## RED CROSS MEMBERSHIP DRIVE GOING STRONG COMMITTEES ARE OUT

Chairman Walker Well Satisfied With the Work

### FOR A GOOD CAUSE

MEANS MUCH TO PEOPLE EVERYWHERE AND OUR OWN IN PARTICULAR

The Red Cross membership drive started off here in fine shape on Armistice Day but on account of the big doings that day the work of the Red Cross was overshadowed although the girls were everywhere during the day getting subscriptions and advertising the fact that the drive was on.

Dr. Walker is in charge of the drive and has his headquarters at the Union Pharmacy where subscriptions will be taken at any time during the day. The canvassing committees are out taking in the various residence streets and from all indications the Membership Drive will net fine returns. The money is not for the war work this time as it was several years ago and for this we are all sincerely thankful but the membership dollars will be spent here on the Home Work that means so much to all of us. The Home Work Bureau here has been doing excellent work as the report published in this paper several days ago set forth and your dollars put forth for this purpose will be dollars well spent.

### SHIPPING BOARD APPOINTMENTS GIVEN OUT TODAY

(By The Associated Press.)  
WASHINGTON, Nov. 13.—Shipping board appointments by President Wilson today was Rear Admiral Benson, Georgia, Democrat, chairman; Frederick L. Thompson, Alabama, Democrat; Joseph N. Teal, Oregon, Democrat; John A. Donald, New York, Democrat; Chester H. Rowell, California, Republican; Guy D. Goff, Wisconsin, Republican; Charles Sutter, Missouri, Republican.

### IMMIGRATION WILL BE RESTRICTED TO BLOOD RELATIVES

(By The Associated Press.)  
WASHINGTON, Nov. 13.—Congress at the coming session will be urged by the House committee on immigration to restrict admission of aliens to close blood relatives of naturalized citizens, Representative Johnson, the chairman, said.

### OPEN OLD CASE

(By The Associated Press.)  
LANGDON, N. H., Nov. 12.—An abandoned well on the farm of William B. Whitney was reopened today in search of the body of Whitney's second wife, who the son said his father murdered eight years ago.

### AUSTRIA WANTS IN

(By The Associated Press.)  
GENEVA, Nov. 12.—The formal application from Austria for admission to the League of Nations was received today.

### CANNOT SELL HOPS

(By The Associated Press.)  
COLUMBUS, O., Nov. 12.—Sult to test the recent ruling prohibiting the sale of malt extract and hops except to confectioners and bakers will be filed in the federal court here by a distributing company.

### THE DAUGHTERS WANT RECOGNITION

ASHEVILLE, N. C., Nov. 13.—Denouncing the act whereby the names of Southern military and naval heroes of the Civil War were omitted from the list inscribed in the Hall of Honor and Fame in the Arlington Memorial Amphitheatre, the United Daughters of the Confederacy, in convention yesterday appointed a committee with permanent powers to serve until such time as the names of their heroes are placed on the roll. Judge Charles B. Howry, of Mississippi, now a resident of Washington, will be requested to act as an advisor to this committee. He is a member of the amphitheatre committee.

## PARK-TO-PARK NATIONAL ROAD TO BE BUILT SOON

CONVENTION HELD TODAY TO GET NATIONAL AID FOR HIGHWAY

(By The Associated Press.)  
DENVER, Nov. 13.—The initial convention of the National Park-to-Park Highway Association, with nearly 100 delegates in attendance, opened here Thursday with a program calling for congressional aid for the 12 most westerly states in raising \$100,000,000 for hard-surfacing the 5,600 miles of dirt roads that serve as connecting links to form the National Park-to-Park Highway. The convention will last three days.

Stephen T. Mather, director of the National Park Service, officials of the American Automobile Association the Rotarians, Optimists and other western organizations, are participating. The National Park-to-Park Highway Association will be put on a permanent organization basis, and state and local branches formed in 12 states and 100 cities of the west.

Congress will be memorialized to make this a federal highway, roughly circling nine western states, Colorado, Wyoming, Montana, Idaho, Washington, Oregon, California, Arizona, and New Mexico and connecting 11 National parks.

Representatives of the governors of these states, as well as Utah, Nevada and Texas, are attending the conference, which marks the close of the official tour dedicating this American motor way, with the start and finish in Denver. The trip required 76 days, noon and night meetings being held in towns on the route to arouse the west to a greater appreciation of its scenic, industrial and agricultural possibilities.

