

**Funeral Conducted Sunday For Mr. Spivey**

Funeral services were conducted at 4:30 p.m. yesterday at Brinson Funeral Home for Benjamin Franklin Spivey, 41, who was killed in an automobile accident on Friday afternoon about 4:45 o'clock.

The Rev. George Marsh, pastor of Wesleyan Methodist Church of Paola officiated and burial took place in Sylvan Lake Cemetery.

Born in Seminole County, Sept. 29, 1910, Mr. Spivey had lived here all of his life. His home was near Paola. He is survived by the widow and two sons, William and James Spivey; two brothers, J. M. and W. D. Spivey of Sanford; three sisters, Mrs. J. V. Jones, Sanford; Mrs. Hollis Phillips, Jacksonville; Mrs. C. M. Gannon of Euclid; one half brother, I. M. Dyess, Sanford; and a half sister, Mrs. J. V. James of New Smyrna Beach.

**ENJOY XMAS IN JUNE**  
OKLAHOMA CITY (AP)—Last Christmas the R. E. O'Connor family gathered up all the presents and stowed them away, unopened, in a closet.

They decided to wait and celebrate Christmas when their 10-year-old son, Donald, returned from Korea where he was serving with the 45th Division.

**Two Collisions Result In Injury To Four Negroes**

Two automobile collisions, one of which occurred in Volusia county and which resulted in injury to four Negroes, were investigated early Saturday morning by State Highway Patrolman R. D. Harrison.

One of the drivers in the Volusia County wreck, which occurred about 3:00 a.m. Saturday on Highway 17-92 two miles north of DeBary, was arrested by Harrison, taken to the local County Jail, and later in the morning was released to Volusia county authorities. He is Sam Milson, Sanford Negro, who faces a charge of driving while drunk.

Two Negroes, Amanda Williams and Georgia Dabney, both of Sanford and passengers in Milson's car were the most seriously injured. The former Negro suffered deep lacerations of the right arm and right shoulder blade, internal injuries in the right side and is still in Fernald-Laughton Memorial Hospital where she was taken in an ambulance.

Georgia Dabney was taken to Sanford by a passing motorist and later in the morning was treated by Dr. George Starke for serious cuts of the knees and face bruise, and was then sent to the hospital.

Henry Wycat and Fred Rock, Negro passengers with Milson, received emergency treatment at the hospital. Wycat had a broken arm and Rock had face and head lacerations. Henry Bradley, a passenger with Milson, escaped injury.

Both of the automobiles were totally wrecked, said Mr. Harrison.

He reported also another collision which occurred at 1:00 a.m. Saturday on Seminole Boulevard two miles north of Sanford in which cars were damaged considerably, but no injuries resulted.

**Pro Baseball Slams Gate On Femininity**

COLUMBUS, O. (AP)—Professional baseball today turned thumbs down on the signing of feminine players.

The action, a joint ukase by Commissioner Ford Frick and Minor League President George M. Trautman, came on the heels of an announcement that Harrisburg, Pa., of the Interstate League had signed pretty Eleanor Engle.

Miss Engle went through pregame practice with the Senators Sunday, but watched the game from the press box, and was back today on her job as stenographer.

Trautman, in a telephone conversation from San Francisco, said today that "such travesties" as the signing of women players will not be tolerated, and that clubs signing, or attempting to sign, women players will be subject to severe penalties.

**Rotary**

(Continued From Page One) families and many of them are becoming permanent residents."

Pointing out that one of the chief obligations of a Rotarian is to think about the future and to plan projects of enduring value to the community, Mr. Ratigan said that the time has come for all citizens to think about the future of Sanford, not just five years from now, but ten and 15 years hence.

Mr. Ratigan welcomed into the club as a new member M. L. Rabin, president of the Sanford Merchants Association, whose classification is Laundry and Dry Cleaning. The President also announced the Ladies Night entertainment at Sanlando Springs at 8:30 o'clock Wednesday and urged all Rotarians and their wives to be present for supper.

Mr. Ratigan said that the club is financially stronger than it was one year ago, that its membership has been strengthened by the addition of new members, though some who were unable to make attendance have been dropped.

He called attention to the fine programs which have been arranged during the past year and particularly commended B. L. Perkins Jr., program chairman, for his interest and efforts in this behalf.

He said, with respect to community service, that it is not the Rotary Club's function to carry through community projects but merely to assist in the carrying out of the community and to foster and encourage those projects which are for the most good. He cited as an illustration of what the Rotary Club can and should do in this respect as the swimming pool, which was a Rotary Club project, the junior baseball league, sponsoring a boy for Boys State, and the donation of a sewing machine to the hospital.

Visitors introduced by Charles Morrison included Charles Wagner and Leroy Lawson.

**Candidates**

(Continued From Page One) some "antimilitaristic" sheet he said had been circulated.

A front running Democrat called it a "bar-room slugfest."

A leading Republican warned that too much bickering can lose the election for the party. But the GOP battle for delegates roared on today as noisily as ever.

It even left physical violence in its wake in one outlying sector.

Fighting broke out in Puerto Rico Sunday as Republicans chose two rival three-member delegations to the national convention. The delegations are uncommitted but one reportedly favors Taft and the other Eisenhower for the Presidential nomination.

Police quelled the island disturbance, but the question of which delegation will be seated is just one more to be fought out in Chicago — like the question of Texas' highly disputed delegation, among others.

Election of Republican delegates ends today with the choosing of 10 in Illinois to complete the state's slate of 60. Taft was expected to win his lead there. Of the 50 already chosen, he has 49 to Eisenhower's one.

Democrats name 22 delegates to day in Indiana, 48 others in various states later in the week for their convention opening July 2.

The Republican convention starts two weeks from today, with a terrific row over contested delegates shaping up.

Taft forces struck back in newspaper ads today at Eisenhower's Dallas, Tex., charge that Eisenhower's backers stole Texas' 38 convention votes as brazenly as cattle rustlers.

"The Eisenhower managers are screaming 'We wuz robbed' because they know they have lost the fight," the Taft advertisement of Eisenhower's backers from delegate-picking sessions was justified because the general's people were Democrats.

Eisenhower, before flying from Texas back to Denver, made a new effort to puncture the Taft camp's claim that he is a Truman candidate. He flatly denied at a news conference that the President ever offered to back him for the 1952 Democratic Presidential nomination.

**Husband Of Sanford Woman Died Sunday**

Word was received this morning of the death of D. T. Philyaw which occurred at noon yesterday at his home in Gainesville. Death was attributed to a heart attack.

Mr. Philyaw was the husband of the former Mary Zachary, daughter of the late W. A. Zachary and niece of Miss Bessie Zachary and Mrs. T. Bradford Byrd. Her step-mother is Mrs. W. A. Zachary.

Funeral arrangements are incomplete, according to Miss Bessie Zachary.

**Forest Fires**

(Continued From Page One) is primarily concerned with saving woodland, many rural homes and schools have been partially saved by the quick action and modern equipment of the Service's crews in other counties.

Aerial surveys have shown forestry loss by fire of 45 percent in counties which lack protection by the Service, whereas the figure is 12 percent in protected counties. Seminole is the thirty-first county in the state to come under protection, Mr. Mikell said.

The Seminole County unit will be provided with a Dodge power wagon tank truck which is supplied with a light plow for fire breaks. A tractor and heavy plow will also be available for the use of the unit.

Each tower in the Service is manned throughout the day and night during the summer and during the day with periodic checks at night in the winter. Houses are to be constructed near the towers for the watchmen as soon as funds are available.

THE WEATHER Continued hot, sultry and generally fair through Wednesday, except for afternoon thundershowers in widely scattered places.

## Coast Line Plans New Passenger, Freight Building

### Building To Be Erected Opposite Present Car Shops To Eliminate Curve

The Atlantic Coast Line Railroad announced plans today for the construction in Sanford of a combination passenger and freight station, which will include offices for district personnel, to be located just north of the Sherman Concrete Pipe Co. on McCracken Road across from the present car shops and adjacent to the newly constructed freight lead.

The new building will be 314 feet long and 34 feet wide, will comprise two stories and will be constructed of light colored brick and masonry materials. Of the most modern construction, it will be air-conditioned, and equipped with a warm air heating system. The windows will be of minimum architectural projected type.

The ground floor will consist of waiting rooms, passenger and freight agency offices, baggage room, freight warehouse and mail platforms. The second floor, which will be 160 feet long and 32 feet wide, will house the office personnel of the Jacksonville district of the Jacksonville office.

Pointing out that detailed plans and construction is expected to start in the near future, Coast Line officials stated that the new station has been made necessary because of the relocation of the present tracks through the city of Sanford, and in order that the district office and passenger station and freight agency be properly situated in relation to new tracks which are being realigned for the purpose of eliminating excessive and objectionable curves in the old tracks.

The present passenger depot on West Ninth Street was erected during the latter part of 1912 and was opened on Jan. 1, 1913. This building is now the office of the Coast Line.

## Arnall Is Invited To Work In Store By Retail Grocers

MIAMI — Ellis Arnall, director of the Office of Price Stabilization, is expected to work in a store in an independent grocery chain. He did that, said Marie Kiefer, Chicago, secretary-manager of the National Association of Retail Grocers, "maybe he would be less inclined to bear the additional burdens on the independent grocer."

The association, Mrs. Kiefer said, would be glad to pay Arnall a salary for his week's work "to find out what his purpose is."

"He could return to his desk in Washington enlightened," she asserted, "with a great deal of knowledge and understanding and experience to help him in his job."

"I am eager to learn what recommendations he would make after gaining this valuable experience. I wonder if he would still expect the retailer to comply with O.P.S. rules and regulations, which equal two large volumes, including 43 regulations, 142 amendments and supplements totaling more than half a million words."

"Surely he would realize that it represents an absolutely impossible task for the average retail grocer," regulations," Mrs. Kiefer said, "have no effect on him. They threaten to destroy thousands of businesses and along with them our profit and loss, free enterprise, members of the association, holding a convention here, sent telegrams to congressmen Monday urging elimination of price controls. Convention officials estimated more than 1,000 were sent."

## Sanford Herald Vacation-Pack

No matter how far away from home you may be on your vacation you can readily catch up on the home news by reading the Sanford Herald when you return. You can arrange with your travel agent, or through Charlie Morrison, circulation manager, by telephoning 145, to have your regular issues of the Herald saved for you while you are away, to be delivered to your home in one package upon your return.

There is no extra charge. The regular weekly subscription rate will entitle all regular subscribers to this additional service. Before leaving on your vacation simply notify your carrier or agent at the Sanford Herald, P. O. Box 1444.

## Leaving For Boys State In Tallahassee

Photo by Jameson Sunday morning was a great adventure for five local boys who had been chosen by local organizations to attend the American Legion sponsored Boys State in Tallahassee, a program duplicated in 47 other states. Waiting for the bus, left to right, are Wesley Hamill, sponsored by the Lions Club; Joe Hutchison, the Joyce choice; Tommy Spoor, backed by Rotary; Terry Corbell, Kiwanis selected; and Sammy Jacobson, picked by the Elks. Judge Douglas Stenstrom leads the Post 53, American Legion committee which promoted the project here.

## Ban Is Lifted On Making Color TV Sets For Homes

WASHINGTON — The government today lifted its ban on the manufacture of color television sets for home and theater use. The National Production Authority (NPA) replaced the outright prohibition with an order permitting manufacture by firms which can prove that color TV will not obstruct their defense output.

However, Administrator Henry H. Fowler who signed the order said he expected that few makers of radio and TV sets for homes would be able to qualify because most are deeply in defense work.

"It will give an opportunity to those manufacturers whose defense contracts are being canceled and those having no defense contracts to demonstrate that their production of color TV equipment will not impair the defense effort," Fowler said.

Only the Columbia Broadcasting System was making sets commercially when the blackout on color TV was imposed last Nov. 20 by order of former Mobilization Director Charles E. Wilson.

CBS suspended production and also halted its color telecasts, the only one on the air.

Color development work has continued, however, and other companies have been pressing NPA for relaxation of the order.

Fowler said industry spokesmen have informed NPA that most producers are heavily engaged in defense work on radar, radio and electronics for the armed forces.

They also believed, he said, that broadcasters "are not disposed or prepared to offer color television programs."

Therefore, the NPA chief said he did not anticipate that many firms will file applications to undertake color TV production at this time. Any applications filed will be investigated carefully, he said, before production will be approved.

## O. E. White, Veteran, Is Found Dead

O. E. White, 70-year-old World War I veteran, was found dead yesterday afternoon in the bedroom of his home at 1105 Myrtle Avenue. He was discovered by his wife, Ethel, who had just returned home from a shopping trip.

Mr. White was born in Canada and served with the Canadian Army in the first World War. He came to the United States over 20 years ago and had been in the auto parts business here for a number of years. Funeral arrangements will be made later.

## Recreation Support Extended Two Weeks

Public school support for the city recreational program was recently extended two weeks. City recreation director Tommy Stringer said today. This action was taken because of the intervention of Seminole County School Superintendent T. W. Lawton with authorities in Tallahassee.

The school support of the program includes eight instructors, the supplying of a school bus for transportation of colored children to and from Welfare Lake twice a week, and the support of the weekly contests conducted from the school grounds at the Seminole High School.

## British Labor Party Takes Dim View Of Korean Air Attacks

### Leaders Protest New Bombings In Yalu Area Threaten To Extend Hostilities

LONDON — Labor Party leaders protested in the House of Commons today that the attacks on the Yalu River power plants threaten to extend hostilities in Korea.

Prime Minister Churchill admitted he had no advance notice of the bombings but said such attacks have "the entirely legitimate object of decreasing the enemy war potential." He added: "We reserve all our rights as a friendly ally for making any representation which might be thought desirable."

Churchill made his statement under fire of members of the opposition Labor Party, who declared the bombings threaten an extension of hostilities because of the power from the plants is used in Manchuria.

