SIXTEEN PAGES FOR TODAY

THE WORST OF MEN ARE
 OF PROFOUND INTEREST TO
 MEN. For the Son of man is
 come to seek and to save that
 which was lost.—Luke 19:10.

March of Freedom

Forward, valiant freemen,
 Marching in God's might,
 Bearing banners blazoned
 Liberty and Light.

Men of every nation,
 Waived into one,
 Brothers marching onward,
 Till our work is done.

Chorus—

Forward, valiant freemen,
 Marching in God's might,
 Bearing banners blazoned
 Liberty and Light.

Truth our only weapon,
 God our only guide;
 We are his crusaders
 Marching side by side.

Justice for our helmet,
 Honor for our shield,
 Clad in truth's own armor
 None can make us yield.

Onward, valiant freemen,
 Dressed with God's might,
 We are now enlisted
 Warriors for the right.

We will labor daily,
 Never will we cease
 Till all men are bandied
 In universal peace.—Exchange.

Our office boy says he named
 his dog "Clock" because it has
 so many ticks.

Sanford now has a naval air
 base with no planes, and no water,
 but eight horses.

Everyone wants a second front,
 but no one wants to take the
 time if it doesn't work.

A lot of people are complaining
 about the heat, but just re-
 member winter is coming and
 that will be hard to get.

All the United Nations' efforts
 to beat Hitler's Germany will
 be the way with superior arms.
 Now it looks like our best bet
 is with superior geography.

Military commentators are ex-
 pressing all sorts of opinions on
 the Japanese attack on Rusa-
 ria. But the only thing is
 that the Axis powers will attack
 any nation that appears to be
 a weak link elsewhere.

Level is recasting his own pri-
 vate army to fight for his boss
 Hitler when the proper time ar-
 rives. It is reported he has been
 given the best of French for-
 tifications.

Give the Doctors a Break

With so many doctors entering the armed services, those remaining will be called upon to expend super-human efforts to provide proper medical care for the many civilian needs. We can depend upon our physicians and surgeons, trained as they are in personal sacrifice, to administer to the last ounce of their energy, but even this will not be sufficient unless the public shows a fine spirit of co-operation.

This can be done in several ways. In the first place, there are many persons who only think they are sick and who would be very unhappy if their family physician was not importuned periodically to make a hurried call to diagnose a sudden rise of temperature of one-half degree. This sort of thing obviously must be stopped. Then there is the nervous mother who envisions all kinds of dire things about to happen when little Willie complains of a tummy ache after having eaten a half dozen green apples topped off with a bottle of pop. Mothers must use a little more intelligence about their children's upsets and should avoid making appeals for aid when a little common sense would show that nothing serious is wrong.

There are many other ways in which the public can help so that everyone can be sure of prompt medical attention when the need is real or urgent. The Providence Medical Association has issued a little bulletin pointing out three very useful ways in which we can co-operate with the doctors during the war-time emergency. They are as follows:

1. If you desire a house visit, call the doctor around eight o'clock in the morning. This is a reasonable hour for most physicians. A person or child who has a temperature of 100 degrees or over in the morning may be expected to have a higher temperature in the afternoon, so do not delay until you take the afternoon temperature.

2. Go to the doctor's office when you can, thus saving him the time necessary to make a house visit.

3. If you desire information on the telephone, help save his time by having a pencil and paper ready to note what instructions are given.

A little thoughtfulness on the part of the public may save lives and certainly a lot of grief. Doctors can do only a certain amount of work, they are not a super man, so let's give them all the help we can, and thereby help ourselves.

Rackets In War

Many companies and individuals are making, and expect to make, fat incomes out of war and related activities. That cannot be avoided, with so much money being spent on production, distribution and services.

But that is no excuse for the development of rackets, for milking the government, for excessive profits, unnecessary charges and commissions, for payments that have the taint of corruption.

Chairman Carl Vinson, Georgia Democrat, of the House Naval Affairs Committee, charged that a firm of Washington sales engineers appeared to have an "inside track" in the Navy Department toward getting war business, and that they are "earning \$1,150 a day sitting here in Washington while boys were dying in Bataan, Corregidor and on the Lexington."

Thomas Hinkel, committee counsel, said that the firm of Shirley, Olcott & Nichols had received \$646,701 in the first six months of the year acting as agents of companies seeking war contracts.

There should be no need for agents with an inside pull to obtain contracts from the Navy and Army.—Miami Herald.

