Try and Stop Me

By BENNETT CASE

A MEXICAN HUSBAND, John Smith, says only he knows the whereabouts of his wife, who is believed to be in the hands of a band of desperadoes.

The late Mrs. Smith, who was a well-known actress, had a husband who was a well-known actor. They were married for many years and had several children.

Test New Device As Cancer Weapon

WASHINGTON (CP)—Another weapon in the continuous fight against cancer and allied diseases is being tested by the medical division of the Oak Ridge Institute of Nuclear Studies.

The new weapon is a double-headed radiation-teletherapy device using two 600-curie sources of radioactive cobalt-60.

The device required two years of planning and construction. It is the result of designs by members of the ORINS medical division staff and the staff of Westinghouse X-ray Corporation which built the machine.

Each head of the double-headed machine has a revolving turret mounting seven collimators. One is easily removable, so that seven different beam sizes and intensities are readily available at any time.

From Every Point

The two heads are mounted at diametrically opposite points on a circular revolving frame. The patient is placed on a special movable bed with the frame in such a position that the diseased tissue to be treated is at the focal point of both beams.

When the frame is revolved 180 degrees, the diseased tissue receives radiation from every point in a 360-degree circle. Large amounts of radiation thus can be focused on diseased tissue while relatively little exposure reaches the surrounding healthy tissue and skin.

The Oak Ridge Institute of Nuclear Studies is a non-profit educational corporation of 30 southern universities, operating under direct contract with the U. S. Atomic Energy Commission. Its medical division maintains a 100-bed research hospital in Oak Ridge, Tenn., devoted primarily to the diagnostic and therapeutic uses of radioisotopes and radiation.

Venice, Italy, is sometimes called the "Bride of the Sea."

INSTALLATION CEREMONIES of the Anna Miller Circle were held Monday night at the Elk's Lodge Hall. Pictured are newly installed officers who will serve during the coming year. Seated, left to right, Mrs. Harry Adair, 1st vice-pres., Mrs. Christine Blankenship, pres., Mrs. Hulon Hale, 2nd vice-pres. Standing, Mrs. John Carver, treas., Mrs. Gene Waller, chaplain, Mrs. B. C. Carruthers, cor. sec., Mrs. Harold Kastner, rec. sec. (Photo by Bergstrom)

Mrs. Ozier Installs Officers of Anna Miller Circle Mon.

The Anna Miller Circle installed new officers Tuesday evening in an impressive candlelight ceremony. Mrs. Lowell E. Ozier officiated. Mrs. Christine Blankenship was installed as president for the second time. Other officers installed were Mrs. Harry Adair, first vice president; Mrs. H. F. Hale, second vice president; Mrs. Harold Kastner, recording secretary; Mrs. Robert Carruthers, corresponding secretary; Mrs. John Carver, treasurer; and Mrs. Gene Waller, chaplain. Following the installation, a short business meeting was held. The new president appointed standing committees for the coming year. Serving as assistant, Mrs. Elaine Smith; sunshine chairman, Mrs. Juanita Bennett; blason, Mrs. Nezzie Cameron; publicity, Mrs. Peggy Harding; inner guard, Mrs. Irene Kent; outer guard, Mrs. Frances Moses. The object and main project of the circle is to promote the Harry-Anna Crippled Children's Home in Umattila in helping to render better service to those less fortunate. Operation of the home is financed through voluntary contributions of the Florida Elk Lodges, individuals and organizations, said Mrs. Blankenship as she stressed the importance of the circle's duty to assist the lodge, and to cooperate in all social activities. Mrs. Roy Churpaine was voted "Woman of the Month" for her outstanding services to the club. At the close of the meeting, the raising officer, Mrs. A. P. Howcross, Mrs. Martin Dyer, Mrs. Irene Kent, Mrs. Garfield Walker, Mrs. Edward Pratt, Mrs. Roy Churpaine and Mrs. Richard Mapes, served refreshments in the club room. Others present were: Mrs. R. S. Milliner, Mrs. Ralph Wight II, Mrs. Opal Karaker, Mrs. Bruce G. Paddock, Mrs. M. Moses, Mrs. Ray Ozier, Mrs. E. J. Moughton Jr., Mrs. Lynn Lyon, Mrs. Buford Brown, Mrs. J. R. Hoolahan, Mrs. Juanita Bennett and Mrs. William E. Gordon who won the Pot of Gold but graciously donated the money to the Sun-hine Fund.

Methodist Circles

CIRCLE NO. 1
Mrs. M. H. Strickland was hostess to Circle No. 1 of the First Methodist Church Tuesday morning at her home on Palmerton. The meeting was opened by the chairman, Mrs. Thera Pate. Mrs. E. C. Williams gave the devotional. Mrs. W. S. Higginbotham presented the study, "Finding God Through Prayer". Mrs. Pate invited everyone to meet with her in May for a covered dish luncheon. Refreshments were served to those attending. Present were Mrs. Herbert Collier, Mrs. R. T. Boyd, Mrs. J. E. McClellan, Mrs. Robert Parker, Mrs. W. S. Higginbotham, Mrs. C. L. Wallace, Mrs. E. C. Williams, Mrs. J. H. Leo, Mrs. Ralph Dean, Mrs. Pate and Mrs. Strickland.

New York Visitor Feted Yesterday

Mrs. Gus R. Strickland gave a luncheon Wednesday in honor of her houseguest, Mrs. B. A. DiNatali of New York City. The luncheon was held in the Strickland's Little Venice home. An arrangement of bills of Ireland centered the buffet in the dining room. The table held petunias and pinks in a gay spring bouquet. A luncheon of real Italian spaghetti was served, much to the delight of the guests. Attending were Mrs. B. B. Crumley, Mrs. F. E. Rommilt Sr., Mrs. M. R. Strickland, Mrs. Olan Routwell, Mrs. Richard Silvers, Mrs. Glenn Wimshus and Mrs. Charles Arnet.

MISS MARGARET MARGRAVE, who will speak before the Sanford Woman's Club at 1:00 p.m. next Wednesday, April 16. Miss Margrave is executive secretary of the National Association for Mental Health, Washington, D. C. The public is invited.

Social Activities

VIRGINIA CONN, Society Editor Phone FA1-2611

Conning The News

When Victor Borge comes to Orlando Friday night, there will be many Sanfordites in the audience. Among these will be Frank and Elizabeth Mcbane. The Mcbanes will also attend the champagne breakfast following the performance in the Cherry Plaza. Very white tie—which should be fun for a change, after our informality in Sanford. All of us wish that could be there, too, for Victor is one of the most versatile, and definitely the most entertaining pianists in the world. Ralph Wight is always into something. He's the one who keeps saying, "I'll never get into anything else again." So far this year, Ralph has been in dozens of activities and keeps thinking of more. At the moment he is sporting a king-sized Aunt Jemima button. promoting the all-day pancake feast on Saturday at the Elk's Club. Don't know about you, but I plan to take all my children and see if the Elks can fill them up with pancakes.

Buffet Dinner Held Before Ball Game

A buffet dinner Monday night honored the Bahia Temple Division of the Sanford Shrine Club before the baseball game between the Phoenix Giants and the Corpus Christi Giants. Mr. and Mrs. Harold Kastner hosted the officials at their Twin Lakes home. They were assisted by Mr. and Mrs. Milford Leonard. Mr. Leonard is president of the Sanford Shrine Club. Attending were Potentate A. J. (Jack) Thomson Jr. and Mrs. Thomson, Chief Rabban, Glen Ashmore, Assistant Chief Rabban, George Cochran and Mrs. Cochran, High Priest and Prophet, Vernon Scott and Mrs. Scott, and Recorder David A. MacAdam and Mrs. MacAdam.