Attacks such as these now reported do not appear to us in any way an extension of the operation. In fact, the Prime Minister said, "or to go beyond the discretionary authority vested in the United Nations supreme commander."

So far as Her Majesty's government are concerned there has been no change of policy. Former Prime Minister Clement Attlee, leader of the Labor Party, noted that the mass bombing represented the destruction of very important establishments which affect the whole of Manchuria.

"That kind of policy," Attlee declared, "was surely one that should not be embarked upon without full consideration, especially in view of the fact that the Labor Party's armistice are now taking place."

Churchill conceded that "no such consultation with Her Majesty's government has taken place." He said: "It is an extremely difficult and delicate position, the whole of this Korean War being carried forward during armistice negotiations. Armistice negotiations have offered serious difficulties."

It has been estimated by the United Nations to a supreme commander of the United States and that not going to be drawn into a conflict of this kind.

## Capt. deWolski Is Killed In Plane Crash In England

MIAMI — Capt. deWolski, 40, was killed in a plane crash in England. He was a member of the U.S. Air Force and was serving as a pilot on a transport plane.

The crash occurred on June 18, 1952, near the town of Bournemouth. The plane was carrying 11 passengers and the crew. The cause of the crash is still under investigation.

The wreckage of the plane was found on the outskirts of the neighboring farm community of Blyth. A police spokesman said there were no survivors.

The engine of the plane plunged to the ground on the outskirts of the neighboring farm community of Blyth. A U.S. Air Force official said the plane was on a routine training flight.

The names of the crew were withheld until the next of kin have been notified.

## Tallahassee To Drape Buildings For Legion Meet

### Cabinet Votes To Decorate Center And Assess Agencies

TALLAHASSEE — The Cabinet voted today to decorate the buildings of the Capital Center for the American Legion state convention here July 3-8.

He suggested the "about" of the city and county officials if ready had voted to decorate the buildings.

Gov. Warren commented that "probably would be unthankable to have the convention without these decorations during the convention. The fund is about exhausted and frankly I don't know where the money is coming from."

Commissioner of Agriculture Nathan Mayo came up with the solution. He suggested the "about" of the \$10,000 needed to decorate the Capital for the visiting Legionnaires and that the agencies housed in other state buildings be asked to find the money to decorate their own quarters.

The Cabinet agreed and Warren named Comptroller C. M. Gay, Atty. Gen. Richard Ervin and Terry Lee, coordinator of state institutions, to a committee to find the \$10,000 necessary to decorate the Capital and talk the agencies into coughing up the money to decorate their own buildings.

Ervin and Ervin were named by the governor to a committee to discuss with the Legislature the possibility of a referendum on the subject of a state lottery to raise the money to decorate the Capital and talk the agencies into coughing up the money to decorate their own buildings.

March told the Cabinet that on the subject of pardons and clemency in the Miami, Jacksonville and Pensacola areas is suffering because of the heavy burden placed on superior courts. He said the parole supervisors in these areas are forced to look for ways to reduce the number of prisoners in the state.

March told the Cabinet that on the subject of pardons and clemency in the Miami, Jacksonville and Pensacola areas is suffering because of the heavy burden placed on superior courts. He said the parole supervisors in these areas are forced to look for ways to reduce the number of prisoners in the state.

## Annual Meeting Of Red Cross Thursday

The annual membership meeting of the Sanford chapter of the American Red Cross will be held Thursday evening at 8:00 in the Yacht Club. Rev. H. Littleton Zimmerman, local chairman, said today.

Election of officers and board members for the coming year will be held. William L. Ray, chairman of the Yacht Club, is expected to preside over the meeting.

The Yacht Club is located at the intersection of the Yacht Club and the Yacht Club. The meeting will be held in the Yacht Club.

## Two Youths Are Held On Robbery Charge

A hearing before Judge Douglas Stenstrom of two boys, one 13, the other, 11, who are charged with entering and robbing a filling station, was scheduled to be held this afternoon.

The boys, said Police Chief Roy G. Williams, were picked up at about 9:00 o'clock this morning by Patrolman Jack Hickson and R. W. Trench, a short distance from the filling station. The boys broke windows and destroyed property. The fire was quickly extinguished.

## Stowes Return From Mexico City And Rotary International Meet

# A-Research Center Is Strangest Spot In Entire World

By HAL BOYLE  
**LOS ALAMOS, N. M.**—There is no cemetery here in the birthplace of the atom bomb.

That fact is a clue to the biggest defect of living in a government-built community that is ideal in many ways.

As one of the 12,800 workers in this heart center of America's atomic weapon research put it: "People come, people go. But nobody really feels it is home. Very few expect to die here, and I guess that is why there isn't any cemetery."

Los Alamos today is perhaps the most unusual community in the nation. When it was conceived in 1943 it was thought it would never grow beyond a population of 700. Now it is a small city of nearly 13,000 scientists and technicians, sprawling over several mesas in an isolated, 80,000-acre, closely guarded reservation in the Jemez Mountains of Northern New Mexico. It is still growing rapidly, and is under way on a new \$30 million dollar laboratory.

The chief industry of this strange city is to develop better instruments for widespread atomic death, yet by most yardsticks of sociology it is a dream city.

There are no slums. There is no unemployment. The city has a fine school system. It has wonderful recreation facilities, including a baseball field, swimming pool, ice skating rink, ski lift, and its own small symphony orchestra.

Unlike most other cities throughout the land, it has no major parking problem. The crime rate is unbelievably low. The intelligence level of its citizens is perhaps the highest achieved by any city in history. At least 280 have earned Ph. D. degrees.

There are more than 80 social and professional organizations. There are 14 organized church groups.

The happy shouts of children and the barking of dogs ring across the neat, well-tended lawns all day long.

"We are famous for babies, dogs and bombs—in that order," said Atomic Energy Commission engineer Dr. L. T. DOSS, CHIROPRACTOR, HOURS 9 to 12-2 to 5, 205 Atlantic Bank Building, Phone 765.

plays said, "This is a wonderful place to raise children, and we have one of the highest birth rates in the country."

"About 15 per cent of the population is under five years of age. The average age here is 25—eight years younger than the national average, which is 33. There are only about 410 persons here over 60."

Why, then, isn't Los Alamos a perfect place to live? It is because the families here feel they dwell in a guarded fishbowl.

"No, not any more," one employee said. "The people have learned to live with secrecy, and it is no longer the shadow over them that it was a few years ago."

"As a matter of fact, those who live here now are about equally divided over whether they like or dislike it. There is a shortage of housing, and families have to wait their turn to move into the district which has the best homes."

This district is known locally as "Sabb Hill" by those who don't live there.

A major source of discontent is that nobody here can own his own home in Los Alamos. He can only rent it from the government. Many workers leave because of this.

"The scientific people come here for a few years to get prestige," an man summed it up. "Then they leave to take better jobs in industry or university teaching. They seem to prefer teaching."

An American doesn't want to die in a town where he can't even buy a home. Los Alamos will be here for a long, long time. It is vital to the nation.

But it will never be a real city until the people who work here have a feeling of ownership and community interest—until they can buy a home and a graveyard plot. Until this happens—if it ever does—Los Alamos will remain only a government collection of brilliant intellectuals in transit, their minds here, their hearts elsewhere.

### ROBIDA ELECTED

**JACKSONVILLE**—A. J. Robida, Jacksonville, was elected first president of the Southeastern Fisheries Association, organized here Monday by seafood dealers from Florida, Alabama, Georgia and the Carolinas.

Dr. C. P. Lyell, research associate of the University of Miami's Marine Laboratory, said weakness of the industry was spathy, disregard of fishing regulations and poor handling and processing of products. He urged the new association to overcome them.

## Princeton Choir To Sing In Sanford On Monday, June 30

Numbering 23 members, the Princeton Theological Seminary Choir of Princeton, N. J., will sing here on Monday night, June 30, at the First Presbyterian Church. All are college graduates who are now preparing for Christian service at home or abroad.

been elected Editor-in-Chief of the new Hymnal to be prepared by a committee representing the Presbyterian Church, U.S.A., the United Presbyterian Church, the United Methodist Church, the Reformed Church in America, the Associate Reformed Presbyterian Church and possibly the Presbyterian Church of Canada. Dr. Jones is also the composer of sacred music which is sung by leading church organizations across the country.

During the winter the choir sings in at least three churches every Sunday within a radius of 200 miles of Princeton. In recent years it has made extensive summer tours through Cuba, Mexico, Canada, and Alaska, as well as every state in the Union. Altogether the choir has sung more than two thousand times and has appeared in more than a thousand different churches, schools, hospitals, military installations, various civic groups and youth assemblies.

The Choir, now on its seventh annual summer tour, is scheduled to visit 15 eastern and southern states, and to spend 12 days in Cuba, singing an average of two services a day for the entire 50 day tour.

The 23 members of this male chorus are all college graduates who are now preparing for full time Christian service at home or abroad. They are representatives of the Princeton Seminary student body of 445 young men and women who came from all the states in the Union and 20 foreign countries.

The entire service is conducted by members of the choir. The musical portion, which constitutes an integral part of the worship service is sung entirely from memory and for the most part without accompaniment. The repertoire has been selected from the finest choral music, including the works of Palestrina, Lull, Handel, Haydn, and Mendelssohn, as well as contemporary European and American composers, and a group of Negro spirituals.

Dr. David Hugh Jones, F.A.G.O., A.S.C.A.P., has been Director of Music at Princeton Seminary since 1934. He is a charter member of the Faculty of the Westminster Choir College and last year completed 25 years of teaching with that institution. He has recently

## Steel Strike Is Hurting Ability To Make War Goods

By SAM DAWSON  
**NEW YORK**—The steel strike spotlights the demand for steel for the hardware of war. But for the moment the demand for steel to produce war goods should war come.

Steel shipments to makers of guns, tanks, ammunition and so on, during the first four months of this year, were taking less than one day's production of finished steel a month—according to the American Iron and Steel Institute.

It reports that unstruck mills can supply in one month more steel (300,000 tons) than direct military needs took in the first four months. But it doesn't include in that total the steel going into aircraft, ships and trucks. And it doesn't allow for the needs of armaments for special types of steel which the few unstruck plants may not be able to make.

Steel shipments since Korea have increased to war plants. But they really start when steel shipments to railroads, machinery manufacturers and the construction industry.

The Institute figures that last year's output was 53 per cent of total output. The Federal Reserve Bank of Cleveland in its June business review takes a broader view of what constitutes armaments and figures the usage was just under three per cent—that is, one ton out of each 30 produced.

At the peak of World War II, the armed forces were getting one out of every three tons of finished steel.

A new defense conception accounts for the small portion of steel going directly into armament, the bank says. Present policy is "to enlarge the ability to produce rather than to pour out a stream of finished war materials which may become obsolete."

The construction industry got a record to million tons last year, or 16 per cent.

Machinery and tools took a record total of six million tons.

Part of this additional steel came from savings of tonnage at the expense of the auto, appliance, oil and gas industries. But the greater part of the additional steel came from increased production. The Institute reports that finished steel shipments in 1951 were just under 70 million tons, compared with 72 1/2 million tons in 1950.

Capacity to produce raw steel continues to rise and has passed the 100 million ton a year mark now. Still more steel must be built this year if the steel to build them is available.

Military needs may rise to five million tons this year (using the bank's rather than the Institute's definition of military). Even so, the bank points out, the quantity of steel available this year for other uses would still be nearly the largest on record—depending, of course, on how quickly the strike is settled.

### Rationing Of Shells Explained By Army

**WASHINGTON**—The Defense Department says it has been forced to ration some types of ammunition in Korea.

But the department said such rationing is not an unusual military situation and does not mean supplies are without shells for their guns.

A statement issued Monday night said shortages have developed in some types of ammunition because artillery units were authorized to fire at a faster rate than in World War II.

The statement came in answer to a complaint Monday by Rep. Clarence Brown (R-Ohio). He read the House a letter from 23 U. S. soldiers in Korea saying that because of ammunition rationing Chinese Communists who could be wiped out easily were uneliminated.

The guest speaker was Reverend Herbert J. Bass, pastor of the First Christian Church of Sanford. The Rev. Bass is a native of Australia and brought a most interesting message on that country. He had many interesting pictures with him, and the men thoroughly enjoyed the talk.

Refreshments were served following the meeting to the following: T. W. Lawton, Fred Peterson, W. J. Lawton, B. C. Dodd, Rev. J. N. Thompson, H. E. Wheeler, Jr., Milton Gore, T. H. Daniell, L. A. Hardy, T. H. Daniell, Jr., Thedra Naylor, A. A. Myers, W. H. Martin, the Rev. Frank C. Morgan and the guest speaker.

**OVIEDO (Special)**—The daily vacation Bible School, held this year in the First Baptist Church, has a present enrollment 113 with an average attendance of 80.

Dr. Frank C. Morgan is principal of the faculty, with the Rev. E. T. Standifer, pastor of the Oviedo Methodist Church, as assistant principal and Mrs. Frank C. Morgan as secretary.

Mrs. Milton Gore is superintendent of the nursery department, with Miss Ann Peterson as her helper.

The beginner department, with Mrs. T. H. Daniell, Jr., Mrs. Mrs. C. M. Aris as superintendent, W. E. Snipes, Miss Martha Jean Hardy, Miss Ann Leisher, Miss Shirley Jones, Miss Charlin Weldon and Mrs. E. T. Standifer as helpers.

The primary department, with Mrs. S. E. Parker as superintendent, has Mrs. Hob Smith and Mrs. Leroy Hendricks as helpers.

The Junior department, with Mrs. Joe I. Beasley as superintendent, has Miss Ruth Davidson,

### OVIEDO NEWS

**OVIEDO (Special)**—The teachers of the Oviedo school entertained last week with a luncheon at the Home Economic Building honoring Paul Hickson, whose marriage will be an event in June.

