

Lake Monroe

The Lake Monroe P-T-A was called to order by the vice president, Herbert Thurston, in the home of Claude Hittall, president. Mrs. Brantly, led the devotional, after which Mrs. Irvin Smith, read the secretary's report, and Mrs. J. C. Muse, the treasurer's report.

Mrs. Herbert Thurston, reported on the Founders Day Program, to be held at the Northside School, Feb. 7, 8 p. m. Mrs. Walter Beckman will be the guest speaker. Several mothers volunteered to make cookies for the program, they are Mrs. Brantly, Mrs. Muse, Mrs. Hittall, and Mrs. Thurston.

The fifth and sixth grades were in charge of the program. A demonstration of the tape recorder was given and the sixth grade boys gave several experiments that they had learned in the science class. The meeting was adjourned to the lunch room. Fifth and sixth grade home room mothers were hostesses for the evening.

The 4-H club meeting was called to order Monday afternoon, by Janet Johns, president. Secretary Saven Payette gave the roll call. Two new young ladies, Geni Taylor and Vera Spivak, were welcomed. Vera Spivak gave the devotional while Mary Leger, and Margie Bungalow, led the group in singing. The group of young ladies made plans to attend the Tampa Fair, Feb. 9.

Mrs. and Mrs. Herbert Thurston, entertained with a birthday supper Saturday evening honoring their son Brian, on his ninth birthday.

Members of the family who helped celebrate the occasion were: Brian's grandparents of Mt. Dora, Mr. and Mrs. E. F. Goetz, and aunt, Miss Emilie Georg. Mrs. Henry Thurston, Sanford, Mr. and Mrs. J. B. Best, children, Sheila, and Chuck of Oviedo.

Committees Told, New Members Are Welcomed By Circle

At a meeting held on Monday afternoon at the lovely apartment of Miss Alberta Boyer, 2004 Magnolia Ave. Circle Number Two of the Women of the First Presbyterian Church, Mrs. R. C. Maxwell, chairman, new members were welcomed and committees were appointed for the ensuing year.

It was announced that a committee from Circle No. Two will serve at the Men's Supper to be held at the church at a later date this month.

Mrs. George Maffett opened the meeting with prayer and gave a "soul stirring" Bible Study lesson on "Our Responsibility". The thoughts of the church for the year 1957 will be concentrated on Christian Citizenship. Mrs. Maffett stated in part, "Do not forget God. How would we feel if he forgot us for just one week?" She further stated, "True Christianity should make our faces glow with radiant love and happiness and that we should stop and think how dismal our lives would be if we were denied the joys of salvation."

Mrs. Ralph Austin Smith presented the "Let's Talk About It" topic, namely "Christian Relations" and instructed those present in the use of the Workbook.

The February meeting will be held at the home of Mrs. J. C. Hutchison, Indian Mound Village.

Beautiful flowers and delightful refreshments added to the pleasure of the social hour. Miss Boyer was assisted in serving by her sister, Mrs. Lea Lesher, and the enjoyable and enthusiastic first meeting of the year was enjoyed by all.

Steeles Honor Son With Party On 4th Birthday

Mrs. and Mrs. R. F. (Bob) Steeles honored their four-year-old son Andy on his birthday with a wicker roast Saturday at their home on Herdall Ave.

Those invited to help Andy celebrate his birthday were Kay and Marwee White, Brent and Brenda David, David Wiggins, Gayle and Donna Sawyer and Mike Rudd.

Board Members Introduced At Meet

The board of the Seminole Memorial Hospital met recently in the conference room with Mrs. A. W. Epps Sr., presiding. Routine business and reports were heard. Mrs. Epps introduced new board members, Mrs. Theo Pate, hospital shop chairman to be assisted by Mrs. Phil Kessler; Mrs. Nancy Gray, sunshine chairman; Mrs. A. B. Peterson Sr., awards chairman; Mrs. Eileen Rector, co-chairman of the sewing committee.

Review Of 'Living Creed' Is Heard By Chapter Group

Mrs. Thomas Vaughn was hostess Monday to St. Catherine's Chapter, Woman's Auxiliary of the Holy Cross Church.

Mrs. Harry Cushing, president, led the devotional and presided over the business session.

Mrs. A. R. Key, promotion chairman, reminded the members of the annual Parish meeting to be held in the form of a covered dish supper tonight at 6:30 o'clock at the parish house with Mrs. F. A. Dyson in charge.

She also announced that the Chain of Missions will not be held in Sanford this year but all are invited to attend meetings in Orlando, Mt. Dora and DeLand early in February.

Mrs. John Gulesian gave a report as chairman of church periodicals. She stated that \$9 had been derived from magazine subscriptions and sent to the Diocese chairman and also that many late magazines had been taken to the Seminole Memorial Hospital.

Mrs. W. H. Stewart was appointed to receive all articles for the fall bazaar from members of St. Catherine's chapter. She also urged the ladies to save all food coupons, which will be used to secure more silverware for the parish kitchen. These should be given to Mrs. Lauren Johnson.

Mrs. John Gulesian, Mrs. Harry Lee Jr. and Mrs. Harry McLaulin represented the chapter in assisting with the mobile chest X-ray.

Mrs. McLaughlin, christian educational chairman, gave an inspiring review of the introduction of the book, "Living the Creed". The hostess later served coffee, sandwiches and cake to the following: Mrs. Cushing, Mrs. Ayette Pitta, Mrs. Harry Lee Jr., Mrs. J. Danforth Wright Jr., Mrs. J. St. Claire White, Mrs. W. H. Stewart, Mrs. G. D. Bishop Sr.

Mrs. Joseph Masters, Mrs. John Gulesian, Mrs. Henry McLaughlin, Mrs. E. A. Burdick, Mrs. John Jewell, Mrs. George Ford and Mrs. A. H. Kay.

Literature Program Is Given At Beta Sigma Phi Session

The home of Mrs. Sam Thurmond was the scene of the Beta Sigma Phi meeting held early this week.

Mrs. J. L. Horton Jr., chairman of the projects committee, gave a report on the Christmas gifts given by the society to the needy family "adopted" at Thanksgiving time.

The members were reminded of the talent party to be held Jan. 21, in connection with "Hi-Fever-Follies" to which members were urged to attend.

Mrs. Malcolm Lodge gave a very interesting group participation program on Literature.

Refreshments were served by the hostesses Mrs. Thurmond and Miss Jeanette Wilfer to the following: Mrs. Ralph Betts, Mrs. Harold Chapman, Mrs. Vernon Hardin, Mrs. J. L. Horton Jr., Mrs. Malcolm Lodge, Mrs. A. A. McClannahan, Mrs. C. M. Nichols, Mrs. H. B. Saxon.

Ike's Plan Blasted As Strive To Rule Mid-East

Bulganin En-lai Heard

MOSCOW (AP)—The premiers of Communist China and the Soviet Union today blasted the Eisenhower Doctrine as an American attempt to take over control of the Middle East.

Chinese Premier Chou En-lai, just back from a tour of Poland and Hungary, joined with Soviet Premier Nikolai Bulganin in calling for greater vigilance to combat the American plan.

They spoke to some 3,500 Muscovites in a "friendship meeting" in the white marble Supreme Soviet chamber of the Kremlin.

Bulganin warmly supported Red China's plea for a seat in the United Nations and for the "liberation" of Formosa. He suggested that Japan establish diplomatic relations with Peiping as it has with the Soviet Union.

Bulganin said talks which Soviet government and party officials had with Chou and his delegation showed "an absolute identity of views on current international problems."

Chou, in his speech, agreed. But he added that "at times not everything went well" in the relations of the socialist countries, "but all has been settled amicably."

The Peiping premier also remarked that the Chinese people, although following the road to socialism opened by Moscow, "are applying Marxism-Leninism, taking into particular account the characteristics of our country."

American correspondents were barred from the meeting, a move for which the press department of the Foreign Ministry declined to offer any explanation. But speeches by Bulganin and Chou were broadcast.

