## C of C Reports Funds Urgently Needed As Contributions Lag

MRS. CAROL DOW as she posed for pictures yesterday in the General Henry Shelton Sanford Memorial Library which was recently dedicated. Mrs. Dow, daughter of General Henry Shelton Sanford, came here to be present when the new library building was dedicated. (Staff Photo)

## Mrs. Dow Is Named 'Outstanding Lady Of Year' By DAR

A signal honor has been extended to the daughter of the founder of Sanford, Mrs. Carol Dow.

Yesterday, the board of management of the Sallie Harrison Chapter of The Daughters of the American Revolution named Mrs. Carol Dow as "the outstanding lady of the year" because of her historical contribution to the City of Sanford.

Mrs. R. Key, Regent of the local D. A. R. Chapter made the announcement this morning as Mrs. Dow makes plans to return to her home in Derby, Conn.

Mrs. Dow yesterday met with members of the General Shelton Sanford Memorial Library and Museum Committee to have pictures made with them and to have her picture made among the many books and articles of the library which she had contributed to the City at the formal dedication of the library building.

At present, Mrs. Dow is staying at the home of Mr. and Mrs. N. Howard Brewer at their lakeside home on Silver Lake. Mrs. Brewer is descended from the Sanfords in Connecticut.

Mrs. Dow said "I am charmed with Sanford and hope to return here next season." Her plans are to return to Derby, Conn. this weekend.

NEW YORK (AP)—Ludwig Rahn, Polish delegate to an agency of the United Nations who failed to appear before a committee in Washington, may leave the country before midnight, informed sources said today.

AUCKLAND, N. Z. (AP)—Former British Prime Minister Sir Anthony Eden, weakened by two shipboard attacks of fever, walked off the liner Rangitiki with the aid of a cane today and told a news conference "I am feeling better now."

WASHINGTON (AP)—Senate Democratic Leader Lyndon B. Johnson said Wednesday night he regrets President Eisenhower's call to "bring pressure" on Israel alone to withdraw its troops from Egypt.

UNITED NATIONS, N. Y. (AP)—The Israeli cabinet called an urgent session today to consider the threat of American backed U. N. action against Israel. First indications were Israel would stand firm unless a last minute "miracle" developed.

UNITED NATIONS, N. Y. (AP)—Israel refused to budge today from its demand for guarantees before withdrawing its troops from Egypt despite pleas from President Eisenhower and the threat of United Nations sanctions.

LONGWOOD (AP)—A special meeting of the Town Council has been called for tonight at 8 p. m. to discuss with property owners the paving of Church St.

All property owners are urged to attend this meeting.

Long Hills  
SPRINGFIELD, Mass. (AP)—Letter carrier John J. Fopiano is retiring after 40 years' service during which he hiked an estimated 100,000 miles.

Contributions to the fund to be used by the Armed Forces Committee of the Seminole County Chamber of Commerce in an effort to retain the Naval Air Station, Sixth Naval District, in the Seminole County Area are lagging. Reports from the Chamber of Commerce office this morning show that no additional funds have been received and that only one check in payment of a pledge made to the fund has been received.

The total for the fund remains this morning at \$11,253.

At a meeting last Saturday morning it was revealed that at least \$18,000 to \$25,000 would be needed, and possibly a greater amount in order to fight the political battle necessary in an effort to keep the proposed Naval Air Station in this area.

Several organizations are reportedly working toward raising funds for the Armed Forces Committee. The Jaycees, yesterday, were reported planning to award a brand new automobile to a contributor to the fund. Details of the plan have not as yet been released.

All funds, Chamber of Commerce Manager John Krider said this morning, are being handled exclusively by the Armed Forces Committee of the Chamber of Commerce with R. J. Bauman as treasurer.

Funds not used in the effort to retain the base in Seminole County will be returned to the contributors, said Krider. Clifford McKibbin, as president of the local Chamber of Commerce and R. J. Bauman as treasurer, will sign all checks.

Efforts will be made to rejuvenate the interest in the funds necessary to keep a representative from (Continued on Page 4)

## Farm Operators Offered Advice

Farmers subject to self-employment tax must have a social security number in order to receive social security credit, Byron R. Patton, manager of the central Florida Social Security Office said yesterday. He offered the following advice to farm operators who have a net profit of \$400 or more from self-employment from the farm and any other business:

If you do not have a social security card apply for one at your nearest social security office. If you have lost your card, ask for a duplicate card with the same number.

If it is not convenient for you to go to a social security office, you may obtain a blank application at your post office. Fill it out and mail it to the social security office serving your area.

If you already have a social security number, do not apply for another. Use the same number to report any and all earnings.

Your account number must be shown on Schedule F of your income tax return to insure proper credit to your social security account. Failure to furnish the correct number may result in loss of benefits.

Edward, Don't Point!

HARTFORD, Conn. (AP)—Five-year-old Edward Garrity, who likes TV westerns, saw political posters on the highway and told his mother: "Oh, Mommy, look! All those men are wanted for murder!"

Society of which he was a past president.

Survivors are his widow, Mrs. Ethel M. Smith, Sanford; two sons, Dr. J. A. Smith Jr., New Smyrna Beach; William P. Smith, Sanford; five grandchildren, two brothers, Perry G. Smith, Charleston, W. Va.; S. D. Smith, Kentuck, W. Va.; and one sister, Miss Florence Smith, Kentuck, W. Va.

Funeral services will be held at 2 p. m. Friday at Brison Funeral Home with the Rev. W. P. Bruckner Jr. officiating. Burial will be in Oak Lawn Memorial Park.

## Plane Hits School Garage; Pilot Killed

THE SANFORD KIWANIS CLUB enjoys luncheon at the New York Glants Farm System dormitory on Mellonville Ave. yesterday. Shown as Edwin Shinholser, Club President expresses appreciation for having been invited to have their Wednesday luncheon at the building, are (Left to Right) Paul Kruse, Steward; Frank Mebane Jr., Manager of the Mayfair Inn; David Smith, program chairman; Carl Hubbell, Director of the New York Glants Farm System; and Shinholser. (Staff Photo)

## Motorists Driving Without '57 Tags Subject To Arrest

TALLAHASSEE (AP)—Motorists driving without 1957 license tags today were subject to arrest for a misdemeanor.

The legal deadline for purchasing the new tags was last midnight. The tags will be sold during the rest of the year, but it is against the law to drive with 1956 tags from now on.

Police generally are lenient for the first few days following the deadline and issue warnings instead of tickets.

## Alert Out For Three Dangerous Convicts

Three escaped convicts were possibly in the Central Florida area last weekend according to reports this morning from law enforcement officials.

A statewide alert is out today for the three armed and dangerous convicts who had seized a prison bound bus for Raiford and fled through central Florida during the weekend.

Details of the escape were not released until late yesterday.

Sheriff J. W. Dunn of Titusville said the trio seized control of a bus transporting 15 prisoners to Raiford State prison Friday. The men knocked out the surprised guard with their handcuffs, freed themselves with his keys and fled near Raiford. The 12 other convicts were taken to the state prison without incident.

First reports stated that the trio, using the guards gun, stole

two cars in the Sanford area Friday and Saturday.

However, the Sanford Police Department and the Seminole County Sheriff's Office report that no cars were stolen in this area last weekend. The reports were also verified by the two law enforcement agencies with the Florida Highway Patrol.

It was said that the men were possibly in a 1957 Black Bel Air Chevrolet stolen in Cocoa bearing a 1956 license tag and that a 1957 Pennsylvania license tag was stolen.

The Seminole County Sheriff's Office was notified that the three escapees may have ditched the car in the Sanford area. However, a search of the county has not turned up any evidence that the three men are in this area.

Sheriff Dunn, at Titusville, (Continued on Page 8)

## Students Reported Safe

HERTFORD, N. C. (AP)—A plane crashed into a garage at Perquimans High School today, setting the building afire.

Authorities said the pilot of the plane was killed and a mechanic working in the garage was missing and feared dead.

Mayor V. M. Darden said no students were injured. The garage is located about 150 yards from the school.

Three or four mechanics were working in the garage when the plane hit, Darden said. Several were injured.

The building was engulfed in flames, Darden said.

The students were in classrooms when the crash occurred about 10:30 a. m. The school building was evacuated in an orderly fire drill conducted by teachers.

The garage housed school buses. A number of buses were reported destroyed by the fire. Ambulances and fire equipment were sent to the scene.

Hertford is in northeastern North Carolina about 16 miles west of Elizabeth City.

The plane was reported to be a Marine or Navy craft from nearby Edenton, N. C., an auxiliary Marine air station is located near Edenton.

## Giants' 'Official Family' Introduced To Kiwanis Club

The Sanford Kiwanis Club yesterday had the first look at the New York Glants Farm System's dormitory building on Mellonville as Carl Hubbell, Director of the Farm System and Paul Kruse, Steward, conducted the members on a tour of the sprawling two story building.

Local Kiwanians held their luncheon meeting in the huge dining room that will take care of the feeding of more than 300 youngsters who will be here for the tryout camp and spring training.

John Krider, Manager of the Seminole County Chamber of Commerce, and member of the Sanford Kiwanis Club, spearheaded the effort to have the New York Glants to return to Sanford for their spring training activities.

Yesterday, introducing the "official family" of the New York Glants here, said: "This is the first time a major league club has made a solid investment in a community to train a hall club."

"It would take a long time to review all that has been done," Krider said and he added, "hundreds of people have cooperated with the Sanford City Commission going all out to help."

Carl Hubbell drew a standing applause as he was introduced to the Kiwanis membership.

Frank Mebane, manager of the Mayfair Inn was introduced as a member of the "official family."

Paul Kruse said that baseball players and staff personnel would begin arriving on March 1. Kruse is in complete charge of the new building and will have the responsibility for housing and feeding the more than 300 who will be here.

