REPRESENTING Lawyers Title Insurance Corporation RICHMOND, VA

By Larry Vershei
BOOKS, BOOKS, BOOKS.
That's what the library needs before we talk about a First Street site for the library. Maybe, it will be interesting to see just how much the city appropriates this next fiscal year for the library. For the past five years it's been that same small of pittance. What's the good of having a choice library location without proper books.

AND We have been told that the library will not be opened at night. So what's the good.

THOUGHT FOR THE DAY:
Why doesn't the City fix up the present library site. Say, like looking over the top floor of the library where the magazines are stored. I wonder how many commissioners have been upstairs?

A CONVERSATION WITH EARL HIGGINBOTHAM.
Reporter: It is true what I hear that there's a move on to get rid of Pete Knowles and Bill Hutchison?
Higginbotham: We're not about to get rid of them, regardless of all those "rumors" floating around.
Reporter: Who started this talk?
Higginbotham: That's not important! All I know is I'll never vote for it. They are two of the most capable men we have in city government.

The County Commission might just as well take down that \$20 sign in the chambers which reads "please limit discussion to 20 minutes." It was obsolete Tuesday.

Youngsters celebrating "Youth Government Day" were at the county chambers Tuesday during the meeting and one officer of the Seminole High Student Council got up before the board and asked when the county was going to pave the access road to Seminole High School. Of course, the youngster was told the board had approved the project.

Why, O Why, won't our kids take more of an interest in local government? That paving project was one of the leading stories in your favorite newspaper three weeks ago.

Commissioner John Fitzpatrick has taken over the super-human task of eliminating chinch bugs from the grounds of the county jail. John never did say how he was going to do it.

Did you notice that the City fathers in the "city clean-up" of dilapidated, unsanitary and unsafe houses are still working on the SINGLE story structures? . . . And in the business district "fringe" area? . . . Just you wait; they've already told you that the Palms Hotel is on their list. . . But that is a THREE story affair. . . And it is right down town! . . . Has it to wait its turn after the TWO story houses. . . And their "clean up the Palms (hotel), not hands, that is) promise is ONLY about six months old. . .

Yesterday ACLRR had a swinging blade—and a man to swing it, of course—cutting down the weeds in front of the old freight station at Myrtle and First. . . Cleaned up those unsightly palm fronds, too. Sure, it looks better!

Now when are the shrubs and the grass going to adorn the plot?

Oh yes, and speaking of Tom Rice's railroad, that tooth-jolting crossing at fifth and Elm got a sprinkling of asphalt, so that now the "shake - rattle-and-roll" of our '32 Maxwell doesn't shake the teeth out of our mouth — just the filling out of our teeth. . . You see, it is better.

No doubt all of Bob Bessler's hospital's two dollar bills will each have a corner torn off. Just to ward off bad luck, you know.

Tempers Flare At 7½ Hour Commission Meet

The County Commission met in what turned out to be a routine business meeting for the first five hours Tuesday but, after the board adjourned, had supper and came back, tempers flared as one commissioner charged another with settling county business in a car instead of at a public meeting.

An angry James P. Avery shouted at Dunn "You seem to spend more time in my district than in your own. Why wasn't I invited? Why do we even come up to a public meeting when you settle every item in a car?"

The board authorized Clerk Arthur Beckwith Jr. to return a \$6,000 participation project check to the developer of this property.

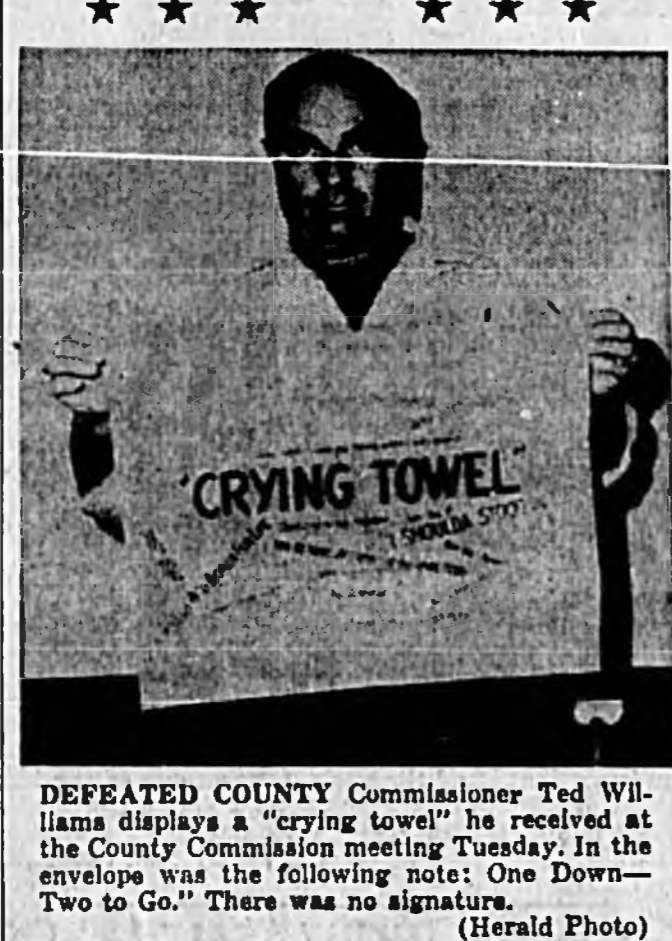

Commissioner Vernon Dunn wanted the whole amendment rescinded and the zonars to start "anew" but, the board turned thumbs down on this request.

Avery called on Road Superintendent J. C. Lavender to answer if that part of the county had been neglected.

LISTENED to a petition from the Casselberry Town Council asking that Winter Park Dr. and Seminole Blvd. be designated as municipal connecting links and after the usual hassle with Dunn objecting to Winter Park Drive, the board turned the matter over to Attorney Harold Johnson pending a joint meeting between the Casselberry attorney and raceway officials on financing the four-laning project into the raceway.

AGREED TO get a list of registered insurance people in the county so the commission could start rotating members of the insurance committee.

HEARD a complaint about unsightly condition of a junk yard on Hwy 17-92 south of Longdale but took no action after Avery said "our legislative delegation was supposed to get some legislation but we never heard about that."

DEFEATED COUNTY Commissioner Ted Williams displays a "crying towel" he received at the County Commission meeting Tuesday. In the envelope was the following note: One Down—Two to Go. There was no signature. (Herald Photo)

The Sanford Herald

WEATHER: Fair through Thursday. High today, 90-95. Low tonight, 60-65.
VOL. 53 United Press Leased Wire Established 1903 WED., MAY 16, 1962 SANFORD, FLORIDA NO. 453

Chase And Company Cited For Violations Of Labor Act

A summons was served on Chase and Company, Randall Chase and Clyde Ramsey, on May 3, notifying them of a hearing concerning their alleged violations for the Fair Labor Standards Act by the Federal Marshall's office in Orlando, it was learned today by the Herald.

The plaintiff in the case is Labor Secretary Arthur J. Goldberg.

