Sanford, Florida — Monday, November 16, 1987

Robertson Comes In Close Second Seminole County GOPers Back Bush

By Brad Church Herald Staff Writer

Seminole County's delegation to the Florida Republican Presidency II Convention gave 55 percent of its votes to George Bush in the straw poll conducted Saturday afternoon, about what delegation leaders had predicted.

The county's 56 delegates who voted in the straw poll were in line with the overall vote. which gave Bush 57 percent. Television evangalist Pat Robertson garnered 36 percent of the convention-wide vote, and 41 percent of the Seminole County delegation's vote.

All other presidential delegates pulled out of the

straw vote, which was originally proposed to test the strength of the six major candidates.

However, candidates Alexander Haig. Pete duPont and Jack Kemp did not get fast enough to have their names removed from the ballot. Sen. Robert Dole instructed his supporters to vote for one of the other candidates.

About 12 of Seminole County's 57 delegates were Dole supporters, according to Ray Valdez, county GOP chairman. However Dole did not receive any votes from the delegation. One member voted for Halg and one abstained.

Bush, Robertson, Haig and Los Angeles businesoman Hen Fernandez, who has also declared

his candidacy, all addressed the convention. Dole campaigned at the convention Friday, and one of his campaign films was shown in lieu of a speech Saturday. Former Delaware Gov. duPont had planned to speak to the delegates but was unable to attend the convention because of the illness of

Thirty-two of the Semninole County delegates were chosen by lottery last August and another 14 were automatically members by virtue of being Republican party officials, officeholders or contributors of at least \$5,000 to the party.

The delegates drawn by lot were pretty evenly split between Robertson and Bush, but most of

those who became members by virtue of their positions were Bush supporters.

The same was true state wide, which led the other candidates to drop out of the straw pollamid charges that it was rigged in favor of Bush.

Only two counties. Palm Beach and Okalonsa gave majority votes to Robertson. Palm Beach gave 95 votes to Robertson and 73 to Bush, and Okaloosa voted in favor of Robertson 13-8.

Lake County voted narrowly in favor of Bush. 19-16. Orange County gave 75 votes to Bush and 45 to Robertson, and Volusia county voted 34-29 In favor of Bush.

Saturday. Below, Armand Chevigny, 61, from Montreal who now lives in Sebastian, connects with the softball for a solid hit during the track and field events.

Golden Age Games **Bask In Compliments**

By Jame Casselberry Herald Staff Writer

Track and field events at Seminole High School stadium and horseshoes in Fort Mellon Park brought the 13th annual Golden Age Games came to an end Saturday under sunny skies after a week of just about every kind of weather in the book.

Dave Farr, executive director of the Greater Sanford Chamber of Commerce which cosponsors the Games, estimated between 3,000 to 3,500 seniors 55 and older participated in the week-long event.

"There were a lot of good comments on the sports clinic and the opening social, Farr said."They were complimentary to the changes we made. There were 8 or 9 in the triathlon and they thought it was great.

"I seemed to meet a lot of first timers this year." Farr observed. "They were excited and said they were going to go home and practice so they could come back next year."

There won't be any rest for three of the Games athletes — Ham Morningstar, Marie-Louise See GAMES, page 10A

Jet Crash Kills 26 Take-Off At Denver In Snowstorm

By E.C. Mason

DENVER (UP!) - Aviation officials say they have no reason to blame a heavy snowstorm for the crash of Continental Airlines Flight 1713, which tipped and yawed as it tried to take off. then flipped over, skidded for a quarter-mile and broke apart.

Twenty-six of the 82 passengers and crew aboard the DC-9 died in Sunday's disaster at Stapleton International Airport, including the pilot and co-pilot.

The jetliner's "black box" flight recorder was retrieved Sunday for examination, and investigators from the National Transportation Safety Board planned to begin searching the snow-shrouded wreckage today for clues.

Passenger Libby Smoot of Ketchum, Idaho.

who was sitting near the rear of the DC-9 at the time of the crash, said she felt the plane shudder as it struggled to take off. Screams filled the cabin and mud poured into the plane as the torn

iuselage skimmed the ground, she said.
."The plane took off, tipped right, then tipped left." Smoot said. "We knew exactly what was happening We knew we were in trouble. It was terrible. A lot of people were acreaming, and on

the other side a ball of flame went right by." But for some reason the fuselage did not burst into flames, although some survivors were treated for smoke inhalation and one suffered extensive burns.

Several witnesses said the plane tipped to the right, then to the left, then flipped over on its top, skidding a quarter-mile on the dirt to the side of

Runway 35-Left. The left wing, the tail and the cockpit broke from the main funciage.

"That flight lasted five seconds, maybe six," sald Navy Lt. Curtis Renfro, an aviation maintenance officer on another flight landing on a runway parallel to 35-Left when the plane See JET, page 10A

Iran Attacks Two **U.S.-Managed Ships**

By Daniel J. Silva MANAMA. Bahrain (UPI) --Iranian gunboats fired rocket grenades at a U.S.-managed supertanker in the Perstan Gulf today - the second strike on a U.S.-managed ship in two days - and also attacked a Greek

Two Iranian gunboats attacked the 260,831-ton Esso. Freeport, owned by Exxon Corp. of New York, early today as it steamed off the coast of Dubai toward the Straight of Hormuz. shipping sources said.

Two hours later, Iranian gunboats attacked the Greek tanker Filikon L., the sources said. The ship was believed to be about 25 miles north of the United Arab Emirates port of Ras Al Khaimah and sent a May Day distress signal, the shipping Insurer Lloyd's of London reported.

The first attack on a U.S.-managed tanker came

struck the Libertan-registered motor tanker Lucy before dawn in the Stratt of Hormuz off the UAE, Lloyd's said.

The 36.512-ton oil tanker, managed by Maritime Overseas Corp. of New York, anchored off Dubat today, the shipping sources said. She was attacked by three Iranian speedboats and sustained damage to her starboard engine room.

Gunboats today fired rocket grenades at the Bahamianregistered Esso Freeport at 11:35 a.m., the sources said. It was loaded with crude oil taken on at Ras Tanura in Saudi Arabia, an ally of Iraq in its 7-year-old war with Iran.

As the Iranian grenades slammed into the Esso Freeport. the captain pleaded for assistance from U.S. Navy vessels in the area, yelling, "American warship, American warship," a Dubal shipping

sponse, the source said.

Because the U.S.-managed tankers are not Americanregistered, they are outside the protection of the U.S naval force escorting U.S.-flagged vessels through the Perisan Gulf to shield them from the crossfire of the Iran-Iraq war.

Iranian gunboats Nov. 6 attacked the U.S.-managed. Panamanian-registered tanker Grand Wisdom off the coast of the United Arab Emirates but there was no U.S. retaliation.

No crewmen were believed wounded and little damage done in the Iranian attack on the Esso Freeport, which entered the gulf Wednesday on the coattails of a French warship and was steaming through the Strait of Hormuz at full speed under her own power today, the shipping sources said.

Auto Dealer's Rezoning Back Before Longwood

By Jane Casselberry Herald Staff Writer

A controversial zoning change that would allow a new car dealership to be built at U.S. Highway 17-92 and Orange Avenue in Longwood will be back again before Longwood City Commission at tonight's meeting.

Ordinances, which would assign a future land use designation of Commercial, General to the part of the Lot 7. Entzminger's Farms Addition No. 1, and rezone it from Residential, Single Family-Duplex to C-3, Commercial, General were tabled at the Oct. 19 meeting.

Mayor Ed Myers was absent at the time and the commission was split 2.2 on a motion tentatively approving the ordinance. Attorney Michael

Kramer ruled that the ordinance was not moot and Deputy Mayor June Lormann Joined Commissioners Dave Gunter and Lynette Dennis in voting to table so all of the commissioners could be present.

Commissioner Harvey Smerilson opposed the rezoning.

Recommended for approval by the Land Planning Agency, the request will be coming

before the commission for the third time. There was opposition from Longwood Elementary School parents concerned about traffic and safety problems the proposed business might cause school children. Lot 7 is separated from the school by vacant property zoned R-2 Residential.

Here's Justice ...Texas Style

The judiciary is supposed to be above parochial grudges.

But tell that to the Supreme Court of Texas; it just refused even to hear New York-based Texaco's appeal of the \$10 billion prize that a Texas jury awarded two years ago to the home team, Pennzoil Co. of Houston.

Although 20 states filed briefs on Texaco's behalf, the Texas Supreme Court decided that, on the face of it, they had no grounds for complaint about the lower Texas courts.

It made just as short shrift of the federal Securities and Exchange Commission, which had urged it to take on the case because, the SEC said, federal law was breached by Pennzoil and ignored by the lower courts.

Indeed, the size of the award-double Pennzoil's entire net worth and unrelated in any explicable way to the damage Pennzoil might actually have suffered-should by itself have argued persuasively for judicial review of the lower courts' decisions.

. Yet the Texas Supreme Court refused.

"There was no reversible error," the court pronounced, an odd conclusion about a case during which the trial judge accepted a \$10,000 campaign contribution from one of Pennzoil's attorneys and in which it appears that the trial court seriously misconstrued, land the appeals court simply ignored, the New York laws that both parties agreed should be applied.

The Texas Supreme Court apparently was irked at all those outsiders criticizing the Texas judicial system.

And then there were those tiresome revelations that the Supreme Court judges themselves had accepted \$355,000 in campaign contributions from Pennzoil's lawyers over the past three years—a period during which Tenaco's attorneys contributed only

But the price others may have to pay for the court's fit of pique is high.

Texaco, the country's third largest oil company, is hard to cast as an underdog, even when it has been hit with far and away the largest damage award in American history and forced into bankruptcy proceedings as a result.

But there's a serious danger to the larger economy as well when the state courts stop enforcing sanity in litigation awards, when they give at least the appearance of selling out to the highest bidder, and when they parochially ignore their obligation to correctly apply the laws of other states and the federal

At every level, the Texas courts have chosen to ignore all that.

And it's possible that, for legal reasons, the U.S. Supreme Court will be unable to take on this case and straighten them out.

So much for justice in Texas.

BERRY'S WORLD

VINCENT CARROLL

Without Enemies, How Will We Know?

If a person can be judged by the quality of his enemies, how are we to judge political leaders who refuse to irritate anyone at air?

Name an interest group that Sen. Bob Dole, the recently announced presidential contender, has deliberately risked offending in promising to balance the federal budget. Now do the same for the other candidates.

If these men won't tell Americans what they're going to do when they reach the White House, how can they expect to muster support for difficult decisions afterward? The gridlock afflicting high-level Washington is not tilkely to evaporate with an administration led by one of these contenders.

President Reagan ran his 1980 campaign on the issues of a defense buildup and tax cuts. He got both. Four years later he unveiled his 'morning in America" theme, which is to say he ran on nothing in particular, and his record of achievement stalled.

Most candidates this time are serving up a goulash of generalities and evasions on the major economic issue of the day. Democrats don't want to cut spending-with the exception of the Pentagon-but only former Gov. Bruce Babbitt admits that he and his colleagues will be forced to raise taxes if they don't.

Republican Rep. Jack Kemp says we can trim the deficit through growth alone, as if anyone were against the idea. He seems even less interested in the deficit than the Democrats are.

The programs of Dole and Vice President George Bush are no more decipherable. The two Republicans simply flaunt their experience in the evident belief that Americans have wearled of specific promises and yearn to turn the country over to a competent manager.