## Slovak Day To Be Observed Sunday

Sunday, February 24, 1957, beginning at 12:00 noon will see the Americans of Slovak descent of Florida celebrate their Fifth Annual Slovak Day in Florida at the Slovak Garden, a Home for American Slovaks, located on State Road 434 between Maitland and Goldenrod.

This also celebrates the fifth birthday of the founding of the Slovak Garden, which is an Old Age Home. Each year has seen progressive improvements of the Home and of the Retirement Village adjacent to it called Slovak Village.

The Festivities will start with a typical Slovak Meal. There also will be a bazaar, Folk Music, Folk Costumes and Good Fellowship. The Principal Speaker for the (Continued on Page 8)

## East Coast Dock Workers Ordered Back To Work

NEW YORK (AP)—Striking East Coast dock workers were ordered back to work today despite local disputes in Baltimore and Norfolk, Va., that continued to idle 10,000 members of the International Longshoremen's Assn.

Settlements in both ports were imminent, however, and indications were that all 45,000 dock workers affected by the strike would be back on the job by Monday.

Thousands of dock wallowers were expected to respond to shape up calls today in East Coast ports where settlements have been reached, although not yet ratified. But many piers, including several in New York, were not expected to be manned until accords are reached in Baltimore and Norfolk.

The back-to-work movement of New York's 25,000 longshoremen coincided with the settlement early today of the port's 20-day strike of 4,000 tug and barge crewmen that had immobilized 400 harbor craft and cut off 70 per cent of the city's fuel deliveries. The tugboat men, members of the United Marine Division of the National Maritime Union, will vote on a new two-year contract Friday morning, returning to work the same day, provided the pact is ratified.

## Bank Facility Will Be Established Soon Aboard Naval Base

The Sanford Naval Air Station will have a bank facility as soon as final details are received here, Captain Robert H. Jackson, Commanding Officer of the local base, said yesterday.

Word was received, said Captain Jackson, that the United States Treasury Department has authorized the Florida State Bank to establish a bank facility at the Sanford Naval Air Station.

Notification to the local officials of the Naval Air Station came from the Navy Comptroller. The facility will be established in the old Naval Air Station Brig area, Captain Jackson commented. This area is opposite the base theatre which is centrally located.

It is understood that the facility will conduct normal banking business including check cashing, the sale of travelers checks, Christmas Club and deposits.

## DAV Surpasses Membership Quota For Fiscal Year

Sanford Chapter No. 30 of the Disabled American Veterans has surpassed its membership quota for the current fiscal year of the organization and will receive a special citation in recognition of its achievement. As of February 1, the Chapter had a total of 54 members.

Announcement of the award was made by Joseph F. Burke of Bayonne, N. J., DAV National Commander, who commended officers and members of the Chapter for its work in behalf of disabled veterans.

Commander Burke said in a message sent from DAV National Headquarters in Cincinnati:

"Most disabled veterans are adjusted to their physical handicaps and learning to live with them, but it is vital that they band together to protect this nation's rehabilitation program."

"We know that the war handicapped wants the right to live and raise his family in as nearly (Continued on Page 8)

TWO OF THE MOST IMPORTANT art purchases by an American museum in the last 30 years are shown after unveiling ceremonies at the Philadelphia Museum of Art. At top is "Gloucester Farm," by Winslow Homer, which cost \$17,000. At bottom is Venetian master Titian's "Virgin and Child with St. Dorothy," painted about 1535. The work of Homer, a Bostonian, was done in 1874. (International)

## Easier To Rent Apartment Now

WASHINGTON, (UP) — A government housing official reported that it is much easier to rent an apartment now than it was four years ago.

The market has eased to such an extent, he said, that some landlords redecorate for new tenants and are sending up a little more heat on cold days.

That doesn't mean the problems facing apartment-hunters have disappeared. There still is a shortage of medium-price apartments in many large cities. But long waiting lists are a thing of the past. The demand for luxury apartments has dropped.

Cold water flats also are disappearing—slowly but gradually—as a result of ambitious slum clearance projects in many cities.

**Children Being Accepted**  
In some areas apartment owners have discovered that many people do have children and are beginning to accept them in their buildings.

That with variations from area to area—is the present picture as outlined by the government housing expert. He said it is a far cry from the war days when many families found it almost impossible to get a decent apartment.

He said there has been a decided shift in new multi-family since World War II but a decrease in the number of older apartments available for rent. The result has been twofold—higher standards for rental units and higher rents.

There was a big rush to build new multi-family dwellings after the war. It reached its peak in 1950 when 213,000 units were started. Since then there has been a steady decline. Only 123,000 built in 1956.

The government estimates there are now 21 million apartments and

CH. SHIRKAN OF GRANDEUR, a silver-blue Afghan, appears to be smiling over his trophies after he was judged "Best in Show" at the 81st Westminster Kennel Club show at Madison Square Garden, New York. The victory marked the first time in history that a dog from the hound group took U.S. dogdom's highest honor. Shirkan is owned by Sonny Shay and Dorothy Chenade, of Hicksville, N. Y.

homes available for rent. This is slightly less than half the nation's dwelling units.

**Difficulties Still Present**  
Difficulties still are encountered in finding suitable rental housing, however. This is particularly true of families with children and pets—still labor in many places.

The government official said families with this problem are solving it by buying their own homes. In recent years credit has been eased to the point where vir-

tually any medium-income family can buy a home and pay about what would be the equivalent of rent each month.

Homes buying becomes even more attractive in view of government and private predictions that rents will continue to rise in many areas for some time. The best estimate is that they have risen between 4 and 8 per cent in the large cities since last fall. A similar increase is in prospect for the next year or so.

## Audition Granted Just For Asking

NEW YORK UP—A 19-year-old homey type named Dolores Rodomista is so square that she thinks you can walk right in on Broadway and get an audition just for the asking.

She doesn't know you have to have an agent. She doesn't know what percentage an agent gets or what his duties are. She doesn't know what a song plugger is.

Matter of cold, hard fact, she can't read a note of music and can't play a note. However she's been singing since she was four, starting out with Italian songs her immigrant grandfather taught her.

**Asked for Audition**  
So... without an agent she walked into the Green Room of the Hotel Edison and asked band leader Henry Jerome for an audition. Jerome had been auditioning professional singers all day. Dolores was the last to show up. He told her to go ahead and holler.

Dolores began singing Jerome listened. He thought: "Hmmm." He listened some more. He thought: "Well, well, well."

She sang a couple of songs, and then, as she recalls: "He told me right away that I had a job. He just said: 'We want you to start whenever you're ready to start.'"

Dolores has been singing with Jerome's band for three weeks and sometimes, she says, she can't believe she's getting paid for doing what she most wants to do.

**Home to Mother**  
Jerome shortened up her name, made it Dolores Rodell. She rehearses half an hour each night before the band begins playing at 9:30. She sings about five songs an hour in the hotel and broadcasts with the band on two radio networks.

When she finishes work she gets on the Long Island Railroad and rolls into the Gibson station at 2:30 a.m. Her mother is there to meet her and drive her home to Lynbrook, N. Y. This doesn't leave Mrs. Rodomista much time for sleeping because she has to be on the job at 9 a.m. as telephone switchboard operator in a bank.

"I just wouldn't sleep at all if I didn't pick her up," her mother says. "She's just a good little girl with a fine voice."

## Preparing Your Child For Trip To Hospital

By HERMAN M. BUNDESEN, M.D.

TAKE a tip from George Washington—don't fib.

Don't dramatize the situation, but tell your child the truth when he has to go to the hospital for treatment or an operation.

Advise him calmly and truthfully just why it is necessary for him to leave home and what will happen at the hospital.

**Discomfort and Pain**

Emphasize the fact that his discomfort and pain will disappear and that the doctors and nurses are his pals and want to help him.

Find out from the doctor just what will have to be done. If surgery is necessary, tell your youngster that the doctor will let him smell something that will make him feel nothing. Don't tell him that the doctor will put him to sleep.

Tell him, too, that you will spend as much time as possible with him in the hospital and assure him that he will come back home as quickly as it can be arranged.

**Don't Worry Him**

There's no sense worrying a youngster, so you don't have to tell him these things until a day or two before he must leave. If he wants to cry or carry on, let him. It might help him adjust to the situation.

If you don't tell a child the truth, his active imagination might dream up some really horrible visions of hospital life.

Any youngster who is tricked into entering a hospital might suffer great shock upon suddenly being left alone in a strange world.

**Favorite Toy**

If your tot has a favorite toy or blanket, let him keep it with him if the hospital permits. His own pajamas, slippers or bathrobe will be comforting, too. They'll serve to form a definite link with his home.

Before you leave him, give him something that can be associated with you, such as a handkerchief, a scarf, perhaps one of your old purses.

He must be with him before they take him to the operating room and stay with him until he's given the sedative, if the doctor approves. When he awakes following the surgery, he'll expect to find you at his side. Be there.

**QUESTION AND ANSWER**

R. U. H.: Is a perpetual subnormal temperature an indication that something is wrong?  
Answer: This might be due to a deficiency of thyroid secretion. In many instances, the temperature may be as low as 97.8 when no abnormal condition is present.

BING RATIO TOP DOG at the Westminster Kennel Club Show in New York is something to bark about, but establishing a precedent rates very special attention as Ch. Shirkan of Grandeur discovers as he stretches out on flower-decorated chaise longue. Some champagne is on hand for favored guests, one of whom is "Teddy," silver top poodle, who is on hand to pay respects. Shirkan is the first of the hound group to take "Best of Show" honors at the Westminster showing. He is owned by Sunny Shay and Dorothy Chenade, of Hicksville, N.Y., who said "he's a great house pet." (International)

DR. PAUL DUDLEY WHITE, heart specialist, made a brief "graphic record" of what may be the heartbeat of a whale at Seamount Lagoon, Baja, Calif. Here, a grey whale is shown "spying-hopping" after it was awakened by the noise of the research boats and helicopters of Dr. White's expedition. A special gun mount was attached to a helicopter for firing harpoons into the "guinea pig" whales from ten to twenty feet above as they swam in the lagoon. Lines from the harpoons were then connected to a sled-mounted transmitter from which pulses were sent to Dr. White's electro-cardiograph recording equipment. In inset, the Boston heart specialist (right) is shown with Donald Douglas, who manned the harpoons. (International)

## YOU'RE TELLING ME!

By WILLIAM RITT  
Central Press Writer

A NEWLY-INVENTED money definitely bad news for those who bag lets out a loud shriek at live more than three-and-a-half miles from their jobs.

