Resignations Of 2 Members Of Racing Board To Be Asked

Group Is Accused Of Restoring Known Bookies To Tracks; Budget Bill Raised

TALLAHASSEE, May 18.—(AP)—The Florida House will be asked next week to call for resignation of two members of the State Racing Commission who have been under fire before the Haley Committee for voting to readmit ousted bookmakers to horse tracks.

The resolution, which probably will be introduced in the House Tuesday, will ask Governor Warren to accept the resignations of Racing Commission Secretary E. P. Beville and Commissioner and member Roy Palmetto of Crescent City.

Rep. Sheppard of St. Johns, who drew the resolution along with Rep. Haley of Sarasota, said he has "reason to believe" it will be accepted for sponsorship by the full Resolutions Committee. Sheppard and Haley were named as a sub-committee to study a proposal to ask all five Racing Commission members resign, but they narrowed the proposed action to Beville and Palmetto.

Both men have appeared before the Haley Committee investigating reported corruption in state politics. They were questioned sharply about the Commission's reinstatement of bookmakers and touts to race track privileges after having been kicked off the premises.

The committee expressed dissatisfaction with reasons given by the Commissioners for their actions.

The Sheppard-Haley resolution says "it is essential that every action of said Commissioners be of the highest nature and consistent with the espousal of all unambiguous and persons participating in the field of regulating racing in the State of Florida."

It declared the action of Beville and Palmetto "portending an attitude of abuse of public office, demonstrates a lack of realization of the public trust placed in them, exemplifies a most blatant interference to service to the public interest and has placed in jeopardy the legitimate racing industry in the State."

The resolution calls for immediate resignation in order that a group of individuals who will be harmonious in their operations and willing to accept the responsibilities and properly discharged.

Holland To Speak On NPA Controls

Senator Sponsoring Holland's eighth broadcast on Congressional activities may be heard Sunday night over station WTRR at 9:00 o'clock.

Among the highlights of the broadcast is an interview with Manly Fleischman, administrator of the National Production Authority. This will cover vital problems, including small business priorities, school construction and production controls which will be removed.

Senator Holland will state his views on reducing appropriations, with a call for the latest industrial developments and war contracts in Florida, and will outline his new committee assignments.

FARMERS' AUCTION

The first sale of locally grown watermelons at the Sanford Farmers' Auction took place Wednesday night, said C. B. Dawson, president Saturday afternoon at 8:00 o'clock, another auction will be held, and will include the sale of farm implements.

Armed Forces Day

Chief of Naval Operations, Admiral Forrest Sherman: A year ago, on the occasion of the first celebration of Armed Forces Day, we honored the concept of individualism of the fighting Services. How that concept has been tested in combat and further welded by battle.

Today let us, as Americans, honor the American fighting man. For it is he, the Soldier, the Sailor, the Airman and the Marine—who has fought to preserve freedom. It is his valor that has given us the hope to the free world of a peaceful future.

Two Platoons To Represent Naval Air Station On Armed Forces Day

Capt. J. L. Chittenden, commander of the Naval Air Station, will lead the Armed Forces Day Parade tomorrow with General J. C. Hutchison, commander of the 18th National Guard Division.

Two platoons of about 30 men each, will represent the Naval Air Station in the Armed Forces Day Parade tomorrow morning, it was announced today by Capt. J. L. Chittenden, station commander.

It had been previously planned to have only a Color Guard to represent the Air Station because of equipment shortage and the progress of duty related to the re-activation of the station.

Two air squadrons are being sent from the local station to take part in celebrations elsewhere, he stated but these aircraft will salute Sanford when they leave at 9:30 A. M. and upon their return at 1:30 P. M.

Tomorrow night, the American Legion Auxiliary will sponsor a square and round dance and a show at the Service Center. The show will start at 8 o'clock. Mrs. E. A. Covington will serve as chairman of the hostesses, and will be assisted by Mrs. M. E. Baker, Auxiliary president, Mrs. H. L. Miller and Mrs. Elaine Smith.

Members of the Auxiliary Unit today placed a display of poppies and flags in the window of the Y. Mrs. M. E. Baker, Auxiliary president, will be in charge of the display.

The court said it would enter an order giving Sawyer and his wife five days in which to comply with its decree.

"If they have not complied as directed in the order (they) must submit themselves for commitment as in civil contempt until they do comply."

Sawyer and eight other government officials and attorneys earlier had been cited by the court on contempt charges for failure to deliver "effective possession" of 95 per cent of the voting stock of American President Lines, Ltd.

The tenth person involved in the proceedings is George L. Killian, president of the big steamship company. Killian is former treasurer of the Democratic Party.

A. F. Westerdick, 89, Dies In Orlando

A. F. Westerdick, 89, died at the Andrews Nursing Home in Orlando this morning at 7:00 A. M. Mr. Westerdick was born Oct. 10 in Holmdel, Can. and had made his home in Sanford for the past 45 years.

Funeral services will be held at the Bryson Funeral Home Sunday afternoon at 4:30 P. M. Survivors are three grandchildren, Mrs. W. A. Kratzen of Tallahassee, Raymond Beck and C. W. Beck.

BRINSON ELECTED

GAINEVILLE, May 18.—(Special)—William B. Brinson, Jr., of Sanford, a sophomore in the University College at the University of Florida, has been elected publicity director of the University Infantry Association. He will serve in this capacity for the rapidly approaching summer camp and next school year.

