

### Celery Feds Will End Football Season At St. Augustine Friday

Seven men, every one of them on the first string eleven, will play their last game for Seminole High, when the Feds run into the classy St. Augustine Mulletts in the Ancient City Friday night.

Closing their careers for the Celery boys will be three backs, McKay Truluck, Bill Branan and Mack Cleveland; two ends, Jack Herring and Taylor Brown; and two guards, Glenn Odham and Junior Brown. The loss of these stars dim the possibilities of next year's outfit.

St. Augustine, featuring the double and even triple reverses, rate the favored role over the local eleven. However, the Feds are hoping, and would seem to have a chance to surprise.

The local team practiced through light scrimmages Tuesday and yesterday and are in good physical condition. Bill Branan, star back, has recovered from the bad charleyhorse received against New Smyrna, and which severely limited his playing time against Leesburg.

Leonard (Whitey) McClucas, newly-wed Fed coach, intimated his lads might surprise the Mulletts but admitted the St. Augustine bunch rated the favored position. The team will leave here early Friday afternoon.

### High School Teams Will Perform In St. Petersburg Kumquat Bowl

By John Lodwick  
ST. PETERSBURG, Dec. 4.—(Special)—Old man football will not make his final exit off the sports stage until New Year's Day when bowl games will hold the attention of fans the country over. There will be plenty bowl attractions for outstanding college and university eleven but the only intercollegiate classic booked for the holiday week is scheduled for the Sunshine City "Kumquat Bowl" where two brilliant high school eleven, one composed of all stars, the pick of 52 schools within the greater Cleveland area, will be pitted against the strong and powerful St. Petersburg Green Devils on Christmas afternoon.

Tommy Hudson, St. Petersburg's crack halfback, a good bet for selection upon the Florida State scholastic all star eleven, will play in his final game for the Green Devils. Tommy was St. Petersburg's greatest ground

runner through the season. He averaged 97 yards a game from scrimmage.

Four games have been played in the annual north-south intercollegiate holiday classics. Two games were won by the Buckeyes, one by Florida and there was one scoreless tie.

The Christmas Day game is the only football event on Florida's calendar for that holiday. Cleveland's squad of all stars will leave from the Buckeye metropolis, Dec. 17, by chartered motor bus. Enroute, they will go through signal practice, taking plenty of time to cut down through Kentucky, Tennessee and Georgia. In Florida, they will visit as many places of interest as is possible before knocking down to final practice sessions before the big game.

Russian Dispatches Say Enemy Forces Are Slashing On Toward Dmitrov

Soviets Declare 4,400 Nazis Die

Red Troops Recapture Ground In Rostov-Donets River Basin

(By Associated Press) Russian dispatches declared today that the Germans have concentrated their main offensive power in a terrific new onslaught northeast of Moscow, slashing through the Solnetschnogor-ski sector toward Dmitrov, 40 miles directly north of Moscow on the secondary railroad to Leningrad.

On the southern front, the Russian radio declared the Red Army had re-taken 4,000 square miles of territory on the Rostov-Donets basin. On the Moscow front, the mid-night Soviet communiques announced 4,400 Germans had been killed and 700 more were being taken prisoner. German planes and air attacks in the latter sector were said to have taken a heavy toll of German tanks and supply trucks.

On the Eastern front, the Red Army had captured 100 miles to the west was the German offensive. The German offensive was said to have been held back by the Red Army. The German offensive was said to have been held back by the Red Army.

#### SMALL TRACKS IN THE SNOW

(From The Christian Science Monitor)

Tell me: where would a field mouse go  
On a winter's night, in the foot of snow?  
Why should he leave a snug little nest  
To scamper about on the arching crust  
Of a drift? And tell the kind of logic  
That wells in a mouse's mind  
To move him out to make a track  
Across the snow and not come back?  
Was it a quickening surge of fear  
Born of an enemy lurking near  
That brought abandonment of his spot?  
Sudden remembrance of something forgotten?  
Was it hunger that spurred him  
Across the field and beyond the fence?  
Or did he track up this world  
Simply to save his mouse ego?  
—W. HARRISON BREWER

### The Hospital Election

The County Commission has set the date of January 27 for the holding of a \$30,000 bond election for the construction of Seminole County's long sought and much needed hospital. This sum added to the \$70,000 issue already voted will make \$150,000 available for the job.

It is unfortunate that the project has been so long delayed that \$150,000 will no longer build as good a hospital as it would have two or three years ago. Prices have already gone up and they will continue to go up for some time to come. So, however bad it was to have delayed the project this long, it would be worse now to further delay it any longer than necessary.

There isn't the slightest doubt that a majority of the people in Seminole County, and even a majority of the freeholders are in favor of building this hospital. They have demonstrated it time and time again in previous elections and in every conceivable way of indicating public opinion.

Nevertheless, because of the law which requires that at least 50 percent of the freeholders must vote in any bond election in order to render it valid, there is considerable danger that the election may fail, not by opposition votes, but by the failure of people to vote at all.

In previous elections the strategy of the opposition has been simply to stay away from the polls. No doubt that will be the plan to campaign this time. If those who are opposed to the hospital decline to vote at all, and then any large percentage of those who are in favor of it, forget to vote or for any other reason neglect to vote, so that the total vote cast is less than 50 percent of the total number of freeholders in the county, the bond issue will fail to carry.