Six armed robbers held up a Cleveland firm and trucked away 25,000 pounds of nickel. That, says F.E.F., was no two-bit hold-up.

An East European has developed a tiny, 220-pound helicopter. Sort of a motorized egg beater with wings.

Let's hope no one mistakes the goat-sized air flivver for a mosquito, and twails it!

Under present gas rationing in England, British motorists can drive their cars an average of only seven miles a day. That's

The list of feminine names for 1957's crop of hurricanes is out. Let's hope they prove to be a well-behaved bunch of girls.

Macaroni product sales totaled one billion 81 million pounds in 1956, a just released report reveals. Sounds like a mighty good business to string along with.

AN EXACT DUPLICATE of the "Spirit of St. Louis" is made airborne again, 30 years after Charles A. Lindbergh made aviation history with his solo non-stop flight from New York to Paris. Here, Stan Reaver (left), pilot, and Bud Wiedman, mechanic, check the craft they will fly from Santa Ana, Calif., to New York City, for the world premiere of film, "The Spirit of St. Louis" at Radio City Music Hall.

## Letters To Congressmen Important In Effort To Keep Naval Base Here

There comes a time when writing a letter becomes a very important moment in every one's life.

And now is the moment when letters will carry a message of extreme significance. Every person who is interested in the welfare and growth of their community should express his or her views to the Congressman and Senators who serve Florida and the Central Florida community.

The location of the Naval Air Station, Sixth Naval District is in doubt—even though it rightfully belongs to Sanford and Seminole County. This station is of economic importance to the community and to each individual in it.

Many folks do not know just who to write and where letters should be written.

Here are the names to whom your letters should be addressed:

Senator Spessard L. Holland  
Senator George Smathers  
Congressman A. S. Herlong Jr.  
Their address is Washington, D. C.  
The Chamber of Commerce has published a brochure on "Write Your Member of Congress But Do It Right"

Here are the suggestions outlined in the brochure:

1. He should be addressed as Representative John Doe, or Senator John Doe—not Mister.
2. Be brief, but not terse.
3. Be specific, positive—don't hedge.
4. Give him the local viewpoint—how the national issue would affect your community, your industry, your business.
5. Letters should be dignified.
6. And reasonable—don't ask the impossible.
7. But request action—your Congressman was elected to do something.
8. Make it your letter—on your letterhead, in your style.
9. Request an answer—you've told him where you stand, now ask him where he stands.
10. Be appreciative—thank him for the

### TODAY'S BIBLE VERSE

Every good gift and every perfect gift is from above and cometh down from the Father of lights, James 1:17.

We take God's gifts as matter of course, The air we breathe, the water we drink, the sunlight, the fertile soil, the fabulous treasures of the sea and land, friendships, and peace on earth, an abounding faith and hope.

## Herlong Reports

Once again I submit to you in the form of a questionnaire a list of the major legislative items on which Congress is scheduled to act this session.

While as your Congressman I will use my best judgment in voting, I do think it is important that I know your thinking on these questions.

I will appreciate it if you will give a few minutes of your time to answer the questions and mail to me, Congressman Syd Herlong Jr., 1506 New House Office Building, Washington, D. C.

The questionnaire follows:

1. Do you favor Federal aid

### Medical Diary Helpful

By HERMAN H. BURNHISEN, M.D.

DIARIES make interesting reading. And sometimes they can be extremely valuable to a physician when he is seeking the cause of a particular illness.

In severe cases, your doctor might also recommend rectal suppositories of a combination of caffeine and ergotamine tartrate. If the youngster has any trouble with his eyes, ears, nose or throat, these, of course, should be corrected.

**Parental Pressure**

There's something else you parents can do, too. If your child has migraine headaches you may be exerting too much parental pressure on him. Frequently, this is the case. Don't be too demanding in his school work.

And don't, above all, insist that he carry on a full schedule of activities such as music lessons and the like outside of school if he suffers from migraine. After all, a child can do only so much.

**QUESTION AND ANSWER**  
M. H.: What can be done to decrease or remove a double chin?

Answer: A general loss in weight might be helpful. If the weight is normal, plastic surgery might be necessary to overcome the condition. As a general rule, massage is not of much value.

good things he does.

In order for your Congressman to know how the entire community feels in regards to the possibilities of the Naval Air Station, Sixth District, letters should be filling the mailbags for the Nation's capital.

It is every citizen's business where such an establishment is located, especially where a location, such as the one selected by the Navy here in our community, meets many and more of the requirements set down by the criteria originated for a base of such magnitude and importance.

As a suggestion, it is important that those who write letters to their Congressman point out especially that the weather in the Sanford area permits the year 'round operation, day by day, of a base situated in the Sanford-Seminole county area.

There are hundreds of reasons why the proposed Naval Air Station should be located here, and many of the local citizens have additional reasons which will serve as an impact upon those who read such messages from their constituents.

Tomorrow, each businessman in Sanford and Seminole County should make it a MUST to dictate a letter to their three Congressmen expressing their views about the location of the Naval Air Station, Sixth District. Tonight, each housewife should take time out from her many duties to express her views regarding the proposed base. Even the High School Students of the county could express themselves, for they are the future citizens of the immediate decade onto whose shoulders many of the community's problems will be heaped.

Letters are important now, especially letters to your Congressmen regarding your views on the location of the proposed Naval Air Station.

### Profitless Industry

Back in 1948, Labor's Monthly Survey, an AFL publication, said: "Living standards do not rise by any magic formula. They can rise only when workers produce more per hour and per year of work."

In the same year, a resolution of the Executive Council of the AFL said: "We have learned the lesson that when opportunities for profit diminish, opportunities for jobs likewise disappear."

Some labor leaders and groups seem to have forgotten these truisms. It is time they remembered. Increased wages without increased production result in price inflation which often more than destroys the alleged gains. Profitless industry means stagnant, retrogressive industry—and ultimately, depression, unemployment, and wide-spread misery.

Directors of Internal Revenue in some regions have been apologizing for unavoidable delay in mailing out income tax forms. Apologies are unnecessary except to a few unduly hopeful citizens who might have formed the idea they were not going to be invited to participate this year.

One thing about those television quiz programs with big money prizes is that they have at least taken the give-away label from the federal government and returned it to private industry.

000,000,000,000.

Operation of all other government agencies, including Veterans Administration and payment of veterans' benefits, etc.—\$16,900,000,000.

Interest on the national debt (this amount is fixed and cannot be changed)—\$7,460,000,000.

Administration and contingency allowances—\$2,300,000,000.

TOTAL—\$71,800,000,000.

Do you think the Congress should reduce these expenditures below the President's request above state? Yes—No—

If so, please list which items you think should be cut first and which should be cut last, bearing in mind that the interest on the national debt cannot be cut.

4. The Taft-Hartley law prohibits the closed shop. (A closed shop is one where a person cannot work unless he is a member of the union). Do you believe this law should be amended so as to permit closed shops? Yes—No—

5. Do you favor a higher rate of interest on Veterans Administration and Federal Housing Administration mortgages in an effort to make more money available for home construction? Yes—No—

6. Do you favor liberalizing immigration laws so as to increase the number of immigrants who can come into this country? Yes—No—

7. Do you favor special legislation to grant permanent status to the 25,000 carefully screened Hungarians who are now in this country on temporary permits? Yes—No—

8. Do you favor an increase in postal rates on mailed matter that is not paying its own way in an effort to decrease the Post Office Department's annual deficit of some \$600,000,000? Yes—No—

9. Do you favor the Eisenhower proposal to extend the minimum wage law to other industries including retail stores and service establishments? Yes—No—

## Inside Washington

WASHINGTON—Capital circles are convinced that Gen. Alfred Gruenther is in line for a post in President Eisenhower's cabinet, but no one is saying what position he will get.

The recently retired Allied supreme commander in Europe is now the new president of the American Red Cross but he's likely to hold that job only until he finds a place for him in the cabinet.

There were rumors that Gruenther was being groomed to succeed John Foster Dulles as secretary of state but the selection of former Massachusetts Gov. Christian Herter as undersecretary has cooled off these reports.

It is believed that Herter took the number two post in the State Department with the understanding that he would move up to the cabinet post when, and if, the tiring Dulles quits.

The best bet for Gruenther now probably is the Defense department. Defense Secretary Charles E. Wilson reportedly wants to retire to private life and the opening would be a logical one for Gruenther.

**NEWEST NATIONAL PARK?** Uncle Sam is anxious to put his newest national park into shape for tourists. The latest acquisition is the Virgin Islands National Park on the Caribbean island of St. John. This small island, about the size of Bermuda, is a green-clad mountain top rimmed with white sand beaches and blue-green waters. St. John has a total population of about 800 and has remained largely undeveloped since the days when the great Danish sugar plantations traced its hills.

The National Park service has a long range development plan for the island, which calls for adequate docking facilities, a visitor's center, improved roads, campgrounds, public beaches and the restoration of old fort ruins.

## Quotes From News

By UNITED PRESS

NEW YORK: Abba Eban, Israeli ambassador to the United States, on his country's refusal to withdraw troops from Egyptian territory:

"Israel is seeking not to annex an inch of anybody's territory, but only is seeking to strengthen her own security."

WASHINGTON: Senate Democratic Leader Lyndon B. Johnson told the Senate the revised version of President Eisenhower's Middle East doctrine: "... serves notice to the Communist world that they are opposed not just by one man or just one branch of government."

