

### Football Schedule For '36 Arranged But Sanford Won't Get Games Without A Field

#### Schedule Calls For 7 Games Here If Field Is Prepared

Seven football games will be played in Sanford next fall if a football field is built. But if a field is not prepared all games will be played elsewhere as heretofore.

The football schedule for 1936 was announced today by Coach Whitey McLucas of Seminole High who succeeded in getting the conference to schedule seven games for this city on the promise of various organizations that a field would be built before the season opens in September. But Sanford seems to be no nearer getting a football field now than it was when the season closed last fall.

The coach said the last he knew of the proposition, Sanford's request for funds for the design and improvement was resting in the office of the Planning Board.

The football season is to open here (if there is a field on which the game can be played) on Sept. 25 when Cocoa is to meet the Osceola Feds. The balance of the schedule for the Feds, arranged on the theory that there will be a field in Sanford is as follows:

- Oct. 2—Eustis in Sanford.
- Oct. 9—Lake City in Sanford.
- Oct. 16—Daytona Beach in Sanford.
- Oct. 23—DeLand in Sanford.
- Oct. 30—Sanford at Ocala.
- Nov. 6—Sanford at Orlando.
- Nov. 13—Landon (Jacksonville) in Sanford.
- Nov. 20—St. Augustine in Sanford.
- Nov. 26—(Thanksgiving Day) Leesburg in Sanford.

"We are naturally hoping to play most of our games in Sanford this fall, but it is beginning to look rather doubtful at the present time," Coach McLucas said today. "Since arrangements for a playing field are progressing so slowly it may be necessary to transfer the games out of Sanford as was done last year. If such is the case, it is our hope that arrangements can be made with Orlando officials whereby Sanford can use the Orlando field."

### Sound Trucks Can Tour The Streets To Advertise Baseball

The new anti-sound truck ordinance, placed on second reading at last night's meeting of the City Commission, will not apply to trucks advertising baseball, football or other games.

Commissioner W. A. Laffler offered an amendment excluding from provisions of the ordinance trucks used in advertising beneficial or charitable organizations. It was seconded by Commissioner P. N. Whitehurst, and was adopted by unanimous vote.

During a discussion of the ordinance Commissioner W. R. Dupree moved that the baseball association be charged the regular license fee and then the fee be remitted, but his motion failed for want of a second.

The new ordinance provides that sound trucks parading the streets must pay a license fee of \$10 per day.

so that games can be played at night.

The squad will also be backed up this year with a high school band of some 20 pieces. This, like spring training, may prove a valuable addition to the team. The band, which will begin practicing in several weeks, is under the direction of Mr. Dollyson and Prof. R. Earl Kipp and will be made up of the students from both the Junior and Senior High Schools.

"Come and Work for them" will be the battle cry of Coach McLucas tomorrow at 3:30 when he opens the first spring training period for football at Seminole High School. Interest is running high among the remaining members of the 1935 squad as the time approaches for them to get back into the gold and blue uniforms of Seminole High. Many of the students who did not play or last year's team are going to be out there to snatch up the berths of those who graduate.

Seasoned by a winter's play of touch football, most of the lads are in excellent shape and prospects of the "best season ever" are in the making. "We are not going to wait until the fall, but are starting now to prepare a team which will be equal to any in our conference," said the coach. "In former years we have waited until school opens in the fall, hoping that new faces would appear during the summer but this year we are going to build a team from the ground up," added the mentor as he began to check over the equipment.

### Gainesville Club Is Called "G-Men"

GAINESVILLE, Apr. 14.—(AP)—Fourteen G-men will operate in the territory of the Florida State League this season, but don't be alarmed. There is no crime wave herded this way. Directors of the Gainesville Baseball Association have changed the nickname of the local club from "Hawks" to "G-men." The team's uniforms both home and road will sport a large maroon G on the front of the shirts.

### Association Buys Large Buses For Sanford Players

#### But City Can't Buy X-Tags For Them, As Per Request

Sanford Lookouts will ride in about the finest buses a baseball club ever rode in, according to Charley Wirt, president of the Sanford Baseball Association. The association has bought two big buses, vehicles that cost \$15,000. That's what they first cost. The association didn't pay anywhere near that much for them.

