Korean frontier borders on Russian territory—Siberia. And, he added, the Russians in his opinion would not agree to a free nation holding a border touching Russian territory.

"To protect the Iron Curtain," he said, "Russia must have a buffer state between her and a free nation."

Americans In Korea Are Confused Over Future Of Fighting There

CHONGCHON RIVER FRONT, Korea (AP)—American officers were in sharp disagreement over what the future holds for United Nations forces in Korea.

It appeared that one man's guess was as good as the next.

One general officer said he feared the Chinese Reds were mounting an offensive drive on the former Red capital of Pyongyang which would chop up the U. N. forces and split them down the middle.

Another officer predicted the war would be over by Dec. 1. A third said that if the Reds cannot achieve a decisive diplomatic victory then the Chinese will continue fighting throughout the winter.

The situation was a puzzle throughout the Army, with a guessing game going on over the outcome.

Col. Ernest V. Holmes of Do-fiance, Ohio, said he believed the war would be ended during the first week in December...

"I doubt that we ever will go near the Manchurian border," he said. "Some damn fool might cross it and cause trouble."

Then he added: "I will see you in Hawaii on Christmas day."

Lt. Col. Jacob Shacter of August, Ga., said dryly: "Let me collapse your bridge of optimism."

"There is the possibility the Chinese are shifting to the center of our line for a drive on Pyongyang and a full-scale effort to outflank the western half of our front."

He said the Reds may be holding positions on the Chongchon front merely to give time for an offensive drive. There were signs that the Reds were taking defensive positions by digging new trenches, laying mines and setting up roadblocks.

Women's Club Is Control Of Steel Is Necessary, Says Iron Age Magazine

NEW YORK, Nov. 16 (AP)—The part-control, part-free method of distributing steel already is proving unworkable, the Iron Age magazine says today.

By the next of next day, the publication predicted, "the control orders will be so numerous and far reaching that the materials plan will be installed as a means of restoring order to the confused and chaotic market."

"This doesn't mean that a peacetime goods will be produced far from it. It does mean the peacetime production will get on what is left after defense and essential requirements have been matched against production."

Harvest hit by the change-over it said, will be manufacturers of nonessential civilian goods.

"Steel shipments to them will be drastically slashed, if not eliminated," The Iron Age said.

"This doesn't mean that a peacetime goods will be produced far from it. It does mean the peacetime production will get on what is left after defense and essential requirements have been matched against production."

Despite producers' current efforts to clean up old orders and start the new year fresh, it continued, "they are running as much as two months behind on some items. Customers will still be on the books for the month or two last, but their chances of ever getting it are slim."

The Iron Age said the National Production Authority order assuring warehouses proportionate percentages of steel products based on average shipments during the first nine months is "not as good as it sounds."

"Warehouses received about 20 per cent of all steel shipped during the first nine months," it said, "but the hitch is that they will get their 20 per cent after defense and essential priorities have been met."

This will hit especially users of flat-rolled products, the trade weekly predicted, estimating that by June defense and essential civilian priorities will be taking about 50 per cent of flat-rolled output.

Output this week was placed by the Iron Age at 103 per cent of steelmaking capacity.

Nearly 100 parents and children were entertained Tuesday night at the Casselberry Community House by the youth center committee of the South Seminole Woman's Club.

Judge Douglas Stenstrom complimented the group for providing wholesome fun at the club house in the form of shuffleboard, dancing and games. He recommended more such youth centers for Seminole County, and pointed out their value as a cure for juvenile delinquency.

The Rev. Taylor, pastor of the Casselberry Community Church, pointed out the security which such a project lends to the town.

Principal R. T. Milwee of the Lyman School, Longwood, stressed the importance of the co-operation of school, home and church in promoting character building in youth. "Young America needs all we can give them in fun," he asserted.

Mrs. Herman Joyce, chairman of the youth project, was aided in the program by a committee including Mrs. M. A. Ferrigo, Mrs. E. L. Hattaway, Mrs. Antonio Favata, and Mrs. Jim Bartruff.

Mrs. E. H. Hooker is president of the South Seminole Woman's Club.

The group enjoyed square dancing and refreshments were served. Plans for other similar programs are being made by the club.

Now She Shops "Cash and Carry"

Without Painful Backache

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of sagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to acid, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait. Try Doan's Pills, a mild diuretic. Used successfully by millions for over 60 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's five heavy tablets help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

YOUR ONE TIRE INVESTMENT... FOR MANY YEARS TO COME

LIFE-TUBE BROWDER PATENTED 1934 NEVER POSSIBLE BEFORE

"CAN WE MAKE ENOUGH OF THEM?"

Never in our history has there been such demand as we have experienced for the Mid-Century ROYAL MASTER and the new U. S. NYLON LIFE-TUBE!

