

Giants Meet Orlando Here Tonight In Crucial Game

Locals Down Pirates By 12 To 7 Count; Eddie Lisiewski Is Slated For Mound

By ARTHUR BECKWITH, JR.
Herald Sports Editor

The Sanford Giants continued their drive to overtake the league leading Orlando Senators by turning back the Leeburg Pirates at the Municipal Park last night in a loosely played 12 to 7 contest, which lasted over two and one-half hours.

Tonight the Giants and the Orlando Senators open another crucial series. Manager Hal Gruber indicated last night that right-hander Eddie Lisiewski would get the starting assignment for the game, which will be played at the Municipal Park. Lisiewski has been nursing a swelling in his right arm, but is expected to be in good condition for the frays tonight.

Sanford rapped out 12 hits from the offerings of two Leeburg pitchers, but Joe Schultz was also picked for 12 hits. However, Schultz spaced the Leeburg hits well, and was not in too much difficulty.

Sanford's first baseman, Ray Rosenkrantz, caught a low pitch from the left arm of Lou Taroli, and sent the sphere far over the lighted upright for his tenth power run of the 48 season. Johnny McManus and Tommy Cataldo were on the bases.

The locals hopped into an early lead by rapping out four hits to send five runs across the plate in the first inning. In the midst, Lloyd Clifton and Cataldo doubled, and Rosenkrantz tripled.

The Pirates scored two runs in the first frame, added two more in the seventh, one in the eighth and a pair in the ninth.

Manager Gruber announced last night that the Fred Petty, infielder signed from the New York Giants, try-out camp recently held in Jacksonville, is in town, but has not been placed on the active list.

Patras are scheduled to arrive from St. Cloud within several days, he said. Petty is being optioned to Sanford by the St. Cloud club of the Class C Northern League.

The new addition to the club house at the Municipal Park, a dressing room for the umpires, went into use last night. Umpires Frank Andreu and "Tex" Cofer were the first to use the facilities.

Umpire Cofer cleared the Leeburg bench in the fourth inning last night. Manager Eddie Leeb wanted Bill Hall to come into the game to pinch hit for Pitcher Howard Bailey in the ninth inning, but Hall had changed clothes, and was unable to go into the contest.

It is believed the Leeburg players were under the impression they had been ejected from the game, but they had been cleared from the bench, and the Leeburg manager had the right to call the players from the club house in the event the players were needed.

President A. S. Herlong of the Florida State League was in the bleachers witnessing the contest last night.

RECREATIONAL SCHEDULE
There will be no recreational activity held on Monday. It was announced today by Director Fred Ganas. "We do not believe there will be enough children interested in participating in the program, therefore we are cancelling activity for Monday," Ganas declared.

LEGION JUNIORS PRACTICE
A practice of the American Legion Junior baseball nine has been called for 8:00 o'clock Monday afternoon. It was announced this morning by Coach Fred Ganas. "We need to trim this Apple club, and we play them Tuesday. We need the practice," he said.

Two Sally League Games Are Washed Away Last Night

By ASSOCIATED PRESS

Half of the South Atlantic League games were postponed last night by rain. In the other two games the loop leading Greenville Spinners defeated the Columbia Reds 6-5 and Charleston whipped the Augusta Tigers 12-3.

Macon at Savannah and Columbus at Jacksonville were postponed. The Spinners scored five times in the fourth inning to edge the Reds. Columbus opened the game with three runs and added two in the fifth. Lemish of Greenville gave the Red, eight hits while Post allowed eleven.

Charleston's first baseman Pop Hammett hit a grand-slam homer for a home crowd in the game with Augusta. His blow was the climax of a seven-run uprising in the seventh inning. The Reds got 17 hits while Lou Hush allowed the Tigers ten.

Charlie Scruggs paced Charleston with a triple, a double and two singles in five times at the plate. He knocked across three runs.

The victory left the Rebels one percentage point behind the Jacksonville Tars in second place.

Falkenburg Meets Bromwich In Finals Of Wimbledon Tiff

By JAMES H. CHAMBERS

LONDON, July 2 (AP)—Tennis fans get a battle of styles on Wimbledon's center court today as John Bromwich, 30-year-old Australian, tangles with California's rangy Bob Falkenburg in the men's singles final.

Falkenburg, with an ace advantage and a cannonball service, may find out what a lot of other hitters have—that the blond Australian is one of the best takers of service in the world of tennis.

Additionally there's hardly a tennis player anywhere who can equal the counteract and strategy of Bromwich, whose long suit is to make the other fellow play as he wants the game played.

At this adds up to the hunch that Bromwich will take all Falkenburg can dish out and win the title.

Letting favors the two-handed stroke from downunder, who is expected to wear down the American with his "stonewalling" tactics.

Bromwich has experience, accuracy of stroke production and tennis savvy to pitch against Falkenburg's youth, power and deadly volleying at the net. It should be a good match.

The American men's doubles team of Tom Brown and Gardner Mulloy go against Lennart Bergelin of Sweden and Jack Harper of Australia for the right to meet Bromwich and young Frank Sedgman in the finals.

Three American women's teams play semifinals matches. Doris Hart and Mrs. Pat Todd meet Miss Joan Bostock and Mrs. N. W. Blair of Britain while Louise Brough and Mrs. Margaret Osborne Dupont take on Mrs. Helen Peterson Rihby of Boston and Barbara Scofield of San Francisco.

Miss Dixie Beauty Contest Will Be Featured Tonight

Beauty will predominate at the Volusia County Kennel Club Daytona Beach tonight when the most gorgeous girls of the South here for the Miss Dixie Beauty Contest on July 6, will be the guests of the club for an evening of greyhound racing. Aside from the beauty contestants there will be numerous models from some of the largest modeling agencies in the country.