The big buses, beautifully upholstered in leather, four large comfortable seats built for five persons each, and with a door for each seat, were built for the Mount Plymouth Hotel. The hotel discontinued his service several years ago and the big automobiles have been in storage since. The association saw in them an opportunity and seized on the idea had time to cool.

Only one bus will be needed to transport the Sanford players to out-of-town games, but Mr. Wirt has an idea that the other can be sold to some other club for a profit of several hundred dollars.

The bus to be put in service here is being repainted green, and the lettering "SANFORD BASEBALL ASSOCIATION" will be painted on the sides and rear.

The license tag for buses as big as those bought by the local baseball club cost \$70, so Henry Watson went before the City Commission last night with the request that the city buy an X-tag at \$2.50 for it, the association guaranteeing the municipality against any damage claims. But City Clerk P. S. Tamann is not the attention of the Commissioners to an order from the state Vehicle Department that X-tags can be issued only for equipment owned by the municipality and need exclusively by the municipality.

"We'd like to help you boys out but I don't see how it can be done," remarked Mayor Shinholtz, with the advice that "they try the county." "That's what we're going to do, but we thought we'd come here first," Mr. Watson replied.

### Workout Is Given Lookouts In Today's Game

While Stuffy McCrone hopes his gang will make a good showing against the Jacksonville Tars in the exhibition game at Sanford Field this afternoon the manager of the Sanford Lookouts and Zim Beck, scout for the Chattanooga Lookouts, will have an excellent chance to spot weak points in the lineup of the local club and plug the holes before the season opens next Sunday afternoon.

In meeting the Tars the local club goes against one of the strongest baseball aggregations in the South. Gost Walker and Wayne Rutherford were in pitch for the Tars, with Hardep, Veal or Loper on the mound for the Lookouts. The Tars defeated Palatka 15 to 6 last Sunday, but Stuffy was hopeful that the Lookouts would give the big city team a harder battle today.

Today's game was called at 3:30 o'clock.

### Racing In Florida Makes Long Strides

By ORLO ROBERSON  
MAIMI, Apr. 14.—(AP)—Florida racing has made marvelous strides in recent years and this because of the fact that the racing fathers have seen fit to move along cautiously and build on a solid foundation. The announcement of a \$50,000 purse for the Joseph E. Widener Challenge Cup to be run at Hialeah Park next winter is an indication of the growth of the sport.

Announcing the next event Mr. Widener pointed out that in inaugurating this rich event he had no idea of competing with the huge sums offered at other winter tracks but that he was convinced that Florida racing had grown to the proportions which warranted such a fixture. In other words,

reminded Mayor Shinholtz, with the advice that "they try the county." "That's what we're going to do, but we thought we'd come here first," Mr. Watson replied.

### JUNIOR LEAGUE

TEAM	Won	Lost	Per.
Seminoles	2	0	1000
Yankoes	2	0	1000
Pirates	1	1	500
Cubs	1	1	500
Red Sox	0	1	0
Giants	0	2	0

The Cubs defeated the Giants yesterday and move out of the cellar position, leaving the Giants and the Red Sox with nothing but defeats to their credit. The Cubs have now won one game and lost one, while the Giants have lost two games. The Cubs play again this afternoon against the league-leading Yankees.

WEDNESDAY, APRIL 15, 1936

All affairs: As quiet as a city street in Sanford.

Not all the gubernatorial candidates are qualified for governor yet. We'll say they aren't.

Now is the time to show whether you are really for a re-organized Chamber of Commerce, or whether you were just talking.

Now that the "next boom" is about to arrive, we wonder how many of those who for ten years have been saying, "Never again" will remember their promises?

We don't want to kick out of reading about General Pershing's being arrested for speeding the other day, but if it had just been a certain top sergeant we used to know we would have been tickled to death.

A man went to sleep at the steering wheel the other night and met with an accident. He might have anticipated that something would happen.

Gentlemen no longer prefer blondes, says Miss Anita Loo, they now prefer brunettes. The idea seems to be that it is so many more expensive to keep a blonde blonde.

Faith has its Azalea Gardens, Leesburg has its Vanetta Gardens, Winter Haven its Cypress Gardens where the most magnificent garden in the world grows. Sanford should have something like that.

