SEABOARD Coast Line freight train and tractortrailer collision Wednesday night al the unguarded Airport Boulevard crossing just north of McCrackin Road, Sanford, resulted in more than \$22,000 damages. Florida Highway Patrol trooper C.L. Tomlinson Jr. reported. Most of the damage was to the Industrial Contracting Co., Sanfor steel hauler rig which wasn 1 loaded at the time. Truck driver Irvin George Nichols, 56, Orange City, and train crewmen were pot injured. Impact of the crossing collision hurled the truck down the tracks and ripped off trailer axles-sending one into underbrush 50 feet The damaged engine (above) was replaced by another before the train continued on its run to Lake County two hours later.

Kissinger, Tho Meet

PARIS (AP) - Secretary of State Henry A. Kissinger met today with Hanoi's Le Duc Tho to discuss the failure of the Vietnam cease-fire agreement they negotiated last winter. American officials expected Tho to renew North Vietnam's demand for economic aid from the United States, promised by the agreement. U.S. officials indicated they did not expect spectacular results from the meeting, but Kissinger told newsmen: "What is important is that the signatories do everything in their power to reduce the dangers of conflict and contribute, as they pledged themselves, to bringing peace to Vietnam." He stressed that he and Tho did not plan to draft a new Vietnam agreement.

Cong Frees American

SAIGON, South Vietnam (AP) - An American civilian held for 21/2 months by the Viet Cong said today he was bound with ropes or chains for the first six weeks and moved to eight or 10 locations, sometimes within 1,000 feet of air and artillery strikes. But Homer I. Elm. 43. of Arcadia, S.C., who was released Wednesday, told a news conference he got "adequate" treatment during his captivity in the Mekong Delta.

British Miners' Wages

LONDON (AP) - The British government says it might agree to a bigger pay raise for the coal miners whose slowdown is crippling Britain if other union leaders pledge not to make similar demands. William Whitelaw, secretary of employment, told the House of Commons that, if the government modified its anti-inflation ceiling on pay raises "to the miners' further advantage, then other trades union leaders ... would have to make it clear that in negotiations they would not seek to follow the miners' lead."

Governor's Wife Leaving

ANNAPOLIS, Md. (AP) - Barbara Mandel says she has given up hope for her marriage and will leave the overnor's mansion today. Mrs. Mandel has remained in the mansion since her usband, Maryland Gov. Marvin Mandel, announced last

July he was leaving her to marry another woman. Mrs. Mandel said she had hoped and believed he would return "Five and a half months have passed and our marriage

has not returned to normal. Therefore, with deep regret, I am leaving the mansion as of December 20th," she said in a statement Wednesday.

Mandel, 53, a Democrat, announced last July that he was in love with a southern Maryland divorcee, Mrs. Jean Dorsey, and was leaving his wife after 32 years. The Mandels have two children.

Impeach Move Head Picked

WASHINGTON (AP) - Chairman Peter W. Rodino says he has found the man to act as special council for the House Judiciary Committee's impeachment inquiry. But the New Jersey Democrat would not tell committee members who he had chosen to direct the inquiry. Rodino said the name would be revealed at a news conference

Gate Panel Demands Tapes

WASHINGTON (AP) - The Senate Watergate committee is demanding 481 tape recordings and hundreds of other items from White House files. Subpoenas for the material were served by the committee Wednesday White House comment came from Samuel J. Powers, a Miami attorney acting as a White House consultant., Powers said that the demand for hundreds of tapes "really would almost shut down the executive department for us to have to do that kind of work.

Laird Yields To Ford

WASHINGTON (AP) - Melvin R. Laird says he is quitting his job as a presidential counselor. Laird said he would step down Feb. 1 and turn over his duties to Vice President Gerald R. Ford. Laird said he has taken a job as an executive for the Readers Digest Association that would permit him to travel, write and speak on such current issues as national security and detente.