The guests included Misses J. N. Thompson, Walter Teague, Simpson, Florence Windham, Hart, Sullivan, and Miss Lois Kaddell. Also Professor Walter A. Teague, Paul Mikko and the group of honor, Mr. Arthur McCall, a member of the faculty, was unable to attend. A piece of their chosen silver was presented to him as a memento of the occasion.

**OVIEDO (Special)**—At the Father's Day exercises at the Oviedo Baptist Church Sunday the Rev. J. N. Thompson was awarded a gift as the oldest father present and a member of the church. The youngest father and a member of the church went to Thomas H. Daniell, Jr. The father, also a member, with the most sons present, went to R. O. Simmons.

The non-members of the church were also included. The oldest in this group was P. D. Slavton. Allen Thompson was rewarded as the youngest in this group. P. D. Slavton came in for the father with the most sons present in this group.

The Bethany Circle of the Oviedo Methodist Church entertained the members of the Pearl Martin Circle of the Oviedo Baptist Church with a picnic at Sweetwater Park on Friday evening.

Those from the Bethany Circle included Misses C. R. Clontz, Jr., James Partin, Walter A. Teague, John W. Evans, Marlon Estes, James Pearson, Merritt Slaley, and Ruth Davidson.

Members of the Pearl Martin Circle included Misses Joe I. Beasley, John Courier, Jr., Milton Gore, Young Harris, George Means, Theodore Aulin, Jr. and John Courier, Jr.

**OVIEDO (Special)**—The brotherhood of the First Baptist Church of Oviedo, held its last meeting until September on Monday, June 16, at 8:00 p.m. at the church.

#### TODAY'S BIBLE VERSE

There is a rich inheritance for  
all God's children. Most of us accept  
great abundance as a matter of  
course. We should give thanks in  
our hearts. Ye shall eat the fat of  
the land.—Go. 48:18.

Harold Stassen still thinks he  
has got a chance to gain the Re-  
publican presidential nomination.  
He'd make a good optimistic presi-  
dent anyway.

"An invitation to lawlessness" is  
what the New York Herald Tribune  
calls President Truman's assertion  
that the strikers in the steel in-  
dustry probably would not obey an  
injunction issued under the Taft-  
Hartley Act. Of course they won't  
if the President tells them not to.

Senator Taft and General Eisen-  
hower are having a lot of unkind  
things to say about each other on  
the eve of the Chicago convention.  
But we venture to say that before  
the convention closes, everything  
will be peaches and cream. And  
long before November, whoever is  
nominated will have the other  
fighting by his side in the political  
trenches.

In Brooklyn, N. Y. three women  
and four children died in an apart-  
ment house fire. New York Housing  
Commissioner Stuchman says there  
are at least 50,000 families in New  
York City who are living in fire  
traps, who under similar circum-  
stances might be burned to death.  
There are some disadvantages to  
living in a small town, but burning  
to death is not likely to be one of  
them.

When considering the evils of  
free enterprise and the capitalistic  
system, worth remembering for the  
moment is that there is one auto-  
mobile for every four people in this  
country, one for every 252 in Rus-  
sia; one radio for every three  
people in this country, one for  
every 45 in Russia; one telephone  
for every five people in this coun-  
try, one for every 188 in Russia.  
That isn't the whole case for democ-  
racy, of course, but it helps.

It is not war in Korea, Presi-  
dent Truman is apt to say, it is  
just a police action. If so, it is  
the most expensive police action  
in the world's history. It has al-  
ready lasted two years, longer than  
U. S. participation in the first  
World War. More American lives  
have been lost, more money spent  
than in the seven years Revolution-  
ary War. Altogether five million  
persons have been killed or wound-  
ed. In the Civil War total deaths on  
both sides were about 500,000.

The New York Herald Tribune  
has had to raise its price on its  
Sunday paper from 15 to 20 cents  
on account of increasing newsprint  
and production costs. The average  
person probably does not realize  
how much the price of newsprint,  
(white paper) affects the costs of  
getting out a newspaper, but on  
some newspapers it comes to near-  
ly half the total cost of production.  
Even on a small newspaper it often  
takes every cent the subscribers  
pay, over and above what the  
carrier boys get, to pay for the  
paper on which the news is print-  
ed.

Another experiment in socialism  
has been recommended by Oscar  
Wing, Federal Security administrator,  
and author of President Tru-  
man's socialized medicine scheme.  
New Ewing would have the federal  
government authorize a \$125-  
\$200,000 scholarship program "to  
attract the best deserving youth"  
to the school. That would be  
a good idea if it meant that poor  
students who were eager to get  
education and not just to be  
educated would be sent to col-  
leges. It is a good idea to have  
scholarships for deserving youth.

Sanford is important as the  
headquarters of the Jacksonville  
division and shops for the repair  
of locomotives are located here.  
This year all steam locomotives  
were replaced by Diesel units.  
Since 1939 the Coast Line has ac-  
quired more than 322 of these, to-  
gether with 125 lightweight pas-  
senger trains and 15,911 freight  
cars.

The freight office and ware-  
house are located on West First  
Street, and Brown Warehouse is  
local freight agent. The warehouse  
was built of concrete and fire-  
proofed, and is protected by fire  
insurance.

### Important Job

"Why should hundreds of thousands of voters all be asked to pause for even a few minutes apiece to study the relative qualifications of Smith and Jones for the relatively petty, dull, undramatic post of County Recorder? Any intelligent citizen may properly have bigger business on his hands!"

This question, asked last year by Richard S. Childs of New York, a former president of the National Municipal League, has as yet gone unanswered. The recordership is extremely important, but it is only one of many offices which had better be filled by appointment, instead of clogging up the ballot.

There is of course a simple answer to Childs' question. Politicians like to have as many offices as possible elective. They know that the voter will know nothing about most of the candidates, and will in despair vote for his regular party nominee. This amounts to giving the party bosses the proxy of many voters. Depend upon it, this proxy will be used not for the voters' benefit, but for the bosses'.

### This New World

The New World may be as old as the so-called Old World, according to scientists attending the New York session of the Wenner-Gren Foundation Symposium on Anthropology. They think that the ancestors of the Indians arrived from Asia as early as 20,000 B. C. This is quite as old as any date fixed for the beginnings of European culture, when the Neanderthal man who lived in caves was replaced by human beings of a modern type. Dr. Alex D. Krieger of the University of Texas thinks that men may have been living in this continent as early as 40,000 B. C.

While this is much farther back than any date previously agreed upon, many have thought that a long time was needed for Indians to cross Bering Strait from Asia and work their way down as far as Peru, as they would probably stop for many generations at a number of points along the way.

Perhaps the names New and Old World will have to be interchanged.

### Alcoholic Skunk

Strange things happen in Washington and not all of them can be blamed on the politicians. Reports from the capitol recently tell of the misadventures of a skunk who has taken to drink. The skunk became a tippler as a result of a bit of whiskey added to his milk for medicinal purposes. At least that is the excuse he gives. He must have had a rather weak character to begin with.

The skunk now turns up his nose at non-alcoholic meals and insists that a bit of bourbon be added to his milk before he will drink it. One drink and he steals the dog's bones and chases the unfortunate pup around the yard.

Now the skunk who can take his liquor or leave it alone is one thing. But a skunk that tips and becomes belligerent is another matter indeed. Unless he mends his ways he will probably have a difficult time getting any bartender to serve him. If this happens he will have no one but himself to blame.

### Congressman Herlong Reports

The controls bill is up and we have been on it for the last four days, and will probably be on it several more days. However, much of the work on it has already been done. There is a strong feeling here that possibly the best way to settle the steel strike would be to remove all controls except on the items which are in short supply and which are allocated. Actually there is no short supply of steel, if the unions and industry get together. I think they can get together a lot better without the government than they can with the government, though it is difficult to predict just what might happen in any given circumstances. In other words, you just don't know what to expect.

For example, a few days ago the President came before the Congress and said, in effect, "There are three methods I can use to settle the steel strike; which one shall I use?" The Senate has said, and the House will have said by the time this is printed, that the President should use the Taft-Hartley Act. Then what does the President do but come out at a press conference and say, "You can't make me do that!"

Sometimes I think that the minds of our leaders up here are still about the mental age of the boy who takes the bat and ball and goes home if they won't let him pitch, or if he can't make all the rules.

Mrs. Herlong and I enjoyed a dinner at the Syrian Embassy Tuesday night. It was a very colorful and beautiful affair, and we were highly honored to be one of three Congressional couples invited, along with the Ambassadors of many foreign nations.

Tonight is our annual charity Congressional baseball game, and we were raised the funds to send underprivileged Washington boys to summer camps. The Washington papers have been full of items about the game this week. It is my honor to be the manager of the Democratic team. We have won the last three years, but this year all of us have been so busy that our practice has been extremely limited, so I know there will be a lot of sore muscles tomorrow. Whoever wins the ball game, the underprivileged boys really win; and we are glad to do our part to help.

### New Station

The old depot that was used before the present one still stands at the west end of Commercial Avenue and is used as a girls' scout headquarters and a polling place. Near it is the old Pico Building, owned by the Takach family, which at one time was the largest railroad restaurant between Jacksonville and Tampa. The nearby Welaka Building was once occupied by the Plant investment co., owners of the Plant Railway system which preceded the Atlantic Coast Line Railroad here.

In order to further facilitate the large movement of freight cars in the Sanford area, the A.C.L. last year built a six mile short-cut freight route from Rand's Sliding on the West Side, to a point south of Sanford and about three miles north of Lake Mary.

Sanford is important as the headquarters of the Jacksonville division and shops for the repair of locomotives are located here. This year all steam locomotives were replaced by Diesel units. Since 1939 the Coast Line has acquired more than 322 of these, together with 125 lightweight passenger trains and 15,911 freight cars.

The freight office and warehouse are located on West First Street, and Brown Warehouse is local freight agent. The warehouse was built of concrete and fireproofed, and is protected by fire insurance.

Cost of Railroad Locomotives \$1.75

### VOLGA BOATMAN

### Politics

The governor said he will delay his decision until just before the convention opens. Taft said again he resents the "smear campaign currently being made by some people against Gen. Dwight D. Eisenhower."

He expressed the opinion the campaign is coming from individuals and that it certainly is not organized nor generally financed. He said the people joining in this campaign "seem to me to be slightly off the beam."

The Democrats, meanwhile, were less than 100 away from winning up the selection of their 1,230 convention delegates. They have more time. The Democratic convention commences on Monday at the gathering July 7-both at Chicago.

Indiana's 26-vote Democratic delegation was being completed today at an Indianapolis convention. None of the delegates is pledged or formally instructed for any candidate, but the bulk appeared sewed up for Illinois Gov. Adlai Stevenson.

Charles Skiles, Indiana Democratic chairman, said he surveyed the delegates and found them "generally favorable, if not unambiguously" for Stevenson. Today's naming of eight at large with a half-vote each, plus 22 district delegates chosen Monday fills out the delegation.

Stevenson was expected to leave a Chicago hospital today after a lengthy operation. He has insisted all along he is not a candidate for anything this year except governor again. He is described as President Truman's favorite, although Mr. Truman has carefully avoided giving the appearance of formally supporting any of the would-be nominees.

Tennessee's Sen. Estes Kefauver, toward whose candidacy the President has shown little enthusiasm, visited the Indiana Democrats Monday. He said he expects some of them to support him, more if Stevenson is not a contender.

Kefauver called Monday night for a Democratic platform plank favoring an end to filibustering in the Senate. This talking-to-death is a frequent device of Southern lawmakers in knocking off civil rights legislation.

Stevenson, in a recorded Washington radio broadcast, said he will sponsor a resolution which would change Senate rules so debate could be shut off after 14 to 20 days. Democrats should have such a plank, he added.

With 126 of the Democratic delegates named, Kefauver has the most avowed and conceded support—246 in the Associated Press tabulation. His closest rival is

Georgia Sen. Richard Russell, with 114 1/2. Next is Mutual Security Administrator Averell Harriman, who has 93 1/2.

Russell was on a vote-hunting expedition in the West. At Phoenix, Ariz., Monday night he advocated government seizure of the steel bound steel industry under authority of the Selective Service Act.

Mr. Truman's seizure of the steel mills has been ruled illegal by the Supreme Court. The President's request for such power, to halt the steel strike which followed this ruling, has been rejected by Congress.

Russell told newsmen in Phoenix seizure would be legal under a provision of the draft law dealing with defense plants.

### City Commission

(Continued from Page One)  
lights removed from the old ball park be placed at the lakefront tennis court, was taken under advisement.

A study on what other nearby cities are charging for licenses for pin ball machines was requested by Mr. Kader after J. A. Cahoun, operator of the Greyhound Bus Terminal, and Joe Moss, pin ball machine distributor, protested that the City's annual fee of \$100 was way out of line with that of other cities in Florida. This fee had been set, they pointed out, when machines "paid off," whereas present machines do not pay off.

The Commission discussed costs of lighting the Municipal Baseball Park with John Kirder, business manager, and agreements were reached on payments including the lighting of the colored concession and atop the club house.

Robert Harris, Ritz Theater manager, was appointed a member of the Sanford Housing Authority to fill the place of Harry Lee, who had resigned. Mr. Lee was re-appointed to the Civil Service Board for a two year term.

The low bid of George Williams, accountant, for auditing the City's records for the fiscal year ending Sept. 30, 1952, was approved.

Forests are found more than 100 miles beyond the Arctic Circle.

### Korean Bombing

(Continued from Page One)  
saying anything which in any way will be taken as a reflection upon that commander or embarrass him in any action he may think it necessary to take.

The supreme commander is Gen. Mark Clark, who recently succeeded Gen. Matthew Ridgway. Meanwhile Korean Air Force and Navy fighter-bombers teamed up again today to hammer four of the five Communist hydroelectric plants smashed Monday in the biggest air raid of the Korean War.

Nearly 200 Navy planes from big fleet carriers off Korea's east coast joined Air Force planes from dozens of Korean bases to hit the shattered generating stations for the second straight day. Navy headquarters announced.