Recent Bride Honored With Shower

Mary Ann Jones, recent bride, was honored with a miscellaneous shower Wednesday night. Hostesses were Mrs. Otis Howard and Mrs. Pearl Reed.

The evening began with a chatter session. Later games were played with prizes being won by Mrs. Oliver Hall and Mrs. Albert Hall. Refreshments were served and the honoree opened her many lovely gifts. Those enjoying the evening with Mrs. Jones were Miss Carolyn Hall, Miss Julia Rodgers, Miss Betty Crow, Miss Shirley Hall, Miss Frances Hall, Miss Pat Lightfoot, Miss Betty Carpenter, Mrs. Oliver Hall, Mrs. Raymond Stevens, Mrs. John Plerro, Mrs. Jerry Farrell, Mrs. Benjamin Slaughter and Mrs. Albert Hall, the honoree's mother.

Personals

Mr. and Mrs. Harry J. Byrd Jr. of Martinsville, Va., spent the Easter holidays with his parents, Mr. and Mrs. Harry J. Byrd Sr. and grandparents, Mr. and Mrs. Phillip Allan of Holly Ave. Mr. and Mrs. James K. Trull Jr. and children, Teresa, Christine and Jimmy, have been visiting his parents, Mr. and Mrs. James Trull. The family is from Beacon, N. Y., where Mr. Trull is a research chemist with the Texas Company. They arrived Friday and left Monday to visit in Williamsburg, Va. on the way north. Mrs. L. T. Sheppard, worthy Matron of Seaside Chapter No. 2 Order of the Eastern Star, is attending Grand Chapter this week in Tampa. Miss Jennifer Castello of Barry College, Miami, Florida was the house guest of Cynthia N. Kelley and Mr. and Mrs. Harold H. Kastner, Twin Lake, Sanford, Florida, early this week. Miss Castello arrived in Sanford after giving a concert recital in Melbourne at the Oleanders Hotel, on Easter. She returned to Barry College on Tuesday where she is a senior in Music Education. Miss Castello has been on the Dean's list for her high scholastic record for the past four years. She is student director of the Tara Singers and 1957-1958 Campus Queen. Mrs. W. M. Colbert Sr. left this afternoon for Charlotte, N. C. to be with her sister, Mrs. Paul Miller, who is critically ill.

Garden Circles

ROSE CIRCLE will meet in Geneva at the home of Mrs. John Thomas, Friday, April 11, at 9:45 a. m. Homer Osborne will be the speaker. Program will be on "Keeping Clean".

Grammar School P.T.A. Meets To Night

Grammar School P. T. A. executive board meeting will be held in the library at 7:30 tonight. The regular P. T. A. meeting will begin at 8:00 p. m. in the school auditorium. At the conclusion of the meeting, refreshments will be served in the lunchroom. Election of officers will be held, and amendment of by-laws. All parents are urged to attend. Teachers will greet them in the classrooms at 7:30 to discuss their children.

ASK EXPLOSIVES CURB PANACEA, Fla. (UP)—The Panacea Boosters Club asked the U. S. Department of the Interior Wednesday to curb the use of explosives by firms exploring for oil in the Gulf of Mexico. The club said many fish are being killed by the blasts.

Washington Speaker Coming To Sanford

Miss Margaret Margrave, executive secretary of the National Association For Mental Health, Washington, D. C., will be the speaker next Wednesday at the Sanford Woman's Club. Miss Margrave is sponsored in Seminole County by Mrs. Sidney Ives III, ardent Mental Health worker. Since her message is of such grave importance, Mrs. Ives has urged all who can attend to come to the Woman's Club on Oak St. at 1:00 p. m. to hear this fine speaker. Mental Health is receiving a tremendous amount of attention in this area. It is hoped that public interest might be aroused by the presence of Miss Margrave. Members of the Woman's Club will enjoy a covered dish luncheon preceding the speech at 12:00 p. m. Mrs. Harry Eichelberger will sing during that time, accompanied by Mrs. Lulu Bailey. Hostesses are Mrs. Howard Monteth, Mrs. J. N. Gillon, Mrs. John Eick and Mrs. C. L. Keyes.

Birthday Party Marks 7th Year

His seventh birthday was celebrated Saturday by Mike Sulplizio, Mike is the son of Mr. and Mrs. Marco Sulplizio. The party was held at his parent's home. Assisting Mrs. Sulplizio were Mrs. J. E. Evans and Mrs. Louis Bridges. The children enjoyed several games and an egg hunt. Winning a prize for the hunt was Alan David. Refreshments of a green and yellow cake and ice cream were served. Favors were Easter baskets with candy and balloons. Attending were Debbie and Becky Huskin, Wayne, John Dale and Susie Fakes, Jacquelin Jones, Karen McGowan, Janet Broughton, Larry Hughes, Angela Moore, Dianne Bridges, Carol McCullen, Allan David, Cathy Peiser, Cynthia Moore, Catherine Evans and Tony Sulplizio.

Calendar

FRIDAY
Salle Harrison Chapter of the D. A. R. will meet at 3:00 p. m. at the home of Mrs. C. L. Park Sr. Mr. R. W. Ruprecht will be co-hostess. Delegates to the state conference in Clearwater will report on action at the convention.
SUNDAY
Dusty Books Reading Association will meet at 2:00 p. m. An old-fashioned dinner will be served at the Farmer's Auction on 17-52.

SING IT WITH FEELING! And these men are trying out for the chorus of "For Better Or Worse" did just that. They will be part of the cast when the show goes on at the Sanford Civic Center May 3. Left to right, Earl Orlintien, Chet Guerry, Ralph Wight, David Green. (Photo by Bergstrom)

When a design on a United States coin is changed, it is done at the direction of the director of the Mint. By law, the design on any coin may not be changed for 25 years. At present, only the Lincoln penny, coined in 1909 could be replaced.

The Sanford Herald SPORTS

Today's Sportrait

By NEAN MCKELER
Head From Sports Writer
BY LARRY M. — Marty Marion, the man who played shortstop like a professional, played the piano, just as he got away from baseball. Marion, nicknamed "Blitz" because of his swiftness and "Mr. Shortstop" because of his mobility, was removed in the market for a National Basketball Association job after a few short months ago. The project, in which he was joined by a business associate, has now given up the idea. And the lure of baseball has finally tempted him back into the game — in the unlikely role of manager of the Concordia Seminary team. **Concordia vs. Alverno.**
 Marty, who managed the Chicago White Sox, the St. Louis Cardinals and the New York Yankees in the big time, has attached college baseball to the end of his career, with his usual enthusiasm. The Concordia, Concordia's athletic director, has the idea of having a team, if there is any, in the state of Wisconsin. **Concordia's athletes are** — Fred Schaefer, the pitcher; Alverno, whose athletes are in the process of being organized as a team of big-league players. Max Gove, the old-time base-stealer, Dick Albert, Connie Mack's first baseman, and Bill Wambag, the triple-play fencer, are all Concordia alumni. **But the college game, like the big-time version, is not without its headaches.**
Anti-Chamassie Venture
 Marty's first venture, against Oliver-Whitson of Missouri, was anti-Chamassie. Before it was ratified, his third base coach, eager to give it the big-league touch, asked if he should "flash 'em the signals." **Marion, who learned something of Chamassie's confusion when Senator Mike Gonzalez was handling the third base chores for the Cards, decided to play it by ear.**
 "We just yell at 'em to run or hold the base," he said. **The contest was washed out shortly thereafter and Marty's collegiate baptism of fire was postponed until last Monday. That was exactly what it turned out to be, too.**
The Franchers dropped their opener to Luther College of Debra, Iowa, 9-8.
William Howard Taft is the only man in American history to have held the offices of both President and Chief Justice.

