## HUGHES SAYS AMERICA MUST BE CONSULTED REGARDING PRIZES OF WAR

### Germany Gave Up Territory to Allies

## TREATY IS RIGHT

### WILSON STOOD FIRM AND PRESIDENT ADMINISTRATION WILL DO SAME

(By The Associated Press)  
WASHINGTON, April 7.—Secretary Hughes took a hand today in framing the administration peace program. He called into conference Senator Lodge of Massachusetts, the chairman of the senate foreign relations committee, and Senator Knox of Pennsylvania, author of the Knox peace resolution. George Harvey, who is to be ambassador to Great Britain, also was present.

WASHINGTON, April 7.—The American government, although not a party to the treaty of Versailles has surrendered none of its rights in the overseas possessions of Germany secured to the principal allies and associated powers by that treaty, the governments of Japan, Great Britain, France and Italy are informed by Secretary Hughes in similar notes dispatched by the state department last Monday, it was announced today.

Specifically the communications deal with the award to Japan by the supreme council at Paris, May 9, 1919, of a mandate over the island of Yap, an important cable center in the Pacific ocean, and Mr. Hughes says the American government "trust that this action, which it must assume was taken under a misapprehension, will be reconsidered."

The notes are the first important communications penned by the new secretary of state and they make it plain that the change of administration in Washington has resulted in no modification of the previous position of the United States that, as one of the principal contributors to the common victory over Germany, it must insist upon exercise of its full rights in the disposition of the former German possessions.

## Bandits Staged Robbery Posing as Movie Men

(By The Associated Press)  
CHICAGO, April 7.—Abandoned mail sack was found today and is believed to be the registered pouch stolen by bandits from the mail truck yesterday while staging bogus motion picture scenes containing wrapper for money which the police said, shows from five to seven hundred thousand dollars obtained. It was reported last night that the loss would not exceed \$50,000.

## Leaders in Strike of Coal Miners Refuse to Proceed

(By The Associated Press)  
LONDON, April 7.—Leaders of the miners union who conferred with Prime Minister Lloyd George this morning refused to order pump men and engineers in mines to resume work pending negotiations with the mine owners.

The National Union of Railway men today, unanimously decided to support the coal miners in their strike.

## Alleged Confession May Clear Up Elwell Murder

(By The Associated Press)  
NEW YORK, April 7.—An alleged confession in Buffalo last night of Roy Harris that he and a friend were hired by a woman to kill Joseph B. Elwell here last June, heightened interest today in a new investigation of murder started last week. Ascertained that the woman hired two men to kill Elwell is practically the only theory of the crime never advanced before.

## Sanford "The City Substantial"

THE SANFORD CHAMBER OF COMMERCE AWARDS PRIZES TO THE WINNERS OF THE ESSAY CONTEST

Several weeks ago the Sanford Chamber of Commerce offered cash prizes of \$10.00 each to the pupil in the High School and the pupil in the Grammar school writing the best essay on the "City Substantial." The educational committee of Chamber of Commerce, consisting of County Superintendent T. W. Lawton, H. C. DuBose, Dr. George Hyman, E. D. Mobley and S. O. Shinholser, acted as judges of the event and they had a most difficult time in making the awards for there were so many of the essays that were exceptionally good. The Herald wishes to publish the essays of the prize winners and also of those who received special mention, and they will be given in this paper from time to time. The prizes were distributed at the High School today and the Grammar School winner will receive the prize tomorrow by Secretary Pearman of the Chamber of Commerce. Today we publish one winner of the High School prize and his essay, the winner being Charles Henderson:

### The City Substantial.

The first thing a city must have to be substantial is a good location. It should be located in a place where railroads run and it is better still if it can be reached by water. The greatest cities in the United States are reached by water. It helps build up a place because water transportation is cheaper. A city that is substantial also should have good roads in its limits and good roads leading from and to it. This will attract people, because good roads are a sign of thought and progress in a city.

A city that is so located must have good backing if it must grow with the advantages it has in its transportation. It should not have a tourist backing, although that helps in the prosperity of the place, nor should it have any backing that could move, for this would not make a city substantial in itself. It should have a solid foundation—something that the city has grown around—something that will make the city grow more and that will increase in production and not decrease. A good backing for a city substantial is its manufacturing, factories and enterprises that help make the city independent and makes other cities dependent on its products. The most solid foundation a city may have is probably its agricultural advantages, for this is a thing that all cities depend on; if they have not it, they depend upon other cities for their food. This tends to make the cities that have such a backing grow and substantial, for as the other cities grow the demand becomes greater and a city cannot have a more solid backing than agriculture.

A city that is to be prosperous and that is substantial must have a good government. Good laws should be made and these enforced. A law might as well not be made if it is not enforced and if one law is allowed to go unenforced it tends to make the people disregard other laws. The government of a city that has the desire of becoming great must have a group of leaders that are forever on the lookout for new enterprises that would add to its growth. They should be boosters and not be satisfied to stand in one place, but eager to make their city the most beautiful and enterprising city possible. They should add to the town by making it attractive.

To do this they must have the help

of the people that live in the city. Clubs should be formed among the women, and the business men should get together in an organization that will boost the city. A city will never grow very fast where the business men pull against each other. Competition is the finest thing for the growth of a place but when it comes to matters that are of interest to the welfare of the city the men must be big enough to not allow their selfish aims to hold back a good thing for the city.

Boost—a place is what you think it is, and if you get the people thinking they have a town that can't be beat, then the town is already growing. The people make or mar a place. Make boosters of your citizens and your citizens will get together on forward going movements.

A place that is forward moving should also be a place where strangers are welcomed. Next to a solid foundation of a city is the capital that backs it. Get moneyed men interested in the city's growth, put amusements in the city that will attract them; before long they will help by investing their money in such a place.

One of the finest ways to advertise a city is to hire a man to do nothing but scheme and plan for the city's growth. This is done in many growing cities thru the Board of Trade and Chamber of Commerce. Both are excellent organizations for the promotion of a city's growth.

A fine way for the welcoming of strangers is to have the churches have for their motto "Welcome Strangers" and carry out that plan by inviting them back again and showing that the strangers are welcome in the churches of the city.

Another thing that an enterprising city ought to have is a library, where good books can be gotten by the people. Another fine thing is an organization similar to the Y. M. C. A., where the young men and boys can go and spend their time with profit to themselves.

One of the best things to build up a place is a get-together meeting of the citizens. This is done, and with fine results, in the Board of Trade, Chamber of Commerce and other organizations like them. This draws the citizens together more in one purpose for the betterment of the city.

The morals in a city also help to make it. Outsiders watch and study a city and judge it largely by its likes and dislikes. The people, to grow in thought, must have material. Do the people like low-grade shows, or do they enjoy the best of everything? A taste can and should be cultivated by the people for the big things and the best of everything. The city that is most educational should have the best speakers in the country come there and the finest music, and a city cannot be held back where the people enjoy and go to high-class entertainments such as these.

Now the schools are the most important, next to the churches in a place, for they make the ideals of citizenship their motto, or they help hold down a place. A school will always help a place where the citizens support it. The citizens must be interested in the school's activity and help carry them out. Support the schools in our city, Sanford, for it has the qualifications of the city substantial. The school boys all believe in Sanford and we know Sanford will grow.

## South Carolina Authorities Go to Tampa

(By The Associated Press)  
TAMPA, April 7.—South Carolina authorities are enroute here today to return to that state with T. A. Earl, said to be T. U. Vaughn, who escaped from the asylum there three years ago. Earl was arrested at Port Tampa, this city, this week where he was assistant superintendent of schools.

## REDUCTION OF WAGES ON N. Y. CENTRAL DENIED BY BOARD

(By The Associated Press)  
CHICAGO, April 7.—Permission to make provisional reduction of the wages of unskilled labor of the New York Central railroad was denied by the railroad labor board today.

## THE FLORIDA LEGISLATURE WILL TAKE UP BONUS FOR SOLDIERS AND SAILORS

### Louie Strum Naval Secretary To The Governor

(By The Associated Press)  
TALLAHASSEE, April 7.—Louis W. Strum, of Jacksonville, attorney, Stetson graduate and former resident of St. Petersburg was named naval secretary to Gov. Hardee. Strum was a lieutenant commander in the navy during the war and is now in the naval reserve.

## INVESTIGATE HIGH PRICE OF MATERIALS

### ATTORNEY GENERAL WILL LOOK INTO BUILDING PROGRAM

(By The Associated Press)  
WASHINGTON, April 7.—Investigation of illegal practices in building material trades is to be undertaken immediately in all parts of the country where necessary Attorney General Daugherty announced today. Daugherty said reports from some sections were that the building material situation is intolerable.

## Big Three Night Carnival by K. of C.

All the plans and arrangements have been completed by the Carnival committee of the local council of the Knights of Columbus to put on the biggest home talent carnival that has ever been held in Sanford.

The dates have been set for Tuesday, Wednesday and Thursday, April 26, 27 and 28th and from a survey of the plans we venture to state that these three big nights will far surpass all carnivals of its nature before.

There will be a minstrel show in connection with this carnival and the cast will include at least twenty-five of Sanford's best talent. Dancing will follow immediately after the minstrel show each night with a good 4-piece orchestra.

Vaudeville performances, and various other attractions along with booths and paddle wheels of an entirely different nature from any seen in the past will afford the amusement to those that cannot or do not care to dance. Confetti will be sold on the grounds and throwing of this confetti will be permitted.

All this takes place at the corner of Oak avenue and Eighth street on the vast lawn that surrounds the K. of C. Hall. The hall itself is now undergoing alterations making it so that it will hold and accommodate a large crowd for both the Minstrel Show and the Dance. The floor of the hall will be waxed and will be as good as any dance floor in the city.

In connection with the paddle wheels we understand that raffles of an entirely different nature will take place. For instance at one of the booths nearly two hundred home made cakes will be raffled off for the same price that others have asked for the candy or doll raffles. That these cakes will be worth far more than the price asked goes without saying as every one of them will be made by the Catholic ladies of Sanford. Other paddle wheel booths will have aluminum ware, hams, bacon and such articles that are in demand every day. Of course the candy, Chinese basket and pillow wheels will be there too.

The official program for this carnival will be announced within the next few days and tickets for the minstrel show and the dance will be placed on sale. Be sure to watch for these three big nights and secure your tickets in advance for full money's worth is promised all those that attend and a big thing will be missed if you miss this.

The Knights of Columbus, too, are amongst those that believe that in order to make anything a success it must be advertised and already space has been purchased from the Daily Herald and orders have been left for plenty of printed matter that will tell the whole county and surrounding towns of this carnival. Watch the Herald for future announcements.

## Representative Busto of Key West Has Bill

### WILL INTRODUCE IT

### ROAD DEPARTMENT WILL BE INVESTIGATED BY SPECIAL COMMITTEE

(By The Associated Press)  
TALLAHASSEE, April 7.—Representative Busto, of Key West plans to introduce a soldiers and sailors bonus bill which would give every Florida man who served in the world war \$20 for each month served, except that no sum should exceed \$300 altogether.

TALLAHASSEE, April 7.—There is "teeth" in the concurrent resolution presented to the house yesterday morning by Mr. Miller of Duval county, calling for a full investigation of the receipts and expenditures of the state road department. It is intimated that the resolution may have the effect of bringing to light some things connected with past proceedings of the board and which for some unknown reasons have not been made public.

The house, under suspension of rules, immediately adopted the resolution and ordered it certified to the senate for action.

The resolution is in full as follows: "To the Legislature of the State of Florida—House Concurrent Resolution:

"Whereas, the legislature of 1919 made an appropriation of an amount equal to two (2) mills levied upon the real and personal property of the state of Florida for the purpose of meeting an appropriation from the Federal government to be used in the construction of a system of hard-surfaced roads in the state of Florida.