The purpose of the association is to promote and create a greater interest in Infantry ROTC at the University. Its membership is limited to students currently enrolled as advanced infantry cadets and all infantry personnel on duty at the University.

Among the accomplishments of the organization was the promotion of a fishing rodeo at Deloto was promoted, and more than 250 boys and girls participated. The Celery Cate, a youth's program was aided. Recently the Jaycees sponsored and promoted a \$1,000 summer recreation project.

Through efforts of the group a sign two miles inside Seminole County reading, "You Are Now Entering Orange County," was changed to read "Two Miles to Orange County."

Reds Are Slaughtered By UN Troops In Huge Offensive; Truman Remark Is Explained

President Considered Firing MacArthur After VFW Letter, Short Tells Press

WASHINGTON, May 18.—(AP)—The White House said today President Truman had considered firing General Douglas MacArthur last August when he wrote a controversial letter to the Veterans of Foreign Wars.

Presidential Secretary Joseph Short told reporters Mr. Truman had this incident in mind when he said yesterday that he had considered MacArthur's dismissal from time to time for about a year.

Short talked with Mr. Truman last night about a year ago when Mr. Truman first considered firing MacArthur of his Far East command.

Short said it was after, and not before, the VFW letter that MacArthur as commander in chief of the United Nations forces that he first began to consider the appointment of a new general in that post.

The reported questions were prompted by MacArthur's assertion in New York last night that he had not considered the VFW letter as a factor in his decision to consider a new general in that post.

"When the President said yesterday that this had been going on for about a year he was thinking of the first time he read the MacArthur letter to the VFW which was in the month of August," Short told reporters.

He said that when Mr. Truman decided to dismiss MacArthur, he was not speaking in a general way—he had not intended to do so before as to the time.

MacArthur's dismissal for about a year ago was a matter of fact, Short said. The general was not speaking in a general way—he had not intended to do so before as to the time.

MacArthur's dismissal for about a year ago was a matter of fact, Short said. The general was not speaking in a general way—he had not intended to do so before as to the time.

Four Are Slain In Raging Gunbattle On Alabama Farm

BOAZ, Ala., May 18.—(AP)—Three officers and a man they sought to arrest died in a multiple gun battle at a farm home three miles east of here.

A fourth officer, seriously wounded, is in a Gadsden, Ala., hospital.

Five persons are being held without charge in jail at Gadsden pending further investigation.

Those killed were Sheriff E. M. Boyles of Marshall county; Chief of Police Leonard Floyd of Boaz; Ashby Kilpatrick, a farmer; and Chief Deputy Sheriff W. M. Bennett, who died in a Gadsden hospital at 3 A. M. today.

The officers had gone to the Kilpatrick home to arrest him and another man on charges of assault with intent to murder.

Boaz is a rich mountainous farm area about 70 miles north-west of Birmingham.

Coroner Howard Hardin said charges against Kilpatrick arose from a neighborhood fight not involving any of the officers who made the midnight trip.

The coroner said Sheriff Boyles and the other officers were greeted with a hail of gunfire a moment after they drove to the Kilpatrick home. They returned the fire before they fell.

Two pistols, three shotguns and a sawblade were found early today in and near the Kilpatrick home.

More than a score of Alabama State highway patrolmen and other officers combed the area around the Kilpatrick home. Coroner Hardin ordered the five persons held for investigation and taken to the Gadsden jail in adjoining Etowah county.

Hardin listed those held as Kilpatrick's three young sons, 10, 11 and 12 years old, and Tom Up-ton and Fred Goble. He named the Kilpatrick boys as James, Billy and Harold.

Goble and Upton are neighbors of the Kilpatricks. Goble was charged with Kilpatrick with assault with intent to murder.

Deputy Lang in a brief statement at Gadsden said all the officers were shot before anyone of them got inside the Kilpatrick home. He said the sheriff fell mortally wounded after "saying just a word or two."

The wounded officer added that "at least two or three men" were involved in the shooting.

Sheriff Boyles was serving his third four-year term. Prior to that he had been chief deputy and chief deputy Bennett also were veteran officers.

PHILADELPHIA, May 18.—(AP)—A raging waterfront fire swept through a pier and a cargo ship on the Delaware River today. Police said they believed one crewman was trapped aboard the burning cargo ship, the Finland. He said the sheriff fell mortally wounded after "saying just a word or two."

Six Are Killed As Crack Passenger Trains Collide

BRYN MAWR, Pa., May 18.—(AP)—Two jammed Pennsylvania Railroad passenger trains crashed near this Philadelphia suburb today, killing six persons and injuring at least 21 others.

None of the dead had been identified.

Five bodies were taken from the wreckage of the Pittsburgh Philadelphia night express and the Red Arrow, bound from the north to New York. Another was reported to have been located in the debris.

The Red Arrow plowed into the rear of the stopped night express at 6:38 A. M. Eastern Standard Time, a short distance west of the station here.

A spokesman for the PRR said the 12-car Philadelphia Night Express had been halted on a signal indicating that something might be dragging from underneath the train.

It was while the crew was trying to detect the drag that the Red Arrow smashed into the rear car, a sleeping car from Cleveland, O., stopping it and splitting it in half.

This was the "Populace" had sleeping capacity of 24, the spokesman said, but he added it.

Phillips Company Builts 108 Houses In Sanford Area

Phillips Properties of Orlando has built 102 houses in Sanford during the past several years, William C. Phillips, owner and director, announced today.

