The events of September 11th have called the students of Seminole County Schools into action to support the victims of New York and Washington D.C. Every school has had some type of program to support the victims' families and honor the heroes.

County delay animal shelter opening By Christopher Patton

Staff Writer

SANFORD - The Friday grand reopening of the Seminole County animal shelter hit a temporary road block as county building inspectors denied the facility a certificate of occupancy. Despite the obstacle, the first-time fund-raising events still netted more than \$25,000.

Before the "Whine and Cheese Lock-Up" fund-raiser Friday, building inspectors presented a list of about 10 areas that needed to be fixed before the certificate of occupancy could be granted. Through a temporary certificate the event still took place, but when the lights went off every-

body went home - including the animals

Routine operations will continue in that manner for several weeks until the building passes final inspection. Eight to 10 animals will be transported from the Orlando facility to the renovated Seminole shelter every day of operation, said Barbara Weltzer, SPCA of Central Florida Executive Director.

"We didn't want people coming up to the gate and thinking nobody was home," Weltzer said about the creative fix until the building is totally completed. "We hoped the project would be done sooner, but that's the way it goes with construction. I can't wait until the whole building is 110 percent and not just 85 percent."

The transported animals will be up for adoption at the shelter on County Home

Road from 10 a.m. to 5 p.m. Mondays, Tuesdays and Fridays and from noon to 4 p.m. The shelter will be closed during bad weather because the animals will be kept outside until the final inspection.

The majority of the problems were part of the original structure, said Weltzer. The SPCA of Central Florida was created this year as a partnership between the Orlando and Seminole shelters. The organization temporarily closed the Seminole shelter in July for renovations, as it was determined major repairs were needed to meet its standards.

Julian Wimberly of Sanford buys cars using California man's identity By Christopher Patton Staff Writer

SANFORD - Armed with several forms of false identification, Julian Bartholomew Wimberly, 26, of Sanford rang up financial obligations at 10 to 15 local businesses.

Now investigators are following a paper trail of payment books, checkbooks and credit cards that leads to Huntington Bank in Longwood and the state of California.

According to Seminole County Economic Crimes Investigator Dan Purcell, Wimberly used a false driver's license and birth certificate with a California man's information

to attain a \$35,000 loan from Huntington Bank for a Lincoln Navigator.

Once the first payment was due, Wimberly defaulted and Huntington Bank contacted Brian Keith Johnson of Temple City, Calif., the man who bank officials thought received the loan. Wimberly was then balted back to Huntington Bank when investigators asked bank officials to advise Wimberly he needed to pick-up his temporary tags.

Last Thursday, Wimberly arrived at the bank at 10:30 a.m. Seminole deputies intercepted him on Interstate 4 and bank officials identified him as the loan benefactor. Wimberly was initially booked in the Seminole County Jail as "John Doe" until paperwork arrived over the weekend that enabled him to provide positive identification

Officer warn parents about door-to-door candy capers

By Christopher Patton Staff Writer

SANFORD - The terrorist attacks have affected the way America travels and receives mail and now its threatening to change the Halloween tradition of door-to-door trick-or-treating. Sanford Police The Department is encouraging parents to send trick-or-treaters only to houses where they know the residents and to utilize special Halloween events such as the Sanford Main Street's trickor-treat with the merchants.

"In my opinion, I would not be surprised to see less trick-ortreaters," said Cleo Cohen public information officer for Sanford police. "I think they'll be more controlled in where they're going too."

One Hallow Eve's Night event that is expected to see a dramatic increase in attendance is the Spooky Hollow in downtown Sanford. Sanford police and Cohen suggest the Main Street trick-or-treating from 6 to 8 p.m. and other controlled trick-ortreating events such as the Altamonte Springs "Halloween in the Park" at Crane's Roost from 4 to 8 p.m. as good substi-tutes from asking for candy door-to-door.

SEMINOLE SUMMARY A GLANCE AROUND OUR COUNTY

Dad thinks he's found love in arms of baby sitter

DEAR ABBY: My cousin "Tina" and I are in our early 20s. We have baby-sat the same three children since we were in our mid-teens, and have

grown to love them as our own. The parents, "Danny" and 'Lynn," have become our friends. The problem is, Danny says he is in love with Tina. Danny and Lynn have been married for 10 years, and I always assumed they were

Dear Abby happy. Danny told Tina he feels trapped and alone in his marriage and has convinced her that he is her soul mate. Danny says he wants to leave Lynn

and move in with Tina.