"And, Whereas the two-mill fund, together with the use of approximately 6,000 convicts and all money collected from the licenses of motor-driven vehicles and such appropriation as should be available from the Federal government, were by the laws of 1919 to be expended by and under the direction of the state road department.

"Therefore be it Resolved, that a committee of three members of the house of representatives and two from the senate be appointed by the speaker of the house of representatives and by the president of the senate, respectively, for the purpose of inquiring into the affairs of the state road department ascertaining the amount of money expended, the amount of Federal money received and expended, the amount of work done, the method of bookkeeping and record filing used and all other acts of the state road department covering the period from its creation to date.

"And that such a committee be directed to render a comprehensive report to the house of representatives and to the senate at the earliest possible date, and not later than April 20, 1921."

TALLAHASSEE, April 7.—Marvin McIntosh assumed his duties as assistant attorney general today succeeding Worth Trammell who resigned recently.

## STATE RESTS CASE

(By The Associated Press)  
COVINGTON, April 7.—The state rested its case against John S. Williams, on trial charged with the murder of Lindsey Peterson, one of eleven negro farm hands, who met death after federal investigations of the alleged peonage was begun in February. Evidence in the trial was completed quickly. Williams taking the stand was the only witness for the defense.

Having introduced no testimony, merely letting Williams tell his story to the jury without being sworn, the defense won the privilege of opening and closing arguments. The fact that Williams was not sworn prevented his being cross-examined.

### AMERICAN LEGION SECURES LYCEUM FOR FEBRUARY

THE LOCAL AMERICAN LEGION  
WILL PULL OFF A REAL  
STUNT NEXT YEAR.

(From Thursday's Daily)  
The Daily Herald is privileged to tell its readers of a good thing in which all can participate. The local post of the American Legion has signed a contract with the Redpath Lyceum bureau for a lyceum course for Sanford, the first number to appear here next February. As the Legion had an immense array of the best talent to select from, it is safe to say that a real treat is in store for our people.

The first attraction is the Winters company. This program consists of songs, pianologues, and humorous and serious readings. Mr. Winters is an impersonator of note, while his wife is one of the best known whistlers on the lyceum platform.

Another attraction booked is William Rainey Bennett, "The Man Who Can." His engagement, for he is an entertainer of the very highest class, is a combination of story and solid substance, and is well worth the price of admission to the entire course. Laurant & Company are magicians and mystifiers. Mr. Laurant was recently presented with a gold medal by the Magicians of America, which is the highest honor this society can bestow. He has appeared before many scientific societies and has puzzled and pleased them all.

The Dunbar Male Quartette and Bell Ringers is a company of entertainers who furnish a delightful program. They carry 150 bells, upon which are played some most tuneful overture and solo numbers. Their singing, accompanied by the bells, is certain to please all by their pleasing harmony.

Then there will be the Geneva Players, consisting of a quartette of young ladies—pianist, violinist, readers and singers, and their program is delightfully different. They wear special and elaborate costumes and will appear in at least two one-act plays.

The above is but a very brief description of the genuine treat in store for Sanford people, but you can rest assured that The Daily Herald will keep you posted.

### LONGWOOD NOTES

Mr. Miller was a visitor in Sanford Wednesday.

Mr. and Mrs. J. A. Bistline and F. J. Neimyer motored to Coronado Beach on Wednesday.

Mr. and Mrs. W. J. Coin, of Tennessee, arrived Friday to spend several weeks in their home in West Longwood. Mr. Charlie Coin and daughter, Miss Ruter, are motoring through and will arrive in a few days.

T. P. Lewis was transacting business in Sanford Saturday.

Mrs. J. S. Dinkel returned Sunday from Jacksonville after a very pleasant visit with her son-in-law and daughter, Mr. and Mrs. H. R. Chapman, on 1420 Hubbard street.

Our winter tourists have begun to leave. Those leaving Wednesday were: Mr. and Mrs. Farmer, Mrs. Stuart, and Mrs. Farrington.

A candy sale was held at the Library Thursday. The proceeds going toward the building fund.

J. S. Dinkel was a visitor in Orlando on Saturday.

Charlie Coin and daughter, Miss Ruth, arrived Sunday from Franklin, Tenn., and will spend several weeks here.

Fred Grist was a visitor in Orlando Saturday.

Mrs. L. T. Hunt and children arrived Wednesday from Fort Lauderdale to make her parents, Mr. and Mrs. J. H. Allen, a visit.

Word has been received from W. McWorkman that he has arrived home after a very pleasant trip.

J. S. Dinkel and Miss Olive and A. Y. Fuller were visitors in Sanford Saturday.

Chesterton doesn't like this country. Well, have they stopped selling tickets to England?

### OVIDO NOTES

About 2:30 Saturday afternoon the home of Mr. and Mrs. B. G. Smith caught fire from the kitchen flue and was totally destroyed. Most of the furniture, the engine house, woodshed, and barn were saved by the heroic efforts of the fire fighters. Many have remarked that they had never seen such fighting done at a fire as the Oviedo citizens and their friends did Saturday afternoon for the preservation of property. The Cushing home, a large frame building formerly used for a hotel, was very close to the Smith house and of course it caught fire. At this time help was sought from the Sanford Fire Department. The people had just given up the Cushing House when the Chemical engine with C. Y. Ryan and the fire chief arrived. Through the efforts of the fire company and the continued efforts of the citizens the fire was extinguished and the Cushing house saved. Of course much damage was done to one side of the house and a great deal of the furniture was broken by being thrown from the building and from rough handling, but so fortunate were the owners and occupants of the house in saving so much that little thought is given to the damage. The Smith house was covered by insurance and the Cushing house partly so.

Mr. and Mrs. Smith are staying with Mr. and Mrs. Theodore Aulin temporarily.

The citizens of Oviedo extend to the city of Sanford and especially the fire chief their heartfelt thanks and appreciation for the aid given in extinguishing the fire, realizing that without that help the fire would have swept away many buildings and caused a great loss of property.

Miss Ruth Young spent Friday night at home, returning to Sanford Saturday afternoon.

Mrs. L. E. Wright and children spent Saturday afternoon in Sanford.

Mrs. L. A. Sheldon spent Monday in Orlando.

R. L. Holly of Sanford, spent Saturday afternoon in Oviedo helping to remove the furniture from the burning buildings and to fight the fire.

N. T. Lizette was a business visitor to Sanford Tuesday.

Several people sustained minor injuries during the fire Saturday but all are able to be out again.

Mrs. C. L. West and little son, Chas. spent Monday in Orlando.

Mrs. T. W. Lawton entertained her Sunday school class at her home Friday night. An Easter egg and peanut hunt was enjoyed, besides many other indoor and outdoor games which made the evening one long to be remembered by those present.

Alton Farnell is spending several days with his parents, Mr. and Mrs. E. A. Farnell.

W. J. Varne and brother and Harold Varne spent Saturday afternoon in Sanford.

John Robertson and Wagner spent Sunday at Daytona Beach.

Mrs. Jas. Lee and baby are spending several days with her mother, Mrs. Lewis at Altamonte Springs.

Clemmons Hall left last week for Tifton, Ga., to visit his parents.

Mr. and Mrs. F. T. Tingley and children, Douglas and Amos, left Monday for their home in Sackville, N. B., after having spent the winter with Mr. Tingley's cousin, Miss Bertha Dixon.

R. G. Crawford visited Sanford Saturday.

Revidy Wright and Mrs. T. W. Lawton attended the Chautauqua in Sanford Tuesday afternoon and evening.

T. L. Mead's amaryllis field is attracting many visitors to Lake Charm now as it is in full bloom.

Mrs. C. L. West and mother, Mrs. Mary West and Chas. West, visited Sanford Tuesday.

Miss Alice Powell spent Wednesday afternoon at her home at Monroe.

Mr. and Mrs. R. L. Wheeler and two children and Andrew Aulin visited Sanford and Altamonte Springs Saturday night.

E. Cushing, of Jacksonville, arrived Tuesday to look after the property damaged by fire Saturday.

O. P. Swope and little daughter, Shirley, spent Tuesday afternoon in Sanford.

The most subtle form of flattery consist in asking a man to change a twenty dollar bill.

The only man who feels insulted when a bill is presented is the one who doesn't intend to pay it.

### 15 MEN SIGN MUSTER ROLL LAST NIGHT

SANFORD WILL SECURE  
MACHINE GUN COMPANY IN  
FIRST INFANTRY

(From Thursday's Daily)  
At the meeting last night held in the court house, fifteen men signed papers to organize the Machine Gun Company for Sanford which is a unit in the Florida First Infantry now authorized by the War Department as a part of the Military Reserve forces in the country.

George A. DeCottes was chairman of the session held last night.

As this article goes to press, over fifteen more men have affiliated with the organization and, as this constitutes over half of the necessary strength required, the Machine Gun Company for Sanford becomes a reality.

Capt. H. C. F. Dohm, organization officer, will make the store of Bower & Roumillat his headquarters; it is up to our young men here to call on the Captain and secure the necessary information about the new organization.

A very important point to emphasize, is the fact that the New National Guard of the United States is on a different basis than was the old state troops. All men are equipped and paid by Uncle Sam, and it is the intention to keep the young man fit for an emergency, should the call have to come.

The young man of the community is not making a sacrifice by joining this organization, but, on the contrary is showing the public, that he is one of those reliable, regular "he-men" of the community that his father, mother, sister, sweetheart and wife, if he has one, is proud of.

### PRESBYTERIAN CHURCH.

The annual meeting of the congregation of the First Presbyterian church is called for Sunday morning, April 3 at the close of the preaching service. This meeting is called to hear the annual reports of the various organizations of the church, and to consider the election of additional church officers.

The Sanford Presbyterian church has made a steady growth for some years and is in the most healthy and prosperous condition in its history. The following figures indicate the growth in membership during the period noted:

Year	Members
1912	135
1913	187
1914	217
1915	221
1916	240
1917	248
1918	295
1919	316
1920	361
1921	427

It will be noted that the past year has seen the greatest net gain in these years. It is the largest net growth any year since the organization of the church in 1882.

### NOTICE.

We are advised by the "ENERGIZER" management that this valuable service may still be obtained in Sanford by those who will arrange to take a definite number of treatments at definite times.

Also, where it is not practical to move a patient—such as Paralysis cases—to the "ENERGIZER" Office, that a Machine may be placed in the home, where the Treatments can be given at stated times, in full co-operation with the Family Physician.

The "ENERGIZER" process is capable of greatly aiding ANY FAIR MEDICAL treatments, and Public Opinion will sooner or later DEMAND that COMMON SENSE and LOGICAL EFFICIENCY should control HUMAN BETTERMENT rather than VIEW-POINT—HABIT or PRESTIGE—(i. e.—Dollars.)

And it DOES appear that the "ENERGIZER" is efficient.—Adv.

Why should men stoop to common robbery when there is a chance to grab surplus war materials?

The only man who feels insulted when a bill is presented is the one who doesn't intend to pay it.

### FOUND SEVEN DEAD RATS IN BIN NEXT MORNING.

Robert Woodruff says: "My premises were infested with rats. I tried RAT-SNAP on friend's recommendation. Next morning found seven dead rats in bin, two near feed box, three in stall. Found large number since. No smell about dead rats—RAT-SNAP dries them up. Best thing I have ever used." Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by Ball Hardware Co.—Adv.

