Home Demo Work Set On Basis Of State Rules

Home demonstration work as part of the Agricultural Extension Service is organized on a state basis, with headquarters at the Florida State University.

Offices are located in county seats of 62 of Florida's 67 counties. It is an adult and youth educational service to thousands of Florida families.

The state home demonstration agent directs, under the guidance from FSU in Tallahassee. One assistant agent, four district advice directors, the state program of the Agricultural Extension Service and ten specialists serve on the State Home Demonstration staff.

A junior and senior home demonstration club program functions in 62 counties in Florida. There are 1,337 clubs with a total membership of 31,601. In 1954, 8,480 adult leaders gave demonstrations in home industry, marketing, clothing, family life education, food and nutrition, food production and conservation, health education, home improvement, and 4-H girls club work.

Appropriations were granted for work in three additional counties in 1954, making a total of 62 counties with home demonstration programs.

Farm and home development work has been added to the program this year. Eight counties — Columbia, Hamilton, Jefferson, Leon, Washington, Holmes, Okaloosa and Santa Rosa — have been named as pilot counties.

Miss Myrtle Wilson, county home demonstration agent, meets with the eight home demonstration clubs each month, and has 18 4-H Girls Clubs organized in the different schools, and has regular monthly meetings in the schools with them.

Home demonstration clubs are having their annual achievement day today at the County Home Demonstration Center, 401 E. 25th St., to which the public is invited.

Circle No. Five Attends Luncheon At Last Meeting

Twenty-three ladies from Circle No. Five of the WSCS of the First Methodist Church attended a luncheon recently at the lovely home of Mrs. E. B. Crumley on Silver Lake.

The last meeting of the year, it was opened with a devotion by Mrs. L. B. Clark. Mrs. E. G. Harriman, secretary, reported that the Circle had exceeded its quota for the year after which Mrs. J. N. Assarville gave the sunshine report.

Mrs. Crumley asked everyone to attend May Fellowship Day Friday at 3 p. m. at the Congregational Church. On May 16 a business meeting with a covered dish luncheon will be held at the church at which time names will be drawn for the new circles and life memberships will be awarded.

Mrs. A. E. Reinholser gave an interesting talk on "Harry and Martha" from the book "The Master Call" by Lady Hosi.

Mrs. Crumley was given a lovely silver steak tray and Mrs. Reinholser a reversible card table cover by the circle for their outstanding work.

Those attending were Mrs. F. E. Adams, Mrs. L. A. Anderson, Mrs. J. N. Assarville, Mrs. C. F. Brannan, Mrs. J. W. Brown, Mrs. John Clark, Mrs. B. E. Crumley, Mrs. W. F. Fields, Mrs. E. A. Putrell, Mrs. S. G. Harriman, Mrs. Ray Herron, Mrs. E. D. Kirchhoff, Mrs. Louise Knowles, Mrs. J. O. Lany.

Mrs. W. B. Nicholson, Mrs. A. M. Remusat, Mrs. Octavia Rumley, Mrs. Robert Reely, Mrs. M. E. Strickland, Mrs. A. E. Shindler, Mrs. Leola Thompson, Mrs. G. G. Waite and Mrs. T. B. Byrd.

Mothers Honored At Special Program In Chapter Meet

Seminole Chapter No. Two of the OES met in the Masonic Hall Thursday evening with Mrs. Virginia Anderson, worthy matron, presiding.

A Mother's Day Program was presented and eight Rainbow girls entered wearing large bows of satin ribbons. Four of the girls wore red bows representing the living mothers and four white ones representing the dead.

The girls stood before the worthy matron as all the mothers in the organization stood after which they were presented carnations during a short ceremony. Mrs. Joe Corley was soloist.

Those participating were Miss Harriett Redding, Miss June Jennings, Miss Margaret Ellison, Miss Peggy Lundquist, Miss Sandra Lee, Miss Amoret Speir, Miss Irma Jean Corley and Miss Betty Davis.

Mrs. James Davis was initiated into the chapter as a new member. A short memorial was held in honor of the late Mrs. Clara Ginn, a member of the chapter.

The room was beautifully decorated with spring flowers consisting of gladioli and Easter lilies. Mrs. Augusta Biltrey was chairman of the refreshment committee.

Circle No. Three Is Entertained By Mrs. C. Brown

Circle No. Three of the First Methodist Church met recently at the home of Mrs. E. B. Smith in Loch Arbor. Mrs. Charles Brown entertained the group with an accordion solo, "Dream of Heaven."

It was announced that the last monthly meeting of the year would be a covered dish.

Those present were Mrs. Charles Brown, Mrs. Price Heard, Mrs. J. F. McClelland, Mrs. C. F. Mims, Mrs. R. F. Robinson, Mrs. Raymond Shults, Mrs. E. B. Smith, Mrs. Russell Tench, Mrs. Nellie Vaughan.

UNION LEADERS ARE DODGING THE ISSUE IN THE TELEPHONE STRIKE

They are issuing a lot of misleading statements about the company's position on arbitration.

These statements don't check with the facts.

Look at these facts --

Ever since we've had a contract with the union, the true intent and meaning of every provision of every agreement between the company and the union has been subject to arbitration.

BEFORE THE STRIKE STARTED

Southern Bell proposed that any disciplinary action resulting from violations of the no-strike clause demanded by the company would be subject to arbitration.

Before the strike started, Southern Bell proposed that all suspensions of employees, regardless of the cause, would be subject to arbitration.

In spite of what union leaders have said, the truth is that before the strike started, Southern Bell proposed full and complete arbitration on every type of discipline that could be imposed under the new contract.

