

Sanford Lookouts Sign Buddy Lake, Pitcher

Local Boy Who Has Made Fine Record Coming

Baseball Association Now Confident Of Going Ahead With Buddy In The Box

Buddy Lake has been signed by the Sanford Baseball Association to play with the Lookouts. He was bought from the Albany, N. Y. club and left there Saturday night for Sanford. He may, therefore, reach here today.

Manager Stuffy McCross said he planned to put the new man in the box to pitch his first game on Wednesday when the Lookouts play the G-Men of Gainesville on Sanford Field.

Buddy Lake is a Sanford man and a ball player of whom all local fans are proud. He made an enviable record on the High School team when attending Seminole High School from which he was graduated four or five years ago, then played with Sanford for a year, and then got in to big time. He was on the payroll of Boston Braves (now known as the Bees) for a couple of seasons, played with the Harrisburg, Pa., club of the New York-Pennsylvania League last year, and was signed by the Albany, N. Y. club of the International League this season, and trained at the Albany Florida Camp this last winter.

President C. F. Wert said today there is no doubt but that Lake will materially strengthen the pitching of the Lookouts and he and other directors of the Association are confident that with Buddy in the box the local team will "go places" from now on.

Lost Baseball Bus Found After Police Entered The Search

Lost, strayed or stolen—no green Sanford Baseball Association bus. That was the problem that confronted Elmer Dean, "first mate" and chauffeur for the Sanford Lookouts, last Saturday night.

At 11 o'clock he noticed that the bus had disappeared. At midnight it was still gone, so he notified the police. It was hardly likely that anyone had stolen such a well-known and conspicuous vehicle, but in order to get to Palatka Sunday the bus had to be found. When Sunday morning came, the bus was sitting proudly in its accustomed place with the only mystery being where it had been.

It was finally learned that the driver had taken the bus home in order to put on a much needed oil light.

Local Irritation
is quickly relieved by the strong germicidal action of **Resinol**.

TO REGISTER FOR THE JUNE PRIMARIES

Books for Sanford, Florida 1 and 2 can be obtained from 9 o'clock to 5:30 p. m. at the Department of the Court House, Sanford, Florida.

Extra Innings Result In Sanford Defeat By Palatka

Texasan Sets Record

Breaking a nine-year record, Harvey Wallender, anchor man of the University of Texas, is shown winning the quarter mile relay championship at Penn Relays in Philadelphia. His time was 41.1 seconds. (AP Photo)

Orange Belt Ball Loop Reorganized For 1936 Season

SEBRING, Apr. 27.—Organization of the Orange Belt league for its sixth season was effected at a meeting at Fort Meade. Six clubs were given berths. They are: Arcadia, Bowling Green-Wauchula (Hardee County Growers), Fort Meade, Haines City, Punta Gorda, and Sebring.

P. M. Ratliff, mayor of Bowling Green, was re-elected president, Hayden Williams, of Sebring, was re-elected secretary for a fourth term and also named treasurer. W. M. (Jack) Williams, of Sebring, was chosen vice president.

The season will open May 10 and end about the first week in September. The number of games will be decided by the schedule committee. A 120-game schedule has been suggested provided it can be completed within the specified time. The circuit aims to start the championship series on Labor Day.

FIRST IN SEVEN

CINCINNATI, Apr. 27.—(AP)—When Al Hollingsworth, Cincinnati Reds' No. 1 southpaw, defeated the Pittsburgh Pirates in the third game of the season, he won his first victory over the Bucs in seven starts.

'Teen Age Ball Players Called To Meeting This Evening

Legion Organizes Junior Baseball League Tonight

Any Youngsters Who Would Like To Be On Teams Invited

Organization of the new Legion Junior Baseball League to be sponsored by Campbell-Lossing Post of the American Legion is scheduled for 7:45 o'clock this evening in the Junior High School, and all boys between the ages of 13 and 17 years who like baseball and want to play are invited to attend the meeting.

There will be six teams in the league, possibly eight, and at least 14 players are wanted in each team. So there'll be room for every boy who wants to play. The new Legion Junior League is to supersede the Junior High School League which has been playing for a month, but it is expected that a number of boys from the Senior High School will want to be in it. They, too, are invited.

C. E. (Eddie) Rawson, Post athletic officer, will direct the League, assisted by former players in both major and minor leagues.

Legion Junior Baseball Leagues are being organized all over the state. Commander L. F. Boyle of the local American Legion Post has been advised by Louis Griffith of Arcadia, state chairman of the Legion's Junior Baseball Committee. The best team in each local league will participate in district contests to be staged after June 20, and then the winners of these contests will participate in a state tournament in August at a site yet to be selected. The Florida champions will then meet the Alabama champions in a three-game series, the winner of that contest will play for the championship of the South, and then it is probable that a national championship series will be arranged.

Boys are eligible to play in Legion Junior Leagues who did not reach their 17th birthday before Mar. 31 of this year.

It is expected by State Chairman Griffith that more than 1,000 boys will play in Junior American Legion teams in Florida this summer. Tampa will sponsor 25 teams, Jacksonville is organizing Miami has 250 boys signed up in teams there, West Palm Beach is getting under way, and there will be leagues in many of the smaller towns.

Night Baseball Will Be Played In Cincy

CINCINNATI, Apr. 27.—(AP)—The Cincinnati Reds, first and only major league club to feature night baseball, also plan to set the pace in "twamanship and comfort for the fans in 1936.

They will play seven games under floodlights this season, the first on last year in their completely renovated park.

In a \$25,000 spending spree, the Reds made the box seats more useful and comfortable, erected another \$25,000 hot-buffet building and display of food and drink.

They also have purchased 100,000 additional seats, and are provided by new screens, the stadium and the roof are being made more comfortable.

PARENTS ASKED TO URGE BOYS TO JOIN LEGION JUNIOR LEAGUE

TO THE FATHERS AND MOTHERS OF OUR COMMUNITY:
As you probably know, the Campbell-Lossing Post of the American Legion is to sponsor the Junior Baseball League. We do not believe our post could render a greater service to our community.

- We realize the grave responsibilities that shall be ours. We accept these responsibilities. We ask only your interest and co-operation. Urge your boy to enter the activities with enthusiasm, and we shall endeavor to teach him to:
- (1) Obey the rules.
 - (2) Control his temper.
 - (3) To keep physically fit.
 - (4) To be courageous.
 - (5) To be loyal.
 - (6) To be modest in victory and glorious in defeat.
- If we are successful in teaching your boy these things, he will be a true sportsman, and will become a citizen of whom we shall all be proud. If we do this, our goal shall have been reached.
- We cordially urge you to come with your boy to the organization meeting that is to be held tonight at 7:45 at the Junior High School. Let your son know you are interested in his welfare, and your problems, and ours, shall be made less.
- EDDIE RAWSON,
Post Athletic Officer.

League-Leading Seminoles Of Lions League Will Play Only One Game During Week

R. A. Cobb's Seminoles, the thousand percent club in the Lions League, play only one game this week, so the other teams have a chance to gain on the league leaders. John Melach's Red Sox, topping the second division, are to play three games this week; W. W. Potter's second place Yankees and John Ivey's bottom position Giant's will each play two games; while Maxwell Stewart's Pirates and Jack Finnell's Cubs, as well as the Seminoles, will be seen on the field only once this week.

The Yankees, runners-up on the Lions League, are to play the Red Sox in the opening game of the third week, on the Grammar School diamond at 5 o'clock this afternoon. These two teams started the season on Apr. 6 with a 6 to 1 victory for the Yankees. The Yanks also defeated the Pirates 22 to 11, the Cubs 21 to 13 and the Seminoles, 4 to 3. The same games—Yankees and Pirates—play again on Thursday afternoon of this week.

Tuesday's game will be between the Giants and the Cubs. The Giants have failed to score in any of the five games they have played this season, but the Cubs have won only one game. That was with the Giants on Apr. 18; score, Cubs 27, Giants 4. Two of the four games the Giants have lost were won by the Seminoles, the other two by the Yankees and the Red Sox.

The one Seminoles game of the week will be on Wednesday against the Red Sox, winners of one game with the Cubs and losers of three games, with the Seminoles, Yankees and Pirates, the latter by default.

The Pirates and Yankees play again Thursday and then on Friday the Red Sox will be on the field, this time against the Giants.

Boxer Apologizes For Win Of Bout In West

YACOMA, Wash. Apr. 27.—(AP)—Boxer Freddie Steele of Tacoma has an apology to make for the fight he put up against Middleweight Champion Babe Baker in Seattle recently.

"I'm sorry I wasn't a better fighter, but I was VP against a superior fighter and couldn't take on many chances," Freddie explained.

All 11 of the 12 rounds were up to the champion and he was successful in the first round. Freddie had the fight scheduled at the Yakoma Sports Club and he was to have fought on April 26, but the date was postponed because of the weather.

Manager of G-Men Is Suspended For Roughing Umpire

With McDougal They Down DeLand Reds 5 To 4 Yesterday

The Sanford Lookouts go to Gainesville tomorrow for their first game of the season with the G-Men, and will play a return game with the same team on Sanford Field on Wednesday afternoon.

Don McSpane pitched the G-Men the first week of the series, but he was temporarily suspended for roughing an umpire and McDougal is now managing them. Under McDougal, the Gainesville team defeated the DeLand Reds in Gainesville yesterday, 5 to 4. Each team collected six base hits; Guntharp, the Gainesville moundman, did not give up a hit until the sixth inning when he was rapped for three hits and three runs.

Jack Bunch, who relieved Holdstock in the sixth frame, did not allow a man to get on base during his stay on the hillcock.

McDougal and Bradley led the Gainesville hitters, each getting two hits. One of McDougal's blows was a triple.

Bolling was the leading batter for the DeLand team with a triple and single.

Three double plays were pulled in the game, Shaw Buck having a part in all of them.

DeLand.....000 002 100—4
Gainesville.....000 202 002—5

Scores by innings:
Gainesville.....000 002 100—4
DeLand.....000 202 002—5

The G-Men and the Reds played in DeLand on Saturday, and that game was won by DeLand, 3 to 1.

Lookouts Enjoying First Day's Rest Since Opening Day

The Sanford Lookouts are resting today, the first day since the season opened a week ago yesterday that they have not played. They play in Gainesville tomorrow, the G-Men come here Wednesday, DeLand is here again Thursday for the third game between the Reds and the Lookouts, Friday's game will be in DeLand, and Saturday the Daytona Beach team comes to Sanford and will try to turn the tables on the Lookouts who defeated the Islanders twice last week.