### Baseball Magnate Dead in Cincinnati

(By The Associated Press)  
CINCINNATI, O. March 31.—Frank Bancroft, for many years business manager of the Cincinnati baseball club, died here at midnight, as a result of neuritis. He was born in Massachusetts in 1846 and fought in the Union army throughout the Civil war, enlisting as a drummer boy.

### 4,000 Acres Planted To Watermelons in Lake County

TAVARES, March 31.—Lake county's watermelon acreage this season is more than 4,000 according to County Agricultural Agent De Busk, who has just completed a survey. The growers are expected to realize approximately \$1,000,000 for their crop.

Talking about the weather  
won't get you anywhere

—but doing something about it will.

Instead of fussing and fuming and greeting every man you meet with "Ain't it hot"—slip into one of the many cool models of—

## King Klass Klothes For warm days

and you'll realize that the good old summer days are not so bad after all; that they are annoying only to those who persist in going through summer in hot, cloth suits. The materials are Palm Beach, Gabardine, Priestley's Mohair. Prices are reasonable.

## Sanford Shoe and Clothing Company

## GOV. HARDEE'S ADDRESS TO THE LEGISLATURE REPLETE WITH GOOD IDEAS

Asks For Rigid Policy of Economy in All Department

### STATE ALL RIGHT

WITH VERY SMALL BONDED INDEBTEDNESS AND MUCH IN RESOURCES

(By The Associated Press)

TALLAHASSEE, Fla., April 5.—Revision of the present tax laws, re-appointment of the legislature, and a rigid policy of economy in governmental expenditures were urged here today by Gov. Cary A. Hardee, in his address to the legislature which convened at noon in biennial session.

Asserting the state has to its credit nearly \$3,000,000 as Federal aid in road building the governor recommended that funds be provided for the efficient maintenance of the State Road Department.

Various agencies having to do with assisting the farmer should be supported, the legislators were told by the executive who urged that the means and legislation for the dipping of cattle be provided for the eradication of tick.

"Whether you favor the dipping of cattle or not is now hardly pertinent to the issue," the executive added. "The action of other states in their quarantine of Florida renders the dipping of cattle absolutely essential, and there is no alternative for us."

Conservation of natural resources, support of the National Guard maintenance of educational institutions and law enforcement were also urged by the governor.

"Out of the collective experience of this legislature," he continued, "I am sure there will be submitted many measures which should engage your attention and which will make for the enforcement of the law."

"My observation has been that we need more effective enforcement of the statutes already in existence."

Reduction in the number of first class convicts to be kept at the state farm at Raiford, was recommended by the executive, who said, more of the convicts should be made available for road work.

Touching upon the revision of the tax laws, the governor recommended the creation of a tax commission, composed of the governor, the comptroller, the state treasurer, and the attorney general. This board would have for its purpose the uniformity of county tax assessments. A constitutional amendment to permit the assessment of intangible property of the state was recommended.

"Under the law as it now stands," the governor stated, "the assessment of intangibles is impracticable because of that provision which requires all property to be assessed at its full cash value."

Legislation to provide penalties for property owners who fail to give in all their property to the tax assessor, is necessary, the executive stated.

"Much property is now avoiding assessment because not placed upon the tax rolls," he continued.

The legislature were asked abolish needless offices.

At the outset the governor asserted the state's financial condition, generally, was sound. "The state has no bonded indebtedness," he said, "except in the sum of \$601,604.00, which bonds are now owned by a division of the state government, to-wit: the State Board of Education."

The time has arrived for some plan of retirement of the bonds, the governor said, and recommended for this purpose the creation of a sinking fund commission, composed of the governor, state treasurer, attorney general, secretary of state, and state superintendent of public instruction. The interests paid by the banks on state deposits would be credited to a sinking fund account, the commissioners having power, under the governor's plan, to invest the funds in high class bonds.

An emergency appropriation to provide funds for the Hospital for the Insane at Chattahoochee and the Industrial School for Boys at Marianna is necessary, the executive said.

The legislators were admonished to get "back to the constitution" by the governor who said the state was fast becoming "commission ridden."

"In the creation of such commissions as you may deem wise and expedient, let your creations be served out of the cabinet," the law-makers were told.

In conclusion the governor expressed the belief that some of the legislatures in the past had "apparently act-

ed on the theory that they could best make a creditable record by the enactment of a multiplicity of laws."

"I am sure the people have the conviction in which I share," he said, "that enactment of fewer laws, but with more consideration of the value of such measures in dealing with specific problems, would be of much greater value."

### MARRIED AT DAYTONA

(From Wednesday's Daily)

Kenneth Murrell and Miss Ora Howard stole a march on their Sanford friends Sunday and slipping away to Daytona were married by the pastor of the Christian church at 3 o'clock. There happened to be some of the Sanford folks over there, however, and while they were suspicious of the turtle doves they were not sure of the event and the truth did not leak out until yesterday when Kenneth asked for a vacation from the Perkins & Britt store where he is employed and being put through the third degree by Sherlock Perkins and Holmes Britt finally broke down and confessed that he had taken the fatal step. Mr. and Mrs. Murrell left yesterday in their car for a honeymoon trip down the east coast and other points where they will be absent for several weeks after which time they will make their home in Sanford. The bride is a charming girl from Bowling Green, Ky., that state that boasts of so many fair daughters. Miss Howard was here several years ago as instructor in the Sanford Business College and liked the city so well that she returned here last fall and accepted a position with D. C. Marlowe and has a host of friends here and in her home state who will wish her all the happiness in the world. The groom is a Sanford boy who has lived here for the past twelve years and has been engaged in business where his strict attention to details and unflinching courtesy and good humor have endeared him to the public. He is the eldest son of Capt. and Mrs. K. R. Murrell and is very popular with everyone. He is a valued employee of Perkins & Britt and has charge of all the window dressing, sign painting and other work in the "Store That is Different." The Herald joins the many friends in extending best wishes to Mr. and Mrs. Murrell.

### ANNUAL REPORT OF THE PRESBYTERIAN CHURCH

A congregational meeting was held by the Presbyterians Sunday to hear the annual report of the various organizations, and of the church as a whole. This has been the best year in the history of the church. The membership has grown from 361 to 427 during the year; the total money actually raised and paid out during the year was \$17,844. Much more than this passed through the hands of the treasurers, but this is the net amount given by the members. The largest amount previously given in any year was \$11,889, given the year before. In 1913 the church gave \$1,714, which was a high water mark for the church. This large sum is not due alone to greatly enlarged membership, but to the fact that 110 members of the local church are titheers.

The Sunday school reports an enrollment of 402, the largest in its history. The Senior Christian Endeavor has 58 members, the Intermediates 24 and the Juniors 30. The Auxiliary starts the year with 174 women in the various circles.

Messrs. A. T. Rossitter and L. I. Frazier were unanimously elected deacons by the congregation, and arrangements will be perfected soon for their ordination and installation.

### NOSE CLOGGED FROM A COLD OR CATARRH

Apply Cream in Nostrils To Open Up Air Passages.

Ah! What a relief! Your clogged nostrils open right up, the air passages of your head are clear and you can breathe freely. No more hawking, snuffling, mucous discharges, headache, dryness—no struggling for breath at night, your cold or catarrh is gone.

Don't stay stuffed up! Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head; soothe and heal the swollen, inflamed mucous membrane, giving you instant relief. Ely's Cream Balm is just what every catarrh sufferer has been seeking. It's just splendid.—Adv.

## SEPARATE PEACE WITH GERMANY PRESENT PLAN

ALSO U. S. WILL NOT ENTER THE LEAGUE, M. VIVIANI IS TOLD

WASHINGTON, April 5.—The Harding administration intends to terminate the war between the United States and Germany by congressional resolution, M. Viviani, the French envoy extraordinary to this country, is understood to have been informed last night at a dinner at the home of Senator McCormick of Illinois.

The former premier was also informed, it was said by senators present, that the program of the administration does not contemplate entrance of the United States into the League of Nations.

The French envoy, who was accompanied by Ambassador Jusserand, was said to have been informed that sentiment of Republican leaders was virtually unanimous for adoption of the Knox separate peace resolution, subject only to possible amendment from its original form, early in the special session of congress. M. Viviani was described as appearing "reconciled" to the situation.

Those at the dinner said that M. Viviani had been told frankly that it was useless to discuss the possibility of American membership in the League of Nations. Most of the Republican members of the senate foreign relations committee and Colonel George Harvey of New York, prospective ambassador at the Court of St. James, were among those present.

At the same time the senators made it clear that the United States would take no action which could be in any way considered as "helpful" to Germany, especially in the matter of reparations and fulfilling other obligations involved in the peace settlement.

In discussing the proposed separate peace resolution, the senators, it is understood, asserted their intention to introduce it immediately upon the convening of congress and urge its prompt adoption. However, they added, that if President Harding should request delay in the matter of a vote, this undoubtedly would be arranged.

## START TOMORROW AND KEEP IT UP EVERY MORNING

GET INTO THE HABIT OF DRINKING A GLASS OF HOT WATER BEFORE BREAKFAST.

Millions of folks bathe internally now instead of loading their system with drugs. "What's an inside bath?" you say. Well, it's guaranteed to perform miracles according to hot water enthusiasts.

There are vast numbers of men and women who, immediately upon arising in the morning, drink a glass of hot water with a teaspoonful of limestone phosphate in it. This is a very excellent health measure. It is intended to flush the stomach, liver, kidneys and intestines of the previous day's waste, sour bile and indigestible material left over in the body which if not eliminated every day, becomes food for millions of bacteria which infest the bowels, the quick result is poisons and toxins which are then absorbed into the blood, causing headache, bilious attacks, foul breath, bad taste, colds, stomach trouble, kidney misery, sleeplessness, impure blood and all sorts of ailments.

People who feel good one day and badly the next, but who simply can not get feeling right are urged to obtain a quarter pound of limestone phosphate at the drug store. This will cost very little but is sufficient to make anyone a real crank on the subject of internal sanitation.—Adv.

## CUBA PROTESTS RAISE TARIFF ON TOBACCO

AND SUGAR THAT WOULD INJURE BUSINESS OF ISLAND

WASHINGTON, April 6.—R. B. Hawley and Edward B. Shattuck, representing sugar and tobacco interests in Cuba, protested to the state department today against the inclusion of discriminatory tariffs on sugar and tobacco in any tariff bill which may be presented to congress. Similar protests against higher tariffs on sugar and tobacco were made when the emergency tariff bill which President Wilson vetoed, was before the last congress.

## SANFORD SECURES COMPANY OF MACHINE GUN UNIT FOR NATIONAL TROOPS

Seventy Men Signed Up Last Night at Big Meeting

### OFFICERS ELECTED

WILL BE MUSTERED IN TONIGHT AT PUBLIC CEREMONY IN FRONT COURT HOUSE

(From Wednesday's Daily)

Sanford and Seminole county should feel proud of the fact that 70 men signed the roster for the new Machine Gun Company last night and there are so many more on the waiting list that they will have to be chosen instead of being urged to join this splendid company.

A most enthusiastic meeting was held in the court house last night and after the requisite number had signed up the election of officers resulted in the following:

George A. DeCottes, captain, J. C. Hutchinson, first lieutenant, H. F. Losing, second lieutenant.

Dr. Ralph Stevens and Dr. A. N. Tolar had the herculean task of examining the men and qualifying on their fitness in a given time and their ability was shown in the fact that they had the men all examined and ready for the roll call. The officers chosen for the machine gun company are well qualified in every way having all had experience in the world war and Captain DeCottes also being a former member of the state militia. The paper work is now being rushed by Captain Dohm who has put in much of his time here for the past week getting up the company and he is the proudest man in the state today to know that his efforts have been so well rewarded. The federal inspection will be held next Tuesday night at 8 p. m. and this is the formal occasion that starts the organization for recognition and pay. The equipment will be rushed to Sanford as soon as possible and the boys will then be ready for their drills and they expect to put up a fine appearance at the first state encampment.