In fact, not only all discipline but practically every other item in the new contract proposed by the company before the strike started was made subject to arbitration. The only items on which no arbitration is available under the company proposal are the pension plan, leaves of absence, company compliance with health, safety and fire protection laws and demotions and discharges during trial periods — matters which the union and the company have agreed over the years in collective bargaining should not be left to the final decision of an arbitrator. This is all a responsible union should want.

BUT THIS UNION WANTS STILL MORE

They are going so far as to demand that an arbitrator be called in now to decide what the terms of the new contract shall be. He would, in effect, write a whole new contract and his decision would be final. There his responsibility ends.

Southern Bell's management is charged with the sole responsibility for providing communications services in the area the company serves. It cannot surrender that responsibility to others. Our obligation under the law cannot be delegated. We must retain the right to make the final decisions essential to the sound and effective management of this public service.

The issue in this strike is simple and clear—Will union leaders live up to a contract once it is signed?

Southern Bell guarantees good wages, good working conditions and other contract benefits. In return it asks only that union leaders agree not to disrupt service to the public by strikes while the contract is in force.

This they refuse to do on any reasonable basis. They still demand the right to call workers off the job whenever it suits their purposes, while the contract is in effect. They want the contract to be binding on the company but not on the union.

American Jets Down Two Migs During Attack

TOKYO (AP)—American Sabre Jets, jumped by Communist MIGs between North Korea and Red China, shot down two of the Russian-built jets and probably destroyed another this morning, the Air Force announced.

The dogfight started over international waters of the Yellow Sea, the Air Force said, when eight Sabres were attacked by 12 to 16 Communist fighters.

All the Sabres, on a patrol mission, returned later to their Korean bases.

The fight area was about 50 miles southwest of the mouth of the Yalu River, boundary between North Korea and Red China. Communist China has a large air base at Antung, and North Korea at Sinuiju, on opposite banks of the Yalu.

The Air Force gave no clue on the nationality of the MIGs, used by the air forces of North Korea, Communist China and Soviet Russia.

An Air Force announcement said the MIGs fired first. It said the Sabres, from the 35th Squadron of the 4th Fighter-Bomber Wing, returned the fire. Two Communist planes were last seen diving straight down trailing smoke.

It was the third almost identical incident in the same general Yellow Sea area in 10 months.

Due to the lack of a quorum, the meeting last week of the Sanford Theatre Guild was postponed.

George Dubba, president, has announced that another effort will be made to get enough interested persons together to meet Wednesday at 8 p. m. at the City Hall Auditorium. He urges all Guild members and any other interested persons to attend.

"Cheaper by the Dozen" will be presented in the BHS auditorium tonight at 8 p. m. as the annual Senior Class play. Mrs. Nellie Coleman is the director. Tickets may be bought at the door.

Mrs. Lorraine Graham, executive secretary of the Seminole County Tuberculosis and Health Assn., announced today that the office will be closed Wednesday through Saturday while she is in Miami attending the annual conference of the Florida TB and Health Assn. The meetings will be held in the McAllister Hotel.

The Board of Directors of the Chamber of Commerce will meet at 8 p. m. today in the Commissioners' room at City Hall.

Underwater Blast To Go Off Soon

WASHINGTON (AP)—Seeking new tactics for defense against submarine attack, U. S. military scientists will set off in the Pacific within a few days the second known underwater atomic blast.

A terse announcement yesterday said only that a "small yield nuclear device" will be exploded in a few days in the eastern Pacific "several hundred miles" from the closest land area off the West Coast.

The explosion location will be "completely clear of fishing grounds and shipping lanes," said the announcement from the Atomic Energy Commission and the Defense Department. It added there will be no hazard to persons on the mainland or any islands in the eastern Pacific.

Teachers Are Told To Change Figures

Auburndale Principals Tell Board
Move Was Made For Good Of Pupils

BARTON (AP)—Two Auburndale school principals told the county school board yesterday they instructed teachers to change attendance figures in certain instances.

They denied a charge by one teacher, Charles G. Manos, that they instructed the teachers to falsify the records so the school could get a higher attendance average and qualify for an extra teacher.

A. R. Liggett, supervising principal of the Auburndale area, testified at a Polk County School Board hearing that he told his principals children with excused absences could be counted as present if they made up the work missed.

Mrs. Marguerite Levisne, principal of the Auburndale Junior High School where Manos is assigned, said she passed along Liggett's instructions to her teachers. Evidence was introduced that absences had been created in several cases.

Liggett said the policy was his own and county school officials were not responsible. He said he adopted the plan for the good of the students only and not to get more teachers.

The contractor was Sullivan, Long and Hagerty of Dessemmer, Ala. Shinholser did not expand on how responsible the city could hold the engineer and he was not pressed for an answer.

On Angus' plea, the Commission withheld its wrath until bids are received on completing the program.

"I'm sure the city will find it has enough money to complete the whole program," Angus said.

City Given Consent To Construct Park

The County School Board last night gave the city a perpetual easement on the area south of Goldsboro school in order that a recreational park may be built there.

The action was announced at last night's City Commission meeting.

An agreement regarding the recreational area was entered into recently by the school board with the city and county. At the time, City Commissioner John Kridler outlined plans for a baseball diamond, softball area, playground, tennis court and eventually a swimming pool.

The 25-million-dollar project, started a year ago, is half completed.

A 22-story office building being built as part of the project was unaffected by the cave-in of the 100-by-200-foot floor.

Just what caused the collapse remained a mystery.

