

THE TAX REVISION FIGHT IN SENATE NARROWS DOWN TO THREE ISSUES

Soldiers Bonus, Excess Profits Amendment, Sales, Corporation

TAX MAY PASS

IN NEXT TWO DAYS BUT AT PRESENT NO ONE CAN STATE DEFINITELY

(By The Associated Press) WASHINGTON, Nov. 3.—The tax revision fight in the senate had narrowed today to three principal issues, soldiers bonus excess profits amendment, sales tax and corporation income tax. Senators in charge of the measure thought it could be disposed of in two days and that the bill could be passed by Saturday night at latest.

Watson's Charges Will Have Proof By Several People

Hanging of American Soldiers Seems to Have Evidence

(By The Associated Press) WASHINGTON, Nov. 3.—Letters and telegrams from persons offering to submit proof of charges that American soldiers overseas hanged without trial presented in senate today by Watson, of Georgia, whose presentation of the original charges in the senate several days ago resulted in the appointment of a special committee to investigate.

One of the telegrams, Watson said was from a former major in the army and said he could assist in substantiating charges. In presenting documents Watson, with feeling, clashed with several senators and was reminded by Vice-President Coolidge he should proceed in order and observe the senate rules. Watson again attacked Senator Wadsworth, Republican, who first called the senate attention to Watson's charges. "It is only a few hours since I was put on the rack in a most supercilious manner by ex-associates of William Barnes, a crook," Watson said. Wadsworth did not reply.

REDUCE PUBLIC DEBT ABOUT \$465,000,000 IN MONTH OF OCTOBER

(By The Associated Press) WASHINGTON, Nov. 3.—A reduction of about \$465,000,000 in the public debt during October was announced today by the treasury. The total public debt on Sept. 30 stood at \$23,924,108,125.00 while on Oct. 31 the total was \$23,459,406.59, making a decrease for the period of \$464,691,528. The heavy decrease in the national debt during the past month officials said, was accounted for by heavy redemption of government securities. Nearly \$400,000,000 worth of treasury certificates were retired while the usual treasury financing was omitted on Oct. 15 and no new certificates issued until Nov. 1.

LEGION REJECTS RESOLUTIONS ON HARVEY

BOYS ROMPED ON THE COLONEL—OTHER RESOLUTIONS OF INTEREST

KANSAS CITY, Mo., Nov. 3.—The national convention of the American Legion here rejected a report of its committee on resolutions castigating Col. George W. Harvey, American ambassador to Great Britain, and declaring him unfit to represent the country.

The action dealing with Ambassador Harvey came after a brisk fight on the floor in which Colonel Harvey was severely arraigned and defended by delegates.

The resolution asserted the ambassador's remarks at the Pilgrims' Day banquet in London shortly after he arrived in England, in regard to the motives that actuated America's entrance into the war were false and untrue, constituting a gross slander on the service men and women of the country.

After the original Harvey resolution had been tabled, a substitute resolution was adopted. It was couched in less caustic terms and was adopted by unanimous vote. It stated that Mr. Harvey's remarks did not represent the sentiment of the American Legion and was amended on motion of delegates from South Carolina to omit the title of colonel as applied to Mr. Harvey. The resolution was passed provided that a copy be sent to the president of the United States. The substitute was adopted after several delegates declared they believed the original resolution lost only because of its strong wording.

Amid cheers the convention, adopted the report of its legislative committee confirming that body's stand on the question of immediate federal compensation for service men and asking that such action be taken "without further equivocation or delay."

The convention, although late in getting started, raced through a quantity of routine business yesterday and cleared decks for reception of the report of the committee on resolutions and the election of officers, the outstanding features of the concluding program.

Resolutions on compensation said that "after careful consideration of all arguments against the measure, including the letter of the secretary of the treasury and the address of President Harding, we still firmly believe in the justice, fairness and immediate necessity of the adjusted compensation measure."