Goldberg, in the charges, seeks injunctive relief to prevent any further violations by the defendants.

In a statement this morning company president Randall Chase declared, "We have no objection to being asked to obey the law. As far as we know we are law abiding citizens and want to remain so, and any violations of the law, if there are any, have been

entirely unintentional on our part."

It is alleged in the complaint that the company failed to pay the minimum wage of \$1.00 per hour prior to September 3, 1961, and the minimum of \$1.15 subsequent to that date.

It is also spelled out in the complaint that the company failed to compensate their employes for overtime at the rate required by the act which is the usual time and a half for anything over 40 hours work per week.

According to the acting deputy clerk of the Federal Court in Orlando the charge was filed with the Department of Labor office in Birmingham, Ala., and the Orlando Marshall was ordered to serve the summons. The defendant company, President Chase and Secretary Ramsey have until May 23

to file their answer and as of this morning had not done so.

The hearing will be held before the Court in Chancery which will decide on the sufficiency of the charges and rule on whether or not to issue the injunction sought.

The company is also alleged to have failed to keep all the records required under the act for companies engaged in interstate commerce.

The office of Congressman Syd Herlong called the Herald this morning from Washington and said the action against Chase and Company here was concerned with the interpretation of certain parts of the Fair Labor Standards Act having to do with exemptions pertaining to particular classes of agricultural workers.

Peaceful Laos Settlement Seen

WASHINGTON (UPI)—Hope for a diplomatic settlement of the Laos crisis rose slightly here today with Russia's renewed pledge to support a cease fire and creation of an independent, neutral government in the strife-torn Southeast Asian kingdom.

Top officials, however, warned against any undue optimism. They pointed out that Communist intentions in the area still were far from clear.

Combat Planes From U.S. Land In Thailand

BANGKOK, Thailand (UPI)—The United States started landing combat planes in Thailand today to reinforce this country's defenses against communism. A U. S. Embassy spokesman said 1,800 Marines would be landed within the "next 24 to 36 hours."

Communist China reacted with a warning that its people "cannot remain indifferent" to U. S. military moves in Southeast Asia. The wording recalled similar declarations in September, 1950, a month before Red China entered the Korean conflict. At the time the Peiping regime was only a year old.

Interior Minister Gen. Praphas Charusathing said the American troops may be joined by troops from other members of the Southeast Asia Treaty Organization (SEATO) if the situation grows worse.

Already taking up positions near Thailand's northeast border with Laos were 1,000 American soldiers who have been here for a month.

The American decision to send troops into Thailand, with the blessing of the Thai government, resulted from attacks by pro-Communist rebels in northwestern Laos which drove the royal Lao-Lao army across the Mekong River into Thailand.

Communist China's reaction came in a commentary in the official Peiping People's Daily newspaper, quoted by a Peiping Radio broadcast.

Bulletin

WASHINGTON (UPI)—Senate investigators disclosed today that Billie Sol Estes has been subpoenaed to appear at congressional hearings on his shattered Texas farm empire and the possible involvement of Washington officials.

Estes Connected Official Fired

WASHINGTON (UPI)—The broadening wake of the Billie Sol Estes case has towed under another administration official.

The Agriculture Department Tuesday night fired former Assistant Secretary James T. Ralph because of his alleged dealings with the indicted Texas farm magnate.

Ralph was the fourth administration official to lose his job in the furor over the government's dealings with Estes.

But Republican demands for Agriculture Secretary Orville L. Freeman's resignation brought a ringing endorsement of the cabinet officer Tuesday night from President Kennedy.

Shortly afterwards, Freeman announced Ralph's dismissal.

Freeman said the Justice Department told him it found that Ralph had made long distance telephone calls charged to Estes' credit card.

Jet Crashes

JACKSONVILLE (UPI)—A Navy A4D Skyhawk jet bomber crashed into a wooded area south of here Tuesday, killing the pilot.

The Navy said Tuesday night it was withholding identifying the pilot until his next of kin had been notified.

The Navy did not release details of the crash.

The jet crashed near Orange Park. The pilot was attached to Attack Squadron 64 at the Jacksonville Naval Air Station and was on a routine mission.

New Wave Of Terror Spreads Across Casbah

ALGIERS (UPI)—The outlawed Secret Army Organization today fired at least 15 mortar shells into the heavily-populated Moslem Casbah quarter today and spread a new wave of terror across Algeria.

First reports from the Casbah said there were "several victims" but no exact casualty figures were immediately available.

At least 20 persons were killed and 18 wounded by terrorists in other attacks in Algiers and the western port city of Oran, as the OAS moved through the second day of a campaign of retaliation for Monday's attacks on Europeans.

As the wave of violence spread the French government in Paris ordered the mobilization into the army of all European youths in Algeria between the ages of 18 and 21. The move was aimed at keeping the youths under government control and preventing them from joining the OAS.

The mortar attack occurred at 1:30 p.m. after a morning of violence in Algiers and Oran which left 23 persons including four women dead.

The new slayings raised the casualty toll from terrorist violence since Jan. 1 to 4,822 dead and 8,654 wounded.

Seminole College Planning Starts

By Ginny Skislik
Officials involved in construction of the new University of Orlando met at the North Orlando building site Tuesday afternoon to begin land planning and engineering studies.

The property location embraces that area lying from N. Fairfax Ave. to N. Sherry Ave. north of Orlando Blvd. all the way to SR 419 and from Moss Rd. to Hayes Rd. back to the utility easement south of the boulevard.

Present for the Tuesday meeting were Morris J. Hale Jr., president of Orlando Junior College; B. Robert Swartzburg, president of the North Orlando Co.; John Schwartz,

general manager of the company; Frank Dodd, trustee of the college; William Duetzsch, vice president of Horizon Homes, Inc.; Frank Fasula, Mayor of North Orlando, and John Krider, director of the Seminole County Chamber of Commerce.

Krider, speaking for the county, expressed gratitude to the college and company men for their part in locating the university in this area.

"Seminole County does not yet realize the importance of the college which I consider to be one of the biggest advancements ever made and one which will open up a whole new frontier for our educational and industrial advancement," he told the group.

Construction planning and engineering on the new facility is scheduled to get underway immediately with actual building to start late this fall.

Opening date for freshman classes has been set for the fall term in 1963.

Class To Register

Registration for the Enterprise School Kindergarten Class will be open at the school on Thursday from 9 a. m. until 10:30 a. m. and from 1 p. m. until 2:30 p. m. Birth certificates will be required.

A Warning

SONOMA, Calif. (UPI)—Adm. Charles M. Cooke Jr., USN (ret.) former commander of the U. S. 7th Fleet and a military-political strategist with a remarkable record of accurate prophecy, said today that if the Communists are not stopped in Laos and South Viet Nam they will continue toward conquest of all Southeast Asia.

South Seminole Fifth Graders See Marineland

MRS. GEORGE SHIERLOCK'S fifth grade class at South Seminole Elementary School prepares to board a chartered bus for a day of fun and adventure at Marineland. With the students are Mr. and Mrs. Shierlock and daughter Barbara and bus driver Warren Eades of Orlando.