Preliminary investigation showed no break or weakening in the structural steel framework.

Builders employed on the project were "of the highest type in the construction business," Mayor Robert F. Wagner said.

Frank Yeaple, a superintendent on the job, said it was possible that vertical supporting beams had not been braced properly.

Leonardy Accused Of Violating Rights

Sam Sheppard
Has New Hopes
To Gain Freedom

CLEVELAND (AP)—Twice loser in moves to win a new trial from the judge who sentenced him, Dr. Samuel H. Sheppard today based his hope of freedom from life in prison on an appeal court hearing scheduled for May 23.

Judge Edward S. Blythin, in whose court a jury convicted Sheppard last Dec. 21 of clubbing his wife to death, rejected late yesterday a motion for a new trial on the basis of newly discovered evidence.

Weeks ago Judge Blythin denied a new trial motion citing numerous alleged errors in the 31-year-old osteopath's 10-week trial. That earlier denial was carried to the Appellate Court, and Sheppard's chief counsel William J. Corrigan said he would "with dispatch" supplement it with an appeal from yesterday's decision.

Sheppard remained in County Jail, where he was taken last July 30, charged with bludgeoning his pregnant wife Marilyn in her bedroom at their Bay Village home July 4. He had no comment on Judge Blythin's ruling.

Frederick Makes Charge At Meeting Of City Commission

City Police Judge John Leonardy was accused last night before the City Commission of "flagrantly" violating a defendant's constitutional rights in court yesterday.

Attorney Gordon Frederick charged Judge Leonardy pronounced the defendant, David Pringle, a Sanford Negro, guilty without listening to Pringle's testimony. Frederick said Pringle had been requested to be heard.

Pringle began serving a jail sentence yesterday on his conviction of driving while intoxicated.

"My client is spending the night in city jail when he hasn't been afforded justice," Frederick declared.

Police Chief Roy G. Williams said he offered to turn the defendant over to Frederick and reopen the case.

Frederick replied his client could not afford an appeal to a higher court or wait for one year each.

"As an attorney I'm deeply perturbed by the charges," City Attorney A. Edwin Shinholser remarked. He suggested the Commission summon the judge and ask him point-blank if he had refused to hear the defendant.

The Commission decided to air the whole matter at its next meeting.

In other action last night, the Commission appointed a new five-man Board of Adjustments and Appeals. Named to the board were W. A. Krattberg, F. B. Ashdown, E. C. Harper, Lowell Oiler and Roy Wall.

Krattberg will serve for three years, while Ashdown and Harper will serve for two years each and Oiler and Wall for one year each.

Appointment of the new board was made necessary because the old board had been inactive so long the terms of all its members had expired.

The Commission reappointed Clarence Redding to the Housing Commission. Redding, whose present term will expire May 30, will serve for another three years.

The City Commission voted last night to increase the deposit on utility bonds from the present \$250 to \$750.

The increase was proposed to cover non-payment of utility bills.

In other action, the Commission voted to fill in the pond at 21th St. and Summerlin Ave. The action was taken after a petition was presented.

The Commission approved an easement for road purposes only on the south boundary of the well field. Restrictions to the easement also to be worked out.

Attention was called to the fact that many people have been complaining about the train whistles. The matter was referred to City Manager Warren Knowles.

Western Big Three, Backed By NATO, Invites Soviets

PARIS (AP)—The Western Big Three, backed by the whole NATO alliance, invited the Soviet Union today to a top-level conference this summer on East-West problems in Europe.

Notes suggesting such a meeting were being called to Moscow for delivery at the Kremlin tonight or early tomorrow, diplomats informed.

Armed with President Eisenhower's conciliatory American, French and British experts furnished by the text of the invitation, and quickly obtained the approval of the NATO ministers, including West German Chancellor Konrad Adenauer.

Under the proposal, U. S. Secretary of State Dulles, British Foreign Secretary Harold Macmillan, French Foreign Minister Antoine Pinay and Soviet Foreign Minister V. M. Molotov would meet a day or two in advance of a meeting "at the summit" of Eisenhower, Soviet Premier Nikolai Khrushchev, British Prime Minister Eden and French Premier Edgar Faure.

Viet Nam Premier Tells Formation Of New Regime

SAIGON, South Viet Nam (AP)—Premier Ngo Dinh Diem tonight announced formation of a new government with the immediate goal of calling free South Viet Nam's first general elections.

Diem said in forming his new cabinet he had followed the wishes of two national congresses which met last week. But his announcement made no mention of the future of Chief of State Bao Dai.

Sponsor of one of the congresses, the National Revolutionary Party committee has been increasing pressure on the premier to dissolve the absentee Bao Dai. Diem reportedly wants to leave Bao Dai's fate to the National Assembly for which his government has pledged to arrange elections.

To his new 14-man cabinet the Premier named seven men from South Viet Nam, three from his native Central Viet Nam and four refugees from the Communist-held North. Four former ministers were included. Five political parties or groups were represented.

Attention was called to the fact that many people have been complaining about the train whistles. The matter was referred to City Manager Warren Knowles.

FIND NEW RICHES
JOHANNESBURG, South Africa (AP)—Riches have come to diamond diggers working a new field at Bellbank, in remote bush country northwest of Kimberly, South Africa's fabulous diamond center.

Professional diggers, unemployed and businessmen have staked 25-yard-square-claims in the newly proclaimed field. Some are earning \$3,000 a week.

Thousands of milky white diamonds have been found. They sell at an average \$35 a carat. The biggest find so far was a 441-carat diamond which sold for \$14,000.