These unique Florida homes, with large landscaped lots, have been constructed in this area at a cost of approximately \$1,250,000.

Several of them in Franklin Terrace and South Park are still under construction. Of these Phillips built homes, 28 are in San Lanta and Magnolia Heights, 21 are in Highland Park, 12 in Pinehurst, 26 in Santa Park, 16 in Franklin Terrace, and others completed and under construction in other sections.

The homes have attracted much attention because of their unusual features and low cost. The houses, which are in two or three bedroom styles of frame, masonry or asbestos siding construction, all have electrically equipped kitchens and built-in cupboards.

Each home has either a carport or garage, a driveway or porch, lots are landscaped and large.

C of C Members To Be Convicted Soon

Ed Whitney, manager of the Seminole County Chamber of Commerce, will deliver a report of names, about 125 in all, to the directors of the organization soon.

The directors have agreed to convene these persons as prospective members and to make a report on Wednesday, he said this morning.

Roy D. Semans, vice president of the Office of Price Stabilization, has agreed to arrange for the future meeting here in the near future in order that local business men may be able to ask questions relating to price controls, said Mr. Whitney. He added that the meeting will be arranged as soon as Mr. Semans decides on the date, one of two suggested.

In order to better acquaint business men with price controls, Mr. Whitney has sent to the U. S. Chamber of Commerce's department of governmental affairs for 200 booklets titled, "Controls and You." These outline among other subjects rent controls, indirect controls and farm and food subsidies.

CONGREGATIONAL CHURCH
Elm Avenue and Third Street
Rev. J. E. McKinley, Pastor
Morning Worship 11:00 A. M.
Sermon: "The Accented Jesus Christ Could Not Be Fabricated."
"Eighteen centuries have passed since the son of humanity rose in high in Jesus and what man has mastered His Thought. I shall be led to think a man never lived! But the whole story is a lie? Suppose that Plato and Newton were level, that their story is a lie. But who did their Newton? And thought their thought? It takes a Newton to forge a Newton! What man could have fabricated Jesus? None but Jesus. The mightiest heart that ever beat, stirred by the Spirit of God, how it wrought in His bosom! What words did He pour out words that stir the soul as summer dew call on the faint and slay the great! What standstill instruction in His proverbs and discourses! What wisdom in His homely sayings, so rich with Jewish life!"
—Joseph Parker

THE CHURCH OF GOD
7309 Elm Avenue
Rev. Joe Lewis, Pastor
Sunday school begins at 9:45 A. M. Classes for all ages.

Dale Scott Named New President of Church Men's Club

Dale Scott was elected president of the Church Men's Club of Holy Cross Episcopal Church at the regular monthly meeting of the club at the Parish House last night. Scott was elected secretary. Support was given by members of the Ladies Auxiliary. President H. P. Whittier, Jr., was presiding over the last meeting of the season, announcing that Camp St. Francis will be held for a two week period during September. The camp is held for the benefit of underprivileged children chosen by the Welfare Department and includes all denominations.

The Rev. Father Zimmerman spoke on "The Church as Episcopalian Understood" and outlined what the Church is and what it is doing. He explained that the church is one and indivisible in the eyes of God. It appears as one and always what it is. He said that the church in apostolic times was one and indivisible. He also said that the church is one and indivisible in the eyes of God. It appears as one and always what it is. He said that the church in apostolic times was one and indivisible.

A bond for which you paid \$18.75 ten years ago has grown to \$25.00. A bond that cost you \$75.00 ten years ago has grown to \$100.

You can't have to cash these bonds . . . you can let them continue to grow!

When you bought your bond it paid interest on an \$18.75 investment. Now it will pay interest on a \$25.00 investment. An original investment of \$75.00 now draws interest on \$100.

In another ten years your original \$18.75 investment will grow to \$33.33. Your \$75.00 investment will grow to \$133.33.

You can cash these bonds anytime you need to, and after only six months you can cash them at another profit.

But if you keep your bonds, as is now arranged for you to do . . . you can still watch them grow!

DO NOT LET ANYONE FOOL YOU . . . NOTHING IN THE WORLD IS AS SAFE OR SECURE IN VALUE AS THE BONDS OF YOUR OWN COUNTRY

ARMED FORCES DAY—SATURDAY

FLORIDA STATE BANK OF SANFORD

"THE FRIENDLY BANK"

New Ceilings in ONE day!

At low cost with **JOHNS-MANVILLE** Glazecut CEILING PANELS

Best cracked or ugly ceilings fast attractive, fire-retarded Johns-Manville Glazecut ceiling panels. Applied right over.

Old ceilings. No nails show. Cut low. Beautiful fire-retarded surface. See us for samples.

FRIDAY, MAY 18, 1951
TODAY'S BIBLE VERSE

God's angels meet many men,
who are on their way about their
business. We meet them in church
some times. Jacob went on his way
and the angels of God met him—
Gen. 32:1.

Equal rights for women are
finally being assured. The Ohio
legislature has just passed a law
permitting husbands to sue wives
for alimony.

Secretary Acheson says he has
no intention of resigning as Sec-
retary of State, giving rise to the
speculation that he is about to
resign.

When the arrest of President
Trump's sister-in-law on a speeding
charge while on a sight-seeing
tour in a government limousine
was revealed, someone wisecracked,
"Well, the President has been
taking everyone else for a ride
for the past six years. Why not
his own sister?"