Rotary League Plays First Games Monday

The Rotary baseball league gets under way Monday afternoon at 4:30 p. m. when two games are scheduled for Fields 3 and 4 at 24th St. and Summerlin Ave. At a meeting called by Chairman Sonny Powell the candidates for club rosters appeared and were chosen for the five teams that will make up the league. Games are scheduled for each Monday, Tuesday, Thursday and Friday, beginning at 4:30 p. m. and ending at 8 p. m. There will be a game each playing day on both Field 3 and Field 4, Powell said. Suits were given out to 60 of the lads selected and have been charged with the duty of appearing in uniform for each game played. Proper care of the uniform also is charged to the boys, Powell added. **The lineup are:**
PIRATES: Mgrs. — Roy Holler and Bob Corradi; Mike Doyle (Capt.), Bobbie Davis, Bobby Johnson, Jimmy Edge, Wayne Evans, John Boniface, Roy Wright, Don Francisco, Kenneth Landrus, Curtis Barnes, Barry Johnson, Chuck Miles, Stanley Culp. **CUBS:** Mgrs. — George Stone and Bob Crumley; George Perides (Capt.), V. J. Barks, Skip Palmer, Billy Rowles, Ronald Brumbaugh, Malcolm Higgins, Johnny Jansen, Dick Korgan, Doug Gordon, Dick Jansen, Eric Esterson, Marshall Hendry, Huslan Grier. **TIGERS:** Mgrs. — Sonny Powell and George Touhy; Steve Powell (Capt.), Johnny Whalchel, Johnny Thratt, Johnny Emerson, Ward Waters, Paul Huffer, David Yates, Charles Oravets, Steven Barnes, Allen Mathews, Dennis Arwood, Billy Foster, Stephen Brown, Carl Vanars. **BRAVES:** Mgrs. — Ben Wiggins and M. E. Raborn, Sr.; Alex McKibbin (Capt.), Johnny Marsh, Terry Griffin, Eddie Fuhrmann, Glyn Hodges, Duane Goebel, Mac Selvidge, Clifford Ables, Jimmy Ray, Clyde Mallard, Harry Robson, Mike Jennings, Kirk May. **GIANTS:** Mgrs. — Scott Burns and Harry Canell; Jimmy Gracey (Capt.), Jimmy Terwilliger, Larry Davis, David Wilson, Buddy Kirk, Eugene Davis, Bulch Cassub, Mike Korgan, Ken Torbett, Robert Rumbley, Tommy Brooks, Johnny Phillips, Jerry Johnson. **January is named for the ancient Roman god Janus, who had two heads—one looking back to the old year and one looking forward to the new one.**

Blake Is Tabbed 'Key Man' in Win

MONTREAL 20 — Montreal coach Joe Blake today tabbed goalie Jacques Plante as the "key man" in the Canadiens' 3-1 victory over the Boston Bruins in the opening game of the Stanley Cup finals, but the Bruins talked blithely of Doug Harvey and his third-period "dive." There were heroes aplenty for the Canadiens in this win, the 10th straight time that Boston had failed to win a cup playoff game in this city. **There was Bernie Boom Boom Geoffrion who scored the game's first goal in the first period on a long-scoring shot from the point with the Bruins a man short.** **And after Boston's Allan Stanley tied the score in the second period with a similar shot, there was Dickie Moore who scored the winning goal on the payoff end of a picture play into an open net with Boston once again short-handed.** **But Blake insisted, "Plante was the key man for us. Since the beginning of the series with Detroit he has been terrific... a real money player."** **Another "real money player" was defenseman Harvey, who was voted the "outstanding player" of the game.** **The Canadiens were short-handed with Henri Richard off for holding at 16:47 and the Bruins were pressuring Plante when Harvey and Boston's Fleming MacNeil collided in back of the Montreal net. Harvey went down, remained stretched out and unmoving for several moments after referee Red Storey whistled MacNeil off for hooking. MacNeil off for hooking. **"That Harvey ought to be named the Canadian Olympic diving team," growled Boston coach Bill Schmidt.** **The second game in the best-of-seven series will be played here Thursday night.****

WORLD CHAMP SKIERS NEW CROWN—Joe Cash of Saranac, second winner of the World Water Ski Title here and holder of the World Distance Jumping Record of 125 feet, will be one of the top contenders in the Dixie Water Ski Tournament being held at Cypress Gardens April 12 and 13.

Whatever Happened To ADOLPH KIEFER

By UNITED PRESS
Back in 1936, a teen-ager in Chicago could slip into a pool at the Lake Shore Athletic Club and crack every listed world backstroke record on the books in just a practice swim. That was before young Adolph Kiefer began to compete in earnest. Thereafter he wrote his own backstroke records into the books and swept the Olympic crown at 100 meters in 1936—with a new record of 1:08.2 that stood until 1952. **Whatever happened to Adolph Kiefer? Today, now 39, he still lives in Chicago where he makes swimming pool and water ski gear.**

Indians To Tackle Bears Next Tuesday

CLEVELAND 20 — The Springfield Indians, surprise winners of their semi-final playoff series with Cleveland will tackle the American Hockey League champion Hershey Bears in a best-of-seven set beginning Tuesday night in Hershey. Springfield, fourth-place finisher during the regular campaign, edged Cleveland, last year's Calder Cup champions, 4-3, Tuesday night in overtime. Bob Beckett's second goal of the game, coming at 2:44 of the overtime period, was the decisive tally as the Indians took the series, four games to three. **RIDERS ADD TWO**
REGINA, Sask. 20 — Jerry Welch, quarterback from South Dakota State who was released by the Baltimore Colts last season, has signed with the Saskatchewan Roughriders of the Canadian Football League's Western Division. The Riders also signed Roger Gebhart, a guard who played his collegiate ball at North Dakota State. **A diamond which has the highest degree of purity and fineness is said to be of the first water. Color is the most important thing in judging a diamond.**

Liquid Sunshine

Wednesday afternoon did little to cheer up these contestants in the annual Florida Women's State Golf Tournament at the Mayfair Country Club. The Wednesday qualifying was put off until today. Seated on the steps of the Mayfair Inn where they are staying are Mrs. Cullen H. Talbot, Daytona Beach, Mrs. Joe C. Byars, Tampa, Mrs. Ken C. Kessler, Miami.

