Drought Relief Measure Gets \$15,000,000 Jump In Appropriation For Food Loans

WASHINGTON, Jan. 6.—(AP)—President Hoover's emergency relief program encountered new difficulties in the Senate yesterday when \$15,000,000 for food loans was added to the \$45,000,000 drought appropriation.

The measure carrying the emergency appropriation was reported to the Senate where Representative Thomas, of Connecticut, announced that the Senate would support the measure for food loans for food which the administration contends is beyond the province of the federal government.

The spending of hungry Arkansas farmers who stormed the town of Hot Springs demanding food last Saturday, was called to the attention of the Senate by Senator Cawsey, Democrat, Arkansas, in support of the additional \$15,000,000. It was approved without a record vote over the protest of Chairman Jones, of the appropriations committee, that a revival of this emergency means indefinite delay in getting the appropriation to the farmers.

Today the Senate appropriations committee began its own inquiry into the unemployment and drought situations. John Benjamin, chairman of the Red Cross, will be the first witness. Administration (Continued On Page Six)

Mellon Asks Large Increase To Authorize

WASHINGTON, Jan. 6.—(AP)—The \$20,000,000,000 in bonds authorized to take up second Liberty loan bonds, Secretary Mellon yesterday asked Congress to authorize issuance of \$8,000,000,000 more.

Chairman Hawley, of the House Ways and Means committee, said the proposed increase would increase the public debt but would enable the Government to refund maturing bonds at a lower rate of interest.

The secretary is preparing for launching of the outstanding Liberty loan bonds issued during the war which are callable in the next two years.

Total of \$1,933,545,750 of Liberty loan bonds which will mature at 4 1/4 per cent interest at 4 1/4 per cent or 1 1/2 per cent can be called in 1932. In addition, \$6,208,000 of 4 1/4 per cent Liberty loan bonds are callable in 1933.

Authority were given to issue Liberty loan bonds, the Treasury could take advantage of lower rates which promise to be lower than at the time the Liberty loan bonds were issued.

The second Liberty bond issue authorized to be issued by the Treasury is \$1,933,545,750. Under the authority, \$1,933,545,750 in Liberty loan bonds have been issued, leaving a balance of \$1,933,545,750.

Secretary Mellon also recommended legislation amending the Liberty bond act, authorizing the Treasury to issue further issues of Liberty loan bonds without the six per cent interest tax.

The legislation would exempt Liberty loan bonds from the six per cent interest tax, except on bonds issued after Jan. 1, 1931.

PEACE CHANGED

San Francisco, Jan. 6.—(AP)—The peace of the Russian revolution was shattered yesterday in a series of strikes, police and military forces were called out to maintain order. All street cars were suspended.

Criminal Action To Begin Against Solon

WASHINGTON, Jan. 6.—(AP)—The justice department prepared today to institute criminal action against an Indiana member of Congress charged by the post office department with accepting money from four postmasters to obtain their appointments. The justice official, declined to name the representative. The postmasters concerned were all in the district in Indiana now represented by Harry E. Borah, who was defeated last year.

No formal action has yet been instituted. A special prosecuting attorney from Washington will probably be sent to conduct the action in the case. The four postmasters have been dismissed.

WOODCOCK ASKS FOR ADDITIONAL FEDERAL AGENTS

Move Made To Press 130 More "Dry" Men Into Active Service

WASHINGTON, Jan. 6.—(AP)—A move to press 130 new federal dry agents into immediate service reached the floor of the House yesterday, while the supreme court was entertaining a petition that it postpone until April 15 its hearing of the New Jersey decision holding the Eighteenth Amendment invalid.

A little later, the motion of Solicitor General Thacher that the ruling of Federal Judge Clark be given the earliest possible hearing also was filed with the court.

Although the high tribunal deferred its answer to the conflicting pleas, the committee next Monday, it is expected, will hold a long session to consider the prohibition question. It is expected that the federal dry raid upon the offices of the New York State Liquor Authority will be the first of a series of raids.

