We believe that this is the quality which Mr.

Stenstrom has to a very high degree. And it is also a happy instance that the very appearance of the candidate justifies such an appraisal.

Full support by Seminole voters at the First Primary is essential if they want to give our well and favorably-known Sanfordite the opportunity to carry the Democratic standard in the election in November.

Victory then would send to Washington from this Fourth Congressional District a man who knows the needs of this area and would mold them into a national program with benefits for

DEAR POLLY — and Mrs.

M. T. —The way I make a quilt with neckties, I cut off the speciate quilt is to take an old sheet and cut into 12-inch squares. On each square place a large piece of tie, diagonally across from one corner to another, and then use other pieces to fill in at each side of it. Press each finished block, trim the edges and sew together to be the base. I briar stitch all the searces out to be the base. I briar stitch all the searces out to be appliqued on other quilts.

DEAR POLLY — To make a quilt out of log cabin pattern. When appliquing the flower designs I use a pretty embroidery stitch or just sew them down. I have done both and the quilts are beautiful.—IDA