AN AGREEMENT between the United States and Turkey was concluded in Washington which gives Turkey uranium and scientific know-how to build an atomic reactor. It was the first part of its kind under the 1954 Atomic Energy Act and the first of its kind in history. Shown exchanging copies of the pact are (l. to r.): Ambassador Feridun C. Erkin of Turkey; President Dwight D. Eisenhower and Secretary of State John Foster Dulles. (International Soundphoto)

No-More-Retreat Adopted By China, Declares Premier

TAIPEI, Formosa (AP)—The Chinese Nationalist premier said Monday his government had taken the line of no-more-retreat and would definitely fight to keep Quemoy and the other offshore islands.

This decision, O. K. Yui told The Associated Press in an interview, was final and not subject to change through the suggestion, persuasion or pressure of friendly powers.

"The defense of Quemoy and Matsu," he said, "is inseparable from the defense of Formosa and the Pescadores."

The premier reaffirmed Nationalist opposition to a cease-fire. "The democracies," he declared, "realize that the Communists are the aggressors, and we naturally cannot agree to anything that would recognize the fruits of Communist aggression."

Did he think the United States would intervene if the Reds attacked the islands?

"President Eisenhower," the premier said, "has made the American stand quite clear."

Montgomery Ward Chairman Resigns

CHICAGO (AP)—Sewell L. Avery, 81, resigned yesterday as chairman of Montgomery Ward and Co., along with the firm's president who helped fight off Louis E. Wolfson's drive to capture control of the mail order house.

Edmund A. Krider, 42, Ward president who trounced the country to line up shareholders behind the Avery management, resigned and pledged "my full support" to John A. Barr, 47, who was named to succeed Avery as chairman of the board and chairman of the executive committee.

Krider had been with the company since 1945 and president since 1952. Barr, vice president and secretary, conducted part of the historic April 22 stockholders' meeting in Avery's place.

The 1954 Pittsburgh Pirates lost 101 games and finished in last place. In 1953, however, they won 110 games and came in first. They also won the World Series.

SUNDAY
Loyalty Sunday at First Methodist Church and beginning of the Every Member Canvass.

Thought many ingenious burglar alarm systems are used by banks to scare away criminals, the most effective is still a woman's scream.

The records show, according to the American Bankers Association, that the majority of instances when a would-be-burglar has fled in fright from the scene of his crime has been due to the piercing shrieks of a frightened and sometimes indignant woman.

Cut small sweet gherkins into thin lengthwise slices. Sandwich the pickle between two flat patties of ground beef, pressing edges of meat together well. Fry in skillet and serve on hamburger buns for a pleasant surprise.

Cook artichokes in salted water until tender. Drain well, cut each in half and remove chokes. Serve as a first course with mayonnaise to which lemon juice and Bahama-type mustard has been added.

Mrs. H. Touchton Honored Guest At Stork Shower

A stork shower was given Friday night at the home of Mrs. George Stine, 428 Summerlin Ave. at 8 p. m. for Mrs. H. Q. Touchton.

A buffet covered with ruffled pink and white crepe paper was the main decoration tastefully adorned to bring out the theme of the shower. A suspended umbrella covered with white net was placed over the center of the buffet. From the top of the umbrella pink and blue satin streamers cascaded to the corners of the buffet and were fastened with blue rosettes. Hanging from all sides of the umbrella were white satin ribbons to which perky miniature babies were attached. A stork nestled in the center of the buffet surrounded by the gifts for the honoree.

On the wrought iron table in one corner of the room was a tree in which was found a swinging cradle that played "Rock A Bye Baby". Another doll was placed in the cradle.

Mrs. Stine served a salad course and individual cakes iced in pink and blue and centered with safety pin storks. On the back of each stork was a miniature baby.

Games were played including dressing a clothes pin baby with crepe paper. Mrs. A. W. Epps Sr. was the winner, receiving a wrought iron what-not.

Those invited to the event were Mrs. A. W. Epps, Mrs. H. Q. Touchton, Mrs. Wilburn Rogers, Mrs. R. S. Brown, Mrs. H. C. Oakes, Mrs. J. C. Davis, Mrs. A. O. Garden Nook

BY SADIE B. GUT
The Sanford Garden Club of F. F. G. C.

Most important of our May chores is to keep our lawns, trees and shrubs from burning up in the extremely dry weather we are experiencing this month. Sprinklers are a big help for lawns, but other plantings should have the water poured on the root system directly from the hose or hose nozzle. Sprinklers do not go deep enough to reach the roots and encourage shallow rooting.

Mower blades should be set to two inches for the summer, as a longer length of grass blades is necessary to shade the root system from the hot sun. Any plantings that are made should have the holes well saturated with water before the plant is set in, and a well formed around the plant to catch and hold water.

Palma make good root growth when planted in May or June. Use peat and sheep manure in the hole and keep watered until established.

Amayllis take a short rest after flowering and may be moved at this time if necessary, then fed to keep bulb growing for next season's bloom. Moving is better delayed until late fall, when possible.

Azaleas may be moved at any time during the summer if well watered before and after planting. A second feeding of acid fertilizer is in order for azaleas, dogwood, gardenias, holly and magnolias. Chrysanthemums and ixora would also respond to this same fertilizer.

Citrus trees also are due for their second feeding in May or June, using a formula with minor elements added.

Dahlias should be fed again this month and new growth tip-pinned to induce bushiness. They like a sweet soil and plenty of moisture. Hardwood ashes and sheep manure are good.

