

Daytons Put To Test As City For All-Star Contest

DAYTONA BEACH, June 18.—(Special)—When directors of the Florida State League chose Daytona Beach as the site of the league's fourth annual All-Star game slated for Saturday night, July 5, they really put the city "on the spot" and in more ways than one.

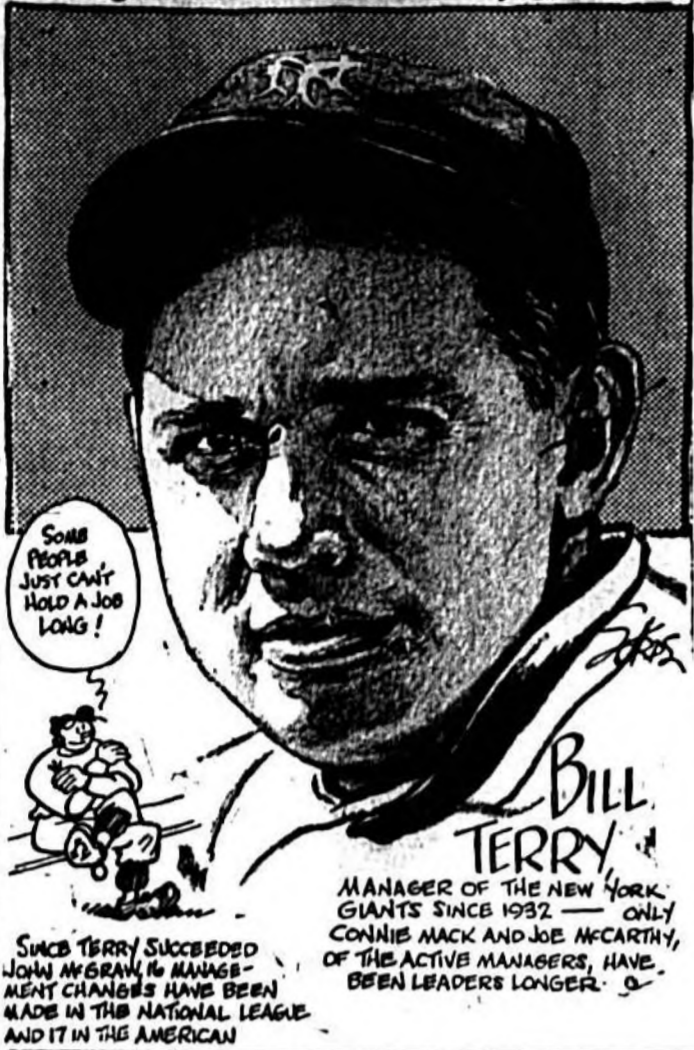

Five years ago, the directors did the same thing, and few fans were as red in official league circles as were those of Daytonans for only 362 persons paid their way into the park for what proved to be a slaughter.

That 362 paid attendance figure probably stymied loop moguls for not until 1939 was another All-Star tilt attempted. This one was played at Sanford where 4,400-odd persons paid their way to see Duke Alexander and his great Sanford Celeryfeds meet an equally as brilliant All-Star nine.

Inspired by the success of the 1939 show, directors voted for another in 1940 again at Sanford. This time the paid attendance was in the 3,300-odd division. Lack of an outstanding leader as was Alexander and such stars as Sid Hudson, Dopey Dean and Tommy West, led to the reduced attendance in the opinion of many.

This year, directors agreeing that Daytona Beach ought to have another chance because of its central location, fine park and gathering place, chose the city unanimously. Will it be 5,000 paid this year?

Attendance Trophy Will Go To Saints

DAYTONA BEACH, June 18.—Highlighting the brief program that will be a feature of the Florida State League's fourth annual All-Star game here on Saturday night, July 5 at 9 o'clock will be the presentation of the league's new attendance trophy to Fred Francis and Herb Wolfe, co-sponsors of the St. Augustine team.

St. Augustine won opening day attendance honors when more than 1,500 fans paid their way into the park, one of the finest turnouts in league history.

The trophy is an engraved wall plaque, and it will be a floating award that will be presented annually to the city with the best opening attendance.

League President Henry L. Gray, Gainesville, will make the presentation on behalf of the league.

It will be the league's first opportunity publicly to express its appreciation to the two North Florida sportsmen whose names are synonymous with baseball in the Ancient City. Without their assistance from year to year, St. Augustine might not have its usual top-ranking ball clubs, and the entire outfit would have suffered.

TWO FLYERS KILLED

HONOLULU, June 18.—(AP)—An army fighter plane crashed in Kalih valley near Honolulu Tuesday killing the two occupants, 2nd Lieut. Robert L. Bedie, 21, Augusta, Ga., and Cadet Ralph Merkl, 20, Lincoln, Ala.

Many of the early Buddhist temples in China had revolving bookcases.