Rain Helps Local Team Beat Saints Here On Saturday

Rain caused last Saturday's game on Sanford Field to be called in the fifth inning and the Lookouts were credited with a shut-out victory over the Saints. Sanford scored seven runs. It was the second straight victory by the Lookouts over St. Augustine. Hardin pitched for Sanford and allowed only three hits. Andrews pitched for the Saints and allowed eight hits. Sanford scored two runs in the first inning, two in the third and three in the fourth.

Lookouts Had Big Lead Up To Ninth In Sunday's Game

Three Home Runs By Swindell Sets New Record For League

Weakening again as the contest neared a close, the Sanford Lookouts dropped Sunday's game to the Palatka Azaleas in Palatka by a 12 to 10 score in the twelfth inning. The Lookouts were strong at the beginning of the game and continued to show great strength for eight innings, leading the Azaleas by four runs at the close of that frame, but in the ninth inning the Palatkans put six men over the home plate to two for Sanford in that frame, and tied the score, 10 to 10. Neither team scored in the next two extra innings, but Palatka got two runs in the 12th and Sanford lost.

Swindell, Sanford centerfielder, clouted out three home runs, one each time at bat, and Blistruff, catcher, got one homer. Two Palatka players, Manno and Andrews, each hit circuit drives. Swindell's remarkable feat set a record for the league. Once he sent the spheroid soaring to the center field fence to set a distance record, a man was on base each time Swindell went to bat, so each of his hits meant two scores for the home team.

Layfield started in the box for the Lookouts and pitched the first eight winning innings. He allowed 11 hits. Lower was then put in the box but he lasted only for the ninth and one-third of the tenth innings, for during that time he walked four Azaleans and it was in the ninth that Palatka ran away with the game, scoring six runs to tie the count with Sanford. Val was then sent in to pitch the 14th and two and two-thirds innings.

Visitors Shut Out In 5-Inning Contest In Sanford

Huns battled in Swindell's A. Andrews, J. White, Layfield, Manno, E. Blistruff, E. Crittendon, Emerson, two base hits, McNally, Layfield, Andrews, Crittendon, three base hits, Manno, Andrews, home runs Swindell, J. Blistruff, Manno, Andrews, three base hits, Crittendon, Manno, Layfield, White, two base hits, Layfield, two base hits, Layfield, two base hits, Layfield, two base hits.

Former Ball Players Help Legion Juniors

Six former baseball players have agreed to pilot teams in the new Legion Junior League to formed tonight. It is announced by Commander L. F. Boyle of the local American Legion Post.

The six are Bert Chapman, Ed Stone, W. C. Hutchinson, Earl Lawrence, Fred Palmer and Ray Walker.

NUMBER 188

Airport Lease Is Discussed By Commission

Licensed Pilot Would Keep Buildings In Repair And Have A Mechanic On Duty

Government Will Require Contract Proper And Constant Maintenance Is Demand Of Uncle Sam

The City Commission was advised by the aviation division of the State Road Department last night that with the installation of lights at Sanford Municipal Airport the city will be required to maintain them properly, and received an offer to lease the airport. Both communications were referred to City Engineer Fred E. Wilson for his advice.

In reply to the communication from the State Road Department's aviation division, the commission must agree to maintain the lighting of the field in accordance with requirements of the United States government and rules and regulations now in effect or which may hereafter be promulgated by the state's aviation division. This maintenance shall be constant and efficient. Should proper maintenance not be forthcoming, then the lighting equipment, being installed under WPA auspices, can be removed on 30 days' notice.

The work of installing the lights was undertaken yesterday. The City some time ago agreed to install this lighting equipment at an estimated cost of \$85 per month.

The offer to lease the Airport was made by Marvin H. Smith, of Kissimmee, who writes that he is a graduate of an aviation school approved by the government, is a licensed pilot and has had six years' experience as a pilot. Associated with him is another aviator and airplane mechanic with four years' experience.

Mr. Smith would lease the Airport for a period of five years or more at an annual rental of \$1 per year and in exchange for being given complete control of the field would contract to keep the buildings in repair, to keep a licensed airplane mechanic in Sanford constantly, would comply with all laws and regulations of the United States Department of Commerce, would advertise the Municipal Airport, and would cover the use by both public and private planes.

In addition to the study to be made of the two communications by the City Attorney, the Commission instructed City Clerk F. S. Lemmon to communicate with the Department of Commerce and with several other cities and ascertain the usual method of controlling municipally owned airplane landing fields. Mr. Smith informed the Commission that the leasing of such fields to licensed pilots and mechanics is the prevailing mode.

\$13,735 Allocated To Public Schools Of Seminole County

Seminole County schools received \$13,735.39 more from the state today, their share of the latest \$1,000,000 appropriation. The state's general revenue fund supplied \$487,794.54 of the total, \$250,000 came from the chain store license tax, \$106,232.18 from automobile licenses, \$71,777.38 from interest on school funds, and \$24,755.90 from the one mill tax.

More Time Given For Registering Seminole Voters

Have Until Saturday Night By Provision Of Legislative Act

Seminole County voters will have until Saturday night, May 2, instead of Thursday night, Apr. 30, in which to register. Electors in St. Johns county will also have until Saturday night in which to register, but in all other counties of the state the registration books will close on Apr. 30.

Extra time is given the voters of Seminole and St. Johns counties because of the special legislative enactment requiring re-registration of all voters in counties having a population of not more than 18,500 and not less than 10,500. This enactment contained the provision that poll books should be kept open until 80 days before the election. Since the primary is to be on June 2 the 80-day period will not expire until May 2.

The general law provides that registration books shall close on Apr. 30, but Attorney General Lewis advised W. S. Thompson, supervisor of registration, today, to disregard provisions of general law and comply with the special legislative act since that act had never been attacked in the courts.

The act was passed at the request of St. Johns county (St. Augustine), but by stating certain population figures it was classed as a general act and not a local bill. It so happens that the population figure set in the bill includes Seminole County, though this County did not request passage of the bill.

Mr. Thompson said that registration books for Precincts One and Three (City of Sanford) will remain open in the basement of the Court House until 9 o'clock Saturday night, but books of all precincts will be open in his office in the Brunley-Puleston building until 12 o'clock that night.

Illness Causes Tom Rivers To Take Own Life

Express Deliveryman Kills Self As His Children Stand By Unable To Stop Act

Believed to have been brooding over ill health, Thomas A. Rivers, driver of a delivery wagon for the Express Company, shot and killed himself shortly after 7 o'clock this morning as two of his children stood by, helpless to prevent the act.

The children had taken him to his work at the office and were to drive the car back to their home near Golden Lake, about four miles from town. Mr. Rivers reported at the office, was told he had better rest for another day or two, walked out to the express truck and, according to witnesses, took a pistol out of the truck and shot himself in the head. Death was reported as instantaneous.

Mr. Rivers had been in ill health for some time, and according to the sheriff's office, tried unsuccessfully Sunday and Monday to take his own life. Deputy Sheriff Hickson was called to the Rivers home yesterday afternoon and succeeded in quieting the man. There were no firearms in the Rivers home.

Mr. Rivers had been in ill health for some time, and according to the sheriff's office, tried unsuccessfully Sunday and Monday to take his own life. Deputy Sheriff Hickson was called to the Rivers home yesterday afternoon and succeeded in quieting the man. There were no firearms in the Rivers home.

Sound Trucks Of Millard Davidson Local Ownership May Be Excepted

Ordinance Is Intended To Keep Out Noisy 'Tin-Pan' Wagons

Passage of the proposed anti-sound truck ordinance was delayed by the City Commission again last night when it was informed that other cities have provisions in similar ordinances whereby local radio dealers are exempted from its provisions. W. D. Hoffmann, owner of such a truck, asked that the matter be looked into, and this the Commission agreed to do. Mayor Shingles advised Mr. Hoffmann that the City has no desire to adopt a regulatory provision of the kind that would be harmful to citizens of the town.

No complaint was ever made against the Hoffmann truck. Chief of Police Roy Williams stated, but the mayor said that a number of complaints had been made to the Commission of "noisy, tin-pan" contraptions from out-of-town advertising dare-devil automobile drivers, bread and so on. Commissioner M. J. Lodge, who took his seat at last night's session, stated that the Hoffmann truck was being used by the Baseball Association which paid only for operating costs.

According to information furnished the Commission, anti-sound truck ordinances in Daytona Beach, Leesburg and Eustis exclude trucks owned locally, though they are under police supervision.

52 Young Women Comprise Court Of Miss Florida

The following young women will appear in a "court of honor" to "Miss Florida" when she is presented at City Hall, tomorrow evening:

Struggle Over Tax Bill Nears Voting Stage

National Organization Of Business Men Discusses Bill President Favors

WASHINGTON, Apr. 23.—(AP)—Talk of government and business co-operation engaged the convention of the Chamber of Commerce of the United States while the House struggle over President Roosevelt's tax program heared the voting stage.

The 10-point program through which he said business could absorb more of the jobless was advocated before the Chamber of Commerce by Secretary of Commerce Roper Harper Sibley, president of the businessmen's organization, appealed for an alliance between government and business to solve the unemployment problem.

President Roosevelt returned to the White House from a week-end in New York.

House Republicans converged for a meeting last night at the call of their leader, Representative Carl McNary of New York, to plan strategy in attempting to change the tax bill when it was opened for amendments today.

Senator McNary of Oregon, Senate minority chief, announced he would call his party to decide their course of action when the bill reaches the Senate Thursday or Friday.

KING IS DEAD

King Fuad I of Egypt died today after a lingering illness. His young son will succeed to the throne.

King Fuad Dies; Youthful Prince Will Rule Egypt

Egyptian Ruler Was Friendly To Great Britain In Crisis

CAIRO, Apr. 23.—(AP)—King Fuad First of Egypt, 68, friend of the British, died today after a long illness. Crown Prince Farouk, 18, attending school in England, will come to the throne under a regency until his eighteenth birthday.

Premier All Pasha Maher announced Fuad died at 1 o'clock this afternoon, 6 o'clock Eastern Standard Time. The news came as a shock, following earlier reports that the monarch had rallied after a better night.

Death came when Anglo-Egyptian relations had only recently progressed from the riot stage. He was friendly to Great Britain through the long period during which there was national strife between factions, one demanding complete severance of Egyptian-British relations, and the other desiring the continuance of British domination.

CITY NEWS BRIEFS

Tomorrow's High at 8:44 A. M. and 8:28 P. M. Low at 2:04 A. M. and 9:30 P. M.

A marriage license was issued today to Arthur J. Mack, 25, and Edna Hall, 22, both of Sanford.

The City Commission last night issued permits for the sale of beer and wine at 1016 Orange Avenue, 1121 West Thirteenth, and 317 East First Street.

