

Tufted Textile Makers Have Meet At Daytona Beach

DAYTONA BEACH, May 28. (AP)—Manufacturers of tufted textile products in Southern states yesterday were urged to resist the temptation to speculate, and to keep prices in line with actual cost of production.

Nearly 400 representatives of small concerns making bedspreads, rugs and robes were registered when the convention opened at a three-day convention here yesterday morning.

Reporting on the association's activities during the past year, Strain told of its successful efforts in opposing a bill in Congress which would have prohibited the shipping of tufted products in interstate commerce because of their alleged inflammability.

3 Persons Have Died In Dade Accidents

MIAMI, May 28. (AP)—Three persons have died in Dade county in the last 48 hours as the result of traffic accidents, bringing the year's automobile fatality list to 41.

## Arab Forces Claim Halt Of Jewish Thrust

### Ben-Gurion Says Efforts Are Made To Relieve Encircled Jews In New City

CAIRO, May 31, (AP)—The Trans-Jordan Arab Legion announced today it had smashed a Jewish assault in the Latrun area, which controls the Jerusalem-Tel Aviv highway, and found 114 of the Jews dead on the battlefield.

The announcement came from Amman as Arab armies maneuvered on the north, south and east approaches of Tel Aviv. Jerusalem dispatches told of an Israeli appeal to encircled Jews in modern Jerusalem to stand fast.

The Amman communique said Jewish forces in the Latrun action left behind four armored cars and large quantities of arms, ammunition and trench digging machines.

Latrun lies 22 miles southeast of Tel Aviv and 15 miles west of Jerusalem. The legion said its artillery continued shelling Jewish positions and armored convoys in the Jerusalem area.

Premier David Ben-Gurion of the embattled Jewish state messaged his people in modern Jerusalem Sunday that, notwithstanding the loss of the Old Wall of City, strenuous efforts were being pressed to relieve them.

The Arab movements upon Tel Aviv, initial capital and military headquarters of Israel, appeared designed for encirclement rather than a frontal assault.

The Jews said Israeli troops were within nine miles at one point. Arab and Trans-Jordan forces were about 20 miles away.

Arab shells fell in Jewish sections of Jerusalem.

In the past few weeks we have (Continued on Page Four)

## Recreation Plans For Youngsters Of City Are Studied

A complete recreation program is in the making for youngsters between the ages of 5 and 16. It was disclosed today by Fred Ganas, recreational director for the city.

The city is confining our work to children this year, and we are going to offer a well rounded program for every age group," he said.

Two baseball leagues, one for boys from 12 and another from 13 to 17 will be conducted. Handicraft and arts classes will be held for all age groups.

Ground facilities will be supervised and open for the younger children. Mr. Ganas declared, "Dramatics, folk dancing, cooking, sewing and other crafts will be taught girls, who enter the program."

Swimming will be held twice each week at the Lake Mary P. T. A. swimming park under the direction of trained instructors, Mr. Ganas declared. All of the recreation staff have completed courses in swimming and are qualified, he added.

A tennis program for all children will be opened, and instruction will be given.

"We have definite objectives for the coming summer, and we hope to teach the youngsters something constructive," Mr. Ganas asserted. At the end of the year the department plans to present a program to show progress made during the summer.

A colored director will be named in the near future, he said, and plans for colored children will be arranged.

Those assisting Mr. Ganas are Herman Brunley, Mrs. Lynda Gingles and Miss Barbara Dempster.

## New 18,000 Kilowatt Generator Dedicated at F. P. & L. Co. Plant

The Florida Power and Light Co.'s new 18,000 kilowatt turbine generator, almost tripling the capacity of the Lake Monroe plant, was dedicated Friday afternoon when company officials and several hundred visitors inspected the plant and the new installation which is part of the company's \$85,000,000 expansion program in Florida.

The capacity of the plant's generator which was installed in 1926 is 10,000 kilowatts while the combined capacity of the two generators now is 28,000. New plants have recently been constructed by the company at Sarasota and Riviera, near West Palm Beach, and three more are under construction or in the blue print stage at Miami, Cutler, and at another site not yet determined.

In dedicating the expanded plant at Lake Monroe, Mayor R. A. Williams congratulated the power company on its "forethought and vision" in expanding its facilities now, and said, "We fully realize the valuable part electric power plays in the growth and prosperity of any community. The Florida Power and Light Co. through this expansion program have placed at our finger tips an unlimited supply of electric power."

Speaking for the company, Magregor Smith, president, pointed out that the new generator (Continued on Page Four)

## Western Germany Vote Shows Center Party Is Declining

MUNICH, Germany, May 31, (AP)—Western Germany's political party lost almost half its strength in Bavarian cities today.

The party, the Conservative Christian Social Union, (CSU) lost ground to the Communists and right wing parties, final municipal election returns from the U.S. occupied state showed.

Nearly 1,200,000 persons voted in 41 Bavarian cities yesterday. In some areas, particularly the city of Nuernberg, the Communists showed an unexpected increase in strength.

The CSU, strongly backed by Catholic and conservative elements, got 35.1 percent of the total vote in 1946 elections in Bavarian cities. Yesterday it dropped to 18.5 percent.

The votes the party lost were picked up by the Communists, who jumped from 9.3 percent in 1946 to 10, and by small right wing (Continued on Page Three)

## Dr. Z. J. Jerry Dies At Georgetown Home

Dr. Z. J. Jerry, prominent Georgetown druggist, who had dispensed medicines and prepared prescriptions for the residents of Sanford's colored section for nearly 40 years, died at his home at 217 Sanford Avenue at 9:20 o'clock this morning after a lingering illness.

He was a member of long standing in the Evergreen Lodge No. 23, F. and A. M., and was active in various other civic and fraternal organizations. He was also a prominent member of the Trinity M. E. Church of which the Rev. W. A. Perry is the pastor.

Survivors include the widow, Mrs. Connie Thomas, Longwood; four sons, E. T. Thomas and Leo Thomas, Longwood; L. R. Thomas, overseas; and Wilver Thomas, Clermont; two daughters, Mrs. Verdine Hiers, Live Oak, and Mrs. Irene Sigman, Sanford.

## Peace Pledges Are Made In Many Lands As U. S. Honors Her Dead

By ASSOCIATED PRESS

New pledges to preserve peace, freedom and liberty were voiced in many lands yesterday as Americans paid tribute to this country's war dead.

President Truman interrupted a weekend of Potomac River yachting to place a wreath at the tomb of the unknown soldier in Arlington National Cemetery.

In a radio address he voiced the hope that the Memorial Day celebrations around the globe would underline two things:

"That the government of the United States works only for peace in the world, and in order to attain that peace we must have the ability to enforce it."

In a second ceremony in Washington, Mr. Truman put a rose in a floral anchor that was dropped in the Potomac in honor of his predecessor, Franklin D. Roosevelt.

The President also sent a message to the Jewish war veterans of the United States holding their annual memorial service in New York.

## Defense Board Tells Industry Of War Needs

### Message Emphasizes Need Of Planning For Arms, Weapons; Production Speed

WASHINGTON, May 31, (AP)—An industrial primer for total war is going out to factory owners.

The Defense Department's munitions board, which prepared the text, laid its emphasis today on two points:

A. How industry can plan now for turning out the weapons needed in case of war.

B. A strong hint that unless such plans are ready for quick war production the plant may starve for lack of materials and labor.

Board Chairman Thomas J. Hargrave, in announcing to a news conference the handbook for "joint industry-military procurement planning," also presented the latest record on the government's own stake in industrial facilities.

It showed that the government presently owns or has a right to recall in war production 408 of the 5,500 plants it built during the war to produce guns, airplanes, tanks and a multitude of other weapons.

Of these industrial reserve plants, 161 are retained by the Army, Navy or Air Force. Thirty-one have been leased under similar provisions. The balance are being tried out in government production. Thirty-one have been sold under a clause which provides for the same safe-guarding clause.

Hargrave said the new guidebook is not a complete blueprint for industrial mobilization for war, but is designed to give what is needed, (1) what should be contacted for information, and (2) how individual factories can prepare and keep up to date their own programs for conversion to war production.

He emphasized the book is trying to avoid any such wild scrambling as occurred in World War II, when services often competed against each other for the output of a factory.

The new book lists materials and component parts branches of (Continued on Page Three)

## Polish - American Head Says FDR Sold Poland Down Volga

PHILADELPHIA, May 31, (AP)—The late President Roosevelt "sold Poland down the Volga," President Charles Rozmarek of the Polish American Congress said last night.

But, the Chicagoan added, Roosevelt assured him he would work for Polish independence after the war. Rozmarek quoted Roosevelt as saying he would "take care of Stalin at the proper time."

In a report on his four years as president of the congress, Rozmarek told a convention of the organization that he conferred with the late President twice before the Yalta Conference early in 1945.

At that time, said Rozmarek, Roosevelt stated he had mortal war of Stalin leaning up with Hitler. He quoted the four-term President as saying Soviet Premier Josef Stalin had "fooled" him "many times before."

Roosevelt conferred with Stalin and British Prime Minister Winston Churchill at Yalta. Not long after that, Roosevelt died.

Rozmarek said Roosevelt did not appear to be in good health when he spoke with him, but that he apparently fully expected to live out his term and help rebuild the world after the war.

## Sizemore Is Held In San Lando Robbery

Guy Sizemore, employee of R. Q. Mills at Bonland Springs, was released under \$750 bond for breaking and entering the bath house Friday morning and breaking into a "junk" store and pin ball machine, Sheriff P. A. Mero reported today.

Mr. Mills reported the entry to the Sheriff's office Friday morning, and after investigation, a knife and blood were found around the machine.

Sheriff Mero asked if any of the employees had been cut, and Mr. Mills reported that his chief, Sizemore, had suffered a deep gash on one of his fingers.

Sizemore was questioned, and after telling several conflicting stories was arrested and released under bond.

## Paul Robeson Defies Probe On Curb Bill

### Says He Would Go To Jail Rather Than Answer Whether He Is Or Is Not Red

WASHINGTON, May 31, (AP)—Negro singer Paul Robeson told Senate questioners today he would go to jail before he would say whether he is a Communist.

Senator Moore (R-Ore.) promptly adopted the idea, with the suggestion that "sometimes a year in jail cools some of these people off."

But Chairman Wiley (R-Wis.) of the Judiciary Committee said he doubted that the committee would take contempt action. Robeson was testifying before the judiciary group against the Mundt-Nixon anti-Communist bill when the dispute arose.

Senator Ferguson (R-Mich.) whose direct question Robeson refused to answer, said the committee would decide about contempt later.

The exchange took place after Robeson told the committee he thinks members of the Communist Party "have done a magnificent job in America."

"Are you an American Communist?" Ferguson asked.

"I refuse to answer that question," Robeson replied with emphatic gestures. "This is an invasion of my right of secret ballot."

Ferguson fired back the same question a second time and a third, and Robeson finally broke out:

"Nineteen leading Americans are going to jail for refusal to answer that question and if necessary I will join them."

There were some hisses mixed with the audience applause that greeted the singer's statement.

His reference to 19 Americans covered the Hollywood writers and others charged with contempt of Congress for refusal to answer similar questions before the House Committee on Un-American Activities (Continued on Page Three)

## Complete Official Returns Are Given On State Elections

TALLAHASSEE, May 31 (AP)—Complete official returns from the 67 counties today showed Fuller Warren had a 23,216-vote majority over Dan McCarthy for the governorship of Florida in last Tuesday's Democratic runoff election.

The returns shown on official county canvass reports were totaled and verified by Secretary of State R. A. Gray, but will not become final until the state canvassing board members go through the formality of signing a certificate tomorrow.

Warren received 299,641 votes in the primary election. The total of 576,000 votes cast in the primary set a new Florida election record. It was more than 11,000 above the total vote in the first primary, May 4.

In the special election for the supreme court, Attorney General Tom Watson received 226,498 votes, Justice T. Frank Hobson 141,888 and circuit Judge W. May Walker 128,539. Watson and Hobson are in a special runoff contest for the nomination. The election will be next Friday.

Richard W. (Dick) Ervin won the attorney general's position by a vote of 275,259 to 188,531 for L. Grady Burton.

In the only other contest on the primary election ballot, Louis M. Anderson of Orlando was named democratic presidential elector over A. L. Phillips of St. Augustine by a vote of 168,148 to 134,512. The other seven electors were chosen in the first primary.

## Probe Made In Death Of 5 Crashed Fighters

MIAMI, May 31 (AP)—An investigation was planned today into the death of five Miami-bound fighters who died when three Navy training planes crashed near Stuart, Saturday night.

Bodies of the men were recovered from the three separate wrecks late yesterday searches found the crashed aircraft at 8 A. M. Sunday.

Lieut. Comdr. Thomas H. Rantz said at Southeastern Naval Reserve Headquarters in Atlanta that four of the men were former combat pilots on inactive duty.

# Second Dike Break Threatens Town Of 18,700 Inhabitants

## President Truman Orders Relief Sent To Stricken Flood Victims

WASHINGTON, May 31 (AP)—President Truman today declared flood-swept sections in the Northwest a "disaster area" and ordered use of surplus war property for relief and rehabilitation.

Mr. Truman acted aboard the presidential yacht Williamsburg where he is spending most of the day.

The White House said the President "expresses his deepest sympathy" for flood victims.

The disaster order covers those parts of the states of Washington, Oregon and Idaho in the valley of the Columbia River and its tributaries.

In northern Idaho, the Kootenai River Valley is included.

In addition to surplus property in the hands of the War Assets Administration, the order also permits distribution of large quantities of Army and Navy "materials."

Mr. Truman acted upon the recommendation of Maj. Philip B. Fleming, public works administrator, who had received pleas for aid from the governors of the three states.

The White House said Housing Administrator Raymond Foley also is making a check on flood damage.

President Basil O'Connor of the Red Cross set aside \$250,000 to meet the immediate emergency needs of the victims of Vanport, Ore.

In a wire to Governor John H. Hall of Oregon, O'Connor said additional funds will be made available to the extent necessary for meeting immediate needs of families in the area.