This is not a mechanized passenger carrying bomb but only Malcolm Pope, outboard motor boat stunter doing his specials for Paramount, Fox Movietone and Universal news reels at Cypress Gardens near Winter Haven, and here he is sending his outboard 50 feet through the air after riding up an inclined platform at the speed of 40 miles an hour.

All Loop Umpires To Begin All-Star Game Pitchers Are Made 'Down On The Farm'

DAYTONA BEACH, June 18.—(Special)—A real "World's Series" atmosphere will prevail here Saturday night, July 5, when at the Florida State League presents its fourth annual All-Star game, it will assign its entire staff of umpires to the tilt.

While President Henry Gray had not made his opening game selections as yet, it was indicated that if he follows the rule of other years, the loop's "rookie" umpires will get the starting assignments.

That would mean that the teams of Hummer and Morgan and that of Butler and Smith would open the game, one assigned to each base. Smith and Morgan are new-comers to the league.

This quartet would work four and one half innings after which the game would go into the hands of Rod Ryan, Gene Lee, Dick McLaughlin, and Ed. Frump, the latter a member of the 1936 All-Star staff.

Also available for service will be "Pro". Fred W. O'Casey, recently pressed into service, around the league Sunday and Monday, June 22 and 23.

NEW YORK, June 18.—(Special)—Carl Hubbell, one of the National League's all-time greats of the pitching mound, believes that hard work on the farm with his hands in boyhood was a big help in developing his pitching muscles.

"I was always about playing ball as a kid," recounts King Carl. "I never thought I would be a big leaguer. I just liked to play."

"There are lots of things a boy does on a farm that probably help him to develop himself as a ball-player, such as milking a lot of cows, working in the fields—plowing, cultivating and things of that sort. They strengthen his arms and legs and h-w-o. strength stath'o eChia also gives the boy stamina that is of great value in his later career."

played between the team leading the league at midnight Jay and a team selected by the vote of fans gathering in the grandstand at the stadium on Monday, June 22 and 23.

43 Families In Seminole County Are Granted Aid

JACKSONVILLE, June 18.—(Special)—Of the applications for aid to dependent children made in Seminole County since the program was launched in September, 1938, through April of this year, 69.35 percent of those acted upon have been approved. It was announced today by the State Welfare Board. The state average during the same period was 64.25 percent.

As of April 1, a total of 43 families (116 children) had been approved for the receipt of cash grants in the county.

Due to limited funds, aid to dependent children has been distributed on a population basis to each of the counties.

Applications for A. D. C. during April totaled 238 families representing 885 children. These, added to the 8,664 pending from March, gave a total of 8,902 applications pending at the end of the month.

During April 19 families representing 83 children were approved, 11 families representing 34 children were rejected, and 11 families representing 10 children were disposed of for other reasons. The total of 8,902, less the 25 acted upon, leaves a pending figure at the end of April of 8,877 families representing 21,487 children.

Assistance payments were made during April to 2,996 families representing 7,560 children. The grants received totaled \$77,340, an average of \$25.78 per family or \$10.20 per child. The average number of children per family receiving assistance was 2.5.

Both Fighters Claim Victory

NEW YORK, June 18.—(AP)—Here are the eye-of-battle statements of Joe Louis and Billy Conn for their heavy-weight title fight in the Polo grounds tonight.

Louis—That Billy Conn talks too much about what he knows. There'll be a knockout in this fight and you know who I think'll do it. Conn ain't no faster than a lot of fellows I met, like Lee Ranmore, Bob Pastor and John Henry Lewis. And I caught all of them, didn't I? Don't forget, I can do a little boxing myself. I guess it'll be over inside eight rounds.

Louis has lost 50 percent of his punch and has slowed way down. He's just another guy now. They can say what they want about how I start too slow, and how I'm not heavy enough, and how I lose my temper. Well, all I say is I'll be heavy-weight champion by about 11 o'clock tonight. I'm a cinch to win the decision.

Pulling Power Of Advertising In Press Shown

WASHINGTON, June 18.—(Special)—The pulling power of newspaper advertising again has been attested by savings and loan associations.

Forty-five cents of every dollar spent by savings and loan associations for business promotion in 1940 went for advertising in newspapers, according to the fourth annual survey conducted by the public relations department of the Federal Home Loan Bank Board. The balance of the advertising dollar was split up among 12 other media.

Ninety-four percent of the reporting institutions said they used newspaper paid space in their advertising programs, varying according to size of association. Those in the smaller communities spent the largest part of the advertising dollar for newspaper ads.

From the survey it is estimated that the total amount used by all member associations of the Federal Home Loan Bank System to bring in new business during the year was about \$2,000,000, with the amount inclusively spent depending on the size of the institution.

A total of 1,284 savings and loan associations participated in the survey, filling out detailed reports on how they spent their advertising budgets during the year. The sample was 34 percent of all members of the Federal Home Loan Bank system, an unusually high sample in such surveys.

Social Security Amendments Will Become Effective

JACKSONVILLE, June 18.—(Special)—Two amendments to the Social Security Act will become effective on July 1 of this year, the State Welfare Board has been advised.