The convention also adopted a report of the Americanism committee covering a wide range of subjects, and including more stringent regulation of radical activities. Recommendations also were made for the restriction of immigration. Three of the distinguished visitors here for the convention left early yesterday for the East. They were: Gen. Diaz, of Italy; Admiral Earl Beatty,

RAILROADS RATES SLASHED SOUTHERN PACIFIC ANNOUNCES CUT AVERAGING 50 PER CENT

Hundreds of Articles East and West Bound in the List

(By The Associated Press) SAN FRANCISCO, Nov. 3.—Reductions of freight rates on hundreds of articles, east and west bound, and amounting to as much as 50 per cent of existing rates in some cases, were announced last night by the Southern Pacific company. The reductions, it was declared, average about 20 per cent and will be effective, as in the case of changes made to meet competition of water borne traffic via the Panama Canal as soon as approved by the Interstate Commerce Commission; in the case of rates from and to points east of the Mississippi river and Chicago, as soon as eastern roads concur in them, and in the case of rates

to and from points west of Chicago, and Mississippi river as soon as the tariffs can be published. The reductions were announced as representing the policy of the carriers to "reduce freight rates as well as wages where the reductions can be made in the public interest."

Among articles on which the reductions west bound will be effective are drygoods, iron and steel, tin plate, glucose products, machinery, refrigerators, pitch, turpentine, glass, vehicles, furniture, coal, canned goods, linoleum and soap. Rates on east bound products which are reduced include those on borax, vegetables, hops, flour and nuts.

FLORIDA OUTLAW WAS KILLED BY DEPUTIES

SENT UP FOR LIFE, ESCAPED AND HAS BEEN HIDING IN LAKE COUNTY

TAVARES, Nov. 3.—Luther Wilson, aged 32, white, escaped convict and outlaw who has defied authorities of four central Florida counties for more than a year, was shot to death by deputy sheriffs while resisting arrest at a point some 15 miles south of Clermont Tuesday evening.

The body was brought to Tavares and a guard established here Tuesday night for fear that a raid might be made to secure it. There was no trouble, however, and all was quiet here yesterday.

Wilson escaped from the state prison farm at Raiford the early part of 1920. He was serving a life term for the murder of a deputy sheriff who sought his arrest after he escaped authorities who had taken him into custody on a charge of assaulting his sister-in-law. Since his escape he had dodged and resisted officers of Polk, Osceola, Lake and Orange counties. He is said to have lived in an outlaw camp near the corners of the four counties and to have had at least one other escaped convict with him.

Last week former Sheriff T. C. Smyth was defendant in a suit brought by Joseph Wilson for \$5,000 damages for false arrest in connection with the charge on which his brother was sent up for life at Raiford. The trial was hotly contested. Hons. Mat MacFarlane and N. B. K. Pottingill, of Tampa, represented Wilson, and Hon. Ed. Davis and local attorneys represented Mr. Smyth, who is now clerk of the circuit court of Lake county. Incidentally the jury awarded Wilson one cent damages. Naturally this trial brought out many of the Wilson clan from south Lake county and it is presumed that during the week when the witnesses were present that there was a leak as to the whereabouts of Luther Wilson.

Acting upon the information Sheriff Cassidy sent out deputies C. W. Cooper and H. C. Cash to bring in the escaped convict. As a circuit court was in session the sheriff could not undertake the hazardous task with his fearless deputies.

Cooper and Cash left their car on the main road and walked some five miles off the beaten paths through swamp and underbrush, through the wild country known as Green Swamp. When they approached Henry Walker's house they saw Luther Wilson in a Ford car driving in their direction. They headed out into the rutted roadway and with leveled guns called upon Wilson to surrender. Instead he jammed on the brakes of his car, reached for his gun beside him, and in a second had the gun raised to shoot, but was a second too late. Two loads of shot entered his face and chest. He died instantly. The deputies brought the body on

Hanford MacNider, of Iowa, Chosen as National Commander

MOTION WAS LOST

FOR REMOVAL OF NATIONAL HEADQUARTERS FROM INDIANAPOLIS TO K. C.

KANSAS CITY, Nov. 3.—The national convention of the American Legion adjourned here last night after electing Hanford MacNider, of Mason City, Iowa, national commander; selecting other officers and adopting resolutions covering a wide range of subjects. The convention had been in session without a recess since early morning.

