Governor Millard F. Caldwell, duly elected by the Board of Directors of the National War Fund, Florida Division, as State Chairman, made the following statement in a letter to the organization: "Florida's citizens have thought of the annual United War Fund campaign not as a duty but as an opportunity. We welcome the chance to make our contributions to the organization that are doing so much for our men and women in the services and for friends and allies of our sister democracies who have suffered from the impact of war. It is a great convenience to be able to make these contributions at one time.

No Evidence Seen Of Polio Epidemic In Florida Soon

JACKSONVILLE, July 25. (Special)—There is no evidence of a pending polio epidemic in Florida, according to the State Board of Health.
 Dr. E. F. Hoffman, Bureau of Epidemiology director, said that although a 50 percent increase in polio has been reported nationally this year, Florida has been fortunate in holding her own against the disease.

"It is true that up to July 14, 1945, we had 29 cases of infantile paralysis reported as compared with 26 for the same time last year. But most of these occurred back in early spring long before the usual 'polio season,'" Dr. Hoffman said.
 "For the week ending July 14, 1945, we had just one case reported, while during the corresponding week of 1944 seven new cases were on tap.

"Usually, June through September are the months when we urge people to be alert to polio symptoms. But this supposed season has not run true to form in Florida this year. Cases reported by the month so far are: January, three; February, four; March, none; April, seven; May, nine; June, five; and for the first part of July, one.

"Ten of the 16 cases reported during April and May were in the vicinity of West Palm Beach. Because these cases were recognized and treated early, none of the individuals developed paralysis.

"Because very little is known about polio we are unable to warn against definite dangers such as milk and water, for instance, where typhoid fever is concerned. Therefore, in an effort to 'lock the stable before the horse is stolen,' we list, from time to time, the usual precautions which we trust will enable every community to guard more thoroughly against polio outbreaks. The following warning is listed by the National Foundation for Infantile Paralysis:

Avoid overtiring and extreme fatigue from strenuous exercise. Avoid sudden chilling such as would come from a plunge into extremely cold water on a very hot day.

Pay careful attention to personal cleanliness, such as thorough handwashing before eating. Hygiene habits should always be observed.

If possible avoid tonsil and adenoid operations during epidemic. Careful study has shown that such operations, when done during an epidemic, tend to increase the danger of contracting infantile paralysis in its most serious form.

Use the purest milk and water you can. Keep flies away from food. While the exact means of spread of the disease is not known, contaminated water and milk are always dangerous and flies have repeatedly been known to carry the polio virus.

Do not swim in polluted water. Maintain community sanitation at a high level at all times. Avoid all unnecessary contact with persons with any illness suspicious of infantile paralysis.

The Jale out, Man is 30 by 12 miles in size.

Attlee Calls For Quick Win Over Japanese

Churchill Goes Down To Defeat With Conservatives Winning Only 195 Out Of 640

(By Associated Press)
By a luring defeat of Japan was the first task of his new government, Clement R. Attlee has given clear indication that the political change in Britain has taken nothing away from the American-British-Chinese surrender ultimatum to Japan.
The election gave the Labor party 390 of the 640 seats in the House of Commons, Allied parties captured 27 more for a total of 417. The conservatives won only 195 and Allied parties 16 more for a 210 total. The results in the remaining 13 constituencies will be known early in August.
The Japanese ultimatum was issued by the Big Three conference yesterday observers believe Stalin had prior knowledge of its contents although his attitude was not one of the Paris Treaty continued of Marshal Petain amid charge of intelligence with the Germans and plotting against the security of France.

Held In Slaying

NAVY COXSWAIN Al Woods (above), 33, of the Bronx, N.Y., was charged with homicide by New York City police after Marion Callahan, former dancer and beauty contestant, identified Woods as the spurned suitor who knocked down her escort, George Lee, 45, on a Long Island City, N.Y., street, inflicting fatal injuries. An ambulance doctor pronounced Lee dead of a skull fracture. (International)

