Prosaic cauliflower can be an exciting company vegetable. When having a celebration dinner built around baked ham or chicken, prepare a casserole of cauliflowerets sauced with a tomato curry mixture. Before baking, sprinkle butter and curry seasoned corn flakes around edge of the dish. Cereals such as corn flakes are excellent for ingredient use in recipes because they are inexpensive, convenient, add flavor and texture. The curry powder and crisp cereal step up the somewhat bland flavor of this plentiful fall vegetable.

# Gators Face **Big Test**

By UPI That ol' devil upset has an opportunity to sell his wares wholesale this Saturday.

Among top 10 teams in action, only seventh-ranked Florida meets anything resembling strong competition while the other members of football's elite are prime targets for big upsets as point spreads range from a low of 14 to "off the board."

The Gators face stiff resistence from 13th ranked Georgia in a game expected to produce the co-champion of the Southeastern Conference. Under the brilliant generalship of quarterback Steve Spurrier, Florida has swept past seven opponents while the Bulldogs have stumbled only once in seven outings.

The Gators, a six-point choice, must beat Georgia or face the prospect of losing a share of the SEC crown. Fourth-ranked Alabama is also unbeaten in the SEC but the Crimson Tide doesn't tangle with the Gators this season. NO CONTEST

Top-ranked Notre Dame is an overwhelming off-the-board pick to make helpless Pittsburgh 1-6 its seventh straight victim. The Irish air attack sputtered for the first time this season last week but their grou game more than compensated for Terry Hanratty's off-day.

Second-ranked Michigan State, prepping for its showdown against Notre Dame in two weeks, is a 29-point favorite 14 points.

WASHINGTON (AP) - Ecuador wants the United States-a supplier of military equipment -to "exhaust every effort" to halt what it calls a threatening arms race in Latin America.

The appeal Tuesday from Ecuador's Foreign Minister Jorge S. Lara followed confirmation by U.S. officials that this country is selling 55 m4x tanks to Brazil, 20 of which have been delivered.

Last week Chile announced i is going to purchase 21 Britishmade jet planes. Linked to this was U. S. sales of 25 A4B jet "I won't tell you how the campaign went, if you won't tell me how the conference went!"