Adel Curry paid \$75 in County Court yesterday when he pleaded guilty to driving while intoxicated. Judge J. G. Sharon fined him \$150, but suspended one-half of the fine during good behavior. Warren Brunson, pleading guilty to drunkenness, paid a fine of \$5.

City Commissioner M. J. Lodge took his seat at the council chamber at last evening's meeting of the Commission. He was sworn in by City Clerk F. S. Lemmon last week. Commissioner Lodge was elected to fill out the unexpired term of T. L. Dumas, deceased.

Quake Adds To Famine Horror In West China

10 To 30 Millions Of People Are Dead Or Facing Death From Starvation In Land

Famine Worst In Number Of Years

Bands Of Armed Men Sweep Countryside Searching For Food

CHUNGKING, China, Apr. 23.—(AP)—This city, surrounded by a countryside in the throes of starvation, was shaken by a heavy earthquake today. The earthquake caused only small damage in the city, but the alarm was great. The shock followed one occurring yesterday, hit Tachienlu on the Tibetan border. It was the worst recorded in many years.

Famine assumed the proportions of a national disaster with estimates of the number of natives dead or facing death ranging from 10 to 30 millions. Chinese newspapers reported some hunger-maddened victims were resorting to cannibalism, and that other starving parents were selling their children to gain money for food.

Repeated floods followed by unusually dry summers are blamed for conditions.

Chinese communist soldiers are also reported to have swept the countryside like a plague of locusts in the past two years. Soldiers and civilians alike resorted to violence to obtain food for themselves and families. Bands of armed men, numbering in the tens of thousands, are roving the countryside, terrorizing, plundering, kidnapping and killing.

Advance Gifts To Salvation Army Near \$200 Mark

Subscriptions totaling nearly \$200 have been obtained for the Salvation Army by an advance committee working this week. The annual appeal is to be made next Thursday, May 5, with C. E. Dawson as general manager of the campaign. Advance subscriptions reported are as follows:

- T. W. Lawton \$1.00
- Miss Mary Mueller .50
- Coca Cola Bottling Co. 25.00
- Reel and Sons 10.00
- Sanford Atlantic Bank 25.00
- Stokes Company 5.00
- W. E. Kirchoff 10.00
- Seminole County Laundry 12.00
- Security Lumber Co. 5.00
- American Fruit Growers 25.00
- Julius Dingfelder 15.00
- Pentland Gray and Moore 12.00
- P. N. Whitehurst 10.00
- J. C. Penney Company 10.00
- A Friend 10.00

Dillinger's Lawyer To Serve Two Years

WASHINGTON, Apr. 23.—Louis Piquett, attorney for John Dillinger until the famous public enemy was shot down by G-men, yesterday lost in Supreme Court his fight to escape a two year jail sentence and \$10,000 fine for allegedly aiding Homer Van Meter, another member of the Dillinger gang.

MAJORITY MAY RULE

NEW YORK, Apr. 23.—(AP)—Chairman Parkey of the Democratic National Committee predicted the two-thirds rule would be abolished by June Democratic convention.

West Florida Harbor Proposal Is Favored

WASHINGTON, Apr. 23.—(AP)—Army engineers have reported favorably on a proposal to deepen the channel in Pensacola Bay to the mouth of Bayou Chico, in northwest Florida.

The proposed work would deepen the channel in Pensacola Bay to 15 feet and provide for a width of 100 feet. In Bayou Chico a 14-foot channel, 75 feet wide, would lead to a basin 500 feet square and 14 feet deep.

Engineers estimated the cost of the branch channel at \$40,000 and the annual maintenance at \$2,500.

The report was requested a year ago by the House committee on rivers and harbors.

Eden Plans To Draft His Own Peace Plan

PARIS, Apr. 23.—France learned last night that British Foreign Secretary Anthony Eden will submit his own plan for consolidation of European peace. Eden's proposal will represent a compromise between the French and German points of view.

LaFollette Is For A Higher Income Tax

WASHINGTON, Apr. 23.—(AP)—While the House and Senate Republicans prepared a new tax bill, Senator LaFollette (R-Ia.) moved today to raise the top income tax rate to 70 percent.

The Sanford Herald

Published every afternoon except Sunday at Sanford, Florida. Entered as second class matter March 17, 1925 at the Post Office at Sanford, Florida, under No. 1157.

Subscription Rates: Annual \$4.00, Six Months \$2.50, Three Months \$1.50.

With some people the more miserable they are the better they like it. We will be glad when the political speaking begins in earnest.

Germany is quoted as having spent four billion dollars in 1933 on "warlike preparations." No war or they had very little unemployment there.

Puerto Ricans are demanding independence from the United States. It seems incredible that they should want to stop the present flow of relief funds.

The depression is not over for everyone. In Chicago a fifty-year-old man and his wife and two children were evicted the other day from an apartment house which they had owned and in which they had invested \$12,000.

Blacks who stay at home in the next war will find it much easier than those who go to the front. Not only will every part of the country be subject to the possibility of an air attack and gas attacks in which non-combatants will be the principal victims.

Time And Money

In his New York address Saturday night, President Roosevelt made it perfectly clear that the primary objective of his next administration will be, as his present one has been, the shortening of the hours of labor, an increase in the wages of workmen, and the general building up of the national income.

The successful achievement of this goal means more leisure, and greater means for enjoying leisure, for everyone. This is but the gradual carrying on of a trend which has been apparent throughout the world for a hundred years or more.

A century or so ago men worked in underground mines for fourteen or sixteen hours a day. And the work done by the miners was not out of line with that performed by practically every other industrious individual.

But people no longer have to work as hard as they used to. Already the eight-hour day and the six-day week are not unusual. Eight hours of work, eight hours of play, and eight hours of sleep have long been recognized as the ideal combination for the average man.

Shorter working hours, and more money to spend: that is the goal. What will people do with their newly found leisure? What will they do with their money? When Rome was the capital of the world, and money poured in from all corners of the empire, nobody had to work and everybody had plenty of money, but they spent it all on riotous living and destroyed their health as well as their income.

Nearly two thousand years have passed since then. Civilization has made tremendous strides in almost every direction. Education and morality have improved. Men should be better able to decide what to do with their spare moments and spare funds than they were in the days of Diocletian.

If they do, a new era of enlightened progress is surely dawning.

The Gambling Mania

The Herald cannot allow this opportunity to pass without some special word of commendation for those Orlando ministers who have taken up the cudgels against slot machines. The gambling mania has become the greatest menace to growth and prosperity which this state now faces, and in attempting to combat slot machines and similar rackets, the Orlando ministers are making a real contribution not only to public morality but also to better business conditions.

Since slot machines have been legalized, there is nothing which the courts can do toward preventing this form of robbery. The only means of frustration available is public education and persuasion against this form of gambling. At least until the law can be repealed, the church, the newspapers, and similar institutions remain the only bulwark against this foreign enemy which threatens every community and every home.

As for "Cuba" and "Bolita," they are not legal, and something ought and should be done about them. There is probably no greater offender in the state when it comes to these lotteries than Sanford. More lottery tickets are sold in Sanford and Tampa than in any other Florida city.

It may not hurt the individual, who can afford it, to play "Cuba" or "bolita," or slot machines. We do not view it as a sin for a man who has paid his debts and who has provided for his family to risk a nickel in a slot machine in the vain hope of hitting the jack pot.

Everyone knows that hundreds of poorly paid farm laborers in Sanford are buying "bolita" tickets while their children have less than enough to eat. Everyone knows that there are hundreds of workmen on federal relief projects who are playing "Cuba" and slot machines while they allow their grocery bills to remain unpaid.

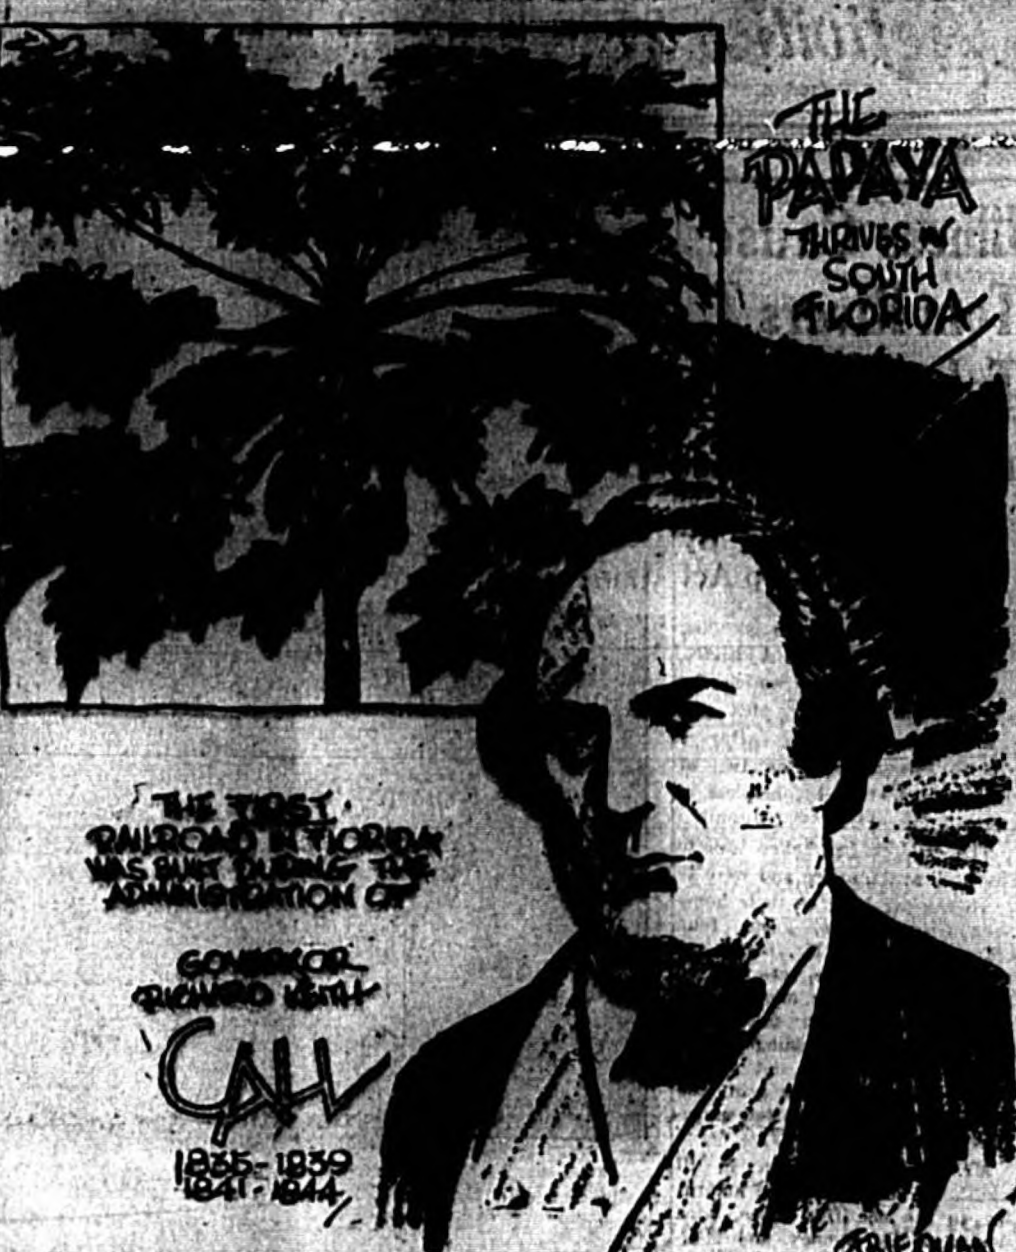

People who spend their money vainly seeking a pot of gold do not have that money to spend at clothing stores, or with hardware merchants, with grocery or at furniture stores. People who "invest" their money in lottery tickets do not have that money to invest in homes, in real estate, in business, or in any of the things which will protect them against the adversities of life or the insecurity of old age.