(Herald Photo)

By Jane Casselberry
Mrs. George Shierlock, fifth grade teacher at South Seminole Elementary School at Casselberry, took her class of 25 boys and girls on an excursion to Marineland last Saturday. Leaving the school at 8:15 a. m., they returned late in the afternoon.

Also accompanying the group was her husband, George Shierlock and their daughter, Barbara. The class made the trip in air conditioned comfort aboard a chartered Greyhound bus driven by veteran driver, Warren Eades of Orlando.

To avoid lost strays, the youngsters used the "buddy" system while touring the attraction where they enjoyed watching two shows put on by those lovable clowns, the porpoises, and met all the funny inhabitants in the large tank.

They drove north a few miles to Anastasia State Park located on the ocean near St. Augustine, where the ate picnic lunches. Two of the students generously shared their lunches with the driver who didn't come prepared. Mrs. Shierlock reports that it was a day well spent and the children enjoyed every minute of it.

Garden Club Meet

The Sanford Garden Club meets at the Civic Center Thursday at 12:30 p.m. for the final luncheon meeting, installation of officers and crazy hat show.

Carpenter Eases Through Dry Run

CAPE CANAVERAL (UPI)—Astronaut Scott Carpenter eased through a successful dry run of his orbital mission Tuesday to move one step closer to his Saturday, date with space.

Space agency officials indicated they were well pleased with the 5 1/4-hour dress rehearsal, but today they planned a more thorough look at all phases of the mission—

booster, capsule, astronaut, weather, and tracking and recovery operations.

Although any number of snags could develop during the critical checks remaining, things were pronounced in

generally tip-top shape after the dummy mission. The main question mark was the weather.

There was a possibility that either rough seas near Ber-

muda or cloudy skies over the launching area could interfere with plans to rocket the 37-year-old Navy lieutenant commander toward his three-orbit journey between 7 a. m. and 12:30 p. m. EST Saturday.

Carpenter, fit, tanned and cheerful, donned his working clothes—his silvery pressure suit—for the dry run and climbed into his Aurora-7 spacecraft about 8 a. m.

You fill both faster when you shop at A&P

And what a thrill it is to fill them. Easy, too. Because while you're saving cash at A&P to fill the bankbook, you're saving Plaid Stamps to fill your Plaid Stamp Saver Books. Those filled Saver Books let you choose from the world's biggest selection of gifts—3,076 wonderful gifts—yours for being a wise and thrifty A&P shopper. Imagine! You get A&P's famous quality foods, cash savings and now you get Plaid Stamps! Start saving Plaid Stamps at A&P today.

Club Hears Traffic Report In Altamonte

By Shirley Wentworth
Members of the Altamonte Springs Garden Club meeting last Thursday in the Community Building on Maitland Ave. heard Sgt. Vince Smallwood of the Florida Highway Patrol as guest speaker for their monthly session.
Smallwood, speaking on the state's high death toll record due to traffic accidents, reported that 1,204 were killed last year and 40,000 injured in auto accidents, most of them preventable.
He reminded that this year the state already has a head start towards making the fatality and accident record even higher.
Club members also saw the Bob Hope narrated film, "Chain Reaction," which deals with freak accidents and received brochures pertaining to recent changes in state traffic laws.
The highway patrolman conducted a question and answer period to conclude the program.
Among this month's supper chairmen were Mr. and Mrs. George Hearn who replaced Mr. and Mrs. W. R. Waggoner, unable to participate due to illness in their family.
Next month's meeting, final of the current season, will be in the form of a family picnic to be held at the Altamonte Springs Park beginning at 6:30 p. m. on June 14. Mr. and Mrs. Ronald Masten will be supper chairmen.

Civil Employee Chapter Plans Installation

By Jane Casselberry
Ray Lilley, member of the law firm of Lilley and Lilley of Orlando, will address members of the Winter Park Chapter of the National Assn. of Retired Civil Employees at its meeting to be held in the S and S Cafeteria at noon Thursday.
He will speak on the topic, "Law Day, USA." In addition to the program and regular order of business, newly elected officers of the chapter will be installed.
They are president, Carl Settle, 541 Hibiscus Rd. Casselberry; first vice president, Roy C. Potts, 1936 Fawcett Rd., Winter Park; second vice president, Mrs. Emma Ashworth, 531 Melrose Ave., Winter Park; secretary, Frank J. Lucey, 240 Fern Dr., Casselberry; treasurer, Vincent H. Williams, 1611 Mayfield Dr., Winter Park.
National Field Vice President Victor Fuchs of Lake Worth, will act as installing officer. All retired Federal Civil Service Employees are invited to attend.

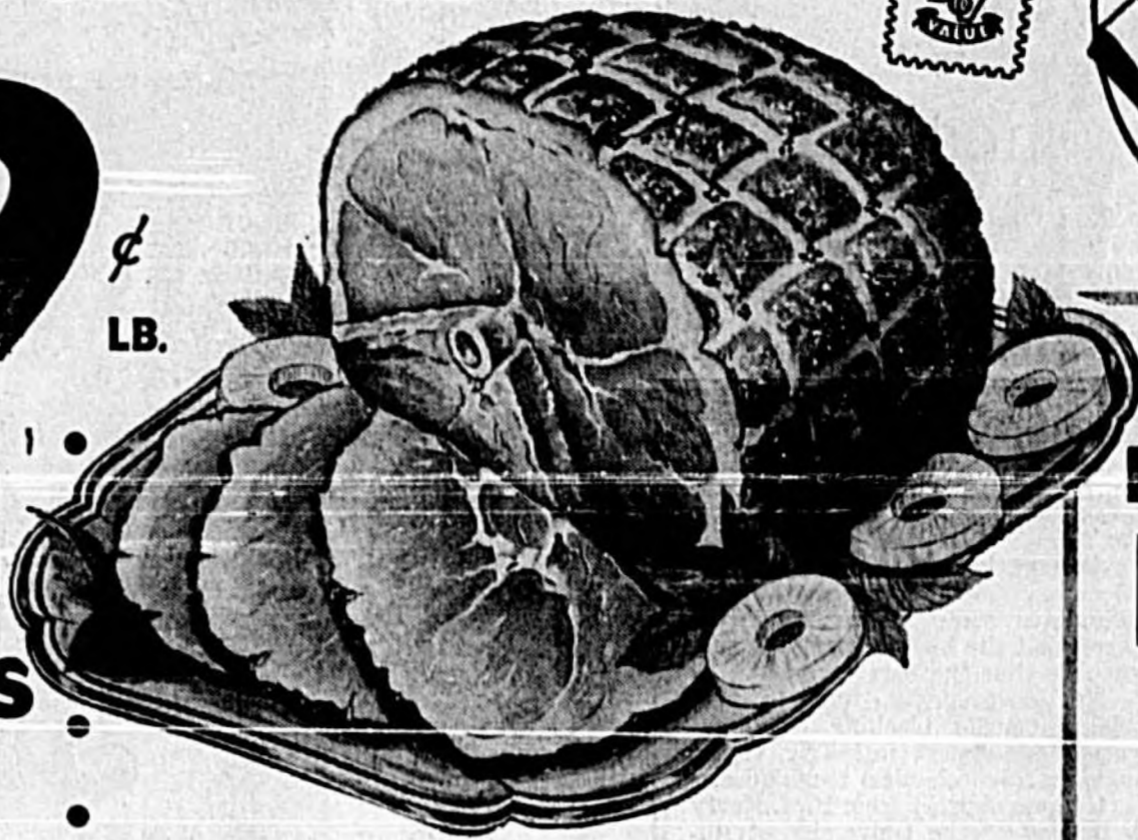

Legion To Meet
American Legion Memorial Post 256 of Casselberry will meet at 8 p. m. Friday at the Town Hall.