These read:

"Effective July 1, 1941, provide that the state agency shall, in determining need, take into consideration any other income and resources of an individual claiming old-age assistance; and, effective July 1, 1941, provide safeguards which restrict the use of disclosure of information concerning applicants and recipients to purposes directly connected with the administration of old-age assistance."

Under the terms of the amendments, both of which are in line with its present and past policies, the State Welfare Board is prohibited by federal law from granting old-age assistance with out regard to income other than the old-age assistance cash grant and also from making public information concerning applicants and recipients.

The most drastic penalty for violation of these amendments which the Social Security Board could invoke would be the withdrawal of federal participating funds from the state. These are granted on the basis of dollar for dollar of State money, and will be increased in proportion to the increase in public assistance appropriations by the recent session of the Legislature.

The requirement in regard to the disclosing of information concerning old-age assistance applicants and recipients is founded on the desire to shield the aged from embarrassment, as need is a condition to the receipt of this form of public aid, and to protect them from possible exploitation.

American Birthrate Is Declared Rising

WASHINGTON, June 18.—(AP)—Reversing all scientific forecasts, the Census Bureau said Tuesday the American birthrate was rising.

J. C. Capt, census director, asserts that in the first four months of this year alone the crop of new babies was approximately 20,000 larger than in the similar period last year and indicated an annual birth rate of 18.5 per thousand population, the highest since 1930.

WHAT OUTFIT, BUDDY?

THE war department directed the organization of the Second division, regular army, Sept. 23, 1917. It was organized as a division of the 1st Army Corps, and was later transferred to the 2nd Army Corps. The division was composed of the 1st, 2nd, 3rd, 4th, 5th, 6th, 7th, 8th, 9th, 10th, 11th, 12th, 13th, 14th, 15th, 16th, 17th, 18th, 19th, 20th, 21st, 22nd, 23rd, 24th, 25th, 26th, 27th, 28th, 29th, 30th, 31st, 32nd, 33rd, 34th, 35th, 36th, 37th, 38th, 39th, 40th, 41st, 42nd, 43rd, 44th, 45th, 46th, 47th, 48th, 49th, 50th, 51st, 52nd, 53rd, 54th, 55th, 56th, 57th, 58th, 59th, 60th, 61st, 62nd, 63rd, 64th, 65th, 66th, 67th, 68th, 69th, 70th, 71st, 72nd, 73rd, 74th, 75th, 76th, 77th, 78th, 79th, 80th, 81st, 82nd, 83rd, 84th, 85th, 86th, 87th, 88th, 89th, 90th, 91st, 92nd, 93rd, 94th, 95th, 96th, 97th, 98th, 99th, 100th.

Takes Coach's Advice, Look At Him Now

NEW YORK, June 18.—(Special)—Do you want your coach (tell you, young fellow) ten years ago the football coach at Mississippi College told his star backfield ball-carrier to better play baseball in Spring as a conditioning means. The griddle had never played a game of baseball in his life, but obediently followed instructions.

Today thousands of fans who never heard of him in football know him as the centerfielder of the world championship baseball club, one of the best ball-hawks the National League has ever enrolled. The name—Harry Craft.

Sanford Residents Go To Short Course

Several Sanford persons attended the Parent Teacher Short Course Institute which was held last week at the University of Florida in Gainesville.

Highlighting the five-day meeting were the talks given by Prof. H. D. Myers of the Department of Sociology at the University. He spoke on "Democracy," naming the foremost subjects as follows: "The Family," "The Work of Democracy," "The Teacher," "The School of Democracy," "The Church," "The Pattern of Democracy," "The State," the Leader of Democracy." Prof. Myers stressed the necessity of learning the art of living; also the social responsibility of parents and teachers.

Prof. B. R. Matthews of the University conducted a panel on "We are New Citizens," using as an illustration a group of young people from all walks of college life. Mrs. W. E. Baulig, national Parent Teacher Association worker, was also in attendance and made several interesting talks concerning the P. T. A.

Mrs. A. H. Ivey of Jacksonville spoke on "Health and Narcotics," and Prof. William L. Lowery spoke on "Publicly Owned Seminoles County," which has the distinction of being the only county in the United States having a P. T. A. in every school.

was represented at the institute by the following persons: Mrs. J. E. Hodge, Mrs. B. B. Crumley, Mrs. H. W. Rucker, Mrs. J. A. Young of Lake Monroe, Mrs. Orie R. Mathieux and Mrs. J. W. Yarborough of Geneva.

Personals

Harvey Stair of Cleveland, O., was the guest of Mr. and Mrs. Roy Chorpington for a few days.

Mr. and Mrs. W. G. Ross left today for Moultrie, Ga., where they plan to spend the summer months.

Mr. and Mrs. Dan Tener and little daughter of Miami are visiting at the home of Mr. and Mrs. Alfred Ericson.

Miss Peggy Duncan is spending this week at Daytona Beach as the guest of Mrs. Ethel Sinclair.