Inasmuch as there is always a considerable amount of public apathy toward voting in any election, it can be anticipated that a good many of those who want the hospital will neglect to vote. Some people would forget to vote if their own father were running for governor. Others would say that "My vote can't change it much one way or the other anyway," no matter what the issue.

And so we fear that unless there is a strongly organized and well conducted campaign to get out the vote, the bonds will fail to carry and the hospital will be delayed again, not forever of course, but at least for some months to come when building costs will be much higher than they are already.

The Chamber of Commerce, the Jaycees, the Woman's Club could have no better program for the next six weeks than to contact each and every freeholder and make sure that everyone who has the right to vote in this hospital election goes to the polls on January 27.

### Not Enough Training Yet

The recent maneuvers in North Carolina, as well as the early ones in Louisiana, have demonstrated again that modern soldiers are made and not born. Although the men are receiving the highest praise for the manner in which they carried out their difficult assignments, their own generals are saying that without additional training casualties would run high against a first class foe.

"To those Congressmen who courageously stood up in August to the dissent, unpleasant but unquestionably necessary duty of voting the extension of the Army service term," says the New York Herald Tribune, "we commend the conclusions of Lieutenant General Lewis J. McNair on the results of the recent 1st Army maneuvers. Bluntly asked in an interview yesterday 'whether the Army was ready to fight, his answer was that given complete equipment they could certainly fight effectively. But it is to be added with emphasis that losses would be unduly heavy and results of action against an adversary such as the Germans might not be all that could be desired.' That is sufficiently impressive vindication in itself for those who felt that the extension of the original one-year service term was essential.

"The Army is already an effective fighting machine, probably a much better fighting machine than the divisions we put into the western front in 1918. But it is very far from having perfected itself in the difficult techniques of survival of a modern battlefield; it has not yet had the opportunity of training with full equipment; utilized on a large scale in its present state of training; the losses would be unduly heavy.' Yet under the one-year term the bulk of it, from now on through the next few months would have been passing back into civilian life, with no chance of receiving the final training which cannot be given until the maneuvers next Spring; while many more months would have been required before the raw replacements could have been given the knowledge which makes all the difference, not only between victory and defeat but between life and death in modern war.

"The one-year service term, in short, was a perfect preparation for the unnecessary slaughter of our soldiers should we ever be called upon to use them. Granted that it is necessary to raise an army at all, the worst service a nation can possibly do its men is to give them less than complete training."

### Jelly Blood

Ever since the world war, research scientists have experimented with fluids made from both vegetables and animal substances to be used in place of human blood for transfusions. These experiments have met with only indifferent success until recently when surgeons at the Henry Ford hospital in Detroit, Mich., developed a pectin solution which is being used successfully in place of blood transfusions.

Tests so far made on seven patients have shown favorable results. One of the patients, a woman of 56, operated on for stomach ulcers, received transfusions of this pectin solution amounting to nearly a quart, which served to prevent shock resulting from loss of blood in the operation. This pectin is the same as is used in making jam.—Capper's Weekly.

### 4-H Club Boys Will Receive Seedlings

GAINESVILLE, Dec. 5—(Special)—Enough slash pine seedlings to plant 200 acres of new forest will be given to 4-H Club boys of Florida counties from the Suwannee River east and south to Hernando County, it was announced today by R. W. Blacklock, state boys' club agent with the Agricultural Extension Service.

Mr. Blacklock and Extension Forester L. T. Nieland recently agreed to accept 135,000 seedlings from a lot of one million which the Container Corporation of America has purchased from the Florida Forest and Park Service nurseries and plans to distribute to farmers, vocational agriculture students and 4-H club members. Distribution is being supervised by the Florida Forest and Park Service.  
It is expected that the one million seedlings will plant about 1,470 acres of forest lands on areas previously cut over for pulpwood.

## Woman's Club Has Annual Luncheon

The spirit of Christmas prevailed throughout the program which was presented at the annual luncheon and business meeting on Wednesday of all of the departments of the Woman's Club, under the direction of the ministers' wives, with Mrs. E. D. Brownlee as chairman.

The story of Luke's version of the nativity was read, and a Christmas prayer, which was written by a Christian Japanese, was read by Mrs. H. H. McCalline with the thought of rounding up the members of the "Brotherhood of Man."

A medley of Christmas carols directed by Miss Dorothy Sanford was sung with Miss Sanford, Miss Gladys Pippin, Clifford Proctor, and David Gatchel taking part, accompanied at the piano by Miss Alma Graustham.

Mrs. Ralph Archer Smith read nine commandments in keeping with the Christmas theme.

Mrs. A. F. McKay, district director of District Seven, made her official visit to the club, commended the club on its defense program for talk based on a "Back to Church" theme and she urged the members to do more for their church because "the church is true democracy in action."

During the business session Mrs. H. C. Moore, first vice president, announced the picture show which will be given at the club and a preview of the picture was given by Mrs. W. L. Cooper.

Mrs. J. G. Patterson, defense chairman, reported on the work that had been accomplished on the Red Cross Roll Call and suggested that each member present give one hour each day for the Red Cross sewing room project which is sponsored by the club. Mrs. W. C. Erickson was welcomed back into the club.