Marj Wilcox, congressman from the Fourth District of which Sanford formerly was a part, has opposition in his race for reelection. Fred W. Delaney, a resident of Miami for the past 24 years, announced his candidacy the other day.

General Plutarco Calles, former president of Mexico, has been sent into exile. At a late hour this afternoon Ex-President Hoover was still living in Palo Alto. But, of course, we don't take our politics seriously in this country.

Of course, all Americans believe in strict neutrality in this European controversy, but some of them wouldn't mind picking up a little extra business, in case England, France, or Germany should need a few extra airplanes or machine guns.

Colombia, Guatemala, and the Dominican republic join in urging that the United States take the lead in organizing a Latin League of Nations. If it didn't work any better than the European League of Nations, it wouldn't do any of them much good.

We had never regarded grand opera singing as a rough and tumble profession, but when we read the other day that Rose Pennington, the famous singer, had broken her arm during a real little scuffle with her dramatic lover, we concluded that ball singing might be better left to the amateurs.

Incidentally, we would like to have heard Miss Pennington's comments on the incident after she came home.

Miss "Baby" Godfrey, who has been in the news for some time, is reported to be engaged to a young man from Sanford.

Two carloads of celery were shipped out of Sanford on Wednesday for California, one car being shipped to Los Angeles and the other to San Francisco. It is usual indeed for Sanford to be supplying celery to California in this season of the year, although it sometimes happens that celery is shipped to the East Coast during January.

Do Your Part

Tonorrow morning at eight o'clock this mass army of the recently reorganized Chamber of Commerce will take to the field in a drive which it is hoped will bring in at least as many memberships as any previous campaign. Citizens of the city and county, railroad men and farmers, business men, merchants, and professional men will all be asked to do their part and contribute to this great civic organization.

While it is a financial contribution which will be asked for during the next few days, what the Chamber of Commerce really desires even more is the moral and physical support of the individual members during the difficult days ahead throughout the coming year. New members are needed, new members who will not only give their three dollars for a membership, but who will give a part of their time and talents toward making the Chamber of Commerce a strong contributing factor toward the growth and prosperity of our county.

In times past, the Chamber of Commerce has been criticized at one time or another because it sponsored this cause or that, because it had adopted one policy or another, because it had failed to undertake this program or endorse that project. Undoubtedly, some of these complaints were well founded. No one will contend that the Chamber of Commerce has not overlooked any opportunities. But the way to make the Chamber of Commerce function properly, the way to make it what you want it to be, is to join, attend meetings regularly, and use your influence toward improving it.

It can safely be said now, we believe, that the Chamber of Commerce at the present time has no program, no policy, nor is it serving any particular group, interest, or faction. During the next few months inevitably a well ordered program will develop, policies will be formulated, and work will be started along some line or other looking toward the development of a better city. Do you wish to have a voice in determining what this work shall be, how it shall be done?

If the Chamber of Commerce has been all you wanted it to be during the past few years, the proper thing to do, of course, is to join again and work for it harder than ever to keep it that way. If its accomplishments and activities, or lack of them, have not met with your approval, then again, the proper thing for you to do is to become a member and help to put it on the right track. The only ones for whom no apology can be offered are those who sit on the side lines and condemn, while steadfastly refusing to do anything about it. They are the chronic knockers, and for them there is no hope.

But all the rest should join this Chamber of Commerce, for there is much which needs to be done in Sanford and Seminole County. The Chamber of Commerce can do it, if everyone will help.

Preventing Blindness

The steady progress in the United States toward elimination of the principal causes of vision impairment and total loss of sight is described by the National Society for the Prevention of Blindness in its 21st annual report, made public recently by Lewis H. Carris, managing director. "To those engaged in the work of sight conservation the accomplishment of the past promises an ever-decreasing number of needlessly blind," says the report, entitled "Looking Forward." "Scientific advances and public education encourage us to look forward to the time when there will be no blindness from preventable causes."

In releasing the report, Mr. Carris said: "The means of safeguarding the eyes of infants at birth, of conserving the sight of school children, and of protecting the eyes of industrial workers are becoming more and more generally known. The American public is showing its eagerness to take advantage of the research and experience of the thousands of doctors, nurses, educators, safety engineers, illumination experts, social workers, and others who are devoting their energies to this cause."