The feature ninth race will be the Dixie Handicap and some of the track's fastest runners will compete. One of the visiting beauties will place a blanket of flowers on the winning greyhound. Running in this classic will be such speed magicians as Greyhound racing, Miss Dixie Beauty and Taurus.

Wacheta, owned by the Handle Bros. Kennels, has been seven times in the money in nine starts. Dixie's Hotay has a record just about as good. Viking Miss won the eighth race last Wednesday. Taurus has a record of three wins in nine starts.

Other feature runners tonight will be Shatto, High Barbaree, Nunan and Taurus. **STARTING TIME 8:15 P.M.**

Anderson, Buck Cofer And Butler, Are Star Umps

Stanton Was Named In Poll But Is In Atlanta Hospital

SILVER SPRING, July 2 (Special)—Arthur Anderson, Lyle Buck, Elbert Butler and Tex Cofer will be the umpires working the Florida State League's annual all-star baseball contest to be played at Tinker Field in Orlando Sunday afternoon, it was revealed at league headquarters here yesterday afternoon.

Tom Stanton was forth high man in the poll, but he is recuperating from war-time injuries in a hospital in Atlanta. He was replaced by Cofer, who was the fifth high man in the balloting.

Since the second annual all-star ball was not enough, Orlando players who are representing the league in pre-game activities announced today that a military band will give a concert before, and play during the game.

Also, several former major league stars will be presented as the game progresses, among them Joe Tinker, Tommy McMillan, Tommy Leach, Emil Yde, Lee Meadows, George Pippen, Hal Weafer, Harry Vance, Fred Markle, Nap Lajoie, Bert Chapman, Moose Edmondson, Grover Hartley, Del Mason, Charlie Harris, and many others.

In case of rain, Sunday's game will be played Sunday, July 11, in Orlando, with all games scheduled on that date to be played as parts of double-headers the next time the two teams meet.

Wacross Maintains G-F Winning Streak

By ASSOCIATED PRESS

A long winning and a long losing streak were maintained in Georgia-Florida League games last night.

Wacross' 13-11 triumph over the Albany Cards was the Bears' eighth straight. Tallahassee lost numbers seven and eight and when the Pirates dropped a twin bill to Cordele 4-3 and 7-3.

Thomasville rallied late in their game with the Valdosta Dodgers to win 6-4. Moultrie at Americus was postponed because of wet ground.

Thomasville's victory over Valdosta tied up the race for first place. Both the Dodgers and the Thomasville Tigers have won 48 and lost 31. The Dodgers have been in the lead since June 18 when they replaced the fading Tallahassee Pirates.

Nine pitchers appeared in the Wacross Albany scoring duel, five for the Cards and four for the Bears. Albany opened the

Bernadotte Seeks To Extend Armed Palestine Truce

Both Sides Are Said To Have Rejected Partition Plans; Treaty Ends 9th

CAIRO, July 5, (AP)—Count Folke Bernadotte asked Arabs and Jews today to extend the armistice in Palestine. Both sides were reported on good authority to have rejected his partition plan for a lasting peace.

The four-week truce which Bernadotte arranged as United Nations mediator expires Friday.

He also asked the Jews and Arabs to agree that the Holy City of Jerusalem and the port, terminal and refinery facilities of Haifa be demilitarized.

Bernadotte appeared hopeful, despite the apparent rejection of his latest peace plan. If the Arabs and Israel agree to a truce extension, a conference will set the length of time it will last.

U.S. observers watched 2,000 Jews flee from the U.S. to Haifa. They came from internment camps in Cyprus, where about 20,000 other Jews await passage to Palestine. They had been interned there by the British during the mandate period.

Arabs gave Count Bernadotte their reply and a counter-proposal Saturday night. The formal Jewish answer was expected in Tel Aviv today or tomorrow.

The Cairo newspaper Al Masi published what it said was the text of the Arab note rejecting Bernadotte's proposals. The note, the newspaper said, listed these major Arab objections:

1. The mediator's plan regarding immigration would give the Jews more than they would receive under the original U.N. partition scheme.

2. It is a false assumption to consider Trans-Jordan a part of Palestine.

Laney Urges Truman Quit As Candidate

Says President Can Never Unite Party, But Will Aid It By Withdrawing Name

LITTLE ROCK, July 5, (AP)—Governor Ben T. Laney of Arkansas, chairman of the States Rights Democratic organization, today called upon President Truman to step aside and support General Eisenhower for the Democratic presidential nomination.

Laney predicted victory for the Republican ticket in November if Truman is nominated.

"If he loves the party," said the Arkansas governor in a formal statement, "and if he wants the country to become united and if he honestly desires political and military peace in the world, then why not sacrifice his own personal ambition and support the nomination and election of General Eisenhower?"

Laney contended that the retired chief of staff is the one American who can bring about unity. He said President Truman "can never unite the party and that he has an opportunity of making a real contribution to the nation and the world" by stepping aside.

The statement was issued through an aide of the governor. Laney is in a hospital for a physical examination.

Rescuers Attempt To Recover Victims In Mexican Crash

ORIZABA, Mex. July 5, (AP)—A recovery team begins a long climb up Orizaba, 18,225-foot volcano, today to bring out 15 victims of a plane crash, eight of them Americans.

The plane, used by a United States-Mexico commission fighting hoof-and-mouth disease in cattle, vanished Friday enroute from Minatitlan to Mexico City.

General Andres Zubiate, commander of the 26th battalion stationed in this city at the foot of the peak, said yesterday the wreckage had been found 12,000 feet up, at Cuavata Negra (black cave) at the snowline. He reported the plane apparently had hit the mountain side, exploded and burned.