Capt. H. C. F. Dohm, who organized the regiments in Florida when asked about the latest acquisition to the national guards said that Sanford had shown more enthusiasm and was organized in less time than any other unit in the state and that the membership is composed of high grade men.

The formal muster will take place tonight in front of the Court House and the public is invited to attend and witness the ceremony.

### IN HONOR OF MRS. KIPP

(From Wednesday's Daily)

The lovely home of Mrs. Arthur Raymond Key, was the scene of a delightful social affair yesterday, when she entertained a large number of her friends between the hours of four and six o'clock at a charming reception, honoring Mrs. Elmer Kipp, of Daytona, Fla.

Many beautiful flowers were used in decorating the spacious rooms which were thrown together and thronged with guests during the receiving hours.

Mrs. David Thrasher greeted the guests and Mrs. Ernest Housholder introduced them to the receiving line which was composed of Mrs. Key and her attractive guest, Miss Kipp.

In the dining room Mrs. B. F. Whitner and Mrs. S. O. Chase poured coffee during the first hour and Mrs. Forest Lake and Mrs. Ernest Gallo-way poured during the second hour.

The color scheme of pink and green was artistically carried out in the decorations and refreshments which consisted of ice cream, cake and coffee.

Assisting were Messlames Watson, McCuller, Dickins, Hines, Leonardi, and Misses Agnes Dumas, May Thrasher, Marie Teague and Fern Ward.

The guest list of this occasion included more than two hundred friends to whom Mrs. Key emphasized her cordial hospitality.

Among those attending from out-of-town were Mrs. N. P. Yowell, Mrs. J. D. Barnes, Miss Elizabeth Yowell, and Miss Katherine Barnes of Orlando, and Mrs. H. B. Schulte of Daytona.

666

will break a Cold, Fever and Grippe quicker than anything we know, preventing pneumonia.

LUCKY STRIKE cigarette

Fraternity from Mrs. Cameron, who is a distinguished winter visitor from Illinois.

After this a chicken dinner with all accessories was served.

Mr. W. F. Shelley made the closing remarks.

It was a very informal affair and was enjoyed by all.

### ENTERTAINED ENGINEERS

(From Monday's Daily)

The G. I. A. Ladies entertained the Brotherhood of Locomotive Engineers with a banquet at the Parish House Friday evening. The room was lavishly decorated with spring flowers and ferns.

Mrs. Fannie McDonald, Mrs. Frank Crosby and Mrs. W. O. Leonard were in the receiving line.

Punch was dispensed throughout the evening by Mrs. Barber, Mrs. Minarik and Miss Katherine Aycock and the following program was given:

A fancy drill put on by twelve of the G. I. A. Ladies.

Two readings by Misses Rosamond Radford and Mary Louise Wells were very much enjoyed.

Mr. Graham pleased the audience with some very popular songs.

The welcome remarks were made by Mrs. McDonald president of this organization and the response was given by Mr. Frank Crosby.

Some very pleasing remarks on

# JENNINGS CHOSEN SPEAKER MAC WILLIAMS PRESIDENT OF FLORIDA LEGISLATURE

### Jacksonville and St. Augustine Men Are Leaders

### WAS NO SURPRISE

#### ALTHOUGH IT LOOKED LIKE PHILLIPS OF LAKE CITY WOULD BE SPEAKER

TALLAHASSEE, April 5.—The two houses of the legislature which met in biennial session this morning were organized last night so far as the choosing, in caucus of each house, of the president of the senate and the speaker of the house.

The senate caucus was a simple affair. Senator W. A. MacWilliams of St. Augustine was, by unanimous vote, named for president. But the house caucus went beyond the midnight hour this morning in selecting a speaker, with Representative Frank E. Jennings of Duval county the final choice on the seventh ballot. He had forty-one votes to thirty-three for Representative W. W. Phillips of Columbia, who led up to that ballot.

Representative S. D. Harris of Pinellas held on through the sixth ballot, having in that ballot fourteen votes, the highest number accorded him. Phillips led on the first ballot with twenty-five votes to sixteen for Jennings.

These nominations will be formally ratified by the two houses in their opening session.

Little actual business will be accomplished the first day beyond organizing the two houses and listening to the recommendations which Governor Harke will make in his address to the legislature.

All but one or two members of the legislature were on hand last night for the preliminaries.

The informal session of the senate caucus last night ratified the selections made two years ago by the hold-over senators as part of the routine of its work. Today in formal elections last night's work will be ratified by the senate. Senator W. A. MacWilliams, St. Augustine, was made president, Senators Johnson and Hulley paying tribute to his efficiency, judgment and fairness, both as a member of the house and of the senate. Secretary Finley called the caucus to order and Senator T. T. Turnbull was chairman and Senator John S. Taylor secretary. There was no oratory wasted on the proceedings, most of the senators being anxious to get over to the house to see the real business.

Senator MacWilliams told the correspondent, after the caucus, that the position had come to him positively without promises of any kind, a record of which he is deservedly proud.

Following is a complete list of senate officers and attaches, with the names from which they hail—the places of engrossing secretary and stenographer were left open until today.

President, W. A. MacWilliams, St. Johns; secretary, Charles A. Finley, Columbia; assistant secretary, Miss L. C. Hulley, Volusia; bill secretary, C. Y. Byrd, Suwannee; engrossing secretary, Francis Lyons, Leon; journal secretary, W. P. Crosby, Marion; sergeant-at-arms, W. A. Walton, Putnam; doorkeeper, Harry Howard, Leon; chaplain, Rev. Buyan Stephens, Leon; janitor, Eugene Hawkins, Jackson; reading secretary, Miss Myrtle McCaskill, Taylor; assistant secretary, R. L. Walden, DeSoto; stenographers, Miss Ella V. Means, Alachua; Miss Aline Sledge, Jefferson; Miss Eula Vickery, Escambia; pages, Leon Woods, Taylor; Harry Anderson, Gadsden; Harry Finlayson, Columbia.

### BROTHERHOOD AT OVIEDO SATURDAY

St. Andrews was represented on the diamond at Oviedo by the Thursday night chapter last Saturday, playing against the Oviedo Boy Scouts. The game was particularly interesting, inasmuch as the game this time was a turn-about and won by St. Andrews Brotherhood, by a score of 5 to 1. The Oviedo scouts lived up to their reputation of most generous hospitality, for after the game the members of the Brotherhood were invited to the pretty spot under the big tree at Lake Charm, where a most bountiful and greatly enjoyed supper was given. The Brotherhood team playing were the following: Leonard McClellan, captain; James Stone, James Hoolihan, Morris Moye, Robert Robinson, Jesse Greene, John Wilson, Joel Bell and Robert Denton.

### COUNTY JUDGE'S OFFICE HAS A FINE, BIG SAFE

Judge Householder is as proud as a peacock today in the possession of a new fire-proof safe that the county commissioners recently purchased for his office. It is a fine piece of furniture, inside and out, and will hold all the important records and documents of this office, and give the office greater efficiency in many ways. Our beautiful court house is safe so far as fires are concerned, but in case the building should have a fire, the records of all the offices are now amply protected from fire and theft and are well equipped in every way.

### GLASS OF SALTS CLEANS KIDNEYS

#### IF YOUR BACK HURTS OR BLADDER BOTHERS YOU DRINK LOTS OF WATER.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salt that removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.—Adv.

### CHAUTAQUA TREASURER'S REPORT.

To the 20 men who made the Chautauqua possible and the people who patronized the same:

Receipts	
From sale of season tickets	\$ 658.76
From the guarantors	300.00
From door receipts	543.22
Total	\$1501.98
Paid out	\$1501.98

The Redpath Chautauqua was a loss to the Redpath people of \$313.02.

Respectfully,  
George Hyman, Treasurer.

### FOR HEADACHE, LIVER TROUBLE

#### Black-Draught Is The Best Medicine This Lady Ever Used. Says It Is Only Medicine She Gives Her Children.

Cherry Village, Ark.—In telling of her experience with Theodor's Black-Draught, Mrs. Lottie Ellis, R. F. D. No. 1, this place, said: "I used Black-Draught as a laxative, also for headache, torpid liver and indigestion. It is the best liver medicine I have ever used and is the only medicine I give my children."

"I feel like it has saved me a lot in doctors' bills, for when the children complain of feeling bad or have a cold, I just give them a good dose of Black-Draught and they soon get all right. It certainly cleans the liver and clears up the skin and they are soon out well again. I wouldn't be without it for anything."

Seventy years of successful use has made Theodor's Black-Draught a standard, household remedy. Every member of every family needs it. At times, the benefit that Black-Draught gives in helping to cleanse the system and to prevent or relieve the troubles that come from constipation, indigestion, and a lazy liver.

To keep well, your stomach, liver and bowels must be in good working order. To help keep them that way, take occasional doses of Theodor's Black-Draught. Thousands of homes are never without it.

For sale by all druggists. The genuine has the name, Theodor's, on the label. Insist on getting what you ask for.

## BLUE SKY LAW HOLDS GOOD IN THIS STATE AND MUST BE OBEYED

### Conditions Under Provisions of Contract Shall Be Met

TALLAHASSEE, April 5.—By a memorandum decision, without opinion, the supreme court has affirmed the order of the circuit court for Leon county in the case of Ernest Amos, as comptroller of the state of Florida, and Rivers H. Buford as attorney-general of the state of Florida, plaintiffs in error; vs. Central Florida Oil and Gas company, a corporation, defendant in error. Attorneys: Rivers H. Buford, attorney general and W. W. Trammell, assistant for plaintiffs in error; Francis B. Winthrop of Tallahassee for defendant in error.

The record in this case discloses that the defendant in error, a domestic corporation, applied to plaintiff in error for a permit to do business and sell its stock in the state of Florida, under the provisions of Chapter 6422, (as amended by Chapter 6862) laws of Florida (popularly known as the "blue sky law.") The comptroller and the attorney general, then Van C. Swearingin, on October 12, 1920, tendered a permit to the company but upon certain conditions, namely: 1. That the company could sell only \$50,000 worth of its capital stock, at the par value of \$10 per share, outside the county of Leon. 2. That the incorporating stockholders of the company must buy and pay for in cash at par, not less than \$15 worth of the \$50,000 worth of stock authorized to be sold under the permit. 3. That not less than \$50 worth of stock be sold to any one person at one time. 4. That in the sale of such stock it be made known or represented that the territory in which the wells are to be put down is not in a producing field. 5. That in the drilling of the test wells, for which the sale of stock is permitted, that the services of an experienced expert oil well driller be employed to supervise and make the drilling operations of the company. 6. That 80 per cent of the proceeds derived from the sale of stock be used for the purpose of drilling and equipping oil wells. 7. That said company furnish the comptroller once a month a written statement showing the names and postoffice addresses of all persons who, during the previous month, shall have purchased any of the stock of the company within the state of Florida, together with the par value of the stock so purchased. 8. That the permission granted in said property should expire on the 31st day of December, A. D. 1920.

On November 10, 1920, the company refused to accept said qualified tendered and requested said comptroller and attorney general to issue it a permit to do business and sell its stock in the state of Florida, free from any conditions and qualifications which the officials refused to do. Thereupon the company filed its petition in the circuit court of Leon county for an alternative writ of mandamus directed to the respondents, comptroller and attorney general, to compel them to issue such permit, or to show cause. The alternative writ was issued by the circuit court. Respondents filed a motion to quash said alternative writ, which was overruled by the circuit court and respondents having refused to plead further the court made an order directing the issuance of a peremptory writ in accordance with the prayer of the petition. From this order overruling the motion to quash the alternative writ and directing the issuance of the peremptory writ, respondents appealed. The supreme court has affirmed this order of the circuit court.