Job Well Done

Saturday morning Jimmy Bell died.

A week ago Monday he had reported to work at the local plant of the Standard Oil Company. The cause of death was burns suffered in fighting the fire at his employer's plant Thursday night.

Jimmy LaDon Bell, 18, died because he had a sense of duty toward

his employer to protect the property. By projection his sense of duty also compelled him to protect the community of which he was a new member.

Mr. and Mrs. J. R. Bell, of Elba, Ala., can be proud of their son. Sanford should also feel a bit of pride because a boy of his stature lived among us and was willing to make our town his home.

Thinking Ahead

Scratch a leader in government or business today and you will usually find a man who complains he hasn't enough time to think. He is too busy doing things to reflect properly on what he is doing.

Implicit in these quite common responses is the conviction that vigorous, inventive thinking is a vital part of leadership, and of the general pursuit of excellence which is being urged upon us all.

But while our leaders bemoan the pressures on their time, educators continue to argue over how to teach good thinking and, particularly, how to improve thinking habits and techniques.

A few decades ago, there was a revolt of sorts against schooling that seemed to stress the mere acquisition of information. Educators like Robert M. Hutchins said the important thing was to teach people to think—and the way to do that was to expose them to the best thinkers and the best ideas in history.

Now this general approach, in its turn, is being seriously questioned. A Harvard University professor of psychology, B. F. Skinner, regrets that so many teachers today are "usually concerned with reproducing the characteristics and achievements of already educated men."

Skinner, a pioneer in the field of

modern teaching machines, sees far broader "thinking horizons" for mankind:

"When the nature of the human organism is better understood, we may begin to consider not only what man has already shown himself to be, but what he may become under carefully designed conditions.

"The goal of education should be nothing short of the fullest possible development of the human organism."

Skinner has plenty of company. Educators meeting in a Washington conference some months back declared that the human brain is a rich resource thus far barely tapped.

Not surprisingly, Skinner puts prime hope in teaching machines, with their almost infinitely varied audio-visual-mechanical techniques.

He gets support from Prof. Harry S. Broudy of the University of Illinois, who suggests that machine methods may advance so far that the "teacher of the future may be well advised to simulate the machine..."

The teaching machine's role in tomorrow's education is, of course, far from settled. But if the machine's advocates are anywhere near right, then we may one day get a crop of leaders who can think so well that they can even contrive the time for thinking.

Dr. Crane's

Worry Clinic

Eileen is a victim of stage fright. But she can soon become a talented public speaker by following the suggestions below. And memorize the DeWitt Wallace formula. A lot of erudite college professors are still very poor speakers because they haven't discovered the simple strategy for handling an audience.

CASE M-421; Eileen D., aged 16, is a high school junior. "Dr. Crane," she timidly began, "I am in a speech class, but I am so shy that I blush and can hardly open my mouth to say a word.

"And my hands tremble so much, I can't read my notes so I will fall the course unless I can grow calm. What can you suggest?"

First, reassure yourself by

realizing that everybody suffers from stage fright at the outset.

Even we professionals on the lecture platform are keyed up, too, though we may have spoken before literally thousands of audiences.

To avoid showing your tremor, however, don't hold your notes in one hand. Instead, take hold of the sheet firmly with both hands and then gently pull in opposite directions.

This will stop the rattling of the paper (or your music) and though you are still jittery, at least you will not advertise that fact to the audience.

Pick out your speech title, much as a clergyman selects a text for his sermon.

Then try to illustrate it with cases or stories from your lo-

Phil Newsom Says . . .

Same Old Story For Djilas!

In a courtroom located in an old three-story building beside a church in Communist Belgrade, a handsome, gray-haired man with burning eyes played what for him is a familiar role.

For Milovan Djilas, conviction Monday brought a four-year prison term.

Djilas is Yugoslav communism's great dissenter, whose written criticisms of Yugoslav and Soviet communism have made him a more familiar figure to the West than when he was Marshal Tito's closest friend and vice president of Yugoslavia.

The latest charges against him have been described only in the vaguest of terms but they spring from his new book, "Conversations with Stalin."

The Yugoslav party newspaper Borba in which Djilas once wrote as a trusted translator of Communist theory, accused him of writing the book "with the intent and purpose of being one of the instruments in the cold war."

For the dedicated Djilas it was an old story.

In 1963 he was regarded as one of the most outstanding of Yugoslavia's young leaders and the most likely heir to Tito.

But in that year also he wrote a series of articles which suggested that the Communist party no longer was essential to the final victory of socialism. He had become influenced by Western thought, particularly that of the British Labor party.

For that sin, he was stripped of his government and party positions.

In 1955, he declared that the heavy hand of Communist bureaucracy had halted Yugoslav progress toward democracy. For that he received a year and a half suspended prison sentence.

Then came the greatest defection. In 1956 he wrote: "The revolution in Hungary means the beginning of the end of communism generally."

A three-year prison sen-

tence followed, but in the very next year came "The New Class" which continued Djilas' indictment of communism and added seven more years to his prison term.

When Yugoslavia released him from Sremska Mitrovica prison in January 1961, he promised to refrain from activities which would bring him into conflict with the nation's law. In April, as result of his new book, he was arrested again under a law passed only a month before.

To a warning that return to prison impended, he is supposed to have replied: "Do what you will. I write what I have to write."

The last eight years of Djilas' life have marked a sharp change in his idealistic man who as a youth served a prison term as a revolutionary and who fought for communism as determinedly as he now criticizes it.

Djilas' sin is that he demands the right to think for himself.

In the Communist book, it is a cardinal sin.

Dear Abby: By Abigail Van Buren

DEAR ABBY: I strenuously disagree with your advice to NO CHOPIN. There is no better way to kill a child's interest in music than to force him to take lessons and practice when he would rather be doing something else. As a boy I had considerable talent and might have made music my career, except for the seven years I was forced to take lessons. This prevented me from ever becoming a decent pianist. I think "No Chopin" should be allowed to forget the piano until he has a natural desire to take it up.