Congress Facing Adjournment

WASHINGTON (AP) - The Congress continues to move toward adjournment, but faces complex and costly bills on energy, social security, railroads, defense, and foreign aid before it can recess for the year-end holidays. But House Democratic leader Thomas P. O'Neill says the lawmakers could finish the session late tonight or "at a reasonable hour on Friday."

GM, Ford Acquitted

DETROIT (AP) - General Motors and Ford have been acquitted of a federal charge that they had a silent agreement to eliminate discounts in sales of fleets of cars. The fleet market - sales in lots of 10 or more vehicles -

accounts for about one million vehicles a year, or 10 to 12 per cent of United States production. Before the 1971 model year, Ford and GM offered

discounts averaging \$250 per car to fleet customers. Since dropping the discounts, Ford and GM have seen their share of the fleet market fall from nearly 75 per cent to less than 50 per cent.

Sugar Cane Damaged

CLEWISTON, Fla. (AP) - Warm and rainy weather will hurt chances of saving Florida's sugar cane crop damaged during a major freeze earlier this month, a sugar industry official says.

Nelson Fairbanks, general manager of Florida Sugar Cane League, said Wednesday that the Dec. 12 freeze may cost farmers between \$20 and \$50 million in crop damage. He estimated three-fourths of the state's 265,433 acres of sugar cane was damaged.

"A lot now depends on the weather. If it is warm and rainy, it's going to hurt chances of saving the damaged cane," he said. "We will be able to minimize losses if the harvest can proceed at a rapid pace."

Temperatures during the freeze were reported as low as 25 degrees in some parts of the sugar growing areas of Henry, Martin, Palm Beach and Glades counties with some regions having freezing temperatures for as long as

Prevatt furious with the Sanford lad And so it goes - on and on and on - more and more records dropping his match. For the jumped to a 7-1 first period getting the necessary points on that your friendly sportscaster is only more than ready, willing and first-year Sanford Seminole advantage on two takedowns a reversal and near fall for a 11-

able to fill you in on. Most of them are ridiculous - for instance - Sammy Snurd night as they lost three of four on an escape. The second period The other 127 lb. contest had completed 24 passes - no body tells you that 22 of those passes contests

were screens thrown to 7 foot receivers. They don't tell you that Joe Schmoe hit ten baskets-out of 34. They don't tell you that Clarence Clubfot was the first left handed wrestler Armando Payas pulled falls. With exhasution setting in Sanford's Bill Sanders took pitcher under six feet to ever pitch with monoucleosis.

For The Birds

I know that the above constitutes slight hyperbole. However, it takedown. Finally at the 104 really isn't that far from the real thing, EX: Jaynes of Kansas mark Payas had Maust's completed 24 passes for 218 yards- threw the ball 38 times - shoulders on the mat for adaverage completion around 9 yards -- whatta record! Big Deal. His vancement into the second team LOST. And they weren't in the ball game most of the second round. On Monday Payas

What about a passer that hits only 8 of 12-for four TD's and 218 yards - that is a bit better - especially if his team wins. Really folks, they do got a bit too much. Who honestly cares In the only other 99 lb. contest about most of these records anyway? What good do they do? Are of the evening Evans Joe they of any use at all? And why do they cram all the TV sports time Coocen dropped his opponent with them?

Comparing The Greats

What I think they are trying to do is get the fans interested Peters went up against the when an otherwise boring contest is on the air. When you are Tribe's Bob Nogueird. This watching an interesting ball game you don't really need all those match was almost a carbon records - they were yesterday - today is a new day - let's watch copy of the Payas-Maust that - yesterday was good for yesterday.

A great number of times it seems as if they want to tell you that scoring on a takedown then today's great was better than yesterday's great. Really - what pinning his opponent. It took good does that do- and not only that - they just can't tell anyway. Peters :32 seconds to ac-For instance - Is Henry Aaron better than Babe Ruth. Certainly as a CONSISTENT ball player and home run hitter. But -Babe Ruth was flashier and did more for his team in one season than Hank ever did. Do you realize Babe Ruth hit more home runs in a season than most TEAMS did in his early days? You cannot compare the two. Nothing is gained - both these ballplayers are great in their own time. Stop it right there. It doesn't matter who was a wee bit better and there is no way to tell anyway.

