

# Batters Pounce On Saints To Earn 11 To 9 Win Behind Buddy Lake

By PETER SCRAAL.

The addition of four players, the Celery Feds, with a 17-year-old Buddy Lake, who finished the season by making a grand finish after a shaky start, whacked the outfield of the St. Augustine Saints to the tune of 11 to 9 in a wild, exciting, drill-packed game as you'll have this season. It was the win of the season for the Feds, and although it was played on the protest from the sixth inning, your rearing-to-go youngsters didn't let that stop them from wading in up to their knees, striking out 17 hits, including three by Peters, Deetch and Miller. It was one of those games which the fans plenty interested in, enough hitting, base-running, and good pitching, fine pitching and good hitting, and had to say, mediocre pitching happened out there to the most blasé person remaining quiet. To sift through to the bottom of that, it is impossible to see how the Feds have done anything but win. The game in the cards. Although they were away to a bad start and the score was 2 to 2 against them at the time, not even Ed Brand's pitching could have stayed off that spry as they enjoyed in the seventh inning when seven hits followed over five runs.

The Saints came to town with the best sluggers in the league in their line-up. First of all, they had Bussey, the league-leading batter. Then they had Small and Wolfe, all of whom have had at least Class B experience. The rest of the team was made up of Al Whitley, the old-time pick-up a hurler or two, the newbies will finish in fifth place, and the sixth if we get going as should from now on.

Buddy Lake could get the best of those four men, coming up under a triple or four hits, the Saints outfield in that inning, and all through the game, they have cut down a couple of runs because Allen, Lopez, and McLanahan played a little bit too soft on all the Saint batters throughout the game. Actually, three of them are dangerous hitters, Bussey, Small, and Crews. Anyway, the game opened with Wolfe bunting safely along the base line. Schirard threw the ball out at third on the first ball pitched to Small. Small singled to short left field, going to second, and Wolfe to third before Lopez could get the ball back. Crews tripled to left field, to score both men. He died on the sacks as Lake forced Hernandez to go and short to first, and V. Masters struck out.

The Feds started off with a bang in their half, and got one run when Pete Schirard, the tiny catcher, was robbed of a single when V. Masters made a great one-handed catch of a hard hit roller, she ran in time to get Pete at home. It was the fielding gam of the game. Jack Peters, making his appearance here since the University of Florida closed, hit a

triple to right field on the second ball pitched, to be followed by Manager Deetch's triple to center, to score Peters. They were both mighty drives, and from then on the Saint outfield was wary of every batter we sent up. Lopez's best was a tie, knock to Whitley who threw Lopez out at first, while McLanahan hit a hard ball toward first which was retrieved to Yerre Lefty out at first.

It was one-two-three for the Saints in the second, and almost one two three for the Feds in the same frame. S. Masters got a hit to lead off with, but he was caught off third by Schirard, while Cole and Whitley were easy outs. Allen struck out. Harrison was out, third to first, and Higgins singled to short left before Lake fled out to center to end the inning.

Lake gave the Saints three runs in the third inning when he became excited and threw the ball away. Bussey, protesting his batting average, and seemingly unable to get on to Buddy's fast ball, drew a pass. Wolfe dumped a bunt to Lake for what should have been a double-play. Lake, however, threw the ball into center field, letting Bussey go to third. It was a tight spot, for Small and Crews were coming up with their big bats. Both of them hit to short and were thrown out at first, to their apparent disgust. Umpiring might have aided in the Saints scoring in this inning too, for Hernandez, after getting two strikes and two balls, should have been called out on a third strike which was called a ball. So, with the count three-two, he hit sharply to right, and since both the runners were miles off the base on account of his being the last strike and two outs, they both scored. An error by Higgins, when he failed to hold on to Schirard's peg to get Hernandez at second, put that runner on third where a single to left by V. Masters scored him. S. Masters was easy though, going out second to first.

We got one of the runs back in the third. Schirard beat out a hit to short. Peters laid down a neat bunt to advance Schirard to second. Deetch was out, short to first, as Schirard went to third. Lopez singled to center to score Pete. McLanahan hit a high fly ball which was barely caught in foul territory by Small.

The Saints were easy in the fourth. S. Cole, flied out to Harrison, Whitley, struck out, and Bussey flied out to third. The Feds were just as easy. Allen was out, pitcher to first; Harrison struck out. Higgins should have had a hit, but Wolfe made a lightning like stop and throw to get Higgins off first.