Community Chest Advantages Are Discussed By Panel

The advantages of "A Community Chest for Sanford" were discussed by three civic leaders at yesterday's luncheon meeting of the Civic Department of the Sanford Woman's Club.

The three speakers introduced by Mrs. Ralph A. Smith, sponsor of the program, were Miss Sallie Eastwood, Associate Director of the Orlando Community Chest, John Krider, County Commissioner and Manager of the Seminole County Chamber of Commerce, and B. L. Perkins Jr., president of the Sanford Merchants Association.

Krider, speaking as a representative of the local Chamber of Commerce, explained "the number of protests received from various merchants concerning the frequently of drives for funds made here."

"The total goals of the various local drives come to only \$36,482," he said. "I wish that one drive for funds could be started into one fund raising campaign for our city."

Perkins, president of the Merchants Association, said "After making a personal survey among the merchants and businessmen a majority have agreed that they would support a Community Chest drive 100 per cent."

Miss Eastwood, speaking for Capt. Roland, Commanding Officer of the Orlando Salvation Army told of the advantages of a Community Chest in their town. "We first sent out questionnaires from which a large percentage answered that they were in favor of the drive," she said.

"The time factor is important since a Community Chest drive does not require as many volunteer workers, more money is raised, and less expense is involved in taking collections," Miss Eastwood explained.

"BASEBALL IS THE GREATEST game in the world," George Barr (left) told the Sanford Kiwanis Club yesterday. Listening to Barr's talk are: Edwin Shinholser, Kiwanis Club president and Ralph Austin Smith, secretary. (Staff Photo)

Secretary Of Navy At SNAS Yesterday

Secretary of the Navy Charles S. Thomas arrived at the Sanford Naval Air Station late yesterday afternoon accompanied by the Deputy Chief of Naval Operations, Vice Admiral A. D. Felt.

The two high Navy officials had been aboard the aircraft carrier Forrestal and were enroute to Washington when they were routed to the Sanford station after being advised that the Jacksonville Naval Air Station was "weathered out" and no landing could be made there.

Secretary of the Navy Thomas and Vice Admiral Felt arrived at the Sanford Naval Air Station at 5:46 yesterday afternoon. They were picked up by a transport plane at 6:08 p.m. for their flight to Washington, D.C.

Kiwanis Club Hears Umpire's Experiences

"We have wonderful baseball fans here," George Barr told the Sanford Kiwanis Club at its noon luncheon meeting yesterday, "but in Japan they're so crazy about baseball they start playing at 4 o'clock in the morning."

"When the game is about to start," Barr related, "the two teams are lined up along the first and third base lines and bow to the umpire. Why they don't do it here I don't know."

Barr, an honorary member of the Sanford Kiwanis Club, related his experiences as an umpire prior to the beginning of his 21st year operating the George Barr Umpire School conducted each year at Longwood.

Negroes Sit Among Whites On Bus Enroute To Orlando

Two Negro students from Beaufort-Cookman College in Daytona Beach seated themselves among the whites yesterday afternoon after boarding a crowded Greyhound bus in DeLand, headed for Orlando.

The students, two girls, were enroute home during the break between semesters at the college.

After standing in the crowded aisle from DeLand to DeBary, the Negro girls seated themselves in the traditional white section after two white passengers left the bus.

The bus driver, stood up and looked down the aisle, apparently trying to ascertain if any white passengers were standing. There were none and the bus continued with the whites and colored mixed without incident.

On regular schedule the bus makes a stop in Sanford at the Greyhound Bus Station on ninth St.

Two Councilmen Sworn In By Mayor

ALTAMONTE SPRINGS — E. Martin Law and Hugo Wolf were sworn in by Mayor Lawrence Swofford at a meeting of the Town Council early this week.

Wolf is a holdover councilman, having been re-elected Dec. 4. Law, a new member of the council, fills the vacancy created by the termination of Donald Van Daley's one year term.

Other members serving are Horace Weltmer and Frank O'Brien.

The new council agreed to retain Town Attorney Wilson Alexander and two Negro employees, H. J. Epps and Willie Parker for the year of 1957.

Road Contractor, O. E. Fouracre, appeared before the council to ask for payment of \$7,023.05, contract price for paving on Turnbull Ave. and Beverly Dr. upon completion of the job which he anticipated this week. He was assured payment after inspection and okay of the job by Hugo Wolf, street inspector.

Paving assessment liens of property owners on Beverly Dr. and Turnbull Ave. paid before Feb. 15, 1957 will be considered cash after that date a levy of eight pct. per annum will be made against liens in arrears.

In other action, it was voted to have the annual audit of the Town Clerk's books made. Osborne and Green, a Sanford firm, was named to do the auditing.

No action was taken on the proposal of the Civic Club to assist in the purchase of a residence for the community.

Motion was passed to rezone all lots north of Grandview Ave. in Stewart's Subdivision and those in Oak Park lying south to provide a minimum of 800 sq. ft. living area for all new buildings.

A special meeting was set for Wednesday Jan. 30, at 8 p. m. at the Community House to hear complaints of this new zoning ordinance.

General Sanford's Books Forwarded From 'Homestead'

The collection of books of General Henry Shelton Sanford are being forwarded from his old home, "The Homestead" in Derby, Connecticut this week by his daughter, Mrs. Carola Sanford-Dow. They will be housed in the new Memorial Library in Fort Melon Park which has been completed by the City of Sanford. The Seminole County Commissioners and gifts from several individuals and organizations.

A Reception Committee has been appointed by General J. C. Hutchinson, Chairman of the General Sanford Memorial Library Association consisting of C. R. Dawson, Mrs. Fred T. Williams, Mrs. F. E. Roumillat, J. B. Root and members of the Sallie Harrison Chapter, N. S. D. A. R. These people have been studying the lists sent by Mrs. Dow and feel that the public should be informed of the character of this gift to the City.

There are 140 boxes of books, twenty-six of which contain bound copies of magazines of the 1860s, which will prove a treasure to all students of the period of the War between the States.

Reference books in six languages — English, Italian, Latin, Greek French and German covering subjects in Economics, law, biography, drama, science, poetry, history, novels and religion. There are dictionaries in the several languages, evidently very large as one box contains only three books.

The family Bibles of Mr. and Mrs. H. S. Sanford along with the prayer-books used by the Founders of Sanford are included in the collection in box No. 1.

Boxes No. 103 and No. 104 contain twenty-five volumes of ancient Latin books the oldest of which is "Ivris Civilis" A. Dio (Continued on Page 3)

Local USO Center Is Re-Dedicated

Amid gleaming red, white and blue candles, which flanked a huge birthday cake, and filled punch bowls, the Sanford USO Center at the Chamber of Commerce Building was re-dedicated last night.

On the program were Mayor David Gatchel, Capt. Robert S. Jackson, Commanding Officer of the Sanford Naval Air Station; Clifford McKibbin, president of the Seminole County Chamber of Commerce; Mrs. Selwyn S. O'Neill, Director, East Florida for United Services Organization; and John Krider, manager of the Seminole County Chamber of Commerce.

Mayor Gatchel welcomed the Navy men in the audience and said "You are a part of Sanford and we want you here. We will keep you here as long as we can."

Capt. Jackson, for the Navy personnel, expressed his delight over being in Sanford. He said "The United Service Organization fills a very necessary part in the lives of Navy men. The home-away-from-home is a pleasant place for Navy men to find relaxation and pleasure that otherwise would not be afforded."

Chamber of Commerce president Clifford McKibbin expressed the pleasure of the Chamber of Commerce for having had an opportunity to be of service to Navy people stationed at Sanford.

Mrs. O'Neill told the huge audience attending the re-dedication ceremony "The renovated and redecored building is just a start of the new things that we will see here."

She said, "Because of the interest that has been shown and the many changes and improvements made, I am sure that we can count on many new additions for the Sanford USO."

Annual Income Questionnaires Mailed To Vets

Annual income questionnaires have been mailed to veterans and widows and children of deceased veterans who are receiving pension, the VA announced today.