If there's an exception to this dreary roll call, it's former Gov. Pierre "Pete" du Pont. Seemingly alone among the candidates, he prescribes bold action. Two examples: He'd phase out commodity price supports over five years (\$26 billion in savings) and face up to the unsustainable burden that Baby Boomers eventually will place on Social Security, supplementing the system with a variant of the Individual Retirement Account.

Unfortunately, all du Pont has earned for his

candor and vision is a 2 percent rating in the polls and brutal dismissal as a kook by The Washington Post. Well, if du Pont represents kookery, perhaps we should all retire to an asylum. Anyone who

thinks America can solve its long-term budgetary problems without tackling entitle-ments, from Social Security to agricultural subsidies, is ensconced in a reality-proof cocoon.
It may be true, admittedly, that most
Americans don't yet want to bite the budgetary

bullet. Over the years, a majority has con-sistently told polisters they oppose both higher taxes and cuts in federal programs. Yet that's where leadership is supposed to assert itself. Someone other than du Pont, who for all his

impressive specificity seems to be going nowhere in the Republican field, needs to come forward and tell Americans the truth about the

SCIENCE WORLD

Emotions Do Run Universal

By Gayle Toung UPI Belease Writer

NEW YORK (UPI) - When shown photographs of actors, people from diverse cultures around the world can universally agree on which emotions are expressed on their

But a new study suggests Asian people tend to downplay the intensity of some emotions. For instance, they may describe someone as merely "sad" when others say the person is "distraught" or "grief-stricken."
"We don't know if this means

(Asians) don't express emotions strongly or don't recognize them as strongly," said psychologist Paul Ekman, a professor at the University of California in San Francisco who conducted the study.

Fifty years ago, researchers thought each culture had distinctly different emotions and ways of expressing them. But a battery of studies since then has indicated there are seven known categories of emotion and they are universal.

The emotions - happiness, surprise, fear, anger, andness, diagust and contempt - are recognized by people everywhere. Researchers have yet to find an emotion in one culture that is not chared by every

In his first batch of studies, Ekman showed 18 photographs of people expressing six emotions to college students in the Soviet Union, Europe, Greece, Hong Kong. apan, Indonesia, Turkey and the United States.

Ekman said in a telephone interview that people from all cultures were not only able to identify the primary emotions on the actors' faces, but could universally pick up secondary emotions as well.

"A fearful face may seem sad also, or somewhat surprised," he said. 'They all were able to pick up on these secondary cues."

All of the study subjects were also able to identify which faces were expressing emotion more strongly than others.

Every culture agrees on the relative strength of an emotion, this one is angrier than that one, and so on." Ekman said.

But the researcher said he was surprised when the Japanese, Chinese and Indonesian subjects consistently described some emotions - specifically fear, anger and sadness—as less interse than did people from other cultures.

We thought maybe they were just being polite since the photographs were of Caucasians only." he said. "Perhaps they thought it impolite to say a foreigner was very

WASHINGTON WORLD

Will Anyone Lead?

By Arnold Sawislak UPI Senior Editor

WASHINGTON (UPI) - Of all the weird events Washington has wit-nessed in 1987, the Ginsburg affair has to rank high on the list of unlikely outcomes.

The idea that a person President Reagan selected for the Supreme Court might have to be dropped from consideration because of his lifestyle in the past was, to say the least, fantastic.

But that is why Judge Douglas Ginsburg is not going to be a member of the Supreme Court.

The idea that one of Reagan's nominees would arouse the opposition of the very people who backed the president's selection of Judge Robert Bork to the bitter end and then cheered his choice of Ginsburg seemed out of the question.

But Ginsburg quit or was presaured to withdraw because the New Right, not the Old Left, was repelled by his personal history.

The liberals who savaged Bork weren't about to attack Ginsburg because his doctor-wife had performed a few abortions when she was a medical resident or that he was involved in running a computer dating service more than 20 years

And they would have been the last people to go after the judge for smoking marijuana in the 1960s and 1970s, if for no other reason than many of them were doing the

The president publicly forgave Ginaburg his confessed sins, but it was Education Secretary William Bennett who, in the manner of Old Pew in "Treasure Island," delivered the black spot to Ginsburg.

Does anyone seriously believe Bennett would have told Ginsburg

to get out without at least tacit agreement from Reagan? Or, if he had acted on his own to torpedo a nominee the president really wanted to back, that Bennett would still be in the Cabinet? It also may be worth pondering

where the Ginsburg episode, combined with the political smash-up of Gary Hart, is going to leave the country in its future requirements for qualified public officials. If smoking pot is going to dis-

qualify any man or woman for government service, a significant portion of the population born after 1945 is out of the running for public service. If marital infidelity is a fatal flaw, that flunks many more politicians, past as well as present.

And it should be noted that the subject of premarital cohabitation hasn't yet come into this mix. If everyone now alive in the United States who ever lived with a man or woman before marriage is out of the running for public office, a facetious slogan of a few years back, "Nobody For President," might just become reality There is going to be no argument

here for situational ethics or for a repudiation of so-called middle class social values. That those values, whether or not honored more in the breach than the observance, have a firm old on the process of selecting leaders, was amply demonstrated by what happened to Ginsburg and

The more realistic question here may be when, if ever, do we forgive the personal transgressions of those who aspire to national leadership. Thus far, we have spent all of our time digging up sins of the past and either bemoaning or chortling over the consequences of those disclosures.

ROBERT WALTERS

Congress **Fights** For Pork

DENVER (NEA)—Although the Interior Department to phasing out its construction of extravagant water projects, politicians aren't about stop promoting public works boundoggies that place more emphasis on plumbing than policy.

The department's Bureau of Reclamation announced last month that it plans to virtually abandon the primary mission of its first 85 years-irrigating the arid West by constructing dams, aqueducts, canals and other massive public works projects.

Instead, the bureau will concentrate on assuring water quality, promoting water conservation and advancing other environmental causes-a drastic change for an agency that harnessed the Colorado. Columbia, Missouri and other rivers throughout the West.

(The bureau will conclude work on the two major initiatives not scheduled to be finished until well into the 1990s, the Central Arizona Project and the Central Utah Prolect.)

As part of its far-reaching reorganization, the agency plans to more in fraid quarter from Washington, D.C. to Denver. At the same time, "The bureau's staff of 8,000 will be shished to 4,000.

Belatedly acknowledging the end of an era in which the Hoover. Grand Coulee, Shasta and other huge dams were built, the bureau says it now recognizes that such projects "are becoming increasingly difficult to justify from an economic. budgetary and environmental perspective." But politicians are far more resistant to relinquishing their "pork barrel" prerogatives, as illustrated by the odyssey of the Water and Power Authorization Act

The legislation originated in the Senate, where it was a thinly disguised private relief bill sponsored by North Dakota's two senators to allow the community of Dickinson, N.D., to default on a legitimate debt.

The measure, as passed by the Senate, waived repayment of more than \$1 million that Dickinson owed the Bureau of Reclamation to compensate for cost overruns associated with a municipal water supply project built by the agency.

In the House, interior committee rules require that a majority of its 41 members be present when it conducts any official business-but only eight were in attendance on the day the Senate bill was considered.

Without a quorum and without any hearings, the committee proceeded to load the Senate bill with members' favorite projects.

JACK ANDERSON

Buy! Say The Munitions Makers

Dale Van Atta

WASHINGTON-In their zeal for glamorous high-technology weapons, have the Pentagon's generals overlooked the mundane basics of warfare? Critics in the nation's munitions industry complain that this is what's happened during the Reagan administration's trillion-dollar defense buildup.

Recognizing the difficulty of evoking sympathy for munitions makers, the industry bases its criticism on the damage being done to U.S. security as well as the harm inflicted on ammunition producers.

The Army has enough ammo on hand for only 45 days of conventional hostilities, industry spokesmen told our reporter Gary Clouser. They say it would take longer than that to create the production "surge" necessary to fill wartime requirements.

For example, in fiscal 1985 the

Army bought 115,000 combat rounds for its 105-millimeter cannons, the basic tank shell-and only 41,000 rounds in fiscal 1987. The Israelis fired more than 20,000 rounds per day during their 17-day conflict on the Golan Heights in

During the same 1985-1987 period, procurement of 105millimeter training rounds dropped from 530,000 to 274,000.

Because of overpricing scandals involving a few defense contractors. munitions industry spokesmen say. the Pentagon has made price its primary consideration, giving little if any weight to contractors' past performance and the impact of procurement policies on mobiliza-

The munitions makers also raise concerns about the defense department's reliance on foreign suppliers. Industry critics point out that this supply of material could be cut off any time the United States were to embark on a military operation that allied governments didn't want to get involved in. They also claim that foreign suppliers are more vulnerable to terrorist or other attacks.

The major munitions makers also criticize the percentage of defense contracts that by law is set aside for small businesses, claiming that these competitors are simply going after Pentagon business as a means to get through current economic problems. They also complain about competition from governmentowned munitions plants.

There seems little doubt that the major contractors are going through some hard times themselves. In fact, according to Ken Bernhardt. president of General Defense Corp.'s ordnance division in Red Lion. Pa., the munitions industry is in its worst shape in 30 years. Not only that, but Bernhardt expects the situation to get worse-no matter who is elected president next year.

While the Army's total procurement budget increased from \$18.6 billion in fiscal 1985 to \$20.9 billion for fiscal 1988, the amount budgeted for ammunition decreased from \$2.5 billion to \$2.4 billion. At the same time, the munitions makers have been hurt by the drastic drop in U.S. military sales overseas-from \$14.8 billion in 1980 to \$7.1 billion last year.

Under the circumstances, industry spokesmen say, it is becoming increasingly difficult for the munitions makers to provide the Army with a "mobilization base" for the various items of ordnance that would be needed if war broke out. While they have essentially just one customer-the governmenttheir engineers and production workers can find Jobs elsewhere. As production lines close down, these skilled workers are doing just that. which could leave the industry unable to handle the Army's demands in a military crisis.

NATION **IN BRIEF**

Soviets May Have High-Tech Listening Post Located in Iran

WASHINGTON (UPI) - U.S. intelligence analysts are evaluating reports that the Soviet Union is operating an electronic listening post in southern fran to monitor activities of U.S. Navy and European vessels protecting Arab shipping in the Persian Gulf, sources say.

The intercept station is reportedly monitoring ship-toship and ship-to-shore communications of naval forces in the gulf to learn about NATO. One intelligence analyst told United Press International that such interception would be a "lucrative harvest" because so much radio traffic is

"The Sovieta could track movements of U.S. ships and how they are coordinated with French, British and Italian the analyst explained in a recent interview. "(because) you can learn much more about how NATO works by watching it in operational circumstances than you can from training exercises."

Iran-Contra Report Released

WASHINGTON (UPI) - A senior Republican among the congressional Iran-Contra investigators will attach an addendum to the committees' final report Tuesday alleging possibly illegal acts were committed by key figures in the

Rep. William Broomfield of Michigan charges in his statement that a "range of potential improprieties and illegalities" were committed by former national security advisers John Poindexter and Robert McFarlane, fired White House side Oliver North and the late CIA Director William Casey.

Broomfield, who co-signed along with seven other Republican committee members a minority dissent to the joint report, uses his personal statement to steer somewhat of a middle course betwe n the majority and minority

Reagan Will Reassure Markets

WASHINGTON (UPI) - With his foreign policy under attack this week regarding Central America and, once again, the Iran-Contra scandal, President Reagan has two opportunities to promote a domestic policy for a sound

Reagan arranged to discuss his economic agenda before the American Council of Life Insurance today and the U.S. Chamber of Commerce Thursday. Through both speeches. he hopes to reassure volatile world financial markets.