MIGHT-HAVE-BEEN CHOPIN

DEAR MIGHT: The best years for learning are the youthful years. And if children are permitted to put off the study of math, science, history, grammar, religion AND music until they have a "natural desire" to learn, many would never learn. I would like to know how a child with musical talent can develop it without instruction and practice. And so would millions of parents.

DEAR ABBY: We have a problem with our women's bowling league. We want to know how long a woman, who is pregnant, should be allowed to stay on the team. We want to set down a rule, but find it very

difficult. Can you, or any experienced lady bowlers help us?

LADY BOWLERS

DEAR BOWLERS: The very thought of a pregnant woman bowling makes my back ache. Why must you have a rule? Let each pregnant bowler bow as long as her doctor allows her to.

DEAR ABBY: Congratulations on your opinion of the athlete who cried when he lost. You said, "There are no good losers. Just good actors." Having participated in, coached and watched athletic competition for almost 30 years, I can back you up. The old cliché, "It doesn't matter if you win or lose, but how you played the game," makes about as much sense as the doctor saying, "It doesn't matter if you live or die, but how I perform the operation."

Very truly yours
BERKELEY

DEAR ABBY: I enjoyed the discussion pro and con in your column about double beds and twin beds. My husband kept complaining that I was too fat and I crowded him in our big double bed. So he went out and bought twin beds. Now he sleeps with me in MY twin bed because he gets "lonesome." REALLY CROWDED

Jacoby On Bridge By Oswald Jacoby

The hold up play is designed to cut the enemy's lines of communication. The play usually is made when the contract is no-trump but on occasion it should be made when there is a trump.

West opens the five of spades against the four-heart contract. South studies the hand and notes that if everything goes well he can take that spade trick, draw trumps, finesse for the king of clubs, discard his two spade losers on dummy's long clubs and eventually lose one trick to the ace of diamonds.

He realizes too that the club finesse may not work. In that

NORTH			SOUTH (10)		
♠ 7	♥ 10	♣ 10	♠ 8	♥ 5	♣ 10
♦ 10	♠ 10	♥ 10	♦ 10	♠ 10	♥ 10
♠ 10	♥ 10	♣ 10	♦ 10	♠ 10	♥ 10
♠ 10	♥ 10	♣ 10	♦ 10	♠ 10	♥ 10
♠ 10	♥ 10	♣ 10	♦ 10	♠ 10	♥ 10

club, two spades, and the ace of diamonds.

Because finesse don't always work, South should duck that first spade. If West started with four spades the hold up play will do no good, but if this case West started with five.

South takes the second spade, draws trumps and tries the club finesse, just as he would have done without the hold up, but there is a difference. When East takes his king of clubs he has no way to put his partner in the lead. He can only take the ace of diamonds and hold South to his contract.

We The Women: By Ruth Millet

With high school or college graduation behind them, thousands of girls will be out looking for their very first jobs in June.

A lot of these young, inexperienced girls apply for work there will be other applicants after the same job.

When the educational background is about equal what is going to tip the scales in favor of the "lucky" girl who is hired?

There is a world of difference between wanting a job and wanting to go to work. The girl who just "wants a job" is likely to act dismayed or disinterested when told what skills the job will require of her. The only thing she seems to want to know about the job she is applying for is what the hours are, how much she asks.

It will pay, and what she can expect in the way of vacations and time off.

Letters To The Editor

Dear Larry,
You recently commented on the property assessment situation in Seminole County. I have been hoping that you would follow up your remarks by looking deeper into the problem.

Our present millage rate was established after a reappraisal of county property by a commercial firm in 1959-60. The new millage and property assessment values were effective for 1960 taxes. The problem arises in that many properties are appraised properly at full value and a great

many are not. This is true of both residential and unimproved property and can be confirmed by persons not experienced in property appraisals. Whether this resulted because the firm employed by the county did a bad job, or the Assessor's office has failed to adjust obvious discrepancies, is a matter of opinion.

Upon completion of the original reappraisal in 1960, the new values were available to property owners to view and file protests if they did not agree with the results. However, it is obvious that owners assessed much lower than the actual value figures would not complain, and the ones assessed on the basis of actual market value assumed that all other owners were appraised at actual market value.

Very truly yours,
Ned Julian

The county has lost thousands of tax dollars in 1960 and 1961, and will continue to lose them at a time when they are most needed for school and road improvements. To illustrate the point, consider a residence I am familiar with which is presently valued on the assessor's record at \$12,000 and was taxed at that figure in 1961. The actual conservative value of the property is about \$22,500. This represents a tax loss of over \$120 to the county. Another one is assessed on the basis of \$17,000 and can be conservatively valued at \$27,000 plus or another loss of \$102. I suspect this situation may be even more obvious concerning unimproved and agricultural acreage.

Q's and A's

Q—What are the two extremes of Great Britain?
A—Land's End and John O'Groats.

Q—Who was the first Catholic bishop in the United States?
A—John Carroll, in 1788.

Q—For whom was the Noa, the destroyer that picked up Colonel Glenn and his capsule, named?
A—In honor of Midshipman Loveman Noa of Chattanooga, Tenn., who was stabbed to death by Filipino insurgents while scouting for smugglers of war contraband in 1901 on the island of Samar.

Publix Markets of Lakeland, Florida, was awarded the McCall's trophy for "Best National Brands Promotion Ad" and "Best Special Events Ad" for 1961 today during the Super Market Institute's 25th Annual Convention. Publix Markets, one of 12 super market chains in the U.S. and Canada honored for "outstanding newspaper advertising," took both of these awards in Group A, representing those stores whose annual sales volume totals more than \$10 million. The awards were presented by Val Riordan, Food and Grocery Products Advertising Manager for McCall's magazine, at Convention Auditorium, here.

"Ad-of-the-Year" honors went to two chains, Red Owl Stores of Wisconsin, Minnesota and J. B. Dillon & Sons Stores of Hutchinson, Kansas. As grand champions of the year, they were each recipients of a \$1,000 McCall's Marketing Scholarship.

Two trophies, handsome rosewood trylons, were presented in each of six categories, to stores classified in Group B (sales volume of less than \$10 million per annum). The categories included "Best Meat Ads," "Best Pictorial Foods Ad," "Best National Brands Promotion Ad," "Best National Brands Image Ad," "Best Special Events Ad" and "Best Store Image Ad."

SCIENCE HEAD—Dr. Frederick Seitz, 50, has been elected president of the National Science Foundation. Seitz, chief of the physical department of the University of Illinois, will succeed retiring Dr. Detlev F. Bronk on July 1.

Semi-Centennial Committee Holds First Meeting

Members of the Seminole County Semi-Centennial Committee met Monday for their initial "brainstorming" meeting in connection with the 50-year celebration scheduled for April, 1964.

Committee members, under the chairmanship of George Touhy were selected by Chamber of Commerce President Richard Deas as being representative of various sections of the county and for their diversity of interests, both in business and civic life.

This nucleus committee is expected to form the basis for specific working committees which will undertake the events, activities and entertainments which will take place at the giant county-wide celebration.

