

Volunteer Hospital Workers Honored At Mayfair Luncheon

The Pink Ladies of Seminole Memorial Hospital were honored with a luncheon and fashion show at the Mayfair Inn Saturday in appreciation of the 14,128 hours of volunteer service they rendered to the hospital during 1959. Awards for service during the year were presented to various members of the group with Hospital Administrator Harry Weir making the presentations. For 190 hours of service the following were presented with gold pins:

\$1,000 FOR THE HOSPITAL was delivered to Seminole Memorial Hospital Administrator Harry Weir Saturday. Mrs. W. H. Fouk gave Weir the check for the Ladies' Auxiliary at the Mayfair Inn auxiliary luncheon. Mrs. Fouk was fund raising projects program chairman for the Auxiliary and Mrs. George Harden Sr., left, was chairman of the luncheon. (Herald Photo)

Mrs. P. Ahrens, Miss S. W. Wasterby, Mrs. E. Epstein, Mrs. L. Feistel, Mrs. C. Galles, Mrs. J. Galloway, Mrs. B. Hayes, Mrs. C. E. Jones, Mrs. R. Tender, Mrs. C. Robelle, Mrs. E. Robb, Mrs. W. Sandell, Mrs. E. Rowan, Miss R. Stevens, Mrs. M. R. Strickland, Mrs. B. Strahmeier, Mrs. R. Tolle and Mrs. H. M. Yost.

Silver pins for women who served from 300 to 800 hours of volunteer service were presented to Mrs. T. Broome, Mrs. W. Fouk and Mrs. R. Magnuson.

Silver trays went to Mrs. W. Crabtree who put in 500 hours and Mrs. B. Houston who put in 1,300 hours of service.

Silver bars were awarded to Mrs. C. Butler who put in 2,767 hours of service and Mrs. F. Woodruff who put in 2,190 hours.

Thirty-seven gold bars were awarded for women who put in hours in excess of 100. There were Mrs. J. Azarello, Mrs. R. L. Beard, Mrs. K. N. Blackwelder, Mrs. R. R. Becker, Mrs. C. Bruce, Mrs. C. Brunley, Mrs. P. Butler, Mrs. C. Cherpigny, Mrs. R. Elmers, Mrs. A. H. Ferber Sr., Mrs. W. Gray, Mrs. A. Hunt, Mrs. H. Hunter, Mrs. Anna Jansen, Mrs. Eunice Johnson, Mrs. G. Kosenich, Mrs. P. Donnaberry, Mrs. A. McCalley, Mrs. A. Marsh, Mrs. B. S. Newton, Mrs. J. E. Nichols, Mrs. A. B. Peterson Sr., Mrs. F. W. Hasaman, Mrs. I. Pryor, Mrs. R. F. Robinson, Mrs. D. J. Runkel, Mrs. B. H. Squires, Mrs. Guy R. Strickland, Mrs. William J. Toll, Mrs. J. McKay Truluck, Mrs. E. H. Unkles, Mrs. M. Van Brackle, Mrs. G. A. Wakefield, Mrs. J. A. Wright, Mrs. B. M. Young and Miss D. Cline.

At the luncheon the group also heard various reports of the year's activities including a report that a profit of \$2,000 from the hospital shop was turned over to the auxiliary and that club memberships now stand at 150.

Mrs. W. Fouk of the project program reported that the High Fever Folies originally planned for this year has been postponed until 1961. After the luncheon was over, the women witnessed a fashion show narrated by Mrs. John McCracken.

As the climax to the day's activities, a check for \$1,000 was presented to Weir to use for the hospital.

To All Creditors and Persons Having Claims or Demands Against Said Estate:
I, the County Judge of SEMINOLE County, Florida, do hereby give notice that the estate of GLADYS E. HALL, deceased, late of said County, in the County Judge of Seminole County, Florida, at his office in the court house of said County at Sanford, Florida, within eight calendar months from the time of the first publication of this notice. Each claim or demand shall be in writing, and shall state the place of residence and post office address of the claimant, and shall be sworn to by the claimant, his agent, or attorney, and a such claim or demand not so filed shall be void.

Weekend News Highlights

WASHINGTON — The U. S. Navy plunged its two-man bathyscaphe "Trieste" to a record depth of 37,000 feet in a Pacific Ocean trench off the island Guam. It was almost 2,000 feet more than the greatest depth previously recorded in soundings by a Russian surface ship in 1957.

CHICAGO — Police Commissioner Timothy J. O'Connor resigned amid a growing scandal of police thievery in his 15,000 man force. Illinois Republican Gov. William J. Straton threatened to invoke his powers if Mayor Richard Daley, a Democrat, didn't clean up the scandal "quick." Eight policemen have been charged with helping a burglar steal and sell \$100,000 in loot. Five policemen and detectives were charged with extortion and concealing evidence, and 100 others have been ordered to undergo lie tests.

NEW YORK — Gambie Benedict, the 18-year-old heiress who eloped to Paris with her married Romanian lover, returned to New York under orders of a French court.

Algiers — French extremists, armed with machine guns and tear gas bombs, rioted over De Gaulle's dismissal of Gen. Jacques Massu as military and civilian commander of Algiers. At least 20 persons were killed and more than 100 injured in the violence. De Gaulle declared a state of siege in Algeria and banned public meetings in France.

Durban, South Africa — Rioting South African rioters were reported to have killed nine persons after police attempted to confiscate a deadly beer brewed in the native quarter of Durban. Native casualties were expected to run high.

WASHINGTON — Ambassador Philip W. Bessell reported to Secretary of State Rusk on the deteriorating Cuban situation. The meeting was described as a preliminary consultation.

Officials Hint Of Imposing Economic Sanctions On Cuba

WASHINGTON (UPI) — State Department officials discussed today possible economic sanctions against Cuba for its confiscation of U. S. property but the administration hoped strong measures could be avoided.

U. S. Ambassador Philip W. Bessell, recalled from Havana last week amid rising anti-Americanism, planned to continue talks this week with Secretary of State Christian A. Herter and his aides. Bessell met with Herter for 30 minutes Sunday at the secretary's home in an unusual Sunday conference underscoring the concern over the seriously deteriorating relations between the United States and Cuba.

Roy R. Rubottom Jr., assistant secretary of state for inter-American affairs, who attended the meeting, described it as a preliminary consultation. He indicated no decisions on policy revisions were reached. Informed sources said the American officials are seriously studying possible action to withdraw preferential trade benefits now given Cuba.

But these sources added that the administration is very reluctant to take such action for fear it might "ruin" the Cuban economy and primarily would hurt the Cuban people rather than the Castro regime.

Such action could include renegeing preferential tariffs now given 90 per cent of imports from Cuba, or asking Congress to reduce the quota under which Cuba supplies one-third of U. S. sugar at prices above the world market.

Legal Notice
NOTICE OF THE ADOPTION OF A RESOLUTION CLOSING, VACATING AND ABANDONING A PORTION OF LITTLE WALKER ROAD TO WHOM IT MAY CONCERN:
Notice is hereby given that pursuant to Section 336.16, Florida Statutes 1955, the Board of County Commissioners of Seminole County, Florida, adopted a Resolution on the 18th day of JANUARY, 1960, closing, vacating and abandoning a portion of that certain road in Seminole County, Florida, described as follows:

Little Walker Road, from the intersection of the North line of Section 24, Township 20 South Range 22 East, northwesterly to the point of convergence of said road with the westerly line of the A. C. L. R. Right of Way, according to Plat Book 7, page 34.

Let this notice be published one time within thirty days following the adoption of the Resolution in one issue of a newspaper of general circulation published in the County. This the 25th day of January, 1960.

The Sanford Herald

WEATHER: Sunny and fair tonight. High today in the 60's. Low tonight, 40-52.

VOL. XLIX United Press Leased Wire Established 1908 TUESDAY, JANUARY 26, 1960 SANFORD, FLORIDA NO. 615

Algerians Defy French Mob Order

ALGIERS (UPI)—Anti-De Gaulle demonstrations broke out in nearly a dozen Algerian cities and towns today. Aroused French settlers poured by the thousands into Algiers and appeared in the port of Oran for the first time with weapons in their hands.

At least 5,000 settlers massed in the center of Algiers in response to a rallying cry from the diehards crouched behind barricades in defiance of the government's demand for a return to order. Barricades also were thrown up in Oran, but insurgents and army troops withheld their fire.

Premier Michel Debre made a flying trip to Algiers and returned to Paris this morning to announce emphatically that the government would follow through in its determination to let Algerians decide their own future.

"Nothing will be possible and all can be lost if order is not re-established and maintained in Algeria," Debre said. "Let nothing distract us, let nothing distract the nation from the essential task of pacification."

But the angry "colons" did not seem to be in any frame of mind to listen. Strikes and demonstrations sprang up all over Algeria—in Bone, Constantine, Biskra, Abbes, Tiarret, Tlemcen and Oran.

Thus far, the demonstrations were peaceful. But a wild riot broke out in Algiers Sunday.

There's No Feud With Smathers, Collins Stresses

TALLAHASSEE (UPI)—Gov. LeRoy Collins said today that deductions that he and Sen. George Smathers are feuding were "unfounded" and he displayed a telegram from Smathers to prove it.

Some sources had interpreted Collins' suggestion that the Smathers favorite son move be abandoned as evidence of a split in relations between the two Florida officials.

Smathers apparently does not see it that way.

He wired Collins from Lima, Peru, today that he has read the full transcript of Collins' news conference covering the favorite son matter "and believe you made an eminently fair presentation."

Commenting on the telegram, Collins said:

"I hope it will put at rest some unfounded deduction that there had developed a breach in our relations."

Collins had said he thought a move to present Smathers as Florida's favorite son candidate for president should be dropped because it was proving embarrassing to Smathers and he obviously was reluctant to take it.

Bette Davis Stage Show Is Applauded

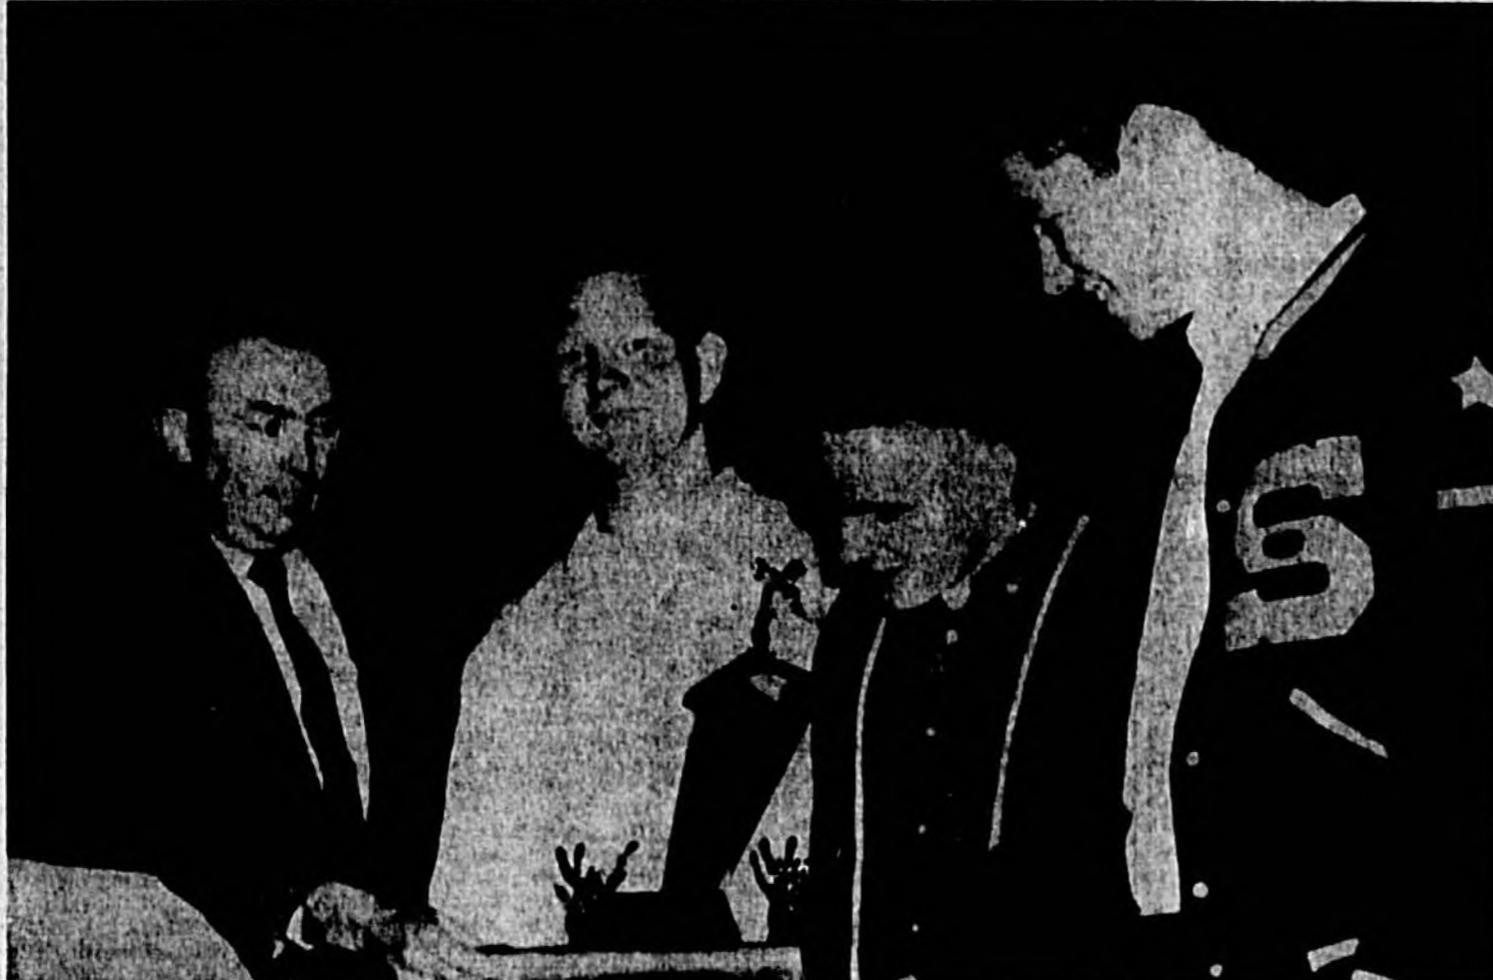

Heartily laughter and applause from a rapidly increasing audience have greeted every episode of "The World of Carl Sandburg" which is coming to the Sanford Civic Center Saturday at 8:30 p. m.