Mrs. E. J. Nelson, Junior Club chairman, announced the Christmas Charity Ball which will be given in the Hotel Marlborough on the evening of Dec. 17 and invited everyone to attend. In addition to dancing there will be games of rummy and bridge and a fashion show. Tickets may be procured from any member of the Junior Women's Club.

Dr. Elizabeth Tracy gave an interesting report of the County Federation meeting which was held recently in Longwood.

At the conclusion of the business session the members indulged in playing games of bridge and rummy with high score prizes being won by Mrs. W. B. Shippy. Mrs. A. M. Phillips was the screens winner and rummy prizes were awarded to Mrs. Glenn E. McKay. Hostesses for the afternoon were Mrs. M. C. Swingle, Mrs. H. Middleton and Mrs. J. O. Huff.

Decorations for the party consisted of large lakos of oak, holly, hollyhock, and greenery, a lighted Christmas tree with the gifts for the "Children's Home Society" placed under it. Luncheon tables held arrangements of poinsettias and lighted red candles placed in green holders. The officers' table was centered with large red tapers in green holders.

Mrs. S. H. Higleyman was chairman of the decorations committee assisted by Mrs. W. A. Leavitt, Mrs. M. W. Dearson, Mrs. J. E. Baker, Mrs. A. J. Young, Mrs. John C. Lee and Mrs. J. B. Ray.

Those present were: Mrs. A. T. McKay, Mrs. C. R. Dawson, Mrs. Baker, Mrs. Young, Mrs. Dearson, Mrs. M. G. Knair, Mrs. Cooper, Mrs. Smith, Mrs. W. D. Meeds, Mrs. C. P. Herndon, Mrs. H. J. ## Mrs. H. W. Rucker Reports on Meeting

Reporting the theme, "Florida's Problems in Community Living of the Parent Teacher Conference which was held recently in Tampa, Mrs. H. W. Rucker, president of the Seminole County Council, reported on the highlights at the meeting of the Semco Council, which was held on Tuesday afternoon.

"The education rests the responsibility of fitting the child for his life. Education is the longest defense," Mrs. Rucker quoted one of the speakers. Much emphasis was placed upon nutrition and health by one of the main speakers who said, "The definition of a good community is one in which the most energetic and time is spent for youth." He stated that there are three kinds of love, the positive, the negative and the active, the last being the most important.

M. Rucker related that another speaker declared Florida has a definite malnutrition problem, equalled by only one other state in the nation. He urged parents to improve the nutrition programs for their children as well as their diets.

Another speaker told that youth could be educated to more, but that it cannot be sold as commodities are sold.

Miss Dorothy Sanford, who presented the convention as delegate from Seminole High School, gave her reaction according to the teachers' viewpoint. She said that if parents would send their children to school with a good night's sleep and a good breakfast, the teachers would have something definite to work with.

"The representation from Longwood is needed at the convention and more co-operation is needed. There is a great spirit between teacher and parent for a professional recreation leader here in Sanford," she stated. She quoted one of the speakers who is a publicity director for a children's organization and is able to take it to the next level. She said that she would like to see a publicity mentioned soon, it was about the tax structure with respect to the schools.

The meeting was opened with the Rev. J. H. Hooper, explaining how it could be applied to everyday living. A balance of \$100 was reported in the treasury at the end of the day and Mrs. John Sparkman.

Mrs. W. S. Brumley presided over the business meeting and introduced the speakers.

**METHODIST CHURCH Group Has Meeting**

The meeting of the Methodist Women's Society of the Methodist Church was held on Monday with the members repeating the Lord's Prayer. The meeting was held at the home of Mrs. J. E. McFarland on French Avenue.

Mrs. H. B. Crumley presided over the business session and Mrs. A. K. Shoemaker conducted the devotional. Plans were made to assist with the Life Membership Banquet which will be given honoring Mrs. W. S. Brumley at the close of the business session. The business session refreshments to the following: Mrs. Martha Moffitt, Mrs. A. M. Remus, Mrs. Shoemaker, Mrs. C. E. McKee, Mrs. E. A. Londenberg, Mrs. W. H. Eikon, Mrs. H. D. Longwell, Mrs. Clarence Smith, Mrs. W. F. Wells, Mrs. Crumley, Mrs. Carl Williams, Mrs. Rose Zarkary and Fay Williams.

**HOSPITAL PATIENTS Get Food, Flowers**

Contributing to the box of persons who were all in the Fort Meade-Laughton Memorial Hospital on Thanksgiving Day, various organizations and individuals sent food, flowers and other things in remembrance of Thanksgiving to the hospital last Thursday.

Expressing appreciation on behalf of the patients, the hospital authorities have extended their thanks to the members of the four circles of the Sanford Garden Club for the fruit, flowers and cookies; to Mrs. A. F. Thomas for her flowers; and to the Girls' Auxiliary of the First Baptist Church for the tray favors which they made; as well as to all other persons who helped to bring cheer and comfort to the patients.

Adding much to the beauty of the hospital grounds, numerous flowers and shrubs have been planted recently by the beautiful custom committee of the Garden Club, under the direction of Mrs. Endor Curlett, Mrs. H. H. McCaslin and Mrs. E. A. Urie.