### FLORIDA GROWERS GET RATE HEARING THIS MONTH—FLETCHER

WASHINGTON, April 4.—Following up his conferences with the chairman of the Interstate Commerce commission regarding rates from Florida growers and shippers of fruits and vegetables, who has had this matter up with the authorities here for some time, said today that the next hearing regarding this matter would be held during April. At that time representatives of the growers and shippers and also of the railroads will be heard here. No earlier date than April, Senator Fletcher said, could be arranged. It is proposed to place Florida shippers more on a parity with others further from the important markets, so that more time may be allowed the Florida producers in the handling of their shipments before reaching final destination.

666 is a prescription for Colds, Fever and LaGrippe. It's the most speedy remedy we know.

### FOUR THOUSAND ACRES MELONS IN LAKE COUNTY

County Agent DeBusk has made a survey of the watermelon plantings in Lake county for this season and believes the acreage is over 4,000. He has personally inspected 3,408 acres and reports that the vines are in excellent condition, with no traces of anthracnose. This acreage is about the same as last season and promises a large yield that will bring the growers of Lake county over one million dollars for this delectable fruit.—Eustice Lake Region.

### TURN HAIR DARK WITH SAGE TEA

#### IF MIXED WITH SULPHUR IT DARKENS SO NATURALLY NOBODY CAN TELL.

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's recipe, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound." It is very popular, because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it, and draw this gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive.—Adv.

### HANDBAG CONTAINING JEWELRY IS STOLEN

DAYTONA, April 6.—The theft of a handbag containing \$1,500 in cash and jewelry from the room of a local hotel occupied by Mrs. C. M. Loomis and her mother, Mrs. G. F. Goodwin, both of New Britain, Conn., has been reported to the police authorities.

## IMPERIAL BUILDING CHANGED INTO MODERN BLOCK ONE OF SANFORD'S BEST

### T. J. Miller & Son Making Extensive Improvements

Converting one of the older buildings in Sanford into one of the finest and most up-to-date store buildings in this city is the object of T. J. Miller & Son, who for many years have owned the Imperial Theatre building at the corner of Magnolia and Second streets. This building was used as a theatre building for many years on the ground floor and the second floor as a lodge room, in which the many lodges of Sanford still have their home, although the Masons have a lease on the second floor and submit to the various lodges of the city.

The building is of concrete and occupies fifty feet on Magnolia and about one hundred and twenty feet on Second street. The entire front will be made over with brick pillars and plate glass windows in front and facing the wide entrance with an up-to-date show window effect. The entrance to the second floor has been changed to the Second street side, giving the entire front to the store that will be occupied by T. J. Miller

& Son for one of the finest furniture stores in this part of Florida. The lodge room is also undergoing extensive repairs and the lower floor interior will be changed completely with the balcony effect and thirty-five feet of plate glass show windows on the Second street side. In the rear of this building and on part of the lot occupied by the Warman apartment building on Palmetto, a fine chapel and undertaking parlors will be erected with everything up-to-the-minute. The apartment house property recently purchased by T. J. Miller & Son will be made over and everything of the very latest improved type in apartment house construction will be put in this building, giving Sanford another fine apartment house.

The work is being done by George W. Venable, the well known contractor, who has put over some of the largest jobs in this city, among them being the Elks Club, now the county court house, the new Montezuma hotel and many others of the best buildings in the city. T. J. Miller & Son (the son being Frank Miller, one of the progressive citizens of Sanford) are to be congratulated upon the remodeling of these buildings.

## ANOTHER JUDICIAL CIRCUIT WOULD BE CARVED OUT OF THREE COUNTIES

### DeLand News and Daytona News Says Fish Will Divide Volusia

It seems that Seminole county is about to be taken into a new judicial circuit according to the DeLand News and the Daytona News and the following article is from each of these papers:

"Boss Bert Fish," our erstwhile friend, seems to be again in the lime-light, and now and again is accused of having Volusia's three representatives in his vest pocket to vote as he pleases in the legislative halls at Tallahassee. According to the Daytona Daily News' latest, Bert will endeavor to divide Volusia county, even tho' the senator, Dr. Hulley, was elected on an anti-division platform, and pledged his word to the people of the county to work and vote against division. The division is said to be a matter of selecting circuit judges; that the proposition is to place DeLand and a bob-tailed county to be known as Volusia in one circuit with Seminole, with J. J. Dickinson of Sanford as judge, and the two coast counties carved out of the ribs of Volusia and Brevard county in another circuit, with Murray Sams as judge. But let's let the Daytona News wag its own tale, which is as follows:

Unless the people want Volusia split into three counties with all officers named by Boss Bert Fish, they must move and move quickly. There have been times in the past when the people of the coast section wanted Volusia county divided—that was in the days when the politicians and not the people controlled the affairs of Volusia county. It may be that the people today want the county divided—it might be wisdom to divide it under certain circumstances but not under the political conditions as now planned by the Boss.

The latest scheme of Fish is to have a bill introduced and rushed through the early days of the legislature, which today convened at Tallahassee, creating three counties out of the present Volusia county, the bill to carry a proviso that all officers of the three new counties shall be named on the recommendation of the present Democratic County Executive Committee. Of course, everyone knows what that means. Fish will name all the officers and regain all the power which he has lost in the last two or three general elections, and the three groups of rings would not be gotten outside of for the next ten or fifteen years. The people are now in power and should leave no stone unturned to prevent the latest political move.

Understand, the Daily News is not opposed to county division, but it is opposed to county division BY THE POLITICIANS. If the people want county division and are allowed to determine their own salvation, the Daily News is for it. See the Daily News is opposed to the present

"scheme" of the wilson political boss. Fish nominated the members of the present Democratic County Executive Committee just a few moments before midnight of the last day for nominations preceding the last primary. The executive committee since the primary law became operative have not amounted to much, but Fish was on the job the last time, evidently with the present scheme in view, and his opponents left it item slip.

If the coast section of Volusia county wants this division now and wants it badly enough to take Fish's domination with it, then the people of the coast want it worse than they will want it after they get it.

### HIGH SCHOOL PLAY

You will laugh till you ache if you come to the Senior play April 14 and 15 and see Petunia Muggins and Sim Batty, the town constable. Sim is a bad man when he gets riled so he says and Petunia wants him to be more like a hero. The funniest thing you ever saw is the scene where Petunia discovers a Russian bomb by "settlin' on it." One week from tonight at the Princess Theatre.

### "I NEVER KNEW YOU COULD KEEP RATS OUT OF A BUTCHER SHOP"

What Ralph Watkins says: "Figured rats around store had enough to feed on; wouldn't touch anything suspicious. Heard about RAT-SNAP, gave it a trial. Results were wonderful. Cleaned all rats out in ten days. Dogs about store night and day never touch RAT-SNAP." Three sizes, 85c, 65c, \$1.25. Sold and guaranteed by Ball Hardware Company.—Adv.

### HIGH SCHOOL PLAY, APR. 14-15

The High School Senior play, will have one of the prettiest stage settings of any play heretofore. The scenes are out-of-doors with flowers, shrubbery and rustic furniture. One of the principal comedy characters is C. B. Buttonbuster of Boston, a gay and giddy butterfly of forty-two who has decided to come to college. He wants to play first base on the football nine and make a hit with the pretty co-eds. You can't afford to miss seeing Buttonbuster.

### NEW BARBER SHOP

A new barber shop in Sanford will be the Blue Front on West First street in the Haynes block, the stand formerly occupied by Gramlings. Snow, Waters and Johnson will be the presiding geniuses behind the movement to cut whiskers and hair better. All of these well known young men are former employees of the Hodges & McMullen shop and are well and favorably known in Sanford. Look for their advertisement in the Daily Herald and see them in the new Blue Front Shop.

## The Newspaper Men Writing About Trip

Articles About Florida are Beginning to Trickle Toward the South

The newspaper men who toured Florida are beginning to take their typewriters on their laps and jot down a few random thoughts about Florida. The first the Herald has received is the following from Editor R. L. McKenny of the Macon Morning News, who takes several pages to tell about Florida and in the article is the following about Sanford:

From Orlando our party drove in autos to Sanford which is known as the celery city of the south. There they grow up to four crops a year, first celery, then corn, lettuce, etc. One man said that last year he made up to \$3,500 off one acre on celery. The land here is all irrigated but you get water by driving a well. None is productive without use of the wells. The rotation of crops is possible here because of the use of irrigation methods, but the farmers declare they are repaid by getting so many returns from their crops. They must use fertilizer extensively and the man who doesn't want to do that better not engage in the business here. We were shown celery farms which were so large we were not able to see across them and then we know how it was that this city is known as the celery city.

St. John's river at this point forms a pretty body of water and it was interesting to know that it flows north to Jacksonville, traversing on the way 200 miles, whereas by rail the distance is but 124 miles. This is due to the fact that there are so many crooks in the river—this picturesque feature, however, prevents the use of the stream for shipping fruits. The St. Johns, by the way is the only river in Florida that flows north. Out of Sanford each year are shipped about 6,000 cars of celery. On the 18th 63 cars of it left for northern and eastern points—and, in the week, the total had been 350 cars.

From Sanford we started via train to DeLand where we were to spend the 19th and the day proved a delightful one in every respect.

## LONGWOOD NOTES

Mrs. Thompson, of Orlando, was the guest of Mr. and Mrs. E. E. Hardy Wednesday.

Mr. and Mrs. J. A. Bintlire were Sanford visitors Wednesday.

T. P. Lewis was transacting business in Sanford Wednesday.

B. J. Overstreet was transacting business in Sanford Wednesday.

Mrs. S. V. Lewis had the misfortune to fall and break one of her ribs last Monday.

Mr. and Mrs. C. W. Entzmlinger and Mrs. Harlee were visitors in Orlando Wednesday.

Mrs. J. H. Allen and Claude Hinchcliff motored over to New Smyrna to meet Mrs. L. T. Hunt and children.

Mr. and Mrs. Tullis were Sanford visitors Saturday.

Mrs. Bill Allen and Miss Louise were in Sanford on Saturday.

Mrs. Geo. Shipp of Sanford and Mrs. B. F. Carey, of Tampa, were visiting their mother, Mrs. Geo. Lewis last week.

Those motoring down Thursday to see Kirmess at Orlando were: C. H. Corn and daughter Miss Ruth, Mr. and Mrs. J. S. Dinkel and Miss Olive Dinkel.

J. A. Laverety left Thursday for Eustis for a few days before returning to his home in Ohio.

Mrs. E. E. Hardy gave her Sunday school class a picnic at Palm Springs Saturday. Everyone reports a good time.

B. J. Overstreet was in Orlando Monday with his little son Earle to see Dr. Ward.

T. A. O'Neel and Mr. Hennessey were visitors in Orlando on Monday.

C. H. Corn and Miss Ruth and Miss Olive Dinkel motored to Orlando on Monday.

The Beatty Bros. will give a show and lecture at the Library April 14th.

J. E. Phipps left Sunday for Haastings where he will remain until the potato crop is over.

Mr. and Mrs. T. G. Roebuck, Miss Hall and Miss Grist motored to Orlando on Tuesday.

There was church at the Baptist church both morning and evening, Rev. Barr, of Winter Park officiating.