The election of Mr. MacNider to succeed John J. Emery of Grand Rapids, Mich., was made unanimous after more than half of the state delegations had seconded his nomination and three other candidates nominated, Roy Hoffman of Oklahoma City, Earl M. Cline, of Nebraska City, Nebr., and John F. Williams, of Joplin, Mo., had withdrawn in his favor.

The vice commanders chosen were George L. Berry, of Rogersville, Tenn. H. Nelson Jackson, of Burlington, Vermont, and Charles Kendrick, of San Francisco, representing the army, and Raymond Brackett of Marblehead, Mass., and J. A. McCormick, of Fort Lyon, Colo., of the navy.

The Rev. Earl Blackman, of Chattanooga, Kans., a minister of the Christian church, Disciples of Christ, was elected national chaplain.

A fight for the removal of the national legion headquarters from Indianapolis to Kansas City, which the Missouri delegation promised in pre-convention campaigning to bring on the floor, did not develop.

The election of officers concluded an all day session marked by debate and wrangling over certain sections of the resolutions committee report. Particularly heated was the discussion of a resolution criticizing severely the speech delivered by George Harvey, American ambassador to Great Britain, before the Pilgrims' Club in London, upon his arrival in England to assume his duties as ambassador and in which Mr. Harvey discussed the reasons why the United States entered the war. The original resolution was thrown out of the report on a roll call vote and later a substitute was adopted. The substitute was written in less sharp terms and expressed the belief that the ambassador's remarks did not represent the true feeling for which the American Legion stands. It directed that a copy of the resolution be sent to President Harding.

Two resolutions bearing upon federal compensation for soldiers were among the mass adopted. Both declared in favor of immediate compensation legislation. One submitted by the convention's legislative committee declared that "after careful consideration of all of the arguments advanced in opposition to the measure, including the letter of the secretary of the treasury and the address of the president to congress, we still firmly believe in the justice, fairness and immediate necessity of the adjusted compensation measure."

The resolution declares that the legion reaffirms its stand upon adjusted compensation, and asks that the "congress of the United States pass this measure without further equibocation or delay."

The other compensation resolution adopted was offered by the resolutions committee. It asserted that, the American Legion reiterates its position in favor of the adjusted compensation for discharged soldiers, and "deplores the request of President Harding to deny passage by congress of a measure for the same, and the acquiescence of congress in that request."

to Tavares about 8 p. m., and a jury was empanelled, viewed the body, after which it was turned over to an undertaker at Eustis. The family was notified yesterday that the body was at their disposal.

### WHAT THE AMERICAN ARMY ACHIEVED IN WORLD WAR RECITED BY GEN. FOCH

(Continued from Page One)

18th of July, participated in the victorious counter offensive of the tenth and sixth French armies between Alsace and the Marne and contributed in great measure to that victory.

"Finally it was that spirit which animated all the American army when, on the 24th of July, General Pershing formed your splendid units under his own direct command.

"On the 12th day of September, 1918, the first American army delivered its first battle on the soil of France. It dislodged the enemy from the St. Mihiel salient where he had entrenched himself for nearly four years, threw him back beyond the foot of the hills of the Meuse. From the very first the American army entered into glory. How many further laurels was it yet to win?

"The St. Mihiel operation was nearly ended when the American army attacked on a new front. On the 25th of September it was engaged on the right wing of the vast allied offensive. The point of direction assigned to it was Metzerec, on the Meuse.

"Deployed from the left bank of the Meuse to the eastern confines of Champagne, it had three army corps in line on a front of nearly 40 kilometers.

"Before it stretched the region of the Argonne, formidable emplacement of the German defense, a wooded terrain, rugged, difficult in its very nature and rendered more so by all the defensive organizations which had been accumulated there during the last four years.

"Nothing could discourage or check your army. It threw itself with generous ardor into the immense mole. The task was a rude one, but it was carried out to a thorough finish. Night and day for a month you advanced in

spite of numerous pitfalls and counter attacks of the enemy. It succeeded from pure tenacity and determination. After St. Mihiel I now inscribe upon its proud banners the name of the Argonne.

