

Oviedo

Special to The Sanford Herald By MARIAN R. JONES

The basement of the Oviedo Baptist Church was a scene of loveliness Thursday afternoon when the members of the W. M. F. U. gathered with a tea honoring Mrs. James S. Day, Sr., widow of the late Dr. James S. Day, former pastor of the church here, who is visiting Mrs. Mary M. Martin this week. Her first visit since Chaplain Day's death.

The tea table was beautifully arranged with flowers and ferns with Mrs. H. H. Link, wife of the present pastor, pouring coffee on one side, and Mrs. Fred Pierson, W. M. U. president, pouring tea on the opposite side. Home made cakes, sandwiches, cookies, stuffed dates and nuts and minis, artistically arranged, completed this festive array.

Mrs. R. F. King greeted the guests at the door with Mrs. Day, while Mrs. J. P. Cox, chairman of the committee, Mrs. Young Harris, Mrs. George Means, Mrs. Young Harris, Mrs. H. F. McGowan, Jr., acted as hostesses.

Those invited to welcome Mrs. Day were Mesdames, Theodore Aulin Sr., Theodore Aulin, Jr., R. L. Bagdale, Mrs. Young Harris, Metcalf, Mathers, Clifford Parker, B. J. Wheeler, W. T. Walker, Alex Leinhardt, Paul Campbell, Lawson Hardy, Ralph King, Arthur Cartledge, J. B. Jones, Jr., W. A. Ward, Sr., W. A. Ward, Jr., Pat Brown, J. L. Malcolm, M. Arlie, Alvin King, J. P. Cox, J. Y. Harris, George Means, Hollis Cox, Ferrell Beasley, T. L. Lingo, Jr., June Spencer, H. F. McGowan, Jr., B. F. Wheeler, Jr., W. A. Ward, Jr., Jimmie Malcolm, Billy West, H. H. Link, Fred Pierson, F. S. Sheldon, Bill Martin, C. M. Paynell, R. F. King, Thomas Daniell and Miss Stella Farnell, Oviedo; and Mrs. W. D. Stine and Mrs. R. F. Cooper, former residents of Oviedo and friends of the Days of Sanford; also Mrs. H. F. McGowan, Sr., Zellwood.

Dr. J. W. Martin and Judge Theodore Aulin have returned from Jacksonville, where they have been this past week. Dr. Martin attended the Cancer Clinic held there.

Mr. and Mrs. Charles S. Lee left Thursday morning to spend several days in Miami, where they will visit their daughter, Mrs. J. L. Jones, Rev. J. L. Jones, and granddaughters, Nancy Lee and Beverly Ann.

The young people of the Methodist Church, under the leadership of John Evans, conducted a Youth Program in Geneva Wednesday evening. Mr. Evans gave a short talk on Lay Leaders. Mrs. Leon Olliff also gave a short missionary talk.

Misses Jean Chance, Carlene McKinnon, and LaJone Estes, accompanied by Mrs. Tommy Staley at the piano, sang "Mikathedral." Some of the members of the Junior Choir also accompanied the group to Geneva. Those participating in the program included Misses Jean Chance, LaJone Estes, Carlene McKinnon, Dorothy Niblack, Joan Meek, and Mesdames Tommy Staley, and Bill Martin.

Rev. J. N. Thompson is still confined to his home after suffering with a heart attack.

Leon Bagdale is able to be out again after his recent spell of sickness.

Tommy Partin, son of Mr. and Mrs. E. E. Partin, underwent a Tonsillectomy at the Fernald-Laughton Hospital Friday morning.

J. T. Ferguson and Reese Siddham, who have been living in Oviedo for the past several months while working on the new bridge over Ecolochatchee on the

Chulota road, left Friday evening for Lakeland to spend the weekend en route to Lake Wales, where they will work for the next several months.

Dan Chisholm, boss of the new bridge being constructed over Ecolochatchee, has been in Lakeland for several days on business, but will still be on the job in Oviedo for a while.

Mr. and Mrs. Charles S. Lee have as their guest Mr. McLaren, president of the Federal Reserve Bank, Atlanta, Ga. Mr. McLaren, and Mr. Lee plan on some hunting trips during his visit.

Rev. and Mrs. Johnnie L. Jones and Children, Beverly Ann and Nancy Lee, of Miami, will arrive Monday to visit Mrs. Jones' parents, Mr. and Mrs. Charles S. Lee, at their home on Lake Charm, for the Thanksgiving Holidays. Johnnie and Mr. Lee also plan on many hunting trips during their visit.

Many enthusiastic hunters looked forward to the hunting season's opening on Thursday of this week, and many spent the night at the ranch in order to get an early start.

Mr. and Mrs. W. J. Lawton and Miss Kathryn Lawton has as their guest this past week, Mrs. Lawton's niece, Mrs. E. B. Nichols, of Fort Myers. Mrs. Nichols also visited many friends and her other relatives while here, although she made her headquarters during her visit with the W. J. Lawtons.

After spending some time visiting relatives at various places in Georgia, Mrs. T. R. Pipkin and daughter, Ginger Loujain, have returned home to Sanford.

Pro. Walter A. Teague accompanied Gracie Barr and Ferdinand Jakubein to Sanford Monday evening where the two students represented the Freshmen class at the county radio quiz program starting each Monday evening over Station WTRR. The students chose sides for the quiz, but the two sides tied. The tie will be played off at an early date. Frankie Gore and Mildred Lucas will participate next Monday night, as representatives of the Sophomore class.

Among those from Oviedo who have been attending the convention at First Baptist Church, Orlando, are the Rev. and Mrs. H. H. Link. A new baseball diamond is going to be constructed next to the school house. The bulldozers are busy now cutting down the pine trees in order that the work may soon be underway.

Mrs. R. R. King had as her dinner guests at Goodbread's Wednesday evening Mr. and Mrs. J. B. Jones and sons, Johnnie and Jimmie, after a shopping tour earlier in the day. After dinner they all attended a theater.

Among those attending the county teacher's meeting at the Southside Primary, Sanford, Monday evening were Pro. and Mrs. Walter A. Teague, Mrs. J. N. Thompson, and Miss Thelma Lee.

Prof. and Mrs. Walter Teague left Wednesday afternoon for Jacksonville, where Mrs. Teague

entered St. Vincent's Hospital Thursday for an operation Friday. Mr. Teague will remain with her until Sunday evening, while little Walter, Jr. will visit with his grandmother in Sanford until his return to Oviedo.

The mothers and daughters of the Junior G. A.'s will be entertained with a tea in their honor on Monday afternoon at the Oviedo Baptist Church at 4 P. M., given by the members of the Nettie Farnell Circle.

Moving this week into their recently purchased home are Mr. and Mrs. T. L. Lingo, Jr. and two sons, Thad and Marshall. Mr. and Mrs. Lingo have just completed renovating the house which was formerly occupied by the E. M. Olliff.

The T. L. Lingo, Jr. home has been purchased by Mr. Arlie, uncle of Mrs. Lingo.

Suffering with a sprained ankle due to a recent fall is Mrs. Theodore Aulin, Sr.

Among those who have been confined this week due to a bad cold are Mrs. Fred Pierson, Arthur Evans, Thad and Marshall Lingo.

Arthur Cartledge has been away from work due to sickness.

Mrs. G. M. Arlie is still confined to her home due to several weeks' illness, but is reported to be some improved.

Mr. J. R. Ragdale, father of Leon Ragdale, is better after suffering with a cold.

Among those who are planning to attend the covered dish supper given by the Seminole Chapter No. 2, Order of Esatern Stars at the Masonic Hall, Sanford, Thursday (Nov. 30) evening are assistant worth patron Frank W. Talbot, Mrs. Frank Talbot, Mr. and Mrs. J. B. Jones, Jr., Mrs. R. L. Ragdale, and Mrs. Irving Malcolm, also the meeting following.

Mrs. Sidney Carraway, who has been visiting her son, Sidney, and Mrs. Sidney Carraway, at Titusville, returned home Thursday morning.

Mrs. Carl Daul, who has been

visiting her sister, Mrs. Pauline Tanner, at DeLand, for a week has returned home.

The members of Mrs. J. H. Staley's young Adult Sunday school class enjoyed a lovely steak supper in Sweetwater Park Tuesday evening. The regular and active members invited, including their teachers and her husband.