The president, returning from a weekend at Camp David. Md., has expressed optimism that congressional and administration negotiators entering a fourth week of talks will be able to agree on a deficit reduction package before a Friday deadline for \$23 billion in across-the-board spending cuts.

U.S., Soviet Negotiators Work On Arms Control Treaty

GENEVA (UPI) - With the superpower summit three weeks away, U.S. and Soviet negotiators resumed work today to resolve the lingering obstacles to a treaty on eliminating two classes of nuclear missiles.

Chief U.S. arms negotiator Max Kampelman and chief Soviet delegate Yuli Vorontsov expressed confidence when asked whether they would settle on a treaty in time for the Dec. 7 summit between President Reagan and Soviet leader Mikhail Gorbachev in Washington.
"Yes, we will," Vorontsov said. Kampelman was

similarly optimistic.

The two men met Sunday evening over a crab dinner. and were back at work this morning at the U.S. diplomatic mission. They shared lunch at the Soviet mission.

"We are very close to the end of the negotiations on INF (Intermediate Nuclear Forces)." Kampelman said Sunday. 'I hope Ambassador Vorontsov and I can narrow the differences between us and perhaps resolve them."

Soviet, Cuban Troops in Battle

JOHANNESBURG, South Africa (UPI) - South African troops are battling Soviet and Cuban forces in Angola in a war only recently acknowledged by Pretoria and believed by some analysts to be Africa's biggest since World War II.

Angolan President Jose Eduardo Dos Santos told leaders of six "frontline" black states in Luanda Sunday that fighting raged unabated.

Military sources in South Africa said troops still were fighting a combined Soviet, Cuban and Angolan army in the sandy bushland up to 300 miles into Angola. The war is the first to pit South African troops and

aircraft directly against Soviet and Cuban forces propping up the Marxist Dos Santos government in Luanda. One Western diplomat said the battle was the biggest in

Africa since World War II, while another called it the last secret war of the television age. South Africa acknowledged the clash last week for the

first time in a brief statement issued by Defense Minister Gen. Magnus Malan. "Russia's ultimate target is South Africa." he said.

Kenya Detains Four Journalists

NAIROBI. Kenya (UPI) - An investigation opened today into the beating and detention of four Western journalists who were covering a student riot at Nairobi University.

The rioting came, students said, after police picked up three recently elected campus leaders. Hundreds of riot police with rifles and nightsticks cordoned off the downtown campus and used tear gas to disperse demonstrators who threw stones at the police.

The four Nairobi-based correspondents - Lindsey Hillsum of the British Broadcasting Corp., Didrikke Schanche of the Associated Press, Peer Meinert of the German Press Agency and Patrick Moser of United Press International - were detained for three hours at Nairobi central police station. No charges were filed against the

Shift Seen in Soviet PLO Support

MOSCOW (UPI) - Palestine Liberation Organization leader Yasser Arafat may be losing the Kremlin as a key backer, endangering his claim to be the major spokesman for the Palestinians, according to Western and Arab

The Soviet Union has sent signals to the United States and Israel that it is flexible concerning the PLO's possible role in an international Middle East peace conference long pushed by Moscow. It no longer refers to the PLO as the lone representative of the Palestinians.

County Schools Will Celebrate Special Week

Most of the public schools in Seminole County will participate in American Education Week. Monday through Saturday.

Under the overriding theme
"We the People . . . Building
Schools Together," several schools have scheduled days to salute teachers, principals. office staff, cafeteria workers. bus drivers, volunteers, families and students during the

Another popular event among schools is a "Spirit Day," when students will come dressed in school colors.

Essay, poetry and poster contests as well as skits and education trivia are on the agenda at many schools.

Among activities of special note are:

-Announcement at Lake Mary High School of the winner of a \$100 prize in an essay contest on "What Edu-cation Means To Me."

-Lunch with celebrities at Milwee Middle School: Monday with John Gabriel, assistant coach for Orlando Magic; Thursday with Bill Shaeffer. sports reporter for Channel 2: and Friday with Andrea Coudriet, anchorperson for Channel 2.

-A school assembly at Crooms School of Choice at 9 a.m. Wednesday featuring Karen Coleman, coordinator of community relations and public information for Seminole County schools.

-A school open house at Casselberry Elementary Wednesday from 9 to 11 a.m.

-Brian Hodberg

Comes To Finish Line First

Gielow Walks Way To Gold

Winifred Gielow said she's always been a very active person. Her winning of a gold medal in Friday morning's six--mile walking event in the 13th annual Golden Age Games backs up that claim.

Giclow, who said everybody has always called her Bill, took first place in her age division of the women's division of the race. There were three other women's divisions and six men's division's in the race.

Finishing the course with a time of 1.33:08, Gielow came in 1:41 minutes ahead of Helen Kaminski, Sanford, who had a time of 1.34:47. Grace McGonigle, of Sanford, placed third in Gielow's division.

The other gold medal winners in the women's category of the event feelude Carolyn Peet, of Indianapolis. In., Kav Thompson, of Lake Mary and Margaret High, of Raleigh, N.C.

Women's silver medal winners include Catherine Woodliff, of Orlando, Emma Foley, of Lake Helen and Helen Medani, of Winter Haven.

The other women's bronze medal winners were Kay Wild, of Vero Beach, Wava Tibbita, of Sanford and Naomi Slusser, of Sanford.

The gold medal winners in the men's division of the six-mile walk were: William Peet, of Indianapolis, in., Carl Mays, of Belivue, Oh., Raymond Foley, of Lake Helen, Louie Aiello, of Lady Lake, George Burton, of Orange City and William Maine, of

established 18 months ago to

provide youth with a drug and

alcohol-free recreation center.

Formerly known as the Rainbow

Game Room and Deli, the con-

cept of the center was expanded

when the new 7,000-square-feet building was selected to include

a thrift store and classrooms to

train handicapped people in work skills.

Winifred Gielew

Youngstown, Oh.

Silver medal winners in the event are: Sandy Crawford, of Toledo, Oh., Ralph Foulds, of Fern Park, Robert Rosenberger. of Zellwood. Elmer Stufflet, of

Sanford and E.A. Brewer, of Zellwood.

Men's division bronze medal winners include: Robert Smith. of Sanford. Stanley Abaskase, of Senford and Howard Jape, of

Mount Dora.

The event began at the Sanford Civic Center at 8:30 a.m. The weather, which was pleasantly cool when the walkers began their journey, according to Gielow, soon began to get rather warm. "We all took off our jackets and tied them around our waists." Giclow said.

As she walked by one of the homes along the course of the event. Gielow said she was told by the homeowners she could leave her jacket there and they would return it to the firmsh line for her. "I just untied my jacket and threw it down right there." she said. The garment was returned to her when she arrived at the civic center.

"There was nothing leisurely about the walk at all." Glelow said of the event. She added that she walked briskly throughout the race.

Glelow said she was pleased that she finished the walk at least 10 minutes in front of people in the event who are at least 10-12 years younger than

she is. Gielow, who was once the president of the Sanford Women's Club and has been in Sanford for 30 years, said people

can bet that she'll be back to enter in next year's leisure walk. -Richard Whittaher

Fun Center Refused Permission To Open

Merald Staff Writer

Sanford's City Commission turned down last week a request to allow Rainbow Future Family Fun Center to open prior to site plan approval by the Planning and Zoning Commission.

"The planning process involving site plan approval by the Planning and Zoning Com-mission cannot be circumvented, said City Manager Frank Faison. "They must take action, i.e. approval or denial, before the city commission can become involved."

The revised site plan for the new family and youth center will be considered by the Sanford Planning and Zoning Commission Thursday during its regular meeting at 7 p.m.

The site plan was tabled on Nov. 5 by the planning commission because some commissioners felt they were not given the plan early enough to review it properly. The plan was submitted with a request for a change of use for the building at 2895 Orlando Drive, which is planned as an after school activity center, thrift store, and handicap training center.

The planning commission's concerns included the liability of the youths using the swamp area to the east as a shortcut to the Pinecrest subdivision; adequate lighting and fencing: and the proximity of ABC Liquors. Inc., located adjacent to the

Although the city commission took no action on the request. Commissioner Whitey Eckstein said he had problems with the location of the center, which he called a "teenage nightclub." Commissioner John Mercer also said he had reservations about the building's location.

'If I were a parent of teenagers. I wouldn't want my children to have to go past the ABC store to get to the center." Mercer said.

Elaine Wilson, who operates the center along with her husband Del, said the lease on the building went into effect Nov. 1.

"We're losing money every day that we are closed," Wilson The center is a non-profit.

NOTICE OF MEETING CHARTER ADVISORY COMMITTEE

The Seminole County Board of County Commissioners established the Charter Advisory Committee to prepare recommendations regarding charter government. The committee will recommend whether or not Seminole County should consider a charter form of government.

Seminole County citizens are invited to meet in public session on TUESDAY, NOVEMBER 17, 1987, AT 7:00 P.M. AT CASSELBERRY CITY HALL, 95 Lake Triplet Drive, Casselberry, Florida 32707. The purpose of the meeting is to obtain public input and comments on a charter form of government.

"Persons are advised that, if they decide to appeal any decisions made at these meetings/hearings, they will need a record of the proceedings and for such purpose, they may need to insure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based, per Section 286.0105, Florida Statutes."

Congress Faces **Budget Deadline**

WASHINGTON (UPI) - Congressional budget negotiators say their bottom line is the "imperative" to meet this week's deadline for a plan that cuts \$23 billion from the deficit and that both their colleagues and President Reagan will buy.

Assessing the attuation before talks with the administration were expected to resume today, Democrats and Republicans leading the congressional delegation expressed confidence that a setback suffered last week could be overcome. 'We are going to be able to work out a budget

deal this week. I'm certainly optimistic," said Rep. Dan Rostenkowski of Illinois, the Democratic chairman of the House Ways and Means Committee. "I think it is imperative. We just have to,"

agreed House Republican leader Robert Michel, also of Illinois, who joined Rostenkowski on NBC's "Meet the Press" Sunday. Both lawmakers conceded, however, that with every House seat up for election next year,

politically sensitive measures could be killed on the House floor. "Quite frankly, that's what I think the down side of this last week was, when we were very euphoric," explained Michel. "We were on the verge of agreement and the letdown was after we went back and touched signals with some of our

He added, "Everybody has got to give in this thing. It won't be a unanimous vote. It's going to be split on both sides." Rostenkowski echoed those sentiments, saying,

You've got to go out there and convince your colleagues, and the climate isn't too conducive for Negotiators, entering their fourth week of talks today, are trying to beat a Friday deadline in

which the government will have to make

Pack Running Leads Lake Howell, Mary To State

By Chris Pieter Marai & Sports Writer

Saturday's 4A-3 Region meet at Jupiter's Carlin Park saw Lake Howell's Lady Silver Hawks continue to peak, Lake Mary's Rams pack together for a state berth and Lake Brantley's Lady Patriots take an unfortunate tumble.

Lake Howell, defending state champions, took top honors with a team score of 71 compared to 74 for Palm Bay, 81 for Lake Mary and the fourth state qualifying berth went to Boca Raton Spanish River with 117. Those four teams go on to Saturday's Class 4A State Meet and the Dunn Airpark in Titusville.

Lake Brantley, ranked seventh in the state going in, finished a disappointing fifth at 132 after freshman Joyce Tullis fell early in the race and could never fully recover.