O'Connor assured the governor that full resources of the Red Cross are available. He said Raymond Eaton, vice president and manager of the Red Cross Pacific area, has dispatched 34 national disaster workers to the Portland-Washington area to assist thousands of Red Cross volunteers.

The Portland chapter is operating 12 emergency shelters in schools and other buildings to care for the homeless of Vanport.

The water from the flooding Columbia threatened to spew over an already-bleeted suburban district and the \$1,500,000 Portland Meadows race track.

The new danger slowed the search of the brown, debris-splattered lake that covers what yesterday was the thriving town of Vanport.

Murky waters, up to 15 feet deep, still concealed today the secret of how many lives were lost.

No bodies have been recovered from the devastated town. But no one knew how many might be concealed in the crumpled houses, the submerged streets, the sunken (Continued on Page Three)

## Baptist Church Begins Work On \$50,000 Building

Structure Is To Be In Memory Of All World War 2 Dead

Ground was broken at the First Baptist Church yesterday to inaugurate the construction on a new \$50,000 educational building to be erected by the church on the property north of and adjacent to the church. Rev. W. P. Brooks is pastor of the church.

The building will be named the Memorial Educational Building in memory of all those who gave their lives in World War II. Plans for the concrete and steel structure were drawn by Moushdon and Lindsey, architects. The F. A. D. Construction Company will erect the building, which will be 42 feet wide and 109 feet long.

Rev. Britt, chairman of the board of deacons, turned the first shovel of dirt. He was representing the entire membership of the church.

After Mr. Britt the heads of the various departments of the church each moved a spadeful of earth. L. H. Stoebe, superintendent of the Sunday schools; O. Douglas Stenstrom, president of (Continued on Page Three)

## Colored Man Held In Knifing Of Negress

Harold Ferguson, colored, was arrested for disorderly conduct for the reported cutting of Grace Mae Jackson, negress early yesterday morning, it was disclosed by Chief Roy A. Williams today.

Josephine Durham, negress, was also cut about the chest yesterday morning, but no arrests have been made, pending investigation of the incident, it was reported.

CAROLINA SENATOR RALEIGH, N. C. May 31 (AP)—Former Governor J. Melville Broughton of Raleigh was well on his way today toward being North Carolina's junior U. S. senator.

His margin of victory over Senator William B. Umstead of Durham widened as tabulations in Saturday's Democratic primary neared completion.

The voting made necessary a runoff June 26 between two candidates for the Democratic nomination for governor.

## All Persons Are Ordered Out Of City Except Rescuers; Missing List Grows

SOUTH ST. PAUL, May 31 (AP)—Fire attacked the tinder-dry wooden pens of the South St. Paul Union Stockyards Company at 11:15 A. M. today and within 30 minutes had spread over a two-block area.

Yards employees turned their first efforts toward saving an estimated 2,000 head of livestock. Many of the animals were turned loose and fled to swamps near the fringe of the yards.

Firemen lamented the lack of wind, saying the flames spread in all directions whereas a wind would have driven them in one.

VANPORT, Ore., May 31, (AP)—Another dike was threatening to break today under the raging flood that destroyed this town of 18,700 people yesterday as completely as a mashed-toy village.

Everyone except rescue workers, hunting bodies in the shattered town of Vanport, were ordered out of the area to avoid being caught in a second break.

The water from the flooding Columbia threatened to spew over an already-bleeted suburban district and the \$1,500,000 Portland Meadows race track.

The new danger slowed the search of the brown, debris-splattered lake that covers what yesterday was the thriving town of Vanport.

Murky waters, up to 15 feet deep, still concealed today the secret of how many lives were lost.

No bodies have been recovered from the devastated town. But no one knew how many might be concealed in the crumpled houses, the submerged streets, the sunken (Continued on Page Three)

## Rotarians Adjourn Meeting In Respect To Dr. Puleston

The Rotary Club adjourned today without its usual program out of respect for the memory of Dr. S. Puleston, a charter member of the club, who at the time of his death last Saturday was an honorary member.

Upon motion of Randall Chase, a committee composed of Rolland Dean, Dr. S. Puleston, and John Gray, was appointed to prepare resolutions of sympathy to be extended by the club to surviving members of Dr. Puleston's family.

Clayton Touchton reported for the Young Men's Club that John Harrison had been selected to attend Boys State in Tallahassee as a representative of the Rotary Club.

Visitors introduced by Bob Harris included Paul Strong of Waukesha, Wis.

## 85 Children Enroll In Knot Hole Gang

Eighty-five children were registered for the Knot Hole Gang at the Municipal Park to be sponsored by the Seminole County Junior Chamber of Commerce, it was announced today by Leo Samuels, committee chairman.

"All other children wishing to enroll are requested to contact H. F. Ganas at the St. Johns Electric Company or Clifford Ables at the Seminole County Motors. No children will be allowed to enroll at the park on the nights of the baseball games, Mr. Samuels declared.

WOW MEETING An important meeting of Celery Camp No. 625, Woodmen of the World, will be held Tuesday evening at 8:00 o'clock at the W.O.W. Hall, it was announced today by J. D. McNeill, consul commander of the local camp.

The Hon. Arnold Page, assistant comptroller of Omaha, Neb., will be present and a large attendance is urged.

## COMMISSION MEET

The City Commission will hold an adjourned meeting tonight at 8:00 o'clock in the Commission room at the City Hall to consider the lease agreements for Municipal Airport tenants. It was disclosed today by H. N. Beyer, city manager.

Florida Power Co.

(Continued from Page One) ed out that the power company is doing everything that it can to stimulate industry in which he included "our vast agricultural business."

Dike Break

(Continued from Page One) Sheriff Martin T. Pratt said, "It is beyond the realm of possibility that in all these shattered buildings, maze of toppled tele- phone and power poles, and the crush of people who fought their way out, that none should have died. They are going to find bodies in there but I will not venture a guess on how many. We will not run the last victim's body until the river ceases, and that will be a matter of weeks."

ANGELA LANSBURY, coldly eyes the embrace of DEBORAH KERR and WALTER PIDGEON. A scene in MGM's "IF WINTER COMES" showing at the Ritz Theater Tuesday and Wednesday.

only Saturday night by engineers, the director of the housing authority which runs Vanport, and the chairman of the housing authority.

They were reported so sound that Sunday morning the Vanport housing authority distributed under every doorstep a statement saying that no danger was expected, but that—in event of the need to evacuate—a siren would give the warning.

"The housing authority feels terribly, terribly sorry," said Lester W. Humphreys, attorney for the Postland Housing Authority, after the disaster struck. "But all you can do is depend on the advice of competent engineers."

The warning siren gave the first wail of disaster. Within 15 minutes afterward, succeeding billows of water began roaring through the town, sweeping playing children off their feet, crushing houses, swirling cars like toys in the brown current.

Some looting—by boatmen pretending to be rescue workers—took place in the horror-filled night hours. Six men were arrested at daybreak by the sheriff's deputies, their boat reported filled with loot taken from second-

round-the-clock check had still not succeeded in making a full list of the missing. The wall of water, which crashed a dike yesterday and roared through the great sprawling town knocking people and houses before it like tempins, will not recede until the flooded Columbia goes down. The Columbia is due to crest here tomorrow. Not until after that can the

rescuers look through the submerged first stories, or the splintered houses. Boats, plying the city throughout the night, found no one in the houses' second floors. The dike broke without warning upon a town that had been told early that morning that "you will have time to leave. Don't get excited." The dikes had been inspected

Among those introduced by Mr. Coleman were R. H. Fite, vice president of the company; E. F. Johnson, chief engineer; J. W. Keck, superintendent of the generating plant; J. B. Heirs, industrial relations engineer; and Verne Clawson, general construction engineer; all of Miami; and D. P. Caldwell, division manager of Daytona Beach; J. A. Young, plant superintendent at Lake Monroe; County Commissioner H. B. Pope, County Commissioner J. M. Graham of Volusia county and E. G. Kilpatrick, president of the Seminole County Chamber of Commerce.

Friday evening an appreciation barbecue was tendered the Florida Power and Light Co. by the Chamber of Commerce at the Sanford Elks Club. The affair was arranged by Manager Ed Higgins who was assisted by Earle Turner, Charles Morrison, Jessie Lodge and Joe Corley. Beef, pork and lamb, barbecued by W. E. Hathaway, were served the more than 200 company officials and their guests.

Legal Notices

IN COURT OF THE COUNTY JUDGE, SEMINOLE COUNTY, FLORIDA, IN PROBATE. In re Estate of LESTER A. BRUMLEY, Deceased. TO ALL WHOM IT MAY CONCERN: Notice is hereby given that JOHN L. BRUMLEY, filed his final report as Administrator of the estate of LESTER A. BRUMLEY, deceased, that he has petitioned for final discharge, and that he will apply to the Honorable R. W. WARE, County Judge of Seminole County, Florida, on the 30th day of June, 1948, for approval of same and for final discharge as Administrator of the estate of LESTER A. BRUMLEY, deceased, on this 28th day of May, 1948. JOHN L. BRUMLEY, Administrator of the estate of LESTER A. BRUMLEY, deceased.

IN THE COURT OF THE COUNTY JUDGE, SEMINOLE COUNTY, FLORIDA, PROBATE. In re Estate of ANNA MARIE SMITH, Deceased. TO ALL CREDITORS AND PERSONS HAVING CLAIMS OR DEMANDS AGAINST SAID ESTATE: You and each of you are hereby notified and required to present any claims and demands which you, or either of you, may have against the estate of ANNA MARIE SMITH, deceased, late of said County, to the County Judge of Seminole County, Florida, at his office in the court house of said County at Sanford, Florida, within eight calendar months from the time of the first publication of this notice. Each claim or demand shall be in writing, and shall state the place of residence and post office address of the claimant, and shall be sworn to by the claimant, or attorney, and any such claim or demand not so filed shall be void. REV. W. NACHTRAB, As executor of the Last Will and Testament of ANNA MARIE SMITH, deceased. First publication May 31, 1948.

YOUR SHIP WILL

NOTICE TO DOG OWNERS ORDINANCE NO. 436 AN ORDINANCE OF THE CITY OF SANFORD, FLORIDA, REGULATING THE KEEPING OF DOGS WITHIN THE CORPORATE LIMITS; REQUIRING ANNUAL VACCINATION OF DOGS AND PAYMENT OF ANNUAL LICENSE TAX; PROVIDING FOR DISPOSITION OF UNLICENSED, UNVACCINATED, VICIOUS OR FEROCIOUS AND DESTRUCTIVE DOGS AND CERTAIN FEMALE DOGS; AND PRESCRIBING PENALTIES FOR VIOLATION OF THE PROVISIONS OF THIS ORDINANCE.

BE IT ENACTED BY THE PEOPLE OF THE CITY OF SANFORD, FLORIDA:

Section 1. That every owner or keeper of dogs in the City of Sanford, Florida, shall have each dog two months or more of age vaccinated against rabies by a licensed veterinarian between the first day of March and the first day of May of each year. The veterinarian shall furnish a certificate showing vaccination and the date of such vaccination. Section 2. That all owners or keepers of dogs in the City of Sanford, Florida, are hereby required to obtain from the City Clerk on or before May first of each year, beginning with the year 1948 a license tag for each and every dog owned or in their possession, which license tag shall only be issued upon the presentation of the veterinarian's certificate mentioned in Section 1 hereof, showing that the dog has been vaccinated. Section 3. That a fee of \$1.00 for each dog shall be paid for the license tag mentioned in Section 2. hereof. If said fee is not paid before the first day of May of each year, the same shall be \$2.00 for each dog, except for dogs reaching the age of two months after the first day of May or each dog brought within the corporate limits after the first day of May, the fee shall be \$1.00 for said license. Section 4. That each and every dog for which license tag is issued as herein before provided shall wear said license tag fastened to a collar around its neck at all times. Section 5. (a) That it shall be unlawful for any vicious or ferocious dog to roam at large within the corporate limits of the City of Sanford, Florida. (b) A vicious or ferocious dog within the meaning of this ordinance shall be one that is of a ferocious or vicious nature or snaps at people or has bitten people or attempted to bite people, and that roams the streets, avenues, alleys, or public places of the City of Sanford, Florida, without a leash by some person or persons in charge of such dog and muzzled by a muzzle sufficiently strong to prevent such dog from biting or attempting to bite people. (c) That any ferocious or vicious dog as defined in subparagraph (b) of this section, shall, while on the premises of the owner or keeper thereof be securely confined by a chain or wire, and not allowed to be loose on said owner's or keeper's premises. Section 6. That it shall be unlawful for any person or persons to keep any dog or dogs, confined or unconfined, in the City of Sanford, Florida, which by repeated barking or howling, shall disturb the comfort, peace, or quiet or repose of any person or persons residing in the vicinity of such dog or dogs. Section 7. That it shall be unlawful for any person owning or keeping a dog that is destructive of property to allow such dog to roam at large within the corporate limits of the City of Sanford, Florida, and upon complaint of any person to the police department of the destructive disposition of such dog, the owner, if he or she is known, and it is practicable to do so, shall be notified by a police officer of the destructive disposition of such dog, and upon failure of the owner or keeper to restrain such dog, same shall be captured, if practicable, and impounded, and, if practicable, the owner notified of such impoundment; and upon his or her failure to redeem said dog within ten days by payment of the sum of \$3.00 and 25c a day for each day said dog is impounded, said dog shall be disposed of by the pound keeper. If it is not practicable to capture such dog after reasonable effort so to do, it shall be the duty of any police officer to kill it. Section 8. That it shall be unlawful for a female dog, while in heat, to be allowed to run at large in the City of Sanford, Florida, and upon failure of the owner or keeper of such dog, after notice by any police officer so to do, to immediately confine such dog, it shall be the duty of any police officer to promptly notify the owner or keeper of such dog of her condition, or the owner or keeper is not known, it shall be the duty of any police officer to seize such dog and confine her in the City Pound, from which she may be redeemed by the owner or keeper upon payment of the sum of \$3.00 plus 25c a day for each day said dog is impounded to the poundkeeper. Upon the impounding of such dog the poundkeeper shall, if practicable, notify the owner thereof if he or she is known. If said dog has not been redeemed after being impounded for ten days, she shall be disposed of. If it is not practicable to capture such dog after reasonable effort to do so, it shall be the duty of any police officer to kill her. Section 9. That if any dog belonging to or in the possession of any person residing in the corporate limits of the City of Sanford, Florida, be found at large by any police officer without having the aforesaid license tag, or any ferocious or vicious dog be found at large, any police officer or officers of the City shall impound such dog in the City Pound, but if it is impractical to capture such dog for the purpose of impounding, the police officer or officers shall kill such dog. The owner or owners or party claiming possession of any impounded dog may secure its release upon payment to the City Tax Collector of the sum of \$3.00 and 25c for each day said dog is impounded, and if such dog has not been vaccinated within the period of time herebefore stated, said dog shall be vaccinated and said license tag obtained before said dog is released, or if such dog has been vaccinated within the time required, but said license tag has not been obtained, the same shall be obtained before said dog is released. If any such dog impounded hereunder shall not be redeemed by the owner or party claiming possession as herein required within ten days after the impounding thereof, said dog shall be disposed of by a police officer or the poundkeeper. All dogs impounded shall be properly fed and cared for until redeemed or disposed of. If the owner of such dog is known and it is practicable to do so, the poundkeeper upon the impounding of such dog shall notify the owner of such impoundment. Section 10. That any person found guilty of violating the provisions of Sections 5, 6, or 7 of this ordinance shall, upon conviction in the Municipal Court of the City of Sanford, Florida, be punished by fine of not more than \$200.00 or by imprisonment of not more than ninety days, or by both fine and imprisonment at the discretion of the Municipal Judge. Section 11. That all ordinances or parts of ordinances in conflict herewith be and the same are hereby repealed. Section 12. That this ordinance shall become effective immediately upon its passage and adoption.