None of the planes returned to the smoldering Suhoi power plants a half mile south of the Yalu River boundary. But the Air Force said F-84 Thunderjets "completed destruction" of two power stations near Changlin Reservoir and two on the Songchon River in Eastern Korea.

F-86 Sabre jet pilots exchanged firing passes with five MIG-15 jets south of the Yalu Tuesday afternoon, the Air Force said.

The U. S. Eighth Army reported increasing patrol action along the 155-mile battle front Tuesday. One Allied patrol battled for almost two hours with a Red unit west of Chorwon, the scene of bloody fighting during the past two weeks.

About 20 Red troops were killed, the Army said.

As Allied experts studied gun film to evaluate destruction done by Monday's big raid on North Korean power plants, there were strong hints that more Red targets are marked for attack.

Military officials in Washington said the raid on the generating stations inaugurated a new "com- pleted destruction" of two power stations near Changlin Reservoir and two on the Songchon River in Eastern Korea.

A study of gun camera films from the 500 Air Force, Marine and carrier-based Navy planes which

took part in the raid showed the strike was virtually a 100 per cent success, the Air Force said. An official spokesman said direct hits were registered on all five targets, and the world's fourth largest hydroelectric plant at Suhoi was a "pile of junk." He described the 1,400-foot row of giant transformers and other equipment as a shambles.

**DUKE HAS JAUNDICE**  
LONDON (AP)—Buckingham Palace announced today the Duke of Edinburgh has jaundice.

The Queen's 31-year-old husband has been advised by his doctors to cancel all immediate engagements. They said he would have to remain in his room for "some days."

Jaundice is a liver ailment which causes yellowing of the skin and eyeballs. It is often a mild illness.

Although widely grown in the Western Hemisphere, coffee is a native of the Old World.

One codfish can produce as many as 10 million eggs at one time.

### NOTICE TO OWNERS OF DOGS

As required by law, all dogs in the City of Sanford, Florida, must be vaccinated against rabies by June 30, 1952, and the vaccination tag continually worn by dogs in a collar or harness for the following year

In order to accommodate dog owners, Dr. Raymond L. Bass, Veterinarian, will be at the rear of the City Hall June 4 - 11 - 18 - 25 to vaccinate dogs from 1 to 3 P. M.

After June 30 all dogs found without a tag certifying that they have been vaccinated for rabies for year of 1952 will be subject to being picked up by the Police and killed.

City License Tags for dogs for 1952 are now available and owners must obtain tags prior to June 30th from the City Tax Collector, City Hall.

Cost of License Tag .25

Cost of Rabies vaccination \$1.75

W. M. Gilman,  
Acting City Manager

## Norma Stanaland Is Wed To L. R. Price

The Lake Mary home of Mr. and Mrs. Dan Desmond was the scene of the marriage of her daughter, Norma G. Stanaland, to Leonard R. Price, Sunday at 4:00 p.m. Rev. J. C. Brannon, pastor of the Church of the Nazarene, officiated at the simple ring ceremony. The vows were read under an arch of greenery, decorated with white gladioli.

The bride's only attendant was her small daughter, Judy Stanaland. Powder blue lace over tulle fashioned the wedding dress which featured a fitted jacket. White accessories completed the costume and her corsage was made up of sweet peas and roses.

For her daughter's wedding, Mrs. Desmond chose a navy shadow sheer gown, with white accessories and her corsage was of red roses. The ceremony was witnessed only by members of the bride's immediate family and intimate friends.

Following a short wedding trip, the couple will be at home in Wendell, N. C., where Mr. Price is employed by the State Road Department.

## B And PW Sponsors Party At Yacht Club

Members of the Business and Professional Women's Club entertained on Friday evening with a card party. The event started at 8:00 p.m. at the Yacht Club on the lakefront.

Canasta and bridge were enjoyed during the evening with prizes being awarded to Mrs. Sue Stephenson and Leon Ross for scoring high for canasta, and to Mrs. Marie Lee for bridge. Other prizes were won by J. T. Lewis and Mrs. Alice Nordgren.

During a short program Albert Green, soloist, sang "The Moon and "Shadrac". He was accompanied by Miss Lucille Price. Late in the evening refreshments consisting of gingerbread and a refreshing punch were served to about 35 persons. Mrs. Oscar Price was the hostess for the party. Mrs. Eleanor Ravenel was in charge of decorations and they were assisted by other members of the club.

## Mrs. Edward Little Honored With Party

Mrs. E. K. Hardison entertained recently with a shower honoring Mrs. Edward Little. Co-hostesses were Mrs. Charlotte Erland and Mrs. F. Humiston. A pink and blue color scheme was carried out in the decorations.

Games were conducted by Mrs. R. Holden David and prizes were won by Mrs. Ralph Costa, Mrs. Harold Tatum and Mrs. T. E. Copeland. Ice cream and small cakes were served by the hostesses.

Those enjoying the party were Mrs. E. A. Covington, Mrs. Edward Galloway, Mrs. A. C. Maddox, Mrs. E. W. Whitmer, Mrs. Mrs. M. D. Conway, Mrs. C. F. Lundquist, Mrs. Tom George, Mrs. S. O. Dearman, Mrs. Tatum, Mrs. Mary George, Mrs. Herbert Ross of Orlando, Mrs. David M. Williams, Mrs. T. E. Copeland and Miss Pat Owsens of New Smyrna Beach, and the co-hostesses.

Mr. and Mrs. Charles A. Hardy announced today the engagement of their daughter, Marie to Wayne Barton Nelson, son of Mrs. C. A. Nelson of St. Paul, Minn. Mr. Nelson is stationed at the Sanford Naval Air Station. The wedding will be an event of the near future.

## Personals

E. W. Copeland has left for Ridge Springs, S. C. on a business trip.

Mr. and Mrs. James Crapp and children, Ann and Billy, have left for Calro, Ga. to spend some time.

Mr. and Mrs. Bernard Wilke and family have returned to Sanford after spending a two weeks vacation in Staten Island, N. Y.

Mr. and Mrs. Frank Bohn and family of Detroit, Mich. are visiting Mrs. Bohn's sister, Mrs. Anna Taunty of Orlando.

Mrs. W. J. Thigpen of Tallahassee has arrived to spend some time at her home at 801 Park Avenue.

Friends will be sorry to learn that Mrs. Earl Dousey underwent an operation on Friday at the Fernald Laughton Memorial Hospital. She is getting along nicely.

Randall Chase has returned from Barnstable, Mass. where he accompanied his wife and children. They plan to spend the summer months in Barnstable.

Mrs. Arlene Banks has returned from the Orange Memorial Hospital and is now at the Anderson Nursing Home at 1021 Elm Avenue.

Mr. and Mrs. W. D. Hofmann returned to their home in Sanford yesterday after visiting for the weekend at Cocoa Beach with Mr. and Mrs. Leslie Bryan.

Friends of J. E. Munger will be glad to learn that he has recovered from a recent illness and returned today from the Fernald Laughton Memorial Hospital to his home at 917 Geneva Avenue.

Sgt. Le Parker Bykes, Mrs. Bykes and little daughter Cynthia, and his mother, Mrs. Charles Webster, left this morning for Alexandria, Va. where Sgt. Bykes, a veteran of the Korean campaign, is in officers candidate school. Mrs. Webster will continue to reside in Sanford.

## Nancy Webster Is Honored At Party

Friends of Miss Nancy Webster honored her with a miscellaneous shower on Monday night at the home of her parents at 1706 Park Avenue. Hostess for the party was the bride-elect's step sister, Miss Nancy Bykes.

The honoree received many lovely gifts from her friends. Those enjoying the evening were Mrs. Joseph H. Richardson, Mrs. Edna H. Longstreet, Mrs. Charles D. Webster, Mrs. R. I. Andrews, Mrs. Parker Bykes, Mrs. Carroll A. Burke, Mrs. John R. Dreame, Mrs. Merle Warner, Mrs. Harry Russell, Mrs. Porter H. Lansing III, Mrs. Leslie Kinghorn, Mrs. James Ekern, Mrs. Herman L. England, Mrs. Wayne Terhune and Mrs. Paul Bluffin. Also the Misses Jacqueline Hillis, Sara Nell Harden, Mary Lou Bowen, Juanita Bennett, Cynthia J. Bykes and Minnie May.

## Mary Ann Webster To Wed J. F. Stout

Mr. and Mrs. Charles D. Webster announced today the engagement of their daughter Mary Ann to Jack Frederick Stout, of Loganport, Ind.

Miss Webster graduated from Seminole High School with the Class of 1951 after receiving her earlier schooling in Worcester, Mass. She is working with the Southern Bell Telephone and Telegraph Co. Mr. Stout attended schools in Loganport and is at present stationed with the Navy at the local Air Station.

Mix flaked tuna of salmon with finely diced celery and mayonnaise and use as a filling for toasted hamburger buns.

## Miss Martha Wright Married In Texas

Miss Martha Earle Wright and Lt. John Wagner Miller were united in marriage on June 14 in Houston, Tex. The bride is the daughter of Mr. and Mrs. Mahlon Lewis Wright of Sanford, and Lt. Miller's parents are Mr. and Mrs. Harry U. Miller of Zieglerville, Pa.

The ceremony was performed in the Chapel of the VA Hospital in Houston by Chaplain Lacy D. Standifer at 4:00 o'clock. A profusion of mixed white flowers including daisies, larkspur and gardenias were used with greenery to form a lovely background for the ceremony. Miss Ann Michael was the soloist for the wedding and sang several pre-nuptial selections including "Benedictus" and "The Promise Me".

The bride was given in marriage by her father and wore an ankle length gown of ivory mousseline de soie fashioned with a fitted bodice, standing portrait neckline and cap sleeves. The full circular skirt was all-over vertically pin tucked. The shoulder length veil of ivory illusion fell from a tiny lace pillbox. She carried a Prayer Book decorated with three brown toned cynpoulosins.

Miss Nell Fay was her maid of honor and wore an ankle length frock of Nile green organza featuring a basque bodice, V-neckline with wide collar of tulle and organza, and very full gathered skirt with bands of tulle. She wore a half hat of soft green tulle. She carried a bouquet of Vanilla orchids. Lt. George DuBorg served as best man and guests were ushered to their seats by Lt. Wallace Finck.

Mrs. Wright chose to wear for her daughter's wedding a grey silk organza gown with pink accessories and a purple orchid.

A reception was held following the ceremony in the Nurses' Residence at the hospital. The bride's table was covered with white nylon net and studded with small white satin streamers, tiny wedding bells and white gardenias. At one end of the table was a tall arrangement of white gardenias and asters and in the center were crystal candelabra holding white tapers. A two tiered wedding cake, topped with a miniature bride and groom, was placed at the other end of the table. Prated punch was served from a smaller table decorated with the white flowers and greenery. Ivy and gardenias blanked the long mantle behind the receiving line.

Following the reception the couple left for Roswell, N. Mex. Mrs. Miller, a former Sanford resident, is a graduate of Seminole High School and the Lillie Jolly School of Nursing at Memorial Hospital in Houston and has been attending the University of Houston. She has been serving at the same time as a registered nurse on the staff of the VA Hospital.

Lt. Miller attended Drexel Institute of Technology in Philadelphia, Pa. where he was a member of Alpha Pi Lambda fraternity. He is now stationed at the Walker Air Force Base in Roswell, N. C.

A number of parties preceded the wedding including a dinner given by Mr. and Mrs. Wright at Kaphan's Restaurant. Mr. and Mrs. Wright left on Friday to return to their home at 718 Magnolia Avenue.

## Doctors, Druggists, Dentists Have Party

About 85 Sanford and Orlando doctors, druggists, and dentists enjoyed a boat trip on Wednesday afternoon. The group gathered at 2:00 o'clock at the Sanford Boat Works where they boarded the Roumillat boat "Sky-lark" and cruised to Lemon Bluff where they anchored and enjoyed a picnic supper. A delicious menu included of ham and turkey as the main dishes. Dr. Frank L. Quillman was in charge of arrangements for the affair.

## HAPPY BIRTHDAY

Dr. J. N. Robson, Charles Foscoch, Patrick Emondson, Johnny Currie, Frankie Currie, Eddie Willis.

## Martina Irby And John Evans Married

Miss Martina Irby, daughter of Mr. and Mrs. William Irby of Saugus, Mass., became the bride of John Evans, son of Mr. and Mrs. Frank Evans of Lake Mary, at high noon on June 11 at St. John's Episcopal Church in Lynchburg, Va. The ceremony was performed by Dr. Robert A. Magill of St. John's Church. He was assisted by Col. Herbert P. Dreyse, U. S. Army, of Ozark, Ala., a friend of the Irby family. Forming a lovely setting for the ceremony were the graceful arrangements of mixed white flowers on the altar.

The bride was given in marriage by her father. She wore a ballerina length dress of ivory lace fashioned with a round neckline and very full skirt. She wore a cloche of the ivory lace, string of pearls, a gift from the bridegroom, and carried a cascade bouquet of pink roses and larkspur.

Her only attendant was her sister, Miss Judy Irby, who wore a gown of rose colored lace, fashioned similar to the bride's dress. She carried a bouquet of matching rose and yellow flowers.

Mr. Evans chose as his best man, Harold Aschbacher, of Boston, Me. and groomsmen were Wemy Scott of Rochester, N. Y. and Donald Foyler of Lowell, Mass. They were all classmates of the bridegroom at Lowell Textile Institute in Lowell, Mass.

Mrs. Irby, mother of the bride, who was a classmate of Madame Chiang Kai Shek at Wellesley College where Mrs. Irby graduated, wore a suit of natural colored shantung with pink hat and corsage. The mother of the bridegroom, Mrs. Evans, chose for the occasion a Dior blue shantung suit dress with white accessories and corsage of pink and white.