The stage show, starring Bette Davis and Barry Sullivan, recently played two nights to a full house in Atlanta, Ga., and at the end of both performances the crowd is reported to have stood and cheered for as long as 15 minutes. The same thing happened one week at Daytona Beach.

A spokesman for the Heart Council, which will benefit from this production, said today that tickets now are beginning to sell fast although many good seats still are available. Tickets of the open house at the Woodruff Bldg., First St. and Park Ave., and reservations for the \$5 and \$3 tickets also can be made by phoning FA 2-831.

Bette Davis and Sullivan create different and exciting characters with the aid of various props and colorful costumes. The third member of the cast is Clark Allen, whose voice and guitar combine in musical numbers which have been compared to some recent musical comedies.

The sponsors also continued to urge today that the performance is not a reading of Sandburg's poetry. It is a dramatic presentation.

THE ORANGE BELT CONFERENCE TROPHY was presented to Seminole High School football co-captains today, Florida Times Union sportswriter Bob Price, left, presented the trophy to Neely Ross, Ray Lundquist

Charles Bogan. The Seminoles won the trophy by tying with Apopka for the OBC championship. Both teams had 3-1 records in the conference. This is the second OBC title in two years for Sanford. (Herald Photo)

Assessor Gets Review Fund

The County Commission today agreed to amend its current budget to set up a special account for the tax assessor to carry on a large scale review of property and map work during 1960.

Tax Assessor Richard McCanna had asked that his office be given \$15,000 to carry on the additional work.

The board agreed to take the

A Candidate

County Clerk David Gatchel announced today that James Avery, of Lake Mary, reported this morning his intention to qualify for the District 3 county commissioner election.

Gatchel said Avery must now begin filing a weekly income and financial report with the clerk's office. He added that the official qualifying date for all candidates is Mar. 1.

Present District 3 commissioner is Lawrence Swofford.

Freeze Damage To Send Vegetable Prices Up

MIAMI (UPI)—A six-day freeze which blackened tender vegetable crops all over Florida will also hurt the housewife's grocery budget in weeks to come.

The worst appeared over today, but officials predicted the cost of fresh Florida vegetables will begin to rise. The Weather Bureau reported damage to crops was "very extensive and general in all areas of the state."

An estimated 5,000 of 7,000 migrant farm workers were put out of work by the cold wave which dropped temperatures below freezing six days in a row. The only job left for them is to salvage what is left.

The cold weather scene shifted from Florida to the north-central states today, and the mercury plunged well below zero in the Dakotas, Minnesota and parts of Wisconsin.

A warming trend swept northward and took New England out of the near zero category. But the new surge of arctic air was expected to plunge as far south as Kentucky today.

Heaviest Florida damage was to the fields of ripening tomatoes, pole beans, cucumbers and squash located in the rich mucklands south of Lake Okeechobee and around Miami. Potatoes in North Florida also were killed by the frost and pastures in all areas were severely browned.

The coldest readings occurred Sunday when temperatures plunged as low as 18 degrees in North

Two Figures Set On Land Values

Two court appointed appraisers have appraised private land near to widen Sanford Ave. at \$36,947 and \$29,760.

T. W. Mero of Sanford and Lawrence R. Condict of Orlando turned in their appraisals at the courthouse Monday. Next Monday, Judge Volte Williams will choose the figure he thinks is the best appraisal. He also will require that Seminole County pay the appraisal value to the registry of the circuit court.

After the money is turned over to the registry, property owners can draw out the amount their land was appraised by the State Road Dept. The SRD appraised the land at \$22,108 in December.

Property owners who don't like the appraisal of their land set by the SRD can ask for more money in a jury trial to be held later. The jury cannot give such property owners less than the least amount their land is appraised for by an expert.

The appraisal was for 98 parcels of land owned by 137 persons and organizations.

Clean Election Bill Fails To Get Much Favor In House

WASHINGTON (UPI) — Informal House sources were ready today to count out the Senate's clean elections bill without waiting for a vote. They don't think there is likely to be one.

The bill passed the Senate late Monday, 50 to 22, and went to the House for referral to the Committee on House Administration. Prospects are excellent that it will lie there until adjournment. Senators took the bill as it came from their rules committee and enthusiastically toughened it up. Among other things, it would make state primary elections subject for the first time to federal reporting and spending restrictions.

Many House members, including Speaker Sam Rayburn, don't like that provision. Rayburn said recently that primaries always had been the business of the states, and that he thought that's what they should remain.

Hoffa To Discuss Tampa Problems

TAMPA (UPI)—President James R. Hoffa of the Teamsters Union apparently will make another effort Wednesday at burying the hatchet with a rebellious local. Teamster officials said Hoffa would arrive Wednesday to confer with officials of Local 308 of the Schlicht Brewing Co.

Hoffa claims its officers were elected illegally. The local claims Hoffa is trying to dictate to it. Hoffa tried to put the union under a trusteeship but was blocked by a court order.

Sanford Gets U. S. Payment Of \$5,775

Sanford got \$5,775 from federal civil defense authorities last night.

County civil defense director A. B. Peterson presented the check to the city commissioners at their meeting. The money is from government matching funds and will pay half the cost of a three-way radio that Sanford bought two years ago. Sanford originally put up all the money for the radio.

County To Set Up Basic Employee Wage Schedule

The County Commission will launch a job classification study in the near future to set up a basic wage rate for all county employees.

The announcement of the study came in response to a request by County Zoning Director Robert Brown that an employee of his office be given an increase of \$500 per year to bring her salary up to other clerical pay levels.

The board approved a raise for Maxine Thompson from \$3,300 to \$3,800 per year and announced that the study will begin as soon as possible.

Commissioner Vernon Dunn said all county officials have been notified to turn into the commission the wage scale of all employees. In other business during the morning session of the meeting, the board delayed the purchase

Pilot Questioned On Bomber Export

MIAMI (UPI) — U. S. Customs agents questioned a 38-year-old Chilean pilot today in an attempt to learn the whereabouts of five B26 bombers exported from Miami under false papers.

Oscar Squella was arrested here Monday as he stepped from a commercial airliner and charged with making false statements that the planes were bound for Chile.

Chief Customs Agent Joseph Fortler said "They didn't go to Chile. We are trying to find out where they went."

Building Entered

The old Nehl Bottling Co. building at 504 Celery Ave. was broken into sometime before 11 a. m. Monday. An adding machine and electric heater were taken, police reported.

City Restricts Solicitors

The City Commission has passed an ordinance requiring door-to-door solicitors to live in Seminole County for six months before they can sell in Sanford. Such solicitors also must get a certificate from the city physician saying that they are free from communicable disease.

The commission approved hiring an assistant in the building office at a salary of \$2,400 per year. Commissioners also confirmed the appointment of Clerk Henry Tamm as finance director and appointment of Rosa Rotundo as assistant finance director.

Property owners who don't clean up their land are going to find the city's policy on this more strict

from now on, the commission decided.

The city sends a cleanup request to persons whose property is cluttered with growth or refuse. If the owner doesn't clean up his land, the city will clean it for him. The city will charge the cost of cleaning the land to the owner in the form of a lien.

The commission got a request from 15 persons living in the Peralmon Ave. and 16th St. section asking for a street light. It was decided to hold the request until that whole area can be systematically lighted.

A public hearing was set for Feb. 22 on the city vacating part of the northwest corner of Fourth

St. at Mellonville Ave. At this point Fourth St. runs over a piece of property owned by Dr. Charles L. Park. Dr. Park made the request to vacate because he wants to build a professional building on this corner.

The commission passed a resolution expressing regret of the death of the late W. V. Billing. The resolution recognized the service to Sanford made by Mr. Billing who served on the city commission.

The commission approved the request of Robert Friedly for a distributor's license for beer and wine, to be sold at 840 W. First St. The request of Willie Tillman to operate a taxicab was denied.

Cubans Threaten Reprisals On U.S.

HAVANA (UPI)—Cuban Justice Minister Alfredo Yabar warned Monday night that "there will be millions of American bodies" if the United States sends Marine reinforcements to its naval base at Guantanamo Bay.

Yabar referred during a television broadcast to government press reports that "thousands" of U. S. Marines have landed at the base. However, the base commander, Rear Adm. F. W. Fenne, denied that any new Marines, other than normal rotation replacements, have arrived at Guantanamo.

The minister said, "there are thousands of Cubans willing to defend Cuba."

The government announced today it "will take everything" from former officials of the Batista regime who misappropriated funds.

A spokesman said about 30 officials so far have turned in approximately \$700,000.

The government also announced

that public donations have raised more than \$1,500,000 for "national defense" since the leaflet and alleged bombing attacks by former Air Force chief Maj. Pedro Diaz Lanz.

President Eisenhower assured the Cuban people today that the United States has no intention of interfering in their domestic affairs or becoming a party to any reprisals at this time.

The president said he and Secretary of State Christian A. Herter were concerned and perplexed by recent attacks on the United States by Premier Fidel Castro.

Immediately following the conference, he issued a five-point restatement of U. S. policy toward Cuba which was critical of Castro for promoting the "unfounded" illusion of aggressive acts and conspiratorial activities aimed at the Castro government by the United States.

Population Of 153,000 Seen For County By '70

County Commission Chairman John Krider, in a "State of the County" message Monday to the Rotary Club, cited a projected population increase chart that estimated 153,000 persons are expected here by 1970.

Krider said utility companies in the area report that by 1970, the growth of the county will more than triple the present population "and we must prepare for the increase by having the best possible facilities available."

He cited figures showing that the county's population has increased to more than 82,000.

He said in 1959 the Winter Park Telephone Co. installed only 200 phones in the south end of the county and this week has 3,000 phones in that area.

At the same time, Krider said Southern Bell had 3,000 telephones in operation, while this year it is servicing 12,000 customers.

Krider gave a brief rundown of problems the present county commission has encountered during the past two years and said that the county's financial structure is now "the best in the state, with the lowest millage."

He said Seminole County was fifth in the state in construction and third in school growth in 1959.

Among the problems the commission has met are existing overcrowded schools in the county, approval of building of a new health center and hiring an architect for a new county jail.

He also stressed that the county board is planning improvements to the county home, a road improvement program and additional funds in the present budget to increase law enforcement in the county.

Trapped Miners To Be Entombed Another Month

COALBROOK, South Africa (UPI) — An estimated 440 miners sealed deep underground by a rockslide will have to stay entombed for another month—even if they still are alive.

Officials at the rescue scene of the collapsed coal mine said today the only way the men can be saved is first to drill a 13 1/2-inch air shaft to them.

If it can be done, former miner J. C. Burger is believed to be slip 315 feet down through it to the spot where the miners are believed to be. That might be five days from now.

Burger said someone would have to go down because even if the miners are alive they are probably too weak or hurt to feed or help themselves.

Food and supplies would have to be lowered through the small air shaft for at least a month until South Africa's best shaft sinking team could dig a major shaft down to the sealed-off spot.

News Briefs

Fish Deals To End — The Game and Fish Commission said today 47 wholesale and retail fish dealers in 30 Georgia cities have agreed to stop buying illegal fresh water fish from Florida.

Search Called Off — MIAMI (UPI)—The Coast Guard called off a search late Monday for a member of the "Ink Spots" singing group and two other men after their swamped fishing boat was found off the Florida Keys. Essex, Scott, 38-year-old "rhythmic man" of the famed quartet and Miami Negroes C. M. Jolivette, 46, and James Strachan, 66, were presumed dead.

Fighting With Fire — TALLAHASSEE (UPI) — Five men arrested for setting wood fires in Holmes and Walton counties apparently were trying to force removal of a local timber company official. The Florida Forest Service said the men hoped land owners whose woods were burned would bring pressure on the company to get rid of the official, whose name was not disclosed.

Four Of Four Jails Set By Commission

The County Commission today agreed to four four jails in the state in preparation for discussing preliminary plans for a new county jail.

Commissioners, Architect James Gamble Hozer and Clerk David Gatchel will tour jails in Orange and Brevard Counties and at Sebring.

At the same time, the board adopted a resolution designating N. J. Van Innes & Company of New York City and D. Kirk Gundy of Deland as fiscal agents and financial advisors for construction of the new jail.

At the last meeting, the board hired Rogers as architect for the new jail and, in answer to critics, agreed to survey recently completed jails around the state before giving Rogers the word to proceed with preliminary plans.

President Defends Missile Estimate

WASHINGTON (UPI) — President Eisenhower defended his administration's new estimates of Soviet missile strength today as based on much better intelligence than in the past.

Eisenhower's comment at his news conference was the latest development in a running battle between congressional Democrats and Defense Secretary Thomas S. Gates Jr. over the adequacy of U. S. defenses and Russia's missile potential.

The President firmly defended Gates as a fine civil servant. Debate over recent Pentagon estimates of Soviet military power resumed Monday in postponement of Senate consideration of Gates' nomination to the Cabinet.

Cramer Is Target

TAMPA (UPI) — Top Democrats from four counties will meet here Friday night to see what they can do about unseating Florida's only Republican member of Congress. Executive Secretary Phil J. O'Hara of the First District's committee for political organization said the district's top leaders and contributors would discuss a candidate to oppose Congressman William C. Cramer of St. Petersburg.

Collins Asks Action

TALLAHASSEE (UPI) — Gov. LeRoy Collins has called for the federal government to set standards on orange juice products. The governor wrote a letter to Food and Drug Administration Commissioner George P. Larrick in an effort to speed up the issuance of standards. He said it has been three years since the industry first asked the federal agency for action.

350 Damage Done In Two-Car Crash

TALLAHASSEE (UPI) — Ferris Bryant of Ocala today reported contribution to his gubernatorial campaign treasury totaling \$28,000.

The report put him far ahead of John McCarty of Fort Pierce, who had been the leader, whose fund now stands at \$7,443. Bryant also reported he has spent \$128 to date on his campaign.