Central Florida must not give in simply to the lure of jackpots. Other Central Florida cities must follow the lead of Orlando in stamping out this serious menace.

SANFORD TWENTY YEARS AGO

Because of the proximity of White Oak railway station to the families of the town, and in the third chapter of the growth and the necessity of a street car to get to the depot, the town of Sanford was founded in 1914.

FLORIDA HIGHLIGHTS

The PAPAYA, which is one of Florida's outstanding tropical fruits, easily takes its place with the best of melons in flavor and attractiveness. The tree attains a height of 16 to 25 feet, then spreads out to an umbrella-like bush.

The Ralph Morgan of Holly, who breaks the rule are required wood imposed "lines" on each other to perform some stunt as "penalty" for "falling short" at home, guests by.

Daylight To Be Saved This Year In Many States

NEW YORK, Apr. 23.—(AP)—At 2 o'clock Sunday morning the lawmakers asked today time to speed up an hour, signifying it will be daylight saving time until 2 o'clock Sept. 30 for the citizens of 17 states.

Credentials

Only the rashest of mortals will risk the unknown. A tumble over Niagara in a barrel, for instance, or a stratosphere flight. Few of us are willing to risk in where angels fear to tread. We seek precedent for our every move—in the food we eat, in the clothes we wear, in the places we go.

Nanking Pays For 'Loyalty' To Bar Japanese In North

NANKING, Apr. 23.—(AP)—The Japanese will not be allowed to enter the Chinese government zone in North China, it is claimed, would back Han in opposing the Japanese should they attempt to extend their authority south of the Hwai border.

Grant of a \$500,000 loan by three government banks to the Yellow River conservation commission for repairing dikes in Shantung is interpreted in semi-official quarters as an effort on the part of Nanking to "do something" for Han.

Breaks in the Shantung dikes led to disastrous floods last autumn, but Han persistently maintained he had no funds for the urgently necessary engineering work.

Government officials frequently refer to the Yellow River as the "last ditch" beyond which the Japanese will not be allowed to pass.

Social And Personal Activities

MISS MARGARET PETERS, Society Editor Telephone 249

Social Calendar

WEDNESDAY
The Orlando P.T. A. will entertain the county candidates at a chicken supper in the evening at Oviedo. Speaking will begin at 8:30 P. M.

THURSDAY
A piano recital by the pupils of Miss Madeline Mallem will take place at 8:00 P. M. at the Woman's Club. The public is invited to attend.

FRIDAY
May Day-Health Day exercises will be given at the Sanford Grammar School, beginning at 9:30 A. M. Parents are invited. The district conference of P. T. A. will be held all day Friday, beginning at 10:00 A. M. at Sorosis Club in Orlando. All local presidents and P. T. A. members are urged to attend.

Miss Ruth McKinnon Weds Henry Cleland

The following wedding announcement, taken from Monday's edition of the Orlando Reporter-Star will be of interest to friends here of Mr. Cleland who was formerly connected with The Sanford Herald:

Mr. and Mrs. D. M. McKinnon announce the marriage of their daughter, Ruth Eleanor, to Mr. Henry G. Cleland of Jacksonville, on Sunday, Apr. 26, at 9:30 in the morning at the home of the bride's parents on Palmer Street. Dr. J. Deas Adcock, pastor of the First Baptist Church performed the ceremony. The bride wore a white crepe dress with white accessories, and her corsage was of yellow rose buds.

Mr. Cleland is associated with the M. G. Lewis Printing Company of Jacksonville, and he and his bride will reside in that city upon their return from a wedding trip Asheville, N. C.

DISTRICT CONFERENCE
Mrs. Beatrice Parvin, state president of the Parent-Teachers Association, will attend the P. T. A. district conference to be held Friday, beginning at 10:00 A. M. at the Sorosis Club in Orlando. All new local presidents are especially invited to attend as Mrs. Parvin will give instructions for new presidents.

Mrs. Francis E. Bolz Gives Benefit Tea

Over 70 guests attended the "Forget-Me-Not" tea given Monday afternoon at the home of Mrs. Francis E. Bolz, 1101 Park Avenue, by the officers of the Woman's Missionary Society and circle chairman of the First Baptist Church. Proceeds will be used for the Margaret Fund, sponsored to assist children of missionaries in foreign lands.

Guests were greeted at the door by Mrs. B. C. Moore, Mrs. George W. Huff, and Mrs. H. W. Rucker, officers of the society. Miss Barbara Rucker received the donations on a silver platter decorated with forget-me-nots.

The rooms of the Bolz home were opened en suite for the occasion and had been decorated with a profusion of Chinese forget-me-nots, lilies, and other flowers by Mrs. A. B. Lovejoy and Mrs. Kelsey.

During the afternoon a program of entertainment was presented which included a piano solo by Mrs. George McCall; violin solo by Robert McCall with accompaniment by Mrs. McCall; readings by Nancy Rossetter; accordion solo by Mrs. R. R. Pippin; vocal solos by Peggy Ann Pippin accompanied by Mrs. Pippin; and instrumental trio by Mrs. George McCall, pianist, Mrs. R. R. Pippin, accordionist, and Robert McCall violinist.

Feature of the program were the vocal numbers rendered by the West Side Primary School choir with the assistance of Mrs. S. J. Nix, accompanist, Mrs. Marian St. John and Miss Elizabeth Rollins.

The following children, dressed in their robes, made up the chorus: Katherine Clark, Minnie Ruth Odham, Loraine Blount, Mary Helen Tew, Corine Ashton, Marion Raburn, Harold Clappman, Edward Smith, Katherine Beam, Evelyn Matthews, Pauline McClelland, Helen Hoohehan, Bobbinette Beard, Adrain Stacey, Frank Johnson, Gerald Lossing, William Harden, Charles Rowland, Ralph Lossing, Homer Watson, Doris Dean, and Roberta Evans.

Refreshments were served by Mrs. A. B. Lovejoy, Mrs. T. C. Pitchford, Mrs. Francis E. Bolz, and Mrs. H. H. Hill.

Man - Killing Lion Owner Is Released

AUGUSTA, Ga., Apr. 28.—R. F. Moyer, owner of the Nubian lion "Albert" which killed Q. F. Lazar last week, has been released from jail under \$400 bond on a manslaughter charge.

TO ENTERTAIN CANDIDATES

It was announced yesterday that the Orlando P. T. A. will entertain all county candidates with a chicken supper Wednesday evening in Oviedo. Speaking will begin at 8:30 P. M. and continue until all candidates have talked. A sound car will be provided for the occasion.

Personals

Mr. and Mrs. B. Y. Carver and family have moved to White Springs to make their future home.

Mrs. Jack Hewitt of Waynesboro, Ga. is the guest of her sister, Mrs. Henry B. Purdon.

Mrs. V. W. Lewis and Mrs. Taylor of Punta Gorda spent the week-end here with Mrs. Rhoda B. Ewing.

Mr. and Mrs. H. C. Joyner and O. M. Gresham of Waynesboro, Ga. spent the week-end here with Mr. and Mrs. Henry B. Purdon.

Mrs. George Knight, Jr. left this afternoon for Orlando to spend a few days with her sister, Mrs. Peter Schaaf.

Mrs. L. E. Reel and daughter, Janice Ellen, have returned from Leesburg where they spent a week with the former's father, G. P. Lovell.

Mrs. M. B. Ward, who has been visiting her daughter, Mrs. G. C. Cochran, has gone to Charleston, S. C. to spend a short time with her sister, Mrs. J. J. Smith.

Mrs. R. E. Tolar of this city and Mrs. Murray E. Nance of Tampa have returned from Jacksonville where they visited friends and relatives for a week.

GIRL SCOUT NEWS

By MISS DOUGLAS G. SCOTT, Publicity Chairman

Listen in to "The Family Talks It Over" tonight at 8:30 over W. D. B. O. Mr. Moffett is directing it and the Boy Scouts are co-operating with the Girl Scouts in this broadcast. This will be the last broadcast sponsored by the Seminole County Girl Scout Council this spring.

Troop II of Sanford has progressed rapidly in the past few weeks. Twelve girls have passed their Tenderfoot tests and seven others are at work on theirs. This latter group is being trained by members of Troop I as part of its requirements for First Class Scouts.

"Strap your pack to your back and with a sandwich for a snack" the Girl Scouts go hiking along. Troop I is going to show Troop II just how girl scouts take a hike. They are going to lay a trail of twigs for Troop II to follow to the camping ground. Then they will initiate them in the fun of fire building and cooking over their own fires. Hunter's stew and hot biscuits will comprise the main part of the menu. It will give an opportunity for some of the girls to pass tests for which they will be given badges at the County Court of Awards on May 15.