Prohibition Director Woodcock's request for additional dry agents, to be put to work before July 1, was contained in the first deficiency bill reported to the House by its appropriations committee. The measure asked for \$543,370 for prohibition and would put 257 additional prohibition workers in the field, approximately half of them agents.

It was disclosed that in Woodcock's testimony before the appropriations committee he had announced 25 of these dry officers would be assigned to the New York district, 21 to the Illinois section, and 18 to the Pennsylvania, Delaware and New Jersey areas. The other 12 prohibition districts would draw smaller numbers.

Tobacco Company To Launch Largest Advertising Drive

The American Tobacco Company and its subsidiary the American Cigar Company have opened the new year by placing in the newspapers of the country the largest advertising campaign in the history of either company, according to George W. Hill, president, who in a telegram to the Herald today stated:

"Our agents are today forwarding you your orders for these campaigns. The great growth in the sale of these popular brands, Lucky Strike and Crème—unprecedented in the tobacco industry—has been made possible by the power of newspaper advertising. We are again in 1931 increasing our newspaper advertising expenditure because we believe that this year like 1930 will be a year of larger business with us. Frankly we do appreciate the power of public opinion generated through proper and intelligent newspaper advertising."

Unemployed To Ask Governor For Help

SACRAMENTO, Cal., Jan. 6.—(AP)—Leaders among the unemployed announced today the \$10,000,000 federal relief bill would be reauthorized. The bill would be reauthorized for a period of one year, and would provide for the payment of \$10,000,000 to the states for the relief of the unemployed.

LEGION BILL OF MONEY HUE TO BE INTRODUCED

Measure Would Alter World War Veteran Act In Thirty-Four Separate Fashions

WASHINGTON, Jan. 6.—(AP)—Amid echoing demands for cash payment on adjusted compensation certificates, Chairman Johnson of the House veterans' committee, yesterday prepared to introduce a bill proposing the greatest liberalization asked by the American Legion since existing provisions were enacted seven years ago.

The bill drafted by the Legion would amend the World War Veterans' Act in 34 separate ways. It would increase pension rates, provide hospitalization for all veterans regardless of service connection of their illness; extend present temporary dependency allowances to dependents of permanently disabled, and supply additional widows' and orphans' pensions.

Advocates of certificate payments renewed their demands for a hearing on a number of such proposals, but Chairman Hawley of the ways and means committee stood firmly against taking them up.

Representative Garner of Texas, Democratic leader, introduced a bill to provide cash payment for the surrender value of the certificates, at the option of the veteran. (Continued On Page Six)

Young Mother Who Stated She Robbed For Child Is Taken

MONROE, Ohio, Jan. 6.—(AP)—Mrs. America Longworth, Franklin, Ohio, a 19-year-old money for her 7-month-old baby, was surrounded yesterday by a posse and captured in a woods near here with two young men companions soon after officers alleged the trio failed in an attempt to rob the Monroe National Bank.

Returned to Monroe after surrendering without a fight, the prisoners were identified by Austin Smith, 38, bank cashier, as the persons who tried to hold him up.

The girl's companions gave the names of Noel Craft, 16, and Rex Wireman, 20, both of Middletown. Smith said one youth held a machine gun while the girl carrying a revolver, approached the cashier's cage and demanded money. He said he complied, not to understand her request, and that she fired at him but the bullet flattened harmlessly against bullet-proof glass. The cashier then fired three times and the robbers fled.

The fugitives' automobile was wrecked near here when it crashed into a culvert. A farmer woman saw the motorists run and called police. The latter surrounded a place and found the girl hiding under a thick coat in a woods.

Mrs. Longworth told police her husband was unemployed and she needed food and money for her baby. (Continued On Page Six)

Churchwell Reveals His Faith In Future

Prominent visitors to Sanford yesterday included A. J. Churchwell, owner of the Churchwell chain of stores in Georgia and Florida, and J. B. O'Neal, both of Waycross, Ga., and who are on a tour of the state looking after the interests of the Churchwell Stores.