Some of the big contributors to Bryant's campaign fund were Raymond E. Mason, Jacksonville, \$1,000; Lloyd Gray, Ocala, \$1,000; M. L. Crowder, Tampa, \$1,000; Ben White, \$500; A. D. Poon, \$500; Mrs. Quinn Baggett Bogan, \$1,000, and Mrs. Mary Virginia Turner, \$1,000, all Pensacola.

Livingston To Quit As Collins Aide

TALLAHASSEE (UPI) — Gubernatorial assistant Don Livingston plans to resign from an administrative aide to Gov. LeRoy Collins. Livingston, 38, disclosed Monday he is quitting to enter law school at the University of Florida Feb. 2. He had been on the governor's staff 2 1/2 years.

Coffee Club Sets Meeting Thursday

The monthly meeting of the Coffee Club sponsored by the Seminole County Chamber of Commerce will be held at 10 a. m. Thursday in Mrs. Appleby's Restaurant in the Valdez Hotel.

Several owners of new businesses and newcomers to Sanford will be welcomed by Club Chairman Charlie Morrison.

Bryant Campaign Funds Growing

TALLAHASSEE (UPI) — Ferris Bryant of Ocala today reported contribution to his gubernatorial campaign treasury totaling \$28,000.

The report put him far ahead of John McCarty of Fort Pierce, who had been the leader, whose fund now stands at \$7,443. Bryant also reported he has spent \$128 to date on his campaign.

Some of the big contributors to Bryant's campaign fund were Raymond E. Mason, Jacksonville, \$1,000; Lloyd Gray, Ocala, \$1,000; M. L. Crowder, Tampa, \$1,000; Ben White, \$500; A. D. Poon, \$500; Mrs. Quinn Baggett Bogan, \$1,000, and Mrs. Mary Virginia Turner, \$1,000, all Pensacola.

Steel Industry Looking Forward To Record '60

PITTSBURGH (UPI)—The American steel industry, giving only passing attention to expiration of a Taft-Hartley injunction which ended the 116-day steel strike, looked forward today to a record year.

"The general picture in steel now is similar to that nice feeling we had in late 1956 and through 1957," a Pittsburgh Steel Co. official said. "The industry looks like it will be in good shape."

"There still is an acute shortage of most types of steel," James A. Laughlin, steel Corp. president, said. "Customers are not yet at the stage where they can stockpile."

An industry spokesman said the "unprecedented" labor picture will allow producers to move at full speed.

"We will have a year free of major labor difficulties, enabling us to concentrate on production levels," he said. "We have a record

customer demand on a broad front. There is little consumer uncertainty."

The industry began the road back to full production 80 days ago when the Taft-Hartley injunction forced a half-million steelworkers to end the longest and costliest strike in steel history.

The raised steel capacity for 1960 has been put at 149,500,000 tons by the American Iron and Steel Institute—more than one million tons above last year's figure. Officials believe the industry will "come reasonably close" to the figure despite missing by more than 54 million tons in 1959.

The marathon strike cut the nation's steel output to 15 per cent of the raised capacity of the furnaces. Production last week ran 15,000 tons above schedule at 2,777,000 tons, the same as the week before, and the second highest total on record.

James L. Rich, assistant director of commercial research for U. S. Steel Corp., said 1960 "could produce new records for both gross national product and industrial production."

"These records could be substantially higher than recent forecasts have suggested," he said. Jones & Laughlin said although it operated at 101 per cent of capacity last week, it saw little evidence of stockpiling.

Pittsburgh Steel said demand was "good," particularly in flat rolled steel which constitutes about 56 per cent of its shipments.

"And when demand for flat rolled is up, there usually is a corresponding demand for specialty and higher grade wire used in the automobile industry," the firm said.

It noted that demand in the construction field "could stand some improvement—but it is far from bleak."

THE CAPTAIN CUTS A CAKE presented at a welcoming party by the Chief Petty Officers Club at the Naval Air Station for new commanding officer Capt. Robert Slye and Mrs. Slye. The CO and his wife and Cdr. L. D. Tammy, executive officer, and Mrs. Tammy, were honor guests at the CPO Club event attended by 250 members and guests. After Capt. Slye cut the big cake, the guests danced to the music of Lou Feldman and his orchestra.

Around the Clock

Registered voters were reminded today to return the post cards mailed out by the voting registrar by midnight Jan. 31 to keep their registrations in effect.

If the cards are not sent in on time, a personal visit to the office of the voting registrar will be necessary in order to re-instate the registration, Mrs. Cornelia Bruce explained.

"All that is required is filling in the form and signing it and mailing it—not even a stamp is needed," Mrs. Bruce said in urging the prompt return of the post cards mailed out Jan. 2.

The voting registration office is open only on Tuesdays from 9 a. m. until 5 p. m. at this time.

Any of you folks take any interesting pictures over the Christmas holidays?

Well, tonight's meeting of the Sanford Camera Club will feature an amateur Yule picture contest and all camera enthusiasts are invited to attend. The meeting will be held at 7:30 p. m. at the Civic Center.

Members of the Seminole County Fireman's Assn. are urged to attend a meeting of the group scheduled for Wednesday night at the Casselberry Fire House.

The meeting will start at 8 with Sanford Fire Chief Mack Cleveland Sr. presiding.

Police from Horry County, S. C. came here Monday to pick up a man wanted in their state for grand larceny. Constable George Kelsey of Ovidio arrested Eules Griffin, a Negro, Sunday on the grand larceny charge. He was held for the Carolina authorities.

John Krider, speaking to the Rotary Club Monday, said that

Theory Advanced Ice Caused Crash

WASHINGTON (UPI)—Civil Aeronautics Board investigators checked the possibility today that freak icing in all four turbo-jet engines caused the crash last week of a Capital airliner near Holdcroft, Vt.

The inquiry into the crash, which killed all 50 persons aboard the Viscount, has turned up evidence that two engines of the ill-fated craft were "feathered."

A source told United Press International that the plane's No. 1 and 2 engines were in the feathered position, a safety maneuver in which the propeller blades are locked in a position where their thinnest edges are exposed to the airstream to cut drag.

One source theorized that all four engines might have cooked out from icing but that the pilot managed to restart two of them.

There seemed little doubt that the airliner stalled. Investigators found that part of the vertical rail was driven eight inches into the top of the cabin, indicating a straight-down, elevator-like drop.

Dr. Robert Spears, who was listed as one of the victims, was arrested in Arizona last week and authorities are trying to find out if he had anything to do with the crash so that he could collect on a large insurance policy.

His friend, William Allen Taylor of Tampa, was presumed to have taken Spears' place on the doomed flight.

Old Fashioned Girls
SYRACUSE, N. Y. (UPI)—When members of the Phi Delta Theta fraternity of Syracuse University staged an "Old English Christmas Formal," their dates were brought to the fraternity house in a horse-drawn hearse cab.

actual construction on the Sanford Ave. widening project will start in about 10 days.

Longwood's First Baptist Church has a new organ. Church members voted last week to buy the organ which costs about \$2,500.

The Jaycees will hear about the new Seminole County Juvenile Assn. from one of the men who helped start it. Judge Wilson Alexander, at their weekly luncheon at noon Thursday. Judge Alexander will explain the idea behind the organization and what it hopes to accomplish in assisting needy juveniles.

Ships To Renew Crash Search

PANAMA CITY (UPI)—A Navy mine layer was scheduled to sail from here today to renew the search for wreckage of a National Air Lines plane which crashed in the Gulf of Mexico last November.

The USS Vigor, stationed at the naval mine defense laboratory, will rendezvous with another ship from Key West and guide it to the spot where sonar soundings indicated the wreckage may be found.

Civil Aeronautics Board investigators hope the wreckage may help clear up the riddle of what caused the plane to crash, killing all 48 aboard.

Dr. Robert Spears, who was listed as one of the victims, was arrested in Arizona last week and authorities are trying to find out if he had anything to do with the crash so that he could collect on a large insurance policy.

His friend, William Allen Taylor of Tampa, was presumed to have taken Spears' place on the doomed flight.

Old Fashioned Girls
SYRACUSE, N. Y. (UPI)—When members of the Phi Delta Theta fraternity of Syracuse University staged an "Old English Christmas Formal," their dates were brought to the fraternity house in a horse-drawn hearse cab.

Police Checking Prints To Link 2 Similar Cases

SARASOTA (UPI)—Authorities checked fingerprints today in an effort to link two confessed murderers of a family of four in Kansas to a similar crime near here.

Sheriff Ross Boyer said he is seeking the data on Perry E. Smith 21, and Richard E. Hickok 29, who confessed to murdering Mr. and Mrs. Herbert Clutter and their two young children in Garden City, Kan., Nov. 15.

Boyer said he had asked the Kansas officials to give the detector tests to the pair after five persons told Boyer they had seen or talked to the men at Osgrey, near where the four members of the Clutter family were murdered Dec. 17.

The sheriff said three fingerprints had been found in the Walker home that did not belong to any member of the family or anyone else known to have been in the Walker home.

The identifications came after pictures of the two were published in a Sarasota newspaper Sunday. Boyer said four of the persons definitely said the two were seen in the Osgrey area in the Dec. 16-19 period and that the fifth said he thought he saw them.

The family of Cliff Walker, 25-year-old ranch worker, was murdered in the isolated home near Osgrey late Dec. 19. All four—Walker, his young wife and two children—were found shot to death through the head with 22 bullets.

Boyer said Smith and Hickok admitted in Kansas they were in the Miami area during December but that they denied killing the Walker family.

Weekend Blazes Keep Firemen Busy

Many kinds of fire hit Seminole County over the weekend.

Flames burned 10 acres south of Ovidio Saturday evening. Forest rangers used a tractor to put out the blaze which burned for an hour. The fire threatened a grove owned by George Meeks, county ranger Robert Gray said.

The Longwood fire department put out a fire which burned a garage and store shed near Rock Lake early Monday.

Sanford's firemen had a busy day Saturday. They fought a house fire at 414 E. Third St., a grass fire between Adams and Summerlin Aves. and answered a heater fire call at 410 Palmetto Ave.

Sunday there was a grass fire at 1000 French Ave. and another on W. Seventh St.

The Lake Mary firemen fought a palmetto brush fire in Loch Arbor Saturday.

Ranger Gray urged county residents to be especially careful of burning trash. The cold weather has dried vegetation and winds fan the flames. Gray expects fire conditions to become even worse in the next two weeks. More fires sprout on weekends than at any other time because people are home working in the yard and burning trash, Gray said.

Narcotics Agent Faces Extortion Charges On Shake Down Attempt

MIAMI (UPI)—A young federal narcotics agent who tried to "shake down" a narcotics peddler for Escandar's marked money, was charged today with federal extortion charges today and federal officers said 16 cases he worked on will be thrown out of court.

Marvin L. Miller, 28, admitted to newsmen Monday that he tried to shake down Mario Escandar for \$2,500 on a promise to get Escandar acquitted.

The government may lose nearly \$10,000 in investigative expense and man hours when the 16 cases are discharged.

Miller, whom officers said was a convicted narcotics user, faces a 10-year prison term if found guilty of extortion.

"I'm sorry about all this," he told his former co-workers.

Pregnant Mother Faces Theft Count

TAMPA (UPI)—Probation officers investigated today the "family situation" in the case of a young mother of three who was convicted of robbing a bank while pregnant.

Mrs. Millie Quin, 23-year-old wife of an Air Force enlisted man, was found guilty by a federal court jury Monday, but U. S. Dist. Judge Dodier Devane postponed sentencing until Friday in order that probation officers might delve into her background.

The young woman was convicted of robbing the Springs National Bank of Tampa of \$1,000 in May of 1958. She was seven months pregnant at the time.

Mrs. Quin escaped only to be arrested two weeks later on a bad check charge. Shortly thereafter, she confessed to robbing the bank, claiming she needed the money to pay the family's bills.

The bank teller, Franklin Milton Brown, said she told him she had a pistol in her handbag and that she would use it if he didn't give her \$1,000.

Defense attorney Pat Whitaker argued that Brown showed lack of courage in being so easily persuaded. But Asst. U. S. Atty. Robert Nunez said pregnant or not, "it doesn't take much energy to pull a trigger."

The Quinans now live in Alafia in Calhoun County. They were Tampa residents at the time of the robbery.

Good Things And Small Packages

BOSTON (UPI)—Oliver Wendell Holmes, Boston's famed physician—author of the 19th century, was small in stature.

Once, at a meeting of physicians, he found himself with a group of doctors who towered over him.

"You must have felt very small among these tall men," a friend remarked later.

"Yes," said Holmes. "I felt like a dime among a bunch of pennies."

Actress Diana Barrymore Found Dead In New York City Apartment

NEW YORK (UPI)—Actress Diana Barrymore, 50, Broadway daughter of the late actor John Barrymore, was found dead Monday in her Manhattan apartment.

Mrs. Barrymore was found by her maid lying on her bed, face down and dead.

Police said there were no notes and the cause of death was listed as unknown pending an autopsy later today.

Three empty liquor bottles—two Scotch, one gin and one vermouth—were found in the apartment. Police also found several tablets and other sedatives in a cabinet near her bed.

"There is no outward evidence of anything wrong, but the autopsy will show for sure," Deputy Inspector Joseph McLaughlin said.

"As far as we know now, she went to sleep and didn't wake up," said Aaron Froese, Miss Barrymore's attorney.

Froese said the actress, a former alcoholic, apparently began drinking again around Christmas time. They did not indicate that her drinking had become excessive, however.

Mrs. Barrymore was known to have entertained several friends the night before she died. They included Glen Sinden, an actor currently appearing in "Sweet Bird of Youth." Mrs. Louise Muesel, wife of Chicago columnist and TV personality Irving Epstein; Edward Thompson and John Cost.

McLaughlin quoted Sinden as saying Miss Barrymore appeared sober to him. The other guests were expected to be questioned by police later.

Diana Barrymore at birth was considered a child of fortune. She was heiress presumptive to the throne held by America's first family of the theater.

Her father was the reigning monarch of the stage—the great profile, John Barrymore, one of the world's most celebrated Shakespearean actors. Her mother was a successful pianist, M i c h a e l Strans.

Her relatives included Broadway's reigning queen, Ethel Barrymore, and Lionel Barrymore was her uncle. Her would be the fourth generation of Barrymores to carry on the family tradition—the theater.

For years Diana's career vacillated between near success and dismal failure. At the same time her personal life alternated between sobriety and alcoholism.