Thunderstorm Disrupts Second Day Of Golf Qualifying Rounds

By Virginia Cox
 Whipping rain and lightning forced qualifying contestants in the twenty-ninth annual Florida Women's State Golf Tournament to return to the clubhouse at the Mayfair Country Club yesterday afternoon. All scores were wiped from the board, even though many of the players had completed their qualifying rounds. This action came after a meeting of the rules committee, headed by Mrs. Denny Champagne of Orlando and has since been reversed. **Qualifying over the par 36-34 course resumed today. The golfers jammed the Mayfair Country Club or returned disconsolate to the Mayfair Inn, where the majority of them are staying.** **Grace DeMoss, social secretary of the Hotel Ponce de Leon, St. Augustine, and 1957 winner, decided against qualifying. Miss DeMoss is not required to qualify as defending champion. She was playing a practice round when the rain forced her to stop on the ninth hole. Miss DeMoss was two over par coming into nine. She was unable to continue, and dashed with other golfers to escape the wrath of the first real thunder storm of the year.** **All golfers will use the men's tee, with the exception of No. 7. This treacherous over water shot has lost many a fine card to good golfers. We look for a hole-in-one from the ladies tee on this hole during the tournament.** **Mrs. Jack Elmore, Jacksonville, is still leading qualifier. Mrs. Elmore, who holds a 9 handicap, posted a 90 Tuesday when those golfers boasting handicaps of 14 or over were required to qualify. Mrs. Elmore was given special permission to post her 95-44 round. She was erroneously reported as a grandmother, but the error was a small one considering the volume of details handled by the local golf association.** **Same pairings and starting times as Wednesday were used again today by qualifying contestants. An informal barbeque will be held tonight at the Mayfair Country Club for members of the state golf association. The press is invited.** **In a special announcement yesterday, it was revealed that all matches will be played at the Mayfair Country Club. The Sandlotto course will not be used, as previously planned. Match play begins tomorrow morning. Pairings and starting times will be posted tonight.** **A thinologist is a nose specialist.** **The Dead sea has almost double the salt content of the Great Salt Lake in Utah.**

UofM Tennis Team Rolling To Another Triumphant Year

The University of Miami tennis team, under its new coach Dale Lewis, is rolling on to another triumphant campaign. **The team, through the Louisiana State meet on April 7, ran its string of consecutive triumphs to 20 straight. The Hurricanes won nine straight this season, while 20 consecutive triumphs were carried over from the 1957 season.** **The last time Miami lost a tennis match was back in its second meet of 1937 when Presbyterian College of Clinton, S. C. turned the trick on the Hurricanes and snapped Miami win streak at 73 straight.** **This year, Miami played Presbyterian College twice and knocked off the Clinton, S. C. aggregation twice, once by a score of 6 to 2, and the second time by a score of 5 to 4. Miami also defeated Georgia Tech, 5 to 0; set down the Quantico Marines, 10 to 0; defeated Yale, 6 to 3, won from Dartmouth, 9 to 2 twice, defeated Michigan State, 10 to 0 and Louisiana State by a score of 7 to 2.** **The toughest opposition encountered by this season was Presbyterian College in their second meet on April 5. At the end of the first eight matches, the meet score was four all, and then the Miami No. 3 doubles team of Harry Rosen and Bill Minick scored a straight set, 6-2, 6-2 win over Bill Peck and Bob Daniel of Presbyterian. Miami's two top net stars are Jerry Moss, a local boy, and Allyn Quay, who hails from St. Petersburg, Fla. Neither netter has been beaten in singles this year. Both rate among the top racquet wielders of the South. John Capell has been playing No. 3 for Miami this season with Andres Donnadieu No. 4; Dick Walsh, No. 5; and Bill Minick, No. 6.** **Since 1929, the University of Miami tennis team has compiled one of the greatest all-time win records in American college tennis. The U-M team has had 161 wins since 1929 and has annexed victory in 158 of them.** **Since that time they have had**

Race Field Jumps To 15 Cars Drivers

SARASOTA, Fla. 20 — The race field for the May 10 Rebel 200 mile convertible classic at Dunbar, S. C. has today jumped to 15 cars and drivers today with the addition of three more NASCAR driving teams. **Plymouth became the fifth make of automobile entered in the 200-mile race with a brace of Chrysler products being chosen by two drivers. Those who will pilot Plymouths are Johnny Allen, Fayetteville, N. C. and Roy Tyson, Red Springs, N. C.** **Dick Beatty, Charlotte, became the third entry selecting Ford as his mount.** **Besides Plymouth and Ford, Pontiac, Oldsmobile and Chevrolet have already been entered.** **Allen and Tyson will be making their first start in the 200. Beatty was eliminated last year in the 15 car crash early in the race, after qualifying twelfth fastest, in the field. Allen was fourth in the Southern 50 last Labor Day.** **The Rebel 200, inaugurated last year and won by Fireball Roberts in a Ford at world record speed of 167.8 mph, is the richest convertible race in the nation. The field is limited to the fastest 25 racing stock convertibles determined by time trials May 9 and 10. Paul Goldsmith, in a Ford, established the convertible qualifying mark last year at 115.970 mph.**

Two Loves - Food And Flying Make Unusual Career

BY MARY PRIME
United Press Staff Correspondent
TRINIDAD, R. W. I. — (AP) —

A love of food and flying has turned a young housewife into a career woman.

Joyce Paap, an attractive suburban-haired woman, is the superintendent of cabin services for British West Indian Airways. She also holds a record as the airline's hostess with most air miles—1,300,000.

Mrs. Paap, who now is divorced, studied domestic economy in England. Then she married an American pilot and settled down as a housewife and mother. She became interested in flying through her husband's job and decided to become a stewardess.

She was made chief hostess of E. W. I. A. four years after she took the job. Two years ago, the airline named her head of cabin services, which means she serves all hostesses for the line and supervises the feeding of passengers. "I enjoy anything connected with food," said Mrs. Paap.

Some Recipes
She enjoys entertaining and cooking, collects recipes, and specializes in West Indian dishes.

Here are some recipes which can be made in the United States without losing their West Indian character and flavor:
Pastelles, a dish from Trinidad — Cut 1 pound round steak in small pieces. Melt two ounces salt pork. 1 tablespoon lard and 2 tablespoons butter in a skillet. Add the meat and 1/4 teaspoon black pepper, 1 tablespoon vinegar, chives, 1 clove garlic, and 1 teaspoon salt. Brown the meat and add 18 olives, 1/4 pound raisins, 1/4 pound onions chopped, 1 green pepper, and 3 medium sized tomatoes. Let simmer 15 minutes. Mince the mixture.

Cut 2 bunches of banana leaves into 7-by-7 inch pieces. Grease the leaves (or substitute aluminum foil for leaves) and spread with 3 cups grated fresh (or canned whole-kernel) corn. Add 2 tablespoons of the meat mixture. Roll and fold over ends. Place in boiling water and cook 1 hour from time the mixture boils. Serve hot.

Heat waves approach gradually, but depart with a thunderstorm. Cold waves reverse the process.

HIGHWAY PATROLMAN LECTURES AT NAS SANFORD—Trooper "Chuck Saunders" of the Florida State Highway Patrol is shown addressing members of the Naval Air Station Driver Training Class during a recent visit to the Naval Air Station. Standing in the background is Navy Chief Petty Officer C. H. Williams, Driver Training Instructor. Trooper Saunders will visit each succeeding class and discuss highway safety and traffic laws with the trainees. (Official USN Photo)

WHEN LCDR PHIL HARWARD and Dick Board, AMSS landed aboard the USS Roosevelt during Five's night carrier qualifications, it registered the 75,000 landing aboard the carrier. To mark the occasion the FDR skipper, Capt. Fredrick Lincoln Ashworth presented LCDR Harward the traditional cake. During the carrier qualification cruise of March 31 to April 5, all VAH-5 pilots attempting night carrier qualifications were successfully qualified. (Official Photo, U. S. Navy)

Afford Named Fish Commission Head

TALLAHASSEE — Gov. LeRoy Collins Wednesday appointed a new chairman of the State Game and Fresh Water Fish Commission and expressed "regret" in another former member whom he dropped from the commission Saturday.

