

GRAF ZEPPELIN LANDS SAFELY AT LAKEHURST

**Completes Ocean Trip
In 95 Hours After
Victory Over Severe
Ocean Wind Storms**

LAKEHURST, N. J., Aug. 5.—(INS)—A distinguished foreign visitor has come to town—Count Zeppelin. He is of a mighty race which sings a steady song with purring motors, a viking ballad of defiance against wind and storm.

Five thousand miles from Friedrichshafen came the German dirigible to conquer the elements which sent it on its way and greeted it at the end. But it was only a grand excursion in the clouds to the 19 passengers aboard.

Today in peaceful slumber, it lies snugly at rest inside the hangar here next to another graceful creature of the same family, the American Los Angeles.

Against a vicious ground wind, a force of 500 sailors and marines walked the zeppelin into its royal suite. It had been moored temporarily to a steel mast when brought to earth at 9:52 P. M. The crew of 40 took to the ship until it was safe in its steel bed.

The zeppelin had covered the distance from Friedrichshafen to Lakehurst in 95 hours and 22 minutes and had thereby lowered its own time on its flight to America by 16 hours.

When the floating air castle first arrived over Lakehurst at seven o'clock in the morning, the wind was blowing a fury. Airport officials suggested via radio that the zeppelin cruise until the gale abated.

So the zeppelin set out to give New York a show, and because of head winds cutting down its speed, that the airship had driven direct for Lakehurst passing up its plan to cross Washington and lope up the coast.

This aristocrat of the air is a traveler. Refueling of the zeppelin will begin today and every (Continued On Page Eight)

"Skin" Game Lands Negroes In Court To Answer Charge

A Sunday morning "skin" game, ending in an attempted assault with an axe, proved costly to the participants as Municipal Judge W. E. White today handed out fines totaling \$120.00. The case, involving five negroes, was the only one tried before Judge White this morning, with Chief of Police Williams reporting a quiet weekend.

The "skin" game was interrupted by Officer Chaffee, who was called to the scene upon advice that a "bad fight" was in progress. Upon his arrival, he found A. J. Lewis, later charged with being the keeper of a house of ill repute, engaged in a heated argument with Charlie Allen, who was said to have hurled an axe at Lewis after he had drawn a knife and thrown a bottle at Allen.

Witnesses of the scene, Willie Ware, Frank Williams and Sam Wright, all testified that the argument began after an alleged profane attack by Allen on Lewis, followed by Allen's pitching a sugar bowl at Lewis after he objected to a bet made in the game.

Judge White, before sentencing the men, warned the crowded court room that "attendance at games of chance or houses of ill repute must be discontinued." He then fined Allen and Lewis each \$50.00 or 30 days, and the three witnesses were set down with \$10.00 fines each.

CONFESSES MURDER

BIRMINGHAM, Ala., Aug. 5.—(INS)—Following an alleged confession, Mrs. M. L. Hogan, today was held on a charge of murder in the slaying of Pichard T. Clower, 34, in a rooming house where they both lived. Mrs. Hogan said she shot Clower after he threatened her, police declared.

HUNDREDS DIE

LONDON, Aug. 5.—(INS)—Hundreds of persons are dead or missing in floods in Hunan and Szechwan provinces of China, according to Peking advices to the evening papers. Several towns were inundated.

Passengers Aboard Graf Zeppelin Are Enthusiastic Over Flight Across Ocean

NEW YORK, Aug. 5.—(INS)—When the Graf Zeppelin landed at Lakehurst, a great and fantastic display of black and white, it was some strange sight of another world—but when 19 clean-shaven passengers stepped casually from her cabin, it became a transatlantic transport and the paradox was completed by the passengers' stories.