WEEKLY NEWS COLUMN

By JOE HENDRICKS

FLORIDA TOPS THE LIST—

The report of the United Press on the Scrap Rubber Salvage campaign showed that Florida, with 637 pounds per capita, led the southern states between June 15th and July 15th.

A new and greatly intensified salvage campaign, the "National Salvage Program" is beginning this week to bring into war production all vital scrap materials, metals (especially iron and steel), rubber, waste fats, the sand and other waste materials, as announced by WPA Chairman Nelson and Industrial Conservation Chief Roosevelt.

According to the announcement, the three phases of the program are: (1) The collection of scrap materials; (2) The transportation of scrap materials; and (3) The processing of scrap materials.

War Production Board Chairman Nelson said, "Our war production is limited only by the supply of raw materials, and scrap is an important part of the raw materials supply. The more scrap we collect, the more we can produce."

War Production Board Chief Nelson said, "Our war production is limited only by the supply of raw materials, and scrap is an important part of the raw materials supply. The more scrap we collect, the more we can produce."

ANOTHER BATTLE OF THE PYRAMIDS

Virginia Wehler, Leo Gorry, Ray McDonald and Larry Nunn become involved with a gangster in the musical drama "Born to Sing," showing on the bargain day bill tomorrow, at the local Ritz.

Defense Force News

By BGT. RICHARD VERNAY

"C" Company, Florida Defense Force, was favored, at its drill period, last Thursday evening, by a visit from Major David L. Wiley, Battalion Commander of the 4th Battalion of which "C" Company is a unit.

During his stay with us, the major conducted a very thorough inspection of the Armory Building and equipment and men. Needless to say, it gives us no little pleasure to report that the major pronounced the results of his inspection as "very satisfactory."

Major Wiley, now retired from the regular army and living in our neighboring town of Mt. Dora, is an old campaigner of long and interesting years standing. He enlisted in the regular army as a buck private in time to first see service in the Boxer Rebellion.

While relating some of his many experiences, the major informed us that the first man to scale the Great Wall of China in that engagement was a bugler out of his own company.

Since that time, Major Wiley has participated in every major engagement our army has been in up to the present war.

A fine soldier who came up the "hard way," a strict disciplinarian, one who insists upon perfection at nearly all times, he is, at the same time, very human, as only one who came up the way he did can be. Major Wiley is an officer of which the Florida Defense Force, the 4th Battalion in particular, can be justly proud.

Accompanying the major last Thursday were the 1st Lieutenant, a Staff Sgt. who was acting as a bugler in the Boxer Rebellion, and a Sergeant who was a bugler in the Boxer Rebellion.

They were much impressed with the men, equipment and facilities of "C" Company and the 4th Battalion. Sergeant later told your correspondent, "You fellows are sure well fixed. Your equipment and armory are as good as any that I've seen anywhere in the states and a day's work better than most places. You have really got a good outfit here."

And so we do have. We have an outfit of which we can all be very proud and we have a group of men that are as good as any that I've seen anywhere in the states and a day's work better than most places. You have really got a good outfit here."

And so we do have. We have an outfit of which we can all be very proud and we have a group of men that are as good as any that I've seen anywhere in the states and a day's work better than most places. You have really got a good outfit here."

Personals

Mr. and Mrs. W. T. Wheeler were visiting friends in Sanford Saturday.

Miss Geraldine Rigney is visiting her mother in Cocoa for a few days.

Mr. and Mrs. O. P. Herndon, Jr. and Robert Wilson spent Saturday in Daytona Beach.

Mr. and Mrs. Walter L. Cooper and their son, LeRoy, are visiting relatives in Starke.

Miss Muriel Knox returned Friday from Clearwater where she visited friends for a few days.

R. F. Roelk has returned to his home in Mobile, Ala. after spending a few days here.

Mrs. J. L. Childs arrived Sunday from Montgomery, Ala. where she visited relatives.

Mr. and Mrs. E. B. Randall left today for Jones Farm, N.C. where they will spend a month's vacation.

Miss Margaret Reitz left last week to spend a vacation in Dobbs Ferry, N. Y. as the guest of her sister.

Mrs. Carlyle Bolen of Atlanta, Ga. is at her home on East Twentieth Street.

Mrs. Beria Breeden and Miss Thelma Turner have returned from a three weeks' vacation in Richmond, Va.