Mr. Churchwell spent some time touring about the city and immediate vicinity in an effort to arrive at an outlook of business conditions locally for the coming year. He also spent considerable time inspecting the record of the local stores during the past year.

Commenting on the growth of the Churchwell stores in Sanford during the past year, Mr. Churchwell said: "The operations of our company in Sanford show a slight improvement over last year." He spoke optimistically over the prospects of a good year for his stores in Sanford, but he had with him during his tour of the town, a number of his clerks, and he declared that he was not at all sure if he was able to leave.

Big Liquor Still Is Destroyed In Glades

FT. LAUDERDALE, Jan. 6.—(AP)—Federal and county agents today announced the destruction of an illicit distillery in the Everglades near Deerfield. They said it was one of the largest ever found on the lower East Coast. Officers said the plant covered half an acre and was completely housed with a tar paper roof. They found two large steam boilers and 45 vats of a thousand-gallon capacity, each filled with mash. A 1924 Cadillac sedan was destroyed. The material for operating the still, officers said, had been taken through the swamps by a large tractor.

LEGAL RESTRAINT IS LIFTED FROM PACKING HOUSES

Dealers In Meats May Now Handle Many Classes Of Foods

WASHINGTON, Jan. 6.—(AP)—The legal restraint placed on large packing groups by the government was loosened yesterday in District of Columbia supreme court to allow them to manufacture and sell at wholesale virtually all classes of food.

The packers also sought permission to sell their products at retail, but this was denied by Justice Jennings Bailey. He also left intact that part of the decree which prohibited them from having an interest in stock yards, terminal railroads and market periodicals.

The government in 1921 charged the Armour, Swift, Wilson, Morris, and Cudahy packing companies with a virtual monopoly of the meat market, and began action which was dropped when packers agreed to confine themselves almost exclusively to handling meat.

They have been trying to get the decree lifted or modified since. The case finally went to the supreme court where the decree was upheld. Armour & Co., and Swift & Co., then began an effort to have the district supreme court modify the decree. Cudahy and Wilson did not take an active part in the litigation but the lifting of the restrictions applies also to them. Morris was merged some years ago with Armour.

Permission Granted For Equitable Rates

WASHINGTON, Jan. 6.—(AP)—The Interstate Commerce Commission today authorized railroads serving the South Atlantic and Gulf ports to establish rates for the export and import of freight that would enable them to meet competition of northern seaports, the rates to apply primarily to freight originating in the central and western bank line territory.

Three commissioners dissented. The commission fixed the rates for export and import traffic at not less than 65 percent of the rates for like traffic in domestic commerce for a distance over the route between a port and the interior point involved, provided also that the rates at the intermediate points should not exceed the lowest combination of authorized rates.

Hit-And-Run Driver Gets 50 Dollar Fine In Municipal Court Yesterday

A youthful hit-and-run driver, Harold Peterson, 16, is today adding but wiser to the extent of having had to part with \$50 in cash yesterday afternoon when Judge James G. Sharon presiding over municipal court activities in the place of Judge W. E. White who continues ill at his home, fined him that amount with the alternative of spending 90 days in jail if he went unpaid.

Peterson, an employee of the Shady Grove filling station on the Sanford-Orlando highway, was arrested late Saturday afternoon and booked on a charge of crashing into an automobile causing damages, afterwards running away from the scene. He was parked in his Chevrolet just off First Street on north Park Avenue, and in backing out he crashed into a Ford owned by Miss Daley.

COUNTY COURT DOCKET READY TO BE SOUNDED

Scheduled Opening Is Postponed From To- day Until Thursday; Few Cases On Hand

Because Judge Wallace W. Wright's 23rd Judicial Circuit Court proceedings in civil cases have as yet not been completed, the scheduled opening of the regular term of County Court for this morning, with Judge James G. Sharon presiding, has been postponed until Thursday morning at 9:30 o'clock.