NEW YORK: New York Yankee General Manager George Weiss, on acquiring pitcher Art Ditmar from the Kansas City Athletics in a 13-man trade:

"He has looked good for two or three innings. Our big park should help him, too."

RIO DE JANEIRO: An office worker commenting on the collapse of an 11-story office building into a heap of rubble in which at least 22 persons were injured and several others were feared dead or missing:

"It was the worst thing I've seen in my life. Nothing in the movies could compare with it."

WASHINGTON: Mrs. Eisenhower on returning to Washington in the midst of a drifting rain with the President from their Thomasville, Ga., vacation:

"It doesn't look much like the Sunny South."

WASHINGTON, Maj. Gen. Roy A. Green, commander of the 49th National Guard Division, endorsing the Army's order requiring six months active duty for all Guard recruits:

"The day is gone when any luncheon can have a rifle shoved into his hand and some officer can march out in front, wave a saber and say 'charge.'"

## Convincing Case Needed For Probe

By LYLE C. WILSON

United Press Staff Correspondent  
WASHINGTON 67—The Taft-Hartley controversy over the partisan hump into the field of the general election will require the most dedicated self control by Senate investigators. If the line of inquiry tends to whitewash evil practices or, on the contrary, to bully and bedevil labor witnesses, one large body of public and congressional opinion or the other will be offended and the opportunity for an orderly and convincing presentation of the facts will blow out the window along with all chance of remedial legislation, if such proves to be needed.

All is the responsibility of the committee. Its beginnings are not reassuring. The Senate investigators comprise a special committee born of a contest between two standing committees for the authority to conduct an inquiry assured of the blessing of maximum publicity and public attention. It might even win television rank.

The investigation in which Beck will star is in an area likely to reward painstaking spade work. The area to be covered embraces the financial affairs of organized labor with special emphasis on racketeering and embezzlement of union funds.

Big headlines and big news are the least to be expected from the Senate inquiry. Or a careful and orderly investigation might show that there was nothing rotten in the administration of union treasuries. That also would be a maximum expectation, although improbable, result of the inquiry now about to begin.

**Convincing Case Necessary**  
The point is this: The circumstances under which the inquiry finally is offered to determine whether or not a real opportunity to the public satisfaction either that union funds are honestly administered or that the administration is dishonest and in need of legislative correction.

By legislative correction is meant amendment of the Taft-Hartley Law to impose on the administrators of union funds such regulations as the Senate investigation may tend to show are necessary. A solid and convincing case for such amendment of the Taft-Hartley Law must be made before Congress will act.

The desirability of amending Taft-Hartley has been conceded by now all around, including a concession embracing a score of amendments favored by the late Sen. Robert A. Taft. Taft-Hartley, however, has become so bogged in partisan politics and charges of slave-labor objectives that amending efforts have been stymied so far before they began.

Partisan Hump an Obstacle

To lift the Taft-Hartley controversy over the partisan hump into the field of the general election will require the most dedicated self control by Senate investigators. If the line of inquiry tends to whitewash evil practices or, on the contrary, to bully and bedevil labor witnesses, one large body of public and congressional opinion or the other will be offended and the opportunity for an orderly and convincing presentation of the facts will blow out the window along with all chance of remedial legislation, if such proves to be needed.

All is the responsibility of the committee. Its beginnings are not reassuring. RICHMOND, Va. 67—A museum director's plan to bathe a famous statue of George Washington in colored lights and adorn it with tropical plants stirred up a torrent of protest today among the ladies and gentlemen of Virginia's historical societies.

"You're trying to sully the father of our country," wrote one indignant son of the Old Dominion.

"Washington would have wanted no such fripperies," cried John D. Guthrie of Charlotte Court House in a letter to a Richmond newspaper.

Virginia Museum Director Leslie Cheek Jr. and his followers were weathering the storm nicely and going right ahead with their objective of "modernizing" the Washington statue by Houson, the only existing sculptured likeness of the first President made from life.

"It would improve the statue's looks for the 350th Jamestown anniversary celebration this year," said Cheek.

On this eve of the 225th anniversary of Washington's birth, the

facts will blow out the window along with all chance of remedial legislation, if such proves to be needed.

## Conring The News

BY VIRGINIA CONN

This was the kind of day to stay at home with a good book and listen to the rain tapping on the windows. It has been so long since it has rained that I have lost my raincoat, and jettisoned the children's rubbers. But how do we spend these peaceful rainy days made for mending reading and letter writing. A goodly number of us went to the luncheon at the Mayfair Inn given by the Women's Auxiliary of the Seminole Memorial Hospital.

The lunch was delicious, and the company excellent, so we really can't complain if our feet got wet. The head table was enhanced by the presence of Harry Weir and Hart Peterson, to relieve the feminine atmosphere.

But as these two gentlemen presented pins and silver plates to the Auxiliary ladies for their many hours of service, I couldn't help but compare these same girls, who two weeks ago romped through the Shed A Tenor chorus in the High Fever Folies, with the well-groomed and dignified assemblage who proudly received their rewards. It was good to see all of them again. We became very close as we worked on the Folies together. Since the Auxiliary voted to have it again next year, I guess there will be plenty of opportunity. Camy Bruce and I are putting in our bid for the same parts next year in it (or comparable).

To get back to the luncheon, it

**MONDAY**  
There will be a meeting of the Sanford Story League Feb. 25 at 8 p. m. in the Episcopal Parish house. Mrs. Lucianne Robison will direct the program and the theme will be "Candles for Courage".

## Dorcas Class Holds Meet Tuesday Eve After Services

The Dorcas Class of the First Baptist Church held its monthly meeting Tuesday night. The class met with their teacher, Mrs. W. D. Gardiner, and attended services at the church before the meeting.

The business meeting was held in the Educational Building and Mrs. Ray Murray, Mrs. Agnes Lauderdale, Mrs. Edward Smith acted as hostess. Mrs. J. L. Hobby presided and Mrs. W. D. Gardiner gave the devotional, following this a social hour was held.

Members present were: Mrs. W. D. Gardiner, Mrs. W. L. Crabtree, Mrs. John Fuller, Mrs. E. C. Campbell, Mrs. C. W. Ergle, Mrs. Michael Thomas, Mrs. John Cullum, Mrs. Ned Moore, Mrs. J. L. Hobby, Mrs. R. A. Cohen, Mrs. A. Thomas, Mrs. J. E. Andrews, and Mrs. W. W. Horne.

## Mrs. J. Wright Entertains Class Meeting Monday

Mrs. James Wright entertained the Dependable Class of the First Methodist Church, Monday evening, in her home.

Mrs. John Schirard Jr. presided over the business meeting. Monthly reports were given.

Mrs. C. L. Wallace used Mark 11:25 as a topic for devotion. Following the talk a market basket sale was held.

Refreshments were served to Mrs. John Schirard Jr., Mrs. M. H. Wyatt, Mrs. A. Esterson, Mrs. A. L. Skinner, Mrs. T. H. Lansing, Mrs. Cyril Butler, Mrs. Sam Murphy, Mrs. V. L. Smith, Mrs. Jack Haderer, Mrs. C. L. Wallace and Mrs. J. Stindl. Mrs. Stindl was a guest.

## Film Seen Tuesday On Mental Health

Tuesday at 8 p. m. the American Home Department of the Sanford Women's Club held its regular meeting. Mrs. Sidney Ives III presented a program on "Mental Health Experiences in Youth". She gave a short talk in connection with the film, later shown, "Preface to A Life". Mrs. Ives was introduced by Mrs. Robert Karn.

The Department voted to set up a fund for the youth program when the Civic Center is completed. One hundred and five dollars of the money netted from the fashion show was set aside. They also voted to contribute \$100 to the general club fund.

Officers for 1957-58 are: Mrs. J. P. Wilson, chairman, Mrs. W. L. Kirk, vice chairman, Mrs. Robert Karn, secretary, Mrs. Colin Hires, finance chairman, Mrs. William Stempert, membership, and Mrs. Roger Harris, program chairman.

Refreshments were served by the following hostesses: Mrs. Lamar Echols, Miss Barbara Ruprecht, Mrs. J. P. Wilson, and Mrs. G. A. Sweeney.

Guests included: Mrs. James Ekers, Mrs. F. E. Breckenridge, Mrs. Joe Corley, Mrs. J. D. Carleton, Mrs. W. C. Hires, Mrs. Sidney Ives III, Mrs. Robert Karn, Mrs. W. L. Kirk, Mrs. F. T. Meriwether, Mrs. S. J. Nix, Mrs. Theo Pate, Mrs. Willie Peacock, Mrs. R. A. Smith, Mrs. E. A. Monforton, Mrs. Jack Stempert, Mrs. W. H. Stempert, Mrs. Earl Van Fleet, Mrs. George Wells, Mrs. Alfred Chiles, Mrs. Irving Pryor, Mrs. G. A. Sweeney, Miss Barbara Ruprecht, Mrs. Lamar Echols, and Mrs. J. P. Wilson.

Hatchets and bunches of cherries decorated each table, signifying Washington's Birthday. Arrangements of red gladioli and flags were also placed at various places in the building.

## Check For Orthopedic Table Presented At Auxiliary Luncheon

The Women's Auxiliary of the Seminole Memorial Hospital met yesterday for a luncheon in the ballroom of the Mayfair Inn. The luncheon began with an invocation by Mrs. Charles Cole. Mrs. A. W. Epps Sr. introduced Mrs. Harry Weir, hospital administrator. Mr. Weir expressed his appreciation for the terrific job the Auxiliary did with the High Fever Folies. A. B. Peterson Sr. read an open letter from the Joint Commission on Accreditation of Hospitals.

The high light of the program came when he presented the members of the auxiliary with special award pins and plates of sterling silver. The plates were inscribed with the member's name and a sentence of appreciation of meritorious service in the Auxiliary. The luncheon also honored the Navy wives for their part in the High Fever Folies.