Immediately following the ceremony Mr. and Mrs. Irby entertained with a reception at the Columns in Lynchburg. About 100 guests called. A three tiered wedding cake was served on a silver table. The bride's book, which was centered with white roses and greenery. Punch was served from another table from silver punch bowls placed at each end of the table. Blue and white flowers were in the center. The bride's book was kept by Miss Martha Irby, cousin of the bride, of Blacksburg, Va.

Later in the afternoon the couple left for Virginia Beach, Va. The bride wore for traveling a green shantung suit dress with matching hat and corsage of roses from her bridegroom. After July 1, Mr. and Mrs. Evans will make their home in Medford, Mass. The bridegroom is connected with his father in the textile business in Blacksburg, Va.

The bride received her Bachelor of Arts Degree on the campus of Randolph College in Lynchburg, Va. On Sunday evening, preceding the wedding, the Evans and Irby families were entertained by Dr. and Mrs. Paul Munro at their home in Lynchburg. Dr. Munro is a classmate of Mr. Irby's at Randolph-Macon College for Men in Ashland, Va.

## Sheln Marie Moore, David Ceresoli Wed

A morning wedding at St. James Catholic Church (Lynchburg) united in marriage Miss Sheln Marie Moore, daughter of Mr. and Mrs. Frank Moore, and David Ceresoli son of F. J. Ceresoli of Sanford on June 20.

The Rev. John H. Brennan officiated at the double ring ceremony. The bride selected a white suit which was complemented by a matching hat and veil. She carried sweetheart roses which rested upon a white prayer book. Miss Helen Alexander, cousin of the bridegroom, was maid of honor, and John Ceresoli of Lynchburg served as best man.

Mrs. Ceresoli attended local schools in Sanford and also St. James school in Orlando. Mr. Ceresoli graduated from Seminole High School with the class of 1946 enlisting in the United States Navy in 1950. He is assigned to the Destroyer USS Geary which has just returned from duty in the Mediterranean. After a short wedding trip the couple will leave for Norfolk, Va. where they will make their home.

## Lt. Laurier Beard To Wed In Daytona

Of interest in many friends in Sanford and at Stetson University is the announcement being made today of the engagement of Miss Betty Filippo to Lt. Laurier Allen Beard, Miss Filippo is the daughter of Mr. and Mrs. Robert D. Filippo of Umatilla and Daytona Beach, and Lt. Beard's parents are Mr. and Mrs. Robert L. Beard of this city.

Miss Filippo is a native of Daytona Beach where she attended Mainland High School. She recently received her BS Degree at Stetson University where she was a member of The Honor, Phi Kappa Chi, and Phi Alpha social fraternities, student government, BRU and Woman's Council.

Lt. Beard received his schooling in Sanford where he graduated from Seminole High School in 1940. He received his BA Degree from Stetson in January, 1944. Beard was active in a number of student activities, serving as president of Lambda Chi Alpha, Captain of Ye Mystic Crew and a member of the Men's Council. Miss Filippo and Lt. Beard were mayor and hostess of homecoming activities at Stetson last November.

The wedding will take place Aug. 31 at the First Baptist Church in Daytona Beach with the Rev. Lee Nichols performing the ceremony.

## Square Dance Slated At Mayfair Courts

Invitations have been issued to 450 square dancers through Central Florida to attend a square dance at the Mayfair Inn tennis courts beginning at 8:00 o'clock Thursday night. Don Dean, chairman of the Seminole County Chamber of Commerce, Square Dance Festival Committee, announced today.

Caller for the occasion will be Jimmie Clossin, famous Casselberry and El Paso, Tex. square dance teacher. Square dancers who have been invited include members of the Orlando Powers and Promenaders, the Merry Mixers of Apopka and Winter Garden, the Circle Eight and the De St. Du Club.

Clossin is one of square dancing's modern-day veterans. He has traveled the length and breadth of the land in behalf of the popular dance which he knows so well. He has been in demand by city recreation departments the nation over, and has been retained for instruction purposes by schools and colleges in all sections of the country.

He taught, for college credits, at Louisiana State Teachers' College, the state teachers' college at Greeley, Colo., Lincoln Memorial University in Tennessee, Texas Tech. University in Lubbock, Tex.,

Jimmy Clossin, caller for the occasion, is one of square dancing's modern-day veterans. He has traveled the length and breadth of the land in behalf of the popular dance which he knows so well. He has been in demand by city recreation departments the nation over, and has been retained for instruction purposes by schools and colleges in all sections of the country.

He taught, for college credits, at Louisiana State Teachers' College, the state teachers' college at Greeley, Colo., Lincoln Memorial University in Tennessee, Texas Tech. University in Lubbock, Tex.,

Wholesomeness, friendliness and neighborliness are things that spring from well-orchestrated square dancing, says Clossin. "There is the charm and courtliness of the gay pace with the attendant cutseys, plus gingham and callie gowns for the ladies, western attire for the men folk," says Jimmy "and then folks just bust loose with an abandon of the music and some real dance partners."

He'll tell you that square dancing has everything. There are the social and music aspects, the practical and the fun, and then the practical speed and

principles of well-designed and appealing dance creations. Clossin is himself the originator of many routines.

The trained dancer, in fruit and in a whip, in a rolled fruit basket, and in a variety of other routines.

There are small pieces of pear, the traditional social dancing, and the partner left in the box and then the practical speed and

# Buddy Lake Opens Poll For North-South All-Star Teams

**Sanford's Diamond Hero Labels Red Roberts As Most Popular In Loop**

Buddy Lake, one of the greatest players in the annals of the Sanford baseball saga, today opened the Sanford Herald's All-Star poll to determine the players who will represent the North and South teams in the Florida State League's classic to be played here in the night of July 25.

The Sanford immortal selected Bill Steineke to manage the North and Ed Levy to direct the South side, while DeLand and Cocoa are the perennial "old pros" Red Roberts received the nod for the most popular player in the league.

In analyzing both clubs, Lake said, "Without a doubt the North team is superior in balance, Buddy Lake hitting, and in almost every other department. The only thing the South can boast of is spot power from the bats of Ed Levy and Jack Aleno."

He predicted that the North should walk away with the game. "On paper the North can't be beaten, but you can't tell sometimes the teams on paper aren't the winners," Lake observed.

In making his selections, Lake stated that he wasn't going to pick his fellow with the fat batting average, but would pick the man he thought could best fill the bill in the field as well as at the plate.

On the North team Lake nominated five Red Hots for the eight field positions. In his infield the DeLand flavor is most pronounced. Jack Cade is at third, Hat Manager Charlie Brewster at second and of course Red Roberts is stationed at first. The only "outfielder" to make Lake's inner circle was Ray Sondermeyer, Palatka shortstop.

In the outfield two Jay Hosen Sox Hirts were chosen. Buddy's brother, Hank, and Manager Leon "Red" Treadway, Ken Braeseke of DeLand snared the center field post, but receiver Tony Laine is Lake's choice for catcher.

On the rubber "Buddy" picked Tom Hill, Jack Beach, Joe Pennington, Palatka and Ed Casque of Daytona Beach.

On Lake's South roster, five Orlando players were named including two pitchers. They are Levy at first, Hip Sewell and Al Onulak on the mound with Bill Shuren in left and Don Ford behind the plate. Lake's choice of Ford as his receiver is noteworthy since it was Ford who caught Buddy back in 1918 when he hurled and battered Sanford to a 19-inning win in DeLand.

Lake listed three Sanford players in his lineup: Chuck Johnson at third, John Imbra at second and Chico Corra on the mound with Bill Shuren as pitcher. Bill Collins and Chico Fubora were so named from Lees Ferry. Collins was selected for left field and Fubora, ordinarily a second base chieftain, was shifted to short "because the South just doesn't have a good shortstop."

Lake put only one Cocoa player on the line up and that was Pete

## The Sports Register

By KENT CHELAIN  
Sports Editor

Every sports fan or scribe goes off on the limit at one time or another and that is exactly what we are going to do today. Elsewhere on the page you will note that incomparable "Buddy" Lake has launched our "Fans' All-Star poll. Every fan is entitled to tear out the names in the Herald and send in their selections which will be counted in a league-wide poll of fans which will be conducted by newspaper and radio stations.

The all-star classic will return to Sanford and is to be played in the fabulous \$100,000 Memorial Stadium on the night of July 25. The fans will choose the players, managers and the most popular player.

It was back in Al Pitillo 1919 when baseball was at its zenith in Sanford that the all-star game was established. That was the year when Sid Hudson was virtually burning up the FBI with his blazing fast ball. The final count of paid fans in the old Municipal Stadium reached 4,132 for that all-star game.

Getting down to cases, we will go on record as picking Ed Levy for the manager of the South and that ex-Major League great, who has plenty of baseball savvy, Red Keres of Daytona Beach to pilot the North. Without a doubt that zany FBI character, Red Roberts of DeLand is the most popular in the circuit among the fans. He has the knack of drawing the fans and can back up his antics with sharp timely hitting and pitching.

If records and this year's performance means anything in a single game, we must admit that our South team will be in for a rough time. The North can field a team with eight solid 500 or better hitting players. The South boasts of only six with Aleno's .330 being tops as compared to the .402 average of Red Treadway, Jax Beach outfielder and manager.

For the North we select Red Roberts (.390) at first, Bob Rucker (.391) at second, Skeeter Hiller (.317) at short and Jack Cade (.381) at third. In the outfield Red Treadway (.402) leads the trio of Howie Tesnow (.361) and Al Pitillo (.331). The reason we picked Pitillo over, Ken Braeseke (.350) or Floyd Cliff (.353) is that the North must have a long ball hitting flycatcher and Pitillo hitting that department among the top hitters with seven homers.

For catcher we think Robertson (.355) of Jax Beach, Joe Pennington (.304) for his more consistent hitting and speed. In the hurling department Tom Miller's 16-1 record deserves him a place with Bob Hill Robertson Miller (9-4) and veteran south-paw Joe Pennington (8-4).

The Press Box Patter: Frank Smith fanned four times and hit into a force play after tripling home two runners in the first frame to drop his average from .444 to .333. Smith tossed out Howie Tesnow at third on a pick-off play. It was the first time Tesnow has been caught on the bases this season by a Sanford catcher. Tesnow paces the circuit with 44 stolen bases. George Kenia rapped out three straight hits during the course of last night's contest and was credited with two RBIs. Daytona: AB H O A

Fraser 821 of the Sanford Naval Auxiliary Air Station is currently undefeated in the Orlando Recreation League and is the top favorite to win the loop. They have won 18 straight. The team members are, seated from left to right, Leo Kelly, Cliff Casque, Joe Martin, Jack Perry, Al Ross, Morris Hall, and Fred Meyne. Standing, left to right, L. M. Union, Athletic Director, Maurice Supry, Ronald Brown, Allan Chaffee, Emile McCanta, Floyd Buras, Manager and Coach, Irving D'Alate, Conrad Greasy, Dick Hobson, Tony Barbara, and Joseph Smith, Assistant Manager. The team is composed of members of Fleet Aircraft Service Squadron 821.

## Blues-Byrd Seek To End Losing Skain With Cocoa Here Tonight

The skidding Seminole Blues will tangle with the hapless Cocoa Indians in the Memorial Stadium in quest of the first Sanford win of the second half. Murray Byrd with his accelerated slider pitch will be seeking his ninth win of the year in 16 decisions for the Blues when he starts on the rubber this evening.

Last night the punchless Blues left 16 runners stranded and committed five errors to hand the Daytona Beach Islanders a 8-4 10-inning victory before an estimated 500 fans in the Memorial Stadium. Jurgis Rivero, Murray Byrd, who personally contributed two hits to his own cause, was charged with his seventh loss of the year as against his six triumphs.

Manager Chuck Aleno furnished some joy for statisticians when he blasted out his 15th homer of the year in the fifth with the socks empty. It gave the giant manager 53 runs-batted-in and placed him within 37 of Buddy Lake's FBI record of 140.

Bookie sensation Frank Smith started off in an impressive fashion with a triple to drive across two Sanford tallies in the first frame, but the lanky speedster was stymied by the smooth offerings of Ed Casque, who registered his ninth win of the year in 12 decisions, the rest of the way.

The three-run first inning staked the Blues an early lead which they maintained until the 1's tied the count in the fourth with a two-run frame. Daytona took a 6-4 lead in top of the eighth only to see it knotted by the Blues when Paul Rakow, Frank Santora, and Joe Parise singled which was followed by an intentional pass to Aleno and another base on balls to George Kenia.

Both clubs remained scoreless in the ninth but Daytona came back in the 10th when Dick Renner singled and was sacrificed to second by Ed Cook, Bob Rucker ran for Renner and came home on Hank Geary's fourth straight hit, a double.

In an attempt to pick off Geary, Smith threw over the head of shortstop Chico Gonzalez into center where Buddy Groat bobbed the ball permitting Geary to come home with the final run of the game.

## Derby Officials To Inspect Local Soap Box Racers

Miller Phillips Jr., Central Florida Soap Box Derby chairman, and Russell Braumbaugh, another derby official, will be in Sanford Wednesday night at the Holler Motor Sales display room to show films of the National running of the derby and to also inspect several local racers. It was announced today by C. E. Hittel, local derby director and sales manager of Holler Motor Sales, that the National Soap Box Derby will be run off at Derby Hill in Orlando on July 12, are requested to attend Wednesday night's session. Everyone is invited, especially sponsors of the individual boys entered, Mr. Hittel stated.

## Wilson-Maler Stops Robson Win Streak

A 14-run outburst by Wilson-Maler softball team proved more than enough to whip Robson's 11-8 last night at the Lakeland Diamond. Second place Wilson-Maler drew within one full game of the first place Robson nine. The loss was the first of the season for Robson.

The third place Navy team gained a full game on the league leaders by winning a forfeit, from last year's pennant winning Hunt-Mercury club. Currently the 1931 winners are floundering in the cellar with but one win in six contests.

Tomorrow night Wilson-Maler opposes Hunt-Mercury and the league leading Robson nine will clash with the Navy in a doubleheader at the Lakeland Diamond. First game will begin at 7:30 p.m. and the second contest will start at 9:00 p.m.