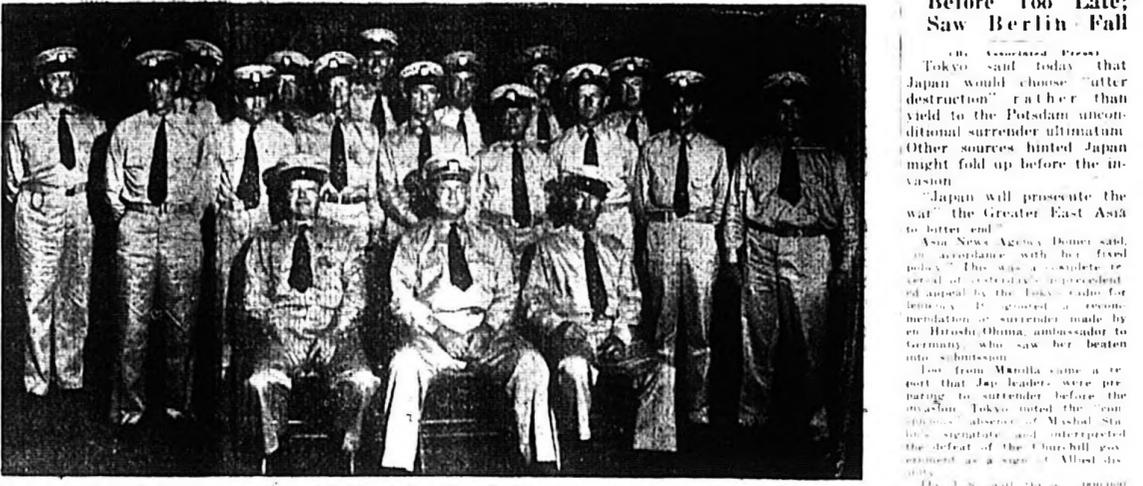

Coast Guard To Celebrate Anniversary

Demonstrations Of Rescue Work To Be Given Near Pier Sunday Afternoon

A realistic demonstration of an at-sea rescue will take place Sunday afternoon at 3:00 o'clock near the Sanford Municipal Pier in Lake Monroe when the Sanford U. S. Coast Guard Unit will cooperate with personnel of the Sanford Naval Air Station in staging a rescue of an airman who has found it necessary to bail out over the water. It was announced today by Alex R. Johnson, commander of the Coast Guard unit.
The rescue demonstration will be in honor of the 155th anniversary of the Coast Guard which will be celebrated nationally. This is the first time that the Navy has allowed publicity to be given to local operations of the Coast Guard, an earlier ceremony was necessary due to war operations.
Air-sea rescue work has been highly developed in the Coast Guard during the past six months. Cmdr. Johnson stated that the U. S. Coast Guard was founded by Alexander Hamilton and officially created by act of Congress on Aug. 4, 1790, largely for the purpose of stamping out smuggling. Since that time the Coast Guard has played a vital part in American fighting fronts, especially in the span of global operations of the present war.
In every theater of war, far flung parts of the world, the Coast Guard in ships and planes have been contributing their full share in winning the fight. Possibly no other single fighting force in the world has as many widespread and varied activities as the Coast Guard.
They have manned troop transports and supplemented naval units as convoy escorts, their anti-submarine patrols helped defeat Hitler's U-boats in the Battle of the Atlantic, they have guarded the coast of America both from the shore and at sea. And they have done a job out of proportion to their numbers.
They played a vital part in thwarting the Nazi submarine menace that has striven the Atlantic Coast with the wreckage of torpedoes, mines, and the gauntlet of Japanese fire in the Gulf of Mexico, and in the attack on the transport in the Normandy invasion under the threat of 200 bomb dropping Nazi planes.
Landing flying boats in perilous seas to effect rescue of forced down Army and Navy pilots and torpedoes, together with anti-aircraft patrols in remote areas, are tasks such as in Greenland are but a few of the duties of the flying branch of the Coast Guard.
Governor Thomas I. Dewey of New York has put it well when he said: "During these critical years, the United States Coast Guard has always fulfilled its motto, 'Semper Paratus'—always ready."
At 2:00 o'clock Sunday afternoon at the Municipal Band Shell, Capt. William T. Easton, commander of the Sanford Naval Air Station, will speak concerning the Coast Guard from the point of view of the Navy.
Other speakers will be Fred T. Williams, representing the City; Capt. John Galloway of the Florida State Guard; and Capt. Jack Recco of Campbell-Lossing Post 63 of the American Legion.

Japan Chooses Utter Destruction To Potsdam Surrender Ultimatum

Local Coast Guard Reserve

They are some of the 38 members of the Sanford Local Coast Guard Reserve. They are: (from left) Lt. James D. M. ... (names partially obscured) ... Lt. Joseph M. ...

General Ohima Urges Tokyo To Give Up Before Too Late; Saw Berlin Fall

(By Associated Press)
Tokyo said today that Japan would choose "utter destruction" rather than yield to the Potsdam unconditional surrender ultimatum. Other sources hinted Japan might fold up before the invasion.
"Japan will prosecute the war in the Greater East Asia to bitter end."
Asia News Agency, Doha, said in a dispatch with the word "Tokyo" that the Japanese government had decided to proceed with the Potsdam ultimatum. It is reported that the ultimatum was made by Gen. Hiroshi Ohima, ambassador to Germany, who was beaten into submission.
Loss from Manila came a report that Japan was preparing to surrender before the invasion. Tokyo, however, denied the report. It is reported that the ultimatum was made by Gen. Hiroshi Ohima, ambassador to Germany, who was beaten into submission.
The U. S. and British governments have been urged to continue the fight. The Japanese ultimatum was issued by the Big Three conference yesterday observers believe Stalin had prior knowledge of its contents although his attitude was not one of the Paris Treaty continued of Marshal Petain amid charge of intelligence with the Germans and plotting against the security of France.

Grand Jury Asks Enforcement Of Juke Joint Laws

Killing Of Negro Is Believed To Have Inspired Charges

Charging that owners of juke joints and beer parlors in Seminole County are violating the laws of the State of Florida, the grand jury of the Fall Term of Circuit Court yesterday demanded strict enforcement of these laws by the Sheriff and police chiefs throughout the county and that if the enforcement is not carried out, the grand jury will reconvene and attend to the matter itself.
The shooting and killing of Oscar Redding, negro, at 11:30 o'clock Sunday night at Jerry Martin's juke joint just outside the city limits in Goldsboro had a strong bearing on the grand jury's action, it was said. Recently, negroes co-owner of the "beer and wine parlor and restaurant" was indicted by the jury on a charge of manslaughter and will be tried next week.
The grand jury of which H. F. McGowan was foreman and W. Raymond McMill, acting foreman, issued the following statement: "The grand jury instructs the State Attorney and Assistant State Attorney to notify the Sheriff of Seminole County and (Continued on Page Three)

Boat Ride Planned By Lions Club

The Lions Club, in order to stimulate attendance, decided at the meeting today at Mrs. C. L. Powell and J. W. Roberts were chosen by King Lion Clyde Ramsey to head the opposing sides.
At 10 o'clock in the contest close.
All Lions reported that everyone had a fine time at the Lions picnic at New Smyrna Wednesday. Guests were Sgt. L. L. Rowland, radio operator of the 1st Transport Command who is back on 21 day leave after two years of operations in Canada, Alaska and the Pacific Theater, and who was accompanied by Mr. Cornell, head of the Seminole Tire Company before he entered the service in November 1941; also M. H. Eddleman of the New York office of Chase and Company.
No fees were levied today against Lion Tamer James Robson, Jr. due to the fact that he was away on vacation.