"On the 10th of October, this great task finished, it joined hands with the fourth French army in the defile of Grand Pre. In consequence of this the enemy's resistance was severely shaken; the moment had arrived to give him the final blow.

"On the first of November, just three years ago today, the first American army again attacked and, in a splendid advance, reached Buzancy, penetrating the German line for more than 10 kilometers.

"The enemy this time retired definitely; the stars and stripes at once took up the pursuit, and, six days later, floated victoriously over the Meuse reconquered.

"After St. Mihiel, after the Argonne, the American banners now bore the name of the Meuse. In a few days you had taken 46,000 prisoners and 1,400 cannon from the enemy. Glory to the First American army! Glory also to those of your divisions, which, distributed among the French and British armies contributed in great measure to the final success, whether with the Fifth French army to the northwest of Rheims, or with the Fourth French army, in which they carried in magnificent assault, the strong positions of Orfeuille; or again with the British armies for the capture of the famous Hindenburg line, or with the group of armies in Flanders pursuing the enemy upon the road to Brussels.

"During the time your second army impatiently awaited to attack in its turn in the direction of Methew, which was already stretching its arms to us for deliverance. But, harassed and defeated, the army of the enemy laid down its arms. The solemn hour

## PERSHING AND FOCH RECEIVE BIG OVATIONS

### LEGION GREET'S WARTIME COMMANDERS WITH CHEERS

(By The Associated Press)

KANSAS CITY, Nov. 2.—The American Legion received its wartime commanders — Marshal Ferdinand Foch, of France, and General John J. Pershing—here yesterday with a welcome fit for the heroes of victorious armies. Ten thousand guests and visitors to the national convention gave the great military leaders a tumultuous greeting that spoke of the feeling of the American soldier and people for the two men.

After hearing the visitors, the convention adjourned until today to permit the delegates and visitors to attend the dedication of Kansas City's memorial to its war dead and to participate in the big Legion parade yesterday afternoon.

Marshal Foch brought to the Legionnaires a personal declaration of comradeship and from his government bore the official greetings of France.

Just the appearance of the marshal was enough to throw the big hall into a frenzy of applause and General Pershing was given an equal ovation by the former soldiers and visitors.

John J. Pershing commander of the American expeditionary forces, yesterday extended on behalf of American Expeditionary forces, extended on behalf of the American Legion and his own native state, Missouri, a formal welcome to Marshal Foch of France, commander-in-chief of the allied armies.

"I cordially greet you," said General Pershing, in an address delivered before the national convention of the Legion at which the French commander was guest of honor, "not only recalling the affectionate relationship of other days, but also recognizing the patriotic unit that has grown out of those associations and the common purpose that exist to uphold more faithfully those things that lie at the foundation of this great republic of ours.

"M. le Marechal, the American Legion is particularly honored by your presence here among us. We extend an equally cordial welcome to that intrepid leader of Italy's victorious armies that crushed the military autocracy of Italy, General Diaz, and to the representative of the brave Belgian army, whose courage defied the staggering blows of German militarism, Gen. Jacques, and the great captain who commanded the British naval forces whose victories on the sea made the land victories possible, Admiral Beatty.

"American people everywhere wait to do you honor. Personally, I am extremely delighted to extend to you the greetings of the American armies that crossed the sea to fight beside you. I am also honored to speak for my friends and neighbors here in Missouri and accord you a most sincere welcome to this grand old state where I was born and where I lived in boyhood."

General Pershing then turned his attention to the Legion and praised its campaigns for Americanism and kindred ideals. He urged the Legion to continue its efforts to bring into being a military force, representative of the people which "in any future war will escape the results of unpreparedness that you suffered." He urged that the Legion bend its efforts also toward obtaining all possible relief for incapacitated veterans of the war. He predicted that great good would come from the conference on disarmament in Washington, and that an agreement would be reached which would lessen the chances of war.

Delegates to the American Legion's national convention here extended an official greeting to their "buddies," Foch and Pershing.

Indications were that the ceremony would exceed even the vociferous demonstration to the two leaders Monday

which compensated all the sacrifices freely honored our cause.

"You have made those sacrifices; more than 75,000 of your countrymen were buried in the soil of France. May they rest in peace. Your French brothers in arms watch over them.