Recently she achieved her greatest success in a 16-weeks run in Chicago of Tennessee Williams' play "Garden District."

She was in the midst of plans to continue her successfully launched comeback just a few hours before her body was found in her East Side Manhattan apartment Monday.

Mr. Edwin Van Fleet Dies In Hospital

Mr. Edwin A. Van Fleet, 82, of Longwood, died early Monday in Seminole Memorial Hospital. He Longwood, died early Monday. He was a retired railroad auditor for the Grand Trunk Railroad and moved to Longwood from Port Union, Mich., in 1948.

A member of the Casselberry Methodist Church and a life member of Lodge No. 28, F&AM, of Michigan, he is survived by his widow, Mrs. Margaret M. Van Fleet; a daughter, Mrs. Sarah E. Bolton, Port Huron, Mich.; three grandchildren, two great-grandchildren and an aunt, Mrs. Jennie Miller, Syracuse, N. Y.

Funeral services will be held at 10 a. m. Thursday at the Casselberry Methodist Church, with the Rev. Darwin Shea officiating. Burial will be in Glenahave Memorial Park, Wister Park, with Grimkow Funeral Home in charge.

Miss Johnson, J. T. Rushing Engagement Plans Announced

The engagement of Miss Melba Eugenia Johnson of Sanford to John T. Rushing is announced by her parents, Mr. and Mrs. James A. Johnson of Fayetteville, N. C.

The groom-elect is the son of Mrs. Myrtle T. Rushing of Orlando and the late William Alexander Rushing.

Born in Fayetteville, Miss Johnson attended schools there and in Sanford, graduating from Seminole High School with the class of 1933. While attending high school she was a member of the glee club and was active in the physical education program.

She attended the Sanford Vocational school and for the past six years has been employed by the Southern Bell Telephone Co. She lives in Sanford with her aunt and uncle, Mr. and Mrs. Melvin Dekle.

Mr. Rushing is a native of Murfreesboro, Tenn., where he attended schools and graduated in 1931. He served in the United States Air Force for seven years. He now resides in Orlando and is employed by E. A. Gerner and Co.

Plans for a spring wedding are being made and will be announced at a later date.

MISS MELBA EUGENIA JOHNSON

BPW Members Hear Two Guest Speakers At Monthly Meeting

Members of the Business and Professional Women's Club enjoyed a double program at their January meeting at the Civic Center. The first address was given by Dr. Archer Moore, director of the Seminole County mental health program.

Floyd C. Richards, principal of the Lake Mary School also spoke to the group. His topic was "the growth of our schools and what are we to do about them?"

Preceding the program a dinner was served to the group. Mrs. Harriett Slawter, president and Mrs. Esther Evans first vice president, who attended the state membership program planning meeting in Leesburg, recently, told members they had some interesting information for a progressive program. It will be discussed later.

WMU Members Enjoy Book Review

Mrs. J. S. Peterson and Mrs. John Tatum presented a book review at the monthly meeting of the Women's Missionary group of the Osteen Baptist Church.

The meeting was held in the educational building of the church. The book entitled "By All Means" was given under the direction of the foreign mission program.

Mrs. Tatum, who formerly lived in China, brought many interesting articles she acquired while there. They were displayed and explained to the group.

Local Events

TUESDAY

Pilot Club Meets at 6:30 p. m. at the Civic Center for dinner followed by program.

The Royal Arch Widows will meet at 8:30 p. m. in the Masonic dining room for a covered dish supper, followed by Royal Arch Masons regular meeting at 7:00 p. m. in the lodge hall. Mrs. Hanky Wright, president, urges all widows and their husbands to be present for this first meeting of the year.

THE FIVE TOP RANKING OFFICERS of the Rainbow Girls and their escorts are shown at the installation ceremony. Left to right, Alex Carman, Dorothy Mc-

Alexander, Cliff Hagan, Eileen Myers, Louis Sweeten, Barbara Wimberly, Bill Johnson, Diana Haynes, Jimmy Terwilliger and Linda Williams. (Herald Photo)

Installation Service For Rainbow Girls

Miss Dorothy McAlexander, was installed as Worthy Advisor of the Sanford Assembly No. 25, Order of the Rainbow for Girls, Sunday afternoon at the Masonic Temple. Installing officer was Mrs. Virginia Burney. Assisting with the installation were Miss Sherlene Sheppard, marshals; Mrs. John Shepard, chaplain; Mrs. Eva

Harkey, musician and Mrs. Margaret Pappas, recorder.

The masonic hall was decorated with arrangements of white flowers and candles. Pamela Reynolds and Peggy Rabun, lighted the candles prior to the service.

Officers installed to serve with Miss McAlexander were Diana Haynes, worthy associate advisor; Eileen Myers, charity; Barbara

Wimberly, hope; Linda Williams, faith; Joan Jones, recorder; Carol Ann Schimming, treasurer; Jeanie Markham, chaplain; Elizabeth Grant, drill leader.

Evie Dossey, love; Caroline Bagerly, religion; Lynn McCord, nature; Cheryl Repp, fidelity; Gini Taylor, immortality; Sandi Wright, patriotism; Carol Repp, service; Barbara Thomas, confidential observer; Darlene Arvelt, outer observer; Pat Rabun, musician; Joyce Shepard, choir director and Joy Tripp, historian.

Acting as escorts for the officers were members of the De Molay chapter: Alex Carman, Louis Sweeten, Cliff Hagan, Jimmy Terwilliger, Bill Johnson, Bedford Aiket, Johnny Phillips, Stanley Willink, Mark Jenkins, Chuck Meeks, Emmett McCall, Jack Cash, Mike Ables, Buddy Kirk, Cliff Ables, Jimmy Edge and Jimmy Williams.

The worthy advisor introduced her parents, Mr. and Mrs. E. H. McAlexander, who then presented her with a white gavel. The ceremony was closed by the girls all forming a cross at the altar and singing "The Old Rugged Cross", with Eileen Myers as soloist.

Oviedo Garden Club Sponsors Annual Home Made Hat Show

Mrs. George C. Means received first prize for the prettiest hat at the annual "Hat Show" of the Oviedo Garden Club. The show was held at the home of Mrs. C. L. West on Lake Charm Circle with Mrs. Mae E. King as co-hostess. Each member made a special

hat for the show and modeled it personally. Mrs. G. W. Alford and Mrs. Sparks Lee Clonts, first and second place and Mrs. Alford drew the "lucky straw."

Plants were given for prizes in addition to the plants given each member attending. Mrs. C. R. Clonts, president, presided at the business meeting. Plans for planting flowers in the bank and clinic and watering plants in the Oviedo cemetery were discussed.

Refreshments were served to Mrs. Alford, Mrs. Means, Mrs. Sparks Lee Clonts, Mrs. C. R. Clonts, Mrs. Charles T. Niblack, Mrs. Lynn Mosier, Mrs. T. L. Lingo Sr., Mrs. Oleva Tietsema, Mrs. W. R. Meek Sr., Mrs. H. C. Parker, Mrs. Roy Weisenbarger, Mrs. Aubrey Myers, Mrs. W. A. Ward Jr., Mrs. James Wilson and the hostesses.

Lake Monroe Club To Meet Thursday

The Lake Monroe Home Demonstration Club will meet Thursday at 7:30 p. m. at the Sanford Home Demonstration Center on 25th St. A program on frozen foods will be given.

Members are urged to attend and bring a prospective member as a guest.

Refreshments were served to Mrs. Alford, Mrs. Means, Mrs. Sparks Lee Clonts, Mrs. C. R. Clonts, Mrs. Charles T. Niblack, Mrs. Lynn Mosier, Mrs. T. L. Lingo Sr., Mrs. Oleva Tietsema, Mrs. W. R. Meek Sr., Mrs. H. C. Parker, Mrs. Roy Weisenbarger, Mrs. Aubrey Myers, Mrs. W. A. Ward Jr., Mrs. James Wilson and the hostesses.

HARRY WISE FINDS A CAT IN HIS HAT.

Plea Made For Scout Leaders

By FRANCES WESTER

Mrs. R. E. True has returned from Jacksonville after spending a few days with her daughter and son-in-law, Mr. and Mrs. J. W. Basham, who have recently moved from West Palm Beach. Mrs. Basham is special representative of the Atlas Division of Standard Oil Co.

Mr. and Mrs. O. R. Gosser and son Otis of Green Cove Springs visited her parents, Mr. and Mrs. C. W. Sjoblom, here Sunday. Together they visited another daughter and family, Mr. and Mrs. E. R. Parish, at Oria Vista.

J. D. Cochran is in the Seminole Memorial Hospital. His daughter, Mrs. M. W. Roberts, and his son, Glenn Cochran, from Hampton, Va. are visiting at the home of Sam Cochran.

Mrs. Kenneth Brower has been visiting Mrs. P. D. Anderson while her father, P. D. Anderson, was at Orange Memorial Hospital in Orlando. Mr. Anderson is back home now and getting along fine. His son, Don, is expected to arrive here this week. Mrs. Anderson has been missed at the Lake Mary Post Office, where she is postmaster, during her husband's illness. She will be back on the job this week.

M. and Mrs. Birger Wester went to Gainesville last week to visit their son, Jon, who is in school there. They were accompanied by Mr. Wester's brother, Harry, who took movies of the trip. On the way they stopped at Silver Springs. They drove through the National state park and report that there is one quiet, relaxing place left among the many pine trees.

Girl Scout cookies are on sale this week. The people of Lake Mary are asked to cooperate and buy them from the Sanford Girl Scouts this year since they have no representation here. Mrs. Randall Chase of Sanford, general chairman, reports the need for leaders in Girl Scout work in Lake Mary. A plea is made for anyone interested in helping with this worthwhile activity to contact her or Mrs. C. F. Lind, the new chairman of neighborhood 2, which includes the Lake Mary district. They hope to get a troop organized this year.

Anniversary Dinner

The Ladies Auxiliary of the Fleet Reserve Association will celebrate their second anniversary with a dinner at the U. S. O. building, Friday at 7:30 p. m.

All members and their guests are urged to attend. Reservations should be made in advance by calling Mrs. John Romagnana at FA 2-0396. Hostesses for the evening will be Mrs. Robert Drayton, Mrs. John Beddard and Mrs. Romagnana.

The unit has recently purchased a new 50 star American flag, which will be dedicated in an impressive ceremony, following the dinner.

Entertainment will be provided by Harry W. Wise, a magician, who will perform various tricks of magic to amaze the audience. Mr. Wise has appeared with a national theater circuit and on T. V. as well as many civic organizations. His comedy and mystery routine will assure members of an entertaining evening.

Personals

Friends of J. C. Mitchell will be pleased to know that he is recuperating satisfactorily from surgery at Orange Memorial Hospital and expects to be home next week.

During the social hour a decorated cake, bearing lighted candles, was brought in and "Happy Birthday" sung to Mrs. J. P. Whittaker and Mrs. Messenger, the two members having birthdays in January. Cake, coffee and ice cream were served to those present, including: Mrs. F. E. Gatchel, Mrs. Messenger, Mrs. Whittaker, Mrs. Christine Woodruff, Mrs. S. P. Griffin, Mrs. Wade, Mrs. Minevah Williamson, Mrs. Vance, Mrs. W. T. Cavanaugh, Mrs. A. L. Gunter, Mrs. Garner and Miss Lorene Franklin.

Personals

By MRS. CLARENCE SNYDER

Mr. and Mrs. Clifford Melrose and two children of Ashville, N. C. are visiting his parents, Mr. and Mrs. John Melrose on Lake Butler.

Tommy Lemon, son of Mr. and Mrs. Tom Lemon, was painfully injured when thrown from his motor scooter last week. He received a broken arm and lacerations of the face.

Dr. and Mrs. G. Jordon of Lake City were recent visitors of Mr. and Mrs. Nolan Osteen.

Mrs. Ella Saunders has returned to her home in Boston, Ga. after a two week visit with her sister and brother-in-law, Mr. and Mrs. Raymond Pell.

Mr. and Mrs. Harold Pell attended the funeral of their nephew, Charles Lucas, in Yulee last week.

SWEET 'N' NUTTY

On the average, each American consumed 112 pounds of sugar and syrup last year, reports the Department of Agriculture. We also ate one and a half pounds of nuts, nearly five pounds of peanuts.

For Her

YOU CANNOT BUY BORDEN'S BETTER MILK THAN BORDEN'S

Fresh from Florida's finest dairy farms

Remember, when you choose the milk for your growing youngsters, you cannot buy better milk than Borden's! To keep healthy... happy... active... every boy and girl needs milk that provides the maximum in purity, wholesomeness and nutrition. And that is exactly the kind of milk you get when you buy Borden's!

The Borden system of rigid quality-control starts at carefully selected local dairy farms and never stops until the Borden milkman delivers the fresh, cold milk to your home or nearby store.

No wonder, across the country, more mothers buy Borden's milk for their children than any other brand!

Keep your youngsters healthy, happy, active. Serve them Borden's Homogenized Vitamin D, or Call Borden milk—the milk that's fortified with extra vitamins and minerals.

For You...

Borden's FORTIFIED SKIMMED MILK

Borden's is better-tasting—big on flavor! Gives you plenty of protein, vitamins and minerals with about half the calories of whole milk. Drink Borden's Skim to keep you slim.

For the Youngsters

Borden's DUTCH CHOCOLATE DRINK

Children love its smooth, chocolaty richness. Makes like to see 'em drink it because it's full of energy and body-building vitamins so easy to get, so delicious and so good.

Covington Covers Sports

By JERRY COVINGTON

In all of the excitement of varsity basketball victories I have been guilty of overlooking one of the most important parts of the program.

This year's squad of junior varsity youngsters has been rolling right along with a respectable 5-5 record and they have come a long way. Coach Glenn Allen, who is in his first season at Seminole High has done an outstanding job with these youngsters and a steady improvement has been noted. Last Friday against Lakeview they lost a thriller by a single point, 58-57 but they came back Saturday against Wildwood with an impressive 55-23 win.

There are several youngsters that have shown real talent and in the near future we will be hearing a lot from them. Hubbs Davis has been the big gun in the scoring department and has hit in double figures in just about every outing. In the game against Wildwood the other night, another youngster also hit well. Mike Woodruff dropped in 20 points to pace the JV's to the win.