County Prosecuting Attorney John A. Leonard said this morning was busy completing the criminal and civil docket and attending to the various matters which are connected with the handling of cases in County Court. This morning 38 criminal cases were docketed for trial. White offenders were in the majority, 23 being scheduled for trial while 15 colored offenders must answer to Judge Sharon for alleged law violations.

Mr. Leonard said that the docket is noticeably smaller than any of recent years, and that since only five civil cases will be heard, a new low record for cases of that nature was recorded.

The civil docket will be attended to immediately after the last criminal case is disposed of. Thursday morning Judge Sharon will sound the docket and set cases for trial. By early afternoon the first case is expected to be underway.

The civil docket includes the case of the Tuber-Saifer Shoe Co. versus F. B. Robbins, manager of the Outlet; Lindsey Brewster Inc. versus A. D. Rosier; Maycross Casket Co. versus J. E. Gramling; The Osborne Co. versus Ed Higgins, Inc., and the J. C. Osborn Co. versus D. C. (Continued On Page Six)

The criminal cases are as follows: White violators—G. Cross, passing worthless check; H. Sullivan, carrying pistol without license; L. L. Musciville, assault and battery; Robert Powell, catching fish of unlawful size; W. F. Sharp, taking fish with seine; T. H. Ogleby, taking fish with seine; Phil Steinmetz, assault and battery; Harry J. Onas, reckless driving; Raymond Cortadellas, using an improper business license; C. B. Carrigan, trespassing; C. A. Buchanan, trespassing; Allman E. Ward, hunting without a license; Arthur Humphrey, passing worthless check; J. H. Hintersmiller, trespassing; Preston A. Rambo, trespassing; Carroll English, aggravated assault; H. C. Morgan, statutory offense; Ernest Goodwin, taking fish by unlawful device; Jack Goodwin, taking fish by unlawful device; Nolan Fore, possession of a still, and John Livings, reckless driving.

The colored violators include Ella Lowry, possessing liquor; Elb Robinson, possessing liquor; Green Grace, petit larceny; Frank Blair, sale of liquor; Sam Peterson, sale of liquor; Leah Davis, possession of liquor; Josh Moore, possession of liquor; Janie Sykes, petit larceny; John Thompson, assault and battery; Ida Bunn, reckless driving; Battle Bagley, assault and battery; Annie Delamy, assault and battery; Bowman Bellamy, assault and battery; Lewis Manning, assault and battery; and L. Williams, operating an automobile while intoxicated.

Great Manifestation Of Respect Shown "Defender Of Paris"

PARIS, Jan. 6.—(AP)—More than 10,000 people gathered yesterday to receive an homage from the people of France that has rarely, perhaps never, been surpassed in this country's annals.

All knew beforehand that magnificent manifestations of respect would be paid beside the bier of the man who was almost an idol of the French masses, but the number of Frenchmen and French women who poured from their homes yesterday to honor him, exceeded all forecasts.

The crowd began to take form at dawn, and as the day advanced (Continued On Page Six)

Pay Load Flight To Europe Will Begin Tomorrow Morning

NORFOLK, Va., Jan. 6.—(AP)—Mrs. Beryl Hart and Lieut. William S. MacLaren said last night they had delayed resumption of their "pay load" flight to Paris via Bermuda and the Azores until Wednesday morning because of a storm.

Their monoplane Tradewind was in readiness to hop off at 6 A. M. today and they had announced plans for starting at that time. Later weather reports advised that the storm which started yesterday morning had not abated. They believe that by Wednesday it will be spent.

Lieutenant MacLaren said the plane's tanks were filled yesterday afternoon and the motor was in tune for the jump whenever the skies clear.

The Tradewind has been at the Hampton Roads naval air station since Saturday night, when it turned back from a flight to Bermuda because of damaged navigating equipment and the weather. The flight was further delayed yesterday awaiting payment for repairs to the damaged sextant and by adverse weather.