The report discloses an 80 per cent increase, during the last decade, in the number of sight-saving classes for the education of school children with seriously defective vision. There were 260 of these special classes in 1925, and 476 in 1935, despite the smaller budgets of local departments of education in recent years. Approximately 6,000 boys and girls are now enrolled. The Society estimates, however, that 44,000 additional school children are in need of the special facilities and teaching methods afforded by sight-saving classes, if they are to receive a full and normal education without injury to the eyes and without strain upon their physical and nervous systems.

The Society now has on its roster of members and donors approximately 20,000 men and women representing every section of the country. Its work is supported entirely by voluntary public contributions. Income for 1935 was \$109,000 and expenditures were \$134,000, necessitating the use of \$25,000 from the reserve fund.

SANFORD TWENTY YEARS AGO

Little Miss Margaret Neal celebrated the auspicious event of her birthday anniversary with a beautiful party at the home of her parents, Dr. and Mrs. Thomas A. Neal this week. Popping meatoes, containing whistles, and harps completed the joy of the little folk. Upon the lawn peanuts were mercifully scattered for the biggest lot being found by Billy Pitts to whom was given a box of checkmates. Tiny Camilla Pulliam, in her vain search for many peanuts, found a Peter Rabbit filled with candies. Enjoying this beautiful party were: Evelyn Chase, Mildred Hand, Doris Hand, Billy Pitts, Martha Pitts, Olive Newman, Elizabeth Whitner, Theodore Miller, Margaret Peters, Deane Turner, Maud Lake, Rebecca Stevens, Mrs. Elizabeth Pulliam, Camilla Pulliam, Thelma Stebbins, Jim Stebbins, Rose LeVane Burr, Joe Caldwell, George Mobley, Albert Conaway, and Walter Carter. Another Mrs. Neal were: Mrs. Annie Bates, Miss Charlotte Hand, and Miss Gertrude Muller.

Mr. and Mrs. Thomas Brydon of Cameron City, announce the birth of a little daughter in Orlando Monday, Apr. 10. Mrs. G. W. West entertained with a pretty birthday party in honor of the birthday of her little daughter, Vera. The decorations and favors suggested the Easter season. The gracious little hostess received many gifts from her friends. Enjoying the jolly afternoon were: Emily Griffin, Virgie Barnes, Elsie, Elizabeth Mitchell, Claude Wright, Rebecca Stevens, Evelyn Cust, Baby and Clifford Rivers, Blotts, Wright, Lorenz, Bess, Ruth Henry, Verna Egge, Mary Elizabeth Meyer, Margaret Kelly, Emily Bailey, and Jennie Danahy, etc. Mrs. Foster assisted Mrs. West.

Two carloads of celery were shipped out of Sanford on Wednesday for California, one car being shipped to Los Angeles and the other to San Francisco. It is usual indeed for Sanford to be supplying celery to California in this season of the year, although it sometimes happens that celery is shipped to the East Coast during January.

Labor's Old Family Feud May Get Political Airing

By BYRON PHIBBS. WASHINGTON, Apr. 15.—(AP) For reasons well hidden under the surface, the launching of the pro-Roosevelt "labor's non-partisan league" has aspects and possibilities usually lacking in similar ventures.

It always has been a disputed point whether the "labor vote" can be lined up with any semblance of solidarity for any Democratic or Republican presidential candidate at any time.

Some labor leaders have felt, however, that if ever such a thing were possible, it would be in a year like 1936, when class distinctions are much emphasized and party lines badly tangled.

Therefore, the advent of the new league was certain to attract wide attention. Is it the beginning of a cohesive political action, at least on the part of labor? The question cannot be answered at this writing, but one general overlooked fact presents itself:

While outwardly the league is dedicated to harmonizing labor support behind the President, certain elements exist which hint, instead, at a possible transference to the political theater of organized labor's big family feud.

For years, two factions within the American Federation of Labor have been at odds. Recently, the quarrel has become acuter.

One faction wants all workers in each big industry organized into one big union. The other wants individual unions based on occupation.