Mr. Jim Staley, wife: Mr. and Mrs. Ben G. Wainright, Mr. and Mrs. John Evans, Cecil Edge, Mr. and Mrs. Merritt Staley, Mr. and Mrs. Tommy Staley, Mr. and Mrs. Donald Leinhardt, Mr. and Mrs. Tommy Moon, Reese Moon, Rex Clonts, Miss Thelma Lee, Martha Anne Moon, Mr. and Mrs. Burgess McMahon, Mr. and Mrs. Bill Durbin, Mr. and Mrs. T. L. Lingo, Jr., Mr. and Mrs. Ferrell Beasley, Edward Daul, Robert Lee, Reverend and Mrs. Lionel W. Nelson, Mr. and Mrs. Bill Martin and Mr. and Mrs. Marion Estes.

Miss Martha Anne Moon, student at DeLand, was home Tuesday afternoon and attended the steak supper given for Mrs. J. H. Staley's Sunday school class.

GETTING UP NIGHTS GETTING YOU DOWN? A Man's good news for you folks who have to get up at night to pass water, have backache, too, is reason of minor functional kidney disorder.

The true value of telephone service is much greater than its cost. Many types of concerns depend entirely upon the telephone to secure business. To them it is indispensable—yet the cost is only a few dollars a month. In fact, in all business, the value of telephone service is far greater than the cost.

The same is true with respect to the everyday home and social use of the telephone. There are times when just one call alone may be worth the cost of the service for several months. If you kept an account of trips your telephone saves you each month and of the comfort, protection and pleasure it affords, you would find that the price you pay is much less than the value you receive.

The amount you are asked to pay, however, is never more than enough to pay operating costs plus a return on investment sufficient to enable the Telephone Company to secure from investors the millions of dollars of new money needed for improvement and expansion of the service.

Partly cloudy through Wednesday, cooler this afternoon and tonight. Wednesday continued cool. Gentle to moderate northerly winds.

## Senator Says Reds Seek To Seize Nations

### Connally Joins Van- denberg In Urging Allies To Create Own Peace Treaty

WASHINGTON, Nov. 25 (AP)—Chairman Taber (R-N.Y.) of the House Appropriations Committee today accused the State Department of violating the law by permitting shipment of food and other supplies to Russia and Soviet-dominated countries. He told the House there has been a "constant and deliberate violation of the law, especially the lend-lease law," and demanded an end to what he termed the "appetement" of Russia.

WASHINGTON, Nov. 25 (AP)—Senator Connally (D-Tex.) told the Senate today that Communists are out to "reduce western Europe to vassalage and political slavery" and urged his colleagues to vote \$597,000,000 of winter aid to combat this "totalitarian tyranny."

Taking the floor in the Senate's second day of debate on the relief measure, Connally joined Chairman Vandenberg (R-Mich.) of the Foreign Relations Committee in urging that the other allies make their own peace with Austria and Germany if Russia refuses to go along.

The Texas senator, top Democratic member of the committee, said this action should be taken if the council of foreign ministers, now meeting in London, (Continued on Page Eight)

## Application For Re-Zoning Of Tract Received By City

Application of Fred Bender, local realtor, for re-zoning of a plot of land between Locust and Bay, Fourth and Sixth Streets in order to subdivide the area into 50 by 75 foot lots and erect cottages, for sale to white residents at \$4,000 each, was received by the City Commission last evening and was referred to the Zoning Board of which J. L. Ingley is chairman, for approval.

Zoning regulations in the R-1 area require lots with a minimum of 5,000 square feet and houses of 800 square feet, said City Manager H. N. Sayer. The area had once been proposed as a negro recreation area, but when this was voted down, the City sold the tract.

The Commission took under consideration a proposal to exchange present parking meters for meters which would take from one to five pennies or one nickel (Continued on Page Eight)

## U. S. Men Returned By Yugoslav Troops

TRIESTE, Nov. 25 (AP)—The U. S. Army Public Relations office said six American soldiers taken into custody yesterday morning by Yugoslav troops were released to American authorities today.

Names of the six men and details of the manner in which they were taken into custody, held and released will be made public in 48 hours, under the terms of a new regulation, public relations said.

(In Belgrade it was reported that Premier Marshall Tito had issued an order to his troops on the Austrian and Trieste Free Territory borders that all military personnel who stray over the line in an "obviously accidental" manner are to be released immediately.)

U. S. Army headquarters announced earlier that the six soldiers, comprising an entire border patrol, were taken prisoner yesterday by Yugoslav troops when they "errantly" got out of bounds in Venezia Giulia about 15 miles from here.

## LEGION HEAD HERE

A. Reid Mann, American Legion Department adjutant, was today visited by Department Commander Frank Cota and Edmund H. Martin of Ocala, Department Chairman of Rehabilitation, in connection with official Legion business.

Comdr. Cota, well known here for his ability as an entertainer and magician, stated today that he had been forced to cancel exhibitions of magic in spite of many lucrative offers, due to demands of his office as state Legion commander.

## Catholic Conference Urges Law Discouraging Large Landholdings

LAFAYETTE, La., Nov. 25 (AP)—The National Catholic Rural Life Conference today declared itself in favor of legislation "to discourage ever-increasing large landholdings, and to provide opportunity for genuine farm operations."

The directors of the conference, which is organized in 86 Catholic dioceses of the United States, adopted a resolution calling for "a strong land policy" to encourage not only full time family farms, but rural homesteads for persons employed in cities.

The resolution specifically called for continuance of the present acreage limitations on land assisted by reclamation laws, saying that "public monies and resources should not be appropriated to subsidize farming corporations and large operations which make family life on the land difficult, if not impossible."

The conference in another resolution opposed the temporary importation of migratory farm laborers from across the borders "as a regular practice" and recommended that interstate transport of migrants be brought under federal supervision.

It denounced "the accepted custom of some areas of paying low wages and of seeking abundant supply in order to circumvent wage controls" and called for decent housing and enforced sanitary codes for migratory labor. It expressed the hope that "the stated needs of growers" would not be the primary consideration in national farm recruitment and placement policies.

Another resolution proposed the calling of an international Catholic conference on rural life and problems, probably in Rome in 1950 or 1951. The conference said the problems must be met on an international level, because population pressure in countries of limited productive capacity led to conflict, and "where food is scarce and standards of living low, additional opportunity is given proponents of artificial birth control and sterilization for diffusing their doctrines."

Finally, the group urged the establishment of Catholic agricultural schools and of courses and research facilities in agriculture, rural sociology and allied topics at Catholic colleges, as well as education leading to closer unity among farm, industrial labor and employer groups.

## Aid To Stranded Transport Rushed By Coast Guard

KETCHIKAN, Alaska Nov. 25 (AP)—Coast Guard headquarters here received word today that the Army transport Clarkdale Victory, with a crew of 49 aboard, has broken in two on a reef off Graham Island southwest of here. The fate of the crew members was unknown immediately. The Coast Guard received a report from the S. B. Donnell of the Alaska Steamship Company, which reached the scene and radioed that the fore part of the stricken transport was visible and that the rest was broken up or submerged. Heavy swells were running at the time. The Donnell reached the scene at 9:30 A. M., an hour behind its previously scheduled arrival. The search started when the Clarkdale Victory sent an SOS at 10:04 (PST) last night. A radio silence then engulfed it.

KETCHIKAN, Alaska Nov. 25 (AP)—A Coast Guard cutter reported today that the Army transport Clarkdale Victory had broken in half on a reef off Graham Island and three survivors were sighted on the beach. There were 49 crew members aboard.

SEATTLE, Nov. 25 (AP)—An Alaska steamer and two Coast Guard cutters raced through the pre-dawn darkness today to the aid of the grounded 19,850-ton Army transport Clarkdale Victory from which no word has been received since she flashed an SOS at 10:04 (PST) last night.

Coast authorities in Seattle and Ketchikan, Alaska, said they were seriously concerned over the transport's failure to answer dozens of messages (Continued on Page Eight)

## Hannegan Resigns To Join Cardinals

WASHINGTON, Nov. 25 (AP)—Postmaster General Robert E. Hannegan resigned today to become affiliated with a group purchasing the St. Louis Cardinals baseball team of the National League.

President Truman named Jesse M. Donaldson, now First Assistant Postmaster General, to succeed Hannegan whose resignation is effective Dec. 1.

Mr. Truman announced the shift in his cabinet which returns to private life the man who was credited with a major part in obtaining Mr. Truman's nomination as Vice President on the successful Roosevelt-Truman Democratic ticket in 1944. Mr. Truman succeeded to the Presidency upon the death of Franklin D. Roosevelt in April, 1945.

In October, Hannegan retired as Democratic National Chairman, giving reasons of health, and was succeeded by Senator J. Howard McGrath of Rhode Island.

## STORES OPEN

Stores will remain open on Wednesday afternoon until Christmas, it was announced today by Ned Smith, president of the Sanford Merchants Association.