## Donnelly Compliments Sanford and the River

Well Known Yachtsman Who Spent Some Time Here is With Us Always

William T. Donnelly, the well known yachtsman who spent some time here with his electrical propelled boats has just left Florida for his home in Brooklyn and had the following in the Times-Union of yesterday:

Not many of the yachtsmen who descend upon Florida from Northern points during the winter season spend all their time in one district. The fact that they have means of moving over a wide radius gives them sufficient reason, it seems, but here is one who finds enough variety along the St. Johns to content him.

Jacksonville, Fla., April 4, 1921.

The Florida Times-Union: The "Dawn and New Era" leave tomorrow morning for Northern waters after two months spent most delightfully cruising on the waters of the St. Johns river.

My family and crew declare, in one voice, that no finer water cruising ground is to be found in America.

And I wish to express on behalf of all our hearty appreciation of the hospitality of the people of Jacksonville and every other city in the state which we have visited.

Our cruise extended as far as Sanford with stops at Palatka, Crescent City, Astor and Welaka.

Sanford is not without reason called the Albany of the South and we all agreed that the St. Johns river compares favorably with our own Hudson.

We are leaving many kind friends in your sunshine state; convey our thanks and regrets at having to leave, to them all.

Yours sincerely,  
WILLIAM T. DONNELLY.

The "Dawn" and "New Era" left port yesterday bound North for the home haven. Mr. Donnelly is a consulting engineer and inventor of wide repute and has been conducting experiments by means of his two electrically propelled yachts while here on a combination of business and pleasure.

## LINCOLN McCONNELL, LL. D.

"The Guy That Delivers the Goods."

Folks, and introduction is hardly necessary for Lincoln McConnell: Remember him? Remember the guy that delivers the goods? Of course you do.

For a quarter of a century Lincoln McConnell has been "delivering the goods"—to steal the title of his famous lecture. In hundreds, yes thousands of Lyceum and Chautauqua communities throughout the length and breadth of the land, "Lincoln McConnell" and "The Guy That Delivers the Goods" are synonymous. It is his latest talk—and folks everywhere proclaim it his best. It is a miracle lecture—a most exhilarating and refreshing "tonic talk" which actually puts punch in "peppless" people. Nothing can ever be like it—for it is all.

"Stay Awake America—or Blue Coat and Red Flag" is another ten-strike of McConnell's. It is a powerful, staggering open-fisted blow at anti-Americanism, and the other so-called "isms" of these strenuous days. It is a stunning indictment of the un-American American. Folks remember his "Devil and the Kaiser" as a platform classic of the war—but they say "Stay Awake America" is better still.

As to McConnell—he's the busiest man in lyceum. He's booked so far ahead now that he won't have a vacation for the next ten years. Everywhere he appears the lyceum family insists on a return date. He's a top-notch in platform work. Ralph Parlette says of him:

"I wish everybody who don't like lectures could hear McConnell. He preaches out of his life—not his library. You laugh, and cheer and wipe away the tears—and all the time he is saving you."

McConnell is invariably and universally a treat.

April 18th. The Baptist Temple.

"Growing Annual Flowering Plants" is the title of Farmers' Bulletin No. 1171, just issued by the U. S. Department of Agriculture, Washington, D. C. It contains 83 pages, with many fine illustrations. It is sent free, and should be in the hands of every Florida housewife.

## GENEVA FLASHES

We sure enjoyed the good rain we had here last Thursday and the other fine one Friday.

E. H. Kilbee, the county commissioner, was seen in Sanford Tuesday on business.

Mrs. A. A. Moran and daughter spent last week visiting Mrs. Will Hand and attending the Chautauqua.

Lee McClain is spending a few days with his parents, Mr. and Mrs. Tom McClain.

Mrs. Grover LaFila and son are home after spending a few days in St. Mary with her sister.

Mr. and Mrs. T. W. Prevatt and Mrs. J. M. Prevatt were in Osceola the other night.

Mr. and Mrs. W. E. Wicks attended the Chautauqua in Sanford Thursday night.

The men of the community are butchering beef now.

Culver Esteridge is home now after visiting his uncle, Chief Speer, in Sanford, and nursing a broken arm and also taking in the Redpath Chautauqua.

The fishermen of this community gave a big fish fry Saturday on Lake Harney. At noon a big basket dinner was served. A large crowd attended the picnic.

Mrs. McFarland's son has been very ill.

John Alderman spent Saturday and Sunday with Mr. and Mrs. T. W. Prevatt.

Miss Evelyn McClain spent Saturday and Sunday with Miss Christine McClellan.

Mr. and Mrs. Phillips were in Sanford Saturday.

Miss Lucile Proctor of Georgia, is

visiting Mr. and Mrs. Clifford Proctor.

Mrs. Nicholson has returned from a visit in Osteen.

Mrs. Bob Proctor has just returned from Georgia.

Mr. and Mrs. C. A. Raulerson were shopping in Sanford Thursday.

Raymond Kilbee spent a few days at home with his parents last week. He is working in Orlando, studying to be a barber.

If you want one of the best state maps that has ever been printed pay for the Daily Herald in advance for one year and you will get one free.

## FLORIDA PRESS ASSOCIATION CLOSE INTERESTING SESSION WITH ELECTION OF OFFICERS

### Selected Daytona as the Next Meeting Place

(From Monday's Daily)  
Selecting Daytona as the meeting place for the 1922 convention and electing Mrs. Lois K. Mayes of the Pensacola Journal as president of their organization, together with the selection of other officers for the ensuing year, occupied the attention of the closing session of the Florida Press Association in Tampa Saturday. The meetings of the day were well attended, and were featured by several interesting addresses, in addition to the routine business, which included receipt of reports, resolutions and the like. The officers elected, in addition to Mrs. Mayes, who succeeded Gilbert D. Leach, of the Leesburg Commercial, were: Jack Worthington, Highlander, Lake Wales, first vice-president; Col. W. F. Stovall, Tribune, Tampa, second vice-president; Miss Ruby Edna Pierce, Post, Palm Beach, treasurer (re-elected); W. M. Haynes, formerly of the Sanford Herald, Sanford, secretary, (re-elected).

The most interesting feature of the morning session, for the membership, was the appearance of Gen. W. B. Haldeman, accompanied by Morton Milford, editor of the Fort Myers Press. During the morning General Haldeman, who has only recently regained his health, after a serious operation a year ago, was called upon for a speech and expressed his appreciation of South Florida friendships and South Florida climate and voiced his pleasure at again meeting with the Florida Press Association, of which he is an associate member.

Another of the interesting features of the morning session was an address by Mrs. Mayes, who talked interestingly of the trip of the National Editorial Association membership to Cuba recently following the tour of Florida.

The organization, in its closing session, adopted several important resolutions, the one about which the greatest interest of the convention has centered being that urging the legislature to pass a law making it obligatory upon "those bodies charged with the administration and expenditure of tax funds" to the "publication of full and complete reports of the proceedings of such tax money-expending bodies." Another of the important resolutions approved by the organization was one endorsing the total budgets asked for the state institutions of higher learning—about \$3,000,000 for the coming two year period.

Opening the morning session with a round table discussion on "The Publicity Bill and What Shall I Do to Put It Through?" Postmaster Joe Humphries, ex-newspaperman of Bradenton; George E. Hosmer, editor of the Bradenton Journal; Major Lew B. Brown, editor and publisher of the St. Petersburg Independent; Clarence E. Woods, former publisher of the Eustis Lake Region, and Rube Allyn, editor and publisher of the Florida Fisherman, were among those participating in the discussion of the proposed legislation. It was pointed out by various speakers that the people of the various counties should be informed as to the action of their tax money-spending bodies, and that the only way to make this information easily accessible would be to make the legal publication of the minutes of the bodies in question obligatory. The discussion of the matter was participated in warmly by various speakers, all favoring the proposed law.

According to Lord Haldane, former lord high chancellor in England, educational training is unknown to at least nine out of every ten persons in Great Britain after they have attained the age of fourteen years.

Women school teachers in France number approximately 100,000.

## DON'T DESPAIR

If you are troubled with pains or aches; feel tired; have headache, indigestion, insomnia; painful passage of urine, you will find relief by regularly taking

The world's standard remedy for kidney, liver, bladder and uric acid troubles and Mucous Remedy of Hobbies since 1866. Three sizes, all druggists. Guaranteed. Look for the same Gold Medal on every box and accept no imitation.

## PERSONAL NOTES

(From Monday's Daily)  
Mr. and Mrs. Ralph K. Gore and children and Deane Treadwell spent Sunday in Daytona.

Mrs. J. T. Lee is improving her property on Oak avenue with an addition and a coat of fresh paint.

John Hunter, a prominent young farmer, is having a new bungalow constructed just east of his home, near the ice plant.

Capt. H. C. F. Dohm is in the city again from his home at Daytona and is busy organizing the Machine Gun Company for Sanford.

Mr. and Mrs. J. S. Wilson, Mr. and Mrs. Fred Walama and Mr. and Mrs. Herbert Lyman, of Winter Haven, spent Saturday at Daytona Beach.

Mr. and Mrs. Harry Heeren, and Mr. and Mrs. R. J. Holly visited Mt. Dora, Eustis, Apopka and Forest City yesterday on an automobile trip making the distance in the Heeren car.

Mr. and Mrs. Harry B. Lewis have leased the Ratliff house on Magnolia avenue and will occupy it for their home. They have been living in the Welaka apartments for the winter months.

W. M. Haynes has returned home after attending the meeting of the Florida Press association at Tampa, and was again honored by being elected secretary of the association for another year.

Mrs. Frank Peacock has arrived in the city to join her husband and his mother, Bieder. Mrs. Peacock is the daughter of W. L. Bryans, president of the Cleveland Stock Yards and her home has been in Lakewood, Ohio, a suburb of Cleveland. They will make their future home here at the Wheeler home on Second street.

Mrs. J. K. Smith, who fell down the stairs of the Shirley apartments one day last week and badly injured her back, is still in a precarious condition. Mrs. Smith fell when the banisters of the stairway gave way, precipitating her to the bottom, and it was thought at first that her back was broken. Her many friends are hoping for her early recovery.

Mr. and Mrs. Herbert Lyman, of Winter Haven, were here yesterday and were the guests of Mr. and Mrs. John S. Wilson. They were at Daytona Beach for a visit and returned to their home last night. Their many friends here were glad to see Mr. and Mrs. Lyman again for they have not been here for some time. Mr. Lyman is the local agent for the Virginia-Carolina Chemical Co., at Winter Haven and is making that city his home.

Miss Annie Lee is due much of the credit for the wonderful baby window at Yowell's store, a description of which appeared in this paper Saturday. Miss Annie Lee has charge of the Ready-to-Wear on the second floor and all of the infant's wear is in her department. We want to give her credit because the window was one of the best that has been shown in this city in many months. The many friends of Miss Lee will be sorry to learn that she is confined to her home with illness.

(From Tuesday's Daily)  
Mrs. T. L. Dumas has as her guests Mrs. T. R. Waring from Summerville, S. C., and Miss Liddie Thouston from Charleston, S. C.

Mrs. Mary Symes left for Michigan yesterday and will visit in Ohio, on her way home.

Miss Annie Hawkins, accompanied her parents, Mr. and Mrs. Hawkins to Commerce, Ga., yesterday.

Mrs. Kent Rosamer's mother, Mrs. T. J. Nix, left yesterday for her home in Commerce, Ga.

Roland Reed of Geneva was among the visitors to the city today and reports that part of the country as being very busy.

Verne Arnett of Osteen was in the city today and said that while Osteen was feeling the effects of the closing down of the Long Lumber company, still has bright prospects for the resumption of this industry, and the people over there are very anxious for the bridge across the St. Johns river, as it will help all this travel that comes to Sanford to trade.