All bulbs and corms should be fertilized after blooming, including amaryllis, gladiolus, monardella and waterlilies. Any that have turned brown may be lifted and stored, if desired, but do not disturb any that are still green.

Keep faded blossoms from roses, stokesias, shasta daisies etc. to keep them blooming. Philoxera, alyssum, petunias and other pesky annuals may be cut back to induce a second crop of flowers.

When removing spent blooms of roses, cut back to a bud showing

five leaflets, as the three leaflet buds produce weak stems and inferior blooms.

Daytona Beach Routs Sanford, 10-4

By CARL OVERSTREET
Herald Sports Writer

Daytona Beach jumped off to a five-run lead in the first inning and went on to defeat the Sanford Cardinals, 10-4, before 468 fans at Memorial Stadium last night.

Tippy Slade paced the attack with three singles for five trips.

Islander right hander Ivory Smith gained his sixth victory of the season against only one loss as he struck out 12 Cardinals, walked four and gave up only four hits in the six innings he worked. He retired after pitching the sixth frame with a back injury.

The victory was the Islander's 11th in their last 11 outings and moved them past West Palm Beach into the Florida State League's runner-up spot, three games behind the leading Orlando.

The Cardinals scored all their runs off Islander reliever Bill Roberts. They picked up two runs

in the seventh on two walks, a single by Dan Keith and a double by Terry Terrell.

Sanford chalked up single tallies in both the eighth and ninth frames to end the scoring.

Only one of the Islanders runs was earned as the Cardinals error-ed six times in the field. Four mis-es were made by shortstop Dwight Cook.

Daytona Beach sent 11 men to the plate in the first inning when they scored five unearned runs and sent the Cardinal starting pitcher, Roland Manfredi, to the showers. It was the second night in a row that starting Sanford pitcher failed to last through the first frame.

Singles by Tippy Slade and Jerry Micham combined with four walks and two Cardinal errors did the damage in the initial frame and put the game out of reach of the Cardinals.

The Islanders picked up another tally on singles by Gene Bennett, who scored three times, and Vern Watercutter and a Cardinal error.

A four-run sixth turned the contest into rout. Three straight hits by Bennett, Al Wagner and Slade and two more Sanford errors produced the markers.

The play-by-play:

First Inning
Roland Manfredi was on the hill for Sanford and Randy Crisp was behind the plate. Daytona's first batter, leftfielder Gene Bennett, walked. Wagner flied out to left field and Slade hit in left field, moving Bennett to third. An error by the shortstop put Watercutter on first, driving in two runs.

Micham hit to right field, moving Watercutter to third base. Patrisa was safe on an error by the second baseman. On the play Watercutter scored, Micham moved to third, and Slade walked to lead the bases. Mirrell struck out. Smith, the 9th man up for the Islanders, walked, forcing in Micham.

Peterson came out on the mound for Sanford, replacing Manfredi. Bennett again walked, forcing in Patrisa. Wagner struck out to

retire the side. Five runs, two hits.

As Sanford came to bat, Smith was on the mound for Daytona and Watercutter was behind the plate.

Leading off for the Cardinals, Stan Derry was safe on an infield hit. Dwight Cook struckout and Shirley hit into a double play to retire the side. One hit, no runs.

Second Inning
Slade singled into right-center field, Watercutter hit into a double play, Micham singled into centerfield, and Patrisa grounded out to the third baseman, who threw him out at first. Two hits, no runs.

Dan Keith walked, Terrell and Davis struck out, and Crisp walked, moving Keith in second. Sharper struck out. No hits, no runs.

Third Inning
Sista struck out. Mirrell flied out to centerfield, and Smith struck out. No runs, no hits.

Peterson singled into right field, Derry was safe on first, forcing Peterson to second. D.

Cook hit to left field, moving Derry to second. Shirley walked, making the bases. Keith struck out and Terrell grounded out to third, forcing Cook out. No runs, two hits.

Fourth Inning
Bennett singled to left field. Wagner flied out to second, and Slade was safe on an error by the shortstop. Watercutter singled to right field on the play, Bennett scored, and Slade was thrown out while trying to come. Micham grounded out to the shortstop, who threw him out at first. One run, two hits.

Davis, Crisp, and Sharper struck out. No hits, no runs.

At the end of four innings, the score: Daytona Beach 6, Sanford 0.

Sanford Sure Needed A Hero Last Night

By CLAUDE ROSE
Herald Sports Writer

Davy Crockett might not have been able to fill the bill but the Sanford Cardinals sure needed a hero last night at Memorial Stadium. Things were rough from the start and they didn't get better as time went on.

Starter Roland Manfredi saw a double play ball, that might have gotten him out of the first inning without damage, slip away from shortstop Dwight Cook. Another bobble and three bases on balls were enough to send him to an early shower. . . . Five big Daytona runs in the

first frame put the Cards and the small crowd in a less than lively mood right off the bat.

The Cardinals and Daytona's Islanders will tangle again tonight at 8 p. m. at Memorial Stadium. Righthander Ralph Cook, with a 3-1 record, will go for Sanford while Daytona manager Johnnie Vander Meer has decided to send

Penna to the mound against the Cards.

Sanford had several chances to score last night, but continually muffed them. . . . The Cards came up with a nice double play in the second inning when Russ Davis scooped up a ground ball at third, threw it to Nat Sharper at second, who tossed to Manager

Dan Keith at first.