It is expected that various civic groups will be eager to promote special features of the centennial.

The committee heard many suggestions from the members and these will be studied, sifted and "firmed up" to outline the events. The group is giving special consideration to extending the date to encompass a three-day celebration.

Planning with Chairman George Touhy are the following committee members: Gen. J. C. Hutchison, Robert Besserer, Gordon Bradley, Randall Chase, Mayor J. H. Crapps, Mrs. Pat Drabik, Paul Lewis Jr., B. L. Perkins Jr., F. E. Roumillat Jr., Garnett White, Edward F. Lane, Mayor A. R. Lormann (Longwood), Mayor Lawrence Swofford (Altamonte Spgs.), Mayor Frank Fasula (N. Orlando), Mayor M. L. Gary (Oviedo), Mayor Carl Stoddard (Casselberry), Arthur Beckwith Jr., E. C. Harper Jr., W. G. Kilbee, (Geneva), Frank Evans, Roy Williams, Jack Fox, Mrs. Roy Mann and Mrs. F. E. Roumillat Sr.

Comedy Set Thursday at Playhouse

"The Remarkable Mr. Pennybacker" opens Thursday at the Orange Blossom Playhouse on Hwy. 441 in Orlando. John Mayo, director, has taken over the acting chores of the title role. The Lian O'Brien comedy will play through Sunday with a matinee on Saturday and Sunday. Others in the cast are Ginny Cortez, Paul Daren, Curtis Dunaway and Alice Beth Miner, plus 28 children. Tickets for the summer shows at the Playhouse are reduced in price. Curtain goes up at 2:30 p.m. for matinees and 8 p.m. for evening performances.

UF Professor Receives Award

GAINESVILLE (UPI)—University of Florida chemistry professor Dr. John F. Baxter has been selected one of the six most outstanding chemistry teachers in the United States and Canada by the Manufacturing Chemists' Association. He will receive a citation and a check for \$1,000 at White Sulphur Springs, W. Va. June 7.

DOCTOR OF DANCE—When "The Interns" hits theater screens, Michael Callan will be featured as Dr. Alec Conscience, a charming heel who is quite an "operator" with the girls. Callan will dance through his personal appearance tour in the way he became a top-notch in Broadway's "West Side Story."

Lake Brantley Church Unit Has Supper

By Shirley Wentworth
The Lake Brantley Unit of "The Twelve" of the Lockhart Methodist Church met at the home of Mr. and Mrs. Harry Peycke last Saturday at 6 p. m. for a barbecue supper. Rev. Jim Ridgeway, pastor of the church, presided for a fellowship hour following the supper and closed the study and discussion period with questions and answers. Those attending were Mr. and Mrs. Dick Morrison and children, Toni, Donna and Pat; Mr. and Mrs. Harold Torrey and children, Jimmy and Patty and Mr. and Mrs. Oliver Layman and sons, Terry and Timmy. Meetings of the unit are held every other month with the next set in July when a covered dish supper will be held at the beachfront property of Mr. and Mrs. Layman.

WCF Circles Plans Sales In Chuluota

By Carol Jepson
The Dorcas and Priscilla Circles of the Women's Christian Fellowship of the Chuluota Community Church will sponsor a combination rummage and cake sale at the Community Shopping Center Friday and Saturday. Pies, cakes, cookies and coffee, in addition to the rummage items, will be sold from 10 a. m. until 5 p. m. on both days. Proceeds will be used to benefit the church building fund.

CURVED BARS were won by these Girl Scouts. They are Adriana Wietsma, Sue Jalliet, Lu Jalliet on the front row. Back row are Pat Smith, Vicki McArdle, Susan McCaskill, Cheryl Jones and Linda Wilson. (Herald Photo)

Girl Scouts Hold Awards Banquet

Girl Scouts and troop leaders of Neighborhood II were hostesses Saturday at a Mother-Daughter banquet at the Lake Mary School cafeteria, attended by 358 girls and mothers.

Each troop had set up its own tables and vied in the decoration of them to outdo each other in centerpieces, place mats, place cards and favors. A covered dish supper of fried chicken, tossed salad, potato salad, baked beans and cupcakes was served.

Following the dinner, a program was presented on the stage of the cafeteria with each troop taking part with a specially prepared skit, activity or ceremony. Mrs. Mildred Lind, chairman of Neighborhood II served as

mistress of ceremonies. Highlight of the evening was the presentation of a certificate of appreciation to Mrs. Irene Smith, troop consultant and leader of Troop 296, who will be leaving soon for Navy duty in Japan. The presentation was made by

Denominations Near Merger

WINSTON-SALEM, N. C. (UPI) — Southern Presbyterians voted unanimously Tuesday in favor of exploring a possible union with the Reformed Church in America, a Dutch-background group with a membership of around 250,000 in New York, New Jersey, the Midwest and Canada.

At the same time, the 102nd general assembly of the Presbyterian Church, U. S. (Southern) rejected by a 192-154 vote a proposal to consider merging with the three-million member United Presbyterian Church, U.S.A. (Northern). The two Presbyterian bodies split during the Civil War and a move to reunite them in 1954 failed.

Mrs. Randall Chase, vice president of the Citrus Council.

Receiving their Five Point Award Badges were Senior Scouts Judy Wilkins, Darlene Knight, Karen Green and Cheryl Williamson.

The highest award of Girl Scouting, the Curved Bar, was received by Adriana Wietsma, Sue Jalliet, Lu Jalliet, Pat Smith, Vicki McArdle, Susan McCaskill, Cheryl Jones and Linda Wilson.

Making First Class Scout were Linda Wilson, Linda Conn, Nona Butler, Nancy Rodgers, Susan Stein and Martha Kosky.

United Press International
The San Francisco Giants' rivals may have forgotten about soft-spoken, soft-throwing Stu Miller, but manager Alvin Dark hasn't.

Miller, the little relief ace who had a 14-5 record and 2.86 earned run average last season, hadn't worked for the Giants since May 3. Part of the reason was the nine-inning route-going ability of San Francisco pitchers and part was the surprising early relief work of Don Larsen.

Miller was ready Tuesday night however, when Lefty Bill Pierce faltered in the eighth inning of a 6-3 victory over the St. Louis Cardinals that kept the Giants' early National League lead at four games.

Miller replaced Pierce after Doug Clemens and Ken Boyer singled to open the eighth and threaten the Giants 6-2 lead. The little "curveballer" yielded a run-scoring single by Gene Oliver but pitched out of the jam by returning Julius Javier with the bases filled.

The win was the fifth straight for Pierce, who needs only six more victories to reach the 200-mark for his career. The Giants backed him with an eight-hit attack and handed Curt Simmons his first defeat after five straight triumphs.

The Cincinnati Reds shaded the Philadelphia Phillies, 3-2, the Pittsburgh Pirates edged the Milwaukee Braves, 3-4, the Los Angeles Dodgers out-slugged the Houston Colt, 10-7, and the New York Mets beat the Chicago Cubs, 6-3, in a four-hour and 54-minute 13-inning con-

The Dodgers scored six runs on six hits and a walk with two out in the seventh inning to present relief pitcher Larry Sherry with his second triumph.