### WESLEYAN SERVICE Guild Elects Head

Mrs. A. K. Shoemaker was re-elected to serve as president of the Wesleyan Service Guild of the Methodist Church at its meeting which was held at the home of Mrs. E. M. Armistead last evening.

Other officers elected were: Mrs. Jack Burney, vice president; Mrs. C. E. McLain, secretary; and Mrs. M. E. Friend was re-elected as treasurer.

The devotional was given by Mrs. Jack Flynn who chose as her subject the planting "Gardens of the Chair." Mrs. Shoemaker presided over the business session, after which an exchange of Christmas gifts was made and refreshments served.

Present were: Mrs. Shoemaker, Mrs. Burney, Mrs. Friend, Mrs. G. H. Putnam, Mrs. M. B. Smith, Mrs. J. W. Childers, Mrs. Paul Johnson, Mrs. Jack Flynn, Mrs. McLain, Mrs. H. A. Swanson, Mrs. Nancy Brock, Mrs. Armistead, Miss Ethel Riser and Miss Betty Buhman.

### Mrs. T. H. Lindsey Honored at Shower

The home of Mrs. W. L. Sieg in Geneva was the scene of a miscellaneous shower on Friday afternoon when Mrs. Sieg and Mrs. J. C. McLain of Geneva, Mrs. E. W. Ward of Winter Park and Miss Loraine Yarbrough of Lake Mary entertained in honor of Mrs. Theodore H. Lindsey, a recent bride, formerly Mrs. Robert Ray, of Longwood.

Mrs. Sieg's home on Buck Lake was beautiful with decorations of bronze and yellow chrysanthemums. A large cornucopia, tied with gold ribbons, mingled with ferns, flowers and numerous gifts of silver, crystal, linens and other useful presents for the honoree.

Mrs. Bob Murphy of Oviedo, accompanied by Mrs. Harold Haldeman of Oviedo, sang two songs and a unique contest written by J. C. Bills was read by Mrs. Bills on the "Romance of Ted and Ruby". The story was interspersed with appropriate songs played by Mrs. Haldeman with the title of the song written on a piece of paper by the guests. A game of "Advice to the Bride" was next enjoyed.

After the guests had enjoyed an open house many gifts, the hostesses served refreshments of strawberry ice cream pie and coffee.

Those present with the guest of honor and hostesses were: Mrs. W. E. McLain, Mrs. Harold Haldeman, Mrs. Mamie Lee Denton, Mrs. Carolyn Weeks and Mrs. Dave Levy of Sanford; Mrs. Bob Murphy, Mrs. M. L. Coates and Mrs. Howard Lindsey, Orlando; Mrs. A. E. Moran, Mrs. Ella M. Randolph, Mrs. A. A. Moran, Mrs. Sam Levy, Mrs. Henry Levy, Mrs. J. M. Stinecipher, Mrs. H. E. Morris, Mrs. Nettie Epperson, Mrs. Vossler of Lakewood, N. J.; Mrs. J. W. Hall, Mrs. H. C. Galloway, Mrs. Swingle, Mrs. Lee, Mrs. Charles Ward, Mrs. McCaslin, Mrs. George H. Bridge, Mrs. Middleton, Mrs. L. P. Hagan, Mrs. R. J. Holly, Mrs. J. H. Menick, Dr. Travers, Miss Irene Hinton and Miss Sally Gray.

## Circle Three Meets With Mrs. Hagan

Circle Three of the Women's Society of Christian Service of the Methodist Church met at the home of Mrs. I. P. Hagan on Park Avenue on Monday afternoon at which time a program was presented under the direction of Mrs. W. L. Clark.

The meeting was opened with the group singing "America" accompanied at the piano by Mrs. A. P. Herndon. The devotional was conducted by Mrs. P. H. Lansing, who read the poem, "We Have Seen the Star - And Are Come" by Nancy Byrd Turner.

The song, "Joy to the World," was sung by the members, and a reading, "Her Christmas Song," was given by Mrs. John Vagator. Another reading, "Franksgiving and Myrtle" by Hester H. Hagan, was given by Mrs. Walter Clark.

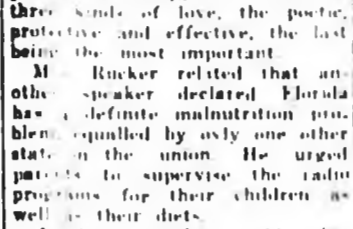

The program was closed with a prayer offered by Mrs. W. L. Clark and a short business session was held with Mrs. Lansing who called for the yearly reports of the various committees.

After the program and refreshment meeting refreshments were served by the hostess to the following: Mrs. W. F. Bryan, Mrs. W. L. Clark, Mrs. G. H. Herndon, Mrs. W. P. Fells, Mrs. J. P. Herndon, Mrs. P. H. Lansing.

WINTER PARK, Dec. 5.—(Special)—Rollins College has received a grant of \$500 from the George Davis Elyria Foundation, Inc., of Cleveland, Ohio for the promotion of a college-sponsored program which will advance the understanding and practice of mental hygiene throughout the educational system of Florida it was announced yesterday.