Daytona's lanky Negro right-hander Ivory Smith, who started last night's game, had the Cards fanning the breeze as he set down 12 via the strikeout route in the first six frames. In doing so he ran his season total for whiffs to 81. He was lifted for a pinch hitter in the 7th when

it appeared he had pulled a muscle in his side. Vander Meer indicated that it apparently was not a serious injury but that he did not want to give it a chance to develop into one.

Longest hits of the night were both clouted by Sanford slicker Terry Terrell. Terry pounded a double to left in the 7th that struck the Hill Hardware sign on about one bounce. In the 9th he came up with a long inning-opening double to center that struck the H. B. Pope Hotpoint sign with a bang. . . . erry also made a nice play on a fly ball to left in the first inning off the bat of Wagner, Daytona second-sacker.

Nat Sharper, the Cardinals key-stone kid, made a nifty over-the-shoulder catch of Slade's drive in the 8th.

Ron Schmitt, Cardinal outfielder, had some teeth pulled yesterday and was unable to be in uniform last night.

Local sports announcer John Keeling was commenting in the press box before last night's game that he hadn't felt too good Sunday night during the game at Daytona Beach. Some witty gentlemen were quick to ask him if the 15-6 drubbing the Islanders handed the Cardinals had anything to do with his illness.

Umpires Gallagher and Maloney who worked last night's game, told friends that it was "mighty hot" up in Gainesville Sunday afternoon when they handled the Gainesville-Orlando contest.

In a talk with this writer, last night, Manager Dan Keith of the Cardinals said he thinks the Florida State League race will be a close affair. "The best team so far," Dan stated, "is West Palm Beach as far as I'm concerned. Cocoa and Orlando got off to a fast start but we are going to improve and so is Daytona. It's going to be a pretty even race, I think. . . . After last night's game, the Cards slipped a game below the .500 mark once again. They now have 12 wins and 14 losses.

Judge May Decide Whether Williams Will Play Again

MIAMI, Fla.—(AP)—A Florida circuit judge may decide today whether Ted Williams returns to baseball.

Dade County's senior circuit judge, George E. Holt, yesterday granted a divorce to Mrs. Doris Sue Williams on her plea that she and the Boston Red Sox star "just couldn't get along."

But the Tennessee-born judge postponed until today a ruling on how much money Williams must pay the attractive, dark-haired woman he married 11 years ago. One of Mrs. Williams' attorneys indicated she had agreed to a lump settlement.

It was believed Williams would await the court's ruling on the size of the settlement before making up his mind whether to return to the game that made him famous and paid him as high as \$100,000 a season.

"I'm not sure if I'll play baseball," he said after the 30-minute divorce hearing.

Williams attended the hearing but didn't take the stand and did not contest the action.

"Ted told me he didn't think he wanted to be married any more," Mrs. Williams told the court.

She testified Williams had been giving her \$125 a week and had paid such extra expenses as new tires for her Cadillac. She said he paid her \$12,500 since Jan. 1, 1954 and paid taxes and insurance on their \$48,000 home in South Miami.

Williams' attorney asked the slagger's wife how much she would need to keep herself and their 7-year-old daughter Barbara.

Sports Roundup

By GAYLE TALBOT
NEW YORK (AP)—Julius Helfand, the energetic new chairman of this state's athletic commission, is preparing to haul Jim Norris on the stand next week and question the super-rich young president of the International Boxing Club about certain matters, including exclusive contracts with champions and what happens to a fighter who ditches his manager.

SITTING IN THE SANFORD DUGOUT at last night's game is Claude Rose (sport shirt), special sports writer for The Herald, whose initial offering appears on this page today. Rose, a yeoman second class, is attached to fleet aircraft service squadron 51 at the Sanford Naval Auxiliary Air Station. (Herald photo by Jack Sutherland)

We cannot imagine what the former head of the Brooklyn rackets bureau hopes to worm out of Norris that he hasn't already learned, almost without effort, from Harry Markson, the scholar-manager of the IBC's local store, Markson, who was the star witness as Helfand resumed his digging into a sordid situation, engaged in no ducking and weaving.

Yes, he said, there is a boycott against Vince Martinez, one of the world's top welterweights and a prime television favorite, because he did not renew his contract with veteran manager Bill Daly. Martinez has not had a bout since last December, though Markson asserted he had "tried desperately" to find an opponent for him.

Yes, Markson readily told the

commissioner, the IBC does have all major world champions bound hand and foot, and they may fight only when and whom Norris says. Furthermore, he declared, if the IBC did not have such contracts "we wouldn't be able to open our doors." He added, smilingly, that Norris would be able to go on calling if he never promoted another fight.

Kitchen tip: add sugar and flavoring to heavy cream you are whipping after beating long enough so the cream has begun to thicken. Two to three tablespoons of confectioners' sugar is about right for one cup of cream.

'Colored News

The annual music festival with the theme "Music in Spring" will be presented tomorrow at 8:15 p. m., in Crooms Academy auditorium.

Sponsors are Mrs. K. B. Holly, Mrs. Elsey James, and Roy A. Allen, principal. The public is invited to attend.

When you are making a meringue in the sugar gradually as soon as the egg whites are frothy. If you add the sugar at this frothy stage, instead of waiting until the whites form stiff peaks, the sugar will dissolve and help prevent the meringue from "weeping" when the pie comes from the oven.

Note for the church supper committee: three 1 1/2 pound loaves of bread and 1 1/2 pounds of butter will serve 60.

Here are general directions for using the broiler in a gas range to best advantage. Preheat the broiling compartment five minutes with full flame. If the broiler flame depends on the heat control, set the dial at the highest point—beyond 550 degrees. Allow one to three inches between the flame and the food when you are cooking one-inch thick lamb chops. When you broil chicken there should be at least 5 inches between the flame and food. Allow only 2 or 3 inches between flame and food when you are broiling fish (whole, split or filleted).