People have asked us whether we'll be able to make enough of them to go around. The answer is—we have never been able to make enough of them. They have been "selling out" as fast as we could make them.

Of one thing you may be sure—we will make all of them we can in keeping with all official limits on rubber supply.

OUR BEST ADVICE WOULD BE—keep in close touch with your own neighborhood U. S. Royal Dealer. He will do his utmost to give you these exclusive Master and Life-Tube qualities—never known or possible before.

He will see you safely and comfortably through the months and years ahead and we, of course, will do our utmost to help him.

TIRE QUALITIES AND FEATURES NEVER KNOWN OR POSSIBLE BEFORE

* Never Before, U. S. ROYALTEX TREAD AND TRACTION in snow, silt and hold in slippery weather—where tires never held before!

* Never Before, U. S. NYLON LIFE-TUBES for blowout protection and Life Protection far beyond all previous standards.

* Never Before, MID-CENTURY PROTECTIVE CURBGUARD to end all grinding curb scuff and abrasion—to safeguard the sidewalls of your tires.

* With EVERLASTING WHITEWALLS or BLACKWALLS, to maintain the trim beauty of your tires.

YOURS, For Years Instead of Months SAFETY and COMFORT

How Long Does CHANGE OF LIFE Last?

For some women mid-life's crucial "change" may be a reasonably short time; for others, unfortunately, much longer. In either case the sensible thing to do is to make this very trying period as easy as possible. That's why the modern woman needs Dixie Crystals. Its modern-type pills do an often great job of relieving the commonest mid-life troubles: hot flashes, nervous irritability, constant aching, tired feeling, weakness, loss of appetite, insomnia, etc. Dixie Crystals give you a brighter outlook on life. Buy Dixie Crystals today!

Ohio State, Kentucky And Texas Picked To Win By AP Forecaster

By HAROLD CLAASSEN
NEW YORK, Nov. 16—(AP)—Illinois is the pick here to defeat Ohio State Saturday in the nation's No. 1 football game.

The betting expert figures the Buckeyes, defending Big Ten champions and No. 1 team in the recent Associated Press poll, as a touchdown better. But the Illini are playing at home, their backfield is in fair shape for the first time in weeks and there is a slight matter of a Rose Bowl trip at stake.

Injuries Cripple Miami Hurricanes For Florida Tilt

NEW MIAMI BACKFIELD To Be Used Against Gator Aggregation
CORAL GABLES, Nov. 16—(Special)—Coach Andy Gustafson, who so far this campaign has brought the University of Miami Hurricanes through as an undefeated football team, team Florida's great playing quarterback—Haywood Sullivan.

The Miami gridiron boss calls the Gator game the greatest he has ever seen. "I have never seen a finer college player," Gustafson said today as he sat with the Gators near the stadium.

North Carolina at South Carolina. Just what did those two governors say to each other, North Carolina.

Arkansas at Southern Methodist. The Mustangs' lunging ways are over, Southern Methodist.

Army, Oklahoma, Kentucky In Race For Cotton Bowl

DALLAS, Tex., Nov. 16—(AP)—What's going to win in the Cotton Bowl New Year's day? The annual governing contest is no wofficially open.

Princeton, Oklahoma, Princeton, Tennessee? What's your pick? Yesterday all schools still in the running for the Southwest conference championship were to meet in the executive secretary of the conference, Howard Grubb, a list of teams they'd like to meet in the Cotton Bowl—if their team won the title and received the invitation to act as host club.

Grubb last night said he had received the choices of Texas, A. and M., and M., the two schools still contending for the championship.

What were they? "I can't say," said Grubb. "That's a confidential matter." But an authoritative source at the University of Texas and with Coach Blair Cherry had named "all the top teams—Oklahoma, Army, Kentucky and all the others we thought might be available."

Texas A. and M. officials had no comment. But it was understood their choices were generally the same as those of Texas.

Texas is the only team with a perfect record in conference on A. and M. has been beaten once. At other times they are more losses than wins. Texas this week plays Texas Christian and A. and M. meets Rice. Everybody expects the Thanksgiving Day game between these two to settle (1) the conference championship, and (2) which will win the Cotton Bowl.

Texas' leading choices were considered to be Oklahoma, the only team that has beaten it this year (14-13), and Army.

Kentucky, Princeton, Tennessee and Clemson were understood to be other choices of Texas.

Maryland was mentioned by another official.

Tennessee has lost one game and Clemson has been tied. Army, Oklahoma and Kentucky are undefeated and untied.

Texas players were not consulted by Grubb and Cherry in making up the list. They figured the managers had enough worries getting ready for their next three games—TCU, A. and M., and Louisiana State.

One official pointed out that in the past Army has shunned bowl games and that Princeton, a member of the Ivy League, would probably do the same.