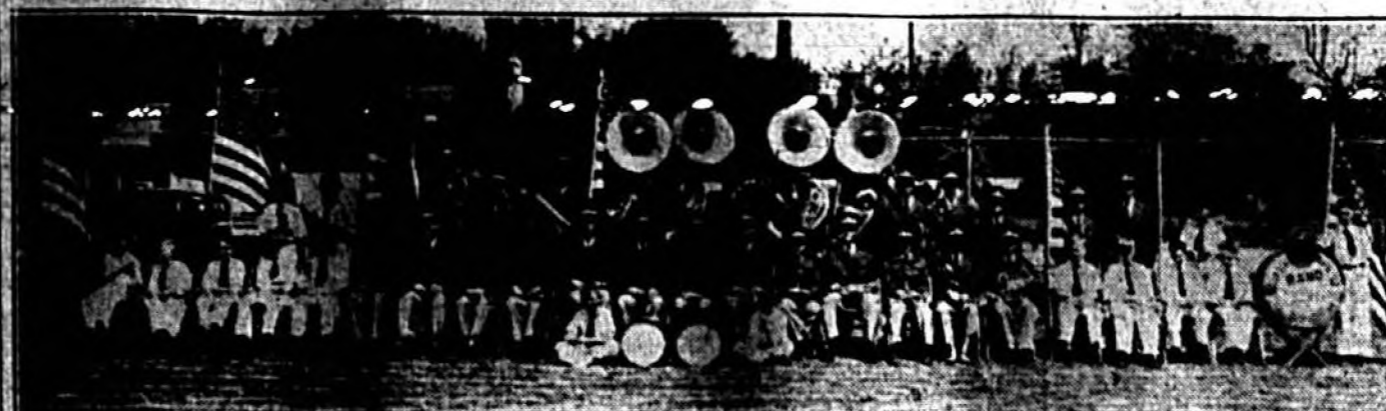

The Lake Mary Troop is also working toward the same Court of Awards. Those hoping to win the Hostess Badges are being assisted by Mrs. Roland Dean. They are planning to give a tea, for experience, inviting a few of the adults who have been working with them. Jacksonville, on May 8 and 9, will be the scene of our Regional Conference. Our own commissioner, Mrs. C. R. Mason, is to have the honor of being a leader of one of the discussion groups. Let me quote from a letter from Miss Katherine Park, a member of the National Field Staff, "I am going to ask you to let me count on you as one of the discussion leaders for the section on A. and B. Councils in which Miss Ann Ross, National Staff Member, will be the instructor. The subject of this section is 'The Tie-up of A. Committees with the Task of Finding and Training Leaders.' I am going to count on you for this. I am glad you are coming to the Conference and will hope to meet other members of the council, too."

Arrangements are being made locally and with some Orlando council members to have a large representation at the conference. It gives excellent opportunity to become acquainted with the National members of the organization. Also to become more familiar with the privileges and duties of the local organization.

Nudists Are Ready To Abandon Their Hunt For A Utopia

TAMPA, Apr. 28.—(AP)—Word has reached Tampa that Maurice Allard, leader of the Vana Vana Society and others who sailed with him on the schooner Fleetwood to found a Utopia in the Caribbean are ready to give up the venture and return to the United States.

The Fleetwood has been stranded at Havana, Cuba, several weeks. Allard, a Californian, planned when he sailed away from Tampa last winter, to go to one of the Virgin Islands and found a colony where nudism would be tolerated. Before getting as far as Cuba, he had considerable trouble with the Fleetwood's sails and auxiliary motor. They were de'ayed by engine trouble, leaving here, and had to stop at Key West to repair sails ripped by a storm.

They met a friendly reception in Cuba, but after several weeks there are said to be ready to return to California.

3 Millions Saved To Users Of Telephone

WASHINGTON, Apr. 28.—(AP)—Communications Commissioner Paul A. Walker said telephone rate slashes resulting in savings to subscribers of more than \$3,000,000 annually had been made since the F. C. C. launched its investigation into the far-flung American Telephone Telegraph Company last fall. Director of the inquiry, Walker, said the reductions included a re-

Greeks May Fortify Islands Near Entry To The Dardanelles

PARIS, Apr. 28.—(AP)—The Havas (French) News Agency quoted "well-informed circles" as saying that the Greek general staff has decided to fortify the islands of Lemnos and Samothrace, dominating the entry to the Dardanelles.

The Greek military authorities reached their decision because of Turkey's remilitarization of the Dardanelles, it was said.

30x3 1/2 Truck Type.....	18.90
32x6 H.D.....	38.25

The body of the New Firestone High Speed Tire is made from selected long-staple cotton dipped in liquid rubber, absorbing eight pounds of rubber in every hundred pounds of cotton. This patented Gum-Dipping process insulates every fiber in every cotton cord, preventing internal friction which creates the heat so destructive to tire life, and giving to the tire added strength.

Ab Jenkins, the famous driver, used Firestone Gum-Dipped Tires on his 3000-mile run over the Salt Beds of Utah, which he covered in 23 1/2 hours—a record of 127 miles per hour. He has driven more than a million miles on Firestone Tires in every state in the union, on all kinds of roads, in all kinds of traffic, without tire failure or accident of any kind. What a tribute to safe, dependable, economical tire equipment.

When you drive at today's higher speeds, your life and the lives of others are largely dependent upon the degree of safety built into the tires of your car. Take no chances—equip your car with new Firestone High Speed Tires today and be sure of the safest driving equipment money can buy.

A leading university in 2300 tire tests has found that the new, scientifically designed Firestone High Speed tread stops a car up to 25% quicker. Its super-traction and non-skid efficiency have also been proved in the famous Pike's Peak Race where for eight consecutive years it has been used on the winning cars.

German Quest For Pedigrees Swamps Nazis

BERLIN, Apr. 22.—(AP)—The
government department for family
research (Sippenforschung) has
sent out a public SOS, to the ef-
fect: "Please stop asking ques-
tions. We are snowed under."
Dr. Kurt Mayer, chief of the de-
partment, states in a printed ap-
peal that applications for informa-
tion had risen from 400 a month in
1934 to 2,200 a month, and that
his staff cannot cope with more.
When the Nazi authorities began
putting into effect their pedigree
requirements, they could hardly
have realized that so many thou-
sands would not be able, despite
frantic search, to trace all four
paternal and maternal grand-
parents, let alone remoter an-
cestors.
In countless cases, old birth and
marriage certificates have been
lost; church registers either were
incomplete or had been destroyed
by fire or otherwise, and many
people were obliged to offer re-
wards to anyone who could help
them produce proof of ancestry.
While "minor" ancestry papers,
embracing grandparents only,
were the cause of much worry, the
"major" documents, going back
to 1800 and essential for Nazi
party membership or farm own-
ership, gave still more headaches.
Meanwhile, hereditary character
research, conducted scientifically,
is in full swing.
Dr. Stumpf, of the Munich In-
stitute of Psychiatry, claims "the
family character" can be estab-
lished; distinction being made be-
tween biologically rooted family
traits, which are inheritable, and
"accidental traits" which are un-
accountable.
Then Professor Burger, Prim
of Leipzig finds there are means
to discover the existence of mental
defects early in life, and he urges
early sterilization in those cases.
A Berlin woman professor, Em-
my Stein, goes further and has
set up a theory that "mutations,"
that is, artificial changes of
hereditary qualities, can be
brought about by the application
of certain rays.

Battle Fleet Starts Annual Maneuvers

SAN PEDRO, Calif., Apr. 22.—
(AP)—The bulk of America's sea-
power started six weeks of manue-
vers in the Pacific yesterday.
From San Diego and San Pedro
bases 150 ships, and 450 airplanes
of the United States fleet will go
out to sea on secret problem
XVII.
These exciting problems of the
Navy Department each year simu-
late an actual war condition. This
is the seventeenth worked out by
the Naval War Plans Board to
test the fleet's ability to meet
some particular situation.

Queen Mary's First Voyage May Postpone Speed Test Of Britain's New, Costly Liner

By ELMER W. PETERSON
SOUTHAMPTON, England, Apr. 25.—(AP)—How fast the 30,735-ton liner Queen Mary can travel with her engines "full out" may remain a mystery even after the negotiates her maiden voyage to New York late in May. It is rumored, as the latest Atlantic crossing undergoes further test runs after registering 23 knots in early trials, that no effort will be made to break existing speed records on the first trip across.

Emphasis may be placed, instead, on detection of vibration and general mechanical efficiency.

The 16 giant turbines, generating 200,000 horsepower, if needed, in a three-story-high, white-walled engine room, are to be given every opportunity to work themselves in properly.

Once the engine room indicator is put at full speed ahead, however, and it may happen on the maiden voyage for all that, it is confidently predicted that the Queen Mary will hit 32 to 34 knots, or close to 40 miles an hour.

But no definite word can be obtained as to speed. Sir Edgar Bellie, commander of the Cunard fleet, who will captain the ship, will not say. The builders, will not say. And officials of the Cunard White Star Line also are

silent.

They are more outspoken on the question of vibration, long regarded as a peril to so large a vessel. It has been stated that the Queen Mary, while coming down the Clyde, twice went full speed astern, with all four propellers, without anyone on deck being aware of the fact.

"You can put a full glass of water on an engine casing and not spill a drop," was the proud boast of one of the engineers who was present on the first trial run.

With her hull newly scuffed and painted the new liner is ready for ocean service with the exception of final touches to interior decoration, organization of personnel and stocking of supplies.

It is estimated that no less than 250,000 persons have received employment, either directly or indirectly, in the building of the Queen Mary. A crew of more than 1,200 will have regular jobs.

More than \$25,000,000 will have been expended in construction and fitting out when, amidst ceremony and noise, the pride of British shipbuilding leaves here on her first formal voyage. But 2,500 passengers will pay \$375,000 in fares on that first trip. Maintenance of that rate of return is the pressing problem of the owners.

Chamberlain Gets Tory Backing As Next Cabinet Head

By CHARLES E. NUTTNER
LONDON, Apr. 25.—(AP)—Growing belief exists in England that the political days of Stanley Baldwin, the prime minister and No. 1 man in the British government, are numbered.

Responsible political circles are convinced that Neville Chamberlain, chancellor of the exchequer, is being groomed as his successor. Any actual move to restore Baldwin to private life is, however, believed six months or a year away.

But when it comes, competent observers believe, the question is certain to bring Sir Samuel Hoare, scapegoat of the Hoare-Laval episode, back to the cabinet with more prestige than ever.

Baldwin recently has been the target of developing political attacks which claim a wide backing in the House of Commons, including factions which hitherto frequently have supported the prime minister.

Not only is it being charged that Baldwin failed to realize the need for national defense, taking refuge in procrastination, but also his appointment of Sir Thomas Inskip as minister for co-ordination and fitting out when, amidst ceremony and noise, the pride of British shipbuilding leaves here on her first formal voyage. But 2,500 passengers will pay \$375,000 in fares on that first trip. Maintenance of that rate of return is the pressing problem of the owners.

Tory criticism of the Inskip appointment was especially marked. Most challenging was the attack by Sir Austen Chamberlain, ultra-conservative former foreign secretary and brother of Neville.

In the defense debate Sir Austen rebuked Baldwin for his "errors of judgment," while the Inskip appointment brought further stinging remarks from the powerful conservative who thought Winston Churchill should have had the new ministerial job.