Those who want to organize by industry alone include George L. Berry, head of the printing pressmen; John L. Lewis, president of the United Mine Workers; and Sidney Hillman, president of the clothing workers. A principal in the other group is Daniel J. Tobin, head of the teamsters.

Berry was chairman of the Democratic national committee's labor division in 1928. Tobin held the same position in 1932. For some months now it has appeared that Tobin, not Berry, would have the job in 1936.

In this situation, Hillman came to Berry with a problem. Hillman is a member of the socialist party, and so are many members of his union. How could these socialists be lined up for Roosevelt without the necessity of joining the Democratic party?

The two of them put their heads together. The league was created. They called Lewis, a Republican, by telephone. He approved the idea.

So far as appears, the league was formed without consultation with President Roosevelt or the Democratic national committee. Nor is there any indication that William Green, head of the A. F. of L., knew anything about it until he read the newspapers.

Now where does this leave everyone concerned? If Roosevelt is re-elected, will credit for his labor support go to Berry, Lewis and Hillman, instead of Tobin? And if so, will that faction have first say at the White House about labor policy and labor legislation?

Will the league fall with the A. F. of L. tag, not only in matters of politics, but with respect to the internal affairs of organized labor as well?

Berry's friends deny that the league was formed as a nucleus for a labor party in 1936. Yet in these troubled times, it is impossible for anyone to be sure what may come of such group movements as this.

Certainly it is interesting to consider the three possibilities—that the league actually will succeed in harmonizing labor support behind the President, that it will succeed in nothing and will go the way of many another "non-partisan" political venture, or finally that it will lead to one grand and costly political row in the ranks of organized labor.

Younger Senators Get In Spotlight And Amaze Others

By HERBERT PLUMMER. WASHINGTON, Apr. 15.—(AP) The Senate's crop of youngsters—those who rode in on the unprecedented wave of Roosevelt popularity in 1934—are amazing old timers by the way they are stepping out these days.

Holt of West Virginia, Milton of Indiana, Schwellenbach of Washington, even that old war horse of politics—Bibb of Mississippi, who has been observing a self-imposed year of silence—have been parading across the front pages during the past few weeks with as much gusto as the oldest senators in count of service.

Only "Honest Vic" Donahay of Ohio seems to have resisted the temptation to join the parade. He hasn't made a speech yet, says privately he has no idea when he will break his silence.

There are varying opinions as to how these youngsters have acquitted themselves in their initial attempts.

Bibb, of course, suffered a crushing defeat. Five hours' display of oratory on his part to block the confirmation of a federal judge netted him exactly four votes including his own on the showdown.

Milton and Schwellenbach, members of the Black lobby committee, have been savage in their attacks on those who would attempt to thwart their investigation. Only time can prove how effective their actions have been.

Benson of Minnesota, who came to Washington to take the seat of the late Senator Schall, has been active, but his career in the Senate ends with the present session. He plans to return to Minnesota and run for governor this year on the farmer-labor ticket.

Guffey of Pennsylvania has his name on one of the major "New Deal" measures passed during the present Congress—the Guffey-Snyder coal bill. In addition, he is chairman of the Democratic legislative relations committee charged with the duty of electing as many Democrats as possible to the Senate in November.

Since the days of the late Huey Long, the time-honored custom of newcomers to the Senate being "served" and "not heard" until they have served their apprenticeship no longer prevails. Some still observe it and even those who break it are a bit apologetic. Bibb apologized elaborately before he

Automobile Men Pay For Safety Drive By Police

EVANSTON Ill., Apr. 15.—(AP) A first assault on American's mounting traffic toll is to be directed from this Chicago suburb, long known as one of the nation's safest cities.

The newest project in the drive on automobile deaths is to be conducted by Northwestern University in co-operation with the Automobile Manufacturers' Association and the International Association of Chiefs of Police. The A. M. A. has agreed to contribute \$15,000 annually toward the project.

Plans provide for expanding a traffic officers' training school from a single two weeks course to at least three distinct courses.

Police departments throughout the country will be invited to send representatives to these sessions. Lieut. Franklin M. Krenf, director of the Bureau of accident prevention of the Evanston police department, has been named director of the institute.

With his leadership, Evanston these times in the last four years has won the National Safety Council's award as the nation's safest city. He will be assisted by Capt. Ray Ashworth of the Wichita, Kas., police department.