Junior League To Hold World Series

The Junior Baseball League will have a series of once-a-week games starting next Tuesday morning to determine the City championship. The games will continue for three weeks, according to Coach C. F. Kettles, city recreation director.
The boy who shows the greatest amount of improvement in his play will receive a miniature gold baseball. Coach Kettles announced.

Ensign Jack Mears Is Killed In Crash

Ensign Jack F. Mears, USNR, a student pilot attached to the Sanford Naval Air Station, was instantly killed when his plane crashed about two miles north east of Ocoola, following a mid-air collision with another plane in his flight group. The pilot of the other plane involved succeeded in parachuting from his plane and escaped with minor injuries.
Ensign Mears is survived by his mother, Mrs. Carole Wilson of Gastonia, N. C., and his father, Thomas F. Mears. Before he entered the service, Ensign Mears was a student at Duke University. He reported to the Sanford Naval Air Station on July 10, and was previously stationed at the Naval Air Training Base, Corpus Christi, Texas.

LEAVES FOR OKLA

Ralph Johnson, president of the Seminole Chapter of Future Farmers of America, left Monday for Camp Olen near Lake City for a two week course in FFA leadership. He also expects to see a Blue Farmer Degree. At the camp are about 300 Future Farmer boys and 50 instructors, according to Alex R. Johnson, father of Ralph Johnson and Seminole High School agricultural instructor.

Sanford Sluggers Out-Master Mind Orlando Champs

Evans Stars For All Stars With Three Hits And One Run

By Willard Connolly
A master mind decision made at the last minute Wednesday evening by "Mac" Murrill, Sanford manager, is credited with being the prime reason for one of the biggest upsets of the Florida softball season, the defeat by a Sanford All Star team of the highly touted Bumble Bees team, league leaders of Orlando by a score of 10 to 1.
Just before the game commenced Manager Murrill, this morning, I decided to put every bit in the hands of Manager Bob Steele of Franks team and the Navy's Jimmy Backler of Yowelle's. The fact that I did not interfere, resulted in our big victory.
Coach C. F. Kettles, who is supervising the inter-club program and who arranged the game, was highly pleased with the Sanford team's performance.
Financial assistance was given by 81 persons in Seminole County during June, amounting to a total of \$1,169. It was revealed today by Mrs. James G. Adams, supervisor of the county and of the State Welfare Board, offices of which are located in the "Mule" Building.
This expenditure was made to those in need of old age assistance; to dependent children whose parents are unable to give them adequate care; or children handicapped in any way, and to needy blind persons.
During June the sum of \$1,169.50 was given for child and old age assistance, and was expended for 37 families and 84 children.
Aid to the blind as of June 20 showed a slight increase, the amount being \$588 as compared with \$576 in May or a June average of \$29.40 a month as compared with \$28.80 in May.
Seminole County placed third in District 12 in amount of public assistance, and was exceeded by Orange County's 1,652 cases and \$52,954 outlay and Volusia County's 1,470 cases and \$18,784 outlay.
The sale of Man is 30 by 12 miles in size.

Fraternization In Operation

Following the lifting of the inter-club program and who arranged the game, was highly pleased with the Sanford team's performance.

Senator Boyle Says Work On 44 Will Begin Soon

Thinks Fraser Will Best Possible Under Circumstances

Senator Boyle returned to Sanford yesterday from Tallahassee following the adjournment of the special legislative session which gave to Sanford Florida two additional senatorial seats.
I do not think that the Fraser bill was the best possible under the circumstances. I think that the best possible bill would have been one that would have given for construction of the last remaining unopened section of Road 44 between Geneva and Ft. Pierce. The following telegram from State Highway Engineer J. H. Dawling was disclosed:
"Please advise that the State Road Department received War Production Board approval for construction of Road 44 between Geneva and Ft. Pierce. This will be an important part of August and will be completed by the end of the year."
Senator Boyle stated that he has given for construction of the last remaining unopened section of Road 44 between Geneva and Ft. Pierce. The following telegram from State Highway Engineer J. H. Dawling was disclosed:
"Please advise that the State Road Department received War Production Board approval for construction of Road 44 between Geneva and Ft. Pierce. This will be an important part of August and will be completed by the end of the year."
The Florida legislature has reappointed the State Senate, but few members were leaving town under the impression that they would be re-elected.

Home On Leave

Warrant Officers Roderick E. Adams, who has been in the service 4 1/2 years, returned last week from San Antonio, Tex.

Warrant Officers Roderick E. Adams, who has been in the service 4 1/2 years, returned last week from San Antonio, Tex. Mr. Adams and his wife are visiting Mr. and Mrs. Frank B. Adams, 2006 Lake Avenue. He will be located here permanently after receiving a medical discharge.
Lieut. Gordon W. Swain is spending a 30 day leave with his parents, Mr. and Mrs. E. M. Swain.
Elmer Tyner, Jr., GM 2/c and Mrs. Tyner are spending a 10-day leave with his parents, Mr. and Mrs. E. G. Tyner, Sr., after which they will leave for California.
Sgt. Benjamin H. Williams, Jr. who has been stationed in England with the Eighth Air Force, has arrived home for a 30-day furlough which will spend with his parents, Mr. and Mrs. B. H. Williams. After his furlough, Sgt. Williams will report to Drew Field.
Pfc. William S. Earle, Jr. is home on 15-days furlough from Lawson General Hospital, Atlanta, and is visiting his parents, Mr. and Mrs. William S. Earle.