Responsible for the beautiful and unique decorations were: Mrs. George Hardin, Mrs. R. N. Blackwelder, and Mrs. W. Kirchhoff. Arrangements of Cherry red gladioli and miniature airplanes brightened each table. Cherry red by the way is the Auxiliary color. The airplanes symbolized the presence of the Navy wives.

Mrs. Epps then introduced J. Marion Harman, executive editor of The Sanford Herald and Whitey McMillen, news bureau representative of the Orlando Sentinel and praised them for their work in the Folies.

After the luncheon Mr. Peterson was presented with a check for \$222.62 to purchase an orthopedic table for the hospital. The money, of course, came from the

## Mrs. C. W. Ergle Entertains Class At Chapel Tuesday

Mrs. C. W. Ergle entertained members of her Junior Sunday School class of Elder Springs Baptist Chapel with a social Tuesday afternoon from 4 to 5:30, at the chapel.

The children enjoyed a softball game outside and then played a number of indoor games.

Refreshments of cake, candy hearts and cokes were served. Present were: Donna Soderblom, Ray Bennett, Faye Dunnaway, Mary Tedrow, David Butler, Linda Soderblom, Edwin Butler, Danny Lane and Danny Dunnaway.

Miss Hilda Ergle assisted Mrs. C. W. Ergle.

## Woman's Club Has Combined Meeting

The combined meeting of the Civic Dept. and the Fine Arts Dept. of the Sanford Women's Club was held yesterday in the Women's Club building.

The chairman, Mrs. S. J. Nix opened the meeting by introducing a solo by Mrs. William Lockhart. Mrs. Lockhart sang "The Green Cathedral" and "It's a Grand Night for Singing" accompanied by Mrs. N. V. Farmer.

The invocation was given and luncheon was served following the luncheon Mrs. J. N. Gillon read the "Collect for Club Women." Followed by a period of silent prayer.

A lovely tribute was paid to the late Mrs. S. D. Highleyman by the chairman. Guests were then introduced by members. They included Mrs. Lydia Stall, Mrs. Warren of Atlanta, Mrs. Honeywell, Mrs. Butler, Mrs. Raymond Scott of Mich., Mrs. Don Brooks and Mrs. William Lockhart.

Mrs. Roy Tillis sponsored a panel discussion, "Our Winter Visitors". She presented Don Brooks, chairman of the Sanford Tourist Club and presented the panel. Mrs. Simpson was panel moderator. Other members included, Mrs. Leo Woodard, Mrs. Murray, Mrs. Bledsoe and Mrs. Coomes.

When asked how they happened to come to Sanford they replied with a variety of reasons. Some were the site of the town, friendly atmosphere, excellent churches, stores, and hospital, and location on a lake and river. Two of their pet peeves were "dogs running loose on the streets and the condition of some of the streets."

The Civic Department closed its program with a song.

Chairman Mrs. George Wells presided over the Fine Arts Dept.'s program and opened with a prayer. She introduced Mrs. J. N. Gillon, sponsor of the Bible Program. Mrs. R. C. Moore sang "Home Sweet Home" by John Howard Payne.

Mrs. Gillon presented Mrs. Victor Green who gave a talk on "The Christian Home." Reference to portions of a home was prefaced by a Biblical quotation. She stressed faith, prayer, consecration, love, confession, fellowship, and co-operation of home and church.

Mrs. Wells ended the program with a prayer and Mrs. Joe Corley sang "God Bless This House." A market basket sale brought the meeting to a close.

About 50 were present.

The decoration theme was a patriotic one. Flags and arrangements of red flowers were placed on the tables.

## Royal Ambassadors Pass Page Step

Sunday afternoon at 2:30 p. m. five Junior Royal Ambassadors passed their "Page" step. They were quizzed by a review board made-up of: Rev. and Mrs. J. W. Parham, Mr. Eddie Keith, Mr. John Grantham, Mr. Walter Brown and Earl Benton.

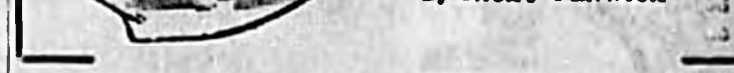

Those passing the test were: Junior Spears, Danny Hayes, Paul Keith, Clifton Brown and Johnny Ray.

Approximately one hundred were present at the luncheon. The Auxiliary held a short meeting in the Television Room before the luncheon to discuss its next project. The Board of Trustees recommended they purchase a formula refrigerator and bottle washer for the nursery. This was voted on and approved.

A special tribute was paid Mrs. R. N. Blackwelder, co-ordinator for her services.

## Now Hear This!

By JACKY FENWICK

Greetings and salutations from your new "Now Hear This" reporter. In the weeks to come I hope I'll be able to keep up the good work that Betty O'Connor and Irene Dulek have been doing. I'm going to need all the cooperation I can get, so before I really get "under way", I'm appealing to anyone who has any interest in this column to let me know anything that might be of interest to our reader's. You can contact me at 1766-R, or call 846-J, or 947-XM.

There were a lot of us who were disappointed at not having the renovations at the E. M. Club completed in time for our Valentine's Day dance, but we know a few couples who enjoyed an evening out regardless. Bob and Diane Lanier, Joanne and Don Fletschman, and Bill and Alice Pulver, all headed for "Jean's" in Orange City, for a delicious Italian dinner.

Sunday guests at the new home of Mr. and Mrs. Harry Almond, of 2515 Sanford Ave., were Mr. and Mrs. Jesse Cunningham of Longwood. Mr. Cunningham is the former mayor of that town.

A big part of the enormous crowd that turned out for the boat races on Lake Monroe, last Sunday were SNAS families. I saw just about everyone I know. (Well, practically!) Outside of a few wet shoes and a slight touch of sunburn, I really enjoyed myself and I'm sure everyone else did too. Hope we can have it as an annual affair.

The Enlisted Men's Wives Club has added two new members to its fold. To be more exact, one new and one old. Mrs. Rhoda Adino was a member during her husband's last tour of duty in Sanford, and we're happy to have her back. Our brand new member is Mrs. Beverly Yaw.

Remember, if you have any information for this column please call 1766-R, 846-J, or 947-XM.

## Sweetheart Theme Used At Banquet

On Saturday night, Feb. 16th, the Intermediate and Young People's Training Unions held their annual Sweetheart Banquet in the church dining room. The theme, "Enchanted Garden of Love," was carried out beautifully. The room was decorated with fern entwined with pink and yellow flowers, with white candles on the tables.

Following the banquet, a program of entertainment was presented. The Master of Ceremonies for the affair was Earl Benton. The climax of the banquet was the crowning of the "King and Queen of Hearts". Chosen by the 8-point record system, the queen was Miss Joyce Ann Benton and the king, Johnny Yeackle. They were crowned by Miss Betty Spears, last year's reigning queen.

Rev. Bill Brown, Pastor of the Lake Monroe Baptist Church, gave an inspirational talk on the subject of "Love".

Those present for the gala affair were: the Rev. J. W. Parham, the Rev. Bill Brown, John Grantham, Walter Brown, Miss Eva Spears, Terry Trooper, Earl Benton, Miss Lydia Yeackle, Miss Connie Brown, Herman Cantrell, Miss Joyce Ann Benton, Miss Jeanette Brown, Johnny Yeackle, Bruce McCoy, Miss Betty Spears, Miss Linda Spears, Miss Winnell Messer, George Dillard, Miss Jeanette Hasboun, Miss Sandra Anderson, and Jerry Dillard.

Mr. Galt and Mr. Gatchel revealed the special services now offered in Seminole County to help the teachers and principles and said that it will help the community as a whole.

Mrs. Galt and Mr. Gatchel revealed the special services now offered in Seminole County to help the teachers and principles and said that it will help the community as a whole.

Mrs. Galt and Mr. Gatchel revealed the special services now offered in Seminole County to help the teachers and principles and said that it will help the community as a whole.

The next county council meeting will be April 17 at 10 a. m. Seminole High School has charge of the refreshments.

# The Sanford Herald SPORTS

WILD BILL TENNEY, multi-millionaire playboy who became famous in big time boat racing because of his more than daredevil attitude while riding the waves, is shown above as he appeared in the first annual Sanford Outboard Regatta last Sunday. Tenney had a bad day because the course was so rough that he couldn't open up his "hopped-up" motors. (Staff Photo)

## Vital Practices Are Called Off By 'Crippling Weather'

With time running out before the season opener in track and baseball the Sanford Seminoles were forced to call off vital practices

### 1957 Football Captains To Be Told At Banquet

GAINESVILLE — Announcement of the University of Florida football captain or captains for 1957 will highlight the annual football banquet to be held here Thursday at 7:00 P. M. in the Student Service Center.

Prior to the banquet the football team not only will decide on its captain, but will also vote on the senior player it considered the most valuable during the 1956 season.

Other announcements to be made during the banquet are the names of the 1956 lettermen and the winner of the Walter J. Mathew Award, which is given to the letterman football player who achieved the highest scholastic record during the fall semester.

Head Coach and Athletic Director Bob Woodruff also revealed Ocala attorney and captain of the 1949 Florida team, will be master of ceremonies.

As previously announced, the principal address will be given by Dr. John J. Tigert, President Emeritus of the University of Florida, a well known figure in the world of collegiate sports. Invited to be on hand to present Dr. Tigert will be Zipp Newman, veteran sports editor of the Birmingham News. Newman has closely followed Dr. Tigert during his tenure as University of Florida President when he was also active in important progress made by the Southeastern Conference.

yesterday afternoon due to what the mentors called "crippling weather."

A steady drizzle, which fell most of the day, reduced the practice field to virtual mud-holes and the SHS sports activities, with the exception of basketball, had to be called off.

Both baseball mentor Dave Laude and track mentor Fred Ganas voiced alarm at the indication of drizzly weather for the next day or so.

"With only three weeks to go before we open up against Winter Park we will be hurt badly if the next day or so."