Those who receive the questionnaires are urged to fill them in completely and return them immediately to the VA office shown on the form, F. H. Hume, Acting Manager of the VA Pass-2-Grille Regional Office, said today.

Unless completed questionnaires are returned to the VA within 30 days, pension payments will be stopped, he stressed.

Questionnaires are mailed out yearly because disability and death pensions are subject to annual income limitations. The current questionnaires request data on 1956 income and anticipated 1957 income.

Pensions are payable to certain eligible veterans of World War I, World War II, and the Korean conflict period who are permanently and totally disabled from causes not connected with their services in the armed forces, and to certain widows and children of veterans of these wars who die of non-service-connected causes. In both cases, the annual income of those receiving pension must not exceed \$1,400, without dependents, or \$2,700 with dependents.

Hume said the only dependents allowed for a living veteran for pension purposes are a wife and minor children, and for a widow, children.

For income purposes, payments from VA for disability or death, including the proceeds of GI insurance, need not be reported.

However, all other payments, including gifts, income from employment, payments from commercial life insurance, Social Security, annuities, and retirement benefits must be reported on the questionnaire.

Those receiving pensions should report immediately any increase in income which would raise their annual income above the statutory limitations, Mr. Hume warned.

If a person receiving pension fails to notify VA promptly of an increase in income which raises annual income above the statutory limit payments will be discontinued retroactively to the first of the year.

This creates an overpayment, Hume said, and is subject to recovery by the Government.

If the person promptly notifies VA of such an increase, payments will be discontinued as of the date the last payment was made.

and no overpayment will result. Widows and children of deceased World War I veterans whose deaths were not connected with service in the armed forces may be eligible for pensions if their incomes do not exceed the limitations.

Widows and children of World War II veterans and those with service during the Korean conflict period (June 27, 1950 through Jan. 31, 1965) may be eligible for pensions if the veterans had service-connected disabilities for which compensation would be payable if 10 per cent or more in degree at the time of their deaths, even though they did not die of those disabilities. These survivors also are subject to the same income limitations.

Charities Will Receive Over \$5,000 From SOKC

The Sanford-Orlando Kennel Club is receiving more than \$5,000 from Seminole and Orange County charity causes as a result of the club's second annual Charity Night held Dec. 20.

Jerry Collins, operator of the track and originator of the unique charity program, announced the figures yesterday and said that checks are in the mail for the various charity organizations.

"We are happy to do our part for charity in this area," said Collins. "Our Charity Night was a big success for the second straight year and it is, of course, a permanent fixture in our operation here."

The exact amount being donated by the Sanford-Orlando track through Charity Night is \$5,043.97 which is split almost equally between the two counties. The track actually did not net this healthy sum from the racing program.

Charity Night, but Collins and his associates added in several hundred dollars to hike the total above the \$5,000 mark for the second straight year.

In Seminole County donations go to the Elks, American Legion Post 13, Disabled American Veterans, Veterans of Foreign Wars, American Legion, Longwood Medical Fund, Piles Club, Hospital Auxiliary, Police Fund, Red Cross, Heart Fund, Girl Scouts, Boy Scouts, Cancer Fund, Tuberculosis and Health Assn. and the Salvation Army.

The services and fraternal organizations receiving funds will administer them to rehabilitation and welfare projects.

Longwood P-TA Becomes P-TSA

LONGWOOD—The Lyman PTA has now become the Parent, Teachers, Student Association; P.T.S.A. At the regular meeting last night in the school auditorium, Lucy Moon, Kenneth Miller, Lee Norris and Doris Rabey were welcomed as members of the Executive Board.

During the business meeting, the membership voted to sponsor a Teen Club which will meet in the new cafeteria on completion.

Mrs. David McCoy, president, assigned W. J. Krohn and Leo Voakan to complete plans and details with parents and students.

The February meeting has been cancelled but members will participate in the county-wide Founder's Day program, Feb. 7, at 8 p.m. at Southside School in Sanford.

Room awards were presented to Mrs. Webster's fifth grade and Mrs. Thompson's sixth grade. Mrs. Kathleen Bucher was the winner of a telephone index as doorprize.

Two films were shown, "Fire Prevention in the Home" and "Chain Reaction" with Highway Patrolman T. Mark Mack giving a short talk on highway safety.

Church's Parish Meeting Held. New Vestry Men Named

By HELEN SNODGRASS

ENTERPRISE The annual Parish meeting of the All Saints Episcopal Church was held at the Parish House recently. The meeting was conducted by Dr. William Anthony. Annual reports were given and from hearing these reports one would say "All Saints Episcopal Church had a most successful year."

The following gifts to the church were announced and the secretary instructed to write letters of thanks from the group for them: Processional cross by Mrs. Robert Lee; Almas Basin by Mr. and Mrs. Sinclair White; Chalice and Paten by Mrs. Elizabeth Brockmeyer; Silver Labors by Mrs. Edward French; Chest of Drawers in Sacristy by L. M. Wright and the greatest gift of all during 1956, the Parish House, by Mr. and Mrs. Edward Alling.

New Vestry men elected were Frederick Cleveringer, Robert Cox, Wallace Gahler, David Parker, Arthur Willgoose, Henry Woods, Leon Wright, J. Sinclair White, and Earl Pickford.

Fathers' Night Is Held At P-TA Meet

By HELEN SNODGRASS

ENTERPRISE—Tuesday evening was the annual Father's night at the Enterprise P-TA preceded by a covered dish supper in the school auditorium with approximately 50 people enjoying the meal and social time together.

At 7:30 the regular business session was opened with Mrs. Harvey Dunn. The Fathers stayed through the meeting and many others came, making the attendance approximately 100. It was voted to purchase a film strip and a new record player for the school by the P-TA and also to have school pictures each year instead of every other year as has been the custom for past few years. Prof. Hayman will make plans and notify the children for the pictures.

Miss Minnie McAuley, of DeLand elementary school supervisor, was introduced and she spoke briefly on school art. The Eighth grade was the winner of room count by having more parents and friends present.

The program for the evening was under the direction of William Blakemore, scoutmaster of De Bary, who presented the history and some of the work of the Cub Scouts, Boy Scouts and was assisted by members of scout troops of Enterprise and De Bary.

Club Will Make Final Sweepstake Plans Tonight

A special meeting of the Sanford Boat and Ski Club will be held tonight at 8 o'clock at the civic building in Fort Mellon Park to discuss final plans for the "Celebrity Sweepstakes."

Everyone interested in helping make the event a success for Sanford is invited to take part in the meeting tonight.

The Sanford Boat and Ski Club is planning to make a boat racing event which will draw from 50 to 60 drivers and up to 150 boats an annual event.

Gray of Lake Mary, Mr. and Mrs. John Evans of Oviedo, and Mr. and Mrs. Neil Houston.

OFFICER RESIGNS AFTER 12 DAYS ON JOB

POSTTAC, Mich. 48—After only 12 days on the job, Les F. Cuyler, 27, resigned as Okla. County's traffic probation officer, it was announced today. He resigned when it was discovered his driver's license had been suspended for 60 days because of five traffic tickets.

First Federal Directors, Officers Named At Session

Yesterday at the twenty-fourth annual meeting of the First Federal Savings and Loan Assn. Howard Faville and J. H. Van Hoy were re-elected directors for three year terms. Subsequently at the directors meeting Faville was again named president and all incumbent officers were elected again.

The report which was covered in the session revealed a progressive and successful operation according to the president, indicating an increase in total assets of over 11 per cent. Loans outstanding advanced 13 per cent in the 12 months of 1955 and the year-end statement showed a 22 per cent advance over the one for December 1953.

Dividends paid on savings accounts came to over \$183,000 and were paid at the rate of three per cent a year. Beginning the first of this month the directors established a three and one half per cent a year figure payable on June 30. There were 2303 savings accounts on the books at yearend, which is 13 per cent above the 1955 figure.