This wonder highway in the form of a lariet loop embraces an area greater than continental Europe, touching in the course of its scenic running noose, Mesa Verde, Rocky Mountain, Yellowstone, Glacier, Mt. Rainier, Crater Lake, Lassen, Yosemite, Sequoia, General Grant and Grand Canyon National Parks. A branch road will some day connect Zion National Park in Utah. Cheyenne, Great Falls, Spokane, Seattle, Tacoma, Portland, San Francisco, Los Angeles and Denver are on the route.

## Stopped Buying Cotton Goods Cuts Output

(By The Associated Press.)  
WASHINGTON, Nov. 13.—Curtailed of cotton manufacturing was reflected in October cotton consumption, statistics announced today showing the amount of raw cotton used for manufacturing last month as 339,837 bales, the smallest in any month in six years.

### SEBASTOPOL BEING EVACUATED BY THE BRITISH

(By The Associated Press.)  
LONDON, Nov. 13.—Sebastopol is being evacuated and British authorities are requisitioning ships in Constantinople take refugees from that city, says a dispatch from Constantinople to the Exchange Telegraph. General Wrangel's situation in Northern Crimea is said to be desperate.

### CERTIFICATE FROM DOCTOR TO OBTAIN COAL

(By The Associated Press.)  
BUFFALO, Nov. 13.—A doctor's certificate was required to obtain a ton of coal here today and with the thermometer around twenty above zero thousands with empty bins clamored for fuel. A marked shortage of natural gas intensified the demand.

### WRANGLER DRIVEN BACK.

(By The Associated Press.)  
PARIS, Nov. 12.—General Wrangel's anti-Bolshevik forces were driven back to the second line in Crimea today before the fierce Bolshevik attack.

### MOTOR CAR DERAILED

(By The Associated Press.)  
WINCHESTER, Va., Nov. 12.—Three killed and three were injured in the derailment of an electric motor car near the old chapel bridge here today.

## FIRST CARS BIG BOSTON LETTUCE SHIPPED TODAY

C. F. BRANNON SHIPS TWO CARS FINE LETTUCE THROUGH DUTTON COMPANY

Sanford lettuce is going forward to the northern markets every day now and the season will soon be at its height. The weather is ideal and is just cool enough to head up the lettuce and keep it prime. C. F. Brannon sent in several heads of Big Boston to the Herald office today that is excellent stuff and is shipping two cars of this today through the F. F. Dutton Co. Ten cars of lettuce have gone forward this week which is a good showing for early lettuce and while no cash sales have been made here the lettuce is being shipped to find out what the market will take and the price at which it can be sold. The first lettuce shipped by the Dutton Co. was of a new variety propagated by Sheridan Jewett and it has been named by the editor of the Herald, the "Jewett Special," being a very early lettuce that comes ahead of the Big Boston. The two cars today are the first of the Big Boston to be shipped from here this season of which any mention has been made.

Last week Albert Dorner brought in several heads of good lettuce to the Herald office but it was not ascertained whether this was Big Boston or not and this will not be shipped before next week.

The outlook for the lettuce crop in the Sanford section this year is very bright and as it is a much easier crop to raise than celery and costs less money we are all pulling for the lettuce growers and shippers hoping that the weather man will keep it cool until after Thanksgiving at which time the big shipments will be going forward and there should be good money made for the growers despite the high cost of production this season.

### WOULD APPROVE SETTLEMENT

(By The Associated Press.)  
ROME, Nov. 12.—Foreign Minister received from the Italian embassy at Washington a statement that the American government has declared formally it would approve any settlement of the Adriatic question reached between Italy and Jugo-Slavia.

## Colder Weather Is Predicted

FROST AND FREEZING TEMPERATURES FOR SOUTH AND GULF.

(By The Associated Press.)  
WASHINGTON, Nov. 13.—Frost and freezing temperatures in the South Atlantic and gulf states except Southern Florida was predicted by the weather bureau in its forecast for tonight and Sunday. Temperatures continue below normal for the eastern half of the country.

### PRESIDENT-ELECT KEPT INSIDE BY BAD WEATHER

(By The Associated Press.)  
POINT ISABEL, Tex., Nov. 13.—Kept off the fishing grounds by a cold northerly and virtually marooned on landside by impassable roads, President-elect Harding remained at a seashore cottage today.