Britain, stated Sir Austen, was justified in "demanding great changes, and evidence that everything is being done to prevent the continuance or recurrence of such errors as those for which the prime minister has twice within the last two years asked the pardon of the house."

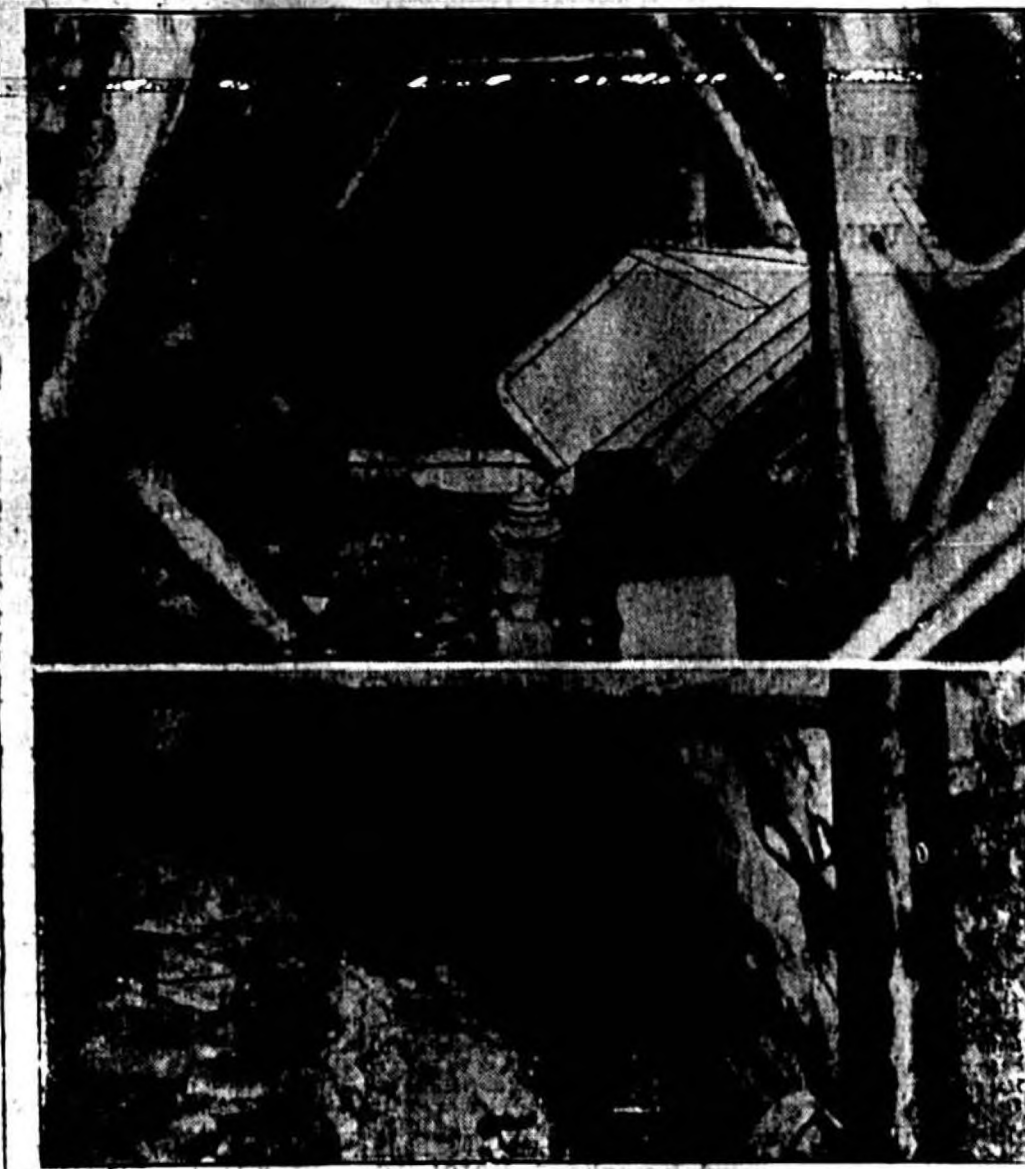

He referred to Baldwin's apologies for misjudging the speed and danger of German rearmament and the abortive Hoare-Laval plan for ending the Italian-Ethiopian war.

Young conservatives, to whom Baldwin long has been a hero, are understood to be losing confidence in him, and feel that he should make way for a younger man with a better grasp on foreign affairs.

Members of parliament recently have noticed an amazing change in the stoic prime minister who took over his office from the aging hand of Ramsay MacDonald less than a year ago. It was his third time in the post, he having served previously from 1923 to 1924 and from 1924 to 1929.

Baldwin, they say, appears a victim of nerves in the rising clash and importance of international

WHERE THREE WERE BURIED ALIVE IN MINE

In this narrow chamber 141 feet down in the Moose River gold mine (top), Dr. D. E. Robertson and Charles A. Scadding waited for death—but rescuers reached them first. Their companion, Herman Hill, was not so fortunate. He died of exposure. In the foreground is the lantern carried by the anglophobic man and at the right is the steel "bucket" in which they were about to ascend to the surface when the cave-in trapped them. Below, is the small hole through which rescuers pulled them from their living tomb. (Associated Press Photo)

THIS PICTURE COST PHOTOGRAPHER HIS LIFE

Here is the picture for which Dr. Jasper Gattuccio, San Jose, Calif., dentist and amateur photographer, paid with his life. It shows Peter Veis, eccentric wanderer, boiling with rage as he leaped for his shotgun in his horse-drawn wagon to shoot the dentist for taking the picture without paying the old man a fee. A moment later shots ripped through the rear window of Dr. Gattuccio's automobile and he was wounded fatally. (Associated Press Photo)

DECISION RESERVED
WASHINGTON, Apr. 25.—The Court's next decision day is next Monday.

THIEF BLOWS UP CITY
CHUNGKING, West China, Apr. 25.—(AP)—Twenty persons were killed at Kwangan near here when a thief, cutting into a powder magazine, lit a match to find his way. The explosion leveled scores of buildings.

Gen. Pickett's Home Is To Be A Museum

BELLINGHAM, Wash., Apr. 25.—(AP)—The memory of Gen. George F. Pickett, famous Confederate officer, will be honored by the Washington Historical Society Wednesday, at a dedication of the house in which he lived here 50 years ago while a young United States Army captain.

Pickett's home will become a museum for relics of the early days of Washington and the Pacific Northwest.

Pickett came to Bellingham Bay to command a company of soldiers protecting settlers from marauding Indians.

Secretary Wallace Is Now A Democrat

DES MOINES, Iowa, Apr. 25.—(AP)—Secretary of Agriculture Henry Wallace, for years a Democrat in feeling formally became one in name as well. His party affiliation and that of Mrs. Wallace were changed from Republican to Democrat by the filing of their declarations with the county auditor here.

Wallace had said the change was "just a formality and really a recognition of my membership in the Democratic party."

The son of a former secretary of agriculture, Wallace, like his father, grew up in Iowa as an ardent Republican. He left the Republican ranks in 1928 to support Alfred E. Smith, and in 1932, campaigned for Roosevelt, whose farm policies he approved.

Birds in Miami Zoo Are Killed By Hoax

MIAMI, Apr. 25.—(AP)—Twenty-six birds, including valuable heron, and several lizards, all caged at the Opa-Locka zoo, perished in the hail storm that swept the Miami suburb yesterday. Keeper G. F. Sizman reported here today.

Feeling volleys of egg-sized hail gave the 5,000 inmates of the zoo a thoroughly bad half-hour, Sizman said, and caused loss of animal life valued at \$500.

Before his marriage to Venita Yarden, Jack Oakie was reported engaged to more actresses than any other actor in Hollywood.

Rehearing On Barber Law Denied By Court

TALLAHASSEE, Apr. 25.—The Supreme Court yesterday denied a petition for rehearing of its recent decision holding unconstitutional an act of the 1933 Legislature which sought to give the state board of barber examiners authority to fix minimum prices for barber services.

All justices concurred in rejecting the petition, filed by the state board.

DOCTORS ON CRUISE

NOTE TO MUSIC

OKMULGEE, Okla., Apr. 25.—(AP)—Negro voters demanded their candidate furnish a radio-equipped car to take them to the polls in order that they would not miss their favorite orchestra.

RESCUED DOCTOR RECOVERING

Rescued doctor recovering from injuries sustained in the explosion at the mine. He is being treated at the hospital.

India's Last British Viceroy Must Erase Own High Rank

NEW DELHI, India, Apr. 25.—(AP)—The Marquess of Linlithgow, succeeding Lord Willingdon as viceroy of India, is, in the opinion of many, shouldering the most difficult task any subject of the British crown has had to face within the empire for 50 years.

The great Indian sub-continent will have to be changed by him from an autocratically governed British possession under a viceroy into an autonomous federation in which the empire will be represented by a governor general.

No man, Britishers here think, could do the job better. Lord Linlithgow was chairman of the parliamentary committee that shaped the autonomy-giving constitution for India in 1933.

Previous wide experience of India's intricate problems came to him through travel and as chairman of the royal commission on Indian agriculture, 1926-28.

Actually, inaugurating constitution is becoming a Linlithgow family job. The marquess's father, John Adrian Louis Hope, set the present Australian constitution working as governor general of the commonwealth, 1901-02.

Born 48 years ago, Victor Alexander John Hope, of Hopetoun House, Linlithgowshire, is head of the Scots clan of the Hopes.

There are many of them. The Hopetoun parson once drowned in

his sermon. The world is full of blasted hopes," just as the marquess, his wife, their twin sons and three daughters filed into the family pew under the pulpit.

Tall, debonaire and commanding, he is a "strong man," and his policy is always one of action.

His appointment has been widely welcomed in India. The Indian congress organ, the "National Call," recognized Linlithgow was responsible for the report of the Indian agriculture commission "which won for him the admiration of the Indian people." He had travelled 18,000 miles on a personal tour of inspection before he signed it.

He expects a thrilling time during his term of office. "Make no mistake about it," he said recently, "the rural masses of India, for so many centuries unchanging, are at last on the move."

Linlithgow has been described as one of Britain's "most solemn peers," but looks belie him. In the World War he delighted several privates serving under him by performing an impromptu apache dance.

On another occasion in the officers' mess, he impersonated a maiden aunt at a children's party, and often could be heard all over divisional headquarters doing full justice to tenor arias from Gilbert and Sullivan operas.

Little Woman Breaks Hubby's Head As She Hurls A Sugar Bowl

CHICAGO, Apr. 25.—(AP)—A too well-aimed sugar bowl caused the arraignment of Mrs. Mary Moreno, 30 pounds and four feet two inches tall, on a charge of assault against her husband, Jess, who weighs 200 pounds, stands six feet in his stocking feet and is a steel worker.