Grubb said the name of the Cotton Bowl is the Southwest

Celery Feds Play In Daytona Tonight

The football game originally scheduled for tomorrow night between the Seminole High School Celery Feds and Seabreeze High School of Daytona Beach will be played tonight because of a conflicting schedule of Mainland High School of Daytona. The Feds, victims of seven straight losses against no wins, will meet the Seabreezes at the Municipal Stadium in Daytona with kickoff time slated for 8:00 P. M.

Sports Roundup BY HUGH FULLERTON, JR.

NEW YORK, Nov. 16—(AP)—The United States Golf Association still is worried about players who waste too much time studying shots and lining up putts in championship tournaments.

That seems singularly unnecessary at this time, when northern golfers can take all winter if they like and the guys vacationing in the south and west aren't in a hurry about anything.

Still there are some interesting figures on putting compiled for U.S.G.A. Journal by Huncie Martin, who checked a lot of the lads in the 1950 amateur championship.

Times recorded ranged from 12 seconds from the time the golfer addressed the ball until he stroked the putt, up to 161 seconds which was how long Frank Stranahan took to miss his final putt.

The average was slightly over 40 seconds per putt. In one match, which required four hours, 11 minutes for 17 holes, almost 47 minutes were devoted trying to come up with the ideal Christmas present for a golfer's wife to give the old man—a combination stop watch and alarm clock, with a special song that means "get the heck out of that locker room, you lard, and try to be on time for dinner just once."

Connie Do It? Oklahoma U. publisher Harold Keith claims the reason why Billy Vessels is running so nicely for the O. U. football team is that he's trying to keep up with Connie, his 16-year-old kid brother.

Connie, a sophomore backfielder at Cleveland Okla. high school, has averaged three touchdowns a game, a mark Billy hasn't reached yet.

One-Minute Sports Page Word From France is that Robert Villmain has ballooned to 368 pounds and is worried about making the 140-pound limit.

Connie, who has hired Doc Tracy, who couldn't hypnotize the St. Louis Browns into thinking they could win, to try the same stunt on larder players.

Coach, Connie Smythe Art Ross have been hypnotizing the Rangers for years, every time they wanted to make a player trade.

The Southwestern Conference limiting scouts to one a game has Harry's George Sater in a tizzy. With Saturday off, he'd like to watch some football but doesn't want to pull his regular scouts of the teams they've been following.

The Kansas State varsity freshman basketball game next Monday has been designated as a "memorial" for Nichols syn. The old will be used for the time. There'll be no mourning.

Dot's All, Brothers Army and Notre Dame finally got together the other night when Col. Ockie Krueger, West Point athletic manager, and radio man Walt Kennedy, who formerly beat the drums for the Irish, flew west together for the Army-Stanford game.

Reports around here have it that Washington and Lee and Fordham are being mentioned as Gator Bowl grid prospects.

Lee's football was put in a shambles at Mansion, Ia., high school the other day when five football players were suspended.

Curtis is well ahead in the yardage race with 706. Bill McCall of Stanford is second at 623 on 34 catches.

Bienemann and Cooper have led the parade all season in catches, the former in all but one week. Cooper, like the leader, has played in nine games. He has caught 40 for 511, according to figures released today by the National Collegiate Athletic Bureau.

Stonsifer, in seven games, has the advantage of two remaining games, compared to none for Bienemann and one for Cooper.

Bienemann's 45 catches represent the sixth highest number in major college history. The record for a season—62—is shared by Art Wiener of North Carolina (1949) and Barney Poole of Mississippi (1947).

Jack Jordan of Colorado has the best punting average so far with 47.4 yards for 34 punts in eight games.

Don Waters of Washington & Lee's little-bound Southern Conference eleven is the leading punt returner with 28 runbacks for 431 yards. Henry Rich of Arizona State at Tempe has 11 punt interceptions already this year, tying a 13-year-old record held by Elmer Turbot of Texas Tech.

Gators Practice Under Wraps For Miami Hurricane

New Men Are Broken In To Replace Injured 1st String

GAINESVILLE, Nov. 16—(AP)—It's anybody's guess which member of the Florida Gator football squad will do the heavy work before a capacity crowd of 40,000 here Saturday in the battle with the Miami Hurricane.

Secret drill, with reserves and former defensive linemen working in ball-carrying role have featured this week's work at Gatorland.

High-speed drills running late into the afternoon have been held to break in new men which Coach Bob Woodruff hopes will bolster the Seminole manpower problem.

A large injury list, with two first stringers as the most recent additions, is the cause of it all.

Trainer Sam Lankford said today that Dick Egan, Wicker Hays and guard Bob Flowers, ordered for playing hockey.

Tom Bienemann Of Drake Keeps Lead In Pass Receiving

NEW YORK, Nov. 16—(AP)—Tom Bienemann of Drake leads the pass catchers on major college football teams, but whether he can retain his position to the end of the season is something else again.