### GERMANY DID NOT MAKE REQUEST FOR ADMITTANCE

(By The Associated Press.)  
GENEVA, Nov. 13.—Germany did not make formal application for admission to the League of Nations but would not ignore the invitation to become a member said Dr. Herrmann Mueller, vice-president of the foreign affairs committee of the German reichstag, in a statement to the Journal de Geneve today.

### PRINCETON-YALE FOOTBALL GAME BRINGS BIG CROWD

PRINCETON, N. J., Nov. 13.—Vanguards of more than fifty thousand spectators over ran Princeton today for the annual Princeton-Yale football classic. The line-up shows that Captain Callahan will play right guard for Yale and thus not face his brother who will play center for the Princeton team.

## BRIDGE ACROSS ST. JOHNS AT OSTEEN FERRY WILL BE BUILT IF VOLUSIA HELPS

STEAMERS COLLIDE AT STATEN ISLAND PASSENGERS DROWN

(By The Associated Press.)  
NEW YORK, Nov. 13.—The Spanish mail steamer Monsterrat, from Cadix with 379 passengers and the steamer San Marcos, from Galveston collided off Staten Island today. Some of the Monsterrat's passengers leaped overboard and one known to have been rescued. The San Marcos continued to the pier.

## Japanese Question To Be Settled

GOVERNMENTS WILL GET TOGETHER ON PLAN FOR AGREEMENT

(By The Associated Press.)  
TOKIO, Nov. 13.—Newspapers here today report that the Japanese and American governments have reached an agreement in principle relative to the exclusion of Japanese laborers from the United States. It was asserted, however, there is a disagreement regarding the methods to be employed. It is understood the Japanese provisions for exclusion, if embodied in a treaty will be humiliating and form an undesirable precedent.

## PERMANENT DISPLAY IN JACKSONVILLE

STATE FAIR ASSOCIATION WILL MAKE ARRANGEMENTS FOR PERMANENCY

JACKSONVILLE, Nov. 13.—Provided sufficient counties and communities respond—and the indications are that they will—the Florida State Fair & Exposition will establish a permanent agricultural museum this year.

The fair association has invited all counties, boards of trade, and chamber of commerce, as well as all communities to send along with their exhibits to the state fair, November 18 to 27, sufficient surplus products of the soil to begin the museum, which will be maintained in one of the big fair buildings for the benefit of the many visitors and tourists who pour through Jacksonville during the winter months.

This plan is in connection with the association's project to establish a great community center at the Brentwood grounds. General Manager B. K. Hanaford of the fair association states that he has already received many favorable replies from prospective exhibitors Florida, and he is confident that this season will see launched what is destined to become an invaluable adjunct to the state fair, as well as to Florida communities, in showing all year the great range and variety of products raised from Florida soil.

Staple agricultural products, of course, will keep almost an indefinite period without replacement, but perishables will be displayed in glass jars and preserved in alcohol. Mr. Hanaford states the plan is to enlist the aid of the railroads in advertising the agricultural museum, and in this connection an attractive sign will be erected in the Jacksonville Terminal station calling attention to the exhibit.

### WAGES BEING CUT.

DANVILLE, Va., Nov. 12.—Wage reductions of 25 per cent effective Nov. 21, were announced today by Dan River and Riverside Cotton Mill Corporation, one of the largest organizations of its kind in the South.

The announcement said two groups of its employes represented in the plant management had voted almost unanimously to accept the reduction. The reduction, it was said, affects only the base rate of pay, the economy dividend or bonus in force under the plant government system not being affected.

Try a Herald Want Ad.—It pays.

## New Smyrna Board of Trade Will Take Up Matter

### SHOULD BE ERECTED

WOULD MEAN MUCH TO TRADE AND TRAVEL OF THIS SECTION OF FLORIDA

The counties of Volusia and Seminole have long discussed the proposition of a free bridge at Osteen ferry and while Seminole county has been ready to do her part for several years Volusia has been hanging back for various reasons and these reasons have been personal reasons and not altogether for the best interests of the county and the cities in the southeast end of Volusia have long understood the reasons and wanted something done by the Volusia commissioners in the way of a free bridge at Osteen. The other road across the St. Johns river at Monroe has a paid ferry and it is fifty cents all day and all night and this works a hardship on the travel to Seminole and Volusia and keeps many people from coming to this city and many from going to Deland and Daytona. This toll bridge has been built long enough to pay the owners big money and the two counties should exercise their prerogative and buy it, making it either a pay proposition until paid for or make it a free bridge. The day has passed for toll bridges and Volusia county is beset with them on all sides. It is refreshing then to see by the New Smyrna News that New Smyrna at least will make an effort to have the bridge at Osteen ferry built as soon as possible and the New Smyrna Board of Trade has taken it up as the following would indicate:

"That a bridge across the St. Johns river at the Osteen ferry can be secured and built, with the assistance of Seminole county and the state road department, if the people of this county will get behind the movement and help it along is the information that has come to the new New Smyrna-Coronado Board of Trade, and the new organization has taken the matter up with the idea of carrying it through if possible.