Mr. and Mrs. W. G. Sheldon spent yesterday in Coronada Beach as the guests of Dr. and Mrs. W. P. Broyles of Unadilla.

Lloyd L. Harvey, Jr. returned to New Smyrna Beach Saturday after visiting his parents here for a few days.

Mrs. Stella P. Arrington is visiting her son, Briggs Arrington, in Cordele, Ga. for about a week.

Dick Curry of Savannah, Ga. arrived Friday to spend a few weeks with his cousin, Delores Lee.

Mrs. B. U. Hutchinson and her son, Joe Boyce, have returned from Daytona Beach where they spent a month's vacation.

A. W. Lee has returned from Hobe Sound where he has been working for the past several weeks.

Mrs. Rupert Perry and her small daughter have returned to Wilson, N.C. after visiting Mr. and Mrs. E. Kinslaw.

Harold Madden is expected to arrive Wednesday from Washington, D.C. to visit his parents, Mr. and Mrs. A. C. Madden.

Mrs. Robert Williams and her young daughter, Dorothy Jean, of Orange City are visiting Mr. and Mrs. W. H. Stewart.

Mrs. Richard Bradshaw has returned to her home in St. Petersburg. Her brother, Gregory Kinslaw, accompanied her and will be her guest for a few days.

Mr. and Mrs. L. Burke Steele and their two children, Joyce and Walter, left last night for Newark, N.Y. where they will spend an indefinite amount of time.

Miss Mildred Ratliff has returned to Sanford after spending a month in Baltimore. Mr. and Mrs. R. L. Ratliff, of Ontario, are also here.

L. E. Franklin and Miss Eliza

both Franklin have moved from 107 North Locust Avenue and are now residing at 811 Myrtle Avenue.

Friends of John F. Pearson will be glad to know that he is recovering nicely from an illness at his home on Magnolia Ave.

Mrs. Grady Duncan and Miss Norma Jean Sayer returned Sunday from Canon, Ga. and other towns in Georgia where they visited relatives and friends.

Miss Wilhelmina Wiebolt of Philadelphia, Pa. arrived Friday to spend about two months with her parents, Mr. and Mrs. A. Wiebolt.

Mr. and Mrs. W. G. Sheldon spent a few days last week in Madison visiting their daughter and son-in-law, Mr. and Mrs. James Copeland.

Mr. and Mrs. George Parker and their two sons, George, Jr. and Johnny, Mendonhall, of Orlando were the guests of Mr. and Mrs. E. M. Swain yesterday.

Dr. and Mrs. G. H. Putnam, Mr. and Mrs. W. Y. Bittling, Miss Gail Bittling and George Edward Putnam spent the week-end in Daytona Beach.

Miss Marjorie Newman is attending Massey's Business College in Jacksonville. Miss Newman is living with her Aunt, Mrs. H. E. Baker, on East Twentieth Street.

Mr. and Mrs. L. C. Talley and young daughter, Cathlyn Ann, have returned to Jacksonville after visiting Mr. and Mrs. E. H. Laney for a short time.

Miss Elsie Farley of Dublin, Ga. arrived Friday to spend a month here visiting her mother, Mrs. W. P. Brooks, 417 West Second Street, and her sisters, Mrs. Harry Lee and Mrs. Jack Wilkinson.

Capt. Charles R. Rivers, who is stationed with the U.S. Army Dental Corps at Camp Stewart, Ga., visited his sister and brother-in-law, Dr. and Mrs. Harry S. Woodruff, recently.

Miss Mahalyn Truluck left Saturday for Charlotte, N.C. where she will visit her sister, Cecelia, for a few days, enroute to Olanita, S.C. to spend a few weeks with relatives.

Mr. and Mrs. B. E. Ratliff and their two children, Earl and Jean, have returned home after a two weeks' vacation in Buffalo, N. Y., St. Thomas, Canada and Detroit, Mich.

Mrs. J. H. Dyson, who has been the house guest of Mr. and Mrs. W. R. Dyson for several days, left Saturday for Monroe, N.C. where she will join her husband, J. H. Dyson, who is stationed there.

Mr. and Mrs. A. Wiebolt, Miss Wilhelmina Wiebolt, Miss Lydia Wiebolt and Mr. and Mrs. W. H. Wiebolt celebrated the first wedding anniversary of Mr. and Mrs. W. H. Wiebolt with a dinner party Sunday.