The general said three to six days will be needed to recover the bodies. Troops are guarding the wreckage. Orizaba police and commission workers make up the recovery team. They plan to travel the first 40 miles by jeep, the second 40 on horseback and the rest of the way afoot.

Willis Brown, 35, died at 2:30 P.M. Friday at his home, 205 French Avenue, following an illness of the past two years.

He was born Aug. 3, 1915, in Jacksonville after which he moved to Sanford and attended local schools. He is survived by his father and mother, Mr. and Mrs. Charles W. Brown of Sanford and two daughters, Ferrell Jean, Mrs. Ellen Brown, Winter Haven, Fla. Also three sons, J. H. Brown, Mrs. J. C. Brown, and Mrs. Elizabeth Milton, all of Jacksonville.

Funeral services were held Sunday 3:30 P.M. July 4th at the Erickson Funeral Home. Dr. Brownlie officiated at interment in Evergreen Cemetery.

Pro-Ike Leader Says General Will Be Nominated If He Runs

CHICAGO, July 5, (AP)—Jacob M. Arvey, pro-Eisenhower leader of Chicago Democrats, says General Dwight Eisenhower will be nominated for president on the first ballot at the Democratic convention—if he "doesn't take himself out of the race."

Arvey discounted as "very doubtful" the predictions by Mr. Truman and his aides that the President will be nominated on the first ballot at Philadelphia next week. He is confident that "many of the 60 Illinois voters are Eisenhower's if he will accept them."

Good Neighbors Get Together

FOLLOWING HIS ARRIVAL at the Washington National Airport, President Truman today met with President Eisenhower at the White House with President Truman. The highlight of Gallegos' eleven-day stay in the United States will be when he presents a huge, bronze statue of Simon Bolivar to the Missouri town bearing the name of the famous South American liberator. President Truman will accompany Gallegos to Bolivar where he will accept the statue in a speech which has been billed as an "important pronouncement" on Latin-American relations. President Holds Hope All World Will Be Like Western Hemisphere

By ERNEST B. VACCARO

BOLIVAR, Mo., July 5, (AP)—President Truman held out hope today for an eventual "world order" in which all nations will enjoy "the equality and friendship" that prevail in the Western Hemisphere.

Mr. Truman spoke at a ceremony in which he accepted a \$100,000 statue of Simon Bolivar, the South American liberator, from President Romulo Gallegos of Venezuela who flew to the United States for the occasion.

Mr. Truman pointed happily to the fact that the 21 American republics in political, economic and cultural terms. "All 21 nations stand on equal terms," he declared. "Pan Americanism means equality of all nations, and sympathetic cooperation among all nations."

He spoke after President Gallegos formally presented the statue to this small southern Missouri town of 3,600. The dedication climaxed a three-day celebration, along with a Pan American fair, in Bolivar. It was the largest day in the town's 113-year history.

Mr. Truman, who brought President and Senora Gallegos here from Washington by train, emphasized his country's hope of spreading the hemispheric "good neighbor" policy to all the world. "Through the United Nations," he said, "we are seeking a world order under which all of the countries of the world will live together in the equality and friendship that prevails among the American nations."

He said cooperation in this hemisphere shows "we can succeed in establishing the same kind of cooperation with other countries in the United Nations."

"The way before us is not easy," he continued. "We must expect delays and disappointments. But we can succeed."

Man Is Killed In Gun Fight With Policeman

CHICAGO, July 5, (AP)—A metal plateer accused of threatening neighbor children in a July 4 celebration was shot and killed in his home last night in a gun battle with a policeman.

The officer, Francis Sloan, was shot in the jaw before he fired six bullets into James Coglianes. Sloan was not wounded.

John Marx, a neighbor, reportedly to police that Coglianes had threatened the children if they continued shooting fireworks. As Sloan started up the stairs at Coglianes' home he was doused with a bucket of water. Then he entered the kitchen, he said, Coglianes emerged from a bedroom with a gun and the close-range battle began.

Truman Lash Falls Anew On GOP Congress

Says He Signed 3 Major Bills Only Because They Are Better Than Nothing

WASHINGTON, July 5, (AP)—President Truman has taken three more belty swings at the Republican 80th Congress.

He added them to his growing list of attacks on the GOP lawmakers in signing three major bills—a pay raise for federal workers, a new and lower farm support system in 1950, and a two-year extension of the terms of the five atomic energy commissioners.

Mr. Truman said in effect that he signed the bills only because they are better than nothing.

The pay bill gives 480,000 postal workers an annual raise of \$450 and about 840,000 classified Civil Service employees \$150 a year more.

This bill, Mr. Truman said, "meets neither the needs of the employees nor those of the government." But he said it was only that he should sign it since Congress failed to enact legislation to hold down the cost of living. He objected particularly to the same raise for everybody.

The farm bill extends the present support prices for crops until 1950. Then lower prices will go into effect.

The new law, Mr. Truman said, only partially meets the problems of American farmers. He said it should have included a standby program for improving the diets of farm families.

Pro-Tito, Russian Communists Clash In Trieste Zone

ROME, July 5, (AP)—Dispatches to Rome newspaper today said Tito and pro-Russian communists clashed yesterday in the Trieste free territory.

The independent Messaggero said the sharpest encounter took place at Mankle in the Yugoslav occupation zone near the boundary with the British-American zone.

It said fighting broke out there between Italian Communists and Slovene Liberation Front, a nationalist organization. Police stopped the fight.

The trouble started, the paper said, when an Italian Communist rose and praised Stalin. The crowd was reported to have shouted, "Cowards," and forced him down from the speaker's stand.

The same paper said other disorders occurred at Mankle near the Yugoslav border. The crowd was reported to have shouted, "Cowards," and forced him down from the speaker's stand.