## Ministers Of Big Four At London Meet

### Marshall Meets With Molotov, Bevin And Bidault To Frame German Peace Pact

LONDON, Nov. 25 (AP)—The four-power Council of Foreign Ministers agreed today on six items for an agenda in their talks on the German and Austrian peace settlements. Foreign Minister V. M. Molotov of Russia unexpectedly accepted a proposal to discuss the so-called "Hannes Treaty" plan to assure German disarmament and demilitarization. Still unsettled was the order in which the six accepted items were to be treated.

LONDON, Nov. 25 (AP)—The foreign minister of the United States, Russia, Great Britain and France started today their second attempt to frame a peace for Germany despite the wide open conflict between Russia and the Western powers over the economic and political future of Europe.

Secretary of State Marshall met with V. M. Molotov of Russia, Ernest Bevin of Britain and Georges Bidault of France in the blue gold council room of Lancaster House, at 3:30 P. M. (10:30 A. M. Eastern Standard Time.)

It was the first session of the council of foreign ministers since the four adjourned their unsuccessful efforts at Moscow last April to write a peace treaty and unify Germany.

The conference opened against a background of spreading strikes and unrest in France and uprisings in Italy which American diplomats characterized as a "Russian" (Continued on Page Eight)

## Plans Made For Winter Recreation Of Local Tourists

Plans for the Sanford Tourist Club recreation activities were made last evening at an enthusiastic meeting at the Tourist Center, and Tuesday evening, Dec. 2, was scheduled for a covered dish supper at the Center.

Election of officers for the club will not take place until the latter part of December when more winter visitors are here, said E. M. Armitage, recreation director of the Seminole County Chamber of Commerce.

About 40 persons attended the meeting last evening. Mr. Armitage revealed, and half of these were winter visitors.

The Tourist Center has been in continual demand by many local organizations, but beginning Dec. 15, it will be available every night for tourist activities, it was (Continued on Page Eight)

## Federal Grand Jury Probes Meyers' Case

WASHINGTON, Nov. 25 (AP)—A Federal grand jury today took up a secret investigation into the wartime money dealings of Bennett E. Meyers, retired Maj. General who was No. 2 man in the Air Force purchasing division in the war years.

U. S. Attorney George Morris Fay set off the 23-man jury's inquiry into Meyers' activities by calling as witnesses Martin Smith and Kenneth Bowers, two stenographers who transcribed testimony concerning the Air Force officer before the Senate War Investigating Committee. They were the only witnesses called today.

T. Vincent Quinn, head of the Justice Department's Criminal Division, later will help present the grand jury with data about Meyers' activities which began to explode in several directions.

## Jaycees Sponsoring Cemetery Project

The Junior Chamber of Commerce is sponsoring a Cemetery Improvement project, and the Rev. Douglas Charles has been appointed to represent the Jaycees on the general civic committee to investigate conditions and to recommend improvements.

President Briley Odham announced today. Others appointed were: Jack Rutledge (Catholic Church), Mrs. McLaughlin (Women's Club), Gordon Brimmon (Rotary Club), Ed Lane (Kiwanis Club), Mrs. J. H. Ludwig, Mrs. A. E. Crocker, Mrs. E. H. McCallin, Father Nachtrab, Randall Chase and Dr. and Mrs. Anderson.

## Bond Selling Drive Planned By Treasury

### Secretary Snyder Ur- ges High Taxes To Help Reduce Debt; Inflation Controls

WASHINGTON, Nov. 25 (AP)—Secretary of the Treasury John W. Snyder told the House Banking Committee today price controls are needed to head off inflation, and came out against any general tax reduction in the near future.

WASHINGTON, Nov. 25 (AP)—Secretary Snyder said today the Treasury plans a huge peace-time bond-selling drive, and he called for keeping taxes high enough to reduce the nation's debt.

Discussing President Truman's anti-inflation program as a witness before the House Banking Committee, Snyder declared:

"I Controls on installment buying, 2. Congress should provide funds to finance a new drive to sell government bonds to individuals.

As for maintaining a high tax level, Snyder said "it is imperative that during these times of great prosperity we should continue to collect adequate revenues (over) and above a balanced budget to provide a systematic reduction of the debt to zero."

"A reduction in the debt through a substantial budget surplus is the most anti-inflationary (Continued on Page Eight)

## Negro Is Found Guilty Of Intent To Commit Murder

Richard Fields, negro, was found guilty of intent with intent to commit murder in the second degree, by a jury in Circuit Court yesterday.

The original charge was assault with intent to commit murder in the first degree against Fields after he shot Robert Allen, colored, who had been charged with assault with intent to commit murder in the first degree in connection with the non-fatal shooting of his wife, Mamie Lou Allen, on Aug. 1, 1947.

A venire of 25 extra jurors was issued this morning by Judge M. B. Smith in the case of Frederick George in connection with the death on West First Street of State Highway Patrolman L. C. Bender, who was hit by a truck driven by George. The extra jurors were summoned after a regular panel was exhausted, said O. P. Herndon, clerk of the court.

## Burma Is To Be Made Independent Jan. 4th

RANGOON, Nov. 25 (AP)—An official announcement today said that in accord with directives of cabinet astrologers, Burmese independence will become a reality at 4 A. M. Jan. 4.

A statement was expected Thursday that Sir Hubert Ransome, the British Governor, would surrender power at the hour to Premier Thakin Nu.

Burmese citizens were instructed to light windows of houses with candles and colored lanterns on Independence Day. A three day celebration was projected. Gambling in all forms was banned for Jan. 4.

## FRONT WARNING

LAKELAND, Nov. 25 (AP)—The Federal State Front Warning Service today forecast scattered light frost tonight and Wednesday morning in coldest low ground locations of the north portion of the Gainesville district. The forecast was clear and colder in northern districts with lowest temperatures 23 to 27 degrees in low ground locations.

## TURKEY SHOOT

Ten fat, 14 pound turkeys were given Saturday as prizes at the regular annual Thanksgiving Turkey shoot held by Byrd Goode at the Motor Inn range, French Avenue and Seminole Boulevard. A Christmas turkey shoot will be held at the range on Dec. 20, said Mr. Goode.

Winners of the ten turkeys were W. D. Cleary, J. T. Fortler, H. L. Eubanks, J. L. Alkinson, F. F. Rockett, J. W. Knight, R. L. Muse, F. B. Sparkman, T. T. Fortler and J. B. Jackson.

## United Nations Vote Nears On Palestine

### Prizes Will Be Given To Winners In Merchants' Christmas Parade

Fine watches and many cash prizes will be awarded to boy and girl winners who march in costume and who ride decorated bicycles, tricycles or in baby carriages in the Christmas parade which will be staged by the Seminole County Jaycees and sponsored by the Sanford Merchants Association on Dec. 6 at 10:30 A. M. It was announced today by Jaycees President J. Briley Odham.

"Because Christmas is for children and because we want county-wide participation," Mr. Odham said, "the Jaycees have donated \$250 to be awarded as cash prizes, half to children living in Sanford, and half to children living outside Sanford and Seminole County and Osteen."

Jack Rutledge, chairman of the parade, has announced the following schedule for distribution of prizes:

Boys or Girls, marching in costume between 10 to 18 years  
Sanford County  
1st Prize Watch  
2nd Prize \$10.00  
3rd Prize 5.00

Boys or Girls marching in costume between 6 and 9 years, inclusive  
1st Prize 15.00  
2nd Prize 7.50  
3rd Prize 5.00

Boys or Girls on decorated bicycles, with or without costumes  
1st Prize 15.00  
2nd Prize 7.50  
3rd Prize 5.00

Boys or Girls on decorated tricycles, go-carts or in baby carriages  
1st Prize 15.00  
2nd Prize 7.50  
3rd Prize 5.00

The watches shown as first prize in the 10-18 year age bracket were donated by Wm. E. Keadler, jeweler, of Sanford. Santa Claus, with, of course, come to town for the parade and will distribute free gifts of candy to all children at the party to be held at the Tourist Center afterward. The parade route and details will be announced as fast as arrangements are completed.

A schedule of the prizes and the watches to be awarded are on display at Yowella's in Sanford.

## Rights-Of-Way Funds Given By State Road

TALLAHASSEE, Nov. 25 (AP)—This year, for the first time in history, the State Road Department is officially advancing money to counties to purchase rights-of-way for new state roads.

Chairman Elgin Bayless said the department has advanced a total of \$668,573 to 13 counties for purchases this year, and has received applications for about \$1,000,000 more.

The money will be repaid to the Road Department from the surplus gasoline tax receipts of the individual counties.