Pour thin white sauce over cooked drained egg noodles; sprinkle well with grated cheese and bake in a moderate or hot oven until heated through and browned. This dish makes good eating for lunch with crisp bacon and a salad.

Chamber Of Commerce Directors Informed Last Night Of Plans To Construct Plant Here Soon

Arthur O. Russell, Frederickaba Va., research engineer, plans to begin construction of boat manufacturing plant here in the near future, director of the Chamber of Commerce were informed last night.

Clifford McKibbin, chairman of the Chamber's industrial

committee, made the announcement at regular monthly meeting of board of directors at City Hall.

Russell plant will be located on land of 100 acres, fronting on Lake Wales. The City Commission agreed Jan. 31 to sell Russell 250 feet of lake frontage to a depth of 250 feet for \$2,000.

Russell will construct 14-foot and 16-foot boats selling in a low-to-range. He plans to sell from display room on the lakefront until the business reaches portions for him to allot distributions.

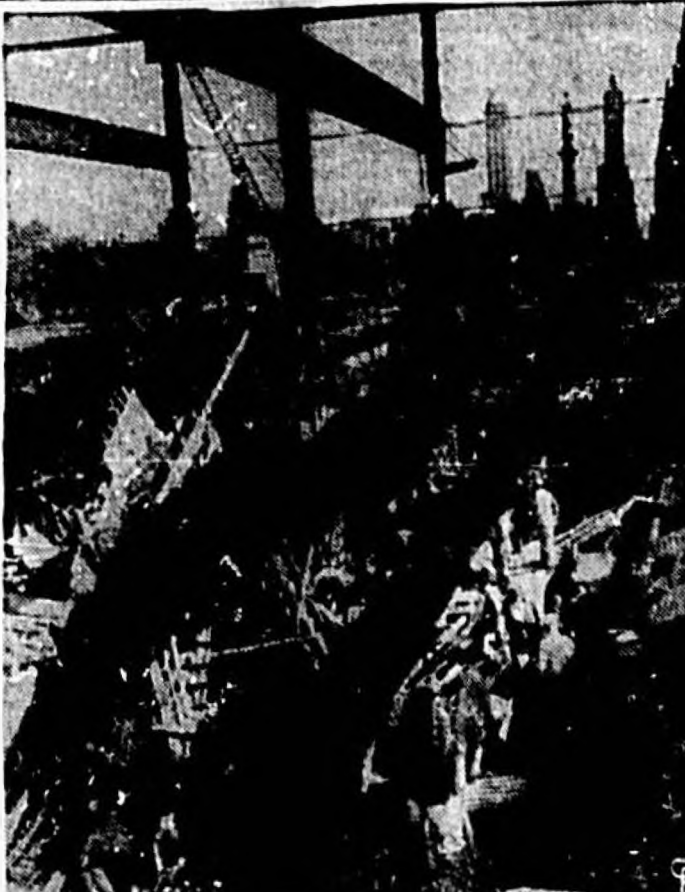

At last night's meeting, McKibbin also drew attention to the fact that the Chamber and Sanford have quite active in assisting the Universal Marine Corporation get established here. He showed a picture of the first engineer's model turned out by the firm.

McKibbin said progress is being made on a proposed plywood plant which would be located just outside of Sanford. A definite announcement is expected soon, he said.

McKibbin at a recent City Commission meeting, said two Sanford men had a \$250,000 investment in the plant. He did not identify them.

The plant would be located east of Sanford Ave. and south of 27th St. Its purpose would be used for furniture making and building materials.

McKibbin said plans are also being discussed for an industrial park here.

RESCUE CREWS dig through piles of wreckage after an unfinished cement floor of the huge New York Coliseum collapsed at the Columbus Circle construction site. Police and firemen worked with acetylene torches to free three men. At least 25 persons were reported injured, one believed killed, and others being sought in the rubble as tremendous girders continued to fall, endangering the rescuers. (International)

Pilot Club Plans To Enter Parade

Plans were made at the meeting of the Pilot Club last night to enter a float in the Armed Forces Day Parade on May 21 and also to participate in the Wekiva Roadside Park dedication ceremonies on Saturday, May 14.

Mrs. Harvey Swanson presided at the first meeting of the club's new year. Year books were distributed and the following committees appointed to serve with Mrs. Swanson:

Attendance, reception and fellowship: George K. McNab, chairman; Eugene K. McNab, secretary; A. J. Shivers, chairman; Mrs. Ruth Scott, secretary; Mrs. B. C. Chapman, chairman; education, Mrs. J. P. Hall, chairman; legislation, Mrs. A. H. Hunt, chairman; Mrs. Walter L. Carter, public affairs, Civil Defense, Press Book, Mrs. M. L. Harbison, chairman; international relations, Mrs. E. Stevenson, music, Mrs. McNab, chairman; publicity, Mrs. V. C. Messenger, chairman; extension, Mrs. Nancy Brock, chairman; special funds, E. B. Randall Jr., chairman; mental health, crippled children's society, Mrs. Tray Ray, chairman; USO, Mrs. Messenger, chairman; Milk Fund, Mrs. Carter, chairman; hospital, Mrs. Harbison, chairman.

The budget of \$4,118.00 was approved and a letter was read from Harry Weir, Seminole Hospital administrator, thanking the club for its donation of a "Milk" bed for the Pilot Club's room in the new hospital. A room in the present hospital was furnished a number of years ago and has been maintained since that time by the club.