Collins appointed Tallahassee attorney Julian E. Afford to replace Forace Holland of Panama City and said he wants Afford also to succeed Holland as chairman. Afford's term will run until 1961, subject to confirmation by the 1959 Senate.

At the same time, Collins said he is greatly disappointed in T. C. Hart of Wauchula who blasted the governor and game commission personnel Saturday after Collins declined to reappoint him.

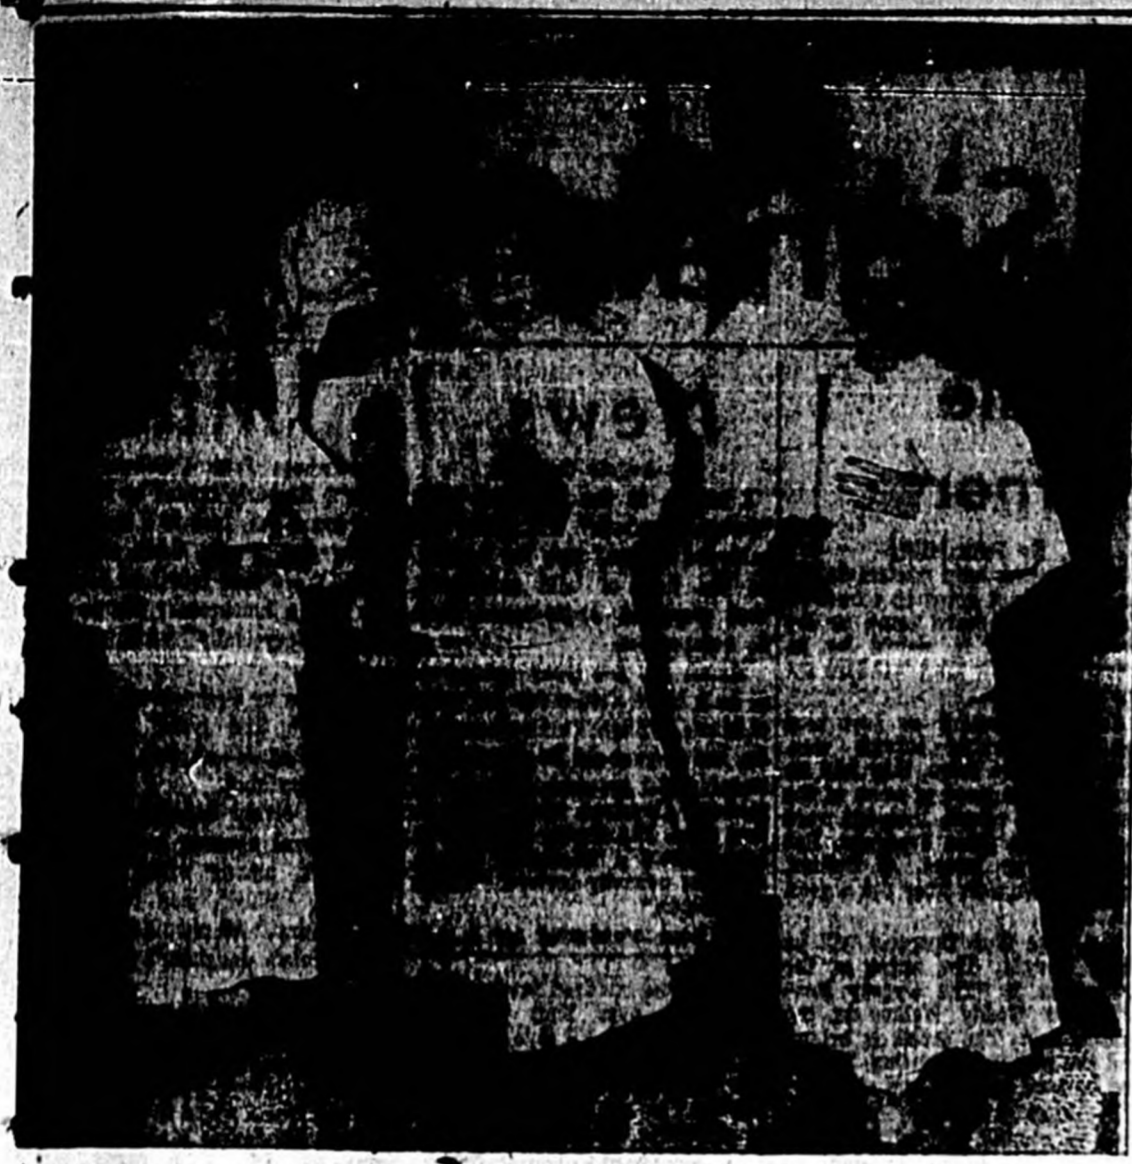

When Collins announced the selection of Tampa attorney T. Aine Kelly Jr. to succeed Hart, Hart told newsmen he had resigned from the commission because the governor refused to help him correct alleged irregularities and fire top administrative personnel.

But Collins said Hart did not resign but actually asked to be reappointed when his term expired Jan. 6. Furthermore, Collins said, he did not receive a letter from Hart charging irregularities until late Monday although Hart released it to newsmen in his area on Saturday.

Holland said Hart was "mad" because of friction in his district which led recently to the suspension and later the resignation of district manager Clyde Nevils at Lakeland.

FUND FOR ALGERIA
CAIRO — The Political Committee of the Arab League has recommended the establishment of a special fund to help finance the Algerian liberation movement. Under the plan, each member will make a specified contribution.

NOTE AGAINST TESTS
LONDON — Britain's opposition Labor Party members of Parliament voted Wednesday in favor of suspension of nuclear tests and a halt to construction of American rockets based in Britain until after a summit meeting.

DEDICATION CEREMONIES AT AIR STATION CHAPEL—On Easter Sunday a new Chapel was dedicated at the Naval Air Station. The Blessed Sacrament Chapel was dedicated to our Lady Queen of Airman. Shown in the above photo are altar boys (1 to 7) James Fahy, John Dooly, Ward Waters, and Thomas Fahy. Father Richard Lyons (1) and Father Nilus W. Hubble, Naval Air Station Chaplain. (Official USN Photo)

Auto Dealers Say Gives Satisfaction

BY JIM KLOCKENKEMPER
United Press Automotive Editor
DETROIT — (UP) — The outstanding new feature of 1958 cars was air suspension, and a check with garages and auto dealers showed general satisfaction.

Air suspension got a further boost last month when a truck engineer said it could reduce vehicle weights by up to a ton. Presumably this weight reduction would apply to a lesser degree to cars. The truck engineer pointed out this will permit use of new, lighter metals.

Air suspension is offered by all General Motors and Ford lines, most recently being added to lineup, and by American Motors Corp. in its Rambler.

The price range for air suspension goes from \$98 for the Rambler rear-wheel-only system to \$125 to \$215 for the four-wheel air suspension systems. General Motors dealers have offered the system to customers for the longest period.