PASSED AND ADOPTED THIS 24TH DAY OF MAY, 1948. ROBERT A. WILLIAMS Mayor LEA R. LESHER ANDREW CARRAWAY JOHN KRIDER RANDALL CHASE As the City Commissioners of the

Attest: H. N. SAYER City Clerk

Oviedo News

Special to The Sanford Herald By M. BRIAN R. JONES

Mrs. R. W. Estes, Mrs. J. P. Cox and Mrs. Charles T. Niblack entertained with a hobo party at the Home Economics Building...

After this frolic, they gathered in a circle in the yard at the Home Economics Building. To each was handed a package containing two hot dogs, wrapped in wax paper, then newspaper, and tied at each end...

Those enjoying this party included LaJune Estes, Dorothy Niblack, Audrey Cox, Barbara Wheaton, Charles E. Weitzman, Carolyn Hardy, Joan Meek, Jeanne Chance, Billie Chance, Carlene McKinnon, Milan Jakubec, Bobby Malcolm, Bobby Ragdale, Gene Gore, Earl Brown, J. W. Combs, Henry Ward, Bobby Ward, and Earl Ghinn...

Alfred Link was the dinner guest of the J. N. Thompsons Sunday.

Mrs. N. S. Quarterman, accompanied by her daughter, Mrs. M. M. Indale, and granddaughter, Ann, left Wednesday for Columbus, Ga., stopping en route at Kingland. Mrs. Tindale and baby daughter, Ann, have been visiting Mr. and Mrs. Quarterman for the past two weeks...

Dr. J. W. Martin and the Rev. and Mrs. Harold H. Link have returned home after having spent the past week in Memphis, Tenn., where they attended the Baptist Conference.

Mr. and Mrs. Fred Pierson had been happily married for twelve years on Monday.

On May 17th Mr. and Mrs. George C. Means and Mr. and Mrs. F. S. Quarterman each celebrated their seventh and twenty-seventh wedding anniversaries respectively.

Mr. and Mrs. J. O. Anderson are spending a couple of weeks with Mrs. Anderson's parents, Mr. and Mrs. Jack C. Kasell. On June 8 they will go to Gainesville to make their home for a while...

Mrs. Hugh Flynt and daughter, Mary, of Orlando, were the recent guests of Mrs. Flynt's mother, Mrs. Mary Young.

Mrs. J. S. Means, who has been the guest of her son, George and Mrs. George Means, has returned to her home at Gainesville.

Mr. and Mrs. Paul M. Campbell entertained Mr. and Mrs. Arthur Beckwith, of Sanford, at a dinner party recently.

B. F. Wheeler, Sr. is recuperating very nicely at his home here following a major operation which he underwent several weeks ago in Jacksonville.

Carl Daul is able to be out again following a very serious illness, at which time he was confined to the Fernald-Laughton Hospital, afterwards recuperating at Daytona Beach.

Paul Miller, teacher and athletic director of the Oviedo School, is the newly elected president of the Seminole County Teachers' Association.

Joe L. Beasley is now the new proprietor and operator of the Old Carver Mullins store on Lakeham road.

Mr. and Mrs. Bo Cox have moved into the J. D. Bore home.

Mr. and Mrs. Bill Colbert, of Sanford, are now listed among the new residents of Oviedo. They have built a small house near the Frank Talbot's. Mrs. Colbert is the sister of Mrs. Don Uirey.

Mr. and Mrs. James Pearson and family are also a new addition to the population of Oviedo, having come from Sanford. They are occupying the Basil Guynn home.

The Oviedo Post Office had a special ceremony for the opening of the new building. The ceremony was held on May 28th and was attended by many of the community leaders.

SUBMERSIBLE CRAFT WAX INTO ADULTHOOD

The U. S. Navy's first submarine, the USS HOLLAND, was invented and designed by John P. Holland and accepted by the Navy in 1899. In the upper photograph the HOLLAND is shown buttoned up and starting to submerge. In the past 48 years of the Navy's existence and a half of existence as a Department of the United States Government, development of modern craft and warfare has culminated in such post-war submarines as that shown in a lower picture. She is the USS Pigeon, SS-484, improved fleet-type U-boat following conversion under the "Guppy" program. (Official Navy Photograph)

P. T. A. elected to amend the by-laws to read so that the P. T. A. might hold a meeting once each calendar month instead of once each six weeks. They also agreed to sponsor the Boy Scout Troop, with Joseph Leinart as scout leader...

Mr. and Mrs. R. W. Stancel, of Atlanta, Ga., have returned home after spending a while with the R. L. Ragdales.

Mrs. Ruby U. Jones was the luncheon guest of the J. B. Joneses on Monday. Mrs. M. M. Tindale was their dinner guest.

The second and third grades were entertained with a picnic and swimming party at Sweetwater Park by their homeroom mothers, Mrs. Don R. Uirey and Mrs. Roy Fleming, together with their teacher, Mrs. W. A. Caldwell. They were assisted by Mrs. R. W. Estes, Mrs. Tip Partin and Mrs. Charles Dishman.

Those enjoying the picnic included Karen Boatright, Georgena Dishman, Evelyn Fulham, Janet George, Annie Raulerson, Melville Jackson, Gale Glenn, Junior Simmons, Richard Estabro, Sylvia Strickland, Don Lulrey, Edward Burnsed, Amos Barr, Betty Lou Beasley, Thomas Brown, Kay East, Peggy Fleming, Pete Fulham, Faye Glenn, Jack Hill, Howard Hunt, Ronald King, Shirley Partin, Jack Raulerson, the nannies and assistants.

Mr. and Mrs. J. A. Guynn motored to Inverness to attend the Quarterly Conference meeting of the Methodist Church there.

Mrs. Lilla Kunschiller left Tuesday to visit relatives and friends at Lubbock, Texas.

In a very close election T. L. Lingo nosed out Mr. M. L. Gary by two votes for Soil Conservation Supervisor.

Mrs. Edward Kircher will preach at Foster Chapel for the 11 A. M. Service on Sunday, June 6, which will be the Sunday Rev. Lionel Nelson will be attending the Methodist Ministers' Conference at Miami.

A large number of people were present at Foster Chapel, Oviedo Methodist Church to enjoy the sandwich supper and the very intriguing and impressive ceremony put on by seven Latin American students from Florida Southern College, Lakeland. They sang and danced in native costume.

Mrs. Leroy Woods, who underwent an operation at Jacksonville Saturday, is doing nicely. Her mother, Mrs. Salem Cedar returned to Oviedo for a couple of days following the operation but has returned to be with her daughter at the time she undergoes a second operation. Mrs. Woods also underwent a similar operation five years ago.

Burgess McMahan, who has been a patient at John Hopkins Hospital, also underwent a major operation this past week.

Mrs. Mary Young and L. E. Jordan have just received word that their sister, Mrs. Esther Bohrer, has suffered another stroke at Bristol, Miss. Mrs. Young only returned a week ago from being with her sister for some time following her first stroke. Mr. and Mrs. L. E. Jordan and Mrs. Young will leave soon for Bristol to be with Mrs. Bohrer.

Mr. and Mrs. James W. Nelson and daughter, Mrs. Jean, plan to make a trip to Miami, Fla., where Nelson will attend the Methodist Ministers' Conference and they will also visit Mr. and Mrs. G. E. Barnes, parents of Mrs. Nelson's daughter.

Defense Board

(Continued from Page One) Procurement planning offices of the national military establishment.

It explains also which service buys what material under the new unified military establishment plan. Materials are listed in the order of security, indicating indirectly the probable order of priority in event of war.

The book contains some military "assumptions" about the probable form of another war, but hastens to explain that these are only for planning purposes and "should not be taken to imply that a war is expected in the near future."

German Election

(Continued from Page One) parties.

The Communists had their biggest success in Nuernberg, scene of the war crimes trials. Communist candidates there ran up 4,000 more votes than the CSU, getting 20 percent of the vote. They were beaten only by the left-center Social Democrats. The Communist success in Nuernberg gave leftwing parties 27 of 49 seats in the city council.

There was no immediate explanation. A similar rise in the city of Huf was attributed to the fact that the town lies along the Russian occupation zone border.

In Munich the Communists jumped from 10.2 percent of the city vote in 1946 to 11.4 percent. Biggest rightwing gains were registered by a new party, the Socialist Bavarian Party which called for "Bayern for Bavarians."

The party put up candidates in only 26 of the 41 cities, but it won 13.6 percent of the total, state-wide balloting. In the capital city of Munich it got 24.6 percent of the valid votes cast.

The CSU took a sharp loss in Munich, dropping from 34 percent in 1946 to 18 percent.

In almost every city the party in the lead was the Socialist Democratic Party (SPD), maintaining a position it always has held as the favorite party of city dwellers and industrial workers.

The SPD, however, also dropped considerable votes either to the Communists or small, right-wing groups. On a state-wide basis the SPD got 20.9 percent of the vote as against 37.1 percent in 1946. In Munich it dropped from 36 percent to 25.9 percent.

ACTRESS DIES

HOLLYWOOD, May 31 (AP)—Funeral services, without flowers, will be conducted Wednesday morning for Danni May Whitty, 32, British born character actress whose career on the stage and in films extended over 66 years. She died Saturday after an illness of several weeks.

In a recent letter to her daughter Danni May asked that mourning not be worn at her funeral and that instead of sending flowers her friends dispatch parcels in England a needy through CARE.

Robeson Defiant

(Continued from Page One)

"Maybe if I were a Republican I might not answer the question either," Robeson told Ferguson at another point. "I'd say come to the ballot place and see for yourself."

That was his response to an inquiry whether he holds a card "in any Communist organization in any state."

"Robeson seems to want to be made a martyr," Moore told reporters later. "Maybe we ought to make him one."

Ferguson, however, said a legal question is involved in the matter of a contempt citation, since a committee quorum was not present during the exchange.

"I'm not interested in whether Robeson is a Communist or not. I am interested in the dignity of the committee. I am interested in getting an adequate bill and I don't want to be diverted from that purpose."

The sharp give-and-take at times found Robeson asking as many questions as he answered. At one time Moore instructed him: "You answer my question and don't do so much talking yourself."

Baptist Building

(Continued from Page One)

the brotherhood; Mrs. T. H. Groves, president of the Women's Missionary Union; L. A. Phillips, associate director of the training union; Martin Shinepfeher, chairman of the finance committee; John Miller, retiring educational director and C. E. McKee, chairman of the building committee, participated in the ceremony.

Those who were members of the church in 1914, when the auditorium was erected, turned a shovel of dirt, then Rev. and Mrs. W. B. Brooks concluded the work by moving the final shovels of dirt. Rev. I. N. Kimbrough pronounced the benediction.

Dr. Puleston Funeral

(Continued from Page One)

J. A. Brumley, he constructed the Brumley-Puleston Building at Park Avenue and First Street in 1928. Dr. Puleston was an ardent sportsman and hunter, and was a member of the Tonalhatcive Gun Club.

He was born in Weatherford, Texas on Dec. 8, 1880 and received his medical training at the University of Maryland. For many years he served as A. C. L. physician for Sanford.

Survivors include his widow, Mrs. Lou Puleston of Sanford, his mother, Mrs. May Puleston of 801 Magnolia Avenue; two daughters, Mrs. R. F. Spencer of Claversack, N. Y. and Mrs. R. A. Shangraw of Belmont, Mass.; a sister, Mrs. Junius Turnbull of Sanford and many nieces, nephews and grandchildren.

Active pallbearers were Frank L. Woodruff, Jr., G. A. Speer, Jr., W. A. Adams, Henry Wight, Andrew Curraway and Porter Lansing. Honorary pallbearers included Dr. McEwan of Orlando, Dr. C. L. Park, E. F. Lundquist, F. E. Roumiltat, Bruce Anderson, Walter Hand, J. L. Ingley, J. C. Hutchinson, Barney Beck, Charles Lee of Oviedo, Perry Cameron, J. D. Woodruff, D. L. Thrasher and W. E. Watson.

Youth 13, Is Held For Slaying Of Father

LOS ANGELES, May 31—(AP)—Thirteen-year-old, freckle-faced Robert Weitzel was held today on suspicion of murdering his father, Elmer L. Weitzel, 50, Glendale City prosecutor.

Police accused him of firing seven shots into his father's face and chest in the family living room last night. His mother, reported officers, said the boy used a .22 caliber pump action rifle his father had bought him recently.

Juvenile Officer E. K. Morrissey said Robert told him his father "slapped me five or six times on the way home from the beach" shortly before the shooting.