Plans for such a program have been under consideration by a Rollins Committee on Mental Hygiene composed of Professor Alexander W. White, chairman, associate professor of psychology; Dr. Richard Feuerstein, professor of modern languages; Miss Audrey L. Packham, associate professor of education; Dr. Thurston Adams, associate professor of physical education; Dr. R. W. France, professor of economics; and Dean Winslow S. Anderson, ex-officio member.

## Mayor Of Crystal River Arrests Self

INVERNESS, Dec. 5.—(Special)—W. A. Alyea, 50-year-old mayor of Crystal River, recognizes the fact that "The law is no respecter of persons," and when he found himself guilty under its statutes he didn't attempt to escape by hiding under the cloak of his office. On the contrary, he brought himself against himself, haled himself into court, pled guilty, and astonished County Judge E. C. May fined him \$25 and costs which the mayor paid without a whimper.

It all came about when the local marshal attempted to arrest a man for drunkenness. He was having difficulties when the Mayor happened along and attempted to assist the law officer in handling the culprit. During the melee the Mayor's temper got the best of him and he let go a mass of language that was known in the best circles as "profane." A bystander remarked within the hearing of the Mayor that he, himself, was guilty of using profane language and should be arrested.

Admitting the truth of the statement, the Mayor led himself to the bar of justice and took his medicine like a man.

## Research Work Is Under Way At Post

WAUCHULA, Dec. 5.—(Special)—Research work at the Range Cattle Experiment Station near here has been inaugurated, following several months of work in the construction of buildings, fences, roadways and other physical equipment. It was announced by Dr. Wilton Newell, director of the University of Florida Agricultural Experiment Station. Experimental work has been initiated with cattle, pastures and feeding.

Appointment of Gilbert A. Tucker of Bunnell as assistant animal husbandman at the station was approved recently by the State Board of Control, and he has begun work. Dr. Newell said the board also approved appointment of Dr. E. M. Hodges as associate agronomist to conduct pasture investigations throughout the range cattle area, with headquarters at the Range Cattle Station.

### AP Eastern All-Star Grid Team Picks Two Tars

NEW YORK, Dec. 5.—(AP)—Navy and Harvard each placed two men on the 1941 All-Eastern football team compiled today by the Associated Press.

Drawn from the powerful Navy array which lost only to Notre Dame are Bill Busik, big tackle, and Bill Busik, triple-threat back who sparked the Tars offense. Harvard's representatives are Endicott Peabody II, guard, and Loren McKinney, end and kicking specialist.

Selected with Busik or back field duty are Andy Tomasic, Tampa veteran; Gene Davis, brainy quarterback of the University of Pennsylvania; and Steve Filipowicz, Fordham's accomplished fullback.

Chewing's tackle mate is big Al Blois of Georgetown, national shot put champion and a tough man on the gridiron. Peabody's running mate at the other guard post is Ralph Fife of Pittsburgh, while John Rokisky of undefeated Duquesne is chosen for the remaining end post. The center position goes to Ed Kovicky, 190-pounder from Villanova.

McKinney is the only repeater from the 1940 team. Ten of the 11 men selected are seniors. Filipowicz, a junior, being the lone exception.

CORAL GABLES, Dec. 5.—(Special)—Hirsch Jacobs, who has headed the list of American trainers more times than any other man, and who holds top place again this year, has checked in at Tropical Park with one of the strongest divisions of horses he has ever drafted for competition in this land of sunshine.

Numbering a dozen head, the shipment comprises Total Eclipse, Diddle, Shadows Fans, Air Brigade, Suretero, Santo Domingo, Fuego, Landlubber, Who Reigh, No Dough, MacChance and one yearling.

The Jacobs-trained horses will play a prominent role at the Gables Racing Association's meeting which will open on Saturday, Dec. 20, for a 21-day "stand".

Seldom since racing became Miami's favored winter sport have Jacobs' charges failed to score with regularity.

**Housing Group Makes Report On Homes**

WASHINGTON, Dec. 5.—(Special)—Over 100,000 new homes have been started with private capital and under F. H. A. inspection in defense housing areas specifically designated by the President since April, Federal Housing Administrator Abner H. Ferguson announced.

At the present time, Mr. Ferguson said, 75 percent of all homes being started under F. H. A. inspection are located in the 200-odd areas which have acute or impending housing shortages threatening to impede the national defense program. These areas have been designated at various intervals, and 68 percent of all new homes started under F. H. A. inspection since April are located there.

Altogether, as of Oct. 31, under the F. H. A. program, 102,500 homes had been started in these specifically designated defense areas, compared with 150,000 in the entire country in the seven months period. For the year as a whole, almost 200,000 homes have been started under the FHA program.

## Chinese Say Japan Reply Is "Insult" To Public Of U. S.

### Far East Situation Remains Tense - As British Sailors Ordered To Ships

### Soft Answer Is Given Roosevelt

### "Unpredictable" Is Correct Word For Crisis In Pacific

MANILA, Dec. 6.—(AP)—Immediate cessation of all non-essential civilian air flights from Manila and other areas was recommended today.

The Commonwealth Cabinet held a special session yesterday and President Manuel Quezon indicated that military operations might follow.

(By Associated Press) The Far Eastern situation still is tense and British sailors were ordered aboard their ships abruptly. The Chinese say the Japanese reply to President Roosevelt is an "insult" to the intelligence of the United States public.