The wing veteran celebrated the windup of his college career on the weekend by grabbing five passes against Iowa State, boosting his total to 45 for 615 yards. With his season completed, that number of receptions could prove sufficient to shove off such contenders as Gordon Cooper of Denver and Northwestern's Don Stonsifer.

Although he has caught only 23 passes, Vanderbilt's Bucky conference champion would be announced "when everything is lined up."

Last year North Carolina received the invitation, school officials promptly accepted it and told travel plans before the chairman of the Cotton Bowl selection committee ever confirmed it down here.

It doesn't make much difference as to which team got the bids as far as tickets go. They're all yours, ensuring each school something like \$125,000 as its share of the same's receipts.

From where I sit... by Joe Marsh

We Ask That "Fares" Play Fair

Judge Cunningham was telling about a taxi ride he took over to the County Seat last week. The cab was all littered with cigarette butts, plus candy and gum wrappers. This annoyed the judge and he spoke to the driver about it. To his surprise the cabman answered right back: "Don't blame me," he said "Fast as I clear this taxi out, the fares just jump it up again. I like a clean cab as well as anybody, but a man has to have some co-operation!" Judge figures the fellow was in the right, and maybe we ought to do a little campaigning with the police I agree with him, that's why I'm writing this article. From where I sit it's important for us to remember the fellow who's going to get in his cab after we leave it. Because he pays the same as we do, he's got the same right to a clean, comfortable ride — he has to have the same right to enjoy the beverage of his choice (be it coffee, beer, lemonade, or what have you).

A-Bomb Trade For Peace Is Bradley Offer

Head Of Joint Chiefs Of Staff Tells AP Newsmen Germany Should Be Rearmed

ATLANTA, Nov. 17.—(AP)—General Omar Bradley said today the Korean war stripped this country and its allies of adequate strength—except for the atom bomb—to defend themselves elsewhere. The chairman of the Joint Chiefs of Staff said in a speech prepared for a meeting of the Associated Press Managing Editors Association: "It is a bruising and shocking fact that when Americans were committed in Korea, we were left without an adequate margin of military strength with which to face an enemy at any other specific point. Certainly we were left without the strength to meet a general attack. In the military sense, the free world was left without adequate reserves of force for the atom bomb."

ATLANTA, Nov. 17.—(AP)—America's top military man offered today to trade the atom bomb for "a genuine course of righteousness in the world," and "all military power for a century of peace." "But no easy trades are on in the open market," General Omar Bradley said in a speech prepared for 500 members of the Associated Press Managing Editors Association meeting here. "We must earn the world righteousness we seek, and the peace we so earnestly desire."

Bradley called anew to American treatment and suggested a system by which U. S. reserve military manpower would be maintained at a greater degree of combat readiness than in the past. He said that would help provide the military strength which will be necessary "for many years to come."

To reach the goal of enduring peace, the chairman of the Joint Chiefs of Staff called for:
1. Building "a strong and wholesome nation, to act as a pivotal center for freedom in the world."
2. Maintaining and enlarging industry and productivity, and "wherever it serves freedom's interest," sharing the resulting benefits.
3. Exercising "all the means of diplomacy, all the skills of negotiation, to enlarge the opportunities for freedom throughout the world."

In short, Bradley said, "we must have a strong and wholesome nation, to act as a pivotal center for freedom in the world."

Tough Little Mongrel Refuses To Stay Dead

CHICAGO, Nov. 17.—(AP)—Three weeks ago Brownie, a five-month-old pet dog, was struck by an automobile in the head and buried. Brownie refused to become a mummy in his run of bad luck. He raised himself out of a shallow grave to prove it.
He's back at his home in suburban Calumet, Ct. looking and feeling considerably better than he was after his close brush with death.
Brownie strayed into the home of Albert Herman, a veterinarian, and was promptly adopted by Herman's four young children. They were upset when he was hit by a car and seriously injured late last month.
Mrs. Herman rushed him to a veterinarian but he was out of his office. Mrs. Herman, noting Brownie was suffering, decided to put the dog out of his misery. She asked a neighbor to shoot Brownie, but the dog to a wooded area and fired one shot at the animal's head. Then he placed Brownie in a shallow grave and covered the body with sand.
The next day, Mrs. Herman said, Brownie showed up at her back door—whining. She rushed him to a veterinarian, Dr. Robert Snyder, who went to work with penicillin, splints and other equipment and soon had Brownie patched up. Several days later Brownie was back home.
Splints were removed from the dog's fractured left hind leg yesterday. He's frisky and playful with only a slight limp.
Dr. Snyder explained about the mercy bullet fired by the neighbor. It ricocheted off Brownie's thick but affectionate skull without inflicting serious injury.