In the hectic minutes while customs officials were inspecting language and while the special train that brought them to New York at 1:15 A. M. today waited the voyagers told their experiences and reactions. As they spoke, the chapter was written into aviation history which changed transatlantic air-travel from romance to matter-of-fact incident. The creature to whom night shadows and floodlights had lent an almost unbelievable appearance and thrilled thousands, became the Graf Zeppelin.

Even those of the passengers who were only slightly acquainted with travel by air reported that these were few thrills—just a comfortable, interesting morning voyage.

"Wonderful! Yes, in comfort, in the magnificent ship, it opened; in the case of the ship's handling and in the perfection of its mechanics," Sir George Hubert Wilkins, explorer who has spent 200 hours aboard the Graf explained the phenomenon.

Several passengers came aboard expecting to undergo hardships and experience thrills, but certainly there were no hardships. The food was excellent and the sleeping accommodations more pleasant than those on trains.

One of the two women who made the trip, her first flight of more than a short distance named her biggest thrill with out hesitation. "The great thrill I got was seeing the Graf in the air before we got aboard. After we were in it was just a wonderful voyage."

She is Rene Prosser, wife of M. Georges Prosser, M. G. (with claim to be the first musician to cross the Atlantic by air. "Twenty years ago, my brother, a white Russian like myself and known as the Walt Whitman of Russia, suggested to me that some day I might accomplish this."

3 FIREMEN DIE IN EXPLOSION AT DRUG STORE

**Eight Are Injured In
Blast As Result Of
Fire Which Sweeps
Kansas City Store**

KANSAS CITY, MO., Aug. 5.—(INS)—Three firemen were killed and eight others were injured when a terrific explosion occurred while firemen were battling a fire in the Southside (Kansan) drug store here today.

Causes of the blast, which apparently occurred in the drug store, has not been determined. Five of the injured were firemen, two were policemen and one was a citizen.

The dead firemen are: Frank Leonard, Ray Butterfield and a man named Morrison. News that several firemen had been killed spread to the homes of many city firemen and within a short time the wives of many were weeping and mourning about the fate of their husbands.

The fire broke out about 2:30 A. M. and the blast occurred soon after several fire companies arrived to battle the blaze. Three of the injured were probably fatally hurt when crushed by falling debris.

The explosion occurred in the drug store, which was a part of the building. The blast was so powerful that it caused the building to shake and many windows to shatter.

Prices Announced In Round-World Flight

NEW YORK, Aug. 5.—(INS)—Tickets for the round-the-world flight of the Graf Zeppelin went on sale here today at Hamburg-American offices as the queen of the air took its great gallop of fuel at Lakehurst. The cost is \$9,000—Lakehurst to Lakehurst. Passage includes expenses of Mapovers in the three cities at which Dr. Hugo Eckener plans to call on his cruise into the East. The scheduled halts are Friedrichshafen, Tokio and Los Angeles. The route and tentative arrival dates with the costs of tickets for the different cities for those who do not wish to make the entire trip are as follows: Leave Lakehurst, Wednesday night, Aug. 7. Arrive Friedrichshafen August 10. \$2,000; Leave Friedrichshafen August 12 or 13. Arrive Tokio August 19. \$2,000; Leave Tokio August 21 or 22. Arrive Los Angeles August 27. \$2,000; Los Angeles to Lakehurst, arriving Aug. 29. \$3,000.

NEW OUTBREAK OF TONG WARS SEEMS LIKELY

NEW YORK, Aug. 5.—(INS)—United States Attorney Charles H. Tuttle today instructed chief native inspector George Canning to notify all Tong leaders in China Town to report in the federal district attorney's office this afternoon.

It was generally understood Tuttle would deliver an ultimatum to the effect that while legal deportations will immediately follow any Tong disturbance.

Among those notified to appear were, Hudson Lee, president, and Edward Chan, national secretary of the Hip Sing Tong, and San King, national president; Henry Sing, national secretary and Sam Ong, local secretary of the Lo Ng Tong.

Sin On Yum, 51, wealthy Harlem restaurant and his negro cook were shot early today.

