

U. N. Support

(Continued from Page One)
to back its case first order.
Noss declined to add anything
whatsoever to the brief prepared
statement.
He would not discuss the possi-
bility of the use of American
troops.
Noss did say that Mr. Truman
would see Secretary of Defense
Johnson later in the day.
The President was keeping his
schedule clear of routine in order
to concentrate on the Korean sit-
uation.
He talked by telephone with
Secretary of State Acheson and
later held one of his daily con-
ferences with James S. Lay, ex-
ecutive secretary of the Nation-
al Security Council and Rear
Admiral Sidney Souers, a con-
sultant to the council.
Meanwhile, the United States
rushed preparations today for
supplying Communist-inva-ded
South Korea with much needed
war materials—including 10 F-
51 Mustang fighter planes.

General MacArthur's headquar-
ters announced that transfer of
the planes had been approved in
Washington, but added that the
date had not been fixed.
The announcement said the
planes would be turned over to
Korean pilots in Japan. South
Korea has 60 trained pilots ready
to fly the sorely needed air-
craft, reports from Seoul said.
Meanwhile, serious young Amer-
ican jet fighter pilots, ready to
shoot if attacked, spread an
aerial umbrella from Japan to
South Korea.

Authoritative sources said con-
tinuous air cover would be main-
tained to protect evacuation of
some 700 American women and
children from Korea and assure
safe passage of convoys carry-
ing "munitions and war mater-
ial" to the South Koreans.

General MacArthur's headquar-
ters is rushing preparations for
shipment of the munitions and
material. Until the plane an-
nouncement, the U. S. had sup-

plied South Korea only with de-
fensive weapons—Garand rifles,
machineguns and 105 millimeter
howitzers.

Both the evacuation and Kor-
ean shipments will have "a naval
escort and air coverage, a
headquarters spokesman added.
At almost the moment of the
announcement, American fighter
planes flew over Seoul, the South
Korean capital, on the way to
cover the first evacuees. They
were boarding two ships at In-
chon, Korean West Coast port.
At sea, American destroyers will
pick up the two ships and con-
vay them to Japan.

American pilots were under or-
ders to protect their patrol zone,
reliable informants said, and this
means shooting if necessary to
defend themselves or the ships
under escort.
These sources said the 600-
plus an hour P-50 jets—the Air-
force's "Shooting Stars"—will
predominate in the air cover,
which will also include F-52 twin
Mustangs, all weather fighters
designed for night duty.

Chokes Daughter

(Continued from Page One)

And in Chicago, two men, shot
in what police said was a neigh-
borhood feud, died of their
wounds today.
The dead were Peter Cortez,
35, and Juan Munez, 36, both
laborers. A third victim of the
same shooting, Sam Mitla, 27,
also a laborer, is in critical con-
dition at a Hurdwell Hospital.

Police Lieut. James McNamara
of the South Chicago police dis-
trict said a fourth man, Manuel
B. Bravo, 35, escaped when
the four were attacked by a
group of eight neighborhood men
yesterday.

Gambling King

(Continued from Page One)

had been wise in pleading guilty,
n move the gambler apparently
made in hopes of winning a light-
er punishment.
Gelt said he did not know if
he would appeal the sentence.
Erickson, dressed in gray,
heard the sentencing stolidly. He
rolled his thumbs together as sen-
tence was pronounced.
By his plea of guilty a week
ago, Erickson saved from public
exposure the names of some of
his wealthy betting clientele.

A number of these heavy-let-
ting customers, including New
York businessmen who wagered
up to \$15,000 a day, had ap-
peared before the closed sessions
of the grand jury that accused
the dapper little gambler.
Several were scheduled as wit-
nesses at the trial, when Erick-
son did the quick turn-about that
saved them the trouble. Up to
that point—the day the trial was
to start—he had stuck to plea
of innocent.

Erickson, who pled his illegal,
but lucrative trade for 30 years,
had built up a two-fold gambling
enterprise on both the "retail"
and "wholesale" level.

He handled bets for the ordi-
nary player, and he also was what
is known in the business as a
"bookie's bookie." That is, he
took so-called lay-off bets from
other bookies—a system of bal-
ancing bets against each other to
insure against excessive losses.

Do Not Delay

You have until Saturday, to enroll . . . but don't wait
until the last day as a Professional Community Health
Plan representative may not be able to see you. See one
of the representatives today, at Professional Enrollment
Headquarters shown below.

Who May Apply

Every man, woman and child in the County, during the
enrollment period, ending next Saturday, All ages, (1
day to 100 years), all races, both sexes, married, single,
widowed or divorced.

2 Plans Available

- 1. Individual plan for single or divorced men and
women.
2. Family plan for Married people, to cover man, wife
and all dependent, unmarried children (if any) under
age 18. All on one policy contract for one premium.

Where to Enroll

- 1. At enrollment headquarters for the Professional
Community Health Plan shown below.
2. With any Professional Community Health repre-
sentative.

Get Your Enrollment
Application In Today

You are invited and urged to call at Enrollment Head-
quarters now to get further details of the plan. This ad
is an illustration only, and does not give all details of the
plan. Read the policy for complete details. (Policy form
2CH-1-50).

Community Health Plan

All benefits are contained in a written policy contract
issued by PROFESSIONAL INSURANCE CORPOR-
ATION OF JACKSONVILLE, FLORIDA, an old line,

Is The
Last Day To Enroll

DO NOT WAIT . . . ACT NOW!

What Do You Get?

- 1. HOSPITAL CONFINEMENT BENEFITS — 100
days each year for room and board at \$6.00 per day, plus
liberal extra benefits for other hospital charges. Good in
any regularly operated and recognized medical hospital,
anywhere—same benefits everywhere.
2. SURGICAL OPERATION BENEFITS—Pays surgi-
cal fees, ranging from \$7.50 for minor operations, such
as sewing up small cuts, up to \$100.00 for major opera-
tions, such as cutting into the abdomen.
3. CASH DEATH BENEFIT—\$100.00 immediate cash
payment if death occurs before age 65. If after age 65,
\$50.00 is paid.

Cost to You

Individual Plan—\$4.50 with enrollment and \$2.50 per
month thereafter.
Family Plan—\$8.00 with enrollment and \$6.00 per month
thereafter. Payments may be made monthly, quarterly,
semi-annually or annually.
By paying annually you save 8-1/8 percent of the annual
premium.