"Glory to you who survive them and who enjoy victorious peace. You may well be proud of your past exploits.

"Your country had asked you to lay low a redoubtable enemy. You have placed him at your mercy and after having assured every guarantee for the liberty of your peoples you have imposed upon him the peace which your government has dictated. Has not your task been completely fulfilled? As for me, the great honor of my life is for me to have guided along the road to victory the American army of 1918, which was a real grand army, beginning with its commander."

night upon their arrival when thousands met them at the station.

Greetings of Marshal Foch and General Pershing were the principal events of the morning. In the afternoon the Legion's big parade took place with thousands of Legionnaires, members of the Grand Army of the Republic and Spanish War Veterans and others in the line of march. Legion officials expected to sandwich some convention routine into the meeting proceedings, after which the gathering was to proceed to Union station Plaza where the Memorial Kansas City is to erect to its war dead, is to be dedicated.

## SCORE MOVE TO LEGALIZE BEER

WASHINGTON, Nov. 2.—An attack on former attorney general Palmer and a number of senators is made in a statement issued yesterday by the Board of Temperance. Prohibition and Public Morals of the M. E. church regarding the beer regulations issued last week by Secretary of the Treasury Mellon, and based upon the decision of Palmer "that doctors may prescribe unlimited booze."

"No one had any respect for Palmer's decision when he gave it," said the statement, "and no one has any respect for it now. It may be that Palmer could be appointed to some office again, but unless we miss our guess he could not be elected dog catcher of Podunk."

The statement says that Mellon's decision to put these regulations into effect is "most unfortunate and is contrary to the general policy of the administration."

"No doubt some father, long denied his beer will tank up on the good medicine now and go home to beat out the brains of his baby," said the statement. "If so there are certain senators who should attend the funeral. If the senators who are responsible for the filibuster which has delayed the anti-beer bill that the people will not remember their inexcusable behavior they have sadly misread the signs of the times. There are enough dregs in any state to see to it that such unpatriotic action is properly dealt with."

"To Senators Broussard, Stanley and Rend, among the Democrats, and to Senators Brandegee and Moses among the Republicans, to all who have aided and abetted them in their conspiracy against the constitution,

The Republicans will not accept the sales tax which seems to the average individual to be the most fair tax that could be levied.

Warnings are in the Florida papers about certain people going about the state selling so-called furs. They are fakes pure and simple.

Many other instances might be given, but what is the use? We do not have to go to Michigan for examples of the shortsighted policy of the railroads in placing all the traffic will bear on the producer.

The railroad managers have not yet learned the first principle of successful business, which many retailers have learned to their great advantage and profit, viz., that a quick turnover of stock at a small profit is better than a slow turnover at a big profit.

WEATHER AND CROP CONDITIONS IN FLORIDA FOR WEEK ENDING NOV. 1ST.

Temperature: The week averaged warmer than the seasonal, except the last day, which was quite cool over the northern and central portions.

Precipitation: There was no rain of moment, except showers during Monday, the 31st. Torrential rains attended the east-northeast movement of the hurricane of 24-25 from above Tampa on the West Coast to Titusville on the East Coast; there were, also, high winds throughout the peninsula.

Condition of Crops: Great damage was done truck crops, especially on low lands, in the central portion of the peninsula; much replanting will be necessary.

THE BALL HARDWARE COMPANY

FLORIDA GOING OUT FOR BIGGER GAME NEXT YEAR.

By John "Red" Davis.

Florida's Gators are gradually taking on harder elevens as the season progresses and next Saturday at Tampa will battle the University of South Carolina, the "Fighting Gamecocks"

Coachs Kline and Van Fleet are prepared for any emergency that may arise as the Florida camp is setting petty with all players in the pink of condition with the exception of Beasley, one of her best linemen.

Last Friday evening while in the Tampa Tribune office I talked over the coming Florida-South Carolina game with Gilbert Freeman, chairman of the arrangement committee and press agent for the game in the Cigar City.