Under the provisions of a tentative program, the institute will: 1. Install traffic accident prevention bureaus in selected cities and states.

2. Assist in improving traffic curricula and give instruction in statewide police schools.

launched his five-hour speech. Things move so fast on Capital Hill these days and are of such importance that from their assembly the "youngsters" are forced into activity.

such as are sponsored by AREA Municipal League, state police associations and the American Municipal association.

3. Co-operate with Harvard university's accident prevention bureau in connection with extension courses and curricula preparation.

4. Provide traffic information service to police departments. Assemble files of best safety and prevention practices.

5. Co-operate with the National Safety Council in improving city and statewide safety programs.

## Nautical Errors May Be Found By Survey

HONOLULU, Apr. 15.—(P)—Ancient nautical errors may be erased when four Pearl Harbor minesweepers complete a survey of the innumerable reefs and shoals between here and Midway islands, 1,323 miles to the northwest. Many of the reefs now listed on navigation charts are believed non-existent.

The survey will complement reports of naval and commercial pilots who in flying this section of the Pacific have discovered that at least three charted reefs cannot be found.

The minesweepers now at sea include the Ogibia, Quail, Avocet and Tanager.

**Laying Obsequies Are Attended By Large Gathering**

With a large gathering of friends and relatives in attendance, the funeral of Mrs. Julia Laing, who died last Friday at her home on Oak Avenue, took place Monday afternoon at the First Baptist Church.

The Rev. W. E. Brooks, Jr., had charge of the services and gave a talk on Mrs. Laing's life, and her activities in the Baptist Church and the community. Dr. Brooks was assisted by Dr. E. D. Brownlee, pastor of the First Presbyterian Church.

Musical numbers were rendered by the choir, composed of Mrs. R. L. Glenn, Mrs. R. R. Pippin, J. M. Stinephor, and E. D. Holston, with organ accompaniment by Miss Mildred Nix. Vocal duets were also given by the Rev. and Mrs. M. J. Bouterse, radio evangelists of Orlando.

Active pallbearers were: Forrest Gatchel, Grandland Kersey of Lakeland, A. K. Rossetter, W. C. DeCoursey, G. L. McGwinn of Moore Haven, Jno. D. Jinkins, Dr. E. D. Mobley, and Dr. C. W. Baker. Honorary pallbearers were Dr. J. T. Denton, Dr. G. S. Selman, B. Z. Whitehurst, Joe Cameron, George A. Speer, H. H. Hill, S. J. Nix, and E. C. Harper.

Surviving relatives are: one daughter, Miss Jeanette E. Laing; two cousins, Judge James G. Sharon and E. H. Vickers of Sanford; one nephew, William H. Mashburn, and the following grand-nieces and nephews, Mrs. L. E. McMillan, W. H. Mashburn, Jr., Pearl Jones Mashburn, Ben Jones Mashburn, and Betty Mashburn, all of Little Rock, Ark.

Among the out-of-town persons at the funeral were: the Rev. and Mrs. M. J. Bouterse, Mrs. R. E. Miller, Mr. and Mrs. John W. Hartley, Mrs. T. V. New, Mr. and Mrs. A. Y. Fuller, Mrs. Freda James, Mrs. Emma L. Greer, C. E. Lavaron, of Orlando; Mrs. W. E. Hurt, Mr. and Mrs. W. Y. Laing, Joe Laing, of Jacksonville; Mrs. W. H. # Excellent Showing Made By Lookouts In Game With Tars

## Exhibition Contest In Sanford Is Lost By Only Two Runs; Crowd Sees Game

Though they lost the contest in the last inning, Sanford Lookouts of the Florida State League covered themselves with glory Tuesday afternoon in the exhibition game with the Jacksonville Tars of the South Atlantic League. The home team put up a real battle and but for a balk in the fourth inning would have won. Despite that costly error, however, they lost by only two runs.

The score: Jacksonville 11, Sanford 9.

Sanford beat the tar out of the Tars for the first six innings, despite the ill-fated fourth. The Lookouts started off with five runs in the very first inning, followed with two more in the second inning and another two in the fifth inning.