"The agitation for a free bridge across the St. Johns river at the Osteen ferry has been on for a number of years and has been discussed many times in Volusia and Seminole counties, but without definite results. It is intimated that if the matter is put before the state road department in the proper light state aid for the structure can be obtained. Seminole county has stood ready for a number of years to pay her half of the expense of building the bridge, but Volusia county has never got to the point where she will meet Seminole in the proposition.

"The matter will be taken up thru the new board of trade at once and some interesting developments may be expected."

### FARMER'S BANK WITH \$6,000,000 CAPITAL ORGANIZED AT JAX

JACKSONVILLE, Nov. 13.—At a meeting here today of the Jacksonville Clearing House Association, the organization plan for the Southern Federal Farm Banking Corporation, authorized by the Edge act, was approved. The corporation will have a capital stock of \$6,000,000.

J. S. Reese, Pensacola; A. F. Perry, Jacksonville; J. A. Griffin, Tampa; G. C. Ware, Leesburg, and E. C. Romph, Miami, were named a committee to invite stock subscriptions in Florida.

### CONSCIENCE STRICKEN THIEF

(By The Associated Press.)  
AMERICUS, Ga., Nov. 12.—A conscience stricken thief returned \$3,000 in Liberty bonds and \$200 in war savings stamps stolen from the residence of A. C. Crockett. It was received in an anonymous letter from Kansas City.

### TAKING UP TOURISTS, TELEPHONE RATES AND CLYDE LINE CHANGE OF SCHEDULE

The tourist season, which this year officially opens November 15th, finds an unprecedented number of tourists already in the state.

The problem of housing them, particularly in communities which were congested under normal circumstances, will become more difficult to solve as the new arrivals increase.

The Chamber of Commerce is receiving requests in every mail for light housekeeping rooms from people who are desirous of spending the winter in Sanford. In order to determine the number of rooms of this nature available, Secretary Pearman urgently requests that this information be listed with him at the earliest possible moment, as well as any other furnished room that may be rented to relieve this condition. Phone 229 or write the Secretary at the Valdez Hotel.

A special meeting of the Board of Governors of the Sanford, Chamber of Commerce was held last evening in the Valdez Hotel to determine what attitude the organization would take in the proposed telephone rate increase, the hearing of which will be held before the State Railroad Commission in Tallahassee on the 15th of this month.

The company's district and local managers were present at this meeting to explain their company's position in the matter and give any additional information that might be required by the Board.

Further action was deferred until Friday evening, at which time it will be definitely determined what recommendations will be made to the Rail-

road Commission on the part of the Chamber of Commerce.

The new schedule of the Clyde Line's Sanford Route, which went into effect November 1st, cannot be changed at this time, according to a letter received from Captain Tupper by the Chamber of Commerce.

Captain Tupper's attention had been called to the inconveniences this new schedule entailed upon the merchants of Sanford, particularly the arrival of a boat here on Saturday.

In explaining his position in the matter he stated that it was to the best benefits of all concerned in making as close connection as possible with their ocean steamers, for the accommodation of those passengers who were routed through the river line to Sanford, and also to prevent running boats on Sunday, both from crew and shippers standpoint.