Lake Mary Resident Catches Large Bass

Mrs. R. D. Baker of Lake Mary caught an 8½ pound black bass off a dock in Little Lake Mary at 10:00 o'clock Saturday morning.

Mrs. Baker was fishing with a "crank" pole and live bait. "I didn't have the slightest idea of catching anything like that. It sure was a thrill to catch that fish," Mrs. Baker declared.

Eaton Says Next Congress Job Is UN Strengthening

WASHINGTON, July 5, (AP)—The next foreign policy job ahead of Congress, Rep. Eaton (R-NJ) said today, is to help put big muscles in the United Nations.

Russia is aiming now for domination of the Orient and Far East, the chairman of the House Foreign Affairs Committee told a reporter. Only an effective United Nations, he said, can stop the drive of Communism "before the world goes back to the law of the jungle, tooth and claw."

The tall, white-haired congressman said legislation to strengthen the U.N. will have top priority when the new 81st Congress begins work in January.

Eaton is a veteran of 24 years on Capitol Hill. He was one of the key strategists in getting the European Recovery Program approved by Congress, and was chairman of the special house committee that studied economic conditions in Europe last summer.

The economic recovery act, which had more than \$6,000,000,000 on the line as first payment toward restoring such economies in Europe and China, "is undoubtedly the most important law ever passed by Congress," Eaton said.

But, to carry on the job begun by economic help, he added, "the United Nations must be made strong."

A bill outlining charter changes to improve the working of the U.N. was on the House calendar when Congress adjourned in June. It had the full backing of Eaton, but was never called up for debate.

Eaton said he considers the Orient and Far East an even more dangerous area, from the standpoint of growing Communist activity backed by Russia, than European countries in which Communism has had a foothold for many years, he said.

"Communists are working prodigiously in the Malayan peninsula, in Burma and Indonesia, and are raising all sorts of trouble in Pakistan. They have split Korea; they have butchered Manchuria."

Wild Motorcycle Hits Quiet California City

RIVERSIDE, Calif., July 5, (AP)—This generally quiet Southern California city braced itself today for a third and final round of wild motorcycle racing.

The Fourth of July, which started Saturday and continuing yesterday, resulted in the jailing of some 15 freewheeling speedsters here to participate in an amateur dirt track racing meet at nearby Box Springs.

Sheriff Carl F. Rayburn, who invited the motorcyclists to hold the event here, was one of the victims of brawls which engulfed the weekend.

When he remonstrated with a group of riders speeding down main street, they punched him and nearly tore his clothing off.

Panama Is Put Under State Of Emergency

PANAMA, Panama, July 5, (AP)—This country was under a declared state of emergency today because of political clashes that cost three lives over the weekend.

The government issued the declaration yesterday. It also suspended constitutional guarantees and called the national assembly to meet Friday for a five-day emergency session.

Three persons were killed and more than 20 wounded in two fights Saturday night. Two of the fatalities occurred in a gun-fight between police and supporters of presidential candidate Arnulfo Arias Madrid. The third took place in a raid made by members of the Liberal (Government) Party on headquarters of Arias' party.

BOMBAY RIOT

BOMBAY, July 5, (AP)—Twenty-nine persons were killed and at least 63 injured in Hindu-Muslim rioting here last night. A majority of the victims taken to the morgue appeared to be Hindus.

The fiercest fighting occurred in Mahabowli where police opened fire to disperse rioters. Order was restored in Bombay today.

THE WEATHER

Considerable cloudiness through Tuesday with scattered afternoon and evening thundershowers.

with the advantages secured. "Four dollars for a monopoly on a work for 28 years, which is what a copyright ensures, is small in a market which has become the largest in the world for literary and artistic products," he says.

Sam Bass Warner, registrar of copyrights, a former professor of criminal law at Harvard University, says the number of copyrights registrations increased from 154,424 in 1936 to 230,000 last year.

"This great increase," he says, "is due primarily to a marked growth in the number of musical compositions and periodicals, the two classes which together account for more than half of all registrations."

"Musical compositions have increased 100 percent to 63,367, a figure eight times as large as the number of books. The expansion is presumably an outgrowth of the development of the radio."

Mr. Warner says the most important decrease is in the number of registrations of books. He believes this is due to the war.

Elsie Ratliff Wed To Thomas Wight Mero

In a ceremony marked with quiet simplicity Elsie McWhorter Ratliff, daughter of Mr. and Mrs. H. F. McWhorter, became the bride of Thomas Wight Mero, son of Mr. and Mrs. P. A. Mero on Friday afternoon at 4:00 o'clock at the First Baptist Church, Dr. W. P. Brooks, Jr. officiated at the ceremony. Arrangements of white gladioluses, asters and fern were placed against a background of greenery to form a lovely setting for the wedding.

Prior to the marriage service Mrs. Evans McCooy, organist, rendered a program of musical music and the wedding march by Lohengrin and Mendelssohn were used. Mr. McCooy was the soloist and sang "Because" and "O Promise Me". Mrs. McCooy softly played "Claire delune" during the exchange of vows.

The bride, who entered the church on the arm of her father, was attractive in a street-length gown of soft blue crepe fashioned with a high neckline finished with a small rolled collar. A yoke was outlined with scallops and the dress featured a very full skirt. She wore an all-over face hat of white straw trimmed with white veiling, white lace gloves and white accessories. Evening her corsage were Brazilian alchemia miniata.

Her maid of honor and only attendant was Miss Catherine McNeill. She was dressed in dusty rose crepe and lace with which she wore white accessories. Her corsage was of sweetheart roses.