He suffered a fractured skull, police reported, and her case was continued pending outcome of his injury.

"Every time he comes home drunk, he throws things at me," the woman told Judge Weiss. "When I saw him coming in drunk, I picked the sugar bowl off the table and threw it at him."

Kentucky Colonels Get Back Dignity

FRANKFORT, Ky., Apr. 25.—(AP)—Seventeen thousand Kentucky colonels, admirals and similar honorary aides were restored in "good standing" yesterday by Acting Governor James E. Wise, exactly one month after Kentucky's attorney general, Beverly M. Vincent, ruled them all out of office.

The acting governor, serving as chief executive in the absence of both Gov. A. B. Chandler and Lieut. Gov. Keen Johnson, increased the standing army of honorary aides by two, naming colonels' commissions to Elmer Smith Boteler of New York City and Lawrence W. Leeper of Dallas, Texas. They were the first commissions issued under the Chandler administration, which took office last Dec. 10.

Informed of the action of Wise, who is president pro-tem of the state senate, Vincent declined to comment other than to say he was sticking to his original opinion holding that there was no constitutional provision for appointment of colonels in the first place. Both the state and federal Constitutions, Vincent pointed out, provide that no titles of nobility shall be issued, and because colonels have no duties, terms of office or authority, he said the commissions amount to titles of nobility.

Librarian Says Men Like Heavy Reading

TUSCALOOSA, Ala., Apr. 25.—(AP)—Alice Wyman, head librarian at the University of Alabama, observes that men students read "heavier" books than women.

"Girls in general choose poetry and novels," she says, "while boys pick more serious books."

REPLENISH FISH STREAMS

RICHMOND, Va., Apr. 25.—(AP)—Fifty million fish of the yellow perch species will replenish streams in eastern Virginia under a distribution program of the state commission of game and inland fisheries.

FORT STOCKTON, TEXAS, APR. 25.—(AP)—Seddie Ligion, 85-year-old farmer, each year raises a crop on 50 acres watered by overflow of Comanche creek, near here. He never employs labor except for harvest.

THINGS TO COME... From the Alexander Korda Production of the H. G. Wells' Screen Play

Things to come from the Alexander Korda production of the H. G. Wells' screen play. The essential nobility of man triumphs over the war. Cobal's plane brings down an enemy plane. Harding, a young scientist, John Cobal, our hero, and Pennington meet to discuss the war before leaving for the front. Harding and Cobal see the end of civilization, humanity is annihilated.

Legion Junior Baseball League Is Organized

58 Boys Sign For First Teams, Play Begins Next Week

Six Teams Wanted So Young Ball Players Are Asked To Join

The American Legion Junior Baseball League was organized last night with 58 boys signing as the nucleus of six teams with which the new league is to be composed, though if enough players sign up there will be eight clubs. The organization meeting was held in the Junior High School and all those who signed the roll were present, together with some other boys and the fathers of a number of the "youthful players." H. E. Morris, principal of Junior High, presided.

Eddie Rawson, athletic officer of the Legion post, will direct the league, assisted by Bert Chapman, Sid Rive, Roy Holler, Lloyd Palmer, Emil Amann and W. C. Hutchison, former players in major, minor and college leagues.

Mr. Rawson announced that he hopes to get the new League going by the first of the week, though more boys are needed to fill out the six or eight teams. Mr. Rawson and Mr. Morris plan to work out a schedule this week that will not conflict with games of the Florida State League on Sanford Field.

Addressing the boys at last night's meeting, Mr. Rawson said that four of the happiest years of his life were those he spent as athletic director in a school where he taught physical education and coached all the athletic teams.

"We want in this new League boys who like to play baseball, and who will 'play the game,'" Mr. Rawson said. "There isn't a stiff workout in the morning at which time some new men were given a try. The team should be in better shape in today's game with the G-Men, the first time it has met Gainesville."

Three times to bat and home runs each time. That was the remarkable record made by Swindell, Lookout center fielder, in Sunday's game at Palatka. And the fine thing about it was that each time he clouted the ball for a circuit drive there was another man on base, so Swindell was credited on the official score with hitting in six runs. Swindell's performance has never been equaled by another Florida League player, and no other man has ever sent the ball soaring over the center field fence as he did in that game with the Analas.

With the Florida State League and the Lions Club League going strong, the American Legion Junior League in the making, all that is needed to make the baseball schedule complete is a league (or at least a couple of teams) of young men. That's the opinion of H. C. Waters, winner of three letters in High School, who would like to see such a league organized. Talk it over with H. C., you lovers of baseball who would like to play a strong now and then.

Then there's diamond ball. A commentator is told that Sanford used to have some good ball teams. As diamond ball is played at night it would not compete with regular baseball, but would furnish wholesome entertainment for many.

Gainesville has signed Paul Bonner who used to play shortstop for Sanford in the old Central League, and it is believed the big city team will gain considerably by Bonner's acquisition, especially on the defensive.

Congratulations to Leonard "Buddy" Lake, on his election as secretary-treasurer of the new organization. Florida State Baseball Coach's Association congratulates to Sanford High School on the team who ranks among the best in the state.

Sanford is planning to purchase a new diamond ball field in the future, otherwise they had better pray for rain after the fifth inning.

Rain stopped Saturday's game on Sanford Field at the end of the fifth inning, but as the Lookouts were ahead 7 to 0, they were credited with a victory over Palatka. It was their third victory in the first week of play in the Florida State League. But had Jupiter Pluvius stepped in and stopped the game day before yesterday, even as late as the eighth inning, the Lookout would have defeated Palatka. But it didn't rain and the Analas won out in the 12th inning. Sanford was leading the field at the end of the fifth inning and was ahead of the field in the fifth inning of last Friday's game, but unfortunately it didn't rain on those days, and both DeLand and St. Augustine won. If Jupiter Pluvius had been on our side last week we would have had five victories and only two defeats, instead of only three wins and four defeats for the first week of play.

The Lookouts had their first day's rest yesterday. That is, they didn't play against some other team. However, they had a stiff workout in the morning at which time some new men were given a try. The team should be in better shape in today's game with the G-Men, the first time it has met Gainesville.

Request From Golfers Is Granted By The City Commission

Young Players To Diamond Ball To Be Used In Game Get Under Way In With G-Men Today State This Week

Lake Is To Be Saved Several Leagues Are To Play In Tampa Starting Tonight

Planning to use young players in today's game with the G-Men, Manager Staffy McCrone headed all the Lookouts on the big bus and left for Gainesville shortly before 10 o'clock. He took the entire outfit, 18 men, only two short of his capacity.

Staffy has decided against starting Buddy Lake, Sanford's new ace pitcher, in the game with the G-Men here tomorrow, but will save him for the Thursday's half-holiday game on Sanford Field with the DeLand Reds. The DeLand team is stronger than the Gainesville outfit, but the main reason for getting Buddy into that game, the manager felt, was because he should be a drawing card and result in many Yalaha county fans packing into the grandstand.

The time is getting short in which all clubs in the Florida State League must trim down to 14 men, hence Staffy's decision to use all his young players today and find out just what they can do. Many of these have not been in more than two or three innings, and some have never played since they were signed by the Lookouts.

The Sanford Baseball Association held a meeting last evening, talked over the whole baseball situation, signed up a few new players conditionally and let out one man. The player who was released is Hugh Campbell, pitcher, who came here from Gainesville, Ga.

This week the City League composed of six teams, and the Employers and Municipal leagues of seven teams each, will start off their regular schedules. The City League will play all games at night under floodlights while the Employers and Municipal leagues will alternate between twilight and night games.

Tarpon Springs League TARPON SPRINGS, Apr. 22.—The Tarpon Springs diamond ball league has set a tentative opening date for May 13. Thomas Craig was elected president of the league to succeed W. R. Sparks.

Plans are to have four teams playing in the local league with two nights of play each week.

Athletic control at the University of California is vested in a student council instead of an athletic director, as at many schools.

Hard-bodied German customs officials for once will be "soft" when foreigners come here in August to see the Olympic games.

Motorists of the world will find borders wide open and far from Prussian bureaucracy controlled, it has been officially announced.

There will be no tireless formalities. Just the customary international indication of the country of origin on the rear of cars will do the trick.

Frontier officials will issue "Olympic frontier passes."

Raph Diehl and Roy Dunn also signed the roll, but they failed to indicate their age.

Joe Jonsson, Dub Epps, Fourteen years of age; Raymond Sapp, Webber Wolborn, Earl Knight, Walter Meriwether, Jimmie Page, Lallo Hanari, Pete Tillis, Arthur Beckwith, Walter Hopkins.

Fifteen years of age: Lowell Hoover, Bill Ward, John King, James Brown, Donald Pearson, Dial Rowe, LeRoy Cooper, Harry Grimball, Clarence Barrineau, Brian Hurt, Buck Ferguson, Donald Whitten, Lance Hayes.

Sixteen years of age: Richard Lundquist, Morris Bonisko, Charles Leavitt, Roderick Adams, Robert Steele, Bobby Merritt, Robert Stoenoff, James Young, Julian Adams, Billy Zachry, Charles Meriwether, Darrell Ferguson.

Seventeen years of age: Ralph Diehl and Roy Dunn also signed the roll, but they failed to indicate their age.

Organized. The acting captains are Darrell Ferguson, Billy Zachry, John King, Jimmie Page, Lance Hays and Robert Steele.

The "charter members" of the new league are the following: Twelve years of age: John Angel, Bryl Higgins.

Thirteen years of age: Frederick Dyon, Roy Burns, George Willis, Shelton Hardin, John Edwards, Eugene Harrison, Alvin Odham, Giles Chapman, Lawrence Barrineau, T. H. Willis, II, C. Tippins, Russell Hoover, Collier Kinard, W. E. Betts, Jr., Arthur Branan, Jr., Sidney Richard, Kent Rosseter, Jr., Ralph Pezob,

Improvements At Country Club Are Ordered By City

New Tank And Motor Will Be Installed At Golf Clubhouse

Essential improvements at the Municipal golf course were ordered by the City Commission last night after Otto Caldwell, A. C. Fort and Charles Dean took turns in emphasizing the necessity for action at once. Commissioners had about decided to postpone action until they could inspect the property, but when it was explained that the most needed improvements could be made without the expenditure of any real cash and that they should be made without a day's delay the board bowed to the wishes of the delegation and ordered the work done.

The improvements the delegation desired immediately necessary consisted in the replacing of the waterworks system at the clubhouse. The old tank holds so little that it is impossible to keep up pressure, they said, and the electric motor is worn out. They submitted an offer from the Sanford Machine Works to install a new 60-gallon tank and a motor that will pump 600 gallons of water an hour at a cost of \$25—and the company will let the \$25 apply on its loan.