There were seven runners in before Lake Howell's first Saturday, but the Lady Hawks won the meet as a team with four of the next seven finishers. Senior Bonnie Oliver led the Howell

Cross Country

pack with an eighth-place finish and time of 12:40. She was followed by junior Jenny Bolt (10th at 12:44), freshmen Michelle Cook (11th at 12:45) and Jessica Cardarelli (14th at 12:50) and Junior Stacy Johnson (33rd at 13:39). Also running were freshman Marinelle Lugo (48th at 13:56) and junior Michelle Lee (45th at 14:06).

"I'm very happy with this group." Lake Howell coach Tom Hammoniree said. "Nobody gave us a prayer the beginning of the year. The girls worked hard to create their own identity. I'm ecstatic with how far they've come and what they've done to get where they are."

As with Lake Howell, pack running was also the key for Lake Mary in Saturday's meet. The Lady Rama, who qualified for state for the first time since 1963, placed five runners within 22 seconds of each other.

Leading the way was sophomore Allison Snell who finished ninth with a time of 12:44. Following Snell for the Lady Rams were seniors Christine Adamson (15th at 12:57), Heather Heikkila (17th at 12:58), Tara Braheny (22nd at 13:05) and Tabetha Gano (23rd at 13:06). Also running was Shannon Duffy (81st at 15:58).

We looked real strong at the mile mark and we were the first team to have all five girls in so I knew instantly that we qualified," Lake Mary coach Mike Gibson said. "The girls held together really well and this team could do well at state if it keeps the pack together and moves up a little

Lake Brantley was led by Heather Camino (16th at 12:58), Beth Schaefer (19th at 13:01) and Chelsea Trotter (27th at 13:13). Its next two finishers, though, were 36th and 39th.

Tullis, who had been Brantley's number one runner and one of Seminole County's best all year, fell about 550 yards into the race on the crowded Carlin Park course.

"All I heard was Tulis feel going over the bridge in the early part of the race," Gibson said. "Tabatha (Gano) said she saw her on the ground when she went by and I guess she never really recovered."

SMOWNDA QUALIFIES IN SA

Seminole High senior Shownda Martin qualified as an individual for the Class 3A State Meet as she took third place in Saturday's 3A-2 Region meet at Dunn Airpark in Tituaville.

Martin, who has a best time of 12:04 this season, ran a 12:29 in taking third place. Angle McCall of Titusville Astronaut, the team champion, took first on her home course with a time of 12:11 and New Smyrna Beach's Sylvia Valdez was second at 12:18.

Seminole's Dorchelle Webster did not make the I top five, which was needed to qualify as individual, as she finished seventh with a time of 12:34, only two seconds behind No. 5 finisher Kim Lockwood of Rockledge.

Clearwater Outguns SCC

Special to the Herald

Clearwater AAU used a strong second half to just nip Seminole Community College, 103-100, in the finals of the Raider Classic Tournament Saturday night at

Clearwater, 14-0, just avoided an overtime period when Barry Dunning's three-point attempt just missed.

"I think we really played well tonight," SCC coach Bill Payne said. "We needed a game like this. I wish we had scored a few more points, but we had a good team effort."

Both teams came out blazing as the Raiders built as much as a 10-point lead in the first half. Clearwater, though, was able to hang close and stay within striking distance.

Seminole got on the board first with a pair of free-throws from center Rob Williams Williams and CAA's Jim Sweeney then traded of a pair of hoops. Dunnings three-point play with 16.54 remaining in the opening half then upped the lead to 11-8.

The teams then traded off hoops until the Raiders went on a six point run. Dunning hit an inside hoop at the 13:23 mark, Mark Hadden then connected on back to back baskets building up

Clearwater's 7-1 Mike Brittian then stopped the streak with a break away dunk to bring life. back into the AAU squad.

The teams went back to trading baskets before Seminole could come up with consecutive points. A technical foul called on Brittian sent SCC's Houston to the free-throw line where he made both attempts. Seminole then took the ball out of bounds and worked the clock with Hadden connecting at the 6:24

Malcolm Houston then woke up and hit a couple of threepoint goals building the Raiders lead to 46-36.

Hadden was then fouled on a break away and was awarded the shot and two free throws. Hadden connected on both attempts as the lead was built to its largest of the night at 50-38 with 5:22 to play.

Clearwater then began its comeback as Brittian connected on a three-point play with 4:17 remaining cutting the score to

Holly Keller and Houston then further on consecutive hoops to make the score 56-43 at 3:56.

Clearwater then ran off 10 straight points to put the momentum in its favor for the second half.

Brittian, who finished with a team high 22 points, scored consecutive hoops followed by two inside hoops by Roy Sashse. Bobby Parks, the tournament's Most Valuable Player, and Brittian each added a free-throw

See SCC, Page SA

SCC's Mark Hadden glides in for two points. Hadden scored 21 points Saturday but the Raiders fell just short, 103-100, against Clearwater AAU in te finals of the Raider Classic

Mitchell, Radkewich Go 1-2 At Region

Lyman's Greyhounds have one of the best one-two punches in the state in sophomore Teddy Mitchell and Nick Radkewich. In Saturday's 4A-3 Region Meet at Jupiter's Carlin Park, though, it was more like a one-one and a haif punch.

Mitchell and Radkewich battled to nearly a dead heat in the individual race to lead Lyman to a second place finish a berth in the Class 4A State Meet. Both Mitchell and Radkewich finished with a time of 15:10, best in the area this scason.

"I didn't see the last 300 yards of the race," Lyman coach Fred Finke said, "Four different people came up to me and two of them said Teddy (Mitchell) won and two said Nick (Radkewich)

"It was awful close to being a dead heat," Finke added. "The coach at the line said he hated to

Lyman finished with a team score of 76 while Orlando Oak Ridge was first at 61. Also qualifying for state were Palm Bay (87) and West Palm Beach Twin Lakes (122) Lake Mary's Rams were a close fifth (129) but failed to qualify although senior Brad Smith (fourth) qualified as an individual.

Mitchell and Radkewich, who have run 1.2 in most of the again set the pace of the race. The two stayed right with each other, then sprinted it out in the last 300 yards with the officials judging Mitchell just outleaned Radkewich at the finish.

"The old course record there was 15:59," Finke said. "The coach down there said he didn't think anyone could break 15:55 on it. I said, 'you haven't seen these two kids run.'

After Mitchell and Radkewich, Lyman's next three runners all turned in strong races as Darren Titusville High at 86.

Cross Country

Marshall finished 20th at 16:21. Kevin Padgett was 24th at 16:29. and James Flint was 29th at 16:38. Also running were Mark Ewers (50th at 17:26) and Danny Carr (62nd at 17:42).

"The kids came ready to run," Finke said. "We had five of seven run personal records and we are just now starting to get hot and starting to produce."

Oak Ridge had a pretty tight pack as its top five went, 8-10-12-15-16, but Finke believes Lyman can pass the Pioneers at this Saturday's state

'What will hurt them at state. is the other teams will have two or three good kids that will push Oak Ridge's first man back to about 18 or 20," Finke said. "Our goal is to finish in the top four. Yo have to have luck and be able to take advantage of the opportunities given to be successful at state.

Smith qualified for state as an individual as he finished fourth with a time of 15:32. It was a comfortable fourth-place finish for Smith, though, as the next runner was eight seconds back. Lake Mary sophomore Matt Sutliff came in 13th at 16:01.

Lake Howell's Silver Hawks also fell short of state as the Unished sixth at 141 but the Hawks had a definite bright spot in junior Kavan Howell who came in 11th place with a season's best time of 15:51.

SEMINOLE FALLS SHORT

Seminole High's boys team fell two places short of a statequalifying berth as they took sixth place at the 3A-2 Region meet at Titsuville's Dunn Airpark. Bishop Moore was first at 30 followed by Astronaut at 71. Rockledge at 82 and

Kramer Rallies **Vikes Past Bucs**

MINNEAPOLIS (UPI) - The Minnesota Vikings have more trouble finding a No. 1 quarterback than winning.

the Vikings trailed at halftime without scoring a touchdown and went on to win after switching quarterbacks. Last week Wade Wilson relieved Tommy Kramer in a victory over the Los Angeles Raiders. Kramer replaced Wilson Sunday and lifted the Vikings to a 23-17 triumph over Tampa Bay.

"It was nice to win. We had some trouble putting the ball in the end zone." Kramer sald. "Fortunately, our defense is keeping us in games, causing turnovers and giving us position. That's the sign of a damn good team. We're not playing well on offense and are still winning."

Kramer completed four of nine passes for 30 yards and one TD and was intercepted once as the Vikilngs improved to 5-4 and dropped their NFC Central foes to 4.5. Wilson hit 9 of 18 for 97 yards, no TDs and no interceptions before he was benched at

Darrin Nelson rushed 17 times for 104 yards to lead the Vikings' ground game.

"I've had plenty of opportunities," Wilson said. "Offensively, as a whole, we haven't been performing well, but we're winning games - that's what's

The Vikings played their sec-

Football

For the second straight week, and straight strong defensive game, using a strong pass rush to come up with an interception. three fumble recoveries and four sacks of Steve DeBerg.

"I didn't think we were going to get to him as much as we did," said Chris Doleman, who has been converted from linebacker to defensive end. You have to develop confidence in rushing the passer. I'm starting to feel better each week."

Tampa Bay Coach Ray Perkins said he liked the way his team played except for the turnovers.

"They've got a talented team. and you can't afford to make mistakes and win against a team like them," Perkins said. "They deserved to win the game. We had some breakdowns and some plays when we were overmatched. That's a tribute to their

team. The Buccaneers run the ball just nine times for 15 yards, putting their money on DeBerg's

"We might not run it again all year," Perkins joked. "We're going to do what we do best and

that's throw the ball." Vikings Coach Jerry Burns said he made the quarterback switch because the offense wasn't moving the ball.

Kareem Lean

Kareem Abdul-Jabbar leans toward the hoop. Jabbar scored 19 points Sunday in the Lakers' romp over San Antonio. The game was highlighted by Magic Johnson who became Los Angele's all-time leading assist man.

Florida State To Get Fiesta Bowl Invitation

Herald Spects Writer

TALLAHASSEE - The Florida State Seminoles, ranked fourth in the nation and owners of a 9-1 record, will be receiving an offer Saturday from the Flesta Bowl to play in the game that crowned Penn State the National Champion last season.

"Florida State has been our choice for this game from the outset." said Flesta Bowl representative Bill Shover, who watched the Tribe dump Division I-AA Furman, 41-10, on Saturday night before 50,087 onlookers at Doak Cambell Stadium. 'We will be extending our invitation to them next week, and we feel that they are going to

"I have seen all of the top 10 teams in the country in person with the exception of Oklahoma." Shover continued. "And I truly believe that FSU is

the best team in the country." The potential Fiesta matchup has FSU going up against the loser of the Big 8 Championship game between Oklahoma-Nebraska game, which will be played next Saturday in Lincoln. Nebraska. "We look for a game that has the most attractive matchup," Shover said. "The Big 8 runner-up against Florida State is the best possible game that we oculd have." The Big 8 winner will take on Miami in the Orange Bowl on New Year's Day.

Shover said that even if FSU should fall to Florida on Nov. 28. it would not tarnish the pro-

Football

posed game. "FSU is our team regardless of the outcome of that game." Shover said. "In fact, we'l don't even have any back-up teams for them.'

Oklahoma and Nebraska, ranked 1.2 and both unbeaten, will open up the door for FSU to move up to No. 3 in the poll in two weeks.

"With one of those two teams losing. I'm sure that FSU will move up to No. 3." Shover said. "We'd like to see FSU move up as high as possible. I think that the loser of the Oklahoma-Nebraska game will drop down to No. 5 or 6 and a game! between the third and fifthranked teams would be all that we could ever ask for.'