The president commented on the exceedingly high demand for money in all brackets of the national economy and said that indications are that this "tight money" situation probably will prevail for most of this year. The shortage of money to lend is felt quite keenly in this area where expansion is running at an above average rate, it was said, but every effort was being made to attract savings to meet the demand.

Serving on the Board with Faville and Van Hoy are H. James Gut, E. C. Harper Sr., S. F. Doudney, George Touhy and A. Edwin Shinholzer.

Officers in addition to Faville are Harper and Doudney, vice presidents; George Touhy, executive vice president; Rosamond Chapman, secretary; treasurer, Maxine Ekern, assistant secretary and Shinholzer, attorney.

Local Farm Bureau Welcomes 10 New Members In Group

Ten new members were accepted in the Seminole County Farm Bureau at its last meeting held at the Future Farmers Bldg.

Principal speaker at the meeting was F. B. Longley, whose subject was "The New Coverages and Increases" in insurance where the farmer is covered on accidents and illness.

The resignation of Harold Faville, newly elected secretary-treasurer of the organization was accepted. No replacement was made at the meeting.

Also present at the meeting was Cecil Tucker, Seminole County Agent, and Ollie Williamson, Farm Bureau insurance agent.

Books of the organization were found to be in order following an audit which was completed recently.

Charles Lawson presided at the meeting which followed a chili supper.

More than 500,000 men per year are acquiring a reserve obligation under the Reserve Forces Act of 1955.

Masonic Officers Are Installed In Ceremonies

By Marion Jones

OVIEDO—One of the nicest affairs to be held in Oviedo thus far was the open installation of the Masonic officers for Oviedo Lodge No. 24 for the ensuing year.

Robert G. Williams and his committee did a bang-up job on the delicious chicken and yellow rice dinner served at 7 p. m. preceding the installation ceremonies.

Arriving early we saw Pat and Melanie Jackson, Carol Parker, Phyllis Clemanec, Ann Landy and Gladys Alford all dressed up in pretty evening dresses ready to help with the serving.

As the Masons arrived from their hall across the street from the city hall, we greeted many old friends, among them Charles R. Lucas, Grand Master of Florida, who hails from Winter Haven. As the crowd gained in number

Congratulations To Hospital Auxiliary For Job Well Done

One of the great surprises of the year came at the annual meeting of the Women's Auxiliary of Seminoles Memorial Hospital recently. It was there, in the awarding of pins and trays that the announcement was made that ladies of the Women's Auxiliary had contributed 12,618 volunteered hours on duty at the hospital in one capacity or another.

Economic Wave

Many Americans seem to cling to the naive idea that, because our prosperity is now riding the crest of a high wave, it is destined to go on doing so forever. Economists, and people who remember something besides last year's weather, know better. They know that economic waves sometimes favor and subside, for reasons not yet clearly understood.

The big danger, in a period such as we are enjoying, is inflation. This danger was heavily underscored by President Eisenhower in his message on the state of the Union. If inflation waxes and gets out of control, it can lead to collapse and depression. This has happened in the past. Although we now have much more adequate safeguards against depression than we had in the 1920s, the armor has weak points.

It is not pessimism, but prudent good sense, to suggest that a thorough new look ought to be taken at this country's financial system. The President took the initiative by proposing to Congress that it create a citizens' commission to study the matter. Such a commission might well go beyond a mere technical study and come up with new approaches to the old problem of keeping employment, purchasing power and production at high levels.

There already are signs that Congress will not be entirely favorable to the creation of such a commission. Some legislators believe that Congress itself ought to undertake any such study. That may be. The important thing is that our economy appears to have reached a point at which it would be wise to take a broad look at how it functions and it can best be safeguarded. If our present means of preventing economic trouble are inadequate, this is the time to learn how to improve them.

McCarthy Against Nomination

By JOHN A. GOLDSMITH
United Press Staff Correspondent
WASHINGTON (AP) — Sen. Joseph R. McCarthy (R-Wis.) says that he will oppose President Eisenhower's nomination of William Joseph Brennan to be a Supreme Court Justice.

McCarthy acknowledged that Brennan appears to "have the votes" to win confirmation by the Senate. But he said he would be "deterred" in his duty if he failed to call the Senate's attention to speeches in which, he said, Brennan criticized congressional committees exposing Communists.

"While he makes fine speeches against Communism," McCarthy said, "he has been waging a guerrilla war against committees that pick up individual Communists by the scruff of the neck and expose them."

McCarthy said Brennan had used his former position as a New Jersey Supreme Court Justice as a "sounding board" to label the work of Communist investigating committees as "witch hunts."

Brennan, a Democrat, has been serving on the U.S. court since Jan. fall under a recess appointment made by Mr. Eisenhower. His nomination was officially received by the Senate Monday.

Brennan is the first Catholic to serve on the high court since Justice Frank Murphy, who died in 1949. McCarthy also is a Catholic.

Brennan's appointment must be passed on by the Senate Judiciary Committee before it is sent to the full Senate for approval or rejection.

Among other nominations sent to the Senate by the President Monday was that of an old McCarthy adversary, Brig. Gen. Ralph W. Zwicker, who was recommended for promotion to the rank of major general.

Zwicker was a central figure in the Army — McCarthy row, and McCarthy once charged that the general was not fit to wear the U.S. Army uniform. Zwicker had refused to tell McCarthy who ordered an honorable discharge for former Army Maj. Irving Packer, an Army dentist the senator had accused of being a "Fifth Amendment Communist."

An Army investigation subsequently investigated Zwicker of any blame in the award of the honorable discharge to Packer.

Hein-Eye TV Watcher
RELAIRE, Mich. — Ray Olney complains that the seeing-eye, which opens his garage door when a button is pushed in his automobile, insists on watching his television set.

Whenever he turns on the set, the seeing-eye device opens his door.

cal—stupendous—wonderful. To put the number of hours into 8-hour man days we find that these hours would come to 4 1/2 persons working 365 days a year. The money value of the 12,618 hours can be determined in several different ways. First—we could list the positions the ladies have filled and then place a salary comparable to the work done. Or—we could just take an average hourly wage comparable to the work accomplished.

Any way you take it—the amount of money involved would be over \$10 thousand and that's not a "little bit" of money.

It can be said that the ladies of the Women's Auxiliary of Seminoles Memorial Hospital have done a wonderful job during the first 11 months of their existence. Frankly, it is one that most people would say immediately that "it can't be done."

The Women's Auxiliary are to be congratulated for accomplishing a great task—for doing a job smoothly, cooperatively, pleasantly.

As most people usually say, "If you want a job done well, let the ladies do it," and they're proving it in the Seminoles Memorial Hospital's Women's Auxiliary.

They're to be congratulated and commended for the excellent report and the accomplishments contained in it.

Communism

Unquestionably, it was the purpose of God to create individuals. It is the declared purpose of communism to destroy individuality and reduce men to mere numbers in a mass. The Western world sees this and for it and other reasons repudiates communism.

What the West does not see is that big government, socialism, a controlled economy, and centralization of authority and power is all logically leading toward the communist goal announced by Lenin which we abhor.

Increasing federalization of public schools, with the tendency toward standardized curriculums, operates the development of individuality and in the direction of the mass man. Social security, standardized wages, labor union bosses speaking for and controlling millions of men, government control of agriculture, price fixing, public housing, and all the rest are pointing in the same direction.

As Lenin said, man can be made over into what "WE (the WE being the group in control of government) WANT HIM TO BE."

To this end history is rewritten so that man may not know his heritage; textbooks tell him lies; the intake of his brain is controlled so as to dominate his thought processes; persecution and pressure is supplied to the point of stamping out the conscience, the will and the capacity to resist, and where that is not sufficient drugs are used to destroy his mind and individuality. These things happen partially under the Welfare-statism or socialism and develop into near completeness under communism.

Great truths and principles grow from generation to generation until they flower into a civilization. For this process to operate successfully there must be freedom, integrity, truthfulness and honor in reporting and recording facts and in compilation of history so that each succeeding generation can profit by the experience of preceding generations. This cannot be done under regimentation and control by government.