In Unity There Is Strength—
To Protect the Peace of the World,
To Promote the Progress of America,
To Produce Prosperity for Sanford.

U.S. FORCES ORDERED INTO BATTLE

Senate-House Passes Draft Bill For Year

Truman Given Power To Order National Guard, Reserve Units Into Action

WASHINGTON, June 27—(AP)—Senate-House conferees today voted a one year extension of the President's existing power to draft young men.

The agreement, which must be ratified by both chambers, also would empower President to order the National Guard and all reserves to immediate active duty.

The Senate-House group obviously agreed because of the tense Korean situation.

They junked previous restrictions voted by the Senate and House upon presidential authority to induct manpower and voted out a one year extension of existing draft powers.

Senator Byrd (D-Va.), one of the conferees, told a reporter that the previously deadlocked lawmakers had quickly agreed today that this is no time to have a dispute here over such a matter.

Previously the House had voted a two year extension of the peacetime Draft Act requiring registration of young men 18 through 26 years. It retained to the hands of Congress the authority for industrial or agricultural draftings.

The Senate voted a three-year extension also retaining "trigger control" over actual drafting when Congress was in session.

It would have allowed the President to start inductions, when Congress was away, if he found it necessary to build up the armed services to strengths allowed by congressional appropriations.

Temporarily funds lent to schools by State Cabinet

TALLAHASSEE, June 27—(AP)—The Cabinet lent \$3,374,900 to county schools today in a letter to the State Board of Education.

Since the budgets for the various counties were predicated on 100 percent release of funds, they said, "and since a shortage of adequate revenues have made it mandatory that only 98 percent of the appropriation be released, the result has exhausted the credit of the school boards."

The advance to the boards must be repaid, however, they said, or the state will go nearly \$2,000,000 in the red.

He suggested the release be made today only on condition the schools pay for the deficit.

Attendance Urged At Safety Council Meet

All citizens interested in improving Seminole County's safety record, which is considered very low in the state, are urged to attend tonight at 8:00 o'clock at the City Hall to form a Seminole Safety Council.

With 17 traffic fatalities last year and eight deaths from automobile accidents, the county is urged to form a safety council.

The council will be headed by J. N. Kirkman, director of public safety and head of the Florida Highway Patrol.

Acheson Briefs His New Deputy

RECENTLY APPOINTED by President Truman as U.S. Deputy on the North Atlantic Treaty Council, Charles M. Spofford (left), New York attorney, confers in Washington with Secretary of State Dean Acheson. Spofford will be a deputy on new high command group being set up to coordinate military, economic and political policies. (International)

Georgia Voters Will Stream To Polls Tomorrow

Five US House Seats To Be At Stake In Primary Contests

ATLANTA, June 27—(AP)—Five contests for U. S. House seats are at stake in Georgia's Democratic primary tomorrow, and at least three of them have turned into hot races.

The chairman of the House Un-American Activities Committee, Rep. John Wood of Canton, is locked in a bitter struggle with Dr. Winston L. Bardine of Blue Ridge, former state American Legion commander.

The ninth district race in North-Carolina, Georgia picked up lots of steam in the wake of recent charges against Wood by Columnist Drew Pearson.

In the eighth district in South-Carolina, (Continued on Page Six)

Merchants Request Closing For 2 Days

Directors of the Sanford Merchants Association at a recent meeting recommended that stores be closed Tuesday, the Fourth of July, and all day Wednesday as well, in order to give employees a two-day holiday.

Most of the merchants on First Street are in favor of the Wednesday holiday, said Clarence Redding, president of the Merchants Association.

Boy Scouts Getting Prepared For Visits From Truman And Ike

VALLEY FORGE, Pa., June 27—(AP)—There is far more going on than meets the eye at the bustling site of the second National Jamboree of the Boy Scouts of America.

The behind-the-scenes activity has a two-fold objective. The jamboree will get under way officially on Friday when President Truman arrives to make the opening address.

Secret Service Men, state police and scout leaders are leaving no stone unturned to make certain the President's visit is without incident.

In addition, a scout official said today, extraordinary precautions are being taken to prevent the jamboree—largest youth gathering ever held in the Western hemisphere—from being disrupted or "sabotaged" by Communists or their sympathizers.

The scout leader, who asked that his name be withheld, pointed out that the Communist Party is the only organization in the world that is not allowed to have a booth at the jamboree.

Armed Forces Chief Charts New Courses

Johnson Claims U. S. Can Avert War By Policy Of Building Up Military Arm

WASHINGTON, June 27—(AP)—Secretary of Defense Johnson charted new courses today for military men called to testify before Congressional committees.

"You have a responsibility to give not only the official view of the agency you represent but your own honest convictions," Johnson said.

"But," he added, "once a decision has been made, discipline demands that you act upon the decision, energetically and wholeheartedly as if it were the result of your own personal recommendation."

The Defense Secretary who, himself, frequently goes before Congress in behalf of legislation affecting the nation's military and security programs, touched on this subject in a speech prepared for graduation exercises at the Industrial College of the Armed Forces.

Johnson said that eight members of the graduating class will go to work tomorrow in his office. The college instructs officers in the armed forces in problems relating to industrial production and supply in wartime military operations. This year, for the first time, it also is being attended by civilians from some government agencies.

The defense secretary made mention in his prepared address of the current crisis in Korea. He pointed out that the armed forces of the college played a part in World War II, he said.

"I hope and pray that there will be no war that will jeopardize the lives of our young men."

FHA Supervisors And Clerks Will Close Meet Today

GAINESVILLE, June 27—(AP)—Annual conference of supervisors and clerks of the Federal Housing Administration, which opened yesterday, was to close this afternoon with a discussion of farm ownership and farm housing.

Morris E. Roberts, chief of farm operations in the state office, James A. Jones, Jr., appraiser-engineer, and Joseph E. York of the Washington office led today's discussions.

J. A. Tecum, Jr., state director, says the county and state appraisers are studying the agricultural economy of today, checking on FHA programs, and planning more efficient operations and better management.

"During the past few years our philosophies and policies have changed," he told the group. He pointed out that FHA is now working with a smaller number of farm families than formerly, due to money limitations.

"We must have more successful graduates and fewer failures," he said.

Production loan operations were discussed yesterday afternoon by L. M. Hollingsworth and Miss Helen Nimmo of the state office and Henry Smith of the Washington office.

Raub Snyder, deputy administrator, who spoke yesterday, remained to participate in today's conference.