Serving as best man for the bridegroom was his brother, William Henry Mero, U.S.N., and others were Ralph Wight and Doyle McWhorter. For her daughter's wedding Mrs. McWhorter wore a two-piece blue crepe dress with white accessories and a purple orchid pinned to her corsage. Mrs. Mero, mother of the bridegroom, was dressed in white silk jersey and she also wore a purple orchid.

Following the wedding a small reception was held at the McWhorter home on the Country Club Road. Graceful arrangements of white gladioluses, Easter lilies and greenery were used in decorating the reception room. The bride's table was overlaid with lace cloth and at one end of the table was placed a crystal punch bowl with three tiered wedding cake being placed at the other end. The table was centered with a low arrangement of white asters and fern.

Guests were met at the door by Mrs. C. R. Kirtley and Mrs. Fred Britt cut the punch bowl were Mrs. Al Wallace and Miss Mildred Williams. The bride's book was lent by Miss Minnie Ruth Odham and assisting with serving and entertaining was Mrs. Roy McWhorter of Euclid.

Late in the afternoon Mr. and Mrs. Mero left for a short wedding trip and upon their return to Sanford they plan to make their home at the Lecher apartment on Magnolia Avenue.

Out-of-town guests for the wedding included Mrs. J. M. Jackson and Sally, Nancy and Wesley of Crescent City, John Tomat of Savannah, Ga. and Mr. and Mrs. Roy McWhorter and son, Jimmy of Euclid.

Mrs. Mero is a native of Umatilla and moved to Sanford at an early age with her family. She attended Sanford schools and is a graduate of Seminole High School. She has been employed by the Sanford Atlantic National Bank for the past two and one half years. Mr. Mero received his early education in Sanford after which he attended Columbia Military Academy in Columbia, Tenn. He served for three years with the United States Navy during the war most of that time being spent in the Pacific Theater of Operations. Following his discharge he attended Stetson University and is now associated with the Wight Grocery Company.

EARLY FOURTH
STILLWATER, Okla., July 5.—Fireworks merchant Jimmy Hoke had his fourth of July two days early last Friday. And no one can say Stillwater didn't get a big bang out of it—firecrackers, Roman candles, sky rockets, pin wheels and all. It began—and ended—a few seconds after the hired boy at the fireworks stand found he didn't have a knife to cut that heavy piece of string around a bundle of firecrackers. He tried to burn it through with a match.

Hollywood

By BOB THOMAS

HOLLYWOOD, July 5 (AP)—Holiday quotes and comments—Robert Montgomery, telling why he hesitates accepting a World War II film for which he was announced:

"The script was written during the war and needs a thorough rewrite. Picture about the war made during wartime are necessarily recruiting posters. Nowadays, such films would look silly on the screens. In the postwar period, we can show the weaknesses of the military services, and by giving a more accurate view, we show their strength."

Comment: That explains why the war films made in 1911-15 were generally poor drama, no matter how stirring they seemed for the national welfare, script writers were shackled from presenting anything but the most favorable view of the services.

At the start of the war, Edmund Lowe and Victor McLaglen were planned for a re-teaming in their famous Quirt and Flagg combination. The Marine Corps turned thumbs down. The leatherneck cut-ups of "What Price Glory" were to undergo for the modern corps.

The best artists of the war era, when creators can show things with clear eyes. This can be hoped for the new wave of Hollywood war films—"Command Decision," "Fighter Squadron," "12 o'clock High," etc. Some of them will point out the errors of the brass which of course would not have been permitted in wartime.

Betty Hutton, on why she refused the "Ruggles of Red Gap" remake:

"You have to be very careful these days. The public is shopping. One bad picture and you're cooked."

Comment: As says Miss Hutton points out, movie audiences are getting tougher. They want their money's worth from a theater ticket and when they get stung on a flop, they blame it on the star of the film. That's why many top stars are quaking in their golden slippers these days.

There have been too many bum pictures with big names. Robert Young, on why he took a role in "Sitting Pretty":

"I knew before we started shooting it would be Clifton Webb's picture. But I'd rather share credit in a hit than be the center of attraction in a flop."

Comment: That explains why Young has stayed on top so long. Nothing is so contagious as success in Hollywood, and nothing

is so deadly as failure. James Stewart, on why he has worked so hard since he left the Army:

"Competition is plenty keen out here. There are lots of guys after your place. You can't let up for a minute."

Comment: Jimmy had a rough time getting back to his prewar position. Despite his fine war record, the public wasn't too inter-

ested in him and his first postwar film failed to show a profit. Jimmy pitched in and got himself before the public again and now is able to take a well-deserved vacation.

Cary Grant, on the movie star profession:

"Don't let anybody kid you that it's hard work. Working hours are easy, the pay is good and the surroundings pleasant."

Israel Rejects Bid For Peace In Palestine

Jews Object To Placing Jerusalem Under Arab Control; Haifa As Free Port

CAIRO, July 6, (AP)—Israel today formally rejected Count Folke Bernadotte's Palestine peace proposals. Neither Arabs nor Jews gave a definite reply on the United Nations mediator's bid for an extension of the Holy Land truce.

Israeli Foreign Minister Moshe Shertok handed Bernadotte a 1,000-word reply to the mediator's proposal to turn Jerusalem over to Arab rule, make Haifa a free port and regulate immigration.

The reply said Israeli leaders were deeply wounded by the Jerusalem proposal. The Jews expressed emphatic opposition to any restriction on immigration, and urged Bernadotte to reconsider his whole approach to the problem. This latter was taken as an indication that the Jews are willing to extend the truce if new talks develop. The truce expires Friday.

A dispatch from Tel Aviv last night quoted an Israeli government spokesman as saying 27 cabinet members voted against the Bernadotte proposals and four abstained, after a three and a half hour cabinet session.

