# Slow On Energy

WASHINGTON (UPI) House and Senate negotiator are moving at a snail's pace of a compromise energy bill, and chances are lessening that the legislation will reach Presiden Carter by Christmas. With only three and a ha

weeks remaining before Christ mas Eve, this is the situation o the two House-Senate confer ence committees on energy:

- The committee dealing with non-tax matters hopes to complete the third of its four bills - dealing with utility rates by the end of this week, but still faces its most controversial subject: controls on natural gas

-The tax committee has done almost nothing, and ap the non-tax conference completes its work. The panel does not even plan to meet Thursday and Friday, while its key members are involved in a separate conference on Social

Senate Finance Committee Chairman Russell Long, D-La., predicted to reporters Tuesday louse members will not move forward on energy taxes until the non-tax bills are largely

possibility that no agreement will be reached this year. House members privately blame Long for the delay.

Rep. Thomas Ashley, D-Ohio, said if the negotiators do not finish their work or have "a very firm sense of direction" on the natural gas issue by the end of next week he doubted whether a bill could be passed before Christmas. But he said there would be a

lot of pressure by fellow congressmen to finish the bill this year. "A funny thing happens when you get into an happens when you get into an election year," he said.

Congressional leaders sought to apply pressure on the