The department adopted a new policy this year to make advances to hard pressed counties, so as to prevent delays in starting new projects. In the past, only a few such advances have been made, and then only on an informal basis.

Counties and the advances they have received this year are: Charlotte \$120,000, Alachua \$65,000, Lake \$30,877, Putnam \$10,000, Volusia \$119,707, Duval \$44,266, Palm Beach \$109,551, St. Lucie \$35,000, Gadsden \$25,000, Nassau \$5,259, and Lee \$66,771.

Bayless said Hillsborough and Palm Beach counties have requested about \$800,000 in advances, but added they probably will not be made this year.

## ANOTHER WARNING

MARINELAND, Fla. Nov. 25 (AP)—A plea for the 70-group United States Air Force "so we can sleep at night" was made here last night by C. V. Whitney, Assistant Secretary for Air and chairman of the board of directors of Marine Studios.

He told studio officials and guests at a dinner party that "we are fortunate that we know our potential enemy. Russia is a nuclear nation and has made great strides in production of planes, tanks and other military weapons. They also have a high birth rate and a much greater population than the United States."

## TRUMAN COMING

WASHINGTON, Nov. 25 (AP)—President Truman will visit Florida in December for a brief holiday and to dedicate the Everglades National Park, Dec. 6. This announcement was made today by the White House which said Mr. Truman will fly to the naval submarine base at Key West, Dec. 5 for a few days of rest before going to Everglades on Dec. 6 to make a speech dedicating the national park.

## MEYERS' INCOME

ALBANY, N. Y. Nov. 25 (AP)—The New York State Tax Commission is investigating the income of Maj. General Bennett Meyers, commissioner Spencer E. Bates said today. Bates said the Commission was seeking to determine whether Meyers had filed proper reports of his wartime and post war income to the state.

## Committee Expected To Okey Partition; Decision In Assembly Will Be Close

LAKE SUCCESS, Nov. 25 (AP)—The plan to partition Palestine was approved late today by a vote of 25 to 13 in the 57-nation Palestine committee of the United Nations Assembly. The proposal now goes to the assembly in plenary session for a final vote with a two-thirds majority needed for adoption.

LAKE SUCCESS, Nov. 25 (AP)—Supporters and opponents of the proposal to split Palestine waged lobby campaigns for votes today, as the so-called Soviet-American partition plan neared a showdown ballot in the United Nations Palestine committee.

This behind-the-scenes activity overshadowed morning and early afternoon debate in the General Assembly's 57-nation Palestine committee on a series of amendments, many of minor importance.

The treaty most delegates agreed on was that the decisive vote by the full assembly on the plan to divide the Holy Land into separate Jewish and Arab countries would be close. Several delegates said they lacked instructions from their governments on how to vote.

The committee recessed at 1:08 P. M. (EST) until 2:30 P. M. (Continued on Page Eight)

## General Strike Of Rail Workers Called In France

PARIS, Nov. 24 (AP)—A general strike of French railwaymen was called tonight by the National Federation of Railroad Workers.

The council of the federation, affiliated with the Communist-led General Confederation of Labor, issued the call as the new centrist government wrestled with France's critical labor situation.

Infants close to the French government hinted Premier Robert Schuman might order conscription of workers in key jobs as one means of fighting the wave of Communist-led strikes now threatening France's whole economy.

The federation's national council, which controls only a small minority of rail workers, ordered its adherents to "participate immediately in the strike to make it effective and total in all centers and services."

The move was expected to halt even the intermittent train service which has been operating since individual union locals began voting to strike.

Schuman scheduled a cabinet meeting for tonight and another for tomorrow morning on the labor situation. It was reported he might make a last offer of increased wages before cracking down on strikers, who were estimated to number more than a million.

## 17 New Members Are Admitted To VFW Post No. 3282

Seventeen veterans were admitted to membership in Post 3282 of the Veterans of Foreign Wars at its meeting Monday evening at the Jaxton Hut, it was reported today by John F. Swale, post adjutant and district commander.

The new members are: Ralph Walls, Clarence A. Wynn, Earnest L. Levy, William C. Davison, Harold W. Moore, Woodrow Davis, Thurston E. Scott, George D. Rowland, E. L. Kibbick, J. Fred G. Howard, Horace Strickland, R. Lyles, George W. Harry Z. Silsby, Volney A. Williams, Jr., Timothy E. Donahue and C. J. Harrison.

J. A. Wright was appointed by Comdr. F. D. Scott as chairman in charge of arrangements for the VFW district convention which will be held here on the second Sunday in February. The future home of the Post was discussed, and a firm sound under command of William F. Thorne was organized.

Post Commander F. D. Scott reported that the post had the largest delegation present at the (Continued on Page Eight)

## More Rain And Snow Over Northern U. S.

By ASSOCIATED PRESS  
More snow and rain fell over much of the northern part of the country today but temperatures were above the zero mark in the coldest sections of the Midwest frost belt.

Light snow and rain fell across the upper Mississippi Valley eastward through the Great Lakes region, the upper Ohio Valley and into the New England states. Northern New England also reported some sleet. Fair weather was reported over most of the South.

The Dakotas and parts of Minnesota were the coldest areas today, with Fargo, N. D., reporting the lowest reading, one above, as compared to yesterday's low of nine below. The mass of cool air extended into sections of Arizona, New Mexico, southern Utah and western Colorado. Flagstaff, Ariz., reported a low of 18 above.

Federal forecasters in Chicago said there was no indication of immediate sub-zero weather for any section.

## JAIL CONDEMNED

TALLAHASSEE, Nov. 25 (AP)—The Wakulla county jail at Crawfordville was condemned as unsafe by the state cabinet today and officials of two other west Florida counties were ordered to improve hazardous and unhealthy conditions of their jails.

All Wakulla county prisoners must be moved to the Leon county jail at Tallahassee, the cabinet directed after hearing a report that the Crawfordville jail is a "fire hazard" contains old and obsolete plumbing and has no guard duty or night.

A Letter From Our Files...
November 21, 1947
Mr. Ray Slaton, Slaton Monument Company, Sanford, Florida.
Dear Mr. Slaton:
Just a note to express to you my sincere appreciation for the prompt service that I received from your company recently. In less than thirty days after our order was given, the monument was erected. Everything was handled in such a courteous, efficient, and friendly manner, and I shall always be grateful to you.
Yours very truly,

Louisiana Prices Of Farm Land Are Past 1920's Peak

WASHINGTON, Nov. 25 (AP)—Farm land prices in Louisiana surpassed the 1920 peak today, according to a report from the Bureau of Agricultural Economics today. Louisiana prices today were 116 points above the 1920 peak, the report said. The bureau's index of farm real estate prices today stood at 116 points above the 1920 peak, the report said. The bureau's index of farm real estate prices today stood at 116 points above the 1920 peak, the report said.

Hints To Housewives

By Isabelle S. Thursty, Extension Food Economist
GAME-ON-THE-EARTH
Those families are fortunate who have members with an appreciation for products of the field and forest and the ability to cook them.
Game meats with other meats, potatoes, pasta, protein food, game flavor is unlike that of domestic meat and differs with the conditions under which each creature lives. Game animals are largely vegetarians and are generally clean in habit and living conditions.

Rural Common Sense

By SPUD JOHNSON
A primary need for improving and protecting the health of Florida's rural people is the health of their animals. Like many other states, Florida does not have adequate hospital or hospital beds to provide treatment and care for farm folk who are too sick for home treatment.
So it behooves folks in rural communities to make efforts to provide for their own health care. And, happily, they have a better chance to do so than in the past. The federal government has appropriated to spend a total of \$1,000,000 annually in Florida for five years for the construction of hospitals for the communities or hospital buildings two for one. In other words, the government will provide one-third of the construction costs if the hospital or community will provide two-thirds. The money to be spent by the community must come from non-profit, municipal, or county sources.
A community that wants to expand its hospital facilities has to pay only two-thirds of the cost for doing so if its application for assistance is approved.
Folks in rural communities without adequate hospital facilities will do well to get together, study their needs, discuss plans for raising their share of the necessary money, and decide whether they can do it, and then, if they can, apply for the federal assistance.

Sanford Is Next Stop For Florida Mobile Food Handlers School Staff

Sanford is the next stop for Florida mobile food handlers school staff, according to a report from the Florida State Department of Health today. The school here is the Florida State Department of Health Unit and three state agencies: State Board of Health, Commission and Restaurant Association. The City of Sanford and the County Medical Society have endorsed the course.
Ugled to attend the Sanford school are all waitresses, bus boys, cooks and dishwashers who are employed in restaurants, cafes, bars, soda fountains, drive-in, guest homes, hotel dining rooms, and other places where food is served. The school is also open to all persons who wish to become mobile food handlers.
The course is about 80 percent practical, consisting of movies, strip film slides which read "The establishment is cooperating with the Florida State Department of Health in the mobile food handlers school," and other material.
The course is about 80 percent practical, consisting of movies, strip film slides which read "The establishment is cooperating with the Florida State Department of Health in the mobile food handlers school," and other material.