Bernadotte planned to leave Tel Aviv for Cairo tonight to resume conferences with the Arab and Jewish leaders.

Benes Lauded By Czech Marchers; Gottwald Snubbed

PRAGUE, Czechoslovakia, July 6, (AP)—Cheerful crowds today thronged the streets of Prague today from the throats of 80,000 marchers in the Sokol congress parade. Klement Gottwald, the Communist premier who succeeded Benes, got silent treatment.

There were cheers also for Yugoslavia and Premier Marshal Tito, denounced recently by the Communists as a heretic from the Marxist-Lenin line.

"We have no true republic without T. G. Masaryk and Benes," the marchers chanted as they thronged through central Prague in the rain.

Masaryk was founder and first president of Czechoslovakia. His son, foreign minister Jan Masaryk, plunged to his death soon after the Communists seized the country. Benes resigned recently without signing the new Communist constitution.

Sokol members shouted "Long live brother Benes!" but there were no cheers for Gottwald. The marchers passed coldly by the reviewing stand in the old town square where Gottwald spared the drive for Communist power last Feb. 22.

Seaman Questioned In Death Of Young Girl

SEATTLE, July 6, (AP)—Authorities planned to renew their questioning today of a 26-year-old merchant seaman held in connection with the "hide-and-seek" death of nine-year-old Ellen Jane Fulwiler.

The seaman, a 40-year-old woman with whom sheriff's officers said he had been living, and a second man, also 40, are being held. All have denied any knowledge of the crime.

The body of the fourth-grade school girl was found Sunday afternoon in a brushy section of a north and park where she had been playing hide-and-seek with her younger sister and a 12-year-old playmate.

Gashed about the lips and chin and heavily bruised, the girl's body was partially covered by ferns and leaves. Death resulted from suffocation.

Truman Cheered By News Of Ike's Refusal To Run

President Sure General Was Only Menace To His Victory

ABOARD TRUMAN TRAIN ENROUTE TO WASHINGTON, July 6, (AP)—President Truman sped back to Washington today with what his aides said was the feeling that the rug had been pulled out from under opponents of his nomination.

They reported Mr. Truman was convinced General Dwight D. Eisenhower's assertion he cannot accept nomination for public office had removed the only dangerous threat to his first-ballot selection at the Democratic Convention in Philadelphia.

Mr. Truman had retired for the night aboard his private car when it reached St. Louis shortly before midnight. A telegram from the Associated Press to this staffer aboard the presidential special train was the first word Mr. Truman had of Eisenhower's action.

The reporter sent the telegram to the president via Brig. General Wallace H. Graham, the White House physician. Graham returned with his comment from the President: "General Eisenhower is an excellent man."

SHANGHAI, July 6, (AP)—Winds up to 80 miles an hour whipped Shanghai today, toppling radio antennae and power lines in the suburbs, but causing only minor damage in crowded Shanghai harbor.

AMERICAN LEGION, PTA Leaders Pledge Federal School Aid Fight

By RICHARD H. SMITH

CLEVELAND, July 6, (AP)—The American Legion commander and the head of the National Congress of Parents and Teachers today pledged to help the National Education Association get a federal-aid-to-schools bill through Congress.

The legion, said National Commander James F. O'Neil "stands four-square behind proposed legislation to extend federal financial support for schools."

"More specifically," he added, "I favor that Congress be recalled into session this summer to take up and pass legislation for federal aid to schools and to resolve other major issues neglected during the regular session."

A Senate-approved measure to provide federal aid for equalizing educational opportunities failed to reach the House floor for consideration in the 1948 session. That failure evoked widespread criticism as the five-day meeting of 3,500 NEA delegates from every state and territory opened here yesterday.

Mrs. Mabel Williams Kingfisher of Arlington, Tenn., national PTA president, pledged her organization to "work shoulder to shoulder" with the NEA's 440,000 members, "resolutely determined that what has happened to American education cannot and must not happen again."

Glenn E. Snow, NEA president and head of Dixie Junior College at St. George, Utah, estimated 35% as the minimum needed for each child in a school year.

Snow keyed the 86th convention last night. He summarized problems before the delegates.

Holiday Death Toll Soars Past 500 Mark, Higher Than In 1947

By ASSOCIATED PRESS

The nation's death toll in violent accidents over the three-day Independence Day holiday soared far past the 500 mark today and higher than the total of 1947.

Four persons lost their lives in fireworks accidents. An undetermined number of persons suffered injuries in fireworks mishaps.

A final survey of accidental deaths from 6 P. M. local time Friday until last midnight showed:

290 persons killed in traffic accidents; 181 drowned; 60 fatally injured in miscellaneous accidents; and four deaths from fireworks.

The toll of 550 compared to 346 killed in accidents over the three-day Fourth of July holiday last year. The 290 fatalities resulting from accidents on highways were more than the 235 estimated by the National Safety Council.

Clear skies and hot weather lured millions to lake resorts and vacation lands. The council had estimated 30,000,000 cars would be traveling during the three days. The traffic deaths compared to 264 last year, while the 184 drownings compared to 114 in last Independence Day holiday in 1947.

Only two of the 48 states—New Hampshire and South Dakota—reported no accidental deaths. Pennsylvania had the heaviest state toll—44, including 23 traffic fatalities; 14 drownings; six deaths from fires and one from a fireworks accident. California, Iowa and Oregon each reported one death from fireworks.

Michigan followed Pennsylvania in total violent deaths—36, while 35 lost their lives in California in accidents. Ohio's toll was 31. New York's 27, Illinois' 22 and Texas' 20.