In view of the fact that Florida is gradually reaching the top of the ladder in the football world, it seems to me that the schedule committee of the S. I. A. A. should consider Florida by placing her on a schedule with such elevens as Tech, Georgia, Auburn, Vanderbilt, and other strong teams of the association when the 1922 schedule is drawn up.

Recently an Indianapolis high school requested 300 schools to send in their opinions on whether athletics should be broadened out. Among this number two hundred and eighty-seven thought that football, basketball, baseball, and track were the greatest "upbuilders" for schools.

Realizing the value a college derives from athletics a big majority of the South's leading colleges go out "strong" for new material every year.

LISTEN! The best evidence of wisdom, is to believe what we can't understand, and that is why they all patronize the—

### COAST LINE HAS CREATED NEW DIVISION.

Effective yesterday a new district, to be known as the Tampa District, was created by the Atlantic Coast Line railway. Previous to the creation of the new division, the Jacksonville district was the lone department of the road in the state. The announcement of the new district was made by P. R. Albright, general manager, and approved by Lyman Delano, executive vice-president.

Under the announcement the Tampa district will include the main line, Sanford to Port Tampa and branches; Narcoosee, Bone Valley, Thonotsassa, Haines City, and Tampa Southern. The Jacksonville district includes the Jacksonville to Sanford main line, including the Sanford terminal and branches; Trilby, DeLand, Lake Charm, Florida Midland, Astor, Leesburg, Lane Park and Sanford and Everglades.

The following officers have been appointed for the Tampa district: F. B. Langley, superintendent, Lakeland; J. C. Swindell, assistant superintendent, Prairie Junction; and W. F. Graham, train master, Lakeland. Jacksonville appointments follow: T. L. Dumas, superintendent, Sanford, and L. N. Hansell, train master, Sanford.

### ST. PETE MUST HAVE FRESH EGGS, OR—?

ST. PETERSBURG, Nov. 3.—With eggs retailing here at 80 cents a dozen, Dr. W. E. A. Wyman, pure food inspector, declares purchasers must get their money's worth, and to that end he has launched a campaign against aged specimens of the hen product.

"Eggs unfit even for baking purposes are brought to be daily," he said. "Eggs are high in price and the public must and shall get an equivalent for its money. It is up to the merchants to either recandle the eggs they buy or take the consequences."

### NOTICE

The Business and Professional Women's Club will hold a banquet at the Temple Girl's Home on Monday evening, Nov. 7th at 8 o'clock. Tickets \$1.00, on sale at Temple Girl's Home, with Miss Agnes Berner at First National Bank, and with Miss Katherine Wilson, at McCuller's store. Please get tickets by Friday.

**OWNS OLD VIOLIN.**  
COCONUT GROVE, Nov. 9.—J. W. Snyder, of this place, is the owner of a violin made in 1513 by Gaspard Lurru Prugger, one of Italy's most noted instrument makers. The violin is regarded by experts as ranking in beauty and quality with the greatest violins of any master.  
The instrument was made for Antonio Regio, an Italian nobleman, according to history, and was presented to Princess Selveta Dulco of Venice. It was willed some years ago to Mr. Snyder, by William Griffith, of Chester, Pa., as a reward for services rendered him by Mr. Snyder twenty years before.  
One of the largest musical instrument concerns in the country has informed Mr. Snyder that Prugger violins were the pioneers in the field.

GEORGE HYMAN, Preacher RALPH STODGHILL, Singer

**FOR MISS THRASHER**  
Mrs. Raymond Key entertained at a lovely bridge party last evening at her home on Park avenue, honoring Miss May Thrasher, a charming bride-elect.  
Mrs. Key, Mrs. Thrasher and Mrs. Forest Lake formed the receiving line welcoming the guests on their arrival. Miss Thrasher was beautifully attired in black charmeuse with ostrich trimmings.  
The decorations were elaborate and beautiful and featured a dainty color motif of pink, green and lavender. In the reception hall the table was centered with a "Kewpie" bride, in full wedding attire and groom with the conventional evening full dress suit, and a cunning little "Kewpie" flower girl. In the living room and dining rooms where the card tables were arranged lovely pink roses, lilies and lavender flowers were artistically placed. At each guests place at the card tables little pink baskets with lavender flowers held coated almonds carrying out the color motif.  
Several interesting games of bridge were enjoyed, the prize for high score,