Another example - is Jimmy Brown a lesser ballplayer than O.J. Simpson? Yes and No. And it doesn't matter anyway. O.J. is as good for 80 yards with one stop-Jimmy Brown played ten years ago and dominated the league totally. They are different kinds of runners. Jimmy Brown would run over, around, under and through-O.J. can run faster and is more adept at dodging people. Two different types - so why compare?

Nolan Ryan is another. He pitches for a poor team. He struck out 383 batters last season - one more than Koufax did for the Dodgers in 1966, But you still can't compare.

Koufax played for a manager that yanked him when he needed a pinch hitter. The Dodgers have always had a great bullpen and Walter Alston is famous for going to it often. Many times Koufax would be pitching a good one run ball game and be yanked after seven innings for a pinch hitter. He didn't get the decision many times and many times lost innings pitched which directly effects the number of strikeouts.

Ryan set the record in the first year that the American League used a "designated hitter" for the pitcher. Ryan was therefore left in the ballgame and got to pitch more innings. He got more decisions that way and the Angels bullpen is not the best to begin

Ryan went 21-16 the year he broke Koufax's record - Koufax was 27-9 with the weakest hitting ball club in the majors - if you don't believe it - look at the book.

I could go on - naming all the records that don't really mean anything. But I think the reader gets the message. The name of the game is competition. Not with the ghosts of the past - but with the players on the field-the RELATIVE difference in the two teams performing is what we look at -- searching for absolutes is absurd - not only in sports - but in other things as well.

But I am sure they will continue-because that is what people want. More chatter -- more comparison and "controversy" that is totally meaningless without a frame of reference.

Oh well. Maybe I didn't get my point across - Hey! Maybe I can set a record for the longest column written by a 140 pound. righthanded, insane Navy veteran - without saying anything.

Football Dropped

CINCINNATI (AP) - Marquette, Loyola of Chicago and Fordham all once had formidable football programs that fell victim to financial demands.

Anothe: Jesuit school joined their ranks Wednesday when Xavier University announced it was abandoning intercollegiate football due to "spiraling costs."

The 142-year-old school said it was dropping the sport after 71 seasons.

Kuechenberg Ready

MIAMI (AP) - Miami Dolphin offensive guard Bob Kuechenberg says he'll pad the cast on his broken left arm to play against the Cincinnati Bengals Sunday in the merican Football Conference playoffs.

"The arm feels pretty good at the moment and unless something happens in practice this week, I'll be ready to go," Kuechenberg said Wednesday.

Keuchenberg was to work out for the third day today since breaking his arm two weeks ago in a Dolphins loss to Baltimore. He underwent surgery last week, having a pin placed in the arm.

"We'll pad the cast real heavily and there should be no reason why I can't play," he said.

Coaches Compare GAINESVILLE, Fla. (AP) - While

Florida Coach Doug Dickey looked in awe at Miami of Ohio's defense, Miami coach Bill Mallory fretted over Florida's depth of talent as both squads prepared for Saturday's Tangerine Bowl. "Unlike Florida, we at Miami can't

recruit in depth so we have to keep our starting players in good shape," Mallory said of his Redskins. "We have some guys right in there for the full 60 minutes.

"We carry a traveling squad of 44, with probably 40 men involved and 28 or 29 used most of the time."