Pfc. Lee E. Bauman Has 6 Battle Stars

Mr. and Mrs. L. E. Bauman recently received a letter from their son Pfc. Lee E. Bauman, a paratrooper stationed in France, in which he stated that he has received two more battle stars, which bring his total to six.
Among his other campaign ribbons and decorations are: two bronze oak leaf clusters, the British and American, the Combat Infantry badge, one combat star on his wings, and a Central European combat ribbon.
He has also received the Purple Heart for injuries received in the Ardennes breakthrough during the battle of the Bulge, the good conduct ribbon and E. T. O. ribbon.
Prior to entering the Army, Pfc. Bauman had served for a year in the Navy from which he received a medical discharge.

Cpl. Gordon Bradley Back From Europe

Cpl. Gordon L. Bradley arrived home Tuesday from the European theater for a 30 day leave with his wife, Mrs. Helen Buser Bradley, of 702 Palmetto Avenue. Cpl. Bradley who served with the 24th Tank Battalion of the 13th Division is a member of the 8th ETO armored division in the Pacific theater. He served with the 18th Armored Division in the Battle of the Ruhr Pocket and in the drive through Alsace into Austria. He holds the Good Conduct Ribbon and ETO Ribbon with two bronze battle stars.
The 18th, popularly known as the Black Cat Division, captured more than 80,000 German prisoners in the fighting in the Ruhr and took an additional 19,000 in Bavaria. In the closing days of the war in Europe, it captured Hitler's birthplace in the City of Braunau, Austria, and liberated 14,000 allied prisoners of war.
John Jacob Astor, one of America's richest men, was born in Germany, arrived in New York with a few dollars in his pocket, and found work in a fur store at 25 a week.

Season's Final Races To Be Held Tonight

Climaxing one of the best 60 day periods of dog racing ever held at the Sanford-Orlando Kennel Club, will come the final matches to be held tonight. This was the first summer racing ever held in Central Florida.
A Consolation Derby will be run in the featured seventh race and the climax will be reached in the Au Revoir stakes in the eighth and final event. Special purse money will be awarded winners in both races.
Favored for tonight's consolation races are Merry Kay (2) Jersey Bill (8) and Lottie (1). For the Au Revoir race, Andy Mine (18), Queen's Roll (1) and Bet's Boss (4).

Aid Is Given To 611 Persons Here

Financial assistance was given to 611 persons in Seminole County during June, amounting to a total of \$1,169. It was revealed today by Mrs. James G. Adams, supervisor of the county and of the State Welfare Board, offices of which are located in the "Mule" Building.
This expenditure was made to those in need of old age assistance; to dependent children whose parents are unable to give them adequate care; or children handicapped in any way, and to needy blind persons.
During June the sum of \$1,169.50 was given for child and old age assistance, and was expended for 37 families and 84 children.

Mrs. J. Goodson Dies Thursday In Geneva

Mrs. J. Goodson of New Smyrna, formerly Julia Geiger of Geneva, died last night at 10:00 o'clock at the home of her mother, Mrs. Philip Bauer in Geneva following a long illness.
Mrs. Goodson was 35 years old. She had made her home in Geneva all her life until her marriage to Mr. Goodson at which time she moved to New Smyrna. She was a member of the First Baptist Church.
Survivors besides her mother include the husband and two children, a daughter 13 years old and a son five years old; three sisters, Mrs. Fred Ballard of Maitland, Mrs. George Miller of Ft. Lauderdale and Mrs. Myrtle Kirkland of Orlando; three brothers, Mr. Charles Geiger in the Pacific, Sgt. Wilson Geiger in England and Harry Geiger of Geneva, also one half brother, Albert Geiger of Geneva.
Funeral services will be conducted at the First Baptist Church at 3:00 p. m. Sunday at New Smyrna.

Karl Nordgren Is Given Bronze Star For Pacific Work

By Associated Press
Karl Nordgren, a member of the Sanford Kiwanis Club of which Lieut. Col. Nordgren was a former president, he is now serving in the Philippines. Dr. Doss was returned prior to his military service. Lieut. Col. Nordgren was assistant manager of the Burpee Seed Co. of Sanford.
The citation which accompanied the medal presentation read:
"Lieut. Col. Karl F. Nordgren, 0261143, Infantry, United States Army. For meritorious achievement in connection with military operations against the enemy in the Southwest Pacific Area from 12 November 1941 to 12 March 1942. Colonel Nordgren served as General Headquarters Regulating Officer at important traffic centers in the Southwest Pacific Area, including Finchhafen, the Admiralty Islands, Oro Bay and that he was responsible for the establishment of priorities for movement by water and air and the coordination of transportation activities at all of these stations. In situations requiring exacting judgment and the utmost patience and tact, Colonel Nordgren's decisions were invariably judicious and intelligent, reflecting a keen awareness not only of local supply needs but the overall requirements of the Theater war effort. His solution of official problems in the coordination of all phases of transportation activities was, to a considerable degree, responsible for the successful functioning of the base at which he was stationed."

Home On Leave

Warrant Officers Roderick E. Adams, who has been in the service 4 1/2 years, returned last week from San Antonio, Tex. Mr. Adams and his wife are visiting Mr. and Mrs. Frank B. Adams, 2006 Lake Avenue. He will be located here permanently after receiving a medical discharge.
Lieut. Gordon W. Swain is spending a 30 day leave with his parents, Mr. and Mrs. E. M. Swain.
Elmer Tyner, Jr., GM 2/c and Mrs. Tyner are spending a 10-day leave with his parents, Mr. and Mrs. E. G. Tyner, Sr., after which they will leave for California.
Sgt. Benjamin H. Williams, Jr. who has been stationed in England with the Eighth Air Force, has arrived home for a 30-day furlough which will spend with his parents, Mr. and Mrs. B. H. Williams. After his furlough, Sgt. Williams will report to Drew Field.
Pfc. William S. Earle, Jr. is home on 15-days furlough from Lawson General Hospital, Atlanta, and is visiting his parents, Mr. and Mrs. William S. Earle.