Stanley Brumley Is Winner Of Contest

Stanley Brumley, former tenor soloist of the Seminole High School Glee Club and employee of the Odham Motor Co., won first honors Saturday night at the weekly amateur show contest given by Orlando Aerie, 2822, Fraternal Order of Eagles at their hall on Central Avenue in Orlando Saturday night.

By winning this contest, Mr. Brumley also won a chance to re-appear in semi-finals in four weeks time, and by winning there may compete for a \$100 prize at the end of the 15 week series.

MacArthur To Utilize All Types Of Armed Assistance In Repelling Reds

TOKYO, Wednesday, June 28—(AP)—A broadcast from Seoul said U. S. bombers and fighters are attacking North Korean tanks. The broadcast from the south Korean republican capital in the name of President Syngman Rhee gave no details but was in line with Tokyo reports that the U. S. Air Force was going into immediate action.

By ASSOCIATED PRESS
The Army said today that President Truman's order for an aid and support of South Korean troops was passed last night to General Douglas MacArthur, who has supreme command of all the U. S. forces in the Far Pacific.

A spokesman said the order became effective during long telephone conference which began at 9:17 P. M. last night between Pentagon officials and MacArthur.

Asked how the air and sea support will be given, the spokesman said:

"There are many phases of support and I feel sure that General MacArthur will use all types that he can to help the South Koreans."

While he was speaking, U. S. manned fighters were shooting down four North Korean planes attempting to disrupt the evacuation of Americans from South Korea.

Reports gathered by correspondent at Seoul, Atlanta, and some in Japan, testimony of the airlift bore out the figures.

Already General MacArthur had confirmed that American fighter planes shot down two Russian-made North Korean planes which tried to interfere with the air evacuation of American women and children from South Korea.

The fight with the Russian-made Yak fighter was over Seoul's Kimpoo Airfield, where the American fighters were providing protective cover for transport planes.

U. S. Mediators To Hold Parlays With R. R. Chiefs Today

CHICAGO, June 27—(AP)—Federal mediators plan talks today with representatives from five big mid-west and western railroads by a switchmen's union.

The talks are the government's first parleys with representatives of the AFL Switchmen's Union of North America.

At that time the outlook for a quick peace was dim.

The walkout—which has stopped wheels rolling on four of the five lines—began Sunday morning. The switchmen want 18 hours pay for 10 hours work.

The roads struck by the 1,000 men are: the Chicago, Rock Island and Pacific; the Denver and North Western; the Great Western; and the Great Northern.

All but the great northern have stopped operations. The GN is running passengers but its freight service is hit.

Lovett Edwards of the National (Railway) Mediators' Board announced today's conferences with the carriers. Last night he pointed out the meeting with the railroads that he also hoped to have joint union-railroad talks.

Mrs. G. W. Arnold Died Last Night

Mrs. G. W. Arnold, 58, died at 10:40 P. M. yesterday at her home in Glendeville where she had lived for the past 18 years. She had had been in ill health for three years.

Born Aug. 14, 1891, in Cairo, Ga., she is survived by five daughters, Mrs. Larry Lott, Elizabeth M. J., Mrs. Eddie Sampson of Orlando; Mrs. Norma Krueger, Detroit; Mrs. Homer White, and Miss Annie Bell Arnold of Sanford; two sons, Russel Arnold and G. W. Arnold, Jr., both of Sanford; 11 grand children; three sisters, Mrs. J. H. Jones and Mrs. Ruby Miller of Thomsville, Ga., and Mrs. Marie Smiley of Newton, Ala. Funeral arrangements will be announced later.

Text Of President's Statement

WASHINGTON, June 27—(AP)—The text of President Truman's statement today on Korea:

In Korea the government forces, which were armed to prevent border raids and to preserve internal security, were attacked by invading forces from North Korea. The Security Council of the United Nations called upon the invading troops to cease hostilities and to withdraw to the 38th parallel. They have not done so, but on the contrary have pressed the attack.

The Security Council called upon all members of the United Nations to render every assistance to the United Nations in the execution of this resolution.

In these circumstances I have ordered the United States Air and Sea Forces to give the Korean government troops cover and support.

The attack upon Korea makes it plain beyond all doubt that the use of intervention to secure independence and self-determination is now and will now be a matter of life and death.

It has defied the orders of the Security Council of the United Nations to prevent international truce and security. In these circumstances the occupation of Formosa by Communist forces would be a direct threat to the security of the Pacific area and to United States forces performing their lawful and necessary functions in that area.

Accordingly, I have ordered the 7th Fleet to prevent any attack on Formosa. As a corollary of this action I am calling upon the Chinese government on Formosa to cease all air and sea operations against the mainland. The 7th Fleet will see to it.

Booster Tells Sanford Rotary Of Grid Squad

E. Yon Says Florida Gators Need Full Support Of Fans

Coach Bob Woodruff of the University of Florida will make a success of his football team if he gets the proper support, Col. Everett Yon, president of the Gator Boosters, told the Sanford Rotary Club yesterday at the Yacht Club.

Col. Yon was introduced by a former University of Florida student whom he once recommended during the calling of the role for not having his legions properly adjusted, G. W. Spencer, who pointed out the valuable work at the University of Col. Yon as director of athletics from 1926 to 1929, and in assisting Coach Van Fleet from 1923 to 1929. Col. Yon served in the Army two years in the present hot spot of the Pacific area, Korea.

He recently returned from retirement in Ontario to again and the University in its athletic program.

He contrasted the change that attended the firing of a coach and the "silence" in support of a new one.

He cited Coach Woodruff's record as Coach of Baylor University and pointed out that the latter puts education of student players first as the basis of success. He urged Rotarians to get behind the coach.

American Military Aid Program Lends Four Cannon To Orchestra

WASHINGTON, June 27—(AP)—The United States military assistance program today broadened its scope. The Army loaned four cannon to the National Symphony Orchestra.

Howard Mitchell, who directs the symphony, asked for the artillery. There was no indication that he plans to wage war on music critics.

Instead, the youthful maestro said he intends to use the field artillery set up on a barge behind the orchestra—which will perform on a floating stage at the Potomac River. But the army said no to this. Concession from the cannon might sink not only the barge but the entire orchestra as well, artillery experts said.

And the conductor—remembering Tachikowsky's sad experience—confessed to a mild case of jitter. Whether the cannon will be used, Mitchell reported.

President Lays Down "Stand Firm" Policy Against Reds In Pacific Area

LONDON, June 27—(AP)—Prime Minister Aneurin Bevan pledged Britain's support to the United Nations to American moves to repel the Communist attack on South Korea.