Miss Betty Rene Ball of Lake Mary was among those who left Monday for Camp St. Mary, Trout Lake, Avon Park.

Mr. and Mrs. John B. Tatum are spending this week with friends and relatives in Charleston, S. C. and Columbia, S. C.

Miss Patty Hodge is visiting in Daytona each for a short time as the guest of her grandparents, Mr. and Mrs. F. L. Bailey.

Mr. and Mrs. W. E. Holley head have as their guests for a short time Mrs. Holley's sister, Mrs. Schae West, of Wilmington, N. C.

Mrs. J. M. Tolar and son, Ralph, spent yesterday in Jacksonville with Dr. Tolar, who is confined to St. Vincent's Hospital, where he is seriously ill.

Mrs. W. S. Bawell and Ralph Bagwell had as their guests for a short time John Davis of Clinton, S. C. and Mrs. Knowlan Parker of Aiken, S. C.

Miss Iris Sanger has gone to Lansing, Mich. to visit with her father, Roy Sanger, whom she has not seen in a number of years.

Mr. and Mrs. C. L. Rutherford and daughter, Lynn, of Oberlin, are here visiting for a few days with Mrs. Rutherford's parents, Mr. and Mrs. W. B. Zachary.

Mr. and Mrs. H. A. Haynes are enjoying a trip through Louisiana, Mississippi, Arkansas, Tennessee, and Alabama. They plan to be gone for about six weeks.

Mr. and Mrs. M. G. Thorne and sons, James and Maynard, Jr., of Farmville, N. C., and Mr. Horace Deason of Lincoln, Ga., will be the guests of Mr. and Mrs. A. J. Peterson for a short vacation at their home on West First Street.

Mr. and Mrs. R. F. Cronshaw and Mr. and Mrs. W. R. Dyson have been called to Santa Fe, N. M. because of the sudden death of John Mac Truluck, brother of J. H. Truluck and Mrs. Dyson. The deceased has been a visitor in Sanford a number of times.

Friends of Miss Olive Dink will be glad to learn that she is recuperating after an operation at the Fernald-Loughton Memorial Hospital last week. Miss Dink has been moved to her home on Laurel Avenue.

Mr. and Mrs. J. H. Truluck and Mr. and Mrs. W. R. Dyson have been called to Santa Fe, N. M. because of the sudden death of John Mac Truluck, brother of J. H. Truluck and Mrs. Dyson. The deceased has been a visitor in Sanford a number of times.

Lovely Jean Cavanaugh, 18, has been chosen Miss Washington of 1941 to represent the nation's capital in the Atlantic City beauty pageant.

Jeanne Miller And Lester Philips Wed

In a wedding characterized by simplicity and dignity, Miss Jeanne Miller, daughter of Mrs. Harriet Miller of Wehita, Kan., became the bride of Dr. Lester A. Philips, son of Dr. and Mrs. A. M. Philips of Sanford at 1:00 P. M. May 31, in Trinity Episcopal Church, Kirkville, Mo. The Rev. George F. Timan of St. Louis, Mo., a friend of the bridegroom, officiated.

The chancel and altar of the church was decorated effectively with standards of stately white poinsettias and ferns. Mrs. J. Claudine Phillips, Mrs. J. C. Phillips, and other members of the church played a concert of appropriate wedding songs and the traditional wedding marches were used. The soft strains of "Lullaby" and "The Wedding Song" played during the impressive ceremony.

The young bride was given in marriage by Dr. Louis Musland of Anderson, S. C. She was attended by Mrs. Louis A. Musland, a maternal aunt of the bride, and Dr. Morgan George of East Liverpool, O. acted as best man.

Miss Miller was crowned in a brown ensemble with which she wore white accessories. Her carriage consisted of white bride's robes and she carried a white prayer book.

Mrs. Miller was attired in a black and white dress and her flowers were of white roses.

Mrs. Philips, mother of the bridegroom, selected a pink and white ensemble with which she wore a corsage of pink blossoms.

Immediately following the ceremony, a reception was held at the Acacia Fraternity House, of which Dr. Philips is a member. Garden flowers and greenery were used in profusion to decorate the rooms of the house in which the guests assembled.

A graceful arrangement of black and white flowers, including a white poinsettia, a white gerbera, and a white carnation, were used in profusion to decorate the rooms of the house in which the guests assembled.

After spending a short time with their friends, Dr. and Mrs. Philips left for a short wedding trip.

Mrs. Philips was graduated from Wichita High School, Wichita, Kan., and she also attended the University of Wichita. Dr. Philips is a graduate of Seminole High School where he was setting in athletics. He was a charter member of the Gator Club. He was graduated earlier in the day of his wedding from the Kirkville College of Osteopathy where he was a member of the Acacia Fraternity of which he is now a member. He was a member of the Acacia Fraternity of which he is now a member. He was a member of the Acacia Fraternity of which he is now a member.