FSU still has an outside! chance at a National Championship if it gets help from a few other teams. If Notre Dame upsets Miami on Nov. 28 and the Big 8 champion loses to the Hurricanes in the Orange Bowl. FSU would have a shot at the National Championship if it beats the Big 8 runner-up in the Fiesta. "If those things happen." FSU has an excellent chance at! the championship." Shover said.

Shover said that Nebraska coach Tom Osborne, whose team played Arizona State in Phoenix earlier in the year, and played in the 1986 Fiesta Bowl, may not want to play in this year's Fiesta.

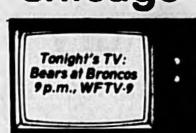

Desperate Denver Hosts 7-1 Chicago

DENVER (UPI) - The Denver Broncos, in desperate need of a victory to maintain hopes of a second straight Super Bowl trip, will try Monday night to do something NFL teams have had a hard time doing lately - get in front of the Chicago Bears and stay there.

Over the last three weeks the NFC Central-leading Bears have fallen behind Tampa Bay by 20. Kansas City by 14 and Green Bay by 8, but have rallied to win all three. That has given them a 7-1 record and a comfortable advantage in search of their fourth straight division crown. Denver, 4-3-1, is coming off an unexpected road loss to Buffalo.

We've dug ourselves a big hole," Denver Coach Dan Reeves said. "We still have five games lest within our division, including two against the (AFC West leading-) Chargers. "We have to get started this week. It's a tough assignment, but we have to start now."

Denver needs to see better numbers than quarterback John Elway produced last week in the 21-14 loss to Buffalo.

Elway, hero of Denver's march to the AFC title last year, completed just 13 of 30 passes last week for 163 yards. His first-half statistics (1 of 9 for 4 yards) were his lowest since

early in his pro career. Nevertheless, the Broncos come into the meeting with Chicago leading the AFC in total offense - averaging 365 yards

This will be the second of three Monday night showings for the Bears and the first one turned out to be an impressive 34-19 victory over the defending Super Bowl-champion New York Giants.

But Chicago has been a poor road team Monday night posting a 2-9 record. Two of the

NFL audiences. Chicago has won the last 25 games McMahon started. Last week he threw 42 passes against Monday night appearance. He Green Bay, surpassing his pre-

has started only one other vious high by four.

Joe Montana has a talk with San Francisco coach Bill Walsh. The Niners took It on the chin Sunday, losing to New Orleans,

Montana moved the 49ers in position for a 35-yard Ray Wersching field goal and threw a 29-yard touchdown pass to tight end Ron Heller to put the 49ers ahead 26-24 wth 2:54 left.

Saints quarterback Bobby Hebert brought the Sainta back. moving them to the San Francisco 24 with completions of 23 yards to Lonzell Hill and 31 vards to Eric Martin.

Big Day For Dickerson, McNeil, White, Walker

United Press International Eric Dickerson, Freeman McNeil, Herschel Walker and Charles White Sunday removed any doubts their coaches or critics had about their effectiveness by showing how a top running back can control a

Dickerson rushed for 154 yards to help Indianapolis blast Mismi 40-21; McNeil gained 184 yards to fuel the New York Jets' 16-9 victory over Kanaas City: Walker gained 173 yards and burst 60 for the game-winning touchdown to give Dallas a 23-17 overtime triumph over-New England: and White rushed for 213 yards in the Los Angeles Rams' 27-24 victory over St.

Walker and White were Heisman Trophy winners and the other two were All-Americans, but there has been debate about each back's worth at some point this season.

At Miami, Dickerson, who was criticized for a crucial fumble last week, sparked the Colts to their first victory over the Dolphins in 15 tries dating to 1960. It was Dickerson's third game for the Colts since he was traded from the Rams. He gained 138 yards last week against San Diego but lost a fumble at the Chargers' 1 in a 16-13 loss. Dickerson scored his first TD for the Colts Sunday on a 4-yard run and combined with Albert Bentley to help Indianapolis control the ball on the ground.

The Colts remained tied with the New York Jets for first in the AFC East at 5-4. The Dolphins slipped to 4.5 and out of a five-way tie in the division.

"I said at the beginning of the week that if we could beat Miami it would mark the resurgence of the Colts," Indianapolis Coach Ron Meyer said. "Well, we beat Miami and we're in first place, so I guess the resurgence is here."

At Kansas City, Mo., McNell, benched a week ago, ran up the second-highest yardage total in his seven-year career, and set up Ken O'Brien's 18-yard pass to Al Toon for the only touchdown of the game, which was played in a steady rain.

McNeil, benched in favor of Johnny Hector last week, set up two touchdowns in the fourth quarter of a Monday night game against Seattle to win back his starting job.

'My attitude was to go out and be able to do the things they wanted me to do," McNeil said. "Looking over the past few weeks, it was a tough experience for me. I'm a professional and it's my job. I just want to keep going forward, whether it (is) adversity or a day like today when I saw a lot of daylight."

The Chiefs slipped to 1.8 and set a franchise record with their eighth straight loss.

At Foxboro, Mass., Walker, who complained about not carrying the ball enough earlier this week, started over Tony Dorsett and made Coach Tom Landry's decision work.

and see nothing but the end zone. I feel I can score," said Walker, who made his first start and ended the game 1:50 into 6.3 and the Packers, who had overtime.

Dallas improved to 5-4 and the tie for the AFC East lead. Dorsett, who ran only once for 5 shoulder. X-rays proved nega-

Football

At St. Louis, White had the best rushing day of his oftendisappointing seven-year career. Replacing Dickerson. White was the workhorse on the Rama' 23-play game-winning drive. White gained 62 yards on 12 carries as the Rams held the ball the final 11:01 and won on Mike Lansford's 20-yard field goal on the last play.

"It was a great performance by Charlie White," Rams Coach John Robinson said, "It's not the first time in his career he's done those things. When he gets running on you, he gets stronger.

The Rams, 2-7, snapped a four-game losing streak. The Cardinals fell to 3-6.

In other games, Cleveland bumped Buffalo 27-21, Houston crushed Pittsburgh 23-3. New Orleans downed Sun Francisco 26-24, Washington tripped Detroit 20-13, the New York Glants shaded Philadelphia 20-17, Minnesota edged Tampa Bay 23-17, Seattle slammed Green Bay 24-13 and Cincinnati defeated Atlanta 16-10. Browns......37

At Cleveland, Bernie Kosar passed for 348 yards and two touchdowns and Ray Ellis returned a fumble 27 yards for a touchdown to lift the Browns. Cleveland improved to 6-3 and remained tied with Houston for first place in the AFC Central. Buffalo fell to 4.5 and dropped from a five-way tie for first in the AFC East. Oliere.....23

Steelers.....3 At Pittsburgh, Warren Moon completed 18 of 24 passes for 252 yards and two touchdowns to lead the Oilers. The Oilers. 6-3, remained tied with Cleveland in the AFC Central, while the Steelers dropped a game behind at 5-4.

Redskins.....20 Liens...... 13 At Washington, Doug Williams

replaced slumping Jay Schroeder in the second quarter and threw for touchdowns on his first two drives to power the Redskins to their 12th straight triumph over the Lions. Washington, leading the NFC East, improved to 7-2. The Lions fell to 2 6. Gianto.....20

Eagles 17 At Philadelphia, Raul Allegre kicked a 52-yard field goal with

11:12 remaining to lift the Giants. The Eagles squandered a chance to tie when Paul McFadden missed a 39-yard field goal with 25 seconds left. The Eagles, 4.5, had a three-game winning streak snapped and the Glants, 3-6, won their second straight.

Seahawks......24

Packers......13 At Seattle, Curt Warner "Once I get in the open field rushed for 123 yards on 25 carries, including a 57-yard touchdown dash, to lead the Seahawks. Seattle improved to five turnovers, fell to 3-5-1.

Bengale 16

At Atlanta, Larry Kinnebrew powered into the end zone from yards, left the game in the third 2 yards with 23 seconds left to quarter with a bruised left rally the Bengals. Cincinnatt is

Improving Saints Edge 49ers, 26-24

SAN FRANCISCO (UPI) - The New Orleans Saints inched closer to their first winning campaign by clearing their largest hurdle this season.

Morten Anderson converted a 40-yard field goal with 1:48 to play Sunday to help the Saints defeat San Francisco 26-24, ending the 49ers' seven-game

winning streak. New Orleans, at 6-3, is off to its best start in its 21-year history, a span in which the Saints have never finished better than .500 nor reached the playoffs. New Orleans is one behind the firstplace 49ers in the NFC West.

Four weeks ago, Andersen missed a 52-yard field-goal try in the final seconds to allow San Francisco to escape with a 24-22

"I don't think about what's in the past," said Andersen, who is

9 of 12 against the 49ers this season. "I try to think about what's at hand. I'm paid well; that's my job - to win ball games.

Two of Andersen's field goals were set up by interceptions of Joe Montana passes. The 49ers quarterback had sat out the first quarter with an injured hand.

"I made a couple mistakes early that gave up six points." Montana said. "You can't make mistakes like that against a team with as good an offense as New Orleans. Those turnovers had more to do with the outcome than the play of the offense and defense.

With San Francisco trailing 23-14 after three quarters.

Football

we win our next two games and go 10-1 then we can write our own ticket," said Winslow. "We told ourselves the next few weeks starting with this game would give a tell-tale sign of how good this team is."

San Diego. 8-1 and in first place in the AFC West, travels to Seattle to face the second-place Scahawks next week.

'It's easier going into Scattle when you are 8-1 than when you are 1-8," said Fouts.

The Chargers were outgained by Los Angeles 365-248, and Wilson was 15 of 32 for 228 yards while Fouts was also 15 of 32 but for only 149 yards.

The Raiders, however, came up scoreless until the fourth quarter and amassed 187 yards in penalties.

"We just didn't generate enough offense in the first half, and because of that, we came up a field goal short." said Raiders Coach Tom Flores. "We didn't execute well

Surprising Chargers Stump Raiders enough, ohviously, or we wouldn't have had so many penalties."

The Chargers capitalized on a turnover to open scoring after linebacker Billy Ray Smith grabbed a pass intended for James Lofton at the Raiders 22.

an uncovered Winslow for a touchdown that gave San Diego a 7-0 lead at 5:51 of the first

Eight plays later, Fouts threw 9 yards to

The Raiders' Chris Bahr missed a 41-yard field goal with 4:07 left in the quarter.

In the second quarter. Abbott kicked field goals of 38, 47 and 39 yards on the first three San Diego possessions, staking the Chargers to a 16-0 halftime lead.

Abbott's second field goal was set up by a fumble recovery by linebacker Jeffrey

"They seemed to keep us deep in our own territory during most of the first half," said

Continued from 7A

"The only way you can change chemistry on the field is to change the quarterback." Burns said. "We're nowhere near a contending team, a championship team or where we want to be from an offensive stand-

On his first series, Kramer completed 14- and 12-yard passes to Anthony Carter and had two fall incomplete. Then on the ninth play of the drive. Tampa Bay's Rod Jones interfered with Hassan Jones in the end zone, giving Minnesota a first down on the 1. Rookie Rick Fenney bulled in for the TD and a 13-7 Vikings lead with 10:58 left in the third quarter.

Tampa Bay answered with a 26-yard field goal by Donald Igwebuike three minutes later to make it 13-10.