The House Ways and Means
Committee has voted to impose a
special 10 percent tax on illegal
gamblers. But if the Internal
Revenue Bureau can't even get
them to pay their normal income
tax, how is it going to get them
to pay this special tax? Besides,
their earnings are all illegal any-
way. Why a 10 percent tax? It
should be 100 percent.

More than two and a half times
as many people signed the hospital
election petition as were neces-
sary. More than ten times as many
as are necessary should vote for
it, but they should vote, for if
they don't the election will be
declared null and void. No bond
election is legal unless at least
1 1/2 of the fresh voters vote in
it.

Those who simply cannot be-
lieve that the Russians are as bad
as they are, now seem to be
encouraged with reports of so-
called peace talks emanating
from Jacob Malik, frowning and
frothy Soviet delegate to the UN.
"The Chinese don't really want
Korea," he is said to have said.
"All they want is Formosa." So
all we have got to do is to give
them Formosa, and the war will
end. See how easy it is.

A newspaper's first duty is to
meet its payroll because if it does
not meet its payroll it will not be
a newspaper very long. A report
in a recent issue of Editor &
Publisher reveals that the payroll
of the New York Times is \$20-
400,000 a year for the more than
4,000 people employed by the
paper. There are 852 reporters
gathering news for the Times.
They should be able to get "All
the news that's fit to print".
Actually they did, using 84,265
columns of type to do it, or 15
percent more than any other New
York newspaper. To do this, in
spite of higher prices, cost them
three times as much for newsprint
as they spent in 1940. Incidentally
air conditioning alone costs the
New York Times \$1,900,000.

Sanford joins with the rest of
the nation tomorrow in celebrating
Armed Forces Day, the second we
believe it is, brought about by
the unification of the armed
forces, and doing away with the
separate Army Day and Navy Day.
The occasion is designed to honor
the men of the armed services
and to emphasize the part they
play in the defense of this nation.
Why it has special significance
to the armed forces are already
evident in terrific fighting in the
Far East and are being made
evident as rapidly as possible for
even greater aggressions against
free men. A fitting parade and
consecutive ceremonies have been
planned as Sanford's part in the
celebration for tomorrow and we
trust that all local citizens will

The Trieste Quarrel

Sometimes having a dangerous enemy furnishes an incentive for healing lesser quarrels. For many years Italy and Yugoslavia have been at odds over the Dalmatian territory on the east side of the Adriatic Sea. Both hoped to inherit it when the Austro-Hungarian Empire, its former owner, fell to pieces. This finally occurred in World War I, whereupon the Italians and the Yugoslavs, allies against Austria, proceeded to quarrel over the ownership of Dalmatia.

The complication was that both had some grounds for claiming title. The bulk of the population was Slavic, so the territory should go to Yugoslavia on this basis. On the other hand the coastal cities, the trade outlets for the region, were Italian, and wished to belong to their mother country.

It was over this dispute that Italy temporarily left the peace conference of Versailles after the World War I. Italy finally got possession of the coveted coast city of Fiume; she had previously acquired Trieste. In World War II, Mussolini, as Hitler's ally, hoped to strengthen his control. His defeat naturally raised the Yugoslavs' hopes. The dispute between the two countries was temporarily solved by putting Trieste under the rule of the United Nations.

Now the fear of Russia is causing both nations to moderate their nationalism. Tito has authorized the Yugoslav minister of Rome to state that the Trieste question can be settled by friendly negotiation in twenty-four hours. This is a far cry from the previous refusal to compromise. The Italians might be wise to meet Tito halfway. They may have conflicting interests, but the greater danger facing both should make them forget their smaller quarrels.

Reproducing Detail

Hofstra College on Long Island has built an accurate functional reproduction of the old Globe Theater, where the plays of William Shakespeare were first produced, and which burned down in the seventeenth century. The college constructed the setting for use in this year's Shakespeare Festival, and it will play an important part in future celebrations.

The idea of presenting the plays of Shakespeare on stages as much like the original as possible is not a new one. Scholars have done extensive research and have spent much time and effort in attempts to recreate the settings used in the earliest productions. It has great value to people who wish to know more about the Elizabethan theater, but whether it contributes to audience enjoyment of the plays is debatable.

Shakespeare himself, in several prologues to his plays, decries the limitations of the stage. In the centuries that have passed since the bard created his poetic miracles the progress of stagecraft has been vast. Problems of lighting and space as well as construction of scenery have been solved to a great extent. In Laurence Olivier's movie productions of "Hamlet" and "Henry V" the use of the full facilities of the motion picture industry enhanced the enjoyment of these two classics for millions of persons.

Too often we are willing to accept the superficial things which were part of the history of an age and to forget or underestimate the value of the really important things. The great thing which the Elizabethan period left the people who enjoy plays was the work of William Shakespeare, and not the Globe theater with its inadequacies which Shakespeare would have liked to correct. He himself said "The play's the thing."

State Legislature

(Continued From Page One)
charge the duties of the Commission may be appointed as members of the Commission.

Other three members of the Commission are chairman Leo Edwards, of Miami Ralph Crum of Lakeland and Percy Corbin of Blountstown.

All five Racing Commission members recently were reappointed to new two-year terms by Governor Warren, who first put them in office when he became Governor. However, the appointments still must be confirmed by the State Senate.

Both House and Senate today worked on local bills and comparatively minor general measures. The House called off its plans for a Saturday session.