W. F. Blackman of the Wekiwa

## ALL RECORDS FOR SPUD MOVEMENT BEING BROKEN

All records for this season of the year are being broken in the potato movement from this and the Haight section, according to reports today. It is estimated that by tonight more than 200 cars will have been loaded for market. Yesterday's movement totalled sixty cars, with about the same number for the day before.

Prices, so far as can be ascertained are holding up well, although f. o. b. buying was suspended during a portion of yesterday, few sales being made on the tracks. Indications are, however, that the price will be well around the eight dollar mark, and that there is every reason to believe that they will hold at this figure during the next week.

As is usually the case all kinds of stories about the various yields are being circulated, varying with the degree of carelessness of the persons repeating them. Yields as high as ninety barrels are reported by some, while others, the pessimistic kind, declare that not an acre has been dug where the yield is over fifty barrels.

The tow boats of the Palatka-Jacksonville line, and of the Clyde Line are having all they can do to move the crop from Federal Point. The Pilot Boy took 1,200 barrels yesterday and today there are said to be about 2,500 barrels on the docks waiting for transportation.—Palatka News.

Ranch, at Lake Monroe, was in the city today and paid The Herald office an appreciated visit. Dr. Blackman is a member of the Sanford Chamber of Commerce and one of the most progressive citizens of the county. He wants the chamber of commerce members to have a picnic at Wekiwa Ranch in the near future—and we will.

D. H. Hooker, of Longwood, was in the city a few hours today. Mr. Hooker is the efficient peace protector in his bailiwick and makes a good one although Longwood gives the officers but little trouble, being a very peaceful city with a population of law-abiding people.

Dr. G. F. Highsmith, of Arcadia, has arrived in the city and will make it his future home. Dr. Highsmith has purchased the office equipment of the late Dr. B. C. Dodds and will occupy the office in the First National Bank building. He will reside at the Montezuma Hotel and after office hours will be found at the hotel. Dr. Highsmith has been practicing at Arcadia and after looking over the many advantages of this city decided to locate here. He will be welcomed by the business and professional men of this city to our midst.

(From Wednesday's Daily)  
Mrs. George Chamberlain has as her guest, Mrs. H. B. Schulte of Daytona, Florida.

Mrs. E. G. Tyner arrived in the city yesterday from Jacksonville and will be the guest of her daughter, Mrs. R. J. Holly for some time.

E. B. Brown, state sales manager of the Virginia-Carolina Chemical Co., with headquarters in Jacksonville is in the city today looking after local affairs.

Mr. and Mrs. Endor Curlett were in Geneva last night, Mrs. Curlett being a member of the executive committee of the Fernald-Laughton Hospital, attended a meeting of the board.

Through an error in names the ladies of the G. I. A. entertaining the engineers the names of Mrs. Leonard and Mrs. McConnell were wrong. It should have read Mrs. Eugene McConnell and Mrs. N. B. Leonard. The error was made in giving the names over the telephone and we make haste to correct the same.

The many friends of Owens Higgins are glad to see him home on a furlough from the U. S. Navy in which he has served for several years. Owens joined during the world war and still has some time to serve before he can become a private citizen again but from his appearance it seems that Uncle Sam's diet is agreeing with him. Owen is a Sanford boy, the son of Mrs. J. C. Higgins and he has made a good record in the navy.

Mr. and Mrs. LeRoy D. Jones and attractive little daughter, Emily Jean, of El Reno, Oklahoma, are here for a visit with Mr. Jones' mother, Mrs. H. A. Néel. Mr. Jones is proprietor of the Rexall Drug Store in the Oklahoma city, and this is their first trip this far south. They are delighted with Sanford and will remain several weeks enjoying the sights and climate of this section of the state.

## IN GREAT SHAPE STATES FARMER

DECLARES TANLAC HAS OVERCOME HIS TROUBLE AND HE CAN'T SAY TOO MUCH FOR IT.

"Tanlac has put me in great shape" said Ed Hickman, a well known farmer living on R. F. D. No. 2, Jacksonville, Fla., a few days ago.

"A year and a half ago I took the 'flu' and it came near knocking me out. After I got up I felt no account couldn't half do any work on the farm and had no appetite to eat anything. My nerves were all on edge and I couldn't get a good night's sleep. I plugged along, trying first one thing and then another, but, in spite of myself, I kept going down hill until I was so weak I had about played out altogether.

"Well, finally, I struck Tanlac, and the way I commenced to pick up surprised me. And now I feel like a hard-working man ought to feel; in fact, I do not believe I could be in better health. I eat everything, weigh a hundred and seventy-three pounds and am as strong as an ox. Tanlac has done such fine work for me that I can't recommend it too strong."—Adv.

## DEATH OF WALTER B. CLAY.

(From Tuesday's Daily)  
Word was received here last night of the death of Walter B. Clay at Bartow. The funeral will take place here at 9:30 tomorrow morning at the Episcopal church, interment being at Lakewood.

Mr. Clay was a native of Montgomery, Alabama, and came to Florida many years ago. He married Miss Lulu Doyle of this city, and for many years lived at Arcadia, where he was engaged in the business of civil engineering, at which he was looked upon as an authority. He laid off many of the big land and drainage projects of the state and for the past two years was engaged in several large projects at Okechobee City.

He leaves a wife and two children, Doyle Clay and Majorie Clay, to mourn the loss of a loving husband and father. The sympathy of numerous friends here and elsewhere in the state go out to the grief stricken family in their hour of sorrow.

NOTICE OF APPLICATION FOR TAX DEED  
Under Section 575 of the General Statutes of the State of Florida  
Notice is hereby given that J. E. Laing, purchaser of Tax Certificate No. 130, dated the 3rd day of June, A. D. 1918, has filed said certificate in my office, and has made application for Tax Deed to issue in accordance with law. Said certificate embraces the following described property situated in Seminole County, Florida, to-wit: Lot 6, Block 14, Tier 9, Sanford. The said land being assessed at the date of the issuance of such certificate in the name of F. D. Reed. Unless said certificate shall be redeemed according to law Tax Deed will issue thereon on the 30th day of April, A. D. 1921.

Witness my official signature and seal this the 22nd day of March, A. D. 1921.  
(Seal) E. A. DOUGLASS, Clerk Circuit Court, Seminole County, Fla.  
By V. E. DOUGLASS, D. C. 32-6tc

According to Lord Haldane, former lord high chancellor in England, educational training is unknown to at least nine out of every ten persons in Great Britain after they have attained the age of fourteen years.

## IN THE CIRCUIT COURT, SEVENTH JUDICIAL CIRCUIT, STATE OF FLORIDA, COUNTY OF SEMINOLE.—IN CHANCERY.

J. F. Laing, joined by her husband and next friend, J. E. Laing, Complainants, vs. Wm. H. McAlister, Alice L. McAlister and all unknown devisees, heirs and grantees, or others, claiming under Wm. H. McAlister and Alice L. McAlister, Defendants.

CITATION  
To: Wm. H. McAlister, of Oklawaha, State of Ohio; Alice L. McAlister, of Oklawaha, Fla.; or other devisees, heirs, legatees, grantees, or other claimants under Wm. H. McAlister and Alice L. McAlister; and to any and all other parties claiming any interest in and to the following described lands situated in Seminole County, Florida, to-wit: Lots One (1) and Two (2) of Block Twenty (20), Tier Three (3) of the City of Sanford, Florida, as shown by E. E. Treadwell's Map of Sanford, Florida:  
It appearing from the sworn bill of complaint filed in this cause against you, that you have or claim some interest in the lands hereinabove described, therefore, you, the said Wm. H. McAlister, and Alice L. McAlister, are hereby required to be and appear before our said Circuit Court, at the Court House in Sanford, Florida, on the 4th day of April, A. D. 1921, and then and there make answer to the bill of complaint exhibited against you or otherwise a decree pro confesso will be entered against you.

And any and all other parties claiming any right, title or interest in and to the lands hereinabove described, under, by or through Wm. H. McAlister or Alice L. McAlister, or otherwise, are hereby required to be and appear before our said Circuit Court, at the Court House in Sanford, Florida, on the 4th day of April, A. D. 1921, and then and there make answer to the bill of complaint exhibited against said unknown parties, otherwise a decree pro confesso will be entered against said unknown parties.  
It is ordered that this notice be published in the Sanford Herald, a newspaper published in Seminole County, Florida, once a week for eight weeks as to the known parties thereto, and once a week for twelve weeks as to the unknown parties thereto.

Witness my hand and the seal of the said Circuit Court on this 8th day of January, A. D. 1921.  
(Seal) E. A. DOUGLASS, Clerk of the Circuit Court, Seminole County, Fla.  
By V. E. DOUGLASS, D. C. Solicitor and Counsel for Complainants. 23-11tc

# MEMBERS OF LEGISLATURE FOR THE SESSION OF 1921 ARE GOOD MEN AND TRUE

## Sanford and Seminole County Well Represented

The Florida legislature convened this morning in the regular biennial session and will hold for sixty days at the state capital. There are many who believe that this session of the legislature will be one of the best in the history of the state. Seminole county has two good representatives in the person of M. O. Overstreet of Orlando, who is our senator, and F. P. Forster of this city, who is our county representative, and both these gentlemen know the needs of this section of the state, having been residents of Sanford and Orlando for many years; both of them bankers and business men and large property owners. Mr. Overstreet is one of the most prominent business men of Orlando, interested in turpentine, lumber and crate mills and is also prominent in banking circles. Mr. Forster is president of the First National Bank of this city and is interested in all that tends to build up his city, county and state. It is almost a safe prediction that Mr. Forster will be on the committees on banking, education and other important committee work.

The following is the personnel of the 1921 legislature:

### Members of the Senate.

- District 1.—W. H. Napoles, Crestview.
- District 2.—John P. Stokoe, Pensacola.
- District 3.—Lindsay, Bonifay.
- District 4.—W. J. Singletary, Grand Ridge.
- District 5.—W. P. Shelley, Telogia.
- District 6.—S. W. Aderson, Greensborough.
- District 7.—Oscar M. Eaton, Lakeland.
- District 8.—D. M. Lowery, Tallahassee.
- District 9.—E. P. Wilson, Dade City.
- District 10.—R. H. Rowe, Madison.
- District 11.—John S. Taylor, Largo.
- District 12.—W. L. Weaver, Perry.
- District 13.—Tom Campbell, West Palm Beach.
- District 14.—W. L. Plympton, Lake City.
- District 15.—D. E. Knight, Starke.
- District 16.—James E. Calkins, Fernandina.
- District 17.—J. B. Johnson, Live Oak.
- District 18.—J. Turner Butler, Jacksonville.
- District 19.—M. O. Overstreet, Orlando.
- District 20.—W. J. Crosby, Citra.
- District 21.—W. J. Epperson, Bronson.
- District 22.—T. T. Turnbull, Monticello.
- District 23.—W. M. Igou, Eustis.
- District 24.—W. H. Malone, Key West.
- District 25.—H. H. Wells, Chipley.
- District 26.—W. A. Russell, Crescent City.
- District 27.—Frank H. Cooper, Punta Gorda.
- District 28.—Lincoln Hillley, DeLand.
- District 29.—T. J. Knabb, Macclenny.
- District 30.—John Bradshaw, Jasper.
- District 31.—W. A. McWilliams, St. Augustine.
- District 32.—D. G. Roland, Newberry.