Good Conversation

The lost art of conversation can be revived, says Gelett Burgess in The Herald's Digest for December.

In an article condensed from "Your Life," Burgess explores all purely subjective talk, such as that centering on your health, troubles, domestic concerns, wife-or-husband, egotism or ridicule.

Monopolizing the conversation is ruinous; occasional "flashes of silence" make it delightful.

Differences of opinion may extend and embellish an interchange of views, but flat contradiction is a conversation-stopper.

Good listening, essential to good talk, requires "not only your ears but your eyes, hands, and even posture."

The ideal number for good dinner talk is six, Burgess holds. With more, "the conversation is apt to break up into separate side dialogues."

Studying The Orient

Along with any mention of our relationships with Oriental countries invariably comes the statement that we do not understand them.

The Carnegie Corporation evidently thinks that something can be done along this line, and has granted \$155,000 to the University of Pennsylvania.

Charles de Gaulle, leader of the powerful new right-wing people's party, cancelled a speech scheduled for Thursday.

That is a highly interesting development and supports the suggestion of this column yesterday.

Better Days For The Indian

When America was discovered, there were twice as many Indians as there are today.

These figures sound ominous for the Indian. On the other hand, the numbers have been increasing in the 20th century.

THE WORLD TODAY

By DEWITT MACKENZIE, AP Foreign Affairs Analyst

This is no time to rock the boat, but we should recognize the situation in the world.

I am especially interested that the French authorities, both government and military, are viewing with deep anxiety the political situation of the nation.

French military reserves have been called back to active duty and it is said that very shortly the army will be close to active war strength.

Cameron, Carter And Fender Given Pins By Company

Three local citizens, Arthur Cameron, C. Merritt Carter and J. A. Fender, were given pins by the Sanford Light and Power Company.

Arthur Cameron, who resides at West First Street with his wife and their daughter, Loraine, received a 20-year service pin.

C. Merritt Carter, a lineman, joined the company in 1927. He received public commendation and was presented a silver medal in 1946 by Florida Power and Light Company.

J. A. Fender, who had come to Sanford in 1947, was given a pin for his services to the company.

The pins were presented by the company's president, J. H. Phillips, who had come to Sanford in 1947.

# Seminole To Invade Leesburg For Game Tomorrow Nite

### Don Deal And Chris Jensen Named Co-Captains For TIT-5 Feds End Careers

The Seminole High School football team will invade Leesburg tomorrow night in their annual Turkey Day classic. The Seminoles will be slight underdogs as they enter the contest, but they are confident they will be heavier than the Feds and are confident they will be heavier than the Feds and are confident they will be heavier than the Feds...

FIVE ROOM HOUSE,

Bond Selling Drive

(Continued from Page One) any measure that can be taken in the fiscal field.

Snyder said increased bond sales to individuals would help restrain inflation by soaking up potential buying power.

While the Administration was pressing its request to Congress for new anti-inflation weapons, it also sought voluntary cooperation to hold down spending which it contends bids up prices.

Banking supervisory authorities appealed to the 16,000 banks to curtail "all loans for speculation in real estate, commodities or securities."

Snyder skirted any direct comment on President Truman's request for power to impose wage and price controls and rationing, if he deems them advisable.

He told the committee that total savings bonds are continuing to exceed redemptions and the volume outstanding has reached a new high of almost \$2,000,000,000.

the commodity exchange. Increased consumer credit, Snyder declared, "can be used only to bid up prices."

Turning to the plans for a bond-selling drive, Snyder said, "The Treasury Department is ready to move right away on enlarged savings bonds sales activity," with emphasis on "the present savings plan for workers and on bond programs for individuals, and especially farmers."

He added: "The important funds to obtain are the small amounts invested regularly by millions and millions of people. It is the money which is more likely to go on a spending spree that is the most important to get 'invested in savings.'"

Snyder said he has not yet decided upon the size of the goal to be set for the bond drive.

He told the committee that total savings bonds are continuing to exceed redemptions and the volume outstanding has reached a new high of almost \$2,000,000,000.

On the other side of the capital, the Senate Banking Committee cancelled a hearing today on proposals to restore consumer credit controls.

On credit controls, Snyder said it is necessary "to cover specifically by regulation such matters as minimum down payments and the maximum period over which payments may be spread on installment purchases of consumer goods in order to restrain this type of inflationary credit."

He said, too, that some restraint should be placed on inflationary bank credit and legislation should be provided to prevent excessive speculation in

Recreation Plans

(Continued from Page One) announced by Chamber of Commerce Manager Edward Higgins. Shuffelboard and horse shoe courts are being provided with floodlights, and it was decided that these will be kept open evenings for use of Club members except on Sunday evening.

Plans were made for shuffleboard, horseshoe, checker and bridge tournaments at the Club also "intercity" tournaments, said Mr. Armitage. Boat rides and picnics are also planned.

It was decided to request those attending the covered dish supper to either bring a food combination or to donate 50 cents each toward the cost.

The Colored Welfare League of Goldboro, Chief of Police Roy G. Williams was asked to reinstate Willie Sutton, negro patrolman in the Goldboro area, after 30 days of his suspension has expired.

Sutton was suspended following complaints that he used undue force in arresting a negro. An increase in gas rates by the South Atlantic Gas Company was approved by the Commission following a study of rates in cities of like size in Florida by City Manager Sawyer.

The City declined W. G. Killen's request to increase inspection days or afternoon from two to five a week for the reasons that due to the small amount of inspection of meat in the City, also the fact that present costs exceed fees \$110 a month, any arrangements that butchers may make with Dr. Raymond Bass, meat inspector are agreeable to the City, said Commissioners.

Employment of J. S. Lee as a member of the Fire Department to replace C. A. Anderson, who recently resigned, was approved. Reassignment of Ralph Geiger and Paul Trued as members of the police force as of Dec. 1, was approved.

Due to the water soaked condition of the City Hall walls, painting and water proofing of the building was ordered. It had not been repainted since 1935.

Senator Connolly

(Continued from Page One) fails to reach agreement. Vandenberg suggested the same policy a month ago. Both senators have served as advisers at previous council meetings.

Defining the relief bill as an American "must," Connolly said the United States cannot sit by and permit the peoples of France, Italy and Austria to be forced into Communism because of hunger and cold.

Leaders called the Senate into session an hour earlier than usual in order to push ahead with the debate. They hope for a final vote by tomorrow night.

Several moves were underway, however, to make changes in the measure reported by the foreign relations committee and disposal of these may delay a final vote until after Thanksgiving.

One, reportedly gaining headway, is a proposal by Senator Hall (R-Minn) to keep in American hands all buying for foreign relief.

Connolly told the Senate that Russia and its satellite states object to the emergency relief proposal, "seeming to prefer friction and chaos in the relations of the people of the earth."

He asked why the Soviets should be concerned with the proposal, replying to his own question: "It is because they hope in the confusion and chaos and suffering and uncertainty that accompany physical distress and hunger and hardship, that the political intrigues and the ideological concepts of Communism will seize upon the imagination of the distressed and suffering."

Connolly said the fate of countries which fall under the domination of Russia "ought to be known of all men."

"In Bulgaria, Petkov, because he opposed the government, forfeited his life. In Hungary, Nagy, premier, fled to the United States in fear of his life. In Poland, Mikolajczyk, formerly holding honorable and high positions in the government, fled before the terror of Communism. In Romania, Manu, a former premier, languishes in a prison cell."

Ship Wreck

(Continued from Page One) of messages sent in an effort to establish contact.

The stricken vessel's long silence since she went aground on a reef off Graham Island, in the Queen Charlotte group approximately 140 miles southwest of Ketchikan, may mean:

(1) The transport ripped off her bottom and went down; (2) heavy seas caused her to break up; (3) the 49 crewmen aboard have abandoned ship, or (4) a smashup put her power plant out of commission.

The Clarkdale Victory, a cargo vessel, was not carrying any passengers.

Capt. Gerald R. Laugeson of San Francisco, the skipper, said in his distress call that huge swells were pounding his ship and immediate assistance was needed.

An hour later the British Columbia weather bureau at Vancouver, B. C., warned that gale winds up to 45 miles an hour were expected in that area this morning, subsiding to 20 miles an hour by mid-afternoon. Rains and fog also were forecast.