nelly entertained at a "Stag" dinner Tuesday evening at their home on Magnolia avenue, complimenting Mr. J. D. Woodruff, whose marriage to Miss May Thrasher takes place Friday evening at the Presbyterian church.  
The table was beautiful with its appointments, and the pretty color scheme of pink and green was beautifully carried out. In the center was a large crystal bowl filled with pink roses and on either side were crystal candle sticks holding unshaded pink tapers. On the place cards were toasts very appropriate and in keeping with the occasion.  
After dinner a "mock" shower was given the groom-elect.  
Among those enjoying this delightful occasion were: Messrs. J. D. Woodruff, Harry Ferran of Eustis, Ned Chittenden and Ralph Woodruff.  
**WOMAN'S CLUB HOLDS IMPORTANT BUSINESS MEETING**  
The Woman's Club held a most important business meeting on Wednesday afternoon. Mrs. Leonard, the president, was in the chair.  
The question of the sale of the present club house and the erection of a new one was discussed fully. After much deliberation, the Club voted to put the matter into the hands of the building committee. They will secure prices on lots and plans for a new club house, and also investigate all offers of purchasers of the present building.  
The officers and chairmen gave splendid reports. The chairman of Literature announced that all visitors were welcome to the meetings of the Literature and Music Departments.  
After the report of the committee on Revision of the Constitution, the meeting was adjourned.  
A. W. Smita announces that he will double the present capacity of his saw mill near Plant City in the near future to take care of the increase of his business in that section.

## TAMPA'S CIGAR OUTPUT NORMAL

TAMPA, Nov. 3.—With slightly less than 33,000,000 cigars manufactured here during the month of October, as shown by the sale of Internal Revenue stamps, the city's principal industry may be regarded as having returned to its normal output of "a million a day." For many months after the strike which lasted through nine months of 1920 and lapped over into 1921 for a month, the output was comparatively small, numerous orders having been canceled because of the inability of the manufacturers to make deliveries. More than 8,500 workers were on the benches during the last week of October and manufacturers said it probably would be necessary to employ about 2,000 more within the near future in order to care for the holiday orders.

## VOLUSIA COUNTY'S TAX ROLL COMPLETED

DELAND, Nov. 3.—Volusia county's tax assessment roll for the ensuing year is \$15,945,984 according to the records in the office of the county tax assessor. The assessed valuation of real estate is placed at \$11,884,010, personal property \$2,484,090 and railroads and telegraphs at \$1,688,884. The total county, state and poll taxes to be collected in Volusia aggregate \$714,951.

REAL ESTATE AND INSURANCE

**UPSALA AND GRAPEVILLE**

Frank Ericson is living again in Upsala on the home of his brother, Mr. Stedt.

Born to Mr. and Mrs. Tom Fortler on the 22 of October, a fine baby boy.

Miss Eva Malm was a visitor on Saturday, among her old friends in Upsala.

Clarence Bergquist has returned from a visit with the homefolks at Tiger Bay.

Mr. and Mrs. T. O. Tyner and family spent the day, Sunday, with their relatives near Windermere.

Some of our neighbors were out hunting a few nights ago and killed a catamount after a stiff fight.

Little Myrtle Major hurt her leg quite badly on one of the school swings, confining her at home for a few days.

Mrs. August Swanson and Mrs. Geo. Ballinger spent the day Friday in Upsala making a few calls and taking dinner with Mrs. Ericson.

Mr. and Mrs. Jesse Lee are having them a house built on the west side on First street, next to his parent's home. Clark Pierson and Oscar Boyd are doing the work. We shall be sorry to lose them in Upsala. The land we understand is a present from Mr. and Mrs. Stedt.

Mr. and Mrs. J. J. Ehrensperger, of Cullman, Ala., arrived Monday, for a visit to their parents, Mr. and Mrs. E. Ehrensperger, at New Upsala. They made the trip in their car through the country. On Wednesday they all went, with Miss Olga Bellin, to visit with relatives in Orlando, after making a trip into Sanford to see the little new place.

