Drugioss Hoalth I

REGARDLENN of how long you have been a sufferer, and how many medicines you have tried before, you can now hope for relief if you live OEO-MINERAL, the wonderful mineral aid. Feel and enjoy the results one week after you start taking it, GEO-MINERAL comes from the earth — Nature's laboratory. Contains NO sleenth NO preservatives, NO oll. NO harmful drugs, NO dope — is NOT habit forming. Contains ONLY Nature's minerals, the oldest, most reliable remedy for rheumalism, artirils, kidney and stomach aliments — highly recommended by the medical profession.

FOR THOUSANDN of years ever since Hipocrates was the father of medicine, minerals and other natural medicines were a reliable remedy for most of our common aliments. GEO-MINERAL will enrich your blood, help to make you strong, full of pep. life and energy. If you suffer from mitritional anemia, nervousness, lack of vitaitty and energy see what GEO-MINERAL will do for you.

Amazing Results Drugless Health!

"We have said tien-Mineral for the first als months and it has been one of the heat selling drug items we have ever handled"—say Forter Bros., pharmarists of Concord, N. C. Affers remore amoring results in many instances, and we personally believe dien-Mineral is a good medicine for purposes as indicated, and recommend it for sufferers who have tried other medicines with sittle if any results. They may discover that the Amorel is what they have probably been needing and tooking for — we unhealtabilingly recommend it."

MEDICAL records show 65% of men and women over 35 suffer from nutritional mineral-iron anemia. When you feel nervous, dull, tired, lasy, have dizzy spells, no ambilion to work or play, a poor appelite, when your eyes lack that bright spark, and your mind brilliance, when headaches get the best of you, and you feel old before your lime, and iffs seems not worth living, with worry wearing you down—it may be simply lack of minerals in your blood. GEO-MINERAL is then what you need.

your blood. GEO-MINERAL is then what you need.

RHEUMATHM, a rt hrit is are dreadful diseases. Acid coddition in the blood is often their cause. What could be the remedy? For thous ands of years, minerals have been used to relieve the pain and suffering of these ills. People, on the advice of their doctors, go to mineral springs to find cure, or relief. The late President Roosevelt used to go to Warm Brings in Georgie. He was helped or would not have gone there twice a year.

# Truman Keeps Watch On 2 **World Crises**

Tight Lid Is Clamped On Chiang Appeal For Statement Of Support For China

My ERNEST B. VACCARO KEY WEST, Nov. 19, (/P) President Truman, nearing the end of his post-election vacation in the sun and warmth of the nation southernmost city, kept close watch today on international crises thourands of miles apart - Europe and China

The president's staff, however clamped tighter the lid of sense s. covering White Home consideration of Chiang Kai Shek's appeal for a new statement of encouragement and support for the Chinese na tional government, and was ident likewise on a wealth of questions raised by other crises abroad

The New York Times, however. said in a story from Nanking that Chinng asked for a strong state ment from the United States on its future moral and material aid, as well as for a more vigorous parti-cipation in China's war effort and for the immediate increase of its material aid to China

Mr. Truman's reply, the Cones story said, pointed out this coursey was speeding up its shipment of military supplies to China, but made no commitments beyond the present \$400,000,000 program The flight here yesterday Secretary of Defense Forcestal for a 45-minute conference with the Chief Executive was disminuted as simple visit by the Detense Secretary to submit a 10-page mentioned the Peace Edgler)

### Russia Claims

(Continued From Page One) of the General Assembly that the In Political Ring United States and Britain are car ying on a "mad armaments race" against Russia. In both countries, he said, there is a "war psychosis" against the Soviet Union.