Pence, flag, which have flown for four years over the headquarters of the Hip Sing, and on Long Ticks here, were struck during the night, and a great celebration of the Lo Brothers Association, a new Tong, ended abruptly with all lights switched on 10 minutes before the Harlem police.

Peace between the two Tong was supposed, police have learned, by the subsequent formation of a brand-new Tong, the Lo Brothers Association. Federal agents declared that members of the new Tong caused seizure of the Hip Sing's headquarters of members of the two older Tong, the new outbreak.

CHICAGO, Aug. 5.—(INS)—Chicago's Chinatown was an arena of camp today, following outbreak of a new Tong war which resulted in the killing of one Chinese yesterday, and the probable fatal wounding of another. The dead man was Yee Sun, 50, a Hip Tong man. Karl Leung Wong.

PHILADELPHIA, Aug. 5.—(INS)—Threats of a new Chinese Tong war, again fueled by a dozen raids to police on Chinatown during the night. A dozen Chinese and a large quantity of ammunition were seized in one of the houses raided. Chinese visitors from other cities were warned to leave town.

A controversy over gambling regulations may, it is at the bottom of trouble.

Authorities Search For Carpenter As Fiendish Murderer

TITUSVILLE, Fla., Aug. 5.—(INS)—Authorities today were searching for Pete Erk, a Chicago carpenter, wanted in connection with the investigation into the fiendish slaying of Charles Raymond, another carpenter, who was hacked to death with a hatchet near here and supposedly robbed.

Meanwhile three men whose identity the sheriff's office declined to divulge were being held for investigation. Their stories were said by investigators, corroborated the theory that Raymond was lured to "barns camp," an abandoned tourist rendezvous off the Florid Highway, and cut to death with a hatchet.

Raymond's clothes had been stripped from him, which officers said supported the theory that he was robbed. Raymond was said to have remarked to friends on the day before his death that he "had nothing to worry about with between five and six thousand dollars on my person."

Orlando Bank Fails To Open Doors Today

ORLANDO, Fla., Aug. 5.—(INS)—The Orlando State Bank and Trust Company, one of the largest banking institutions in Central Florida, failed to open its doors for business this morning.

A notice on the door of the bank informed depositors it was closed "because of unprecedented withdrawals." The notice also advised the affairs of the bank had been placed in the hands of the state banking department.

Low Temperatures Hit Eastern Areas

NEW YORK, Aug. 5.—(INS)—The temperature dropped to the lowest on record today when the mercury hovered at 56 degrees. The previous low for Aug. 5 was in 1915, when 58 degrees was registered. Boston, Aug. 5.—(INS)—With the temperature hovering below 60 degrees, Boston today experienced the coldest Aug. 5 in 60 years. The cooling relief from the sweltering heat of the past month was to continue another day, according to the weather man. North Adams experienced a three minute fall of snow Sunday, over a limited area while the sun shone brightly.

DEFENSE USES FIRST WITNESS IN LIBEL ACTION

**Testimony Shows Over-
draft Of DeCottas
In Seminole County
Bank When It Failed**

Completion of the plaintiff's case and introduction of the first witness for the defense featured this morning's session of the trial of the \$100,000 libel action instituted by George A. DeCottas against The Sanford Herald. Today marked the beginning of the second week of the trial.

Testimony that the plaintiff had an overdraft in his personal account, that his firm's account was less than \$100 when the Seminole County Bank closed, and that his legal firm, in its proof of claim against the bank, had included certain attorney fees, which had previously been charged to individuals, was given by E. H. Ashcraft, receiver for the bank, and the defense's first witness.

The testimony was offered by the defense in an effort to attack the credibility of testimony offered by Mr. DeCottas as a witness in his own behalf. Mr. Ashcraft also testified concerning a private telephone system connecting the bank with the offices of DeCottas and Spencer on the second floor of the bank building.