After the order for the new tank and motor was given, Mr. Dunn suggested that if the City would buy the job, Mr. Fort, secretary of the Country Club and in charge of the golf course, would paint the clubhouse. The Commissioners decided, however, to defer action on that proposal until after they view the property. This they propose to do this week Thursday.

Sanford is The Only Central Florida City Affording Rail, Highway And Water Transportation

Sanford County Problems More Than And Vastly Different Than Any Other Area In America

VOLUME XXV Number Announced From SANFORD, FLORIDA, WEDNESDAY, APRIL 23, 1936 Established In 1908 NUMBER 159

Two Policemen Are Identified As Kidnapers

Hunger-On At Police Station In Tampa Accuses Carlisle And J. P. Bridges

Witness Former Insane Patient

Tammany Challenged By Defense In Trial In Court In Barlow

BARLOW, Apr. 22.—(AP)—John Elmer, hunger-on at the Tampa police station, today identified two of the former politicians on trial for kidnaping Eugene F. Peckham as the men who forced Peckham into an automobile outside the station the night of last Nov. 30.

Elmer, whose testimony was challenged by the defense because he had been an inmate of the insane hospital for the insane, said today that he saw Peckham being taken to another car. The witness testified he was standing at the curb at the time of the abduction.

Elmer's testimony was not given after a brief trial in court today. He was held in custody at the Tampa police station until he was taken to the insane hospital.

Elmer's testimony was not given after a brief trial in court today. He was held in custody at the Tampa police station until he was taken to the insane hospital.

Only Three More Days To Register

Andy Cartaway Elected To Head Sanford Jaycees

Annual Meeting Held Tuesday Evening In Mayfair Hotel

Andy Cartaway is the new president of the Sanford Junior Chamber of Commerce, elected at the annual meeting held in the Mayfair Hotel last evening. He succeeded Marvin L. Brown, who served as president for the past year.

The meeting was held on Tuesday evening, April 22, at 8 o'clock. Cartaway was elected president, and J. J. Kellum was elected secretary. Other officers elected were: Treasurer, E. E. Lacy; Directors, E. E. Lacy and E. E. McNeill.

The meeting was held in the Mayfair Hotel, which is the headquarters of the Junior Chamber of Commerce.

\$38,900 Saved To Farmers In Loan Charges

Over Million Dollars Loaned To Growers In Seminole County By Federal Bureau

Seminole County farmers were last year saved \$38,900 in interest charges alone through refinancing arrangements with the Farm Credit Administration, located in Washington. More than \$1,000,000 of farm loans with interest rates averaging 12 percent were refinanced with lower interest rates of 5 percent or less, the year.

The figures show that the local National Farm Loan Association has been a big factor in making these low-interest mortgages available to low interest rates. The association arranges loans to the Federal Farm Loan Bank.

From 1932, when the Farm Credit Administration was organized, to the end of last year, the Seminole County farmers were loaned \$38,900 for the purpose of refinancing their farm loans.

KLAN JOINS SOUTH IN TRIBUTE TO VETERANS

The Ku Klux Klan marched again in honor of the men who fought in the War Between the States during the South's celebration of Confederate Memorial day. At the left Klansmen in hoods and robes are shown walking down Peachtree Street in Atlanta, Ga., in that city's mammoth memorial parade. Veterans of the war are seen (right) in an Atlanta cemetery where services were held at graves of the Confederate dead. (AP Photos)

Hungary Finds Nazi Plot For May 1 Putsch

Government Arrests 18 Nazi Leaders; Seizes Uniforms Of Army Officers

BUDAPEST, Apr. 22.—(AP)—Police announced today that by simultaneous raids on several districts they had uncovered a Nazi plot to engineer a putsch on May 1. Eighteen Hungarian Nazi leaders, including Dr. Zoltan Boszormenyi, reputed national chief, were arrested.

Authorities said they found 40 uniforms for Hungarian colonels and generals in the Bostormenyi home. Officials were informed the Nazi leaders planned to wear these uniforms as pseudo officers prepared to take charge of troops in the capital.

Police said they learned that Nazi sympathizers in rural districts were given secret orders to come to Budapest on May 1. Authorities expressed confidence that the plot has been crushed.

Admiral Nichols Horthy ruled Hungary as regent of a technical monarchy which has no king.

Roosevelt Has Big Lead Over Breckenridge

Pennsylvania Strong For President As Republicans Vote For Senator Borah

PHILADELPHIA, Apr. 22.—(AP)—President Roosevelt maintained his big lead over Colonel Henry Breckenridge as further returns were received from yesterday's presidential preferential primary. Figures from 3,777 of the state's 7,933 precincts gave Roosevelt 560,000 and Breckenridge 19,800.

In the Republican preferential Senator William E. Borah in 3,115 precincts received 219,000 votes but was unopposed.

All Democratic candidates for delegates to the national convention are pledged but not legally bound, under Pennsylvania election law, to support the popular choice of the voters.

Most Republicans selected as delegates for the party convention at Cleveland in June are "unpledged" to the popular choice. Since Borah has no registered opponent his primary vote will not designate him as the "preference."

Mrs. Gifford Pinchot, wife of Pennsylvania's former governor on the basis of early returns from the Fifth Congressional District of Philadelphia, was leading her two chief opponents for the Republican nomination for Congress.

Plans To Improve Hospital Favored By Kiwanis Club

Also Agree To Help Salvation Army In Its Annual Appeal

Kiwanis, meeting in their regular weekly luncheon session today at the Mayfair Hotel, agreed to lend active support to the presentation of "Miss Florida" to the city and to help the Salvation Army in its drive for membership.

Acting President Howard Long appointed a committee headed by Fred E. Wilson to prepare a resolution supporting the City Commission's hospital improvement plan. He also called upon the Kiwanis to support the presentation of "Miss Florida" to the city.

Wilson, in his address, pointed out that the city's hospital is in need of improvement. He called upon the Kiwanis to support the City Commission's plan to improve the hospital.

Public Speaking Competition Won By Boyd Coleman

Boyd Coleman last night won the public speaking contest of the Junior Chamber of Commerce, the winner of the contest. Coleman, a student at the University of Florida, was the only entrant from Sanford.

The contest was held on Tuesday evening, April 22, at the Mayfair Hotel. Coleman's speech was titled "The Future of Florida." He won the contest by a large margin.

Street Parade To Start Celebration For Miss Florida

A street parade at 4:30 o'clock this afternoon will start a week of celebration in honor of the coronation of Miss Florida. The parade will start at the intersection of Broadway and Second Street.

The parade will feature a band, floats, and a large crowd of people. It will be a major event in the city's celebration.

Elks Want Sholtz As Head Of Order In United States

Tampa Man Elected New President Of State Association

TAMPA, Apr. 22.—(AP)—Florida Elks, closing the thirty-ninth annual convention of their association yesterday, recommended the candidacy of Gov. Dave Sholtz for the post of grand exalted ruler of the national organization. This action followed a similar endorsement at a conference in DeLand of exalted rulers and secretaries of the lodges in Florida.

The 1937 convention was given to West Palm Beach and DeLand was picked for the second consecutive year as the site for the annual summer conference.

J. J. Fernandez, of Tampa, was elected president of the association. He is a past grand exalted ruler of Tampa lodge, a past district deputy for the Florida West Coast section and has served as first vice-president of the State Association for the past year.

Appointed officers included: Peter Gesner, DeLand, sergeant-at-arms; the Rev. L. J. Flynn, of Arcadia, chaplain; and A. M. Taylor, St. Augustine, re-appointed historian.

Fernandez succeeds W. P. Mooney, Miami.

Other officers elected were: Alto Adams, Fort Pierce, first vice-president; Claude Johnson, Tallahassee, second vice-president; Fred Myers, third vice-president; R. L. Bohon, Jacksonville, fourth vice-president; Jim Hooper, Cocoa, fifth vice-president; R. Walker Hawkins, DeLand, secretary-treasurer; Herman Scragg, Daytona Beach, Tyler; M. Frank O'Brien, Jacksonville, was named to the executive committee for three years.

All officers were installed by Casplan Hale, New Smyrna, immediate past president of the State Association.

Plans To Improve Hospital Favored By Kiwanis Club

Also Agree To Help Salvation Army In Its Annual Appeal

Kiwanis, meeting in their regular weekly luncheon session today at the Mayfair Hotel, agreed to lend active support to the presentation of "Miss Florida" to the city and to help the Salvation Army in its drive for membership.

Wilson, in his address, pointed out that the city's hospital is in need of improvement. He called upon the Kiwanis to support the City Commission's plan to improve the hospital.

Kidnaper Of Wendell Blames Parker's Son

NEW YORK, Apr. 22.—(AP)—District Attorney William F. X. Conahan of Brooklyn announced today that Harry Weiss, arrested early yesterday in Youngstown, Ohio, had confessed to kidnaping Wendell Parker, Jr., son of the late Senator Parker. Weiss said he would be made a state prisoner if the abduction was proved.

Weiss was brought here last night by train from the Ohio city where he was found by Assistant District Attorney Francis A. Madden, with wife, Mrs. Lily Weiss, and the fugitive's attorney, former Manhattan lawyer Joseph Goldstein, of New York.

Chicago-New Orleans Time Shortened Hour

NEW ORLEANS, Apr. 22.—Major James Doolittle landed a transport plane at Shushan Airport at 7:19 P. M., 5 hours and 58 minutes out of Chicago, to break all speed records between the two cities. The old transport record was 7 hours, 15 minutes.

He left Chicago at 1:54 P. M. flying a Lockheed Electric, 10-plane plane. The trip was sponsored by the Chicago and Southern Air Lines, which will put four of the planes, capable of 210 miles an hour, into service on the Chicago-New Orleans run May 1, cutting the scheduled time between the cities to six hours.

In addition to two pilots, there were eight passengers aboard.

Rivers And Harbors Congress For Canal

WASHINGTON, Apr. 22.—(AP)—A billion dollar navigation and flood control program, embracing the congressionally-abandoned Florida ship canal, today was asked of the federal government by the National Rivers and Harbors Congress.

Funds for the both ship canal and the Passamaquoddy, both started with relief allotments, were eliminated by the Senate from the Rivers and Harbors bill.

In other resolutions, the Congress asserted that flood control and navigation projects gave larger benefits than any other form of public works.

Street Parade To Start Celebration For Miss Florida

A street parade at 4:30 o'clock this afternoon will start a week of celebration in honor of the coronation of Miss Florida. The parade will start at the intersection of Broadway and Second Street.

The parade will feature a band, floats, and a large crowd of people. It will be a major event in the city's celebration.