R. Earl Kipp attended a meeting of the officials of the Florida Education Association in Gainesville today. Mr. Kipp represented the Department of Elementary Principals of which he is president.

Among those "sunbathing" and swimming at Eastlando Sunday were the Misses Ann Wiggins, Cathryn Wiggins, Martha Perkins, Louise Perkins, Elizabeth Whiteham, Muriel Knox, Carolyn Boyd, Jeannette Boyd, Dorothy Kunge, Doris McCall, Nancy Jo Gonzalez, also Mr. and Mrs. Joe Gonzalez and young son; Mr. and Mrs. G. Troy Ray, Mr. and Mrs. Robert Hagood, Mrs. Byron Stevens, John

Social Calendar

MONDAY
The Dependable Class of the First Methodist Church will have its regular business and social meeting at the home of Mrs. Virgil Smith, 425 West Eighteenth Street at 8:00 P. M. with Mrs. Roscoe Taylor as co-hostess.

The YWA of the First Baptist Church will meet at the home of Misses Elizabeth and Gladys Pippin at 7:30 P. M.

WEDNESDAY
Sewing in the Red Cross Room at the Woman's Club will be under the direction of Mrs. Roy Talley during the morning.

TUESDAY
Sanford citizens are asked by the ministerial association to observe two minutes of prayer each day at noon.

In the morning the O. E. F. under Mrs. L. M. Tyne's direction will have charge of Red Cross sewing at the Woman's Club.

The Women's Auxiliary of Holy Cross Church, under the direction of Mrs. P. A. Dyson, will sponsor sewing in the Red Cross Room during the afternoon.

Boys and girls of Junior High School are asked to meet at the Woman's Club at 10:30 A. M. to form a recreation and war service club. Interested mothers are invited. This is a Recreation Council activity.

At weekly meetings when the scrap will be turned in, a defense stamp will be presented to the boy or girl who turns in the largest amount. At the conclusion of the business meeting, there will be recreational activities arranged for the members.

Miss Lucy Roumiltat and Miss Gladys Dyson will supervise the organization of the club and its members will select a name at the first meeting.

The awarding of defense stamps will begin with the first meeting and the two young girls who have charge of the club's organization hope that a large number of boys and girls will report.

day at noon.

Scrap Salvaging Club Will Be Organized

Mrs. E. H. Laney Is Hostess At Bridge

Mrs. E. H. Laney entertained a number of her friends at bridge Thursday at her home, 205 East Twentieth Street.

Flower arrangements of roses and chrysanthemums carried out a patriotic motif, also the hand-painted bridge tables which bore a tiny American flag.

Mrs. L. E. Spencer and Mrs. J. C. Higgins won high scores and Mrs. J. O. Laney and Mrs. M. G. McNair were awarded "floating" prizes. Mrs. M. C. Swingle and Mrs. J. L. Ingley were winners of Scrabble.

Mrs. L. C. Talley, Mrs. J. C. Higgins and Miss Maureen Winter assisted the hostess in serving a salad course to the following guests: Mrs. W. L. Cooper, Mrs. R. A. Newman, Mrs. George A. DeCottet, Mrs. B. L. Perkins, Mrs. J. L. Compton, Mrs. H. W. Rucker, Mrs. George Hardin, Mrs. W. G. Fleming, Mrs. A. L. Lee, Mrs. W. D. Morgan, Mrs. Daisy Knox, Mrs. J. M. Stonecipher, Mrs. W. B. Zachry, Mrs. R. H. Dean.

Also Mrs. L. P. Hagan, Mrs. H. E. Morris, Mrs. A. M. Phil

langer to help in the war effort and have a good time together.

Mrs. Dukes Honors Sister, Mrs. Bolen

Honoring her sister, Mrs. Carlyle Bolen of Atlanta, Ga., Mrs. J. E. Dukes entertained a group of her friends with a bridge party at her home on East Twentieth Street Friday afternoon.

At the conclusion of bridge, Mrs. William W. Laney and Mrs. D. Broughton Watkins were awarded high and second high scores, respectively. The hostess presented her sister with a gift as a memento of the occasion.

Mrs. Clyde Flowers of Port Orange won a screen prize.

The rooms of the Dukes residence were decorated with arrangements of summer garden flowers and the hostess served a salad course to her guests.