Tigers Tops

BOSTON (AP) - The Detroit Tigers have won the team fielding title in the American League for the third straight

The Tigers committed only 112 errors to edge the Baltimore Orioles by one percentage point, .982 to .981, according to official league statistics announced Wednesday,

Baltimore second baseman Bobby Grich set a major league record for second basemen with a .995 fielding average, breaking the mark of ,9939 set by Jerry Adair of Baltimore in 1964. Grich played in all 162 games and committed only five errors in 945 chances.

the season Knight's Shoes played a fast game the 1st three quarters. Big Dip was hard pressed for defense against Knight's Shoes

high scorer, Deena Flamm, who made the most of her shots from the outside. Big Dip speeded up in the last half and started a scoring

drive in the last quarters as Knight's slowed down. With Big Dip's sister combination of Dee and Ceci Rawls making the most of the points, it started to look like anybody's game. Big Dip woke up too late though and the clock ran out with Knight's Shoes still ahead by 5 points.

High scorer for Knight's Shoes was Deena Flamm, 14 points. Next high scorer was Melody Graham with 8 points. Marian Ray scored 4 points, and Debbie Manter scored 4

Make certain all accessories are turned off before turning on the ignition key when trying to start the car.

You should resist the temptation to continuously pump the gas pedal when starting the car. Turn the key and depress the

gas pedal to the floor once and let it up halfway. Don't grind the starter for more than 30 seconds. If the car doesn't start within 30 seconds, stop and make repeated attempts. allowing 30 to 45 seconds between tries.

If the carburetor floods, you'll know it by the smell of gasoline. Shut off the ignition, push the gas pedal to the floor and hold it there for a full minute. Then, with the pedal still on the floor, turn the starter. This procedure allows any excess gasoline to drain through the manifold. Enough fuel usually remains to give a proper start.

Warm the engine at an idle. Never race a cold engine. The rapid action of internal parts before lubricants are flowing puts severe wear on engine

"But, Dr. Crane."

By Abigail Van Buren # 1973 by Chicago Tribune-N. Y. News Synd., Inc.

DEAR ABBY: A lady professor came out with the statement that it is silly to teach arithmetic because now we have calculators to do the job. She says she takes one to the grocery store with her.

While grocery shopping this morning, I picked up a three-pound package of pork chops at 69 cents a pound, marked \$2.97. If I hadn't known that 3 times 70 equals \$2.10, I might have paid it.

When I pointed it out to the checkout girl, she said: "Oh, that crazy machine isn't working right again!" Please tell people not to put too much confidence in machines. If they do, they're sure to get gypped. M. L. IN GENEVA, OHIO

DEAR M. L.: Good thinking! The truism, "If you don't use it, you'll lose it," applies to the brain, too.

DEAR ABBY: May I answer that 45-year-old woman who survived breast cancer, and inquired about the possibility of having plastic surgery to replace the amputated breast, but she didn't want to appear "vain or silly"?

I had a breast removed, and later had reconstructive plastic surgery to make me "whole" again, and I can't tell you how much it did for my morale.

I am 50, and believe me, I'm no sexpot, and I also had a very understanding husband who tried to make me feel that I was still as beautiful and desirable as ever-regardless, but I had the operation for myself. I would encourage any woman who wants this type of surgery and is able to have it. Mine was done by Dr. Shattuck Hartwell of the Cleveland Clinic, and he was marvelous. WHOLE AGAIN

DEAR WHOLE AGAIN: I think it's important to add that not all women who have bad breast amputations are candidates for this type of surgery, but thank you for encouraging those who can.

DEAR ABBY: Have you ever heard of the superstition,

"Three times a bridesmaid, never a bride"? I have been a bridesmaid twice and am now engaged to be married next July. A girl friend of mine, who is being married in March has asked me to be a bridesmaid at her wedding, and I want to accept, but this superstition keeps coming to mind.

Everyone I've mentioned it to says I am foolish to let. something like a superstition bother me, but if something happened to prevent my being a bride, I would never forgive myself. Frankly, being a bride is far more important to me than being a bridesmaid for a third time. What do you think I should do? CAUGHT TWO BOUQUETS

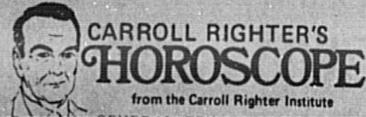

DEAR CAUGHT: Feeling as you do, decline the invitation to be a bridesmaid.