SHOWN IS A SECTION OF THE TRACKS of the Delaware and Western Railroad that was washed out at Paterson, N. J., when the Passaic River, swollen by a week of heavy rain, burst over its banks. Three bridges over the river were closed, and bus and train schedules disrupted. It was northern New Jersey's worst flood in forty-two years. Damage to Paterson and its suburbs is estimated at \$1,000,000. (International)

Dutch Reclaim Most Of Lands Flooded By Nazis Cut Dikes And Ruin Model Area Before Surrender
 THE HAGUE, July 27.—The Dutch, despite a fuel shortage which amounted to famine last winter in some sections and despite a fuel shortage which has paralyzed transport, have managed to drain all but some of the 400,000 acres flooded by the breaking of their dikes in the war. It was disclosed this week.

BIBLE VERSE FOR TODAY

IT IS NOT ENOUGH TO BE CALF U. L. WHERE YOU THROW LIGHTED MATCHES...

As the old saying goes, the Legislature tackled the thing that couldn't be done and they did it.

If the legislative deadlock hadn't been broken pretty soon, all the legislators would have been dead.

Senator Wheeler apparently takes the position that he is in favor of the World Charter but he hopes it won't work.

Henry Morgenthau who denies he was fired as he had previously said now says that Truman merely requested his resignation.

Wouldn't this world be a much better place in which to live if everyone asked for anything he said please?

Col. Lindbergh in Chicago predicts a third world war.

We are willing to share our food with some of those countries abroad.

Somehow or other we cannot work up much indignation against Marshal Petain.

Soviet Russia, seat of communism, about which we have heard so much in recent years...

We hope everyone read the letter from Lieut. Gulpepper in Wednesday's Herald written on Chicago.

The City is going to have a study made of the possibilities of improving our sewerage facilities.

When the special legislative session convened there were few who thought anything much of consequence could be accomplished.

When the special legislative session convened there were few who thought anything much of consequence could be accomplished.

When the special legislative session convened there were few who thought anything much of consequence could be accomplished.

When the special legislative session convened there were few who thought anything much of consequence could be accomplished.

When the special legislative session convened there were few who thought anything much of consequence could be accomplished.

When the special legislative session convened there were few who thought anything much of consequence could be accomplished.

When the special legislative session convened there were few who thought anything much of consequence could be accomplished.

When the special legislative session convened there were few who thought anything much of consequence could be accomplished.

Out To Pasture

Winston Churchill, the greatest man of our times, went down to defeat before an avalanche of Labor Party votes...

He was popular when he stood on the beaches after Dunkirk, rallied the British people and dared the Germans to come and get him.

But all that is behind him now. The Germans are no longer a menace and the English want houses.

There can be no doubt as to the decision when the choice is as clear as that.

Home News From Abroad

Argentina has had no freedom of the press as Americans understand the term for a long time.

Then the Argentine papers, some of whom, notably La Prensa, have fought the present government steadily.

Soon elections were promised for "before the end of this year" as a sop to the strongest elements opposed to the Peron-Farrell gang.

But, like Hitler, he has the arms and the propaganda. Without a free press, any nation weakens.

Charter Acceptance

Everything in its time! People are amazed at the Washington spectacle of acceptance of the United Nations charter.

The simple truth is that the nation and the world at that time were not quite ready for it.

So it required another great war to bring home to all nations the fact that peace on earth is necessarily a joint enterprise.

We have often said lightly, "It's a small world, after all." But it is so today in a sense never fully realized.

Perhaps it has been worth all the grief, tears and struggle to make this fact so clear that even the dullest or most envious of national groups begin to see and understand the need of world unity and cooperation in essential matters.

The Newspaper Strike

The Herald Tribune, again able to bring its full Sunday as well as daily services to its readers.

Impressive evidence of the extent to which the standard newspaper is—despite all the other media of communication and record which now exist—a necessity in the daily life of the modern community.

The richest deposits of gold in Colorado were first found in the mountains about 100 miles from Denver.

By the end of 1945, U. S. production of aluminum was approximately six times greater than it had been in 1939.

Senator Pepper Pays Tribute To Dr. Townsend

have been left in the dark because of a dispute with a small key union of which only some 1,700 members were employed by the publishers...

Wiser counsel have returned the dispute to ground upon which it can be adjudicated without the explosive implications inherent in the union's course.

To this extent, the outcome so far is a happy one for all parties involved and we believe it will prove a contribution toward, rather than a set back to, the goal which is common to thoughtful persons in the ranks of labor, management and the public today.

Dr. Townsend won the hearts of his audience when he said: "It is a heartening thing that members of the greatest legislative body in the world will take time out from their pressing duties to talk things over with a country physician."

He urged his listeners to visualize the Townsend great income tax as "a great heartbeater" which twelve times a year will pump blood through the vital arteries of the nation.

Pointing out that the consuming public has always paid all taxes, he ridiculed the notion that there can be any legitimate objection on the part of business to the tax.

It is a sad commentary on our tax system that business is permitted to pay taxes on net income while the little people pay—as they always have—on their gross income.

Now consider the vast national income in America. If we can divert only a small portion of this great income to the unemployables (and at least 10 percent of the people are always unemployable), then 10 percent of the people will be come important contributors to society.

Senator Pepper called Dr. Townsend "one of the great spirits of this country. He has grown from an advocate into a great national figure."

Highly perishable fruits and vegetables will probably be shipped to market by air in the future.

The land in the Louisiana Purchase cost the United States about two cents an acre.