Satisfaction Reported
"It's like anything else when it's first introduced," one Chevrolet dealer said. "People usually want to wait and see how it works out. Then, in this case, people may expect too much. They think they should feel like they're riding around on an inertube on a lake somewhere."

This dealer, like all the others, reported satisfaction by customers who bought air suspension. Dealers for all makes said main components — air compressor, valves and air chamber springs — have worked flawlessly. But they admitted leaks occur occasionally in air lines and connections.

A garage operator said he had to buy single-post hoist adapters to service air suspension cars. Wheels on air suspension cars cannot be left hanging in mid-air because all the air will leak out. So a shut-off valve must be used when the car is jacked up or lifted in towing. Single-post hoists generally raise the car with contact at the frame, but double-post hoists hit the axles or wheels and need no adaptation for air suspension handling.

Some Advantages
Service managers said that despite the warnings of air leakage during tire changing and brake adjusting periods, they generally don't bother with the shut-off valve unless the car is going to be up more than a half-hour, and there is no leakage.

Driving an air suspension car supports the claim that there is less bouncing on rough roads and big bumps. But there isn't much difference over most roads where steel springs—coil torsion bar, or leaf—gives a ride just as comfortable.

However, air springs have these additional advantages:
The car is kept at the same height regardless of the road and the car is leveled regardless of load. This provides constant road clearance, extra riding comfort, better vision, and headlighting.

Osteen News

By Mrs. Clarence Snyder
Mr. and Mrs. John Moore and son Michael and Mrs. Eva Moore of Columbus, O., were recent guests of Mr. and Mrs. Frank George.

Mrs. Joe Masters and daughter Jean were in Jacksonville Thursday visiting Mrs. Sarah Elliott, Mrs. Masters' mother.

Mrs. Harry Osteen and Mrs. Robert Williams attended a V.F.W. meeting in DeLand Thursday evening.

Mr. and Mrs. Guy Beall spent two days this week with Mr. and Mrs. G. G. Analey in Ocala. Mrs. Beall and Mrs. Analey are sisters.

Mrs. Albert Fell and Mrs. Eunice Jenkinson spent Wednesday in Orlando.

Miss Jackie Hamilton has been the guest of Mr. and Mrs. Jack Boone for several weeks. She left for Los Angeles and from there will sail for Hawaii where she will join the staff of nurses of St. John's Hospital, Honolulu, Hawaii.

Mrs. Edward Bennett and Mrs. Nick Pfaltz and daughter Linda spent Thursday night with their parents, Mr. and Mrs. Clarence Snyder.

Mr. and Mrs. Ed Jenkins, Silver Springs, N. Y. and Mrs. Frank Horn, Rochester, N. Y. spent Tuesday with their cousins, Mr. and Mrs. Frank George.

Mr. and Mrs. Dick Jones visited Mr. and Mrs. Russell DeWitt Sanford Friday afternoon.

Heat waves approach gradually, but depart with a thunderstorm. Cold waves reverse the process.

NAVY SAFE DRIVING COUNCIL IN ACTION—The above photo taken during a recent meeting of the SNAS Safe Driving Council shows council members discussing some phase of traffic safety. The council meets monthly and is composed of representatives from each unit aboard the Station and civil law enforcement officials. Facing camera are Lt. T. R. Mack, Executive Officer, Heavy Attack Training Unit; Trooper T. Mark Mack, Highway Patrol; LTJG R. A. Beck, VAH-11; Capt. Arnold Williams, Sanford Police Dept.; Mrs. Carole Caruso, Secretary and Commander Lewis D. Timmy, NAS Executive Office, Senior Member. (Official USN Photo)

Cadillac

When Distance Is Always Tempting!

Take a new Cadillac—point its hood toward some distant destination—and watch what happens!

We would be willing to wager that day's end would find you far closer to *journey's* end than you could ever have imagined!

We say this because we know how wonderful the miles are when they pass beneath the wheels of a new Cadillac—and how tempting distance is when seen through the windshield of the "car of cars".

First of all, imagine how comfortable and rested you would be! The seat-cushions are soft and deep and perfectly contoured. The steering wheel is ideally positioned... and the car is wonderfully spacious.

Then consider how easy the car is to handle! It is incredibly agile and responsive—and wonderfully smooth and level of ride. In fact, if you have selected the extra-cost option of Cadillac's air suspension, you can scarcely detect the presence of the road.

And think of your pride and contentment! The very knowledge that your motor car is so highly admired and so widely respected adds its own reward to each and every mile.

You ought to try it soon. Your dealer will be happy to explain the virtues of Fleetwood coachcrafting—and to give you the facts on every model, including the exclusive Eldorado Brougham.

'Fine Living'

By Kathy Carter
Fine living—that's the essential element required for a better world. Over the years, we've come a long way in improving and advancing ourselves. Through science we've proven that some of the ridiculous beliefs and superstitions people possess hold no truth. Yet, some people in modern times still have superstitions about

black cats and four-leaf clovers and endless other things. If people would have an open mind to things, our world could advance a lot more and a lot more rapidly. If every person would better himself in every way that he possibly could, our problem would be well on its way to a solution. As individuals, we owe that much to ourselves and to our Creator. Personal appearance is very important because first impressions are based mainly on that. One doesn't have to be the most beautiful person alive to be attractive and liked; it's what's inside that really counts, although a neat-appearing person is so much the more pleasing.

My Neighbors

"There it will grow hair on a deer hock. Look!"

BLACK AND WHITE pictures were printed in the "Seminole" by Miss F. P. The illustrations by Miss F. P. show a woman in a dark dress, a man in a suit, and a dog. The text is a continuation of the 'Fine Living' story.

Eighth Wonder Of The World Weck

By Kathleen Wood
It is a recognized fact that there are seven major wonders on this planet called Earth. However, I, being a female, have discovered an eighth miracle of the world of God—the opposite sex.

Its members are of numerous sizes, shapes, and dispositions. Each one has his particular likes and dislikes. Our maker created man to be the dominant sex, but recent generations have proved him to be slowly receding in power and standing in direct opposition to the feminine race.

As I pressed on the brakes, they held for a second, then suddenly went to the floor. I slammed the shift from high to second and reached down to turn off the key, but it was too late; my car hit the train.

The fact still remains that men are looked up to for their masculine feats and heroic deeds. They are just one of the necessary things that make the world go around.

Kiddie Korner

By John Miller
I am sitting here contemplating the joys of not going to school on Friday, and I have come to the conclusion that it should be so every Friday. It does wonders for one's morale.

Just a comment on how nice the Good Friday service was. When we were there, they had an ensemble composed of some of the people up at school. Included were Dede Sharpe, June Jennings, Pat Mitchell, Jan Luxen, Al Collins, and Lane Warner. They did a good job, too.

News In Music

By Angelo Compas
I rejoice in the fact that after "Sweet Elizabeth" Will Glabe has recorded nothing else for London. In the field of wild screaming, that experted Anglo-Saxon finds no comparison.

March 28 this year turned out to be a black Friday for the world of music. William Christopher Handy, the 84-year-old Negro, unquestionably the greatest composer of modern American music, died on that date.

His credits include "St. Louis Blues," "Memphis Blues," and the recently-revived "Yellow Dog Blues." I'd been wondering for a long time when John ("Dinner with Drac") Zacharis meant by "Igor" as I found out, Igor is a mailman-eating dog. I still think that we should have that fabulous recording in the lunchroom; it's so appealing—especially when eating spaghetti.