CONFIDENTIAL TO "WAITING FOR MY SHIP TO COME IN IN TUCSON": And if it came in, would you know how to navigate it?

Problems? You'll feel better if you get it off your chest. For a personal reply, write to ABBY: Box No. 69700, L. A., Calif. 90069. Enclose stamped, self-addressed envelope,

POLLY'S POINTERS Costume jewelry proves challenge

By Polly Cramer

ac

O.

=Polly's Problem= DEAR POLLY - I have both a problem and a Pet Peeve. I hope some reader can tell me whether or not there is any way I can "dye" a favorite piece of goldfinished costume jewelry silver. I am afraid that most paint products will just turn the jewelry gray and would soon chip and peel. My Pet Peeve is getting a dress back from the dry leaners and when putting it on (sometimes in a hurry) discover that the metal hook from the hook and eye has been bent completely out of shape and must be replaced before the garment can be worn. -SALLY.

DEAR POLLY - Do tell Margaret that I hang pictures on darning needles since the needles are very strong and leave only tiny holes that are almost invisible when removed. Be careful when hammering the needles in the wall because the eye part pops off. -ANNE. DEAR POLLY - Margaret could hang pictures with

straight pins by lightly tapping them in at an angle. It is amazing how much weight one will hold but if one is not enough tap in two at the same time. When you want to rearrange your pictures or if you should move the pins pull out easily leaving no unsightly holes in the wall. -CHARLOTTE

DEAR POLLY - Like Margaret we, too, have plastered walls and when the sticker hangers would not stay on our walls we cleaned off the remaining glue and put epoxy glue on the hanger tapes, let them set for about 24 hours and had it made. Some such stickers put on our walls have been there. for four years. - THERESA. DEAR POLLY - I want to share a Pointer with others who

live alone. I hang a string of bells on the inside of each of my doors and find no one can enter without the bells ringing and alerting me. Many houses in the neighborhood have been robbed but so

far mine has not. I have the bells in plain sight on the door and believe they may have discouraged any would-be robber. I collect bells and use Christmas bells that ring and those that come from India but any type could be used. Many of my widow friends have adopted this and now say they feel more secure. - ETHEL.

ets stuffed with tissue paper so the inside corners dry out. -HELEN

DEAR POLLY - My fur bedspread was slowly losing its fluffy look but one day when brushing my wig with a special wig brush I thought this brush might bring the nap and original fluffy look of my spread back again. Polly, it worked just beautifully. Then I tried it on sweaters, rugs and pillows and it worked so well that I now consider it the most useful brush I own. I am so pleased to have this to share with the other gals. -SUE D. DEAR POLLY - I think the best way to eat cantaloupe is with a grapefruit spoon that has a serrated edge. -MRS R W 1

JACKSONVILLE-State taxpayers will find a number of timesaving improvements on 1973 individual income tax returns as well as shortened and simplified instructions, A. J. O'Donnell, Jacksonville district director of Internal Revenue, said today. Describing the longForm 1040 and the short Form 1040A, which

Improved

are now being printed, O'Donnell estimated that 2.8 million individual returns would be filed in Florida for 1973. Taxpayers in Florida filed 2733,126 returns for 1972. So that taxpayers can file early and receive refunds in less

time than those filing closer to the April 15 due date, O'Donnell urged employers to distribute W-2 withholding forms as soon as possible. W-2's for 1973, generally must be distributed by Jan. 31, 1974 Most taxpayers who file in January receive their refunds in

four to five weeks, while later filers may have to wait as long as eight weeks, because of the greater volume of returns received, O'Donnell said.

Free Community Center Planned

MIAMI- A community center which civic organizations in the North Miami area will use free of charge will be one of the first elements completed as Norin Plaza goes up

Jerrold J. Kessler Jr., executive vice president in charge of Norin's real estate divisions, said, "We told the City of North Miami that we're going to be part of the solution, not part of the problem, in this city-and we intend to prove it from the first moment."