TO HAVE SEED
JACKSONVILLE, June 10.—(Special)—Four hundred acres of clover in Duval county will be harvested for seed this season, County Agent A. S. Lawton reports.

Importance of Florida Grows, Hanna Declares

WINTER PARK, June 10.—(Special)—Florida, center of the Americas, occupies today a position more strategic than it did more than three centuries ago when Spain founded St. Augustine to protect treasure laden fleets passing up the gulf stream, contends Prof. A. J. Hanna of Rollins College in last Sunday's New York Times.

"With the rapid accumulation of Army and Navy bases it has become more important in the United States than in the 1840's when Fort Jefferson was built on a barren lake off Key West to guard the passage of commerce from the Mississippi through the gulf," he writes.

Prof. Hanna's discussion of Florida's position in the world today is included in one of the featured reviews of the Times and discusses in particular a new book, "Florida, Land of Change," by Dr. Kathryn T. Abbey of the Florida State College for Women which he regards as "by all odds the best general history of the state."

Prof. Hanna is the author of "Flight into Oblivion" and member of the division of Pan-American affairs of the State Defense Council.

Florida's Gasoline Consumption Gains

TALLAHASSEE, June 10.—(Special)—Florida gasoline consumption for the first four months of this year was 10 percent higher than during the same period last year, the State Road department reported Wednesday.

Consumption was 157,280,619 gallons in 1941—15,125,831 gallons more than for a similar period in 1940.

There is a seven-cent tax on each gallon of gasoline sold in the state, and all except one cent of it is spent for highway work or for payment of road and bridge construction debts.

FIRE CHIEF ELECTS
JACKSONVILLE, June 10.—(Special)—Members of the Southeastern Association of Fire Chiefs closed their annual convention here Wednesday. New officers include F. C. Pfander of the Florida State hospital, Chattahoochee, second vice, president.

Russian Government Press Says Nation Will Defend Itself

Moscow, U. S. S. R.'s Capital, Is Calm; Red Army And Reserve Is Trained

Finland Calls Up More Reservists

Soviet Stands Ready To Meet Any Attempt At Invasion

MOSCOW, June 20 (AP)—There was no outward indication in Moscow today that Soviet Russia expects an invasion, but the government newspaper Izvestia, asserted that "neither through the forests, nor the steppes, mountains nor seas will the enemy ever step across the forbidden boundary."

While the capital was perfectly calm, an intensive training of the Red army and its reserves was underway throughout the Soviet Union.

The Russians were represented as ready to answer blow for blow any attempt to violate the Soviet frontier.

In Helsinki, Finland, the Finnish Defense Ministry ordered reservists of all classes up to that of 1897—members of which are 41-44 years old—to report for service immediately.

Military punishment was ordered for those failing to obey. For the last two days calls for various groups of reservists have been issued as Finland, alarmed by reports of an impending clash between Germany and Soviet Russia, prepared to defend itself.

Germany last night charged American consular officials with "machinations" against the Reich, including espionage and requested that all United States consulates and offices of the American Express Company in Germany and German-occupied countries be closed by July 15, at the latest.

(Italy today, in a parallel action, ordered American consulates in Italy and occupied territories closed also by July 15. Foreign Minister Ciano announced the order in a note to United States Ambassador Phillips.)

The Reich government, according to the official DNB news agency, called United States Charge d'Affaires Donald Heath to the foreign office and handed him a note requesting that the office be closed and that American officials and employees leave the country.

The note said the attitude of both consular officials and officials of the American Express Co. "may have given rise to serious objections."