The children love their father - and they love Tina, too. They've known her most of their lives. Somehow I have ended up in the middle of this. My biggest concern is Lynn and the kids. I know Lynn is 100 percent head-over-heels in love with her husband. She confided to me recently that she knows he doesn't love her the way she loves him. Abby, she broke down in tears.

What happens if Danny leaves Lynn and moves in with my cousin? I know Lynn will ask if I knew, and I don't want to lie to her. But how can I tell her the truth? It will tear her heart out knowing I "kept the secret.

ALWAYS IN THE MIDDLE

DEAR ALWAYS: If Lynn asks, tell her the truth that you didn't know how to tell her because you were afraid it would break her heart, and you were hoping the romance would burn itself out.

DEAR ABBY: My husband and I have been together for seven years. Our only conflict has been his ex-wife. Their 9-year-old daughter lives with us, and her mother constantly lets me know in no uncertain terms that this child's welfare is inone of my business.

On several occasions the ex has had the nerve to tell me I'm just "playing house," and that when she's ready to come back to my husband, she will.

My husband keeps telling me not to let her get to me, but it's hard. We have two other children, and his ex-wile's behavior is beginning to influ-; ence their daughter in the way she acts toward me and the kids. What in the world should I do about ! this?

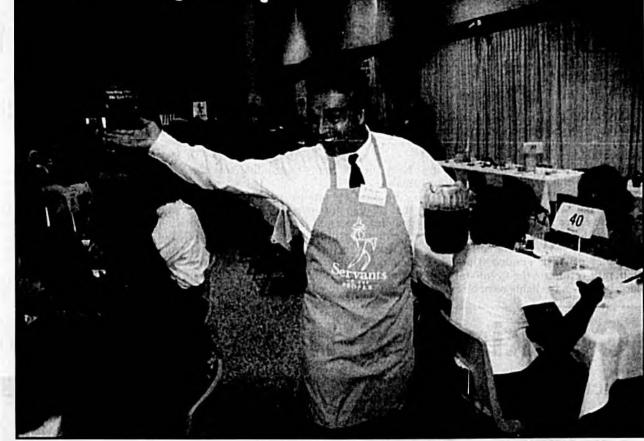

UPSET SECOND WIFE IN FLORIDA

DEAR UPSET: It's not a matter of what YOU should do. This should be handled by your husband. If his daughter behaves disrespectfully to you, your husband should make it clear to her

that just as the two of you treat her with respect and consideration, he expects HER to do the same with you, Period.

P.S. I know it's hard, but don't let his bitter,

Only a few years after he created his first recipe, Kenny became an apprentice for a European chef to fine tune his cooking skills. He eventually came to Florida, where he built his resume as a chef, working in the kitchen at some of the fine dining restaurants in the area, including Park Plaza Gardens and Cafe de France.

Now, Kenny chooses what's on the menu, which includes a constantly changing collection of appetizers, entrees and desserts, depending on the creative mood of the gournet artist.

The Mediterranean-inspired cuisine keeps Kenny from being locked down to something strict," Holliday said. "The menu changes week to week or month to month. It all depends on his mood."

The name of the restaurant is a reflection of Kenny's admiration for art.

"Leonardo Da Vinci was an artist and a visionary," Kenny said. "I thought he was a good person to name the restaurant after."

While Kenny spends most of his time in the kitchen creating, Holliday spends her time managing the restaurant's front. Before opening the restaurant, she worked for 11 years in beverage management with the Hilton Cooperation and other areas of fine dining.

Not only does she work on the restaurant's paperwork, Holliday also knows the perfect wine to serve with a meal.

for a 10 percent decrease. On Monday Grace said it was 'probable" that one of those contingency plans will have to be enacted. Grace said the shortfall produced by the state budget ax may have an impact in the county's budget from anywhere to a few hundred thousand to \$2 or 3. million

For the first time ever, the county prepared two fiscal budgets this year and that extra preparedness could help with potential cuts. Grace said despite the economic slowdown he anticipates the prepared 2002/2003 budget to still be 90. percent reasonable accurate.