Traveling Wheelchair Ellenburg, Wash. Nov. 17

LARRY HIGHTOWER brought his wheelchair home yesterday. As the ex-cowboy jockeyed his one-wheel contraption into the center of town it marked the end of a more than 20,000 mile harrowing journey that began July 3, 1949. The 35-year-old veteran states in the union and branched out into Canada and Mexico. "I just figured a wheelchair never had gone anywhere," Hightower explained. "Can't say that now though."

Truman Receives Legion Report

NEW NATIONAL COMMANDER of the American Legion, Eric Cocha, 39, calls on President Truman at the White House. Cocha presented the Chief Executive with the 1951 program of the Legion as outlined at its recent convention in Los Angeles. (International Soundphoto)

Governor States Tourist Business Guard Pleads Not To Double By 1960

Visitors Spent \$800 Million In Florida In '49, Says Warren

OCALA, Nov. 17.—(AP)—Speaking at the annual meeting of the Marion county chamber of commerce to a capacity audience last night, Governor Fuller Warren asserted his confident belief that Florida will double its tourist business in the next ten years. Approximately 4,700,000 people came to Florida from other states and countries last year, and spent an estimated \$800,000,000 here, Governor Warren said in one of his state promoting talks he has been making in and out of the state.
"We have just about doubled the summer tourist business of Florida in the last two years," he told his hearers in what he described as "one of the most impressive gatherings of a Chamber of Commerce I have ever seen. Instead of 5,000,000 visitors annually, we will have 10,000,000."

Hillsborough High Students Visit Zoo

More than 120 members of the Hillsborough High School band of Tampa, together with cheerleaders and majorettes, enjoyed a stopover in Sanford this noon and visited the Zoo. They were en route to Daytona Beach and the football game with Mainland High School tonight.
Groups of the students posed for snapshots by the moat at Monkey Island and the Municipal Pier. They were brought here in three Greyhound buses.
A group of about a dozen of the girl students were excited over the sight of deer on such good terms with the monkeys on Monkey Island. They got much fun also out of the antics of Jiggs, the Mandrill ape, and had high praise for the Zoo.

Tampa Doctor Suggests Husbands Stay With Wives During Childbirth

By FRANK CAREY
Associated Press Science Reporter
ST. LOUIS, Nov. 17.—(AP)—It might be a good idea to let certain expectant fathers stay with their wives in the hospital "labor room," a Florida doctor says.
This is one phase of a new childbirth program now under study.
The husband could rub his wife's back and give her encouragement, said Dr. Oren A. Ellington, of Tampa, in advocating a modified form of "natural childbirth."
"Natural childbirth," a controversial concept originated by an English doctor, means labor and delivery without use of pain-relieving agents—plus a pre-labor educational program designed to allay fears a woman might have of childbirth.
Dr. Ellington told the Southern Medical Association, whose annual meeting ended yesterday, that he favors a middle-ground method on the matter and that his use of it has been apparently successful. He advocates sparing use of pain-relieving drugs during labor; employment of a special form of anesthesia during actual delivery and an extensive pre-labor educational program for both expectant mothers and fathers.
"Many problems must be solved and our own obstetrical concepts must be altered before we can expect this method of delivery to be completely satisfactory," he said.
"Labor departments are generally a noisy madhouse supplied with the most uncomfortable beds in the hospital."
"A home-like atmosphere must be created. Obstetrical nurses must have special training. A nurse in a labor room can destroy the effectiveness of the method by a few ill-chosen words."
"The patient must have someone with her at all times for emotional reassurance."

Florida Hit By Phone Pickets' Mass Strategy

Jacksonville, Miami Exchanges Are Besieged By Pickets; Service Is Normal

JACKSONVILLE, Nov. 17.—(AP)—Scores of girl employees of Southern Bell Telephone Company massed on downtown streets today after picket lines were thrown around three buildings by union men striking against Western Electric Company.
Southern Bell said there was "no justification" for the interference with service. Union leaders said the girls were "properly honoring picket lines of fellow workers."
L. M. Plummer, chairman of Local 106, Communication Workers of America, said only 12 girls had crossed the picket line in front of the main office. Normally, 350 work there.
Dan Anderson, district manager for Southern Bell, said "Many local employees are reporting on the job" and that there had been no serious interruption of service.
Meanwhile union pickets appeared before all telephone offices in Miami today, and reportedly elsewhere in the state.
Some of the 1,800 Southern Bell employees stayed away from their jobs, but a telephone company spokesman reported "many employees of the traffic and other departments have reported for their regularly assigned duty."

