William Culture In marked contrast with the smoothness with which the well offed machinery of the two major political parties

conducted their conventions in Cleveland and Phila the Townsendites, apparently on the point of organising a new party, meet in Cleveland with a few spokes missions from their wheels, a creak or two in their body springs, and no little grinding among some of their gears.

and no little grinding among some of their body springs, The answer by the Townsendites might well, be "If this be friction, make the most of it." for certainly the very absence of any semblance of unanimity of purpose or organized display of "harmony" is evidence enough of an independence of action and strict adherence to Descouratic methods which is refreshing in these days of dictatorships and rigidly dominated gatherings.

and rigidly dominated gatherings. Whatever the Townsendites ultimately decide to do it seems likey that their action will be determined by the will of the delegates and the membership and not by some power behind the throne pulling the strings of the pup-pets who mount the convention platform. The only question which remains to be solved is whether the delegates will be able to agree upon anything at all or whether the conven-tion, like so many thoroughly Democratic meetings, breaks up in a free-for-all fight.

up in a free-for-all fight. Had there ever been any question about the existence of political freedom in this country, it was largely dissipated the other night when the Rev. Father Coughlin character-ized the President of the United States as a "liar, betrayer, and double crosser." In Germany, Italy, Russis or in any of the countries where freedom of speech no longue exists, such denunciation would have been promptly followed by one of these now-famous "blood purges." However, freedom of speech does not entail the privi-

However, freedom of speech does not entail the privi-lege either of saying things which manifestly are not true, or of using vile or indecent language. The liberties, which our fathers wop in the revolution our fathers won in the revolution can be preserved with-out the license to defame in the language of the gutter the name of another. ALL ABOARD FOR OLYMPIC GAMES IN BERLIN

GAINESVILLE, July 18-Metollen's stealing home in

McMullen Steals

Multen's stealing home in the eleventh iming with two men down gave the Gaimeville G-Man a 4-3 win over the lengue-leading Day-tom Heech Lalandery here yester-day afterneen. The contest was a pitchers' bat-lected five hits off Browr, who went the entire route for the Ja-landers, while the visitors were getting to Fernazi and McNamars for four hits. McNamara, who re-pieved Fernazi in the fourth, after the Islanders had scored three runs and gotten two hits, did not give up a hit until the tenth iming. The G-Men meered their first two runs in the second on no hits, the third was added in the fifth on a triple by McDougal and Mc-Namaris's long fly to right. The three Dayton Beach runs rame in the fourth inning. Ander-son and Morton drew free passes,
