"Nurses in our community play a vital role in the health and welfare of our citizens and our visitors. Cashmere ranked two centuries ago with gems as one of nature's most precious gifts. For sheer delicacy it reigned supreme. Even in Queen Victoria's era the most prized fashion was a cashmere shawl so fine it could be drawn through a ring.

This year cashmere emerges in new textures and depths, its former weight multiplied from two to eight times. And the change from the tradition al cashmere to a new firmbodied look is an exciting one.

Cashmere, though synonymous with luxur, has practicality as well as beauty. It is durable, lightweight, can be worn through all seasons and it does not shrink. You can dry clean it if you prefer, but it can be washed and will spring back to its original shape and softness.

It has always been beautiful and now, in its new dimension, it is more so than ever before in its centuries long fashion - history.

he would be.

This kid had sneaked his way into the dressing room of the champion Cleveland Browns football team right after the Browns had won the title and, in the confusion, had managed to filch a highly prized "game football" belonging to Frank Ryan, the Browns' star quarterback. The kid then made the longest yardage of the 1964 football season by carrying the ball 339 miles from Cleveland to Syracuse.

But the Syracuse police went into a zone defense, intercepted the ball, and shot it back to Ryan for the longest completed forward pass in

Browns, flushed with pleasure that the ball had been returned, were planning to mollify the frustrated filcher by presenting him with a brand new, official National Football League football-something any kid would give his throwing arm to have. But up went a howl from a lot of

It was going to be given to the policeman who tracked down the

Well, this was more like it. Things quieted down. It is heartening to know that a considerable number of people still think a kid shouldn't be rewarded for pilfering. Maybe there's still hope for old-fashioned honesty and a sense of moral values.

GENERAL TENDENCIES:
Most everyone will be very
anxious to have life's goodles
now and can be ruthless about gaining them, but if one
uses a little tart and adds a
liberal sprinkling of charm in
whatever he or she does one
can find one's self with most
anything that is wanted. Avoid making any heavy commitments

ARIES (Mar. 21 to Apr. 10) Finances may be a bit difficult today, however you are fortunate in having good friends. Show gratitude for favors extended. Get your most personal interests well handled.

TAURUS (Apr. 20 is May 20) There is a great possibility of success in the business world of today, provided you follow suggestions of higherups. Don't be forceful. Your prestige will increase via civic route today.

GEMINI (May II to June 21) Avoid those who can give you trouble and get into avenues of success that you have avoided for a long time. New individuals you meet can prove meet valuable now. Be understanding, wise.

MOON CHILDREN (June 22 to July 21) By being devoted to the persons who have proven themselves in the past, you get even greater favors than before. Concentrate on true experts. Avoid the selfish kind.

LEO (July 22 to Aug. 21)

You need associates who are progressive in order to vivify certain ideas you have had germinating in your mind for some time. Make wise agreements now. Listen to ideas of others, too, instead of being critical.

VIRGO (Aug. 22 to Sept. 22) Stop fretting over the inevitable and quickly complete those duties staring you in the face. Impress co-workers favorably. They then co-operate with true enthusiasm and alacrity.

LIHRA (Sept. 23 to Oct. 22)
Show good will by agreeing to
join friends in some form of
recreation they like. Stop being cute so that you get your
own way. Be more thoughtful
of others and you gain greater
benefits.

SCORPIO (Oct. 23 to Nov. 21) Those living at your dwelling want to arrange things a little differently, so be sure to acquiesce for greater harmony. Buy pretty things. Show real co-operation.

SAGITTARIUS (Nov. 22 to Dec. 21) A happy attitude can now bring you whatever you wish, be it in practical affairs or whatever has to do with the more amusing side of life. Shop around with good friends. Buy things you love.

CAPRICORN (Dec. 22 to Jan. 20) Concentrating upon the basic fundamentals of your life is wise now and you can make a more affluent life for yourself. Hid yourself of obstacles. Then you win out.

AQUARIUS (Jan. 21 to Feb. 19) If you state your aims clearly with those allies you like, they help you to attain them. Others are not mind readers. Why keep them guessing and get nowhere?

PISCES (Feb. 20 to Mar. 20) If you stop being so pessimistic and instead go after your sims in a positive way, you can easily get ahead faster. Show you have vision, atamina. Get into every channel posisble for best results.

IF YOUR CHILD IS BORN TODAY, he or she will be a very determined person interested in whatever is most upto-date and of a progressive nature. Give the training that will fit your progeny for the role of social reformer, piencer, scientist, since the ability here is tremendous. Early teach to complete one project before going on to another.

## Village To Ask For Re-Bids On **Police Car**

By Margaret Cosby At its regular monthly meeting on the first Monday of the month, the North Orlando Village Council decided to ask for rebids on a police car for the village to include only requested specifications. The council is also obtaining bids for general liability insurance for the village.

Councilman Lloyd Brown proposed that certain repairs be made to Hays Road. Immediate action is being taken to proceed in accordance with his suggestions.

On behalf of the North Orlando Volunteer Fire Department, Brown extended the department's appreciation to Village Police Department for the very able co-operation in directing traffic and controlling onlookers during the recent series of forest fires near the village residential

It was announced that Village Attorney Orville Johnson would be presenting a rough draft of the Village Charter Amendments to the Seminole County Legislative Delegation before presentation to the State Legislature in the spring.

Mrs. Barbara Peters, supervisor of registration, announced that three candidates filed for three of the four council seats to be filled in the March 16 general election. Jay A. Wetz filed an application for the Group 5 seat, Brown for Group 3, and Donald Wilcox has filed for the Group 1 council seat.

Wild Rhesus Monkeys living on Silver Road at Florida's Silver Springs, and viewed by nearly two million tourists annually, were first placed there for the original Johnny Weismuller Tarzan Movies.