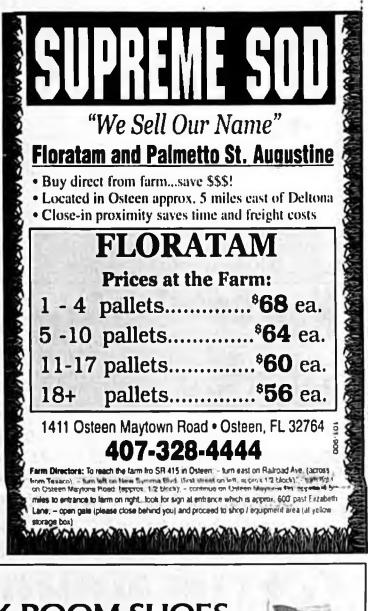

Having the two budgets pre pared helps "see what your headed toward in a financial planning standpoint."

"Our frustrations is we just went through the budget process," he said. "We have already done our belt tightening to have a balanced budget. Nobody wants their programs cut. Everybody is trying to keep from getting cut."

First Street will be closed for the event Wednesday from Oak Avenue to Sanford Avenue. A costume contest will be held at 7 p.m. at the corner of Park Avenue and First Street.

Sanford police and the Seminole County Sheriff's Office will both have additional units working Halloween night to ensure safety in residential areas. Parents who have questions about checking their child's candy can call the sheriff's office at 407-665-6600. They will be in contact with the candy companies via a toll-free hotline should there be any questions or concerns with regard to tainted candy.

Halloween Safety Tips passed along by Sanford Police, SCSO and the Altamonte Springs Fire Department.

• Carry a flashlight and change to call home when trickor-treating. Also obey all traffic signals and don't take shortcuts through backyards, alleys or parks or walk in the streets.

• Make sure costumes are not to baggy or bulky so it impedes movement and add reflective tape or wear reflective clothes.

• Don't run from house-tohouse and only wear masks when approaching a door.

• Approach only doors that have lights on and don't enter a stranger's home to get candy or treats.

• Carefully monitor pumpkins when candles are lit. Place the pumpkin away from combustible materials such as papers, plastics, curtains and dried leaves or pines.

Steelers, Raiders ready for special year Jaguars close to crowns

By Deen Smith Sporta Editor

SANFORD - The Jaguars and Steelers did what they had to do last Saturday, but the races are not decided just yet in the City of Sanford Recreation and Parks **Department Youth Flag** Football League.

The results on the field across from Sanford Middle School found the Jaguars and Steelers clinching at least a tie for their respective league championship, but if they stumble in their final games of the regular season this Saturday (Nov. 3rd), there could be some very interesting playoffs on November 10th

The Minor League (7-through-9 year olds) saw the Cowboys keep their slim title hopes alive when they had more yards in overtime to edge the winless Raiders after the teams battled to a 13-13 tie in regulation.

In the battle for first place, the Jaguars took a 12-0 lead and Shannon Smith ran for three touchdowns as they held off the Bengals 25-13.

The Jaguars are now alone in first place at 4-1, while the Cowboys and Bengals are tied for second at 3-2 and the Ralders are still looking for that elusive first victory at 0-5. But if the Cowboys and the Bengals win this week, there would be a three-team playoff for the title.

The Major League (10-to-12 year olds) are in the same situation.

SANFORD — While both coaches are being quietly optimistic, it's plain to see that both the men's and women's basketball teams at Seminole Community College could be headed for banner sea-SOLS.

Coach Stan Cromartie's men get the first shot on the court as the Raiders will travel to Tampa tomorrow (Thursday) to open the season against Hillsborough

Community College at 7:30 p.m. Local fans will get their first glimpse of the squads when they play a home dou-bleheader this coming Saturday (Nov. 3). The women of coach Ken Patrick are

scheduled to play Barry University out of Miami in an exhibition game at 3 p.m., before the men host Miami-Dade Community College at 4 p.m.

The women will play their first regular season game at home on Tuesday (Nov. 6) at 6 p.m. when they host Indian River Community College from Ft. Pierce.