The Saint wrecking crew got to Lake in the fifth when Wolfe and Small hit doubles to start with. Small's double was doubtful, for Allen misjudged the ball and let it fall through his hands after a hard run. Heavyhitter Crews could only hit to third, and he thrown out at first. Hernandez came through with a single to right, one of the cleanest hits the Saints got during the game. V. Masters drew a walk, and S. Masters was at first, filling the bases, when Peters fumbled an easy chance for

what was foul. Lefty Schirard and asked for a walk. Lefty Schirard, knowing that he was a runner, would have liked to see Lefty's play but he couldn't see the manager's intentions of the Saints, and he didn't see it. Lefty singled to center field. Britz singled to center field, scoring Lopez, and going to second on the throw home. This was the end of Whitley, and pitcher V. Williams, a high school pitcher, came into the game.

Harrison touched him for a single which bounced over the second sackers head. Higgins followed that by singling to center field. A perfect peg by Hernandez, caught Britz out at the plate. Over. None were out yet, when dumped a hit toward first, forcing Higgins out at second. Harrison moving to third, and Lake being safe at first. Schirard drew a pass and the bases were full with one out. Peters singled, his third hit of the game, to third, scoring Harrison, with the tying run. Deetch followed that by singling into left field, scoring Lake and Schirard. Lopez, coming up in the second time in the inning, ended things by fouling out to the catcher. Five runs on seven hits, five of them clean, solid blows. Imagine those kids going through the enemy like that!

The Saints threatened in the eighth, mainly because of errors. Bussey singled into left but was forced out at second by Wolfe. Small fouled out to Schirard. Wolfe, stealing second, was safe when Higgins let Schirard's peg go through his hands. Crews drew a walk as did Hernandez, and the bases were filled. Lake struck out Masters without trouble, and that was the last of the Saints.

Poor coaching cost the Feds a run or more in the eighth. Pete Miller, just back from school, came to bat for McLanahan, and hit a mighty triple to right field, the longest hit of the game. It was a beauty. Britz hit a bounding ball to second, and should have been out at first, but whoever was coaching at third, sent Miller home. Britz went to second. Harrison struck out however, and Wright, batting for Higgins, was out on a fly to second.

Pinch-hitters came in for the Saints in their last chance, but it did no good. J. Masters, batting for S. Masters, flied out to Deetch. J. Cole, the manager, batting for S. Cole, singled into right field. Williams struck out, and the game was over as Bussey forced Cole out at second. Deetch, unannounced.

The Feds are jubilant today. They confidently expect to get going from now on, and with Lopez in the box next Thursday at Cocoa, they are going to win a game they should have won last Sunday. There is power at bat now, with Lopez, McLanahan, Deetch furnishing almost sure hits every game, and with Schirard, Peters, Miller, Britz, Harrison, and Lake potential batters who are fast as bullets, and anxious to get those hits.

The Feds owe some of their victory to Bert Chapman, the former Red Sox catcher. Bert offered to do a little coaching for the Feds, and all day yesterday he sat on the bench and directed every player in the proper way to bat, field, and run. His presence added at least 50 per cent to the team, and every effort will be made to have him out there regularly. Efforts to get him to take over the reins have failed so far, but if he come out and E.

Manuel was the only pitcher who was not hit by a home run. The Feds were 11 to 9 winners behind Buddy Lake. The game was a wild, exciting, drill-packed game as you'll have this season. It was the win of the season for the Feds, and although it was played on the protest from the sixth inning, your rearing-to-go youngsters didn't let that stop them from wading in up to their knees, striking out 17 hits, including three by Peters, Deetch and Miller. ### A.C.L. Names Adams Commercial Agent

The Atlantic Coast Line Railroad has announced the appointment, effective today, of J. O. Adams as commercial agent at Sanford to succeed E. S. Campbell. Mr. Adams will be in charge of the Freight Traffic Department of the railroad here. He is a former resident of Sanford, having some five years ago been stationed here in the capacity of freight agent. Since leaving Sanford, he has been freight agent for the Atlantic Coast Line at Lakeland, from which post his promotion to the new field here followed. He took over his new duties today, and expects to be joined shortly by his family.

Mr. Adams has been connected with the Atlantic Coast Line in agency work for the past 15 years. Prior to coming to Florida he served in various capacities with the railroad in Georgia and Alabama.

A Victory for Justice

Ferret Lake... the failure of the Seminole County Bank of August 2, 1927... lasted until June 1, 1931, has at last ended in favor of the courts.

There has never been any question of his guilt. In 1927, four years ago, he was tried and convicted on four indictments charging over-issuance, making false entries, and embezzlement and misapplication of bank funds.

There have been hundreds of people in Sanford who during the past three years, have persistently maintained that Lake would never go to jail. Their contention was based not on his guilt or innocence, but upon the popular belief that it is impossible to convict a rich man.

That justice finally triumphed in this case is due almost altogether to the relentless, conscientious and intelligent efforts of States Attorney Millard Smith. The repeated charges of "persecution" and "laissez faire" attitude of the public generally, the uncertain position of the Supreme Court, have been more than enough to exhaust the patience of any except a most determined prosecutor.