The deaths by states, listing traffic, drownings and miscellaneous accidents, are as follows:

ALABAMA, 1; ALASKA, 1; ARIZONA, 1; ARKANSAS, 1; CALIFORNIA, 44; COLORADO, 1; CONNECTICUT, 1; DELAWARE, 1; DISTRICT OF COLUMBIA, 1; FLORIDA, 1; GEORGIA, 1; HAWAII, 1; ILLINOIS, 22; IOWA, 1; KANSAS, 1; KENTUCKY, 1; LOUISIANA, 1; MAINE, 1; MARYLAND, 1; MASSACHUSETTS, 1; MICHIGAN, 36; MINNESOTA, 1; MISSISSIPPI, 1; MISSOURI, 1; MONTANA, 1; NEBRASKA, 1; NEVADA, 1; NEW HAMPSHIRE, 1; NEW JERSEY, 1; NEW MEXICO, 1; NEW YORK, 27; NORTH CAROLINA, 1; NORTH DAKOTA, 1; OHIO, 31; OKLAHOMA, 1; OREGON, 1; PENNSYLVANIA, 44; RHODE ISLAND, 1; SOUTH CAROLINA, 1; SOUTH DAKOTA, 1; TENNESSEE, 1; TEXAS, 20; VERMONT, 1; VIRGINIA, 1; WASHINGTON, 1; WEST VIRGINIA, 1; WISCONSIN, 1; WYOMING, 1.

The proposed Jaycee budget includes \$4,800 for tourist promotion, \$1,900 for administrative expenditures and \$1,100 for other outlay including community projects and youth welfare.

The tourist promotion budget includes \$2,200 salary outlay for operating the Tourist Information Booth, \$250 maintenance costs and \$100 for other outlay.

Boy, 18, Killed While Making Firecracker

AMBLER, Pa., July 6, (AP)—Edward Foulkes, Jr., 18, was killed yesterday while attempting to make a giant firecracker with a piece of pipe and some chemicals. Corner W. J. Rushong of Montgomery county said.

Rushong said the youth, son of a prominent attorney, had gone to an estate at nearby Blue Bell with three other boys.

The coroner said the four purchased some chemicals and dragged the pipe onto the estate lawn. After they had put the chemical in the pipe, young Foulkes started jamming in some paper when the mixture exploded, Rushong said.

Foulkes was taken into the house on the estate but was pronounced dead on the arrival of a doctor. The other youths were not hurt because they were out of range of the flying particles of pipe, Rushong said.

50,000 Miners Strike Due To Contract Row

Mines In 2 Leading Coal States Are Idle Causing Loss Of Steel Production

PITTSBURGH, July 6, (AP)—A walkout embracing 50,000 of the nation's 400,000 bituminous miners was launched today in the two leading coal states—West Virginia and Pennsylvania.

Most of the idle were miners protesting lack of a contract in steel company captive mines. The rest were commercial coal diggers in Western Pennsylvania who stayed home in sympathy.

Steel production was hit at once. The Carnegie-Illinois Steel Corp., a U. S. Steel subsidiary, announced at Pittsburgh the banking of at least eight blast furnaces and 28 open hearths. Its West Virginia output at Youngstown, O., was cut in half.

Captive mines all in West Virginia included those of the American Rolling Mill Co.

Overall coal production in western Pennsylvania, which employs 50,000 miners, was only 20 per cent of normal.

The big U. S. Steel Corporation reported all 14 of its Pennsylvania mines employing 11,000 men, were idle, causing a daily loss of 55,000 tons of coal.

Among other captive mines closed were those of the Jones & Laughlin Steel Corp. and the Westinghouse Electric Co. mines are those whose output goes to a parent firm, like a steel company.

The Western Pennsylvania Coal Operators Association reported commercial coal production in the Pittsburgh-Youngstown area was only one-third of normal, with 30 pits and 10,000 men idle. The output of commercial mines is sold on the open market.

Commercial producers hit hard included the Pittsburgh Coal Company, which reported 14 of its 17 deep mines in Pennsylvania closed. With 3,500 men idle, its daily production loss was 24,000 tons.

The captive miners stayed away from work because of lack of a new contract because of a union shop clause.

The majority of the 50,000 bituminous miners had a new contract from commercial coal operators granting a \$1-per-day pay raise.

The walkout actually was a extension of the 10-day miners' vacation which ended yesterday. The captive miners held to the old contract.

Removal Of Burned Dock Piling Has Begun

Work of removing piling of the burned out St. Johns River Line dock is proceeding under direction of Otto Caldwell, company manager.

Mr. Caldwell's terms with the city in the municipal purchase of the waterfront site of the dock specify a time limit on Nov. 1 to complete the work.

City Attorney Fred R. Wilson is reviewing an abstract of the original site that goes back to the original Spanish grant, also records of conveyance to 1893 from trustees of the Florida Land and Colonization Company to Adolph Du Barry of New York City. The description reveals that at that time Lake Monroe came within 100 feet of Commercial Street.

FLORIDA ACCIDENTS

TALLAHASSEE, July 6, (AP)—Director H. N. Kirkman of the State Highway Patrol reported six persons were killed in Florida traffic accidents over the Fourth of July weekend, compared with 26 last year.

There were 111 accidents on the highways from July 3 through July 5, in addition to the six dead, 104 were injured.

Hillsborough and Polk counties had the most accidents, nine each. Twelve were injured in Hillsborough, nine in Polk. Dade county reported four injured in seven accidents and Duval had only one injury in three crashes.

There were three deaths in Putnam county and one each in Hardee, Gadsden and Howard.

VICTIMS 'CYCLE

RIVERSIDE, Calif., July 6, (AP)—As the last of "those wild motorcycle boys" chugged off, citizens of Riverside began sweeping their way today out of the dust and debris.