WASHINGTON, June 27—(AP)—Senator Lucas of Illinois, the Democratic leader, and today's conferees are endeavoring to get other nations to join the United States in armed support of South Korean forces.

WASHINGTON, June 27—(AP)—Congressional leaders swung quickly behind President Truman's action today in drawing a line against Communist advances in the Far Pacific and ordering air and sea support for South Korea.

WASHINGTON, June 27—(AP)—President Truman today ordered United States planes and warships to the aid of South Korean forces. He laid down a policy of standing firm against Communist aggression in the Far Pacific.

As a part of the broader policy, Mr. Truman directed that the U. S. seventh fleet be prepared to intervene to prevent any Communist attack on Formosa, the island refuge of the Chinese Nationalist government.

At the same time, he asked that Chiang Kai Shek, head of the Chinese Nationalist, cease attacks on the mainland as a contribution toward the pacification of the whole area.

He also announced he is stepping up aid to the Philippines and Indo-China.

Mr. Truman announced his action in a statement which declared:

"The attack upon Korea makes it plain beyond all doubt that the Communists have passed beyond the use of subversion to complete independent nations and will now use armed invasion and war."

It was learned that Mr. Truman had ordered a high police officer at the White House to issue a statement today, he agreed with Democratic and Republican conferees.

Emergency Funds Voted In Crisis By State Cabinet

TALLAHASSEE, June 27—(AP)—A \$200,000 emergency appropriation to dispose of thousands of dead fish on the shore of Lake Apopka was voted today by the State Cabinet.

The money was raised over by the State Board of Health to undertake the cleanup after State Sen. J. E. Rodgers of Winter Garden told the board the fish have created a health menace and the stretch has driven lake shore residents from their homes.

He said the fish died when a Saturday storm struck at the mud flats of the lake when it abnormally low water level and filled their gills with silt.

At his request, the cabinet also voted to advise Florida's congressional delegation informally that it favors a move to get federal funds to build a lock in a canal between Lake Apopka and Lake Dora.

Major Labor, representing the Apopka Sportsman's Association, told the cabinet Lake Apopka's water level is three feet below normal because the canal to Lake Dora has been widened in recent years.

Lake Dora is five feet below Lake Apopka and a lock is needed to hold water in Apopka in dry periods and to keep Lake Dora from flooding in rainy weather, he said.

P.T.A. Delegates Go To Tallahassee

Seminole County was well represented at the 14th annual slush course in Parent-Teacher Leadership given at the Florida State University in Tallahassee from June 20 through June 23.

Among those attending from Seminole County were Mrs. J. D. Morrison and Mrs. R. H. Flowers, Leona J. School, J. C. Mitchell, Mrs. M. R. Strickland, Mrs. Nancy Brock, Southside School; Miss Ruth Hand and Mrs. W. W. Tyler, Junior High; Mrs. D. S. Whitten, Central School; Mrs. C. G. Gachon, Grammar School; Mrs. M. E. Baker, Seminole High School; Mrs. John Horton; Mrs. S. E. Parker of Ovidio; Mrs. C. E. Hill, County Council president from Lake Monroe.

Those attending the short course were able to select from a wide variety of topics. The course would be of great help to them in the future.

Recreation included a reception at the home of Dr. Doak Campbell, president of the university, and the opening of numerous presents, the birthday cake, decorated in pink and green, was cut. It centered the table, which was overlaid with a white linen cloth. Besides the birthday cake, individual cakes, iced in pink, jolly beans in favor baskets and strawberry punch were served. Those enjoying the party were: Roberta Hulsebeck, Linna Humphrey, Pat Henderson, Colleen Matthews, Owen Yates, Myrna Williams, Marjorie Packham, Dolores Kirsch, Freddie and Billy Tesio.

After a week at their Lake Mary home, Mr. and Mrs. Frank Evans have gone back to Boston.
Mr. and Mrs. John R. McLaughlin have as their guest their son-in-law Malcolm Strang of Jersey City, N. J., who arrived by plane Sunday.

Attending the Suwannee River Youth Camp at High Springs are Misses Dorothy Burke and Jeanne Abloom. They will be gone two weeks.

Group 544 is sending "Skipper" Wilson to the Boy Scout Jamboree at Valley Forge, which commences Monday. He left Monday with the Seminole County boys.

Mrs. Vasso Douglas of DeLand is visiting her father-in-law, E. H. Douglas and his sister, Mrs. Martha D. Sorrell Saturday.

Monday were Mrs. Eva T. Smith and her granddaughter Dolores. They plan to visit relatives for 6 weeks.

Mr. and Mrs. H. M. Gleason had as their guests over the weekend their son-in-law and daughter and Mrs. Richard W. Keogh of Jacksonville.

Mrs. Millard Keeler of Daytona Beach has been spending a few days with her parents the Tom Keelers.

Last week Mr. and Mrs. Clarence Hilted and daughters, Dorothy and Cecilia camped in the national forest at Silver Glen. Accompanying them was Bobby Keelers.

Charlotte N. Scott, daughter of Mr. and Mrs. A. N. Scott, has accepted a position in the Rocky Mountains and has already left for Hamilton, Montana.

Mr. and Mrs. W. L. Collier and children Barbara Jane and Bob returned Monday to their home in Birmingham after a week's visit to Mrs. Collier's sister and brother-in-law, Mr. and Mrs. Edward McCall.

Lieut. Com. and Mrs. R. E. Pearce and sons Robin and Steve left on Thursday to return to Annapolis after visiting Mr. and Mrs. St. Clair White and spending a week at Treasure Island on the Gulf.

Mrs. Alfred Gramling and daughter Kathy have returned to their home in Columbia, S. C., after spending some time with Mrs. Gramling's parents, Mr. and Mrs. W. C. Clause on Myrtle Avenue.

Lieut. and Mrs. R. N. Brown and son Denny are spending some time in Sanford as guests of Mrs. Brown's mother Mrs. Ruth Lundquist and of her brother and sister-in-law Mr. and Mrs. Raymond Lundquist.

Capt. John H. Pope of the 8th Division Artillery of the National Guard was promoted to the rank of major as of June 16, and Lieut. R. A. Newman, Jr. of 48th Division Artillery, Florida (Part of the National Guard, able to General J. O. Hutchinson, was promoted to 1st Lieutenant as of June 15.