When other men would have said it is useless, or "let a dog lie," Mr. Smith continued to hammer away until he finally won an almost unparalleled victory in the history of this state.

Mr. Smith did not prosecute Lake because he wanted to "persecute" him. He did not prosecute him because of any personal "unfriendliness" toward him, or because of some grudge demanding revenge. Lake was prosecuted from beginning to end because it was Millard Smith's job to prosecute him; because Millard Smith is under oath to put every man in this district behind the bars who violates the laws of Florida; and well for one glory in his spunk.

Industrial Development

Persistent rumors that something good is in store for Sanford developed more tangible attributes at the luncheon of the Chamber of Commerce yesterday when President Pappworth announced that a deal had been closed which would result in the location of a canning factory in this city.

T. H. Eckerson who is financing the factory and who will devote a considerable portion of his time to its operation, is a prominent New Jersey capitalist and a successful food products manufacturer and distributor of New York. He is an old friend of Mr. Tunnilliffe and as such comes well recommended to this city.

The development of Sanford along industrial lines is where its future greatness lies. Agriculture has made it what it is today, but there are limits to the possibilities of agricultural development, limits which are too restricted to satisfy our progressive population.

This particular factory, we understand, will begin operation maintaining a payroll of between 250 and 300 persons, and will see the displacement in this vicinity for fruit and labor of approximately \$250,000 every season.

There is no question now about Sanford being definitely on the upgrade, and with reports coming to us daily of continued depression elsewhere, Sanford appears to be one of the exceptionally few bright spots on the economic map of the country.

## MUNSON PUPILS GIVE PIANO RECITAL FOR SCHOOL GRADUATING CLASS

An appreciative audience of over 700 persons, including many out-of-town guests, attended the piano recital given Monday evening at the Seminole High School auditorium by pupils from the student classes of Mrs. Fannie Stambidge Munson in honor of the members of the class of 1931 of Seminole High School. Palms and marble pedestals, accented the classical simplicity of the stage arrangement, while two tall floor baskets of abaca daisies and pink love vine added color to the general effect.

Assistant talent on the program included Miss Jeannette Houghton, contralto, pupil of Clarence C. Nix, director of music at Rollins College Conservatory, and her accompanist, Walter Kimball, also of the Rollins College Conservatory. Mrs. Munson stated that Miss Houghton won her audience not only through her beautiful voice, but also by her poise and charm of manner. In addition to her program numbers Miss Houghton:

## Charles Dunn Weds Mattie Mae Branan

Of special interest to a wide circle of friends here was the marriage yesterday of Miss Mattie Mae Branan, daughter of Mr. and Mrs. Perry Ivey Branan, to Charles Dunn, Jr., son of Mr. and Mrs. Charles Dunn. The ceremony was performed in Orlando at the home of the pastor of the First Presbyterian Church in the presence of a few intimate friends of the couple.

Pink eyelet lace was the material used for the afternoon gown worn by the bride for the occasion. The dress was fashioned along simple lines with a long full skirt falling in graceful folds nearly to the floor. Features of the trimming of the dress were the two powder blue tulle silk ribbon bands placed at the blouse and hip lines. With this she wore a large pink cape line hair-hat, pink gloves and other accessories in pink. Her carriage was of pink-roses and gray lilies.

Following the ceremony the couple left in their car for a month's trip in California and other western states. They will be at home to their friends on their return at 555 Palmetto Drive, San Lanta.

Mrs. Dunn's traveling outfit was a black crepe sten suit worn with a blouse of white tulle. The short jacket was trimmed with tabs of white finished with matching silver buckles. The shoes were the new three-quarter length and were worn with long white kid gloves. A close fitting hat of black and white tulle and other accessories in black finished the costume.

The bride was born at Haverhill, Pa., but moved from there in early childhood to Canfield, Ga., where she spent the greater part of her life. She was graduated from high school in Canfield and later attended teachers' school at Canfield, Ga., and business school in Canfield. For the past several years she has been employed at the First-Wing

The home of Mrs. J. T. Newby, 1006 Palmetto Avenue, was the scene of the regular meeting of Circle Number Five held yesterday afternoon with Mrs. Francis E. Bols leading the devotional. A short business meeting was held and Mrs. J. G. Sharon read an interesting paper on stewardship.

Those present were: Mrs. J. G. Sharon, Mrs. A. J. Peterson and guests; Mrs. W. F. Schilling and Mrs. J. J. Perritt, of Vero Beach; Mrs. George McCall, Mrs. J. B. Smith, Mrs. J. C. Mitchell, Mrs. A. C. Chamberlain, Mrs. Phil G. Thompson, Mrs. Grady Gallant, Mrs. J. T. Newby, Mrs. Francis E. Bols and Miss Augusta Fletcher.