### Members of the House.

- Alachua—O. M. Tillman, Campville; F. H. Ellis, Alachua.
- Baker—W. D. Mann, Sanderson.
- Bay—J. E. Ed. Stokes, Panama City.
- Bradford—C. H. Register, Lake Butler; E. M. Johns, Starke.
- Brevard—J. J. Parrish, Titusville.
- Broward—W. C. Kyle, Fort Lauderdale.
- Calhoun—W. P. Fields, Blountstown.
- Citrus—M. C. Scofield, Iverness.
- Clay—L. E. Wade, Green Cove Springs.
- Columbia—W. W. Phillips, Lake City; W. A. Bailey, Fort White.
- Dade—B. C. Willard, Miami.
- DeSoto—Dr. E. J. Etheridge, DeSoto City.
- Duval—F. O. Miller, Frank E. Jennings, Jacksonville.
- Escambia—F. X. Carroll, W. E. Roland, Pensacola.
- Flagler—A. S. Fowler, Brunell.
- Franklin—E. R. L. Moore, Carrabelle.
- Gadsden—Roy Hinson, Hinson; E. Paul Gregory, Quincy.
- Hamilton—W. P. Jennings, Jennings; W. J. Dees, Jasper.
- Hernando—Hugh Hale, Brooksville.
- Hillsborough—C. H. Taylor, Tampa; A. T. Stuart, Plant City.
- Holmes—E. Bert Riddle, Darlington.

Jackson—Dr. E. Harris, Marianna; Walter Williams, Graceville.  
Jefferson—E. B. Bailey, Monticello; W. B. Bishop, Capps.  
Lafayette—R. L. Goodbred, Mayo.  
Lake—T. G. Fuch, Leesburg; L. D. Edge, Groveland.  
Leon—A. H. Williams, Fred H. Lee—F. W. Perry, Fort Myers.  
Davis, Tallahassee.  
Levy—S. J. Gun, Gunntown.  
Liberty—L. E. Fenn, Wilma.  
Madison—V. E. Blanton, Lee; J. P. Taylor, Greenville.  
Manatee—J. J. Stewart, Bradenton.  
Marion—Nathan Mayo, F. H. Ladd, Key West.  
Nassau—C. C. Fuqua, Hilliard; Frank D. Upchurch, Fernandina.  
Okaloosa—J. F. Richbourg, Laurel Hill.  
Okechobee—Ed. Scharfshwerdt, Okechobee.  
Orange—S. S. Griffin, Orlando; A. B. Newton, Winter Garden.  
Osceola—W. R. Godwin, Kissimmee.  
Palm Beach—W. D. Carmichael, West Palm Beach.  
Pasco—W. J. Ellsworth, Dade City.  
Polk—J. M. Keen, A. J. Morgan, Lakeland.  
Putnam—H. S. McKenzie, Chas. S. Phillips, Palatka.  
Pinellas—S. D. Harris, St. Petersburg.  
Santa Rosa—J. H. Harvell, John C. McRae, Milton.  
Seminole—F. P. Forster, Sanford.  
St. Johns—H. J. Pleper, St. Augustine; Frank M. Corbett, Moultrie.  
St. Lucie—A. W. Young, Vero.  
Sumter—J. C. B. Koonce, Bushnell.  
Suwannee—W. M. Cason, Wellborn; W. H. Mobley, Pine Mount.  
Taylor—J. S. Scales, Perry.  
Volusia—Howard G. Putnam, Oak Hill; Murray Sams, DeLand.  
Waukula—Dr. A. J. Hagan, Arran.  
Walton—Dr. J. B. Rabern, DeFuniak Springs.  
Washington—L. Curtis Croften, Chipley.

### Why That Lame Back?

That morning lameness—those sharp pains when bending or lifting, make work a burden and rest impossible. Don't be handicapped by a bad back—look to your kidneys. You will make no mistake by following this Sanford resident's example. Mrs. W. A. Tillis, 1100 Elm Ave., says: "I am just as strong for Doan's Kidney Pills now as when I endorsed them before. I used them several years ago. At that time I had a sore and lame back and found it difficult to bend over. My kidneys didn't act as they should either. I used a box of Doan's and they regulated my kidneys and rid me of the pain in my back. I have great faith in Doan's Kidney Pills." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Tillis had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Adv.

### France Approves Myron T. Herrick as U. S. Ambassador

PARIS, April 4.—Approval of the appointment of Myron T. Herrick, as United States Ambassador to France, was not officially signified by the French government. Entire satisfaction with reports he is to be the next American ambassador here was expressed at the foreign office, however, and formal notification he is persona grata will go forward in due time, it is declared.

At the end of the first term at the university of Arkansas, this season, women have averaged better students than men.

### USE SLOAN'S TO WARD OFF PAIN

You can just tell by its healthy stimulating odor, that it is going to do you good.

"If I only had some Sloan's Liniment!" How often you've said that! And then when the rheumatic twinge subsided—after hours of suffering—you forgot it! Don't do it again—get a bottle today and keep it handy for possible use tonight! A sudden attack may come on—sciatica, lumbago, sore muscles, backache, stiff joints, neuralgia, the pains and aches resulting from exposure. You'll soon find warmth and relief in Sloan's, the liniment that penetrates without rubbing. Clean, economical. Three sizes—35c, 70c, \$1.40.

**Sloan's Liniment** (Patented)

### Theft of Key Car Reads Like Romance, Shows Scope of Steal

The following article in the Eustis Lake Region relative to the theft of the Key car is interesting:

The Reo touring car belonging to A. R. Key, cashier of the Seminole County Bank, of Sanford, Florida, stolen March 12 from his private garage, was located in Umatilla Friday by Deputy Sheriff W. T. Collins. The stolen car was found in a garage belonging to W. L. Told, which had been rented for the winter by R. H. Foster and W. S. Messenger. Foster was arrested in Eustis by Policemen Weaver and Charles Lee, but Messenger made a get-away and is still at large.

Messenger and Foster, with Messenger's wife, came to Umatilla three months ago, securing apartments for the winter with R. E. Brown. They came by automobile, Messenger claiming New York City as his home, and Foster, Omaha, Nebr. They rented a nearby garage of W. L. Told, and it was their late at night operations in and around this garage that aroused suspicion.

For some time Deputy Sheriff Collins has had these men under his surveillance, and in the late hours of night has inspected the locked garage from the outside. During these visits his flashlight failed to show anything in the interior of the garage to warrant a search being made.

On Friday morning Mr. Collins received an authentic report that these men had been seen entering the garage with a suit case. Acting on this, Mr. Collins, suspecting bootlegging, at once got out a search warrant and proceeded to the Brown residence about 12:30. Messenger was sitting on the porch talking to Mr. Brown when called to the gate. Mr. Collins asked for his partner and was told he had gone to Orlando. He next asked for the key to the garage and was told that Foster had it with him. Then Mr. Collins informed Messenger that he wanted the garage opened and that if he didn't go with him and open it, it would be broken open, as he had a search warrant to search the same. To this Messenger made no reply, except to ask permission to get his coat. Going around to the rear of the house, Messenger wasted no time in escaping through the Brown lot and the grove of Alfred Armitage, bordering Lake Umatilla.

After waiting ten minutes at the gate, Mr. Collins realized something was amiss, and proceeded at once to the garage. Breaking it open, the Reo of Mr. Key was found completely equipped for immediate departure. The garage was found to be tightly papered over on the inside.

From the material found in the car, which included, besides a 19-gallon tank full of gas, six surplus gallons of gas and plenty of oil, there was equipment that marked them as expert or professional auto thieves. A set of dies was found for cutting numbers out of steel, and the purpose of this was evident when it was found the numbers of the Reo had been changed. Another interesting find was that a South Carolina tag had been secured and attached to the car. Wearing apparel in the car also pointed to an early departure.

Mr. Collins identified the car by the advertising notice of it received from the Sanford chief of police. He at once went to Sanford, returning with Mr. and Mrs. Keys and the chief of police. The car was identified and \$100 reward gladly paid.

Searching parties also began at once to try to trail Messenger, who probably skirted Lake Umatilla. These parties remained out all night, but were unsuccessful and Messenger is still at large. Foster, who claimed he was on his way to Orlando to receive a car Messenger had purchased in Tampa, was arrested in Eustis and turned over to the Sanford police.

Messenger, a man about thirty-five years old, is a low, heavy set man with a red, full face and sandy hair. He is smooth shaven, and besides a mole on the side of his face, has a heavy scar across his nose. He claims to have spent last winter's season on the East Coast.

Mrs. Messenger, who is a Canadian, married Messenger in Connecticut on the eve of their departure for Florida, three months ago. She had been acquainted with Messenger about a year and claims she knew absolutely nothing about the stolen car. She had been informed by the men that they would leave Umatilla Friday night in a Hudson Six, and that Foster had departed to get the car, which they had been having repaired. Mrs. Messenger, who is still in Umatilla, will probably return to Canada.

Deputy Sheriff Collins notified the police of all the surrounding towns at once, as well as the sheriff of the county, and a sharp lookout is being maintained for Messenger, who may be one of a gang of auto thieves operating all over the state.

### BUSINESS AND PROFESSIONAL WOMEN'S CLUB.

(From Tuesday's Daily)

At the monthly meeting of the Sanford Business and Professional Women's Club last evening at the Montezuma hotel, a dinner was given in honor of Miss Lilla M. White, of St. Augustine, state president. The table was beautifully laid, with floral centerpieces of lilies and snapdragons. At each place was a white carnation. The place cards were most appropriate for April, being little umbrella babies. These were the work of Miss Claire Walker's class at the West Side Primary school.

The menu, which was deftly and promptly served, was:

- Fruit Cocktail.
- Roast Chicken with Dressing and Cranberry Sauce.
- Baked Corn New Potatoes
- Rolls.
- Tomatoe Aspic Salad.
- Olives
- Iced Tea Coffee
- Lemon Pie

After the dinner was over, the club held a short business meeting. Then Miss White gave a most interesting talk on the work of other clubs and the aims and activities of the National Federation of Business Women's clubs. Miss White is a forceful speaker and easily held the interest and attention of her hearers. She told the club about the new pin that has just been adopted. This pin is a small round seal, bearing the figure of the winged victory.

About twenty-five members of the club were present. This club will have the pleasure of bringing back the Redpath Chautauqua to Sanford next year.

## More than just materials

When you let us supply your building needs you get a great deal more than just so many feet of lumber—bundles of shingles—pounds of nails—or panels of Beaver Board.

You get the benefit of our building material knowledge and experience in Service that helps you get the results you want at the right price. Service first in planning the work—more service in selecting proper materials—speedy service in delivering the goods.

You pay for the materials. The service pays for itself in the larger volume of business it brings through super-satisfied customers.

It will pay you to be one of these.

## Sanford Novelty Works

### NEW FERTILIZER FACTORY

On the fourth day of last October our factory, the largest of its kind in the entire South, was burned to the ground. Luckily the acid chambers, laboratory, machine shop, and other buildings making up our immense plant were saved.

In our various Branch Houses throughout the state and warehouses here in Jacksonville we had stored thousands of tons of our famous IDEAL FERTILIZERS as customary at the beginning of each season. On the very day of the fire a large force of men started to work on a temporary mixing plant which was soon running night and day. Our trade has thus been served throughout these days of trial, with little delay.

We appreciate the sympathy and co-operation given us by our many friends, and are glad to announce that work on the new factory is now well under way. It will be much larger even than the old factory, and equipped with the very latest and best devices.

### WILSON & TOOMER FERTILIZER COMPANY

# BUICK

BECAUSE of its absolute dependability, Buick is in constant service wherever important work is being done.

If there were nothing else for you to know about Buick—that fact is worth considering when purchasing your new car. Coupled with this dependability in the new 1921 Buick are roominess and riding comfort, easy control and beauty of new streamlines that make it a sound transportation investment. Let us demonstrate the new Buick to you.

Since January 1, regular equipment on all models includes Cord Tires