RAILROAD TRAINMEN PICNIC
The Brotherhood of Railroad Trainmen, Lodge, New Smyrna 548, Wildwood 969 and Sanford 976 including their auxiliaries, families and guests will hold their annual picnic at Sandalwood Springs on July 11. Come, bring a basket and enjoy an outing at Sandalwood Springs located on U.S. Highway No. 17 midway between Orlando and Sanford.

Quick Raisin Loaf
Ingredients: 1 cup bran, 1 1/2 cups milk, 1 cup soft raisins, 1 egg (slightly beaten), 3 tablespoons butter or margarine (melted), 2 cups sifted all-purpose flour, 5 teaspoons baking powder, 1 teaspoon salt, 1/2 cup sugar.
Method: Put bran and milk in a mixing bowl to soak. Raisin raisins in hot water, drain and chop with a knife. Add raisins to bran and milk along with beaten egg and melted butter or margarine and mix well. Sift flour, baking powder, salt, and sugar together and add; stir only enough to moisten all dry ingredients. Pour into greased 7x3 1/2-inch loaf pan and bake in moderate (350 degree F.) oven for about 1 hour.

Mr. and Mrs. Forest Stevens of 24 East Yale Avenue, Orlando, announce the birth of a son on Monday at the Florida Sanitarium in Orlando. Mr. Stevens is a former resident of Sanford.

MENU

By CECILY BROWNSTONE
Associated Press Food Editor

If there are children in your family use menus with a touch of whimsy for everyday meals. Serve them, too, at mealtimes to eat "out of hand" because they're such a wholesome, sweet, high in natural fruit sugar, they also supply iron, other minerals, and B vitamins.

The dishes improved by raisins are legion cakes, cookies, puddings, and sauces in the dessert category. In the hot bread section they add flavor to muffins and coffee cakes. They're delicious in stuffings for chicken and duck, as old-fashioned recipes for poultry dressings testify.

Youngsters always enjoy raisins in sandwich fillings. Toss them with peanut butter and add a little honey or cream or mayonnaise to moisten. Let them give flavor to bread cottage cheese or cream cheese fillings. Put raisins and walnuts through the food chopper and add a little mayonnaise for a most delicious spread especially when it's put between slices of dark whole wheat bread.

Another suggestion is to add them to grated soft yellow cheese along with a little sweet pickle relish.

In the salad department they go well with slices of cabbage or carrot—and a sour cream dressing. They're good in Waldorf Salad—that old-time combination of celery, apples, walnuts and hard-boiled eggs. Youngsters also like them scattered over a salad of crisp romaine leaves and round slices of orange or make the salad one of peaches—fresh or canned—and fill the fruit cavities with this good sweet.

All the youngsters—from preschoolers to teen-agers—will enjoy an after-school snack of slices of homemade raisin loaf served with tall glasses of cold milk. Here's an easy recipe the children themselves can use:

Quick Raisin Loaf
Ingredients: 1 cup bran, 1 1/2 cups milk, 1 cup soft raisins, 1 egg (slightly beaten), 3 tablespoons butter or margarine (melted), 2 cups sifted all-purpose flour, 5 teaspoons baking powder, 1 teaspoon salt, 1/2 cup sugar.
Method: Put bran and milk in a mixing bowl to soak. Raisin raisins in hot water, drain and chop with a knife. Add raisins to bran and milk along with beaten egg and melted butter or margarine and mix well. Sift flour, baking powder, salt, and sugar together and add; stir only enough to moisten all dry ingredients. Pour into greased 7x3 1/2-inch loaf pan and bake in moderate (350 degree F.) oven for about 1 hour.

Hints To Housewives

NEW LAUNDERING TESTS
New findings can be checked up on your score columns for soap and modern-day synthetic detergents—this time on the washing of woollens such as blankets, socks, sweaters, and baby clothes. These findings show an advantage in using synthetic detergents when laundering wool in hard water.

In hard water tests with wool, textile chemists of the Bureau of Human Nutrition and Home Economics, U. S. Department of Agriculture, found synthetic detergents got rid of soil more thoroughly than soap. In soft water, however, the milder synthetic detergents did an equal job of cleaning wool on wool although the heavy-duty synthetic detergents were still more effective than soap. Only soil removal was studied in the test and no effort was made to determine shrinkage and changes in color and strength that may occur to the fabric.

The new tests, conducted on cotton as well as wool, support other evidence about the efficiency of synthetic detergents in hard water. Earlier tests have shown that in hard water, synthetic detergents remove more dirt from white cotton fabric than soap. But in soft water, soap was found to be a better detergent for cotton than the synthetics.

The superiority of synthetic detergents in hard water and of soap in soft water gets added backing from the new cotton research, which tested a different combination of oil, grease, and dirt from that used in the first studies. Since clothing and other fabrics in every household get a wide variety of soil, the use of different soaps makes the findings more reliable as a guide in home laundering. The chemists plan to continue these studies with other synthetic detergents tested included Reseal, Draft and Vel; the heavy-duty synthetic detergents included All and Tide.

The milder synthetic detergents tested included Reseal, Draft and Vel; the heavy-duty synthetic detergents included All and Tide.

next quarter have the sum \$10 held so the expected general revenue fund balance at the end of 1950 will be unchanged.

"It is believed that the plan outlined will be practical since expenditures for the first two months in the fiscal year, while the schools are closed, will be much lower than when the schools are in full operation. It is hoped that an opportunity to create a reserve," Gay said.

U.S. Mediators

(Continued From Page One)
He did not say when the Spokanmen for both sides were in agreement that a quick ending was not in sight.

The chairman of the mediation board, Francis A. O'Neill, said services of the board have been accepted by three other nations standing on the brink of a strike. They are the Brotherhood of Railroad Trainmen, the Order of Railroad Conductors, and the A.F. of M. The board also has been accepted by the United Brotherhood of Carpenters and Joiners of America. All three will have conferences with the board today. They expect, too, any questions of wages and hours.

The trainmen and conductor can strike at any time after July 15. By that time all legal stop-out "cooling off" requirements will have been fulfilled.

Military Cannon

Draft Bill

(Continued From Page One)
The compromise allows the one year extension of the present act plus new powers to order the reserves and National Guard to active duty.

This could not have been done for all reserves under the present law, unless the President or Congress declared a national emergency, officials said.

The conferees issued this statement:

"The Senate and House conferees, meeting to resolve differences in the extension of the Selective Service Act of 1948, have agreed to extend the existing law, without limitation, for a period of one year, until July 9, 1951.