## Chester To Appeal \$150 Fine In Sand Pouring Incident

Judge Carlyle Housholder \$150 fine or 60 days in jail imposed on Ellie Myers Chester, Lake Mary, yesterday afternoon in the City Court will be appealed. It was revealed today when William Hutchinson, Jr., attorney for Chester, stated that the defense had uncovered new evidence.

Chester was fined along with Rube Bedenbaugh, 16, of Sanford, for pouring sand into the engine of Ken Burkhardt's car on the night of June 14. The incident was supposed to have taken place during the bitterly-contested Palatka Sanford game in which the Azuleas won, 4-2.

Bedenbaugh turned states evidence by admitting he held up the hood while Chester poured the sand into the oil intake. Burkhardt had to pay \$150.72 for repairs to his engine.

Others attending last Friday night's meeting were Thomas and Mrs. Elmer Miller, Mrs. J. A. Stringer, recreational director, Mr. Scott, Mrs. P. Bergers and Bob Pullen.

## Rollaway Babe Is Top Greyhound At VCKC This Season

DAYTONA BEACH (Special)—A fleet lady named Rollaway Babe is busy building a handsome reputation as top greyhound at the Volusia County Kennel Club this season.

Jess Bingham's ace started out by winning the inaugural race in a hurry. Rollaway Babe now holds an impressive record of three victories and one second in five feature race starts. The dark brindle daughter of West Flagler showed her best form in her last out, beating the top box of greyhounds at the popular VCKC by five lengths.

Such smashing success is nothing new to Rollaway Babe, for she was the hottest article on the big Rayham, Mass., track a year ago. She compiled a record of seven straight victories and was so highly regarded that dogs finishing second to her received six purses.

Rollaway Babe, who responds to the kennel name of "Dirty", according to Trainer Henry Bingham, is an extremely smart greyhound. She hugs the rail like she was attached to it most of the time and is quick to slout through the smallest openings. Bingham, who says Rollaway Babe is one of the finest greyhounds he has handled in 30 years of racing, expects to see his pride and joy leading the pack all season.

Old Skeet, winner of the Orange Park Derby in Jacksonville and holder of two straight wins here, French Blue, Marching Mike, Sun Master, Sand Song, Jack Archer, Gato and Sauer Step are just a few of the ferming at the VCKC this year.

The meet, in its third week, continues to smash all former records. Both mutual handle and attendance are well up over the record 1931 season.

### Chief Complaints On Both Sides Told By Rent Director

Tenants in Seminole County are being protected from the local area rent office against illegal evictions, reduction in services and rent overcharges. The principal complaints of landlords are that tenants are wantonly or carelessly damaging the property they are renting, that they maintain a nuisance on the premises or that they fail to pay rent on time.

That is the way Area Rent Director W. R. Williams reviewed the situation today after five months of operation under the amended federal rent stabilization program approved by Congress last July 31. The Rent Director pointed out that both he and the local Rent Advisory Board try to be as fair and impartial as is humanly possible in dealing with landlords and tenants even though not all the situations that reach the area rent office are simple.

For example, a landlord has a legitimate grievance against a tenant who sub-leases without notifying him if the rental agreement provides that the landlord be notified. A tenant who seeks redress on an overcharge claim may say either that rents have been raised or that his landlord has reduced his services while keeping the rent unchanged, but to prove the second allegation isn't always easy.

"What many tenants forget is that they cannot claim any services that the landlord was not required to provide under the rent regulations," Mr. Williams explained.

"However, if the landlord has reduced or eliminated required services, the area rent office has the power either to get the services restored or the rent reduced.

"The rent law gives protection against illegal evictions and it spells out pretty specifically what is meant by illegal," he added.

"For example, a tenant may not be evicted for failure or refusal to pay over-renting rent, because his lease has expired, because the landlord wants to offer the property for sale while vacant, or because the landlord wants to put friends and relatives in the unit. There is an exception here. The landlord may evict to provide a vacant unit for his parents or his child."

In addition to maintaining a nuisance which is one important ground on which landlords legally may evict, the use of the dwelling for illegal or immoral purposes is also a ground for eviction, the area Rent Director said. Eviction is legal also for non-payment of legal rent.

The local Rent Advisory Board made up of residents here who volunteer their services, may make recommendations on individual rental problems, as well as general rent problems, Mr. Williams emphasized.

#### STAMPS ISSUED

JACKSONVILLE (AP) — Collector of Internal Revenue John L. Fahn Monday sent out notices in Florida's 870 holders of federal occupational gambling stamps that they expire June 30. He said renewed stamps, which cost \$50, may be purchased from his office here during July.

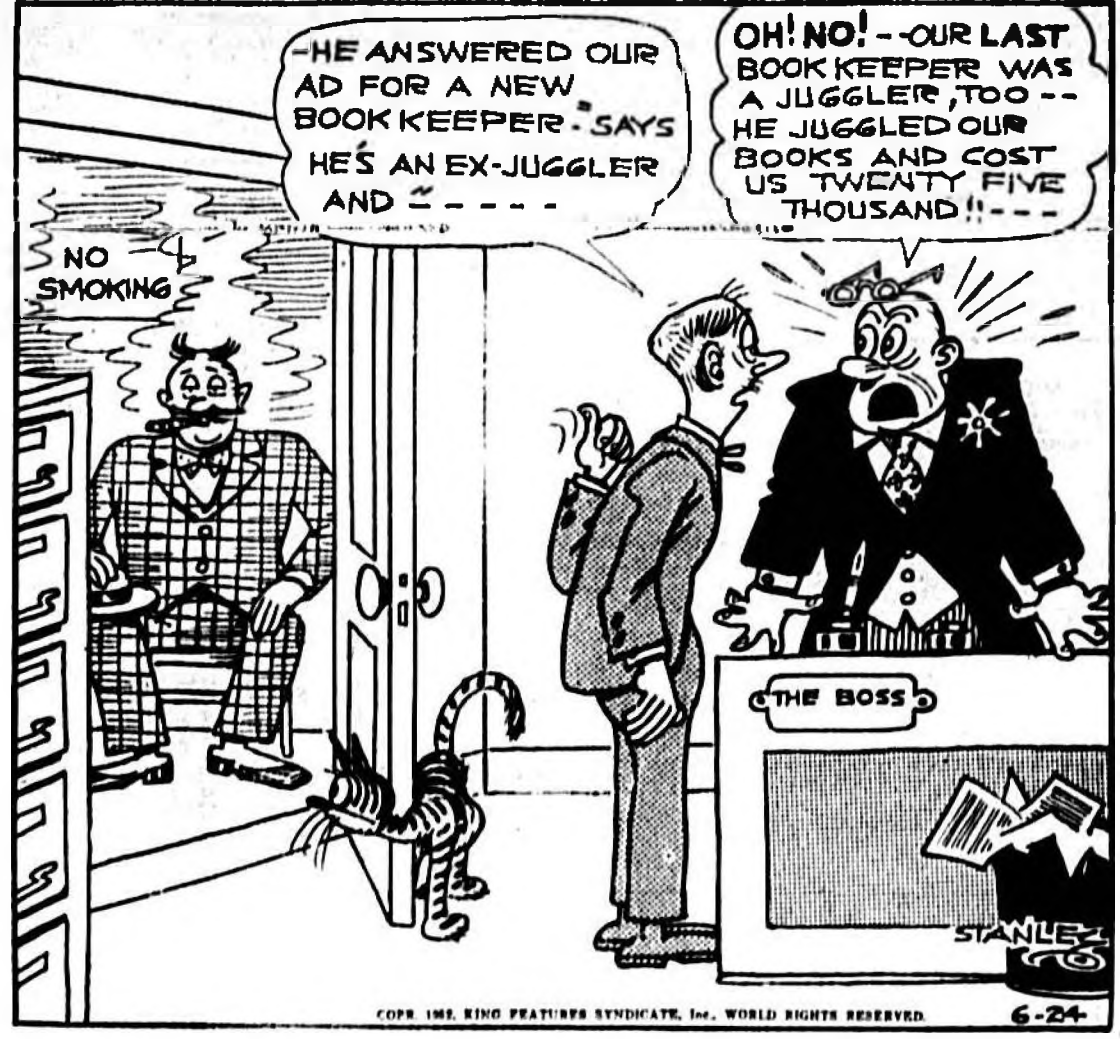

Five new stamps were issued Monday, one going to Henry Freuchy Henderson, Rial Route 2, Box 48, 216 W. Euclid, Deland.

If you want a meat or fish loaf to be moist after baking, add enough milk so that the loaf barely holds its shape before you put it in the oven.

### THE OLD HOME TOWN By STANLEY

### Daytona Gets Time To Provide Equal Colored Facilities

JACKSONVILLE (AP) — Daytona Beach has a "reasonable time" to provide separate, equal facilities for Negroes in its municipal Peabody Auditorium.

A final judgment and declaratory decree issued by Federal Judge Bryan Simpson Monday enjoined the city and the Peabody Auditorium Advisory Board from excluding Negroes from any performance open to the public. The decree said banning Negroes was "arbitrary, capricious, discriminatory and contrary to the Constitution and laws of the United States."

"Equal privileges and opportunities for whites and Negroes in use of the auditorium was also ordered."

The decree said affairs sponsored by "private organizations such as the Civic Music Association, the Lion's Club and the like, with the right to select their own members and their own audiences," who lease the auditorium from time to time and have done so in the past, are "outside the issue presented in this suit and are not within the scope of the permanent injunction."

### 'Solid South' Help Called Necessary For Republicans

MIAMI (AP) — The Republicans need some support in the "Solid South" to win the presidential election this fall, according to Kirk A. Landon, Miami, chairman of "Florida-for-Eisenhower."

"Without support in the Solid South, the Republican prospects, based on the 1948 election and the more recent trends indicated in state gubernatorial elections, do not appear to offer much encouragement," Landon said in an interview in today's Miami Herald.

The Miami said Gen. Dwight D. Eisenhower is the only Republican candidate who can break into the solid Democratic South and win the November election.

### Policemen Fined In Civil Rights Fight

CHICAGO (AP) — The chief of police and two policemen of suburban Cicero were fined a total of \$2,500 Monday as the result of riotous July 1951 when a Negro family attempted to move into the all-white suburb.

Federal Judge Walter J. Labuy fined Chief Erwin Konovsky \$2,000 and Sgt. Roland Brant and Patrolman Frank A. Lange, \$250 each.

The three were convicted by a federal jury on June 4 of denying the civil rights of Harvey C. Clark Jr., a Negro who attempted to move his family into a Cicero apartment. The jury also found Konovsky guilty of conspiring to deny the civil rights of Clark.

### HOLLYWOOD By BOB THOMAS

HOLLYWOOD (AP) — "Where do they get all that stuff?" asked Shelley Winters.

She was referring to the rumor mongers who have reported that she and bridegroom Vittorio Gassman were fighting. She continued: "That's a lot of hooey, Vittorio and I get along great. We have differences of opinion, but our basic ideas are the same. Besides, we never fight."

"We discuss," remarked Gassman, a fellow of few and well-chosen words.

I had gone to lunch with Gassman to discuss Art and such matters. But Mrs. Gassman dropped in to break bread with us and somehow the subject got into domestic matters. Like arguments.

"After we went to Mexico, somebody printed that we were breaking up," said Mrs. Gassman. "Now how can they do that? Why we only had one big argument, and that was over Vittorio's driving. He's a very good driver, but European style. He'll drive 60 miles an hour but he'll break another car. I didn't go for that, and I told him so."

"Our only major difference," marked the Italian, "is in philosophy of acting. Shelley, like most American actors, believes in the realistic kind of acting. I have been schooled in the classical stage, and I believe in a more stylized kind of acting."

The waitress brought Gassman's order, which was bacon and eggs. "Hub, look at this Shelley, she's acting pretty Americanized, aren't you?"

"We invented this dish," Gassman countered. "Columbus brought it over with him." This sort of banter goes on all the time. Gassman is playing in his second U. S. film, and I asked him for his impressions of America.

"As for Hollywood," he replied, "it is exactly what I expected. Every fantastic thing I ever heard about the place is true. I did not like New York very much. The tempo is too fast, and the buildings are ugly. Except at night, New York at night is very beautiful."

Gassman has a unique contract with MGM which permits him to spend six months of each year in his native Italy. "They did not want to give it to me, but I insisted," he explained. "It is not easy to break the ties with your home country. Besides, I think it is important for an actor to return to the stage, which is the primary medium."

The actor, who has done 30 films and 75 plays, plans to perform "Hamlet" on the Rome stage next season. Does that mean Shelley will be doing an Italian Opbellati?

"No, her accent would not be good enough to do classical," he said. "Besides, she is not the Opbellati type."

### Sticky Weather Is Outlook For Wide Areas Over Dixie

By The Associated Press  
Hot and sticky weather was the outlook today for wide areas in the Central and Southern portions of the country.

Wind and rain storms swept Midwest areas during the night, with heavy damage to property and crops in some sections. The thunderstorms, accompanied by winds which reached near tornado velocity in some parts of Iowa, hit over Iowa, Wisconsin, Minnesota and Northern Michigan. In Iowa, the storm disrupted communications, demolished farm buildings, uprooted trees and telephones and killed livestock.

A hot-humid belt extended southward from the Great Lakes region and eastward from the Texas Panhandle. A few low temperatures during the night were as high as 80. Readings Monday included 107 at Mill City, Kan., 103 at Amarillo, Tex., and 98 at Omaha and Paducah, Ky.

Temperatures were around normal levels in other areas. There were showers along the Central Atlantic Coast and over the Upper Ohio Valley. Light rains fell in the Central Rocky Mountain region.

### Typhoon's Toll Is Heavy As It Rakes Japanese Islands

TOKYO (AP) — The edge of a typhoon hit Japan today and brought death and destruction on portions of the four main islands.