Invited to the honor, guest were Mrs. R. B. Crumley, Mrs. Donald L. Fry, Mrs. Jack West, Mrs. Watkins, Mrs. Woolley and Mrs. Flowers.

A tablespoon prepared mustard spread over the top of pot roast when it starts to cook will give an extra new flavor.

Penelope Thomas And William Pulver Wed

Wednesday, July 15, at 2:00 P. M., Miss Penelope Thomas, daughter of Mr. and Mrs. H. C. Thomas of Geneva, became the bride of William Pulver of New York City. Judge R. W. Ware performed the wedding ceremony at his home in Palm Beach.

Mrs. Pulver chose as her wedding dress a white sports frock with white accessories. She wore a corsage of white roses. Her attendant, Miss Alice Morrison, wore a green and white sport dress.

Mr. Pulver is engaged in the produce business. Mrs. Pulver has lived in Sanford for the past 10 months.

The Pulvers are temporarily residing at 1108 Elm Avenue and will leave shortly for New York where they will make their home.

Mrs. Dukes Honors Sister, Mrs. Bolen

Honoring her sister, Mrs. Carlyle Bolen of Atlanta, Ga., Mrs. J. E. Dukes entertained a group of her friends with a bridge party at her home on East Twentieth Street Friday afternoon.

At the conclusion of bridge, Mrs. William W. Laney and Mrs. D. Broughton Watkins were awarded high and second high scores, respectively. The hostess presented her sister with a gift as a memento of the occasion.

Cards Take 2 From Dodgers Of Brooklyn

Slice Champ's Lead Down To 6 Games; Reiser Is Injured Crashing Into Wall

ST. LOUIS, July 20. (AP)—Lowering darkness mantled Sportsman's Park but not the drama unfolded in the 11th inning of a double-header, nightcap between the Cardinals and the Brooklyn Dodgers Sunday as Outfielder Enos Slaughter lofted a home run inside the park to give the Cards a double victory before 34,443 fans.

The Cards, striving to narrow the gap between the league-leading Dodgers and themselves, grabbed a 7 to 6 triumph from Slaughter's unusual climax punch to mate with the easier, 4 to 5 verdict they acquired in the opener.

Pete Reiser, ace Dodger outfielder, was injured attempting a one-hand catch of Slaughter's blow. He crashed into the right centerfield wall after it appeared he had made the catch, and the ball dropped free. He was taken to a hospital. The extent of his injuries is not known.

The double victory jammed with incidents revealing the players' tenaciousness—boosted the Cards within six games of Brooklyn in the National League Standings.

The Dodgers, smarting under the first game defeat which measured out for their pitching ace, Whit Wyatt, made a fighting stand for the nightcap.

The knotting count at 6-all in the fifth with a four-run rally off Job Davis.

The Cards had wiped out an early Brooklyn advantage with a five-run spurge in the third inning. This circus sent a second Dodger hurler, Kirby Higbee, to the showers.

With Max Lanier and Curt Davis finally achieving control for both clubs, the score remained constant until the 11th, even under the determined 10th-inning rush by the Dodgers, who had Reiser on third with one away.

Fast Traveling Yankees Crush White Sox Twice

NEW YORK, July 20. (AP)—The New York Yankees wound up their home stand against the Western club with a burst of power yesterday, crushing the Chicago White Sox in both ends of a double-header, 12 to 2 and 12 to 0, to be at their winning streak to nine games in a row.

With the second place Boston Red Sox dropping a pair to Cleveland, the double victory stretched the Yankees' American League lead from eight to ten games.

Frank Bonny chalked up his ninth pitching victory against one defeat in the opener, scattering nine hits, while Charley (Red) Ruffing blanked the White Sox on four safeties in the afterpiece and drove in four tallies on two singles and a three-run homer.

Hollie Hendley, who was signed by the Yanks yesterday after Catcher Buddy Riser jumped the club, caught both games. The veteran, released Friday by the Cincinnati Reds after batting only .113 this season, appeared at the plate eight official times in the two games and batted five hits.

The Yanks went to work on Bill Dietrich in the first inning of the opener, with Red Rolfe smacking his 15th home run in seven days and Joe DiMaggio hitting his 14th of the year with a mate aboard.

Boston Braves Drop 2 Tilt To Pirates

PITTSBURGH, July 20. (AP)—The Pittsburgh Pirates broke away from a losing streak by mopping up the Boston Braves in two games and squeezing into fifth place ahead of the Chicago Cubs. They took the opener 8-7 and the second 9-0, before a small crowd of 745.