Funeral Service Is Held For Appleyard

TALLAHASSEE, Jan. 6.—(AP)—General Thomas J. Appleyard, eighty, Confederate veteran, pioneer publisher, and state printer was buried today as official Florida paused to pay last respects.

The body lay in state under the dome of the Capitol surrounded by a guard of honor until removal to the Episcopal Church, where a service was held. Burial was at a local cemetery. General Appleyard died Sunday in a Tallahassee, Georgia hospital of pneumonia and a few days ago.

ITALIAN FLEET OF PLANES IS NEARING GOAL

6 Of Twelve Airships Reported 125 Miles Off Coast Of South America At 11 A. M.

FERNANDO, Donorcha, Brazil, Jan. 6.—(AP)—Six planes of General Italo Balbo's trans-Atlantic fleet passed over this island a hundred and 25 miles from the mainland at 11:50 A. M. Eastern Standard Time today. This island is in direct line with the fleet's course from Bolinas to Natal. The flight appeared proceeding on schedule and without accident.

BOLOMA, Africa, Jan. 6.—(AP)—One of the most ambitious flights in the history of aviation, packed with romance, thrills, and possibilities, was resumed early this morning when the Italian armada of 12 seaplanes under the command of General Balbo of the Italian Navy left in murky darkness on their 1000-mile hop over the South Atlantic, the most dangerous part of the 6,000-mile journey from Italy to Buenos Aires, South America.

The seaplanes have been storm-bound at this quaint old African City for several days, and minor repairs, to damages incurred on the first hop of the trip, from Orbetello, Italy, to Boloma, were made. General Balbo, assisted by General Umberto Valle, and the commanders of the ships have held various conferences during the week concerning the plan of the flight, and the 53 men who comprise the officers and crew have been anxiously awaiting the danger-charged water jump of more than 1000 miles.

The planes took off this morning at about 2:00 o'clock in low-hanging clouds of fog. (Continued On Page Six)

Efforts To Obtain Opinion Upon Radio Law Meet Failure

WASHINGTON, Jan. 6.—(AP)—Efforts to obtain an opinion from the Supreme Court on the validity of the law under which the radio commission operates met with failure yesterday.

The opinion was sought in cases from Chicago which raised the question whether broadcasting stations had a property right to the air.

Justice Roberts, in rendering the court's decision not to pass on the question, said the cases had not been presented in such form as to require an opinion.

The cases affected three broadcasting stations at Chicago, WCRW, and WMBH and WOK.

In the former case the commission had ordered a reduction of power, and in the latter two it ordered the stations closed.

After the trial court had sustained the commission, the Circuit Court asked a number of questions of the Supreme Court relating to the validity of the act under which the commission had acted.

The owners of the stations took the ground they had vested rights which could not constitutionally be taken from them by the federal government without compensation.

Justice Roberts said the court had repeatedly refused to answer questions of objectionable generality, and must insist upon specific inquiries not so broad as to be open to more than one construction.

ditional policy of playing one or two football games against teams from large universities for the sake of the financial returns. Games of this type with teams outside our own class cannot be justified on any except financial grounds. They are not fun either for players or spectators. Furthermore, the newspaper publicity and the attitude of the spectators distort values and endanger true sportsmanship.

"A great many of the alumni and undergraduates whose judgment is soundest and whose appreciation of such games and the athletic committee is at the present time seriously considering a change in policy. In my opinion they would be wise to make out football schedule entirely with teams in our own class. The same consideration does not apply to other sports for the reason that it is only football which attracts large crowds.

"If the change is made and if

we confine our football schedule to teams from smaller colleges with which we have a real rivalry, the problem of finding the modest sum which is needed to support our athletics will become acute. This need can be met satisfactorily only by raising of an athletic endowment fund of about \$200,000."

Last season, Swarthmore's major team opponents were Pennsylvania and Army, played on successive Saturdays and resulting in setbacks by scores of 63-0 and 30-0 respectively.