Can Black-Draught Help a Lost Appetite?

Yes, Black-Draught may help a lost appetite. Black-Draught may help a lost appetite if the only reason you have lost your appetite is because of constipation. Black-Draught, the friendly laxative, is usually prompt and thorough when taken as directed. It costs only a penny or less a dose. That's why it has been a best-seller with four generations. If you are troubled with such symptoms as loss of appetite, headache, upset stomach, flatulence, physical fatigue, sleeplessness, mental distress, bad breath—and if these symptoms are due only to constipation—then use what Black-Draught may do for you. Get a package today.

An Announcement TELEPHONE BUSINESS OFFICE will be CLOSED ON SATURDAYS Beginning JUNE 5th

Beginning Saturday, June 5th, the Telephone Business Office will be closed on Saturdays. This change has been decided upon after giving full consideration to good customer service and the welfare of our employees.

Office hours will be 8:30 A.M. to 5 P.M., Monday through Friday.

MONDAY, MAY 31, 1948

BIBLE VERSE TODAY

ISAIAH HEHEED A CALL
AND BECAME ONE OF
MANITY'S IMMORTALS. BUT
HE WAS LOOKING FOR A
CALL AND LISTENING. YOU
AND I MIGHT WELL LISTEN
TOO. GOD MAY HAVE A MAG-
NIFICENT DESTINY FOR US.
IF WE ARE RECEPTIVE.—Isa.
6:8: Here am I, send me.

Down in Tampa they are again
talking about the "hot vote" in
spite of voting machines. However,
we think the voting machines are
a big help and should receive the
endorsement of the next session
of the Legislature.

Another outbreak of polio is
reported in some places in Florida.
The fly season is here. The warm
weather is upon us. Get rid of
bugs and insects. Keep kitchens
and kitchen ware clean. Be sani-
tary. Help keep down disease.

It is amusing, if not ironic, to
see that Drew Pearson has been
selected as the "father of the
year." Imagine the man whom
President Roosevelt branded as a
"chronic liar" being held up as
the father most desirable to emulate.

President Truman as well as
members of the Senate are all
burned up over sabotage in the
"Voice of America" program.
The State Department insists it
is the inevitable result of inadequate
funds and insufficient supervision.
However, if the State Department
would eliminate its Reds, so much
supervision might not be neces-
sary.

When you think about what a
hard time you are having, how
much you are discriminated
against, how much injustice there
is in the world, how poorly paid
you are, remember those poor
devils out in Vanport City, Ore.,
who got caught in the raging
floods of the Columbia River when
the dike just above the city broke.
There was no discrimination there.
Everybody went down.

Donald Richberg, labor attorney
and former head of the NRA in
the early days of the New Deal,
says, "Anyone who does not think
we are in danger from the Com-
munist movement in Russia and
the Russian tactics is a plain
fool." He advocates passage of the
Mundt-Nixon, declaring that
"some means of combatting Com-
munist activities is obviously neces-
sary."

An investigation of the Tampa
water supply reveals that the bad
taste is due to a 15 year failure
by the city to keep plant facilities
abreast of the growing community.
Originally built for a town of
100,000, the city now has over
123,000 and is still growing. San-
ford had fewer than ten thousand
people ten years ago; now has
about 15,000. Are our city facili-
ties keeping pace with the growth
of our community?

Robert Sherwood, who used to
write President Roosevelt's speeches
for him, tells in Collier's
Magazine how he happened to
coin the phrase "again, and again,
and again" which Roosevelt used
so effectively in 1940 in assuring
American mothers that if he were
elected President "Your boys are
not going to be sent into any
foreign war." Sherwood says he
still burns inwardly whenever he
thinks of those words, "again,
and again, and again."

The Rev. William J. Harty told
members of the graduating class
of the University of Tampa the
other day that the United States
doesn't want "peace at any price."
Yet we are convinced more and
more as Communist propaganda
continues to flood this country
that the number is growing daily
of those who would be willing to
give Russia anything she wants in
order to avoid even for only a
few years, a knockdown draught
back with her.

Wage-Price Formula

The new working contract at General Motors, with its
formula for relating the basic wage to the cost of living
index, offers financial security for the workers and man-
power security for the corporation. It seems an excellent
arrangement from the standpoint of the individual parties
concerned.

If the pattern set by this contract should be adopted
by a number of large industries, it would exert a definite
effect on trends in cost levels. The formula then would tend
to prolong and perhaps accelerate any change in the level of
prices, and would increase the tendency for a price change
in one industry or one classification of goods to be extended
to other industries and goods. It would have, in other words,
a fly-wheel effect on changes in the price structure.

There can be no hard and fast statement that such
an effect would be good or bad, for much would depend
upon circumstances at the time. A downward trend in prices
at this time, for example, would be almost universally
hailed, and any force tending to aid the trend would be
considered good. Under the circumstances of ten to fifteen
years ago, downward pressure on prices and wages would
be viewed with fear.

The most significant aspect of the General Motors
contract at this time is that it introduces an element of
stability into the industrial labor scene at a time when
unrest and uncertainty are prevalent and stability is sorely
needed.

Regional Alliances

The growing success of the union among western Euro-
pean nations leads some observers to believe that groups of
contiguous countries with similar problems and common
interests may form a foundation for a more powerful
United Nations Organization.

Under this system the world might conceivably be
divided into segments, as for instance a hemisphere group
headed by the United States, Eastern Europe with Russia
leading, and an Asiatic division with China at the top. Such
co-ordinated combinations would form units easier to cope
with than individual nations with their ideas of individual
sovereignty. Sovereignty would already have been submerged
in the interests of the group, and thus one hurdle would
have been topped.

Every instance of successful co-operation between
nations argues well for the future of government. After so
many centuries devoted solely to the welfare of individual
countries such time and patience will be needed to achieve
world unity. Neighboring countries should find it fairly
easy to share their problems and their solutions.

The mark to aim at is that day when every country
in the world will be the neighbor of every other. But taking
one step at a time, and consolidating one gain before trying
for the next, might be a good means of getting there.

Going Of Gromyko

In Russia it is only the top men who count. Too much
should not be expected of the relief of Gromyko as delegate
to the United Nations. Though he is a fairly important
man, his departure does not mean that his successor will
be any the less bitter, any the less practiced in saying "No!"
Gromyko, after all, is only the messenger of Stalin and
Molotov.

If either Stalin or Molotov gave up his post, that would
mean something. In 1939 Litvinov, then minister of foreign
affairs, had been advocating friendly relations with the
Western powers. His replacement by the rigidly isolationist
Molotov heralded a change for the worse in Russian foreign
policy.

Compared with Litvinov's, Gromyko's departure is an
insignificant change in personnel.

Sanford Forum

Sanford Herald
Sanford, Fla.

Dear Sir:

The writer formerly was actively
associated with dailies in Okla-
homa City, and for 17 years has
been engaged in chamber of com-
merce work where any selfish use
of news columns would have been
wholly unethical, and certain to
draw swift retribution.

I praise you for your positive
refusal to permit the use of your
columns for wholly selfish pur-
poses, and for your professional
curbing of propaganda.

In behalf of the citizens of

behalf of the tobacco industry in
Georgia and Florida, permit me to
assure you that the enclosed an-
nouncement of the Southeast To-
bacco Festival here July 18-17
does not overstate this exposition
at any point. It has far greater
magnitude than claimed, as all
"comparisons" and "probabilities"
have been eliminated, pending the
signing of still additional con-
tracts to expand the show.

This section of Georgia will
greatly appreciate such "play"
as you can use to advise the public
of the plans under way here. This
festival should prove to be one of
the leading attractions in the
South during 1948.

Yours very truly,
A. E. Rannels, Manager
Moultrie Chamber of Com-
merce and Secretary of the
Festival

DIES IN PARADE

WESTMINSTER, Md., May 31,
(AP)—Grabbing his trombone, Os-
car Sell took his accustomed place
in the town band for a Memorial
Day parade to the cemetery and
dropped dead.

Dr. C. L. Billingslea said the
bread salesman had been seized
by a heart attack. The Memorial
Day ceremonies yesterday had a
special meaning for Sell. Three
weeks ago he re-buried the body
of his son, a Marine Sergeant
killed in the Pacific.

Memorial Day

(Continued from Page One)

in our efforts to establish and
maintain freedom."

Francis Cardinal Spellman, visit-
ing the American Armed Forces
Cemetery north of Manila, led the
services for the dead and raked a
blessing for the living "who are
fighting the good fight for peace."

Cautioning against efforts to
set up a world organization with-
out Russia, Senator Saltonstall
(R-Mass.) called in a speech at
Belmont, Mass., for a "talking"
peace inside the United Nations
rather than "shooting it out" out-
side the U. N. covenants.

General Omar N. Bradley,
Army chief of staff, declared at
Longmeadow, Mass.

"Wars can be prevented just as
surely as they are provoked and
therefore we who fail to prevent
them must share in guilt for the
dead."

Citing what he called the neces-
sity of meeting Russia "boldly
with principle, resolution and
strength," Bradley added:

"If we are to scamp for
crisis to crisis, fixing principles
and policies to the change of each
day, we shall place ourselves sus-
piciously and helplessly at the
mercy of any aggressor who
might play on our public opinion
and decimate our forces at will."

Supreme Court Justice William
O. Douglas said at Hyde Park,
N. Y., ceremonies that the way to
honor the late President Roose-
velt is to "take the lead in dispel-
ling fear by coming to grips with
the problems of our time."

THE WORLD TODAY

By DEWITT MACKENZIE
AP Foreign Affairs Analyst

The fall of a heroic figure from
his political pedestal always is a
matter of regret, and so it is that
we find the world at large, irrespec-
tive of ideological beliefs or inter-
national leanings, shocked at the
disaster which has overtaken
famous old Field Marshal Jan
Christiaan Smuts.

A measure of his stature may
be seen in the fact that the aver-
age student of international af-
fairs probably thought of the per-
sonal misfortune first, and after-
ward of its significance to the
British Commonwealth and em-
pire. Now that is a remarkable
reversal in the order of thinking,
for the cyclonic political change
wrought by the South African
elections has a grave bearing on
the solidarity of the common-
wealth.

Prime Minister Smuts' United
Party, which stands for imperial
unity, was swept from power in
last week's voting by the Na-
tionalist-Afrikaner coalition in
which stands for separation from
Great Britain. Not only that, but
the 78-year-old Smuts himself
was defeated for reelection to
Parliament. Dr. Daniel Francois
Malan, leader of the victorious
coalition, was called upon to form
a new government.

The result of the election natu-
rally is a terrific shock to Eng-
land. Its significance is well
described in the comment of two
London dailies. Lord Beaver-
brook's Evening Standard said:
"This is a grave hour for the em-
pire." The Daily Mail declared
the Nationalists would strike to
sever the British connection and
set up a free republic, "weaken-
ing empire defense lines.

This mention of defense lines
has reference to the fact that
since the end of the war Britain
has undertaken a rearming and
extension of her defenses. In-
stead of placing reliance on domi-
nation of the Middle East, she has
been in process of supplementing
these defenses with others in
East, West and South Africa.

An isolationist union of South
Africa presumably would mean
disruption of this military pro-
gram. Worse yet, from Eng-
land's standpoint, it might mean
the loss of a rich and important
unit of the British Commonwealth
of Nations. The political and
economic implications would be
enormous.

However, these are possibilities
and not accomplished facts. So
let's not jump to conclusions re-
garding the extent of the threat
to the British Commonwealth. It
is plenty in any event.

Field Marshal Smuts has been
an outstanding imperial figure
for half a century. He has rank-
ed among the world's great states-
men for more than a generation.
It seems strange to record that
this great imperial personality
started on his road to fame as
one of the leaders of the Boers
in the war against England in
1899-1902. World War I, how-
ever, found him with the South
African forces on the side of
Britain and the Allies. Then dur-
ing the darkest hours of the con-
flict British Prime Minister Lloyd
George called Smuts to London
and made him a member of the
imperial war cabinet, in which he
served with distinction.

Great in peace as well as war,
Smuts helped create the League
of Nations and make the treaty.
Then when conflict once more
swept the world he took his helm
as prime minister in South Africa
and led his country to the sup-
port of England, despite strong
opposition by nationalists at
home. He was made a field mar-
shal in 1941. Again when war
ended he had a hand in building
the new peace organization at
San Francisco.

Smuts has taken his defeat
philosophically. His future, and
the future of South Africa as a
member of the British Common-
wealth, are on the knees of the
 gods.

Palestin Fight

(Continued from Page One)

succeeded in substantially increas-
ing our effective strength on the
land and in the air." Ben-Gurion
said "Notwithstanding the end of
the fighting in the Old City,
strenuous efforts to relieve Jeru-
salem and the area are in hand
and are being pressed."

The Arabs, however, maintain-
ed control of the supply road
from Tel Aviv to Jerusalem. The
Egyptian newspaper Al Zemanah
said the Arabs won a great vic-
tory at Latrun, about half way
between the cities. Both sides re-

Auto Races

(Continued from Page One)

Maury Rose of South Bend,
Ind., the 1947 winner, and runner-
up Bill Holland, Reading, Pa.,
were driving a strewed race in
their twin Blue Crown spark plug
specials. They ran along about
side-by-side, first one and then
the other going ahead until Hol-
land stopped for a tire change.

Horn's pit stop dropped him
into fourth place at 200 miles.
Rose was challenging Maya for
the lead. Duke Nalon, Los An-
geles, moved into this place in
the 550-horse power New grooved-
piston special that set the
fastest mark in pre-race elimina-
tions.

Tony Bettenhausen, Inley
Park, Ill., was in fifth place, Hol-
land was sixth when he came out
of the pits.

Maya's speed for the first 200
miles average 120.453 miles an
hour, compared with Jimmy Sny-
der's record of 120.960 at in
1939.

Only one accident had happen-
ed in the early running. Eugene
Carter, Santa Monica, Calif., es-
caped injury when his car lost a
rear wheel and skidded into the
infield at the southeast turn. Me-
chanical troubles had taken out
12 other cars.