Besides the community center, which will include a 300-seat auditorium suitable for meetings and presentations, an office building with parking structure and the beginnings of the Avantique Shops, a handsomely designed mall will take shape within the first construction phase.

Norin Corp., which has told executives and other prospective residents that residential buildings will be designed so they can "walk to work through a park," will use part of the Avantique area for the first condominium models to be established at Norin Plaza.

Management Seminar Slated

GAINESVILLE -- A one-day seminar of condominium management will be presented at the Howard Johnson Motor Lodge, I-4 and Kirkman Rd in Orlando, Jan. 5, by the University of Florida's Division of Continuing Education.

The seminar will include instruction in all phases of condominium management, including the conversion to condominiums. Topics to be covered will benefit realtors, salesmen, investors, and developers as well as buyers according to John T. Branch Jr. program coordinator.

Instruction will be provided by St. Petersburg realtor, J. Clair Lanning, certified property manager. The program is open to anyone interested in condominium management, but enrollment will be limited to the maximum seating capacity of the meeting

The seminar will begin at 9 a.m. and adjourn at 4 p.m. The registration fee of \$35 includes the cost of all instructiona materials and coffee breaks.

VW Predicts Sales Increase

Volkswagen of America is forecasting total sales of 585,000 new cars during 1974. This estimate includes 500,000 Volkswagens. 60,000 Audis and 25,000 Porsches and represents an increase of 7 per cent over the anticiapted total of 545,000 for 1973. Even though most industry spokesmen forecast an industry-

wide decline of at least 10 per cent in new-car sales in 1974, the firm predicts an increase in sales because the already apparent shift of new-car buyers towards high fuel-economy models will increase as the gasoline shortage continues.

And sharply increased gasoline prices in 1974 will further accelerate that shift compacts and sub-compacts will account for 50 per cent of all new-car sales in 1974 and imports will sell about 1.6 million of the 3.2 million small cars sold.

Food Fair Earnings Increase

PHILADELPHIA- Food Fair Stores, Inc. reported a 35 per cent increase in 1974 fiscal first quarter earnings over the comparable year-ago period. Earnings for the 16-week period ended Nov. 17 rose to \$2,094,000, equal to 27 cents a share, over the \$1,556,000, or 20 cents a share, recorded a year

First quarter sales of the retail food and discount department store chaim climbed 10 per cent to a record \$661,763,000 from \$603,404,000. Company officials expressed confidence in a continuation of the earnings improvement through the rest of the fiscal year, despite the energy shortage.

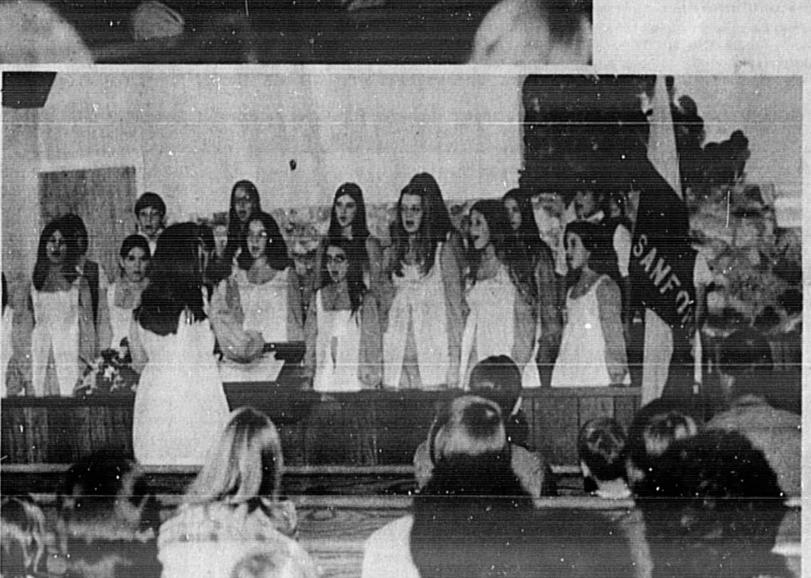

"Our stores are situated either in or nearby major population centers which do not require much gas to reach." they said, "and customers can make a one-stop shopping trip in most locations.