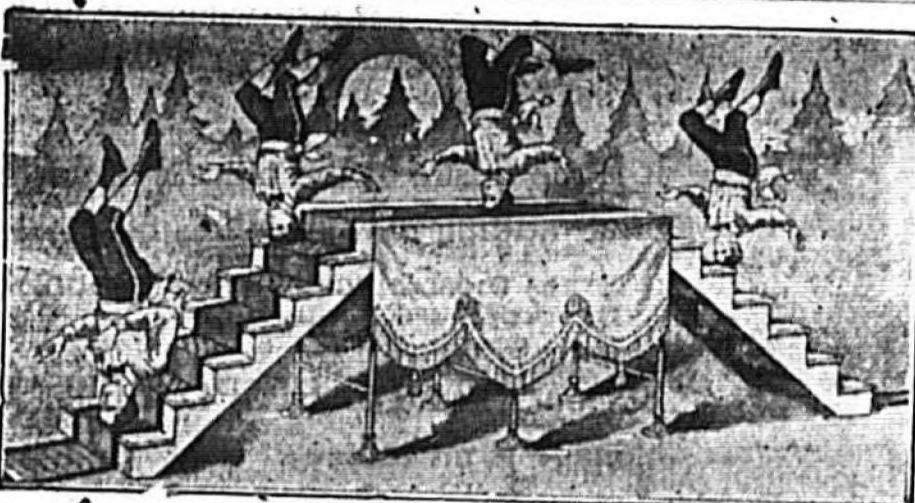

Hereafter, it is the intention of the Clyde Line to put the steamer Osceola on this run and Captain Tupper anticipates that better time will be made on this schedule.

### ORGAN RECITAL AT THE PRESBYTERIAN CHURCH

The music lovers of Sanford will be glad to know that the pipe organ recital by Miss Bertha M. Foster will be given Tuesday night, Nov. 16, at 8 o'clock. Sanford is fortunate in having an opportunity to hear a musician of such ability. Miss Foster is founder and director of the school of Musical Art of Jacksonville. The Jacksonville Times-Union says: "Miss Foster is not only the leading organist of the city, but has probably few equals in the state and the South and her playing is always a delight, a thorough musician with high faultless technique."

This evening of music is planned to give the people of Sanford an opportunity to hear the Presbyterian organ and no admission will be charged.

Member of the Associated Press

Some strenuous week.

And some more of them ahead of us.

However, we rest tomorrow for one day.

We are not kicking on the work but the regularity of it.

This old town is getting in the big city class with something stirring every minute.

And the Daily Herald is the little spoon that is doing quite a bit of the stirring.

Have you a little Daily Herald in your home? It is the greatest little exhilarator that you ever saw.

The American Legion boys deserve a vote of thanks for putting some pep into the game. They put over a big one even if old Juke Pluvius did throw a spit ball.

If there was ever a greater bunch of boys in the world than the soldiers and sailors of the American army we would like to see them. And we hope to see them in their uniforms once each year at least and more if possible.

The Herald has often said that Sanford should have a band and we say it again. It is one of the best assets of any town and should be fostered and encouraged in every way. You seem to get more out of life if you can hear a good band now and then and no town is a real town unless it has a good band.

The State Road Department under the leadership of Forest Lake, of Sanford, is doing things, and as a result it is receiving the compliments and respect of the people of the state. Even those who would rather the state road department would do things other than those it is doing are pleased to see the pep and spine that Mr. Lake has injected into the body which unquestionably is one of the most important departments of the entire state government, and should never be hampered in its work by efforts of the legislature to abolish it.—St. Augustine Record.

**BRIDGE ACROSS ST. JOHNS**

What Sanford and New Smyrna needs more than any one thing is a bridge across the St. Johns river at Osteen ferry. There is an article in this issue from the New Smyrna News that brings up this matter again and states Seminole county has been ready to pay her share of the bridge for many years but a certain clique in Volusia county has stood in the way of a free bridge across the St. Johns river probably because the bridge across the St. Johns river at Monroe is a pay proposition and the free bridge would cut off some revenue from the pay bridge owned by private parties. The state road department might aid some in this much needed enterprise and it is hoped the two counties will get together, lay all personal objections aside and get a bridge built here at once and make it a free bridge.

*Jo says*

I USED TO BORROW MONEY AND PAY BIG COMMISSIONS AND INTEREST TO GET IT. IT WAS LIKE A HEAVY YOKE AROUND MY NECK UNDER WHICH I WAS CONSTANTLY STRUGGLING. IT SIMPLY KEPT ME GRINDING EVERY DAY FOR OTHERS. SO ONE DAY I RESOLVED TO SAVE AND INVEST. IT WAS A MIGHTY HARD THING TO DO BECAUSE I HAD THE INTEREST, PRINCIPAL, LIFE INSURANCE, HOUSEHOLD EXPENSES AND GOODNESS KNOWS WHAT NOT TO MEET WHEN PAY DAY CAME. BUT I RESOLVED WITH THAT DETERMINATION AND AFTER YEARS OF STRUGGLING I SUCCEEDED IN GETTING OUT OF THIS RUT AND ON TOP. TODAY I AM REHLED, LOANING MONEY AND MAKING AN INVESTMENT IN THE 8 PER CENT CUMULATIVE PREFERRED STOCK OF THE SOUTHERN UTILITIES COMPANY. WHAT I DID, YOU CAN DO. START NOW. THERE'S NONE BETTER.