Elmer Foltz, north ending double, driving in two mates, provided the Blues their first game margin while Vince DiMaggio's homer, his ninth of the season, gave the Pirates a running start toward their on-ice triumph in the nightcap, called at the end of the eighth by Stanley (Doc) Kluge, who pitched the Braves but four hits in the closing contest.

Lou Gremp Is Hit On Jaw By Pitched Ball

PITTSBURGH, July 20. (AP)—First baseman Lou Gremp, of the Boston Braves, was hit on the left side of the face with a pitched ball Sunday in the first inning of the Pittsburgh-Boston double-header and had to be carried off the field on a stretcher.

Rip Sewell threw a fast ball shoulder-high toward Gremp and he thought Gremp was looking for a curve and stepped in a few inches. The ball hit Gremp in the shoulder and then deflected against the left side of his chin.

The only injury found by Dr. Hyrd and Wagner was a contusion of the left jaw. A brace will be taken to a hospital, the doctors said.

WHAT? NO HENDERSON

PANAMA, Panama, July 20. (AP)—With eggs costing a dollar a dozen and milk 35 cents a quart, Panama's newspapers have started campaigning for price control commission in order to offset the effects of the war's impact on local life.

Shipping shortages have sky rocketed prices in a land long used to a wide list of imports because of its geographical position.

Allies Ponder Creation Of Diversion To Aid Russians

Soviets Are Locked In Hand-To-Hand Struggle With foe In Voronezh Area

(By Associated Press) While the Russians fell back fighting from at least one thrust in Germany's Caucasus offensive and strove to smash its Voronezh flank, United States and British staff officers are reported to be studying the possibility of an immediate limited diversion on the continent.

A London informant said the problem was to give prompt diversionary assistance if the situation in southern Russia, already grave, becomes any worse. Since a full-fledged invasion of the continent seemed unlikely this summer, it appeared that American and British strategists are mapping a small scale action to pull German forces out of Russia and at the same time safeguard communications with Russia.

The Russians are locked in a hand-to-hand struggle with the foe along both banks of the upper Don in the Voronezh area, trying to turn the northern flank of Germany's Caucasus drive while the Germans noted possibility of a Russian counter offensive. The Russians obviously are trying to offset the offensive against Rostov, which the Nazis claimed in flames and under attack from the west, north and east.

The Russians said the whole complexion of the fighting in the Voronezh area had changed, and that they had not only beaten off German attacks on Sunday and Monday, but had made advances in the area.

Between the Don and the Volga, a terrific battle is being fought, late dispatches said. During the night, it was added, the Russians had made advances in the area.

Lana and Husband

Leaving Los Angeles for Las Vegas, Nev., are Lana Turner and her husband, George Elmer Brown. The couple were on their way to be married by Judge G. A. Marshall who performed the ceremony for the film star's first marriage to band leader Artie Shaw in 1940.

Revenue Bill To Raise 6 Billion Passes In House

Boost In Rates Will Add Millions In Corporation Taxes

WASHINGTON, July 21. (AP)—Overriding its Tax Committee recommendations, the House made a last-minute boost in rates to add millions of dollars to the tax load of corporations yesterday.

The measure, which was passed by a vote of 392 to 2, is designed to raise more than \$6,271,200,000.

One of the most unruly meetings in the history of the House of Representatives, which was held in the chamber yesterday, preceded the final roll call of 392 to 2.

The legislation, which now goes to the Senate for still more weeks of study, would increase individual income taxes by about \$2,812,300,000 and corporation taxes by more than \$2,640,700,000.

The measure would increase the tax on dividends from 7 percent to 10 percent, and would increase the tax on corporate income from 28 percent to 30 percent.

The measure would also increase the tax on corporate income from 28 percent to 30 percent, and would increase the tax on dividends from 7 percent to 10 percent.

The measure would also increase the tax on corporate income from 28 percent to 30 percent, and would increase the tax on dividends from 7 percent to 10 percent.

The measure would also increase the tax on corporate income from 28 percent to 30 percent, and would increase the tax on dividends from 7 percent to 10 percent.

House To House Salvage Drive Is Set For July 30

Scrap Metal, Rubber Will Be Sought; McCalley Is Named

E. W. McCalley was selected as general chairman of the House To House Salvage Drive, which is set for July 30, was set as the date for the city-wide and county-wide canvass for the collection of all available scrap metal and rubber.