In winding up its case, the plaintiff recalled City Clerk E. E. Lamson with the minute book of the City Commission meeting. Extracts were read from a meeting in August of last year when surety bonds of Forrest Lake, S. O. Chase and E. E. Housholder as bond trustees were cancelled. The minutes showed that in the cancellation, the surety companies were not released from liability up to and including Aug. 1, 1928. Investigation of final judgment and sentence upon Forrest Lake for four charges, growing out of the failure of the bank, were offered in evidence to end the plaintiff's (Continued On Page Eight)

BLACK BASS ONLY
FISH BARRED FOR
COMMERCIAL USE

Local Fishermen Can Now Seine For All Varieties Of Bream

Seine fishermen who have been granted permits allowing them the use of the St. Johns river, Lake Monroe and Lake Harney for the next 60 days are to be permitted to take all varieties of fish with the exception of black bass, according to a letter made public today from C. C. Woodward, state game commissioner.

This modification of the old rule, which stated that all fish could be caught except black bass and all varieties of bream, was made at the request of the County Commissioners of Volusia, Duval and Seminole counties, and E. P. Housholder, who represents the majority of the fishermen in this district. The new rule is expected to materially increase the lands and sale of fish, and to be welcomed by a large number of fishermen.

Applications for permits are all being made at the office of Mr. Housholder, and are expected to increase as news of the relaxation of the rules of the industry is made known throughout the county.

Any person, providing he is a resident of either county, may secure the permit, and will be allowed to seine in the water of the St. Johns which form the boundary between the two counties, as well as Lake Monroe and Lake Harney. The seines used are not to exceed 300 yards in length, and all varieties of fish are to be taken. Fishermen are required to pay a \$5.00 license. They will be renewed at the end of the period providing the user does not violate any of the rules.

Enforcement of the regulations will be under the direct charge of E. E. Gunther, deputy sheriff of Volusia county, and V. B. Hodges, game warden of Seminole county.

Authorities Search For Carpenter As Fiendish Murderer

TITUSVILLE, Fla., Aug. 5.—(INS)—Authorities today were searching for Pete Erk, a Chicago carpenter, wanted in connection with the investigation into the fiendish slaying of Charles Raymond, another carpenter, who was hacked to death with a hatchet near here and supposedly robbed.

Leading Citizens

"Every city and town has its outstanding citizen. No town is too small, no city too large to have one man who stands out head and shoulders above his fellow men: This has been true since the day when Saul was called to leadership by the Hebrew people.

"An outstanding man is always upstanding. No man is outstanding who fails to take a stand on vital questions as they affect community life. Nor does any man reach the place where his fellow citizens elevate him to the highest pedestal in the community who travels a selfish path. It is by personal conduct and unselfish deeds that men lift themselves to that glorious stature where they are outstanding among their fellows. The truly outstanding man enriches community life by exerting an influence that makes men and women happier and better. Such a man becomes outstanding without being conscious of it."

Don't Blame The South

There is this proved fact in regard to inter-racial clashes in the southern states and the northern and western states: In the south when a negro criminal outrages white men by revolting crime, or any crime that inflames race prejudice, the anger of the mass is usually centered on the individual committing the crime. Once he has been dealt with, legally or otherwise, the storm dies down into mutterings against negroes in general.

This was sharply emphasized recently by identical cases in Nebraska and Georgia. In a Nebraska town a negro shot a negro, and a white officer who went to arrest him was killed by the negro, who in turn was killed by a posse. Did that end the trouble? It did not. It simply inflamed the whites to general war on the negroes. Old and young, men, women and children, were driven from their homes and told not to come back.

STICKS TO HIS CLUBS
PALATKA DAILY NEWS

STICKS TO HIS CLUBS

Perhaps that is the reason that he is willing to continue to be the best tournament player in the world, with liberty to go and come when he may, rather than a candidate for Congress from the Fifth Georgia district.