U. S. unemployment increased 1,624,000 between 1913 and 1921.

Snyder Pledges 'Forceful' Drive For Conversion

He Is Sworn In As Successor To Vinson Treasury Secretary

WASHINGTON, July 27. (AP)—A "forceful" conversion program to create jobs and lay out pay-
 ments was envisioned this week by John W. Snyder, new director of the Office of War Mobilization and
 Reconversion.

Mr. Snyder was sworn in Mon-
 day as successor to Fred M. Vin-
 son, retiring O. W. M. E. director
 who earlier in the day took the
 oath of office as Secretary of the
 Treasury. The ceremonies coin-
 cided with these developments in
 the governmental scheme.

1. President Truman was dis-
 closed to have under consideration
 a proposal to create a new Cab-
 inet department of Social Wel-
 fare. The suggestion was made
 by the President by Paul V.
 McNutt, chairman of the War
 Manpower Commission and head
 of the Federal Security Agency,
 shortly before Mr. Truman left
 Washington for the Big Three
 conference in Potsdam.

2. A reorganization of the Com-
 merce Department was reported
 reliably to be in preparation. An-
 nounced today by the depart-
 ment, officials declined, however,
 to discuss details.

3. Reports persisted that the de-
 parture of Henry Morgenthau, Jr.,
 from the Cabinet as Secretary of
 the Treasury would be accompa-
 nied soon by the resignations of
 Harold L. Ickes, Secretary of the
 Interior, and Henry L. Stimson,
 Secretary of War. Mr. Ickes de-
 clared today he had nothing to
 say about these reports and, an-
 noyed, referred to the rumor of his
 reported resignation as "that old
 tale."

4. William H. Wells, former Rep-
 ublican Governor of Vermont, took
 the oath of office as a mem-
 ber of the Federal Communica-
 tions Commission, succeeding Nor-
 man S. Case. Mr. Wells was ap-
 pointed by President Truman June
 13 and was confirmed by the Sen-
 ate July 12.

After being sworn in, the
 members of the White House, be-
 fore the East Wing. Mr. Snyder,
 former of LouisIANA and Fed-
 eral Tax Administrator, said that
 the nation needs a "forceful" re-
 conversion program to insure that
 industrial facilities are rapidly
 as they become free of war work,
 can be switched to civilian goods
 production. This policy, he said,
 must create employment and let
 the public buy consumer goods
 with accumulated savings.

Conference Of Big Three Is Nearing End

Ratification By U.S. Senate Of Charter Provides President Truman Trump Card

BERLIN, July 30. (AP)—The Allied Control Council for Germany, at its historic first meeting here today, discussed that a sector of Berlin has been allocated to the French for control.

The Potsdam Big Three are in the final stages of their world planning today, with the writing of the final report believed their only task left. Observers thought the conference might end in two or three days.

President Truman held the trump card for the final stages as the result of the Senate ratification of the United Nations charter. He can now say America has abandoned isolation.

The French consultative assembly overwhelmingly rejected DeGaulle's plans for a constitutional referendum in a rebuff that had observers speculating he might resign as head of the French provisional government.

In Britain, Prime Minister Attlee's new Labor cabinet began drafting a legislative program giving top priority to providing housing for the island's homeless. Attlee is expected back in London for the parliamentary reorganization meeting on Aug. 1. Parliament convenes Aug. 15.

An authoritative American source said Justice Robert H. Jackson had told British, Russian and French representatives that agreement must be reached this week on plans for the trial of war criminals. Jackson is special U.S. prosecutor for the war crimes trial.

Intrepid Was Hit More Often Than Any Other Carrier

WASHINGTON, July 30. (AP)—Eighty enemy ships and 950 aircraft have been destroyed by the Intrepid, more than any other carrier.

She took a terrific pounding to do it. The Intrepid has been hit more frequently than any other of our aircraft carriers.

Four times the Essex-class carrier suffered battle damage within 15 months of lively Pacific operations. But she is back in action again.

The Intrepid's latest brush with disaster came on last April 6 while her airmen were carrying the war to Japan's home islands again, after having helped to send the Yamato to the bottom with two dozen bombs and torpedoes.

One of five enemy suicide planes broke through the screen of AA fire and crashed into the flight deck. The explosion which followed killed nine men and wounded 31.

Fire, destroyed more than 30 tons of fuel, and the Intrepid was not fueled or loaded, and no further operations resulted. In 15 minutes the battleship crew of the Intrepid had the flight deck firm under control, and the hangar deck in 30 minutes.

While the fire raged, the ship commanded by Capt. Glen P. Holt, Tacoma, Wash., stayed with her task force, fighting off attacking planes, maneuvering with the formation and continuing flight operations.

She successfully took aboard her own aircraft, but her damage forced her return to the Hunter's Point Calif. dock for repairs.

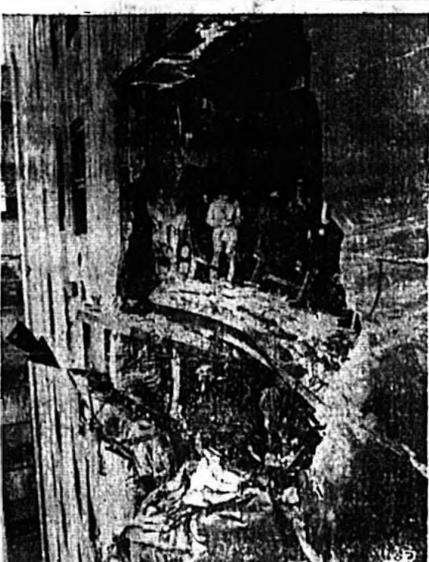

First Hit Off Track

The 37,000-ton carrier, named for the American ketch on which Stephen Decatur, Jr., a great U.S. Tripoli hero, was a midshipman to send the captured USS Philadelphia to the bottom suffered her first battle damage off Truk Decatur's historic action.

