Buffalo Needs New Surprise

BUFFALO (AP) — "What I need right now is one more surprise," Buffalo Coach Floyd Smith said as he prepared his Sabres for Game 5 tonight against Montreal in their National Hockey League Stanley Cup playoff.

Coach Tommy Heinsohn vowing to continue the pressure defense tactics which helped the team to victory Saturday.

But the big question is whether the Celts can regain their shooting form.

"We have to stop that one weeney the Canadians have," Smith said. "This has to be their best power unit play since the days of Boom Boom Geoffrion, Dickie Moore, Jean Beliveau, Doug Harvey and Bert Oathead."

88 Golfers In Tourney

There will be 88 golfers taking to the links this weekend for the second annual Ball's Guild Open Golf Tournament at the Mayfair Country Club in Sanford.

NY Islanders Sinking

UNIONDALE, N.Y. (AP) — The story is a familiar one: the New York Islanders are one loss from playoff elimination, the Philadelphia Flyers one victory from moving on in Stanley Cup competition.

The Islanders went into the last game of their National Hockey League preliminary round tie-1 with the New York Rangers, then won the best-of-three series in overtime. They went into the fourth game of their quarter-final with the Pittsburgh Penguins with three consecutive losses, then came back to win four in a row and advance to the semifinals against the Flyers.

Unser Shuns Waiting Gripes At Indy

INDIANAPOLIS (AP) — Al Unser is smaller than the popular Eagles and McLarens, and powered by a modified Cosworth Ford Formula 1 engine.

"I feel I can run for the front row," he said of qualifications. "But I don't know about the pole. A.J. Foyt may have that locked up."

Cabinet Okays Rosenwald Recount

The Florida Cabinet has granted Education Commissioner Ralph Turlington permission to allow a pupil recount at Rosenwald Elementary School, thus saving Seminole County \$67,000 in much needed state funds.

Permittance came at a Cabinet meeting yesterday in Tallahassee and was a result of requests by Seminole school officials and efforts by State Sen. John Vogt, D-Cocoa Beach.

James Giddison, a Rosenwald parent filed a request for an investigation. And the U.S. Justice Department is expected to rule soon whether the School Board decision is in violation of a 1970 integration order for Seminole County schools.

Aeros Meet Nordiques

HOUSTON (AP) — If the Houston Aeros defeat the Quebec Nordiques in their World Hockey Association World Cup final series, the league should consider giving an assist to the Offshore Technology Conference.

With 40,000 conference delegates jamming virtually every available hotel space, the Nordiques have made more maneuvers of the ice than on trying to keep a roof over their heads while they battle the Aeros for the WHA championship.

"The nation's sixth largest city and we can't find a place to stay," said Nordiques Coach Jean-Yves Gendron, who's moved his team to three different locations since arriving here last Friday. "It's pretty tough to prepare to play."

Bulls After No. 3

MONTEAL (AP) — The scoring fireworks of the Chicago Bulls-Golden State Warriors playoff battle have moved from the frontcourt to the backcourt.

Norm Van Lier, Bulls guard, took the scoring pressure off forwards Bob Love and Chet Walker in game No. 3 Sunday in Chicago. His team leads 2-1 in the National Basketball Association Western Conference finals going into tonight's fourth game here.

Keystone opened the 1975 Sanford Senior Baseball League with an 11-1 plastering Monday night of Chase.

State Funding Available For Regional Crime Lab

By GLENN MCCASLAND Herald Staff Writer

State funding to keep the Regional Crime Lab in operation at the Sanford Airport took a giant step yesterday in Tallahassee, but Seminole County supporters were admittedly unhappy with the amount granted.

A coalition of state legislators approved \$445,308 by a vote of 78-33 to allow the lab to be part of the Florida Department of Criminal Law Enforcement (FDLE) operation. A request of \$540,000 had been made by local Crime Lab backers.