At least 63 persons were killed and the toll was rising as reports came in over battered communication systems. The casualty toll included 27 injured and 58 missing.

The Japanese Coast Guard said fishing boats with 254 persons aboard also were unaccounted for. Some may have been blown to sea.

The storm hit Monday night. It began blowing out to sea by midnight.

Torrential rains raised the Nagato River to flood stage. A thousand men are fighting breaks in its banks in an effort to prevent flooding around Miyazaki and Gifu, 250 miles west of Tokyo.

National rural police reported 8,000 homes damaged by the wind and rain which in many places amounted to one cent of the annual rainfall. Tokyo was hit by 50-mile winds and four inches of rain.

### Trip To Mexico

(Continued from Page One)  
The actor, who has the smallest and most primitive country village, the mountains also surprised him, Mr. Stowe said. They were far more formidable, more treacherous, and more beautiful than he had imagined.

Among the entertainments provided for the Rotarian visitors during their stay in Mexico City, Mr. Stowe related, were bull fights, a "Charro" festival, featuring Mexican music and dance and horsemanship by a group of Charros, sort of gentleman cowboys, who correspond more to a riding club in this country, and a folkloric festival featuring costumes, music and dance of each Mexican state. This last, he added, was spectacular to a point where even Hollywood could be envious.

The Rotarians also attended a concert by the Mexican National Symphony Orchestra of the Institute of Fine Arts which featured three centuries of classic, romantic, and modern music by Mexican composers.

The Rotarians were much impressed by the progress of the Mexican country. He said, although the country has still a long way to go, particularly in regard to sanitation, it has undertaken tremendous steps toward modernization and is one of the most rapidly growing nations in the world.

### LAKE MARY By VIRGINIA P. ANDERSON

Mr. and Mrs. Frank Evans Jr. and their two sons, Allen and Richard, and their daughter-in-law, Mrs. Richard Evans of Boston, Mass. were in Lake Mary, last Wednesday, on their vacation tour of the state.

Miss Mica, J. M. Barkdale and Mrs. Don Riley and children of Dannelton, were guests of Mr. and Mrs. J. R. Walls Sunday. Miss Judy Barkdale, who has been visiting the Walls, returned with them.

The Misses Betty and Dorothy Frederick of Montgomery, Ala. are visiting their uncle and aunt, Mr. and Mrs. L. C. Tillis.

Mr. and Mrs. L. E. Roberts and two children are vacationing in Maryland.

Mr. and Mrs. Roy Hillstrom and children of Green Cove Springs spent the Father's Day weekend with his parents, Mr. and Mrs. J. A. Lovd.

Mr. and Mrs. H. J. Keefe and Mrs. W. P. Burke and her daughter, Mrs. W. P. Burke and granddaughters, Dorothy and Gavin Burke, attended the Sweetwater Church Homecoming, near Pearson, Ga. Mrs. Burke and Dorothy returned the following Monday, but the other two remained to visit relatives.

Wife-Whide was on a fishing trip in Georgia, this past weekend, going there with O. P. Westmoreland and his son, Donald.

Mr. and Mrs. Barnett Harrison of Orlando were the guests of her mother, Mr. and Mrs. Z. E. Smith, Father's Day weekend.

Mr. and Mrs. Frank Evans have returned from Lynchburg, Va., where they were present at the marriage of their son, John, to Miss Martina Ivey. On the way home, they stopped at Bedford, Va., and visited B. A. Norris, former Lake Mary resident, who is now living at the Elks' Home there.

Buddy, Gloria, and Dwight Flowers are visiting in Georgia, with their grand-parents Mr. and Mrs. Flowers.

Mr. and Mrs. Leon Steinhilber and daughter Ethel Ann spent the weekend ending with Mr. and Mrs. Robert Lee and daughter at New Smyrna Beach, while there they attended the Sea Side Fiesta.

Mrs. E. E. Norwood and Miss Norine Norwood are on vacation in Texas visiting relatives. Mr. Theodore Dighealy of Atlanta, Ga. visited here with his parents, Mr. and Mrs. Jim Dighealy. Mr. Dighealy has returned to Gainesville where he attends summer classes at U. of F.

Mr. and Mrs. W. L. Hiers are visiting their daughter-in-law and son, Mr. and Mrs. W. L. Hiers Jr. and family in Georgia. Mr. and Mrs. Hiers will go from Georgia to South Carolina.

Mrs. Wilbur Nolan and children are visiting in Ocala.

### DIPS AT 100

HOLLYWOOD (AP) — Eight weeks after she celebrated her 100th birthday, Mrs. Silletta Visentin died Monday. Her son, Joseph, said it was the first illness of her life.

Mrs. Visentin moved here from New Jersey three years ago because the climate is similar to that of her native Venice in Italy.

### Janice Reel Given Party On Birthday

Mrs. L. E. Reel, assisted by Mrs. Milton Moore, entertained on Friday at Green Springs honoring her daughter, Miss Janice Reel, on her 17th birthday. The guests enjoyed swimming and a delicious picnic supper.

Those invited to be with the honoree, Miss "Red", were the Misses Beverly Gray, Lucie (Goff) Leonard, Ann Babson, Joan Wright, Alice Brown, JoAnn Moore, Gail Biting, Betsy Ann Carter, Sylvia Hayes, Lynn, Larry and David Reel and Joe Moore.

### Elder Springs

By MRS. MARGARET TENDRIL  
ELDER SPRINGS (Special)  
Mrs. Walter Gay was honored Thursday evening at the home of Mrs. O. P. Wade with a miscellaneous shower.

Prizes were won by the Misses Ralph Peters, R. W. Lord, H. A. Stenmeyer. Refreshments of wedding cake, punch and mints were served to the following guests: Misses C. C. Janner, J. P. L. Roache, Arnold Tindel, R. E. Solderblom, H. A. Gooding, W. H. Greene, Clifford Johnson, Ralph Peters, R. W. Lord, L. I. Long, H. A. Stenmeyer, Leo Stenmeyer, John H. Wynn, Annie Mandon, Cecil Fields, Henry Dees, Ruth and Ann Jett, Linda Solderblom, and Nancy Ann Drew.

Hostess, Mrs. O. P. Wade, co-hostess, Miss J. P. L. Roache, J. H. Dunaway, C. C. Hanner.

Mr. and Mrs. J. H. Tindel of Lake Monroe visited Mr. and Mrs. Arnold Tindel and sons recently. Mr. and Mrs. John H. Wynn has as their guest their granddaughter, Miss Jean Townsend of Orlando.

Buddy, Gloria, and Dwight Flowers are visiting in Georgia, with their grand-parents Mr. and Mrs. Flowers.

Mr. and Mrs. Leon Steinhilber and daughter Ethel Ann spent the weekend ending with Mr. and Mrs. Robert Lee and daughter at New Smyrna Beach, while there they attended the Sea Side Fiesta.

Mrs. E. E. Norwood and Miss Norine Norwood are on vacation in Texas visiting relatives. Mr. Theodore Dighealy of Atlanta, Ga. visited here with his parents, Mr. and Mrs. Jim Dighealy. Mr. Dighealy has returned to Gainesville where he attends summer classes at U. of F.

Mr. and Mrs. W. L. Hiers are visiting their daughter-in-law and son, Mr. and Mrs. W. L. Hiers Jr. and family in Georgia. Mr. and Mrs. Hiers will go from Georgia to South Carolina.

Mrs. Wilbur Nolan and children are visiting in Ocala.

### DIPS AT 100

HOLLYWOOD (AP) — Eight weeks after she celebrated her 100th birthday, Mrs. Silletta Visentin died Monday. Her son, Joseph, said it was the first illness of her life.

Mrs. Visentin moved here from New Jersey three years ago because the climate is similar to that of her native Venice in Italy.

### Enterprise Notes

By KATHERINE SELLERS

The Rev. and Mrs. Edward Kircher were honored at a farewell party last week prior to their departure for Pinecastle where he was recently assigned. During the program a duet was sung by Misses Gladys and Lewis and Imogene Lewis followed by a reading by Mrs. Paul Drawdy.

A quartet composed of Chad Allen, Gene Revelle, Roxanne Henderson and Warren Jackman sang "Soon Ah Will Done With the Tribles of the World" and "Dry Bones". During the social period a gift of money was presented to the honored guests in appreciation of their service here.

At the request of the group Rev. and Mrs. Kircher sang a duet together using one of their theme songs. The gathering was dismissed with the entire group joining in a circle and singing "Hail Be the Tie that Binds".

Miss Dorothy Harrell left Saturday for Orlando where she has accepted a position with the American Fire and Casualty Co. for the summer months.

Miss Ann Sikes has gone to Tifton, Ga. where she will spend a vacation with Mr. and Mrs. Foster Hadden.

Lesley, Martha and Hugh Whittle left last week for Havana, Fla. where they will spend the week. Mr. and Mrs. Barney Whittle.

Jim Daniels left Tuesday to make his home with his father in Asheville, N. C.

Rev. and Mrs. Alvis Herring and three children of Monticello, Ark. were visiting on the home campus last week.

Mr. and Mrs. Robert Lee and daughter, Sharon, of Avon Park are enjoying several days with his parents, Mr. and Mrs. Fay Lee. On Wednesday afternoon the group was joined by Mr. and Mrs. J. G. David and daughter, Brenda, and went to Daytona Beach for a swim and picnic lunch.

Mr. and Mrs. Ralph Coulette returned Monday after spending two days visiting his parents in Panama City and enjoying some deep sea fishing.

Warren Jackman was guest of honor at a farewell party held Thursday at Daytona Beach given for him by the intermediate class of which he has been serving as teacher. Following a verbal roast with all the trimmings, a watermelon cutting was enjoyed.

Others attending the outing in addition to the members of the class and the honored guest were Mrs. Irene Jackman, Mrs. Charles Thompson and Mr. W. J. Showerman.

Mrs. Cecil Sellers honored her daughter, Connie, with a party held Friday afternoon celebrating her third birthday. The children played outdoors before being served refreshments on the lawn.

The hostess was assisted in serving by Mrs. Truman Jennings and Mrs. Don Stowell. Playmates invited were Linda and Fatsy Long, Jimmy, Danny, and Alvin Braddock, David Wiseloh, Dickie and Christina Rivenbark, Maxine, Donna, Corky and Vince Stowell and Robert Sellers. Others at-

tending were Mrs. Bill Wiseloh, Mrs. H. C. Peterman and her mother, Mrs. Alver Carter, Mrs. Aletha Evans, Norma Evans, Marie Goodwin, Mrs. Kirby Sellers, and Mr. and Mrs. Robert Allen of DeLand, grandparents of the honoree.

Warren Jackman left Friday to spend the weekend with his sister, Susan, in Lexington, Ky. enroute to the National Convention of the Key Club which will be held next week in Chicago. Following the convention, Warren will journey to Little Rock, Ark. where he will be met by Rev. Alvis Herring, former staff worker at the Home. He will be employed during the summer months in a newspaper office in that city before entering college in the fall.

## Truman Requested By House To Invoke Taft-Hartley Law

### Standing Vote For Injunction Use Is 190 To 133 By Coalition Of GOP, Democrats

WASHINGTON (AP)—A \$3,487,895,000 appropriation to finance the Treasury and Post Offices Departments in the fiscal year starting July 1 was approved today by the House. The bill now goes to the Senate.

WASHINGTON (AP)—The House joined with the Senate today in requesting President Truman to try to stop the 3 week old steel strike by using the Taft-Hartley Law.

It wrote the "request" into a final vote still must be taken, after refusing to "direct" the President to take injunction action.

The standing vote for the injunction "request" was 190 to 133. The "request" was embodied in an amendment offered by Rep. Smith (D-Va.). It was supported by most Republicans and almost all the Southern Democrats. Administration Democrats and some Republicans from the industrial areas voted against it.

Under the T-H Law, the administration could seek a court order, good for 90 days, against continuation of the strike.

The Senate voted two weeks ago to request that Mr. Truman use the procedure.

After that vote, there was speculation the President would turn to the law, despite his dislike for it, if the House followed the Senate's lead.

But last Thursday Mr. Truman told a news conference that "Congress couldn't tell him what to do. He went on to say, however, that he was considering use of the law and had had it under consideration all along.

Then, in the next breath, he questioned whether the striking steelworkers would go back to their jobs even if the government threatened to seize the steel mills.

Rep. Brown (R-Ohio) had proposed the House "direct" use of the law rather than simply "request" it.

There was hot debate leading up to the voting. A Republican shouted that what the House should do is impeach Mr. Truman.

Rep. Wolcott (R-Mich.) said: "This action is short of impeachment because there is no time for impeachment."

On the other side, Rep. Spence (D-Ky.) argued that Congress ought not to "throw fuel on the flames" of a situation which has 650,000 Civilian Control Act strikers and more than 100,000 others idle in allied industries for lack of steel.

And Rep. Muller (D-N.Y.) declared that getting an 80-day injunction court order under the T-H Law would be "neither fair nor effective."

"Anyone who thinks you can force them to stop working for a few more days by the steel barons is mistaken," he said. "You say to the men 'You work, and to the steel barons 'You take the profits'."

Administration leaders virtually conceded early in the debate that a coalition of Republicans and Southern Democrats was in control of the House.

When Rep. Brown (R-Ohio) proposed that the House "direct" rather than "request" that the President use the T-H Law, Democratic Leader McCormack (Mass.) commented that the proposal "shows how drunk with power the coalition is."

There will be a meeting of the E. L. Club Thursday evening at 8:00. Leo Butler, secretary of the organization, announced today. Dinner will be served at the Elk Lodge at the beginning of the meeting, and initiation ceremonies will be conducted by officers of the Daytona Beach Lodge No. 1141.

## Murder Witness In Miami Crime Assigned Guard

### Two Holdup Slayers Of Physician Being Sought Over State

MIAMI (AP)—Police guards were assigned today to protect an attractive technician who was the death of Dr. Clifford Grand Springmeyer, 40. Police throughout the state are searching for them.