Store on East First Street. The bridegroom is the son of Mr. and Mrs. Charles Dunn, 220 Beatt Avenue. He was born at Winnipeg, Canada, and came here with his parents about 18 years ago. He spent a number of years at various points in California, Colorado and Michigan, returning here last July to become engaged with his father in celery farming.

## Tennessee Elects Speaker Of House

NASHVILLE, June 1.—(P)—Senator A. B. Broadbent, Clarksville, today was elected speaker of the Tennessee Senate from which position he will succeed to the governorship in the event of impeachment of Governor Henry Horton.

A special House committee is preparing additional proposed articles for impeachment against the governor for non-compliance to the House treasury. At the end of the week Broadbent succeeds to the chair left vacant by the resignation of South Pittsburg because of criticism of his connection with Congressman James H. Hamilton and leader of the impeachment fight against the governor.

## MISS MALLEM'S PUPILS GIVE PIANO RECITAL AT WOMAN'S CLUB FRIDAY

Features on the recital given last Friday evening by the piano pupils of Miss Madeline Mallem at the Woman's Club at 8 o'clock were the group of vocal solos by Mrs. Arthur Branan, who was accompanied by Mrs. J. A. Takach, and the numbers rendered by L. P. McCuller, on the xylophone and Francis Roumillat on the saxophone with Mrs. F. E. Roumillat as accompanist.

The guests were received at the door by Mrs. W. F. Runge, Mrs. J. N. Azarillo and Miss Mallem. George Fellows, Jr., and John Thomas Cullum distributed the programs and presented flowers to the pupils at the end of their piano and other musical numbers. Mrs. F. L. Roumillat, Mrs. J. F. Burns and Miss Anna Marie Fellows had charge of the flowers.

- Accentuating a color scheme of pink and white were the quantities of gladiolus, roses and carnations arranged in profusion about the rooms where the program took place. Late in the evening an tea course, further emphasizing the chosen color note, was served by Miss Mallem, assisted by her mother, Mrs. A. E. Mallem, Mrs. Mary Schaal, Mrs. G. C. ## Sorority Gives Dance At Club On Saturday

A large contingent of the younger set attended the tea dance given Saturday afternoon at the Woman's Club by the members of the Phi Alpha Kappa sorority. Dancing began at 4 o'clock and continued until 6 o'clock. During the afternoon punch was served with Miss Helen Wilson and Miss Betty McKinnon presiding at the refreshment table.

Adorning the rooms of the club for the occasion were quantities of vases and bowls of roses, gladiolus and fern. White tulle curtains entwined with flowers and ferns were placed in various places about the rooms where the guests enjoyed dancing.

Among those present were: Mrs. E. I. Hoy, the Misses Pauline Stoudenmire, Christine Stoudenmire, Marjorie Forrest, Patsy O'Connor, Billie Wight, Mary Hurt, Mary Maxwell, Lillian Branan, Betty McKinnon, Marjorie Bonlike, Mary Dighton, Camilla Deas, Jean Martin Laney, Frances Wilson, Frances Pearson, Kathleen Laney, Betty Wheelers, Martha Bishop, Dorothea Lawson, Lucille Bols, Helen Douglas, Ella Spencer, Ruby Coursey, Juanita Smith, Marjorie Turner, Georgiana Vaughn, Helen Wilson, Winifred Strong and Alice Wall, of Orlando.

Also Claude Herndon, Alex Sharon, George Mays, Hendrix Lyles, Donald Jackson, Bruce Laney, Wallace Phillips, Edwin Shindholser, John Currier, Henry White, H. B. Odham, Jr., Richard Deas, Evans Spencer, John Powell, Sam Byrd, and Gene Turner.

## You cannot get away from your feet

Shoes are the final touch of smartness in a woman's costume. A poor fitting shoe robs a woman of her natural grace in walking and detracts from her smart appearance.

### Dress Your Feet Smartly

Enna Jettick Shoes for women are made in all the fashionable lasts, all the smart leathers and fabrics, all the newest color combinations. Always beautiful—never freakish.

### Fit Them Accurately

The foundation of a stylish foot lies in accurate shoe fitting. Enna Jettick Shoes fit any normal foot with accuracy. They are made in 177 different sizes and widths. Look for the name Enna Jettick. Insist on having the proper fit. AAAAA to EEE. Sizes 1 to 12.

### Why Not Economically?

Nowhere can women obtain greater shoe value for \$5 and \$6 (never more, except in Canada). No matter how much more you pay you cannot get a better fitting shoe.

EVERY SUNDAY NIGHT  
Enna Jettick Melodias on NBC coast-to-coast hook-up. (D.L. fashioned songs and hymns—no jazz.)