A report of the Milk Bank given by Mrs. Carter revealed a total of three cases of canned milk, one case of dried milk and 12 quarts of fresh milk had been given four months, representing an expenditure of \$30.31.

Announcement was made that Miss Mary Tanner has been selected as the Pilot Club's representative to Girls' State in Tallahassee. Alternates will be Miss Betty Ann Munson.

Soviets Unveil Plan For Peace

U. S. Officials Expect Early Acceptance

WASHINGTON (AP)—U. S. officials anticipate an early Soviet acceptance of the Western invitation for a top-level Big Four meeting this summer.

President Eisenhower joined with British Prime Minister Sir Anthony Eden and Premier Edgar Faure of France in dispatching the invitation late yesterday. Made public last night, it proposes an early meeting with Russian Premier Nikolai Bulganin.

The time and place may be selected when Secretary of State Dulles, British Foreign Secretary Harold Macmillan and French Foreign Minister Antoine Pinay meet Soviet Foreign Minister V. M. Molotov in Vienna at week's end to conclude an Austrian state treaty.

Eisenhower is described as well-willing to journey to some neutral country.

He apparently does not favor Geneva because of its association with last year's Asian conference where the French made a settlement giving part of Indochina to the Communists. Stockholm and Vienna have been mentioned as possibilities.

Troops' Retraction Is Asked Before Meeting

MOSCOW (AP)—The Soviet Union unveiled a world peace plan today calling for the immediate withdrawal of most foreign troops from both East and West Germany, big power arms cuts and a controlled but on atomic weapons.

The plan was made public a few hours before top Soviet officials gathered in Warsaw with leaders of their seven East European allied nations to establish a unified NATO-type alliance under a Russian commander.

The announcement also came shortly after the delivery of Western invitations for Soviet Premier Bulganin to meet with President Eisenhower, British Prime Minister Eden and French Premier Faure for an informal discussion of world problems. There was no immediate Soviet reaction to the invitation, but it was believed here that Bulganin would accept.

The peace plan was circulated by the Soviet Press news agency, which said the proposals were contained in two declarations submitted as a resolution to the U. N. subcommittee on disarmament now holding closed sessions in London. Many of its provisions were similar to previous Soviet proposals.

The bid for the evacuation of German troops from Germany was included in the first declaration, an eight-point general peace plan. It called on the U. N. Assembly to declare that "a weakening of international tension can be achieved by the immediate evacuation of troops of the Big Four powers from German territory, leaving limited contingents and police forces."

Armed Forces Day Plans Doing Fine, Housholder States

George Mayhew, commander-in-chief of Campbell-Lanning Post No. 5, American Legion, and his steering committee are doing "an excellent job" on plans for Armed Forces Day, Karlisle Housholder said last night.

Housholder, chairman of the Chamber of Commerce's Armed Forces committee, made the remark at the monthly meeting of the chamber's board of directors at City Hall.

Detailed plans for the May 21 celebration will be worked out at a meeting next Thursday at the American Legion but, he said, the meeting will begin at 3 p. m.

Housholder said marching units from Jacksonville and Orlando Air Force base will participate in the annual program here. Other units are expected from the Sanford Naval Auxiliary Air Station and other military forces.

Mayhew is general chairman of the Armed Forces Day observance.

Chairmen of the various committees are Ernest Cowley, bands; R. Z. Johnson, civic and fraternal groups; W. C. (Red) Hiers, reviewing stand, and R. J. Baiman, baseball game ceremonies.

Mrs. Margaret Goll is in charge of the Gettysburg Address contest, which will be conducted in all county schools. The county winner will recite the address over Radio Station WTRH and at the baseball game ceremonies.

Strolling In Sanford

A special program of music and recreation by Seventh Day Adventist School children under the direction of their teacher Mrs. Carawan, will be presented today at 7:45 p. m. in the Chapel at Seventh St. and Elm Ave. Elder Wayne Foster, youth leader, will be present to address the children and to preside at the investiture for their work for the year. The public is cordially invited.

Navy relief sign needs relief. Such was the case yesterday afternoon when two rain soaked men from Sanford Naval Auxiliary Air Station battled a stiff wind during a welcome rain. The usually windy corner of First St. and Park Ave., where the men and their sign were located, was no exception as the stiff breezes toppled the big sign.

Here's an item that gave the Stroller a laugh. An old cross-roads merchant wistfully wrote a letter to his wife in a long-delinquent account: "You are just a mule-headed liar. If you don't settle up, I aim to clobber you until there won't be nothing left but a pair of suspenders and a wart. I want my money and I want it now." He signed his name with a flourish, read the letter with grim satisfaction, then added the postscript, "Please excuse pencil."

Election Group To Conduct CofC Voting In June

An election committee, headed by A. W. Lee Jr., will conduct the election of Chamber of Commerce directors in June.

The committee which was announced at last night's board of directors meeting at City Hall, was appointed by Chamber president Earl Higginbotham before he left for a vacation in Texas.

Other members of the committee are Willis Peacock, James Gut, A. B. Peterson Jr., and George Touhy.

Touhy, vice president of the Chamber, presided at last night's meeting.

The directors heard a brief report by Miss Bobby Jo Hunt, the chamber's official delegate, on the U. S. Chamber of Commerce convention in Washington. Miss Hunt said she distributed a number of copies of new two-color booklets on Seminole County at the convention.

Copies of the booklet, published by Jo Williams publications, were exhibited at last night's meeting. The directors officially accepted it for distribution.