The technician, Miss Joyce White, told Detective Charles Japp the holdup men entered the clinic about 9:50 p. m. while she was painting an outer room.

One man stayed with her while the other went into the doctor's office, she said. She heard sounds of a scuffle.

"The first man ran into the office to help his buddy out," she explained to Sapp. "That's when I ran out the back door for help. Just as I left the building I heard a shot fired."

Police said the bullet hit Dr. Springmeyer in the chest. A 15-inch metal rod was found beside his body, indicating he had been trying to defend himself.

Miss White told police she could identify the two men. She was taken to headquarters to look at photographs of prowlers and hand-drawn sketches of the men who operated in the northwest section where the clinic is located.

Miss White said the men were between 20 and 22 years old and were around six feet tall. One was wearing a maroon or wine-colored shirt and dark pants. The other had on a flowered shirt and a light tan engineer-type cap.

She said the doctor's wallet was on the desk. The doctor's wallet was on the desk.

Dr. Springmeyer's mother, Mrs. Faye Springmeyer, was in the building when the robbery took place, as well as the clinic, but did not see her son shot. A brother also lived there but was not present.

The detective said three other witnesses are being sought. One was around six feet tall, running south along Northwest Sixth Avenue just after the shot.

"Their description of the fleeing robbers generally fits the description given us by Miss White," Sapp said.

Dr. Springmeyer, a World War II veteran, came here from Ohio after the war and built the clinic. He was sued for divorce on Nov. 1, 1950, by Betty Jane Masters, whom he married on April 24, 1950. She charged that he neglected her, "devoting practically every waking moment to the furtherance of his profession."

### Lt. C. F. Branan Jr. Receives Discharge

Lt. C. F. Branan Jr., USNR, was released to inactive duty June 20 after having served on 18 months of sea duty. He was recalled to service in November, 1950. After serving 15 months on the USS White Marsh (LSD-8) he was transferred to the USS Eagle (AKA-103) for the remainder of his tour of duty in the Atlantic and Mediterranean.

Lt. Branan is the son of Mr. and Mrs. C. F. Branan of 1818 West 11th St., Sanford. He is currently residing at 258 Euclid Avenue, Daytona Beach where he intends to resume his practice of architecture with the firm of Griffin and Gomon.

### Hearing Opens On Bay County Constable

TALLAHASSEE (AP)—An Air Force captain from Tyndall Field testified today he saw Bay County Constable Lamar Briley strike a fellow officer over the head with a flashlight.

Briley, appearing before Gov. Warren on charges of misdemeanor, said he was attempting to arrest the officer.

The hearing opened late after Warren postponed the case because of the absence of Briley's lawyer, J. Ed Stokes, Panama City. Stokes said he would be unable to appear until this afternoon and the hearing is now being held without him at Briley's request.

### AMARILLO, TEX. (AP)—Gene Howe, 60, famous Texas editor, was found shot to death today in a rooming house in Amarillo, southwest Oklahoma.

A bullet had struck his right temple. A .38-caliber pistol was still in his hand. He was found lying on the floor next to his car. The Amarillo Globe-Journal said the cause of the shooting was unknown.

### SOUTHERN SECTION

The Seminole County Sportsmen's Association will hold its annual election of officers at a business meeting in the City Hall tomorrow night at 8:00 p. m. It was announced today by secretary James G. Galloway.

## Girls Enjoy Camping At Morris Ranch

Girls of this area are enjoying outdoor life to the utmost at the Morris ranch and camp of Mr. and Mrs. Herman E. Morris near Osteen. The camp is for both boys and girls and the girls were there the first two weeks there starting June 15. A swarm of boys will occupy the camp on July 1. Located on a lake, the camp has comfortable cabins and swimming, horseback riding, archery, lakes and numerous other features of recreation are enjoyed on the wide acres of the ranch. The cook house and dining area is well screened and is kept in city sanitary condition.

## Work Of 'Voice Of America' Told At Pilot Meeting

### Bergere Describes World's Most Powerful Transmitter

HARRISBURG, Pa., (AP)—John S. Fine said today he polled 30 Pennsylvania delegates after the meeting Tuesday at Hershey with Sen. Robert A. Taft of Ohio and found that a majority of them leaned to Gen. Dwight D. Eisenhower.

"I think that most of the delegates among the 30 have an opinion that Ike would be a stronger candidate than Taft," Fine told a news conference.

The governor, chairman of Pennsylvania's 70 member delegation, emphasized, however, that his poll could not be interpreted as a "swing" to Eisenhower.

"I don't regard it as a swing," the governor told newsmen. "No definitely one way or the other."

The governor, himself, has declined to state his choice, if he was made it for the Republican presidential nomination.

By The Associated Press

While Gen. Dwight Eisenhower outlined a domestic policy speech today, Sen. Robert Taft talked candidly of possibly being nominated for President in the Republican convention's first ballot.

Eisenhower, meeting at Hershey with some of his Louisiana backers, discussed topics he will bring up in his speech Thursday night at the Brown Coliseum, CBS Radio 8:30 p. m. EST.

Asked about economic controls due to expire June 30 unless Congress renews them, Eisenhower said:

"I have much more faith in the government on that issue."

### President Vetoes Bill Overhauling Immigration Code

WASHINGTON (AP)—President Truman today vetoed a measure overhauling the nation's immigration code. He said the bill is "indefinite."

The measure was not of the most hotly debated of the 82nd Congress, now drawing to a close. Its defenders said it clarified laws that date back to 1796 and safeguarded the American way of life. Its foes said it was immoral and followed the Nazi line of racial superiority.

The measure runs 302 pages and was cosponsored by Sen. McNamara (D-Nev.), and Rep. Walter (D-Pa.).

Mr. Truman said in a 7-page veto message to the House that while the bill contains some provisions he favors, he could not sign it because of others, and in good conscience he cannot agree to pay it.

Some of the provisions of the McCarran-Walter bill, he said, are "worse than the infamous Alien Act of 1798."

The President said the bill came before him imbedded in a mass of legislation which would perpetuate injustices of long standing against many other nations of the world, hamper the efforts we are making to rally the men of East and West alike in the cause of freedom, and intensify the racial and inhuman aspects of our immigration procedures.

### Nearly An Inch Of Rainfall Yesterday

Rainfall during the heavy shower late yesterday afternoon totaled .87 of an inch, according to E. J. Moughton Jr., and lowered the temperature which had reached 97 degrees.

During the shower, lightning hit and split a pine tree in the yard of Joe Jarrall, 2010 Oak Avenue, a light wire behind the house caught fire and firemen were called to the scene. Another tree, about 100 feet away from the pine was also hit.

## Eisenhower Is For Slow Decontrol: Taft Confident Of First Ballot Win

HARRISBURG, Pa., (AP)—John S. Fine said today he polled 30 Pennsylvania delegates after the meeting Tuesday at Hershey with Sen. Robert A. Taft of Ohio and found that a majority of them leaned to Gen. Dwight D. Eisenhower.

"I think that most of the delegates among the 30 have an opinion that Ike would be a stronger candidate than Taft," Fine told a news conference.

The governor, chairman of Pennsylvania's 70 member delegation, emphasized, however, that his poll could not be interpreted as a "swing" to Eisenhower.

"I don't regard it as a swing," the governor told newsmen. "No definitely one way or the other."

The governor, himself, has declined to state his choice, if he was made it for the Republican presidential nomination.

By The Associated Press

While Gen. Dwight Eisenhower outlined a domestic policy speech today, Sen. Robert Taft talked candidly of possibly being nominated for President in the Republican convention's first ballot.

Eisenhower, meeting at Hershey with some of his Louisiana backers, discussed topics he will bring up in his speech Thursday night at the Brown Coliseum, CBS Radio 8:30 p. m. EST.

Asked about economic controls due to expire June 30 unless Congress renews them, Eisenhower said:

"I have much more faith in the government on that issue."

### Future Farmers Work Described At Kiwanis Club

Activities and projects of the 65 Seminole High School vocational agriculture students, comprising the membership of the Seminole Chapter, Future Farmers of America, during the past school term were described today to Kiwanis club members by two boys from the school, Holly Taylor and Bobby Borsdorf.

They were introduced by Don Hager and John Peterson of the Kiwanis Association. Presentations by Kenneth Eddy, 214, vocational agriculture instructor and Charles J. Martin, club president.

Following the history of vocational agriculture instruction in Florida, Holly Taylor pointed out that agriculture had been taught in the elementary schools of the state as early as 1897. The South Hughes act of 1917, mandating instruction of this type in high schools. The program was started in Sanford 36 years ago.

The supervised agricultural program here during the past year included the gathering of honey from 26 hives of bees, he declared, the raising of numerous vegetables and of stock, including 22 head of cows, 129 head of hogs and 1,027 head of poultry.

Methods of fertilization were learned and the boys received much instruction in shop work with well equipped shop. More than 100 hours were spent on projects.

### Hearings Are Held For Sanford Youths

MOSCOW (AP)—Russia told the rest of the world today to keep its planes away from Soviet territory or run the risk of having them shot down or interned.

This was the construction placed by foreign diplomats here on a Soviet note delivered by Foreign Minister Andrei V. Gromyko Tuesday night to Swedish Ambassador Rolf Soderman.

The message replied to a blunt Swedish query asking whether the Russians had shot down a Swedish transport plane missing in the Baltic Sea area since June 13.

The Soviet reply complained that foreign planes have violated the Russian frontier several times recently while "Soviet planes never violate the border of other states."

It then warned that Soviet fighters have been instructed to "open fire on all aircraft that violate the frontier and treat others to land at a local field."

The Russian note demanded that Sweden stop her planes from straying over Soviet territory. It said that two aircraft of undetermined nationality flew over the Soviet Baltic frontiers June 13 and were chased away by Russian fighters.

The Swedes previously admitted in an apology to Moscow that one of their planes mistakenly trespassed over Soviet territory that day while searching for the missing Swedish plane.

The latest Russian note did not say specifically, however, that the Soviets had fired on the still-missing plane.

Foreign diplomatic circles here considered that the brusque warning was directed to the world at large, not solely to Sweden.

### COUNTY COMMISSION

The County Commission will meet in special session at 10:00 o'clock Saturday morning to discuss bids for a new dragline.

## History Of Vocation Of Agriculture Instruction Is Told

Activities and projects of the 65 Seminole High School vocational agriculture students, comprising the membership of the Seminole Chapter, Future Farmers of America, during the past school term were described today to Kiwanis club members by two boys from the school, Holly Taylor and Bobby Borsdorf.

Methods of fertilization were learned and the boys received much instruction in shop work with well equipped shop. More than 100 hours were spent on projects.

### House Votes In Favor Of Price Markup Practice

WASHINGTON (AP)—The House today voted to let each individual price keeper or wholesaler have his price ceilings figured on the basis of the price markup practice he followed in June, 1950.

The 401 to 311 vote was among the last preliminaries before the House could get down to the question of whether it will set most price controls, if and all, wage, price and other controls although Rep. C. (R-Kan.) sponsored the amendment to a proposed law.

The House adopted without comment an amendment by Rep. Jones (R-Ky.) exempting from wage controls employees of newspapers, magazines, wire services, printers and outdoor advertising agencies.

Jones explained that the original controls law exempted these groups from price controls but was interpreted not to exempt them from wage controls. He argued that there should be no price controls when there are no wage controls.

Before getting down to the strictly controls features of the legislation, the House voted 160 to 133 to request President Truman to use the Taft-Hartley Law in the steel strike. The Senate had already voted to make the request.

### J. A. Hunt Purchases Odham Filling Station

James A. Hunt of Atlanta, Ga., has purchased the Gulf Filling Station, French Avenue and First Street, from J. Bralley Odham, and assumed operation of it this week.

Mr. Hunt, who is the brother of William and Edward Hunt and the nephew of E. M. Hunt, has renamed the station, Hunt's Gulf Station.

A veteran of World War II, Mr. Hunt served in Europe and was in the Battle of the Bulge. For a time he was a prisoner of war. He has been connected with the Veterans Administration in Atlanta, being its chief of research and rehabilitation.

He intends to make his home here, and his wife and family are due here soon. A member of the Baptist Church, he has been active in religious work.

### Correction

Frank Westphal, who was referred to yesterday as Atlantic Coast Line freight agent, was formerly commercial agent here and about six months ago was transferred to Lake Wales. E. N. Fielding has been freight agent here since September, 1951.

## Tokyo Red Rioting Against US Broken Up By Police Action

### UN Commanders Dare Red Forces To Start Attack

UN Commanders Dare Red Forces To Start Attack

By STAN CARRIER

SEOUL, Korea (AP)—United Nations' top military commanders today in effect dared the Communist forces to launch another attack on the city of Seoul, offering in the city of Seoul a new attack against the United Nations' forces.

"We hope for the Red forces," said Gen. James A. Van Fleet, U.S. Eighth Army commander. "We would like to see them start the battle with us and we will be ready to meet them."

As the Korean conflict entered its third year, Van Fleet said he thinks a new Communist offensive would prove to be the decisive battle. "I don't think the Communist forces are strong enough to fight on their own."

In Tokyo, Gen. Mark Clark, United Nations' military commander, said he would like to see the Red forces start a battle with us and we will be ready to meet them.

"We prefer to advance in a single attack," Clark said. "But if the enemy prefers to advance in a series of attacks, we will be ready to meet them."

The Communist attack on Seoul was described as a "probable" attack on the city of Seoul, which was held by U.S. forces. The attack was described as a "probable" attack on the city of Seoul, which was held by U.S. forces.

U.S. forces, if any, were not announced. Waves of Red swept over North Korea Tuesday night, only hours after hundreds of Navy and Air Force fighter bombers had completed the destruction of a port of Red power plant in North Korea.

In one of the largest reported strikes of the Korean War, the United States Air Force bombed the city of Seoul, which was held by U.S. forces. The attack was described as a "probable" attack on the city of Seoul, which was held by U.S. forces.