Japanese land-based air power in the Carolines had been virtually wiped out by fast carrier task force attacks when a lone enemy plane slipped through the screen and dropped a torpedo which damaged her deck in flames and halted her steering mechanism.

While firefighting parties fought the flames under control, two destroyers, Rear Adm. (then Capt.) Thomas C. Sprague, of Coronado, Calif., and the destroyer USS Johnston, were ordered to cover the stricken ship. A (Continued on Page Two)

Whebe Bomber Tore Hole In Skyscraper

ZOOMING OUT OF A THICK FOG, heading from New Bedford, Mass., to La Guardia Airfield, an army B-25 bomber crashed headlong into the 102-story Empire State Building in New York. This gaping hole between the 78th and 79th floors of the tallest building in the world gives spectacular evidence of the result. Arrows point to parts of the plane's wreckage as it perches precariously high above the street. Other sections of the bomber hurtled to the sun-baked below and other parts were blown in many directions in this "nightmare disaster." (International)

Mrs. Arrington Barto Mann Is Primary Principal Main Speaker At Died On Sunday Rotary Luncheon

Prominent Teacher Tells Of Work Done Had Been Resident Here For 31 Years

Mrs. Stella Puleston Arrington, 65, supervising principal of Sanford Primary schools since 1920 and resident here for the past 31 years, died at a local hospital Sunday morning after a short illness.

Funeral services for Mrs. Arrington were held at 3:00 o'clock this afternoon at the First Presbyterian church of which she was a member. The Rev. E. D. Browne officiated. Interment will be made Tuesday afternoon at 5:00 o'clock at Monticello, Fla. Mrs. Arrington was born Feb. 28, 1880 at Weatherford, Texas.

She began her teaching career at Monticello, Jefferson County, and taught there four years. In 1915 she began teaching at the Sanford West Side Primary School where she was principal and in 1920 was made supervising principal of Sanford Primary Schools.

At one time she served as president in Florida of American Childhood Education, a society of teachers. She was also active in various caucuses, including that of chairman, in the Seminole County Teachers' Club. She was a member of Delta Kappa Gamma, a national fraternity of teachers.

Mrs. Arrington is survived by one son, Briggs Arrington, and two granddaughters, Lucille Ann and Martha Cecile Arrington, all of Cordele, Ga., a sister, Mrs. Elizabeth Turnbull of Sanford, a brother, Dr. Samuel Puleston of Sanford, and the mother, Mrs. Mary Puleston of Sanford; also several nieces and nephews.

Funeral services at the funeral were: W. M. Thigpen, J. G. Shanon, P. Bayard Smith, George A. Spear, Earl T. Loucks and T. W. Lawton.

Former Orlando Chief Killed In Accident

NEW YORK CITY, July 30. (AP)—Colonel Willis R. Taylor, forty-eight, organizer of the Army Air Forces School of Applied Tactics at Orlando and former commandant of the 1st Fighter Command at Mitchell Field, died on June 14 as the result of a plane crash over the Canal Zone.

The colonel, whose career with the Air Force began during the last war, had been a temporary brigadier general several months before he took over his command.

Colonel Taylor was checking the progress of a pilot unfamiliar with the planes when the wing of the three-place plane they were flying suddenly dipped into the sea. Both the colonel and the pilot were drowned before a crash hook reached the water. The crew chief in the rear cockpit was rescued.

400 Japanese Surface Craft And 300 Planes Hit During Weekend

Large Crowd Sees Demonstration By Coast Guard Unit

Airman Rescued From Lake As Part Of Sunday Program

Sanford's lakefront boulevard was lined with automobiles, and the Municipal Pier jammed with spectators as a large group of people turned out Sunday afternoon to see a realistic life-size rescue of a "crash pilot" performed by the Sanford flotilla of the United States Coast Guard Auxiliary.

During the demonstration, Alex R. Johnson, commander of the Coast Guard Auxiliary Unit, kept up comments over the loud speaker telling the audience the significance of each move of the rescue of AMM 22-V. A. Conneland, who representing a crashed flier, slipped overboard from the official Coast Guard boat about 100 yards from the Bandshell.

Prior to the rescue of Conneland by the Coast Guard crash boat, there was a short but impressive program at the Band Shell in commemoration of the Coast Guard's 100th Anniversary, which included talks by Capt. William J. Easton, commander of the Sanford Naval Air Station; Comdr. J. N. Shroeder, commander of the Dunbar Key Coast Guard Air Sea Rescue Base; Fred R. Wilson, representing the city of Sanford; and J. S. Field, commander of the 10th district of the American Legion and J. J. Rocco, commander of Campbell Lodge, Post 83 of the American Legion.

The program was opened with music by the Sanford Naval Air Station Orchestra under direction of Francis Higgins, S. J. of St. Lewis, S. 22c, same a popular number and Miss Jane C. Roth, S. J. of the WAVES sang, "I Had a Little Talk With The Lord."

Capt. Easton told of what the Coast Guard meant to the Navy, of how the services had worked side by side, and he quoted an inscription on page three.

Dr. Leland H. Dame, director of the Seminole County Health Unit, has been granted permanent status as a County Health Officer on the Merit System of the State Board of Health.

Dr. Dame was also informed by Supervisor Laird that he was the first health officer in the State of Florida who had been granted this status.

"At the meeting of the Merit System Council on July 1, wrote Mr. Laird, "It was unanimously voted to grant you permanent status as County Health Officer, without examination."

"This action was taken by virtue of the fact that you were employed prior to Nov. 1, 1934, and the Council had been informed that your services have been satisfactory during this long period. The Council instructed me to commend you upon your long record of faithful and efficient service and to wish you many more years of experience in serving the people of your community and of the state."