### Jr. High Cagers Await Tournament

Howard Gordie, basketball mentor for Sanford Junior High School, who led his charges to an impressive 10-2 record this season, had the sad responsibility of collecting basketball uniforms from his varsity cagers this morning.

Gordie, whose charges beat the only two teams who topped him in later engagements, said that all he was collecting was game uniforms, but even that was sad. "We don't have a game until the tournament begins," he remarked. "and the boys don't want to quit beating all these other teams in this area."

Gordie said he would continue stiff workouts with his charges to assure that they would be in top form for the tournament.

The Sanford Juniors had a long moral boost early in the week when they were awarded sports jackets. The jackets, dark blue with gold trim, are made of nylon with a sheer finish and have "Sanford Junior High" proudly written across the backs.

this weather keeps up," Laude said last night. "We are short on experience, we are not in condition, and we need a lot of time to work on team unity. Every day that practice is interrupted means that we have lost the equivalent of three days. One day off means that the schedule is upset; it means that we must double back and refresh what we learned the day before, and it breaks the consistency that is so vital to good team functioning."

Ganas voiced a similar alarm. "In track, where top physical conditioning is a must, a day off means a set-back that is hard to overcome. If we had a lot of time ahead of us to get into shape we wouldn't mind so much. But now, well, we just can't afford not to practice and we can't afford to send the boys out in the rain."

Baseball season gets underway March 16 with a home game at night in Memorial Stadium against Winter Park.

Track season begins three days before, March 13, in DeLand with a three school meet of 15 events that will involve DeLand, Sanford, and Eustis.

Laude, who will begin his baseball coaching career at SHS with a major portion of juniors, voiced great optimism for his prospects. "We have a group of seniors to lead the squad this year that will keep us in competition and at the same time make the junior material a good example to follow, as they pick up a lot of game experience," he said. "We will have mostly juniors on the team, but still will have enough senior stock to use for a building nucleus."

Ganas, on the other hand, faces an almost new sport for the Seminoles athletic program. Last year he initiated the program with a very limited schedule and a short season. His charges finished the season with enthusiasm and wanted it to be extended.

This year Ganas has expanded the season and will participate in all 15 track season events at every meet.

Track is attracting a lot of students who aspire to excel in other sports, especially football. In track the boys get in the best of physical conditioning and often double their running speed. The average increase in speed for a sportster is about 20 per cent.

"We have had need for an extensive track program here for years," Ganas said. "It has been in the planning stage and finally we are realizing our dream. The good it does a young, building body is almost immeasurable." Ganas said the new emphasis on minor sports was a welcome sign for the athletic staff of the school. "We have to work a lot harder to promote the program," he said "but as time goes on and these boys are subjected to good physical conditioning for more and more of the school year, they fill out and in the end we have

## Hebert To Play In \$15,000 Pensacola Open

Jay Hebert, Sanford Golf Playing Pro for the New York Giants Mayfair Inn, yesterday sent his entry to play in the second annual \$15,000 Pensacola Open Golf Tournament to be held March 7-11 at the beautiful Pensacola Country Club overlooking the Gulf of Mexico.

The tournament this year has entered into the contract with the PGA for the additional \$2,000 under the TTT (Ten Top Tourney Players) which is helping to create crowds for the sponsors.

Hebert, presently leading PGA money winner in the nation after capturing the Bing Crosby Invitational and Texas Open, is not in Houston participating in the Houston Invitational Open. He will return to Florida next month for the Pensacola Open and attempt to nose out last year's winner, Don Fairfield, of Casey, Illinois, who will be there defending his title against such other golf greats as Dow Finsterwald, Gene Littler, Ed Furgol, Doug Ford, and many others.

## Today's Sport Parade

By OSCAR FRALEY

United Press Sports Writer NEW YORK (AP) — Richard Pancho Gonzales, for two straight years the world's best tennis player, had to rate himself today as the paddle pat of all time.

It's all a matter of money. And, while Pancho has been the boss of the professional courts, two erstwhile amateurs named Tony Trabert and Ken Rosewall have picked up most of the financial marbles.

As example, Gonzales, received his big payoff of \$65,000 when he turned pro in 1949 after winning two U. S. Amateur titles. Since then he has had the peanut end of the deal.

Jack Kramer was the pro boss at that time but he had a little something extra going for him. He was the promoter as well as the pro champ, and he proved that latter part, too, by dusting off Pancho, 36 matches to 27.

The next year, Gonzales was only an "also" member of the troupe and his payoff was a mere \$15,000. He was so disgusted that he stepped out of the tour for three years. During this time he worked on his game while working in a gas station, selling tennis

supplies and finally going to Europe on tour.

His game strengthened, he returned in 1954 and won a round robin playoff against Pancho Segura and Frank Sedgman. All he earned was \$15,000.

In the 1955-56 era, Trabert cleaned up all the amateur titles and turned pro—for a fat \$80,000. Gonzales ruined him, defeating Tony 14 matches to 27 on their tour. But his end was a mere \$17,000.

New Tour Underway Now a new tour is underway with Rosewall, the U. S. champion from Australia as the new box office lure. He did all right, too, with a \$65,000 guarantee and 25 per cent of the gross above \$325,000.

They got underway in Australia and Gonzales indicated that he was going to remain the champion by winning seven of the first 11 matches. His end will be \$25,000 or 25 per cent of the gate.

"I'm going to win this series, too," Gonzales asserted. "But, honestly, it looks tougher than against Trabert."

Pancho is admittedly "worried" but adds "I always worry about my opponents." But what worries him most is how he can ever get around to earning the top slice which goes to the erstwhile amateurs he knocks off so easily.

G. W. TAYLOR, the only racer to give Bud Wiget tough competition during Sunday's first annual Sanford Outboard Regatta, is shown above as his motor cut out on one cylinder due to spray flying in the racing course. With less than two minutes before the race started, Taylor came back to the pits, changed motors, warmed up, and won the heat. (Staff Photo)

## Seminole Make Good Showing Last Night In Benefit Game Against NSB

Basketball coach Bud Laver laid laurels at the feet of his charges this morning for their showing during the Sanford Elks Club benefit engagement with New Smyrna Beach last Thursday night in the SHS gym.

Laver implied that the showing would have been much better at the end of the game had the boys not been prompted by "forces beyond a coach's control" to get themselves, hence the control of themselves, hence the control of the game.

"When a team feels that they are being done an injustice they just don't play the deliberate type ball that they do under favorable conditions. For some teams it's an advantage—it was for New Smyrna Beach—but for others, especially teams that are inexperienced like we are, it is a disadvantage because we can't match an experienced team basket for basket in a wide open game."

The New Smyrna Beach Barracudas, who have compiled an impressive 12-7 season record, outmanned the Seminoles, had more experience than the Seminoles and had a decisive advantage of height over the Seminoles, yet the Seminoles led for the first quarter and were trailing by only two points at the half, and then it still looked like the Seminoles were on the upset road.

But in the second half the Seminoles were aggravated—and so were the fans—with the result that the Seminoles lost control of themselves and the ball game.

"I think it will be a different story tomorrow night when we close out the regular season against Cocoa on our own courts, though," mentor Laver said. "We have worked hard this season and we have learned a lot. It would do the boys a lot of good if they could redeem themselves of their first beating at the hands of the Cocoa Tigers."

Laver said that his charges were not at full strength for the NSB game last Tuesday as was anticipated. A last minute recurrence of bronchitis benched the Seminole tall man Claude Hittell. "We think he'll still be able to see action tomorrow night," Laver said.

JV mentor Dick Silvers said he was pleased with the spirit of the JVs. "We couldn't have beat that New Smyrna Beach bunch if the boys hadn't had the desire to win. They had to disregard the tremendous disadvantage they had

in height, weight, age, and experience in order to win the game. Everybody is proud of them and we think that they will come through for us again tomorrow night for the close of the season."

Game time for the JV battle is tomorrow night at 7 p. m. in the Seminole High School auditorium gym. Varsity action begins at 8 p. m.

supplies and finally going to Europe on tour.

## Additional Society

### Personals

Here for the winter months from Barnstable, Mass. is Mrs. G. E. Baldwin. She is staying with Mr. and Mrs. Robert Cox.

Mr. and Mrs. Raubin O'Donoghue from Passaic, N. J., are happy to report today that his condition has improved. The O'Donoghues are staying with Mrs. Harper.

Mr. and Mrs. J. H. Truluck have as their guest Mrs. Truluck's sister, Mrs. Ida T. McCullum arrived Monday from Orlando, Fla.

Mrs. W. E. Kirschhoff was called to Wilson, N. Y., yesterday because of the death of her mother, Mrs. Daniel Campbell.

Home for the weekend from Southern University were Harriett Redding and suite mates, Jan Northard, Leslie Mash, and Nancy Downman. Harriett is the daughter of Mr. and Mrs. C. L. Redding.

Mrs. Joe Barnes of Adairville, Ky., arrived Sunday to spend the remainder of the winter in Sanford.

House guests this week of Mr. and Mrs. W. D. Stine are Mrs. Rita Gibson and Miss Francis Wallace from Springfield, Mo.

### Senators Manager To Present Derby Trophy On Friday

LONGWOOD—Charlie Dressen, manager of the Washington Senators, will present the Derby Trophy following the 22nd renewal of the Central Florida Classic Friday night at the Sanford-Orlando Kannel Club.

Ed Deacon Jones, who now boasts 14 victories, is a heavy favorite to win the major event of the season which is scheduled over the three-eighths mile in the Ninth Race Friday.

J. M. Edwards, the season's master, and owners of the seven other horses start in the derby are eager for the honor of receiving the coveted trophy from Dressen, one of the most respected skipper in baseball.

### Scouts Observe 50th Year Today

NEW BRUNSWICK, N. J. (AP)—The Boy Scouts of America joined scouts of 48 other nations today in observance of the 50th anniversary of world scouting and the 100th anniversary of the birth of its founder, Lord Robert B. Baden-Powell.

