Nice Work

One Sanford resident stopped us on the street.

"Say," he said, "why don't you put in a good word for the boys at the post office? I watched 'em work over the holidays, and they did everything in their power to help Santa Claus get here on time."

Then we remembered seeing some of the postmen delivering packages on Christmas morning.

Dear Abby:

DEAR ABBY: The woman who signed herself "Very, Very Hurt" because her husband sent her a birthday card with the message, "Happy Birthday to a Swell Fella on HIS Birthday," shouldn't have felt hurt. My most cherished possession is a birthday card I received from my 8year-old son. He erased his own name from a birthday card he had received months before, and he wrote my name on it. Then he wrapped up his "life savings" (two dimes and a nickle) and gave it to me with a note, "From your children," meaning himself, his 3-year-old brother and an 8month-old sister. I could never spend that 25 cents. CATHERINE

DEAR ABBY: Tell "VERY, VERY HURT" to develop a sense of humor. It's no crime to grab the wrong card when you are in a hurry. On my wedding anniversary I re-ceived a card which said, "There never was a better brother. Get well fast." My husband and I still laugh SENSE OF HUMOR

DEAR ABBY: I know that it is possible to send the wrong card on an occasion that requires a greeting. When our first baby was born I received a lovely baby gift, and with

Kirchhoff Tells Kiwanis Plans For Year

ED KIRCHHOFF

New Kiwanis President W E. Kirchhoff said at installation ceremonles recently that within the next year, a new Kiwanis Club would be formed in a fast growing area of the

Other goals that Kirchhoff outlined for the year included the improvement of inter-club relationships, with every member attending at least one meet, and an improvement in local attendance with a goal of at least 95 percent. Continuation of the student

Retiring president, Jim Grant, humorously presented Kirchhoff with some "gifts" 2460 that he thought the new leader would need. They included PARK a pair of "rose-colored" glasses, a huge bottle of as-pirin and an oil-can, along **AVENUE** with the bell-ringing gavel. SANFORD

President Grant read a nine page summary of the past year's activities and although a complete listing of all the Kiwanis Club accomplishments is not possible, here are some of the highlights:

The Foreign Exchange Stu dent program: The club provided expenses and a trip for Finnish student, Peter Kurkijarvi. They also set up the machinery and paid the expenses and found homes for Miss Dorte Demtroeder, this year's exchange student from

The Marianna plan group has worked to help eight boys in the industrial schools, kept in touch with 26 boys by sending letters and cards, and worked with the county