"The conferees further agreed to authorize the President to order into active federal reserve for a period of not to exceed 21 months, any and all members and organizations of the National Guard and other reserve components. The conferees emphasized that this is not congressional action directing federal service the reserve components. It is, however, a grant of authority to the President, should conditions so warrant, to order into federal service the reserve components."

Under the terms of the agreement of the conferees, the President may not exceed the manpower strength set out in the 1948 Selective Service Act, totalling 2,006,882."

Palatka A's Sweep Series From Giants

Carl Theis Goes Distance For Losers; Locals Get 4 Hits From Wick, Cook

PALATKA, June 28.—(AP)—The Palatka Azaleas made it two in a row over the Sanford Giants here last night by a 4-2 score behind the four hit hurling of Gil (Candle) Wick and Ed Cook.

The Azaleas rapped Carl Theis for eight hits and the loss, Tom Tierney with a double and a single were the leading Palatka hitters.

Wick was relieved by Cook in the eighth when he developed a blister on his finger. He had allowed three hits and two unearned runs. The Giants got one single off Cook in the relief role.

PACKERS WIN
LEESBURG, June 28.—(AP)—The Leesburg Packers won their eighth straight ball game here tonight before 1011 home town fans, over the Daytona Beach Islanders 6 to 4.

Hanlik pitched one hit ball against the Packers for the first six innings but the Packers found the range on him and things caved in when Hendrix tripled in the bottom of the eighth. Glesner relieved Hanlik and the Packers continued to pound him for the loss.

This was Bobby Rodriguez night and the fans continued to cheer towards a serious eye operation for the former Leesburg player.

HATS LOSE
ST. AUGUSTINE, June 28.—(AP)—George Evans, ace Augustinian right-hander, blanked the hard-hitting Deland Red Hats 2 to 0 here last night on seven scattered hits.

George Pultz, obtained from Gainesville in a trade, limited the Saints to six hits but one was a tremendous home run over the centerfield wall by Pete Pichan in the eighth.

The Saints picked up their other run in the second when Lyle Judy doubled and scored on George Barrow's double.

Battle-Of-Balloons Produces Changes In Senior Leagues

CHICAGO, June 28.—(AP)—The red-hot battle of ballots for the American League's starting shortstop and catcher produced changes at both spots today as the poll for the July 11 All-Star baseball game heads into the stretch.

Shortstop Phil Rizuto and Catcher Larry Serra of the New York Yankees returned to leading positions with vote counts of 584,496 and 528,612 respectively. That put Rizuto 2,400 ahead of Fern Stephens of the Boston Red Sox and moved Serra 52,277 in front of Birdie Tebbetts, also of the Red Sox.

The poll to pick the American and National League lineups, the nation's fans want for the all-star game at Comiskey Park will close midnight Saturday.

AMERICAN LEAGUE: First Base—Drops, Boston 642,856; Henrich, New York 371,461. Second Base—Doerr, Boston 547,184; Coleman, New York 489,259.

Unranked Outsiders Advance In Tourney

CHARLOTTEVILLE, Va. June 28.—(AP)—A couple of unranked outsiders and six seeded stars were matched in quarterfinal encounters here today in the 42nd Annual National Interscholastic Tennis Tournament.

The two unseeded performers were Fred Hill, of Miami Beach, high school, and Bobby Payne, of Richmond's Thomas Jefferson high school—first Virginian ever to gain the quarterfinals of the event.

Bill furnished the only upset in yesterday's third round when he scored a 4-6, 6-4, 6-1 triumph over sixth-seeded stylist from University of Virginia, Charlie Atterton, of Hill School, Pottstown, Pa.

Chandler Harper Annexes National PGA Tournament

COLUMBUS, O., June 28.—(AP)—The State of Virginia can continue in a state of elation.

Long used to crowing about its homebred hill-billy golf champion, Sam Snead, from Hot Springs, it now has Chandler Harper, too.

Harper, of the Portsmouth Harpers, won the National PGA title yesterday. He defeated little-known Hank Williams of Seaside, Pa., 4 and 3, in the scheduled 36-hole final over the rangy Seoto Country Club course.

At 36, Harper succeeded Snead as PGA king. He became the oldest player to grab the crown since Jack Hutchinson won in 1920 at the same age.

Harper's sharp features and winning personality belie his age. But that all changes when he takes off his hat. Like lot of guys at 36, he's getting bald.

"This worries him quite a bit," confides Easle, his lovely wife, who has followed him through 172 holes of match play, during which he knocked 23 strokes off par in his victory march.

Harper is a very human sort of a guy and is a sports writer's champion. After his chores yesterday, he came to the press room. He was interviewed by the scribes while Seoto's Country Club patrons waited for nearly one-half hour outside for trophy presentation ceremonies.

Lace Panties Are Being Avoided At Wimbledon Courts

WIMBLEDON, England, June 28.—(AP)—American beauties on display in the British tennis championships are showing the crowds that their tennis rackets are not merely props for pretty pictures.

Also, they are going about their business in a copy of the fashion trifle introduced last year by Gertrude (Gorgeous Gussy) Moran of lace panties fame.

Maybe it's because the championship committees has laid down the law about unconventional dress. A notice in the women's dressing room says "white dress will be worn on the court during play."

There had been some talk that Miss Moran might repeat her performance of wearing the black shorts with which she shocked Cairo court circles last winter. But so far the Santa Monica, Calif., girl and her compatriots have avoided any extreme styles.

Gussy appeared yesterday wearing a white tailored, sleeveless blouse with white shorts.

The fans might be a sports writer's champion. After his chores yesterday, he came to the press room. He was interviewed by the scribes while Seoto's Country Club patrons waited for nearly one-half hour outside for trophy presentation ceremonies.

Harper picked up \$3,500 for winning yesterday, as much as he had pocketed in nine previous tournaments this season. His only tournament victory before was the 1950 Tucson Open, bagged with the help of a GS which was supported by a record PGA low putting total of 80.

JACK GARDNER, NEW DELAND BULLER, played at Brown University for four years under the new Lion coach, Slip Engle.

per ahead 8-up. Williams just couldn't pull free staying at least 2-down.

NOTICE - SPORTSMEN THE ANNUAL MEETING THURSDAY, JUNE 28th TOURIST CENTER 8:00 P. M.