The general appropriations bill shuffled back and forth between the Senate and House, going through the mechanics which will eventually put it in the hands of a joint committee for compromise.

The Senate received the \$268,000,000 House bill, struck out all the figures and inserted their own \$278,600,000 total and sent it back to the House. The House refused to accept the Senate's changes and sent it back to the Senate.

Rep. Pearce of Highlands county suggested a \$70,000 appropriation for fighting forest fires in State parks.

The Senate received a bill which

Armed Forces Day

(Continued From Page One)
week later. On display also are caps worn by different branches of the service.

To promote interest in Armed Forces Day among the school children motion pictures are being shown by Bob Baker, parade chairman. These include "Invincible Spirit" which shows the work of the Signal Corps in AI-82nd Airborne Division. The films have been shown at the South and West-side Primary Schools, the Grammar and Junior High School.

Senators Sanchez of Live Oak and Linder of Lake City asked for an appropriation of \$300,000 for the Stephen Foster Memorial commission to develop the memorial to the composer at White Springs on the Suwannee River.

The American flag would be flown at all polling places on election day under a proposal by Senator Smith of Green Cove Springs. The same bill was offered in the House by Rep. Patton of Franklin county.

Six Killed

(Continued From Page One)
had not been determined how many passengers actually were there.

The engine of the Red Arrow nosed straight into the air, then tumbled onto its side. Behind the locomotive were two unoccupied cars—a train crew dormitory and a baggage car, both of which were derailed.

Had these two cars been occupied, it was speculated, the loss of life likely would have been greater.

The four-track PRR main line in this area, which also carries a "thousands of suburban dwellers into Philadelphia commerce and industry daily," is "elaborately guarded" with safety devices. Among them is an automatic block signal system which directs engineers to slow or stop when operating too close to trains on the same tracks.

A PRR official, who said the railroad is investigating but has not yet established the facts, expressed the opinion the Red Arrow was traveling at less than normal speed at the time of the crash.

Within moments after the accident hundreds of people gathered at the scene—in one of the quietest of Philadelphia's residential, well-to-do suburbs.

Among the first to arrive were two priests from the Mother of Good Council Church in Byram Mawr—father John Tuohy, O.S.A., father George McNamara, O.S.A.

Quickly they joined rescue parties in searching for the dead and helping removal of the injured to hospital.

Later they agreed, "There was very little confusion. The less badly hurt seemed to have one chief concern—the welfare of those who had been injured more seriously."

Throughout the neighborhood, with its fine lawns and carefully and great shade trees, mothers were getting young children ready for school. One was Mrs. Helen Kincaid, 32, who said the crash of the train sounded as if it were "practically in the back yard."

"Only a moment before," she related, "I glanced out of the window. I saw both trains. They were moving slowly."

Rescue efforts were made somewhat more difficult by the nature of the terrain. The express had stopped on a curve. From the right of way the ground slopes sharply and is overgrown with underbrush.

Too, there was some discomfort because of chilly weather, following a several days heat wave.

For a time fire threatened. Eye witnesses saw an electric flash, then flames rising from the tele-scope coach. The PRR does electric engines, powered from overhead wires, in this area. The fire was quenched soon after the accident was turned off.

The crash struck was the second in the history of the New York-Detroit Flyer. On Feb. 18, 1947, the express went off the tracks on a lonely mountain curve near Altoona, Pa., and pinged into a work of the Signal Corps in AI-82nd Airborne Division. A coroner's jury found the railroad blameless.

Senators Sanchez of Live Oak and Linder of Lake City asked for an appropriation of \$300,000 for the Stephen Foster Memorial commission to develop the memorial to the composer at White Springs on the Suwannee River.

The American flag would be flown at all polling places on election day under a proposal by Senator Smith of Green Cove Springs. The same bill was offered in the House by Rep. Patton of Franklin county.

Korean War

(Continued From Page One)
Allied ground forces.

U. N. massed artillery fired at record speed to cut attacking waves to pieces. Allied airmen complained Friday afternoon that they couldn't find many Red targets.

Field dispatches said the bugle blowing, horn tooting Chinese fell by the thousands under geysering artillery explosions. One U. S. battalion on the central front claimed an all time record for speed of sustained fire.

Barbed wire, strung extensively before U. N. positions in Korea for the first time, was hung with gruesome garlands of Chinese. Two thousand miles of wire were stretched in front of one unit.

Front line dispatches gave this picture Friday night, looking across the front from west to east.

American forces pulled from Seoul, 11 miles north of Seoul Red screening forces pushed to within 10 miles of the old South Korean capital.

An armored U. N. patrol was stopped 10 miles east of Seoul by a Red mine field covered by automatic weapons fire. A series of Red attacks failed to break U. N. lines in the west-central front Friday. South Koreans patched up the only dent. But mauling Chinese, camouflaged by tree branches, in the woods ready to renew their assaults.

Heavy fighting raged across the central front. The Allied line pulled back before waves of attacking Chinese.

Chinese poured through a break in South Korean lines. They streamed down the Inje-Hongchon road on the central front.

A veteran American division astride this road was fighting attacks on three sides. AP correspondent Nate Polowetzky said it was in "great trouble."

Americans were rushed up to plug the gap cut in two South Korean divisions. South Korean treating units were caught in a Chinese ambush. At least one of them found its way out. A strong Allied tank column hit the same trap. It escaped down a dry river bed.