There is no argument as to the wisdom of the decision. What could the office of congressman, with its long hours, its abundant back-slapping and its demands on every day, mean service was looked upon as a duty and obligation. The office sought the man.

It's quite different now. Almost every day in legislation

nothing but a temporary honor, an opportunity to head the gulf committee of the House, should it have one, and such a place in the limelight that all private affairs would be exposed to the public eye.

the extent that he remains amateur. It isn't much for any man who has a bent for some chosen profession and who wouldn't be happy out of that profession. As a career politician offer little to become an M. C. It is pleasing to know that he had the courage to decline, as well as the good sense to realize that the colder who sticks to his last has done most for mankind.

KEEP Your Credit GOOD FOR THEM!

Their happiness means everything to you . . . their comfort and well being is all that you work and live for. Make sure they never want in time of stress . . . prepare now for the emergencies that are bound to come.

Good credit is a priceless asset. The man who enjoys the confidence of his fellowmen is a man that can do things when he wants to . . . is a man who is never afraid for credit protects his household and loved ones.

There is no way of determining just when and how bad you are going to need credit—make certain that you get it when you want it by keeping your credit in good standing. Check up on your past due bills—if you can't meet them in full, show your heart is in the right place by paying something, if only a dollar, on account . . . and do it today!

Those present were: Miss Loyce Martin, honor guest, the Misses Jessie Garner, Grace Oviatt, Nell Williams, Frances Louising, Madge Phillips, Gladys Hickson, Ruth Fancher, Minnie Bess Echols, Lucille Echols, Martha Johnson, Elma Lee Jowers, and Elizabeth Stinson.

Also E. W. Calhoun, Eugene Walther, Charles Calhoun, Denver Cordell, Arnold Cleveland, Henry Cleveland, Erby McClain, David McNab, Louis Garner and Julian Williams.

SALVATION ARMY NOTICE

Monday evening services, 8 P. M. at Army Hall, 216 East Second Street. Ensign Florence Jones will deliver the message and have as her subject, "The Biggest Lie in Town." Special music and singing have been prepared and revival services which began Sunday evening will be continued every evening this week. Tuesday evening will be thirteenth night and the members of the Salvation Army there will have charge of the meeting. The public is cordially invited to attend.

"Love" Is Subject Of Scientists' Study

"Love" was the subject of the Lesson-Sermon in the First Church of Christ, Scientist, on Sunday, Aug. 3.

The Golden Text was from 11 Thessalonians 3:5, "The Lord direct your hearts into the love of God, and into the patient waiting for Christ."

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "No man hath seen God at any time. If we love one another, God dwells in us, and his love is perfected in us. And we have known and believed the love of God hath in us: God is love; and he that dwells in love dwells in God, and God in him" (1 John 4:12, 16).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "People go into ecstasies over the acts of a celestial Jehovah, though with scarcely a spark of love in their hearts; yet God is Love, and without Love, God, immortality cannot appear. Mortals believe in a finite person at God; while God is infinite Love, which must be unlimited."

Mrs. Horace Wicker has returned to her home in Charlotte, N. C., after visiting her parents, Mr. and Mrs. R. J. Hilly, 518 Park Avenue, and her aunt Mrs. G. T. Kellam of Daytona Beach.

Friends here of Mrs. J. C. Chalker of Chalusta will be glad to learn that she is getting along nicely after suffering injuries in an automobile accident Sunday afternoon on Magnolia Avenue.

GENEVA NOTES

Joe Lively left last Saturday for Midway, Ga. where he joined his parents.

Mr. and Mrs. Dave Levy and children, Mr. and Mrs. Sam Levy and children, Miss Opal Peters, and Mrs. Amerit Peters motored to Daytona Beach Sunday where they spent the day.

Mrs. William Daniel returned Monday from a visit in New Smyrna with her son, Payne Daniel.