The Japanese returned a soft answer yesterday to President Roosevelt's pointed question as to the purpose of their large military concentrations in Manchuria and the Pacific.

In a 150-word note, the Tokyo government said its forces were in the French colony as a precautionary measure, induced by Chinese troop movements across the border. It said their presence there has the approval of the government at Vichy, France.

All this appeared to open the way for more negotiation. It was accompanied by polite expressions of belief by a government spokesman in Japan that Tokyo and Washington would continue with sincerity to try to find a common formula for a peaceful solution in the Pacific.

Washington officials, however, frankly suspect that the Japanese troop concentration is in preparation for an invasion of Thailand, formerly Siam, and it was believed that the government here would find the Tokyo explanation far from satisfactory.

Further, President Roosevelt had made unmistakably clear his position in the Pacific, and the North-American Vichy government, under which the Japanese forces were sent to Indo-China originally, likely agreed to this move.

In addition, Roosevelt charged that Japan had sent heavy troops into Indo-China, and it was believed that the Tokyo government was saying that it had complied with all the stipulations of the agreement.

## Put Teeth In Bill

Four Democratic Congressmen discuss the anti-strike bill, authored by Rep. Howard Smith of Va., which passed the House of Representatives by a vote of 252 to 136. Left to right: Representatives Robert Ranspock of Ga., Carl Vinson of Ga., Howard Smith of Va., and Sam Hobbs of Ala. The Smith bill was a substitute for less drastic bills offered by Ranspock and Vinson.

## "Get-Together" Redpath Elected Of Scouters To Commander Of Be-Monday Night Knights Templar

### Separate Tables To Be Arranged For Various Troops

Troop mothers will prepare supper for their particular troops and serve each troop at an individual table Monday night when scouts, parents and cub scouts meet for their annual "get-together" at South Side Primary School at 6:30 o'clock. Harold Pace, scout executive of Orlando, and representative of the Central Florida Boy Scout Council, will sit at the head table with local council members. Ned Smith, chairman of arrangements said today.

A district Court of Honor will be held in the auditorium following supper, about 7:45 o'clock, with E. J. Nelson presiding after which Frank H. Coston of Port Orange will present an entertainment program of tricks and magic that "will delight both old and young," according to the committee.

An attendance of about 400 persons is expected. In addition to the four local scout troops, Longwood, Lake Mary, Geneva and Ocoee, as well as the recently formed Cub Pack will be represented.

## Miss Metts Elected Head Of 4-H Club

Wanella Metts was elected president of the 4-H club in its first meeting, according to Ruby Crawford, reporter. Other officers elected were Lorraine Prescott, vice president; Rene Robbins, secretary; Cherry Crawford, treasurer; and Ruby Crawford, reporter.

Plans were discussed for 4-H projects for the coming year, and meeting days for the group were set on the first and third Mondays of each month.

## Hard Fighting Is Resumed In African Field

### Britain Will Be At War With Finland, Rumania And Hung- ary By Tonight

(By Associated Press) Great Britain will be at war against Finland, Hungary and Rumania at midnight tonight, Berlin and London agree the situation will not be changed by the action, but it is the record.

Heavy fighting is being resumed today in North Africa, 44 miles south of Tobruk. The British claim 22 Axis planes were shot down as against six of their own. The R. A. F. is pounding Sicilian towns, Italy admits.

Meanwhile, on the Libyan front, British Imperials beat off three strong Axis attacks on their stronghold of Ed Duda, destroyed 14 Italian tanks, killed 100 Germans and captured 100 Italians in a series of sharp clashes in the desert, front dispatches said yesterday.

A violent dust storm raged, hampering ground and air operations, and the Rev. W. F. Bohannon, a communicant, reporting on Thursday's activities, said 13 more Axis planes, including five German Junkers-87 dive bombers, were destroyed and many more damaged.

Low flying British planes also set fire to gasoline trucks in the Gulf of Sirte region and ranged out into the Mediterranean to machine gun ferries and tug boats between Italy and Sicily, the communicant added.

## Gas Stations Are Subject To Chain Tax

TALLAHASSEE, Dec. 6.—(AP)—The Supreme Court Friday ruled that Florida filling stations operated prior to the 1941 session of the Legislature, were subject to the State chain store tax unless they were engaged exclusively in the sale of gasoline and other petroleum products.

The court reversed Leon County Circuit Court injunctions restraining Comptroller J. M. Lee from collecting the tax from Standard Oil Company and Gulf Oil Company stations which carried lines of automobile accessories and soft drinks.

## Florida Joins Mutual States' Parole Pact

TALLAHASSEE, Dec. 6.—(AP)—Florida Friday joined 30 other states in a pact for mutual supervision of out of State parolees and probationers.

Governor Holland signed the agreement and designated Chairman Francis R. Bridges, Jr., of the State Parole Commission as administrator for Florida.

The pact permits Florida convicts under parole or probation to go into the other States which have signed it and receive the same supervision officers here held in the Florida commissaries. It also puts parolees from other States under supervision of the Florida board when they come into this state.