**THE PRIZE WINNERS**

The announcement of the prize winners of the Armistice Day parade in last night's Herald was placed in the paper at the last minute and many did not know the result and have asked that we publish it again. The judges of the cars are still incognito and will never be known as they have probably left for parts unknown as judges of any kind of a contest usually are obliged to do but in this case their decision seems to meet with general approval.

The first prize of \$25 went to Mr. and Mrs. E. F. Lane, who had the "Peace" car decorated in white and trimmed in pink wisteria making what was pronounced one of the prettiest cars that has ever been shown here in a parade. In the car were Mr. and Mrs. Edward F. Lane, Mrs. John Smith, Mrs. Charles Britt and Miss Virginia Brady.

The Lane car had a white dove of peace on the front of the car and a small Cupid drove the car by silken reins running to the mouth of the dove and the entire effect was very pretty.

The second prize went to Mr. and Mrs. Reginald S. Holly who also had a "Peace" car all in white without a touch of any other color carrying out the effect throughout the car with the white dove of peace perched on the tip of the canopy that was draped over the car and was also perfect in all its appointments. Driving the car was Mrs. Reginald Holly and accompanying her were Mrs. R. J. Holly, Mrs. Donald Smith, Mrs. S. M. Lloyd and Mrs. Eugene Roumillat and little Evelyn Smith dressed in fairy costume posed in the rear of the car.

The third prize was awarded to the John Smith car entered as the Gulf Refining Co. car and the decorations were white and yellow, beautiful in design and carried out the spirit of the day with a huge cannon mounted on the float guarded by little Wilson Smith and Miss Martha Fitts, the car being driven by John Smith. The third prize was \$10 and while the judges had a difficult time in judging the various cars as there were so many beautiful designs in the parade it is the general opinion that they gave the prizes where they were due and the cars were donated like everything else—to make Armistice Day the greatest day in history—and no one went into the parade for a yother purpose.

The beautiful cars and floats demonstrated that Sanford can arrange such an affair of short notice and make a display that would be a credit to a city many times as large and the Sanford spirit can always be counted upon to come across at the proper time.

Will Rogers, the cartoonist, says McSwinnay has nothing on the Republican postmasters—they have been starving for eight years.

**DONATIONS TO HOSPITAL**

The people are realizing more and more that the Fernald-Laughton hospital means more to the city than any other institution and many of them who have been inmates there wonder how Sanford ever existed without a good hospital. Every citizen in the county is standing by the hospital and when they find out the hospital needs something they dig down and get it. The following donations were made this week:

L. I. Frazier, of Celery avenue, donated fifty feet of hose to water the lawn and keep it looking good.

F. W. Mahoney sent a new stove to keep the nurse's cottage comfortable this winter.

**GREAT FOR GARAGES**

For that new garage no roofing can begin to compare with Artcraft, slate surface, weather-proof and fire-safe. Handsome natural slate colors, red and green shingle design.

Use Artcraft for sidings as well as for the roof.

**Six Kinds of Safety**

Have you every paused to consider the safety of the bank where you deposit your money?

The first consideration is the capital, which should be ample to meet the requirements of the community the bank is to serve.

The next question to consider is the officers in charge. They should be men of experience, high character and successful. Without men of ability no institution can succeed.

Then there is the question of confidence. The public should have confidence in the officers and in the bank.

These three principles determine the success of a bank.

We adopted these principles in the outset of our career and we expect to live up to this high standard and increase our usefulness to the community as the years go by.