OFFICE MEMBERS INVITED TO MEETING

In The Swim

This is the last of a series of how to swim articles by Ed Mitchell, Ted and Myrtle swim instructor and Harry Burke, Yale freshman coach. It is based on their book, "Swim Swimmers."

By ROBERT KIPHUTH and HARRY M. BURKE (Written Especially For AP Newswriters)

We now come to our final lesson for the beginner and it is the dive. No diving should be attempted until the beginner can swim reasonably well and is completely at ease underwater.

Some youngsters, in their first attempt at diving, get up enough courage to make the plunge only to end up doing a humiliating "belly-whopper." These "belly-whoppers" are caused by the diver raising his head as he plunges into the water. He must learn to keep his head down and in the water.

After he enters the water, he straightens his entire body, raising the arms and head toward the surface, still keeping his thumbs locked. The head must be fully underwater before he starts his upward motion. With this dive the child will feel the lifting power of the water and will come to the surface with little or no effort.

Next, he is on one knee with the other foot forward with toes gripping the edge. He rolls forward as before, but just as he loses balance, he pushes from the toes. In the fourth stage, he is in the standing position with knees slightly bent, one foot a short distance behind the other.

The child then stands up on one foot, the other lifted and extended backward with the toes pointed. This position helps in developing the skill of entering the water properly. He leans forward, keeping one leg raised, and pushes from the forward foot.

Finally, the completed dive. The child stands with the feet three or four inches apart, toes pressed against the edge of the pool. He bends his arms outstretched and crouches firmly above the water. He leans forward and pushes. He chooses a spot to enter the water and keeps his eyes on it.

Firey Smarting of minor Burns RESINOL Quick use of this soothing ointment gives wonderful relief. Keep it handy.

Eleven Races Are Scheduled Tonight At Volusia Track

DAYTONA BEACH, June 28.—(Special)—Eleven thrilling-packed eight-dog races are on tonight's program at the Volusia County dog track, and the feature ninth race will bring out Mrs. O. Z. Ferrell's Jiffy Jet, striving for her fifth win of the local oval.

This ace greyhound has landed in the money in every one of her eight starts here, and if she wins tonight she will be blanketed with flowers by Kitty Pope, assisted by two minkis displaying the latest styles. Miss Pope will honor the greyhound winning the Kitty's House of Fashion handicap, as tonight's feature has been designated.

In this contest Jiffy Jet meets seven top performers, namely Round Edge, Jack Riboud, Ed's Betty, Doni-Perrie's Big Tom and Eager Baby, Jack Riboud owned by E. F. Snipes, defeated Doni by half a length in a special two-hug match race Monday night. J. W. Ewalt's Ed's Betty will be enjoying with the feature pack for the first time this season, by virtue of a brilliant sixth race win Monday. This is Betty's third season as Volusia county favorite.

Both the seventh and eighth races tonight will be over the beach course, and they bring out the pick of the marathons. Competitions in these endurance tests include Mike Dutton, Howay Kay, B's Montana, Nolaske Ann and Holdate.

A great deal of interest is manifest in the All-Stars Handicap to be run as part of Saturday's eleven race program. In this contest each dog in the feature ninth race will represent a state, and the winning greyhound will be blanketed with flowers by some representative of the state he represents.

All five of the world's leading money-winning race horses—Citation, Sycamore, Armed Assault and Whirlaway—performed at Hialeah during their careers.

First vice coach Dusty Cooke of the Phillies was the club's captain during 1946-47 after having put three years in the Navy.

1 Billion Dollar Tax-Cutting Bill Approved By House

Levies On Big Corporations Boosted; Korean War Might Cripple Measure

WASHINGTON, June 29—(AP)—The House today approved the \$1,010,000,000 excise tax-cutting bill, "veto proofing" it with a \$433,000,000 a year boost in new levies on big corporations.

The vote was 375 to 14 for the measure.

But the ultimate fate of any tax reduction at all may be tied to the Korean War.

The House action tossed the bill over to the Senate, which may take it, revise it, or kill it, depending on developments—whether more money for American fighting equipment will be needed.

Just ahead of its final vote the house rejected 238 to 147 a Republican move to split the bill in two.

Assailing the bill as a "phony" tax reduction, the Republicans tried to get separate votes on one bill reducing excises, and then on another dealing with the tax-increasing and loophole-plugging provisions of the one-package measure.

But falling in this effort many Republicans, committed to excise reduction, joined with Democrats in the final vote for the bill.

The House, with this vote and with its work far ahead of the Senate, then made ready to begin tomorrow a 10-day July Fourth recess.

The tax bill would slash the excises of many of the items imposed in World War II, on jewelry, furs, pocketbooks, movies, baby bottles, warmers and series of other items. These cuts might become effective Sept. 1 or Oct. 1.

While slashing the excises—sometimes called "war taxes"—the measure would make up the big corporations, loophole-plugging and other tax law revisions.

This is the "veto proofing" measure. (Continued on page two)

2 Miami Officers Are Convicted On Extortion Charge

MIAMI, June 29—(AP)—Two Miami policemen have been convicted of extortion and the judge who presided in the case promised them prison terms.

A criminal court jury yesterday found William Redish, 32, and Cullen Joseph Thompson, 23, guilty of extortion and presiding judge Ben C. Willard said he intended to give them a prison sentence when they appear for sentencing on July 6.

Redish broke into a cold sweat when the verdict was read but Thompson stood stolidly.

They were charged with extorting money from Leonard Kelly, 32, Negro hotel clerk, after they found him parked in an automobile with a Negro girl on the night of May 9, 1949.

Belle testified they offered not to arrest him in return for payment of \$300. A second charge of unlawfully accepting compensation was dismissed.

"I intend to give some sort of prison sentence," Willard said. "We can't permit police, deputies, court attaches or anybody else to violate their office without some sort of sentence."

The policemen are at liberty under \$500 bonds.

Frank F. Meisch Is Now At ROTC Camp

Frank F. Meisch of West First Street, a student at the University of Florida, is among those attending the six weeks Field Artillery ROTC Summer Camp at Fort Bragg. The group includes 500 cadets from 31 colleges and universities located in the eastern half of the United States.

These cadets have all completed one year of theoretical training at their schools, and will now undergo practical work as Field Artillery Junior Officers. Upon completion of the camp, most of the students will return to their schools for a further year of theoretical work after which they will be commissioned as second lieutenants in the Field Artillery Reserve.

KOREAN AID

WASHINGTON, June 29—(AP)—President Truman today signed a \$50,000,000 Appropriation Bill to aid the economic life of Korea.