Minnesota's Neal Guggemos returned the ensuing kickoff 41 yards and the Vikings moved to the Buccaneers' 5 before stalling. Chuck Nelson kicked a 26-yard field goal to make it 16-10 with :03 left in the period. It was Nelson's third field goal of

The Vikings stretched their lead to 23-10 when Chris Doleman knocked the ball out of made his second fumble recovery. Three plays later, Kramer rolled right on a naked bootleg and tossed a 2-yard TD pass to Steve Jordan.

The Buccaneers made it 23-17 with 7:55 left when Phil Freeman hauled in a DeBerg pass that bounced off the hands of cornerback Wayne Smith and raced 64 yards on third and 24 for a TD.

Another Tanipa Bay drive to the Minnesota 37 was thwarted when Wymon Henderson intercepted DeBerg and returned it 17 yards to the Vikings' 42.

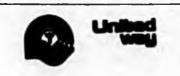

Tampa Bay took a 7-8 halftime lead, scoring a 20-yard pass from DeBerg to Calvin Magee with 11:02 left in the second quarter. Nelson kicked second-quarter field goals of 29 and 27 yards to pull Minnesota within one.

Tampa Bay drove from its 24 to the Minnesota I on its first possession, but Jeff Smith fumbled and Chris Martin recovered for the Vikings. The Vikings moved to the Tampa Bay 4 but bogged down and Nelson missed a 21-yard field goal attempt.

Minnesota lost two centers in the first period. Kirk Lowdermilk suffered a knee injury and then Dennis Swilley broke his leg. Left tackle David Huffman switched to center until DeBerg's grasp and Keith Millard Lowdermilk returned in the sec-

Steve DeBerg and the Tampa Bay Bucs committed too many mistakes Sunday and, as a result, dropped a 23-17 decision to the Minnesota Vikings in a big NFC Central matchup.

Gators Look Toward Hawaii

Training their eyes just beyond a blinking scoreboard, the Florida Gators envisioned the inviting shores of Waikiki.

Florida overcame 13 penalties and a fourth-quarter lapse Saturday in beating Kentucky 27-14, handing the Wildcats their 10th straight SEC road loss. Stacey Simmons returned the opening kickoff 94 yards for a touchdown and caught a record-breaking scoring pass from Kerwin Bell as the Gators effectively clinched a berth in the Aloha Bowl on Christmas

"You don't get to go to Hawaii very often," said Bell, who completed 12 of 20 passes for 160 yards and became the Southeastern Conference leader in career TD passes. "We expect to get a bid. We took care of our end of business and I hope they come through."

Aloha Bowl officials watched the nationally televised game and remarks by Executive Director Richard Fishback certainly didn't dampen Gator plans for a unique Christmas

'They just about showed us all the weapons on their offense and the defense was strong through three quarters," Fishback said. "Of course, we aren't allowed a firm commitment, but we think it (Florida Florida State. Our players know

Football

and the Aloha Bowl) is a good combination.'

Bowl bids cannot be officially extended until Saturday, but the Wildcats already know they will be watching post-season action from home. After a 4-1 start. Kentucky fell to 5.5 as the Gators grabbed a 27-0 lead and hung on.

This game meant a lot to our season and our chance at a bowl," said Kentucky running back Ivory Joe Hunter. "We have one more game (Tennessee) and we'll treat it as our whole season rides on It."

Kentucky's Mark Higgs. averaging 7.3 yards per carry entering the game, fumbled twice and gained just 46 yards in 13 carries. Florida freshman Emmitt Smith, turning in his seventh 100-yard game, rushed for 112 yards in 24 attempts as Florida improved to 6-4 by ending a two-game losing streak.

When we play the way we did in the first three quarters, I think this team deserves a bowl bid," said Florida Coach Galen Hall. "We played the third-toughest schedule in the nation and we're 6-4. We have to play much better than we did today if we are to have a chance against

that and our coaches know that."

The Gators close their regular season Nov. 28 against the fourth-ranked Seminoles and they will need Simmons' game-breaking speed to have any chance of beating Florida State for the seventh consecutive time. Simmons, converted from running back to wide receiver last year, caught a tipped 39yard touchdown pass from Bell midway through the second period to give Florida a 17-0

Bell's 55th career scoring pass moved him past ex-Gator John Reaves atop the SEC list and the four-year starter added an 11yard TD pass to Ernie Mills. Robert McGinty kicked field goals of 44 and 45 yards.

Reserve quarterback Glenn Fohr led Kentucky's comeback bid, hitting Charlie Darrington to cap a 93-yard drive. Minutes after Fohr fumbled at the Florida goal-line, sophomore fullback Darren Bilberry scored from two yards out for the Wildcats, who were undermined by four turn-

"Simmons' kickoff return put them off to a running start," said Kentucky Coach Jerry Clathorne. "We had poor coverage, but he did a heck of a job running with it."

'Knightmare': FAMU Spoils UCF's Playoff Hopes

By Scott Sender
Herald Sports Writer
TALLAHASSEE — Over the past few years, the University of Central Florida football team has lost just about every big game that it has played

On Saturday afternoon in what was undoubtedly the biggest game in UCF history against Division I-AA Florida A&M, the Knights dream of making the Div. If playoffs for the first time in school history turned into a "Knightmare".

Using a feroclous defense that kept UCF's "Air Supply" offense grounded, the Rattlers came away with an exciting 19-14 come-from-behind victory before 4.803 rowdy fans at Bragg Memorial Stadium.

Down, 19-14, with 3:55 left, UCF made a furious comeback attempt. The Knights marched from their own 44 to the FAMU five-yard line. UCF quarterback, Darin Slack, threw what appeared to be the winning touchdown pass to tight-end Donald Grayson. The catch, however. was nullified on a holding call.

Four plays and two penaltys later. Slack hit wide-receiver Poe White, in the chest in the end zone. But the ball bounced off Whit'e chest and feli to the turf.

Football

"I tried to catch it with my body." White said in a somber UCF locker room. "I guess they just wanted it more than us."

In all, the Knights ran 17 plays on their final drive with 13 of them coming inside the FAMU 20-yard line. The Rattler defense, however, was

After the game, UCF coach Gene McDowell declared the Knights out of the playoff picture. "There is no way that we can make the playoffs now. They are history. I'm on the voting panel and I sure can't vote for us," McDowell sad. "You have to give credit to them. They played an excellent defensive game. We had our chances, but we didn't make the most of them.

The A&M defense, ranked first in the nation against the pass (109 yards per game), limited the usually explosive UCF offense to 302 net yards (233 in the air, and 69 on the ground). The Rattlers put constant pressure on Slack, sacking him nine times. Slack had been sucked just four

times in the four previous games.

The setback broke a five-game UCF winning

streak. The Knights are 7-3 overall and will end the season next week when they host Morningside (lowa). All three of UCF's losses have come from I-AA teams, and have been by a combined total of 14 points.

The triumph. FAMU's second in a row improves the Rattlers to 4-5-1. FAMU will end its season when it takes on Bethune-Cookman in Jacksonville in two weeks.

The UCF defense played well as it limited the FAMU offense to 207 net yards. But the fine defensive performance was oveshadowed by the FAMU defense.

Just about everything that could have gone wrong for UCF did. UCF kicker Eddie O'Brien, the leading kicker in the country, missed a pair of medium range field goals. "We usually make those." McDowell said. "But it just wasn't our day.

"I just missed them," O'Brien said. "There was no excuse for it."

Down 12-7 at halftime, UCF took the second half kickoff and drove 67 yards in nine plays. Robert Ector's four-yard touchdown run gave the Knights a 14-12 lead early in the third period.

FAMU took advantage of a UCF miscue midway through the final period, and scored what amounted to be the winning touchdown. Slack hit White over the middle, but Wite coughed the ball up at the A&M 45.

FAMU quarterback Andre Williams culminated the eight-play, 55-yard drive when he strolled into

the end zone on a seven-yard naked bootleg. They got the big score when they had to." McDowell said. "We played well, but we could have played a heck of a lot better."

The Rattlers took a quick 7-0 lead three minutes into the game when running back Sean Gilliam broke a pair of tackles and scurried 54 vards for a touchdown.

UCF tied the game at 7-7 on its next possession when tailback Mark Giacone capped a seven-play. 70-yard drive with a one-yard touchdown plunge. FAMU took a 9-7 when Slack fumbled a snap from center and slipped in his own end zone. giving the Rattlers an easy safety.

FAMU made the halltime score 12.7 late in the first quarter when Jimmy Vertuno booted a

"We've worked so hard to make the playofts." McDowell said. "It is really hard to see it end like

Burgess, Lewis Earn State Bids

By Chris Fister

Herald Sports Writer Seminole High sophomore Clasy Burgess, one of the best young swimmers around, qualifled for her second consecutive state meet while junior Scott Lewis came out of nowhere and pulled off a big surprise by getting an automatic state bid in the 100 backstroke in Saturday's 3A-3 District Championships at the Sharidan Aquatic Club in Longwood.

Burgess got an automatic berth in the 100 butterfly where she finished third with a time of 1.02.77. She also took fourth in the 200 freestyle at 2:03.53 and has a shot at an at-large bid in that event.

"Clssy (Burgess) had a real gutsy swim in the fly," Seminole coach Tony Ackerson said. "She barely touched out the fourth place gtrl. In the 200 free, she swam her best time of the season by four seconds."

Lewis, who Ackerson thought would swim his best time but was not expected to qualify for state, went into the meet with a personal record of 1:07 in the backstroke. In the preliminatios. he swam a 1:03.84 to get the fourth seed in the linals. In the finals, he went even faster, as he churned to a 1 02.61 for third place and the state berth.

Scott (Lewis) shocked everybody," Ackerson said. "To go down almost five seconds is incredible. Even if he hadn't made state, it still would have been a tremendous meet for him but this just makes it a lot sweeter."

Lewis also made the consolation finals in the 100 butterfly and swam his lifetime best with a 1:04.37 which was second in the consolation final.

Seminole's 200 medley relay team also made good on its goal of going under two minutes in the event. After a 1:59 in the prelims, though, Seminole did not make the finals and had to settle for a second in the consolation final. But the team of Lewis, David Johnson, Matt Chock and Jeff Belford swam an outstanding time of 1:57.4.

Lake Brantley's Barb Billmyer (14), Pam Wittig (back), Wendy Vickery, Kim Gunderson and Dawn Gebhart have a confab.

Brantley To Host State

By Chris Fister **Herald Sports Writer**

Lake Brantley's Lady Patriots not only qualified for their first star tourballent, but they will get to host it as well Lake Brantley Athletic Director Bob Peterson announced Sunday.

The 1987 Class 4A State Tournament will be held Friday with two seminfinal and one championship match at Lake Brantley High. In the first semifinal, beginning at 4 p.m., Section 3 champion Lake Brantley takes on Section 1 winner Fort Walton Beach Choctawhatchee. 154, 154. At 5 p.m., Section 2 winner Selfner Armwood faces Section 4 winner Miami Sunset. The final is scheduled for 8 p.m. Admission is \$4 per person.

"We were not really sure we would get it," Peterson said. "It could have gone to Armwood because it is also centrally located. We just kept our fingers crossed and were happy to be the ones chosen to host.

Section 3 — Lake Brantley d. Merritt Island 12 15, 15 12, 15 9

ft will be the second state event Lake Brantley has hosted in 1987. In the spring, the Class 4A State Softball Tournament came to Altamonte Springs and it was a smashing success.

"I hope we can do for volleyball what we did for softball." Peterson said. "We had tremendous crowds at the

softball tournament and we're looking forward to drawing well again at volleyball.

"Volleyball has come a long in the tast five years, added Peterson. "It is fantastic the way the girls are playing the game today and it is really exciting to watch."