JOE TURNER WINNER OF OPEN GOLF

Plays Deliberate And Even Game To Beat Down Farrell, Cuci

MIAMI, Jan. 5 (AP)—Joe Turner, Elmford, N. Y., professional, yesterday won the Miami open golf championship, with a score of 294 for the 72 holes. Starting the final 36 holes yesterday, one stroke behind Eddie Williams, Cleveland pro, Turner played a deliberate steady game to beat down the bid of Johnny Farrell, Manassas, N. Y., and Jack Cuci, Stratford, Conn., and Jack Hutchinson, all of whom came from behind to threaten.

After 63 holes, Turner was in the lead with 255 and Jack Hutchinson, Chicago, also had a chance with a 261.

Two threesomes ahead of Williams and Farrell, Turner brought his 73-72-74-74-294 to the clubhouse just as the sun set. Williams, Farrell and Cuci, playing together in the final three some, were overtaken by darkness on the seventeenth green. The moon came up and it was virtually impossible to see the eighteenth hole flag in the dusk.

The word came back that Turner had gone in with a 294. Farrell needed a par 4 to tie the leader and Williams and Cuci needed birdies. It was so dark they had to put a white handkerchief to the cup to guide the putting eye. Farrell misjudged the distance in the darkness, overrunning the cup on his putt and took a 5. Cuci and Williams took dashing par 4's but the title was already in Turner's bag.

The struggle left Farrell, Williams and Cuci bracketed with 295s, dividing second, third and fourth money.

Next came Hutchinson, who had slipped on the final 18, requiring a 298.

Laurie Ayton, Chicago, and Mike Turner, also of Elmford, N. Y., ranked next to Hutchinson with 302s.

Willie Klein, Montauk Point, N. Y., who made a great bid with his opening round of 73 Friday, took ninth money with a 303. The leading amateur was Jack

With seven members present, Circle Number Six of the First Baptist Church met on Monday afternoon at the home of Mrs. J. R. Caulder on Lake Monroe. Mrs. Sarah Stewart presided over the meeting and read the Twenty-third Psalm after which Mrs. Burdick led in prayer.

The minutes of the preceding meeting were read by Mrs. Loreta Brotherton and the Bible study was taught by Mrs. Boston Steele. Toward the close of the meeting Mrs. Stewart and Mrs. Burdick gave a reading from a book called the "Twenty-third Psalm."

Refreshments were served by the hostess, Mrs. Loreta Brotherton. Mrs. Sarah Stewart, Mrs. Loreta Brotherton, Mrs. Boston Steele, Mrs. R. L. Milam and Mrs. Burdick were present.

High School Is Given Highest State Rating

The highest standard to which any high school in Florida may aspire, a recognition which makes its graduates eligible for admission to any college in the South without formal examination for entrance, has again been reached by the Seminole High School (of Sanford).

This information, coming from the office of Supr. T. W. Lawton today, reveals the fact that this school has been meeting fully the standards as required by the state. State supervisor of high schools, M. H. Hinson, also reported to Mr. Lawton that the Oviedo High School, together with the Seminole High School, has been placed on the list of accredited "A" high schools in Florida. The Seminole High school is listed on the larger list of Southern Accredited schools and colleges.

Mr. Lawton said this morning that "Only by the careful and efficient management of the principal and the wholehearted support of the school trustees and patrons was this honor merited."

Dirt Gardener's Club Has Meeting Friday

The home of Mrs. W. A. Lester, Palmtoe Avenue, was the scene of the regular meeting of the Dirt Gardener's Club of the Garden Club of Sanford, held Friday morning at 10 o'clock with Mrs. J. O. Lane, vice-chairman, presiding. The regular business meeting was conducted after which the following officers were elected: Mrs. Hugh Welchel, chairman; Mrs. H. Glenn Lingie, vice-chairman; and Mrs. B. D. Caswell, secretary and treasurer.