First rescue vessel due on the scene is the Alaska steamship company's S. S. Denali, expected to arrive off Graham Island about 8:30 A. M. today.

The Denali, a passenger-freighter, was in the mouth of the inside passage just south of Ketchikan when it swung off course and headed at full speed for the Clarkdale Victory.

The cutters Wachusetta from Juneau and Citrus from Port MacArthur will not be able to reach the transport until hours later.

The Coast Guard said early this morning the Citrus had reported she could not get to the area until 7 P. M. instead of 4 o'clock as first estimated. No recent report has been received on the Wachusetta's running time, but she is not expected to arrive there until late afternoon.

The Clarkdale's SOS also was picked up by the General Omar Bundy, an Army transport due in Seattle Wednesday with 2,000 troops from Yokohama.

Orders were issued by the Army, however, for the Bundy to proceed here rather than risk heading into the storm area with her heavy load of passengers.

Railway Strike

(Continued from Page One) million even before the railwaymen's action.

Rome, Nov. 25 (AP)—A Christian Democrat and a Communist youth were slain last night in the southern province of Calabria, signaling resumption of the violence which has plagued Italy for two weeks.

Big Four Meet

(Continued from Page One) plan-backed campaign to embarrass Bidault and discourage western cooperation with the Marshall recovery plan.

A British informant said Bevin and Molotov had a "very friendly" meeting last night and agreed that unanimity is of "the very highest importance" to the future of the world.

Press dispatches from Berlin and reports from the Moscow radio told of Soviet propaganda barrage against American and British policies in Germany, with emphasis on Russia's demands for a direct hand in control of the Ruhr, key German industrial center in the British occupation zone.

These Russian demands are expected to present a major issue here in connection with the Big Four efforts to work out a formula for the economic and political unification of Germany.

The first problem for the conference was agreement on a program of work. Marshall and Bevin preferred to give priority to Austria. Russian negotiators, in preliminary planning, opposed this.

Associates said that what Marshall and Bevin wanted, mainly, was an agreement that, if the conference bogged down on one issue, it would move quickly to another.

Both Marshall and Bevin were represented as entering the meeting with a "let's get down to business" attitude.

American sources said Marshall went into the session with an open mind and a willingness to do business.

Uniformed police guarded the bomb-scarred walls of Lancaster House, a former ducal palace. Plain-clothesmen of Scotland Yard's famous special branch guarded the halls and mingled with the crowd outside as the ministers and their advisers arrived.

Hundreds of onlookers had gathered along the street when Molotov arrived. He was the first of the statesmen to appear. Marshall drove up last.

Molotov's limousine flew from its hood the hammer and sickle of the Soviet Union. He was cheered loudly. He hastened into Lancaster House without recognizing the crowd.

His first notice when he drove up directly behind Molotov. The crowd apparently did not recognize him.

United Nations

(Continued from Page One) There appeared little doubt that the partition plan would be approved by the committee, where a simple majority of those present and voting was required.

The plan, however, must be voted on later—probably tomorrow—by the same 57 nations in plenary session at Flushing Meadow Park and there it must get a two-thirds majority for approval.

Among the amendments approved this morning was one submitted by the United States transferring two chunks of territory from the proposed Arab nation. One was a wedge-shaped extension of the Arab territory southwest of Jerusalem to include the village of Beersheba. The other was a narrow strip along the Egyptian frontier about 50 miles long.

The committee rejected a Pakistan amendment which would have discarded all the drafted boundaries of the two proposed countries established a special commission to work out new borders.

The committee already had beaten down an Arab-country proposal to make Palestine into a "unitary" (Arab majority) nation.

BAQUIO, P. I., Nov. 25 (AP)—Russia lost its first vote today to eliminate consideration of working relations with Korea from the agenda of the United Nations Economic Commission for Asia and the Far East (ECAFE).

The proposal by Soviet Chief Delegate Alexander Stetsenko to eliminate the item was voted down 9 to 2. The Japanese delegate was not allowed to vote pending a decision later in the day on whether to recognize the representative of Siam's new government.

Siam's loss by a similar vote a proposal not to consider working relations between ECAFE and the office of special commissioners in southeast Asia.

The Russians were successful, however, in tossing out—by unanimous consent—a note from occupation headquarters in Japan relating to its economic objectives there.

with a concerted initial assault against the Christian Democratic government of Premier Alcide de Gasperi. Nearby Apulia province was similarly afflicted last week.

The ministry of interior said the Communist was slain when carabinieri were compelled to use their guns to cope with the disorder. Dispatchers said the disorder was touched off by the killing of a Christian Democrat by a Communist.

HAMBONE'S MEDITATIONS

Taft-Hartley Act

(Continued from Page One) than 1,500 AFL printers employed by Chicago's six daily newspapers were on strike today but spokesmen for the newspapers said publication would continue uninterrupted.

The strike became effective at 9 o'clock last night but the three morning newspapers, the Tribune, the Sun, and the Journal of Commerce, already had published early Tuesday morning editions.

The three afternoon dailies, the Daily News, the Herald-American and the Times, planned to have normal size editions on the street at the regular time, spokesmen for the newspapers said.

All of the dailies planned to publish by means of typewritten copy reproduced by a photo-engraving process. The strike is confined to the newspapers' composing rooms.

The union planned "token picket lines." Early there was no disturbance at any of the newspaper plants.

Spokesmen at the three afternoon dailies said operations in getting out the first edition were "going along nicely." The Times, which like the Sun is of tabloid size, planned to publish a 30 page edition whereas under normal conditions a 52 page would have been printed. The News planned an edition of 34 pages, "about normal," and the Herald American "at least 30 pages, also about normal."

Lambs, which develop "sway-back" disease are believed to lack copper in their diet.

ADDITIONAL SOCIETY

(Continued from Page 5) Former Local Citizen Writes Georgia Novel

"Georgia Clay" described by the author as a "sensitive" novel of simple, hard working, earthbound people, trapped in an endless struggle for a mere existence, and written by Hazel Higgins, former Sanford resident, is scheduled for publication next spring. Hazel Higgins, the daughter of the late news writer, T. R. Higgins, is Mrs. Sidney Gohay and they now live in Jacksonville.

Mr. and Mrs. Gohay have owned a large farm in Georgia, and it was during visits to the farm that Mrs. Gohay got the inspiration for her novel, during the writing of which she got valuable aid in the matter of criticism from her father, prior to his final illness.

The novel concerns the MacLindin, a numerous family of Alabama sharecroppers who migrate to the cattle raising country of Georgia where they meet the four hour history of "Old Man Yerkins."

"Georgia Clay is a heart warming story which throws a bright light upon the injustices of the semi-feudalism that America still tolerates," states the reviewer.

Mrs. Gohay recently wrote that they had moved into their new Jacksonville home at 1928 Hendricks Avenue and stated that they hope to visit Sanford in the near future.

Also endorsed, said Comdr. Scott, was the designation as a War Veterans Highway of the cross state road from Crystal River to Indian River City. It will be up to the Legislature to approve the title.

A resolution was passed, said Comdr. Scott, commending the personnel at Bay Pines Hospital for the splendid help rendered to veterans of this area who were confined there. General Omar Bradley was commended for his aid to the hospital situation.

Comdr. Scott also reported that at the Orlando meeting instructions were given to telegraph Florida senators and representatives to vote for HR 66 raising the benefits of veterans attending college.

Dec. 8, Pearl Harbor Day, was set as the next meeting date of the local Post. A program for the burial of war dead returned here from overseas was decided upon.

Rev. Kyle Bryan To Assume Sanford Post

Rev. Kyle Bryan arrived in Sanford on Saturday with his family to assume his new duties as pastor of the Church of God. The church is located on the corner of Fifth Street and Holly Avenue. Rev. Bryan is an ordained Bishop with the Church of God and has spent the past two years at Chokoloskee Island. Rev. Bryan will succeed the Rev. Paul Yates who has been in ill health for the past year.

The Brazilians call the Amazon the "sea river."

**THE WEATHER**  
Mostly cloudy through Thursday with occasional rain with a few thundershowers tonight and Thursday. Little change in temperature.

## U. S.-Russian Plan For Palestine Is Given Setback

**Greece, Philippines Line Up Against Partition As Vote Nears In Assembly**

NEW YORK, Nov. 26 (AP)—The "Soviet-American" proposal to partition Palestine received a critical setback today as the Arab opposition picked up additional strength in the final round of United Nations Assembly debate.

Two countries joined the 13 already committed against the plan to cut up Palestine into jagged Jewish and Arab nations by next Oct. 1.

The newly announced anti-partitionists were Greece and the Philippines.

