Brotherhood circles take the view that the "first round" of post-war wage increases was the 18½ cents an hour won two years ago. For Trainmen and Engineers that first round came at the end of the brief rail strike of May. 1946. The second round was the boost last fall. The Engineers, Firemen and Switchmen contend they still are battling for the second round.

There has been talk among the conductors and the trainmen, and among the non-operating Brotherhoods, of seeking a third round this spring while many industrial unions are doing so.

Third Party Head Denounces President For Trying To Create "False Crisis"

WASHINGTON, Mar. 30-(P) Henry A. Wallace said today the Truman Administration created a "false crivis" and is deliberately leading the American people to-

ward war. "I charge," said Wallace, "au artificial crisis was deliberately manufactured to stampede Congress and the people into accepting Universal Military Training

and conscription." The Third Party presidential candidate denounced Administration policies in a 5500-word statement prepared for the Senate Armed Services Committee. The committee is hearing testimony for and against UMT and a temporary revival of the wartime draft to back the Administration's new

halt-Russia policy. Wallace's testimony was distributed to reporters several hours before Mr. Truman struck out anew last night at his ousted cabinet officer by suggesting that

he go to Russia.