Mrs. Kate S. Dutton gave an interesting paper on the Arnold Arboretum and also described the many varieties of plant material there. It was said to be most interesting to learn of the plants introduced into the United States from foreign countries.

Those present were: Miss Perry Lee Bell, Mrs. L. F. Boyle, Mrs. L. E. Frazier, Mrs. W. C. Hill, Mrs. J. O. Lane, Mrs. Glenn Lingie, Mrs. C. B. Kirtley, Mrs. W. W. Potter, Mrs. Hugh Welchel, Mrs. B. D. Caswell, Mrs. W. A. Lester and Mrs. K. S. Dutton.

Orlando Girl, Well Known Here, To Wed

Of interest to a number of her friends here is the announcement of the engagement of Miss Sally McCall Hamer, of Orlando, to Haldane Johnson Huckel, of Greenwich, Conn. Miss Hamer has a wide circle of friends here in the younger set.

The following is taken from the Orlando Sunday Sentinel: "William McCall Hamer, announces the engagement of his daughter, Sally McCall, to Haldane Johnson Huckel, son of Dr. and Mrs. Oliver Huckel of Greenwich, Conn."

The wedding will take place in the Spring. The announcement comes with great interest to the many friends of the couple in Orlando, and the bride's summer home is in Asheville, N. C.

Miss Hamer is one of the most popular of the younger society girls of Orlando and the announcement of her approaching marriage will be the occasion for a large number of social events in her honor. She was graduated from the local high school with the class of '25 and is now a member of the class of '26 at the University of North Carolina. She is a member of the Junior-Senior Society of the University of North Carolina.

Herald Thanked In Garden Club Letter

The Sanford Garden Club, which has been actively engaged in beautifying the lawn, gardens, and streets in and about Sanford for a number of years, and its secretary, Mrs. Fred R. Wilson, expressed its appreciation for the co-operation which The Sanford Herald rendered it during the campaign.

The letter from the secretary reads as follows: The Sanford Herald, Sanford, Florida, Gentlemen:

The Garden Club wishes to express thanks to you for your hearty co-operation in the recent out-door Christmas tree campaign.

Yours very sincerely, Garden Club of Sanford, Mrs. Fred R. Wilson, Sec.

Parishoners Resist Removal Of Pastor By Battling Police

CHICAGO, Jan. 6.—(AP)—Resisting removal of their pastor, the Rev. Edward A. Kowalewski, several hundred parishoners of St. Mary Magdalene's Catholic Church battled with police yesterday as a prelude to early morning mass.

A riot squad detail of 125 officers finally dispersed the crowd after clubbing leaders into submission. Ten men were arrested on disorderly conduct charges.

The disturbance began about 4 A. M. Several hundred persons surrounded the church. A bonfire was lighted and a number of youths climbed through windows of the church and set the bells to ringing. The pealing chimed at that hour aroused scores of parishoners who hurried to the scene.

Police who had been assigned to handle the situation until the special detail was called.

Court Allows Fines To Be Levied Under Installment System

MACON, Jan. 2.—(AP)—The installment payment plan has reached the courts.

Judge Charles H. Hall of the Macon city court allows first offenders found guilty of installment payment to pay their fines in installments if they plead not guilty.

Prisoners are ordered to do honest work and pay their debts with the money earned. If they can, Judge Hall promises to help those defendants who are unable to find employment. He is satisfied with his own Macon city club.

A jail house, said, is no place to keep a man. He has no place to get into. He has no place to get out. He has no place to go. He has no place to stay. He has no place to live. He has no place to die.

The five couples will be admitted FREE OF CHARGE.

GENEVA NOTES

By Mrs. L. F. Wakefield

Dr. G. Grover, of Rollins College, at Winter Park, was a visitor at Mr. Wakefield's home last Friday.

A marriage of interest, and a surprise to many of their friends was that of Katie Summerall and Joe Corley, of Sanford, New Years eve at the home of her parents Mr. and Mrs. E. T. Summerall.