**We Offer You:**

- 1ST: LARGE CAPITAL AND WORKING RESERVE.
- 2ND: TRAINED MEN IN CHARGE—MEN OF SEVERAL YEARS EXPERIENCE.
- 3RD: THE CONFIDENCE OF THE PUBLIC, WHICH IS PROVEN BY THE DAILY ADDITION TO OUR LINE OF DEPOSITORS.
- 4TH: PROTECTION BY TWO EXAMINATIONS EACH YEAR BY THE STATE BANKING DEPARTMENT, TWO AUDITS EACH YEAR BY AN INDEPENDENT RECOGNIZED PUBLIC AUDIT COMPANY AND TWO SWORN STATEMENTS SUBMITTED TO THE STATE COMPTROLLER BY THE CASHIER, GIVING THE BANK'S CONDITION IN DETAIL, ALL OF WHICH INSURES REGULAR, SYSTEMATIC AND THOROUGH OPERATION OF THE BANK.
- 5TH: THE ADVICE OF A COMPETENT BOARD OF DIRECTORS, WHO MEET WITH THE OFFICERS REGULARLY EACH MONTH AND ADVISE THEM AS TO THE OPERATION OF THE BANK.
- 6TH: INSURANCE OF ALL DEPOSITS EVERY DAY OF THE YEAR, THIS IS A PROTECTION NOT COMMONLY FOUND IN BANKS AND IS AN ABSOLUTE PROTECTION FOR YOUR FUNDS, IN ADDITION TO ALL THE OTHER USUAL SAFEGUARDS.

THESE ARE REASONS WHY YOU SHOULD DO BUSINESS WITH US, AND WE BELIEVE THAT NO BANK CAN OFFER BETTER INDUCEMENTS.

**Vulcanite Shingles**

Just Lay Them Down and Nail—That's All There is To It

The Shoulder of Protection keeps hot or cold air—rain, sleet, etc., from forcing its way through the roof.

The Shoulder of Protection is also the Self-Spacing Device. Makes laying easy and rapid—thus saving time and money.

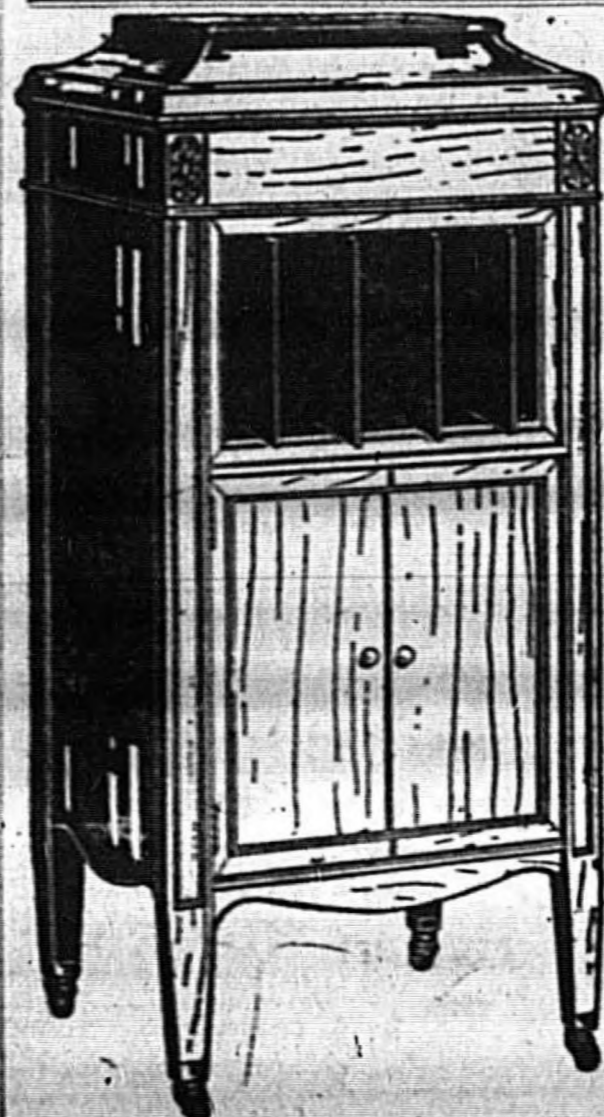

These Asphalt Shingles are surfaced with natural colored Red or Green Crushed Slate. Each rain washes away the accumulated dust—re-viving perpetually the original rich colors.

Where these shingles are used the insurance rate is lowered—because they are fire-resisting.

Give us the dimensions of your roof. We will estimate the cost free of charge. Samples and prices furnished free.

**SOCIAL CALENDAR FOR THE WEEK**

**WEATHER REPORT**

**Saturday**—  
Cecilian Music Club at the Studio of Mrs. Frances S. Munson at 3 o'clock.

Mrs. B. J. Starling has returned after a pleasant trip to Savannah, Ga.

Mrs. A. E. King motored her guests and Mr. and Mrs. Chamberlin to Orlando Friday.

Mr. and Mrs. Raymond W. Butler, of Brunswick, Ga., announce the birth of a son, October 17th, who is to be called Raymond W. Butler, Jr. Mrs. Butler is very pleasantly remembered in Sanford by many friends as Miss Edna Williams.