Smoky Burgess' 10th-inning single scored Dick Groat with the decisive run for the Pirates, who snapped a six-game losing streak. Rookie Denis Menke accounted for all the Braves' runs with a grand slam homer.

Rookie Cal Koonce walked Hobe Landrith with the bases filled and two out in the 13th inning to force in the Mets' winning run and end an ordeal of frustration in which 3-2 deficits in the eighth inning. The Mets left 19 runners on base and the Cubs wasted two homers by George Altman and solo homers by Ernie Banks and Billy Williams.

The Twins moved to within a half game of the AL lead with the aid of homers by Vic Power and Harmon Killebrew. Jack Karlin struck seven innings to win his third

game while Frank Lary, making his first appearance since April 26, suffered the loss.

The Red Sox scored nine runs in the sixth inning to deal Ralph Terry his fourth loss and bring Bill Monbouquette his third win.

Norm Siebern drove in four runs with two homers to reward Dave Wickersham's three innings of sturdy relief with his third victory. Willie Kirkland, Chuck Essegian and John Romano homered for Cleveland.

Al Smith's two-run double was the big blow for the White Sox, who rallied from a 3-2 deficit in the eighth inning. Ray Herbert won his third game while Tom Cheney lost his first decision of the season.

Wookiee John Powell hit two homers and drove in four runs as the Orioles beat the Angels behind the four-hit, 10-strikeout pitching of Mill Pappas. Tom Burgess homered for the Angels.

Records Smashed

Two Seminole High School records were broken in the State Track Meet over the weekend. The relay team of Jim Terwilliger, Mike Champlon, Don Harvey, and Buddy Lawson broke the existing record in the 800 yd. relay. The boys ran the event in the record time of 1:32.4. This time was good enough for a sixth place in the state competition.

Also, the mile relay team of Chip Crawford, Vick Welsh, Jim Jones, and Mike Champlon placed fourth in the event at the state meet as they set a new school record of 3:33.9 for the mile relay.

Chicago Back In Running For Title Fight

NEW YORK (UPI)— Floyd Patterson has reinstated Chicago as one of four possible cities for his September heavyweight title defense against Sonny Liston.

The other three sites under consideration are Detroit, Washington, D. C., and Las Vegas, Nev. Floyd announced Tuesday night.

He added that the site will be picked before Sunday by manager Gus D'Amato.

When Patterson made his announcement at the offices of attorney Julius November, his inclusion of Chicago as a possible site was a surprise. Only last week Floyd and his manager had ruled Chicago out because a group there had made the mistake of negotiating with promoters of the fight instead of with D'Amato.

Sports, Inc., of New York will promote the multi-million-dollar fight, wherever staged, Championship Sports cannot select the fight city, Patterson emphasized. Only D'Amato is authorized to do that.

North Orlando Baseball Set For Older Boys

By Gimay Skisak
North Orlando boys, 13 years of age or older, who are interested in playing baseball this season, have been asked to report to the Recreation Area diamond next Tuesday at 5 p.m.

Harvey Green, who has offered to organize and manage teams for this age group, also asks any adults interested in helping to report at the same time or to contact him in the meantime.

Standings to date for the independent League formed by teams from North Orlando, Oviedo and Slavia are North Orlando Team One, won one, lost two; North Orlando Team Two, won two, lost two; Oviedo, won one, lost two and Slavia, won three and lost one.

Games are played on Monday and Thursday of each week.

Would Ban Boxing

BATON ROUGE, La. (UPI)— A bill was introduced in the Louisiana State Legislature Tuesday calling for a ban on professional boxing in the state. If approved, the ban would go into effect Aug. 1.

Rep. Francis R. Bickford, who introduced the bill, said professional boxing was against "all civilized concepts of sports."

PATTY BERG, IN HER 29th YEAR AS A PRO, IS STILL IN THERE PITCHING, DRIVING, PUTTING AND CHIPPING. TOO. IN 4 OF HER FIRST 5 TOURNAMENTS THIS YEAR SHE FINISHED 3RD, 2ND, TIED FOR 2ND AND 4TH.

Bankers Continue To Roll In Little Loop

Sanford Atlantic National Bank won its eighth Little Major League action of the year when they defeated George's 13-1.

The bankers have lost only one contest. Paul Pivic held George's to only two hits in winning the game. Sanford Atlantic had 12 hits. Jerigun was the losing pitcher.

In National League action, Yowell's dumped Monroe Harbor 15-4 as Billy Miller pitched a one hit ball game for the victors. Yowell's had 18 hits in the win. Monroe Harbor committed eight errors which hurt considerably. Tommy Austin was the losing hurler and there were two home runs in the game.

Minor League Tryouts Stated Here May 28

Tryouts will be held at Ft. Mellon softball field May 28 at 4 p.m. for Little Minor League.

Each child must register at this time. Team selections will be made on May 30 at 7:30 p.m. at the Recreation Director's office.

Non-residents cards will be required for children who live outside city limits. League play will begin on Monday, June 11.

All games will be held at Ft. Mellon Little League and softball fields.

The League will be for eight and nine year olds only. No boy who has reached his 10th birthday on or before Aug. 1, 1962, will be allowed to play. Also any player who has not reached his eighth birthday on or before July 15, will not be old enough to play.

Sportsmen Set Monday Meet

The regular meeting of the Seminole County Sportsmen's Association will be held in the County Court House at 8 p.m. Monday.

Nominating committee for election of officers in June will be appointed. A report on the Fish and Game Commission meeting in DeLand will be given. All members should attend this meeting.

'I Don't Remember Anything'—Minoza

ST. LOUIS (UPI)— Minnie Minoza, recuperating from a skull fracture and a broken wrist suffered in a May 1 baseball game, revealed that he could not remember his accident when news photographers were permitted in his room Tuesday.

The Cardinal outfielder, who doctors said was not yet out of danger, moved slowly with his eyes closed most of the time while the photographers were present.

Dr. I. C. Middleman, Cardinal team physician, reported that the 29-year-old athlete has shown steady improvement since his injury, suffered while chasing a line drive.

Minoza said he couldn't recall hitting the wall. "I don't remember anything about it," Minoza said. "I saw the ball when it was hit and I knew I was very close to the wall. But I don't remember after that."

Dr. Middleman said Minoza is allowed to get out of bed for short periods now and to dangle his legs over the side of the bed.

He will be out of the Cardinals lineup for at least six weeks and the Redbirds have asked for permission to put him on the disabled list.

Dunn's Ballard Road Barricade Removed

The Sanford Herald

WEATHER: Cloudy through Friday. High today, 85-90. Low tonight, 60-65.

VOL. 53 United Press Leased Wire Established 1908 THURS., MAY 17, 1962 SANFORD, FLORIDA NO. 454

Man - In - Space Support Mission Plane Crashes

WASHINGTON (UPI) — Fourteen persons apparently were killed today when an American C130 transport crashed near Nairobi, Kenya, while flying a support mission for this country's man-in-space program, the Air Force announced.