Probably the most improved youngster on the squad this season has been Ken Gustavson. Since the opening of the season the tall sophomore has found himself

and, while he has not had a big part in the scoring, his rebounding job has played a big part. If he continues to progress we can look forward to having a good big man in the lineup.

John Boniface, Butch Riser, and Mutt Johnson are showing great progress and by the end of the season they could all possibly get a shot at the varsity next year.

While most of the interest is centered upon the high flying varsity we must give these youngsters our support for they are the varsity players of the future.

What's the status of the San Francisco Giants holdings here in Sanford? Since the announcement by Horace Stoneham, president of the Giants, last week that this is the final season the farm teams will train here, this is the question that everybody is asking.

It seems very impractical that they would just move off and let the fine facilities collect spiderswebs but if they don't get a buyer for the property this looks like just what they intend to do.

Last summer several of the eastern teams had expressed a desire to own the beautiful training site but unless the Giants are holding the announcement there still is no one to take over.

Bulletin

BOSTON (UPI)—The Boston Red Sox announced today that star outfielder Jackie Jensen had quit baseball.

The Red Sox said Jensen quit because of the family reasons he had mentioned several times during last season and during the off season.

California Closes Gap On Cincinnati

NEW YORK (UPI)—The Cincinnati Bearcats topped United Press International's major college basketball ratings today for the eighth straight week but were only three points ahead of California's Golden Bears.

The 25 leading coaches who rate the teams for UPI gave Cincinnati 17 first-place votes and the same number of points as last week, 326. California received 14 first-place votes and 323 points in the latest balloting of the season. The ballots were based on games played through last Saturday night.

Most teams were idle or played light schedules last week because of mid-year exams and there were few changes in the top 10.

West Virginia, Bradley, Ohio State and Georgia Tech remained 3-4-4 in the ratings. Villanova advanced from ninth to seventh. Utah was eighth, Texas A & M ninth and Utah State 10th.

North Carolina again was 11th. It was followed in order by Southern California, St. Louis, Kentucky, Iowa State, Kansas State, Iowa, Dayton, Wake Forest, St. Joseph's (Pa.) and Indiana. St. Joseph's and Indiana tied for 20th.

THERE WERE 28 SHAD in this catch by four fugitives from the cold up around Baltimore, Md., and 18 of them were full of roe. Bringing in the best catch of the day Sunday at Crowe's Camp on the St. Johns River were E. A. Wheeler, Clarence Whitaker, Harry O'Berry and William H. Bennett. (Herald Photo)

Mather Steps Up Pace In City Bowling League

Mather of Sanford stepped up their pace last Wednesday night in action in the Sanford City Bowling League to gain a game on second place Burnett Painters.

The Furnituremen took a two-to-one victory from Harry's Liquors while the Painters were taking the same beating from the New York Life Insurance five.

John Uhr rolled a new season's high three game series for the league as he had a scratch series of 587 with a 207 single to start it off for the Mather team. Frank Huhn had the high total for the Liquormen with a 486. In the match between New York Life Insurance and Burnett Painters, the two teams seemed determined to give the games away, with Burnett Painters doing the better job by losing two, while New York Life could only lose one. Casey City Printing, led by Hal Gilstrap's 486, took two games from Gene's Seminole Cleaners and Laundry, with Buck Ferguson's 563 total unable to prevent the win.

"Spillchickens" for the evening were happliest with the 3-7-10, as both Buddy Proctor and Frank Huhn found the range. John Uhr got the five-and-dime, while Tom Best picked up the 3-3-10.

Top Dog Racing Program Slated At Track Tonight

For combined racing ability, tonight's 10-race program at Sanford-Orlando Kennel Club stacks up as one of the top nights of the year at the local speed circle.

Action will start at 8:10 with a fast Grade-B encounter and the unusual lineup will include two

other Grade-B events in addition to the Grade-A main race featured attraction.

In the feature, G. E.'s Mortgage is considered the best by morning line odds of 5-10-3, but the field is one of the club's most evenly-matched sets of the early season. The big 71-pound white and brindle gent has established an ability to gain in the final yards.

"Trip Latch, running from the seventh starting position, is rated second-best with 3-10-1 early figuring.

G. E.'s Smokells is another hot contender for laurels in the headliner.

Other stalwarts in the ninth are Barbara Marie, Ed's Blueacre, Straight Record, Small Money and Roxanna Mink.

The 10th race will be Grade-B and it will open the grueling three-eighths-mile distance with 'Fm Nas, in the box, getting top morning line figures of 5-10-2. Tomorrow's matinee racing will start at 2 p. m.

Tech Shows 'Em Who's A Wreck

United Press International Don't call that Georgia Tech basketball team a Rambling Wreck.

The sixth-ranked Engineers, perennial also-ran in the Southeastern Conference, followed up an early season upset over once-mighty Kentucky by whipping the Wildcats again Monday night, 65-44, at Atlanta.

It was only the second time in the history of the SEC that a team downed Kentucky twice in one basketball campaign. Tech also turned the trick in 1953 but wound up that season with a losing 12-18 record.

The Engineers' latest victory was their 15th in 17 games this season and put them squarely on the path to their first SEC title in 22 years with a 4-0 mark. Kentucky now has a 4-3 conference record and an overall mark of 10-5.

An Indiana Hoosier and a Kentucky "turncoat" helped Tech down the Wildcats this time before 7,348 partisan fans. Roger Kaiser, who hails from Dale, Ind., poured in 24 points while Dave Denton, an import from Bowling Green, Ky., chipped in with 18.

Sid Cohen scored 14 points and Don Mills added 13 for the Wildcats, who sorely missed the services of their injured ace, Billy Lickert.

Minnesota set a Big Ten Conference record in turning back Iowa, 87-72, and Virginia Tech overcame a 34-point performance by Furman's Tom Conrad to defeat the Paladins, 107-77, in other major games on Monday night's slim schedule.

Score Honored By Sportswriters

PHILADELPHIA (UPI)—Horb Score, the Cleveland southpaw who overcame a serious injury and then braved a mental injury on every pitch, was named the Most Courageous Athlete of the Year by the Philadelphia Sports Writers Assn.

Score, struck in the face by a line drive in 1957, was presented with a silver chest before 1,000 cheering diners at the association's annual dinner Monday night.

Football stars won the association's other top awards. Johnny Unitas of the Baltimore Colts was named the Nation's Outstanding Athlete and Roger Davis, the All-America guard from Syracuse, was named the Outstanding College Linebacker of the Year.

Owners 'Split' Naming NFL Boss

MIAMI BEACH (UPI)—George Hala, peace-loving "papa bear" of the National Football League, made it plain today he has no intention of siding with either faction in the stormy election of a commissioner if it means jeopardizing his pet expansion program.

The owners met for the seventh day in an effort to elect a successor to the late Bert Bell. Ballot number 23 was due sometime today and the only thing reasonably certain in this treadmill election was that Hala would abstain again.

The "solid seven" owners who have steadily supported San Francisco attorney Marshall Leary for the post asked Hala to sit down with them Monday afternoon and explain "in more detail" why he has abstained in 19 of the last 22 ballots cast.

"I told them the matter of expansion was more important than any individual who might become commissioner for one, three or five years," the 64-year-old founding father of the NFL explained.

"I told them (the seven owners) I wished they would reveal their position on expansion and at all costs back up the commitment that has been given, by 11 owners for Dallas and by 10 for Minneapolis-St. Paul," Hala continued.

Slow-Moving Triandos Plans To Take 'Running Lessons'

United Press International Slow-moving Gus Triandos, still unsigned by the Baltimore Orioles, has signed up for six lessons instead—and not with Madame La Zonga.

"These are running lessons," explained the big Baltimore catcher, who never won any medals for the 100-yard dash.

"I'm supposed to take six of these lessons before I go to spring training," he added. "One of the directors of our club got the idea it might make me faster. I suppose I'll probably get thrown out by one step now instead of three."

Triandos is one of three Orioles players who have sent back their first contracts without signing.

The other two are Gene Woodling and Jackie Brandt, obtained last month in a deal with the Braves.

Duke Snider was offered a slight cut by the world champion Dodgers and took it, signing a 1960 contract that makes him all set for his 14th season with the club.

The 33-year-old outfielder will receive about \$37,000 this year compared with approximately \$40,000 he got last season.

Infielder Eddie Kasko, outfielder Lee Walls and rookie shortstop Chico Cardenas came to terms with the Cincinnati Reds, increasing the club's total to 14.

Pitcher Bob Grim and outfielder Bill Tuttle signed their contracts with the Kansas City Athletics, who now have satisfied nine of their players. The Detroit Tigers signed their fifth and sixth players, infielder Casey Wise and pitcher Jerry Davis.

Four players okayed terms with the Phillies, bringing the club total to 16. The four were pitcher Dick Farrell, outfielder Ken Walters, catcher Jim Coles and first baseman Fred Hinkle.

The Chicago Cubs announced they now have only one unsigned player with the acceptance of terms by pitcher Art Cecarrell and catcher Cal Neuman. Rookie pitcher Bud Beyerly and Charles Cub player who hasn't signed his contract.

Joe Amalfitano, the San Francisco Giants' bonus boy, returned his signed contract today as did pitchers Bud Beyerly and Charles Davis. A total of 13 Giants now have come to terms.

16 Take Prizes In Mayfair Play

Sixteen men won prizes in the Mayfair Men's Golf Association January tournament Sunday.

On the first place team were Harold McInnes, Don Dondanville, Ed Davis and Mr. Stoll.

The second place team was made up of Bill Faulk, E. J. Still, Dick Shilling and Dr. Maxwell Lip. ten.

Clarence Phillips, Keith Burr, Ed Hunt and Dr. Harry Woodruff were on the third place team.

Individual prize winners in class A were Dr. Harold Ring and Gene Wetzel who tied, Saul Abramson in Class B and Ralph Wight in Class C. Prizes were gift certificates from the Mayfair pro shop.

BETSY RAWLS, one of golf's top money winners will participate in a clinic and exhibition at the Mayfair Golf Course Wednesday.

May Revive Sport

WASHINGTON (UPI)—Harry Lynn, new owner of Uline Arena, hopes to revive professional basketball in the nation's capital next year. Lynn, who revealed he has received hundreds of letters about the prospects of Washington rejoining the National Basketball Assn., declared, "the support and the money is here."

Assign Top Weight

MIAMI (UPI)—Tudor Era and America have been assigned equal high weight of 126 pounds for Saturday's \$25,000 added Bougainvillea Turf Handicap at Hialeah. The mile and three-sixteenths event is a prep for the \$75,000 Hialeah Turf Handicap Feb. 12.

Form Floor Team

NEW YORK (UPI)—Seven members of Syracuse University's national college football champions of 1959 will make a brief basketball tour this year billed as the "sizeable seven basketball team." Frank Scott of New York, who is handling the bookings, said the team will include All-America guard Roger Davis and halfback Ger Schwedes.

Alternates Named
NEW YORK (UPI)—Tom Gola of the Philadelphia Warriors and Win Wilfong of the Cincinnati Royals were made available as emergency alternates Wednesday for the National Basketball Assn.'s East-West All-Star game in Philadelphia Jan. 22.

Nickname Runner

NEW YORK (UPI)—Nickname happy sportswriters already have placed a nom de plume on a Turkish quarter-miler who will run in Saturday's Milease Games at Madison Square Garden. His name is Fabir Orgudun. They call him "Guesundheit."

Broncos Sign Players

DENVER (UPI)—Fullbacks Dave Riffe and Man Owa, both of whom played in the Canadian Football League last year, have signed with the Denver Broncos of the new American Football League, the club announced Monday.

Sign Assistant Coach

COLLEGE STATION, Tex. (UPI)—Travis (Shorty) Hughes, a high school coach whose teams won Texas state titles in 1954 and 1955, has been named an assistant football coach at Texas A&M.

CDR ROTOR
TV marvel scans the skies like radar to pull in better pictures on your set!

ROTATES AUTOMATICALLY
to track down the best possible picture on every channel.

AIMS YOUR ANTENNA
straight at the sending tower of the channel you want.

NO MORE TV NOISE! TV trouble with weak or noisy picture and "ghosts" no more! Like most people, you're probably in a location where TV signals come from many directions—not just the one your antenna was set up to face.

WHAT TO DO ABOUT IT? Make your antenna work 3 or 4 times more efficiently and bring in the best possible picture—on any direction. What you need is the TV marvel that scans your antenna to Circle and Detect the Rotor—the CDR ROTOR. Easy to use—no tinkering! Here's all you do to pull in clearer, sharper, stronger pictures:

1. Turn handy Slipover Direction Selector on CDR's beautiful Mini Control Cabinet.
2. Rotor at the base of your roof-antenna turns 360° in a complete circle till you see the picture clearer than ever before.
3. Lift your finger from the Rotor and your antenna automatically locks in position.

Simple, isn't it? So why settle for half-way TV? Pull in all the channels your set is equipped to receive—with a thrifty CDR ROTOR.

READ WHAT ACTUAL USERS SAY!
Hundreds of thousands of CDR Rotors are now in use and 64 TV reception areas just like yours.

"MORE STATIONS, BETTER PICTURES. We have lots of company from far and near, and they all say we get more stations and have a better picture than they do. The CDR Rotor can't be beat."
—Mrs. C. J. McCone, Annapolis, Anne Arundel Co., Md.

"STATIONS WE NEVER DREAMED OF GETTING came in clear and clear. We never received real pleasure out of TV till we got the new CDR Rotor."
—Cyril Ross, Boston, 18.

"SOUNDNESS BY THIS DEVICE! Even though my antenna is a very good one, I couldn't get a true, sharp image. Since installing a CDR Rotor, my picture is clearer, sharper, steadier. My set behaves like a brand new one, even though the nearest TV station is over 40 miles away."
—Mildred A. Stone, Pitts., Mass.