Dr. and Mrs. Gabbard have as their guest, Miss Duckingham, of Miami.

The Campfire girls held a meeting Thursday evening at the home of Miss Margaret Lindsay. After the usual business was transacted, games were enjoyed and refreshments were served by the hostess.

T. D. Ellis presided at the district conference of the Methodist Church which was held last Sunday afternoon. Because of the weather and unusual time of the meeting very few were present.

Mr. and Mrs. William Kilroe entertained a number of their friends with a chicken picnic Tuesday evening at their home.

Mr. and Mrs. P. T. Wakefield and J. S. Capen of Winter Park spent last week-end at Coronado Beach.

Mrs. Lindsey, accompanied by Mr. and Mrs. P. T. Wakefield, spent Friday at Benson Springs.

Since the opening of the seine fishing season a large number of Geneva people have applied for licenses.

Mrs. Anna Mitchell and Miss Sarah Mitchell have returned from Dunell and Flagler Beach where they have been visiting their aunt, Mrs. A. N. McDaniel, for the past two weeks.

KATHRYN LAWTON BECOMES BRIDE OF HAROLD VARN ON THURSDAY

Of interest to friends and relatives throughout the state and the south is the marriage of Miss Kathryn Louise Lawton, daughter of Mr. and Mrs. W. J. Lawton, of Oviedo, to Walter Harold Varn, son of Mr. and Mrs. W. J. Varn, also of Oviedo. The ceremony was performed Thursday evening at 6:00 P. M. at First Methodist Church with the Rev. C. W. Mathison, pastor of the church officiating.

The interior of the church was decorated with quantities of ferns, tropical palms and Southern smilax. The entrance to the altar, which was marked with tall pedestals filled with pink roses and ferns, was covered with an improvised pergola, over which was entwined smilax and heart vine. In other places about the church baskets of pink roses and pink crepe myrtle were arranged.

Immediately preceding the ceremony a musical program was rendered by Mrs. T. J. Lingop, pianist. Mrs. Lingop played Lang's Flower Song and McDowell's To A Wild Rose. Mrs. C. L. West, accompanied by Mrs. Lingop, then sang I Love You Truly, by Bond, and Because, by D'Hardlet.

The bride party then entered the church to the strains of Mendelssohn's wedding march. The bride was attended by her sister, Miss Elizabeth Lawton, a maid-of-honor, her cousin, Miss Thelma Lee, a flower girl, and Master Jimmie McGowan, cousin of the groom, as ring-bearer.

The bride wore a chiffon ensemble in peach and beige, the blouse of which was outlined at the neck by a deep yoke of beige embroidered chiffon. The skirt, which was draped, fell slightly lower in the back. With this she wore a chiffon cocktail jacket, a French braid hat with applied

flowers, beige gloves and satin slippers. She carried a shower bouquet of Luxembourg roses and valley lilies tied with tulle. Her hairdressing was the same carried by her mother at her wedding.

Immediately after the ceremony Mr. and Mrs. Varn left for an automobile trip to various points in Florida, after which they will be at home to their friends in Oviedo.

Mrs. Varn was born in Oviedo where she has always made her home. She attended the grade schools in Oviedo and graduated from Sanford High School here. She also attended Wesleyan College in Macon, Ga. where she received her A. B. degree in 1923. Since that time she has been engaged in public school work here. Mrs. Varn is the daughter of Mr. and Mrs. Winborn Joseph Lawton and is a descendant of the Lawtons of South Carolina on the paternal side, and of the Lees of Virginia on the maternal side of the family.

Mr. Varn was born in Varna, Va., South Carolina, where he lived until eight years ago when he moved to Oviedo.

Little Miss Mildred Robson, daughter of Mr. and Mrs. J. N. Robson Jr., who has been spending a month with her grandparents, Mr. and Mrs. J. N. Robson, has returned to her home on Palmetto Avenue.

