ROBIN MALONE

We The Women: I can hardly believe it is almost the beginning of school and here it is trying on time again and I don't know if I can face up to it or not. I am sure I didn't get all the winter clothes packed away last spring because of the way old clothes and platted women shirts kept showing up in the laundry all summer.

Dear TV: I had looked forward eagerly to Steve Allen's summer show — but what a mess! He wastes his excellent talent throwing cream pies. May we hope for something better?

Dear TV: There ought to be a law to protect viewers from those responsible for shows like "Steve Allen Comedy" (1) "Howl." Now we are confronted with the news that Carol Burnett and Jerry Lewis will be on next season. It's had children who acted like these two I would take them to the nearest psychiatric clinic. — Mrs. Russell R. Reid, Fort Lauderdale, Fla.

Dear TV: I am a mother of three children and I really enjoy TV. In the whole, the shows are very good. They take us away from everyday chores. We need to laugh and escape. Satisfied Viewer, Carbondale, Pa.