AP correspondent George McArthur reported all U. N. troops had pulled back out of Red Ko-

Welfare Rolls

(Continued From Page One)
subject of central purchasing.

The House approved a Senate bill which would give State assistance to the first medical school established in Florida but added an amendment to provide \$100,000 for drafting plans on the already authorized medical school at the University of Florida.

This medical school bill authorizes the State Board of Control to pay \$3,000 per year per student to the first such school established and is designed to help the University of Miami, primarily.

The Senate approved a constitutional amendment which would be voted on by the people after legislative passage to add three new supreme court justices to the present seven man court.

But when the Senate got down to the other provisions of the amendment it did some slashing and changing.

It added a provision which the hundreds, stopping the attack cold at the very mouth of the Allied guns.

Senators whacked out provisions permitting the high court to sit anywhere in Florida. It also rejected the idea that the Chief Justice appoint an administrative assistant to help in administration of the entire state judicial system.

One feature left in the amendment was that of making the Chief Justice the head of all state courts and giving him the right—rather than the Governor—to switch circuit court judges around in the State when pressure of business or illness requires such transfers.

Add finely diced apple and celery to cottage cheese, and serve on salad greens with French dressing. Sprinkle the cottage cheese mixture with finely chopped nuts.

Serve poached eggs atop creamed spinach that has been flavored with grated Parmesan cheese. This makes an excellent luncheon dish.

Mrs. Otto Installed As Club President

The Seminole County Federation of Women's Clubs met Thursday in Orlando at the Oviedo Woman's Club with Mrs. W.B. Brinson, president, presiding over the business meeting.

An interesting program was presented by Mrs. S.G. Harrison which was enjoyed by the group.

Mrs. George Otto of the Longwood Civic League was installed as president; Mrs. Joel Field of the Sanford Pilot Club as first vice president; Mrs. Don Lafon of the South Seminole County Women's Club as second vice president; Mrs. James E. Pearson of the Oviedo Woman's Club as recording secretary; Mrs. C. M. Flowers of the Home Demonstrator Club as corresponding secretary; Mrs. Joe Corley of the B. & P. W. as treasurer and Mrs. J. C. Beams of the Longwood Civic League as auditor.

Mrs. John L. Lee was chairman of the program and hostesses were Mrs. J. A. Young, Mrs. S. D. Highleyman, Mrs. J. E. Baker and Mrs. J. F. Newby.

The Seminole County Museum was open to the public during the afternoon and approximately 40 people attended.

Prior to the meeting and program a luncheon was enjoyed by 35 members.

To clean table glasses make a paste of baking soda and water and rub the glasses with it; rinse with cold water and dry with a clean towel.

Personal

Widowess Lovell has arrived from Washington to spend three weeks with her parents, Mr. and Mrs. W. V. Lovell.

Friends of Bill Hendricks will be glad to learn that he has recently been promoted to the rank of Sergeant at Keesler Air Force Base, Miss.

Miss Lila Lefler will arrive tonight from Florida State University to spend the weekend with her parents, Mr. and Mrs. W. A. Lefler.

Mr. and Mrs. James H. Morris of Fitzgerald, Ga., have arrived to spend a few days with Mrs. Morris' mother, Mrs. W. F. Runge and sister, Miss Dorothy Runge.

Mr. and Mrs. R. A. Newman will leave Tuesday for Slidell, La., to spend a week with their daughter and son-in-law, Mr. and Mrs. W. A. Adams.

Miss Olive Ann Adams will arrive with a guest from Emory University tomorrow afternoon to spend several days with Miss Adams' grandparents, Mr. and Mrs. R. A. Newman.

Mrs. Neil Schmidt assisted by Don Heller both of Orlando presented an audio-visual demonstration on color styling in 1951 outside the home at the final meeting of the Civic Department of the Woman's Club Wednesday afternoon.

Mrs. John L. Lee was chairman of the program and hostesses were Mrs. J. A. Young, Mrs. S. D. Highleyman, Mrs. J. E. Baker and Mrs. J. F. Newby.

The Seminole County Museum was open to the public during the afternoon and approximately 40 people attended.

Garden Club Building Mortgage Is Burned At Final Meeting In Mrs. Ginn's Garden

The burning of the \$7,500 mortgage of the Garden Club Building by Mrs. John Rogers, building fund treasurer, and Mrs. H. H. McCaslin, president of the club in 1946 when plans for the building were made, was the highlight of the final meeting of the Garden Club in the beautiful gardens at the home of Mrs. Charles E. Ginn Thursday morning.

Mrs. Rogers and Mrs. McCaslin were assisted by Mrs. L. E. Spencer, president of the Garden Club, Mrs. Ginn and Mrs. A. W. Epps.

Mrs. Epps, beautification chairman, announced that W. A. Lefler had given Seminole County, through the Garden Club, a roadside park on Lake Monroe on Seminole Boulevard. The club is now trying to secure another site for a roadside park at the south end of Seminole County adjacent to the "Big Tree."

Mrs. Spencer, who presided over the business meeting, introduced Mrs. J. C. Ellsworth, 83 a charter member of the club and the treasurer. Mrs. Ellsworth told the group of the earlier activities of the Garden Club.

Installation of officers was held and Mrs. Spencer will serve the second of her two year office. Other officers are Mrs. H. W. Wilke, vice-president, Mrs. George Gardner, recording secretary; Mrs. H. C. Oakes, corresponding secretary; and Mrs. Zeb

At the close of the business meeting a covered dish luncheon was enjoyed by approximately 150 members in the palm and beautiful, spacious gardens of Mrs. Ginn's home.