Cromartie feels he finally has a good balance between experience, size, and speed. Plus he also expects this team to be very good in the classroom, an often overlooked factor in a successful team. Leading the way is Leesburg's Jason Currington, a 6-foot-4 guard who led the Raiders in scoring last year.

Other returners include the 6-foot-10 duo of Che Morgan and Cedric McHaney, 6-foot-5 forward Joe Williams from Deltona, 6-foot athlete Antwain Tennell, and DeLand's 6-foot-2 Chris Jackson, who returns after missing last year.

Two transfers also figure heavily into the plans in 6-foot guard Miguel Malcolm and 6-foot-8 forward Christian Adolfsson from Denmark, Sweden, who has experience in European Junior Olympic play.

The top freshman figures to be 6-foot-8 Kitus Witherspoon, who helped Boone to a runner-up finish in the Class 6A State Tournament last year. Other newcomers are 6-foot-1 Jonathan Sterling from Satellite Beach, 6-foot-2 Brandon Fisher from Umatilla, and 6-foot-6 Daniel ackson from Lake Wales.

Admission is free to all home SCC basketball games and are played in the oncampus Air-Conditioned Health and Physical Education Center.

Friday's games will decide At-Large bids

By Dean Smith Sports Editor

ALTAMONTE SPRINGS - When the Florida High School Activities Association (FHSAA) set up the 2001 schedules to have all district games played on the ninth weak, it probably figured teams could then take it relatively easy and thank the fans for a supporting them during the regular season in the final week of the season.

No such chance. While most of the district representatives had been decided before Monday's tiebreaker day, almost all of the At-Large bids for teams that I not qualify other still up for grabs. While not official, Lake Brantley all but secured one of the two Class 6A-Region 1 spots when it crushed Sandalwood 35-13 to improve to 6-3 on the season. The Patriots can guarantee themselves a spot, and a pretty good draw probably, if they can knock off Lake Mary this Friday at home. But it will not be easy because the Rams are 5-4 on

Lake Mary's Reggie Campbell (above) ran over, around and through would-be Lyman tacklers all night as he rushed 322 yards on 24 carries and scored four touchdowns to keep the Rams' At-Large hopes alive with a 44-32 victory over the Greyhounds. Brantley's Fabler Lake Fernandez (left) wasn't too bad himself on Friday as he ran for 279 yards on 32 carries and scored three times as the Patriots routed Sandalwood 35-13 at Tom Slorey Field to keep their own hopes kicking. The two stars will face-off this Friday in the regular season linale at Tom Storey with both teams needing a victory.

SANFORD - Sound like something from a Flintstone cartoon?

Y.A.B.A. stands for Young American Bowling Alliance and is the premier international vouth membership organization in the sport of tenpin bowling. Its commitment is to provide exciting opportunities for the personal development of youth.

Y.A.B.A.'s philosophy is sim-ple: keep the bail on the lanes, knock down pins and have fun.

Y.A.B.A.'s vision is to initiate and insure the integration of the Bowler Development Pipeline (BDP) throughout the industry to enhance the Image of bowling and increase participation.

There are many benefits that come with youth participating in a bowling program:

 They'll meet new friends and develop social interaction skills.

WINTER SPRINGS - With the Fall Prep Sports Season winding down, the Seminole Athletic Conference settled championships in three sports

this past week. Last Thursday, the Cross Country and Swimming titles were determined with meets, while the Slow Pitch Softball tournament was completed on Monday after being postponed from last Thursday.

Jessica Zabel continued her outstanding running for Lake Mary as she led her team to a comfortable 27-to-51 victory over Winter Springs in the SAC Cross Country Championships at Central Winds Park in Winter Springs.

Oviedo came home third, followed by Lake Howell, Lake Brantley, Lyman, and Seminole. Zabel ran a 19:15 to blitz the field, finishing 30-seconds

ahead of runner-up Jenny Berringer (19:45) of Oviedo.

Zabel's Ram teammate, Astrid Claessens, was another 28-seconds back in third, with the Lions' Lauren Austin nipping the Bears' Lindsay Affolter at the tape as both finished with Identical times of 20:17.

The boys' race went to Lake Brantley in a tie-breaker as both the Patriots and Lake Howell finished with 71 points.

Lyman, Oviedo, Seminole, Lake Mary, and Winter Springs rounded out the field.