Attorney Hints That Defense May Rely On Insanity Plea

WASHINGTON, Nov. 17.—(AP)—Oscar Collazo, accused of two capital crimes for his part in attempting to assassinate President Truman, pleaded innocent at his arraignment in U. S. district court today.
After hearing the four-count indictment read, Collazo told district Judge Henry A. Schweinhart: "I plead not guilty, your honor."
Those were the only words spoken by the small, meek looking Puerto Rican fanatic. The 37-year-old Collazo was neatly dressed in a brown suit.
Lva A. Roper, chief of three court-appointed defense attorneys, argued vigorously against rushing Collazo to trial. U. S. District Attorney George Morris Fay told Judge Schweinhart that the prosecution was not attempting to take the Collazo case out of order, but "we do insist that the government is entitled to a speedy trial."
After hearing the attorneys, Judge Schweinhart fixed no trial date. He said, however, that he did not believe the case should be delayed until Feb. 15, a date suggested by Roper.
The court's assignment commission has suggested that the case be tried on Feb. 15.

Thirteen Sanford Men Inducted Into Army

Thirteen men reported today to E. H. Carter, clerk of the local Selective Service Board No. 28, for induction into the armed services and left by bus at 8:15 A.M. for the induction station at Jacksonville. All have passed their physical examinations, said Mr. Carter.
The group included six whites and seven Negroes in the latter group were Ray Claude Howard, Jr., Clarence Elmore Jones, Jr., James Wiley Abell, of Oviedo, William Robert Jennings Ray Heasley of Oviedo and Jim Wilbur Bruce of Lake Monroe, who was transferred here from St. Augustine.
Another man inducted, John William Combs of Oviedo, was transferred to the board at Covington, Ky.
The seven Negro selectees, all of them from Sanford, were Overy Bradshaw, Edward Leonard Harrison, Oscar Collins, Adam L. Fayette, Herman H. Walden, Leona Williams, and Herbert Napoleon Robbins, who was transferred here from Alachua.

Only 75 Register On City Hall Books

Approximately 75 Sanford citizens out of 3,400 potential voters have re-registered at the City Hall since the books were opened for this purpose on Wednesday, H. N. Sayer, city clerk, stated this morning.
The re-registration is strictly for those whose names are on the old registration list which has become obsolete, he pointed out. The re-registration will continue until Dec. 30. New citizens or persons reaching 21 years of age may register when the books are opened 30 days before the next election, he said.

Recent Dropped

HARTFORD, Conn., Nov. 17.—(AP)—Connecticut Republicans abandoned their fight for a recount in the close election contest 49 which Senator William Benton (R) won over Prescott Bush (R) by 143 votes.
With yesterday's end to the proceedings before three state supreme court justices, there came this statement from Bush: "I accept the decision of our party leaders to withdraw our (recount) petitions with good will toward all and I'll withdraw no one. I congratulate my opponent on his victory."

Rotary Recognize Rotary

HONG KONG, Nov. 17.—(AP)—Rotary International has been "recognized" officially by Communist China.
R. H. Jones, president of the Kowloon Rotary Club, told a meeting of the club yesterday that Peiping had granted International Rotary the first license to operate in China as a legal private organization.
Jones also reported that Peiping had granted the second license of similar nature to the "International Freemasons."

China Rejects Protest Over Tibet Attack

Chinese Reds Advise India That Tibetan Invasion Does Not Concern New Delhi

NEW DELHI, India, Nov. 17.—(AP)—Communist China has brusquely rejected a second Indian protest of the military invasion of Tibet, an official government spokesman said today.
Red China declared India had no right to "interfere" in what the Communists consider an internal Chinese affair.
The answer placed before Prime Minister Jawaharlal Nehru's government a tough decision—whether to fundly support the Tibetan Nationalist's charges of Red Chinese aggression now before the United Nations, or in a east-west world politics.
The spokesman said the Peiping note still was being studied.
But informed sources said it was "difficult to understand how India could now fail to join in support of Tibet's plea for help from the United Nations."
The second Chinese note reached New Delhi as Tibet's 30-year-old king was scheduled to be invested with full powers in a colorful ceremony at Lhasa, the capital of Tibet.

Turkey Shoots Are Ruled Illegal By Attorney General

TALLAHASSEE, Nov. 17.—(AP)—Attorney General Richard E. French today ruled that turkey shoots violate Florida gambling laws in going to get a quick test in court.
T. T. Turnbull, Tallahassee lawyer, said he will ask Leon county circuit court today to re-examine Sheriff Frank H. Williams' ruling that turkey shoots are legal.
"Long distance service is normal and it is not expected that there will be any breakdown of local telephone service, since all calls in the greater Miami area are handled by toll-free dialing equipment," said J. M. Phillips, district manager.
C. L. Woods, chairman of local 107, Communications Workers of America (CWA), said: "I am observing picket lines in Miami." He added no general order has been issued regarding picketing or observing the picket lines.
"This is something we are watching very closely," he said.