Miss Sayer Finishes Teaching Internship

Miss Jean Sayer, a student teacher from Florida State University at Tallahassee, recently completed eight weeks internship period at the South Side School. The program is sponsored by the Florida State Department of Education in conjunction with the colleges and public schools.

Miss Sayer began her internship May 19 in the fourth grade. She observed classroom routine and procedure in fourth grade also in second, third and fifth grades and became acquainted with the children, studied their personalities, background, abilities and individual differences. Her first teaching was with various groups and subjects.

Later she assumed the responsibility of teaching the entire class. She spent a day in the principal's office, two days visiting with the supervisor in the county schools.

Miss Sayer is a member of the Junior Board, Gannett Key and Village in Who's Who Magazine in the University and colleges in America. She will graduate in June and plans to teach in some Florida school next fall.

SEMIMOLE III By BEVERLY GRAY
The County Art and Music Festival will be presented to night at 7:30 in the R. H. R. auditorium. There will be paintings, drawings, and murals from all over Seminole County. Come and see this year's art work from the grade schools to high school. You will hear, too, all the glee clubs in this county perform. Imagine how wonderful all this will be. So please hurry on down tonight to see and hear! You'll love it all.

"Defenders of Freedom", a program dedicated to Armed Forces Day, was presented in Chapel Thursday morning. Mrs. Nellie Coleman supervised and Bernard Black directed the band. After the band had played quite a few patriotic songs the following talks were given: U. S. Navy Martha Shannon; U. S. Air Force—Didi Cole; Bill Tison talked on Coast Guards; Arlene

Jacobson—Marines; Harold Marsh—Navy Air Force; and Rachel Johnson told us about the Army. This was an awfully interesting program and it seems everyone enjoyed it!

Well, the Watermelon Festival of 1951 is over for another year! It was just loads of fun, but there were a lot of Sanford folks over there. And a lot of watermelons taken home! Mary Godwin from Gainesville was crowned queen; Rhoda Williams, from Mount Dora, came in second; and one of our own was third place, Betty Lou Parlin. We hear she looked awfully nice over there and we're mighty proud of her too.

Error: Ed McKinley equaled Patay Walker to the May Day Ball and that is all!

The last game of the year was Wednesday in Ireland. We lost six in one, but it'll be different next year. Anyway, that was good!

That's all until Tuesday evening. Bye for now.

HAPPY BIRTHDAY Carol Ann Carroll

Sanford Batters Cocoa 9 To 3; Double-Header Tonight

Jerry Schultz Hurls Seven Hitter For Third Win Of Year; Giants Win 5 Of 6

All servicemen will be admitted free at the double header ball game being played at 6:30 P. M. at the Municipal Ball Park, Business Manager Charlie Morrison announced today. The program is being put on in conjunction with Armed Forces Day.

COCOA, May 15—(AP)—Lefty Jerry Schultz struck out ten men and allowed but seven hits as the Sanford Giants batters Goose Kettles' Cocoa Indians 9 to 3 here last night. The two teams met in a double header at Sanford tonight.

The Giants touched Cocoa hurler Jim Vickery for 12 safeties including three doubles and one triple. Pitcher Jerry Schultz was top man at the plate with a single, double and triple in five trips. Bailey and Dolan accounted for the other extra base blows. Sanford scored in six of the nine innings while Schultz scattered his 7 hits well handuffing the Indians effectively when a rally began.

Schultz, annexing his third win of the year, showed his best control of the year in walking but six men—his lowest walk average in any game during the season.

The Giants have now won five

of their last six tilts.

Red Hats 20; Packers 5
DELAND, May 15—(AP)—The Deland Red Hats put on their running shoes here last night as they clobbered three Leesburg Packer pitchers for 19 hits as they won 20 to 5.

Four of Plaska's seven hits off

Straight from the Horse's Mouth

By ED HARPER

Long, lanky Ray Scheidt lounged against the forward edge of the press box the other night analyzing the elements of the four-game winning streak Sanford had going at the time.

Ray, whose home town is Ellsworth, Kan., is on the Giants' sick list with a wounded wing acquired when Red Roberts almost took his arm off with a line drive through the box in a game against Gainesville.

Bill Ward, down from the Class C Knoxville Smokies, was on the mound for Sanford and had just set the Palatka club down in the first inning.

Scheidt said he thought the Sanford pitching had improved tremendously over the first couple of weeks and figures to get better as the season goes along.

Ray, who is only 21, said he started playing baseball when he was eleven and spent five years in the Junior Legion program—a set-up which has sent dozens of players to the major leagues.

He played as a first baseman until he was thirteen when somebody discovered his throwing arm and gave him a chance to pitch. Since then has stuck to the mound exclusively, depending on a fast breaking curve and speed ball mostly.

Ward had gotten into a little trouble during the second inning giving up a double and a home run to Pete Pitchen and the conversation lapsed as the Giants came up in the bottom half of the inning. The local club climbed on Davis for five runs and Ray relaxed, looping a leg over the back of his chair to reminisce on his game in the Junior Legion League in Ellsworth.

He recalls pitching four no-batters, but claims his biggest thrill was at bat—when he blasted out his first home run.