Individually, Lyman's Kevin Cook did even better than Zabel, crossing the line 35-seconds ahead of runner-up Omar Morales from Lake Howell. Oviedo's Mike Guider, Lyman's Bryan Christian, and Lake Howell's Ben Siress rounded out the top five. District meets will be held this Saturday (Nov. 3).

Kittleson dominates Speedworld Super Lates - Orr wins one for dad

BITHLO — Travis Kittleson may have only been "testing" a few things on his car, but he clearly had the fastest machine in the field as he completely dominated the 25-lap Super Late Model Feature Friday night at Orlando Speedworld.

Kittleson, who is seeking sponsorship to run the full ASA series next year and certainly has the talent to be a front-runner with that group, won his heat and then blasted away from the field at the drop of the green.

Three caution periods allowed the field to close up on the 2000 SLM champion, but each time Kittleson re-opened a huge lead with his Bob Steele Chevrolet Monte Carlo.

Kittleson finished a straightaway ahead of second place Jared Allison who out-dueled Eddle King in a race-long battle. Rusty Ebersole, who won the other heat race, solidified his hold on the 2001 points race by coming from the back of the 16 car field to finish fourth with Ronnie Roach completing the top five.

Continued from page 1B Oviedo, Seminole and Winter Springs will join Apopka, Colonial, Edgewater, Evans, University, and Winter Park in the Class 4A-District 2 Meet at Cypress Grove Park in Orlando. The girls will run at 8 a.m., with the boys taking to the course at 8:30 a.m.

Lake Howell and Lyman will be running at the Class 3A-District 3 Meet at Central High School in Brooksville, with the girls slated to run at 9:30 a.m. and the boys at 10 a.m.

Also in the field will be Belleview, Central (Brooksville), Flagler Palm Coast (Bunnell), Forest (Ocala), Lake Weir,

Leesburg, Mainland, New Smyrna Beach, Springstead (Spring Hill), and Vanguard (Ocala).

Lake Brantley dominated the Swimming and Diving Championships held at the Larry Dale Aquatic Center at Seminole High School.

The Patriot boys won six events and rolled up 493 points to best Lake Mary and Oviedo, which finished with 373.5- and 372.5-points, respectively.

The girls' team won even more handily, winning all 12 individual events to score 546 points, 214 better than runnerup Lake Mary, and 250 better

Fifteen-year-old Bobby Orr won his first career feature event by topping a strong field of Mini-Stocks driving Rick & Carla Bristol's Ugly Duckling/Alafaya Automotive/Arlyn's Race Engines machine to a hard-fought victory. Bobby's dad, Pete Orr, the veteran driver and former Governor's Cup champion who is battling cancer, and his mom Terri were also in attendance making his first win even sweeter.

Trisha Gray was also a big story in this race as the 17-year-old young lady drove her car from the rear of the starting grid to come home second in front of Tony Elrod and Tom Clark who followed her through the field but were unable to pass her. Jeff Davis led early but had to battle an ill-handling car and settled for fifth. Heat wins went to Rose Dickerson and Tom Clark.

Modified action was hot and heavy with early leaders Jon Compagnone and Jason Boyd tangling with Boyd having to pit to replace a tire and Compagnone going to the rear of the field.

Frank Polly took over at that point but the finish was a wild three-wide battle at the stripe with Polly hanging on by a bumper over Shane Held

The efforts of the drivers combined with a raffle held during the evening netted around \$800 to help Winterstein and his family.

The Super Stock drivers apparently figured the fans had paid for a good race and they got one with side by side action for the lead all 15 laps. Jeff Wright and Rich Clouser swapped the lead back and forth with a herd of other hungry drivers hot on their heels. As the checker flew, Wright had the win by a nose followed by Clouser and John Hodge. Big Bob Wines and Duane Freed completed the top five. Heat races were won by Wright and Clouser.

Rick Johns won his first career Sportsman feature after many wins over the years in the Bomber/Super Stock classes. The win was also a first in the class for owner Dick Owens.

Johns was the best at getting a handle on the slick track as he outran Doug Samion, Kelly Jarrett, Bill Loomis and Brett Bultemier to the stripe. Loomis won the heat.