"In addition," they continued, "ours is a business which deals in basic necessities and historically has not been subject to severe cyclical swings."

VFW Plans Holiday Social By FANNETTE EDWARDS **Hetald** Correspondent

DeBARY - A joint social will be held by Veterans of Foreign Wars Post 8093 of DeBary and auxiliary on Thursday in the DeBary Firemen's Hall, A covered dish dinner will be served at 6:30 p.m. followed by a Christmas Carol March with all participating.

Members are asked to bring their families and enjoy a holiday social in true VFW style. There will be a last minute Christmas gift and white elephant sale and each one present must bring a wrapped gift for the "mystery package" event.

At the recent Auxiliary meeting, President Julia Pass reported on Veterans Day Dinner Dance held by the Auxiliary to swell the Post's Building Fund. She said 200 turkey dinners were served and she thanked all who par-

ticipated in making this such a successful affair. Chaplain Myrtle Hill asked all members to bring canned goods to the December social, which she and her committee will distribute to needy families at Christmas,

Mrs. Alice Beinert reported the November Poppy Drive receipts, which will be used for relief work among veterans' families, were greater than ever. Divided between Post and Auxiliary, the Auxiliary ceceived \$206.74 as its share to be used for their service work.

Mrs. Helen Edna Wafer was accepted and welcomed as a new member and Mrs. Louise T. Coker and Mrs. Charlotte M. Simmons were accepted into membership and will be welcomed at the next regular meeting of the Auxiliary.

Hi-12 To Install Officers

DELTONA - Newly elected officers will be installed by Hi-12 Club of Deltona Jan. 9 at a dinner party at Stetson University Hall in DeLand.

Elected at the December meeting were Richard R. Keay, president; Frank Lombardo, first vice president Henry W. Sprage, second vice president; Elmer Wilson, secretary Earl C. Webb, treasurer; and Myron S. Eggert, Sergeant-at-arms.

Directors named include David Wennstrand, one-year; Fred Drew, two-year; and Rudolph Wester, three-year Trustees elected are Harold Harris, one year; Silas Rissee, two; and Hilbert C. Neuhaus, three. Earl Langworthy was appointed international

opresentative and Arnold Dodd, Maschie relations; Edward L. Moore, alternate director; and Frank Lombardo,

Shrine Club Installation Set

DELTONA - Deltona Shrine Club will elect officers for 1974 monthly meeting on Thursday at 8 p.m. at the Three Seasons Restaurant of the Deltona Inn

A happy hour and dinner will preceed the meeting from 6 to 8 p.m. Nobles should make reservations with Earl Wilson by calling 574-1235.

Guest speaker will be Bill Parke of the Deltona Travel Agency, who will accompany his talk on cruises to the Bahamas, with colored film on the Bahama Cruise showing

the ships and trips available to Nassau and Freeport. Plans will be completed for the installation of officers and Ladies' Night, to be held on Jan, 17 at the Stetson University, jointly with the DeLand All-States Shrine Club. A roast beef dinner will be served at 6:30 p.m. The Illustriate Potentate and his Divan will officiate as installing officers. Music and dancing will follow the ceremonies.

Tickets will be available at the December meeting from Earl Langworthy, secretary or Jim Nelson, treasurer. All attending must make reservations in advance.

Girl Scouts To Carol

DELTONA - Girl Scout Troop 61 of Deltona will go Christmas caroling at the DeBary Manor on Saturday from 12:30 p.m. for about an hour or two. Under the leadership of Miss Doris Files, they will leave

the Deltona United Methodist Church at 12 noon.