Partitionists failed to show any gain in strength in the Assembly's forenoon session but they may pick up some advantage through the absence of Siam, which yesterday voted against partition in the Assembly's 57-nation Palestine committee.

The plan was approved yesterday in the assembly's Palestine committee by a vote of 25 to 12. On a "straw-vote" basis this was one short of the two-thirds majority needed for final approval in plenary session.

The two-thirds majority is based on those present and voting either for or against. Absentees are not counted in the total number voting.

Usually reliable sources said the opponents of partition will pick up an additional vote from Lithuania.

## Move Is Made To Whittle Down Aid To Europe Plan

**\$108,000,000 May Be Cut From \$597,000,000, Truman Asked**

WASHINGTON, Nov. 26 (AP)—A move to whittle down the \$597,000,000 European aid program developed in the Senate today and threatened plans of leaders for speedy passage.

Senator Wherry (R-Nebr.) said "some younger senators" are considering offering an amendment to cut back the Senate bill by \$108,000,000, the same amount amount tentatively stricken out by the House Foreign Affairs Committee.

Wherry told reporters he anticipates this attempt will fail and the Senate "will pass this overwhelming."

On the House side of the Capitol, fresh prospects cropped up of delay in final action on the program.

Chairman Taber (R-N.Y.) said it probably will be Dec. 4, at the earliest before the House Appropriations Committee can even consider appropriating emergency aid for France, Italy and Austria.

Taber told this to reporters after a conference with President Truman.

After cutting \$108,000,000 from the \$597,000,000 the Administration asked for France, Italy and Austria, the House Foreign Affairs Committee added \$60,000,000 for China.

The measure before the Foreign Affairs Committee simply authorized the aid.

## Two Cabinet Officers Ask For Controls

**Harriman And Anderson Say Government Needs Power Over Steel, Grain**

WASHINGTON, Nov. 26 (AP)—Two cabinet officers told Congress today that in view of the proposed foreign aid program the government should have power to say what use is made of the nation's steel output and grain crops.

Secretary of Commerce Harriman and Secretary of Agriculture Anderson testified before separate legislative committees in support of President Truman's economic program.

Both backed his request for authority to restore price controls and rationing, if he decides they are needed.

On allocations, Harriman told the Senate-House economic committee there should be "limited powers" to direct steel to the "most essential programs" and he added that "more far reaching proposals" are being prepared.

Broadly, allocation would permit the government to say how much of any particular commodity is used for a certain purpose. How much steel, for instance, the automobile industry would be allowed to use.

Anderson was before the House Banking Committee. As to needed allocation in the farm and crop field, he told it:

"In order that we may be prepared to meet the needs of our people."

## No Provision In Judge Fish Will For Contributions

**Public Support For Jaycee Campaign Is Seen As Essential**

There are no provisions in Judge Fish's will for contributions to existing hospitals and no prospect for immediate construction of the Fish Memorial Hospital, trustees of the Fish estate revealed today as they expressed the hope that the response to the Junior Chamber of Commerce drive for memberships to the Fernald-Laughton Hospital, Association would not be adversely affected.

The statement of the trustees released for publication is as follows:

"In view of the efforts of the trustees to carry out the wishes of Judge Fish, it is regrettable that no provision was made in his will for contributions to existing hospitals and no prospect for immediate construction of the Fish Memorial Hospital, trustees of the Fish estate revealed today as they expressed the hope that the response to the Junior Chamber of Commerce drive for memberships to the Fernald-Laughton Hospital, Association would not be adversely affected.

## Automobile Production Expected To Fall Below Estimates For '47

DETROIT, Nov. 26 (AP)—If the nation's car industry maintains its current level of production it will come to the end of 1947 with a total output for the year of 3,599,000 passenger vehicles and 1,226,000 commercial units.

This will be considerably below what is expected to turn out in its record postwar year.

When the car factories swung into 1947 there were many predictions the year would see 5,000,000 passenger automobiles come from the assembly lines.

Year ahead material shortages would disappear after July, and would start rolling out of the factories at record levels for the final half of the year.

These predictions were not realized. Material shortages dogged the car makers through the third quarter and well into the final weeks of the year. Only in the last few weeks has output attained anything like the level needed for top assembly operations. Oddly enough it has been maintained despite precariously low stockpiles of essential car components.

As was the case earlier in the year the car makers have had to resort to emergency measures in several instances to keep the flow of parts moving into the factories. In some cases vital parts have had to be brought from suppliers to assembly plants by air cargo planes.

One of the things that stand out as the industry nears the end of what, in normal times, would be a healthy year's output is the fact that many of the cars are being produced in plants that are still under construction.

## France Expels 19 Reds For Activity In Internal Crisis

PARIS, Nov. 26 (AP)—The Ministry of the Interior announced today the expulsion from France of 19 Russians for "interference in French affairs" during the current labor crisis, which erupted in new violence as police and strikers battled in the streets of Lyon.

The announcement identified the Russians as members of the "Soviet patriotic union" and they included the president, treasurer and two secretaries-general of the organization. The 19 were taken by bus to an unstaffed frontier and put across the border, the ministry said.

In Lyon police used tear gas to break up a strikers' march on the prefecture after a Communist labor rally called by the Communist-dominated General Confederation of Labor Unions.

## Chiang's Party Is Predicted To Win In China's Voting

SHANGHAI, Nov. 26 (AP)—Unofficial estimates from larger cities of China today bore out early predictions that Chiang Kai-shek's Kuomintang (Government Party) will win in the national assembly elections.

Among the top ten elected in Shanghai were six Kuomintang men and one member of the minor Young China Party. The remainder were non-partisans. Candidates of the small Democratic Socialist Party ranked 31st and 30th.

The independent newspaper Ta Kung Pao said about 600,000 votes were cast in Shanghai out of a possible 1,800,000. This reflected the general lethargy which greeted Chiang's first Democratic Party victory in history.

Two slayings were reported. At Foting, across the river from Shanghai, ruffians who made off with ballot boxes killed Su Chu-miao, a member of the peace committee.

## 7 Below Reported In North Dakota

By ASSOCIATED PRESS  
Temperatures dropped to below zero in parts of the Midwest and hit new seasonal lows in some sections today as cool weather continued over a wide area.

The mercury touched 7 below at Grand Forks, N. D., and 6 at Pembina, N. D., and was below zero in parts of northern Minnesota. The mass of cool air extended, with temperatures moderating, into the East coast and parts of the Southeastern states.

The mercury was generally below freezing in most sections of the Midwest. Chicago's 18 above was the lowest mark this season.

Temperatures were near normal in southern Florida, most of Texas, in the West Plains states and in the Missouri River Valley. There was some rain along the Washington coast.

There were snow flurries in many sections over the Great Lakes region, the St. Lawrence Valley, the northern Appalachians and in the Missouri River Valley into western Illinois.

Miami's 84 was the highest reading on yesterday's weather map.

## Meeting Is Held By Pilot Club At Tourist Center

A report of the finance committee of the Pilot Club given at the meeting of the club held in the Tourist Center last night revealed that approximately \$50 had been realized from the bridge party sponsored by the club on Thursday evening.

Plans were made to give another party for the tourists in the near future. A letter of appreciation for the \$10 donation to the Children's Home Society in Jacksonville was read as was one from the Tuberculosis Association of Seminole County for the \$10 contribution from the club.

It was announced that the December business meeting will be held in the Vocational Building on the third Tuesday instead of the fourth Tuesday, as in the custom. The annual Christmas will be held in the Tourist Center on Dec. 9 at 6:00 P. M. All those interested are invited.

## Santa Claus Will Arrive On Dec. 6 For Xmas Parade

Santa Claus will arrive at the Municipal Pier on Saturday, Dec. 6, to take his place as guest of honor in the Christmas Parade which begins at 10:30 A. M. He will be brought to the pier by the "Frenchman's Bay," the charter cruiser operated by Walter Leiland, and will immediately transfer from his float for the parade through town.

The parade will move from the pier south on Park Avenue to First Street, east on First Street to Sanford Avenue, south on Sanford Avenue to Fifth Street, west on Fifth Street to Park Avenue, north on Park Avenue to First Street, east on First Street to Fort Mellon Park. At Fort Mellon Park Santa will leave the float and hold court at the Tourist Center. Free gifts of candy will be given to all children.

Children living in Seminole County, outside Sanford and in Osteen are again reminded that a beautiful watch and \$125 in cash prizes are reserved for them.

## Gun Running Trial Nearing Conclusion

AUGUSTA, Ga., Nov. 26 (AP)—Testimony of a Navy machine gun thief trial in U. S. district court neared an end today after stretching all the way to Latin America and embracing reports of two revolutions.