Drivers out of the running in-
cluded: Spider Webb, Bell, Calif.,
broken oil line, 27 lap Mel Han-
sen, Los Angeles, flagged off in
42nd lap for failing to maintain
racing speed; Les Anderson, Port-
land, Ore., mechanical trouble,
58th lap; Fred Agabianian, Al-
bany, Calif., oil line trouble 58th
lap; Jack McGrath, South Pasade-
na, Calif., mechanical trouble,
58th lap.

ported using thousands of troops
in the battle. The news main-
tained silence on the fight.
Arab legionnaires made three
forays from the conquered Old
Walled City of Jerusalem into
the new city Saturday night and
early Sunday. All were repulsed.
Jewish planes bombed Arab posi-
tions at Bibbu village and Sam-
sou's tomb in hills overlooking
Jerusalem.

(Prime Minister Attlee told the
British House of Commons he is
"not aware of any rift" between
Britain and the United States
over Palestine. The U.S. gener-
ally has pressed for a stronger
United Nations effort to stop the
fighting than has Britain, which
is allied to several of the Arab
countries.)

Start The Day Right!

By
W. V. Bitting
Touchton Drug Co.

Isn't it amazing how much
more you can do if you just
start the day right. To do this
of course you need energy
when you arise and enough to
carry you through the day's
work.

If your energy is at a low
ebb, maybe extra vitamins are
the answer to your problem.
Consult your doctor—he will
know if vitamins can help you,
and the kind and quality you
need.

Should he suggest them,
make certain that you get the
finest quality by patronizing a
druggist who carries only the
best vitamin products.

MONDAY
The Fidelis Class of the First Baptist Church will meet at the home of Mrs. Frank L. Woodruff...

Mrs. Lea R. Lesher Honors Bride-elect

Mrs. Lea R. Lesher entertained on Friday evening at 8:00 o'clock with a dessert-bridge party honoring Miss Betty Thurmond...

Personals

J. Bralley Odham and Alvin Odham have left for Philadelphia, Pa. where they will attend the National Junior Chamber of Commerce convention.

Mrs. E. H. Laney Voted President Of UDC

Mrs. E. H. Laney was elected president of the U. D. W. Howard Chapter of the United Daughters of the Confederacy at the regular monthly meeting of the group held on Friday at 3:00 P. M. at the home of Mrs. W. C. Hill at 1900 Magnolia Avenue.

Woman's Department Elects New Officers

Mrs. Broughton Watkins was elected as chairman of the American Home Department of the Sanford Woman's Club and Mrs. Roy Greene as vice chairman to fill vacancies.

Legion Post No. 243 Installs Officers

The newly elected officers of American Legion Post No. 243 were installed in a very beautiful and impressive ceremony conducted by District Commander McGowan, assisted by Adjutant Coffin.

Miss Martha Perkins Receives Diploma

Miss Martha Linda Perkins of Sanford was among the 148 students receiving degrees at Stetson University's 68th annual spring commencement today. She received the degree of Bachelor of Science in Business.

Mrs. Meisch Honors Maryanna Springer

Miss Maryanna Springer, a member of the 1943 graduating class of Seminole High School, was honored with a morning party given by Mrs. Edmund Meisch on Saturday at her home on West First Street.

Miss Martha Perkins Receives Diploma

During her college course, Miss Perkins has been an active member of the Commerce Club, Canterbury Club, Women's Athletic Association, and Intra-mural manager for her fraternity, Pi Beta Phi.

TOT KILLED

DAYTONA BEACH, May 31.—(AP)—Nineteen-month old Craig Foster, son of Mr. and Mrs. Ira J. Foster, was killed late yesterday when he apparently toddled into the street in front of his home and was hit by a car whose driver, A. H. Pritchard, was unaware of the child's presence.

Edward Kircher Honors Mr. Bowes

Edward Kircher entertained on Friday evening at 7:30 o'clock with a spaghetti supper honoring Charles Bowes, whose marriage to Miss Betty Thurmond will be an event of the early part of June.

Miss Aycocke Leaves For Durham Home

Miss Clara Aycocke of Durham, N. C. left on Saturday for her home after having been the houseguest of her sister-in-law, Mrs. J. C. Aycocke at her home at 810 Myrtle Avenue. While in Sanford, Miss Aycocke was honored with a boat party given by Mr. and Mrs. E. E. Roumillat aboard their yacht the "Skylark".

Mallem Pupils Give Annual Recital

The piano pupils of Miss Madeline Mallem presented their annual recital on Friday evening at the Sanford Woman's Club. The program began at 7:30 o'clock. The large room was decorated with a profusion of spring flowers.

Miss Marjorie Ann Fowler who will be the guest artist for the annual recital of the Margaret Davis piano pupils. The recital will be presented tomorrow evening at 8:15 o'clock at the Sanford Woman's Club. Miss Fowler is a member of this year's graduating class and recently presented her senior voice recital in the Anne Russell Theater. She will be accompanied by Kenneth Newbern, a piano major of Rollins College. An artist in his own right, he recently presented his junior recital at the Winter Park Woman's Club and has been the accompanist for the annual Independent Show for the past two years.

Mrs. Eick Entertains Thursday Bridge Club

Members of the Thursday Morning Bridge Club met on Thursday at 10:30 o'clock at the home of Mrs. John A. Eick at her home on West Sixteenth Street. Lovely arrangements of red and white gladioluses were used in the rooms. Following several progressions of bridge, scores were added and high prize awarded to Mrs. W. E. Kirchhoff, second high to Mrs. H. L. Perkins and screen was won by Mrs. R. H. Deas.

BIRTH ANNOUNCEMENT

Mr. and Mrs. James L. Ingley, Jr. announced today the birth of a daughter, Carol Jean, on May 28 in Auburn, Ala. Mrs. Ingley will be remembered by her friends as the former Jackie Brothie. Mr. Ingley is a student at Alabama Polytechnic Institute.

GRAVES SPEAKS

DELAND, May 31.—(AP)—"Democracy is the true answer to the atomic threat," John Temple Graves, author and lecturer today told 131 members of the largest graduating class in Stetson University's history. Following his address, a degree of doctor of laws was conferred upon him by President J. Olin Edmunds. Graves told the seniors that some people thought the world was in a position now to blow up others thought a "heaven on earth" could be made. He said that whatever happened depended upon the people in the world; that without "excellent human beings Democracy cannot succeed and this Democracy is the true answer to the atomic threat and promise, for Democracies alone can be trusted not to make war. Where people rule, they rule against war."

MENU

WEDNESDAY DINNER
Baked Green Peppers Stuffed with Hamburger
Baked Potatoes
Stewed Tomatoes
Bread and Butter
Canned Peaches
Beverage
(Recipe for Stuffed Dish follows)
Stewed Tomatoes with Crisp Croutons
3 tablespoons butter or fortified margarine
4 slices bread (2 cups cubes)
1 No. 2 can (2 1/2 cups) tomatoes
1 teaspoon salt
2 1/8 teaspoon freshly ground pepper
1 teaspoon sugar
2 tablespoons finely-grated onion
2 tablespoons enriched all purpose flour
Melt butter or margarine in skillet. Cut bread slices into 1/2-inch cubes and add. Brown lightly over low heat, stirring occasionally; this will take about 20 to 30 minutes. Put tomatoes in saucepan, reserving 1/4 cup of the juice. Mix salt, pepper, sugar, onion with tomatoes. Add flour to the reserved tomato juice and blend smoothly, gradually mix into seasoned tomatoes. Cook over medium heat, stirring occasionally, until thickened and bubbly. Then continue cooking and stirring 1 or 2 minutes longer to cook flour completely. Serve in baked dishes and sprinkle with crisp bread cubes. 4 to 5 servings.

I. O. O. F. Regular Meeting Every Monday Night 8 P. M. ALL MEMBERS URGED TO BE PRESENT. VISITORS WELCOME

Miss Martha Perkins Receives Diploma

During her college course, Miss Perkins has been an active member of the Commerce Club, Canterbury Club, Women's Athletic Association, and Intra-mural manager for her fraternity, Pi Beta Phi. She is the daughter of Mr. and Mrs. B. L. Perkins of 806 Magnolia Avenue.

Mrs. Meisch Honors Maryanna Springer

Miss Maryanna Springer, a member of the 1943 graduating class of Seminole High School, was honored with a morning party given by Mrs. Edmund Meisch on Saturday at her home on West First Street. The guests gathered at 10:30 A. M. at the Meisch home which was attractively decorated with spring flowers.

TOT KILLED

DAYTONA BEACH, May 31.—(AP)—Nineteen-month old Craig Foster, son of Mr. and Mrs. Ira J. Foster, was killed late yesterday when he apparently toddled into the street in front of his home and was hit by a car whose driver, A. H. Pritchard, was unaware of the child's presence. Coroner E. A. Donovan said that just before the impact, he had brought his car to a stop because some older children were playing ball in the street. After the car was in motion again, occupants of the Pritchard car heard a bump, and looking back, saw the child's body in the street. Ira Foster is junior high school principal on the peninsula here. The child's skull was fractured. The Fosters have another son, Kent, 7.

Edward Kircher Honors Mr. Bowes

Edward Kircher entertained on Friday evening at 7:30 o'clock with a spaghetti supper honoring Charles Bowes, whose marriage to Miss Betty Thurmond will be an event of the early part of June. The supper was held at the Kircher home at 1104 Myrtle Avenue which was decorated with a profusion of multi-colored spring flowers. Dinner was served in the dining room where the table was covered with a bright yellow cloth and centered with the colorful flowers. Those enjoying the evening with Mr. Bowes were: Lee Herron, J. P. Thurmond, Richard Payne, Dr. C. L. Persons, C. O. Jones and the host.

Miss Aycocke Leaves For Durham Home

Miss Clara Aycocke of Durham, N. C. left on Saturday for her home after having been the houseguest of her sister-in-law, Mrs. J. C. Aycocke at her home at 810 Myrtle Avenue. While in Sanford, Miss Aycocke was honored with a boat party given by Mr. and Mrs. E. E. Roumillat aboard their yacht the "Skylark". She also visited for several days in Deland, Daytona Beach and Orlando with her niece and R. F. Wilson and James Canfield and their families. En route to her home in Durham, Miss Aycocke will visit her niece, Mrs. C. L. McCrone, and nephew, J. N. Aycocke, and their families in Jacksonville.

TELEPHONE RATES

TALLAHASSEE, May 31.—(AP)—The Florida Railroad and Public Utilities Commission today denied a rate increase for four exchanges operated by the St. Joseph Telephone and Telegraph Company. The increase for both business and residence service was sought for exchanges operated at Apalachicola, Blountstown, Chattahoochee and Port St. Joe. The company also operates exchanges at Weahatchee and Carrabelle. In a 2-1 decision, the commission said present rates "are producing a reasonable return on the fair value of property used and useful in the public service." The commission last Saturday denied an application of the Southeastern Telephone Company for a general rate increase for 12 exchanges in northwest Florida.

# Giants Slated To Meet DeLand Red Hats Here Tonight

## Locals Drop Three Tilts To G's And Trip Palatka A's In Weekend Play

The Sanford Giants dropped three contests to the Gainesville G Men and won one from the Palatka Azaleas over the weekend to post the poorest showing thus far in the 1948 Florida State League baseball season over weekend play.

Gainesville nipped the Giants in both ends of a twin bill at the Municipal Park on Saturday evening and tripped the locals for the third time at Harris Field in Gainesville yesterday afternoon. Friday night the Giants dumped Palatka in Palatka.

Gainesville nipped Sanford by 6 to 2 and 6 to 3 counts here Saturday, and exploded to a 5 to 1 victory in Gainesville yesterday. Sanford tripped Palatka by an 8 to 7 margin.

Tonight the Sanfordites play hosts to the DeLand Red Hats in a single contest, and tomorrow evening the Giants move to DeLand's Conrad Park.

Charlie Peipo, Sanford third sacker, is recuperating nicely, and will probably be back in the lineup in a few days. Peipo was beaned by Milt Ralat in the 21st inning baseball game played at the local ball orchard last Thursday night between the Sanfordites and the Palatka A's.

Manager Hal Gruler is "taking it easy" and will be back into a uniform and at his old position in the coaches' box on third base before the week is over. "I think I will be back before this week is over," the jovial Sanford skipper reported Saturday.

## Tailless Hound To Race At New Oval In Volusia County

Captain C. Bullock, the only known tailless greyhound racing on American dog tracks today, will run this summer at the new Volusia County Kennel club at Daytona Beach. The track inaugurates its 1948 season Wednesday night, June 2.

While greyhounds use their tail in some respect to guide and balance themselves while taking the curves, the loss of Captain C. Bullock's tail last summer in an accident seems to have had little effect on his running ability. The dog, which this past winter was a great racer at the St. Petersburg track on the west coast and defeated the best dogs at the oval.

Captain C. Bullock, schooled brilliantly at the Volusia County oval and indications are he will be given an assignment in the Inaugural Stake race, which will feature the track's opening program Wednesday night.

The Carl Friedrich racer lost his tail last summer when he broke it and the tail failed to heal. It had to be amputated. The dog, that same summer, turned in one of the most startling upsets in

## COMMENTS from the SIDELINES

By ARTHUR HECKWITH, JR. Herald Sports Editor

**21 Innings**  
We still haven't recuperated from that 21 inning baseball game between the Sanford Giants and the Palatka Azaleas played at the Municipal Park Thursday night, but we believe that the publicity derived from the game will be worth all of the players' efforts for completing the fracas.

The Associated Press carried several large stories on the wire services on Friday about the game, and there is no doubt that many of the papers in the country picked up the story, since the game was such an unusual one.

Buddy Lake, mild mannered Sanford utility man, now acting manager for the Giants, turned the trick for the locals in the bottom of the 21st frame. He singled with two men aboard, and sent Johnny McManus scampering home with the game winning tally.

It was a pathetic sight to see Milt Ralat, righthanded hurler for the Azaleas, break into sobs just after Lake jammed a sizzler into left. The youngster had pitched his heart out for 21 innings, only to have his efforts blasted.