France To Test West's Friendship

By CHARLES M. MCCANN
United Press Staff Correspondent
France is preparing to put its friendship with the United States and other Western countries to the test in a United Nations debate on Algeria.

The problem of Algeria's future has been put on the program of the General Assembly for debate, against French opposition, at the demand of the "anti-colonial" bloc of Asian and African nations. The Assembly can take no effective action on the issue. But to France, a vote in favor of the demand of Algerian nationalists for complete independence would be a defeat of the greatest importance.

Premier Guy Moller and Foreign Minister Christian Pineau are trying to line up all the countries they can, concentrating on those of Western Europe and the Western Hemisphere, on France's side. Of all the countries in the U. N., the allies of the United States is of most importance to France. Relations already strained between the United States and France, if the United States does not support France, the relations between the two traditional allies

severely strained by the Suez Canal dispute, will dive to a new low. Algeria is the most important issue in the French Union — the French Empire, it used to be called.

It occupies an area of 847,530 square miles in North Africa. Of its population, 6.3 million are Moslems, 1.3 million French. The Algerian issue has been raised repeatedly in the U. N., but France refuses to recognize the competence of the U. N. even to debate the issue.

The reason for that, legally, Algeria is not a colonial possession. It is officially a part of France itself. It is represented in the French Parliament.

An Internal Matter
France points out that the U. N. charter specifies that none of its provisions "authorize the U. N. to intervene in matters which are essentially within the jurisdiction of any state."
The United States government is represented as believing that it is supported France in "moral" among the "neutralist" countries position would be weakened

46 Are Present At Oviedo Woman's Club Luncheon, Business Meeting

By MARIAN JONES OVIEDO—The Oviedo Woman's Club meeting has been a little difficult for me to get this time due to the fact that I was "on the inside looking out" this time. I was chairman of the luncheon committee and had to be in the kitchen.

However, I will endeavor to do so, I arrived bright and early at the club house to help with the preliminary work. I had been unable to do so the afternoon before because of business, but my wonderful committee took over that afternoon for me, for which I owe them many sincere thanks.

The clubhouse was beautifully decorated, if I do have to say so myself. Pink roses, interspersed with silver bells, and flanked on either side with crystal candelabra bearing pink burning tapers, graced the mantle. Pink camellias were placed lengthwise the serving tables, while a bowl of some centered the officers' table. Fern and pink camellias were also placed at the other strategic points, while a crystal vase filled with red roses was placed at one end of the room and pink and white roses at the other.

Small ladies' hats with red roses were also used at various points.

Due to the absence of Mrs. G. S. Moon, delegated to meet the guests, I substituted at the door and was so glad to see the large group gathering.

E. J. Pendergrass, of Orlando, the guest speaker, arrived and was introduced by Mrs. George H. Carlton, program chairman.

Mrs. J. N. Thompson gave the devotional and led in prayer, after which Mrs. G. S. Moon (who had returned, Mrs. Theodore Aulin Jr., Mrs. Roger C. Miller, Mrs. Frank Talbot, Miss Ruth Davidson and I started the delicious luncheon—barbecued chicken and all the trimmings.

Meeting Today's Challenge Through Creative Living was immensely enjoyed by the mem-

bers and visitors, given by Mr. Pendergrass.

During the business session committee reports were given. It was also decided to have a United Drive soon after which committees were elected.

Members of the Oviedo Woman's Club manned the various positions last week as the Chest X-ray mobile unit was here.

About 41 members and visitors were present for the luncheon and meeting.

Wesleyan Guild's Bazaar Report Is Said 'Satisfactory'

The Wesleyan Service Guild met Monday evening at the home of Mrs. Grady Duncan with Mrs. Mildred Carver and Mrs. Ethel Carver as assistant hostesses.

In the absence of the president, Miss Mabel Chapman, Mrs. Fred Smith presided. A most satisfactory report on the bazaar proceeds was given by Mrs. J. Hoolehan preceding the treasurer's report, by Miss Ethel Riser.

During the business meeting plans for a MYP supper were made and special mention was made of the fact that January is Wesleyan Service Guild month on the church calendar.

Mrs. Walter Carter gave the devotion and the program was conducted by Mrs. M. L. Tillis and Ethel Riser.

Those attending the meeting were: Mrs. Fred Smith, Mrs. J. Hoolehan, Mrs. Porter Lansing, Mrs. Walter Carter, Mrs. M. L. Tillis, Mrs. O. K. Goff, Miss Ethel Riser, Mrs. J. F. Riser, Mrs. J. D. Callahan, Mrs. R. S. Billhimer, Miss Saldee Williams, Mrs. Burko Steele, and the hostesses.

Betty McCracken is taking over Polly Brubaker's free bridge classes. The time will now be ten o'clock Tuesday mornings at Betty's home in Little Venice, and bring a sandwich if you are the hungry type. The class will be for beginners and advanced bridge players who don't know how to play bridge. One lesson will definitely be on how to lead, but the program is mainly to teach practical bridge, acceptable anywhere. If you wish to find out more call Betty at 3187-M.

Jean Weigle had a baby boy Tuesday morning at Seminole Memorial Hospital. Mother and son are fine and the baby is the main topic of conversation over the party lines these days. Hear he is irresistible.

Dottie King, Jane McKibbin and I played bridge Tuesday night at the Mayfair. The occasion was the annual card party put on by the Pilot's Club to raise funds to furnish their room in the hospital. Our scores may not have been high, but I'm sure we had more fun than anyone else. There was a wonderful crowd in the ball room who thoroughly enjoyed not only the card playing but the delicious refreshments served.

Stole a quick glimpse at the refreshment table, and it was festooned with silver candelabra and yellow chrysanthemum on a white cloth. Came out the winner, anyway, since we briefly met Mr. H. H. Sanger who is a fellow New Yorker. Mr. and Mrs. Sanger are guests at the Mayfair.

Spent most of this afternoon at Mike Stone's where pictures were being taken for the program of the High Fever Folies. Much laughter ensued as the pictures were mainly gas, which will en-

joyed by the members.

Delicious refreshments were enjoyed by the members.

21 Members Attend Circle Session

Twenty-one members were present when Circle No. One of the First Presbyterian Church met early this week at the home of Mrs. A. C. Moore.

Mrs. Victor Brown, chairman, opened the meeting which was followed with an inspiring lesson by the Bible teacher, Mrs. W. R. Anderson.

Delicious refreshments were enjoyed by the members.

Annual Reports Will Be Heard At Guild Meet

By Mrs. Virginia Bellhorn SLAVIA—The St. Luke's Womans Guild will hold its monthly meet Monday at 8 p.m. in the school auditorium.

The newly elected officers will preside at the meeting, Mrs. Virginia Bellhorn, president, Mrs. Hildegard Johnson, secretary and Mrs. Gertrude Lukas treasurer. Mrs. Ann Robb is the newly appointed Educational Chairman.

Annual reports from the various standing committees of 1936 will be given at this meeting.

Red Pollard Ready To Make Comeback

By OSCAR FRALEY
United Press Sports Writer
NEW YORK (AP) — They always called John Red Pollard the "In-Structible" and the word out of Florida seems to prove it all over again.

The name may not be very familiar to you, but 20 years ago it was a racing byword as he and the mighty Seabiscuit drove to fame and fortune together.

It's like hearing that Walter Hagen, Dixie Dean or Jimmy Braddock is going to give it another try. Yet Red is only one year older than the still active Johnny Longden.

Now, at 46, Red Pollard is getting ready for another of his numerous comebacks.

Shuffleboard Team Tops Orange City In State Tourney

The Sanford Shuffleboard Club, hosts of the coming Celery City Mixed Doubles, the first state tourney that Sanford has been recognized in during the history of Shuffleboard in the city, continued sharpening their scoring eyes yesterday as they posted another check in their victory column by topping Orange City 23 games to 8.

The tournament was played yesterday at the Tourist Club Courts in Fort Meon Park.