Russia was asking a one third reduction in arms by the five leading powers. The United States called! the proposal "almost irresponsible" and a "cruel deception." John Foster Dulles said the U.S. has under arms only 12 per cent or less of the number she had during the war. He said Russia has 35 to 55. must give a complete birth record of any individual to any person who applies for it. Thus, the fact that a child is illegitimate— has a birth injury— his mother had we're not boasting about it. We made our ontribution in the recent election. We're not boasting about it. We like the ambitious ministration war. He said Russia has 35 to 55 marks the ambitious ministration war. He said Russia has 35 to 55 marks the ambitious ministration war. He said Russia has 35 to 55 marks the fact hell. The said it in a precise, fleating the war on the campaign trail.

Generalissimo Chiang Kai-Shek's direct appeal to President Traman for an American policy statement to believe the morale of Chinese from an American policy statement to believe the morale of Chinese from the greatest crisis the Nanking and the of policy laid down in the greatest crisis the Nanking at the open to believe this but quite another accountry accept without as the greatest crisis the Nanking the greatest crisis the Southern Association of Student Councils convention at Murphy High School, Mobile, Ala. on Nov. 11-18, reported a funny twist to the twister: It proves the greatest crisis the first foreign power to recognize the fi the organized Communists in this country accept without anti-Communist forces arises from much intelligent questioning a line of policy laid down in the greatest crisis the Nanking Moscow. It is one thing to believe this but quite another government has yet faced in comthing to prove it. Most Communists give every indication of rebellion believing that it is only coincidence that their arguments are so strikingly similar to the so-called "party line" of the battling for its very life, and he

The French Communists are correspondingly earnest in declaring their innocence of any international plan. They now stand But that being so, why in declaring their innocence of any international plan. They should Chang appeal for moral content of the same international plan. are interested, they say, only in pressing the legitimate de- support at this critical juncture mands of workers for higher pay. Whether true or false rather than for material aid? they must make this claim, for it would be suicidal to admit taking orders from Russia.

Those who see danger in Communist organizations can go on looking for a chain of command between them and message, it can't wait for material Moscow. But if they find one, it will be because the Comin- assistance to be moved by slope form has failed in one of its purposes, which is to obscure across the sens Wellington Koo. that chain where it has been established.

### Future Possibilities

What a difference one election can make! Last June those Democrats who wanted to ditch President Truman! those Democrats who wanted to ditch President Truman ican expression of "sympathy, could find no one else who would be a reasonable possibility solidarity and support" In other for the nomination, except General Eisenhower and Justice words, the Chinese want to know led the panel.

The panel of the Douglas, both of whom refused. The general comment was that Uncle Sam is standing with on the lack of prominent Democrats.

The recent election has now served greatly to strengthen the influence of Senators-elect Hubert Humphrey of Minnesota and Paul H. Douglas of Illinois, Governors-elect Janching with Peng Bauch Fel-Adlai E. Stevenson of Illinois, Frank J. Lausche of Ohio, G. Chinese submet adviser and dele-Mennen Williams of Michigan and Chester Bowles of Con- gate to the United Nations, who necticut, former OPA administrator and Senator Pepper of is encoute from Paris to Manking Florida. Many of these are likely to be heard from in the lived in New York by air, and one Democratic National Convention of 1952.

It will be conceded generally that speculation is wasted was what America's policy was to tity, Flut, a vice president from least 350 feet from our place energy if President Truman should desire another nomina- be He explained that the morals Freeport, Texas and a secretary heard my wife cry out. But as tion in 1952, but unbiased opinion, if such exists in politics, of the hard-pressed Nationalist armies might collapse unless they seems to be that he probably will not do so.

### Peron's Latest

"Why don't I live in Argentina!" So office-holding members of American political machines may have thought if continentalists that other escaped they read of Peron's latest achievement there. A new law convicts also may have been lying has just been passed defining as libel "anything which offends the dignity of any public official, whether the article refers directly to the person, or by allusion to him or To make the law more perfect, it is forbidden to introduce begasted me for a minute, and I tation at Porto Alegre. viously prejudiced publication to the governmental organization of which he forms a part,"

With such a system it should be almost unnecessary for a dictator to have a Gestapo.

# Wall Street Broker