The Lady Brantley team has provided plenty of excitement in its last three matches. Brantley won the District 9 championship in three games over Deland. then took a three-game match from Orlando Evans in Region 5. In this past Friday's Section 3 match, Merritt Island took the first game and had a 12-7 lead in game two before the Lady Patriots staged a thrilling comeback.

"It was the most incredible match I've ever played in." Lake Brantley senior Wendy Vickery said. "We pulled together as a unit and won it and now we believe nothing is going to stop

Mission Accomplished For County Swimmers

Herald Sports Writer

Although there were no district championship trophies to be had. Seminole County's swimmers accomplished their mission this past weekend at the 4A-5 District Championsips at Longwood's Sharidan Aquatic Club.

With Lake Brantley's girls leading the way, the county swimmers who expected to qualify for the Class 4A State Meet did so, with the exception of one embarrassing situation. The 4A State Meet will be held this Saturday at the Justus Aquatic Center in Orlando.

'As far as we know, we got everyone in who we wanted to." Lake Brantley coach Clay Parnell said. "There are some at large berths we have to find out about but this district usually sends the top six to state."

The Lady Patriots, who hope their impressive quality will win out over Winter Park's depth at state, won all but one event in Saturday's finals. Double-event winners for Brantley included Christy Bridgewater in the 200 freestyle (1:57.15) and 500 free (5:11.68). JoDee Lake in the 50 free (25,02) and 100 free (59,24) and Manda Davis in the 200 individual medley (2:15.04) and 100 breaststroke (1:09.54).

Also taking firsts for the Lady Patriots were Jennifer Moon in the 100 backstroke (1:03.36) and both the 200 medley (1:56.41) and 400 free (3:45.35) relay teams. The medley relay team consisted of Lake, Jennifer Moon. Dant Ohnsman and Kristen Paulcy while the free relay team included Bridgewater, Davis, Lisa Moon and Jill Spiller.

Also taking automatic berths by finishing in the top three were Pauley in the 200 free (third at 2:02.49). Lisa Moon in the 50 free (third at 25.96) and 100 free (third at 56.59) and Ohnsman in the 200 IM (third at 2:19.731.

Winter Park took the team title with 313 points compared to 281 for Lake Brantley.

With Lake Brantley and Winter Park dominating the top three spots in every event, no other county swimmer got an automatic berth to state. Swimmers who finished in

Swimming

fourth through sixth positions will wait to see if they get at-large bids to state.

One other girls relay team did qualify as Lyman took third in the 400 free relay at 3:58.93. The team included Karen Long. Kelly Strayer, Cindy Winslow and Wendy Ricketson.

Lake Mary had some outstanding performances led by individnal winners Jaime Bojanowski and Wes Simecek. Bojanowski won the 200 free at 1:46.32 while Simecek took the 50 free at 22.39.

Also getting automatic berths for the Rams were Simecek in the 100 free (second at 48.64), Steve Kostowicz (second at 56.94) and Brad Bridgewater (third at 59.09) in the 100 backstroke and Karl Kuchma in the 100 breaststroke (second at 1 03 8-11.

The Rams also had their share of disappointment as the 400 free relay team appeared to win the event but was then disqualified when another Lake Mary swimmer jumped in the pool in celebration before the race was over.

Lyman High's Chuck Reinighaus, who figures to be one of the favorites in his events at state, had a strong district meet as he won the 200 IM (1:58.83) and 100 free (48.25). Also qualifying for Lyman were diver Todd Brooks (third at 356.35), Dave Bandy in the 500 free (third at 4:54.26) and the 400 free team of Reinighaus. Dave Bandy, Sam Rennard and Jim Bandy was first after the disqualification with a time of

Lake Brantley's boys were led by Scott Bridges who won the 100 butterfly with a time of 54.49. Scott Rowe took fourth in the 100 back and will most likely get an at-large bid while the 400 free relay team of Rowe, Bridges, Greg Johnson and Mike Ziggiano finished fourth and the same four swam the medley realy and took sixth. Both relays also figure to get at-large bids to state.

Lake Howell, eighth at 39 points, qualified diver John Paulovich.

1:26 left.

cutting the lead to 56.53 with

Seminole ended its dry spell when Terell Barnes put down a pair of free-throws at the 1:21 mark. Clearwater followed with a bucket from Greg Collingsworth.

Houston scored Seminole's last points of the half on a follow up attempt before Parks and Sweeney added free-throws to cut the score to 60.58 at halftime.

Pete Jensen then came out and hit a pair of three-point goals followed by a layup by Parks to put Clearwater up 66-62 with 18:05 to be played.

The Raiders were able to come back and tie the score with Hadden knocking down a pair of free-throws and Dunning work-

ing the inside for a bucket. CAA then went on an 8-2 sourt which put them ahead 74-68 at the 15:08 mark.

The teams again traded baskets until Clearwater put another run together beginning at the 7:58 mark with Collingsworth putting down a short jumper.

Sashse then followed up his own shot for a bucket. Sweeney and Jensen then hit back to back jumpers to build the lead to 91-79.

SCC with Houston, who scored a game high 29 points, on the bench then had trouble coming up with an offensive threat and struggled until he returned with 6:12 to play.

Clearwater then went to a special defense in order to stop Houston. Houston managed to get the ball but dumped off a pass inside to Barnes who was fouled on the shot. Barnes connected on one of two from the stripe making the score 100-94 with 2:02 to play.

The Raiders came up with the rebound and worked the ball outside looking for Houston. CAA had Houston covered when freshman Ralph Fabian nailed a three-point goal with 1:25 to play cutting the lead to 100-97.

SCC, forced to foul, then put Collingsworth on the line again. Collingsworth only made one of two putting CAA up 101-97.

CAA put a blanket around Houston so SCC was forced to use other shooters and Dunning came through hitting a three pointer at the four-second mark.

The Raiders immediately fouled Parks who calmly sank both free throws. The Raiders then worked the ball up the floor to Dunning who's last second shot was just long and bounced away off the back of the rim.

Stocks Open Higher

NEW YORK (UPI) - Prices opened sharply higher today in moderate trading of New York Stock Exchange issues, bolstered by a stronger dollar and market hopes of positive news from the deficit-reduction talks in Washington.

The Dow Jones industrial average, which fell 24.04 last week, was up 21.55 to 1956.56 shortly after the market opened.

Advances led declines 714-184 among the 1,209 tasues crossing the New York Stock Exchange tape.

Early turnover amounted to about 7.941,000 shares.

The battle to right the damage of last month's

unprecedented turmoil resumed on Monday's opening with analysts convinced the stock market's near-term future is largely linked to the budget talks.

The state of the s

Despite three encouraging economic reports in the space of 24 hours last week, the market failed to sustain a mid-week advance and ended with a net loss with participants awaiting news from Capitol Hill.

On Thursday, the Dow soured 61.01 points following news that the September U.S. merchandise trade deficit narrowed to \$14.08 billion, down from \$15.7 billion in August and well below market expectations of \$15 billion.

Possible Budget Pact Causes Dollar To Rise

major world money markets Monday, with huyers anticipating an agreement in Washington this week to cut the U.S. budget deficit. Gold moved lower.

In Europe, the dollar began the day in Frankfurt at 1.7055 West German marks, up from Friday's close of 1,6895.

The dollar opened higher in Zurich at 1.4055 Swiss francs. up from 1.3895, and in Paris at 5.7745 French francs, up from 5.748.

In Brussels, the dollar began the day at 35.95 Belgian francs. up from Friday's close of 35.52, in Amsterdam at 1.9225 Dutch guilders, up from 1.904, and in Milan at 1.254.50 lire, up from 1.246.45.

In London, the pound lost ground against the dollar. opening the day at \$1.7425. nearly 3 cents lower than Friday's close of \$1.7705.

In early New York trading, the dollar was slightly higher against key foreign currenctes in moderate trading.

Earlier in the Far East, the dollar closed higher on the Tokyo foreign exchange at 136.85 Japanese yen, up from Friday's close of 136.05.

Dealers said dollar buying was sparked by expectations of an agreement this week between the White House and Congress on reducing the U.S. budget deficit.

President Reagan said in a national radio address Saturday he was confident a compromise. deficit-reduction plan could be reached to save up to \$30 billion in the current 1988 fiscal year

and \$50 billion in 1989. British Prime Minister

with north-northeast wins usting to 21 mph.

Continued form page 1A Holbert and Mary Bowermaster, Games General Chairman Jim Jernigan said they will be going from here to Melbourne, Australia, to take part in the International Masters competition, which begins next Monday.

Farr said there were more people in the leisure walk this year with quite a few locals including Shirley Schilke, Bill Gielow and Dr. Robert Smith. Mayor Bettye Smith had planned to participate in the walk, but had to withdraw when she became ill a couple of days before the event. Farr said.

Flying in the face of superstition. Farr said the fact that this was the 13th annual Games and Friday the 13th occurred during the week was not a concern. "We put that aside and didn't worry about it." he said.

Two of the Games participants had a bit of "bad luck," however. Ralph Donaghy. 73, of Daytona Beach, suffered a heart attack while competing in the one on one basketball event on Wednesday and Edna Ott. 71, of Winter Haven, broke her collarbone Monday when she fell off her bike

during the quarter-mile bike race. Donaghy was reported out of the Cardiac Care Unit at Central Florida Regional Hospital today and in stable condition on the regular patient floor and Oil has been discharged from the hospital.

Jernigan said. "Overall the Games went extremely well and attendance appeared to be up. There were 400 entries in golf, more than 300 in bowling and 600-700 were at the dance contest, including spectators. The number of track and field participants was up by one-third this year. The events seemed to go well without a lot of hitches. Things were sort of dim after the bicycle accident and heart attack, but they got back on

Jernigan said, "Extending the Games an extra day and holding the sailing on Sunday afternoon worked out extremely well. It gave us a couple of options should the weather have been too bad on

Jernigan said he hopes to get the Golden Age Games Executive Committee together for a breakfast meeting sometime in December for some critiquing and back-patting.

...Bush

The straw poll has no official standing and has no relation to the choosing of delegates to the national Republican convention in August 1988. Maryanne, Morse of Longwood, a state Re-

publican committeewoman, was chairman of the Presidency II convention.

Connie Mack, 13th District Congressman who is challenging U.S. Sen. Lawton Chiles in 1968. introduced representatives of the various can-

diates who appeared at the convention. Bush, who was introduced by his son Jed. Florida's Secretary of Commerce. The vice president praised the South Florida Task Force which, in cooperation with federal drug enforcement authorities and the U.S. armed forces, attempted to crack down on the importation of illegal drugs, and also pledged that if elected he would give top priority to "a competitive, bold, strong, manned space program."

Bush also stressed his loyalty to President Reagan, telling the delegates, "If the price of climbing to the top of the ladder is to shove the president down a notch or jump away when the going gets lough, I am not willing to pay that

Robertson told how he was backled by "radical homosexuals who are condaidered protected minorities by the Democratic mayor and city council of New York" at his formal announcement of his candidacy in New York City Oct. 1. He told the delegates "I have no intention of giving the streets to the radical homosexuals, the crooks

and the drug dealers." He stressed his familiar themes of strengthening the family and reforming the welfare system "so that it doesn't promote divorce."

He also said "If this government can afford tax deductions for child support. It can afford tax deductions for the women who elect to stay home. and care for their children."