HOOVER RETURNS
WASHINGTON, Aug. 5.—President Hoover returned to his desk at the White House shortly before noon today after a long week-end spent at his fishing retreat in the Blue Ridge Mountains. The President went to his camp Friday afternoon. Mr. Hoover, Mrs. Herbert J. and Allan Hoover, youngest son of the President, did not return to Washington, clothing to remain at the camp.

LAKE WORTH—Contract awarded for painting water tank in South Park.

Billie Dove Talks For First Time In New Milane Picture

Billie Dove's latest picture, "The Man and the Moment," which is appearing at the Milane Theatre, is a picture of love with dialogue and sound effects recorded and produced via Vitaphone.

George Fitzmaurice directed this jazzy opus of the cocktail trails, and Red Lattaque plays his first role at First National opposite Miss Dove.

The story opens with some aviation scenes, and then goes to "water stuff" with yachts, bathing girls and all the trimmings. It is a fast-moving story

of hectic love affairs, and is the first of Miss Glyn's heart throbbers to be designed for the screen.

Miss Dove's gowns, designed by Max Ree, are to be more beautiful than ever, and the star is surrounded by a cast of exceptional merit, including some of the best known young players in Hollywood.

This is the first time that beautiful Billie has ever spoken her lines for the Vitaphone. Before she joined the silent drama she was a famous Broadway star, appearing for many seasons in George White's Scandals. Her legitimate stage experience is reflected in the Vitaphone.

Mr. and Mrs. L. J. Frazier, who accompanied Mr. and Mrs. J. Putnam Stevens to their home in

Portland, Me., after spending the winter here, returned home Saturday at noon, after being away about 10 days. Friends here of Mr. and Mrs. Stevens will be glad to learn that they arrived safely home.

The said land being assessed at the date of the issuance of such certificate in the sum of Unknown.

Unless said certificate shall be redeemed according to law tax deed will issue thereon on the 25th day of August, A. D. 1935.

Witness my official signature and seal this 5th day of July, A. D. 1935.

Increased Telephone Demands Cause Large Plant Expansion

Above: Hawthorne Works in Chicago, showing present plant. Right: Kearny (N. J.) Works, showing present plant in background with Ford plant in foreground. Below: Baltimore property of Western Electric Company where new units are rapidly taking shape.

Western Electric Factory Units Increase Manufacturing Facilities

"The constantly increasing demand for telephone facilities has made necessary a large expansion program in the company's various manufacturing units," said Edgar S. Bloom, President of the Western Electric Company. "At the present time buildings, either under construction or contracted for, will give an additional 2,000,000 square feet of floor area for manufacturing purposes."

At the Kearny works in New Jersey two new buildings with a total floor area of 300,000 square feet are practically ready for occupancy. Moreover, the Ford works now under

contract for purchase will give Western Electric 85 additional acres for further expansion. At the present time 20 acres have been taken over and it is expected that the balance of the Ford buildings will be added in their entirety within a year.

In Baltimore, the steel frame work for a new cable plant is rapidly taking shape. When this structure is completed it will have a floor area of 300,000 square feet. Plans for the Baltimore unit, formulated when the property was originally purchased, call for the erection of a multi-story structure and additional single story buildings. Contracts have also been

let for a mile bulkhead along the waterfront adjoining the Baltimore property. About half of this will be devoted to lightening space while the entire bulkhead will reclaim about 70 acres of land, now partially submerged.

At the Hawthorne Works in Chicago, the final step in remodeling the present cable plant is in active progress while the general expansion program calls for the erection of a new garage, an armored cable plant and an extension to one of its present buildings, which will add a total of 165,000 square feet to its present manufacturing facilities.

100 Seized Rifles Believed To Be For Austrian Fascist

VIENNA, Aug. 5.—(INS)—One hundred rifles, several machine guns and ammunition, alleged to be for use of the Austrian Fascist, were seized today by the Austrian customs authorities. Austrian liberal newspapers allege that both Fascists and monarchists were involved in a conspiracy to seize a Danube River steamer and transport the armaments to a point near Linz.