C. H. Dawson, who presided at the meeting of the committee yesterday, announced this morning.

Two methods will be used in seeking the co-operation of residents in donating their materials vital to the nation's war effort.

Boy Scouts will leave written notices at every house, advising the day of the drive and urging citizens to pile their old metal and rubber in front of their houses on that day to be picked up by the Scouts, who also will have War Stamps for sale while making the canvass.

Also it was announced that a person will be appointed in each block in the city to collect all residents' scrap metal and rubber.

The drive will continue the collection of wood, while the gathering of grease, another product needed in the war effort, will be accomplished in a separate campaign.

"We want the public to regard the pile of scrap in front of their houses as a thing of beauty, not just as junk," Mr. Dawson said.

The drive will be held on Wednesday and the following half holiday on Wednesday to rummage around their basements and attics to collect rubber and metal scrap.

No matter how small a piece of metal or rubber you have, the United States needs it.

Some of the old articles that are desired are beds of brass and iron, broken electric coils, clocks, keys, knives, kitchen utensils, metal, ornaments, screens, old metal and rubber toys, old stoves, garden tools, auto parts, and others.

Two other committee chairmen were appointed at yesterday's meeting. They are Mrs. E. E. W. Knox, women's division.

The legislation, which now goes to the Senate for still more weeks of study, would increase individual income taxes by about \$2,812,300,000 and corporation taxes by more than \$2,640,700,000.

The measure would increase the tax on dividends from 7 percent to 10 percent, and would increase the tax on corporate income from 28 percent to 30 percent.

The measure would also increase the tax on corporate income from 28 percent to 30 percent, and would increase the tax on dividends from 7 percent to 10 percent.

RAF Will Get Thousands Of U. S. Bombers

British Have Downed 8,571 Axis Planes, Losing Only 3,692

LONDON, July 21. (AP)—The United States is planning to build 10,000 four-motored bombers each month for the RAF, said Sir Charles Bruce-Gardner in the 1942 edition of "Jane's All the World's Aircraft" and authoritative year book on fighting and civilian planes, published today.

Many of the big bombers will be the Liberator, Consolidated B-24's and flying fortresses (Boeing B-29's).

He added that the ideal of "standardized Anglo-American military aircrafts embodying the best thought of the two nations" was in sight and that the battle between the Allies and the Axis for superior combat ceiling for fighters was progressing favorably.

New Allied fighters have "greater horsepower, better armor, higher speed and longer service ceiling," the expert asserted.

Reviewing the war in the air, the new volume reveals that until June 1, 1942 the Axis had shot down 8,571 Axis planes with a loss of 3,692 of its own, and that the British fighter command, as well as other Allied fighters, had accounted for 13,944 Axis aircraft.

British Spitfires, which are faster than the original Spitfire, are now armed with two 20 millimeter cannon and four machine guns. Its speed was not disclosed.

The Wirwind, Britain's new two-motored day and night fighter, has an armament of four 20 millimeter cannon and is credited "by enemy sources" with a speed of 353 miles per hour at 16,400 feet.

General committee purposes and road and bridge district maintenance and debt service millage levied against Seminole County's total valuation represented a tax assessment of \$129,423 in 1941.

The new law enacted by the 1941 legislature became effective on Jan. 1, 1942, and the county's total valuation already has come up from \$526,108,837 to \$2,124,823,848, an increase of 304 percent.

However, a general lowering of millage resulted in a statewide tax increase of only 2.3 percent.

British Smash 50 Grounded Axis Planes

RAF In Egypt Is Busy As Land Operations Of Foes Are Confined To Patrols

(By Associated Press) On the Egyptian front, the destruction of more than 50 Axis planes on the ground in two RAF assaults on advanced Axis airbases in a single day was reported today by the British.

The raids on El Daba and Fuka, 25 and 60 miles behind the Nazi front lines, were the second and third in a series.

RAF fighters blasted 40 Axis planes north of El Daba, 25 miles behind the lines. Land operations are confined to patrols while the British concentrated on the air.

The pre-emption of the Allies with Marshal Erwin Rommel's exhausted and tenuous supply lines based on the determination of Gen. Sir Claude Auchinleck to give the Germans no chance to reinforce, regroup and rest after their losses.

When they attacked, and air strikes were made, and the RAF was able to strike at the Axis airbases.