The BSA National Council here said Wednesday the memory of the founder of the Boy Scouts will be honored all this year at meetings and special functions.

The Baden-Powell centenary and the 50th anniversary of world scouting, will gather 35,000 scouts and leaders from many nations at Sutton Park, Warwickshire, England, Aug. 1-12.

The 4,824,302 Boy Scouts of America will be represented by 1,600 scouts and leaders who will first camp together at the fourth national jamboree at Valley Forge, Pa., July 12-18.

PRINCE MASHUR finds the refreshments worth a finger-lick (top) at a children's party in the Saudi Arabian Embassy, Washington. The three-year-old son of King Saud found the affair the high spot of his visit to the United States and enthusiastically greeted his approval (bottom) on a born. (International)

### Ethel Root Circle Plans Smorgasbord At Church Mar. 16

By GRACE THURSTON  
The Ethel Root Circle of the Congregational Christian Church met early this week at the home of Mrs. W. Billingsley on Willow Ave.

A project to get some kitchen utensils for the Southern Union College Wadley, Ala., was discussed.

Plans were made to have a smorgasbord supper at the church March 16 with the public invited to attend.

Mrs. H. Harbat and Hubert Thurston are co-chairmen of the affair.

Delicious refreshments of cake, ice cream, coffee and toasted pecans were served by the hostess.

### Plumber Ends Up In Hot Water

DALLAS, N. C. (AP)—Plumber Nelson Eldon found himself in hot water today because his elaborate home plumbing system did not hold water.

In fact, officers found that it held nothing but pure whiskey.

For some time officers had suspected that, in addition to his obvious flair for pipe-fitting, Eldon had other talents. Last year he was arrested for hiding whiskey in his fireplace.

When officers raided his home this week, one of them accidentally turned on the kitchen tap. Whiskey came out and kept coming. The officers followed copper tubing from the kitchen sink to a 42-gallon tank in the back yard.

Eldon was released under \$500 bond on charges of violating the liquor laws.

Seminole County on the scene to check all details concerning the proposed new base to be established in this area.

It was pointed out yesterday that the funds are urgently needed and all contributors are urged to send their checks to the Chamber of Commerce as quickly as possible.

Again today, The Sanford Herald is printing, along with this news release, the pledge which may be filled out for any amount and forwarded to the Seminole County Chamber of Commerce, Sanford.

### Alert

(Continued From Page 1)  
Identified the escaped convicts as: Gordon Benjamin, 23 and Lloyd Estabrook, both of Haverhill, Mass., and William Singleton, 25, from Palm Beach, serving a term for breaking and entering. Benjamin and Estabrook had escaped from a prison at Lawrence, Mass., before being arrested and sentenced in Palm Beach earlier this month.

The three men are said to be armed with 12 revolvers.

Nothing has been reported of them since their escape.

### DAV

(Continued From Page 1)  
a normal way as possible and contribute his share to his country. By joining with the DAV he adds strength to the organization that is the official voice of disabled veterans—a voice that must be heard today to combat those short-sighted people who would undermine this nation's program of rehabilitation.

Generally speaking, American veterans who have been wounded, gassed, injured or disabled while serving in the armed forces of the United States in America's wars, are eligible for DAV membership. This eligibility includes, in addition to World War I veterans, those who have served in the armed forces at any time between December 7, 1911, and the conclusion of the Korean campaign.

Many out of State visitors are expected including several chartered buses from Pittsburgh, Pennsylvania, which are expected to arrive on Friday, February 22, about 10:30 a.m.

Everyone is welcome and the general public is invited to attend the Fifth Annual Slovak Day.

Occasion will be Dr. Alice Masaryk, well known for her works in humanitarian fields. She is the founder of the Czechoslovakian Red Cross and has been its Director and Chief for several years, during which time she distinguished herself by her illustrious humanitarian efforts. She is also the daughter of the former President Masaryk of Czechoslovakia.

Everyone is welcome and the general public is invited to attend the Fifth Annual Slovak Day.

### "Waiting" Is Easier If You Look Pretty

By HERMAN H. RUNDELSEN, M.D.

EXPECTANT mothers should maintain a continual happy and contented frame of mind.

Keeping up your appearance despite your expanding figure will help a great deal. Don't "let your self go" just because you're going to have a baby.

**Mental and Physical**  
While it's important to wear nice clothes because of the mental uplift they bring, it's just as important, from the physical aspect, to wear the proper clothing.

All clothing, of course, should be adequate for the weather. You've got to keep warm.

But no matter what the temperature, you should stay away from high heels, at least during your pregnancy. Heels no more than one and one-half inches in height are advised.

If the heels are higher, I think you'll find it difficult to stand. This is especially true in the final months of pregnancy with the rapidly changing weight balance.

A bad fall during pregnancy, or even a serious thing, can be a serious thing. It is also suggested that your abdominal rolled stockings and garter may also be present.

**QUESTION AND ANSWER**  
L. M. A.: What are the symptoms of menopause?

Answer: During menopause, or change of life, there are such symptoms as hot flashes, nervousness, and cessation of menstrual flow. Indigestion and disturbances in the circulation avoid rolled stockings and garter may also be present.

OPEN HOUSE WILL BE HELD Sunday afternoon from 1 to 5 p.m. at the New York Giants Farm System's dormitory on Mellonville Ave. next to the Sanford Memorial Baseball Stadium. Fully completed and equipped, the first contingent of baseball players will start arriving for Spring Training season about Mar. 1. Hundreds of Central Florida citizens are expected to take advantage of the conducted tours through the huge plant operated by the New York Giants. (Staff Photo)

## N. Y. Giants' Open House Sunday

### U. S. Stands Firm In Opposing More Israel Concessions

WASHINGTON — The United States stood firm today in its opposition to granting Israel any more concessions as a pre-condition for withdrawal of its troops from Egyptian territory.

"No chance," was the answer officials gave when asked whether the United States might change its stand.

Israeli Premier David Ben-Gurion Thursday rejected President Eisenhower's latest appeal for a withdrawal. But he said he hoped the "door to further discussions" with the United States was still open.

ROBERT S. RONAY, DOUGLAS AIRCRAFT Corp. Engineer assigned to the Air Force Missile Test Center at Patrick Air Force Base, spoke yesterday at the Jaycee luncheon meeting on "Project Vanguard." (Staff Photo)

### Dormitory To House Over 300

Local citizens will have an opportunity to see the New York Giant Farm System's dormitory building recently completed next to the Sanford Memorial Baseball Stadium at Celery Ave.

A formal open house is being held Sunday afternoon from 1 to 5 when the doors will be thrown open and the public taken on tours throughout the huge plant that will house more than 300 young baseball players who will be in Sanford for the Farm System's spring training season.

The dormitory building was opened for the first time last Wednesday when the Sanford Kiwanis Club held their weekly luncheon meeting in the dining room as guests of the New York Giants Farm System with Carl Hubbell, the Director and Frank Mohr, Jr., Manager of the Mayfair Inn serving as hosts.

John Krider, Manager of the Seminole County Chamber of Commerce and for many years directly connected with baseball, told the Kiwanis Club group "This is the first time that a major league club has made a solid investment in a community to train a baseball club."

The dormitory building is adjacent to the Sanford Memorial Baseball Stadium where not only the baseball diamond there will be used but also the Spring Training season but where additional baseball diamonds have been built to take care of the large number.

### Top News In Brief

WASHINGTON — A move to give the Air Force more money than President Eisenhower requested for the next fiscal year built up steam today in the Senate.

NEW YORK — An off-shoot in on-strike of 45,000 East Coast longshoremen ended today and union leaders said dock workers would return to work Saturday.

NEW YORK — Charles Bohlen, U.S. ambassador to the Soviet Union, arrived from Moscow today for "routine consultations" in Washington and indicated he soon may leave his post.

WASHINGTON — The Army turned thumbs down today on a proposed compromise in its battle for force National Guardsmen to take part in keeping the door open for further negotiations.

Israel appealed today to the world, and especially the United States, for "understanding" in its refusal to quit Egypt without guarantees. But it prepared for the worst.

### Weather

Partly cloudy and cool through Saturday; low tonight 64 to 55.

## Big Crowd Expected At Pioneer Night

The Lake Mary Chamber of Commerce Building is expected to be filled to capacity tomorrow night at 7:30 p. m. as the 32nd Annual Pioneer Night gets underway.

Frank Evans, originator of the annual event, will be on hand as he has for the 31 previous celebrations honoring folks over 60 years old who are living or visiting in Seminole and surrounding counties.

Seats will be reserved for all of those who are over 60 years old and all pioneers who register will be given a 32nd Annual Pioneer Night ribbon which entitles the holder to a free movie at the Ritz Theatre in Sanford.

A gala program has been arranged which will include the Triple Trio and the Mixed Ensemble of Seminole High School under the direction of Miss Ollie Reese Whittle.

Also appearing on the entertainment schedule are Michael Pope and Deanna Nichols of the Duxbury School of Dancing who will perform for the pioneers attending the annual celebration.

Transportation has been arranged for those who wish to attend. A bus will leave Magnolia Ave. and First Street at 6:45 p. m. Saturday evening. The route will be from Magnolia west on First St. to Park Ave. Out Park Ave. to 20th St. through Grapeville on Country Club Road, and

### W. J. Harrow Dies Wednesday

William J. Harrow, 64, of 2606 W. Watha Ave., died Wednesday at 1:15 at the Orange Memorial Hospital following an illness of several months.

Mr. Harrow came to Sanford one year ago from Boston, Mass. He is survived by his widow, Mrs. Edna Harrow; three daughters, Mrs. Lucile Hankard, Boston, Mass., Mrs. Virginia Mankiewicz, of Boston, and Mrs. Edna Maynard, Hialeahville, N. Y.; and one son, William DeLano, a career officer in the Air Force stationed in Paris, France.