Charged with taking the guns to the Karl Eisenhardt of Filicott City, Md., Edward Browder, Jr., of Amarillo, Tex., J. Meredith Russell of Baltimore, and Manuel L. Puga of Miami, Fla.

Eisenhardt and Browder, who were on the stand yesterday, testified that instead of being stolen from nearby Blush Field as weapons were bought and paid for with funds of the Dominican Republic.

They said the weapons are intended to help the Dominican government thwart a Communist insurrection threat stemming from Cuba and financed from Venezuela.

## Kiwanis Club Is Entertained By Dave Shannon

Kiwanians were today entertained at the Tourist Club with the music of Little Dave Shannon and his Arizona Wranglers who were introduced by F. Husky Wright.

Fred Wilson read an expression of sympathy sent by the Kiwanis Club to the bereaved family of the late Roy Green who was an active member of the club.

An invitation to members of the club to attend Union Thanksgiving services at the First Baptist Church Thursday morning was extended by the Rev. J. E. McKinley.

Harold Kestner announced that a poll of members showed that the majority were in favor of holding a dance in the near future. Guests were: Charles Heery of Chicago, Jeff Johnson of Orlando, Col. Sherman Harriman and Charles Lansing of the Key Club.

## Catholic Conference Ends With Youth Day

LAFAYETTE, La., Nov. 26 (AP)—The National Catholic Rural Life conference will close here today with an observance of "Youth Day" to be marked by celebration of Piffitt's mass.

Bishop William T. Malloy, of Covington, Ky., will be the celebrant. He will be assisted by a choir of more than 1,000 children.

Yesterday the conference heard a Protestant proposal that the church take the initiative in promoting balance between agriculture and industry in underdeveloped regions.

## Trial Over Bender's Death Begins Today

The trial of Frederick George, charged with manslaughter in connection with the death of L. C. Bender on Oct. 25 by reason of being hit by a truck driven by George on West First Street on the evening of Oct. 25, was started this morning after a jury was chosen in Circuit Court. Yesterday two panels of jurors were exhausted and no jury could be selected then.

Dr. Leonard Munson, the first witness on the stand this morning testified that Mr. Bender died as the result of a fracture at the base of the skull.

Dewey Lecker, owner of the ditched truck that Patrolman Bender was investigating when the accident happened, was the second witness put on the stand by Assistant State Attorney George A. DeCotton who with State Attorney Murray Overstreet conducted the prosecution. Attorneys L. F. Boyle and G. W. Spencer represented the defendant. Jurors were taken to view the scene of the accident this morning by Sheriff P. A. Nero.

## Mayor Of Boston Released From Jail By President Truman

WASHINGTON, Nov. 26 (AP)—President Truman today commuted the federal mail fraud sentence of Mayor James M. Curley of Boston, providing for his release today from the Federal Correctional Institution at Danbury, Conn.

The commutation provides that Curley's sentence has been commuted with the five months he has served of a six to 18 months sentence on a mail fraud conviction.

Mr. Truman also commuted the sentence of Donald Wakefield Smith, a former member of the National Relations Board, who was convicted on the same charge. Smith had been sentenced to a term of from four months to one year and a day.

The commutations mean that both Curley and Smith will be released in time to spend Thanksgiving with their families.

## Landlord Subsidy Proposed By Solons

WASHINGTON, Nov. 26 (AP)—Government subsidies for landlords to help pay further rent boosts were proposed today by Senators Taylor (D-Idaho) and Buck (R-Dal.).

"If we want reasonable rents and extension of rent controls," Taylor, told a reporter, "we shouldn't force landlords to foot the bills as we are doing now in many cases."

"We should subsidize them. And why not. Everyone else is up to his armpits in the profiteering gravy bowl."

## New Printing Method Is Tried Out By Strike-Bound Chicago Dailies

CHICAGO, Nov. 26 (AP)—Chicago's six big daily newspapers, confronted with a strike by printers, are tinkering with new ways of publishing a newspaper—and are meeting most editions.

Walk into any of the plants and the meaning of the strike, insofar as the mechanics of putting out a newspaper are concerned, comes to you by ear.

The soft click-click of typewriter keys has replaced the heavy clanking of linotypes at the Tribune, the Sun, Journal of Commerce, Daily News, Herald-American and the Times.

Girl typists from the newspapers' business offices have replaced members of the striking Local 16 of the Chicago Typographical Union (ATL).

The girls can't do the same job the printers did but they

## Oil Shortage Threatened

NEW YORK, Nov. 26 (AP)—Threat of an east coast fuel oil shortage, induced by a dearth of shipping facilities, were eased last night when the U. S. Maritime Commission announced approval of the sale of 27 liberty type tankers to oil transportation companies.

The vessels, owned by the commission, can carry 10,000 tons of oil. Twenty-four others of the same type also will be sold as soon as processing can be started, the commission said.

## Biting Reveals Progress Here In Chamber Of Commerce Report

Deepening of the St. Johns River channel to 12 feet, dredging work of which has already started and which should be completed next summer was termed the most important project of the Seminole County Chamber of Commerce by W. V. Biting, retiring president, in his annual report issued today.

Among the other outstanding accomplishments listed by Mr. Biting are: The Greyhound Bus Terminal on Commercial Avenue; Re-opening of the St. Johns River channel to 12 feet, dredging work of which has already started and which should be completed next summer was termed the most important project of the Seminole County Chamber of Commerce by W. V. Biting, retiring president, in his annual report issued today.

Among the other outstanding accomplishments listed by Mr. Biting are: The Greyhound Bus Terminal on Commercial Avenue; Re-opening of the St. Johns River channel to 12 feet, dredging work of which has already started and which should be completed next summer was termed the most important project of the Seminole County Chamber of Commerce by W. V. Biting, retiring president, in his annual report issued today.

## French Plan Is Accepted By Big Four

**Austrian Peace Pact Is Placed At Top Of Ministers' Agenda; Germany Is Second**

LONDON, Nov. 26 (AP)—French sources said the foreign ministers council agreed today to place the Austrian treaty at the top of their agenda.

The council approved the suggestion made yesterday by French Foreign Minister Georges Bidault Austrian treaty and then sent it to take up the question of the treaty in their deputies, who are considering an accord in the light of French proposals on the German assets issue.

At the same time, the council placed the preparation of a German treaty, including frontiers and procedure, second on the agenda.

The meeting today will last, occupying but two of the three scheduled hours.

The foreign ministers of the United States, Russia, Great Britain and France are to begin German peace treaty discussion tomorrow.

Under the French compromise, solving an initial dispute between the western powers and Russia on whether to consider first the question of treaties with Austria or Germany, the Austrian treaty nominally takes its place at the top of the list.

The real question will be given initially to German issues, as the Russians insisted.

The French proposal, which the deputies are now to consider, is to allow the Austrian government to negotiate directly with each of the Big Four powers as to property within the Austrian occupation zones can be considered.

## 12 Men Search For Shipwreck Victims On Coastal Island

KETCHIKAN, Alaska, Nov. 26 (AP)—The Coast Guard reported today it had found four men alive and three dead on the wreck of the Army transport Clarkdale Victory, which was smashed on the rocky beach of Hlipa Island.

The fact no survivors have been found, he said, "does not necessarily mean there are none. The island is heavily wooded."

The newspaper said the Coast Guard had two cutters at the scene of the wrecked ship which split yesterday. In all, he said, 25 to 30 men will be put ashore to search for the 61 persons who were aboard the ill-fated ship which foundered in rough seas.

Comdr. Jensen said there was a possibility that the missing stern of the ship had floated away, carrying some of the men aboard the ship.

Two Coast Guard amphibian planes and two Royal Canadian amphibian planes were to scour the calving seas.

## Stores Will Close On Thanksgiving Day

Stores and places of business, municipal and county offices will be closed for Thanksgiving Day. The Post Office, scheduled to close this noon, will not be reopened until Friday morning. The Herald will not be published on Thursday.

Union Thanksgiving services will be held at 9:30 o'clock Thursday morning at the First Baptist Church under direction of the Sanford Ministerial Association. The sermon will be given by the Rev. Douglas Charles, assistant pastor of the First Presbyterian Church. The Rev. Glenn Smith, president of the Association, will preside.

The Sanford Vocational School will broadcast a Thanksgiving play over Station WTRR at 8:30 o'clock.

## NIKOLAJCZYK HERE

NEW YORK, Nov. 26 (AP)—Stanislaw Mikolajczyk, Polish anti-Nazi Party leader who fled Poland for England recently, arrived by plane today from London. He was accompanied by three former officials of the peasant party.