Mr. and Mrs. D. C. Marlow have purchased the house on the corner of Seventh and Park avenue from Dr. Phillips.

**T. N. T.**

The T. N. T. was charmingly entertained Friday afternoon by Mrs. Reginald Holly at the home of Mrs. R. J. Holly on Park avenue.

The regular members and two guests enjoyed a most pleasant afternoon.

A delicious salad course was served.

John Graham, member of the Kissimmee band, was the guest of C. E. Secrest and wife on Armistice day at their home on French avenue.

Mrs. Lillian Degores, of Kissimmee, was the guest of Mrs. C. E. Secrest for Armistice Day.

Mr. and Mrs. H. H. Witherington of Apopka, were in the city today for a short time enroute to Daytona.

Hon. Eph Brown and son, of Ft. Christmas, were in the city today on business.

J. H. McClelland, of Geneva, was calling on friends and transacting business here today.

**FRIDAY'S GUESTS AT THE SEMINOLE HOTEL**

Cecil McDaniel, Sanford; Mrs. J. F. Stonebraker, Jr., Arcadia; Mr. and Mrs. E. E. White, Daytona; B. J. Galloway, New York City; E. J. Brady, Atlanta; John Mondilli, Jacksonville; Mr. and Mrs. N. A. Reasoner, with Royal Palm Nurseries; H. W. Glass, Edgmoore, S. C.; S. L. Rodman, Rodman, S. C.; S. C. Robinson, Edgmoore, S. C.; W. M. Melton, Richburg, S. C.; Victor W. Hallie, Richburg, S. C.; F. M. Everett, Titusville; Ernest Stephan, Tavares; L. M. Burch, Indianapolis; I. S. Roberts, Atlanta; Jeff Withers, Huntington, W. Va.; J. F. Kettlers, Wilmington, N. C.

Mr. and Mrs. C. L. Smith, formerly of Bradentown, have engaged rooms at the Seminole and will spend the winter in Sanford.

Lieut. Bivins and Staff Sgt. Smith will remain in Sanford until Sunday. They are well pleased with Sanford, and have made many friends on their visits here. They will return to Arcadia Sunday in their airplanes.

Dr. Brownlee and H. C. Dubose have returned from DeFuniak Springs where they attended the meeting of the Presbytery.

Secretary Pearman, of the Sanford Board of Trade, and Geo. G. Herring will represent the Sanford Board of Trade at the hearing of the Southern Bell Telephone before the Railroad Commissioners at Tallahassee next Monday.

**TOURIST CAMPS.**

Tourist campers would do well to study the rules of the state board of health, which they will probably find posted somewhere about the camp site, and try to obey them to the letter.

These rules are designed solely to protect the health of the campers and of the people living in the vicinity of the camps. We do not want our visitors to come down here and get sick through failure to observe the simple rules of sanitation which our peculiar climate requires, and then go back and declare Florida an unhealthy state; neither do we want them to spread any contagious diseases among our people.

Cleanliness is next to godliness everywhere, but in a Florida camp it is co-equal, because the one can not exist long without the other.

Fortunately, local sanitation is not a difficult problem here. There is no mud. The sandy soil will not hold surface water. There is little rain in winter. But there is no freezing weather. Garbage and waste food of all kinds decay rapidly, and with unpleasant results. The surface water—that is the water in small ponds shallow wells is easily contaminated and should never be used for drinking until it is certified by the proper health authorities.

Fire is the best purifier and into it should go all rubbish, waste paper, and, most important of all, every tin can, unless the yare removed promptly and in some systematic way. An empty tin can is a nuisance on half a dozen counts. It will afford an ideal breeding place for mosquitoes even in winter. It is a social center for all kinds of insects. And, no matter what came in it, it soon develops an aroma all its own.

All the rules can be summed up in the general injunction: Keep the premises clean.—Lakeland Telegram.

It cost \$3,416,090 to elect Harding and the Republicans who elected him can now guess where this money is coming from. Not from the people at large as the Democratic funds were raised but from the big corporations and trusts of the country and when they put up money for anything they expect to get it back. You can draw your own conclusions and we wish you sweet dreams—we did not vote for Mr. Harding.

Jacksonville reports that tourist travel from the north has gained by leaps and bounds within the past few days.

The five different districts of Duval county are now equipped with machinery suitable for the maintenance of roads, \$16,360 having just been spent by the county commissioners.