## CAMP BLENDING, Dec. 6 —

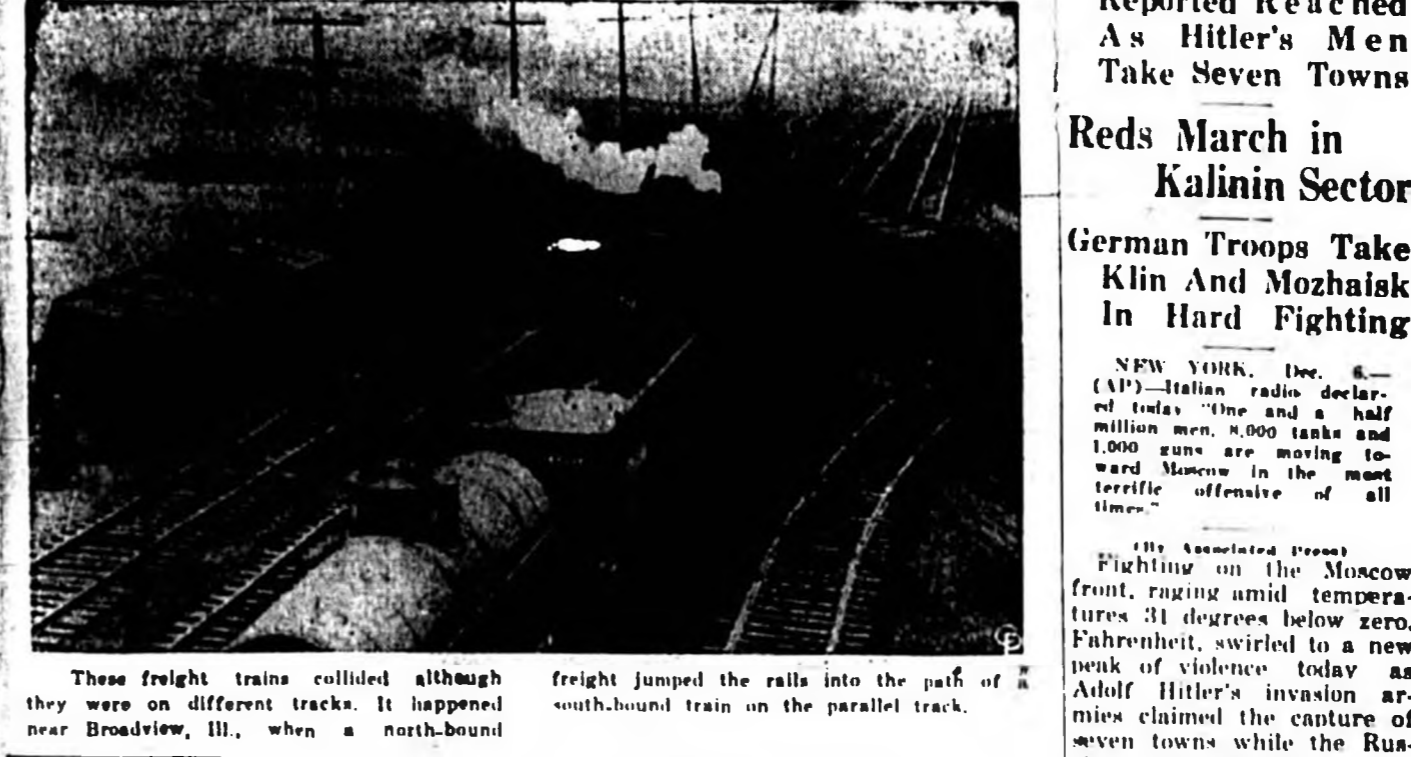

A. L. Deas, of Jennings, held recruiting officers here for a three-year hitch but couldn't because he had a stand of oats that had to be attended to.

## LAUNCH SHIP TODAY

WILMINGTON, Dec. 6.—(AP)—The Zeblon B. Vance, a 10,000-ton freight steamer, will be launched here Saturday, the first large ship to be built in North Carolina since the first World War and the first of 27 liberty ships scheduled to be built here within the next few months.

## Nazi-Russian Fight Waged In 31 Below Zero Weather

### One Jumped Into The Other's Path

These freight trains collided although they were on different tracks. It happened near Broadview, Ill., when a north-bound freight jumped the rails into the path of a south-bound train on the parallel track.

## Funeral For Bell Will Be Sunday

Funeral services for Dr. Kenneth R. Bell, who died Thursday night, will be conducted Sunday at 3:30 P. M. at the First Methodist Church with the Rev. W. F. Bohannon officiating. Interment will follow in Evergreen Cemetery.

## Clippers Leave Miami For War Zones In Africa

MIAMI, Dec. 6.—(AP)—Two clippers blazed a southward trail through a clearing haze, linking the United States by air for the first time with South Africa and directly and indirectly, with the British Near East headquarters and other theaters of the war.

Thirty passengers and a 12-man crew left on the stratosphere Comet, and the Puerto Rican clipper for a South Atlantic crossing that will end in Leopoldville, on the Congo River on Thursday.

## Playboy Manville To Be Free Again

NEW YORK, Dec. 6.—(AP)—Tommy Manville said Friday that he and his fifth bride, blonde Bonita Edwards, had separated after 17 days of marriage and that she planned to go to Reno Saturday.