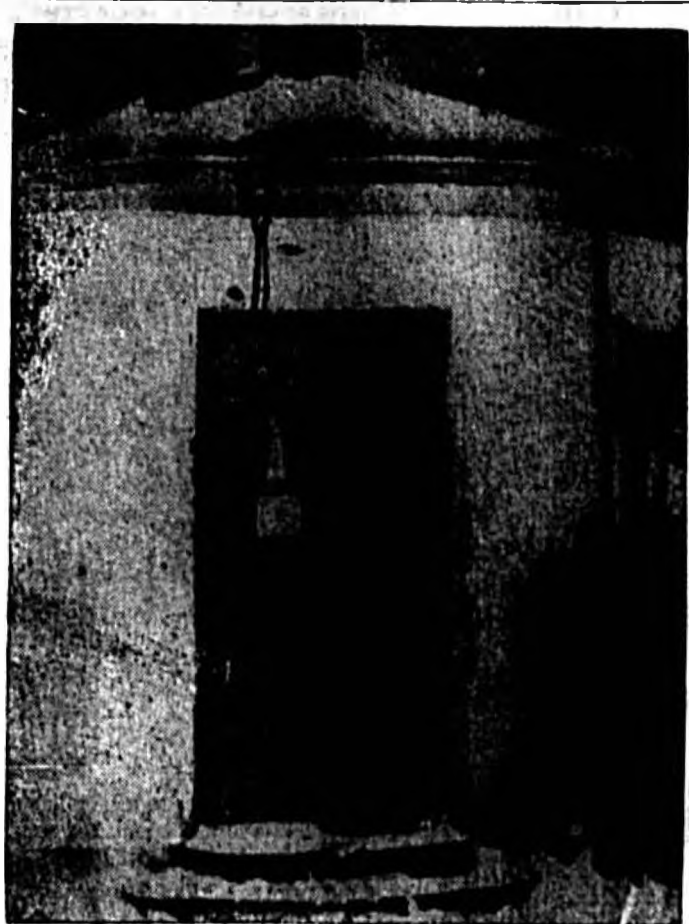

The German action apparently was in retaliation for President Roosevelt's order of June 16 closing German consulates and information services in the United States, effective July 10. DNB said it had learned from competent sources that the "impressive note" was on hand giving that the Americans had "acted in a manner contrary to the interests of the German Reich."

Montezuma Hotel Is Purchased By Land Of Orlando

Sale of the Montezuma Hotel, one of the oldest in Seminole County, to Floyd L. Land of Orlando for an undisclosed sum was announced today by Attorney J. H. Marshall, who represented the hotel's owners.

Mr. Land, who also owns the Land Hotel in Orlando, bought the Montezuma from C. W. Smith, who had owned it for 25 years. The hotel was built by Smith in 1915 and was one of the largest and most luxurious in the state at that time.

A Warsaw Street Scene

After two German soldiers were shot in a brawl in a Warsaw cafe, according to the British Press Service, the proprietor of the restaurant was hung by the Gestapo over the entrance of his home (above) and more than 100 other Poles were shot.

David Gatchel Named Governor Of Boys' State In Tallahassee

By EDWARD MARSHALL, TALLAHASSEE, June 20 (Special)—David Gatchel, son of Mr. and Mrs. Forrest Gatchel of Sanford, was named governor of "Boys' State" yesterday as the week-long project whereby teenage youngsters gain first-hand knowledge of their state government drew to a close.

Young Gatchel was a candidate of the Nationalist Party, and defeated Mike Sanders of Palatka, running for the Federalist Party.

With the opening of Boys' State, on Saturday, Gatchel was placed in one of the two parties, the Nationalist, where he immediately gained popularity. Preceding the party caucus on Wednesday, he campaigned vigorously against several candidates, including the Sanford boy dates. The Nationalist Party Wednesday and that night he made his first campaign speech. Projects he supported in his platform were B. O. T. C. units in the schools, boosting of Boys' State, an improved Boys' State band, and serving of meals by waitresses during breakfast at the college cafeteria.

Thursday morning the 22 citizens of Boys' State cast their votes for a governor. The election results were announced yesterday at 1:15 o'clock, during the lunch period.

Other boys from Seminole County held the following positions: Earl Jeter, city attorney; Paul Harkness, health commissioner. (Continued on Page Three)

Johns Is Re-Elected To Post Of Superintendent At Arcadia Home

T. M. Johns was re-elected superintendent of the Florida Baptist Children's Home in Arcadia on Thursday at the annual meeting of the board of trustees. Mr. Johns has held the position since 1934.

E. E. Carter and Joe D. Jenkins of Sanford were among those attending the meeting. The Superintendent's report of the Board of Trustees showed that the recent campaign to raise the endowment of the home was successful and the debt has been paid. The message was read by the board and the meeting adjourned at 10:30 o'clock.

County Roads Discussed At Chamber Meet

Trade Body Is Operating Within Its Budget, Reports Treasurer Coleman

State and secondary roads in Seminole County were discussed and reports were made yesterday at a luncheon meeting of the Chamber of Commerce directors and committees, together with the Board of County Commissioners, at the Valdez Hotel.

Present at the meeting were W. A. Laffler, president of the Chamber of Commerce, who presided; H. James Gut, G. D. Workman, John G. Leonard, E. F. Housholder, Lee Leshar, Vivian Speer, H. M. Papworth, E. E. Brady, O. P. Herndon, Fred Williams, F. A. Dyson, H. H. Coleman, T. W. Lawton, Edward Higgins, B. J. Overstreet, O. J. Pope, R. F. Wheeler and E. E. Partin, Ovindo, and Martin Stanko, Slavia.

H. H. Coleman, treasurer of the Chamber of Commerce, reported that the trade body was operating within its budget. Edward Higgins, secretary of the chamber, made a report of activities of the trade body, saying he had made a trip to Washington last month in the interest of the Municipal Airport. In Washington Mr. Higgins said he conferred with Major A. H. McMullen, of the CAA, who gave assurance that the Sanford airport was on the list for allocation of funds to pave two runways.

Progress of the St. Johns Indian River Canal project also was discussed by Mr. Higgins. In addition to the rural housing authority, the chamber secretary said he had been assured by Ammon McCallan, state coordinator of the housing projects, that the Sanford project, which is being funded for housing of any national defense operation was underway now by the War Department.