"Permit me also to extend my personal congratulations upon your record of service."

Home On Leave

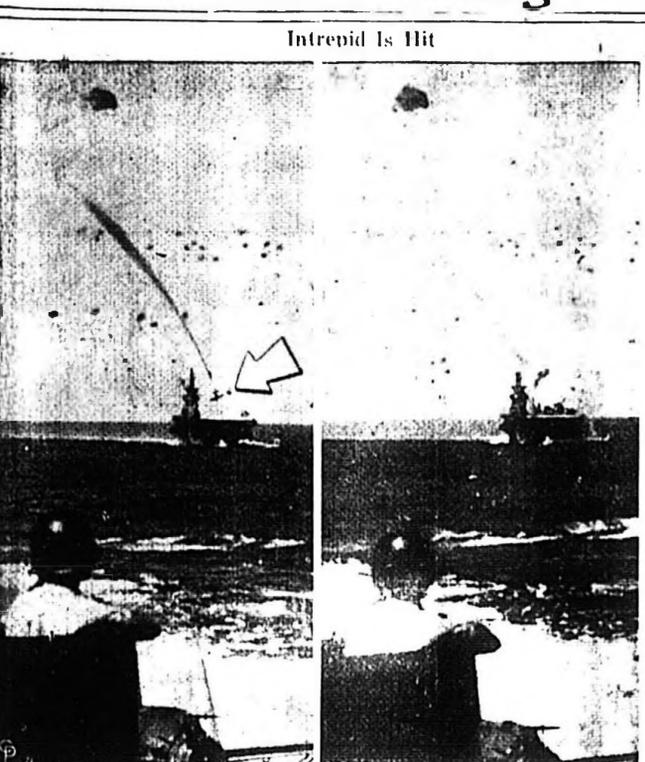

Pvt. LeRoy Estridge spent the week-end with his wife and daughter. He is stationed at Camp Blending.

Cpl. Bruce Mulholland left Saturday after spending the past week visiting in Sanford.

Correction

E. B. Carter, selective service clerk, today announced the following corrections:

"Selective Service regrets that the name of John Wyman Bennett, order No. 1018, appeared in the Sanford Herald July 25 as not reporting for induction. There was an error in the typing of the order."

Intrepid Is Hit

FOUR TIMES IN 15 MONTHS the Essex-class U.S. Intrepid is pelted from sea but comes unscathed and defiant. Then one day, off the coast of Japan's home islands, it almost happened and these two remarkable pictures, just released by the Navy, tell the story. At left, one of the five Kamikaze is shown just over the Intrepid's bow. At right, the Intrepid's gunners are seen firing at the kamikaze. The Intrepid's gunners were lost U.S. Navy.

\$40,000 Each To Be Spent On Five State Stock Rings

Director Wilson Says Plans Progressing For Big Expansion

JACKSONVILLE, July 30. (Special)—Plans for construction of five state stock rings in five Florida production centers, Bala Glades, Bartow, Orlando, Ocala and Quincy, with an additional position at the University of Florida, Gainesville, were approved today by the State Board of Health.

"News dispatches have also reported approval by the Board of Commissioners of Polk County, Fla., to award a contract for the building of a pavilion. This has been placed in the fiscal year budget for the coming year."

Sgt. George Trains For Pacific Action

WITH A THUNDERBOLT FIGHTER GROUP IN THE EUROPEAN ASSEMBLY AREA, July 30. (Special)—Sgt. Fredrick W. George of 8200-W First Street, Sanford, is now being processed at Camp Detroit, in the Assembly Area Command near Laon, France, with a veteran fighter-bomber group being employed directly to the Pacific fighting area.

Sgt. George is a prop specialist with this P-47 group, which provided top cover for the D-Day invasion; helped in the breakout at St. Lo; protected Gen. George S. Patton's Third Army Loire-River flank in his historic dash thru France, and kept up a constant combat and strafing of enemy communications and supply centers. In a single afternoon this group of Thunderbolts destroyed 768 enemy vehicles.

Sgt. George is the son of Mr. and Mrs. W. George 8200 W. First Street, Sanford.

Overseas 17 months, he is authorized to wear the President Distinguished Unit Citation, four Bronze Star Bars and the Good Conduct Ribbon.

Elevators Drop City Recreation Program Gains Popular Support

More Than One Thousand Citizens Take Part In Activities

More than a thousand persons, including adults and children, gathered during the month of June for participation in the City Recreation and Youth Program, sponsored by the City of Sanford.

Proclamation

WHEREAS, the City of Sanford, Florida, has a special interest in the welfare of its citizens, and it is the policy of the City to provide for the recreation and youth of its citizens; and

Invasion By Strongest Force In History Is Predicted By Admiral Ramse

Allied warships and planes mercilessly hammered Japan's air defense and rail transportation today after devastating weekend that destroyed or damaged more than 400 Japanese surface craft from the Emperor's last battleship to troop-laden river craft.

Naval gunfire beat the railway bottleneck of Hamamatsu south-west of Tokyo, more than an hour before the first of almost 1,500 B-29 Superfortresses that hammered air defenses and factories over a 100-mile stretch of the main island.

The Allies blasted ten warships sunk, three probably sunk and 16 damaged Saturday. In addition, the weekend raiders destroyed 115 Japanese planes and damaged 145 more, some to be returned safely Sunday morning from setting fire to the cities which the Nips had been ordered were marked for destruction.

It was estimated that the first B-29 raiding party of 100 bombers, which started the week-end attack, had destroyed 100 Japanese planes and damaged 145 more, some to be returned safely Sunday morning from setting fire to the cities which the Nips had been ordered were marked for destruction.