New one by Perry Come is "Cupid Doll." The lyrics are quite cute, but music—oh well, you can't have everything. In the sickly department there are several records I should like to break, among which are "So Tough," "Billy," and "You Are My Destiny." All should be dunked in Dracula's daughter's swimming pool.

Justice, My Brother

CHAPTER 22
[C]ROUCHING in the hall from Edna's room in one leap and lunged open Edna's door. She was getting into bed and quickly grabbed up her robe.

A sick feeling settled in my stomach. "I can make a good guess, Edna." "It must have been something bad, because he wanted me to wear he'd spent the night here."

In the lobby and he stood up as I barged through. "When there," he said. "If there's a fire, I can carry a bucket as well as the next man."

Perthorn is the name of a breed of draft horses.

Terrific Selling Classified Ads

Nuclear Weapon Test Ban, War Against Batista In News This Week

By CHARLES R. McCANN
United Press Staff Correspondent
The week's good and bad news on the international balance sheet.

President Eisenhower told Soviet Premier Nikita S. Khrushchev this week that the best way to stop tests of nuclear weapons would be to establish an inspection system which would prevent cheating.

Returning to Moscow from a trip to Communist Hungary, Khrushchev said in a speech that the results of his visit were "simply outstanding."

Communist leader, and puppet Premier Ferenc Muesnich. Dispatches from Budapest indicated, however, that the visit was something less than a sensational success.

Another revolt broke out. Apparently Hungarian and other satellite leaders feared the statement might give encouragement to their restive workers.

A nationwide general strike. There were many violent incidents in Havana, the capital, including bombings and gunfire.

French air force bombing of a Tunisian border village from which Algerian rebel gunners had fired persistently at French planes.

France asked establishment of neutral control of the Tunisian-Algerian frontier to prevent the Algerian rebels and weapons convoys from using Tunisia as a base for their operations.

Weather
Fair tonight and Saturday. Cooler tonight, low 55 to 60.

Cuba's Main Rebel Body Isolated In Mountains

HAVANA (UP)—Loyal troops, striking back at insurgents who hit-and-run attacks caused nearly 100 deaths this week, have isolated the "main rebel body" in the mountains of eastern Cuba, the army announced today.

A communique said "many rebels have been taken prisoner and troops patrolling the streets, and persons passing near the Cuban 'White House' were stopped and questioned."

The army admitted for the first time that the power failure in Havana Wednesday was the result of sabotage by rebel dynamiters. The trouble had been planned previously on a "faulty transformer."

Communications between Havana and dozens of provincial cities were still disrupted.

A United Press correspondent who was expelled from Santiago Thursday said the east Cuban city was quiet when he left, with the strike "on the wane."

He said there was some shooting in Santiago Wednesday night but that so far as he knows no one was hurt. Soldiers appeared to be "shooting at shadows" in an attempt to frighten people off the streets.

Pancake Jamboree To Benefit Local Youth

Tomorrow is the big day! At the Sanford Elks Club, members will be serving hot cakes, pancakes, flap jacks, stacks, or whatever you want to call them—all to benefit the youth of Sanford and the area.

The Elks Club is staging a gigantic "Aunt Jemima Community Pancake Jamboree" to raise funds for the many youth activities of the organization. Primarily, funds will go toward providing additional equipment for the playground, in Fort Mellon Park now used by many children.

And the Elks Club is looking forward to supplying equipment for other playground areas in the city so that youngsters may enjoy the healthful out-of-doors recreation they need—and to enjoy it in safety.

Here's what members of the Elks Club will be doing in order that their organization may more fully realize the ambitious program they have set up for youth benefit participation: they are serving hotcakes or pancakes, with sausage, syrup, butter and coffee.

There's a charge, of course, but every penny of the money that will be realized will go toward the youth activities.

Aunt Jemima's Community Pancake Jamboree has been made possible through the cooperation of a number of generous companies. For instance, the Quaker Oats Company is furnishing the Pancake Flour, Sunland Sausage has been contributed, Kraft-Parkay Company furnishes the margarine butter, and you will have Lulabelle Coffee and Pet Milk.

The committee of the Sanford Elks Club has been working hard and long preparing for the day-long event. Members of the group have been practicing with their pancake flipping and cooking.

Holland: 'Loss Of Confidence' Cause Of Recession

Senator Spessard Holland, Senior Senator of Florida, reviewed the accomplishments of a "cooperative Congress" in solving the problems of a nation that "had lost confidence."

Senator Holland spoke at a joint meeting of Sanford civic clubs attended by more than 150 representatives of the clubs, and political organizations. He was introduced by J. Bralley Odham who said "I think he's rendered service so fine... I hope he will be with us for all the years to come."

Mayor Merle Warner welcomed Senator Holland at the luncheon served by the Jaycees, who sponsored the meeting, and presented him with a key to the city.

Senator Holland noted that "in my mind the Navy expects the Sanford Naval Air Station to be a permanent base" and on the Sanford-Titusville Canal told the audience "as usual we're working hard on it. The whole delegation is preparing to be there."

However, as he spoke of the hearing set for April 20, Senator Holland reminded his listeners that "I hope the decision will be a favorable one, but remember, the members of the Silver and Harbors Board are dedicated men and they are the word of final authority."

"Whether it was the launching of Sputniks last fall; whether it was the Russians who had advanced so far; whether it was the International problems; or whether it was disappointment in judicial leadership, legislative leadership—I don't know," said Senator Holland.

"But it was a loss of confidence—that is the thing behind the recession," he said.

In summarizing the events of the recent period, the Senator said there came what we call a buyers strike. It was a reflection of the lack of confidence in ourselves and in our institutions.

However, he emphasized that "I think in the four months there has been a good deal of progress—there has been a demonstration that we can stand together."

Senator Holland pointed out "The record of this Congress, so far, has been the feeling that the American people can stand together in solving important problems."

"Mind you," he said, "we were suffering from the effects of two Sputniks and a delay in launching our own."

In providing new money and new leadership which Senator Holland particularly pointed out were "needed and required" he said "We have been shown that we deteriorated in our defense posture."

"What has been done?" he said "Money has been put to work

that was standing idle, contracts were let on projects to which money had been appropriated. We thought it wise to move ahead in both military and civilian fields."

A new housing bill was passed, an omnibus rivers and harbors bill, highway program stepped back to its previous mark, and \$400 million provided for a greater share in building urban, secondary and primary roads, he explained.

"This year, a completely different record has been made," Senator Holland affirmed, and added "there hasn't been, since I've been in the Senate, such a demerit."

3 Uoff Speakers To Appear Tuesday At Lions Club

More than 130 students from the University of Florida will travel 12,000 man miles next week as they present speeches before 153 high schools and civic clubs.

Three of the speakers will appear in Sanford Tuesday at the noon luncheon of the Sanford Lions Club.

The Florida Blue Key Speaker's Bureau, main spring activity of the campus men's leadership fraternity, reports this is twice as many students making speeches as last year.

Bill Wagner, Lake Worth law freshman and member of Florida Blue Key, is chairman of the annual project.

The student speakers, who will tell the story of the University, will appear before 43 high schools and one junior college. The remainder of their speeches will be before civic clubs.