Mr. McCallan will contact the Board of County Commissioners regarding the setting up of a housing authority. Mr. Higgins said.

On the chamber's membership drive, the secretary reported that a total of \$2,200 had been received in the campaign, of which \$2,200 was in cash, \$195 in signed pledges, and \$180 in further memberships anticipated but not signed.

"When this amount was short of the \$3,000 set up in the budget," Mr. Higgins declared, "I consider it a very good drive."

The Jacksonville office of the United States Engineers has been authorized to make an inspection of Woodruff Creek with a view to making it an alternate route from Lake Monroe into the St. Johns River near the Osteen Bridge. Mr. Higgins said.

E. F. Housholder reported on the prospects for State road projects those present that he had prepared those present that he had prepared that paving of Road 41 from the Titusville Bridge to Mims would be started in six months, and that it was hoped to complete the work this year.

E. E. Brady made a report on work done by the 1941 Legislature in regard to Seminole County roads, and John G. Leonard reported those present that he had done all possible to further the development of county roads.

B. F. Wheeler said that a survey of Road 203 from Ovid to Titusville will be completed soon, and that right of way maps would be furnished the County Commission at an early date.

Fred Williams presented a report and a map showing the secondary roads in Seminole County which are in need of repair. F. A. Dyson expressed his approval of some plan to improve the secondary roads and said that in his opinion the first work should be done on Road 203.

The meeting was carried over to the next week's meeting of the Chamber of Commerce. (Continued on Page Two)

Moor Sinking Said Ruthless By Roosevelt

United States Will Not Yield Use Of Seas To Germany, President Asserts

WASHINGTON, June 20 (AP)—President Roosevelt described the sinking of the Robin Moor today as ruthless and an act of international outlawry, and declared that the United States did not propose to yield use of the high seas to Germany.

The President made his pronouncement on the sinking of an American vessel in a special message to Congress which permitted use of stronger language than a formal diplomatic note.

Mr. Roosevelt stated without justification that the vessel was sunk by a German submarine. The Robin Moor went down on the South Atlantic on May 21 and all of its passengers and crew subsequently reached safety. Survivors said a German submarine torpedoed and shelled the ship.

Mr. Roosevelt said the general purpose of the sinking would appear to be to drive American commerce from the ocean wherever such commerce was considered a disadvantage to German designs.

In specific purpose, he said, "would appear to be the interruption of our trade with all friendly countries."

"Were we to yield on this we would inevitably submit to world domination at the hands of the present leaders of the German Reich. We are not yielding and we do not propose to yield," he declared.

WASHINGTON, June 20 (AP)—By direction of President Roosevelt, all petroleum products were subjected today to export control and exports from the eastern seaboard now may be made only to the British Empire, Egypt and the Western Hemisphere.

The White House asserted a plan would be prepared for the most effective use of tanker facilities in supplying petroleum to the United States, and to other American republics.

Elsewhere at the capital yesterday, the Senate Military Committee heard testimony on the underground network of spies which emphasized a War Department assertion that small manufacturers would in the future be given a more extensive share in defense production.

California "Duchess" Is Granted Reprieve

SAN QUENTIN, Calif., June 20 (AP)—Mrs. Evellita Juanita Spinelli, 62, "The Duchess" in the underworld gang she dominated—has escaped for at least 30 days being the first woman executed by California.

Sentenced to die at 10:00 A. M. in San Quentin's gas chamber, she was granted a reprieve today by Gov. Culbert L. Olson.

"The Duchess" was sentenced with two companions for killing 19-year-old Robert Sheppard, youngest member of the gang.

Last Rites Are Held For Mrs. W. D. Lees

Funeral services for Mrs. W. D. Lees, who died Wednesday after a long illness, were held this morning at 10:30 o'clock at the Erickson Funeral Home, with the Rev. Martin J. Braun, of the Holy Cross Episcopal Church, officiating.

Palatka were J. G. Watts, C. W. Brown, L. Grow, B. G. Mathwin, R. Z. Johnson, Sr., and Charles Marshall.

Members of Townsend club in the fifth congressional district will hold a conference Sunday afternoon beginning at 2:30 o'clock at the Chamber of Commerce office in Sanford, it was announced today.

Authorized Townsend speakers will present discussions of topics of interest to members, it was stated.

Dr. J. N. Tolar Shows Improvement

Despite reports to the contrary, Dr. J. N. Tolar of Sanford is improving, it was reported today by Mrs. Tolar. Mrs. Tolar spent several weeks in Jacksonville.

Dr. Tolar is receiving treatment at St. Vincent's Hospital.

R.A.F. Attempts To Smash Preparations For Nazis' Invasion

Sorry, Girls, He's Married Now

Victor Mature, that "beautiful hunk of man" is married to Martha Stephenson Kemp by Justice Ferdinand Pecora in Manhattan's apartment in New York. Wedding of the blonde cafe society queen, widow of orchestra leader Hal Kemp, and the actor, was witnessed by a select handful.