Haig, a retired Army general and former secretary of state, said he had decided not to come to the convention, but changed his mind "after receiving countless calls from grass roots

He criticized the Democratic candidates and predicted New York Gov. Mario Cuomo will enter the race after the March Super Tuesday primaries. "When Jesse Jackson comes out of Super Tuesday as the plurality leader. Cuomo will jump in in an effort to unite the Democrats." he predicted.

The project was given another chance when some commissioners later found they were misinformed and not given all the facts. Myers joined with Gunter and Dennis in reviving the

Most of the opposition was diffused when the developer, Leroy Strickland of Gainesville, agreed not to have an entrance or exit on Orange Avenue: agreed to abide by a list of restrictions: to build a sidewalk on the north side of the street; and, to donate a strip of land next to the school for use as a playground.

Smerilson said to approve the request on the basis of these promises would be contract zoning. which he said is illegal. He said this is the type of thing considered when a site plan is submitted.

Some residents were still opposed to the If the rezoning passes tonight a second public

hearing could be scheduled for March 7 to give the state Department of Community Affair chance to review the proposed changes. The meeting will be held at 7:30 p.m. at city

hall, 175 W. Warren Ave., following a work session with Jim Williams, president of The Lake Doctor, Inc., on lake maintenance. Also on the regular agenda will be:

 Continuation of a public hearing on an ordinance revising setback requirements for display of vehicles, boats and trailers tabled Sept.

• Public hearing on an ordinance authorizing

the city attorney to prepare all ordinances and resolutions for the city.

 An ordinance amending the Personnel Policy and Procedures Manual to provide for managerial leave instead of compensatory time for department heads.

• An ordinance amending the Personnel Policy and Procedures Manual to change the procedures for awarding merit bonuses.

• An ordinance amending the City Code regarding the purchasing department.

• Site plan for Plaza Del Sol West, a 15,000 sq.ft. retail store building, west of State Road 434 and Horbour Isle Way intersection on the north side of State Road 434, requested by Schrimsher Shopping Centers.

• Site plan submitted by Vitic Investments for a Pizza Hut and bank on the west side of Oxford Street south of State Road 434. Zoning is C-2 Commercial.

· Acceptance of bids for police vehicles and trucks.

• Resolution authorizing the mayor, deputy mayor and police chief to sign checks drawn on the Police Confiscation Account.

· Selection of engineering firms to interview to prepare the master wastewater treatment plan and perform a sewer rate and budget analysis for the city as agreed to with Sun Bank, holder of the city's water and sewer revenue bonds.

• Discussion of the Binford/Duke drainage problem.

 Cancellation of the regular city commission meeting for Dec. 21.

 City Commission/staff work session for Saturday, Jan. 9, 1988.

Some Hotel Owners Delighted When Rooms Go To The Dogs

DEAR ARRY: Several years ago we stopped at a motel near Charleston, S.C., and before registering, my husband naked if we could keep our three dogs in our room with us overnight.

The motel owner said "Certainly," and handed us a card that read something like this: to call the police to break up a

dogfight." The above is not exactly quoted, but is is the general idea. I lost the card. Will you please ask your readers if any of them know the actual wording, as we would like to have some cards made up to distribute to our local motels in order to persuade them to accept pets.

CLARITA M. MOESER. HUMANE SOCIETY. BRUNSWICK, GA.

DEAR CLARITA: I published that message several years ago. It was sent to me by a dog lover who had seen it framed, above the registration desk, in a small hotel. And here it is:

"Dogs are welcome in this hotel. We never had a dog that smoked in bed and set fire to the blankets. We never had a dog who stole our towels, played the TV too loud or had a notsy fight with his traveling companion. We never had a dog that got drunk and broke up the furniture. So if your dog can youch for you, you're welcome.

DEAR ABBY: It has happened again! One of the people I baby-sit for "forgot" his checkbook again, and can't pay me until Monday. That means I am unable to take care of an obligation I planned on this weekend.

This has happened several times before with him, and some of my other customers.

I often wonder what they would say if their paycheck wasn't in their hands at the proper time. Several of the people I baby-sit

for on a weekly basis drive expensive cars and take lovely weekend trips. But it is a

Your new employee is just a PHONE CALL AMAY. SCORING OF TEACHER-CO.P. announce of

"We never had a dog that different matter when it comes smoked in hed, got drunk, stole to paying their baby sitter. They never hesitate to ask me for special favors.

Please tell me how to deal with these people with "poor memories." I am a very reliable sitter. NOT "MRS. GOT-ROCKS"

DEAR NOT: Inform these 'amnesiaes" that payment is due at the time the services are

rendered, because their "forgetfulness" puts you in a financial bind. Then rearrange your elient priority list, with the slow payers at the bottom. A reliable sitter is hard to find. And if you become a little harder to get. It may improve their memo-

DEAR ABBY: If you received a wedding invitation containing the husiness card of the store where the bride was registered. what would you think?

The woman at the gift registry was horrifled and offered her condolences. My poor husband was mortified and embarrassed. A DISGUSTED RELATIVE

OF THE GROOM

DEAR RELATIVE: I would think that the bride was woefully in need of an etiquette book.

DEAR ABBY: In these changing times, I don't know what is right or wrong. Our daughter, who is now 20, got into an argument with us when she was 18, moved out of our home and rented an apartment. She lived there until last year when she moved into a house with her boyfriend. (He owns the house.)

She recently announced her engagement and wants a formal

church wedding with brides maids, wedding gown, reception and all the trimmings. The problem: She wants us to pay for the wedding!

Her father and I feel that because she is already living with this man she should forget the formal wedding, and get married quietly with maybe a small dinner at our house for the amily and a few thinks we owe her a big wedding and is upset because we won't go along with it. Everyone knows they are living together and we don't think a big formal wedding is proper.

Do live-ins have big church weddings these days? PERPLEXED PARENTS

DEAR PERPLEXED: Some do and some don't. Your decision should not depend on what other people do. Just because something is "done by some people" doesn't make it right. This decision should be entirely yours.

DEAR ABBY: Recently at shool there has been a ylclous rumor going around that I'm pregnant. What should I say? Unionly 14. TROUBLED IN FRESNO

DEAR TROUBLED: Say nothing-just stick around for eight months and you shouldn't have to "say" anything.

Drugs Pose Risks To Unborn Child

DEAR DR. GOTT - If. as you said recently, a baby receives oxygen through the umbilical cord before birin and does not breathe, how does cigarette smoking affect the unborn child? DEAR READER — An unborn

baby receives all of its nutrition and oxygen through the placenta, a remarkable organ that attaches to the uterus, picks up needed substances from the mother's circulation and passes them into the baby through the umbilical cord. Unfortunately, the placenta also picks up unneeded and unwanted substances - such as nicotine, alcohol, narcotics, toxins and certain drugs — and passes them to the baby.

Rapidly growing, healthy young tissue - in a word, the baby - is particularly susceptible to compounds entering it from the maternal circulation. Thalidomide, a tranquiliser given to pregnant women years ago, was later banned because it was found to cross the placental barrier, enter the fetal circulation and cause severe developmental abnormalities. Most hospitals are familiar with fetal alcohol syndrome and drug addiction, when babies born of substance-abusing mothers experience alcohol or narcotic withdrawal. Pregnant women who smoke tend to deliver infants that are smaller and less healthy than normal. Alcohol even in quantities considered to be nocial (one or two drinks a day) - can affect fetal development.

Because of the profound influence of material circulation on fatal growth, modern experts advise pregnant women to avoid tobacco, alcohol and all medicines, unless those medicines have been specifically approved by the obstetrician.

DEAR DR. GOTT - You have been a wonderful resource for many people. Please mention the National Alliance for the Mentally Ill (1901 North Fort Meyer Drive, Suite 500, Arlington, CA 22209). This is a group of

parents, children, spouses, family and friends of people with serious mental illness helping each other in a comprehensive community based system of support and care.

DEAR READER - Thank you for writing and sharing informe. TERPRISE ASSN.

WIN AT BRIDGE

By James Jacoby

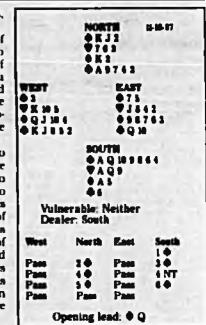

Declarer thought he knew this important bridge principle: Don't take unnecessary fines After arriving in six spades under his own steam, he won the ace of diamonds and carefully played the club ace and trumped a club. Then he played a spade to dummy's jack and ruffed another club. Since East now showed out on the third round of clubs, there was no way to establish a long club trick.

So declarer shifted mental gears by playing a spade to dummy's king. He next played a heart and put in the nine. If East had both the jack and the 10. that would force out the king. and declarer's queen would be a winner. West took the 10 and played another club. South ruffed, returned to dummy with the diamond king and now

finessed the queen of hearts, losing to the king for down one.

South lost the hand because of a mental blank. He was so engrossed in his plan of establishing the fifth club for a discard that when he discovered it wasn't going to work, he simply took heart finesses, hoping to find East with either the king or the J-10 of hearts. Declarer had a sure way to

make the contract. After the third club, he gets back to dummy with the spade king to ruff the fourth club, then returns to dummy with the king of diamonds. He leads dummy's last club and discards his nine of hearts. West takes the trick and must lead into the A-Q of hearts or play a diamond. If West leads a diamond, declarer will ruff in dummy while shedding the queen of hearts.

HOROSCOPE

What The Day Will Bring...

By Bernice Bede Osel YOUR BIRTHDAY **NOVEMBER 17, 1987**

In the year ahead, you will make a major change of direction in your personal affairs. Once you establish this new course, you'll find ample reason to maintain it.

SCORPIO (Oct. 24-Nov. 22) Your selfless instincts will be very pronounced today, and you'll put the needs of others above your own. Your benefactors will not forget what you do on their behalf. Know where to look for romance and you'll find it. The Astro-Graph Matchmaker set instantly reveals which signs are romantically perfect for you. Mail \$2 to Matchmaker, c/o this newspaper, P.O. Box 91428, Cleveland, OH 44101-3428.

SAGITTARIUS (Nov. 23-Dec. 21) Your tact and charm are your two greatest assets today. and they can be used to your advantage. Let the real you

I JUST KNOW

GAYW'

emerge in all of your dealings with others.

CAPRICORN (Dec. 22-Jan. 19) You are now in a brief, but very rewarding achievement cycle. Isolate your efforts to top-priority projects today as well as tomorrow.

AQUARIUS (Jan. 20-Feb. 19) ideas you are presently expressing have won you the admiration and respect of your contemporaries, even though this may not be apparent to you

PISCES (Feb. 20-March 20) There will be a favorable upturn in your financial affairs. If you're developing something that is potentially profitable, move swiftly.

ARIES (March 21-April 19) A kind act you did for another recently could be repaid today. The recipient of your gesture may use someone as an intermediary.

TAURUS (April 20-May 20) If there is something you did for which you have not been compensated, your chances for getting what is due you look very encouraging. Hang in there.

GEMINI (May 21-June 20) Both today and tomorrow your greatest strides are likely to be made in situations where you have some type of partnership arrangement. There's strength in union.

CANCER (June 21-July 22) While you're in the mood, clean up those annoying but necessary tasks you've been neglecting lately. If you try, you can get a lot done today.

LEO (July 23-Aug. 22) Something social on which you didn't plan might pop up later in the day. Keep your schedule flexible so that you can join in should this occur.

VIRGO (Aug. 23-Sept. 22) An associate whose motives are sincere may offer you a small gift today. If you're reluctant to accept, it could hurt this person's feelings.

LIBRA (Sept. 23-Oct. 23) Later in the day, something pleasant may develop rather unexpectedly. It will help substantiate your faith in the human race.