Jacksonville scored one run in the second, four in the fourth, and at the end of the sixth inning Sanford was leading 9 to 5. But in the seventh inning the Tars slipped four more runs over the home plate, tying the score. Neither team scored in the eighth frame, the Tars got two runs in the ninth, and the Lookouts failed to score.

Goat Walker was the winning pitcher for the Tars, striking out six men, but he allowed four hits and five runs in one inning.

In the costly fourth inning, Stratton of the Tars was given a walk, Thomas hit a two-bagger, Leitz singled, and the bases were full. Maxwell came to bat, and then Loper, pitching for the Lookouts, made a balk and the umpire ordered Stratton, on third, to come in home. Maxwell walked, and the bases were filled again. Ganszell singled, and Thomas and Leitz scored. Before the inning closed Maxwell also crossed the home plate.

The game was witnessed by a fair sized crowd and it was an interesting exhibition, more interesting than the score might indicate. Jim Beck, scout for the Chattanooga Lookouts, was an interested spectator, and expressed himself as being confident he will be able to make satisfactory replacements in the Sanford team that will strengthen it considerably and make it one of the strongest contenders in the league.

Manager Stuffy McCrone expressed the opinion that with a few changes in the team he will have a winning aggregation. Stuffy played first base yesterday and acquitted himself like a veteran, and only one error was chalked up against him. Many attempts were made to put men out at first, but each time the catcher sent the ball sizzling down to first. Stuffy was there with a safe catch. The trouble, though, was that the base runner generally got back to the bag before the ball got there.

### Great Throngs At Season's Opening In Major Leagues

#### More Than 200,000 Fans See 8 Tilts, Most In 5 Years

NEW YORK, Apr. 15.—(AP)—To the accompaniment of a booming barrage of baseballs of a boomers of 205,000 fans, the 1936 major league baseball season was launched on all fronts Tuesday with all the feverish festivity characteristic of America's great national sport.

Benefited by the warmest sun that has shone for at least two weeks, the eight opening day games drew the biggest crowds in five years, the aggregate turnout exceeded the 1935 total by 57,000.

Topped by a near capacity throng of 55,500 at the Polo Grounds, where the Giants registered an interborough triumph over the Brooklyn Dodgers, National League openers attracted a total of 113,833 fans.

Detroit 3, Cleveland 0  
CLEVELAND, Ohio, Apr. 15.—(AP)—Lynwood Rowe, the tall Arkansas schoolboy, put the Detroit Tigers on the road to their third straight pennant when he pitched the Cleveland Indians into submission before 18,500 opening day fans here, 3 to 0.

In superb form, Rowe held the Indians to four hits, issued no passes and allowed no Cleveland runner to reach second base and fanned six.

Rowe's task was made easy by Hank Greenberg, 1935 home run co-champion of the majors, who drove in two runs in the first inning with a double to the distant left field corner.

### Clean Sweep Made On Tennis Courts By Sanford High

#### Apopka Defeated In Tournament Here; Meet Orlando Next

Sanford made a clean sweep on the tennis courts yesterday afternoon in the tournament with Apopka. The visitors were given one match on default but Sanford won all the other matches.

Bill Zachary of Sanford defeated Herbert Smith of Apopka 6-0, 6-4. Herbert Smith of Sanford defeated Eddy of Apopka 6-3, 6-2. Julian Adams of Sanford defeated Hal of Apopka 8-6, 6-4.

John Morgan of Sanford won the first set with Lassiter of Apopka, 6-4, and in the second set was one point ahead, 4-3, when he broke his racket and the set was defaulted to Lassiter.

In the doubles play, Zachary and Smith of Sanford defeated Hiltchcock and Hall of Apopka 6-0, 6-1.

Sanford plays Orlando at tennis here Friday afternoon at 2:30 o'clock, games to be played on the Randall Chase private courts at Ninth Street and Myrtle Avenue and on the City courts at Thirteenth Street and French Avenue. The public is invited to witness the tournament. There will be no charge for admission.

### Mother Advised Ailing Daughter To Take Cardui

#### Many, many women have taken Cardui on the advice of their mothers who had been helped by it.

"I would have severe cramping spells," writes Mrs. F. C. Allen, of Smithdale, Miss. "I would get nauseated and feel faint and would have to go to bed. I was afraid to go away from home for fear I would faint and fall. My mother, having used Cardui with good results, advised me to try it.