Appearing here in Sanford at the

TB, Health Assn. To Elect Officers

The annual meeting of the Seminole County Tuberculosis and Health Association will be held Monday night in the Education Building of the First Baptist Church.

Officers will be elected for the 1958-59 fiscal year and a short business meeting is slated to follow.

Mrs. Lorraine Graham, Executive Secretary of the organization, said that following the election of officers and short business meeting, a film "Are You Positive?" will be shown.

The public is invited to attend

Sanford Golfer Tourney Medalist

By Virginia Conn
A Sanford Navy wife who has been playing golf for only six years became low scorer and medalist yesterday in the 29th annual Women's State Golf Tournament.

Mrs. William (Jeanne) Foulk curded a winning 42-36-78 at the Mayfair Country Club during qualifying rounds. The strain of winning was too much for her and she dissolved in tears upon hearing the news.

Mrs. Foulk, 32, has been practicing daily for the championship classic. She almost lost her chance yesterday when her teeshot on the 370 yard 6th plunked into the lake, giving her a double bogey. Two holes later, on the 553 yard 8th, she muffed three consecutive shots.

The tall, slim, brown-eyed blonde was 1967 champion of the Sanford Women's Golf Association, but was dethroned this year by Mrs. Augusta Russell.

Miss Ann Middlemas, 1956 winner of the Florida State Championship, and runner-up last year, was the only one with a chance to tie Mrs. Foulk. The little gal from Panama City lost her opportunity when she took a double bogey six on the 430 yard 18th. Final results: 40-40-80.

In a special ruling, Wednesday's scores were allowed to stand. Rain and wind during the two days qualifying threatened to lengthen the days spent at the Mayfair Country Club. The Men's State Tournament begins next week and the ladies were getting time mighty close.

Two matches were played in one round today, in order to complete the tournament Sunday. The 16 Championship fighters played

All Dogs Must Be Vaccinated

"All dogs in the City of Sanford must be vaccinated against rabies," City Manager Warren E. Knowles said today. "This is required by law," he said, and added that "the vaccination tag must be worn by dogs on their collar or harness."

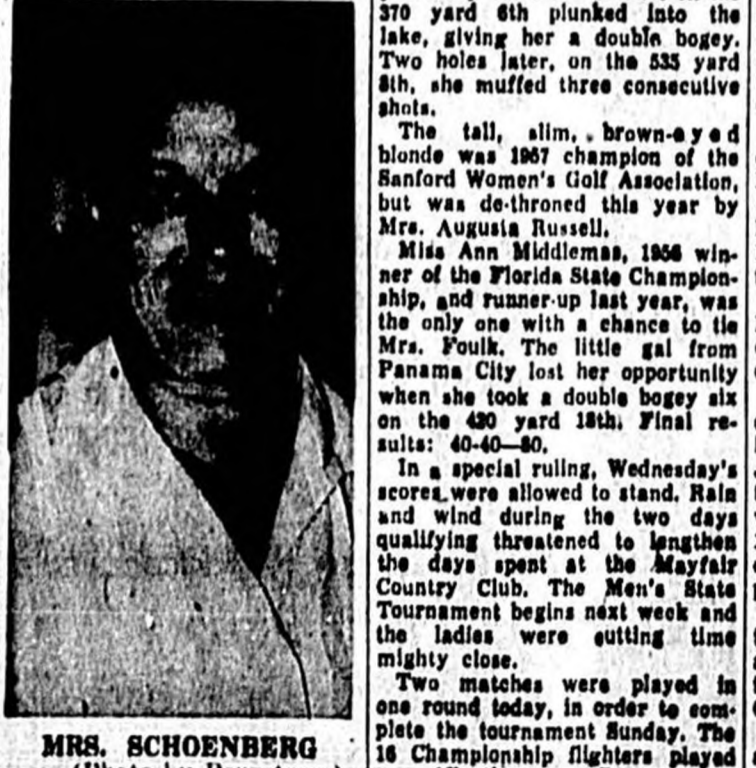

The City Manager said that in order to accommodate dog owners, Dr. Raymond Bass, veterinarian, will be at the rear of the City Hall on April 30 and again on May 7 to vaccinate dogs from 1 to 4 p. m.

"These are the only two days Dr. Bass will be available at the City Hall for the dog vaccination," City Manager Knowles said.

Knowles sounded a warning to dog owners in his announcement, however, when he said that "after June 1, all dogs found without a tag certifying that they have been vaccinated for rabies for the year 1958 will be subject to being picked up by the Sanford Police Department and disposed of."

Knowles said that city license tags for the year 1958 are now available and owners must obtain tags prior to June 1 from the City Tax Collector in the City Hall.

Cost of the license tags is set at 25 cents and the vaccination at

500-Gallon 'Shine Still Confiscated

A 500-gallon capacity moonshine still was found yesterday afternoon by the Seminole County Sheriff's deputies in the Geneva area about one mile off the old Cochran Trail.

The still, hot from use just before being found, is constructed of steel throughout with the exception of the copper condenser coil.

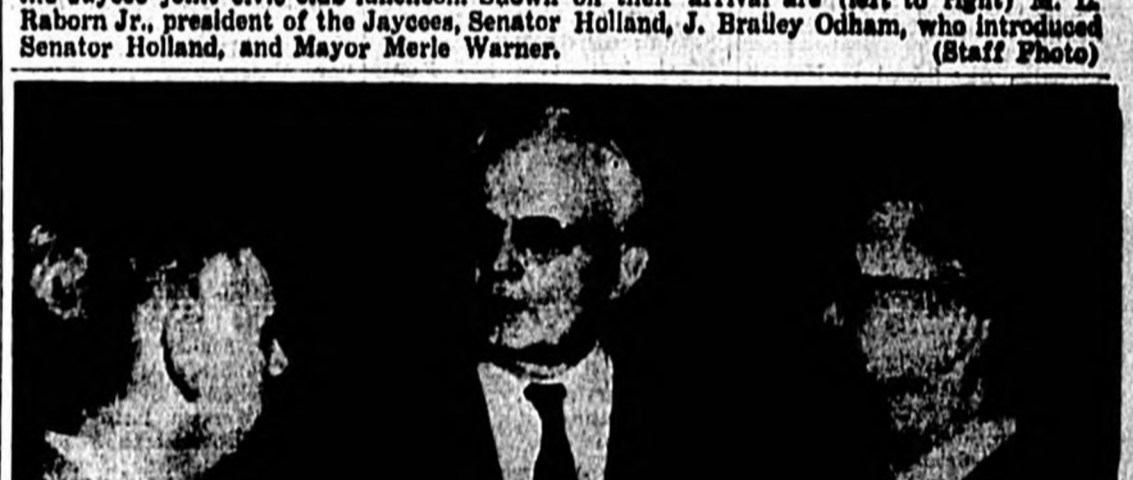

Sheriff J. L. Hobby, at the scene of the still this morning, said that deputies hid in the area since yesterday afternoon when the apparatus was discovered in an effort to take the operators into custody.

"I don't know who the owners of the still are," the Sheriff said.

Deputy Sheriff Marion Driggers, said Sheriff Hobby, discovered the huge moonshine whiskey still. "A run had just been made for the still itself was hot and is still hot now," he said.

Two steel vats holding mash were also discovered. There were 500 gallons of mash fermenting. One of the steel vats was about half full of mash, the other half having been run in the latest operation of the still.

"We are going to dismantle this