These arms and munitions, were consigned to Prince Rupprecht von Stuppberg, leader of the Fascist organization, Heinrich, when at Castle Waxenberg, near Linz. The arms were said to have been declared to the Austrian customs authorities as glassware. They were discovered when suspicious workers dropped and broke some of the boxes revealing their contents.

Newspapers charge that Archduke Leopold Salvator and former imperial Foreign Minister Czernin also are involved. The Archduke who was banished from the country some time ago was reported to have been discovered living in the Krensmunster monastery near Linz.

French Fliers Will Attempt Ocean Hop

PARIS, Aug. 5.—(INS)—Another attempt to span the Atlantic is to be made soon by Captain Dieudonne Costes and Maurice Bellet, famous French aviators. It was understood today that the "Question Mark," the plane in which the two fliers attempted to cross the ocean in July was being repaired at the moment. The fliers declared that if weather reports were promising that they would hop off for New York at dawn.

Costes and Bellet attempted to fly the Atlantic at the same time the Polish flier Major Ludwik Jaskolski and Maurice Costes, who made their ill-fated attempt, turned back when 600 miles over the ocean because of bad weather.

Checks DANDRUFF

Because dandruff is really an enemy of the scalp, remarkable relief is obtained by applying Mineraloils, the natural antiseptic. Try it and you'll be amazed at the results. Loss of hair is stopped in just a few applications. Get a bottle today at your drug store. In 25 and 50 cent sizes. Mineraloils Corp., Daytona Beach, Fla. (adv.)

3 Glasses Water Help Constipation

One glass of water is not enough—take three glasses one hour before breakfast. Much better results are obtained by adding a teaspoon of simple glycerin, saline compound (known as Adierol) to each glass. Adierol is a natural laxative and lower bowel and removes old waste matter you never thought was in your system. Stops gas and sour stomach in TEN minutes! Relieves constipation in two hours. Sanford Drug Co. (adv.)

Mrs. Kitty Harriman Is Granted Divorce

PARIS, Aug. 5.—(INS)—The same court today granted a divorce to Mrs. Kitty Harriman. The divorce was granted by the court of the late E. H. Harriman, of New York, multi-millionaire railway magnate. Mrs. Harriman alleged desertion. The Harrimans were married in New York on Sept. 21, 1915. Harriman is chairman of the board of directors of W. A. Harriman and Company.

The same court granted divorce to two other American women. Mrs. Margaret Pauline Archer Harridge was divorced from Earl Harridge to whom she had been married in Philadelphia on Feb. 22, 1918. She charged desertion. Mrs. Ekemore Gosh, south Palmers was divorced from Dorsey Palmer on grounds of desertion. They were married at Fort Meade, Polk County, Florida, on May 8, 1928.

U. S. Writer States Paris Is No Longer Night Life Capital

NEW YORK, Aug. 5.—(INS)—Tate R. from George Jean Nathan, Paris is no longer a downtown, what with police regulations that, he says, would make Grover Whalen "turn green with envy."

Mr. Nathan was in easily identified as the leader of the American school of writing gentry; was one of the 1,543 passengers returning on the Berengaria.

"One might just as well go to bed in New York as go prowling about at night in the formerly wicked citadel of Paris," Mr. Nathan informed ship's newsmen. "The night life has been transferred to its old place in London where the bid is still off." The writer said he had visited with Eugene O'Neill, the novelist.

Among other passengers was Betty Carstairs, owner of the "Estelle" mystery motor speed boat which she will run in the contest for the "Marmaduke Trophy in Detroit."

Mysterious Blast Shakes Downtown Area Of Pittsburgh

PITTSBURGH, Aug. 5.—(INS)—A mysterious explosion shattered a three story brick