Signs of relief were audible on all sides, but perhaps the loudest came from Sheriff Carl P. Rayburn, sponsor of the three-day meet, which disrupted the city.

"That's the last time I'm inviting the motorcycle crowd," said the sheriff. "I don't think it's a good thing for a little town like Riverside."

Shrine Leader

Illustrious Potentate Warren L. Jones of the Morocco Shrine of Jacksonville is cooperating with Sanford Shrine Club President Edward F. Lane in planning an annual Shrine ceremonial here on July 14.

1,500 Shriners To Be Here For Meet Wednesday

Program Includes Parade, Concert, Evening Entertainment

Plenty of excitement and entertainment is due here on Wednesday, July 14, when more than 1,500 red-capped Shriners are scheduled to visit Sanford for the first Shrine Ceremonial to be held here since 1926, it was announced today by Edward F. Lane, president of the Sanford Shrine Club.

The program is being arranged by the Sanford Shrine Club in cooperation with Morocco Temple of Jacksonville, and will include a parade at noon, a band concert and entertainment in the evening, and the ceremonial program of the Shriners at Semnole High School Auditorium during the afternoon.

Officers of the Sanford Shrine Club who are cooperating with Mr. Lane in preparing the program include E. G. Kilpatrick, vice-president, and J. A. Howard, secretary-treasurer.

Representing the Morocco Shrine will be Illustrious Potentate Warren L. Jones, who is expected to arrive here early from Jacksonville with other members of the Shrine on the day of the program to see that everything is in readiness.

"On that day we will be honored with the presence of Imperial Assistant Rabbah Roland D. Baldwin," Mr. Lane announced. "This will be the first time in Sanford."

Movie Career Of Carole Landis Comes To End By Her Own Hand

LOS ANGELES, July 6, (AP)—The glamorous movie career of actress Carole Landis came to an abrupt end yesterday with the finding of her body in the bathroom of her Pacific Palisades home. Police said she had taken her own life.

Clutched in her hand was a satin ribbon with the Lord's Prayer imprinted in gold lettering. On a nearby dresser was a final note addressed to her mother.

Captain of Detectives Emmett Jones said: "This is definitely a suicide." The detective said there were four bottles of sleeping pills in Miss Landis' bathroom and dressing room. He said an empty bottle was found near the body.

Capt. Jones reported the beautiful blond actress, 29, had died perhaps 12 hours before she was found by film actor Rex Harrison, who said he had been unable to reach her by telephone regarding a business matter.

The officers said a maid was in the home but had thought Miss Landis was still in her bedroom and did not notice the body huddled in a corner of the bathroom.

Miss Landis left a note, written on her own stationery, which read as follows:

"Dearest Mommie—
"I'm sorry, really sorry to put you through this but there is no way to avoid it—I love you darling, you have been the most wonderful Mom ever—and that applies to all our family. I love each and every one of them—dearly—everything goes to you—look in the files and there is a will (Continued on Page Six)

Red Plot Exposed To Drive Western Allies From Berlin

German Reds Are To Create Incidents For Intervention

PARIS, July 6, (AP)—The French foreign office announced today it has received from the British embassy documentary evidence of a Russian plot to drive the Western Allies from Berlin.

The foreign office said that Communists in Berlin were instructed by Moscow to touch off incidents which would cause intervention by Soviet forces.

Similar information has come from French officials in Berlin, the foreign office added. Neither the British nor the American embassies here would comment.

French diplomatic informants said the Kremlin has ordered demonstrations leading to street fighting which would give Russian troops a chance to intervene and occupy all Berlin.

Referring to a statement carried by the conservative Paris newspaper L'Espresso, which claimed to have a copy of the Soviet order, one source said: "I cannot vouch for that particular communique, but everything in it is true."

The communique, which L'Espresso said was issued to German Communists in Berlin by the secretary general of the party there, ordered the "disorganization" of electrical power and other essential services.

The newspaper's account was written by Roger Massip, chief of the foreign service of L'Espresso. The radical Socialist Paper L'Aurore carried about the same information.

800 Attend Oviedo's Independence Affair

Oviedo Memorial Post of the American Legion was host yesterday to more than 800 visitors at the Oviedo Independence Day celebration at Sweetwater Park.

Speakers at the gathering included Sixth District Legion Commander George W. McGowan of Kissimmee, Mayor Frank W. Taylor of Oviedo, Representative J. Bradley Odham and Phil Packard, commander of the Oviedo post.

The program included dancing, swimming and a baseball game. The swimming pool was reopened after purchase of a chlorinator by the Legion Post, was a popular spot for the youngsters.

C. R. Clonta, county commissioner, today termed the celebration one of the best that he had ever attended.

MISS RIVERS IMPROVES

The condition of Miss Catherine Rivers, who was injured in a fall from a house while racing New Smyrna Beach three weeks ago, has improved to the extent that she was brought home Sunday. Her doctor, however, has from the New Smyrna Hospital advised that she be permitted absolute rest, and not allowed to see visitors during the next two weeks.

RATES INCREASE

TAMPA, July 6, (AP)—The Florida Railroad and Public Utilities Commission took under advisement today a request by the Gulf Coast Motor Lines of Clearwater to increase its general passenger rates nearly 14 percent.

C. R. Wickman, manager of the line, told the commission the increase did not apply to commuter rates for regular passengers.

No protests were heard at the hearing, but Joseph S. Waite, Tampa agent for the Florida Greyhound Lines, said his company "has no objection if similar increases were granted Greyhound."

ARMY RECRUITING

Recruiting in the Army has stepped up a pace during the next month, and M. Sgt. Roland Keltz announced this morning at the Court House that he is looking forward to increased recruiting during the present month.

THE WEATHER