Mr. and Mrs. John Borell have remodelled their house this summer, almost making it over, enlarging it and adding porches and are now treating it to a coat of paint making a cosy little home.

Mr. Kenna, who lived a few years ago in the Clark house in Grapeville, was calling on our locality, Tuesday. He states there is no place like Sanford and he expects to move his family back from Jacksonville and set again his business of shoe repairing at which he is quite an artist in his line, to our way of thinking.

There is a report about that Rev. R. W. Edwards is dead. All we know is that Rev. Albertson says that he has left us and that he and Mrs. Albertson will be with us on the 6th of November, and then we shall know the truth. They will hold a service on Saturday evening at Lake Mary and also on Sunday at 11 o'clock, and at 3, at Upsala, and in the evening at Paola at which all are invited.

Norman Swanson, of Colory avenue, spent a few nights last week with his parents, Mr. and Mrs. Neil Swanson.

Mr. and Mrs. J. E. Lundquist and sons, E. W., and E. F., and their families, were Sunday callers at the home of their relatives in Grapeville and also Mr. and Mrs. Swanson and Archie.

**CONDITION OF FARM CROPS FINE IN STATE OF FLORIDA SAYS FEDERAL BUREAU.**

GAINESVILLE, Nov. 3.—Conditions for fall crops and farm work generally are excellent over most of the state according to the weekly crop review of the Federal Bureau of Crop Estimates here for the week ending Saturday. The harvesting of corn continues and planting of oats which had been delayed by dry weather is now going forward rapidly. Yields of rice have been satisfactory as whole and harvesting of hay is about over with much of it being baled.

Farmers are busy plowing and preparing land for Irish potatoes with large acreage expected. Sweet potato yields are showing up low.

The recent storm "did some little damage to the citrus fruit crops on the west coast" says the bureau with "serious damage in several localities." Oranges and grapefruit are moving to market freely.

Truck in low lands was damaged last week by excessive rains. Eggplant and pepper is moving in carload lots and early indications point to a large watermelon acreage next spring.

The condition of livestock generally is good with hogs beginning to move to market.

**NOTICE**

The Sallie Harrison Chapter, N. S., D. A. R., will have its regular monthly meeting Saturday, November 12, at 3:30 p. m. with Mrs. L. R. Phillips hostess, at 717 Park avenue. The leader for the day will be Mrs. Billie J. Starling, subject "Noted Women of the Revolution."

Well, we all lived through the storm. This section suffered some from the wind's blowing oranges off the trees and twisting off some few limbs, also the water hyacinths moved across to the other side of the lake.

Mrs. P. S. Holes, formerly Miss Bertha Jacobs, arrived a few days ago from Reklaw, Texas, to spend the winter with her parents, Mr. and Mrs. G. M. Jacobs.

Mr. Horace King, who is clerk of the circuit court, Kansas City, Mo., has been visiting his sister, Mrs. J. E. Snyder, for the past two weeks. During his stay in Florida he and Mr. Snyder visited many points over the state, Tampa, Miami, DeLand, Daytona, and many others. They made these trips by automobile and thereby saw much of the country that otherwise would have been missed. Mr. King is well pleased with Florida. He left Sunday morning for St. Augustine on his way home, accompanied by Mr. and Mrs. Snyder, to that city.

Mrs. Ollie Story, Mrs. Wm. Lee, Mr. and Mrs. Walter Borgard and children, visited the former's daughter, Mrs. Dick Mitchell, at Oviedo, Sunday.

There are two new houses ready for occupancy in South Chuluota, those of Mrs. F. M. Story and Mr. Wm. Lee.

Miss Ethel Collins and a girl friend of Orlando, visited the former's old home here Saturday and Sunday.

Mr. and Mrs. J. Tilden Jacobs, of Lake Monroe, Mrs. M. E. Jacobs, Mr. and Mrs. Theo. Aulin and Theodore, Jr., of Oviedo, were callers here Sunday afternoon.

**SALTS FINE FOR ACHING KIDNEYS**

WE EAT TOO MUCH MEAT WHICH CLOGS KIDNEYS, THEN THE BACK HURTS

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.—Adv.