Star Club Enjoys Excursion

DELTONA- The Deltona Star Club took an excursion by bus to the Kapok Tree Inn in Clearwater, dec. 4 and 51 members enjoyed a most delightful day.

The inn, consists of eight large dining rooms, elaborately decorated with crystal chandelliers, marble Grecian statues, live trees and flowers.

The Kapok Tree, from which the inn gains its name, was brought here as a seedling from India by missionaries. The tree grows in the center of the West Garden and is 100 years old. It is 135 feet high and has a limb spread of 170 feet. The tree is 25 feet in circumference.

The Corinthian columns in the garden surrounding the Kapok Tree were made on the premises and are fired at night, with gas flames. The stone statuary and fountain nieces were carved for them in Italy. Flame colored blossoms cover the tree in Autumn, when

this virtual "ball of fire" can be seen for miles around. **Chorus Presents Cantata**

DELTONA - A beautiful Christmas Cantata was presented by the members of the Deltona Woman's Club Chorus on Sunday evening in the Clubhouse on Normandy Boulevard.

The cantata, written and conducted by Pauline Rose was narrated by Miss Genevieve Richardson. Accompanist was

Muriel Zager. It was complete even to the Nativity scene with a real live baby, little Gail Caporale. The part of Mary was played by Kit Withers; Joseph by Bill Withers; Innkeeper by Bob Dankworth and the angel by Kay Blair.

The three kings were portrayed by Katherine Kraft, Lydia Comacho and Eunice Davis and the shepherds, by Ruth Kent, Roni Schulte and Nancy Hudson.

The Chorus, composed of 'S sopranes, nine altos, seve. tenors and two basses, sang 18 numbers, with solos by Mary Rivera, Beverly Stuhrenberg, Dottie Mercorelli, Jerry Bateman, Jean Ross, Jean Ross, and Mike Varnum, Mike Rivera and John Toms, assisting as basses and tenors.

Others in the chorus, were Cay Anderson, Drusilla Berger, Flora Baehr, Florence Durand, Dodie Eastman, Helen Falzone, Wyona French, Margie Howell, Ruth Lamb, Betty Magee, Stella Magnus, Eleanor Robbins, Harriet Varner, Gertrude Venutti, Frances West and Martha LaVista, as sopranos,

Fuel Conservation Hints

DELTONA- The Deltona Corporation, Utilities Division, recently mailed a letter to each of its subscribers, listing suggestions to help conserve fuel in the Federal Government's Nation-wide effort to conserve energy this

Suggested measures include. Make sure furnace filters are clean, do not block heating registers, and during winter daylight hours, leave windows which face south or west,

When away, turn heating unit off, or lower thermostat. Defrost food before cooking. Replace old equipment, which uses more fuel than you need and reduce the temperature setting on the water heater.

"In addition," continues the corporation, "we urge you to limit your use of propane gas for non-essential purposes during periods of shortage. Gas lights, grills and particularly, swimming pool heaters, are considered, nonessential

Telephone Pioneers Enjoy Activities

DeBARY-The St. Johns River Life Member Club of the Telephone Pioneers of America marked the advent of the season's holidays on two separate occasions recently.

Once Upon a Stage in Orlando was the site of the club's Christmas buffet luncheon. Following the luncheon, more than 200 members and guests enjoyed "Sunday in New York," a hilarious stage play.

Mrs. Evelyn Reardon, entertained chairman, was incharge of the special arrangements.

The second event was an afternoon of games staged in the DeBary Community Center. The awarding of numerous door prizes, special games and singing of Christmas carols highlighted the afternoon's activities. During intermission refreshments of homemade cookies were served by Mrs. Henry Ruppert and Mrs. Joseph Colliflower, co-chairmen.

Oct. 17, 1973, was a special kind of victory day for consumers. On that day, the Food and Drug Administration (FDA) issued a final order making ingredient labeling mandatory for all cosmetic products.

The new labeling regulation will become effective March 31, 1975, to give manufacturers time to clear out existing stocks and to redesign and order new labels.