Former motorcycle racer John MacArthur took his first win in the Strictly Stocks leading most of the way. Barry Parks was second over heat winner Charlie "The Kentucky Wildman" Pitts, David Smith, and Paul Hudson.

This Friday night (November 2) at Speedworld it's the opening round of the Racecar Engineering Sunbelt Super Late Model Series Florida Triple Crown. Top Super Late Model drivers from around the state will be in competition on the force-eighths mile before moving to the high banked half-mile New Smyrna Speedway Saturday night and then completing a very difficult weekend by traveling to the tight, slick quarter-mile Charlotte County Speedway near Punta Gorda on Sunday afternoon.

spot on the Olympic Bowling Team and go for the gold.

Currently, Airport Lanes (190 E. Airport Boulevard in Sanford) has 68 active Y.A.B.A. members, with plenty of room for all that want to participate. Teams and leagues are broken into age groups ranging from 3to-21 years old.

There are also currently six level one USA Junior Olympic bowling coaches who are graciously volunteering their time to teach the fundamentals and techniques of bowling.

Both young and old alike are increasingly seeing bowling both nationally and internationally as a very popular, challenging and fun sport. There are leagues not only for the youth, but also for adults, and a family league is in the works to begin in January. What a way to spend good, quality time together, and win awards too.

Even Seminole is not completely out of the picture yet as it is 4-5 and, with a little help, could get into a three-way tie that will have to be broken by strength of schedule, something the Tribe definitely played this season. But they would have to beat a Class 4A Palm Bay team that is undefeated this season and lost only once last year while winning the Class 6A State Championship.

Part of the luck would also have Ed White, which is also 4-5, losing its final game because it beat Seminole during the regular season.

Another game that figures to have a bearing on the playoffs is the Oviedo at Winter Park game.

While the Lions have already qualified, they could get a better seeding by finishing 8-2 instead of 7-3.

But most eyes will be on the Wildcats as they are 5-4 on the season and could get an At-Large spot with a win.

This Friday's schedule has Lake Mary taking on Lake Brantley at Tom Storey Field; Palm Bay taking on Seminole at Thomas E. Whigham Stadium; Lake Howell hosting Winter

short-lived however, as the Silverhawks (4-5 overall, 2-3 in 5A-6) marched down the field behind Brandon Marshall. The senior threw for 50 yards and ran for another 14 as Lake Howell had a first and goal at the Mustangs' five-yard line. But as it had done all evening, Merritt Island's defense rose to the occasion as stuffed the Silver Hawks on four straight plays. In addition to passing for a game-high 124 yards, Marshall, a 6-foot-5-inch, 197 pounder, gave Lake Howell the early lead when he returned an interception 98 yards for a touchdown. He also led the Silver Hawks to another score in the waning moments of the first half when he threw completions of 50 and 36 yards before tossing a 16yard touchdown to MacArthur Walker for a 14-3 halftime lead. Lake Howell appeared ready to put the game away in midway through the third quarter

Senior quarterback Fabier Fernandez finally stepped into the leadership role for Lake Brantley last Friday, running for 279 yards on 32 carries and scor-ing three touchdowns as the Patriots whipped Sandalwood in a 6A-District 1 contest at Tom Storey Field.

Fernandez was forced in to the signal-callers role when starter John Venters was lost for the season with a broken collar bone against DeLand in the fifth game of the season.

Lake Brantley had suffered since, losing three games in a row, and falling out of the district title hunt.

But when star running back Jamel Oliver, Seminole County's leading rusher, suffered a slight-ly injured ankle, the senior came to the rescue and now gives opponents another weapon to worry about.

Despite the injury, Oliver still had 69 yards on 12 carries and scored Lake Brantley's other two touchdowns.

The Patriots defense was as strong as usual, holding the Saints to just 68 rushing yards, while the Lake Brantley offense compiled 344 yards on the ground.

In another game from late Friday, Lake Howell saw its final playoff hope end when Merritt Island rebounded from a 14-3 halftime deficit to score 15 unanswered points to defeat the Silver Hawks 18-14 in a Class 4A-District 5 contest at Richard L. Evans Field.

Chad Passmore's four-yard run with 7:55 remaining capped the second half comeback for the Mustangs (6-3 overall, 3-2 in district), who remain alive for an at-large playoff berth.