## Delgado Made Head Of Orlando Store

Eloy "Del" Delgado, employed for several years in Gatch's Grocery, has been made manager of a new branch of the Piggy-Wiggy stores in Orlando.

The new "Piggy-Wiggy Super Store" has just been constructed. Mr. Delgado has been employed by the grocery company for only a short period of time.

## Stanleys Receive Letter From Son In German Prison Camp

Mr. and Mrs. Phillip Stanley received a letter this morning from their son Harold, Canadian Air Force flyer, who was reported "missing in action" and later reported to be a "prisoner of war".

The letter was postmarked Dulag Luft, Germany, Oct. 30, just after Stanley was taken prisoner. According to information received by his parents, Dulag Luft is a temporary internment camp from which they were reported to be a permanent prisoner of war camp. Following this procedure, he will receive a "number" which will be his means of communication with his parents.

In the letter, the young sergeant wrote, "Mom, you will probably receive full details as to what you can send to me and when" and in the mean time, Mrs. Stanley has information that the British Red Cross and the order of St. John, through the International Red Cross in neutral Geneva, Switzerland, supplies each Canadian and English prisoner of war with a ten-pound parcel of food, soap and necessities each week.

Each prisoner is allowed to write two letters and four post-cards during a month's time. The letters are unsealed, and are closed in the manner of a travel folder. Only one side of the paper bears writing and consequently there is no envelope.

The young flyer seemed in a pleasant frame of mind throughout the letter and in conclusion he wrote, "The R. A. F. personnel here receive decent treatment, so please don't worry. Cheerio and regards to all."

## Young Deferred Men Might Be Drafted

WASHINGTON, Dec. 6.—(AP)—A War Department official suggested Friday that it may become necessary to draft young men who have been deferred from selective service training because of the nature of their civilian jobs.

## Father Admits Mercy Killing Of His Son

NEW YORK, Dec. 6.—(AP)—Louis Rapouille, 40, a pale, balding, hospital elevator operator, calmly told a general sessions jury Friday that on Oct. 12, 1939, he deliberately placed a chair over the neck of his 13-year-old imbecile son, Raymond, and left the lad to die.

The boy, said the Dutch West Indies-born father of four, was blind, deaf, virtually mute and bed-ridden from birth.

"I thought," he continued reflectively, "if the child could talk he would have asked me to do it."

## Peak Of Violence Is Reported Reached As Hitler's Men Take Seven Towns

### Reds March in Kalinin Sector

### German Troops Take Klin And Mozhaik In Hard Fighting

NEW YORK, Dec. 6.—(AP)—Italian radio declared today "one and a half million men, 4,000 tanks and 1,000 guns are moving toward Moscow in the most terrific offensive of all time."

(By Associated Press) Fighting on the Moscow front, reaching amid temperatures 31 degrees below zero, Fahrenheit, swirled to a new peak of violence today as Adolf Hitler's invasion armies claimed the capture of seven towns while the Russians were reported to have broken through German lines in the Kalinin sector, 90 miles northwest of Moscow.

The Germans today reported the capture of two key cities in the Moscow defense: Mozhaik and Klin, in fierce fighting. The Nazis say violent Soviet attacks in the Donets basin were repulsed and an enemy attempt to break out of Leningrad was repulsed with heavy losses. The Russians report a terrific battle is raging around Taganrog.

The most substantial defensive line yet formed by the rear guard, of the retreating German armies of southern Russia—along the Mius river in the vicinity of Taganrog—trembled last night under the tremendous shock of a Red offensive spread over a 70-mile front.

The main bodies of the frontal assault corps along the Asov were reported to have passed upon 1500 German army trucks in dealing with the surviving Nazis there.

Moreover and this was one of the most significant of all factors, the British radio reported that the Soviet Black Sea fleet was heavily shelling the Germans along the Asov coast.

Along the Mius, which flows due east from just east of Stalin and empties into the gulf through an estuary west of Taganrog—Russian bombers in a single area were reported pouring explosives upon 1500 German army trucks in a crossing.

The bombardment was reported going on under the eyes of Red army advance troops which had reached the river at some points.

Hitler clearly was applying growing pressure, probably to try to take some of the curse of his failure in the south, and Russian reports spoke of at least 15 German armored divisions in action around Moscow.

## Secretary Of Flying School Arrives Here

Mr. Mathew S. Hasbrouck, secretary and treasurer of the Doremus-Hasbrouck Flying Service, arrived here yesterday to make arrangements for the pilots and other members of the service, who are expected at any time.

Two planes of the private flying instruction school are on the way here but are reported as being delayed because of bad weather. Mrs. Hasbrouck, who arrived by car, said, "I expect the ships in any time, but at present, I am an airport operator without any planes."

The service is moving its offices from Kingston, N. Y. to the old Sanford airport in accordance with plans made with the Chamber of Commerce and the City, which is now putting the field in shape.

## O. P. M. Ordered To Halt Priority Aid

WASHINGTON, Dec. 6.—(AP)—The Supply Priorities and Allocations Board ordered the O. P. M. to withhold priority aid from new public and private power projects unless such construction is found "essential to national defense or public health and safety."

E. F. A. E. promised, however, that all possible aid would be given in connection with such work as substantially use for war.