The Sanford Shuffleboard and Tourist Club has requested that Sanford City Commission to aid them in beautifying the area in Fort Meon Park for the coming state tourney, when some 500 people from all over the state will be visiting in Sanford for the event.

Offensive scoring has taken a sharp incline since the resumption of school after the Christmas holidays when the mentoring staff threw everything to the winds but good, basic fundamentals.

Individual player improvement and team unity has marked the Seminole camp of late. Ken McMurray is perhaps the most improved player on the team, but right behind him are such boys as Joe High, Bill Tyre, and Phil Byrd.

On the entire squad only one man is a returning letterman, High, and he's a junior. Only Phil Byrd is a senior.

"We are not at all disappointed with the progress of the team," Lyster commented this morning. "They show a lot of hope, and we are trying to patch up the weak spots and build on the strong spots as they show themselves."

Dick Silvers, JV cage mentor, said that his team was eager to avenge themselves of the loss suffered at the hands of the partly junior Melbourne team last Tuesday. "The boys are in high spirits and want a win badly," he said. "And if they want to win badly enough, I think they can do it."

That seems to apply to both the Seminole JVs and the varsity.

HEBERT WINS CROSBY TOURNEY

JAY HEBERT, playing pro for the Mayfair Inn, took off at the ninth hole of the Pebble Beach, Calif., course on his way to victory in the \$15,000 Bing Crosby national pro-amateur golf tournament. Hebert and charity came out on top in the world of golf over the course that is rated as the toughest by almost half of the pros on the tour. The 19th hole, which Hebert parred on his rounds, is supposed to be the toughest hole over the course. Although the 23-year-old pro who signs out of Sanford had never before won a major golf tournament, for the past five years he has consistently been among the top 25 money winners. First prizes was worth \$2,500. Dr. Cary Middlecott was second.

Bishop Moore Edges By Oviedo 63-59

By MARIAN E. JONES
OVIEDO — In a gymnasium filled to capacity the Oviedo Lions were narrowly edged out by the Bishop Moore quintet by a score of 63-59.

Arriving at the game early we obtained seats adjacent to those popular girls known as the cheer leaders. Believe me they did a magnificent job not remaining in their seats very long during the entire game. In fact the noise in the gymnasium was so terrific it is a small wonder anyone has any ear drums left today at all.

The turn-out from Bishop Moore was amazing indeed. In fact, it is the largest group to our knowledge to turn out for a game other than Titusville or Lyman on the local court. We have seen it, however, when another person would have had to be hung from the rafters during games with outstanding rivals, Titusville and Lyman.

The game was so fast, exciting and furious it was a terrific job to keep the tabulation. Bishop Moore started the ball rolling with the first field goal. Carl Fabry quickly tied the score with two free shots. That was the way it went throughout the entire game.

We do not know what was wrong with our Oviedo lads on the free shot line Tuesday. They did not get many attempts, but they were way off. Had they made good their free shots, they may have won the game. On the other hand John Ellis and DeVoe, of Bishop Moore were on the beam with their free shots, which from our tabulation, made the difference in the score.

The final quarter was so swift and exciting people remained standing most of the time. Ellis made 26 points and DeVoe 21 for Bishop Moore.

The lead changed hands five times in the final quarter before the clock went off. Ferdinand Duda put in some of his famous jump shots to lead in scoring with 16 points. Carl Fabry, the tall lad in the center position, put in several tip-ins in addition to his field goals and three shots to follow with 15 points.

Luther Duda saved the day time and time again by retrieving the ball when it seemed lost to the enemy to plunk it in for two points. Luther, tallied with 12 points.

L. Doby Takes Sox Offer

By UNITED PRESS
Larry Doby, still the chief power hitter of the Chicago White Sox despite a batting decline in 1936 readily accepted an offer of the same salary for 1937 and told Sox officials he feels "stronger."

The 32 year old center fielder was something of a disappointment in '36 after being acquired from Cleveland to supply punch in the batting order.

The larruping lefty-batter led the club in runs batted in with 102, but his home run production fell from 25 to 24 and his batting average dropped from the elevator shaft from .281 to .268. Even so, in addition to RBI's he led the club in homers and bases on balls.

Doby "didn't argue at all" when offered the same salary, said a Sox official. In Patterson, N. J., Doby said he was taking gym workouts and added, "I feel stronger than I have for a couple of years."

Warren Hacker, 32 year old right hander acquired by Cincinnati from the Chicago Cubs in the five man deal this winter, became the 17th Redleg to sign for '37 and said he's "tickled to death to be w/h a ball club like the Reds for this year."

The Redlegs are counting heavily on Warren to supply some of the pennant pitching they need to go with their home run power.

Plagued by an injured foot he says now is cured Hacker won only three games in '36 but looks for a return to his '32 mark of 15 wins.

A jarring note to the contract parade came from Baltimore where outfielder Bob Neiman, the American League's 5th best batted ball at signing the first contract mailed him.

Nieman said the pact called for only an "inconsequential" raise and added, "I think my performance last year merited me a \$20,000 salary and I think I have a chance of getting it."

Another thing the Oviedo boys did not control the rebounds from then on out.

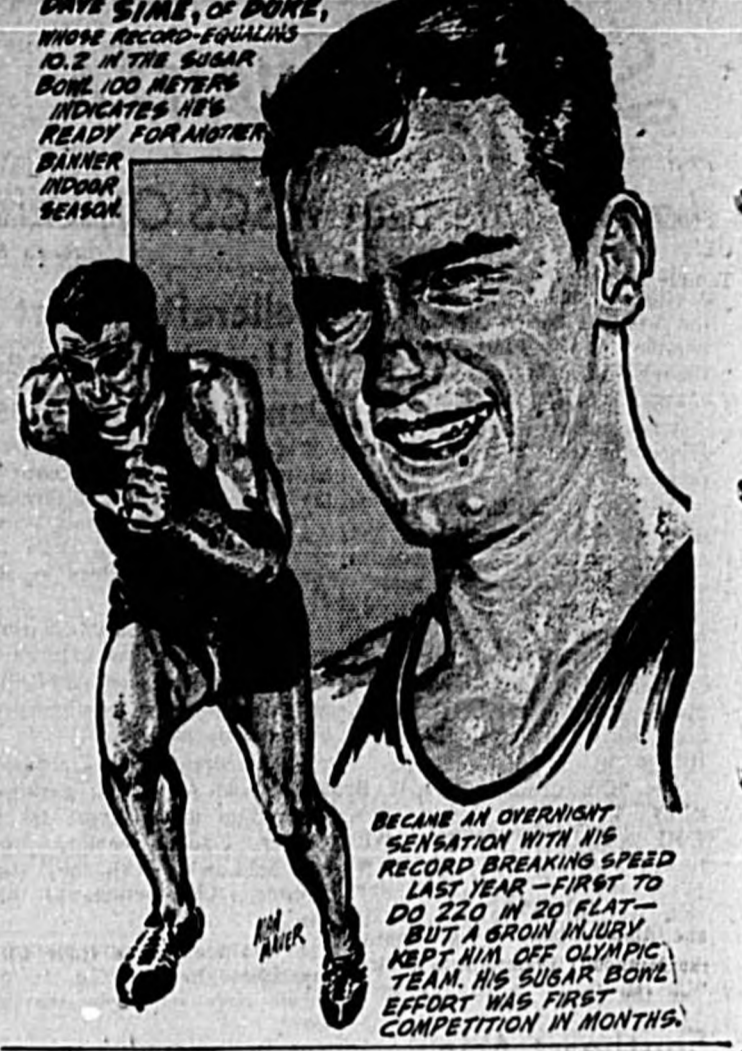

We would like to praise Jimmy Brookshire. He is showing up as very promising material. He went after those rebounds last night. He was also good on his foul shots.

Joseph Duda is improving rapidly in defensive and offensive play.

Oh but for more height on Mike Tyre, that is a lad who is going places. He is a wonderful shot on field goals and foul shots. He led his teammates with 17 points. Johnny Tiesinsky, a newcomer, is also improving in every way. Pete Ulrey did well in his defensive work Tuesday, too, and was a great help to his teammates. William Hart, the tall center, did some good jumping and some good rebounding. These lads, with more practice, are going to be good.