Many records were smashed in the contest.  
Ray Rosenkranz handled 26 put outs at first base without a hood, Tom Cataldo and Vince Mullin appeared at the plate 11 times each, Sanford had 33 men left on the bases, Ralat went the entire distance, the game lasted five hours and 15 minutes and it was the longest game ever played in the FSL.

Sanford had 80 times at bat and Palatka had 76 for a total of 156, probably the largest ever recorded in the league. Sanford had 33 men stranded on the sacks, and Palatka left 13 for a total of 46, also very likely to be a record. So, just leave it to Sanford to pull the unexpected.

Oh yes, no one has said much about the ump. Guess who they were? That's right, Cofer and Andreu.

**Jerry Silverman**  
Jerry Silverman, 1946-47 player for the Sanford Celery Feds, is doing nicely in the Georgia State League, Joel Field, Sanford postmaster, reports.

The dominating left hander is playing for Vidalia, and is hitting with regularity. Field reports he has recently received two letters from Jerry, and Jerry says his hitting has improved over last year, when he hit .287 for the Sanfordites.

"They have a lot of good players up here, but the fields are sorry," Jerry declared.

the history of New England racing when he outran and defeated America's all-time great of dog racing, Flashy Sir, in a schooling race.

Captain C. Bullock is cut out for long distance racing. He breaks from the box none too fast, but generally comes up with a belated rush on the home stretch and catches anything in front of him. The 5/16th mile and 3/8th mile courses will be suited to his style of racing.

## Seminole Feds Trim Orlando In 5th District Finals

### Eddie Brooklyn Is Winning Pitcher With Three Hit Mound Performance

ORLANDO, May 31, (Special).—Eddie Brooklyn, stringbean southpaw of the Seminole High School Celery Feds, elbowed the Sanford aggregation to the Fifth District championship here Saturday afternoon as he limited the hard hitting Orlando High School Tigers to three hits to register a 3 to 0 victory in the final game of the tournament.

Brooklyn allowed the Orlando club but these well scattered singles, and was never in serious trouble throughout the seven frame route.

Sanford, by winning over Orlando, won the privilege of representing the Fifth District in the state tournament to be played in Lakeland next month.

The Celery Feds tallied two runs in the fourth for the only scores of the contest. Hal Riggs booted a bouncer by Holly Piercy, and Bob Flowers erred on a roller.

## Sports Roundup

By HUGH FULLETON, JR.

**NEW YORK, May 31—(AP).**—Although the event still is nearly four months away, folks in Indiana already are getting steamed up about the Purdue-Notre Dame football game Sept. 25. . . . The Irish have beaten the Boilermakers something like 18 times straight (and what's become of the old boys when it took an Irishman to wield a sledgehammer on a boiler. . . . But observers also saw the spring practice squads at both schools say Purdue was a lot further advanced at that stage. . . . It's no wonder, because Johnny Lujack, George Ginter and Zsigmond Czuczak were "old timers" in Notre Dame's annual game instead of the "variety" . . . Lujack even made up plays in the huddle as with some others, of course, came through with a 20-14 victory over a team that had been practicing six days a week for six weeks.

**Pain In The Arm**  
Jack Coombs, Down 31, baseball coach, had an episode of a re-arranged on his pitching arm recently. . . . As a result, Jack was having to change moundmen four or five times a game. . . . When one kid protested that he couldn't work because of his painful hipper, Coombs cracked: "You arm couldn't be any sorer than mine after having to wave so many pitchers in and out of games."

**Monday Mailings**  
Charley Kimmel, who runs the scoreboard at most big golf tournaments, and his son Allen, who handles the press room boards, form a uniquely-talented combination. . . . Charley is a cigar-box riddle virtuoso and Al can make you a nitty ring by folding a \$10 bill. . . . He McMillin has bought a big house in Birmingham, Mich., so he can live near his Detroit Lions job, and will move in as soon as the kids finish school in Bloomington, Ind. . . . North-western and Wisconsin are considering bids from Sam Barry to play the Southern California basketball team in Los Angeles, next season. . . . Rutgers and Lafayette may have to play out for the district two spot in the National Collegiate Baseball Tourney. This dept. is pulling for Rutgers simply because Populicor Gorion McBoy had the foresight to issue preparedness data on the team.

**Cleaning The Cuff**  
Joe Kuhel, Washington Senators manager, wasn't long in realizing the dignity of his new office. He has banned all public displays of his famous card and magic tricks. . . . Hope Charley Grimm and his banjo never get dignified. . . . Southern fans feel the Eastern N.C.A.A. baseball playoffs at Winston-Salem, N. C., should do all right. The city, with 95,000 population, drew 230,000 to its Carolina league games last summer. . . . Omaha, the triple crown winner which once commanded a stud fee of \$1,500, now is available to

**Tally Moves Out In Race For G-F Flag**  
Tallahassee drew further out in front in the Georgia-Florida League yesterday by virtue of a 5-1 beating administered to sixth place Monticello while second place Thomasville was idle.

In the only other game played, third place Valdosta defeated seventh place Cordele 3 to 1. Thomasville and Albany were idle and the Americus-Waycross game was postponed because of rain.

Yebernetzky limited Moultrie to four hits and a lone run which came in the third. Tallahassee got to Carey for nine hits, resulting in one run in the first two in the second and two in the fifth.

## MR. MACK'S LEFT-HAND MAN

**GROVE WAS 5 TIMES AMERICAN LEAGUE PITCHING CHAMPION—(4 TIMES WITH THE 'AS AND ONCE WITH THE RED SOX). IN 1921 LEFTY WON 31 GAMES WHILE LOSING ONLY 4!**

**WHOSE BLINDING SPEED HELPED HIM ACHIEVE A WIN-AND-LOST PERCENTAGE OF 680 OVER A PERIOD OF 17 YEARS IN THE MAJORS—BETTER THAN ANY OTHER PITCHER, EITHER SOUTHWEST OR RIGH-T-HANDER, WHO WON 300 OR MORE GAMES**

**10 Touring Golf Stars Post Qualifying Marks**  
PORT WORTH, Tex., May 31—(AP)—Ten of golf's touring stars including Clayton Heafner, winner of the \$15,000 Colonial National Invitation, remained here today to post qualifying scores for the National Open while the others pushed on to Albuquerque, N. M., for a tournament that starts Thursday.

Heafner, the bulky blond from Charlotte, N. C., took down \$3,000 first money in the Colonial meet by shooting his fourth straight sub-par round yesterday. He finished with a one-under 69 that gave him a total of 272 for 72 holes. It was a new record for the Colonial Country Club course. He cleared in front by six strokes over big Stewart (Skip) Alexander of Lexington, N. C., and Ben Hogan of Hershey, Pa., each of whom had 278.

## Pittsburgh Fans Are Jubilant Over Players Received From Brooklyn

By JOE REICHLER  
Associated Press Sports Writer  
Pittsburgh fans, jubilant over the early season success of their favorites, gazed upon Frank E. McKimney, Pirate president, with new administration today.

From the looks of things after six weeks of the major league season, there breathes a man who finally has gotten at least an even break in a player transaction with Branch Rickey, the acknowledged No. 1 trader in baseball.

So imagine the Pittsburgh fans' joy yesterday when the Pirates knocked off the league leading St. Louis Cardinals in a doubleheader, 9-3 and 7-6. The victories, which tightened Pittsburgh's grasp on third place in the national league pennant race, were achieved mainly with players obtained from the Dodgers.

To begin with, pitchers Kirby Higbe and Vic Lombardi were credited with the victories. Each one tallied for the Brooks. Higbe allowed only one hit in 4 1/3 innings of scoreless relief in the first game. Lombardi, also working in relief, held the Cards scoreless in a two-inning mound stint in the afternoon.

The big guns of the attack, along with outfielders Wally Westlake and Ralph Kiner, were Ed Stevens, Stan Rojek and Dixie Walker.

Westlake was the biggest bat wailer. He crashed out three

some runs, two in the first, when he made four hits in as many times at bat. He drove in four runs.

In the second game Kiner contributed a home run to help give the Pirates their double win.

The New York Giants moved to within a half game of the Cards by defeating the Philadelphia Phils, 10-4, at the Polo Grounds with a 14-hit attack that included home runs by Reggie Thomson and Whitely Lockman. Dick Sisler and Eddie Miller homered for the Phils.

The Cincinnati Reds vented the national league cellar and dunned Chicago into that unenviable spot by defeating the Cubs twice 6-1 and 8-3.

It took rain and some good pitching by Vic Raschi to halt the amazing Philadelphia Athletics' eight-game winning streak. After the A's had nipped the New York Yankees, 7-6, in 10 innings of the opener, the Yankees triumphed in the second game of the doubleheader, 2-1, when rain halted the contest after five innings. The split left the front running Athletics still leading the second place Cleveland Indians by one game.

The Indians came from behind with a nine-run eighth inning to win the second game of a bill from Chicago 13-8 after losing the first, 4-2.

## John Temple Graves Addresses Stetson's 1948 Graduating Class

DELAND May 31 (Special)—"Democracy is the true answer to the atomic threat and promise for democracies alone can be trusted not to make war," John Temple Graves, editor, author and lecturer said here today as he addressed 115 members of the senior class, the largest graduating class ever to go out from Stetson University.

Immediately following the address, a degree of doctor of laws was conferred upon him by President J. Ollie Edmunds. Three other honorary degrees were given. They were: Juan C. Orendain, in charge of all government publications in the Philippines and a graduate of the Stetson School of Law, doctor of laws. The Rev. Robert G. Lee, president of the Southern Baptist Convention and pastor of Bellevue Baptist Church, Memphis, doctor of divinity. Lyman P. Prior, head of the voice and theory department of the Jacksonville College of Music, doctor of music.

Bachelor of arts degrees went to 80, bachelor of science, 20; bachelor of science in business, 21; bachelor of music, 9; bachelor of laws, 6, master of arts, 9, and master of science, 1.

Four awards were made to students. Dorothy Flory, Peoria, Ill., received the Beta Beta Beta award for the freshest woman having the highest scholastic average. Jimmie Nell Fleming, of Orlando, received The Honor award for the freshest woman most outstanding in scholarship, leadership and campus activities. Louise M. Hargis, of Leesburg, received the Benedict Spanish Scholarship Award. O. Douglas Stenstrom, of Sanford, received a year's subscription to United States Law Week, given by the publishers and Stetson University.

"We believe that no matter what the cynics and the old guard say," said Mr. Graves, "there can be decent standards of living and well-being in this age of productive miracles, and we believe that, no matter what the socialists and controlled economy people say, there can be liberty with this living. We know that liberty doesn't amount to much unless there is a certain amount of welfare, unless men are reasonably free of the sheriff's hammer and the lion's rush. But we know, too, that neither do welfare and security amount to much without freedom."

"We had a group of people once in the South with more social security than any others ever had or will have. They were secure against old age, sickness, unemployment, every mortal vicissitude. But they happened to be slaves, Negro slaves. And in our wisdom and justice we freed

them slaves (or rather, some important gentlemen from above the Potomac came down and did it and we have subscribed to the great notion) because security is not enough—because in our country we believe liberty and bread can both be had.

"Liberty and bread. Sometimes, as in the 1930's, the stress needs to be on bread. Sometimes, as now, it needs to be on liberty."

**TH BOARD RULE**  
TALLAHASSEE, May 31—(AP)—Attorney General Tom Watson ruled today the State Tuberculosis Board has no authority to employ medical personnel who have not passed Florida's basic science examination.

Watson said the three state tuberculosis sanatoria are operated by the cabinet, as are other state hospitals.

A state law specifically empowers the cabinet to employ out-of-state medical personnel, who have not passed the Florida examination, when it is unable to obtain adequate personnel residing in the state.

"I find no provision under the laws of the state of Florida placing the three state sanatoria under the control of the Board of Commissioners of State Institutions," Watson said.

Therefore, he added, the Tuberculosis Board is not exempt from the Florida law requiring the employment of Florida residents who have passed the basic examination.

**SMITH RETURNS**  
MOBOW May 31 (AP)—U. S. Ambassador W. B. Smith was back at his desk today.

He returned to Moscow Saturday from a fishing trip in Normandy. He was not feeling well and went to bed, but was up last night for an embassy dinner for Mrs. Lucius D. Clay, wife of the American military governor of Germany.

## Meet The Candidates

By RUSSELL BRINES  
AP Newsfeatures  
TOKYO—Gen. Douglas MacArthur sat alone in his study at the American embassy, writing a statement with pencil, as he often did. A few minutes later it was taken to his headquarters, five miles distant, and mimeographed for the press in the customary way.

Until then, no one in Tokyo knew that the "old man" had decided at last on perhaps the biggest personal gamble of his long career.

The brief statement, which announced his presidential availability, put MacArthur's extensive military record on the political block. It made him a target for the roughest kind of criticism. It signalled the possible end of his career as supreme commander for the occupation of Japan a project for which he has fought and worked intensively.

The decision, therefore, hardly was made lightly. But once made, it was disposed of quickly and with finality.

Thirty minutes after the statement was released, MacArthur reached his headquarters office. He plunged at once into occupation affairs. His aides knew better than discuss politics with him.

One of the general's closest advisers asked if he knew about the decision in advance.

"You know how the 'old man' works," he answered.

That was the closest thing to saying MacArthur had calculated the risks, made the final choice and put it into execution on his own.

This carried over into politics the essential methods which the general has utilized, in war and peace, during more than fifteen years of top command. The swift and final decision, the calculated direct action and unquestioned authority—these make MacArthur.

He has the military man's preference for direct action. In combat he was noted for his aggressive strategy, which, even at 68, has worn out younger men.

Nevertheless, he remains in excellent health. Army physicians constantly watch him. A year ago, they reported his reflexes were those of a man of 60.

But the general takes little exercise, although he retains a keen interest in athletics. His principal hobbies are reading and motion pictures. Perhaps his major health precaution is sufficient sleep. Guests find him a genial host and an impressive talker. He likes to amuse them with a wealth of detailed information and an unusually retentive memory.

Throughout his career, MacArthur seldom has lost. He has climbed steadily in the army, to the highest honors it could offer. In each position he has thrown himself into the job with confidence. In late years he has pushed himself onward, as if following a restless destiny.

