The shutouts were the third and fourth straight for the Tribe, bringing the season total to eight. Also, they have had six one-run games. St. Leo wasted no time in getting on the scoreboard with

Florida State's pitching staff has a remarkable 1,57 earned run average. In their last 103 innings, Seminole pitchers have given up just 11 earned runs.

The two leading hurlers are righthander Gene Ammann and lefty Pat Osburn. Ammann, 6-6 for the season, has a 0.63 ERA, while Osburn 7-1, has a 1.03 ERA.

Ammunn has two one-hitters and a no-hitter (against South Florida) to his credit, while Osburn has tossed a pair of onehitters and a two-hitter. Other starters Carl Gromek (5-0) and Mike Slade (4-0) have