The final score was 53-55.

Soil Conservation News

Conservation News
By C. F. Lied
Asst. Conservationist

Soil is just a small four letter word but it certainly covers a vast amount of territory. Everywhere you may go there is soil, even at the bottom of the waters you may be cruising over or fishing in. Yes, there is a decided difference between soil and dirt. Dirt is what you may find all over the house and soil is what we use to produce crops.

The thing is, we have many types of soils. We have good rich soils which will produce crops without too much fertilizer. On the other hand we also have soils on which it is economically impossible to produce a crop.

It takes mother nature from 200 to 1000 years to build up just one inch of good top soil. Whereas wind and water can destroy it in a matter of minutes. Soil must be protected to serve mankind to its fullest capabilities.

It is just about impossible to say what kind of soil a man has on his farm just by looking at it on the surface. Unless of course you were trained in that kind of work, had years of experience, and could tell from the vegetation growing on the soil.

You would not say a house was soundly constructed unless you knew all of the materials used in its construction.

So, the subsoils play an important part as to the type of soil farming.

HERE IS THE "CONSERVATION" HELICOPTER, one-man helicopter, designed to be collapsed into a small package for easy transportation or parachute drop. It is shown in Palo Alto, Calif., in both assembled and disassembled positions. Weighing less than 250 pounds, it is powered with a 4-cylinder opposed, 2-cycle, air-cooled gasoline engine.

We, as technicians, working with the Seminole Soil Conservation District, are vitally interested in conserving the good earth top soils with the help of cover crops and good conservation for our use and also future generations.

Army's Reserve Program Revised

WASHINGTON (AP) — The Army announced today that it will require all reservists and National Guardsmen to take at least six months active training as part of a broad revision of its reserve program.

The overhaul has been opposed by the National Guard. It contends the move is part of a Defense Department drive to "relegate the National Guard to a second-string position in national defense, if not to destroy it."

Seek Combat Readiness
Army Secretary Wilber M. Brucker called the step part of a program to "improve the combat readiness of the Army reserve components." It also will reduce the time affected personnel must spend in the ready reserve.

The changes are in line with the Defense Department's new policy of emphasizing quality rather than quantity in the reserve force.

The plan, effective April 1, provides that any youth without prior military service who enlists in the Army reserves or the National Guard must take at least six months active training.

Brucker said Gen. Maxwell D.

Taylor, Army chief of staff, concluded this was the minimum time necessary to convert recruits into "qualified members of an Army reserve component which must be ready for service" at an instant's notice.

Guardsmen Opposed
Youths enlisting in the reserve already must take six months active training followed by 1 1/2 years in the ready reserves. National Guard enlistees may volunteer for such six months active training but are not required to take it.

The National Guard Assn., comprised of guard officials and spokesmen, charges that making such training mandatory will discourage volunteers and cut guard strength by 100,000 men over a two-year period.

The association, which has powerful friends in Congress, has summoned an emergency meeting here Jan. 23 to protest the new program.

"The Army said the decision was based solely on military considerations." Under the new plan, reservists will have to participate in the ready reserve for only 4 1/2 years instead of 7 1/2 years after completing their six-months active training. They then will be transferred to the standby reserve for 3 more years.

Housing For Mentally Ill Juvenile Detention Home Sought By Senator

A detention home for delinquent juveniles and facilities for the housing of mentally ill has been proposed for Seminole County by Senator Douglas Stenstrom.

In a letter to the Board of County Commissioners Senator Stenstrom said: "For a long time, I have been interested in the provision by our county of some facility for housing persons who have been declared mentally incompetent and who must be confined while awaiting admission to our state hospitals, which, as you know, have long waiting lists."

"I have also been interested in the provision of some facility for the housing of juveniles who, in the judgment of the Court, must be confined while awaiting their acceptance at our State Industrial School for Boys at Marianna and our Industrial School for Girls at Ocala," said Senator Stenstrom.

"At the present time, as you know, persons in the above categories are having to be confined in our county jail," he said. "I am advised that at the present time there are three persons who are mentally ill in the county jail waiting to get into the state hospital," the Senator said in his letter to the Board of County Commissioners.

"From time to time, said Senator Stenstrom, it has been necessary to confine juveniles on the ground floor of our jail. This of course, is done only in the most serious cases and generally cases in which there is absolutely no alternative."

Expressing the opinions of many at the present time, Senator Stenstrom stated "I think we all agree that the county jail is not the place for our mentally ill," and he added, "Most agree that the county jail is not the place for our juveniles, particularly those in the 10, 11 and 12 age group and

No Crop Losses Reported

The thermometer dipped to a freezing 34 this morning in Sanford with one housewife complaining that "the clothes I am hanging out freeze as fast as I hang them."

However, there was no frost in the Sanford and Seminole County areas. Weathermen said the cold brought frost to the north and part of the central section, but that it probably was not extended enough to seriously damage crops. There had been no reports of crop losses at The Sanford Herald office up until noon today.

The cold wave gripped much of the rest of the nation had a solid hold on Florida today, however.

Plant City, the center of the state's strawberry growing district in Hillsborough County, reported sleet early this morning. Temperature in the area was down to around 35 in some sections.

Tallahassee and Panama City caught the first icy blast Thursday afternoon as the cold front blew into the state and produced sleet in both places.

Tallahassee had a low of 24 this morning. It was 28 at Cross City, around 29 in Tampa and in the low 50's in downtown Miami.

Other early morning readings included 29 at Lake City, 30 at Gainesville, 33 at DeLand, Leesburg and the Ocala airport, 42 at Sebring, 38 at Lake Wales and Haines City.

Fog winds brought fresh snow to scattered sections of the country and gusts up to 35 miles per hour sent dust clouds swirling in the plains.

Buffalo, N. Y., was buried by a 7-inch snowfall during a two and one-half hour period Thursday night, boosting the total accumulation there to 14 inches.

Records continue to fall as below zero readings gripped most of Pennsylvania, New York state, New England, sections of the Great Lakes and upper Mississippi Valley the Northern Rockies and the Northern Plateau.

Stockholders Meet Reveals Increase

By MARIAN JONES

The Annual Stockholders meeting to the Citicorp Bank of Orlando was held Tuesday, Jan. 8 p.m. in the Oriedo Memorial Building.

The meeting was called to order by C. R. Clonts, president, and the roll call revealed an attendance of approximately 40 people, representing the 400 shares of stock.

During the meeting, it was pointed out by Charles G. Shaffer, Executive vice president, that the stockholders had received \$30,000 in dividends since the bank opened in 1948. He also cited the increase in surplus from the original \$15,000 to the present \$75,000 and the increase and undivided profits from \$10,000 to \$19,500.

Shaffer also advised that interest on savings accounts over \$100 had been increased to three per cent effective Jan. 1, 1957.

Clonts expressed profound regrets in the loss of one of the most valuable board members and citizens of the community, in the recent death of R. W. Estes.

The following slate of directors was selected for the ensuing year: C. R. Clonts, Charles G. Shaffer, H. A. Ward, Jr., C. S. Ward, Jr., ETAOI HRDL AOIO C. B. Lee, R. F. Wheeler Jr., R. F. Ward, and W. G. Kilbee.

The officers, directors, and employees were highly complimentary by the stockholders on the splendid operation of the bank in the past. The meeting adjourned at 5 p.m. and refreshments were served to those present.

TAKING PART in the 21st annual opening of the George Barr Umpire School at Longwood yesterday were, left to right: RH Agronis, the Rev. Robert Spear, Barr, Mrs. John J. McGraw, Gene Bethell, John Krider and Dick McLaulin. (Photo by Jameson.)

Salvation Army Aids 113 Families At Christmastime

The Salvation Army released its report of Christmas contributions and the assistance which it rendered to underprivileged families of the area.