A third of the aircraft standing on the ground landing field were destroyed or damaged.

21 Million Is County's Total Assessed Value

Tax Assessment Of \$129,423 Is Represented In Year

Total assessed valuation of real estate, tangible personal property and railroad and telegraph property of Seminole County was \$21,986,953 for the 1942 tax year, according to the report of the county assessor, J. M. Lee.

In contrast to \$7,254,533 for 1940-41, the passing year was marked by an increase of 201 percent or total assessment as indicated in an analysis prepared by the Florida State Planning Board for a meeting of county officials with Governor Spessard L. Holland and Controller Lee.

Before tax laws enacted by the 1941 legislature became effective on Jan. 1, 1942, and the county's total valuation already has come up from \$526,108,837 to \$2,124,823,848, an increase of 304 percent.

However, a general lowering of millage resulted in a statewide tax increase of only 2.3 percent.

Citrus Problems To Be Discussed At Meet

ORLANDO, July 21. (AP)—A special industry committee appointed by the Florida Citrus Commission is to meet here today to discuss citrus problems.

The committee, which was appointed by the Florida Citrus Commission, is to meet here today to discuss citrus problems.

"It's Hot," Experimental Station Reports, "With No Relief In Sight"

With the weather vying with the war as the chief subject of conversation, Sanford residents who said it was hot yesterday were absolutely right for it was 90, the hottest day this year and, according to several old time residents, the hottest day in several years here.

Dr. W. W. Ruprecht, chemist in charge of the experimental station here, reported it was 90 degrees at 10:15 o'clock this morning, no relief in sight. Many citizens tossed in warm beds last night, with the lowest temperature of the night dropping to 78 degrees.

The banana plant is heaviest and healthiest in the hot, humid lands of the Atlantic coast from southern Mexico to Panama.

Parents Of Chained Children Arrested

SCOTTDALE, Ga., July 21. (AP)—Three children were found yesterday with a 22-foot log chain wrapped and padlocked around their necks, and DeKalb county policeman Hubert Day said cruel charges were placed against the parents.

Day said he found the three children in their shadeless yard with the chain weighing 15 pounds around their necks.

The policeman asserted the parents were Mr. and Mrs. Archer R. Burney, and while they did not tell him the reason for chaining the children, neighbors reported that Mrs. Burney said the children were being punished for taking three or four minutes their father had been arrested.

U. S. Bombers Sink 2 Japanese Ships

CHUNGKING, July 21. (AP)—United States bombers sank two Japanese ships yesterday in the Yangtze River port of Kiangsi, southeast of Hankow, in a raid which challenged enemy long-held control of the air over the waterway supply route into China. No U. S. planes were damaged.

The raid was a surprise attack on the Japanese ships, which were carrying supplies to the Japanese forces in China.

The raid was a surprise attack on the Japanese ships, which were carrying supplies to the Japanese forces in China.

Drivers Are Warned Loaded Trucks Must Not Exceed 35 Miles Per Hour

State road patrolmen have been requested to start at once stopping all trucks on the highway and warn the drivers that tickets will be issued soon to all who exceed 35 miles per hour loaded and 40 miles per hour empty.

J. M. Richburg, state road officer who makes his headquarters here, said today.

The following statement was prepared for truck drivers by J. M. Richburg, state director of the patrol: "We have been requested by W. C. Sherman, state director, OPA, to turn in names and owners of vehicles which exceed 35 miles per hour loaded and 40 miles per hour empty, and exceed the weight limits of 35,000 pounds on two axle trucks and 40,000 pounds on three or more axle trucks, to his office. We understand that these re-

RESTRICTIONS ON JEWS

VICHY, July 21. (AP)—A Gestapo order based on a military decree forbids Jews in occupied France from entering department stores or shops, parks and telephone booths except between 8:00 and 4:00 P.M.

The order was issued by the Gestapo in Vichy, France, and it forbids Jews from entering department stores or shops, parks and telephone booths except between 8:00 and 4:00 P.M.

40 GREEKS EXECUTED

LONDON, July 21. (AP)—A spokesman for the Greek government in exile said Monday that German and Italian authorities on the Axis-held Greek island of Mytilene (Lesbos) had executed 40 Greeks charged with sabotage and underground resistance. The executions, he said, were carried out with machineguns.

The spokesman said that the 40 Greeks were charged with sabotage and underground resistance, and they were executed with machineguns.