On the other hand, he refrained carefully from using his extensive authority to intervene directly in Japanese affairs during the early part of the occupation. Democracy at "beyond point," he said, would not last, and the Japanese were to be given the opportunity of working out their own destiny, for as practicable.

In recent months, the growing economic crisis brought repeated warnings from MacArthur that action by the Japanese government was imperative. None came. So military government teams have broadened their range of activities to include pressure on Japanese officials for the proper collection of taxes, increased production of coal, a balanced budget and similar necessary improvements.

The occupation takes its tone from Gen. MacArthur himself. He makes all basic policy decisions, closely supervises the full range of activities and keeps himself remarkably well informed on events under his jurisdiction.

Headquarters and military forces in Japan are highly loyal. The general accepts this loyalty and the increased authority it gives him as an essential part of his political position.

The desire to avoid ruffling or upsetting the "old man" appears to be always present at headquarters. He has become visibly depressed over newspaper criticism, and he is known to have a sharp tongue when aroused.

He relies upon the advice of numerous experts and other officials. But none can be considered so close as to exercise dominant influence.

One of his evident favorites, however, is Brig. Gen. Courtney Whitney, head of the government section, who is one of the few men with "backdoor" access to his chief's office. Whitney was a lawyer in pre-war Manila and later a guerrilla commander in the Philippines. He is believed to have political ambitions.

How much influence Whitney might have if MacArthur actively enters the campaign is unknown at present. One of the general's former officers, ex-Gov. Philip LaFollette of Wisconsin, is head of United States campaign headquarters. LaFollette, a colonel, was a public relations officer in the Philippines.

MacArthur has deep loyalties and demonstrated affection for other men who have served with him. His particular favorites are veterans of Bataan and Corregidor who are known in Tokyo as members of the "Bataan Club."

The general speaks frequently of those early war days with unabashed sentimentality.

In his office, he is known as a fair but driving taskmaster. He maintains a heavy personal schedule, without pause for holidays, Sundays or vacations. He expects key officers to match his hours and his energy—which, even at 68, has worn out younger men.

Nevertheless, he remains in excellent health. Army physicians constantly watch him. A year ago, they reported his reflexes were those of a man of 60.

But the general takes little exercise, although he retains a keen interest in athletics. His principal hobbies are reading and motion pictures. Perhaps his major health precaution is sufficient sleep. Guests find him a genial host and an impressive talker. ## Nation's Business, Politics Pause Momentarily To Honor War Dead

NEW YORK (AP)—It takes a long time to clean up a battlefield.

It isn't finished when the mortal debris and the broken weapons are taken away and the crops cover the maimed earth again.

There's much more to it than that. It takes generations to clean up a battlefield. One lifetime for the hurt to heal, perhaps several lifetimes for the hate to heal. And eventually someone has to foot the bill for the battlefield.

America today lays memorial wreaths on the graves of all the servicemen who died to keep the nation's pattern of freedom. It is a land still busy cleaning up its battlefields, old and new.

Only two of its nine wars have been written off the books. They are the Revolutionary War and the War of 1812. The others are still being paid for.

I don't know what the Revolutionary War cost to fight, but at least 4,044 of the 250,000 to 395,000 soldiers were killed. The government afterward paid pensioners \$70,000,000.

The war of 1812-15 cost \$119,624,000 to fight. Incomplete records list 1,950 of the 528,274 troops as killed. Hiram Cronk, the last veteran of the war, died in 1905. But one widow of an 1812 soldier was still getting a \$50 a month pension in 1934.

Up until 1933 the U. S. paid out \$46,207,000 in war of 1812 pensions.

The last veteran of the war with Mexico died well over a decade ago, but a few months ago 47 dependents of the soldiers of 1845 were on the pension rolls. The war cost \$173,298,000 to fight and the lives of 1,549 of the 116,597 men who served. Total pensions paid up to 1933 were \$60,424,348.

Memorial Day is an outgrowth of the first U. S. billion-dollar war—the "civil-war-between-the-states," which cost the North

alone \$3,000,000,000 in four years, 110,070 men battle dead and 221,791 who died of disease.

But the government by 1933 had expended \$7,098,594,101—twice the initial cost of the war—to the Union veterans. The Southern states paid the confederates, of whom 56 still live. There are only 52 living Union veterans—But last September 28,351 persons were still on the Civil War pension list.

The brief Spanish-American war cost \$1,901,962,000 but only 700 American lives in battle, some 280,554 saw service. By 1933 Spanish-American war pension costs totaled \$811,819,000.

But all these were peanut wars in terms of cost compared to the two World Wars.

The first World War sent 4,900,000 Americans into uniform. More than 51,000 were killed or died of combat wounds and 56,000 died of "flu" and other diseases. The treasury in 1920 estimated the tab for this conflict at \$24,600,000,000. In 1927 Treasury Secretary Andrew Mellon raised the estimate to \$47,057,272,533. Still owed and unpaid by foreign countries from this first World War is about \$15,000,000,000.

The second World War cost soared above three hundred billion dollars. It cost more in blood, too, than any previous American war—about 275,000 lives. And more than 14,500,000 men entered the Armed Forces—more than the total that had fought in our country's eight other wars.

Today there are in America 18,400,000 veterans of its wars. Well above 3,000,000 disabled veterans or survivors of deceased veterans draw monthly pensions. The veterans' program this year will cost about twice what it cost Abraham Lincoln to wage a four-year war.

It takes a long, long time to clean up a battlefield.

**Automotive Industry Ends One Of Its Poorest Output Months In Two Years**

By DAVID J. WILKIE  
Associated Press Automotive Editor  
DETROIT May 31 (AP)—The car industry Saturday wound up one of its poorest production months in nearly two years with an indicated output of about 334,000 vehicles.

The May total was the lowest month's volume since July 1946 when the factories shipped 318,934 units. It brought the year's total to date to about 2,067,000 vehicles. Of these approximately 1,471,500 were passenger cars and 595,000 were trucks.

This is far below what the industry hoped to attain during the first five months of this year. However, a much more optimistic outlook prevailed throughout the industry with the lessening of labor tension.

Settlement of the General Motors-UAW wage dispute averted a strike of some 225,000 workers that would have wiped nearly 60,000 vehicles a week from the industry's output.

Some factories may work next Saturday on an overtime basis to make up for the production lost by the Memorial Day holiday. It is not likely, though, that enough of them will do so to bring the week's production much above that of the work period ended today.

The trade paper Automotive News placed this week's United States output at 61,788 cars and 27,319 trucks, compared with last week's 58,988 cars and 26,854 trucks. Ward's automotive reports estimated this week's as-

semblies at 61,340 cars. It also revised last week's car output to 58,968 units and placed truck production for that period at 26,887.

The car industry has not had a 100,000-unit week since mid-April. At that time General Motors began a series of one-week shut-downs blamed upon materials shortages resulting from the coal shortage. As GM got all its plants back into production the Chrysler strike began.

The industry's "big three" of General Motors, Ford and Chrysler have been able to replenish their dwindling steel stocks during recent weeks of curtailed car output. While they may not reach capacity output at any time during the remainder of the year, all are virtually certain to attain new post-war production highs. Few of the car makers want to venture predictions right now concerning the year's total output volume. "Steel," they say, "continues to be the industry's big question mark."

At the start of the year all the car makers were agreed the factories would increase output by from 10 to 15 per cent over 1947. That would take production well over the 6,000,000 mark.

The factories lost a lot of production ground in the five months just completed. Most of it could be regained with a couple of 500,000-unit months, now being predicted in some quarters.

So the industry chancellors are a bit cautious in making flat predictions about what lies ahead production-wise.

Partly cloudy and little change in temperature through Wednesday. Few thunderstorms in the vicinity this afternoon.

### 21 Men Die As Craft Swamps In Rough Seas

10 Marines, 11 Of Navy Drown As 50 Foot Launch Returns To Carrier Kearsarge

NORFOLK, Va., June 1, (AP)—Twenty-one men — 10 Marines and 11 Navy men — perished in Hampton Roads last night when a Navy launch swamped in choppy waters while returning 90 men to their ship after Memorial Day liberty.

Rear Admiral C. A. F. Sprague, commander of a twelve ship task force whose sailing for the Mediterranean was delayed by the tragedy, issued this statement to newsmen at 9 A. M. today from his flagship, the aircraft carrier Kearsarge:

"Preliminary report of loss of life or missing personnel may be placed at 22, nine Marines and 13 Navy.

"Report considered accurate and includes best estimate of possible stragglers" (men absent over leave).

"Further checking now in progress.

The 50-foot open launch was swamped in a wind and rain storm at 8:45 P. M. as it was returning a liberty party to the Kearsarge, anchored two miles off the Norfolk Naval Station. The launch, which was attached to the carrier, was swamped when only 200 yards off the Kearsarge's port beam.

The launch, almost awash, was towed to the naval station piers by a tug and pumped out. There were dozens of life jackets visible under the seats and in a forward compartment.

At 2 A. M. today all Naval tugs and small craft that had been searching the area were withdrawn, leaving two Coast Guard ships to continue the search.

Sprague, replying to newsmen's questions for permission to board the Kearsarge to interview survivors, said he did not know whether it would be possible.

Sailing of the task force was postponed on page 15.

Mr. and Mrs. J. J. Bolly Sell Home, Farm; Move To Daytona

Mr. and Mrs. J. J. Bolly have sold their farm and beautiful country home to Mr. and Mrs. H. H. Dunlap, formerly of Ohio, but more recently of Daytona Beach, and have purchased a beautiful Ocean Front home at 524 North Atlantic Boulevard, Daytona Beach, J. W. Hall, realtor, announced today.

Mr. Bolly has been a resident of Sanford for 35 years. He was a charter member, and president for more than 20 years of the Sanford-Oviedo Truck Growers Association. He is also president of the National Farm Loan Association, a subsidiary of Federal Land Bank, Columbia, S. C. and vice president of the Sanford Production Credit Association. Mr. Bolly is also a Mason, Shriner, and Knight Templar.

Mrs. Bolly is president of the N. D. V. Howard Chapter, United Daughters of the Confederacy and author of book, "Rock of Life." Both Mr. and Mrs. Bolly are members of The First Baptist Church.

The sales price of their home and farm here was reported at \$38,000 and the purchase price of their beach property was \$40,000. Mr. Hall, who negotiated the deal, closed.

Other recent sales by Mr. Hall included two duplexes at 848 847 North Halifax Boulevard, Daytona Beach to Mr. and Mrs. L. F. Arnold, parents of Mrs. W. K. Stokely, 1516 E. Fourth Street, for a price of \$35,000.

George Spencer Is Honored At Rollins

George Spencer, son of Mr. and Mrs. L. E. Spencer of this city, received the special undergraduate award in chemistry at the Rollins College in the annual Honors Day program yesterday in the Annie Russell Theater. Mr. Spencer was chosen by the faculty for this award.

Among the other students honored at this time was Miss Janet Mangel, daughter of Mr. and Mrs. E. C. Hitzel, who was elected in Pi Gamma Mu for her outstanding work in the social sciences.

The receiving awards yesterday at Rollins in the Honors Day program was Herman Bramley, son of Mr. and Mrs. W. R. Bramley, who was awarded a football letter. He also received a letter as a member of the Rollins College crew.

### Czech Government Hails Sunday's Vote As Approval Of Red Acts

PRAGUE June 1 (AP)—The Czechoslovak government, which got itself re-elected by an 89.2 percent majority Sunday, unanimously hailed the vote today as popular approval of its February maneuvers and actions since then.

Cabinet ministers issued a series of statements insisting that the people now have spoken in favor of the February revolt in which the Communists took control of the government. This was a development which even ordinary observers predicted weeks before the election, when the handpicked single government ticket was announced.

Nearly 11 percent of the voters were recorded as casting blank (opposition) ballots despite a lack of secrecy surrounding the actions of voters. They cast their ballots and threw away the tell-tale discard in watched waste baskets.

The number of mutilated ballots was not announced.

In at least one election place the commission was instructed to count all empty envelopes and envelopes containing photographs of President Eduard Benes as votes cast in favor of the government.

This was a day of voter second thought for those who voted the white protest ballots with the knowledge their identities might be known or checked.

But after all the campaign threats against potential white ballot voters as traitors, the press today gave them only fleeting attention.

Some Czech political observers speculated whether President Benes will go along with Premier Klement Gottwald's government (Continued on Page 15)

### Taft Clashes On Tariff Policy In House Trade Law

WASHINGTON, June 1, (AP)—Senator Taft (R-Ohio) said today Congress has a "constitutional duty" to write tariff-making standards into the reciprocal trade law.

William L. Clayton disagreed. Clayton, former undersecretary of state for economic affairs, told the Senate Finance Committee that such standards cannot be set in advance. Therefore, he added, no attempt should be made to write one into the law.

Clayton testified as the committee began hearings on the House bill to extend the trade agreements act one year beyond June 12. The bill would cut presidential tariff-making powers and give (Continued on Page 15)

### City To Seek RFC Loan To Construct River Warehouses

The City Commission passed a resolution today to apply to the Reconstruction Finance Corporation for a loan to construct a warehouse and terminal for handling freight into and out of Sanford by way of the St. Johns River at an adjourned meeting last night.

It was reported today by City Commissioner John Krider.

Plans for the warehouse have been received from Smith and Gillespie, an engineering firm in Jacksonville, which does work for the City of Sanford. The plans furnish data on the cost of erecting the desired building and estimated the size of the building.

Present plans call for a structure with 30,000 square feet of space to be located on city owned land west of French Avenue on the Lakeshore Boulevard. Major Edward Higgins of the Seminole County Chamber of Commerce, asserted today.

City Manager Saver has been instructed to complete financial information and City Attorney Fred R. Wilson has been instructed to secure all legal requirements for the transaction before the application will be filed with the RFC.

The Commissioners also approved a lease on the main barge building at the Municipal Airport to Bohannon and Penn and discussed the lease of the buildings owned by the West Virginia Lumber Co. to the Sanford Lumber Co. (Continued on Page 15)

### House Group Gives Up On Trying To Guess Next Year's Tax Refunds

WASHINGTON June 1 (AP)—The House Appropriations Committee today gave up trying to guess how much income tax refunds will cost.