"I am so glad I took Cardui and got relief, for it has done wonders for me.

If you suffer this way, send to the drug store for a bottle of Cardui and begin taking it today. Of course, if Cardui does not benefit YOU, consult a physician.—Adv.

### Petrified Tree Is Found As It Grew

WINSLOW, Ariz., Apr. 15.—(AP)—A petrified tree, upright and apparently in the position in which it grew millions of years ago, has been unearthed in the Petrified Forest by the Civilian Conservation Corps.

A. E. Demaray, acting director of the National Forest Service, said the discovery definitely conflicted with the long-existing theory that the petrified trees reached their resting place on the northern Arizona plateaus after drifting long distances on prehistoric seas.

## Trade Body 'Army' Workers Enthused At Drive Opening

### County Chamber Of Commerce Begins Annual Campaign For New Members

### Faith In County, Suggested Slogan

### It Is Your Chamber Of Commerce, Says President Simpson

Enthusiasm was the keynote at a "kick-off" breakfast in the Chamber of Commerce Building at 8 o'clock this morning, signaling the start of the annual drive for members in the County's trade body. There was a large attendance of workers in the "sales army," and right after the breakfast they started out to "sell" the top...

## Italy Demands Right To Make African Peace

Would Deal Directly With Ethiopia, Says Report From League Of Nations Council

(By The Associated Press) An authoritative League of Nations source said today that Italy has demanded the right to conduct negotiations for East African peace directly with Ethiopia. The Italian demand, which arrived as an eventual establishment of a military armistice between victor and vanquished, was reported to have been held "utterly impossible" by the Ethiopian delegation.

As conciliation efforts continued, Italian soldiers started by motor truck for the Ethiopian capital in the interior of Emperor Haile Selassie's war-torn Empire. Fascist sources indicated they believed not more than 1,000 warriors stood between their motorized column and the capital. The column itself was reported as moving over a seasonably good highway from Desaye, 178 miles away. Reports from the Geneva League of Nations conference room indicated that little headway was being made there. France, fearful for eventualities, surveyed its own military strength to be certain she had sufficient power to defend herself in case the whole system of collective security should collapse under weight of the Italo-Ethiopian war and Germany's denunciation of the Locarno pact.

## Belgium Uncovers Threat To Kidnap King's Children

Former Convict Held For Asking Ransom From Leopold

BRUSSELS, Apr. 16.—(AP)—A kidnaping threat against the three motherless children of King Leopold was disclosed today with the arrest at Liege, in eastern Belgium, of a 31-year-old former convict, Nicholas Elsen. Police said Elsen confessed to writing letters to the King threatening the kidnaping.

## Italy Demands Right To Make African Peace

Would Deal Directly With Ethiopia, Says Report From League Of Nations Council

(By The Associated Press) An authoritative League of Nations source said today that Italy has demanded the right to conduct negotiations for East African peace directly with Ethiopia. The Italian demand, which arrived as an eventual establishment of a military armistice between victor and vanquished, was reported to have been held "utterly impossible" by the Ethiopian delegation.

As conciliation efforts continued, Italian soldiers started by motor truck for the Ethiopian capital in the interior of Emperor Haile Selassie's war-torn Empire. Fascist sources indicated they believed not more than 1,000 warriors stood between their motorized column and the capital. The column itself was reported as moving over a seasonably good highway from Desaye, 178 miles away. Reports from the Geneva League of Nations conference room indicated that little headway was being made there. France, fearful for eventualities, surveyed its own military strength to be certain she had sufficient power to defend herself in case the whole system of collective security should collapse under weight of the Italo-Ethiopian war and Germany's denunciation of the Locarno pact.

## Belgium Uncovers Threat To Kidnap King's Children

Former Convict Held For Asking Ransom From Leopold

BRUSSELS, Apr. 16.—(AP)—A kidnaping threat against the three motherless children of King Leopold was disclosed today with the arrest at Liege, in eastern Belgium, of a 31-year-old former convict, Nicholas Elsen. Police said Elsen confessed to writing letters to the King threatening the kidnaping.