L. Marcella Reynolds, Officer-in-Charge of the Sanford Salvation Army Branch made the report public this morning.

L. Reynolds and the Assistant Officer, L. Virginia A. Kellner stated this morning that 113 families were supplied with food making a total of 585 separate individuals assisted directly.

Ten families were taken care of indirectly, the report stated with 130 toys given indirectly to needy children and 73 toys given directly. 100 bags of candy, fruit and nuts were given directly to needy children and 300 sunshine bags given directly to hospitals, rest homes, county home and jail. These bags, said the officers, contained candy, fruit, nuts and a small calendar.

Reporting on the income and disbursement, the two Salvation Army Officers said that \$1,116.73 were received in the kettles and \$377.41 was received in contributions.

Of this money, \$1,118.33 was spent for relief, \$135 for salaries, \$90 for publications, \$169.42 went to divisional expenses and \$181.40 was spent for sundries. The total income and disbursement was \$1,694.17.

"Our boys are not behind bars at the state industrial school and they should not be behind bars in Seminole County except in the most serious types of offenses," he said.

"I would be glad to meet with the board at any time in order to discuss further this proposal," he concluded.

Feasibility Of Local United Drive To Be Discussed Jan. 24

The possibilities of forming a United Drive in Sanford and Seminole County will be discussed at a meeting set for Thursday, Jan. 24 at 8 a.m. in the commissioners room in the Sanford City Hall.

John Krider, manager of the Seminole County Chamber of Commerce has notified all organizations of the forthcoming meeting and has asked that a representative attend.

Several efforts have been made in the past to create a United Drive for funds to support charitable organizations and eliminate the frequency of money appeals in the Seminole County area. However, none of them have been successful.

In recent panel discussions, the advantages of one united drive has been brought out by civic leaders.

Miss Bally Eastwood, executive secretary of the United Services Organization in Orange County will attend next week's meeting to explain the operation and advantages of the United Community Services and to answer questions from representatives attending the meeting.

Krider asked that "every effort be made to attend this important meeting." He also requested that all interested people part in the discussions.

16 Servicemen Die In Air Disasters

By UNITED PRESS

At least 16 servicemen have been killed in military air disasters, 12 of them in a fiery crash of an Air Force weather plane in Alaska.

There were no survivors in the wreck of the storm charting weather plane. It was carrying about 10,000 gallons of gasoline when it crashed and exploded Thursday shortly after taking off from Fairbanks, Alaska.

Hours later, a \$1.2 million Air Force B57 bomber crashed into a Biggs Air Force base motor pool, killing its two crewmen and igniting thousands of gallons of gasoline and jet fuel.

Two Marines were killed Thursday near Camp Pendleton, Calif., when they parachuted from "Flying Boxcars" into 35-mile-per-hour winds as part of the Navy-Marine "Operation Ski Jump" training exercises.

The Alaska wreck occurred as the plane, starting on a storm tracking mission over the Aleutian Islands and the Bering Sea. The craft went down about 3 1/2 miles north of Eielson Air Force Base and exploded in flames.

Rescuers, who cut a trail to the wreckage with snow wassals, found no sign of life at the crash scene. They said debris was littered over a 200-yard area.

The Air Force in Washington as missing. Among them were the 11 crewmen of the W-39, which officially listed the 12-man crew and Lt. Bobbie H. Spencer, Memphis, Tenn.; 1st Sgt. Woodrow B. Russell, Birmingham, Ala.; and Airman Roger D. Sigmon, Tarpon Springs, Fla.

3 Minor Accidents Told In County

Three minor accidents which have occurred in the past 36 hours were reported by Florida Highway Patrolman Gene Coffman.

Wednesday night, shortly before midnight, at the 17-92 intersection with the Dog Track Road, a 1954 Buick Sedan, driven by Curfield F. Hutches, 51, of St. Petersburg collided with a 1950 Ford Coach driven by Mrs. Margaret R. Straight of Orlando.

Minor damage was reported to fenders and headlights of both cars.

Shortly after midnight yesterday a 1950 Plymouth Sedan driven by William T. Phelps, 17, Orlando ran through the barricade on 17-92 in Death Valley, smashing into the windshield of a car. Phelps suffered minor lacerations from the broken glass.

In Oriedo, at 2:40 p.m. yesterday, a 1950 Chevrolet Coach driven by Charlie G. Gaine, 51-year-old Negro collided with a 1953 Chevrolet panel truck driven by George C. Scott, 43, of Sanford.

Gaine, according to the FHP patrolman, sideswiped Scott with minor damage to both cars. Charges were placed against Gaine.

Patrolman Coffman said motorists must "slow down. They are going too fast on the road now under construction. Watch passing zones."

And adding to his comments the patrolman warned "Turn ear lights on when it is dark."

Nearly 100 On Hand At School Opening

Crowding into the classroom of the George Barr Umpire School at its 21st annual opening yesterday afternoon at the Longwood Hotel were nearly 100 friends of the popular former National League Umpire, gathered to wish him and his instructors and students the best of luck.

The Rev. Robert Spear, pastor of the Church of the Nazarene in Sanford, offered the invocation, following which L. V. (Dick) McLaulin, for many years Barr's nearly 40 students from every corner of the nation, stand and introduce themselves to the visitors from Sanford, Orlando, Winter Park and Longwood. McLaulin did the honors in presenting these visitors to the students and then turned the meeting over to "The Boss."

Barr, in his rapid-fire, straight-shoulder manner after introducing Mrs. Blanche McGraw, widow of the late, famed manager of the N. Y. Giants, John J. McGraw, told of the aims and ob-

An important meeting of the Campbell-Lesson Post No. 53, American Legion will be held Monday night beginning at 7 o'clock at the Legion Hut on Seminole Blvd.

An old fashioned slum gullion (beef stew) supper will be served, according to Lynn N. Lyon, Post Commander.

No reservations are necessary, said Lyon.

"Matters of great importance will be brought up at Monday night's meeting," Lyon said, "and we are expecting a good turnout."

FBI Is Searching For \$50,000 Pot

BOSTON — The intricate machinery of the FBI clicked into high-gear today in the search for a missing solid gold, \$50,000 coffee pot.

The diamond-knocked perculator disappeared from an air freight counter at Logan Airport Wednesday and FBI agents joined the search when the package failed to show up at any of 34 possible destinations across the country.

Authorities first believed the fiber suitcase containing the electric perculator had been shipped to the wrong address. Clerks frantically checked every air freight terminal they could find before admitting that thieves may be making their morning java in the jeweled-studded pot.

4-H Boys Plant Pine Seedlings At Pinecrest

Slash pine seedlings were planted yesterday at Pinecrest School under the supervision of C. F. Lind of the Soil Conservation Service.

The seedlings, 50 of them, were donated to the school by the Florida State Forest Service and were planted by boys of the 4-H Club in line with the conservation program that is to be carried out in the schools by the Sanford Garden Club.

The beautification program was started about 10 months ago at (Continued on Page Four)

Officials To Discuss Museum's Operating Plans At Joint Meet

A joint meeting of the Board of Seminole County Commissioners, the Board of Seminole County Commissioners, and the members of the General Henry Shelton Sanford Memorial Library and Museum Committee has been called for Monday night in the Commissioners Room of the Sanford City Hall.

City Manager Warren E. Knowles yesterday advised the three bodies that the meeting has been scheduled.

A general discussion of the plans for operating the Memorial Library and Museum will be held which involves the expense of providing a librarian.

The meeting grew out of discussions at last Monday night's meeting of the Board of Sanford City Commissioners when Mayor David Gatchel reported on a meeting which he attended at the General Henry Shelton Sanford Memorial

Congress Is Urged To Validate State Antisubversion Law

WASHINGTON — Sen. Styles Bridges (R-N.H.) and several other senators have urged Congress to validate state anti-subversion laws.

The senators introduced a bill Thursday aimed at overriding a Supreme Court decision last year which threw out the conviction of Steven Nelson, an accused Communist leader, under a Pennsylvania law.

Bridges and others introduced the measure in the last Congress shortly after the court decision. It died in the Senate Judiciary Committee.