Mr. Harrow was a member of the Benevolent and Protective Order of Elks and the Police Benevolent Association of Boston. He retired as a Detective Sergeant two years ago.

The remains will be sent to Boston, Mass. for funeral services. Frankow Funeral Home is in charge.

## Holland Urging Navy To Keep NAS In Area

### Rotarians Hold Indoctrination Here Last Night

Three of the newest members of the Sanford Rotary Club, Dr. W. V. Roberts, "Kim" Kimbrell and Wally Phillips, are thoroughly indoctrinated into which they were recently inducted as a result of a "Rotary Indoctrination" meeting put on by five "prominent" Orlando Rotarians at the School Administration Building last night.

Taking part in the program of instruction were: James B. Keith, district governor; Paul J. Shine, past district governor; the Rev. Malcolm Watson; J. Stanley Bumby, past president of the Orlando club; and Howard Sweat, presently Orlando club president. The meeting was pronounced as the best of its kind yet presented by George Shine, Walter M. Hayes

(Continued from Page 1)

"I have strongly urged the Navy to continue the Sanford Station, in whole or in part, and to give preference to the Osceola site rather than completely abandon Seminole County," Senator Spear said. Holland told The Sanford Herald in a letter received late yesterday.

In his letter directed to the Executive Editor of The Sanford Herald, Holland explained "I believe that all existing facilities should be utilized insofar as possible and I object to the abandonment of any facility that would be the requirement of the Navy air mission in favor of construction of new bases at added cost to our tax bill."

The Florida Senator said "I have discussed this matter several times recently with officials of the Navy Department who advise me that the Navy feels that civilian development around Sanford has continued to the point where expansion of the local station is not feasible and that the site itself is too close to the populated areas of Sanford to be compatible with modern jet operations."

Interest in the proposed new Naval Air Station, Sixth Naval District continues to run high in the Sanford area. However, yesterday, the campaign for funds with which a representative from the county might be "on the scene" in Washington to investigate every possibility, ran into a "slow down" snag with no additional pledges or payments of pledges coming into the Chamber of Commerce office.

All funds will be handled by the Armed Forces Committee of the local Chamber of Commerce and dispersed only over the signature of the treasurer, R. J. Bauman

and the President, Clifford McKibbin.

Funds not used for the specific purpose for which they were contributed will be returned, said Chamber of Commerce Manager John Krider.

Krider expects to leave Sanford for Washington next Monday, accompanying Senator George Smathers and Congressman A. B. Herlong Jr. It is expected that the local Chamber of Commerce executive will have a full schedule of conferences slated for his

(Continued on Page 8)

### Funds Increases; Total \$11,755

Funds being raised now "in effort to retain the Naval Air Station, Sixth Naval District in Seminole County" increased again today.

The total subscribed and contributed up to this point totals \$11,755 according to the records maintained in the Seminole County Chamber of Commerce Office by Chamber of Commerce Officer.

A check received this morning from Winn-Dixie Stores added \$1,000 to the \$10,755 total. The need for \$18,000 to \$25,000 to wage a political battle to retain the Navy facilities in Seminole County.

The Seminole County Junior Chamber of Commerce has already placed the new Ford automobile on the street carrying signs that it will be "given away" on March 30.

Contributions of one dollar are being taken to benefit the fund which will be used by the Armed Forces Committee of the Chamber of Commerce.

Additional pledges are needed to swell the total.

The pledge below may be used to send to Seminole County Chamber of Commerce, Sanford, Fla.

I PLEDGE THE AMOUNT OPPOSITE MY NAME TO HELP WITH EXPENSES CONNECTED WITH THE EFFORT TO KEEP THE NAVAL AIR STATION IN SEMINOLE COUNTY:

Name \_\_\_\_\_ Amt. \$ \_\_\_\_\_

Address \_\_\_\_\_

### Jaycees To Give Away Automobile In Fund Drive

The Seminole County Junior Chamber of Commerce is giving away a brand new automobile in an effort to raise funds for the effort to keep the Naval Air Station, Sixth Naval District in the Seminole County area.

Contributions are being taken, according to Ed Hunt, chairman of the Jaycee effort, which will enable the citizen who has just a dollar he would like to invest in the effort.

The automobile is expected to be awarded on March 30.

The Chamber of Commerce has strongly urged that all those who have made pledges to the fund send their checks in as soon as possible.

"This is a combined effort and a cooperative venture in the interest of preserving the economic life of our community," one member of the committee said.

### Funeral Sunday For Mrs. Guerry

Mrs. Dora E. Guerry, 83, died at her home, 110 North French Ave., at 4:40 a. m. Thursday morning following an illness of about a year.

Mrs. Guerry had lived in Sanford for 60 years and was a member of the First Methodist Church here.

Survivors include: two sons, Joe T. Guerry, Chokee and Ingram Guerry of Houston, Tex.; Mrs. Pete Monahan, five grandchildren, and six great grandchildren.

Funeral services will be held Sunday afternoon at 2 o'clock at Brinson Funeral Home with the Rev. Milton Wyatt officiating.

Burial will be in Evergreen Cemetery.

### Era Of Space Flight To Begin End Of Year

"At the end of this year, a Vanguard rocket will rise into the air to mark the beginning of a new era — the era of space flight," R. S. Ronay, an engineer with the Douglas Aircraft Corp. assigned to the Air Force Missile Test Center at Patrick Air Force Base, told the Seminole County Junior Chamber of Commerce yesterday at its noon luncheon meeting.

Ronay spoke on the ideals, trials, and tribulations that made the satellite possible; and how the men and scientists now working on the project are hoping that this will be the first step toward space travel.

"It will be the first time that man has placed a vehicle in space which will circle the globe without a continued means of propulsion," he said.

"A proposal of this sort just 15 years ago would have seemed sheer lunacy," Ronay stated.

The engineer, who is originally from New York City, and who served as a radar technician with the U.S. Navy during World War

II, explained that "The Vanguard is a three stage 'finless rocket' utilizing a completely self-contained guidance system. This system includes a pitch programmer which controls the amount of tilt the rocket should have at any time, for optimum ascent. This angle is the difference between the rocket's heading and true vertical."

(Continued on Page 8)

### Local Jaycees At Conference

G. Andrew Speer, President of the Seminole County Junior Chamber of Commerce and Tommy MacDonald, a member of the Board of Directors, left last night for Pensacola where they will attend the Winter Conference of the Florida Jaycees this weekend.

Joining the two Seminole County Jaycee members for the conference tomorrow will be A. D. Peterson Jr.

### Oliver To Relate Golf Experiences At Kiwanis Meet

Members of the Sanford Kiwanis Club will be filled in on all of the latest golf information at their noon luncheon meeting Wednesday at the Yacht Club.

According to the local Club bulletin, released yesterday, Ed "Porky" Oliver, Winter Pro at the Mayfair Inn Golf Club, will be guest speaker.

Oliver is said to be an interesting and amusing speaker as he relates many of his experiences gleaned from golf tournaments around the world in which he has participated.

D. K. McNah is program chairman for the meeting.

## Flower Experts Demonstrate

At tables centered with beautiful tropical arrangements the Sanford Garden club held its annual luncheon at the Mayfair, after which it presented a flower arrangement forum and demonstration.

Mrs. Frank Evans was chairman. At the brief business session Mrs. Fred Ganas, president, spoke of a landscape course which will be given at the court house on eight successive Tuesdays, at 7:30 p. m., beginning Tuesday Mrs. Ganas called on a volunteer to assist her with the course's functioning and Mrs.

E. Leeper of the Dirt Gardeners circle proffered her help.

Mrs. George Hardin introduced the three speakers for the afternoon: Mrs. Harry Griffin, past state president of Florida Associated Garden clubs, Mrs. E. M. Murphy, who gives valuable time to teaching new clubs her technique in floral design and Mrs. Frank Owen, Jr. whose hobby is orchids. All three are from Daytona Beach.

"Bouquets of assorted flowers always look pretty," stated Mrs.

Murphy, "and we enjoy them but when we undertake real arrangements we must give them thought. First, there must be a design, then comes the selection of flowers which will harmonize with the place chosen for their display or requirements of a flower show motif. Containers are to be considered, also. Then, there is a standing rule of height one and one half times that of the container but many of us moderns say 'let the sky be the limit.'"

(Continued on Page 8)

## Play's Opening Night 'Success'

A small but enthusiastic audience attended the Opening Night showing of Bell, Book and Candle, produced by the Sanford Theatre Guild and presented last night in City Hall Auditorium.

Spectators, not only pleased but thrilled with performance of the cast responded with "not only well cast, but superbly staged and excellently directed."

In the audience last night for the first night was Volla A. Williams Jr. and his wife who both stated that "Bell, Book and Candle is certainly worth seeing."

Both praised the show highly.

Bell, Book and Candle will be presented again tonight in the City Hall auditorium with curtain time at 8:15 o'clock.

Mrs. Ernest Cowley who had a leading role in the Sanford Theatre Guild production said, following the first night performance,

"Credit should be given to George Dabbs for the wonderful part he played with less than two weeks of rehearsal."

Dabbs commented "The show went over well but not as many attended as we had expected. The audience responded well to the performance of the cast."

Mrs. Cowley portrays Gillian in Bell, Book, and Candle, a young girl adept in the art of witchcraft who loses her power when she falls in love with Shop, done by George Dabbs.

Rob Mera takes the part of Gillian's brother and Mary Schueneman plays the part of an aunt who also practices witchcraft with Gillian and Nicky.

Harry DeWitt is cast in the role of Sidney Redlitch, an author whose book fails to be published because of the "hax" placed on

it by Gillian.

Don Fletcher and Francis Roumalt did the set and the cast was responsible for their own makeup. "We helped each other out," they remarked following last night's show.

The play will be seen both tonight and tomorrow night with the same curtain time each evening.

A cocktail party was held last night in the Mayfair Inn Ballroom following the first night performance honoring the cast.