Christmas Seal Sale Co-Chairman Named

J. G. "Slim" Galloway, general chairman of the 44th annual Christmas Seal sale in Seminole County, today announced the appointment of co-chairmen.
These include Mrs. G. Bradford Albright, Seminole Springs, Mrs. W. E. Payne, Sanford, Mrs. J. W. Varnough, Geneva and Charles Mrs. Virginia Anderson, Lake Mary; Mrs. Frank Farmer, Lake Monroe; Mrs. H. R. Gray, Oviedo; Mrs. Ruth Davidson, Oviedo; Mrs. H. G. Hodges, Paola; and John Mikler, Slavia.
Seals may be purchased at the office of Dr. Henry McLaughlin, Touchette, Vowles and the Goldman Gift Shop. The goal is \$50,000, of which 92 percent remains for the county, 13 percent in the state and 5 percent goes to the national office. Of the latter amount, 1 percent is used for research in developing a serum for the prevention and cure of tuberculosis.

William S. Brumley Jr. Reports In Japan

GREAT LAKES, Nov. 17.—(Special)—William S. Brumley, Jr., radioman, second class, USNR, son of Mr. and Mrs. W. S. Brumley of Celery Avenue, and husband of Catherine O. Brumley of 911 Park Avenue, Sanford, recently reported for duty with U. S. Naval Forces in Japan.
A graduate of Seminole High School, he will serve as a radio operator with the communications center in the flag assignment of Vice Admiral C. Turner Joy, Commander of U. S. Naval Forces in the Far East.
Brumley, who attended the University of Florida, was called to active duty from the Naval Reserve early in September.

Santa Claus Complains Of Playing 2nd Fiddle To Generous Uncle Sam

NORTH POLE, Nov. 17.—(Special)—Santa Claus is faced with a problem that would faze Bob Hope, Albert Einstein or even Russell Kay. "I'm in second place," sighed Santa, "the way Uncle Sam is handing out presents to countries under the Marshall Plan, is putting me in second place as bad as the Dodgers were."
"And that ain't all," he groaned. "The boys and girls in America, instead of writing me letters are clipping out the toy ads in the mail order catalogues, sending them to me and asking that I fill the bill."
"Here is one from a little girl named Helen in Sanford, Florida whose Sears Roebuck catalogue must be a lot thinner since she got through clipping out what she wanted."
Santa paused to wipe the perspiration off his brow with a furry sleeve even though the temperature was 80 degrees below zero.
"If I should send Helen everything she ordered, and that includes dolls, toy furniture, trains, games, scooters, guns, dishes and toy kitchen sets, paints, blackboards, blocks, etc., I might find myself in trouble with the coun-

Allied Tank Column Blasts Free Of Trap, Drives On Manchuria

Mrs. Ecker's Body Found Imbedded In Island Sands

Insurance Executive Flees To Scene Of Drowning Accident

CHARLESTON, S. C., Nov. 17.—(AP)—Search planes today found the body of Mrs. Frederick H. Ecker partly imbedded in beach sand on an island 40 miles south of here.
The 48-year-old wife of Metropolitan Life Insurance Company's local chairman was pitched into the Atlantic Wednesday when a small fishing boat capsized. James Merrill Head, Jr., 39, handsome New York theatrical producer and fishing companion of Mrs. Ecker, was still missing. Searchers believed he also had drowned.
Mrs. Ecker's body had drifted about 15 miles southwest of the fishing area off Seabrook Island where the accident happened.
Lieut. Jack Southworth, a Civil Air Patrol pilot, spotted the body at 7:20 A. M. on a low sweep along the beach. He landed his plane and examined the body. He estimated Mrs. Ecker, a cousin of former President Raymond Poincare of France, had been dead 24 hours.
Her 83-year-old husband, who flew from the west coast yesterday, received the news calmly at his Charleston hotel room. Mrs. Ecker and Head had been objects of a wide sea and air hunt for the last two days.
Coast guardsmen yesterday found the small rowboat from which they and two friends were fishing when the craft was swamped by heavy seas and overturned Wednesday.
The four had put out from the Seabrook Island home of Mrs. Victor Morawetz, whose late husband was a wealthy New York insurance lawyer and protégé of steel tycoon Andrew Carnegie.
J. H. Rogers, a New York real estate broker, and Peter C. Morris, a caretaker on Seabrook Island 25 miles south of here, were on duty by a passing shrimp trawler. They had become separated from the missing couple by a southward ocean current.
Head had been a house guest (Continued on Page Four)