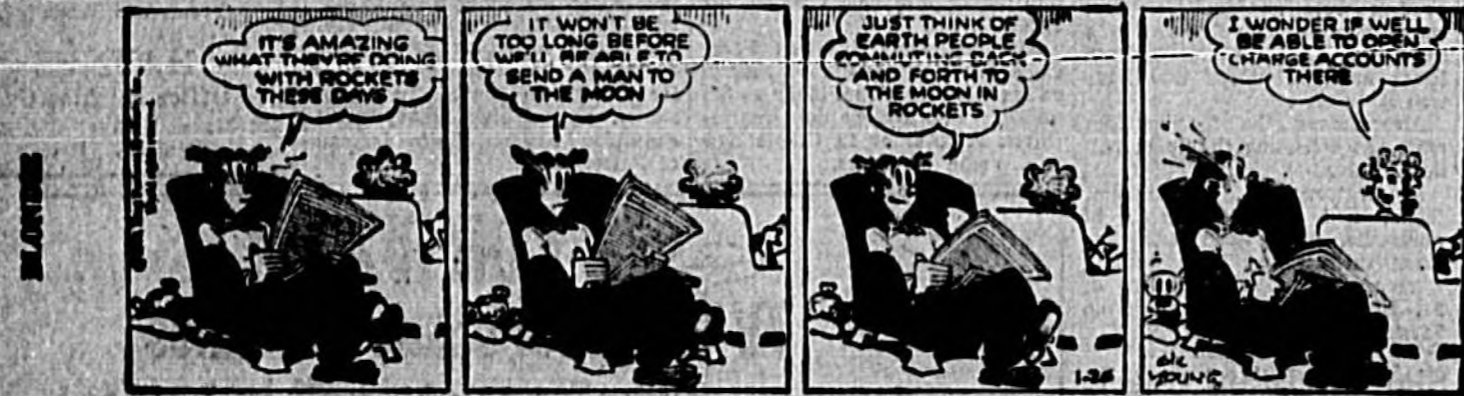

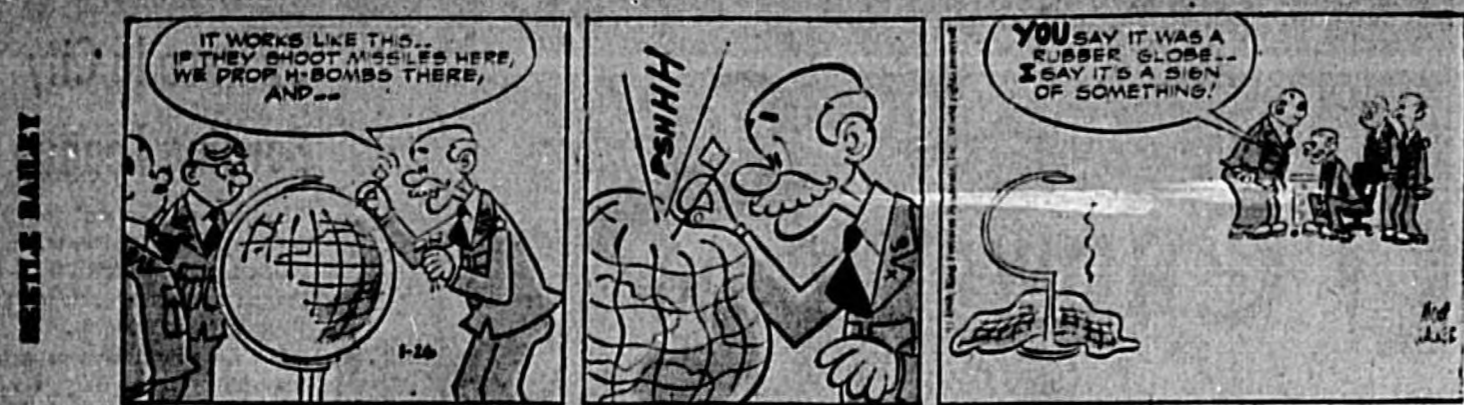

NOW! Start getting perfect TV pictures with a **CDR ROTOR**

Bomb Hoaxes Cause Delay For 3 Flights

NEW YORK (UPI) — Bomb hoaxes held up more than 350 airline passengers Monday and forced a luxury cruise liner sailing with 350 passengers to drop anchor before she could even clear port.

Three of the anonymous threats were aimed at big Boeing 707 jets leaving New York's Idlewild Airport. Other telephoned threats disrupted flights in Fargo, N. D.; Milwaukee, Wis., and Lansing, Mich.

Airlines make a practice of conducting thorough searches in response to bomb threats.

"Tonight around midnight there will be at TWA jet out of Idlewild leaving for Paris," a man's voice said in the first of the day's threats. "There will be a bomb on it."

"Do you have a 5 p.m. flight to Miami?" a man asked National Airlines a little while later. "Better check it for a bomb."

"There is a bomb on one of your planes going off any minute," a woman phone caller told the American Airlines reservation office here.

Trans World Airlines' only jet to Paris, Flight 800 scheduled to leave at 6:15 p.m., was held up 15 minutes by the search. Aboard the plane were bandleader Xavier Cugat and his wife, singer Abbe Lane.

National's Flight 7 to Miami and American's Flight 5 to Los Angeles both were delayed 45 minutes.

The 20,000-ton Inces-Nassau liner Victoria already had set sail for a 15-day Caribbean cruise when port officials got a phone call warning that it carried a bomb. The Victoria dropped anchor at Staten Island. A three-hour search failed to turn up a bomb.

INSPECTING THE FIRE STATION, children from the Pinecrest Kiddie Korner got the low down on the big red engines from Sanford Fire Chief Mack Cleveland Sr. Taking in the sights are, from the left, John Blake, Larry Flora and Jean Colly. Firemen showed more than 20 children around the Palmetto Ave. station. (Herald Photo)

Segregation Ends Quietly At Two Virginia Schools

FLOYD, Va. (UPI) — Racial segregation ended quietly at two more white high schools in Virginia Monday.

In Georgia, the Legislature was asked to let the voters decide if the constitutional ban on integrated schools should be scrapped. The Legislature also received several other proposed bills to allow limited integration.

National's Flight 7 to Miami and American's Flight 5 to Los Angeles both were delayed 45 minutes.

The 20,000-ton Inces-Nassau liner Victoria already had set sail for a 15-day Caribbean cruise when port officials got a phone call warning that it carried a bomb. The Victoria dropped anchor at Staten Island. A three-hour search failed to turn up a bomb.

Count 'Em!

NEW YORK (UPI) — Supermarkets now stock about 8,000 items. In 1944 about 3,500 items were offered, reports the Grocery Manufacturers of America.

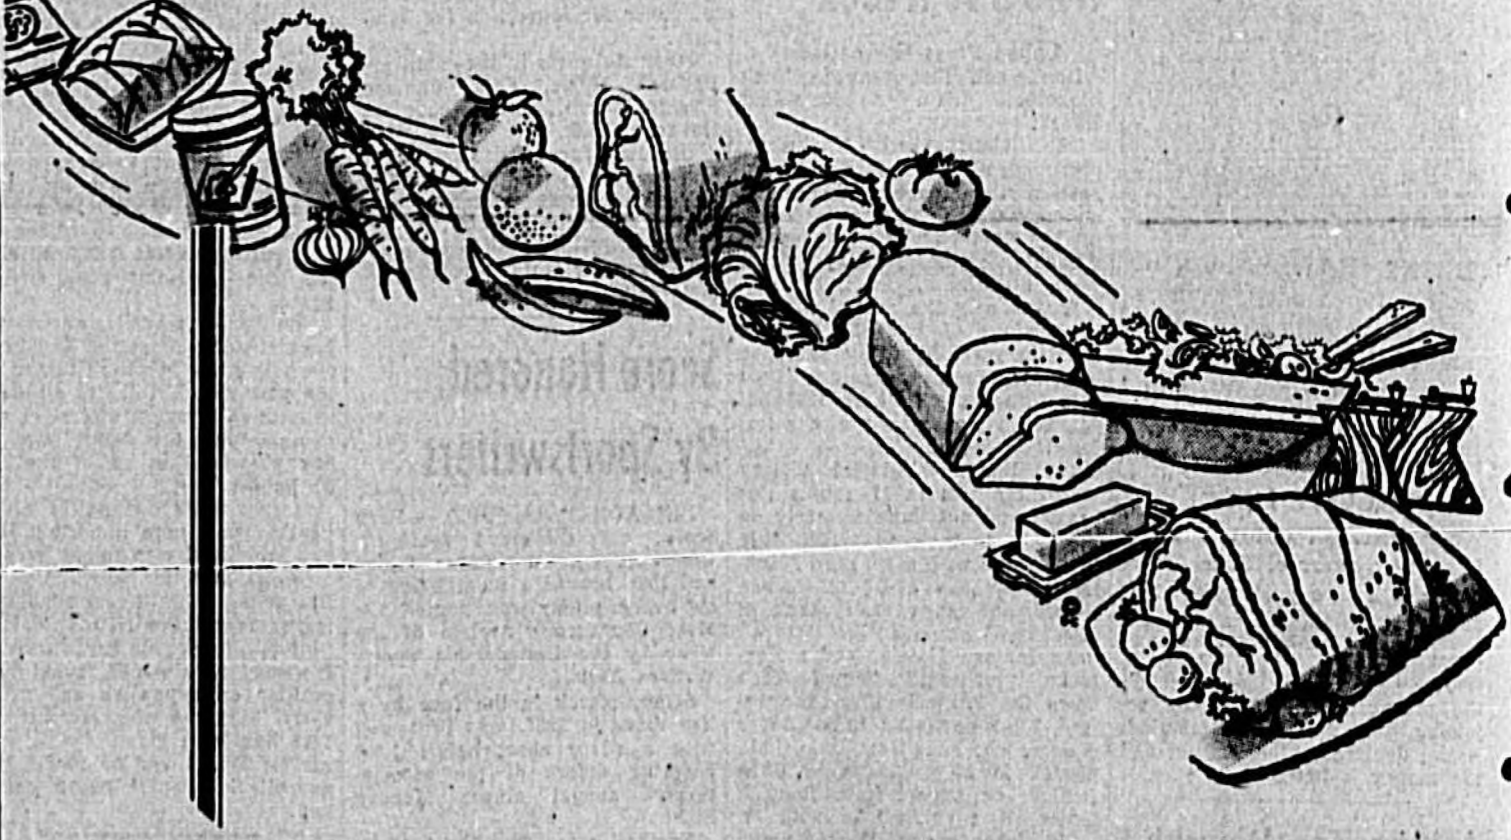

The school board may vote on the request next Monday.

In Georgia, State Rep. M. M. Smith of Atlanta told a House subcommittee that no legislator now believes Georgia laws can stand against federal court desegregation rulings.

"They have failed in Little Rock; they have been never invoked in North Carolina; they are passe in Tennessee," Smith said.

The subcommittee is studying six bills by Smith to implement a pupil placement plan offered by the Atlanta School Board and repeal existing segregation laws.

A federal district judge has ordered Atlanta city schools to stop discriminating against Negro pupils, but Georgia law provides for closing the schools before allowing integration.

Priest, An Ex-Jazzman, Can Still Go

STAUNTON, Va. (UPI)—Jazz lovers don't laugh when the Rev. John Frega, a Roman Catholic priest, sits in at a jazz club. They "dig" him, and for good reason. It wasn't too many years ago that the bearded Capuchin priest was making a living as a bass fiddle player in some of the nation's top jazz outfits. As "Gato" (for Gato) Frega of Paterson, N. J., he played bass for an early Les Brown orchestra and later for the Joe Mooney Quartet and the Kirby Stone Four making one-night stands around the country. During World War II, as a military policeman in New York, Father John played in the Army's All-Star band. "That band really jumped," the priest recalls. But at the age of 20 he entered the seminary and was ordained a priest in 1936 at St. Lawrence Monastery, Beacon, N. Y. After the ordination ceremonies, he recalls, Father John teamed with Mooney for an "impromptu" session at the monastery. "Everyone came," he said. "And they loved it." Father John has given several lectures on jazz. One was at a youth council meeting here recently where he told teen-age rock 'n' roll fans how to get the most out of music. "Don't jump - just listen," the priest admonished them.

Stu Says Any Good Demo Can Beat Nixon

MONTGOMERY, Ala. (UPI)— Sen. Stuart Symington (D-Mo.) said Monday "any good Democrat can beat Vice President Nixon" in the presidential election because of his voting record during the Eisenhower administration.

The Missouri senator, considered a dark-horse for the Democratic nomination, said "the vice president's voting record shows he has a lack of faith in America. He does not believe in the character of America as the Democrats see her. He voted against social security, policies of the minimum wage

law, REA, slum clearance, flood control and reclamation."

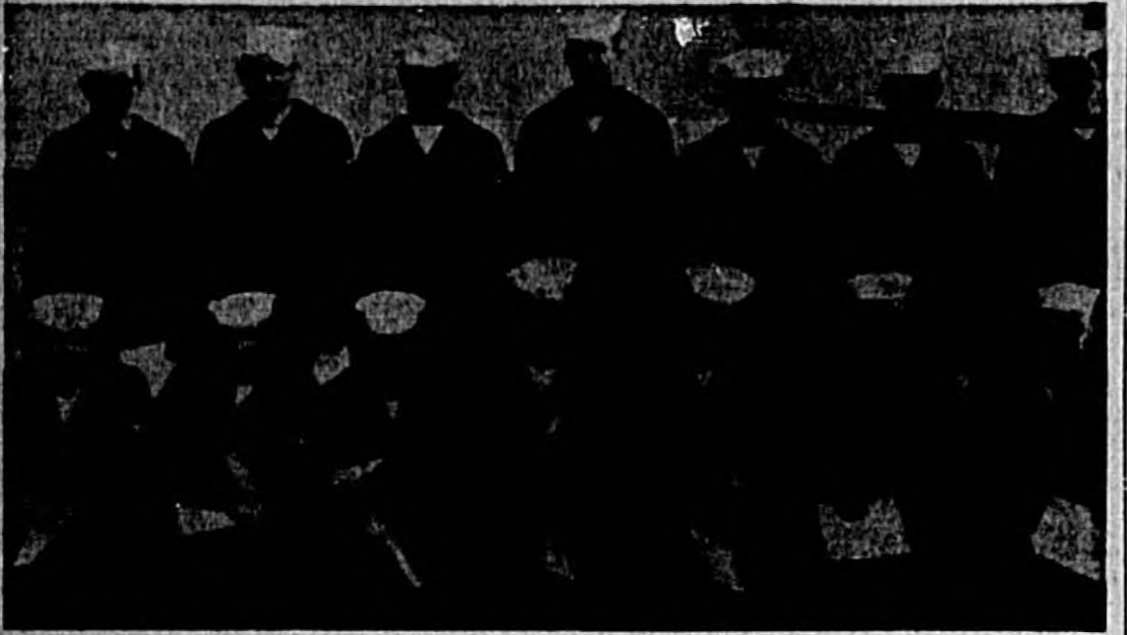

He told the 70th annual banquet of the Montgomery Chamber of Commerce Nixon's trips abroad would help his candidacy only "if some positive action is taken by the administration. But we'll have to wait and see after the summit conference. Locomotion is no substitute for policy."