Ray left Ellsworth, whose population is 4,000 counting the cows, when he was seventeen to play semi-pro ball and signed with the Brooklyn organization in 1949. They got him a little early, however, and he was back in the semi-pro ball playing in North and South Dakota.

While Ray was talking the Azaleas pushed across three more runs and evened the score as the Giants didn't seem to be able to do much with Davis after the one big inning.

Ray said the semi-pro league played about 50 games of which he pitched 15, winning eleven and losing four. His best season in baseball was in the Junior Legion when he compiled a phenomenal 14 wins against one loss in his last season.

Dave Caswell singled in the eighth inning for Palatka and came home on a single from the bat of lantern-jawed Lyle Judy. Ward looked a little tired and Richie came in to talk things over. The conference didn't last long and the Sanford manager looked back out to short with a quiet light stride.

Umpire Letz called a raw one on Eugenio and looked embarrassed. Scheidt said he was about to pitch in the league in spite of his having missed a couple of that night. Ray pointed out that the ball looked a lot slower from the stands than it does on the field and he also said it looked faster coming toward you than going away.

During his semi-pro days in the Dakota league Ray said he pitched four no-batters—two against Kennel and one each against Edmond and Courtney. His worst game, as far as he can remember, was a 16 to 0 loss to Lake Andre—21 errors were committed in the debacle.

So far this year Ray's record is a little better than the team's—he's won one game in three starts beating Gainesville once, losing to them once and dropping one to Orlando. In one of the Gainesville games Roberts' drive disabled him.

The Giants were getting farther behind and a familiar gloom settled over the press box as the winning streak took wings. Ray said his arm was feeling better and should be well in a few days. He looked at the diamond a little wistfully as Fred Petty was forced at second to end the ball game with Palatka ahead 10-5.

Macon Peaches Revive From Slump; Jacksonville Beaten By Savannah

By ASSOCIATED PRESS

The Savannah Indians withdrew from Macon today (Friday) to get out of range of the slugging Peaches.

For the second night in a row, the defending South Atlantic League champs scored 12 times in scalping the Redskins, 12-1. Veteran Stan West scattered eight hits in posting his third victory for the Peaches. He was lost two.

Macon chased Savannah mound ace Harry Byrd with an eight-run deluge in the eighth inning. It was Byrd's second loss; he has won seven.

Elsewhere in the league, Columbia beat Montgomery, 6-1; Augusta trimmed Jacksonville, 4-3, and Columbus downed the Charleston Rebels in 11 innings, 5-4.

The Augusta Tigers turned on their tormentors from Jacksonville to win their second game from the fans in seven meetings this year. A clutch single with two out in the ninth inning provided the Tigers' winning margin.

The Augusta triumph sapped a five-game Jacksonville winning streak and thwarted tar pitcher Chuck Fowler's attempt to gain his fifth straight.

Pitcher Ed Ludwig scored the winning run in the 11th inning as their losing skein at six games by trimming the league-leading Charleston Rebels. Dave Johnson's single tallied the Bird lefthander. Reed Lemley, second of three Rebel hurlers, was charged with the loss.

Ludwig drew a walk to open the 11th, advanced to second when Charleston first baseman Bill Browne let a pick-off pitch get away from him, and went to third on a bunt.

In Montgomery, the host Grays dropped their second straight to Columbia. They reached the Red's ace lefthander, Charley Ripple, for nine hits but could score only once. Columbia racked up 12 safeties against a pair of Montgomery pitchers. Starter Al LaMacchia was saddled with his second setback of the season.

The Grays cut down to the player limit of 18 by selling infielder Bob Duretto to West Palm Beach in the Florida-International League.

The Tigers' optional utility man Henry Lefler to West Palm Beach, pitchers Eddie Ancherico and Tom Jones to Reidsville of the Carolina League and first baseman Harry Ashworth to the

NOTICE OF PUBLIC HEARING ON PROPOSED CHANGES AND AMENDMENTS IN CERTAIN DISTRICTS OF THE ZONING ORDINANCE OF THE CITY OF SANFORD, FLORIDA.

Notice is hereby given that a Public Hearing will be held at the office of the City Commission in the City Hall in the City of Sanford, Florida, at 8:00 o'clock P. M., May 28, 1951, to consider the following changes and amendments to the Zoning Ordinance of the City of Sanford, Florida:

To provide for construction of Garage Apartments in Districts R-1, R-1-A, R-1-B and R-3 (One Single Family Districts), subject to the following requirements:

- The minimum ground floor areas of garage apartments in R-1 and R-3: 400 sq. ft., and R-1-A and R-1-B: 450 sq. ft.
- Garage apartments shall be architecturally and structurally similar to the main dwelling and shall not be erected and completed except concurrently with or subsequent to the construction of the main building.
- The maximum building height at highest point of roof shall not exceed the height of main building by more than 3 to 5 feet.
- Garage apartment shall be constructed on the half of the main building site furthest from the street, and shall be located such that a part shall be included between the extensions rearward of the side building lines of the main structure.
- The minimum building site area shall be one lot or parcel of land 75 feet in width with sufficient depth to provide for construction of garage apartment on rear of site not less than 25 feet from main building and not less than 5 feet from adjacent property lines, except on corner lots, which shall also be constructed on rear of side street frontage.

All parties in interest and citizens shall have an opportunity to be heard at said hearing.

By order of the City Commission of the City of Sanford, Florida, this 10th day of May, 1951.

H. N. SAVER
As City Clerk of the City of Sanford, Florida.