The bill also includes funds for economic aid to the Republic of Korea. It also includes funds for economic aid to the Republic of Korea.

U. S. Rejects Russian Contention That UN Intervention Is Illegal

LAKE SUCCESS, June 29—(AP)—The United Nations went ahead full speed today assembling an international force to save South Korea—ignoring a Russian challenge that it's all illegal.

Secretary-General Trygve Lie cancelled plans to visit Europe.

LAKE SUCCESS, June 29—(AP)—The United States has rejected Russia's contention that the U. N. Security Council intervention in the Korean conflict is illegal.

Informed sources said today American Ambassador Ernest A. Gross made the U. S. position clear to Soviet Deputy Foreign Minister Jakob A. Malik at a private luncheon that was just before the Russian-boycotted council voted 7 to 1 to invite use of arms to repel the Communist attack on South Korea.

Malik was understood to have raised the question of legality on the then impending act and Gross was reported to have told him the U. S. had no doubt on that point.

Neither delegates nor U. N. officials showed any surprise over the Soviet note to Secretary-General Trygve Lie declaring the council action invalid.

Consultations already are underway here among leading U. N. officials to coordinate the machinery for coordinating forces put at the disposal of the U. N. At present General MacArthur is making for the United States, but it is generally accepted that he will be given some sort of U. N. status and will continue to direct the operation.

U. N. experts point out that whatever forces are assembled as a result of the sanctions resolution will not be a U. N. force, but will merely be operating under U. N. sanction. For that reason it is up to the countries providing the force to decide who shall command.

Neither delegates nor U. N. officials showed any surprise over the Soviet note to Secretary-General Trygve Lie declaring the council action invalid.

Florida Getting Ready For Influx Of Vacationists

By ASSOCIATED PRESS
Florida readied herself today for a record influx of vacationists over the Fourth of July weekend.

Thousands are expected to pour into the state for "recreo" vacations at beach resorts and fishing spots.

All air lines and railroads have scheduled extra sections and bookings already are reported nearly 100 per cent.

The Florida East Coast and Seaboard Air Line Railroads will add coaches and pullmans in most of their southbound trains, while most reserved-seat trains southbound already said to capacity for the weekend.

The Seaboard, reporting the whole month of June "secondarily good," will run additional coaches on its Silver Meteor, Silver Star and several other trains.

Air lines expect heavy passenger loads and will add many extra flights.

Eastern Air Lines said it expects a record influx of vacationists.

South Koreans Are Ordered To Hold Line At All Costs; MacArthur Is Back In Japan

Army Combat Troops Are Not Requested By MacArthur Says Chief Official

WASHINGTON, June 29—(AP)—More optimistic reports from the Korean fighting today eased the pressure for a decision now whether American ground forces should be put into the battle against the Communist invaders.

The question has been hanging over President Truman since Tuesday when he ordered U. S. planes and warships to aid the South Koreans.

A high army official said there has been no request thus far from General Douglas MacArthur, the Far Eastern commander, for permission to use ground troops.

Military observers inclined to give to understand the question would be weighed by these factors:

1. How effective American planes can carry out operations against the Communists. They have been hampered by bad weather. The weather was better today, but it is the rainy season in Korea.

2. Whether the South Koreans are able to maintain any viable situation.

At the Pentagon, reports were given to understand the question of ground troops is one which only President Truman can decide.

Mr. Truman's day included a general review of the international situation with Secretary of State Acheson and a talk with Secretary of Agriculture Brannan about food supplies and imports.

Acheson would not discuss with reporters his 30-minute meeting (Continued on page two)

Contempt Charge Slapped On Three Screen Scripters

WASHINGTON, June 29—(AP)—Three Hollywood screen writers were convicted today of contempt of Congress for refusing to answer questions about Communist infiltration.

The three were among eight Hollywood writers, producers and directors who were heard today on contempt charges today.

Two of them, Albert Maltz and Alvah Bessie, were sentenced to a year in jail and fined \$1000 each.

Sentencing of Samuel Mintz was deferred until 9 A. M. tomorrow.

Two others already have been convicted and are serving one-year terms with \$1000 fines.

U. S. District Judge David A. Pine denied defense appeals that the writers should be released on bail, pending an appeal.

Both Maltz and Bessie were briefly before being sentenced.

They said they had acted patriotically and that they believed in the House Committee before which they were called in 1947 was violating the Constitution's Bill of Rights.

Meanwhile, three atomic scientists and the managing editor of the Daily Worker, New York Communist newspaper, were cited today for contempt by the House Un-American Activities Committee.

The committee's action must be approved by the Justice Department for possible prosecution.

The scientists are David Bohm, Giovanni Rossi Lomnitz and Irving David Fox, who worked during the war in the radiation laboratory at the University of California. The editor is Philip Bart.

Mrs. Tucker Died In Miami On Tuesday

Mrs. Lulu W. Tucker, 77, of Miami died at her home there Tuesday. She was a former resident of Sanford and had made her home in Miami for the past four years.

Survivors include four daughters, Mrs. John Burris, Mrs. Ada Sloan, Mrs. Floyd Miller and Mrs. Charles Young; 25 grandchildren, three of whom live in Sanford.

Mrs. D. B. Stafford, Mrs. N. W. Davis and Mrs. Ivey Echols; and one in Enterprise, Mrs. Kirtley Sellers; also one great-grandchild.

Funeral services will be conducted at the Osteen Cemetery at 4:00 P. M. Friday with the Rev. Joe Owens officiating.

THE WEATHER

Partly cloudy Friday. Occasional thunderstorms in scattered places will give some additional relief from the extreme heat. Light to moderate southwesterly winds.

Defenders Are Reported Holding Main Battle Positions; Kimpo Recaptured

By ASSOCIATED PRESS
American B-29 bombers and U. S. warships thundered into battle today against the Communist invaders of South Korea. With this support the defenders were holding their main battle line andazing to the counterforce. They recaptured strategic Kimpo airfield.

It was reported that the Communist forces had recaptured Kimpo airfield.

A North Korean broadcast said 27 U. S. bombers blasted Pyongyang. The Communist capital.

There was a continuation of this from all quarters, but American planes have been ordered to continue their fighting to the river over South Korea.

American warships, ordered to prevent Communist ships from entering the Yellow Sea, today reported that they had recaptured Kimpo airfield.

The recapture of Kimpo airfield was reported to be a major victory for the South Korean forces.