Symington also accused Nixon and the Eisenhower administration of "wasting 100 million dollars a week through inefficient business policies and practices" in handling

agriculture, defense, foreign aid and the national debt.

The former secretary of the Air Force said a recent Senate subcommittee hearing showed the Department of Agriculture was "wasting far more than a billion dollars a year" and yet "in order to raise a billion dollars, this administration now proposed five-cent postage stamps and higher gasoline taxes."

He also attacked proposals to build up a budget surplus "through tax and revenue increases," saying the surplus could be built "through more efficient management."

A LARGE NUMBER of Fleet Aircraft Service Squadron Fifty-One men were advanced in rating and honored with the traditional U. S. Navy ceremony recently. In presenting the advancement certificates, Commander Edward J. Winter, USN, FASRON-51, commanding officer congratulated the men for the industriousness and technical abilities which led to their selection. Left to right, front row, L. E. Baker, AMSS; V. J. Eisenmann, ADJS; J. E. Reid, AE2; E. M. Graves, AD2; J. S. Alexander, AK3; C. A. Rizor, AK3; J. E. Hope, AK1. Left to right, rear row, J. M. Carathers, AT1; F. A. Berneberg, YN3; M. A. Coleman, AT2; H. E. Singleton, AQF3; H. O. Troop, AT2; W. E. Bryant, AE2; J. T. Hickey, ATN3.

American Heritage Series Takes Western Journey

By FRED DANZG
NEW YORK (UPI)—The series called our American Heritage took us West Sunday night, not exactly a novel journey for TV viewers.

In "Destiny, West," on NBC-TV, we took a quick pre-wedding train trip with the John Charles Fremont expedition, after Fremont befriended Sen. Thomas Hart Benton in Washington and married the old fellow's daughter—a 16-year-old chick who was his weekly mountain in rolling prairies.

William Altman's teleplay also

dipped into the political climate of its time and I find this aspect of the Heritage series one of its strongest attractions. However, on balance, this hour was weaker than preceding Heritage productions. While the scenes flowed smoothly into each other, regardless of time and space, the players stumbled amid personal passions and compressed dialogues. They created the impression that they were speaking for their biographers.

Jeffrey Hunter was tight-lipped, determined and wise as Fremont; Susan Strasberg was fiery-eyed, lovely and wise as his bride; James Daly was peppery and wise as old Benton. It was a competent production—especially with its climactic blizzard scenes—but very little of it managed to come to life.

Campy's Step-Son In More Trouble

NEW YORK (UPI)—Former Dodger catcher Roy Campanella's 16-year-old stepson had another strike called against him today. He was charged with petty larceny, his third arrest within a year.

"I don't want to talk about it," Campanella, who is paralyzed from a broken neck he received in an auto accident two years ago said. "I don't know any details yet."

David, the son of Campanella's wife, Ruth, by a previous marriage, was arrested Monday night with three other teen-agers. They had a carton of candy, cigarettes and groceries from a grocery in Queens.

The youth claimed Morris H. Katsman, the owner of the store, gave them the groceries, but he denied it, police said.

David was released last April on probation on a juvenile delinquency conviction for breaking into a Queens drug store last February. He also had been judged a juvenile delinquent in February for participating in a fist fight.

Those arrested with young Campanella were Isidor Fisher, 20, Ronald Garnett, 18, and a 15-year-old who was not identified by police because he is a juvenile.

"Destiny's Tot," a true psychiatric case history of an anti-Semitic rabble-rouser, offered an absorbing, fully-rounded portrait of a human pulsate on NBC-TV Sunday. Adapted by E. Lee Popolin from a book by the late Dr. Robert Lindner, the afternoon drama was most engrossing when dominated by conversational office-hour tones. The unusual staging was generally effective, although some of the silent back-of-the-couch vignettes were too brief to be of much value. Alexander Scourby was a sturdy performer in his even-keeled portrayal of the psychiatrist, Robert Duval, as the nut, had an uneven afternoon of it.

The Channel Swim: Dore Schary, producing a "get out the vote" special for NBC-TV's Starline special of Tuesday, April 19, hopes to include in the show appearances by President Eisenhower, former Presidents Truman and Hoover and current White House hopefuls.

Chuck (Rifleman) Connors co-stars with Pippa Scott in "Trial By Fear," on the June Allyson show, CBS-TV, for Monday, Feb. 2.

Senate Launches Delinquency Attack

WASHINGTON (UPI)—The Senate today launched a two-pronged attack on juvenile delinquency and its links with teenage drug addiction.

The full Senate was scheduled to start debate on a "delinquency prevention bill" which would provide up to 12 million dollars to local communities over the next five years to train workers for special juvenile projects.

Farm Bureau Office Ransacked

The Seminole County Farm Bureau office was broken into Friday.

Jack Syme told Sanford police that someone broke into the office in the Sanford Atlantic National Bank sometime between noon and 1 p. m. Two desk drawers were ransacked and a combination drawer file and safe entered and \$9.18 taken, police reported.

Red Officials U. S. Bound Friday For 10 State Tour

NEW YORK (UPI)— Twelve top-level Russian government officials, including several prospective visitors to Kremlin power, will fly here next Friday to begin a 24-day tour of 10 states.

The party was invited by state governors who visited the Soviet Union last summer. The visitors undoubtedly are the most important group of Communist politicians to visit the United States since the cold war thaw.

They are headed by D. S. Polyanski, a little-known but highly placed young protégé of Soviet Premier Nikita S. Khrushchev. He is premier of the Russian Soviet Federated Republic, the Soviet Union's largest political component, and is a candidate-member of the all-powerful Presidium of the Communist party's central committee.

Announcement of the impending tour came as a surprise, although a return visit by Russian counterparts of the American governors was expected some time this year. The Russians were invited by the executive committee of the U. S. Governors' Conference and travel arrangements are being planned by the Institute of International Education.

In addition to Polyanski, four others in the party are premiers of Soviet republics—the equivalent to state governors. The remaining seven are chairmen of executive committees of provinces containing important industrial cities.

It will be these Russians' first look at the United States. And it will be the country's first glimpse of up-and-coming third generation Communists who may well become the ruling clique in the Kremlin when aging Khrushchev and Deputy Premiers Anastas I. Mikoyan and Frol R. Kozlov depart the scene.

The Russians will inspect manufacturing and food processing plants, schools and universities, museums and historic sites, housing developments and farms, hospitals and homes for the aged in New York, New Jersey, Pennsylvania, West Virginia, Florida, Illinois, Colorado, Idaho, Utah and North Dakota.

LOS ANGELES (UPI)— The state was almost set to rest its case against Dr. R. Bernard Finch and Carole Tregoff today but it appeared the murder trial might be delayed a week by the illness of a minor witness.

Judge Albert H. Miller, who presided at the preliminary hearing that has stricken Southern California. He was not expected to be able to testify until next Monday and a postponement until then was likely.

The dramatic trial took a bizarre twist Monday with the chief prosecutor himself on the stand and an attorney for Miss Tregoff 32, coming close to accusing him of "tricking Carole into a murder charge."

The red-haired mistress flashed angry looks as Dep. Dist. Atty. Fred N. Whichello testified that he at first believed her story that she went to the Finch home July 18 but had no direct connection with the shooting of Mrs. Barbara Jean Finch, 33.

Miss Tregoff had testified at the preliminary hearing July 27. Whichello called himself as a state witness and underwent examination by colleague Clifford Crail in an effort to get into the

Pills Calm Down Fidgety Children

DETROIT (UPI)— A teacher complains your child can't seem to sit still in class, a pill might help.

Physicians at the Children's Center of Metropolitan Detroit found that 31 of 40 children between the ages of 5 and 11 who had been almost hopelessly unruly calmed down when given Dextroamphetamine.

Scientists called their fidgets "hyperkinetic disorder."

"There is evidence that up to 2 per cent of the school age population from 5 to 11 present this problem," said Dr. Huster H. Comly, director of the Children's Center.

The Center tried out the drug with the consent of the children's parents, who administered it.

PEDDLING PEANUTS for the March of Dimes were these members of the Anna Miller Circle who were in a group of mothers working at the corner of French Ave. and First St. from 10 a. m. until 5 p. m. Sunday. With the help of Sanford police who regulated the signal light, they sold \$233.60 worth of peanuts roasted by Elks Club members. They will continue their work at a meeting at 7 p. m. today at the Elks Club when they will complete plans for the Mothers March Thursday night. (Herald Photo)

Illness Of Witness May Delay Finch-Tregoff Trial A Week

LOS ANGELES (UPI)— The state was almost set to rest its case against Dr. R. Bernard Finch and Carole Tregoff today but it appeared the murder trial might be delayed a week by the illness of a minor witness.

Judge Albert H. Miller, who presided at the preliminary hearing that has stricken Southern California. He was not expected to be able to testify until next Monday and a postponement until then was likely.

The dramatic trial took a bizarre twist Monday with the chief prosecutor himself on the stand and an attorney for Miss Tregoff 32, coming close to accusing him of "tricking Carole into a murder charge."

The red-haired mistress flashed angry looks as Dep. Dist. Atty. Fred N. Whichello testified that he at first believed her story that she went to the Finch home July 18 but had no direct connection with the shooting of Mrs. Barbara Jean Finch, 33.

Miss Tregoff had testified at the preliminary hearing July 27. Whichello called himself as a state witness and underwent examination by colleague Clifford Crail in an effort to get into the

record the story Carole told at the July 27 hearing.

Whichello said when Carole first began to testify he did not consider her a suspect. But as she went on he gradually changed his mind and began definitely to suspect her when she broke into tears on the stand and was led into the judge's chambers.

She resumed the stand and, as she finished and walked toward the door, Whichello ordered her arrested and charged with murder.

Don Bringgold was cold and angry as he cross-examined Whichello.

"Wasn't she called at that hearing as a witness for the people and weren't you in a sense her attorney?" he asked.

"That is a matter of interpretation."

"Did she have an attorney?"

"No."

"As you questioned her and began to form this suspicion of her, did you advise her of her constitutional rights?"

"No, I did not."

"And after you decided you were going to arrest her, did you advise her of her constitutional rights?"

"No, I did not."

"Did the judge advise her?"

"No."

Quotable Quotes

By United Press International.
SAN FRANCISCO—Carey Baldwin, director of the San Francisco Zoo, denying charges by Australian businessman Sir Edward J. L. Hallstrom that the zoo was discouraging its kila bears from becoming parents.

"That is pretty much something for the kilaas to decide."

TAMPA — Attorney Pat Whitaker, whose client, Mrs. Millicene Quinn, was convicted of bank robbery, telling the jury that the teller must have been timid to give her the money so easily.

"Can you of the jury believe that this little lady... could scare you into giving her the \$1,000?"

PARIS — Former Premier Georges Bidault, a major opponent of President DeGaulle's Algerian policy, grudgingly supporting the government's call for an end to Algerian rioting.

"I am and always have been an obedient servant of law and order."

Ten per cent of a typical American family income of \$5,000 went for various Federal taxes in 1959, and an additional 8 to 8 per cent for state and local levies.

Marlin Owner May Move Franchise

MIAMI (UPI)— Bill MacDonal, new owner of the Miami Marlins, said today he will have to move the International League franchise out of Miami if he can not lease stadium and concession rights from the city.

City commissioners have refused to accept MacDonal's lease offer of \$50,000 a year for five years because the city is embroiled in a court suit filed by Florida Sportservice, Inc., over stadium concession rights.

"I will either have to surrender my franchise to the league or move the club to another city," said MacDonal, a millionaire house trailer manufacturer who bought the franchise from radio-television tycoon George B. Storer last Jan. 2.

SOUTHERN BELL

'GO CHEVY! ONLY WAY YOU CAN BUY A CAR FOR LESS IS TO BUY A LOT LESS CAR!

- THIRTIEST 0-60 IN 10 SECONDS**—Chevy's 161-1/2" 6 is the '60 version of the engine that got 22.38 miles per gallon in the latest Mobilgas Economy Run—more than any other full-size car.
- NEW ECONOMY THREE-FIRE V8**—Here's a V8 with the "gl" Chevy's famous for—plus a new economy-contoured camshaft and other refinements that get up to 10% more miles on a gallon of regular.
- EASIER-TO-LOAD LUGGAGE COMPARTMENT**—The trunk lid is lower and the lid opening is more than a foot and a half wider than Chevy's nearest competitor's. There's over 20% more usable space!
- MORE ROOM WHERE YOU WANT MORE ROOM**—Chevy's trimmed down transmission tunnel (25% smaller) gives you more foot room. You also get more head and hip room than in any other 2- or 4-door sedan in the field.
- BEST CHOICE OF POWER TEARS**—A choice of 24 engine-transmission teams in 24- to satisfy the most finicky driving foot. There are seven engines with output all the way up to 235 h.p. and five six-cylinder transmissions.
- EXTRA CONVENIENCES OF BODY BY FISH**—No other car in Chevy's field gives you crank-operated ventipanes, Safety Plate Glass all around and dozens of other Fisher Body refinements.
- CHEVY GETS THE PRICE WITH LOWER PRICES**—All Buick Air and Impala V8's are lower priced, so are many options. Example: a Buick Air V8 sedan with Turbodiesel, air heater, and rack-and-pinion radio costs \$1,050 less for '60.
- QUICKER STOPPING BRAKES**—Long-lived bonded-brake brakes with large front-wheel cylinders for '60 give you quicker, more stops with less pedal pressure.
- SOFTER, MORE SILENT RIDE**—Chevy's only leading low-priced car that pokes the bumps with coil springs at all four wheels. Noise and vibration are filtered to the vanishing point by new body mounts.
- BUY CHEVY FOR CHANGE'S SAKE, BUT FOR YOURS**—There's only one person we consider when we make a change—and that's you. That's why we don't think you'll find anything more to your liking at anything like the price.

