Entry blanks are available at every Sanford Plaza store (listed below). There is no matching, no guessing, no gimmicks. Just sign your name and hope. Winner announced Saturday, June 11th. You do not have to be present to win.

* You May Choose Any Weekend From June 20th On.

The Mind-Changer. (the car built with your safety in mind)

This man thought he'd have to wait another year to get the safety he wanted in a car. But then he examined a Mind-Changing Ambassador. First he discovered that Ambassador has Double-Safety brakes, like Cadillac. He gave its body the once-over and found it to be of solid Single-Unit construction. He examine its Ceramic-Armored exhaust system (the industry's longest lasting). He gave

the other standard safety

physical, too...the padded

features a complete

mirror, seat belts, backup lights, new higher-strength windshield, windshield washers, non-glare wipers. So now he thinks Ambassador (and drives one, too). If you think you'll have to wait another year to get the safety you want in a car, see the Mind-Changer at your American Motors/Rambler Dealer. Every minute of every working day, two more families make their choice a new American Motors car.

American Motors...where quality and safety are built in, not added on.

Be careful with your car-full...
start with a safety check.

It's National Mind-Changing Month at your American Motors/Rambler Dealer. LAKESIDE RAMBLER, INC. 500 East Second Street, Sanford, Fla.

centered on the Surveyor I moon landing, I was watching some pretty girls plant gladiola bulbs at the Pentagon.

The moon landing may have been more thrilling, but there is something deeply satisfying about watching pretty girls plant gladiola bulbs.

The object, of course, is to prevent the nation's capital from becoming a teen-age oasis. But I am wondering if the House duly considered the effect the bill could have on the beautification program.

I happen to live in the suburbs where, because of the age limit barring them from taverns, teen-agers drink beer while riding around in cars.

The object, of course, is to prevent the nation's capital from becoming a teen-age would have been ruined inside.

I still don't see how they put out such a hot fire without flooding the rest of the house.

With men like you and your department it makes it much more pleasant to pay taxes.

The Chinese party purge now appears likely even to surpass that which followed Mao Tse-Tung's "hundred flowers" policy of 1957. "Let a hundred flowers blossom, let a hundred schools of thought contend," proclaimed Mao. The result was disaster for party intellectuals who dared to dispute his dogmatic Communist philosophy.