Palatka Collects \$1,100 For Ball Club Franchise

With \$1,100 collected and a goal of \$2,000 yet to be reached, Palatka asked for and was granted an extension of the time limit to Sunday, by League President Henry I. Gray, before it takes over the former Sanford Seminoles' baseball franchise according to a report from there at noon today.

Meanwhile the team is operating as a league club, playing all games on its opponents' home fields, though both of the games scheduled this week were turned out today. The Seminoles are slated to play in St. Augustine and expect to stay in the city until they finish a two-game schedule.

The situation in Palatka looks good, the Palatka informant said, and the remainder of the money needed is expected to be collected today. Rain and a half holiday have held up the collection of funds since Tuesday night when the baseball fans were offered the franchise of the Sanford club.

Palatka has uniforms for the players left from their team of several years ago, according to the report. The expense of a bus to transport the players to out-of-town games will be eliminated by the use of private cars. The field there is reported to be (Continued on Page Three)

Orlando Ice-Pick Burglar, Who Was Shot And Wounded, Has Record Here

Specks Green, alias Willie Green, Orlando ice-pick burglar who was shot and seriously wounded last night by Orlando police after one of the most extensive man hunts in the history of that city, is well known in Sanford for previous brushes with the law, Chief of Police Ray Williams said today.

The negro, who lived at 1186 Orange Avenue in Sanford, was convicted of armed robbery here in 1915, but escaped from the County Jail before he could be sent to Raiford, Chief Williams said.

Shortly after he had escaped, Green returned here and was shot in a bottle with Sanford police in Jacksonville.

Green is receiving treatment at Raiford, Chief Williams said. He was shot in the hip and a second time through the neck.

He has a record for the same at Chattahoochee, where he escaped. He also fled from custody in Miami and from a road gang in Fort Pierce, Chief Williams added.

Pursuit of the desperate marauder started at the home of E. G. (Red) Langston, at 701 Ridgewood Avenue in Orlando. Miss Rose Langston, daughter of Mr. Langston, turned on the light at the front of the house to go outside and empty the garbage. There she saw standing not six feet from her, impaled in the bright light, what she termed "the ugliest negro she ever saw."

A late hour last night Orange County Hospital authorities gave Green a chance to live, despite the fact that he was wounded twice—once through the hip and a second time through the neck.

Channel Ports And Ruhr Valley Are Blasted For Nine Days By British

Damascus Siege Is Near Climax

Australian Soldiers Advance Slowly In Face Of Resistance

PORTSMOUTH, June 20 (AP)—The Navy reported today that one of its oldest submarines, the O-9, a small undersize boat recently brought back into commission, was four hours overdue on a trip to the Isle of Shoals, not far from where the Squales sank 154 years ago with a loss of 26 lives.

The Rescue ship Falcon was reported at the scene. Admiral John D. Wainwright said the craft was making a dive in 370 feet of water. The craft normally carries two to four officers and around 30 men.

London disclosed today the R. A. F.'s nine-day series of blasts at the Channel "invasion ports," and the German Ruhr was an all-out attempt to smash preparations for a big Nazi push against England expected to soon as Germany settles matters with Russia.

Informed sources asserted Britain's intensive aerial offensive was carried out by hundreds of planes aimed at a dual objective.

To slow the German war effort by crippling the Reich's industrial output, particularly of synthetic oil.

To shut transportation routes from the base ports of material and personnel which the Germans will need when a full-scale invasion is launched.

Instructions to selectees have been received from the state headquarters of Selective Service as to how to conduct themselves before and after they are inducted into the army in the event they are called. The local board reported today.

If going from home to the induction station, the inductees are asked to be careful, sober and alert and careful of the property of the public carriers. Since the carrier is entering a new life and making new friends, he is advised that his comrades will be judging his actions.

Men who are employed are urged to remain their employers that they may be rejected when they report for induction into the army, and should ask that their jobs be held open for them. Owners of businesses are advised not to sell their business enterprises without a stipulation that they can reclaim it in the event they are rejected.

Unemployed persons are asked to register with the State Unemployment Service before they leave in order that they may have a better chance to get a job when their release from the army is effective.

When going to the induction station the selectee is instructed to travel light, carrying only a few handkerchiefs, socks, soap, towel and necessary toilet articles. These are not essential, however, as such necessary equipment will be furnished by the army. Jewelry and large sums of money are to be left at home as they may be easily lost.

Instructions advise the inductee to leave his automobile or motorcycle at home until he is told whether he may have it at the post. Since it takes time for the army to assign the selectee to a permanent unit men are advised to keep in touch with their families and friends but ask them not to write until they are given a complete address.

Classification for the type of job best fitted for a man will be held at the reception center and men are asked to recall all the jobs they have held, times when they have held them, and exactly what kind of work they have done on these jobs.

Instructions for the type of job best fitted for a man will be held at the reception center and men are asked to recall all the jobs they have held, times when they have held them, and exactly what kind of work they have done on these jobs.