Katie Summerall was in training at a hospital in Jacksonville. Mr. Corley, with his father, is a dairy farmer near Sanford. After the ceremony they left for his home to reside.

Mrs. George Lindsey, and Mr. and Mrs. W. L. Scig, were dinner guests of Mr. and Mrs. Leroy Alderman last Sunday at noon.

Mrs. Ender Curlett attended the Church Club in Sanford Friday morning.

Mr. and Mrs. H. Ryan, and Dr. and Mrs. DeLong, from Benson Springs, were guests of Mr. and Mrs. P. T. Wakefield on Sunday.

Friends are pleased to learn that Mrs. Grover Laffles, and Miss Clair Harrison are recovering from their illness of several weeks.

Mrs. J. C. Bills and sons John, Lewis, and Douglas returned from Palm Beach where they spent two weeks.

Mrs. Floyd Miller spent New Years day with her brother in Daytona Beach and from there she motored to Jacksonville to return in a week.

Those on the sick list are Mrs. D. C. Gahard, and Mrs. Henry Amoson.

Mr. Wilson and Mr. Hess who were guests of Mr. and Mrs. F. D. Hickok, returned to Miami Sunday. They spent a week here.

Mr. and Mrs. William Brennan, and son, Wanda, and daughter, Wanda, and Rev. and Mrs. H. D. Daniel, two daughters, were guests of their mother, Mrs. Wm. Daniel Sunday. Rev. Daniel delivered the sermon at the Methodist church at the noon services to a large audience. Rev. Daniel was born and reared in Geneva, and has many friends.

Rose Zauderer entertained some of the young people of Geneva with a chicken pillay New Years eve complementing her cousin, of New York, who was a guest during the holidays. The watch of the old year into the new was enjoyed with music, games, and cards, and at the wee hours of the night refreshments were served by the hostess. Those from out of town were: Mr. and Mrs. George Wood, and Mr. and Mrs. Brownell, of Sanford.

Mrs. P. T. Wakefield, and her nephew, Raymond White, spent Friday in Daytona Beach on business.

Raymond White motored to Haines City Sunday, and was a guest of Mr. and Mrs. Wood.

The college students returned to their respective schools Sunday were Miss Rose Zauderer and Opal Peters to Tallahassee, Miss Edwin Sutton to Southern University, and Ruby Peters to the Daytona Beach Business College.

Edson Golt and Margaret L'ndsey spent the day at DeLeon Springs, Sunday.

Wickersham Body Sees Criminal Law Method Inadequate

WASHINGTON, Jan. 6—(AP)—With their prohibition problem virtually solved, members of the Wickersham law enforcement commission went further yesterday and predicted almost their entire study of the Nation's criminal law enforcement machinery, held by them "entirely inadequate," could be completed July 1.

The few members here yesterday were wary of expressing opinions upon information that a majority of their number are now prepared to recommend a further strengthening of prohibition enforcement rather than any relaxation of the dry laws.

Word came from high official sources Saturday that a tentative prohibition report, agreeable to a

majority, has been completed. It was described as suggesting no measures for repeal or modification to permit wine or beer.

The law enforcement commissioners had less hesitancy yesterday, however, in discussing the phases of their voluminous task. Under present plans, no request will be made for further congressional appropriation to finance the crime study instituted May 28, 1929.

With the exception of the investigation of juvenile delinquency and of conditions in the courts, all of the 11 crime reports the commission has planned are expected to be completed. They will include recommendations on the nation's police work, methods of prosecution, and penal institutions as well as studies of the cost and cause of crime.

After a preliminary survey of these fields some time ago, the commission authorized a statement that it had been "demonstrated unquestionably that the criminal law enforcement machinery of the country is entirely inadequate; that prohibition, automobile theft, white slave traffic, immigration and other criminal laws of the federal government have overtaxed the capacity and effectiveness of the national machinery for enforcement."