Mistrial Results From Slaying Of Walter Carter

Dan Keigan Remains Free On \$2500 Bond Pending New Trial

The case of Dan Keigan, 50-year-old farmer, charged with murder in the second degree in the shooting of Walter Carter, father of five children, near Altamont Springs on July 23, ended late yesterday in a mistrial when the six member jury after two hours of deliberation, failed to reach a verdict.
The jury included H. B. Owens, L. G. Hunter, Fred P. Lyan, Miss Maude Ramsey, Homer L. Carter and Andrew Jakubson.
As a result the case is expected to be tried again, probably at the end of the present term of Circuit Court. Keigan still remains free on bond of \$2,500 pending retrial. He was defended by John Leonard, Assistant State Attorney Hubert Gogus conducted the prosecution.
The shooting took place at the home of Sam Carter near Altamont Springs. According to testimony by Deputy Sheriff H. H. Swafford, Keigan had been drinking, but knew what he was talking about when arrested in his truck where it had stalled 200 yards from the shooting. Keigan was in the front yard of the home on a dark night.
Deputies Charles Beck and Swafford, and Constable Bill Lewis testified that it took their combined efforts to take the pistol from Keigan, with Swafford actually taking it out of Keigan's hand while the others restrained him. Constable Lewis described Keigan as having been "blind drunk."
Attorney Leonard termed the later Mr. Carter, "an aggressive" and described that the pistol went off accidentally during a struggle.
The prosecution smashed at the self-defense plea, and Attorney Gogus quoted a witness, Elbert C. Buchan, as having stated: "But Walter Carter walked up to Keigan (Continued on Page Four)

17th Infantry Force Expects To Reach Chinese Frontier Within Four Days

SEOUL, Nov. 17.—(AP)—An American tank column blasted its way through a Red trap in a far North Korean mountain canyon today. Then it rolled northwest in a blazing bid to reach the Manchurian border in four days.
Communists opened up on the 17th Infantry Regiment from the hillside as the tanks rumbled along a narrow road in the north-east Korea. A three-hour battle ended with 120 Communists dead on the hills and Mongol Cavalry rocketing the fleeing remnants.
This was about 25 miles south of the Manchurian frontier.
The commander of the column said his force would reach the border early next week and it fired on from Manchuria.
"We will shoot hell out of them," he whined on the front.
The South Korean Capital Division cleared 4,000 to 4,800 yards forward on the extreme northeast front.
U. S. Marines probed to contain around Changun reservoir in the "Great Wall" province.

Washington Negro Says Segregation Law Is Violated

WASHINGTON, Nov. 17.—(AP)—Fluor W. Henderson, a Washington Negro, charged today that the Southern Railway Co. is violating the anti-segregation law by allowing a white deputy to sit on a car of segregationists.
Henderson, a 42-year-old state Commerce Commission member, charged that the railroad had carried a white deputy to the bus station.
The court last June ruled that discriminating against Negroes in the southern train, including the segregation of tables for smoking, violated the Interstate Commerce Act forbidding "any contract of sale or lease of transportation facilities" among other things.
The U. S. Supreme Court last month (Continued on Page Eight)

102 Year Old Bottle Poses Pitiful Problem

KNOXVILLE, Tenn., Nov. 17.—(AP)—A bottle in the cornerstone of the 102 year old city hall building has posed officials of this city with a problem.
The schedule calls for the stone to be opened in a ceremony today. Then the contents are to be turned over to Governor Gordon Browning in another ceremony here Nov. 25. They are to become a part of the historical collection of the Tennessee school for the deaf which first occupied the present city hall building.
Somewhat later a brewmaster next door discovered the bottle. Mayor James W. Elmore hopes it will turn out to contain grape juice, Eau de Cologne or a sample from the near by French brandy.
He doesn't relish the idea of presenting a bottle of potent paid whisky to the governor in a dry city.

Record Donation Is Made At Blood Bank

A record donation of 57 pints of blood was made yesterday at the Blood Bank, located at the County Nurse's office, yesterday on Poinette Avenue. A. R. Johnston, Lions Club Blood Bank chairman, announced today.
Mrs. Starline Adams, who was the initial donor, said Mrs. Parker, who added that he had had to thank Mrs. Starline Adams and Mrs. Guy Kiffin, for their contribution. Mrs. Adams' total blood donation was 57 pints, and Mrs. Kiffin's was 40 pints. He also thanked the Ochsner Motor Co. for transporting blood to the bank for use there and John E. Logan for his contribution of blood.

Lucky Money

OAKLAND, Calif., Nov. 17.—(AP)—Curry, who had a young father's life trapped him later on a charge of killing a policeman.
Clifford DeBenedictis, 29, was arrested after a notorious dealer told police DeBenedictis was gambling in a room in a hotel.
Police chief Frank Farina of suburban Emeryville said DeBenedictis confessed he killed patrolman John J. Covaleski, 34, in a gambler when caught rifling the safe of a loan company in San Jose, Calif., Wednesday.
One of Covaleski's bullets tore through \$1,600 in currency in DeBenedictis' breast pocket, but was so slowed it made only a superficial chest wound.