The more you look around the more you'll find to convince you that no other low-priced car has so much to show for your money on this new Chevrolet. Here's the kind of styling sophistication and subtle detail that only Fisher Body craftsmanship can create. Here's the kind of Full Coil comfort that neither of the other two leading low-priced cars—and only some of the smooth riding higher priced ones—build into their suspension systems. Here's more room inside (where you want it) without an inch more outside (where you don't want it). And with all these advances Chevy has managed to hold the price line! Your dealer will be delighted to fill you in on all the facts.

See The South Coast Chevy Store in color Sunday, NBC-TV—The Full Chevy Chevrolet Store Sunday, NBC-TV.

Parrish Enters Senatorial Race

A Titusville county commissioner, Bernard Parrish, today tossed his hat in the political ring and announced he would "definitely be a candidate for the position of state Senator from the 37th senatorial district comprised of Brevard and Seminole Counties.

The position is presently held by Douglas Stenstrom of Sanford who announced last year that he would not seek another term.

Indications are that Parrish will get no opposition from Seminole County, according to State Rep. Gordon Frederick.

Frederick reported that a man from Seminole just wouldn't have a chance "backing the strong population of Brevard county."

Parrish is married to the former Frances Klingensmith and the couple have five children. He is serving his first term on the Board of County Commissioners and prior to his election in 1958 was active in several civic organizations.

He has served as a Trustee of the Brevard County Schools, County Chairman of the Boy Scouts, is a past president of the Titusville Rotary Club, attained the rank of major in the United States Field Artillery during World War II serving three years overseas, and is campaign chairman of the 1960 United Appeal Campaign.

He is a Presbyterian, Mason and an Elk and is vice-president of Nevins Fruit Company, Inc., a citrus company which has operations extending from Mims to Fort Pierce in the Indian River section of Florida.

Casselberry's GOP Plan Giant Registration

A burst of Republicanism is about to flourish in Seminole County. Casselberry Mayor William Benson said today that the Casselberry Republican Club will invite 300 members to drive to Sanford and change their registration from Democratic to Republican.

Members who attended the Miami kick-off dinner for Vice President Richard Nixon reported to the club executive committee Tuesday night. The members said that the enthusiasm and support shown for Nixon at the dinner was great, according to Benson.

Bulletin

CARRABELLE (UPI)—A 24-foot commercial fishing boat that has been drifting helplessly in the Gulf since Sunday was located today. The five crew members reported that they are healthy, but otherwise unharmed.

Symington Raps Missile Policy

WASHINGTON (UPI)—Sen. Stuart Symington (D-Mo.) charged today that the administration has "juggled" its intelligence books on Soviet missile strength in the budget books to be balanced.

Symington, a frequent critic of administration defense policies, made the statement in a speech prepared for delivery in the Senate. The senator was Air Force secretary under President Truman.

As an unavowed candidate for the Democratic presidential nomination, Symington said he understood his accusation would be regarded as "speciously motivated."

But he said he preferred that risk to the one involved in what he called an administration's "policy of misdirection."

"I charge this administration with using intelligence information in such a manner that the American people have been given an inaccurate picture of what is necessary for our national defense," Symington said.

New Activities Set For Troop

Longwood's boy scout committee proposed more activities and better organization for the town troop Tuesday night.

The committee set up nine of Scouts to help Troop 230. These nine will be directly responsible for the troop, committee chairman Dick Zarman said today.

E. Richards is financial secretary; W. S. Heath, emergency chairman; Roy Caudell, equipment chairman; F. M. Haynes, librarian; Harold Willis, assistant scoutmaster; John Saunders, transportation and procurement; Carl Lommier, treasurer, and Bill Yarbrough, refreshments.

The troop went on an overnight hike to Camp Wilderness Friday. Scouts Harris, Haynes and Nottingham were promoted to first class.

Building Code Booklet Available

Copies of the plumbing section of the Southern Standard Building Code are now available at Sanford's City Hall.

The plumbing section went into effect for Sanford Jan. 1. The booklet is "one of the most modern plumbing codes in the country, as is the building code," City Building Official M. A. Yelvington said Tuesday.

Civil Service Board To Meet

Sanford's Civil Service Board will hear the views of city employees Feb. 4.

The purpose of the 8 p. m. meeting will be for city employees to see the board in action and to discuss any matter with the board that the employees may wish.

The meeting will be in city hall.

JAMES AVERY

Avery Opens Commissioner Vote Campaign

James P. Avery, who announced his intentions to run opposite Lawrence Swofford for the District 3 County Commission post, opened his campaign today pledging to devote his full time to the duties of his office.

Avery has lived in Lake Mary for the past four years and in a statement today said:

"I believe that Seminole County is beginning a period of growth that necessitates a sound planning program that will fairly and equitably stabilize taxes and concern itself with the limiting of debt to insure this growth be orderly and proportioned for permanence." He added, "The county's means should be the determining factor in establishing this debt limit."

On the subject of county roads, Avery said, "A good system of hard top roads providing access to our many rapidly expanding communities is of vital importance in maintaining our rate of growth." He said "Adequate maintenance on existing roads should be so constant and regular as to preclude its being anything but routine."

Avery stated, "We must have good schools with adequate classrooms for our rapidly expanding student population. Every endeavor must be made to satisfy the need for more and better facilities."

He is married to the former Doris Oberstrom of St. Petersburg. They have four children, sons, Russell and James and daughters, Cheryl and Donna.

New Political Group Organized In County

A political group has been organized in the county with plans to select a slate of officers to run for the four county commission posts to be voted on in the May primary.

E. D. Rinehart, spokesman for the group said the organization was set up last night with the main objective of actively working for all candidates chosen throughout the county, and getting the "best dedicated men" to fill the jobs.

"We want to clear up the situation in the county," Rinehart said. Rinehart would not comment further on what he meant by "the situation."

He also denied reports that he would be a candidate for the county commissioner post in District 3.

With James Avery, of Lake Mary, announcing his intention to qualify, the political pot in the county began to boil up a list of candidates who are considering opposing incumbents.

Reports are that at least four District candidates will oppose Lawrence Swofford, while two will oppose John Krider and five will run for the open District 2 seat.

Indications are that the District 3 race will have at least two entries. However, Clerk of the Circuit Court David Gatchel reported this morning that he doesn't expect many more office holders to announce their intentions until the Mar. 1 qualifying date.

Twenty public offices will be open in the county with the Democratic primary scheduled May 3.

Algerian Revolt Spreads

MRS. A. J. PETERSON, Sanford, presents a check for \$1,000 to Dr. J. Ollie Edmunds, right, president of Stetson University, as the first payment on a \$3,000 student loan fund established by the Seminole Association of the Florida Baptist Convention. Dr. R. L. Carter, DeLand, a member of the loan fund committee, left, looks on. The Association includes DeLand and parts of West Volusia County.

News Briefs

Planning Celebration
WINTER PARK (UPI) — The Florida Civil War Centennial Commission will meet at Rollins College Saturday to plan for the four-year celebration of the Civil War.

Klansman To Run
TALLAHASSEE (UPI) — Ku Klux Klansman Bill Hendrix announced for governor Tuesday saying he would make Little Rock seem like "just a little pebble" if elected. Hendrix said he was a segregationist from Key West to Pensacola, no ifs, ands, or buts.

Sentinel Gets Thanks
TALLAHASSEE (UPI) — The Peninsula Motor Club has credited state Sen. Randolph Hodges for elimination of a speed trap at Chiefland, Hampton Dunn, the club's public relations director, said Tuesday night the club and the city had buried the hatchet after a six-year squabble.

Sentence Upheld
TALLAHASSEE (UPI) — The Supreme Court today upheld a death sentence given a Palm Beach man for murder but ordered a new trial in the case of a St. Petersburg Negro sentenced to death for killing a grocery store operator. James E. Brooks was sentenced to death in the electric chair for the death May 2, 1958, of Helen Louise Baier, an employee of the Western Union Company in Palm Beach. Brooks was a janitor in the office.

Confidential Papers
NICOSIA, Cyprus (UPI) — A United States Navy plane which crashed Jan. 26 in Turkey killing 46 men aboard was carrying "highly confidential" documents from Washington, reports reaching Nicosia from Turkey said today. A Royal Air Force spokesman when asked about the documents made no further comment.

2 Men Drowned In Mock Assault
FT. WALTON BEACH, Fla. (UPI) — Two officers of an Army Ranger battalion on landing maneuvers were drowned Tuesday night in wind-whipped surf 800 yards offshore.

A third was missing and a search was underway today.

The men were among eight aboard a rubber life raft heading for Santa Rosa Island in a mock assault when the raft capsized in the rough sea.

The officers drowned were identified as 1st Lt. Ellis F. Cline, 26, of Mount Airy, Md., and 2nd Lt. Pi V. Kuneil, 22, Omaha, Neb. The man missing was not identified pending notification of next of kin.

Guns Fired In Port City

ALGIERS (UPI) — Shots were fired in the Algerian city of Mostaganem today, the first shooting since 27 persons were killed Sunday in Algerian demonstration against the French government.

The shots rang out during a settlers' demonstration at Mostaganem, a port between Algiers and Oran. First reports gave an indication of possible casualties. The reports of the new shooting came moments after French President Charles DeGaulle's personal representative in Algeria paid tribute to the courage of despair shown by the insurgent settlers still denying the government from behind their barricades here.

Confidence had risen among the rebellious colonists that they were winning their dangerous gamble against DeGaulle's authority, and a holiday air settled over the street barricades in Algiers.

Adding to their optimism was the passive attitude of the French army toward their resistance to DeGaulle's policy of self-determination for the future of Algeria.

Even as DeGaulle met with his Cabinet in Paris to decide how to resolve the gravest crisis to face his regime, including possible assumption of dictatorial powers, the insurgents added the shout of "Long live the army" to their battle cry of "Long live French Algeria."

The city went up from demoralizing crowds in Algiers, Oran, Constantine, Bône and many smaller cities.

The army was not actively supporting the rebels. But it was clear that it would not launch an attack. Several paratrooper colonels were their superiors Tuesday that it would pose a "vernal dream of conscience" if they were ordered to mop up the insurgents.

Algiers was in the grip of a general strike and under a state of siege, which banned the gathering of more than three persons in the streets.

U.S. Manned Rocket Trips Expected In Summer

WASHINGTON (UPI)—The Nation's civilian space chief said today he will ask Congress for "substantial additional funds" to speed development of super rockets which may enable the United States to pass Russia in space in "four to five years."

At the same time he promised a series of spectacular space launches which will be climaxed this summer with manned rocket trips and in 1961 with the first American manned satellite.

This was the burden of testimony before the House Space Committee by T. Keith Glennan, director of the National Aeronautics and Space Administration.

NASA already has asked Congress for 808 million dollars in the fiscal year starting next July 1. Of this, the agency has earmarked 140 million for development of Saturn, a giant booster expected to thrust up to four tons as far as Mars or Venus.

Glennan did not disclose the additional sum he will ask but observers recalled that Dr. Warren von Braun, in charge of Saturn development, had recommended that 240 million dollars be committed to it in fiscal 1961.

Seminole Group Sets Up Stetson Student Loan Fund

The Seminole Association of the Florida Baptist Convention today established a student loan fund at Stetson University with the presentation of a check for \$1,000.

Mrs. A. J. Peterson, Sanford, chairman of the student loan fund committee for the association, handed the check to Dr. J. Ollie Edmunds, president of the University, in the presence of Dr. R. L. Carter, DeLand, a member of the loan fund committee.

"We are pledged to increase the amount of this loan fund to \$3,000," Mrs. Peterson said.

The loan fund, Mrs. Peterson explained, was established by the Association last year and provides that preference in loans be made to "promising Baptist students from churches in Seminole Association," that loans be not more than \$500, and that they be made to students in the junior or senior class.

"We want the fund to be one which will help students get an education rather than to give them an education," Mrs. Peterson said.

"We believe this is the American way—providing a helping hand where most needed. This should make better leadership for tomorrow."

Dr. Edmunds, in expressing his and the University's appreciation to the Association for the student loan fund, said "the future of private colleges in America is assured as long as Christian women offer this kind of assistance to young men and young women who want an education."

County Purchases Road Equipment

The county's road improvement program got a boost in the armory today when the county purchased equipment.

At the county commission meeting, board members awarded bids of the Florida Equipment Company of Orlando for the purchase of a loader and mixer.

The loader was \$14,000 and the mixer \$14,800 for the bid.

The board tabled awarding a bid for a dragline until further study.

Both pieces of equipment is expected to be available in the county within the next two weeks.

Fire Tragedy Strikes Family For Second Time

Firetragedy struck back at the Scotts Tuesday.

Mr. and Mrs. J. M. Scott were moving into their 5, Sanford Ave. home yesterday when the refrigerator exploded during dinner the house.

A relation, Grady Scott, had a home nearby last year. It burned down also.

Naval Air Station and Florida Forest Rangers fought the blaze. The J. M. Scotts had lived on their furniture into the house when the blaze broke out.

Mothers Polio March Slated Here Thursday

The mothers will be marching Thursday in the annual Mothers March on Polio.

Members of the Anna Miller Circle met tonight in complete plans for the house to house canvass from 5 to 7 p. m. in the big fund raising effort in the March of Dimes program here.

Mrs. Betty Spencer, chairman of the Mothers March, and division leaders will use The Herald building as headquarters for receiving and tabulating the contributions collected from households by the volunteer workers who will assist the circle members.

Division leaders are requested to bring the funds collected by the Thursday.

Casselberry Lions Set Meet Thursday

The Casselberry Lions will meet at the Glens Fountain Restaurant in Fern Park Thursday night.

Winter Park Telephone Co. vice president Russell Hulbert will speak about the growth of telephone customers in the Casselberry area at the 6:30 p. m. meeting.

Chamber Board Meets Thursday

The Chamber of Commerce board of directors will hold their quarterly meeting Thursday at 7:30 p. m. at the Civic Center.

This will not be a dinner meeting. E. L. Perkins Jr. announced.

PLANS FOR MOTHERS MARCH are discussed by John Bank, county polio fund chairman, Mrs. Harry Adair, president of Anna Miller Circle, center, and Mrs. Betty Cox, co-chairman of the march. (Harold Photo)