Because of "many imponderables," the committee recommended that the treasury be given an indefinite appropriation "to assure availability of adequate funds to make payments promptly."

Normally the refunds run in the neighborhood of two to three billion dollars a year, and in the past the committee has cut the treasury's estimates and made fixed appropriations.

Today's recommendation recalled that last year Congress cut \$500,000,000 from the department's \$2,081,000,000 refund request and later had to make two additional appropriations totaling \$1,048,000,000. These boosted the total for refunds in 1948 to \$2,929,000,000.

The committee said the amount to be refunded to taxpayers in 1948 will be contingent upon a number of unrelated factors which are not susceptible of measurement in advance.

Not the least of these factors, it explained, was the tax cut bill which will require additional refunds for excess withholdings from wages during the early months of 1948.

After all, the committee commented, the amount of refunds "is dependent entirely upon the law and facts in each individual case."

The tax refund recommendation was part of a \$348,414,285 appropriation bill financing miscellaneous (Continued on Page 15)

### Flood Forces Evacuation Of 120 Mile Area

Columbia Has Taken At Least 20 Lives; Causes \$37,000,000 In Property Loss

WASHINGTON June 1 (AP)—President Truman today ordered "full resources of the federal government" mobilized for aid in the Pacific Northwest flood disaster.

He directed the Army, the Interior Department and housing officials to investigate and make recommendations for "additional legislative authority to meet emergencies of this character."

Borgia, who wrote scripts for many of the broadcasts, said "it is not true" that they "slipped through" without knowledge of National Broadcasting Company officials.

On the contrary, he said, he objected often to putting in "cheap comedy" but was ordered to write them as he did.

Borgia testified at joint hearings by subcommittees of the Senate Foreign Relations and Expenditures Committees. The investigation was started after the senators learned last week that the broadcasts told the world such things as "New England was flooded by hypocrisy and Texas by sin."

The series of radio programs, called "Know North America," was broadcast by NBC last winter under contract with the State Department. They were Spanish language broadcasts beamed to Latin America.

Borgia, a 52-year-old Venezuelan citizen, told the Senate committee that NBC officials told him to (Continued on Page 15)

### Willie McMillan Is Sentenced To 3 Years At Raiford

Willie McMillan, charged with assault with intent to commit manslaughter, was sentenced yesterday to three years in the state penitentiary at Raiford by Circuit Judge M. B. Smith. It was announced today by O. P. Herndon, clerk of the Circuit Court.

The case against Fulton Herndon, who was charged with conducting a lottery, was dropped because of a case of mistaken identity.

James B. Mathews withdrew his plea of not guilty to a charge of resisting an officer and entered a plea of guilty to which he was sentenced to three months in the County Jail or a fine of \$500.

Vanderbilt Nicholson, charged with assault with intent to commit murder in the second degree on Dennis Stanton, entered a plea of guilty to an offense of aggravated assault. The plea was accepted by the state and the defendant was released on the present bond and instructed to report to the court on the first day of the fall term.

A case against E. B. Smith for operating a lottery was reset for July 2. This is the second time the trial has been set up by the court. Information was filed on the case on Aug. 22, 1947 and the defendant pleaded not guilty on Nov. 4, 1947. On Nov. 18 the trial was set for Nov. 26 at 1:30 o'clock and at that time was set for trial on June 2, 1948.

The court recessed until July 2.

### Georgia Delegates To Demo Convention Will Not Bolt Party

ATLANTA June 1 (AP)—Georgia delegates to the National Democratic Convention will fight President Truman's Civil Rights Program but will not bolt the meeting.

Such a course, while not formally prescribed, was definitely indicated yesterday at a meeting of the 120-member state executive committee.

Actually, the committee left the 72-man delegation with no instructions except to vote as a unit. Chieftains, however, left no doubt that the Georgians would be solidly against the President's program for national laws against lynching, the poll tax and racial segregation and discrimination.

They were equally emphatic that there would be no walk-out, even if the fight against Truman were lost. State Chairman James S. Peters of Manchester probably will head the delegation. He told the committee: "We are not going to compromise on Georgia democracy or sell it down the creek."

### Boy Kills Sweetheart Then Shoots Himself

LIVINGSTON, Tenn., June 1 (AP)—A 10-year-old boy killed his 13-year-old sweetheart with a shotgun blast and then fatally wounded himself, Sheriff's Deputy Claude Roberts of Overton county reported.

Roberts said the couple—Edward Burgess and Frances Rees—lived on a farm only a few hundred yards apart in a rural community eight miles north of here.

The double shooting occurred yesterday in a wooded area near their home.

Roberts said members of each family told him the boy and girl had been "seeing each other for some time" and that there "might have been a quarrel."

### Borgia States NBC Knew Of Voice Scripts

Says He Often Objected To Cheap Comedy Which He Was Ordered To Write

WASHINGTON, June 1, (AP)—René Borgia told senators today that at least half a dozen NBC officials were thoroughly familiar with the "Voice of America" broadcasts which have aroused a storm in Congress.

Borgia, who wrote scripts for many of the broadcasts, said "it is not true" that they "slipped through" without knowledge of National Broadcasting Company officials.

On the contrary, he said, he objected often to putting in "cheap comedy" but was ordered to write them as he did.

Borgia testified at joint hearings by subcommittees of the Senate Foreign Relations and Expenditures Committees. The investigation was started after the senators learned last week that the broadcasts told the world such things as "New England was flooded by hypocrisy and Texas by sin."

The series of radio programs, called "Know North America," was broadcast by NBC last winter under contract with the State Department. They were Spanish language broadcasts beamed to Latin America.

Borgia, a 52-year-old Venezuelan citizen, told the Senate committee that NBC officials told him to (Continued on Page 15)

### Charles Willis Said To Be Recuperating

Charles Willis, young son of Mr. and Mrs. G. M. Willis of 1317 Douglas Avenue, is recuperating after suffering an accident at the Seminole High School farm yesterday. Mr. Willis reported at noon today.

"It is too early to determine just how long he will be out of school, but he is much better than he was yesterday," Mr. Willis declared.

The youth is being attended by Dr. Wade Garner.

### Amusement Car Hurls Occupant To Death

WILKES-BARRE, Pa., June 1 (AP)—Martin E. Kane, 22, was hurled to death from an amusement park "twirler" car while lying to comfort two frightened women riding behind him. Police Chief Fred Swanson reported.

John Reh, 31, who was riding with Kane last night at nearby Harvey's Lake, said Kane extended his arm back to women and partially raised his body.

The car, traveling in a spiral and at times reaching a high rate of speed, went into a curve and Kane was thrown out. Reh told police. Reh said he tried to grasp his companion and was pulled from the car. He is in fair condition.

## Israel Accepts UN Cease-Fire Request In War For Palestine

### Christian Smuts Accepts Offer Of Parliament Post

Law Empowers Leader To Take Seat If Member Withdraws

PRETORIA, Union of South Africa, June 1, (AP)—Jan Christian Smuts, retiring as prime minister of South Africa, today accepted the offer of a seat in parliament from a member of his United Party.

Smuts resigned as prime minister Friday, following the defeat of his party by the Nationalist-Afrikaner combine in parliamentary elections last Tuesday. The 78-year old leader failed of reelection to his own seat in parliament.

Under South African constitutional procedure, the leader is empowered to accept a safe district from a party member who steps aside for him. This was done by C. W. Clark, member for Pretoria East. Smuts previously had been reported planning to withdraw from politics and retire to his farm at Doornkloof.

Dr. Frances Malan, 74, advocate of a policy of isolation from British empire affairs and segregation of persons of non-European descent, is the new premier.

Smuts, in a message to the people today, asserted he now intended to remain a leader of the United Party, despite the defeat in the election.

"We respect the constitutional verdict of the people, although in the actual results a minority of electors are in charge of the government of the country," Smuts said.

In the popular vote, Smuts' United Party polled 624,230 of the 1,067,249 votes cast. The Nationalist party, 419,883. However, the Nationalist-Afrikaner combine won 79 of the 151 seats in parliament to 66 for Smuts' party, and Malan was assured of a working majority.

"Whatever ultimate effects of this anomalous position may have for South Africa," Smuts said, "let us minimize the possible evil and do our best to turn it to the ultimate good."

"I know that many of you have me in your thoughts at this time—now an old man after 60 years of hard labor for the advance of South Africa. If there is blame for the present failure, let it be mine, as no doubt the heavy punishment will be."

"I can take it, and I look forward with confidence to the eventual completion of the task for which 60 years has been all too short a period. I hope to continue my part and do my duty as a leader."

"Last, I should not conclude this without saying that I am proud to have been a member of the Union of South Africa."

### 11 Alabama Members Of Meet To Be Named

BIRMINGHAM, Ala., June 1 (AP)—Eleven members of Alabama's 23-man delegation to the Democratic Convention will be named in today's runoff primary. The other 16 were elected May 4.

Of the 21 candidates before the party voters today, 11 are pledged to walk-out of the National Convention if a strong civil rights plank is adopted in the platform or if President Truman is nominated.

Five of the 15 delegates already elected also are pledged for the walk-out.

In any event, President Truman already has lost Alabama's 11 votes next November. Presidential electors named May 4 are pledged against casting the state's votes for him, or for any other Democratic nominee who supports the President's Civil Rights Program.

### 9 Year Old Negro Is Injured In Accident

Alfred Collins, nine year old negro youth, was struck by a truck driven by Paris Tossie, also colored, late yesterday afternoon near Proctors Store on Beardsley Avenue. It was announced today by Sheriff P. A. Mero.

The youth was leaving the store and as he entered the street, struck the rear of the truck. Sheriff Mero asserted.

Collins suffered a fractured skull, and was rushed to the Ferguson Memorial Hospital where he was attended by Dr. W. H. Garner. Later he was removed to an Orlando hospital to be attended by a brain specialist. Tossie is being held pending the outcome of the operations on the child. Sheriff Mero declared.

### U. S. Prods Russia Anew On Plan To Return Trieste

Government Official Says French, British Send Similar Notes

WASHINGTON, June 1, (AP)—The United States prodded Russia a third time today for a new reply to the American-British-French proposal to return the Free Territory of Trieste to Italy.

The State Department said in a note delivered to the Russian embassy that the problem requires a "very early resolution."

State Department Press Officer Michael McDermott told reporters he understood the British and French governments are sending similar notes to the Soviet government.

Russia never has rejected the principle of returning Trieste to Italy. But it has objected to amending the Italian peace treaty as suggested by the three Western powers. The Soviets claim this would constitute a "private conference" which is unacceptable to Moscow.

The American note sent to Ambassador Alexander S. Panayukhin just as he was preparing to leave for consultations in Moscow on the lend-lease question said:

"It is hoped that the Soviet government will communicate its views at an early date concerning the procedure to be followed for the joint consideration of the (Trieste) matter by the powers concerned."

The Free Territory of Trieste, an important port on the Adriatic coast, is occupied jointly by British and United States troops on the one hand and Yugoslavian forces on the other.

Under the Italian peace treaty, Trieste and the surrounding territory under United Nations control. But this plan has been held up by the inability of Yugoslavia and the Western powers to agree on a suitable governor for the territory.

Following is the text of today's note:

"The secretary of state presents his compliments to his excellency, the ambassador of the Union of Soviet Socialist Republics and has the honor to refer to his note of April 16, 1948 regarding the proposal to return the Free Territory of Trieste to Italian sovereignty."

"In that note the Soviet government was informed that the government of the United States would welcome any suggestions which the government might desire to propose concerning the procedure for drafting the necessary protocol to the treaty of peace with Italy to effect the return of the (Continued on Page 15)

### Spokesman Describes Acceptance As Unconditional As Interpreted By Jews

TEL AVIV, Israel, June 1 (AP)—Israeli troops slaying behind an Egyptian coastal spearhead, have captured a town only three miles from the Egyptian supply road, a communiqué announced today.

A spokesman for Israel described the acceptance as unconditional. He said, however, the communication from Tel Aviv contained a Jewish interpretation as to what Israel understood the cease-fire to mean.

The deadline for replies from the Jews and Arabs is 6 P. M. Eastern Standard Time, today. Arab League leaders were meeting at Amman, Trans-Jordan, to decide on their course.

The Israeli spokesman said: "Our acceptance is being communicated to the secretary-general of the United Nations as soon as possible. It is unconditional. It does contain our understanding of the terms of the cease-fire."

The cease-fire appeal was voted by the Security Council last Saturday.

### House Armed Group OK's Bill Revising Draft Authority

WASHINGTON June 2 (AP)—The House Armed Services Committee approved unanimously today a draft bill revision which would give the President sole responsibility for starting a draft of men for the Armed Forces.

The provision, similar to one in early versions of the House bill, would hold off draft operations for at least 75 days after passage of the law. Drafting then would start only when the President decided the Armed Forces could not obtain necessary manpower through voluntary enlistments.

Chairman Andrews (R-NY) will offer the provision as a committee amendment when the draft bill goes before the House for debate. The overhauling was proposed by Rep. Vinson (D-Ga.), ranking minority member of the committee.

The draft bill, sponsored by Andrews, is before the House Rules Committee. It was approved 28 to 5 by Andrews' committee on May 7, and the Rules Committee has scheduled further hearings tomorrow to take testimony from opponents of the measure.

### Sanford Hairdresser Group Has Meeting

Vernice Adkins, president of the newly formed Sanford unit of the Florida Hairdressers and Cosmetologists Association, predicted at a meeting of the group last night at the Tourist Center that the Association will be a great success and outlined to the members its various objectives.

The Sanford unit, No. 16, was organized at a meeting at the Tourist Center on May 3 and in addition to Mr. Adkins as president, the following officers were elected: Miss Betty Sasser, first vice president; Mrs. Harriett Slaughter, secretary; and Mrs. Anna Mae Chapman, treasurer.

Included in the objectives of the association are to enlighten public opinion concerning cosmetology and its relation to the attainment and preservation of health; to promote legislation beneficial to the profession, and to foster and promote the best interest of the profession and to advocate high ideals and standards therein.

### COURT HOUSE STEPS REPAIRED

The steps at the Seminole County Court House are being repaired, and marble is being replaced in several places.