The report said rescue attempts "indicate no survivors." Two helicopters were sent to the scene. It was presumed that 10 of the persons aboard were passengers. The plane normally carries a crew of four.

50-50 Chance Given Scott Space Probe

CAPE CANAVERAL (UPI) — Space officials said today that bad weather in the Atlantic Ocean gives them only a "50-50" chance of blasting astronaut Scott Carpenter on his planned orbital voyage Saturday.

Carpenter and the Project Mercury launch team already were moving like clockwork through the final 48 hours of technical preparations. Scientists kept their fingers crossed and their eyes on an Atlantic weather pattern that was described as quite similar to the one which caused numerous delays in the flight of astronaut John Glenn in February.

Attempt Moves For Laos Peace

VIENTIANE, Laos (UPI) — Prince Boun Oum, premier of the royal Laotian government, was due back from Nationalist China today to prepare for another attempt at reconciliation with his rival neutralist and pro-Communist princes.

Reported agreement of the three factions to reopen negotiations on a coalition government stirred some hope that the civil strife would be eased.

Khrushchev Visits Sofia, Bulgaria (UPI)

Premier Nikita Khrushchev flew into Bulgaria today on a "friendship visit" which may produce a new peace policy for the traditionally-troubled Balkans.

Groundbreaking Sunday At School

Groundbreaking ceremonies for the second building to be constructed at Forest Lake Academy under the new five year redevelopment plan will be held Sunday afternoon at three p. m.

The new structure will be a combination cafeteria and class room building to house the home economics department of the school. Plans for the school call for construction of new class room facilities, a new industrial arts department building and a building to house a publishing plant, where students may help earn their way through school. There will be a book bindery added to the printing plant at a later date.

POPPY GIRL Julie Dee Browne smiles happily, and Poppy Boy Stanley Smith approves, too as Mayor J. H. Crapps accepts the first poppy for this year's American Legion sponsored Poppy Days in Sanford. Friday and Saturday have been set for the observance this year, under the chairmanship of Mrs. Ruth Smith.

Strike Command Boss Mum On Secret Order

TAMPA (UPI) — The commander of the new U. S. Strike Command said Wednesday his men were ready to launch a military operation late last year but it was cancelled at the last minute.

25 Acres Burn At Sanlando

Seminole County Forest Ranger Lewis Williams reported today that the Forestry Service crew at Longwood were called to a 25-acre fire Wednesday night at Sanlando and to an early morning fire today southeast of Chuluota which burned an approximate 15 acres.

The Chuluota fire brought this year's total over the record for the whole of 1961 burning at least 2,000 acres more than last year.

Groundbreaking Sunday At School

The new structure will be a combination cafeteria and class room building to house the home economics department of the school. Plans for the school call for construction of new class room facilities, a new industrial arts department building and a building to house a publishing plant, where students may help earn their way through school.

Hearing Off

TALLAHASSEE (UPI) — A State Supreme Court hearing on recommended disbarment of former Charlotte County Rep. John Hathaway today was postponed until June 6.

Battle Dress Marines Deployed In Thailand

BANGKOK, Thailand (UPI) — Eighteen hundred U. S. Marines in full battle dress landed in Thailand with artillery and tanks today and were deployed swiftly to bases facing the Communist threatened border with Laos.

news... BRIEFS

CINCINNATI, Ohio (UPI) — The search for William Triplett, accused hired gunman and star witness in a gangland slaying case, and two other fugitives from a Chicago jail centered around this area early today.

Fourlaning

TALLAHASSEE (UPI) — Fourlaning of U. S. Highway 1 in Titusville has been completed at a cost of \$394,027, the Road Department reported Wednesday. The fourlaning extends from Seminole St. north to the city limits.

Show Down

HOLLANDIA, West New Guinea (UPI) — An Indonesian air force transport carrying paratroopers was shot down this morning during a new attack on West New Guinea, the local Dutch government announced.

More Control

TALLAHASSEE (UPI) — The State Board of Health has proposed spending \$293,524 for regulation and control of radioactive isotopes in Florida for the coming biennium, State Rep. Richard Mitchell of Leon said today.

New Outlet Set For Hwy. 17-92

The controversial Ballard Road barricade erected late last week at the order of County Commissioner Vernon Dunn, District 4, was removed late Tuesday afternoon and the 150 foot stretch of sandy right of way was covered with road clay.

Altamonte Sets Public Hearing On Water

Questionnaires are ready for distribution this week to the residents of Altamonte Springs by the city council to gauge the feeling on the proposed new municipal water system which has been under discussion for some time by the council, it was announced Wednesday night.

A public hearing on the subject will be held next Wednesday night, May 24, at 8 p. m. at the community house to discuss the move. Applications for the new service will be available at the hearing for those desiring them.

The board talked over a bill from the Orange Paving Co., Winter Park, and decided to pay three-fourths of the \$8,796 statement and pay the rest pending acceptance and approval of the job done on Turnbull Ave. The bill included an additional \$1,050 for sand sealing the new pavement, which was not included in the original bid.

The paving of Robin Road was brought up and it was decided to rescind the original call for bids on the project because the notice did not include sand sealing of the road. The town council, S. J. Davis, advised revising the resolution and re-advertising for bids.

In connection with the paving of Robin Road there was considerable discussion over the method of assessment to be used. It was proposed by Mayor Lawrence Swofford that the cost be prorated evenly for each freholder along the road rather than assessment on a front foot basis.

It was pointed out by the mayor that the peculiar shape of the lots on Robin Road precluded a front foot assessment because of the manifest unfairness of the distribution of land along the street. After a bit of mathematics Davis came up with a figure of \$45 for each property owner to pay on the mayor's plan.

The final decision will not be made until Davis checks out the statutes covering assessments, although there were fears expressed by some members of the council that the action would set a dangerous precedent.

It was also decided to purchase an insurance policy covering the town's firemen in case of accident, injury or death in line of duty, and a policy covering the town's liability in the operation of the refurbished brush fire truck was also ordered.

The purchase of a garbage truck for the current fiscal year was vetoed by the board and it was decided to hire someone to cut down the dangerous trees in the town and the town trash truck will haul them away.

Considerable heat was generated during the discussion over discontinuing the answering service currently serving the town's fire calls. It was held that the service was unsatisfactory and that the siren was sounded at the "whim" of the answering service as "a harassment to this administration," according to Mayor Swofford.

In as much as Fire Chief Harry Brown had requested a fire phone for his home and one for Cordell's Garage it was decided to cancel out the answering service and have the telephones installed.

Mrs. R. A. Smith To Speak Friday

Mrs. Ralph Austin Smith of Sanford will be the speaker at the meeting of the Women of the Presbyterian Church of DeBary at 1:30 p. m. Friday. She will speak on "Church Extension."

SCEA Meet Set For 8 P. M.
